LONG STAR, EASTLAND COUNTY, TEXAS, 76471

THURSDAY, SEPT. 24, 1964

VOLUME 74, NO. 49

Through The Editor's Specs

By EAB

Back in the good old days the game of football was played under much more liberal rules than is the game today. During the old settlers reunion Rolie Earp was reminiscing about an early day Rising Star team of which he was a member.

Some of the other players on that team — of 1904, I believe — were Raymond Gray, Dick Gray, John and Jim Irby, Jim Ray Bucy, Ross Barnes, Clarence Earp and Jim White, a brother of Lee. You can correct me if I'm wrong.

There was no Interscholastic League to police high school athletics, no stadium and no regular schedules. Transportation was a limiting factor and the Rising Star boys, played Howard Payne College and other school and town teams within an area that could be conveniently traveled by horse.

Uniforms were not very scientifically designed, either, just lumpy with horsehair in the vital spots. As a matter of fact the players sometimes played without any uniform at all.

Rolie remembered one game for which one of the regular players was late. He arrived on horseback just as the game was about to begin and played in his work clothing, including boots and spurs.

Imagine what would happen today if a player were allowed to play in a modern game garbed like that.

I have just received a copy of the "Lynx Claw," a newsy little paper published by the students of Spearman High School under the sponsorship of Miss Pat Howard, a Rising Star girl. Pat, an English major, has studied journalism and only this summer took a course in photography at Howard Payne College, Brownwood, and if the "Lynx Claw" is a reflection of her training, she learned her lessons well.

The coverage of news is good, the features appropriate and imaginatively presented, the stories objective and crisply written and the make-up and style of the paper would do credit to a commercial newspaper.

Congratulations, Pat! One story in the little paper tells of the formation of a press club. It is named "Howard's Pen House".

Jack Scott, whose column "The Home-Towner" in the Cross Plains Review ranks among the best in the state, last week picked up a story "in the raw" and refined it into the following:

"Life offers few problems until a youngster begins school. The first grade is where they're initially encountered.

"They're telling the story of a six-year-old lad who recently experienced a bad situation. He'd been given per- (Continued on Page Four)

HOSPITAL NEWS

ADMISSIONS:

Ellen Mayes, Mrs. Tee Hardin, L. R. Smith, Mrs. J. D. Morrow, Mrs. Dan Dolye, Frank Whitlock, Peggy Burns, Arthur Cannon, Mrs. June Harris, and Mrs. Charles Carroll of Rising Star; Mrs. Mary Wiggins and Mrs. Mabel Smith of May.

DISMISSALS:

Mrs. Tee Hardin, L. R. Smith, Mrs. Dan Doyle, Peggy Burns and Arthur Cannon.

Rising Star Welcomes Homecoming Exes Saturday

Will Celebrate Golden Wedding Anniversary

Mr. and Mrs. Elzo Been of Carbon will celebrate their Golden Wedding Anniversary Sunday, September 27. Their children, Mr. and Mrs. Syd Davis of Elgin and Mr. and Mrs. Truett Been of Grand Prairie, will honor the couple with an open house at the Been home from 2 to 5 p. m. All friends and relatives are invited. No formal invitations will be sent. Judge Been is a former district judge in Eastland County.

New Mail Schedules In Effect Saturday

Changes in the arrival and dispatch of mails at the Rising Star post office will be effective Saturday, Sept. 26, with the activation of a new sectional center for the postal service at Stephenville, according to an announcement by Postmaster Cliffogene Witt.

All outgoing and incoming mail for the Rising Star office will be processed through Stephenville center, Mrs. Witt said.

Under the new schedule there will be one incoming mail at 7:30 a. m. and one outgoing mail at 4:30 p. m. on week days. On Sundays there will be one incoming mail at 7:30 a. m. and one outgoing mail at 9:30 a. m. The Sunday schedule will also apply on holidays, she said.

"With one outgoing mail in the afternoon," said Mrs. Witt, "the volume will be much greater and patrons should have their mail in the post office as early in the day as possible, and not later than 3:30 p. m. to assure speedy dispatch.

"The establishment of sectional centers throughout the United States is a step toward Zip Code, a program designed

to speed up mail delivery and to handle the yearly increase in mail more efficiently."

Roach To Show New Fords Friday

What company officials call the most changed Ford in the history of Ford Division will make its debut at the Roach Motor Company showrooms here Friday.

Vertical mounted dual headlights and hexagon-shaped tail-lights are included in the new look. Automatic chokes are featured on all five engines, and four different transmissions are offered.

The cars feature a 42-ampere alternator charging system, and the Flo-Thru ventilation system pioneered on the 1964 Thunderbird is available on all hardtops. Standard equipment includes aluminum muffler, front seat belts, crank type vent windows and electric windshield wipers.

Typewriter Paper at The Record

Rains Total 5.9 In. Here

Rains which began falling here Sunday — and generally over this entire section — by Tuesday had set a probable September record.

Since Sunday, and not including light showers which fell Wednesday, almost six inches of rain has been recorded by the city gauge — to be exact, 5.91 inches.

Throughout the several counties in this Central Texas area similar downpours were received, leaving stock tanks brimming, farm and pasture land soaked, and in many places flooded. There were reports of extensive damage to roads in the eastern section of the county.

The section east of Rising Star received the heaviest amounts and the rains were in some instances accompanied by high winds and stormy conditions. Gorman reported from 10 to 16 inches and the schools there were forced to close Monday.

Cross Plains had 7.88 inches for the same period and Cisco reported 6.8 inches.

Heavy rains were reported also from the Brownwood area which, until the last series of showers had received compar-

tively little.

Northwest of Rising Star where the August and early September rains had been light in spots, the week-end precipitation was heavy and crop and pasture prospects were definitely improved. Stock water was in heavy supply.

The outlook for a good peanut yield where plantings had been done was excellent.

The rainfall as gauged in Rising Star fell by days as follows: Sunday, 3.10 inches; Monday, 2.00 inches;

Tuesday, .81 inch.

Since the 12th of September 7.81 inches had been recorded here, making it the wettest September in a long memory, if not a record.

During August, 4.63 inches were recorded, likewise a most unusual amount for that normally dry month, and bringing to 12.44 inches the total precipitation received here during the two months to date — half of the annual average for the section.

Errors May Decide Cat And Buff Grid Battle

The Rising Star Wildcats and the Cross Plains Buffaloes will begin their game as a feature of the Rising Star High School Exes Homecoming here Saturday night with identical records.

Each has won a game and tied one.

The Wildcats defeated Eastland here in their season opener 14-13 and played to a scoreless tie with the Rochelle Frontiers here last Friday night.

The Buffs played to a draw with the Early Longhorns in their first game and defeated Santa Anna Mountaineers last Friday night, 13-0.

The Wildcats have won their last two encounters with the Buffaloes and, considering weight and experience are favored in the game this week. But the rivalry between the two being what it is, pregame ratings count for little.

Cross Plains, which was not well regarded in early season assessments, has shown considerably more ability than was expected, while the Cats have lagged behind their advance notices, so to speak.

The game should be a closely fought contest.

The Wildcats will depend upon their senior quarterback, Terry Geyer, and their 180-pound fullback, Kenny Butler for most of their ground-gaining, with Danny Wooley and Dwight Car-

ter due to see a great deal of action. Rex Long, Rising Star; Russell Botts, 280, and of play because of an injury but Coach Weldon Hill was hoping he would see action this week. Frazier Clark, regular tackle, also held out of play because of injuries, will still be called upon for place-kicking chores.

Defensively, the Cats have shown themselves particularly strong, especially against running plays. In the defensive line Coach Hill will have James Cox, 170, and Kenny Butler — who converts from backfield to line on defense, —180, at tack-

end, is the Cats' best pass receiver. Larry Duggan, another good receiver, has been held out

(See FOOTBALL on Page 8)

Hugh M. Foster Burial At Sipe Springs Tuesday

Hugh Marvin Foster, 76, a native of Sipe Springs, Tex., who died in Imperial, California, Wednesday, Sept. 16, were held at the Baptist Church at Sipe Springs Tuesday, Sept. 22, with burial in Sipe Springs cemetery.

The Rev. Milton Slayden of the First Methodist Church of Rising Star officiated. Higginbotham Funeral Home was in charge of burial arrangements.

Mr. Foster was born at Sipe Springs on August 1, 1888. He was by profession a plumber and had lived in California for 35 years.

He is survived by his wife, Carrie Lou Rachels Foster to whom he was married at Sipe Springs on July 3, 1910; three sons, Joe, John and Marvin Foster, all of California; four daughters, Mrs. Eleanor Ritter, Mrs. Marie Payne, Mrs. Hazel Hatch and Mrs. Carrie Nell Sessions, all of California; a brother, George P. Foster of Clyde; and two sisters, Mrs. Effie Foster of Sipe Springs and Mrs. Gussie Stanfield of Lamesa. There are 16 grandchildren.

Off to College --

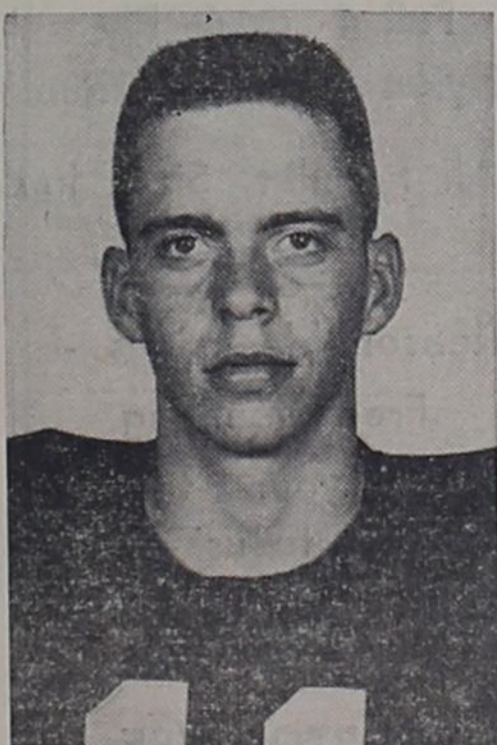

Miss Linda Koonce, daughter of Mr. and Mrs. Jay Koonce, returns to TCU and Harris School of Nursing at Fort Worth this fall, where she is a junior, and an honor student.

Don West, son of Mr. and Mrs. T. W. West is attending Fort Worth Electronics College, Fort Worth.

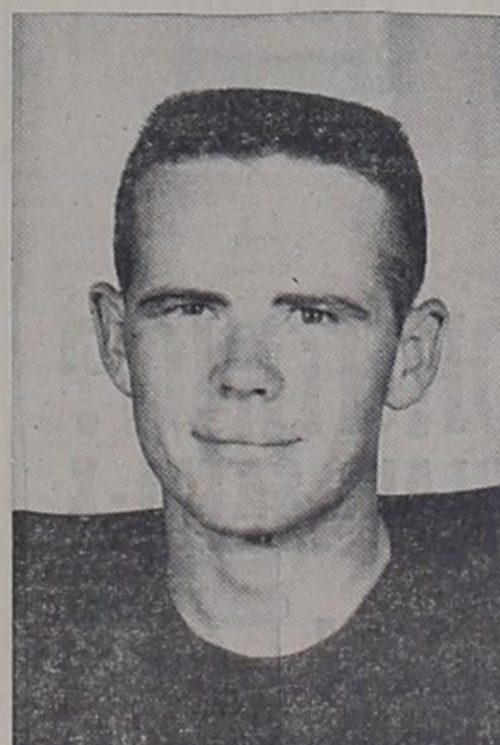

Lovie Bishop, daughter of Mr. and Mrs. J. W. Bishop, is attending Draughon's Business College, Abilene.

Patricia Burns, daughter of Mr. and Mrs. N. D. Burns, is attending Draughon's Business College, Abilene.

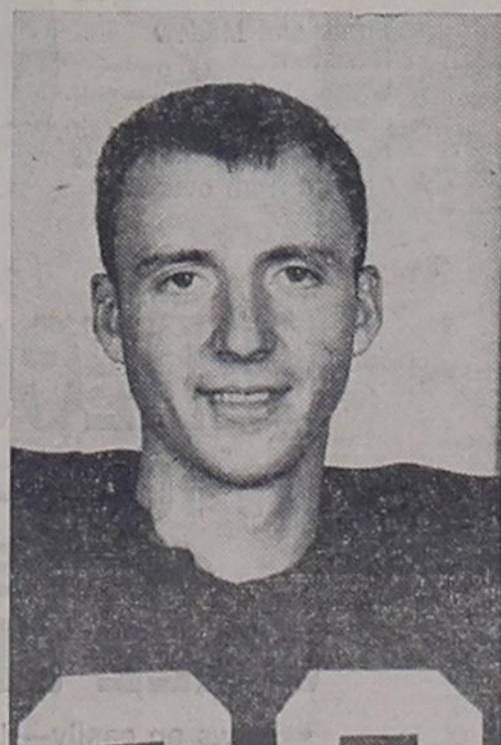

Five Seniors in Buff Line-up for Cats Here Saturday Night . . .

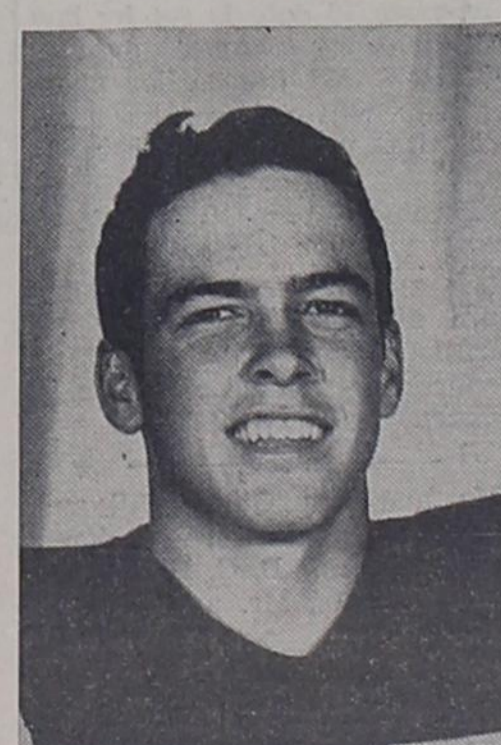

These five Cross Plains Seniors will play their last game against the Rising Star Wildcats Saturday night at Wildcat stadium here. They are, left to right:

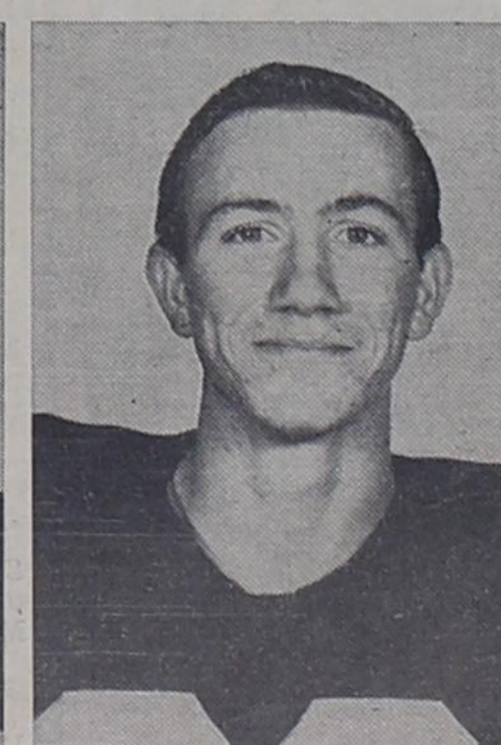

Jack Baum — quarterback 131 pounds, two year letterman, who scored the first touchdown against Santa Anna last week;

Freddy Johnson—171-pound two-year letterman, who is rated particularly good on defense;

Reggie Stover — end and half-back, three-year letter-

man, 130 pounds; Tommy Purvis — 141-pound two-year letterman, who alternates with Baum at quarter, and also plays halfback, a good runner and the team's

Parade, Football Game To Feature Program For Day

Rising Star will welcome an anticipated 150 visiting ex-students of Rising Star High School Saturday in the annual Homecoming to be climaxed at 8 p. m. with a football game between two long-time rivals—the Rising Star Wildcats and the Cross Plains Buffaloes.

The program will begin with registration at the Home Ec cottage at 8:30 a. m., followed by the business meeting at 11:30 a. m. at the High School gym where the two principal items of business will be the election of a homecoming sweetheart and the choosing of officers for 1965. President James Rutherford will preside.

In the afternoon, at 2 o'clock, there will be a parade through the business district, a pep rally at the gym at 3:30 o'clock, followed by visiting and a coke party.

The Rising Star High School band, directed by Alton Roan, will furnish the music for the morning program, and Preston Mangum will welcome the visiting exes. The roll of the exes will be called by Goldene Ware, secretary.

At noon sandwiches and drinks will be served at the concession stand at the ball park by the P.T.A.

Local merchants and organizations other than school classes and groups were also invited to have entries in the parade which will be led by the Wildcat Band. During the day there are also expected to be a number of individual class reunions.

Officers of the Ex-students Association are Mr. Rutherford, president; Eddie Joe Henry, vice-president, and Mrs. Ware, secretary.

The program for the reunion was arranged by Mrs. Lanell Henry and Mrs. Gertie Smith.

Mrs. Billie Nowlin and Mrs. Laverne Carroll are in charge of registration and coffee at the Home Ec cottage on the High School grounds.

Charles Rutherford, Jerry Winfrey and Mutt Carroll form the parade committee.

Mrs. Pat Elliott, Mrs. Goldene Ware and Mrs. Inez Elliott were in charge of correspondence.

Activities at half-time during the football game, when the Homecoming Queen and the football sweetheart will be presented, are in charge of the Wildcat Band and its director, Alton Roan.

Lee Hughes, Mrs. Edra Butler and Mrs. Cliffogene Witt, are responsible for the coke party, while the high school cheerleaders will direct the pep rally at the gym.

New Jewelry Store To Open October 1

Mr. and Mrs. J. R. Edwards this week are announcing the opening of Edwards Jewelry in the White building on North Main Street in Rising Star.

They will be hosts to an open house at their store on Friday, Oct. 2, from 1 to 5 p. m. when everybody in the Rising Star, May and Cross Plains areas is invited to visit them, inspect their store, and its fine stock of jewelry and get acquainted with these new Rising Star business people.

They plan to handle a particularly nice stock of gift merchandise for the Christmas trade.

Mr. Edwards, a graduate watchmaker, has been associated with a Comanche jewelry store for the past two years and is well qualified to serve the needs of this community in his line. He does electronic testing and timing of watches with the well-known Watchmaster equipment.

Mrs. Edwards is a native of the May community.

Mr. and Mrs. John Lee, Sr., accompanied by Mrs. Beryl Heath, visited friends in Cisco recently.

Deer Hunting Season To Open Earlier This Year

AUSTIN — Ranchers in the battle-blitzed big game country have embraced the bonus early opening provision for the fall deer season in regulatory responsibility areas, reports J. Weldon Watson, executive director of the Parks and Wildlife Department.

The proposal to open the season on Saturday, November 14, rather than the traditional November 16 as provided by state law, got a resounding sanction at the public hearing in early summer.

The Parks and Wildlife Commission, which originally proposed the early opener, promptly acknowledged the support at its next meeting and set the wheels in motion to effect the historic change.

The extra weekend arrangement will be followed in most of the counties where the wildlife resources are managed directly by the Commission.

The 102 counties still under General Law will not be affected by the early opener since the November 16 date is set by law and therefore is unyielding.

Watson said the earlier opening date will not generally affect the usual December 31 closing of the season.

"These are two extra days allowed to give the hunters a break and to harvest a greater share of the deer herd which has now grown to saturation proportions in some areas," said Watson.

Mr. and Mrs. Curtis Hill and family of Anson were weekend guests of Mrs. B. G. Elliot, and of his parents, Mr. and Mrs. C. M. Hill.

Mrs. Robert Hodnett of El Paso is here for a visit with her husband's parents, Mr. and Mrs. L. E. Hodnett.

Mrs. Troy Mitchell has as her guest her mother, Mrs. Wheeler of Grandbury.

PERSONALS

There's a new kind of cotton rickrack on the market. It's no iron variety, which means that the edges won't curl after each washing.

When painting your home, always follow the sun. Paint the north side early in the morning, the south well after noon, and the west side during the late afternoon.

Place cotton demin or canvas sneakers on shoe trees to dry after washing them. This enables the fabric to dry more smoothly and eliminates puckers around the toes.

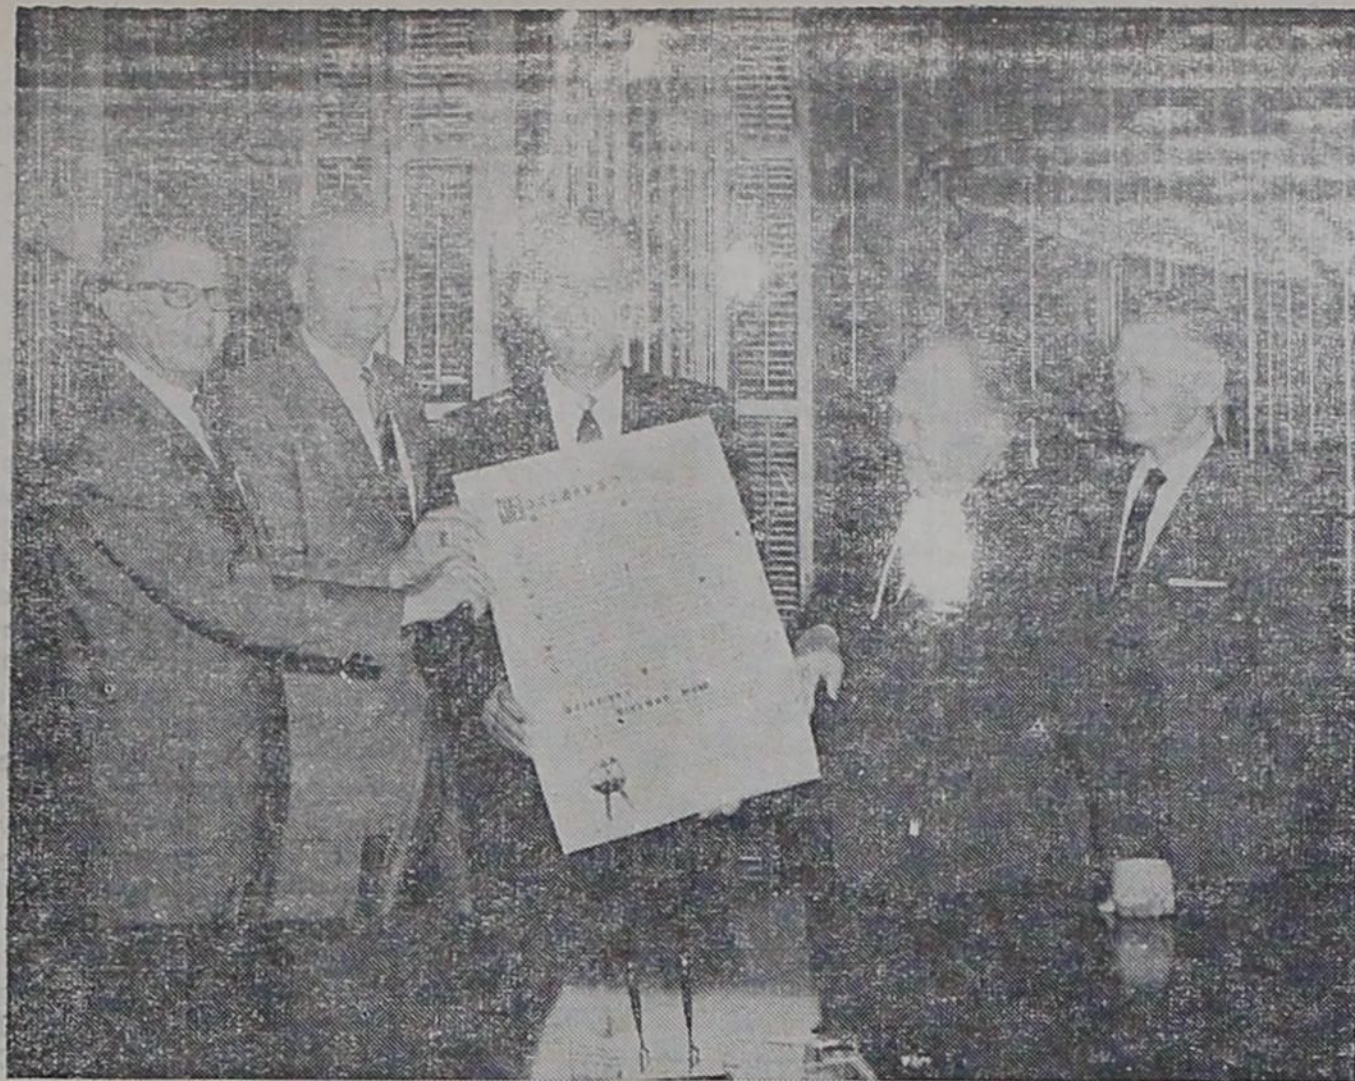

Mr. and Mrs. Ural Sherrill of Abernathy were among the Old Settlers here for the re-union on Sept. 15.

Mrs. J. J. Prentice, mother of Max Prentice an old settler of Rising Star, who resides at May, was here for the Old Settlers Reunion.

Mr. and Mrs. Elzo Been of Carbon attended the Old Settlers Reunion Sept. 15.

Guests in the home of Mr. and Mrs. Jay Rachel Monday of this week were Mr. and Mrs. Owen Wright and Ray Rachel of Dallas, and Mr. and Mrs. Gene Rachel and Mrs. Lillian Cox of Comanche.

Condition of Jack N. White, who has been under treatment at Comanche Hospital and has now returned home, was reported unimproved this week.

HIGHWAY WEEK in Texas for 1964 will be observed October 4-10. Governor John Connally holds the official proclamation just after signing it at the State Capitol in Austin. Admission and State Highway Engineer D. C. Greer (right). Others pictured (left to right) are Commissioners Hal Woodward of Coleman, Herbert C. Petry, Jr., Chairman, of Carrizo Springs, and J. H. (Jack) Kultzgen of Waco. Sponsoring the event is the Texas Good Roads Association which has taken as theme for the observance: "Mobility: Your Fifth Freedom."

Browsing With Bev By Beverley Nicholson, County HD Agent

Ground beef — or hamburger — is designed for huge appetites and pocketbook ease. This ground beef accounts for about 25 per cent of all beef sales.

Not all ground beef is the same composition. Regular ground beef usually indicates ground beef with a high proportion of beef fat, and many people prefer it for the rich flavor imparted by the fat. Lean ground beef is made from the chuck or various cuts of beef which are leaner than those that go into hamburger. It costs a bit more per pound, but is probably the most efficient purchase.

Ground round steak is the leanest of all ground beef, and usually sells for about the same price per pound as sliced round steak. It costs more, but shrinks less in cooking than other types of ground beef.

Handle ground beef as little

as possible. Too much handling makes the finished product tough and packed.

Keep ground beef under refrigeration and use it within three days after purchase.

Add new flavor and interest to cooked green vegetables by trying some of these seasonings: Cook a tablespoon or two of minced onion, green pepper, or parsley with snap beans or summer squash; cook a few mint leaves with peas; put a small pinch of herb or spice in the water when cooking lima beans; add a little vinegar and sugar heated together to make a good dressing for snap beans or cabbage, with or without a few tablespoons of cream; point up the flavor of green vegetables with meat drippings, butter or margarine, or salad oil with lemon juice, horse radish or garlic; add bits of crisply fried bacon to spinach or other greens.

Too much wax, oil and polish can actually dim the beauty of wood finishes. Furniture manufacturers themselves point this out. The best cleaning care, according to the American Walnut Manufacturers Association, is to wash furniture with suds and water. Wash it once or twice with a cloth wrung out of warm soap or detergent suds, then wipe all surfaces with a clean damp cloth and rub dry. All wood pieces—modern or antique — thrive on this basic cleaning, as the suds remove various types of soil which are not affected by simply applying another coat of oil, polish or wax.

When all surfaces are thoroughly clean, use any preferred type of finishing touch.

Polishes or wax applied too often tend to build up a film which reduces the beauty of the original finish. Authorities recommend that most furniture be waxed only once or twice a year.

YOU ARE INVITED to a meeting at the Agriculture Building of the High School Thursday, September 24, at 8 p. m. for films and a discussion of "Does Fertilizer Pay If It's A Dry Year?" Refreshments will be served at the end of the program.

Editorials

Our Fifth Freedom . . .

We are living in what has been termed the "Space Age." And in Texas — where "space" may be said to have been invented — we have conquered this problem with the motor vehicle.

It is interesting to note that in many areas a trip to a drive-in theater, or even the grocery store, calls for preparations as if for an expedition.

But Texans take space lightly as they skim over the world's finest highway system. Sometimes we take this matter of mobility so lightly that we fail to recognize the significance of these fine highways.

It isn't unrealistic to believe that our entire economy would

collapse if the state's highway system suddenly should become impassable. In periods of storm — whether hurricane or blizzard — whole communities virtually are paralyzed until food, medicine, physical aid are brought in over reopened highways, and communications restored.

Highways are said to "provide our daily bread." Huge vans carry food to our grocery stores, tank trucks haul gasoline to our service stations. Factories all over Texas are dependent upon highways for delivery of raw materials and their finished products.

More than 1,800 Texas communities are wholly dependent upon highways for transportation. The 66,000-mile Texas highway system is unmatched by any in the world — in size, quality and the number of people it serves.

Mobility — as exemplified by our highway system — makes it possible for us to live in the country and work in the city, or live in the city and seek recreation in the country.

The Four Freedoms were enunciated in the Atlantic Charter:

"Freedom of press and speech, freedom from want and from fear."

Texans enjoy an unmeasurable Fifth Freedom which enhances all the other four.

That is why it has been picked as the theme for Highway Week in Texas, October 4-10.

"Mobility: Your Fifth Freedom."

Specs--

mission to go to the rest room but quickly returned to his teacher and said that he'd have to have help. Another boy was dispatched to accompany him.

"They were so slow in returning that the teacher started out to investigate and met them in the hall coming back. One was too embarrassed to talk, so the other explained: "He had his underwear on backwards."

Lamented — Jack:

"After I had made that story socially acceptable, and printed it, I found that the Reader's Digest had published it."

Somebody is always stealing our stuff.

LOCAL ITEMS

Visitors in the home of Mr. and Mrs. Ira Swift during the week-end were their son and family, Mr. and Mrs. Gaylon Swift, and two daughters, Gala Sue and Nancy, of Andrews.

Mr. and Mrs. Seth Swift of Fort Worth spent Tuesday night with Mr. and Mrs. Ira Swift.

Mr. and Mrs. Ira Swift were called to San Angelo by the death of their nephew, Joe Copeland.

OFFICE SUPPLIES AT THE RECORD

Wildcat Tales--

slow. The girls in both sixth and seventh period P.E. are taking active part in calisthenics. Now that they have the soreness worked out of their muscles, it is not so bad.

The girls most active right now are the cheerleaders and majorettes. Both groups are working out almost every day. I think everyone that has been to the football games this year will agree that these girls are doing a real fine job. The cheerleaders have shown a lot of spirit at the pep rallies, and I know the "Wildcats" appreciate this very much. Good work — girls.

All of the student body and various organizations have worked very hard to make this 1964 Home-Coming the best ever. I would like to take this opportunity to say "WELCOME HOME—EXES!!!"

Sandra

"BOYS' SPORTS"

This week the "Wildcats" will take on their old rivals, the Cross Plains "Buffaloes." As everyone knows, when the "Wildcats" and "Buffaloes" meet, a very fine game will be played by both teams. Since this will be the "Homecoming" game, we hope all the Exes and local fans will come and back the "Wildcats" all the way; come on "Cats" and skin a "Buff."

The next game will be against the Early "Longhorns." This will not be a home game.

Reporter,
Franz Pittman

LOOKING AHEAD

Now that I am in high school, I realize the importance of an education. Quitting school would mean that my income for life would certainly decrease. With a high school diploma, the chance of getting a job is better than without a sound high school education.

In the years ahead of me, I am looking forward to going to college. I hope to major in music and get a job directing or teaching music. I think a career in music would be high paying and also very entertaining.

If music progresses as much in the next fifty years as it has in the last fifty years, I may have to go back to school to learn all of the new things that have come along since I went to college.

I think I would like to teach band or music because all of the sounds you can produce have always fascinated me. Teaching teenagers would be a delight to me because then I will remember my younger years.

I do not think I will regret a career in music. The schools are all short of music teachers. I would take the highest paying and most suitable job. Although some forms of music are not pleasing to the ears, most music has a soothing effect. If you regret a music career, I do not think you would be happy in anything. If you are not happy with your work, you have wasted your education and your life.

MY FIRST DAY IN HIGH SCHOOL

My first day in high school was the most exciting day of my life, thus far. I was so frightened; I did not think I would even make it through my first class. It seemed like everything I did was wrong; everywhere I went was the wrong place.

My first class, biology, was the hardest of all my classes. I could not seem to keep my mind on the lesson, and I was always afraid I would do something wrong. The following classes were easier, and I was less frightened.

Between classes we had only a few minutes to get our books from our locker and get to the next class. It was not enough time for me. I was late for nearly every class.

I soon became accustomed to my teachers: Mr. Gray, biology; Mr. Roan, study hall; Mr. Henry, algebra I; Mrs. Claborn, English I; Mrs. Nowlin, home economics I; Mr. Henry, physical education; Mr. Jones, study hall. I have grown to like and admire each one. They are kind, considerate, generous, and helpful.

After my first day at high school, I was more than ready to begin the second one.

Shirley Smith

BENCH THE BUFFALOES

How did you enjoy the game last Friday night? I have to admit it certainly did keep everyone on their toes. The Cats truly

ld play a good ball game.

We are looking forward to Saturday night when we meet the Cross Plains Buffaloes here at the Wildcat Stadium. This is also homecoming, the time of year everyone likes best, and we are looking for all Exes to be here. I promised to give you the time of the events and they are as follows: Registration, 8:30 to 11:00 at the Home Economics Building; Ex-Students Meeting, 11:30 at the Gym; Lunch, PTA Concession Stand; Parade, 2:00 Pep Rally, 3:30 and Coke Party following; Football Game, 8:00 at the Wildcat Stadium. We hope everyone will be able to attend all the events and make this event the best homecoming yet.

We are looking forward to seeing Linda Duggan crowned that night as our new football sweetheart.

Help us kick off our '64 homecoming with great success.

Sharolyn Roach
P.S. Let's see all Ex-cheerleaders at the pep rally!

Fertilizer In Dry Years Subject for Meeting

Jim Query, a representative of Smith-Douglas, Inc., will speak and show films on "Does Fertilizer Pay If It's a Dry Year?" at the Agricultural Building of the High School Thursday evening, Sept. 24, at 8 o'clock.

The meeting is one of the adult Farmer Night programs sponsored by the Vocational Agricultural Dept. of the Rising Star High School, during which farmers discuss mutual problems and agricultural methods and opportunities.

Mr. Query will be ready to answer questions concerning the use of fertilizers.

All interested people are invited.

Wedding Shower To Honor Mrs Morrow

A wedding shower honoring Mrs Dick Morrow, the former Marcia Simmons, is planned at the Fellowship Hall of the First Baptist Church from 3 to 5 p. m. Thursday, Sept. 24.

Hostesses will be Mrs. J. R. McKinnerney, H. L. Geye, L. L. Lewis, Bruce Harris, R.T.E. Zell, W. V. Fenter, Fred Hubbard, Curt Smith, Altus Butler and Deward Maynard.

Mr. and Mrs. Jim Gray were visited by Mr. Gray's sister from De Leon, and by Mrs. Gray's sister from Abilene during the weekend.

Eastland Markets . . .

EASTLAND — Cattle sold, 421; hogs, 66; sheep and goats, 36; consigners, 110; buyers, 85; prices paid: butcher bulls, 14.50 to 17.20; stocker bulls, 13.00 to 20.00; butcher cows, 11.00 to 15.00; stocker cows, 12.00 to 16.00; canners and cutters, 9.00 to 14.00; butcher calves, 18.00 to 20.50; stocker calves, 11, 18.00 to 24.75; stocker calves, hvy., 18.00 to 22.00; pairs, 100.00 to 183.00; butcher hogs, 16.50 to 17.00; sows, 12.50 to 15.50

Baptist Circles Set Meetings for Week

WMS circles of the First Baptist Church will meet next week as follows:

The Richard Smith circle with Mrs. Earl Marsh, the Avis McCullough circle with Mrs. Grant Adams, and the Joe T. Poe circle at the church, all on Monday; the Aletha Fuller circle with Mrs. A. D. Kyle on Thursday.

Kittens Defeat Blanket Juniors 14-8 Tuesday

The Rising Star Junior High Kittens defeated the Blanket Juniors 14-8 in a game at the Rising Star field, Tuesday night. Dick Clarke scored both of the Rising Star touchdowns and Dalton Hughes kicked the extra points.

It was the second win of the season for the Kittens against one loss.

Next Tuesday the Kittens go to Early.

Wallace Anderson of Brownwood, Tom Anderson of Carlsbad, New Mexico, and Ross Cox of Brownwood attended the Old Settlers Reunion here on Sept. 15. Herman McAllister of Abilene, was also here for the reunion.

Mrs. Carolyn Ray, daughter of Mr. and Mrs. S. C. Tucker, left Saturday for Denver, Colo., to take her little girl, Rebecca, to a heart specialist. The Rays live at Roswell, New Mexico.

Of 501,000 men over 65 planning retirement in 1963, 34 per cent gave health as the reason.

How to save something every payday
[even if you spend every cent you get!]

House payment, car payment, grocery bill, taxes, doctor bills, dentist bills, school clothes, tune-ups for the car and shots for the dog, etc. They can leave you a little short at the end of the month.

If this is your problem—and it's keeping you from saving for the happy future you want—consider a simple solution: The Payroll Savings Plan.

You just say the word and every payday your employer will set a little aside from your check and put it towards the purchase of a U.S. Savings Bond.

You'll find all your bills and expenses will get paid just as before. (The secret is you don't miss money you don't see.) And first thing you know, you'll have a good start on your nest egg.

Several million Americans use the Payroll Savings Plan every month, so you know it works. Talk to your paymaster about it now and start saving this payday.

Keep freedom in your future with
U.S. SAVINGS BONDS

Miss Pearce Hostess To Mary Ann Circle

The Mary Ann Circle of the First Methodist Church met in the home of Miss Loretta Pearce on Tuesday evening, Sept. 15.

The program was built around the mission study. Mrs. Jay Koonce gave an interesting account of India; Mrs. G. C. Groce, Pakistan; Mrs. Vada Arnold, Formosa-Taiwan; Mrs. J. R. Bucy, Hong Kong, and Mrs. F. B. Joyce, Korea. Six members and three guests were present. Miss Pearce served refreshments after adjournment.

Max Prentice Speaks To May WSCS Wed.

The W.S.C.S. of the May Methodist Church met in Friendship Hall on Wednesday evening, Sept. 16, to begin the new mission study. The meeting opened with song, "This Is My Father's World" led by Mrs. Weldon Haynes, accompanied by Mrs. O. C. Allen. Mrs. J. W. Moore led the prayer and the introduction and first chapter of the study were presented by

Maj. Max Prentice who discussed Spanish Americans. The Book is entitled "Death of a Myth" by Kyle Haselden. Closing prayer was by Marvin Chambers.

Hostesses were Mrs. Frank Madison and Mrs. C. A. Fleming, who served refreshments to Mr. and Mrs. Marvin Chambers, Rev. and Mrs. Weldon Haynes, Maj. Max Prentice and Mmes. Clyde Nesbitt, O. C. Allen, Bo Allen, Grace Glenn, Rex Lewis, Lloyd Alexander, Elvis Shults, Doris Windham, J. W. Moore and Ada Alexander.

**Saucy Snack —
FRESH CRANBERRY SAUCE FOR PANCAKES**

Simple, spanking good, and satisfying — that's cranberries. In any shape or form they are the perfect fruit for easy-to-make dishes that are luscious tasting and attractive looking. What could be more tempting for a late supper snack than pancakes served with a tangy fresh cranberry sauce and a hot ruby-red cranberry grog! Make your own sauce or serve slices of the jellied cranberry sauce . . . straight from the can.

CRANBERRY HOT GROG
(Makes 2 quarts.)

- | | |
|---|-----------------------|
| 4 cups Ocean Spray cranberry juice cocktail | 1/2 teaspoon cinnamon |
| 4 cups pineapple juice | 1/4 teaspoon cloves |
| 2 cups apricot nectar | 1/4 teaspoon nutmeg |
- Cinnamon sticks
Whipped butter
Orange slices

Combine cranberry juice, pineapple juice, apricot nectar, cinnamon, cloves and nutmeg. Heat to the boiling point. Serve piping hot with a cinnamon stick muddler and a lump of butter. Garnish hot grog with orange slices.

FRESH CRANBERRY PANCAKE SAUCE
(Makes about 1 quart)

- | | |
|--|----------------------|
| 2 oranges | 1/4 cup raisins |
| 1 pound (4 cups) Ocean spray fresh cranberries | 2 cups sugar |
| 1 1/2 cups water | 1/4 cup chopped nuts |

Quarter oranges, remove seeds and chop. Combine cranberries, water, raisins and oranges in saucepan. Cook over medium heat until cranberries begin to pop. Stir in sugar and nuts. Serve warm with pancakes.

Saturday Club Sees Film At Sept. 16 Meeting

The Saturday Club, a federated club of the Heart of Texas District, met on Wednesday, Sept. 16 with club president Mrs. Ray Nunnally presiding.

The subject was: "The Lighted Path to Foreign Lands." Twenty one members answered roll call with quotations which pertained to foreign lands. Mrs. Steve Semeniuk was welcomed as a new member.

After a business session, a beautiful film was shown, on "Manitoba." The film was sponsored by Mrs. Ira Hudler.

Hostesses, Mrs. Olice Jones and Mrs. Ike Hickman, served a delicious salad plate with coffee.

The next meeting will be held on October 7 with Mrs. Ed Croan and Mrs. Fred Roberds serving on the program and Mrs. John Clark as hostess.

Baby Shower Honors Mrs. Worley Maynard

A baby shower was held recently in the home of Dr. and Mrs. Steve Semeniuk honoring Mrs. Worley Maynard.

An enjoyable program was planned for the evening, including a reading by James Semeniuk entitled, "What Is a Boy?" A clarinet duet by Don and Jim Semeniuk "The Brahms Lullaby", and as a very special part of the program Miss Judy Watkins sang two numbers.

Frosted lime soda, sand tarts, nuts and mints were served the guests from a table decorated in pale green and white.

Many beautiful and useful gifts were received.

Hostesses were Mrs. Weldon Roach, Mrs. Robert Butler, Mrs. Gary Maynard, Mrs. Cecil Bostick and Mrs. Steve Semeniuk.

WSCS Begins Study Of Mission Book

The WSCS of the First Methodist Church met Monday afternoon at the church to begin a mission study of "Christian Issues in Southern Asia."

Mrs. J. R. Bucy called the meeting to order after an opening song. Mrs. Milton Slayden, secretary of mission studies, was in charge of the program. Others taking part were Mrs. J. R. Bucy, Floyd Joyce, Maggie Groce, and Miss Loretta Pearce.

Fourteen members were present for the study.—May Pearl Hull.

**Welcomes You
Rising Star Exes**

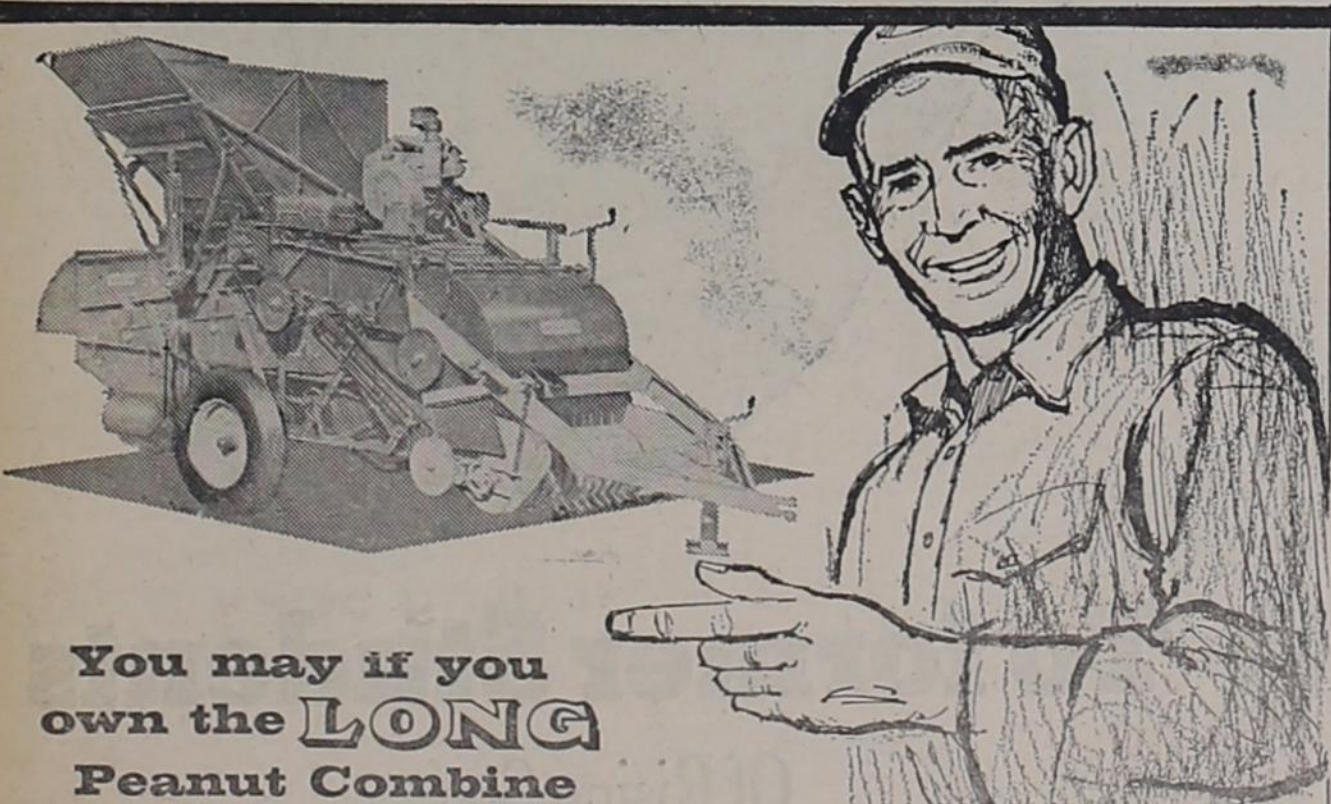

To the Annual Homecoming
SATURDAY, SEPTEMBER 26

Many of you are still customers of the First State Bank, although you have moved to other communities. We welcome the opportunity to greet you in person, to thank you for your business and to wish you a happy reunion with your former schoolmates.

And to all of you -- Welcome to the
OLD HOME TOWN

FIRST STATE BANK

Can you harvest 200 acres and spend only \$25-\$50 for upkeep?

You may if you own the LONG Peanut Combine

Many owners report they harvest 100 to 200 acres and have to spend less than \$50 on repairs. Acre for acre, field for field, we don't believe you can beat the outstanding record of Long Peanut Combines.

These combines have established such an outstanding record that we will be happy to have you ask any owner about his upkeep costs — speed of harvesting — and quality of harvest.

TWO SIZES—LONG Super-extra large capacity, handles up to 4 rows, bulk basket PTO or 60 hp air-cooled engine. LONG Standard—with bagging attachment or bulk bin PTO or 36 hp air-cooled engine.

We believe they will back us up when we say Long is the best peanut combine you can buy. Many of these owners have used other combines and are now sold 100% on Long. See your dealer and let him show you the many reasons why Long will give you better service.

Rising Star P-TA Formed As Mothers Club in 1916 by Five Local Women

By MRS. M. E. SHOOK

The local Parent-Teacher Association, a branch of the state and national organization, was formed in 1916 as the Mothers' Club. At the first meeting only five women attended. Those pioneers were Mmes. C. C. Tyler, Beal Slaton, M. G. Joyce, Robert Dill, and Will Henderson. These women took turns as president of the organization, and finally in 1952 the first organization known as the Parent-Teachers' Association was born, merging into a stronger organization affiliated with state groups.

The major objectives of the P.T.A. were those adopted by the national organization which were and are today to promote the welfare of the children and the youth of the community, to provide wholesome recreational needs, and most important of all, to help parents understand school-community problems and serve the school in teaching tolerance and social relations.

Through the years a more definite and better program for Parent-Teacher Association activity was carried out. A study program, sponsoring child welfare and improvement was developed. By planning and working together, noted improvements were made in both the physical appearance and mental activities of the school. Many physical needs of the school were uncared for before the P.T.A. members made plans for raising funds to relieve these needs. Many achievements are to be noted, among which included installing electricity in Grammar School, providing playground equipment, and landscaping the new High School grounds in 1927. The native stone Homemaking Cottage which was built by P.W.A. labor was furnished through the efforts of the P.T.A. Numerous projects have been undertaken by this organization with the cooperation of the Rising Star community and the City government. But perhaps the thing that seemed mammoth at the time and virtually

impossible was the organization known as the Wild Cat Band, which in the beginning had no fewer than sixty-three boys and girls. A debt was paid to Caldwell Music Company of Abilene, Texas amounting to \$2,000.00 Besides uniforms, miscellaneous items of great expense were purchased for the band. The P.T.A. could not have done this without a good school-community public minded group.

The P.T.A. is the one organization open to many. Eligibility for membership is liberal. Support it because it is the most democratic, is concerned with more community activities than any other group since it sponsors the needs, the welfare, and the common good of more individuals than any other group can. This group is interested in your children, in all children of the community.

RETURN FROM TRIP TO DENVER, COLO.

Mr. and Mrs. C. E. Smith have returned from a trip to Denver, Colo., where they visited the family of Mr. and Mrs. Noble Chalsant. Mrs. Chalsant is a sister of Mr. Smith. During the trip they visited Central City, Colo., an old mining town, the Red Rock Theater and the cinema, "How the West Was Won." En route they visited Mr. Smith's parents in Midland and their daughter, Mrs. C. L. Reeves in Abilene.

ATTEND CONFERENCE

Rev. and Mrs. Milton Slayden of the First Methodist Church attended a called session of the annual conference of the Central Texas area of the Methodist church at Fort Worth Tuesday of last week. They spoke highly of the new bishop, Dr. Kenneth Pope.

Mr. and Mrs. Dan Doyle returned Friday from Lampasas where they visited a sister of Mrs. Doyle, who had undergone major surgery. The patient is recovering nicely.

Wildcat-Hornet Contest 0-0 Defensive Battle

The Rising Star Wildcats and the Rochelle Hornets played to a scoreless tie Friday night in a football game that was a disappointment to both sides. It was a defensive battle all the way, a tug and push affair with none of the thrills that made the Wildcats' game with Eastland here a week earlier such a thriller.

The statistics favored the

Rising Star club which made 12 first downs to 8 for the visitors, and gained 163 yards on the ground. Rochelle had the passing advantage with two completions out of four attempts for 58 yards. The Wildcats were allowed one completion for six yards out of four attempts. One really spectacular shotop completion by Rex Long in the second period that might have been a key play was nullified by a penalty.

The Wildcats had one great scoring opportunity when they advanced to the Rochelle one-yard line in the second quarter, but a staunch Hornet defense held on fourth down and prevented a score.

Twice the Wildcats tried field goals from around the 20-yard line, but the angles were made more difficult by a strong wind and both failed, although the second attempt was wide of the uprights by only a foot or two, as it looked from the press box.

The visitors, who received, carried their initial drive to the 15-yard line, but fumbled and Rising Star recovered. It was their deepest penetration of the evening, and for the rest of the night the Wildcat defense kept the Hornets pretty well under control.

Rising Star's first drive was slowed with penalties and stopped when Rochelle intercepted a pass on their 15-yard line. With Terry Geye, Kenney Butler and Wooley—alternating with Dwight Carter carrying, the Wildcats' ground game looked impressive in advancing from the Rising Star 15 after the fumble recovery. But deep in the Rochelle territory, the Cats were slowed with penalties, including the loss of Long's fine catch, and a 15-yard assessment for a personal foul.

After the pass interception which gave the Hornets the ball, the Wildcat defense forced the visitors to punt Mike Fischer's fine return to the Rochelle 30-yard line set the stage for the Rising Star drive that was frustrated on the one-yard line.

The Wildcats made one more foray deep into Rochelle territory when the Cats recovered a fumble on the Rochelle 21-yard line late in the fourth quarter.

Geye completed a pass to Rex Long at the 15-yard line but a fumble on the next play, although recovered, cost the Cats their advantage, and a second field goal attempt by Frazier Clark was to the right of the uprights. Clark, a regular guard, is still being held out of play because of a shoulder injury and is used only on place-kicking attempts.

That about told the story of the offense for the evening. The rest is a record of defensive play and in that department the Wildcat line, with James Cox and Russell Botts at tackles; Mike Donham at center, Davy Jones and Bobby Burns at

guards and Dick Goldston, Donny Fraley and Garry and Larry Duggan at ends and several Wildcat reserves seeing effective service did a good night's work.

This week the Wildcats meet one of their chief rivals in a non-conference game at Rising Star stadium Saturday night.

The game with the visiting Cross Plains Buffaloes will feature the Rising Star Homecoming.

It will be played at 8 o'clock, and although it will not count in the official standings of the two teams, a victory will be cherished by either team as a trophy equal almost to a district title. For the Buffs, particularly, a win would be doubly sweet. They have lost to the Wildcats for the past two sea-

Flu Shots Advised By Surgeon-General

WASHINGTON — Influenza vaccination — especially for those in the high-risk groups — has been recommended for 1964-65 by the Surgeon General's Advisory Committee on Immunization Practice.

While the Committee is not predicting a major countrywide outbreak, it believes that local outbreaks may warrant vaccination and that this should be carried out as soon as possible after September 1st. It is noted that all vaccinations should be completed by mid-December, before the influenza season begins, because there is usually a two-week delay in the development of antibodies.

The vaccine used in the past was found to be 60 per cent to 80 per cent effective against the epidemic forms of the disease, according to the Committee's report. During the 1964-65 season, the amount of A-2 and B isolates used in the vaccine will be increased. The Committee believes this should result in a vaccine capable of conferring substantial protection in the 80 per cent effective against the coming year, but it is noted that there has not yet been an opportunity to evaluate adequately the newly constituted vaccine under conditions of natural challenge.

Mrs. Mary Chick was visited recently by her son and wife, Mr. and Mrs. E. T. Chick, who also visited Mr. E. T. Chick's father at the Twilight Acre Nursing Home.

WELCOME, EXES!

The thing that makes a school great is its people. One of the greatest things about Rising Star High School is the loyalty of our exes.

Every year we look forward to our Homecoming with great anticipation. It gives us an opportunity to be reunited with the former students of Rising Star High School and to give them an opportunity to relive their high school days.

The high school years are probably the most memorable of ones life. Homecoming gives every student an opportunity to share his high school experiences with those who have already completed that phase of their lives.

Homecoming is perhaps the most important time of each year for every football player. A victory on Homecoming is the football boys' gift to each returning ex. Those of you who have experienced this de-

sire "to shine" on Homecoming in previous years know how the Wildcats anticipate this event; your support helps to raise their spirits—in victory or defeat.

Time changes everything, and we must accept these changes. We cannot stand still or go backward; we must continually take forward steps. Homecoming cannot change the pattern of time, but it gives us an opportunity to take a look into the past.

We students of Rising Star High School welcome you, exes. You are our symbols of things we know we will experience later. We admire you for having the stability to withstand the "hard knocks of life"; we believe the fact that you were educated in Rising Star High School has helped to make you so well prepared for your future life.

"KNOWLEDGE COMES BUT WISDOM LINGERS"

Hi! So far this has been a full and exciting week! It is Homecoming!!! Its spirit seems to have affected the whole school. The halls are filled with happy faces and the inevitable words, "I can not wait to see the Wildcats tear Cross Plains up Saturday, can you?"

This will be the last time our senior players will get to come up against their old rivals and they all intend to give Cross Plains something they will not be able to forget! Each one seems to want to win and plans to play his very best.

Through the excitement of the big games, planning of the big pep rally, buying of mums, decorating cars for the parade, and ideas for a bang-up party classes must go on. Some of the seniors are wishing that they had been early birds and not put their English book reports off until the last minute. Chemistry students, including Charles, find it does not pay to be lax and are faithfully trying to keep up! Typing students are starting their units and trying to keep their tempers down because they cannot seem to make their fingers obey. Math students are still trying to acquire the knack of their "new" math. We have had some more elections:

Football Sweetheart, Linda Duggan; Student Council representatives, Sharon Stewart and Donnie Fraley; Student Council President, John Gerhardt; Miss Rising Star, Judy Rutherford; Captains Wildcat

Team, James Cox and Terry Geye.

Meanwhile, we are all sitting on pins and needles to find out who our Homecoming Queen will be this year.

Also, many years ago two of our senior boys received first and second places in a baby contest and now seems to be the time for them to be acknowledged. None other than Mike Pruet and Bruce Hubbard.

BEAT CROSS PLANS!
 Judy

"LIVE AND LEARN"

Hi, Readers! If you could have been among the pupils in the halls this past week, you would have found them frantic. Why? This week is the week of Homecoming and all classes are getting ready.

Our president, Julie Watkins, appointed a committee of girls to decorate the cars in our class colors.

The car wash was postponed Saturday, September 12, because of rain. It was scheduled for the following Saturday, September 19. The class bank account increased as was reported to me from our treasurer.

Last week we voted on honors to be put in the annual and two people from the Junior class received their share. Bobby Burns received the F.H.A. Beau, and Sandy Warlick received F.F.A. Sweetheart.

This week is the week for book reports. Believe it or not, four weeks have already gone by.

As far as the Juniors' stud-

ies go, we are working hard. We have had our first tests in chemistry and algebra! We are working on our clothing projects in Home Economics. Outside classroom activities, English students are working on term themes. The members of the shorthand class are learning to spell all over again.

All Juniors are urged to pay class dues for the month of September.

I am afraid our male class officers are regretting their males' choice of officers. It is a little more than just sitting around.

Until next week . . .
 Your Junior Reporter,
 Marcia

"BUILDERS OF TOMORROW"

The entire high school is eagerly waiting for Saturday to roll around. The Homecoming will begin with a parade down Main Street; a pep rally will follow in the gymnasium, and the activities will conclude with the game against Cross Plains and the crowning of the football sweetheart at half-time.

We selected Robbie Richburg and Jimmy Rutherford to represent the Sophomore Class on the student council; it consists of two members from each class, one boy and one girl, who must have an average of eighty. The Home Ec. II girls brought their sewing equipment and began cutting out last Monday; most of the girls this year are making garments with set-in sleeves, waistbands or

sleevebands, and collars.

The Biology students are proud to have received the new texts so that we will not have to be borrowing or loaning them out; we are presently studying the most simple of animal forms. In World History we have filled our notebooks on the first unit and also had a test over every chapter. We have a book report due in English today, and we have begun to write our themes.

Mr. Hill gave us a short test in Health Monday, and we resumed our study of personality on Wednesday; Tuesday was taken up with photographs. The seventh period P.E. girls still scrimmage in basketball; while the boys are working out on the football field.

Gossip:
 D. C. gets a little flustered on his explanations in Health Class.

What is this I hear about J. H. and her new beau?
 Sophomore reporter,
 Karen Harris

IN THE FISH BOWL

The Freshman class has decided on one money making project for the year. This money will be used for our senior trip.

In biology, we are studying the simple animals—their functions, their parts, and their importance to man.

The freshman boys have decided on projects for the year in Ag. I. Mr. Geye has shown a number of films emphasizing the importance of agriculture, its problems, and its branches of research development. We have also sold subscriptions to the "Farm Journal."

We have just finished a unit of literature in English I called "Thrills and Chills." Some of the outstanding authors were Edgar Allan Poe, Herman Wouk, and Sir Arthur Conan Doyle. In Algebra I, we are solving equation problems. We are studying blood and its parts in General Science.

R. J. — Get that stare?
 —James Gerhardt

DO-RE-MI

The band is getting ready for the Homecoming performance when we will crown our Wildcat Sweetheart.

The stage band has been practicing also for a brief entertainment for our exes. We do want to welcome all exes and the entire town to the Pep Rally Saturday morning and the ball game that night.

We want to thank the Band Booster Club for the music copying machine, which they purchased for us.

Good luck, Wildcats!
 Trudi

"TOWARD NEW HORIZONS"

This week, the point of interest in F.H.A. is centered upon one boy, Bobby Burns, our new-

ly elected F.H.A. beau. We are very proud of you, Bobby, and know that you will live up to your duties!

We finally had the first of our monthly meetings last Tuesday. We installed our new officers and welcomed all new members. Refreshments were prepared and served by the Freshmen.

The first year group are beginning to test a little of their own cooking by making a batch of cookies. They have had their first test, which also proved to be a big success.

The Homemaking II girls have begun to sew and are having lots of fun. A few of them have a little trouble now and then but otherwise we are running smoothly.

The third year group may be small in number, but they are really going to turn out good homemakers. They have been working steadily on their garments, and they are going to be the prettiest ever!

Signing off,
 Pam

F.F.A. NEWS

The F.F.A. boys elected Sandy Warlick F.F.A. Sweetheart. We all think she has a fine background for this honor.

Also this week our entries in the Abilene Fair netted thirty-eight dollars. We had 6 firsts, 7 seconds, 6 thirds, and 8 fourths. These entries were donated by several in Ag. and Mr. Geye entered them.

Dick Goldston

STUDENT COUNCIL

Welcome to our spot in our "Wildcat Tales." Our student council has not had a meeting yet, but we expect to have one soon. Everyone has been too busy organizing their home room classes.

Our representatives have been selected. There is a boy and a girl from each class elected by the class. Our representatives are: Sara Howard and James Gerhardt, Freshman; Robby Richburg and Jimmy Rutherford, Sophomore; Letha Clark and Franz Pittman, Junior; Sharon Stewart and Donnie Fraley, Senior.

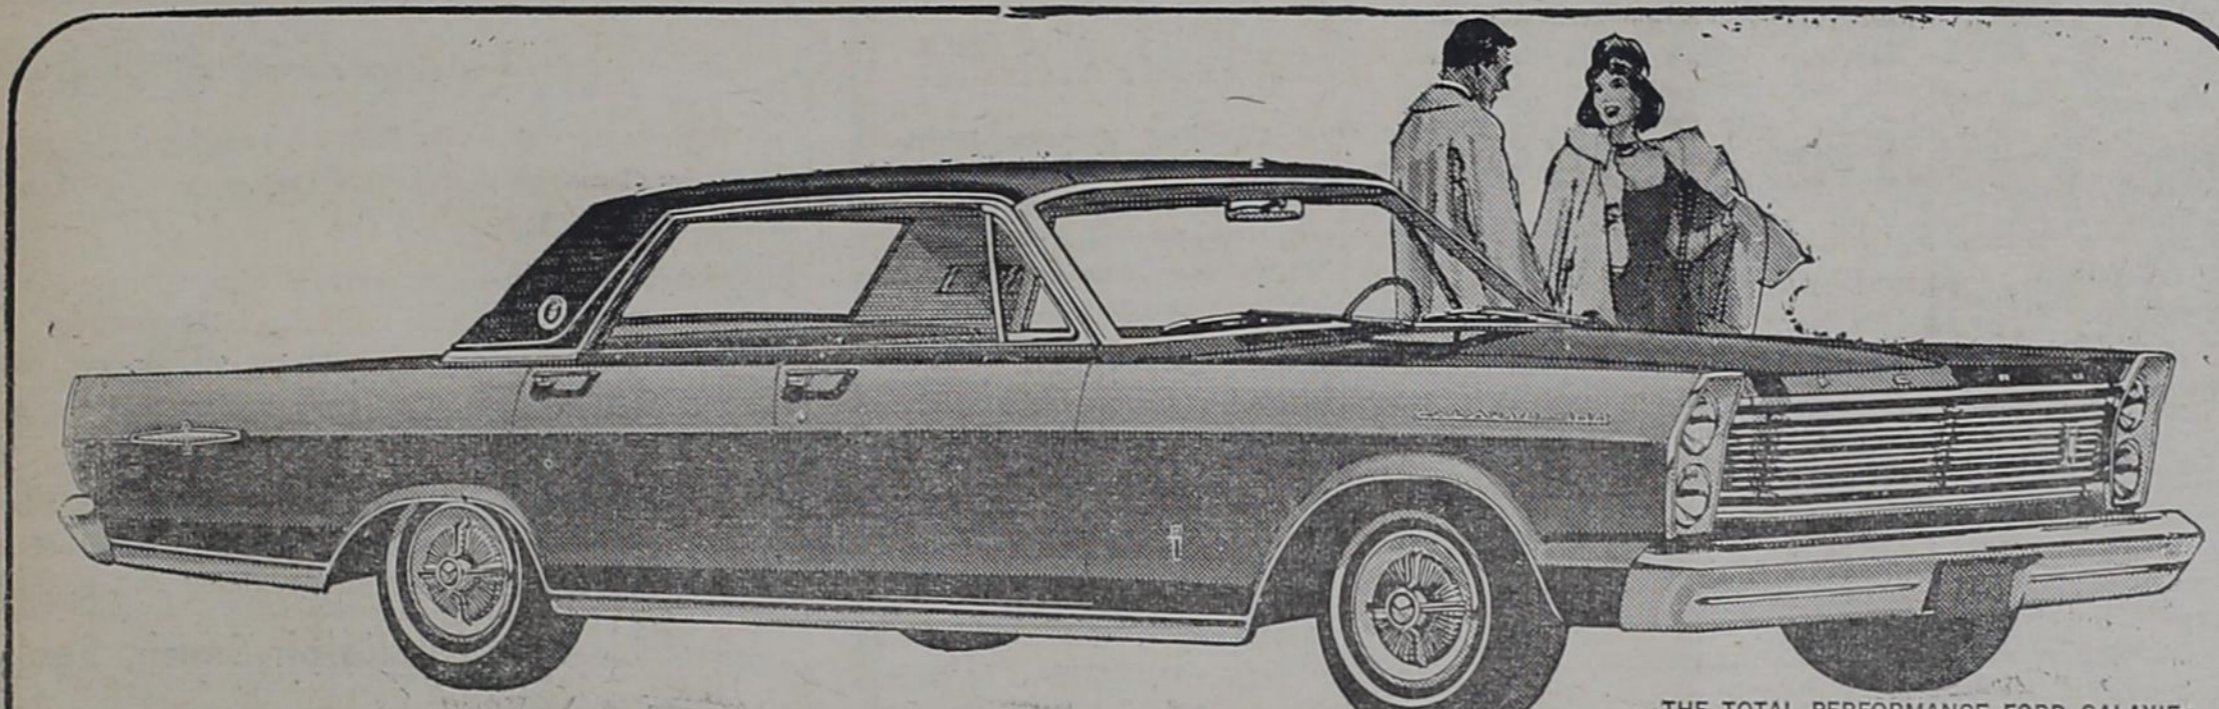

President of the Student Council is John Gerhardt, a Senior. Each representative must have a B average in order to be on the council.

I am sure that all of the student council join me in extending to each and every one of you a cordial invitation to attend our Homecoming Parade, Pep Rally, and the football game with Cross Plains Saturday, September 26.

Your reporter,
 Sharon

Gets the DIRT OUT But Treats the Peanuts GENTLY!

LONG DIGGER-SHAKER

WITH PATENTED VINE LIFTER

When it comes to digger-shakers, you'll find the LONG tops. A patented lifter action knocks out dirt as vines are lifted off the shaker chain. Keeps chain from dragging vines under, too! No other shaker has this important feature.

Throughout, you will find a heavier, stronger-built machine to give long, useful life. Special flattened points shed grass better and reduce peanut loss caused by stripping.

Many other features, too . . . adjustable vine deflectors, adjustable shaker pick-up drive, precision machined gear box operating in oil, ball bearing pillow block bearings and double V-belts.

Let your LONG dealer show you this shaker today. See for yourself why it does such a good job.

ATTEND FUNERAL FOR MARY SMITH

Out-of-town relatives who attended the funeral of Mrs. Mary Smith here Sunday included: Mr. and Mrs. Guy Turpin of San Antonio; Mr. and Mrs. Roy Key of Colorado City; Mr. and Mrs. Preston Henry of Dallas; Mr. and Mrs. Bob Henry of Dallas; Mr. and Mrs. Lawrence Breeden of Colorado City; Mr. George Dooley of Lubbock; Mr. and Mrs. Thomas Dooley of Fort Worth; Mr. and Mrs. David Dooley of Houston; Mr. and Mrs. Roy Byrd of Brownwood; Jack Smith of Dallas; and Mr. and Mrs. Lane Cubstead of Abilene.

5,370,000 employers made social security tax returns for 1963.

LOCAL ITEMS

Mrs. Earl Moredock, the former Earl West, daughter of Mr. and Mrs. R. O. West, was here from Santa Anna for the Old Settlers meeting.

Mr. and Mrs. Edgar Chick of Big Lake visited Mrs. Mary Chick at Rising Star and also visited Ben Chick at Roby during the weekend.

Mrs. Olivia Bettie of Odessa and her daughter, Betty were visitors of Mrs. Mary Chick recently.

Mr. and Mrs. M. M. Sheffield left Thursday to stay with their grandchildren at Round Rock while their son, Mahlon and wife, attend a banker's meeting.

LVN Unit To Meet At Rising Star Next

The Licensed Vocational Nurses Division 64 met in the basement of the First Methodist Church at Ranger on the evening of Sept. 14.

Mrs. Marguerite Gailey, state board member and assistant director of nursing at the Baptist Memorial Hospital at San Angelo, was the guest speaker.

All LVNs were urged to attend the 15th annual convention of the LVN state association at Abilene October 15-18. Registration headquarters will be at the Windsor Hotel.

The next meeting of the Eastland County group will be at Rising Star at which time delegates to the state convention will be elected.

PERSONALS

Pvt. Stan Rodier, of the medical corps at Fort Sam Houston, and a nephew of Mrs. Steve Semeniuk, spent the week-end with Dr. and Mrs. Semeniuk who drove him back to San Antonio Sunday afternoon.

Luncheon guests of Dr. and Mrs. Steve Semeniuk Sunday were Dr. and Mrs. Henner of Santa Anna and their children. Dr. Henner, a graduate of Texas University School of Medicine, is a Canadian, as are Dr. and Mrs. Semeniuk.

Mr. and Mrs. George Scruggs and son, Ronny, of Abilene visited Mrs. Scruggs' mother, Mrs. Ada Holamon last week-end.

Mrs. Horace Shoemaker is here for a visit with her sister-in-law, Mrs. Estelle Breeding. She has just returned from Fort Worth where she entered her daughter in T.C.W.

Guests of Mr. and Mrs. M. J. Dukes during the week-end were Mr. and Mrs. Ralph Erwin and children of Hobbs, N. M.; Mr. and Mrs. Edwin Erwin of Sabanno and Miss Faye Stark of Houston.

19,392,456 persons received a social security check for April 1964.

Youth Center To Be Open Fridays

The Rising Star Youth Center will be open Friday night only, it was announced this week. Only those having membership cards will be admitted, it was emphasized.

Cards are being sold at the high school by Marsha Lee, at the elementary school by Bee Lee. Price is one dollar or one-half book of Green Stamps, which entitles the teenager to one year's membership in the club, it was explained.

Under the Center rules a member may sign in one guest at each opening without extra charge.

The Center is in need of extra chairs, all kinds of games, and the use of a piano would be appreciated, the committee of sponsors said. Donations of money or any article which will help improve the Center will also be appreciated.

President of the Youth Center organization is James Rutherford, and serving in the council are Ruby Nell Hubbard, Naomi Pruet, Francis Wolf, Clara Mae Schmitt, Edra Butler and Ollie Burns.

Mrs. Wolf and Mrs. Bill Medley are putting up curtains to improve the appearance of the center.

Mrs. Fenter New North Star Head

The North Star Home Demonstration Club held its regular meeting on September 15 when a new member was welcomed into the club. She is Mrs. Willis Hill.

The roll call was answered with "Appropriate Conversation When Visiting Sick People."

Officers elected for the year 1965 were: President, Mrs. W. V. Fenter; vicepresident, Mrs. Lee Burkhead; secretary-treasurer, Mrs. Jesse O. Perry; council delegate, Mrs. Tom Childers; alternate delegate, Mrs. Dennis Clark.

Mrs. J. W. Morris won the door prize.

Sister of Mrs. L. G. Crawford Is Buried

Word has been received of the death of Mrs. Della Kilpatrick of Cleburne, Texas, 85, a sister of Mr. L. G. Crawford of Rising Star.

Services for Mrs. Kilpatrick were held in the Baptist Church of Meridian, Texas, with the Rev. W. C. Crawford officiating, at 2 p. m. Tuesday, Sept. 22. Burial was in Valley Mills cemetery.

She was a member of the First Baptist Church of Rising Star, where she had previously lived. Mr. and Mrs. L. G. Crawford of Rising Star attended the funeral.

Mrs. Della Kilpatrick had been living with a niece, but had been in a rest home in Cleburne for about two years.

Football--

Mike Donham, 235, at guards; Rex Long and Garry Duggan, ends; Dwight Carter, Danny Wooley, Davy Jones and Terry Geye at linebackers, and Doug Fisher and Jimmy Rutherford, at halfbacks. There are 12 men in this line up, including two who alternate at linebacker.

Errors at critical moments were blamed for the Wildcats inability to score against the Hornets from Rochelle last Friday night. However, the Rochelle team, with what coaches rated one of the best linebackers in Class B football, were a much stronger team than they were given credit for. Defensively, they were a better team than the Eastland Mavericks whom the Cats defeated by one point. They lost to the Bangs Dragons by six points in their opening game, and several times tumbled away what appeared a certain score.

Rising Star coaches were viewing the Cross Plains Buffs with great respect.

"They have a mighty good team," said Coach Hill. "They have played strong opposition and are undefeated. I think the team that was here Saturday night will be the team which makes the fewest errors. We've certainly got our work cut out for us."

Of 1,642,000 men over 65 working full time in 1962, 58 per cent planned to keep on working full time; only 18 per cent expected to stop work en-

County HD Clubs Win With Exhibit

The Eastland County Home Demonstration Clubs' exhibit at the Abilene West Texas Fair won the first prize of \$85. The exhibit was on sewing and the storing of sewing equipment in the modern way, and the motto was, "We Had Rather Switch Than Fight."

The wrong way of storing with its old-fashioned clutter was contrasted with the proper way of storing in a cabinet containing all the things needed for sewing in the design of the exhibit.

Mrs. W. V. Fenter of the North Star Home Demonstration Club was awarded a prize of \$5 on a knitted stole, and she also won a first prize of \$3 on a crocheted dollie.

Members of the North Star Club who attended the Fair on Sept. 16 were Mes. Lee Burkhead, W. V. Fenter, J. W. Morris, Tom Childers and Jesse O. Perry.

Mrs. P. E. Green returned from Comanche Hospital to her home this week. She underwent surgery a week ago.

May Cemetery Lot Sale

The May Cemetery Committee met Sept. 9, 1964, and voted to begin selling lots at the Cemetery.

In the new part each grave will cost \$25.00. If one grave is already in your lot, it will not have to be paid for, but each additional five feet will cost \$25.00. In the old part, each five feet will cost \$15. This does not include the grave already there, if one is there.

The upkeep of your lot will be \$2.50 a grave a year. We sincerely hope that you who have marked off lots will pay this fee promptly.

JOYCE INSURANCE AGENCY

PATTERNS FOR PROGRESS

The Industrial Foundation - Tool for Community Development

In little more than ten years Industrial Foundations have been established in 182 Texas communities. These are communities — both large and very small — which have recognized the vital need for a community financing group in securing new industry.

Called by various names, the Industrial Foundation is a community-wide organization with the prime objective of creating payrolls. Its functions vary from community to community, but basically its purpose is to provide development funds for the land, brick and mortar required for new industry.

It is one of the best ways to show favorable community attitude towards new industry or to help finance the expansion of an existing local industry. By having community money invested in an industry the community becomes more interested in seeing that the industry profits and grows.

The Community Industrial Development Foundation is another PATTERN FOR PROGRESS.

WTU's area development representatives have information about the creation of industrial foundations. These facts are available to growth-conscious communities on request through your WTU local manager.
