

Home Run Barrage Gives Barons Twin Win, 14-8 And 6-4

Jodie Marek In 10th Win Of Campaign

Walton Hits 3 Home-Runs; Ladies Night Tonight

Hitting very effectively in the clutches, the Big Spring Barons grabbed off decisions in both ends of a doubleheader with the Pampa Oilers here Sunday, winning the first, 14-8, then coming from behind to take the abbreviated nightcap, 6-4.

The weird opener saw the invaders comb the offerings of Jodie Marek, star Baron righthander, for a total of 20 base hits but the ex-grinder worked superbly in the pinches and, blessed with a terrific batting assault on the part of his mates, went all the way to claim his tenth pitching triumph of the campaign, gaining the league's lead in that department.

Harv Hutton went the route for the Pampans, surrendering 14 hits. Included in those 14 hits were five home runs, which represented the best long range assault the Big Springers have thrown up this season.

Five Homers
Tex Walton, the middle gardener had a pair of round trippers, the first coming in the initial frame, the second in the sixth, while Curdello Loyd, Billy Capps and Pat Stacey had one each. For Billy it was No. 11 while Stacey's was his 13th.

Texas League Lead At Stake In Dallas Go

By the Associated Press
The Texas league race, of competition as changeable as a timid school marm, was a hectic question mark today, and it was up to Houston, Shreveport, Dallas or San Antonio to do something about it before frantic blissherites claw out their hair and fingernails.

Houston's Buffs beat Dallas' Rebels, 3-2, then lost the second game of a doubleheader, 5-1, yesterday; and the ambitious Shreveport Sports took Fort Worth, 9-3 and 8-3 to tie three ways for the leadership.

Just a half game behind them through victory over Tulsa's Oilers, 6-3, were San Antonio's Padres, inches to stay in second place if they convert the Oklahoma City Indians to their use tonight.

BRITONS WIN IN LAST POLO DUEL

WESTBURY, N. Y., June 19 (AP)—The widely advertised "perfect" polo team which the United States didn't use to defend the Westchester International cup this year evidently falls a bit short of perfection.

FENSKE WINS PRINCETON MILE RUN

Chuck Fenske, former Wisconsin ace, comes through with victory in the Princeton invitation mile, followed by Glenn Cunningham, second, and Archie San Romani, third. At the extreme left in white suit, Blaine Rideout of the North Texas State Teachers, is moving past the black clad Sydney Wooderson to take fourth. Wooderson, British ace, finished fifth. Rideout quickly apologized to Wooderson for clipping him on the last turn.

Morgan Muny Spring Golf Titlist DEFEATS GUY RAINY IN FINALS

Firing a neat 76 at his long hitting opponent, Jake Morgan sacked up championship laurels in the annual Muny spring golf tournament Sunday afternoon by defeating Guy Rainey, Forsan ace, one up.

TIGERS SEEM INTENT ON MAKING THREAT IN JUNIOR LOOP, ROWE TAMES WORLD CHAMPIONS

Apparently the Detroit Tigers were in dead earnest about rallying the rest of the American league against the New York Yankees.

Philadelphia Athletics.
The Boston victors, 5-4 and 5-3, ended a four-game losing streak and thrust off at least temporarily threats to the Red Sox's second-place rating.

WATER SAFETY HINTS

BY Bob Primm

Editor's Note: This is the first in a series of articles on safety hints for the swimmer as written by Bob Primm, life guard of the Big Spring municipal auditorium. Others will appear in future editions of The Daily Herald.

After tripping the three-times world champions two games out of three at Detroit and winning nine consecutive games against other clubs, the Tigers invaded Yankee Stadium over the week-end and split their first two contests.

Morgan, who also won medalist honors, regained the title he had held two years ago. Frank Morgan, champion last year, was defeated by Rainey in an earlier round.

There has been a large number of requests made in trying to put over to the public the use of water and its safety. First, the main thing is to always remember that after eating, for your safety keep out of the water at least 30 minutes. Time and time again people complain of stomach cramps, which is due entirely to eating, and then diving into the water without the required amount of rest after the meal. Remember that it is your safety that counts.

RECREATION NEWS

Senior boys recreation softball league schedule for today: Roosters at A. B. C. South Side at Mexican Plaza. A large number of boys are taking advantage of the privilege granted by Harold Akey to practice free of charge on the Muny golf course each Monday morning, in preparation for the West Texas Junior tournament July 15, 14 and 15.

Lyons Wins
The White Sox bunched their blows behind venerable Ted Lyons to win their first game 6-5 but Sam Chapman and Bob Johnson hit homers to give the A's the second season, 9-4.

The Sports Parade

By HANK HART

Boasting what is already called the most improved ball club in the WT-NM circuit, Manager Tony Rego is not satisfied with his Big Spring outfit, intends to add more length before the clubs make the far turn.

Rego and Joe Devine, the Yankee operator, will get air heads together soon and discuss the needs for a real tender, for the final lap. Several of the boys on the present crew are scheduled to handed pink slips to make way for the newcomers.

Stacey has finally climbed the league's select circle of hitters. He drove out 23 hits in 10 games on the Barons' 10-day road trip, returned home Sunday to get two bingles in five official at-bats. That would elevate his market value to \$320.

By Capps is another who has done enemy pitching an ace. The "five for five" and "one two" in the doubleheader at a Friday night coupled with hitting in the Sunday twin bill had elevated his average something like .385, which represents a gain of something like 100 over his last year's mark.

over Setz saw his Pampa's chances at a first half NM league championship to smothered on the eve of departure for Big Spring by Jay Cross, his regular third base, took sick and Paul, leftfielder, left the club shortly.

he has a couple of regulars under suspension whom he got reinstated until later in the season. He filled in at the hot corner Sunday despite the handicaps of scatter-arm, occasioned by season soreness.

WOODSON CLAIMS WOODERSON BUMPED HIM 'PRINCETON'; CONTROVERSY RAGES

W YORK, June 19 (AP)—For a fellow, Sydney Wooderson, 26-pound Briton who holds the outdoor mile record, has gone to stir up a great big fuss as track fans and writers concerned, the outcome of his race in the Princeton invitation mile last Saturday is being to wipe out all internal good will created by the visit of England's king and from winning that "mile of the century," as he and most of his foot-racing fanatics had predicted. Sydney came in last.

WENDLAND WINS

AUSTIN, June 19 (AP)—Lonnie Wendland, 25, of San Antonio, turned in a card of 72-67-73-290 yesterday to win the annual 72-hole Texas Public Links Golf association tournament.

comment. Another said, "the victim of the collision was not the little Briton but Chuck Fenske." Joe Hinks, who covered the meet for a London paper, gave considerable attention to the bump, but added, "I felt all along that his amazing preparations on the other side, his 4:07.4 mile and his record three-quarters were too much. He left his race in England."

REPORT UNFAVORABLE

NEW YORK, June 19 (AP)—Miss Georgia Coleman, former Olympic sailing champion was reported "not quite so comfortable" today at Poly-clinic hospital where she is seriously ill.

Wooderson, less bitter over the "foul" after a night's rest, seemed anxious to let the matter drop and his trainer, A. G. Hill, invited Fenske and Cunningham to compete in a meet in London early in August.

was too good. He pegged at the runner instead of the bag and the 3-run cleanup hitter was safe at first when the ball struck him and careened onto the playing field.

Capps worked a walk out of Hutton as a follow-up and the Pampa flinger looked over a tough situation when Grover Seitz juggled Marshall's ground ball at third and all runners advanced. Herby Morey slapped out a single to score Stacey and Al Berndt did a follow-up with a two-run single.

Stacey appeared in the eighth to send one of Hutton's pitches over the wall as the Barons closed shop. Morey and Louis Janicek teamed up to pace the locals to their second win after the Pampans had taken a 2-1 lead in the third and constructed an extra run in the sixth.

Successing Art Gligl on the firing line in the third round after Dilbeck and Swift had maddened for the invaders the wronghander tossed smoothly all the way and slipped through with his fifth win when his mates crossed up the opposition's late inning strategy.

Loyd Dilbeck, who was on the rubber for the Pampans, had the Barons on his hip through five innings of play but Grover Seitz, older manager, waved him to the sidelines in favor of Frankie Grabek in the sixth and the Barons promptly showed their disregard for the change by scoring four times. Tex Walton's home run started it all.

Stacey dead-ended and was dispatched to the half-way terminal by Capps' single. Van Marshall contributed a sacrifice to advance both runners and Morey stepped up to win the game with a ringing double, going all the way around when Verrengia, Pampa gardener, tossed wildly to third.

Base blows by Marshall and Morey and a squeeze play with Berndt as the state performer, had given the Barons their first two runs.

The Oilers seek to salvage the final game of the series in tonight's 8:30 battle. Ladies Night is again featured with all women gaining admittance free.

Either Clarence Trantham or Edson Echr are slated for Baron mound duty. (First Game)

Cowgirl class—Annie Lee Spies, first; Roasco, on Humberg, first; Billie Lou Thompson, second; Ena Haney, third; Jeanne Taylor, fourth; and Patti Hicks, fifth. This was a special event in which the girls were judged on appearance of rider and mount and on horsemanship.

Plantation class—Rex Allen, owned by Andrews Bowers, Fort Worth, first; Tennessee Allen, owned by Burton, second; Silver Moon, owned by Burton, third; and Rockwood Prince, owned by Rockwood stables, fourth.

There was no competition in the pony class, it being an exhibition affair; but the crowd gave plenty of applause to six-year-old Grace Revier on Bright Eyes, and to eight-year-old Mark McLaughlin on Dolly. Dolly was "shadowed" by a young colt carrying the name of Teabiscuit.

None of the McLaughlin horses entered in the contests for a prize, although they participated in the events.

Other exhibition events including the showing of three Palomino ponies by Elmo Arnold, Tom Simmons and Clay Anderson of Lubbock; the showing of two-year-old colts in halter; and a two-year-old colt in harness, the harness exercises being the first step in training gaited horses.

Ribbons were awarded in all competitive events, and in addition, silver trophies were presented four winners. To Rogers, as winner of the five-gaited stake, went a silver tray donated by the First National bank in Big Spring. incorporate profits and substitute a flat 15 per cent levy on companies earning more than \$25,000 a year. The present rate of 13 1/2 to 16 per cent on corporations, with income under \$25,000 would be continued.

The bill also would extend \$646,000,000 in excise or "antitrust" taxes and would continue the three-cent postage rate on out-of-town letters for two years.

Although President Roosevelt has suggested that the income tax base should be broadened, finance committee members said there would not be time to act on the proposal at this session.

A SUNDAY SERMON

"The Prayer That Counts"
By Rev. G. C. Schurman

Preached at First Christian church, Big Spring, June 18, 1939. Text, II Thess. 3:1, "Finally, brethren, pray for us, that the word of the Lord may have free course and be glorified, even as also it is with you."

THE PRAYING SPIRIT IS MOST UNSELFISH

The man of influence with God is he who prays in behalf of his neighbor and the world. Our prayers are too frequently of the "gimme" type. We pray for our own prosperity and success. We pray for the relief of our own suffering and that of our friends and loved ones; and we fail to realize that the prayer that makes for strength and enlargement of life is that which desires good for all mankind. In His Sermon on the Mount Jesus asked us to pray for our enemies and those who despitefully use us. I know of no greater spiritual exercise. It must have been a source of great joy and strength to Paul to know that the churches which he had established and gone on from were praying for him. Would it embarrass the Christians in our churches if the minister should ask how many of them prayed for him and the work before coming to the service?

HERE WE SEE THE BURDEN OF THE APOSTLE'S MINISTRY—THE WORD OF GOD.

The preacher of the text does not ask the interest of his friends in his physical or financial welfare. He has one great objective—that the Word of God should be preached. He is not a member of fences or a server of tables. He is a preacher. He believes that by the "foolishness of preaching" the world must be saved, and he believes in the power of prayer in that adventure. Ten, too, there is no uncertainty in his mind as to the content of the Word of God. Three great facts stand out in his message:

The first is the enormity of sin in the world. "We have all sinned and come short of the Glory of God." He knows that sin is soul-destroying and the one block to the coming of the Kingdom of God on earth. The second is the fact of God's great interest in man. "For God so loved the world that He gave His only begotten Son, that whosoever believeth on Him should not perish, but have eternal life." Paul not only believed that, but he knew it to be true experimentally in his own life. The second was the redemptive mission of Jesus. Paul knew that Jesus actually saved men from sin and its effects. He experienced it in his own life. He saw the transformations wrought in the lives of the pagans whom he was able to reach with his message of life.

Paul knew these great facts of the gospel must be carried to men who did not know them. He knew his preaching would not be easy or popular. He also knew that "More things are wrought through prayer than this old world dreams of." He must have the strength and courage that comes to a man when he knows that the prayers of worthy Christians are being lifted in his behalf.

HERE WE HAVE THE CHARACTER OF THE PEOPLE WHOM PAUL ASKED TO PRAY.

He did not ask the prayers of all professing Christians in Thessalonica; only those in whom the Word of the Lord had done and was doing its work—"Even as it is with you." There is no use of those Christians praying for the success of their minister who are not living at peace and love with their neighbors and brethren.

THE SITUATION HAS NOT CHANGED IN OUR TIME

The world is unredeemed after nearly two thousand years of the Gospel of Christ. Men and women are still being called to the ministry of the world. The same power is available. We have some conclusions that are logical: The uplift of the world out of its condition is dependent upon the success of the Word of God. In its success is the glory or triumph of that Word. It must be brought into contact with men's minds in order that it be thus glorified. The ministry has been called for that purpose. Prayer has power with God to make the ministry of His word successful. But only those in whom it has succeeded, and who now are in harmony with its teachings, can make prevailing prayer on its behalf. Idle, worldly, uncharitable, sensual, unforbearing, resentful Christians are not asked to pray for their preachers; to do so would be encouraging most culpable burlesque.

THE RELEASE OF POWER MUST COME IF THE CHURCH SURVIVES.

We are told that Jesus said to those who refused to believe on Him, "The Kingdom of God shall be taken from you and given to a nation bringing forth the fruits thereof." We are no better than they if we fail. In this present re-vamping of the world order the church must also take inventory. Individuals must re-examine life values. Standards have fallen and must be rebuilt. Let it not be said of us, "Because ye are Luke-warm I will sweep you out of My mouth."

Kiwanians Open 23rd Convention In Boston

BOSTON, June 19—Thousands of Kiwanis delegates and visitors from the U. S. and Canada have arrived here today for the service organization's 23rd annual convention. Four days of business sessions and conferences are scheduled to plan 1939-40 activities for the 2,000 clubs in child welfare, agriculture, boys and girls work, adult education, etc.

Boston for the first time is host to an international convention of Kiwanis.

H. G. Hatfield of Oklahoma City, president of Kiwanis International, is presiding at all sessions. In his annual message he warned against all subversive groups. "Dictatorship is on the ascendancy," he told delegates. "Even within our own borders the seeds of discontent are being sown. Democracy and the democratic conception of government is challenged today as never before! It must be preserved!

A wave of terrorism in the long communitist work and oppose communists, fascists and nazis," he said.

Reds' Pitching Is 'Duck Soup' To Leading Hitter

PHILADELPHIA, June 19 (AP)—The Cincinnati Reds may be first in the National league, but their pitching is "duck soup" to peppy Morrie Aronovich, the Phillies' slugging outfielder, who tops both major leagues in batting.

Of all the teams in the senior circuit, the little left fielder, who is banging the horsehide at a .396 clip in 51 games, apparently finds the offerings of Cincinnati's hurlers—Paul Derringer, Whitey Moore, Johnny Vander Meer, Lefty Grisson, Bucky Walters and Gene Thompson—easiest to hit.

In nine games against the Reds Morrie has slashed out 16 hits in 38 times at bat for a .485 average. Only against the Chicago Cubs does Morrie boast a better average—an even .500 with 12 safeties in 24 trips.

Aronovich has hit safely in 44 of the 51 games the Phils have played.

Sunday Distinctive As Day Just Spent

By MARY WHALEY

"How did you spend Sunday?" and "How are you going to spend Sunday?" are two ways of expressing the activity on the first day of the week. Other days seem to be just "put in" but not Sunday.

People will ask you what you "did" on Saturday but they are concerned with how you "spent" the day of rest. How all this got started and who started it is pretty vague but it is almost a universal expression.

On other days there is the living and battling with the world in one form or another but it has been decreed from the Bible time to take a day off and rest up for the trials of the week to come.

A lot of people are not much interested in how they observe other laws laid down by the Good Book but there aren't many who fail to take advantage of the part that says there shall be no labor on the Sabbath.

Even business executives, who on week days cry for more efficiency with less time involved, forget to be full of energy and spend time reading, eating, sleeping, and just generally relaxing during the whole day. They pore over the papers, listen to the radio, go for a ride, and sometimes just sit and not even think. But no matter how do-less you have been on this one day and no matter how little you accomplished, it is always a special day to be "spent" and not "put in."

NELSON BEATEN IN VERNES

TOLEDO, O., June 19 (AP)—America's golfing greats scattered toward their homes today, still talking about the playoff finish put on by Johnny Evolita and Henry Picard to win the fifth annual \$5,000 Inverness four-ball matches here.

Evoluta, after his team had tied over the 126-hole route with Vic Ghezzi and Sam Snead, the defending champions, and Byron Nelson, National Open king, playing with Harold (Jug) McSpaden, yesterday cracked a 30-footer into the cup for a birdie on the first hole of the "sudden death" playoff to settle the issue.

The putt gave Johnny and Henry the first prize of \$1,000, while the other teams in the playoff split the second and third money, each due getting \$850.

BOMB EXPLOSION KILLS EIGHT ARABS

JERUSALEM, June 19 (AP)—Eighteen Arabs were killed at dawn today and 24 were wounded by explosion of a bomb in the Haifa market place near the city's \$30,000,000 port.

The Haifa telephone exchange and street telephone booths were damaged.

The establishment of strict lines of police and troops about the explosion prevented details of the damage being given until the task of taking the dead and injured to hospitals was completed.

This was the second large bombing within a week. Six bombs exploded last Tuesday at Tel Aviv, damaging a railroad station and wounding a constable.

A wave of terrorism in the long-standing Arab-Jewish conflict started up on the publication of a British government white paper May 17 announcing establishment of a Palestine state with Arab dominance. Immediately bombings and shootings were resumed.

THREE DEATHS AND HEAVY DAMAGE IN PROVIDENCE FIRE

PROVIDENCE, R. I., June 19 (AP)—Three persons were dead, 25 were injured and a property loss of between \$150,000 and \$200,000 was counted today after one of the city's worst fires in years had gutted a fashionable apartment house here.

The dead were Eddie Healey, 44, restaurateur, former vaudeville star and a friend of former Governor Alfred E. Smith of New York, and Mr. and Mrs. William A. Booth. They occupied two of the 54 apartments.
