11 Named On Commie List

By G. MILTON KELLY
WASHINGTON (AP)—The State Department has named 11 U. S. citizens on the United Nations payroll as persons it believes are "Communists or under Communist discipline."
The Senate Internal Security Subcommittee yesterday made public the list. Along with the names of 27 others who have been dropped from the U. N. payrolls on similar security charges.
The development came in the midst of a controversy over a proposed new federal grand jury investigation of alleged Communist infiltration of the U. N., stirred by House investigators.
Secretary of State Acheson testified before a House Judiciary Subcommittee Wednesday conceding

that State Department loyalty checks on U. N. job applicants "had not been a great success." Acheson insisted, however, that national security had not been endangered by this, but that the nation's prestige had suffered "a black eye."
A State Department memorandum, released by the Internal Security Subcommittee yesterday, said 11 Americans remain on U. N. payrolls although the department has told the U. N. they are considered to be "Communist identification." They were named as:
David Weintraub, director of the U. N. division of economic stability and development; Henry S. Bloch, Abraham Nadli, Irene Pogorelsky, Rhoda Rastoff, Anna Rubenstein, Lena Spiegel (Abrams Rossman), Evelyn Thaler (also named as Evelyn Stern), Dimitry Varley, Marshall Wolfe and David Zabodowski.

Murder Charge Filed Against Foster Parents

DES ARC, Ark., Jan. 2 (AP)—First degree murder charges were filed last night against the foster parents of a 5-year-old girl whose battered body was recovered from a water-filled rain barrel.
Prosecutor J. B. Reed filed the charges against James W. Head, 42, and his wife, Mrs. Linda Head, 33, after Mrs. Head admitted under questioning that the child was beaten prior to her death. Whereabouts of the Foster father are unknown.
Dr. Anderson Nettleship, state medical examiner, said little Mary Wolfe died by drowning.
Sheriff E. O. Hamilton said the foster mother, who previously had claimed little Mary died of "natural causes," told officers yesterday her husband beat the child with a leather strap, then hit her in the chest at their farm home near here.
She claimed, the sheriff said, that her husband removed the little girl from the house and she didn't know where "the body" was hidden until a posse recovered it from the barrel Tuesday.
The child is believed to have died Christmas Eve.
"It looks like they thought she was dead when she was put in the barrel," Hamilton said, "but we won't know everything until we arrest Head."

The husky foster father, who is wanted in Ohio on charges of passing bad checks and for bad debts, fled the Head home Monday, Mrs. Head said.
When recovered from the barrel, Mary's body was marked with burns on the back and bruises. It was weighted with a sledge hammer and scales and wrapped in curtains.

The testimony was given at a closed door hearing Dec. 17, the same day the subcommittee got Hickerson's list.
The security subcommittee's authority is expiring with the old Congress, and so are the powers of the House Judiciary Subcommittee before which Acheson testified Wednesday.

Rep. Keating (R-NY), senior Republican member of the House Judiciary group, says he will seek an extension of its powers. The internal security group, headed by Sen. McCarran (D-Nev.), and the Senate Investigations subcommittee, which Sen. McCarthy (R-Wis) will head, both have indicated a desire to press the investigation.

When recovered from the barrel, Mary's body was marked with burns on the back and bruises. It was weighted with a sledge hammer and scales and wrapped in curtains.

Celebration Bloody

MEXICO CITY (AP)—Police today described Mexico City's New Year celebration as the bloodiest in 10 years. They reported four murders, three accidental deaths and 200 injuries to revelers.

Bus Strike In New York Into Its Second Day

NEW YORK, Jan. 2 (AP)—Thousands of New Yorkers turned to autos, taxis and shoelather express today as the biggest bus strike in the city's history entered a second day.
A semi-holiday week end, with schools and many offices closed, softened the impact of the strike. Transport Workers Union launched at midnight New Year's Eve against eight privately owned bus lines.
There was no sign of a settlement in the walkout which has taken on a political complexion. The union is sore at Mayor Vincent R. Impellitteri because he charged "collusion" between the TWU and the struck companies to force higher fares. The union demands a 40-hour week instead of the current 44 hours, and pay raises.
The city's vast transportation network of subways, city-owned bus lines and elevated roads overflowed without difficulty today.
What will happen next week, however, when the transportation system feels the full weight of the three and a half million daily fares, which normally are handled by the struck companies, is the chief concern of city officials.
In the far reaches of the Bronx and Queens, where commuters ordinarily ride the struck companies' lines to subways, auto traffic was heavy. Many handed together and rode taxis. Many others rose a little earlier and walked to the subway stations.
Michael J. Quill, TWU president, in a telegram to the mayor's Special Indictment Committee yesterday, said:
"We ... demand that the mayor prove his charges or that he make a public apology."
Last night Impellitteri had no immediate comment.
Present bus fares on the struck lines are mostly 10 cents. Besides a 40-hour week, the union seeks a 25-cent hourly increase in wages which now range from \$1.66 to \$1.73 an hour.
To offset next week's expected traffic snarls, commuters have been organizing car pools. Taxicab probably will be in heavy demand.
Employers have been asked to stagger working hours to eliminate the usual morning and evening peak loads on subways. Schools also may rearrange hours to lessen the transportation burden.

Building Total Second Highest

Construction valued at \$5,773,690 was started in Big Spring during 1952, summary of building permits released today by Building Inspector F. W. Bettie shows.
The total was the second highest on record for one year in Big Spring. It exceeded only the 1948 aggregate of \$7,136,395 which included \$5,642,650 for construction of the Veterans Hospital.
December, 1952, construction amounted to only \$108,600—lowest month of the year, Bettie said.
A total of 1,418 permits were issued during the year, to account for the 5% million dollars in construction. Biggest projects authorized and started during the year were the new Howard County Courthouse, six-story Permain Office Building, Monticello and other housing developments, addition to the Masonic Building, several churches and commercial structures.
Construction nearly doubled the 1951 pace when permits were issued for \$3,266,295 in building. The total in 1950 was \$4,685,190 and in 1948 aggregate was \$1,638,000.

The 1952 Summary
Month Permits Amounts
January 97 \$ 378,807
February 105 292,160
March 101 236,758
April 134 553,855

Sunshine Glints On Snow At The Front

SEOUL (AP)—Sunshine glinted off snow-covered ridges along the Korean battlefield today.
Temperatures dropped to six degrees below zero on the Central Front last night, and one below on the Western and Eastern Fronts.
No snow fell but snow on the ground ranged from 1 1/2 to three inches deep.

U. N. Raiders Attack, Then Withdraw On Korea Front

By JIM BECKER
SEOUL, Jan. 2 (AP)—Allied raiders furiously attacked a Chinese Communist position near Bunker Hill on the frozen Western Korean Front, then withdrew early today.
The Eighth Army said the raiders killed or wounded an estimated 45 Reds in a bitter hour-and-a-half rifle and hand grenade battle before racing back to their own lines.
On the Eastern Front, crackling Allied rifle and machine gun fire halted seven thrusts by North Korean Communists in sub-zero weather today and yesterday.
The probing Red units, ranging up to 70 men, were tossed back northeast of the Punchbowl area,

20 miles from the East Coast. Heavy artillery barrages supported the Reds.
The Fifth Air Force said bombers destroyed five Communist locomotives during night strikes for the second straight night. Allied planes shot up 30 box cars and 40 supply vehicles.
Fighter-bombers pounded Communist frontlines and supply positions.
F80 jets, diving to only 20 feet above the ground, sealed a tunnel by skipping bombs into the entrance.
No Communist jets were encountered along MIG Alley.

Violent Death Toll Is Short Of Prediction

By The Associated Press
Texas' holiday violent death toll fell far short of the 202 fatalities predicted by the Department of Public Safety.
At midnight on Jan. 1, there had been 162 deaths of all types in Texas. This covered the 10-day period on which the prediction of the Safety Department was made. The Associated Press' tabulation, however, will be continued through Sunday midnight. And the total was 163, including the death early Friday of a Tyler man, 64, killed in an automobile accident.
Traffic deaths in this tabulation totaled 94.
The latest deaths included: Willie Vasquez, 13, Castroville, Medina County, killed when a pickup truck overturned on a curve in Castroville Thursday.
Felix Walker, 28, Lorraine, Mitchell County, drowned while working on an intake valve of a power plant in Colorado County Thursday.
Sidney Romero, 50, killed when the fan blade of his car came off while he was working on the vehicle and struck him in the head at Port Arthur Thursday.
Doc Ennis Ransom, 40, stabbed to death Thursday in a Midland tavern.
Henry Lamas, 22, shot to death in a Houston tavern Wednesday.
Douglas M. Wilkes, who died in Dawson of a gunshot wound Thursday. No inquest verdict has been returned. He had been in ill health for several years.
A comparatively small number of violent deaths reported for New Year's Eve and New Year's Day apparently made the difference. Unreported deaths those two days may boost the totals some.
However, one of the holiday season's worst traffic accidents happened shortly before dawn Thursday. Three servicemen and three young women were killed when two cars crashed near Marlon, about 20 miles northeast of San Antonio. They were homebound from New Year's Eve parties.
The cars were so badly smashed that officers still did not know late Thursday just which persons were riding in each car.
Dead were:
Shirley Evelyn Joy, 21, San Antonio; Marilyn Haske, 38, McQueeney, Tex.; Phillip Love Stafford, 17, San Antonio; Airman C Norman A. Wahl, 22, Barkdale Air Force Base, La.; Airman-1 C Robert K. Ralston, 24, Sabetha, Kan., and Sgt. David L. Raymond, 23, Lacona, N. M.
Ralston and Raymond were slain.

Bank Figures Down; Drought Is Blamed

Drought caught up with bank figures Friday, statements from the two banks here showed, but the showing was stronger than most observers had anticipated.
Despite an almost complete crop failure and virtual transfer of herds, deposits were off only seven per cent from last year's peak. The total deposits for both the State National and First National banks showed \$27,143,764, a decline of nearly two million from the peak of \$29,101,512.27 for the comparable date a year ago. Statements were on the basis of a call for condition of banks as of close of business Dec. 31, 1952 by the comptroller of currency.
Also reflecting increased aid due to drought conditions were the increased loans and discounts. These amounted to \$8,000,805.33, up by more than a million and a quarter from the \$6,629,291.31 a year ago.
Cash gained slightly in aggregating \$12,067,991.44 as compared with \$11,982,075.19 last year—a gain of \$85,916.25.
Total resources stood at \$28,791,308.25 on the basis of combined statements, a \$1,696,611.15 drop from the peak of \$30,487,919.40 of a year ago.
The loan and discount figure did not include a total of \$443,943.36 in cotton producers notes and acceptances. This figure is off, too, mirroring the effects of year that barely produced more than 1,000 bales of cotton.
The two banks together had \$5,332,787.93 in U. S. bonds and \$2,824,490.38 in other bonds, a total of \$8,157,278.31 in all bonds.
Statements by banks showed:
STATE NATIONAL—Loans and discounts \$2,738,318.70; deposits \$10,154,409.92; cash \$3,806,103.13; total resources \$10,798,731.75. (Cotton acceptances \$140,224.39; producers notes \$147,000.74; U. S. bonds \$2,134,600; other bonds \$1,919,392.14)
FIRST NATIONAL—Loans and discounts \$5,262,484.83; deposits \$16,989,361.05; cash \$3,261,888.31; total resources \$17,995,550.61. (Cotton acceptances \$156,688.23; U. S. bonds \$3,198,187.93; other bonds \$1,005,098.24.)

Rosenbergs Are Denied Appeal

NEW YORK, Jan. 2 (AP)—A federal judge today denied an appeal to save the atom spy team of Julius Rosenberg and his wife, Ethel, from death in the electric chair.
The denial was made by Federal Judge Irving R. Kaufman after hearing a clemency plea for the two. They are in Sing Sing prison, scheduled to die the week of Jan. 11.
Kaufman said in denying clemency:
"I still feel that their crime was worse than murder."
The Rosenbergs' only appeal now is to the White House. If President Truman should stay the execution, the case might become President-elect Eisenhower's responsibility because of the Jan. 20 inauguration.
Kaufman, who sentenced the couple to death, said in his opinion:
"I have meditated and reflected long and difficult hours over the sentence in this case. I have studied and restudied the record and I have seen nothing, nor has anything been presented to me, to cause me to change the sentence, or originally imposed. I still feel that their crime was worse than murder."

Retail Trade Is Still Topping '52

NEW YORK, Jan. 2 (AP)—Dollar volume of retail trade continued to top that of a year ago in the week ended Wednesday despite the usual post-Christmas drop in demand, Dun & Bradstreet said today.
Clearance sales were reported less common than a year ago when many merchants ended the holiday shopping season with bulky inventories.

Rain And Snow Fall In Some Sections

By The Associated Press
Rain and snow fell over wide areas in the mid-continent and Pacific Coast States Friday but it was fair weather in most of the rest of the country.
The snow belt extended over eastern Kansas, eastern Nebraska, parts of Iowa, southern Minnesota and northern Wisconsin. Light snow fell in eastern Oregon and Washington and northern Idaho. Rain also fell over most of Missouri.
Skies were clear over the southern third of the nation, the western Northern Plains and along the East Coast.

GOP Senators Select Taft As Floor Leader

SAN ANGELO, WHARTON CAGERS ADVANCE IN LOCAL TOURNAMENT

A second favorite was erased from the Howard College Basketball Tournament Saturday morning when San Angelo College won an overtime game from the Del Mar Vikings, 70-67.
The South Texans played almost the entire contest without the services of Raymond Downs, their star forward, out with an injured ankle. Downs was pressed into service in the final minute after five of his mates fouled out.
The two teams were tied at the end of the regulation game, 61-61. In the end, the ability of tall Tommy Milford to control the backboards proved the difference. Milford scored 24 points for Angelo, mostly on tip-ins.
San Angelo earned the right to face Howard College Junior College in the semi-finals tonight. The two clubs play at 9 p.m.
In this morning's other game, Wharton, the tournament favorite, lived up to all expectations in beating Odessa JC, 73-51.
Larry McCulloch's Wranglers made a game of it for a quarter but the Pioneers were in command at half time, 28-24, and never trailed thereafter.
Wharton faces Amarillo in the semi-finals at 7 o'clock this evening. Amarillo surprised Kilgore last night.
Consolation round games will be played starting at 2 p.m. today.

Filibuster Fight To Take Spotlight

BULLETIN
WASHINGTON, Jan. 2 (AP)—Senate Democrats today picked Sen. Lyndon Johnson of Texas as their leader by unanimous vote.
House Democrats made retiring Speaker Sam Rayburn of Texas their floor leader.
House Republicans had a meeting scheduled during the afternoon at which they were set to select Rep. Joseph Martin of Massachusetts for Speaker and Rep. Charles Halleck of Indiana for floor leader.
By JOHN CHADWICK
WASHINGTON, Jan. 2 (AP)—Republican senators today unanimously chose Sen. Robert A. Taft of Ohio to be their floor leader in the new Congress.
The choice of Taft—a selection made certain by behind-the-scenes jockeying in the months since the election—was announced after a two-hour closed session.
The Republicans agreed to meet again at 1 p.m. (CST) to deal with tough questions of membership on key committees and proposals to revise Senate rules to make it easier to choke off filibusters.
Also picked for key Senate posts by unanimous vote at the morning meeting were Sen. Styles Bridges of New Hampshire to be president pro tempore; Sen. William Knowland of California to be chairman of the Senate GOP Policy Committee, and Sen. Eugene D. Millikin of Colorado to be chairman of the GOP Conference which includes the 48 Republican senators.
The new Congress convenes at 11 a.m. (CST) tomorrow, and shortly thereafter these selections are expected to be made official by formal vote.
Senate Democrats and Senate and House Republicans also were meeting today—each separately—to pick such dates.
Since the Republicans have a majority in each branch of Congress, their states are assured of election.
Taft then will take the title of majority leader. Whoever the Democrats choose will become minority leader.
Sen. Wayne Morse of Oregon, who bolted the Republican Party to become an independent and support the Democratic presidential nominee during the last election, did not attend the session of Republican senators.
The afternoon meeting to consider committee assignments will have to deal with the question of whether they are going to give Morse places on important committees.
If the Republicans decide against allotting places to Morse, he would still be entitled to consideration for places as a "minority" member. The Democrats would then have to decide whether they would allot places to him.
Overshadowing the selection of leaders was a move to force a rewriting of Senate rules at the outset of the session. The aim: to make it easier to put a halt to filibusters—a device for talking civil rights measures and other legislation to death.
Sen. Humphrey (D-Minn.), a leader in the move, told reporters that if the conference of Republican senators turns thumbs down on the proposal, any chance for success will vanish.
He said he was hopeful that the GOP conference would not take a party stand against the plan but would leave it up to individual Republican senators to vote as they pleased when the issue is put before the Senate.
Republican Senate leaders planned a full discussion of the matter at their party conference but declined to predict what the outcome might be.
If they should decide to get behind the plan, however, they would

Mrs. Petty And Leonard Get Appointments

Pauline Petty, formerly chief deputy in the county clerk's office, this morning was named to succeed Lee Porter as clerk.
The county commissioners court announced appointment of Mrs. Petty at the conclusion of a closed session which also resulted in appointment of W. O. Leonard as constable of Precinct No. 1.
Leonard succeeds J. T. Thornton, veteran peace officer who died Christmas morning. He formerly was justice of the peace for Precinct No. 1 and succeeded Thursday in that post by Cy Nabors.
Mrs. Petty has worked in the county clerk's office for about 10 years and has served as chief deputy for several years.
There were about 18 applications for the clerk's post. About seven applied for the constable's position, and Judge R. H. Weaver reported. The county clerk's job was vacated by Porter who accepted appointment several weeks ago as county auditor.
The commissioners court deliberated briefly Thursday and all this morning on the appointments. Members of the court went into session this morning leaving a request with a secretary that they "don't wish to be disturbed." The closed meeting broke up about noon.

Longshore Specialists Start Strike

NEW YORK, Jan. 2 (AP)—Three small unions of longshoremen specialists struck today and their picket lines closed down 22 Manhattan, Brooklyn and Staten Island piers within two hours.
The walkout threatened to develop into large scale port tieups in New York, Boston, Philadelphia and Baltimore.
A spokesman for one of the striking locals said that "nothing weighable is moving. Employers estimated that about 100 types of bulk cargo requiring weighing enter New York harbor. They include coffee, sugar, hides, cocoa, beans and tin."
The strike of 462 scalers, weighers and samplers of Locals 935, 947 and 1190, A. I. International Longshoremen's Association, began at 8 a.m. EST.
The police waterfront squad announced the number of piers idle after a survey of the docks. The dictation of Joseph P. Ryan, international president of the longshoremen. He had announced that today's stoppage would involve nine piers in Manhattan, three in Brooklyn and one in Staten Island, with the situation "changing from day to day."

Noted Fugitive Captured By FBI

WASHINGTON, Jan. 2 (AP)—The FBI reported today its agents have captured Hadden Collins Kemper, one of the FBI's 10 most wanted fugitives, in Glendale, Ariz.
Director J. Edgar Hoover said Kemper was taken into custody last night at his residence in Glendale.
Hoover said two teenage sons lived at the Glendale address with Kemper, who was going under the name of Harvey Charles Kennedy. The fugitive is 50.
Kemper was sent to jail in 1951 for taking part in a widespread auto theft ring in the Southwest. Released from prison on bond to handle a personal law suit, Kemper failed to report to the U. S. marshal at Albuquerque, N. M., Dec. 17, 1951, as he was ordered. He was put on the fugitive list then.

Ike's Administration Aready Seeking Way To Slash Budget

By MARVIN L. ARROWSMITH
NEW YORK (AP)—The incoming Eisenhower administration already is at work trying to find ways to cut the federal budget which President Truman will submit to Congress next week.
President-elect Eisenhower's fiscal specialists reportedly are confident some reductions can be made, but are guarding against any talk of big slashes.
The proposed budget which goes to Congress a week from today will be solely the work of the Truman administration, which hands over the government to the Eisenhower regime Jan. 20. The documents dealing with spending for the fiscal year starting July 1, Eisenhower's calling list today were man sends it to the Capitol, there has been speculation the spending estimate is around \$80 billion dollars.
Eisenhower has been kept informed of the outgoing administration's budget planning through reports submitted to him by Detroit banker Joseph M. Dodge, the general's pre-inauguration representative in the Budget Bureau.
Those reports are the basis for the confidence of Eisenhower aides that some cuts can be made. But as GOP congressional leaders also have stated, they feel there probably will be no substantial reductions in federal spending until the fiscal year starting July 1, 1954.
Among those on the President-elect's calling list today were George Yeh, the Chinese ambas-

sador to the United Nations, and John Foster Dulles, secretary of state-designate.
Eisenhower's appointment list also included Lt. Gen. Raymond S. McLain "and six others."
McLain is a member of the National Security Training Commission which endorses a plan to give military training to 40,000 youths in the 18-year age group. The plan was rejected by the House of Representatives last March.
In Washington last night it was reported that another Eisenhower visitor today would be Adm. Thomas C. Kincaid, another member of the training commission.
Eisenhower has said in the past that he favors universal military training.

Tracing Character to Its Source

JESUS TAUGHT THAT THE WORDS OF OUR MOUTHS SHOW OUR TRUE SPIRIT

Scripture—Matthew 15.

By NEWMAN CAMPBELL. THE TEACHINGS of Jesus in this, our first lesson of the new year, is so very timely and applicable to us in our modern world, that we should read it earnestly and try to shape our daily living to His words.

Who among us is not guilty of being most punctilious in following the forms of our beliefs—its rules of conduct in relation to partaking of the sacrament, praying on our knees, etc.? However, in our attitude toward our fellowmen we are lax—often careless—sometimes even cruel—toward those we encounter in everyday life.

Ponder on Jesus' words in rebuking those who criticized His disciples. Scribes and Pharisees came to Jesus, sent from Jerusalem, saying, "Why do Thy disciples transgress the tradition of the elders? for they wash not their hands when they eat bread."

The Pharisees were the most

Jesus then told the multitude that "Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, defileth a man."

The disciples asked Him if he realized that the Pharisees were offended at His rebuke? Peter, ever the brazen one, said, "Declare unto us this parable."

Jesus said, "Are ye also without understanding? Do ye not understand that whatsoever entereth in at the mouth goeth into the belly? But those things which proceed out of the mouth come forth from the heart; and they defile the man."

Out of the heart Christ said, come evil thoughts—of murder, blasphemies, thefts, etc., "but to eat with unwashed hands defileth not a man."

"Then Jesus went thence, and departed into the coasts of Tyre and Sidon." A woman came to Him, a Canaanite, and "cried out to Him, saying, Have mercy on me, O Lord, Thou Son of David;

MEMORY VERSE
"This is My commandment, that ye love one another, even as I have loved you."—John 15:12.

legally minded Jews of the times. They were very orthodox and strict in their obedience to the laws of the temple, and merciful to those who were not so strict. They kept themselves away from the Gentiles, and enforced the most minute details of the traditions that had grown up around the holy teachings.

The scribes were esteemed for interpreting the will of God. These two groups did not criticize Christ, but His disciples. Orthodox Jews were supposed to wash their hands after coming out of the market, for instance, walking down a street, or possibly, brushing against a Gentile. It was not a matter of personal cleanliness, such as washing before eating when one comes home from work, etc. Jesus' answer to these critics was: "Why do ye also transgress the commandment of God by your traditions?"

He pointed out that God commanded that they honor their parents, but they often got around that duty by giving a gift which was dedicated to God, and could not be put to any secular use even for such an honorable purpose as aiding needy parents.

"Ye hypocrites," Christ said, "well did Isaiah the prophet say, This people draweth nigh unto Me with their mouth, and honoreth Me with their lips; but their heart is far from Me."

The scribes and Pharisees were silenced by the Lord's words.

my daughter is grievously vexed with a devil."

Jesus did not answer her at once and the disciples cried, "Send her away; for she crieth after us!"

The woman came and worshipped Jesus, saying, "Lord, help me."

She convinced Him that she was sincere in her faith, and He healed the girl, saying, "O woman, great is thy faith; be it unto thee even as thou wilt."

Jesus went then to the Sea of Galilee, and up into a mountain, one possibly overlooking the sea, but He was not left to commune with His Father long, for the multitude followed Him, bringing their sick and devil-possessed to Him for healing.

Then "the multitude wondered, when they saw the dumb to speak, the maimed to be whole, the lame to walk, and the blind to see; and they glorified the God of Israel."

The last incident in our lesson tells of feeding about 4,000 people with a few loaves and fishes, which is not to be confused with the feeding of the 5,000 told by St. Matthew earlier in his book.

After feeding the multitude Jesus sent them away and took ship for the coasts of Magdala.

In the words of the Master addressing the multitude, "Hear (or read) and understand."

AT BIG SPRING CHURCHES

New Year's Thoughts Will Highlight Sermons At Many Churches Sunday

Thoughts on the new year will highlight sermons at many Big Spring churches Sunday as pastors begin 1953.

BAPTIST
From Nehemiah 7:3 will come the morning sermon topic, "A New Year Message to Parents," of Dr. P. D. O'Brien, pastor of the First Baptist Church. The Lord's Supper will be observed at the morning worship. That evening, Dr. O'Brien will speak on "The Drawing Power of God," John 6:44. Lasting Values," Matthew 13:44-52, will be the morning topic Sunday of the Rev. James S. Parks, pastor of the Baptist Temple. At the evening worship, he will discuss "The Influence of a Righteous Father," Luke 15:11.

CATHOLIC
Masses will be conducted by the Rev. Williams J. Moore, OMI, at 7 and 9:30 a.m. at St. Thomas Catholic Church. Rosary will be recited at 5 p.m.

The Rev. Paul Hally, OMI, will say masses at 8 and 9:30 a.m. at the Sacred Heart (Latin-American) Catholic Church.

FIRST CHRISTIAN
The Rev. Clyde Nichols, pastor of the First Christian Church, will preach on "First-Hand Information" at the morning service of the church.

CHRISTIAN SCIENCE
In order to be truly obedient to the First Commandment, it must be understood that all power belongs to God, says the Lesson-Sermon, "God" to be read in the Christian Science Church Sunday. Selections from Isaiah and John in the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read.

CHURCHES OF CHRIST
Lloyd Connel, minister of the 14th and Main Church of Christ, has left for Tulsa, Okla. where he will become minister of a church. Until another minister is found, supply ministers will speak. Sunday morning the proposed budget for 1953 will be discussed.

T. H. Tarbet, minister of the E. 4th and Benton Church of Christ, will speak on "What Must I Do to Be Saved?" That evening, he will discuss "The Real Facts About the Church of Christ." Mr. Tarbet and the Rev. J. Cullis Smith of Ardmore, Okla., president of the Orthodox Baptist Institute, are conducting debates at the church. Three more debates remain on the schedule, Friday at 7:30 p.m., Saturday at 2:30 p.m., and 7:30 p.m.

"This New Year" will be the subject of James Record's morning sermon at the Ellis Homes Church of Christ. That evening he will tell of "The Church at Smyrna."

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS
Everyone is welcome to attend the Sunday School services of the Church of Jesus Christ of Latter Day Saints which are held at 10 a.m. each Sunday at the Girl Scout Little House, 15th and Lancaster.

CHURCHES OF GOD
The Rev. John E. Kolar, pastor of the First Church of God, will tell of "Past, Present and Future," Job 17:11, Hebrew 3:7-8, at the morning worship. His evening topic, "Lost Strayed or Stolen," will be based on Luke 16:4 and Exodus 12:2.

Investigation Awaits Reports

BEAUMONT, Jan. 2. (AP) — Mrs. David M. Morris remained at her home here today while officers investigated what she says is a two-year attempt to poison her with arsenic.

District Attorney Ramie Griffin said last night that it might be a week before a laboratory report was ready on a coffee pot and coffee grounds seized at the Morris home early Wednesday. Mrs. Morris said she became ill after drinking a cup of coffee.

Officers also are waiting for a report on findings of the Mayo Clinic, Rochester, Minn., where Mrs. Morris was examined last September. The clinic declined to release the report without written authorization from Mrs. Morris. The authorization was mailed yesterday.

Mrs. Morris told officers that for the past two years some unknown person has tried to poison her with arsenic. Tests at St. Mary's Infirmary in Galveston and also in Beaumont have shown that arsenic was present in her system.

She plans to return to St. Mary's for treatment as soon as a room is available. She left there last week to spend the holidays at home.

Fort Worth Bank Executive Is Dead

FORT WORTH, Jan. 2. (AP) — R. Mayo Bowen, 58, executive vice president of the First National Bank here, died yesterday after a brief illness. He had been with the bank since 1910.

Bowen was appointed in 1951 to a 10-man panel of arbitrators to obtain settlement of commercial disputes between companies working on defense projects in the Southwest.

If only she knew—

She's sad and old beyond her years—this child of the world. And hopeless, too.

A candy cane and a box of nuts from a Christmas tree—when what she wanted more than anything else was to be loved and cared-for, with the promise of a better tomorrow.

If only she had heard, at home and Sunday school, the story of the Christ-child who came to bless little children, she would feel loved.

If only she had heard of the Child who grew into a Man, dependable, strong, and wise, she would feel confident of loving care. If only she had heard how He brings triumph over poverty, pain, and failure, her eyes would mirror hope.

Be sure that the light of faith shines from your child's eyes. Be sure that through Church and home, she—and other little ones—learn all about God's ever-present love.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

LITTLE SPORT

OVER TENNESSEE

Defensive Changeup Won For Longhorns

By WILBUR MARTIN
DALLAS, Jan. 2 (AP)—Easy going Texas gambled with his defense—and changed it into an awesome thing that humiliated Tennessee far more than the 16-0 score indicated in the 17th annual Cotton Bowl.

For Price's 10th ranked football team stole Tennessee's thunder as the country's top defensive team, limited the Vols to just 46 yards passing and hurried them to a minus 14 yards rushing.

The sudden switch of a so-so defense to an amazingly efficient unit prompted Vol coach Gen. Bob Neyland to exclaim: "I knew Texas had a good offense, but I didn't know the defense was that good."

Neyland brushed aside talk of bad breaks. "We got beat badly," he said, adding Texas was by far the best team Tennessee had faced this season and one of the "best I have seen."

Sweat poured off Price's face as he stood back in a steaming, jammed training room under the giant bowl. A good part of the 75,504 who saw Texas rack up a safety in the first quarter and touchdowns in the second and final periods waited outside to yell acclaim for the Southwest Conference champions.

"We changed up our defense—had the linemen slanting and slicing," Price said in explaining how his line crashed through to spill Tennessee backs almost every time they got the ball. Before yesterday, Texas linemen charged straight ahead.

"We could afford to gamble with our defense," Price went on, "but not our offense."

That offense gained a total of 301 yards—209 on the ground. And Dick Ochoa, Texas' bruising fullback, picked up 106 of these yards as well as the label "Game's outstanding back." His teammate, rugged Harley Sewell, a guard who was almost a fifth member of the Tennessee backfield, was voted the outstanding lineman.

But why did Price change his defense?

"I saw pictures of the Duke game," said Carlton Massey, hard charging Texas defensive end. The Duke players were slicing and ripping Tennessee to bits. "Duke won that game, 7-0. And Price decided to see if the same style could work against Neyland's team twice in a season."

There really wasn't much excitement to the game. It was all Texas, and the crowd sensed it after the first quarter—when Tennessee handled the ball on just two offensive plays. Both of these backfired. The first resulted in that Texas safety, Massey, Pod Price and Sewell smothering Dave Griffith in the end zone. He tried to run the ball out after juggling it on an attempted punt.

Time and again, Texas threatened, but fumbles or the Tennessee defense Texas' coaches and players praised cheated it of a touchdown. Only in the second period, when Gib Dawson ran four yards around end to climax a 22-yard drive and in the final quarter when Billy Quinn smashed over from the one foot line did the Longhorns score touchdowns. Dawson converted after each.

A fumble by Ray Byrd was covered by Clifford Polk to start Texas' first touchdown march. Another fumble, this one by Pat Oleksiak, was covered by Jim Rosser to set up the 26-yard second scoring drive.

But Texas stayed deep in Tennessee's end of the field almost all

Bombers Win, 10-0

MONTREAL, Jan. 2 (AP)—Bowl games were held yesterday in the football world and Montreal was no exception—it had its Garbage Bowl. Southern Bombers blanketed Northern Combines 10-0 in the annual game.

Proceeds from the game were turned over to the school for crippled children.

Texas Realizes Only Small Profit In Bowl Adventure

DALLAS, Jan. 2 (AP)—The University of Texas, host team in the Cotton Bowl, will realize \$16,000 profit for its appearance yesterday against Tennessee. Other Southwest Conference schools will get \$12,000 each.

So it's about as profitable and a lot less trouble not to play in the Cotton Bowl game. Texas and Tennessee will each get a check for \$140,000. Tennessee pays 25 per cent to the Southeastern Conference, leaving it a net of \$105,000. From this Tennessee must pay its expenses of coming here, bringing its band, etc.

Texas got \$14,000 for travel and from the remaining \$128,000 re-

of the game and it kept control of the ball 80 per cent of the time. Tennessee, which like Texas drew down \$140,000 as its share of the gate, didn't make a really serious threat. One series of plays best illustrates why:

John Michels, the Vols' great guard, covered Paul Parkinson's

fumble on Texas' 36. Jimmy Wade blasted through the line for 15 yards to the 19. A penalty for illegal use of the hands set the ball back to the 32. Pat Shires lost 13, then seven more. When Shire punt rolled dead it still lacked six yards of being to the original line of scrimmage.

WRECK WINS, 24-7

Stubborn Defense Pays Off For GT

By MERCER BAILEY
NEW ORLEANS, Jan. 2 (AP)—Georgia Tech combined dazzling defensive play with the rampant man, Billy Teas and Glenn Turner to whip previously unbeaten Mississippi 24-7 in the Sugar Bowl football game.

Two of Tech's touchdowns resulted from fumble recoveries by Cecil Trainer and Bill Thaden. And three times the Tech defense, second-best in the nation, repelled Mississippi when the Rebels were breathing on the goal line.

Both coaches—Bobby Dodd of Tech and Jetmy Vaught of Mississippi—agreed that the Engineers' stubborn, alert defenders stripped Ole Miss of its chances of a New Year's Day victory.

"I can't pick out an individual," said Vaught. "Tech's entire defensive squad is great."

Dodd praised the work of All-America defensive halfback Bobby Moorhead, safetyman Jackie Rudolph, All-Southeastern linebacker George Morris, and end Sam Hensley.

Vaught and Dodd also had compliments for Ole Miss quarterback Jimmy Lear and Tech halfback Hardeman as the outstanding offensive stars. Hardeman was voted the most valuable player in the game—worth about \$140,000 to each school, minus a 25 per cent cut to the Southeastern Conference—after a sell-out crowd of 82,000 fans and was televised nationally (ABC). It climaxed a week of Sugar Bowl sports during which Louisiana State won the basketball title, Gardner Mulloy of Miami copped the tennis crown, and Maryland and Syracuse tied for the boxing championship.

The victory kept Tech, the nation's No. 2 team, undefeated in 26 games and extended its victory string to 17. Mississippi, which won eight and tied two games to end the season in seventh place, was making its first Sugar Bowl appearance. Tech had been here once before, when it beat Tulsa 20-13 in 1944.

Early in the game it seemed Lear was about to quarterback his split-T teammates to an upset just as he did against Maryland. The Rebels took the opening kickoff and whizzed 57 yards to score, halfback Wilson Dillard ramming over the final inches.

But before the first quarter was over, Tech's defense began to show its tremendous power under pressure. Despite three inspired marches on Lear's pitchees and passes to end Jim Slay and backs Hal Lofton, Dick Westerman and Dillard, the Rebels could not muster

any more scoring punch.

Tech's scoring came on a one-yard sneak by quarterback Bill Brigrman, a field goal by Pepper Rodgers, a six-yard drive by Hardeman and a 24-yard pass from Rodgers to end Jeff Knox.

One Mississippi march failed a whisker's width from the goal when Moorhead and Rudolph charged up and nipped the hard-driving Dillard on fourth down.

Vaught and Dodd both picked that as the turning point of the game. Another drive sputtered out when Lear tried a fourth-down line back from the two. He was slammed down on the three by Moorhead.

The third threat died when Lear uncocked a pass from Tech's four-yard line. George Morris leaped up and hauled it in.

Although Tech's defense was brilliant, it barely outshone the Engineers' offensive show. Hardeman, a stubby, powerful runner with an amazing sense of balance, was top ground gainer, picking up 77 yards in 14 carries and scoring one touchdown.

Los Angeles Open Underway Today

LOS ANGELES, Jan. 2 (AP)—The nation's touring golfers hit the winter tournament trail today when the annual Los Angeles Open, with a \$20,000 purse, gets underway at Riviera Country Club with a star-studded cast.

Heading the field is Julius Boros, 1952 National Open champion, and Tommy Bolt of North Carolina, winner of the event here last year.

The take per team this year was about \$15,000 more than ever before paid by the Cotton Bowl. In 1950 Rice and North Carolina each received about \$128,000—the high until this year.

Seton Hall And Rams Undefeated

By The Associated Press
Unbeaten Seton Hall and Fordham kept their college basketball records unscathed last night.

Seton Hall, second ranking team in the Associated Press poll, trampled Wittenberg, 75-60, for its 12th straight victory. Fordham made it eight in a row by coming from behind in the last quarter to beat Duquesne, 63-59.

In other major New Year night tilts, once-beaten Vanderbilt walloped Yale, 95-67; Siena whipped Los Angeles Loyola, 67-54; Washington (St. Louis) trounced Harvard, 63-42; Niagara took Rochester, 69-64; Lawrence Tech edged Murray (Ky.) 70-58 and Bradley crushed Springfield (Mass.) 58-49.

It was Bradley's golden anniversary contest. Bradley played its first cage game on Jan. 1, 1903, beating the Peoria (Ill.) YMCA, 12-8.

Bobby Layne, Detroit Lion quarterback, was an outstanding pitcher at Texas U. He was undefeated in 26 college games over a three-year span.

Defenses Paid Off For Major Bowl Elevens

By HUGH FULLERTON Jr.
Associated Press Sports Writer
You'd never know it from the scores, but the defensive platoons were the deciding factors in most of the football bowl games that marked the beginning of 1953.

True, Alabama established a new scoring record for "major" bowl competition by walloping Syracuse 61-4 in the Orange Bowl, and the San Diego Naval Training Center went 20 points higher and must have set a record for any kind of bowl game when it whopped the 101st Airborne Division of Camp Breckinridge, Ky., 81-20, and only two teams on the entire 191 were shut out.

But to offset those two remarkable scoring exhibitions, Southern California stopped Wisconsin four times within scoring range to earn a welcome 7-0 victory for the West in the Rose Bowl. Georgia Tech's defensive platoons held Mississippi once less than a foot from the goal, once on the two-yard line and once on the five, after yielding an early touchdown, to win 24-6 in the Sugar Bowl.

Texas out-defensed Tennessee, the team that had the best defense of any major college during the regular season, and took advantage of the Volunteers' offensive errors to win 16-0.

And Florida, after gaining a two-touchdown lead over Tulsa in the Gator Bowl game, had to dig in for all it was worth, holding on the five-yard line in the closing minutes, to win 14-13.

The day's lesser bowl games saw College of the Pacific whip Mississippi Southern, 27-6, in the Sun Bowl, Texas Southern edge Prairie View in the Prairie View Bowl 13-12.

All this assorted New Year's entertainment was witnessed by over 400,000 fans who actually were on hand and perhaps millions of others who watched four of the big ones on television. And it netted well over two million dollars from gate receipts and TV and radio fees, for the competing schools and the conferences and associated institutions which shared in the cuts. The exact figures won't be known for some weeks after the audits are completed.

Southern California and Wisconsin drew over 100,000 people into Pasadena's Rose Bowl; the Sugar Bowl attracted an estimated 82,000; there were 75,504 paid admissions at the Cotton Bowl, 66,280 at the Orange Bowl and 30,015 at the Gator Bowl. Those were the biggest crowds.

SC TROJANS TROUNCE WISCONSIN BADGERS

By PETE ARTHUR
PASADENA, Calif., Jan. 2 (AP)—Nineteen fifty-three may turn out to be a rough one in other ways, but for Pacific Coast football it's already a Happy New Year.

The Big Ten's embarrassing stranglehold on the Rose Bowl, six years of rubbing West Coast noses in the turf of the big saucer, came to an end yesterday as Southern California outlasted a tough bunch of Badgers from Wisconsin, 7-0.

A rangy senior from St. Louis, 196-pound tailback Rudy Bukich, was the surprise hero of the victory, which also served to restore some of SC's tarnished glory in this granddaddy of all post-season classics.

Until they lost to Alabama, 34-14 in 1946, and to Michigan, 49-0, in 1948, the Trojans had won eight straight New Year's games.

Bukich, 22 years old and 6-11½, spent most of his college career understudying. This season it was to All-America Jim Sears.

Sears went out of the Rose Bowl game after only three minutes and 33 seconds, with what the doctor called a broken fibula bone in his lower left leg. That left it up to Bukich.

Rudy came through in fine style. For the day, he completed 12 passes out of 23 for a 60 per cent average and 137 yards. Before he went out, Sears had connected with three of four, and third-string Aramis Dandoy, a sophomore with brilliant prospects, hit three out of three to give the Trojans an excep-

tional mark of 18 completions out of 27, for 66.66 per cent and 183 yards.

The scoring drive, naturally, was the best performance of the day for Bukich. The two teams—SC champion of the Pacific Coast Conference and Wisconsin champion with Purdue of the Big Ten—had battled each other to a scoreless standoff through the first half.

In the third quarter, Wisconsin took the kickoff and put the ball in play on its own 13. On the first play, big Alan (The Horse) Amache broke loose off the left side for 54 yards before he was hauled down. Jim Haluska passed nine yards to Erv Andrykowski and it

looked like the Badgers were finally rolling. But, with the ball on SC's 21, Roy Burks fumbled and ball-hawking end Bob Hooks recovered for SC on the 27.

Using only three ground plays in the drive, Bukich had a touchdown in air play. Five of his six passes were good—for nine yards to end Ron Miller, 11 to end Tom Nickoloff, 14 and then 9 to Miller again, and the putoff, a 22-yard toss to halfback Al Carmichael, all alone on the goal line.

As it had on several other occasions, SC held when pushed back near its goal. During the day it stopped Wisconsin drives on the 14, 21, 7, 17, and 20-yard lines.

KILGORE IS UPSET

HCJC And Amarillo Move Into Meet Semi-Finals

Before a near-capacity house, Howard County Junior College and Amarillo moved into the semi-finals of the first annual Howard College Invitational Basketball Tournament in games played here Thursday night.

HCJC, playing under wraps all the way, turned back Gene Sunderland's Decatur Baptist College, 52-42, after the Indians had put up surprising resistance.

Amarillo kicked over the dope bucket by trouncing Kilgore JC's Rangers, 52-48.

This morning, first round play in the championship bracket was to be completed in contests between Wharton's Pioneers and Odessa's Wranglers at 9 a.m. and Del Mar and San Angelo at 11 a.m.

First round consolation play was to take place starting at 2 o'clock. This evening at 7 p.m., the Wharton-Odessa winner was to tangle with Amarillo for the right to move into the Saturday night final.

At 9 p.m., Howard County takes on the Del Mar-San Angelo winner.

Led by Tom Maxwell and Jud Maxfield, the Decatur bunch gave the cautious Big Springers all they could handle in the opening game of the tournament.

Not until late in the third period did the Hawks begin to take command. They owned a 42-28 advantage at the third period intermission.

Decatur pulled to within seven points of the locals early in the fourth but could get no closer.

Maxwell was the game's top scorer with 16 points while Casey Jones led HCJC with 15. Bobby Malmes had 13 for the Hawks, nine of which he scored in the third.

Kilgore, which brought a fine record against strong competition here, led Amarillo early in the game but, in the end, Amarillo's bright paid off.

Big Tom Boyd of the Badgers controlled the backboards with surprising ease.

Cecil Holloway paced Amarillo with 15 points. Boyd and Don Rasco

each had 11.

Most of Boy's points came on tip-ins but Holloway and Rasco showed an amazing ability to hit from outside.

Big Spring (Texas) Herald, Jan. 1953

LOOKING 'EM OVER

With Tommy Hart

A Southwest Conference-Big Seven tieup for the Cotton Bowl may be just the thing to insure the continued success of the New Year's Day classic.

Oh, Thursday's collision between Texas and Tennessee is as good as anyone would want but all too often the bowl committees are having to dip into Dixie for all or part of their attractions. And that section of the country just doesn't produce enough outstanding teams year in and year out to feed the demand in the major games.

The Orange Bowl, incidentally, will have its seating capacity upped to 84,000, some 18,000 more than it can presently take care of.

What ever happened to the move to increase the capacity of the Cotton Bowl to 100,000?

HCJC PREXY BIG BOOSTER OF ATHLETICS
They say W. A. Hunt, president of Howard County Junior College, would dearly love to field a Jayhawk football team, if a way could be found to meet bare expenses. He's a former coach, you know.

He's a booster for all kinds of athletics, never misses a Jayhawk home basketball game.

1931 HIGH SCHOOL TEAM SET SCORING RECORD
The 1931 Big Spring High School football team proved to be a high scoring outfit, having run up 204 points in 10 games. Most of the club's personnel returns to play next fall.

If the lads are counting on shading the all-time scoring record for the school, however, they've got a long way to go. The mark was established by the 1931 club, which tallied 298 points!

J. C. Armistead paced last fall's team in point-getting with 84 points. The all-time record for a Steer player was pieced together by Tack Dennis of that 1931 club, who counted 147 points. He beat out Bobby Wilson of Corsicana, later an All-American at SMU, to pace the state that year.

HC TOURNAMENT BIDS FAIR TO BECOME BEST
The Howard County Invitational Basketball Tournament, which got underway here yesterday, should, in time, become the biggest meet of its kind in the Southwest.

Indications are future tournaments will be conducted in the more spacious Big Spring High School Gym. They should be.

Actually, the tournament now is bigger and better than the Texas Junior College Conference tournament, to which the HC Hawks have gone the past two years.

For one thing, the loot to be given away here is much bigger and better than that awarded at the TJCC carnival. For another, top teams in several different conferences come here, whereas only TJCC members go to that tournament.

Indications are strong several out-of-state teams will compete in 1954. Incidentally, next year's tournament will probably get underway Dec. 31 and continue through Jan. 2, since Jan. 3 falls on Sunday.

Tide Rewrites Record Book; Mauls Orange

By GENE PLOWDEN

MIAMI, Fla., Jan. 2 (AP)—Alabama re-wrote the Orange Bowl record book with a crushing 61-6 defeat of Syracuse in the greatest mismatch of all New Year's Day major football games.

The mighty Crimson Tide rolled for nine touchdowns and turned the 19th annual Orange Bowl classic into a rout before 66,280 spectators who started leaving the stands midway the third period.

In sharp contrast to some previous Orange Bowl games, which were won and lost in final seconds, this one turned into a boring one-sided rout.

Syracuse was the underdog from the time the Eastern champions were picked to play Alabama and the Orangemen apparently never overcame that psychology.

Alabama, 13-point favorite at game time, scored first and when Syracuse drove from its own 22 to the Alabama goal it looked like a tight ball game coming up.

But when Jim George's kick for extra points was partially blocked, struck the crossbar and bounded back onto the field, it left Syracuse trailing, 6-7.

Three Alabama touchdowns came on passes and another on a pass interception. Joe Curtis caught eight Alabama passes to set an individual record for an Orange Bowl game. Red Burditt of Texas A&M caught seven against LSU in 1944.

Cecil Ingram took Mike Jaso's punt on the Alabama 20 and went 80 yards for a touchdown to erase another individual record, set by Beecher Montgomery of TCU against Georgia in 1942 at 56 yards.

But passes didn't tell the whole story. The Alabama line opened gaping holes for ball carriers and the Tide gained 286 yards on the ground, 300 through the air, completing 22 of 37 passes.

Syracuse also tried 34 passes, completing 17 for 157 yards. The Orangemen got a mere 75 yards on the ground in 33 plays, rushing for five of their 15 first downs.

Wayne Durham kept Kilgore in the ball game with a 21-point effort. Tommy McColton had ten points for the losers.

Salad Bowl Game Becomes A Rout

PHOENIX, Ariz., Jan. 2 (AP)—The San Diego Naval Training Center, apparently setting a record for scoring in football bowl games, rolled up touchdowns after touchdown to crush Camp Breckinridge, Ky., 81-20 yesterday in the Salad Bowl.

The Navy team pushed across two touchdowns in the first period and then added three more in the second while holding the Army men scoreless.

Camp Breckinridge tallied twice in the third period and picked up its final touchdown in the final stanza.

The Bluejackets pushed over five touchdowns in the third and two in the fourth.

Dave Parrish, brilliant Navy tackle, was awarded a trophy as the game's best player.

SEDGMAN AND MCGREGOR

Australian Netters Make Debuts As Pros On Coast

LOS ANGELES (AP)—Frank Sedgman, the world's No. 1 tennis player, and his Australian Davis Cup teammate, Ken McGregor, start cashing in on their talents Tuesday when they make their long expected professional debut at Los Angeles' Pan-Pacific Auditorium.

Jack Kramer, former U. S. amateur champion who will double as promoter and opponent of the famous Aussies, announced last night Sedgman and McGregor had accepted his \$100,000 offer for a tour of the United States "and other places on which I decide."

Pancho Segura also will be a member of the touring troupe.

At the same time in Sydney, Australia, Sedgman confirmed he

and McGregor has deserted the amateur ranks and would leave for the United States tomorrow.

"It was a big decision for Ken and I to make and we have many regrets," Sedgman told Sydney reporters. "But after weighing everything we decided we were doing the right thing in accepting Kramer's offer. We leave amateur tennis with the best of good feelings and good wishes to officials and players remaining."

Sir Norman Brookes, president of the Australian ITA, declared, "Personally I wish them well. Sedgman and McGregor have done a lot for Australian tennis in the last four years. The choice is their own. Any man is entitled to make his own decisions and I do not

blame them for choosing their own way of life for the future."

Kramer said his offer of \$100,000 or 40 per cent of the gross receipts, whichever is greater, was made to the Australians as a team but he understands Sedgman will take 75 per cent.

After a two-night stand in Los Angeles, the net stars will jump to New York for afternoon sessions at Madison Square Garden Jan. 10 and 11. Matches have been lined up for appearances in 38 or more American cities but Kramer also plans to take the troupe on a tour of Europe, South Africa, South America, New Zealand and Australia.

1953 Women Roam World's Highways

By DOROTHY ROE
Associated Press Women's Editor
As a timely start for 1953, let us consider the international woman, a species peculiar to our times. She may be career girl or club-woman or one of the seldom-mentioned rich, but whether for business or pleasure, she commutes among the world's cities as casually as her grandmother used to hitch up the surrey to drive into town. She's at home in any country.

Maria Krum

Fuzzy alpaca tweed jacket in muted green over a sheer wool dress in pale green.

poised, suave and impeccably groomed. Her non-die life has developed a new kind of wardrobe, which can be packed into one bag weighing not more than 45 pounds and sufficient to see her through any occasion in any country, from a formal ball in London to a hike through the Alps in Switzerland, a day on the beach at the Riviera or luncheon in Rome.

Some typical examples of this new brand of world traveler are now on their way by plane for a global tour, led by Mrs. Oscar A. Ahlgren of Whiting, Ind., president of the General Federation of Women's Clubs. Accompanying Mrs. Ahlgren are 14 clubwomen. Their first stop will be Honolulu.

The globe-trotting gals will be guests of Hawaiian women's clubs affiliated with the federation. Next they will fly to Tokyo, to greet the Tokyo American Round Table, a club made up of Japanese women desirous of affiliating with the federation.

They will drop in at Manila, Hong Kong, Bangkok, Calcutta, New Delhi, Bombay and Cairo. What today's women are doing would have seemed impossible even a few years ago. International affiliations of women's clubs make world travel almost a requirement for national officers.

An increasing number of today's jobs send bright girls cloud-hopping around the globe. Buyers in many of the nation's big department stores take semi-annual trips to Paris, Italy and London as a matter of course. The girls who work for the airlines either as stewardesses or in executive jobs have the world as their apple.

Such is the life of the modern woman, who can join a women's club and see the world.

BILL COOK

Bill Cook To Speak At Youth Rally

Bill Cook, a senior student at Hardin-Simmons University, Abilene, will be the speaker at the associational youth rally to be held Saturday at 8 p. m. at the First Baptist Church here.

Weldon McElreath, a student at Howard County Junior College, will serve as program chairman and Delmer Hartin, rally vice president, will be in charge.

On the program will be L. V. Daugherty of Borger, Marilyn Daugherty of El Paso, Clara Walker of Abilene and Alipio de V. Tullao of Pangasinan, Philippines, all students at Hardin-Simmons and members of the Life Service Band.

The rallies are held the first Saturday evening of each month and young people from churches in Glasscock and Martin Counties as well as from Howard County churches are expected to attend.

Refreshments will be served following the meeting, which will include songs, testimonies and the talk by Cook.

Club Woman To Leave On World Tour

Ethel Foster of Sterling City, treasurer of the General Federation of Women's Clubs, will leave from San Francisco next Friday on the first leg of a world tour.

Mrs. Foster will be with a delegation from the General Federation, led by Mrs. Oscar A. Ahlgren of Whiting, Ind., president of the GFWC.

First stop on the round the world journey will be Honolulu. On Jan. 14 the clubwomen will arrive at Tokyo for a two-day stay. Jan. 16 they leave for Manila, and on Jan. 21 the group will go to Hong Kong.

Jan. 22 and 23 will be spent in Bangkok, Thailand; Jan. 24 and 25 in Calcutta; Jan. 26 through the 30th in Delhi; Jan. 31 and Feb. 1 in Bombay; and Feb. 4 through 6 in Cairo. Feb. 7 through 9 will be spent in Jerusalem.

Other stops included in the itinerary are Athens, Rome, Madrid and Lisbon. The group will leave Lisbon on Feb. 26, arriving in New York Feb. 27.

Also on the tour will be Mrs. Edwin Troland, Malden, Mass.; Miss Minnie Porter Harris of Key West, Fla.; Mrs. Edna May Martin of San Diego, Cal.; Mrs. J. Edmond Shrader, Lansdowne, Pa.; Mrs. W. E. Cantrell, Lometa, Texas; Mrs. Joseph A. Siler, New Haven, Conn.; Mrs. E. N. Bailey, Ackworth, Ga.; Mrs. E. B. Aldrich, Pendleton, Ore.; Mrs. Malcolm Stottler, Drexel Hill, Pa.; Mrs. H. G. News Parleys May Be Stopped By Eisenhower

By MARVIN L. ARROWSMITH
NEW YORK, Jan. 2 (AP)—Frequent regularly-held presidential news conferences—an American institution under the Truman and Roosevelt administrations—may become a thing of the past when Dwight D. Eisenhower moves into the White House.

There are indications that Eisenhower as President may not hold such conferences as regularly as President Truman and as the late Franklin D. Roosevelt did before him.

With some exceptions, Truman has met with newsmen once a week at no-questions-barred conferences.

So did Roosevelt, whose general practice was to hold news conferences twice a week. James C. Hagerty, Eisenhower's press secretary, has declined to say in advance of inauguration day—Jan. 20—that the new President's policy will be with respect to news conferences, although Hagerty hints that the policy to be followed already has been determined.

Hagerty refused to comment on a report published in the Baltimore Sun that Eisenhower may abandon the traditional question and answer sessions in favor of periodical reports to the nation by television and radio.

The policy will be announced after the general had taken office, and not before, Hagerty said. Eisenhower's advisors reportedly are divided over whether he should continue the question of frequent news conferences, regularly held.

One key Eisenhower aide had indicated he looks for the general to hold traditional type of news conference, but perhaps not as frequently as once a week.

Eisenhower himself had very little direct contact with the press during the presidential campaign. He held a few news conferences during the early days of his bid for the White House—sessions at which reporters detected some traces of irritation on the general's part when he was pressed for elaboration of replies.

Ice Box Cake

(Serves 6)
1-3 cup sugar
1/4 cup cocoa
1 cup heavy cream, chilled
1/4 teaspoon vanilla
16 graham crackers
Mix sugar and cocoa. Whip cream until slightly thickened; then add cocoa mixture gradually and vanilla; whip until stiff. Spread graham crackers with the whipped cream, standing crackers upright on platter, placing one in front of the other. Press gently together. Spread remaining cream over top and sides. Chill in refrigerator at least 4 hours. When ready to serve, slice diagonally or lengthwise—if cut lengthwise, cut slice into 2 servings.

30 Years Of Skill Go Into Patton Product

The skill developed in 30 years of experience go into every mattress turned out by Patton Furniture & Mattress Company.

W. H. Patton, owner, who has been making and renovating mattresses now for three decades, now has his business at 817 E. 3rd—across the street from the Dairy Maid.

More and more people are discovering, judging from the Patton patronage, that there is no substitute for craftsmanship in producing the best in mattresses.

This makes no difference whether the mattress is new, renovated or converted. Patton knows how you want it, and how quality in materials and workmanship will make you happy with your job.

In new mattresses, he can, of course, make yours to any size required—over-sized, specially long, three-quarter width or what have you. Lay down the specifications and Patton will produce it.

All the usable materials in your present mattress will be used in making it into one as good as new. The best in additional materials such as covering, etc. will be used to round out the job. All springs will be properly boxed and tied. If you want your cotton mattress made into an inner-spring one, Patton can do that, too.

Mattresses can be sterilized for Patton operates the only such equipment in the city licensed under a state health department permit. If you have bed clothing or upholstered furniture which you want to be doubly certain about, you can take them to Patton's location for sterilizing.

New H-D Cycles More Popular

Local headquarters for all models of the famed Harley-Davidson motorcycles is the Cecil Thixton Motorcycle Shop, located at 908 W. Third Street.

The three new Harley-Davidson machines—the Model 165, the famous K Model and the 74 OHV "Big Twin"—are gaining favor with motorcycle enthusiasts the country over.

Most powerful of the trio is of course, the 74 OHV "Big Twin," which boasts 55 horsepower, as compared to the K's 40 horsepower and the lightweight 165's six horsepower.

The Harley-Davidson motorcycles are not only designed for travel and sport but to offer A-1 service to workers in various types of endeavor.

In the annual Devil's Head Derby near Portland, Ore., held in the fall over 200 miles of rugged mountain roads and trails in the Cascade Mountains, the winner was astride Harley-Davidson's famous K machine. The motorcycle speed's ranged from 35 to 55 miles per hour.

Closer to home, Everett Brashear—riding a K—took first place in the Four States Fair Grounds' Southwestern Championships at Texarkana.

The Thixton shop, owned and operated by a long-time citizen of Big Spring, not only is the local distributor for the Harley-Davidson motorcycles but is equipped to make repairs on all motorcycles, as well as bicycles, tricycles and lawn mowers.

In addition, a complete line of motorcycle accessories is stocked by the Thixton concern.

Business telephone number of the establishment is 2144.

New Business In City
Helen's Kiddie and Maternity Shop, 1211 Main Street, is one of the newest and perhaps most unusual businesses in the city. Wagon Wheel Gains 'Triple A' Approval

A new distinction has been added to the many claimed by the Wagon Wheel Restaurant, "Big Spring's finest."

The popular restaurant, located at 803 East Third, is now recognized and approved by "Triple A," the American Automobile Association which provides tourists with a guide to America's best accommodations for the traveling public.

H. M. Rainbolt, owner and manager of the Wagon Wheel, this week announced that the AAA has extended recognition to the Big Spring restaurant as a result of a study of its food and services.

The Triple A recommendation is the latest in a series of developments that have enabled the Wagon Wheel to grow from a small cafe nine years ago to the large, modern restaurant that today is recognized as "Big Spring's finest."

Real reason for the restaurant's growth and increasing popularity is, of course, the exceptionally fine food and service for which it is famous. Good reputation of the establishment isn't confined to Big Spring. Hundreds of tourists who travel the transcontinental highway, U. S. 80 and 87, which intersect here stop at the Wagon Wheel for their meals.

For many, lunch or dinner at the Wagon Wheel is a regular occurrence. Other travelers dine at the restaurant for the first time on the recommendation of friends who have stopped here previously.

Big Springers and residents of the area think of the Wagon Wheel as a family restaurant. Children are always welcome. Rainbolt reminds, and the child's plate is an increasingly popular item on the Wagon Wheel menu.

All pastries and rolls served in the restaurant are baked in Wagon Wheel kitchens, a factor contributing importantly to the AAA recognition as well as to local popularity of the establishment. Rolls always are served piping hot, too, in keeping with the restaurant's policy of serving only choice foods which are expertly prepared.

Comfort of the Wagon Wheel is maintained with modern, ventilated heating equipment in the winter-time, and efficient air-conditioning during the summer months. Soft lights and comfortable furnishings add to enjoyment of the quality foods.

Rainbolt also operates a gift shop in conjunction with the restaurant. The latest in gifts for all occasions

are stocked in the spacious display room adjacent to the dining area. Ample parking space is provided for the convenience of patrons of either the restaurant or gift shop.

Ordinary table sugar dissolves in about one-third its own bulk of cold water and in even less water if the water is hot.

Big Spring Hardware Is Ready For Boom In TV

Big Spring Hardware is fully prepared for what the manager, J. W. Atkins, terms the "coming television boom."

A full line of Zenith TV sets is stocked by the firm. Table and Console models are available with 17, 21 and 27 inch screens.

Atkins says that the Zenith models sold in Big Spring up until now are receiving KDUB-TV in Lubbock fairly well.

He admits that the reception is still fuzzy and inconsistent, but points out that Big Spring is not actually supposed to get Lubbock reception.

When Lubbock goes full power, he explained, it will be received easily here. It was also pointed out that stations are soon due to go in at San Angelo, Abilene, Midland, and Odessa.

"When all the surrounding stations start operating, TV will be booming in Big Spring. That's when people are going to want television sets," Atkins said.

He pointed out that while it is fairly easy to get TV sets now, it will be hard to buy them when the "boom" hits. Dealers will have to put in a waiting list system, he said.

Zenith sets in stock at the hardware store range in price from \$200 to \$775. All types of antennas are stocked for the sets, ranging in price from \$7.50 to \$50.

Each of the Zenith sets are equipped with Ultra High Frequency, aids that do not require a converter, Atkins said. He pointed out that some sets will require converters for the UHF and that the new stations in Texas will operate on UHF.

Also available for television owners are signal booster sets for increasing the signal strength between the antenna and receiver and the rotor machine for controlling the direction of antenna.

Sets can be purchased in mahogany, walnut and blonde colors. Each of the sets has a channel selector, horizontal and vertical holds, brightness control, contrast control, fine tuning, and tone control. All controls but one are on the front of the machine.

Zenith company claims the most beautiful cabinet styling of any company. Cabinets are tested by being dropped from various heights to see if engineers specifications are met. Better cabinets have hand rubbed finish.

Super-automatic station selector allows the operator to flip knob from channel to channel and forget tuning. Atkins stated that the Zenith "black" tube increases picture brilliance and that each set has a built in antenna. Local sets now require an additional antenna, however.

Atkins added that each set is equipped with FM sound so that full range one is captured free of static.
