### Applause

### Goes To Band

A round of applause goes to the Rising Star High School Wildcat Marching Band. This fine young, dedicated group of students, with a little help from Doug Owen, have banded together and gone on to perform at the football games and at half-time activities without the assistance of a Band Director.

This group, led by Drum Major Jo Anne Carpenter, works up new maneuvers wach week. This is a real total group effort involving some 30 students.

Majorettes are Regina White, Gretchin Williams, and Selena McCuiston.

Come out and enjoy the show!

**PERSONALS:**  
Visitors in the home of Mr. and Mrs. Robert Burns are her two sisters, Mrs. Audine Johnson of Gardendale and Mrs. Helen Shockley of Abilene.

## Lometa Trips Rising Star

The Lometa Hornets took the second half handily to win over the Rising Star Wildcats. This was the first district ball game.

The first scoring play came on a pass from Lometa's Dubose to their tight end. The PAT failed. The Wildcats came back and scored on a pass from Damon Cooper to Clay Shults. The pass and run totaled 65 yards. The PAT was added by Thad Chambers. The

Rising Star	Statistics	Lometa
287	Total Rushing	238
100	Passing Yards	25
115 yards	Penalties	90 yards
4 for 132	Punts	3 for 85
2	Fumbles	2
12	First Downs	10

Wildcats then returned and scored on a field goal by Thad Chambers. The score at half-time was 10-6 in favor of the Rising Star Wildcats. Lometa took command after the half, scoring on a run up the middle for 22 yards. This brought

the score to 13-10. The PAT was good. The Hornets score again from the 5 yard line with the PAT good once more. This made the score 20-10. The Hornets scored again by running around the left end for 12 yards. The PAT was blocked by Thad Chambers.

The Wildcats put 287 total yards rushing compared to Lometa's 238 yards. The Wildcats showed some great offense and defense.

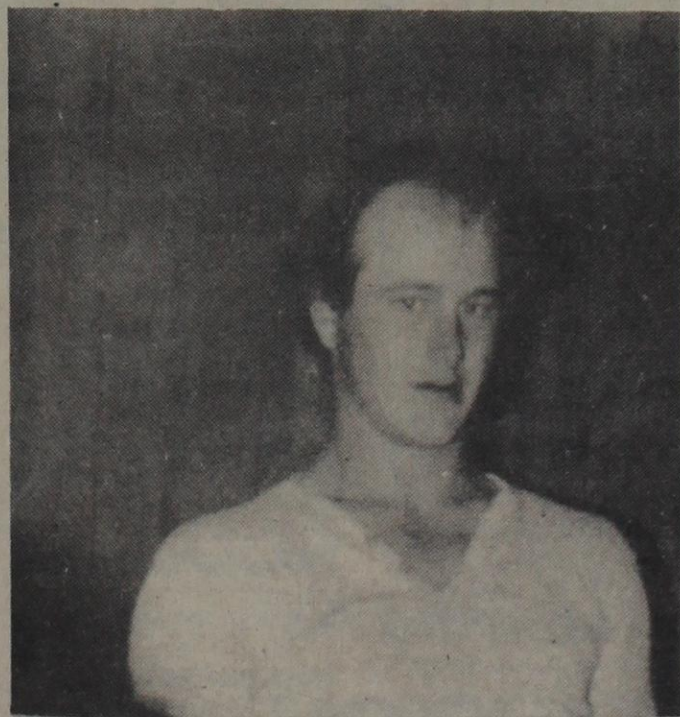

This week the Wildcats play Goldthwaite for Homecoming Festivities at Rising Star High School. We invite each and every one to come and enjoy the ballgame and cheer on their home football team.

### Film

A documentary film entitled, "Let Their Eyes Be Opened" will be shown Monday, October 20th at 7:30 p.m. in the Cowan Hutton home. This film asks the question, "Are you concerned about the moral crisis of youth and why" and goes on to explain what is happening today.

Anyone who is concerned and interested including civic groups, businesses and organizations are invited to attend. Call 725-7342 for directions.

## Maynard Signs With Cincinatti

Ronny Maynard, a sturdily built former catcher for Abilene High School, has been selected by the Cincinnati Reds to play baseball with their Class A team in Oregon.

Maynard, a former Southwestern University standout and one of the top players for the Georgetown Blue Sox, semi-professional baseball team, was seen by a Reds scout in a recent double-header

in Lampasas. The scout said Ronny has the arm and bat to take him as far as he wants to go.

Ronny is to report beginning March of 1981 to Tampa, Florida for spring training for the Reds.

Maynard is the son of Mr. and Mrs. Don Maynard of Georgetown and the grandson of Mr. and Mrs. Bill Maynard of Rising Star.

## Important Tax Meeting

Taxes like politics are always changing. In 1979 Senate Bill 621 was passed by the legislature. A portion of this bill related to the value of taxable properties on school districts, specifically real estate.

The Rising Star School District is going through a period of change in property values. The Eastland County Appraisal District has hired a professional firm from Hereford, Texas to do a complete appraisal of the taxable properties in our district.

Part of the preliminary work has already begun, but before actual fieldwork can be started, we requested that Mr. Jake McMor-

ries, owner and chief appraiser for the firm of McMorries and Company, hold a public meeting to discuss this mass appraisal. This will be an informative meeting where you will know what is involved in appraising your property. A question and answer session will be held after the conclusion of the meeting.

Everyone is encouraged to attend this meeting and if you think of any questions you would like to ask, jot them down so you will have them with you.

This meeting will be held Tuesday, October 21, at 7:30 pm in the high school gym. PLEASE, attend so you will be more informed.

**How Well Do You Know Your Teenager?**

by Teresa Underwood  
Most parents know their teenager, but most teenagers resent the fact that their parents do know and understand them. This makes the teenager rebellious and self-destructive.

I know from my own experiences that the teenager wants to be right at all times, they don't want their parents to know or understand them, because they don't understand themselves. They are mixed up, their minds run wild, and it runs a fine line between fantasy and reality.

We believe what we want to, and what we don't want to believe we cast aside. We want to live in the adult world, but we try to escape the responsibility. We don't want any rules. We want to

do our own thing, right or wrong. If we're right, we give ourselves a pat on the back, if we are wrong, we blame our parents.

Being a teenager is like riding a roller coaster—a lot of ups and downs—but if you get a good grip, and hold on, the ride can be "real exciting."

I am learning that the road to being an adult is paved with time, patience, and understanding, and the ability to face your problems.

Some parents don't know their child. Parents are preoccupied with their jobs or problems of their own.

How well do you know your teenager? My parents know me pretty well.

Today is not too late to get to know your teenager!

**Wanted: Recreation Center**

by Glenda Vasquez  
I think we need a place for all the teenage kids to go.

Most teenagers are just running around and mixing with the wrong crowd. They ride around and waste gas or they're out getting involved in crimes, or using drugs.

They need something to do with their time besides getting in trouble. That's all the kids are doing, especially if they have trouble at home involving their parents.

If these kids have a place to go and have fun it would occupy their time. There would be less drug abuse, sexuality, and crime.

I think if we had a place to go and have fun, it would save a lot of parents from worrying about us. It would

help us too. Would you want your teenagers running around with a wild gang? Or would you rather know where they are and what they are doing?

Do you think if we had a place to go to have fun and see our friends that it would cut down on help or help keep us out of trouble? THINK ABOUT IT!!

**May School Ex-Students**

The May School Ex-students met September 27, for the 1980 homecoming.

In spite of the rainy weather May Town was bubbling with activities and excitement with a large group of folks from all over Texas and other States.

The days activities began at 9:30 a.m. with registration in the high school auditorium.

Beginning at 11:30 lunch was served in the May lunch room. Turkey and dressing with all the trimmings and a choice of a large variety of home made pies.

The seniors and their mothers express their appreciation to each one that contributed all the delicious pies, (75 pies were counted) and those that helped to make our lunch a success. More than 350 plates were served.

The down town parade planned was cut short due to the continued rain. The participants in this parade are to be commended for the efforts set forth.

Students met in the high school auditorium at 3:30 for the regular business session, officers for 1981 was elected a capacity crowd was in attendance.

Those elected includes; President, Mrs. Joanne Windham (re-elected); Vice president, Mrs. Clayton Chambers; Secretary, A.J. Dickerson; Treasurer, Wayne Pittman; parade Chairman, Mrs. Larry Hardy.

Following business a

pep rally was held in the auditorium.

Supper was served in the Home Demonstration Club cottage hosted by the Extension Homemakers Club.

The football game between Strawn and the May Tigers was played in the rain game time was 8:00 and was played as plenty of spectators watched from cars, bleachers, some with umbrellas some in huddles close to the buildings. Quoting one of them who said, "We have waited so long for this rain, why be afraid of it now." So plenty got wet.

Even tho Strawn defeated the Tigers 20-19 all agreed it was a good game. Better luck to them next time.

The four nominees for Queen included; Freshman, Nathana Ross; Soph., Debbie Pittman; Junior, Tonja Crafton; Senior, Kathryn Roberts.

The Tigers crowned Queen was Sophomore Debbie Pittman. She was escorted by her father, Jerry Pittman and was crowned at half time ceremonies.

The Ex-student home coming King and Queen were Mr. and Mrs. Wilbur Harris. Jake Plummer of Billingham, Washington was recognized as coming the farthest distance.

Friday, October 17th is the date for the Ladies noon luncheon at Lakewood Recreation Center. Members, mark your calendars!

**C.T. Parker's Special Guests At Angus Meet**

The Red Angus Association of America held its 27th Annual Convention last week at the Sheraton-Dallas Hotel. The meeting coincided with the State Fair of Texas where the association held its National Sale in the Pan American Arena on Friday, October 10.

The meeting was highlighted on Saturday evening by the burning of the mortgage on the Red Angus building in Denton, Texas. Special guests at this occasion were C.T. and Sybil Parker of Rising Star. Mrs. Parker touched the match to the mortgage which was held by George Chiga of Guthrie, Okla., the second president of the association.

The Parkers played a prominent part in the development of the Red Angus Association of America from the late 1950's through the late 1960's. Mr. Parker was instrumental in securing recognition of the young breed

association by clearing the way for a breed show at the Fort Worth Exposition and Fat Stock Show. From that spring board other major shows accepted the breed for showing. He also acted as advisor to the Board of Directors for many years and as liason representative all over the nation. Mrs. Parker served as Executive Secretary of the association from 1961 through 1969. During this time the association experienced exceptional growth and she helped with the planning and construction of the home office building in Denton, Texas. The building bears her name on its corner stone. Association president, Roy Beeby, expressed the group's appreciation to the Parkers for their many years of faithful service.

Others honored at the meeting were Red Angus breeders and visitors from South America and South Africa.

## Seventh Day Adventist

The Lord Jesus is our only helper. Through His grace we shall learn to cultivate love, to educate ourselves to speak kindly and tenderly. Through His grace our cold, harsh manners will be transformed. The law of kindness will be upon our lips, and those who are under the precious influences of the Holy Spirit, will not feel that it is an evidence of weakness to weep with those who weep, to rejoice with them that rejoice. We are to cultivate heavenly excellences of character. We are to learn what it means to have goodwill toward all men, a sincere desire to be as sunshine and not as a shadow in the lives of others.

Seize every opportunity to contribute to the happiness of those around you, sharing with them your affection. Words of kindness, looks of sympathy, expressions of appreciation, would to many a struggling, lonely one be as a cup of cold water to a thirsty soul....

Live in the sunshine of the Saviour's love. Then your influence will bless the world. Let the Spirit of Christ control you. Let the law of kindness be ever on your lips. Forbearance and unselfishness mark the

words and actions of those who are born again, to live the new life in Christ.

## City Of Rising Star Receives \$861.90

State Comptroller Bob Bullock Friday said October payments to cities levying the optional one-percent sales tax brings the 1980 total rebates to more than \$446.8 million.

He said payments of \$28.2 million were made to cities for the month of October.

Bullock said the October payments bring rebates to Texas cities this year within \$20.2 million of total moneys returned to cities during all of 1979, and with two months remaining in the year, 1980 payments should go well over last year's.

The one-percent city sales tax is collected along with the state's four-percent tax by merchants and businesses and returned monthly in the cities where it is collected by the Comptroller's office.

The City of Rising Star received \$861.90 for the period ending 10-03-80, making total payments for the 1980 year \$14,321.04.

**PERSONAL:**  
Mr. & Mrs. James Rainey of Amarillo, Mr. & Mrs. Kenneth Carter of Kansas City, Mo., and Mr. & Mrs. Arlie Hull of Kermit visited Mr. and Mrs. Ervin Hull last weekend.

## SWPGA Announces Support Loans

SWPGA Support Loans According to D.B. Warren, President, Southwestern Peanut Growers Association, Gorman, Texas.

Peanut price support storage facilities will be available at marketing points throughout the Southwest peanut producing areas to handle the 1980 crop. Warehouses will be available for the storage of both quota and additional peanuts.

The Association loan program serves growers who by their own choice wish to utilize it. The loan is also available for growers who may produce additional peanuts in excess of the total amount contracted to shellers as well as to growers who plant only the quota fraction of their allotments but produce additional peanuts due to larger than anticipated yields. Association officials, however, continue to advise growers not to place additional peanuts in the area type pools if other satisfactory alternatives are available. The leasing of quota pounds at harvest time has provided beneficial to many growers in the marketing of such peanuts.

The overriding purpose of providing loan availability through the peanut price support program, however, is to establish a floor under the farmers stock market at a level of at least the USDA sup-

port rate. All growers are entitled to receive not less than the current support level for their peanuts. The stabilizing influence of the price support program continues to be an effective factor in providing such assurance to growers. However, no problems should be encountered this year in maintaining a "support level floor" under the crop due to an extremely short crop and the urgent need by shellers and end users of shelled and cleaned in-shell peanuts to acquire sufficient quantities of peanuts to meet their obligations. The September 1, USDA Crop Estimate calls for a total national production of only 1,569,000 tons of farmers stock peanuts, a reduction of 421,000 tons from the 1979 crop total of 1,990,000 tons. No doubt a considerable tonnage of segregation 2 and 3 peanuts will be produced throughout the peanut belt. Grower and Sheller association officials in the Virginia-Carolina area believe that the 1980 crop there will produce the first substantial tonnage of segregation 3 peanuts ever in that area. Drought conditions in Georgia and Alabama have caused high percentages of segregation 3 peanuts in some sections of these states.

The whole projection at this time points toward an extremely tight supply situation for 1980-81 for U.S. processors in both the domestic and export

edible markets. The present outlook has already caused dramatic market reactions with record prices quoted for most edible grade shelled peanuts. This situation could intensify if the October 1, USDA Peanut Crop Estimate is reduced at the time the estimate is announced on October 10 or 11.

Price support loans will be available this year at the facilities listed below. Growers

who encounter marketing problems requiring special attention should feel free to call SWPGA.

## Cotton Market Good

Farmers are getting good prices for their 1980 cotton crop, and if they play their cards right, they may be able

to contract next year's crop at a good price as well.

"This year's drought-plagued cotton crop

left U.S. supplies short, causing a stronger market," points out Dr. Carl Anderson, cotton marketing specialist with the Texas Agricultural Extension Service, Texas A&M University System. "However, demand generally has been soft, with U.S. textile mills considering more polyester in cotton polyester blends."

As if Sept. 1, the U.S. cotton crop was estimated at 11.7 million bales, down from 14.6 million last year. And the Texas crop was pegged at 3.6 million bales compared to 5.5 million a year ago.

The world crop at 63.4 million bales means a drop of about 2.1 million from 1979 levels. Both Russia and China have somewhat better cotton crops this year.

"While most producers are currently enjoying stronger cotton prices, the market's strength may soften once cotton users adjust their demand to higher price levels," says Anderson. "Some mills are already building up excessive inventories of unsold goods and have cut work weeks to three or four days."

Average daily spot prices for Strict Low Middling 1-1 sixteenth inch cotton in mid-September were some 30 cents a pound above last year's prices, notes the economist. However, this year's drought has reduced the staple length of a lot of cotton, leading to price

discounts of 10 to 20 cents under SLM 1-1 sixteenth inch cotton.

While domestic use of cotton is expected to be off about a half million bales this year, exports may drop more than three million. This will put domestic use as well as exports at some six million bales each for a total disappearance of 12 millions bales. U.S. cotton exports of 9.2 million bales during the 1979-80 season were the largest in 53 years.

With this year's expected crop of 11.7 million bales or less, carryover next August may be substantially under the three million bales remaining after the 1979 crop.

"Despite some slackening in the demand for cotton both at home and abroad, the market should remain strong for at least a few months," believes Anderson.

He urges producers to stay abreast of market developments and try to anticipate future prices as influenced by changes in supply, mill use, export demands, farm programs and international trade developments.

## Poem Expresses Happy Memories

This poem, written by Bessie Rogers Wheat, expresses for her class and perhaps for all classes of Rising Star High School the memories we have of the good old days when we were children and enjoying our education and association with fellow students.

Perhaps at this season of school a responsive chord such that all ex-students will want to come again and relive the olden days. We hope you enjoy it.

**MEMORIES**  
By Bess Wheat  
Forty years ago we called each other classmates  
We had our diploma-we said goodbye.  
But our MEMORIES would not graduate  
From this class of '40 Rising Star High.

Neither would these dear memories stay behind  
When at last we chose to go away  
Some of them settled deeply into the heart,  
cried to stay.

Grammar school,

children, that first grade!  
Mrs. Fred Roberds, ABC'S and prayer too  
Mr. Lane, care taker, care giver-just stayed  
To work, and watch how tall we grew!

Yes, we were those Rising Star Kittens, small  
With all the MEMORIES childhood can hold  
We listened to the faithful wildcat call.  
And wrapped our dreams in blue and gold.

Freshmen in the halls and the clouds above  
Sophomores! time was flying by so...fast!  
Juniors! happy-sad-in love-out of love  
And then we were Seniors...Seniors at last!

We're older now with wrinkles and greying hair  
Some of us are missing against our will,  
But after forty years we all still care  
And our MEMORIES are beautiful and they're real!

albert the general public on the problem and on ways we might be of help to the officials in curtailing this traffic before it gets too big to handle.

I told you what a great time the Starbrites had at Brady. They put the icing on the cake when they sent a THANK YOU note accompanied by a \$50.00 check.

Connie Hightower, your congratulatory ad in the paper to the Starbrites was appreciated and has been added to our scrapbook.

## Short Peanut Crop

According to D.B. Warren, President Southwestern Peanut Growers Association, Gorman, Texas.

The U.S. peanut crop in 1980 was estimated by USDA on September 1 at 1,569,000 tons. That projection, if correct, would mean a reduction of 421,000 tons from the U.S. production in 1979. To further compound the problem, there appears to be every indication that a sizable tonnage of segregation 2 and 3 peanuts, perhaps a total reaching 150,000 tons, will be included in the 1,569,000 ton total thus reducing further the volume of edible and seed stocks. There is also the distinct possibility that the peanut crop estimate may be reduced when the October revision is made.

Approximately 1,300,000 tons from the 1979 crop were required for domestic edible and seed use. Assuming only a 4 percent increase in 1980, about 1,350,000 tons will be required to fill the domestic demand for the 1980-81 year out of a total supply of some 1,420,000 tons of segregation 1 peanuts.

In this calculation no consideration is given to export market demand which has been totaling about 400,000 tons in recent years.

The current supply-demand outlook is resulting in dramatic escalations in market levels of shelled

peanuts. Based on information received, price quoted for Runner Jumbos, U.S. No. 1's and U.S. Splits ranged from 60 percent to about 75 percent over prices for those grades a year ago. Prices per pound quoted by peanut brokers for Runners were Jumbos from 60 cents to 68 cents, U.S. No 1's 49 cents to 56 cents and U.S. Splits 57 cents to 60 cents, U.S. No 1's 50 cents to 55 cents and U.S. Splits 55 cents to 60 cents. Spanish prices were averaging about 64 cents over those prevailing a year ago. It is reported that shelled prices are extremely difficult to quote at this time and are somewhat erratic since offerings are light and very little trading is occurring. The shelled export market is reported very strong at present with prices ranging as high or higher than domestic markets.

Per capita consumption of peanut products at 7.1 lbs. was at a record high in the marketing year ending July 31, 1980. This is a substantial increase over the 6.6 pounds per capita consumed for the previous year. Observers will be interested in the effect of the current year high shelled peanut prices on domestic consumption, provided of course, production of edible quality peanuts is sufficient to meet the total demand.

Some 90 percent of America's children, 5 to 14 years old have been immunized against measles, polio, diphtheria, tetanus and pertussis.

## Linney-Stokes Exchange Wedding Vows

Mr. And Mrs. John Stokes, Jr.

Under an archway decorated with pink and burgandy roses intermingled with greenery, Katrina Linney became the bride of John Stokes, Jr., in a ceremony officiated by Rev. R.D. Williams on Friday, Aug. 8, in the First Baptist Church of Rising Star.

Given in marriage by her father, Katrina wore a dress of white bridal satin. The

bodice was overlaid with lace and the sleeves were tulle appliqued with lace flowers. The skirt with a train was trimmed in gallon lace. The bride wore a single bow in her hair. Her bouquet of silk flowers, pink and burgundy roses complimented by white daisies, was backed by white lace and pink and burgundy ribbon streamers.

Sister of the bride, Kathy Linney, maid of honor, and Vicki Elliott, bridesmaid, were dressed in long pink satin dresses and carried a single long stemmed burgundy rose. The flower girls, Brandy Whitehead, niece of the groom, and Tanya Weems, wore long pink satin dresses and carried white straw baskets filled with pink carnations accented with burgundy baby's breath.

The groom was attired in a burgundy tuxedo and a pink rose boutonniere.

Mother of the bride chose a street length navy blue dress and white carnation corsage. The groom's mother wore a plum street length dress and white carnation corsage. The bride's maternal grandmother, Mrs. B.H. Hearren, wore a beige dress and white carnation corsage and her paternal grandmother, Mrs. Lester Linney, wore a burgundy suit and pink carnation corsage.

Soft wedding music and a wedding march, furnished by Mrs. Sam Polk, set the background for the wedding.

A reception followed in the Fellowship Hall of the Church hosted by the bride's parents. The bride's table was set with a three tiered white cake stacked on crystal goblets, topped with pink wedding bells, accented with pink and burgundy roses and golden wedding rings. The bridal corsage was centerpiece and pink pineapple sherbet punch was served. The groom's table was set with an octagonal chocolate cake, topped with a small bride and groom, accented with pink and burgundy flowers. The centerpiece was pink and burgundy rice bags in a crystal bowl. Coffee, mints, and nuts were served from the groom's table. Both the bride and groom's tables were covered with antique white lace tablecloths over pink. Gerri Cooper and Judy Hill served at the bride's table and Diana White, sister of the bride, and Karen Lee, served at the groom's table.

After a short trip to San Antonio, Austin, and the Burnett area, the couple are at home in Rising Star.

The groom is a

graduate of Dublin High School and the bride is a graduate of Rising Star High School with one years study at Cisco Junior College. The groom is employed by Talcon Drilling of Abilene and the bride by Rising Star Oil Field Supply.

The bride's parents are Mr. and Mrs. B.D. (Bud) Linney of Rising Star and the groom's parents are Mr. and Mrs. John Stokes, Sr., of Lubbock. Grandparents of the bride are Mr. and Mrs. Lester Linney and Mr. and Mrs. B.H. Hearren all of Rising Star.

The rehearsal dinner was hosted by the groom's parents in the Fellowship Hall of the church. Barbecue was served.

The couple were given a miscellaneous gift shower on July 19 in the home of Mrs. E.T. Hudnall. Marguerite Alford, Gerri Cooper, Judy Hill, Von Dene Ware, Sandy Weems, Joanna Kinsey, Pat Maynard, Earlene Burkhalter, Vonda White and Ruth Stroebel were hostesses.

Out-of-town guests were: Mr. and Mrs. N.W. Stokes of Westbrook, Mr. and Mrs. Oren Moore of Colorado City, Mr. and Mrs. Richard Richardson of Breckenridge, Mr. and Mrs. Grady Baker of Dublin, Patricia Ratliff of Dublin, Tony and Darla Papon of Abilene, Deana Gage of Breckenridge, Ruth Tankersley, Kenneth Tankersley and Krystal Everidge all of Comanche.
