A motion was also carried directing the officers of the c'ub to cooperate with school groups in plans for raising money for the purchase of new band uniforms and make a recommendation to the CofC respecting a contribution.

Over \$1,200 in Prize Money Given

The 1960 Annual Eastland County Livestock show was an outstanding success according to show officials and announced by George Steel, president of the sponsoring organization.

The 4-H and FFA boys and girls of Eastland and adjoining counties received over \$1,200 in prize money and those selling fat animals received a tremeney at the auction.

Thanks go out to all who helped make the 1960 show the success it was from the Eastland County Livestock Raisers Ass'n, sponsor of the show. Special thanks go to Waverly Massengale who for the past two years has been chairman of the building committee. All the additions to the original building was constructed under the supervision of Massengale.

The Eastland Auction Company should receive thanks also Ford at May Monday afternoon. for cooperating with the show fat animals and in having it at a very convenient time for

GO TO CHURCH ON

Lift your heart, refresh your spirit with the eternal glory of Easter . . . in Church on Sunday morning. Rejoice anew in the Easter promise of life everlasting . . . symbolized in the beautiful floral decorations, hailed in the triumphant hymns of praise, memorialized in the stirring sermons, sanctified in the deeply felt prayers of gratitude.

PITTSBURGH® PAINTS

TEXAS INDUSTRIAL WEEK April 1-7

Texas Industry and Reddy Kilowatt are old friends. The West Texas Utilities Company, itself a growing West Texas industry, is starting the "Sparing Sixties" with construction of new power plants, transmission and distribution lines, and other facilities to provide more and more power to spark the industrial development of West Texas.

Industry in West Texas means more people, more jobs, and more payrolls, which mean more business and a better living for all of us. West Texas Utilities is building ahead to provide the power for a growing industrial West Texas.

electric service—the more you use it, the bigger the bargain - as you put more and more electricity to work in your home, you actually pay less per

kilowatt hour. While today, you are getting more your bill is likely to be higher than it used to be. But, remember while you are using so much more electric service, the cost per kilowatt hour is actually 18% less than it was in 1950.

Born After His Daddy Died-

... did little Tommy cloud the title to his mother's nome? Or suppose little Tommy was born out of wedlock would this affect the title to the properties owned, if any, by hi. father, or mother, or both? These and many other heirship problems may arise in any title which the lawyers or the courts must finally decide. The abstract, which presents the facts and conditions surrounding such circumstances, is and always has been, the most important part of any real estate transaction.
