

IT'S CRAMPED BUT SAFE—A London family shows how one of the small Anderson shelters can be used as a family dwelling during long air raid alarms. The British caption says the idea of equipping the shelters with bunks belongs to a London policeman. This shelter is capable of holding bunks for four adults and four children.

Draft Lottery On Oct. 29th

WASHINGTON, Oct. 21 (AP)—President Roosevelt will draw the first number in the draft lottery at noon on October 29.

Dr. Clarence A. Dykstra, selective service director, made the announcement today after a conference with the chief executive.

Dykstra said the drawing would be held in the interdepartmental auditorium adjacent to the labor department building in Washington, with the chief executive pulling the first number from the glass globe filled with the names of the men.

Dykstra said they did not discuss whether Mr. Roosevelt would be blindfolded and that additional details would be announced later by his organization. But the draft numbers, he said, will be enclosed in the same blue capsules used in the last draft. He showed reporters one of them, with a small tag bearing the number 258—the first in the lottery in World War days.

Dykstra said he did not know who would take over the bulk of the drawing after Mr. Roosevelt had selected the first number, but that he thought the process would take at least 12 hours.

The numbers drawn will correspond with serial numbers assigned to more than 16,500,000 men who registered for selective military service last week. The order in which the numbers are drawn will determine the order in which the men in each draft area are called for service.

Berlin Raid Takes A Toll Of Civilians

BERLIN, Oct. 21 (AP)—An apartment building in west Berlin was destroyed and numerous civilians were killed and injured in last night's British raid on the German capital, DNB, German news agency reported today.

The news agency said the British dropped four explosive bombs on the city in addition to a shower of incendiaries.

Earlier reports said that only incendiary bombs fell on the capital in the attack which sent Berliners into air raid shelters for the first time in five nights and which authorized nazis characterized as "an outright terror act against the Berlin population."

An intensified U-boat campaign, the high command reported today, was responsible for destruction of a British auxiliary cruiser of more than 10,000 tons and of two British convoys. In the latter attack, the high command said, two submarines participated.

"By so doing," the communique asserted, "Lieutenant Bleichrodt increased the score of his latest cruise against the enemy to 53,300 tons and Lieutenant Schepke to 40,565 tons."

Torpedo planes were credited with sinking three "strongly protected merchanters" totaling 20,000 tons in the bottom off the east coast of England during the night.

The high command reported the new underground offensive had accounted for 43 ships—totaling 377,000 tons—being shot out of two convoys in two days.

Draft Total In County Is Up To 2,805

More names poured into the Howard county draft board over the weekend as out-of-county and out-of-state boards dispatched registrars' cards here.

By noon Monday the total had spurted to 2,805, a considerable gain over the 2,091 initial total for the county. There was reason to believe that eventually the county total would exceed 3,000.

Meanwhile, the board called attention to the ruling that all aliens, unless specifically exempt, must register under terms of the selective service act.

Registration continued at the draft board headquarters in room 11, First National bank building, Monday and will continue for those who were prevented from registering last Wednesday until time for the national lottery, on Oct. 29.

A constant stream of young men coursed down the hall of the bank building, and there was scarcely a time when several were not crowded around the bulletin board trying to get a glimpse of their serial numbers.

Sgt. Troy Gibson, recruiting officer, said that conscription had produced no visible effect on enlistments here. He was still handling enlistments on a three year basis for four departments at Fort Bliss, El Paso.

Weiss Denied Review Of Case

WASHINGTON, Oct. 21 (AP)—Seymour Weiss, one of the chief political lieutenants of the late Huey P. Long in Louisiana, failed today to obtain a supreme court review of his conviction on a charge of using the United States mails in a scheme to defraud Louisiana State university.

Two other defendants—Louis LaSage and J. Emory Adams—also were denied a review. The spies were convicted of selling to the university for \$75,000 the furnishings in a New Orleans hotel which the institution already had acquired in purchasing the hotel.

Weiss, New Orleans and New York hotel executive, was sentenced to serve 60 months and was fined \$2,000. LaSage, former assistant to the president of the Standard Oil company of Louisiana, and Adams were sentenced to a year and a day and fined \$1,000 each.

Americans In Far East Protest High Fares On Steamers Home

SHANGHAI, Oct. 21 (AP)—American citizens registered for removal from the Orient have already held at least one "indignation meeting" to protest passage rates on three steamships dispatched to the Far East by United States state department order.

Shanghai newspapers predicted that at least half of the 3,500 Americans registered for return home would be forced to cancel their reservations following the announcement of rates. Several other protest meetings were scheduled.

Many lack funds to send their families home, it was said.

US Companies' Oil Properties Are Bombed

Standard, Texas Have Interest At Island Raided By Italy

ROME, Oct. 21 (AP)—Stefani, official Italian news agency, said today a far-reaching political motive behind Saturday's Italian bombing of Bahrain island in the Persian gulf was the hope it would increase anti-British feeling in India.

"The Italian air force reached clear to the gateway of English India," Stefani said, "where the population's ferment against the dominating nation is increasing daily. The air action against Bahrain will have world repercussions."

Yesterday's communique of the Italian high command said Italian planes flew 2,800 miles to bomb the British oil center in the Gulf of Persia, setting "enormous fires" with hits on pipe lines, refineries and tanks.

The Bahrain Petroleum company, which conducts operations of the island in deserts, is a British firm registered in Canada, which is partly owned by Standard Oil company of California and the Texas corporation.

The British said American-owned oil wells on the mainland of Saudi Arabia were bombed.

Meanwhile Italy herself felt the effect of the British raids.

Eight persons were reported killed and 15 injured as British bombers attacked northern Italian cities early today for the first time since early last month.

Some casualties were reported at Verona by the high command which said bombs hit a charitable institution there housing 60 orphans and 150 others.

WASHINGTON, Oct. 21 (AP)—James M. Moffett, vice-president of the Standard Oil company of California, said today he had filed with Sumner Wells, undersecretary of state a protest against the Italian bombing of American-owned properties of the California-Arabian Standard Oil company in Arabia.

Moffett, former federal housing administrator, is in charge of foreign oil concessions for his firm.

He said, however, that the island of Bahrain in the Persian gulf, where oil refineries also were bombed, was outside his jurisdiction.

CHURCHILL MAKES APPEAL TO FRENCH
LONDON, Oct. 21 (AP)—Prime Minister Churchill in a broadcast to the French nation tonight made a bid for the good will of the people of Britain's former ally, declaring that "when good people get into trouble because they are attacked and heavily smitten by the vile and wicked they must be careful not to get at loggerheads."

In a fireside pep talk to the people of Britain's fallen ally, broadcast in both English and French, he declared that Britain is fighting for a victory which "we will share with you" and said all Britain asked of Frenchmen "is that, if you can not help us, at least you will not hinder us."

LIONS GROUP MEETS HERE
General club problems and preliminary plans for the district convention next spring in Amarillo were discussed here Sunday at a cabinet meeting called by E. V. Wallace, Dumas, governor of Lions district 2-T.

Conferring here with Wallace were Ezelle Fox, Dumas, secretary; Henry Pipkin, Matador, Jim Ponder, Levelland, and Pascal Buckner, Big Spring, deputy district governors; Clyde King, Levelland; and several members of the Big Spring club.

The cabinet meeting here was considered important by Wallace in view of the fact that convention matters were aired. The state convention is to be held jointly with the district parley at Amarillo.

CRASH FATAL TO OIL MAN
LOS ANGELES, Oct. 21 (AP)—Col. Harry Byrens, 56, pioneer Texas oil developer, died in a hospital yesterday of injuries suffered last Thursday in an automobile collision.

Byrens, who helped develop the Burburnett oil field near Wichita Falls, Tex., was on an inspection tour of his properties in the Gulf of Mexico when the accident occurred. The driver of the other car was not cited, police said.

An inquest will be held, but the coroner said today the time has not been set.

Byrens' chauffeur, who was driving the car at the time of the accident, is still in a critical condition.

Byrens was 20 when he came to this country from his London birthplace as a member of the British diplomatic service. Five years later he became an American citizen and moved to Fort Worth, founding a salvage house which later became one of Texas' first chain stores.

Within a few years he had branched into oil. In addition to the Burburnett field, he developed others near Ranger and Banger, Tex., and formed the Standard Petroleum Trust, one of the state's major pipeline companies.

31 FREIGHT CARS ARE DERAILED
CLOVIS, N. M., Oct. 21 (AP)—Thirty-one cars of a southbound Santa Fe freight train were derailed early today near Mulachob, Texas, about thirty miles southeast of Clovis. All members of the crew escaped injury in the pileup.

Britons Carry Strong Air Attacks Germany And Italy; Berlin Raided

FDR Declines Offer Of Willkie To Share Baltimore Auditorium

WASHINGTON, Oct. 21 (AP)—President Roosevelt, a secretary said today, is not accepting Wendell L. Willkie's offer to share an auditorium with him in Baltimore October 30.

Stephen Early, the president's press secretary, said that rather than in Baltimore or Washington on that date Mr. Roosevelt probably would speak at the Academy of Music Hall in Brooklyn.

Asked whether the chief executive had any disposition to accept Willkie's challenge to debate, Early remarked that it had been a "public" challenge.

Then he added to a reporter at his press conference: "If I were going to invite you to my home, I'd send you the invitation, and I don't think I'd send it if I knew you weren't coming."

Originally, the secretary explained, the president intended to speak on October 30 in Constitution Hall in Washington. But Chairman Edward J. Flynn and his associates on the democratic national committee suggested he make an address in Baltimore.

Apparently, Early continued, they did not know the only available and sizeable auditorium in Baltimore already had been leased by the republicans for that night. While Mr. Roosevelt had said he might talk in Baltimore, since then, Early said, Flynn and others of the national committee had urged him to follow a tradition begun in 1932 of making campaign addresses at the Brooklyn Academy of Music.

"They are looking into that," the secretary said, "and I think they ask him to on that."

Frank Kelly, Brooklyn democratic leader, was on Mr. Roosevelt's engagement list today and was expected to discuss the possibilities of an address in Brooklyn.

Early said he did not see how the president could find time to go into New England before the election and indicated there was no chance he would go farther west than Cleveland, Ohio, where he will speak on November 2.

The reasons that have kept the chief executive relatively close to the national capital in the last few months, Early said, are as compelling today as they were when Mr. Roosevelt announced he did not wish to get farther than an overnight trip from Washington.

"For example," the secretary said, "Saturday while the president was at Hyde Park, a neutral country was invaded, oil wells owned by Americans were bombed and 400 Americans were on the ground."

He was referring to the bombing of American-owned oil refineries in Bahrain island in the Persian gulf by Italian planes.

Mr. Roosevelt had itineraries for train and automobile trips to plan and an address to draft before his appearance Wednesday night in Philadelphia's Convention Hall.

There, in the auditorium where the democratic national convention approved his second nomination in 1936, he will deliver the first of five speeches in which he said he would tell the American people about a systematic and deliberate "program of falsification by the opposition."

London Again Pounded By Nazi Bombs

Heavy Anti-Aircraft Barrage Is Loosed Against Invaders

LONDON, Oct. 21 (AP)—Anti-aircraft guns opened up a deafening barrage in the London area when darkness fell on the capital tonight after earlier sporadic firing.

The barrage signalled the return of Nazi raiders to the city after a day they had devoted largely to scattered hit-and-run attacks on Britain.

Alarms sounded twice in London before mid-afternoon. Two bombs fell on the capital just before the sirens struck the first time and the throb of the invaders' motors was heard during the second alert.

The all clear signal announced the end of the second raid about mid-afternoon.

In the first raid, the Germans again sent over fast, single-engine planes to run the British anti-aircraft fire in one's and two's.

At times, the barrage was as heavy as during some of the biggest night raids. British batteries thundered along the Thames estuary, trying to pick off invading planes dodging low to take cover among clouds on that aerial highway to London.

Anti-aircraft fire bagged one raider a few miles from Ipswich, near the coast north of the mouth of the Thames, the press association reported. It said the crew bailed out.

Inhabitants of one northwest inland town heard anti-aircraft fire for the first time in daylight but the day raiders of the Midlands appeared primarily to be scouting, as few bombs were dropped.

Four persons were killed when a plane, diving out of the clouds, dropped three bombs in the second raid on one northern town in 36 hours.

Liverpool, Britain's chief West Coast port, also was a target of the daylight raiders.

Ten persons were injured and one worker was believed killed in a bombardment of a northwest town. Five workers were killed in a south coast town when a twin-engine Nazi bomber unloaded five bombs before fleeing from a British fighter.

Bombs struck also on a large residential estate near a public park in an outlying London area. One house was destroyed and three persons injured.

Important Target In Heart Of Nazi Capital Is Hit

LONDON, Oct. 21 (AP)—Two air raids on Berlin, damaging blast elsewhere in Germany and a foray into northern Italy demonstrated last night to both ends of the axis the Royal Air Force's "gathering strength," the air ministry news service reported today.

One British dive-bomber scored a direct hit which set fire to an undisclosed but "important" target "in the very heart of Berlin," it said.

Another British pilot, it said, reported what he thought was a hit on a "large warship."

Royal Air Force formations were reported also to have blasted the Krupp armament works, oil refineries, naval docks and wharves in Germany.

In northern Italy, the report said, they battered factories on a 1,600-mile non-stop flight to Turin and Milan which entailed crossing and re-crossing the Alps.

"Both ends of the 1936-Berlin axis had a foretaste of the gathering strength of the Royal Air Force last night," the news service said, "when the capital of the German Reich and two of Italy's great industrial centers were simultaneously attacked by aircraft of the bomber command."

This emphasis on growing British air might coincided with predictions by two cabinet members that Britain soon may be waging offensive war and with stepped-up attacks on the Nazi-held "invasion coast."

After a 15,000-bomb night raid which left the shore opposite Dover flowing with flame, British bombers were believed to have returned to the attack today in daylight, hammering at Boulogne and Calais.

Explosions were heard from across the strait and later heavy aircraft, identified as British bombers returning home, streaked inland.

"The day we can take the offensive approaches steadily," Colonial Secretary Lord Lloyd declared in Glasgow.

"We have to carry this fight into the enemy's fields... we must not find ourselves up against a position of stalemate," declared A. V. Alexander, first lord of the admiralty.

To Britons, their words stirred 135-year old echoes of Lord Nelson who laid down his life at the battle of Trafalgar Oct. 21, 1805, to secure this island kingdom from the forces of another continental conqueror massed, then as now, across the channel.

It was that battle off the Spanish coast 135 years ago today which smashed Napoleon's fleet, and set the stage eventually for Waterloo.

As the ministers spoke, German guns were pounding the Dover shores presumably in reply to a 100-bomb-a-minute air raid last night on the same bases across from England where Napoleon's barges were massed.

The severity and breadth of the raid, in which British warships and guns also were believed to have joined, could be recognized on this side of the channel today.

Long after the sun had risen, a red glow resembling a great prairie fire could be seen plainly across the water. It stretched in an unbroken line for miles and gave the impression that a great part of the French coast not only was in ruins but also still was blazing fiercely.

The attack on Berlin was said to have been the 14th since Sept. 1 and 225 British planes were said to have dropped 200 tons of bombs on the German capital since then.

VICTORIA CROSS TO AIR HERO, 18—Sgt. John Hannah is shown above in London after receiving the Victoria Cross Sept. 27 for "most conspicuous bravery." Sgt. Hannah, a radio operator on a bomber attacking barges at Antwerp, was badly burned about the face by white hot metal when the plane was fired by incendiary bullets. With the rear gunner bailed out, he fought the rear fire and then crawled forward to find the navigator had also left the plane. Hannah then undertook the navigator's duties and assisted the pilot in bringing the badly damaged plane successfully to base.

Four persons were killed when a plane, diving out of the clouds, dropped three bombs in the second raid on one northern town in 36 hours.

Liverpool, Britain's chief West Coast port, also was a target of the daylight raiders.

Ten persons were injured and one worker was believed killed in a bombardment of a northwest town. Five workers were killed in a south coast town when a twin-engine Nazi bomber unloaded five bombs before fleeing from a British fighter.

Bombs struck also on a large residential estate near a public park in an outlying London area. One house was destroyed and three persons injured.

RUSSIAN-TURK DOCTORS HERE TALK RUMORED
BUDAPEST, Hungary, Oct. 21 (AP)—Reports that Soviet Russian-Turkish military talks had been instituted and that Turkish military preparation was increasing along the strategic Dardanelles—gateway to the Near East—were heard today in the Balkans.

At the same time, a human in an augmented blackout for Bucharest and the nearby oil fields.

Travelers from Turkey said in Athens that railway lines to Adrianople, a Turkish city in territory wedged between the Bulgarian and Greek borders, were jammed with troop trains, while a half a million Turkish troops were said to be already in the region of the Dardanelles.

A rumor that Soviet-Turkish military talks were under way in Adrianople was carried by the Budapest newspaper, Magyar Nemzet, while other unconfirmed reports said the Turks were building new fortifications and communications.

The Turkish press, predicting that the axis would attempt its next push in the Near East, played up British maneuvers to counter such a drive.

Despite warlike talk, however, most Balkan observers felt it unlikely that an axis campaign was in the offing but that only strong diplomatic action could be expected for the time being.

Bomb Breaks Windows At US Embassy

LONDON, Oct. 21 (AP)—Windows were smashed in the United States' big new embassy building on Grosvenor square in a recent Nazi air raid, but the red brick, white-trimmed colonial structure was not badly damaged.

No member of the staff was injured.

Permission was given today by British censors to talk about it.

A German plane laid a stick of bombs across the big square in London's fashionable west end. One demolished a house, damaged two others across the square and blew in a few windows of the embassy.

Another bomb failed to explode immediately, but dug itself a deep pit about 50 feet from the front door. It went off a few hours later, blasted more windows and buried soil and stone on the roof and against the front wall.

The inside was not damaged and a spokesman said today "we're still open for business."

Ten persons were killed in the same raid near the Y. M. C. A. headquarters in Great Russell street, blasting out doors and windows and blowing down inside partitions. Between 400 and 500 members sheltered in the gymnasium were not hurt.

Although the outside walls were not badly damaged, officials said they would not be able to use the building again until after the war.

100 Missing And Damage Is Heavy In French Floods

VICHY, France, Oct. 21 (AP)—More than 100 persons were reported dead or missing today and officials estimated damage of a billion francs as a result of torrential rains and floods which forced thousands to flee their homes in French Catalonia.

(The franc no longer is quoted but before the German occupation of Paris it ranged from 1.73 cents to 2.26 cents this year.)

Details of the weekend disaster became known in Vichy only today as telephonic communication with Perpignan, capital of the stricken region, was restored. Perpignan itself had been evacuated when the swollen river had inundated the lower parts of the city.

Britons Must Pay New Purchase Tax

LONDON, Oct. 21 (AP)—A new purchase tax went into effect today, causing the already high cost of living in wartime Britain to take a sharp jump.

The tax, one of the measures enacted by the government to help pay for the war, levies up to 13.3 per cent on the wholesale price of goods.

Retailers pay the tax on the wholesale value to the wholesalers, then collect it from their customers. Estimates on how high the tax will reach in comparison with retail prices vary, but most experts expect it to go to 35 per cent.

Conscripts To Be Treated To All Comforts Of Home, Almost

ALEXANDRIA, La., Oct. 21 (AP)—America's new army of civilian guardsmen and conscripts will be treated like tenderfeet—even to heated tents with electric lights—until they become as hard as regular enlisted troops.

Officers, preparing to train as many as 100,000 soldiers here in Louisiana's pine forests, made it clear that they would give every John Doe coming from an office swivel chair full consideration and all the comforts of home, almost.

For instance:

The first contingent of guardsmen from the 32nd division of Michigan and Wisconsin, arriving by special train at dawn today, found their tents already pitched and a hot breakfast waiting for them.

Miss 'Laneous' Notes

By MARY WHALEY

Went to the show the other night and from what we hear, sniff season is definitely here. From now until really cold weather and frost, folks will give a hacking cough before saying hello and punctuate their sentences with sneezes.

The red nose and running eye will be worn during this season by the 'best' people and if you should be so hardy as to not get in line with the common cold carrier, you will be eyed with distrust.

Until the season is over, conversation will be carried on through a veil of handkerchiefs and only eyes will be visible as people talk.

"I got a cold" will take the place of the conventional greetings and an explosive cough will be "good-bye" in polite language for most everybody.

Even casual acquaintances will exchange their various formulas for the cure and they will range from shots in the arm to pills with everybody rooting for their remedy. They will peer at you through bleary eyes and you will blanch back at them as they confess their cure-all is bound to work.

If you escape the scourge you will absolutely be out of the social scene and have nothing more interesting than last year's cold to talk about. And it won't stand a chance with a good one at hand. It will make you as dated as the dodo bird and just about as popular if you go through the season coldless, sneezeless, and sniffless.

Mr. and Mrs. F. W. Hughes of Brady were weekend guests in the home of B. Reagan and family.

Russian Novel Is To Be Given Here Wednesday

A story of Russian refugees and the hardships that they endured in 1919 during the Red revolution is the background for the book "The Family" by Nina Fedorova to be given by Mrs. Annie Sue Avery of San Antonio at 4 o'clock Wednesday afternoon at the Settles hotel.

The 1930 Hyperion club is sponsoring the review with the funds to be used for the West Side Reading room project.

The book was an Atlantic prize novel and the author was one of the refugees of the revolution who went to Manchuria and later into China. She remained there until 1928 when with her husband and two children came to America to begin life again in the small college town of Eugene, Ore.

Reviewers have said that the book is as "thoroughly Russian as the domed spires of the Greek or orthodox churches in Moscow and the steppes of the Ukraine, but it is tinged with a touch of the wisdom of China."

The story is laid in a boarding house in the foreign concession of Tientsin and portrays the lives of hardship and tragedy forced upon the fugitives from Tsarist Russia.

The family was so fully an exemplification of blood unity, a spirit which runs strongly among Russian folk, that it drew into its group practically every lodger at the rooming house.

In the epilogue, a much wider application of that theme is offered. The book has been called timely for these millions of Americans today, who fail to find sanctuary in the world of escapism. "The Family" reaffirms the age-old theme that human redemption is to be regained in self-sacrifice.

Mrs. Bottomley Named Secretary-Treasurer Of Midway P.T. A.

Mrs. Harold Bottomley was elected secretary-treasurer of the Midway Parent-Teacher Association at a meeting held Friday night at the school.

Mrs. J. H. Kirkpatrick presented her rhythm band pupils who played "God Bless America" and "Halloween." Mrs. Kirkpatrick and Betty Ann Floyd also gave a piano duet, "My First Piece."

A moving picture, "Down to Delmar" was shown to the 25 members enrolled. Plans were made for outfitting the basketball team with new suits.

Stanton Methodists Have Special Program

STANTON, Oct. 21 (Sp) — The Methodist Women's Society of Christian Service met for a special program Thursday afternoon at the church. Mrs. O. C. Southall led the study of the second and third books of the current study, "Uprooted Americans." The books included were "Youth on the Highways," by Margaret Weddell Brandon, and "The Family Pulls Up Stakes," by Grace Sloan Overton. Questions concerning the books were passed to members, who answered them, and round-table discussion followed.

The regular meeting Monday afternoon will be in the form of a social. Those present were Mrs. Morgan Hall, Mrs. Raymond Van Zandt, Mrs. J. S. VOLUNTEERS ASKED FOR 'CHUTE UNIT

WASHINGTON, Oct. 21 (AP) — Wanted: Parachute troops.
The U. S. army is looking for 412 volunteers to form the nation's first parachute troop battalion. The men must come from the 24 infantry regiments of the regular army; no draft trainees need apply.
Parachute battalion volunteers are promised extra pay and unusual chances for advancement. They must be between 21 and 32 years old, unmarried, and have "agility, intelligence, initiative and daring."
The volunteers will join a small experimental detachment already in service at Fort Benning, Ga., to form the 501st parachute battalion. Besides the 501st, another parachute battalion is planned, Secretary of War Stimson announced.

Protector for Women

Every day, women are finding the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are relieved by CARDUI. It usually increases appetite, livens flow of gastric juices and so improves digestion. Thus it helps to build resistance to periodic distress for many. Others find help for periodic distress by taking CARDUI a few days before and during "the time." CARDUI has been popular for over 50 years.—adv.

Milk Builds Better Bodies
Why do scientists feed their own children plenty of fresh milk? It is because constant study of food values has taught that there is no better body builder!

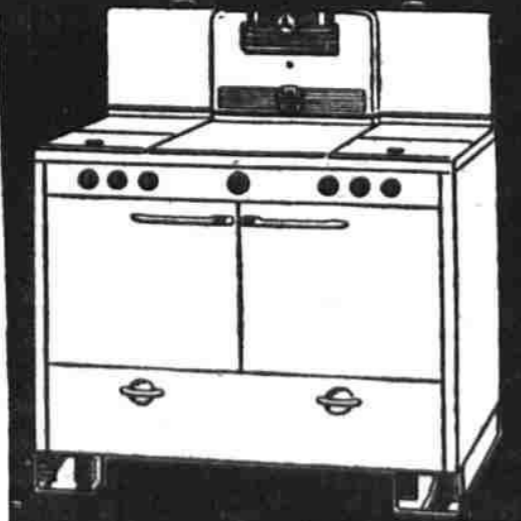

Your child needs Milk!

We are indeed proud that Mrs. French chose Banner better products for use in the cooking school demonstration. Says she: "Banner Milk meets and exceeds every high quality requirement which is so necessary in preparing delicious, nourishing meals."

Opening Session Of Cooking School Attended By Large Crowd

Mrs. French Is Here For Third Time

Another Cooking School has opened in Big Spring Monday afternoon, and from the size of the first day's crowd at the municipal auditorium it appeared that this year's event will be one of the banner affairs sponsored by The Herald, national manufacturers and Big Spring business houses. The school continues through Wednesday, with sessions beginning at 2 o'clock each afternoon.

Hundreds of women were on hand to hear the first day's lectures and to witness first demonstrations in culinary arts by Mrs. Arreva D. French, home economist in charge of the school. Mrs. French was here for the third successive year, her "repeat" appearance being a tribute to the popularity she holds in Big Spring.

It was anticipated that crowds would be even larger Tuesday and Wednesday. The school is entirely free, and everybody is welcome. A feature of each session is the awarding of merchandise gifts, with "grand" prizes slated for Wednesday.

Mrs. French was introduced Monday by Mrs. Ray Lawrence, hostess for the day. Mrs. W. B. Younger and Mrs. Bernard Lamun were also present.

Be Quick To Treat Bronchitis
Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germs, mucus, phlegm and aid nature to calm and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood rosette by special process with other fine tested medicines for coughs, contains no narcotics. No matter how many medicines you have tried, tell your druggist to fill you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. days. The stage at the auditorium was attractively arranged, with kitchen equipment chosen by Mrs. French so placed to facilitate the demonstrations. All-gas facilities are featured, including the Magic

COFFEE PARTY

Hour of the Cooking School "Coffee party," to which all business men are invited, will be from 10 to 11 a. m. Tuesday, at the city auditorium. Mrs. Arreva D. French will serve hot gingerbread and Admiration coffee, "the cup of Southern hospitality."

Hour of the party had been erroneously announced for 9 to 10 a. m., but will be one hour later.

Chef gas range from Empire Southern Service company, and Servel Electrolux, and B. Sherrod Supply. Other equipment and utensils are provided by the Elrod Furniture and McCrory's. Displays of other local firms and of national manufacturers added to the stage arrangement.

Barrow's had a dining room suite on display, and table service was featured by Pitman. Music preceding the formal opening of the school was furnished by a Firestone radio and record player.

Mrs. French, who Monday morning had visited cooperating merchants and arranged details of her lectures, voiced her pleasure at returning to Big Spring. "It is a real delight to be back in Big Spring," she said. "I have made many friends in this city, and hope to see them all and to make new friends this year. I am confident that we all will find profit and pleasure in our 1940 sessions."

Mrs. French also lauded the fine cooperation shown again this year by participating firms.

Main points stressed by Mrs. French are efficiency and economy in the kitchen. The school is not intended merely as the means of demonstrating a few unusual recipes, but as a means of showing in a practical way how the busy home manager can lighten her kitchen work, have more leisure time, and yet feed her family better and save money while doing so.

Women of the city who were unable to attend the opening session are urged to attend the Tuesday and Wednesday lectures. Recipes prepared or discussed today by Mrs. French appear in this issue of The Herald. It is suggested that they be clipped and filed for future use.

Mr. Mann Can Charge \$40 More For His House
MIAMI, Fla. (UP)—Termites did not harm a house owned by M. C. Mann, but they left him \$40 poorer and a good deal wiser.

A woman appeared at Mann's home and said she wanted to buy the house. A short time later, a man called and told Mann a woman interested in buying the home had engaged him to inspect it for termites.

After a half hour spent beneath the house, the man crawled out and demanded \$40 for exterminating a "nest of termites." Mann paid him the \$40. He went to police after the prospective buyer and the "exterminator" failed to make another appearance.

CHERRY COBBLER WITH KC CAKE TOPPING

(Temperature 250 Degrees—1 Hr.)
Pour a No. 2 can of cherries into baking dish, add 4 tblspns butter, 1 cup sugar and 4 tblspns Tapioca, few drops red cake coloring. Pour following cake batter over top and bake:
4 tblspns Mrs. Tucker's shortening
6 tblspns sugar
1-2 tpsns KC Baking Powder
1-4 tpsn Morton's salt
1 cup Gladiola flour
1-3 cup Banner milk
1 egg
1 tpsn vanilla
Mix all dry ingredients and cut shortening into mixture. Heat egg and add to milk and vanilla. Combine with dry ingredients.

TUNA ROLL WITH EGG AND OLIVE SAUCE
2 cans white tuna fish
1 can small peas
1-2 cup diced celery (cooked)
1 cup medium white sauce
Flake tuna, mix other ingredients together with sauce.

Egg-Olive Sauce
2 cups medium sauce
6 hard cooked eggs
14 stuffed olives
Slice olives cross-wise. Put egg yolks through sieve, fold in sauce and sprinkle with paprika.

JIFFY BISCUITS
1-2 cups Gladiola flour
2 tblspns Mrs. Tucker's shortening

1-2 tpsns KC Baking Powder
1-2 tpsn Morton's salt
1-2 to 2-3 cup Banner milk
Toss on a floured board and knead until smooth. Roll into a rectangular sheet, spread fish mixture over dough allowing 1 inch margin on all sides. Roll like jelly rolls, moisten edges with water to seal. Place on sheet and bake in pre-heated oven for 10 minutes at 425 degrees. Reduce heat to 350 degrees and bake 35 minutes.

SWISS STEAK
2 lbs. round steak (cut 1-1/2 inch thick)
3 tblspns Mrs. Tucker's shortening

1-2 cup Gladiola flour with 1-2 tpsn KC Baking Powder
2 tpsns Morton's salt
1 onion (sliced)
1-2 cup tomato catsup
1-2 tpsn pepper
1-2 cups water
Wipe meat with damp cloth. Rub with salt and pepper. Pound the flour (with baking powder mixed

in) into meat. Brown meat on both sides in shortening. Add onion, water and tomato catsup. Cover and cook gently 1-2 to 2 hours. Serve with crisp lettuce salad, buttered cauliflower and hot rolls.

ASPARAGUS WITH CREAM SAUCE
2 cans white asparagus
2 egg yolks
3-4 cups sour cream
1 tpsn lemon juice
1-2 tpsn minced parsley
Salt and paprika
Combine cream with egg yolks in double boiler, add lemon juice. Cook until thickened. Remove at once from heat and add parsley, salt and paprika. Serve over heated asparagus.

CHOCOLATE CREAM PIE
1-2 cups sugar
1-4 tpsn Morton's salt
6 tblspns Gladiola flour
2 cups Banner milk
4 egg yolks
2 sqrs bitter chocolate
1 baked shell (cooled)
Mix sugar, flour together in top of double boiler. Blend milk and chocolate. Cook until thickens then add egg yolks, cook 5 minutes. Cool. Top with whipped cream or meringue with grated orange sprinkled over top.

Pastry For One Pie
1 cup Gladiola flour
1-2 tpsn salt
1-3 cup Mrs. Tucker's shortening
2 or 3 tblspns cold water

WHITE CAKE
Sift and measure 3 1-2 cups Gladiola flour, 2 cups sugar, 1-4 tpsn Morton's salt. Sift again three times. Put in large bowl of mixer then add 1 cup Mrs. Tucker's shortening, cream until consistency of fine cornmeal. Then add 6 egg whites (unbeaten) 1 cup Banner milk (out of this cup take 6 tblspnsful). Stir into eggs, pour eggs and remainder of milk and beat until smooth like velvet. Stop mixer and add 1-2 tpsn vanilla, 1-2 tpsn lemon extract and 3 tpsns KC Baking Powder. Blend thoroughly and pour into loaf pans. Bake at 350 degrees for 40 minutes.

Marshmallow Icing
1-2 cup sugar
1-4 tpsn cream of tartar
12 marshmallows
1 cup hot water
1-4 tpsn Morton's salt
1-2 tpsn vanilla
2 egg whites (stiffly beaten)
Pink cake coloring (if desired)
Cook sugar, water, salt, and cream of tartar to 238 degrees or soft ball stage. Add marshmallows and pour in slow stream over stiffly beaten egg whites. Add few drops of cake coloring if desired. Add extract. Beat until icing holds shape. Spread on cake.

ONE EGG CAKE
1-3/4 cups Gladiola flour
1 cup sugar
1-4 tpsn Morton's salt
2-1/2 tpsns KC Baking Powder
1-3 cups Mrs. Tucker's shortening
2-3 cup Banner milk
1 egg
1 tpsn flavoring
Sift flour before measuring then add flour, baking powder, salt and sugar, together in mixing bowl. Add shortening, milk, unbeaten

egg and flavoring all at once. Beat until smooth. Pour into pan and bake at 350 degrees for 25 to 35 minutes.

Topping
1-3 cup brown sugar
2 tblspns Gladiola flour
1-2 cup chopped nuts
2 tblspns Banner butter

SPICED COFFEE
1-8 tpsn nutmeg
2 cups Banner milk
1-8 tpsn cinnamon
1-8 tpsn cloves
1-2 tpsn vanilla
1 tpsn sugar
Few grains salt
Scald milk, mix sugar, spices and salt and add to milk. Heat with rotary beater or electric mixer about 5 minutes. Chill and add 1-4 cup cold Admiration coffee, shake well and serve.

FAN SALAD
Arrange mounds of potato salad with cooked cream dressing, garnish with celery cut in fan shapes.

Cream Dressing
1 tpsn mustard
1 tpsn Morton's salt
2 tblspns Gladiola flour
1 tpsn sugar
Hot sauce
1 egg yolk
1-3 cup lemon juice
1 tpsn butter
1-2 cup sour cream

CARAMEL DUMPLINGS
1-2 cups sugar
2 tblspns Banner butter
1-8 tpsn Morton's salt
2-1/4 cups boiling water
1-4 cup liquid Admiration coffee
Brown 1-2 cup sugar, add boiling water and coffee. Let boil 10 minutes.

Dumplings
1-2 cup sugar
1 tpsn Mrs. Tucker's shortening
1-2 cup Banner milk
1-2 tpsns KC Baking Powder
1 cup Gladiola flour
RHUBARB OR ORANGE MUFFINS
(Temperature 425 Degrees—20 Minutes)

1 cup diced rhubarb
1 tpsn Gladiola flour
1-2 cup sugar
3 tblspns butter
2 tblspns sugar
2 eggs, well beaten
1 cup Banner milk
2 cups Gladiola flour
2 tpsns KC Baking Powder
2-4 tpsn Morton's salt
1-2 cup chopped nuts
Brown sugar
Stew rhubarb with the 1 tpsn

of flour until tender, add sugar and melted butter, eggs, milk, nuts, salt, flour and baking powder. Stir mixture together just enough to moisten the flour. Grease muffin pans, cover bottom with brown sugar. Bake. Remove muffins from tin as soon as taken from oven.

MINIATURE ROLLS
(Temperature 400 Degrees—15 to 20 Min.)
1 cup Banner milk
4 tpsns sugar
1 tpsn Morton's salt
4 tpsns Mrs. Tucker's shortening
1 yeast cake
1 tpsn KC Baking Powder
2 1-2 to 3 cups Gladiola flour
1 egg

Measure into drip coffee maker, 1 tpsn Admiration coffee for each cup desired. Bring freshly drawn water to quick boil and pour over coffee, using 1 cup of water for each cup of coffee. Serve immediately or keep hot until ready to serve. Do not boil.

CONVICT SHOT AS HE TRIES TO ESCAPE
HUNTSVILLE, Oct. 21 (AP)—Captain D. R. Vaughn of Ramsey state prison farm said yesterday Richard Benson, Williamson county convict serving a three year term for assault to murder, was shot fatally when he tried to escape.

Vaughn said Benson was in a group of 16 convicts gathering corn on the southwest part of the farm Saturday under charge of Guard R. L. White, formerly of Austin. Vaughn said Benson ran and the guard had to shoot to stop him.

Pennsylvania U. Seals 2040 Time Capsule
PHILADELPHIA (UP)—During the bicentennial celebration officials of the University of Pennsylvania handed down to posterity several articles commemorating its 200th anniversary.

The articles were placed in a 500-pound stainless steel coffer in the Liberty Quadrangle and is not to be opened until the year 2040.

The hermetically sealed coffer contained President Roosevelt's speech at the celebration and letters from each administrative officer of the university to his successor of 100 years hence.

El Paso Editor Death Victim

EL PASO, Oct. 21 (AP)—Hubert S. Hunter, editor of the El Paso Times, a newspaperman whose career was identified with the southwest since his graduation from Stanford in 1908, died suddenly of a heart attack last night.

Stricken as he walked to the Times building, he asked employees to call doctors and sat in his office waiting. He died before he could be taken to a hospital.

Hunter was born near Decatur, Ill., and reared in Phoenix, Ariz. His career, begun in Arizona as a reporter, included service from 1919 to 1921 as chief of the Associated Press bureau for Arizona and New Mexico.

From 1913 to 1919 he was, respectively, assistant news editor and editor of the El Paso Herald. In 1921 he resigned his Associated Press post to return to the Herald. In 1927 he wandered through the southwest writing a daily column called "Around Here," a feature of the Times at his death. He became editor of the Times in 1928.

Survivors were his widow and four children, and his parents, Mr. and Mrs. Robert Hunter of Phoenix.

DEMONSTRATION AREA FOR SOIL CONSERVATION

Establishment of a soil conservation demonstration area immediately north of Big Spring has been assured with the securing of signatures from 12 of 13 involved landowners.

Success in preliminary efforts of this joint demonstration has led to the calling of a meeting at Thursday 9 a. m. of men interested in a similar set up for the area east of R-Bar school. O. F. Griffin, county agent, and Dudley Mann, soil conservation service, will be in charge.

Why WE ARE USING **GLADIOLA FLOUR** (EXCLUSIVELY)

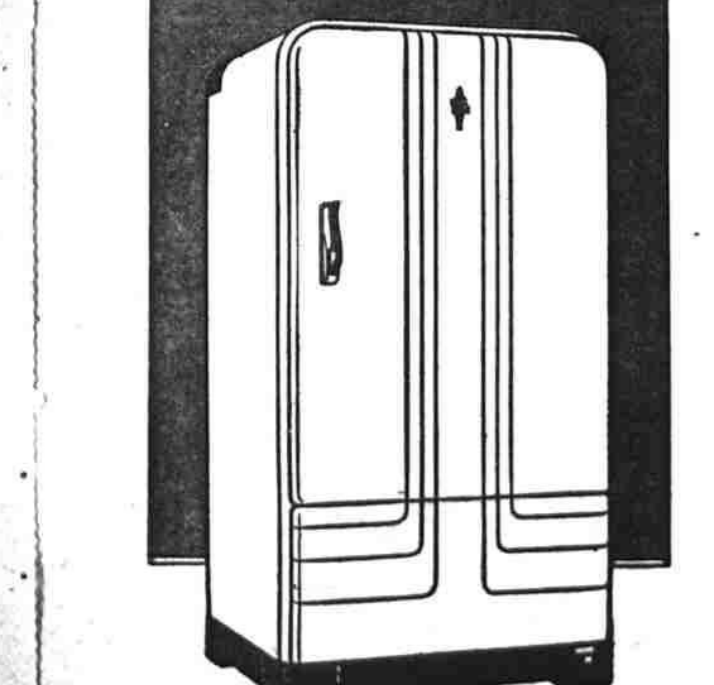

in the **HERALD COOKING SCHOOL**

- 1 Gladiola is a true "all-purpose" flour. Perfect for biscuits, bread, pastries and cakes alike — with Gladiola you need no other flour.
- 2 Gladiola Flour is an "all-cook" as well as an "all-purpose" flour. Gladiola will give YOU in YOUR kitchen the same fine results we get at the cooking school. Your baking will be fail-proof, the "Gladiola Way."
- 3 Gladiola is GOOD flour. In most of your baking — biscuits, bread, pie crust and many cakes — the flavor and goodness come from the flour. No fancy flavors, no pretty coloring to cover up the flat, tough, grey baking you always get from cheap flour.
- 4 Gladiola has ALWAYS BEEN good flour. Every sack. Its goodness never varies. And that quality has been unflinchingly guarded through 25 years of milling. You can depend on Gladiola.

"Here's A Refrigerator That Pays For Itself With Savings"

Says Mrs. Arreva D. French
"The most important thing about any refrigerator is its principle of operation . . . more and more people are switching each year to Servel Electrolux for this one reason alone. THERE ARE NO MOVING PARTS IN ITS FREEZING SYSTEM! If your food bills amount to 40.00 per month your actual savings on food is over 8.00 per month plus the extra saving on operation."

Looking 'em Over

With Jack Douglas

No many tears have been shed over the battered but undying bodies of football players that we sometimes wonder if they are so forgotten after all. Nevertheless there are times when a team's strength is judged too much on the basis of the hall-couriers' ability and not enough on the boys down in the ditch. There can be little doubt that Big Spring has a forward wall that can take its place at the top for district 3-A.A. Biggest and, seemingly, the most rugged stalwart on the front line of the Herd is Clifton Patton, 215-plus-pound tackle. Under the grunting tutelage of Line Coach Mike Stockton, Patton has developed into a head-

ache for every hopeful opposition sack that piles into the Steers' rearworks. More than one runner has headed for a touchdown with dreams of fame and glory, only to have his reverie rudely shattered by a wagonload of beef and brown who gets an unholly delight in making the entire shooting match a nightmare for the white-haired boys of the gridiron. Patton is, like most boys who carry a lot of weight before they reach their peak of development, rather slow in breaking into an all-out lunge but is a wild locomotive in a spree when he does get strong. Being in the line, he is speedy enough to walloper the competition until their eyeteeth chatter. Judging from his high school form, Patton, sometime in the future, is due to make some college mentor sleep easier before contract-renewal time with his slam-bang, heads-up brand of football.

Race Track Proxy Dies From Fall Off Horse

NEW YORK, Oct. 21 (AP)—The Empire City race track went ahead with the scheduled opening today despite the death of its president, James Butler, Jr., who was killed in a fall from a horse. The 52-year-old son of the late founder of the James Butler grocery chain died instantly yesterday. Medical Examiner Amos O. Squire said, when a saddle horse he was schooling failed to make a jump at Katonah, N. Y.

SCHOOLBOY MAIN SHOW STARTS FRI.

By HAROLD V. RATLIFF
The main show starts this week in the far-flung Texas interscholastic league football race. Each district has important conference games, six of them matching unbeaten teams. In sixteen matchups the district campaigns shape up like this: District 1—Flays its first conference games with Plainview at Pampa and Borger at Lubbock. Amarillo, the favorite, has an inter-district tilt with North Side (Fort Worth). District 2—All teams play championship games with Childress at Wichita Falls as the favorites. Graham last week removed Childress from the ranks of the unbeaten and tied. The Wichita Falls-Childress game will furnish a comparison necessary to choose between Graham and Wichita Falls. District 3—Midland, the favorite, meets a tough Big Spring team. Co-favorite Odessa was topped unexpectedly last week by down-trodden Abilene. District 4—El Paso High, the last team to swing into conference play, meets Yalaca. Austin (El Paso) is the favorite. District 5—Sherman's powerhouse goes against Denison, also unbeaten in conference play. District 6—Sulphur Springs, with high hopes of repeating with the title, plays up-and-coming Highland Park (Dallas). Favored Greenville plays impotent McKinney. District 7—Leading Masonic Home and Arlington Heights do not have conference games. Runner-up Poly plays Paschal. District 8—Woodrow Wilson tackles Adairson in a game likely to determine the Dallas title. District 9—Stephenville and Cisco, two of the teams undefeated in conference play, battle, with the other leader, Brownwood, meeting once-beaten Mineral Wells. District 10—The state's feature game is scheduled in this district with Bryan and Waxahachie, the only unbeaten teams, swapping touchdowns at Waxahachie. District 11—Longview and Kilgore, two of the state's undefeated teams, meet at Kilgore. Kilgore has one tie against its record. District 12—Nacogoches, one of the three undefeated eleven, meets Jacksonville but the other two, Lufkin and Mexia, do not have conference games. District 13—Austin and Lamar, who are tied with Jeff Davis for the Houston district leadership, settle their squabble. District 14—Beaumont, Fort Arthur and South Park (Beaumont) are undefeated. South Park rests but Fort Arthur plays Orange and Beaumont tackles Goose Creek. District 15—Neither Austin nor Kerrville, the leaders, have conference games. Brackenridge (San Antonio), beaten by Kerrville last week, tries to get back into the running against Laredo. District 16—In the north some Beville plays Kingsville but the top-hands at Corpus Christi have an inter-district tilt with Fort Worth Tech. In the south zone Harlingen and McAllen, two of the favorites, have it out. Unbeaten Brownsville plays Gladewater in an inter-district affair. Last week's play trimmed the list of the undefeated and untied in the state to 21 teams with Childress and Brackenridge being shoved out. Those remaining with unsullied records are: Amarillo, Lubbock, Plainview, Paris, Sherman, Masonic Home (Fort Worth), Woodrow Wilson (Dallas), Stephenville, Bryan, Longview, Lufkin, Jeff Davis (Houston), Lamar (Houston), South Park (Beaumont), Austin, Kerrville, Beville, Brownsville, Corpus Christi, Harlingen and McAllen.

REDSKINS, BEARS SLATED FOR PRO FOOTBALL TOPS

CHICAGO, Oct. 21 (AP)—The Washington Redskins and Chicago Bears, employing widely divergent offensive methods, are headed in the same general direction—a split in the playoff for the national professional football championship. The Redskins, who are undefeated and untied team in the National league, utilized a deadly air attack again Sunday to chalk up their fifth triumph while the Bears, a ponderous and devastating rushing eleven, won their fourth decision in five starts to take over first place in the western division. Sammy Baugh passed the Philadelphia Eagles silly, tossing three touchdowns heaves as Washington won, 24 to 17. Baugh connected for 18 of 24 aerials for 298 yards. The Bears, thwarted repeatedly in the first half of their battle with Brooklyn, broke loose in the final periods to carve out a 16 to 7 victory.

Frog Quintet Title Bound

FORT WORTH, Oct. 21—Coach Mike Brumbelow of Texas Christian University took time out from his football chores today to make an epochal statement. "The Horned Frogs will clinch out of the Southwest Conference cellar in basketball this winter," Brumbelow declared. Beginning Oct. 22, the Frogs will work out two nights each week under the direction of Coach Brumbelow, and three afternoons each week on their own. Reporting to Brumbelow will be seven lettermen, two squadmen and one junior college transfer. The lettermen include Buddy Barron, Borger; Robert Groseclose, Alice; L. A. Monroe, Dickinson; Dennis Tankersley, Terrell; Guy Holt, Hutchinson, Kan.; Leonard Cannaday, Mt. Vernon; and Jack Billingsley, Fort Worth. Ralph Tankersley, Terrell, and W. G. Blackmon, Fort Worth, are the returning squadmen. El Wagner, transfer from Hutchinson, Kan., Junior College, will complete the present squad. Two sophomores, Billy Blackstone, Hearne, and Mancel Harrison, Cisco, will report after the football season ends. Blackmon, 6 foot 6 inch boy with a dead eye for the basket, will be the cornerstone of T.C.U.'s predicted improvement. Eligible at the beginning of the second semester last year, Blackmon was held out of competition by Coach Brumbelow so that he might have three full seasons of competition. The Frogs will engage two West Texas college quintets before the Christmas holidays. They will open against Howard Payne in Brownwood Dec. 7 and on Dec. 13 and 14 meet Texas Tech in Lubbock. On Dec. 18 Howard Payne will come to Fort Worth for a game with the Frogs. T.C.U. will open its 1940 conference basketball campaign Jan. 5 against the Baylor Bears in Fort Worth.

Steers Will Be Fighting Odds Friday

Midland's Past Record Makes Them Highest Contenders For Title

With what now looks to be their hardest battle of the current season staring them in the face, Big Spring's Steer gridsters will be bearing down for a workhouse series of practice this week in preparation for the game with Midland next Friday night at Midland. Undefeated and untied in three conference starts, the Midlanders are out to add another scalp to their tepee pole and take one step nearer, over the prone body of the Longhorns, to the district 3-A.A. throne. As things now stand, odds are all in favor of the leading contender but a Bovine crew, having already shown unforeseen strength in the clutch, has a chance of being the self-nominatee to yank the fringe out of the dangerous Bulldogs. Hiding on the short end of predicted results will be nothing new to Coach Pat Murphy's Herd, since that has been their position before every game played this fall, except for the Lamesa tilt. In that engagement Big Spring was down on the record as being due to run roughshod over a much weaker Lamesa aggregation, but, despite a top-heavy lead in yardage made, failed to show the power exhibited week before last against Odessa. The Midland-Big Spring duel is slated to be the outstanding one on the conference card next Friday, because the belligerents are listed as the two leading claimants of the title that Sweetwater is already well on the way of losing. Midland will go into the fray with a 1,000 standing against the 750 rating Steers. A win over the Bulldogs will put Big Spring in the lead with a half-game margin, by virtue of the draw with Odessa, and that could stand a very definite chance of being the final ranking when the season is over.

Rice, Texas U Scrap Is Hot Spot In SW

FORT WORTH, Oct. 21—The eyes of Texas will indeed be upon the gridiron meeting of the Rice Owls and the University of Texas Longhorns in Houston next Saturday. The Owls, pre-season pick for a near cellar finish, have surprised not only Texas but the nation with their strong showing under a new coach, Jess C. Neely. The Longhorns, recognized as having great possibilities, have nevertheless displayed a drive considerably beyond the expectations of those whose business it is to figure gridiron possibilities. When these two touchdown-making machines clash in the bayou city Saturday the clatter will be heard up and down the land. The other conference contest of the week pits the Texas Aggies against the Baylor Bears in Waco. The Bears, with Jack Wilson, were figured to be about as good as the Aggies. Without Wilson, the Bears can't be figured to take Kimbrough and his gang of senior grid experts. However, A. & M. usually has plenty of trouble with Baylor in Waco. The Waco Jinx has thrown the Farmers for a loss more than once and they won't be able to take anything for granted. The Arkansas Razorbacks meet Ole Miss on a neutral field in Memphis, Tenn. The Horned Frogs of Texas Christian journey to Tulsa, Okla., for a go at the Golden Hurricane of the University of Tulsa. Neither contest will create too much excitement in conference circles, in view of the two family brawls which have a direct bearing upon the final disposition of the Southwest flag. Coach Dutch Meyer has won from Tulsa each year since he took over in 1934 as head coach at T. C. U. Dopesters generally give him 1940 eleven the nod to continue this string of victories.

Nat'l Grid Free Of Upsets As Mid-Season Line Reached

NEW YORK, Oct. 21 (AP)—The 1940 college football season is half over, roughly speaking, and for the first time it is possible to approach with some confidence the task of naming those sectional leaders who still are in line for national honors. The more important teams have followed "form" quite closely for the past week or two in everything but the size of the scores, so there are few, if any, cases of title contenders being upset by low ranking teams or of beaten outfits coming back into the races. The list of undefeated and untied major teams still is an impressive one but barring form reversals in this week's program of major games it should take in all the candidates for the mythical national championship. In this category are Boston College, Georgetown, Cornell, Pennsylvania and Fordham in the east; with such teams as Navy, Penn State, Columbia, Rutgers, Lafayette and Franklin and Marshall still boasting clean slates. In the south are Tennessee, Mississippi and Clemson; Northwestern, Michigan and Minnesota, the "big three" of the Big Ten, and Notre Dame and Detroit in the middle west; Texas Aggies and Texas in the Southwest and Stanford on the Pacific Coast.

Lone Star Loop Leaders To Clash At Huntsville

By The Associated Press
The defending league champions, North Texas Teachers, and the ranking contenders for the crown, Sam Houston's Bearkats, clash Saturday afternoon at Huntsville in the feature battle on card for the Lone Star conference this week. Southwest Texas opens its 1940 circuit play the same day at Nacogoches against twice-beaten Stephen F. Austin. The fifth member of the league, East Texas, meets a second inter-sectional rival in as many weeks, Ouachita (Ark.) Teachers at Arkadelphia, Ark., Friday night. North Texas showed something on the ball in last week's opening ISC battle, trouncing S. F. Austin, 27 to 0. Sam Houston Teachers, who only blinch on a five-game card thus far is a 7-6 loss to Texas A. & I., came through last Thursday with a 22 to 12 trimming of Southeastern Louisiana. The Southwest Texas Bobcats put up a stubborn battle before going down before the strong A. & I. Javelinas Saturday night 19 to 12. This week the Bobcats are favored to defeat SFA for the first time in four years. The East Texas Lions chalked up their fourteenth inter-sectional win in the last 16 starts with out-of-state foes Saturday at Commerce by downing Murray State Teachers of Kentucky, 21 to 14. SPORTS ROUNDUP

By EDDIE BRIEZE
BUFFALO, N. Y., Oct. 21 (AP)—Monday A. M. quarterback: I'll be a long time before the football form sheet runs as true as it did Saturday. . . . If there was even a mild upset among the major eleven, we're screwed. . . . Of course, if you want to ring in the Friday nighters, Temple's win over Michigan State was something to write home about. . . . The doghouse is empty. . . . Hero-zero department closed for the week—except we'd like to give a hand to Dave Allerdice of Princeton. . . . He pitched 21 of the Tigers' 40 aerials and completed 23 for almost all of the 350 yards Princeton gained by air. Today's Guest Star. Lynn C. Boyle, Philadelphia Evening Bulletin: "The tip was out early that George Mungler had a well-kept organization at Penn, but who could have guessed that the stitching was done with haywire?" Sports Cocktail. Latest is Jim Farley has until November 15 to go through with his \$4,000,000 deal for the Yankees. If Penn can get past Michigan, won't that Penn-Cornell scrap be a honey? . . . Your agent shuffled off to Buffalo today to attend the Buffalo A. C.'s big sports blow-out tonight. Telephone bill for persons wanting tickets to Alabama-Tennessee game more than three grand. Remember Babe Didrickson (now Mrs. George Zaharias) the tomboy golfer? . . . Well, you should hear her talking about her flower bed and hooked rug. . . . Nominations for the most amazing coach of the year: Clark Shaughnessy of Stanford. Ouch! Austin (Tex.) high played the Cleburne (Tex.) team the other day and won 27-0. . . . But what burns up Coach Standard Lambert of Austin is, five touchdowns were called back.

Harmon Keeps Score Honors

NEW YORK, Oct. 21 (AP)—The touchdowns genius of the Michigan Wolverines, Tommy Harmon, was slowed up by Illinois last week, but nevertheless he managed to hold onto the nation's individual scoring leadership against the threat of Penn's own superman, Frank Reagan. SOMETHING IN A NAME

TYNGSBORO, Mass., Oct. 21 (AP) Out of control, an automobile plowed through two telephone poles today, mowed down five concrete guard rail posts, and plunged down a 15-foot embankment. The driver stepped out, exhibited a slight scratch, his only injury. His name: Fortunato Leblanc, of Nashua, N. H.

Since the week's games may have important bearings on the outcome of the national race as well as conference contests, here's how the situation shapes up in various sections: East—Cornell and Pennsylvania, a pair of fine teams that looked better than ever in their conquests of Syracuse by 33-4 and Princeton by 46-28, respectively, invade the national field for the first time when they meet two of the Big Ten's biggest teams. Cornell plays Ohio State. The Bucks beaten twice, most recently 21-7 by Minnesota, don't look quite as strong this season as they did last year. Penn Michigan's high scoring team which swept up points 28-0 for its fourth straight win. Boston College, after a 60-0 walk-over against Idaho, faces Little St. Anselm. Georgetown, 4-4 winner over Virginia Tech, meets New York University, 13-7 victim of Holy Cross; and Fordham, 24-12 conqueror of Pitt, meets its favorite Pacific Coast enemy, St. Mary's, which beat Loyola of Los Angeles 15-7. Midwest—Minnesota's triumph over highly rated Ohio State put the Gophers on a par with Michigan and Northwestern, which walloped Wisconsin 27-7, in the Big Ten race. Indiana, triumphant 18-0 over Iowa in his first conference game, likely will go out of the running Saturday when it meets Northwestern. Minnesota plays Iowa and Purdue faces Wisconsin this week. Notre Dame, which just couldn't stop rolling against Carnegie Tech, winning 61-0, plays Illinois. In the Big Six Nebraska continues to look like the No. 1 team as it overwhelmed Kansas 53-2 but Missouri's Tigers also show in a 30-14 triumph over Iowa State. They meet in a decisive game Saturday while Oklahoma, 14-0 winner over Kansas State, plays Iowa State. Leading "independents" play inter-sectional games as unbeaten Detroit faces Villanova at Philadelphia, Marquette plays Texas Tech and Michigan State encounters Santa Clara. SOUTH—Some of Tennessee's supporters already looking for a Rose Bowl invitation now that the Vols have beaten Alabama by a decisive 27-12, but Tennessee hasn't won the Southeastern conference crown yet. Florida, 19-0 winner over weak Maryland, is next in line. Mississippi still tops the standings. The Rebels, 14-6 winners over Duquesne, plays Arkansas in another extra-circuit clash. Georgia Tech, 19-0 winner over Vanderbilt, meets Auburn, which yielded to Southern Methodist 20-13, and Louisiana State, 20-0 winner over Little Rock, faces Vanderbilt and Kentucky, 24-0 victor over George Washington, plays Georgia in other conference games. SOUTHWEST—The conference race at present is a two-club affair between the 1939 champion Texas Aggies, who trimmed Texas Christian 21-7 last Saturday, and Texas, 21-0 winner over Arkansas. The Aggies may find a tough customer in Baylor, 7-0 winner over Villanova, but the Longhorns shouldn't have much trouble with the Rice Owls, who lost 15-7 to Tulane. BIG SEVEN—Utah State's 7-0 upset triumph over Utah left Colorado's Buffaloes and Denver at the top of the standing. The Buffs whipped Colo. College 33-14 while Denver swamped Wyoming 41-9. Colorado gets a crack at Wyoming this week while Denver plays the Utes, who may be very dangerous on the rebound. PACIFIC COAST—Stanford's Indians again proved they have what it takes to go to the Rose Bowl when they trimmed Washington State 26-14, but they'll get the supreme test Saturday against Southern California. The Trojans bowled over Oregon 13-0 last week. Washington, 19-0 winner over Oregon State, shares the conference lead with the Indians. The Huskies next meet California, 9-7 victor over U.C.L.A.

Since the week's games may have important bearings on the outcome of the national race as well as conference contests, here's how the situation shapes up in various sections: East—Cornell and Pennsylvania, a pair of fine teams that looked better than ever in their conquests of Syracuse by 33-4 and Princeton by 46-28, respectively, invade the national field for the first time when they meet two of the Big Ten's biggest teams. Cornell plays Ohio State. The Bucks beaten twice, most recently 21-7 by Minnesota, don't look quite as strong this season as they did last year. Penn Michigan's high scoring team which swept up points 28-0 for its fourth straight win. Boston College, after a 60-0 walk-over against Idaho, faces Little St. Anselm. Georgetown, 4-4 winner over Virginia Tech, meets New York University, 13-7 victim of Holy Cross; and Fordham, 24-12 conqueror of Pitt, meets its favorite Pacific Coast enemy, St. Mary's, which beat Loyola of Los Angeles 15-7. Midwest—Minnesota's triumph over highly rated Ohio State put the Gophers on a par with Michigan and Northwestern, which walloped Wisconsin 27-7, in the Big Ten race. Indiana, triumphant 18-0 over Iowa in his first conference game, likely will go out of the running Saturday when it meets Northwestern. Minnesota plays Iowa and Purdue faces Wisconsin this week. Notre Dame, which just couldn't stop rolling against Carnegie Tech, winning 61-0, plays Illinois. In the Big Six Nebraska continues to look like the No. 1 team as it overwhelmed Kansas 53-2 but Missouri's Tigers also show in a 30-14 triumph over Iowa State. They meet in a decisive game Saturday while Oklahoma, 14-0 winner over Kansas State, plays Iowa State. Leading "independents" play inter-sectional games as unbeaten Detroit faces Villanova at Philadelphia, Marquette plays Texas Tech and Michigan State encounters Santa Clara. SOUTH—Some of Tennessee's supporters already looking for a Rose Bowl invitation now that the Vols have beaten Alabama by a decisive 27-12, but Tennessee hasn't won the Southeastern conference crown yet. Florida, 19-0 winner over weak Maryland, is next in line. Mississippi still tops the standings. The Rebels, 14-6 winners over Duquesne, plays Arkansas in another extra-circuit clash. Georgia Tech, 19-0 winner over Vanderbilt, meets Auburn, which yielded to Southern Methodist 20-13, and Louisiana State, 20-0 winner over Little Rock, faces Vanderbilt and Kentucky, 24-0 victor over George Washington, plays Georgia in other conference games. SOUTHWEST—The conference race at present is a two-club affair between the 1939 champion Texas Aggies, who trimmed Texas Christian 21-7 last Saturday, and Texas, 21-0 winner over Arkansas. The Aggies may find a tough customer in Baylor, 7-0 winner over Villanova, but the Longhorns shouldn't have much trouble with the Rice Owls, who lost 15-7 to Tulane. BIG SEVEN—Utah State's 7-0 upset triumph over Utah left Colorado's Buffaloes and Denver at the top of the standing. The Buffs whipped Colo. College 33-14 while Denver swamped Wyoming 41-9. Colorado gets a crack at Wyoming this week while Denver plays the Utes, who may be very dangerous on the rebound. PACIFIC COAST—Stanford's Indians again proved they have what it takes to go to the Rose Bowl when they trimmed Washington State 26-14, but they'll get the supreme test Saturday against Southern California. The Trojans bowled over Oregon 13-0 last week. Washington, 19-0 winner over Oregon State, shares the conference lead with the Indians. The Huskies next meet California, 9-7 victor over U.C.L.A.

ELECTION JUDGE NAMED AT FORSAN

With the general election a scant two weeks away, the Howard county commissioners court Monday ordered the appointment of Mrs. H. H. Hillyard as election judge at Forsan.

She succeeds W. E. Harriott, who has moved from the county. Harriott had served as judge for the box since the founding of the Forsan box. Mrs. Hillyard served as judge in the democratic primaries since Harriott was a candidate last season.

Committee Plans Christmas Affair

Members of the chamber of commerce trade extension committee were being summoned to meet at 3 p. m. today to discuss plans for the opening of the Christmas shopping season here.

Details surrounding the formal opening of the season with a parade and other activities were to be ironed out fully a month in advance of the contemplated date in order to avoid confusion resulting from last minute preparations, according to Darrell Douglass, committee chairman.

MARKETS Wall Street

By VICTOR EUBANK

NEW YORK, Oct. 21. (AP)—Stocks generally held to a do-nothing groove in today's market.

It was a sluggish session, with transfers running to around 350,000 shares, and prices for the most part were too narrow to give any real meaning to ticker tape variations.

An assortment of recent industrial favorites never did get ahead and, after a hesitant start, mild irregularity prevailed to the close.

The market, brokers said, still was confronted with a number of problems sufficiently obtuse to handicap potential buyers. These were: What is happening in the Balkans? Can the R. A. F. continue its thrusts at German and Italian territory? Is the simmering Far Eastern situation getting ready for a blow-off? Will swiftly rising domestic taxes hit stockholders in their dividend belts? Which way will the election campaign swing in the next two weeks?

At the same time the defense-steamed business machines remained on the upgrade. A case in point was the estimate of the American Iron & Steel Institute that this week's mill operations would advance .5 of a point at 94.9 per cent of capacity, a new peak since the organization began to publish its weekly compilation in 1933.

Livestock

FORT WORTH, Oct. 21. (AP)—(U. S. Dept. Agr.)—Cattle 3,700; calves 3,500; sheep, early bids and a few sales steady to weak in most classes of cattle; some cows 10-15c lower and calves and stockers about steady; practically no mature steers sold early and good fed yearlings 9.00-10.00; common and medium lots 5.50-6.50; butcher and beef cows 4.00-6.00; bulls 4.25-5.75; slaughter calves 2.50-3.00; good and choice stock steer calves 3.50-10.00.

Hogs 3.200; strong to 15c higher; top 6.00; 300-350 lb. butchers 5.00-6.00; 150-200 lb. 5.50-6.00; pigs and sows steady; heavy butcher pigs up to 5.25; stocker pigs 6.00 down; packing sows 5.50-6.75.

Sheep 1.900; killing classes steady; feeders scarce; fat lambs 7.50-7.75; medium to good wooled yearlings 4.50-5.25; wooled aged wethers 4.00-4.50; wooled ewes 3.50-3.75.

Here 'n' There

B. F. Robbins, veteran oilman and lease royalty dealer, has returned from the Independent Petroleum Association convention in Fort Worth. He was announced as a local director for the unit, returning to a place he held from 1930-34. He was accompanied by Mrs. Robbins, and they reported visiting with Mr. and Mrs. Robert Schermerhorn, formerly of Big Spring.

A motor turned tables on matters at the Day and Night Food Store on W. 2nd street early Sunday morning. Instead of keeping the refrigerator cold, as it was supposed to do, the motor got hot and created an abundance of smoke. A service station attendant turned in a fire alarm, and firemen quickly found the source of trouble.

From our east highway correspondents comes the tale of the latest thing in Sabbath thumbing—an ecclesiastical hitch-hiker. Clad in his Sunday best, the gentleman marked time by reading from his Bible, which was held conveniently at an arm's length so no motorist could fail to see.

Edwin C. McEwen, formerly of Brownsville, has been assigned to the staff of the department of commerce weather bureau here. He is a graduate of the University of Texas and a new appointee in the bureau service.

Crash reports dotted the police blotter Monday. Among those reported were collisions between C. Draper, Big Spring, and Roy Caldwell, Stanton, at 6th and Gregg; C. B. Vaught, Colorado City, and C. C. Forrest, Big Spring, at 3rd and Young; and C. F. Ingram and E. F. Marian.

Officers were investigating the burglary of a cabin at a local tourist court during the weekend. A considerable amount of clothing was reported stolen.

Recovered over the weekend was a 1928 model Chevrolet sedan reputedly stolen Saturday. It was found near the West Ward school.

Navy Continues To Take Recruits

Regular navy enlistments will not be halted because of registration under the selective service act, Lieut. W. B. Cranston, in charge of navy recruiting in this area, has informed officials of the Lions club.

The club here, as are most of them over the state, is cooperating with naval officials by disseminating to eligible young men information regarding the opportunities offered by the navy.

"Men who have registered for selective service may enlist in the navy," Lieut. Cranston advised Bruce Beaman, president of the Lions club. "They may enlist at the regular recruiting stations in the same way they could before registering." The only difference is that after enlisting they must notify the local draft board at once.

Requirements for enlistment in the navy include: good moral character, between ages of 18-31, unmarried and without dependents, proof of date and place of birth.

Sabotage Planned, Rep. Dies Asserts

DETROIT, Oct. 21. (AP)—Rep. Martin Dies (D-Tex.), chairman of the house committee investigating un-American activities, declared in an interview here today that he had "reliable information that in a short time" acts of sabotage would be committed in defense industries in this area.

He said that he had definite knowledge that there were 5,000 potential saboteurs employed here, many of them in key industries.

The Texas congressman said his visit here was for the purpose of conferring with informers whose identities, he added, must be kept secret because it is important to the safety of the United States.

FOOD FOR THOUGHT—Possibility that a new condensed food mixture that includes every vitamin except "C" and which might eliminate malnourishment is hinted by Dr. Robert S. Harris (above) of Massachusetts Institute of Technology. Dr. Harris said that there are two formulas of the concentrate composed of such things as skim milk powder, whole wheat meal, oats.

PLUMB TUCKERED OUT—Right in the middle of the Texas state fair, the sandman caught Wanda Janette Randolph, six-month-old daughter of Mr. and Mrs. C. W. Randolph of Dallas.

GO ROLL A HOOP!—Anyone with an overpowering desire to roll a hoop should lie himself down to Bunkie, La., where these barrel girdles belonging to a hoop factory are hung out to season and dry. The green cut hoops are rolled into bunches and, with a string to hold them fastened on, are then hung on the drying racks. Later they roll on a barrel.

WHAT'S NEW, NEWSIES?—Two lads from the Bronx, N. Y., Peter Grassl (left) and Bill Allen, helped Mrs. Robert Openshaw, as a London cop, stage an act at a society relief benefit in New York to raise funds for the aid of Great Britain.

BRITON—Capt. Oliver Lytton (above) became new president of Britain's board of trade in early October shakeup that followed the resignation of Neville Chamberlain.

THE TEAM'S WILLING—Admittedly one of the best shots on Ohio State University campus, Helen Jenkins has been denied a place on the varsity rifle squad in Columbus. She has appealed coach's ruling to athletic board, with student backing.

FROM THE PHILIPPINES—American beauties might look to their laurels, now that pretty Beatrice (left) and Concepcion Roces have come to Washington to visit a brother. Their father is Marcos Roces, prominent Philippine publisher.

JOURNEY—When his strength returns, Jan Faderewski, now in Lisbon, will continue on to U.S. to make his home. The famous Polish pianist will be 80 years old Nov. 6.

DEFENSES ON PARADE

VISITING AMERICANS—Second group of Central and South American officers to reach capital for a tour of defenses includes Gen. Guillermo Jose Mohr (left), Argentina's inspector general, whose companion is Secretary of War Henry L. Stimson. Chile, Nicaragua, Mexico, El Salvador, Ecuador, Argentina, Brazil, Paraguay, Venezuela and Cuba are represented in second group.

BATTLER—Italy's popular Crown Prince Umberto (above) is serving his nation in the European war. Umberto commands Italian army in the west. He's 36 years old.

WAR HEADGEAR—Stern, as befits these times, are Italy's King Emanuel (left) and Premier Mussolini, in recent photo.

EVEN THE LITTLEST—Count in Vance Swift, 30-inch-high midcet, among the more than 18,000,000 men who registered in Oct. 16 draft call. He seemed to enjoy the registration, which was with Mrs. Nellie Mallio, at Corcoran, Long Island.

TRYING OUT NEW FINS—Several lessons in how to behave in water were given above Ryan S-T training plane, the first such craft to be equipped as a seaplane and tested at San Diego, Cal. The Ryan S-T military land planes are used by the U.S. army air corps and by several foreign governments. The plane is equipped with a 150-horsepower engine.

BANDMAN—Dressed for the part, Fred W. Pike, director of the McAlester prison band at McAlester, Okla., shows how he'll add sartorial color to a rodeo soon to be presented. Note that his name is well displayed on the fancy chapeau.

DEFENSE TOPICS—What Brazil said to U.S.A. is a matter between U.S. Army Chief of Staff George Marshall (left) and Gen. Pedro de Goes Monteiro, Brazil's chief of staff. The latter is in U.S. to inspect nation's defense program.

Purity Is Stressed In Dr. Pepper Drink

Bottling Unit Here Operated By Stalcup

Purity of product is the paramount aim of the Dr. Pepper Bottling works, operated in Big Spring by Harry Stalcup.

Latest methods are employed at the plant at 1006 West Third which turns out the beverage popularized by such slogans as "Drink a Bite to Eat," and "10, 2 and 4." Special processes are used to take all foreign matter out of water used in Dr. Pepper, and bottles must go through an involved and intensive process that makes them thoroughly clean and sanitary.

Stalcup opened up the present plant in 1929, coming to Big Spring from Haskell, where he operated a similar plant. The Big Spring unit is home-owned, Stalcup holding a franchise from the Dr. Pepper company. He buys the syrup used from maker but that is the limit of his connection with them.

Nine Counties

The franchise extends over nine counties. Howard county line is the eastern limit, Crane the west, Dawson county the north, and Glascock county the south. Storage is maintained at Midland, Odessa and Lamesa.

Eight hundred cases of bottled drinks can be turned out at the Stalcup plant in a day, although the day's run fluctuates according to the season. During the fall and winter months seven men are employed at the plant but the staff is considerably expanded during the middle of the summer.

Before a container of Dr. Pepper reaches the finished state and is ready for the consumer, it must go through several testing steps. Water is first put in a settling tank and treated with chemicals. Anything left in suspension in the water is removed when it goes through a sand and activated carbon filter. Especial care is taken to remove all unwanted minerals from the water because these metallic salts sometime give a flavor to the drink that is undesirable.

Dr. Pepper, although not widely distributed before 1929, has been on the market for fifty years. The original producer did not see fit to extend his selling area beyond the section around Waco, consequently the drink did not receive the widespread advertising that is now one of the outstanding features of Dr. Pepper. Since that time, Dr. Pepper has climbed steadily in the consumers' estimation to where it now ranks as one of the leading sellers in the soft drink line.

Stalcup's plant is equipped with a Red Diamond filter. This machine holds top place in the industry as an efficient and modern unit. It places the containers in position, supplies the charged water, adds the syrup, and caps the bottles without being touched with the hands of workmen.

An accurate test of the water used is made several times a day. These tests are passed upon by a state and county examiner, and must keep to a certain level of purity for the plant to keep in operation. Stalcup's methods of handling his product keep him high on the examiners' records.

Stalcup also handles four nationally known soft drinks plus one of his own, Nu Grape, Delaware Punch, 7 Up, Orange Crush and his own bottled drink, Big Chief, is distributed throughout this area by Stalcup.

"Stooge" in Holdups Repents
SAN BERNARDINO, Calif. (UP)—A jewelry salesman, admitted to police he had staged several robberies, in each of which he was the "victim." In one of the holdups, he admitted "stooges" directed by him took jewelry valued at \$1,980.

MODERN METHODS are employed at the Dr. Pepper Bottling company in Big Spring, owned and operated by Harry Stalcup, who distributes the popular beverage over a nine-county area. Here is shown the efficient bottling machine, with H. R. Spivey removing filled bottles while Smith Hull looks on. Seven men currently are employed at the plant, but the force is considerably expanded during the big-volume summer months. (Kelsey Photo).

Logan Has New Equipment To Increase Feed Output

With the harvest season coming on, Logan Feed & Hatchery, 817 E. 3rd street, is in a better position than ever to turn out feed products to meet a growing demand in this region.

New equipment has been added, equipment that will greatly increase the capacity of feed manufacture and mixing.

One new unit is a thresher, said to be the fastest in this area and

which will turn out eight tons an hour, or up to 80 tons on an average 10-hour daily run.

Keeping pace is a feed mill which grinds out 30 tons a day and two mixers to blend feed. One is for dry mix and the other for molasses mix. Incidentally, Logan Feed & Hatchery's demands have become such that molasses is purchased in tank cars for infusion into processed feed.

Another unit which adds to the

efficiency of the feed department is an oat and barley crimper, a contraption which increases the digestibility of small grains for animals. Besides this, the concern has installed a cleaner, 10 times larger than the one formerly in use here, to clean grains and seeds.

Besides all this, Logan Feed & Hatchery has a battery of incubators with 135,000-egg capacity, hatching chicks which command a market to the far reaches of the nation. Big Spring hatched chicks thus go as far as California and Florida.

Twins Cafe Has 'Steady' Customers

After 12 years in the business the Coker twins, Lonnie and Leonard, still are confusing their customers as to who is who. The only thing the customers are sure of when they enter the Twins cafe is that they will like the food they order.

The twins began their business venture when they were out of school and established their present cafe at 206 West Third street, just seven years ago this coming April. To divide the work Lonnie and Leonard take turns doing the cooking and minding the cash register.

One day one twin works in the back and the next day the other takes his turn doing the cooking but both claim to like both the cooking and business end equally.

That their customers like the food is evident in the fact that they are still serving some of their first customers that came to them opening day nearly seven years ago.

Their cafe is equipped to seat 45 persons at the counter and booths that are attractive in leather and chromium. They have seven persons employed not counting themselves and even during the rush hours their service is prompt and courteous.

They serve a variety of food and keep their menu varied enough to tease lagging appetites and have prices to please the average man's pocket book.

Oil Industry's Part In Defense To Be Discussed

RAY L. DUDLEY
FORT WORTH, Oct. 21—The importance of the Texas oil industry to the national defense program will be the keynote address by Ray L. Dudley, Houston publisher, at the twenty-first annual meeting here Oct. 31-Nov. 2 of the Texas Mid-Continent Oil & Gas Association. Dudley, publisher of several oil trade magazines, was announced as one of the principal convention speakers by President E. L. Smith of the Texas Mid-Continent.

Regarded as one of the best posted men in the country on the oil business, Dudley will speak on "The Industry is Ready," a discussion of the petroleum industry's ability to meet any increased demands for national preparedness. The oil publisher is widely traveled not only in this country but also abroad, and recently returned from an extensive survey of the oil industry in South America.

Nearly 1,000 Texas oilmen are expected to hear Dudley's talk and other convention speeches. The meeting is the annual business conference of the Texas petroleum industry, with addresses on current oil topics by nationally-known speakers. Business sessions will be devoted to a discussion of the problems of the industry.

Old, Old Grocery Bill Paid
ATLANTA, Ga. (UP)—Mrs. W. E. Woods was surprised when she received a letter with a \$5 bill enclosed. The note said: "I owe you \$5. I owed your husband." Her husband, formerly a Newman, Ga., grocer, has been dead since 1918.

**CHEVROLET REPORTS
INCREASE IN SALES**

DETROIT, Oct. 21—Immediate sales gains registered by the new 1941 Chevrolet, introduced September 21, increased during the second ten days of the new model season, it is announced by W. E. Holler, general sales manager. Chevrolet dealers reported a total of 30,050 new passenger and commercial car sales during the first ten days of October, he said. This represents an increase of 22,699 units over the same period last year for a gain of 308 per cent.

Used car sales likewise held to the upward course that has characterized the Chevrolet sales picture, with a total of 41,207 reported by dealers. This is an increase of 11,813 units over the first ten days of October last year, and is an increase of 40.2 per cent.

40-Hour Week In Effect On October 24

AUSTIN, Oct. 21—Peter M. Tamburo, acting assistant regional director for the Wage and Hour Division, estimates that more than 1,500,000 workers in the United States will have their work week shortened to 40 hours beginning October 24.

There will be no change in the minimum wage rate which remains at 30 cents an hour until 1945, at which time it advances to 40 cents.

Tamburo emphasized that under the Wage and Hour Law the standard of measurement for the number of hours which may be worked is the work week and not the work day.

"The law permits employees to be worked any number of hours beyond 40 in any one work week," he said, "provided they are paid time and a half for the overtime."

Defending the time and a half for overtime provision in the law, Mr. Tamburo declared that if labor is to be asked to sacrifice some of its leisure time, especially in the interests of the national defense program, "it is nothing but fair to require the employer to make an equivalent sacrifice for national defense in terms of somewhat higher labor costs."

POPULAR EATING PLACE in Big Spring is the Twins cafe, located at 206 West Third street. It has been operated for seven years by Leonard and Lonnie Coker. They expect many patrons who have been "steady" since the day the cafe opened.

Editorial

One of the most persistent reasons offered why President Roosevelt should be elected for another term is that he will keep us out of war. It is a case of the wish being father to the thought. The president, no matter who may be filling that office, cannot keep the nation out of war should the people decide there is cause sufficient to take us into active conflict. That was demonstrated in the case of President Wilson in 1917, after he had been re-elected with exactly the same slogan.

Washington Daybook

WASHINGTON—Among my reports on the state of the nation, this one shall be titled the American Indian and National Defense. The crying need for such a survey became apparent the other day when Chief Wilfred Cross of the Senecas and three chiefs of the Senecas caused something of a tempest in a teacup by announcing to the young braves of their tribes that the Senecas and Mohawks being independent nations and none of the tribe members being a citizen of the United States, they did not have to register for the draft.

dent because he will keep us out of war what reason he has for holding such belief or making such statement. What will be his answer? What citizen is able to give a concrete reason why and how the president, any president, will keep out of war a nation that may have decided war is a necessity.

Keeping Out Of War

Between 12,000 and 17,000 Indians were in service in the World war and the record of their exploits is one of distinguished service throughout. Officials in the bureau of Indian affairs here say that apparently the same qualities which made the Indian such formidable foes in the days when they were fighting each other and the pioneers has not been lost to the race through generations of peace. They have courage under fire, endurance, alertness, scouting ability and an instinctive knowledge of the best methods of fighting.

The Herald's Serial Story

The Road To Shani Lun

Chapter Ten BANDITS AHEAD

Temu ordered Bula to stop and went back to talk with the other chauffeurs and gunners. Bula hauled out his knifing from the front of his cloak and went to work. The Frenchman stepped out and buried his head under the hood of the car. When Temu returned he carried on a low-voiced conversation with Bula and then spoke a few words to the mechanic in French.

They took a chance on a second canyon and descended to a flat, gravel-strewn valley, to climb again to a high divide. The place seemed desolate of animal life, human inhabitant, or traveler. They crossed unmolested, swung into the upgrade ruts and were taking the last long steep pitch to the comparative level of the top, when a sniper on the cliff above opened fire.

The machine guns drummed; men shouted; horses screamed. In all this horror and confusion something drew the girl's gaze to the side of the road. She saw a brigand rise from the ground and swing an old matchlock on a tripod. A wild excitement rose in her. As if impelled by the spirit of her Indian-fighting ancestors, she knelt and lifted Temu's rifle to her shoulder.

"I'm fine," she answered—and fainted, thus emulating in a few moments both her pioneer and her Victorian grandmother. When consciousness returned Lynn was lying on a robe beside a sandstone boulder with Temu Darin sponging her forehead and temples with a wet handkerchief. She pushed his hand away and sat up.

"The kitten is hungry," he said. Lynn took a chicken sandwich and fed the little animal flakes of meat, and presently found that she was eating a few morsels herself. As he ate his own lunch, Temu poured her a bowl of tea from a vacuum bottle.

Man About Manhattan

NEW YORK—The city lights, neon and otherwise, beamed and shimmered in the mid-afternoon rain. Cabs skidded across the wet pavements, crowds jostled as unconcerned as if there were no rain at all. A delivery truck drawn by a big percheron horse got caught in the traffic, and cops, their whistles blaring, moved out to untangle him.

Man About Manhattan

waiian night spot, the Club Waikiki, is Ray Kinney. This club will have Andy Iona when it opens. It was Iona, composer and arranger, who played the Lexington's Hawaiian Room when it first opened. As the trend seems to be toward dynamite refreshments that will jar the daylights out of you—the Zombie, for instance—the Waikiki has come up with its own sweet sleep-product. Its name: the Micky-Hula.

"I had to choose between bandits," he said. "And so you chose me," he said whimsically, refusing to take offense.

"Of course not," he exclaimed. "The Prince would not be a party to such a deal. He does not desire a slave. You are free!" and combatting the disabled in her eyes, he repeated, "You are free, I tell you. You'll come nearer being worshipped in Shani Lun than being enslaved. You're a goddess to the people."

Big Party For Rayburn

BONHAM, Oct. 21 (AP)—Texas speaker of the national house of representatives, Sam Rayburn, here briefly before the whirlwind last lap of the national presidential campaign, has had to snatch time to look over his farm and visit his ranch.

To his home just west of Bonham since the democratic stalwart returned from Washington Saturday have come not only neighbors congratulating him on elevation to the speakership, but Texas party leaders eager to discuss campaign prospects.

His homefolk, with Mayor Joe E. Hrdlicka supervising arrangements, planned to entertain thousands of visitors from Texas and Oklahoma tomorrow in a great homecoming celebration for the speaker which will climax in his night address to a democratic rally.

Rayburn is chairman of the Roosevelt campaign in the southwest. He will go to Dallas Wednesday to confer with Texas leaders on the campaign, possibly mapping plans for the last ten days of the race.

The party's state campaign headquarters in Austin announced that Myron G. Blalock, Texas national committeeman, would give the

speaker a full report on the campaign in Texas.

Signs pointed to the rally here as perhaps the greatest democratic gathering of the presidential campaign in Texas.

Several congressmen from Oklahoma, Arkansas and Louisiana will take part in the night rally, sponsors said.

Rites Said For T. D. Richards

Funeral services for T. D. Richards, long-time resident of Howard county and farmer of the Knott community, were held at 3:30 Sunday afternoon at the Eberley chapel. Mr. Richards, 67, succumbed at 1:25 a. m. Sunday at his home, following a brief illness.

C. E. Higginbotham, minister of the Church of Christ, conducted rites, and burial was made in the city cemetery. Pallbearers were Pat Garrett, Ira Dement, Leonard Smith, Floyd Shortes, Wilmon Burka and Raymond Nell.

Native Texan, Mr. Richards was born in Freestone county April 12, 1873. He had resided in Howard county for 34 years, farming during all that period.

Survivors include two daughters, Mrs. Nina Loudamy of Miles, and Mrs. Lela Lumpkin of Knott; one grandson, five granddaughters, and a brother, E. C. Richards of Merkel.

Honorary pallbearers were Charles Burka, Willie Walker, Jim Walker, Jack Reed, Walker Reed, Shine Phillips, Reece Adams, W. G. Hayden, W. W. Long, E. O. Jones, Nixon McGinnis, Sam Little, Ed Brown, Dr. Clyde Thomas, T. S. Currie, Owen Walker and John Merrick.

State Man Aids In Slaying Probe

CLAREMORE, Okla., Oct. 21 (AP)—A state investigator, A. J. West, was assigned today to aid in solving the slaying of Blair L. Barnes, Long Beach, Calif., whose slashed body was found in an abandoned coal pit near here last Thursday.

Mr. and Mrs. Fred L. Barnes, Corry, Pa., yesterday visited a Nowata, Okla., mortuary and identified as their son's clothing worn by the victim. Earlier plans to return the body to Corry were abandoned and young Barnes has been buried at Nowata.

Deputy Sheriff Henry Skidmore said the elder Barnes, a Corry city councilman, also identified a cedar chest and its contents as belonging to his son. A farmer and his son were arrested after the chest was found at their farmhouse. The farmer later was released, but the son still was held for questioning.

THANK YOU, Mrs. French

"After the kitchen, next 'port of call' is in the dining room, where the meal receives its final touch in a background of beauty and comfort . . . Here is added genuine American charm, the most satisfying part of all our efforts to plan and serve foods at home.

"In Big Spring I found these furnishings at Barrow's large store on Runnels Street, and it was from that stock that I selected the Dining Room Suite for display at the Cooking School," Mrs. French said.
