

4-H'ers Attend County Camp

The Stars of the Future 4-H Club from Rising Star was very well represented at County 4-H Camp with twenty-seven attending from our club.

We arrived at the Texas 4-H Center near Lake Brownwood around 2:30 p.m., Friday, June 4. By 3:00, everyone had registered, unloaded camp necessities, found a bunk, and almost everyone was swimming.

Water safety was next and everyone learned something valuable that they did not know. After practicing what we learned, we were definitely ready for the hamburger cook-out provided. Recreation finished the evening out. Highlighting the evening was Barbara Long and Arla Hill in the Spoon Race and Balloon Race. These weren't the original races that most of us have done. They are much more entertaining and if you weren't at camp, youv'e never seen anything like them. After several games. more refreshments were served. Afterwards, some learned to do "Cotton-eyed-Joe" "Amos", "Pop Corn" and lots of other dance steps and some went back for swimming. Our own leader, Barbara Long, went swimming, clothes and all! At 10:30, we gathered for a Ceremonial Meeting. Shortly after 11:00, all were in cabins with lights out and to sleep?!?

we were ready for the flag ceremony at 7:00. Jerry Long and Travis Parsons assisted with the flags. Afterwards, breakfast was enjoyed

before dividing in groups to participate in learning activities scheduled through 12:00 noon. Canoeing, shooting sports (archery & rifle), tennis, and crafts (braided western belts) were offered. After eating lunch, it was time for cleaning and loading up to come home.

Reserachers at the National Cancer Institute studied 112 patients with small-cell lung cancer, all longterm smokers, during the course of their treatment. The patients who had stopped smoking sometime earlier responded best to cancer therapy. But even those who quit when cancer was diagnosed survived longer than those who continued to smoke.

Letters To The Editor

As we emerge from one of the coldest winters on record, we may tend to forget that the hot months of summer also present potential dangers.

During periods of very high temperature, anyoneespecially the elderly and those with medical problems--may build up enough body heat to incur heat stroke, heat syncope or heat exhaustion.

We can't control the weather, of course. But I'd like to alert everyone to some precautions we CAN take to control the way extreme heat affects us.

l. Drink plenty of fluids, even if you don't feel thirsty. Your body needs considerably more fluid than your thirst will indicate. When the outside temperature is above 95 degrees, you may easily need to drink more than a gallon of fluids a day. (Before increasing your fluid intake, however, consult you doctor if you have epilepsy; heart, kidney or liver disease; or fluid retention problems--or if you have been placed on a restricted-fluid diet.)

Don't drink 2. alcoholic beverages. 3. Avoid direct

Commentary by Myrtle Owen

Ephesians 2:4-10, our lives. (2:8,9) But God, who is rich in love wherewith he loved us. Even when we were dead in sins, hath quickened us together with Christ, (by grace ve are saved;) And hath raised us up sit together in heavenly places in Christ Jesus: That is the ages to come he might shew the exceeding riches of his grace in his kindness toward us through Christ Jesus. For by grace are ye saved through faith: and not of yourselves: it is the gift of God: Not of works, lest any man should boast.

For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we whould walk in them. Those who are believers in Christ are higher than angels, and the Bible describes our state as "sitting with Christ in heavenly places" (Eph. 2:6) When a human being receives Christ as his Savior and Lord, he is given status above the angels, with power over demon spirits.

Jesus said, "These signs shall follow them that believe; In my name shall they cast out devils'' (Mark 16:17). As Christians we sit with God in heavenly places and through His name we all can overcome the evil that comes against

Lomemaking

Salvation is a gift from mercy, for his great God. There is nothing we can do to earn salvation. The Bible "Our says, righteousnesses are as filthy rags" (Isaiah 64:6). Regardless of how good we try to be, together, and made us we cannot ge good enough; we cannot be saved by our own merits. Salvation can only come through Jesus Christ who knew no sin. This salvation is offered to us as a gift. Grace refers to God's mercy; it is unmerited favor from God to us. Even when we didn't love God or think about Him, he loved us, The moment we respond, we find that He is waiting with eager and outstretched arms to

receive us. Faith is the final step which brings the miracle of salvation. The act of surrender is the point of contact for the release of your faith for God to save your soul. When we surrender

our life, we reach the only point where we can let our faith go to God. It is then that we believe for the forgiveness we asked for. We must have faith that when we ask God to for give us, he will. Salvation is a miracle. You cannot save yourself, and God cannot do your believing for you or I. Our surrender must be followed by our faith and acceptance of

God's forgiveness.
