May Eighth Grade Honor Students Are Named

Cynthia Bates, daughter of Mr. and Mrs. W. H. Bates, has been named valedictorian of May Eighth Grade for the 1989-1990 school year.

Cynthia has participated in basketball, track and pep squad. She placed second in UIL Spelling, third in UIL Ready Writing and Calculator Applications, and fifth in UIL Number Sense. She entered crafts, sewing, canning and foods in the Brown County Youth Fair.

Cynthia has an average of 97.96.

Jeanette Tidwell, daughter of Mr. and Mrs. Kenneth Tidwell, has been named sa-

lutorian for May Eighth Grade for the 1989-1990 school year.

Jeanette has participated in basketball, track and pep squad. She placed second in UIL Dictionary Skills. Her entries in the Brown County Youth Fair were in the areas of foods, crafts and canning. Jeanette's average is 97.

High Point Boy for May Eighth Grade is David Lee Chambers, son of Mr. and Mrs. Curtis Chambers.

David participated in basketball, track and football. He placed second in UIL Number Sense.

His average is 91.96.

Jail Passes, County To Fix Roads

Eastland County Commissioners Monday again discussed emergency measures concerning recent flood damage to rural roads.

The County has been declared a Federal Disaster Area, and there is money available from both FEMA (Federal Emergency Management Agency) and the Soil Conservation Service.

But the County has to first spend the money and then apply to receive it back.

The Commissioners approved a Resolution to take \$94,000 from the County-Wide Road and Bridge Fund to begin these repairs. It was estimated that total repairs in all Precincts will cost around \$698,000.

As various Precincts are reimbursed the money will be put back in the County-Wide Road and Bridge Fund.

Richard Robinson, Commissioner of Pct. 1, appeared to sum up the situation: "We need to see that everything's documented - everything we've spent on every mud puddle. If we do it right, we'll get part of our money back."

The Commissioners continued to report widespread damage on all the roads, especially in Pct. 2. Norman Christian, Comm. of that

Precinct, had some pictures with him that left no doubt about the destruction.

County Judge Scott Bailey said that Federal money was expected to be available soon, with at least \$100,000 from the Soil Conservation Service.

On other road matters, R. E. King of the Nimrod/Sabanno area, Pct. 3, said that water diverted from an oil lease by the Big M Oil Company Inc. was damaging a county road and causing flooding on his property and in his driveway. His home was difficult of access, he reported.

He told of attempts to contact owners of the Oil Company and to work out some better arrangement on the water flow.

"I didn't think (under state law) you could change a natural water way, and that's what he's done," King said.

After some discussion the Commissioners decided to ask District Attorney Emory Walton to look into the situation. Ron Bailey of the Soil Conservation Service will also be contacted to see if impounding and diverting water is a violation of state statutes.

Billy Bacon, Commissioner of Pct. 4, said that water had also been recently impounded in lakes on the Simpson property just north of Pleasant Hill Church. During the heavy rains May 1 and 2 the water ran out of these lakes, tore up two fences, and threw water in the County road nearby.

Bacon had some better news to report from the County Jail. The Jail passed the inspection on May 8 with "flying colors," he said. It was in "perfect condition" on inspection.

Things were not as good in Comanche County, he remarked. That Jail failed inspection on the same day, although it was a brand-new jail.

There are currently 17 inmates in the Eastland County Jail, Bacon reported, and 7 of them belong to the State.

Bacon said he wanted to reply to a letter he had received about the Television sets in jail cells. The County does not buy T.V.'s for prisoners, he said. The County furnishes T. V. connections in the cells, and the prisoners have to furnish their own T.V. sets.

"If there is any misbehav-

ior or vandalism by these prisoners their T. V. sets are cut off," the Commissioner stated. "We have found this to be the most effective way of dealing with problems in the Jail. It's a money-making deal for us."

On a suggestion of putting the prisoners on a diet of bread and beans, Bacon remarked that the County would be hit with all sorts of regulations if that was tried these days.

In other matters, the Commissioners approved a Resolution to release a strip of right-of-way between F. M. Roads 2214 and 2461 (South Lake Leon Area) to the State of Texas Highway Department. This request was brought by Milton Fullen, Commissioner Norman Christian said that the State Highway built this short piece of roadway, then quit taking care of it in recent years. They will now maintain the road.

The Commissioners also approved a Resolution to provide matching funds for a Criminal Justice Grant Application. This Grant will update computer equipment in the Sheriff's Department, District Judge's office, Probation Department, and the District Attorney's office. The County portion of the Grant will be \$7,058. Bill Miears brought this request to the Commissioners.

The Court received proposals for a Certified Sewer and Septic Tank Inspector, and deferred these for further study. Judge Bailey said there would need to be public hearings on this matter if the Commissioners decide to go ahead with hiring an Inspector.

The Commissioners also considered advertising for road signs and maps to be used on up-coming 9-1-1 Emergency Services. No final action was taken on this matter.

Commodities

Central Texas Opportunities, Inc. will distribute USDA Commodities in Eastland County:

Rising Star - Sr. Citiz Ctr, 5-22-90, noon to 1:00 p.m.

Items available this month are: 3 butters, 1 peanut butter, 2 vegetarian beans, 1 honey, and 2 cans pork.

CTO has no control over what items are available or the quantity of the items. Allocation of all commodities depends on the availability of food items from the USDA.

All eligible persons will receive emergency food assistance without regard to race, sex, political beliefs, age, national origin, or handicap. Shut-ins are encouraged to designate an authorized representative to pick up for them. Commodities will be distributed on a first come/first serve basis. Volunteers are greatly needed and appreciated to help with this much-needed program.

Weather

Rising Star received 3 inch of rain May 10. Violent weather continues to cause devastation in parts of the Big Country and flooding continues in other parts of Texas.

Honor Students for Rising Star Eighth Grade Named

Christy has received division 1 ratings in solo and ensemble band competition. She serves as the eighth grade class reporter.

Emily Stuteville

Emily Stuteville has been named salutatorian of her class. She is the daughter of Robby and Debra Stuteville and her grade point average is 97.60.

She has participated in basketball, band, cheerleading, UIL academic competition, the Fort Worth Star Telegram Spelling Competition and the Gifted and Talented Program.

Emily is also involved in the Duke University Talent Identification Program. She has received division 1 ratings in solo and ensemble band competitions.

Graduation exercises for the class of 24 students will be Thursday, May 24, at 7 p.m. at First Baptist Church.

Emergency Road Repair Funds From ASCS

The Soil Conservation Service may furnish additional Federal Assistance to Eastland County for emergency work on county roads and bridges.

This was the word at an Emergency Called Meeting of the Eastland County Commissioners on Tuesday, May 8. The Commissioners discussed emergency road and bridge repair with Ron Bailey of the Soil Conservation Service in Eastland, and Gary Batte of Brownwood, Area Supervisor of the Soil Conservation Service.

The Commissioners told these A.S.C.S. directors that extensive damage had occurred to rural roads, especially in the southeast part of the County, Pct. 2. Norman Christian, Commissioner of that Precinct, had pictures with him of caved-in roads and huge washes across roads. Some families in his area that been isolated during the storms last week, and can barley get out now.

Other Commissioners reported damaged bridges and roads in bad shape.

Gary Batte told the Court there was a good chance that the county could get A.S.C.S. funds for emergency repairs, especially on mail routes, school bus routes and truck routes. He said this money could be used for temporary by-passes, for rock to fill up big washes, and other emergency purposes. He asked each Commissioner to identify his needs and estimate the costs.

L.T. Owen, Commissioner of Pct. 3, said he had already made most emergency repairs in his Precinct, so didn't think this program would do much good. His work now would involve more permanent type of road building.

The other commissioners spent part of the afternoon working on estimates.

Two days later, on Thursday, May 10, Judge Bailey said it looked as if things were moving swiftly in the A.S.C.S. Emergency Department. He said he felt certain the County would get at least \$100,000 from this office on emergency repairs.

Dedication Ceremony on School Lawn Friday

Meredith Hamblen

by Camille Harris

The Senior Class of 1990 lost a very dear friend and classmate on March 9, 1988. As a living memorial the Senior Class of 1990 planted a tree, donated by Rex and Jackie LeBleu, on May 18, 1988. These Seniors will graduate May 25, 1990 and leave behind the time in which Meredith shared but they will

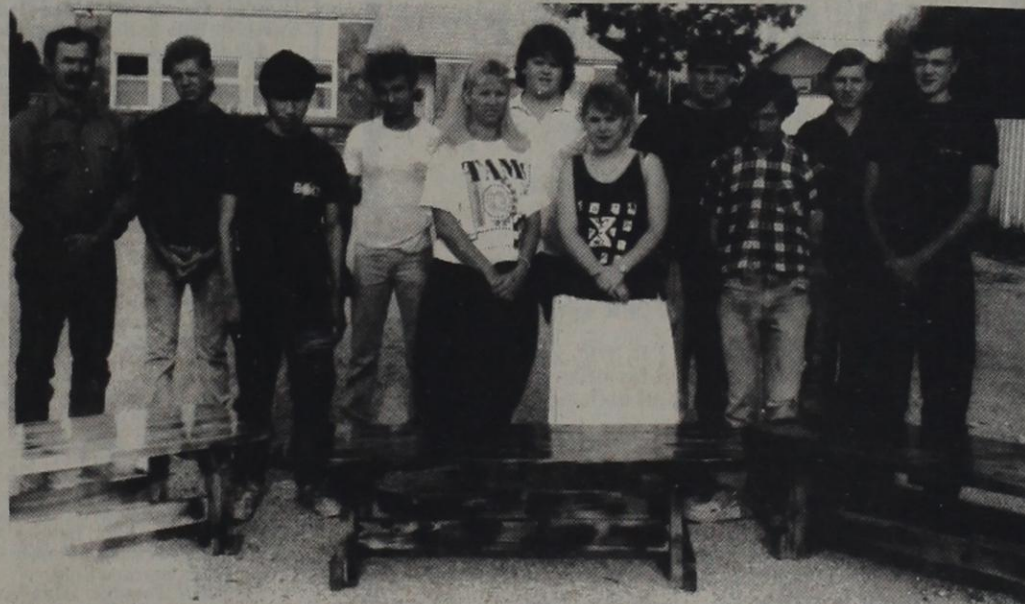

never leave behind her memory.

Meredith will always be in our hearts and we know she will also always be in all of yours.

That is why the Seniors would like to invite all the friends and relatives to share a formal dedication ceremony of the tree and a bronze plaque. This special event will be at one o'clock on Friday afternoon, May 18th, on the Rising Star High School front lawn.

Extensions for State Tax Returns

Businesses that cannot file state tax returns by May 21 because of flooding damaged will be granted emergency filing extensions and will not face penalties or interest because of late filing. The toll free Comptroller's number is 1-800-252-5555.

A dozen Rising Star High School Vocational Agricultural students each completed building and finishing a coffee table as the last major project of the school year. The student contended with four inches of water in the building from the heavy rains in April, as well as sand and dust during any number of windy days.

Pictured with three of the completed tables are, front from left, James Bronson, Jomy Clark, Sonja Bowling, John Larkin, and Brandon Gey; back row, instructor Gene Smith, Will Ezzell, Robert Self, Greg Stone, Terry Ware and Houston Floyd. Not pictured are Keith Troxall and Russell Kiobassa.

Thank You Thank You

The 1990-91 cheerleaders would like to thank those who helped at the Pee Wee Track Meet:

Jomy Clark, Kelly Hill, Betty Jo Jones, Johnny House, Becky Walker, Gwen Hollis, Shawn and Doyle Browning, Pam Thompson, Peggy Agnew, Shelly Bailey, Vickie Clabom, Amy Dumas, Betty Griffin, Judy Butler, Peggy Goodman, Cindy Wood and thanks also to all the students who participated.

Thanks again, 90-91 Cheerleaders

The RSHS Cheerleaders would like to express a big "Thank You" to those who helped make the Awards Banquet a success. The cheerleaders would like to thank the Church of Christ for the use of the fellowship hall. We would also like to thank the following: Cindy Elliott, for organizing the food; Danny Hughes, for cooking the brisket. Carolyn Walker, Olena Ezzell, Shelly Bailey, Stella Ware, Brenda Ezzell and Cynthia Clark did a terrific job of serving.

Decorating and cleaning up were Cindy Wood, Jackie and Rex LeBleu, Debbie Green, Sue and Willie Vandivere, Stephen O'Conner, Belinda and Oliver West, Jomy Clark, Johnny House, Toby Long and Debbie Hollis.

Also a big "Thanks" to those who may not be mentioned, but helped with the banquet. We appreciate all the hard work that was put into this event.

Thanks again, RSHS Cheerleaders

USDA Price Support Levels for 1990 Crop Peanuts

WASHINGTON The U.S. Department of Agriculture recently announced average price support levels by type, quality and location for the 1990 peanut crop.

The levels are based on national price support levels of \$631.47 per short ton for quota peanut and \$149.75 per short ton for additional peanuts.

The quota support level by type for an average grade to of 1990 crop peanuts will be:
 —\$629.81 for Virginia-type peanuts;
 —\$636.49 for Runner-type peanuts;
 —\$588.40 for Spanish-type peanuts;
 —\$629.81 for Valencia-type peanuts from the Southwest area which are suitable for cleaning and roasting; and
 —\$588.40 for other Valencias.

The method of computing the price support levels for 1990 crop peanuts and the grades within the types is the same used for the 1989 crop

except for Spanish-type peanuts. For Spanish-type peanuts, the sound mature kernel (SMK) value has been set at 0.5 percent below the SMK value for Runner-type peanuts. For the 1989 crop of Spanish-type peanuts the

SMK value was the same as for Runner-type peanuts.

For each percent of sound mature kernels in a ton, including sound split kernels, the support level will be:

—Virginia-type peanuts, \$9,200;
 —Runner-type peanuts, \$9,020;
 —Spanish-type peanuts, \$8,975;
 —Valencia-type peanuts in the Southwest area suitable for cleaning and roasting, \$9,440; and
 —other Valencias, \$8,975.

The loan value for additional peanuts will be 23.71 percent of the applicable quota rate. This factor represents the ratio of the \$149.75 per short ton national support level for 1990 crop additional peanuts to the \$631.47 per short ton national support level for 1990 crop quota peanuts.

As with the 1989 crop, the price support for 1990 crop peanuts on which a growth regulator was used will be discounted by 100 percent from the support rate that otherwise would be applicable.

The actual support level for an individual lot of peanuts will depend on the percent of the various sizes of kernels in each ton and other factors.

Midyear Crop And Livestock Reports

AUSTIN - Beginning June 1, representatives from the Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state to help set the 1990 planted acreage estimates and midyear livestock inventories.

State Statistician Dennis Findley emphasized that information from these surveys will help producers adjust their production and marketing plans for 1990. "Good marketing requires good information and advanced planning. Information from these surveys will provide Texas producers with solid facts and figures they can use when making their marketing plans.

"There are many uncertainties facing agriculture," Findley added, "and accurate, reliable figures will give producers a chance to make

sound production and marketing decisions during the coming year."

Results of the confidential interviews, conducted by telephone or in person by field enumerators, will be published later this summer. The 1990 planted acreage report will be released June 28 and the U.S. cattle inventory will be released July 27.

To reduce survey costs, Findley is urging farmers and ranchers to return the mailed questionnaires as soon as possible. Individual reports will be combined with other reports to state estimates.

It is important to provide the requested information in the sample surveys since one report represents similar operations of the same size and type. Estimates can be no better than the numbers provided.

Gordon Spot

By DeMarquis Gordon, County Agent—

Owners of coastal bermudagrass pastures have been worried for sometime about their grass stands. Much of the grass has not greened up. I've looked at several stands and dug roots to try to determine if the roots are alive. It appears to me that most roots in the top three inches were killed by the December freeze. The soil is still cold and many of the live roots are not sending up green growth. We have found large numbers of live roots that should produce growth when the soil gets warmer.

I think the coastal pastures will eventually green up, but we will not get that early June cutting of hay. The coastal bermudagrass will have to be treated like the first year of establishment.

When the grass begins making runners, it should be fertilized. Fertilizing before the grass is making good growth will only promote weed growth and much of the fertilizer will be taken up by weeds before the grass is ready to use it.

Based on the number of calls I have received, all the fruitless mulberry trees in the county must be loosing their leaves. This is caused by Bacterial Blight and some fungus leafspot is present. These diseases are caused by humid weather. We are recommending spraying with a copper fungicide at 10 to 14 day intervals. Some of the copper fungicides are Kocide 101, Champion, Basicop and Top Cop.

The Elm leaf beetles are beginning their damage on elm trees. New infestations of young elm leaf beetle larvae are easily overlooked because of their feeding location. At first, the green part of the leaves are removed with just the thin veins remaining. As damage accumulates, dry skeltonized leaves become available includes:

- Temporary housing grants.
- Loans for damage to

Flood Control Projects Repair

As a result of recent floods, the U. S. Army Corps of Engineers, Fort Worth District, is accepting requests for assistance to rebuild flood control projects damaged by high waters.

Non-federal flood control projects, such as levees, are built to prevent damage to low-lying areas. However, severe flooding in certain areas breached or over-topped levee systems. The Corps may provide assistance on a cost-share basis to restore these

homes, personal property and businesses.

- Grants for serious needs not met by other programs.

- Emergency help from voluntary agencies.

- Assistance from a variety of local, state and federal agencies.

Before you call, have the following information ready:
 * Your address at the time of the disaster and the address where you are staying now.

* Your social security number.

* A list of damages and losses you suffered.

* Good directions to the property that was damaged.

* Your insurance policy number or the agent's and company name, if insured.

obvious. There are some natural enemies of the beetles such as birds, toads, diseases and predacious and parasitic insects. Unfortunately, these natural controls often are not sufficient to hold the beetles in check and the application of chemical control becomes necessary.

Products containing carbaryl (Sevin), methoxychlor and acephate (Orthene) are effective against elm leaf beetles.

At the request of Governor Bill Clements, President George Bush has declared a major disaster exists in the State of Texas because of severe storms, flooding and tornadoes in some counties.

County Judge Scott Bailey has requested that we inform you of the disaster assistance. If you suffered storm damage beginning April 24th, 1990 you may be eligible for state and federal disaster assistance. To apply for help you may call toll-free 1-800-782-6681 any day of the week.

Merle Schooler

POST - Merle Schooler, 79, of Post, died at 6 a.m. May 8 in a Tahoka hospital after an illness. Services were held at 3 p.m. Thursday in O'Donnell Church of Christ with Billy James officiating, assisted by Paul D. Jones. Burial was in O'Donnell Cemetery under direction of White Funeral Home of Tahoka.

Mrs. Schooler was born in Rising Star and moved from Lynn County near O'Donnell to Post in August 1989. She married Claude C. Schooler in April, 1930 in Lovington, N.M. He died in March, 1974. She was a farmer until retiring in 1984. She was a member of the Church of Christ.

Survivors include a daughter, Jerry "Sis" Guin of Tahoka; two sisters, Agnes Baskin of Lamesa and Kathleen Hardesty of Rising Star; three brothers, Frank White of El Paso, Paul White of Concrete, Wash. and Jack White of Simpsonville, S.C.; four grandchildren; and two great-grandchildren.

Extension Homemaker Club members Gerry Zummer, Alice Brooks, Helen Phillips, Flo Williamson, Dois Hodges, Rosemary Ferguson, and Rachel Wakefield are displaying the handmade quilt by Extension Homemakers. The quilt was hand pieced by Dorothy Underwood of Morton Valley E.H. Club. The quilt has been donated to the Eastland County 4-Hers as a fund raising project. \$1.00 donations are being accepted from the public with all proceeds going to finance special 4-H activities in the county. The drawing for the quilt will be June 2nd. Thanks for supporting 4-H!

J. THOMAS, CO. EXT. AGENT-HOME ECO.

The Eastland County Extension Homemaker Clubs have donated a quilt to the 4-H youth in Eastland County. The 4-H youth are accepting \$1.00 donations on the quilt. There will be a drawing on June 2nd, at the Countywide 4-H Friendship Bash party. The name drawn will receive the quilt.

Dorothy Underwood, a member of the Morton Valley Extension Homemakers' Club, hand pieced the quilt. The design is called "flower garden" which is a familiar and popular quilt pattern.

The quilt had lots of club members who hand quilted and finished the project. Extension Homemakers who quilted were Sheila Boyd, Dora Schaefer, Ardyth Caldwell, Rena Kirk, Hazle Barron, Edith Wilson, Alice Brooks, Dois Hodges, Helen

Phillips, Flo Williamson, Gerry Zummer, Rosemary Ferguson, Frankie Beck, Billie Beggs, Arleta Shirey, Maedell Meredith, Venita Miller, Luella Kitchens, Frances Bishop, and Hilda Squiers.

The money the 4-Hers make from the quilt will go to finance special 4-H events.

4-H youth thank the E. H. Club ladies for presenting them with the quilt as a fund raiser.

Donations on the quilt will be appreciated.

The quilt is on display at the County Extension Service office, in the basement of the courthouse. The public is invited to stop by and see this beautiful quilt.

Jail Passes

The Eastland County Jail was inspected last Tuesday afternoon, May 8, by Bob Dearing of the Texas Jail Standards Commission.

After carefully looking over the facility Dearing told Sheriff Dee Hogan that everything was in total compliance. The inspector made a notation on this report: "Jail is exceptionally clean."

Inspection was made of all record-keeping and other paper work along with the portion of the Jail housing prisoners.

This annual inspection and report of the Texas Jail Standards Commission is a determining factor on whether a Jail is allowed to operate. The Eastland County Jail also passed its inspection in 1989.

Elementary Beat
by Gherda Williams

The fourth graders of Rising Star Elementary School have really been working on saving the environment.

"The fourth graders wrote to the Trees For Life Foundation and they sent us each a seed to plant in a milk carton which grow into trees," explained Judy Ware.

Brianna Cooksey further explained, "As the trees grow bigger we'll choose the best two trees and plant them."

"We also planted a tree in our school yard which was donated by Miller Nursery out of Stephenville, to each 4-H group in Eastland County."

"We named our tree 'Star of the Future!'" exclaimed Brandon Thompson.

Brandon Cook said, "Our last project is our small vegetable garden. It has beans, radishes and carrots."

Mrs. Shelly Bailey said, "We've only grown one radish so far. All the kids were fighting over it, so I ate it for lunch and then had indigestion for the rest of the day!"

School Scoop
by Wendy Green

What CP girl can handle two guys at once, D. W. and S. G. no less. It sounds like they had a good time at the May Rodeo!

Is it true K.C. from CP was with B. G. riding around Friday night?

Is it also true that K.C. from CP was with D.A. riding around Saturday night? That's what they tell me.

I guess basketball season is forgotten for now, because J.C. from RS went to Brownwood with J.L. from May! I bet they won't be big buddies next year!

What jr. guy is moving in on C.P.'s territory in May? Well B.B. is seeing C.A. and K.H. isn't!

Is it true a certain soph. guy got totally wasted? Yep!

T.V. and J.H. went to Abilene Saturday. I guess the ring fits!

Rumor has it that Duck and S.G. ran C.H. and J.B. off the road. For all you nosey people, they didn't!

D.W. and S.G. don't have to go far to look for babes. Four CP girls parked in the middle of W. Mill St. - I've never seen that much flirting going on at one time. They even went as far as to shoe polish their cars. What will they do next!?

Oh and what do you think about Days? If Jack and Jennifer don't get together I'm gonna die!

What jr. and sr. girls had a party this weekend? You tell me!

Beta Club Inducts Three New Members

by Tami Vandivere

A ceremony to induct three new members into the National Beta Club was held in the school gym Thursday, May 17. The new members are Toby Long, Lee DeLong and Tami Vandivere.

After the ceremony a reception was held in the high school library. At the reception, President Shannon Stuteville called a meeting to order to elect new officers for 1990-91. The new officers are as follows:

Wendy Green, President; Brandon Geye, Vice President; Tami Vandivere, Secretary-Treasurer and Pam Hollis, Reporter. The sponsors for the Beta Club are Le Jones and Linda Webb.

The Beta Club members and sponsors are going out to dinner Tuesday, May 15.

Jr. High Cheerleaders Selected

by Becky Walker

Five screaming, spirited gals were jumping for joy Tuesday noon as the names of the new junior cheerleaders for 1990-91 were announced by Mrs. Hinnant. Relief, excitement and a little disappointment followed the release of the news. All the girls, however, really showed a lot of sportsmanship as well as some promising skill and the judges and students had a very tough time limiting their choices to only five.

Competitors were sixth graders, Tisha Jones, Tianay Chambers, Angelia DeLong, Melody Fisher, Samantha Kerr, Amy Collins and Deidre Emert. Seventh grade contestants were Misti Bailey, Andi Fox, Brandi Harris, Gwen Hollis and Heather Hutchinson.

The five lucky lasses chosen to represent Rising Star for the coming school year are: Misti Bailey, head; Brandi Harris, Andi Fox, Tianay Chambers and Tisha Jones. Alternate is Angelia DeLong. Congratulations to these deserving young ladies and good luck for the future season.

Baseball Camps

Little League Baseball will offer three baseball camps for boys nine through 15 years of age. Mickey Sullivan, Head Baseball Coach for Baylor University, will conduct the camps, which will be held July 8-13; July 15-20; July 22-27.

This Summer Camp program is sponsored by Little League Baseball Incorporated.

EASTLAND COUNTY 4-H CONTINUES TO WIN BIG AT PROSPECT SHOWS

April and Morgan Moylan have continued their winning ways in steer showing thus far and have not missed a beat as far as hauling either. This past week they journeyed to the Gilmer Prospect Show to represent Eastland County 4-H and stood where, they are getting to be real familiar, at the top! April and Morgan swept the show or as some like to put it, they took no prisoners! April and Morgan's long list of winnings are as follows:

April: Grand Champion Steer, Reserve Grand Champion Steer, Champion Chianina Steer, Champion Maine Anjou Steer.

Morgan: Champion AOB Steer, 3rd Place AOB Steer.

This was as usual an impressive showing by our 4-Hers and once again we want sent out our congratulations and keep up the terrific work!!

GOAT PROJECT FIELD DAY SET FOR MAY 26TH
The Eastland County Goat

Project Club will host a goat field day in which all 4-H members and anyone interested in dairy goats are urged to attend. It will be held at the Eastland County Fair Grounds, Saturday, May 26th, starting at 9:00 a.m. Scott Horner the goat specialist from Prairie View A & M will be instructing the clinic and will cover the aspects of grooming, selection, feeding, and will be covering the educational aspects of training a dairy goat judging team. We are really looking forward to this opportunity and hope anyone interested will attend. Participants are urged to bring one of their goats for use in the field day. For more information contact the Extension Office at 629-1093. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, handicap or national origin.

Trail Ride Planned By VFW For Saturday

The Cisco VFW Mounted Volunteers would like to invite all interested persons to join in a trail ride on Saturday, May 19. The group will leave the Cisco Arena at 12 noon and return around 5 p.m. The ride will be approximately 15 miles but designed so any rider can return to the starting point from any place along the route.

After the trail ride there will be a barbecue hamburger supper at the Cisco Arena.

This is an open invitation

for the public to join in the trail ride and or supper. You need not attend one to attend the other.

Also, the VFW Mounted Volunteers are planning a two-day trail ride for the middle of June. There will be more information on that ride later.

For more information and/or reservations contact Walt Wilkerson at 442-3169 or Bob Turner at 442-2102 after 5 p.m. "We will appreciate your participation," a VFW member said.

Eastland VFW Post Presents Flag To Sheriff's Department

People who drive by the County Jail these days will notice that the flag outside is bright and new. This beautiful 5x8 ft. American Flag was presented to the Eastland County Sheriff's Department by VFW Post 4136 (Eastland) on Tuesday, May 8.

Sheriff Dee Hogan received the flag from Post Commanding Officer Dewey Struck of Eastland. Accompanying Officer Struck was Post

Quartermaster Bert Kent of Gorman, and his wife Doris from the Ladies Auxiliary.

The V.F.W. Leaders also presented a check of \$250 for the Eastland County Crimestoppers. This made a total of \$750 which the V.F.W. has presented to the local Crimestoppers.

Sheriff Hogan says he deeply appreciates the gift of the new flag, and also the efforts of V.F.W. Post 4136 in fighting crime.

Cottonwood Musical Is Friday

Do you long for "The Tennessee Waltz?" Do the words of "Your Cheatin' Heart" ring in your head? Then, come out the Cottonwood Community Center in Cottonwood on Friday, May 19, 1990, and hear local musicians and bands from around the Big Country area at the monthly Cottonwood Musical.

Live musical entertainment begins at 6:00 p.m., with "Smookey" Callaway as the emcee for the evening.

Admission is free, and the public is invited to attend.

Refreshments are served by the ladies of the Cottonwood Quilting Club. All area musicians are welcome to bring their instruments and come out to Cottonwood and perform.

The Cottonwood Community Center is located in the old Cottonwood Schoolhouse. Cottonwood is located southeast of Baird and north of Cross Plains in Callahan County.

Jackie Harris

Jacqueline Harris of Rising Star was one of 27 students graduated from Ranger Junior college in Ranger, during commencement exercises Friday evening, May 4. Jackie was awarded an Associate of Arts degree.

Dr. Louis Rodriguez, president of Midwestern State University, was the keynote speaker at the graduation ceremonies Friday evening at the Goleman Library Auditorium on the Ranger campus.

Jackie is the daughter of David and Joy Harris.

Leslie J. Boyd

In the 98th commencement exercises at Hardin-Simmons University, Abilene, on Saturday, May 12, 1990, Leslie J. Boyd graduated Cum Laude with a Bachelor of Education Degree completing an English Minor and Kindergarten Endorsement.

Leslie has been named to Who's Who in American Universities and Colleges. She is a member of Kappa Delta Pi, an education honor society and Sigma Tau Delta, A Literary Honor Society of which she served as treasurer in 1988-89.

Leslie and her husband, Vance, reside in Anson where Leslie has been extended a contract with the Anson Independent School District for the 1990-91 school year.

Leslie, a 1985 graduate of Rising Star High School, is the daughter of Wayne and Karen Power of Comanche and Ed and Pat Alford of Abilene. Her grandparents are George and Emma Jean Steel of Rising Star and Marguerite Alford of Abilene.

Disaster Funds Available to Eastland Countians

Eastland County and eleven more Texas counties have been added to the original four counties - Brown, Comanche, Erath and Parker - which have been approved for Disaster Assistance by the Texas Division of Emergency Management and Federal Emergency Management Agency (FEMA). The Federal Agency released this announcement May 5 with the approval of President George Bush.

The time period for which disaster assistance is available has also been enlarged, and will cover damages suffered beginning on April 15. Residents and businesses damaged by severe storms, flooding and tornados occurring on April 15 and after may apply for assistance that includes temporary housing, low interest loans or grants. Assistance has also been approved for repair and replacement of publically owned facilities such as roads, buildings, bridges and equipment.

In an effort to speed relief to the people in the 16 counties approved for disaster assistance, a toll-free telephone number 1-800-782-6661 will be operational 8 a.m. - 6 p.m. daily until further notice, adds Graham Nance, appointed Federal Coordinating officer.

County Judge Scott Bailey received word on the declara-

Cathy L. Horton James Horton Jr.

Cathy L. Horton and James C. Horton Jr., children of Bonita McCowen Horton and grandchildren of Ruby E. McCowen and the late Charlie M. McCowen, will receive their degrees in May, 1990.

Cathy has earned a Master of Public Administration degree from Texas Tech University (TTU) in Lubbock. She is a 1990 Presidential Management Intern (PMI) finalist. The PMI program was established in 1977 to attract outstanding men and women to Federal service. Each year a limited number of interns, 200-400 nationwide, receive two- or three-year appointments to developmental positions in the Federal government. TTU has had only one other intern in recent years, and this year Cathy was one of two students to receive this honor. She will fly to Washington, D.C. for interviews with various federal agencies before graduation ceremonies at TTU.

James will receive his Bachelor of Science from the U.S. Military Academy at West Point, N.Y. Four years ago James was nominated by Congressman Larry Combest for the appointment to the Army service academy, which was founded in 1802. James is among some 920 of the 1990 graduates that will be commissioned 2nd Lieutenants in the U.S. Army. His field of study is engineering management and James will attend Engineer Officer Basic Course at Ft. Leonard Wood, Mo.

Ruby McCowen, James' 89-year-old grandmother of Cross Plains, will travel to Lubbock and from there take her first trip by air. She will deplane in Newark, N.J. and travel by car with Bonita and Cathy to attend graduation activities in West Point. In addition to baccalaureate and graduation ceremonies, James will be involved in numerous parades. The group plans a brief trip to New York City and the Statue of Liberty before returning to Texas.

Engagement Announced

Steve Wilson and Cathy Smoot

Mr. and Mrs. Dale Barnard of Rising Star and Mr. and Mrs. Rex Smoot of Mineral Wells are proud to announce the engagement and approaching marriage of their daughter, Cathrine Diane Smoot to Steven Thomas Wilson, son of Mr. and Mrs. Larry Wilson of Rising Star.

Cathy will graduate from Rising Star High School on

May 25, 1990 and hopes to further her education at Cisco Jr. College.

Steven is a 1989 graduate of Rising Star and is now employed by Vicars Machine Shop.

A June 15 wedding is planned at the Rising Star Church of Christ at 7:00 p.m., reception immediately following. Friends and relatives are invited to attend.

Bride-Elect of Glenn Dennard Is Wedding Shower Honoree

A bridal shower honoring Mathilda Sisuwanin Halim, bride-elect of Glenn Allen Dennard, will be held on Saturday, May 19, from 3:00 to 4:30 p.m. at the home of

Mrs. Kenneth Bibb. Gift selections have been made at Palace Drug, Hubbard Gifts & Gallery and Rising Star Flower Shop. Hostesses invite friends to attend the shower.

Flood Damaged Vehicles Will Be Given Away

General Motors Corporation, along with Pickard Motors of Brownwood, will donate all GM cars and trucks damaged in last month's flood to trade schools. A total of 98 cars and trucks will be donated to various trade and technical schools throughout the area.

Serial numbers will be removed, thereby making the vehicles unavailable for

sale. Schools interested in obtaining any of these vehicles are asked to write a letter of request and send proof that your organization is non-profit and is involved in auto mechanics. Send letters to Pickard Motors, Inc., P.O. Box 2109, Brownwood, TX 76804. No phone calls, please.

SBA Rep Will Be in Brownwood

On Wednesday, May 23, Cullen Perry and C.B. Manness, representatives of the Small Business Administration, will be at the Brownwood Chamber of Commerce office, 521 E. Baker. Thirty-minute interviews, by appointment only, will be available for anyone who has questions or needs information on opening or conducting a small business.

These interviews are for INFORMATION ONLY. To schedule an appointment, call the Chamber office (915) 646-9535.
