A Tribute to Dads on Their Day, June 16:

FATHER

A father is a thing that is forced to endure childbirth without an anesthetic. He is a thing that grows when he feels god and laughs loud when he's scared.

A father never feels worthy of the worship in a child's eyes. He's never quite the hero his daughter thinks, never quite the man his son believes him to be, and this worries him, sometimes.

So he works too hard to try and smooth the rough places for those of his own who will follow him.

A father is a thing that gets very angry when the first school grades aren't as good as he thinks they should be. He scolds his son, although he knows it's the teacher's fault.

Fathers are what give daughters away to other men who aren't nearly good enough, so they can have grandchildren who are smarter than anybody's.

Fathers make bets with insurance companies about who will live the longest. One day they lose and the bet's paid off to the part of them they leave behind.

We don't know where father goes when he dies. But we've an idea after a good rest, wherever it is, he won't sit on a cloud and wait for the girl he has loved and the children she bore.

He'll be busy there, too, repairing the stairs, oiling the gate, improving the streets, smoothing the way.

Copied

Our verbal bouquet this week goes to Lloyd and Mary Coker who are moving to Glen Rose this week and we shall miss them but wish for them a successful ministry in this new field. Thank you Mary for the faithfulness and devotion with which you wrote the Methodist Church column.

Ray Nunnally

ATTENDS SECRETARIES' CONFERENCE - Office procedures and the responsibilities of a county Farm Bureau office secretary were discussed at a two-day conference June 5-6 in Dallas. Johnnie Housh (left) and Ann Justice, office secretary for Eastland County Farm Bureau, are shown discussing the conference with one of the instructors, Mrs. Creola Wobbe of Waco, assistant secretary for the Texas Farm Bureau. The conference was one of three sponsored in June by the Texas Farm Bureau.

F.B. Secretaries Attend Conference

Ann Justice and Johnnie Housh of Eastland, office secretary for the Eastland County Farm Bureau, attended a two-day conference on the role and responsibilities of county FB office secretaries June 5-6 at the Baker Hotel in Dallas.

One of three such meetings held around the state in June, the conference was conducted by the Texas Farm Bureau. Courses in various office procedures and activities were offered for the 28 secretaries attending the Dallas meeting. Texas Farm Bureau staff members were instructors for

the sessions on membership processing, Farm Bureau history and philosophy, the role of the office secretary in the overall Farm Bureau program, newsletters and news writing, service-to-member programs, and current Farm Bureau activities.

The Texas Farm Bureau is organized in 209 counties in Texas. Most of the county units have offices and many of them own their own buildings.

Eastland County Farm Bureau, which has 1191 members, has an office located at Highway 80 East in Eastland.

Mrs. C.M. Carroll Named Chairman Of September Breath Of Life Campaign

Mrs. C.M. Carrol has been named chairman in Rising Star of the September Breath of Life Campaign to fight children's lung-damaging diseases, according to Kenneth J. Mackintosh, president of the Dallas Area Cystic Fibrosis Chapter, National Cystic Fibrosis Research Foundation.

Mrs. Carrol will lead local volunteers in raising funds to support research and care programs for children affected by lung-damaging diseases like cystic fibrosis, severe asthma, chronic bronchitis, and bronchiectasis.

Mrs. Carrol is an active member of the Church of Christ.

Approximately one of every 1,500 babies is born with cystic fibrosis which is still incurable. CF is inherited when both parents carry the recessive gene for CF. It is believed that one in twenty persons, or a total of ten million Americans, is a symptomless carrier of this gene. Current research funded by the National Cystic Fibrosis

Research Foundation is seeking a practical test to identify these carriers, as well as a cure for CF and better methods of treatment for all lung-damaging diseases.

Because of improved treatment developed through research, many CF patients are now living into their teens and young adulthood. This same treatment is also benefiting and often curing children suffering from other lung-damaging diseases.

"Most people don't realize that there are millions of children in the U.S. affected by lung-damaging disease", said Mrs. Carrol. "For some of these children breathing is a struggle, rather than the natural function we, who are lucky, take for granted."

The Breath of Life Campaign supports not only research, but diagnosis and treatment of children with lung-damaging diseases in CF centers across the country. There are more than 110 of these Centers which also provide for educational programs and research.

Library Open To Public On Thursday

Mrs. M.B. Shook, president of the Saturday Club reminds the residents of Rising Star and the surrounding area that the Library is open each Thursday morning from 9:30-11:30.

New books are being added to the shelves. The public is invited to take advantage of this

service.

Mr. and Mrs. Ted Hudson have donated a set of Funk-Wagnall Encyclopedias and Rev. and Mrs. Lloyd Coker have given several books to the Library. The Saturday Club expresses sincere appreciation for these contributions.

Lugene Michael

Howard To Graduate

Lugene Michael Howard of Oklahoma City, Okla., daughter of Mr. and Mrs. Floyd Michael of May, has been named to the Distinguished Student List for the spring semester of the American College of Health and Business Careers in Oklahoma City.

Lugene will graduate Friday evening, June 21. She is training to be a lab technician and will intern in a Dallas hospital.

Methodist Church

Slates Bible School

For June 10-14

Vacation Bible School began Monday, June 10, and will run through Friday, June 14, at the United Methodist Church in May, Texas.

Classes will be for pre-kindergarten through Jr. high ages. Children of all denominations are invited. The theme of the Bible School is God and the World Around Us.

Amity Homecoming Well Attended

Residents and friends of the Amity Community gathered once again on the first Sunday in June at the Amity Church for the all-day singing, with dinner on the grounds, as begun in 1891, and the cemetery association annual business meeting. The readiness of the grounds presented an atmosphere - deigning "we have only begun".

Remember hearing music over tree and meadow coming from "the old country church"? The psalmist seemed to say "Let us go unto the House of the Lord" as a familiar gospel piano solo rendered by Frances Lee, daughter of Thill Lee, halted the outdoor visiting. Moderated by Norman Ray, singing by all, a vocal solo, recounting the past and the business meeting ended the morning session, to begin the long awaited noon repast.

Highlights of the afternoon were group singing, saxophone solo by John Henry Elem, son of Peggy Robertson Elem, who had just returned from an Austin contest, harmonica and accordion rendition and quartets. On being dismissed, many agreed that the 1974 gathering was very successful and enjoyed highly.

Mrs. O.J. Reynolds provided the following names of those who registered: Edd Kennedy, Gladys Smith Crow, Mrs. Margie Earp, Mrs. Ruby Murdock, Leroy Woody and son Calvin, Everette Parker, Grace Morrison and son Kenneth, Mrs. Flora Westerman, Mrs. E.R. West, Mrs. Bertha Thomas Fitzpatrick, Everette and Alice Harris, Mr. and Mrs. Joe West, Mrs. Maggie Smith, Emma West and Mrs. Marion West.

Also Mr. and Mrs. Fay Rankin, Mr. and Mrs. Jay Rankin, Coy Rankin, Elizabeth Robertson, Rev. Dick Williams and several people with him who were unregistered, all of the above were from Rising Star.

John Plummer, Buster, Mrs. J.W. Stewart, Mr. and Mrs. Jerry Lindley and children, Mrs. Ruby Hurst, Mrs. Effie Anderson, Mrs. Eugene Pallet, Beth and Cindy, Herbert Henry, all of May.

Mr. and Mrs. John Robertson, Reagan Rankin, Mrs. Dorothy Abby, of Comanche, Iris Wells, Vernon McBride of Brownwood, Luther Weaver of Weatherford, Guy Weaver, Mineral Wells; Polly Newbury, Blanket; Wit Robertson, Talpa; Bobby Robertson, Martin and Wesley of Midland.

Peggy Robertson, Ellen and son of Odessa; Mr. and Mrs. J.B. Kirkpatrick of Corsicana, Mrs. Bess Rasco, and Dwight McBride both of Sweetwater; T.C. Lee of Stephenville, M.L. Rea, Plainview; Ethel Rea Hyde, Garland; Ione Rea Hewett, Abilene; Modena Rea Stafford and Mr. and Mrs. Roy Woods, Brownwood; Mr. and Mrs. Travis Martin, Plainview; John Taylor, Brownwood.

Also Mrs. T.P. Metcalf, Seagraves, Mrs. Harley Pugh, Seagraves; Vernon McBride, Brownwood; Doris McBride West, McKinney; Francis Lancaster, Bob Napier, Sr., Peggy Catece, Fox and Ruth Middleton.

Attending from Amity were Mrs. Edna Johnson Vaughn, Mr. and Mrs. Homer West, Bob and Al, Mrs. Bess L. Wright, Norman Ray, Mrs. O.J. Reynolds and Bob, Merkel; and Mr. and Mrs. Earl Steel from Cisco.

In the afternoon the Amity Cemetery Association treasurer, Elizabeth Robertson, reported that the permanent fund to provide perpetual care in the future - a fund established in June, 1971, had grown to \$4,729.76. She expected the day's donations plus interest to raise the total to \$5,000, by July 1, 1974. An amount of \$264.00 in Memory of Mrs. J.B. Littlefield had recently been added by her friends in Philadelphia, Pa., and surrounding area. In addition to the permanent fund an upkeep fund is used to keep the cemetery throughout the year. Friends and relatives who wish to contribute may send money to Amity Cemetery Association, Elizabeth Robertson, Rising Star, Texas, 76471.

Special thanks to D&T Bldg and Supply who has followed the custom of their predecessors Rutherford and Steel in furnishing the table tops.

Mrs. Alice Groves Dies In Florida

News of the death of Mrs. Alice Groves was received here last week.

She will be remembered as the niece of Miss Annie Innes, with whom she lived until Miss Innes' death.

Mrs. Groves was a charitable and lovely person and was well known and loved by all. She came to Rising Star with her brother, Louis Groves, in the 1930's to live with and care for her aged aunt.

In 1963 she moved to Miami where she lived with her daughter until her death. Her two grandchildren, Carmen and Jimmy, also live in Florida.

Mrs. Groves was a member of the Saturday club and the Luncheon Club when she lived in Rising Star.

NOTICE

Mrs. Eunice Pointer will conduct swimming classes at Lakewood swimming pool beginning June 18. A new class will follow every two weeks. If interested, call 725-6589.

Mr. and Mrs. Glen Henry "have enjoyed their 26 years with Western Auto Associate Stores" - and now they are planning to enjoy retirement too!

The Glen Henry's Foresee Retirement As "Something Really Good"

All good things must come to an end, so they say, but sometimes such an end can be the beginning of something better.

So think Glen and Lenell Henry who, on May 31, turned over operation and ownership of the Rising Star Western Auto Associate Store to Mr. and Mrs. E.L. Vaughn of Mineral Wells, thus ending 26 years of a husband and wife partnership in that business.

It was a pleasant and profitable employment and they enjoyed every year of it. But now they are looking forward to spending the remainder of their years - and they would seem to have many of them - among the people who made possible their retirement and the many wonderful memories they take with them. "The most beautiful people in the world", said Glen Henry. "We love every one of them and we are going to enjoy spending our retirement in their companionship. That wonderful prospect for us the beginning of something really good."

The grateful Henrys mean to continue to be a part of the community life in which both were born and reared. Not as business people.

"No jobs, mind you", said Glen. "I've joined the "Honey do" Club. You know - "Honey, do this, and "Honey, do that"."

But with time off for trips to the Gulf Coast fishing spots and for other unhurried blessings of retirement, they mean to keep their places in the community social and institutional activities - the Lakewood club, the Chamber of Commerce, the Methodist Church and the various other organizations in which they found opportunities for self-expression. The Henry residence on West Pioneer Street won't become a hermitage.

It is unlikely either could adopt a retirement career of complete withdrawal. Each has been too active in business and community affairs. As a matter of fact, Mrs. Henry, the former

Lenell Clark, daughter of Mr. and Mrs. Lee Clark, was as close to and as involved in the store they sold as was Glen, enabling her husband to devote a considerable portion of his time to community service. He served 12 years as a city councilman, one term as a school trustee, was a member of the chamber of commerce and of the Lakewood Club and is a director of the First State Bank.

Glen speaks of his wife's contribution to their business partnership in a tone of grateful reverence. His own parents were Mr. and Mrs. Lee Henry, both deceased.

In addition to their duties at the store - keeping records, salesmanship and helping with the management - Mrs. Henry found time not only to keep the "home fires burning" but to participate in various social activities and in church work.

The Henrys went into business on March 15, 1948. They were married shortly after their graduation from the Rising Star High School. They have one son, Eddie Henry, a teacher in the public schools of Andrews, Texas. There are three grandsons to round out the immediate family circle.

Mr. and Mrs. Vaughn, to whom they sold, come from Mineral Wells where Mr. Vaughn was a flying instructor at Camp Wolters, the military base and flying school now closed. Incidentally, in coming to rising Star Mr. Vaughn will find a fellow faculty member of that school, Lt. Col. A.W. Griffin, Ret., who taught navigation to fliers in training for Viet Nam.

"We are very glad to be able to turn our store to people such as Mr. and Mrs. Vaughn who we know will serve our former customers as they deserve to be served", said Glen. "We want Rising Star people and especially our customers to know that we deeply appreciate what they have done for us. They have been wonderful."

Mr. and Mrs. Henry Honored With Party

Mr. and Mrs. Glen Henry, who have just retired from their business as owners of Western Auto Associate Store, were honored last Saturday night, June 1, 1974, with a Retirement Surprise Party, which was held at Lakewood Recreation Center. It sounds unbelievable, but they were totally surprised.

Those attending were: Mr. and Mrs. Jay Koonce, Mr. and Mrs. James Utherford, Mr. and Mrs. Lee Hughes, Mr. and Mrs. Andy Griffin, Mr. and Mrs.

Curt Smith, Mr. and Mrs. Bill Medley, Mr. and Mrs. Bob Shults, Mr. and Mrs. H.B. Sone, Mr. and Mrs. Pete Starks, Mr. and Mrs. Don Boyett, Mr. and Mrs. Jack White and Mr. and Mrs. Robert Butler. Several were unable to attend.

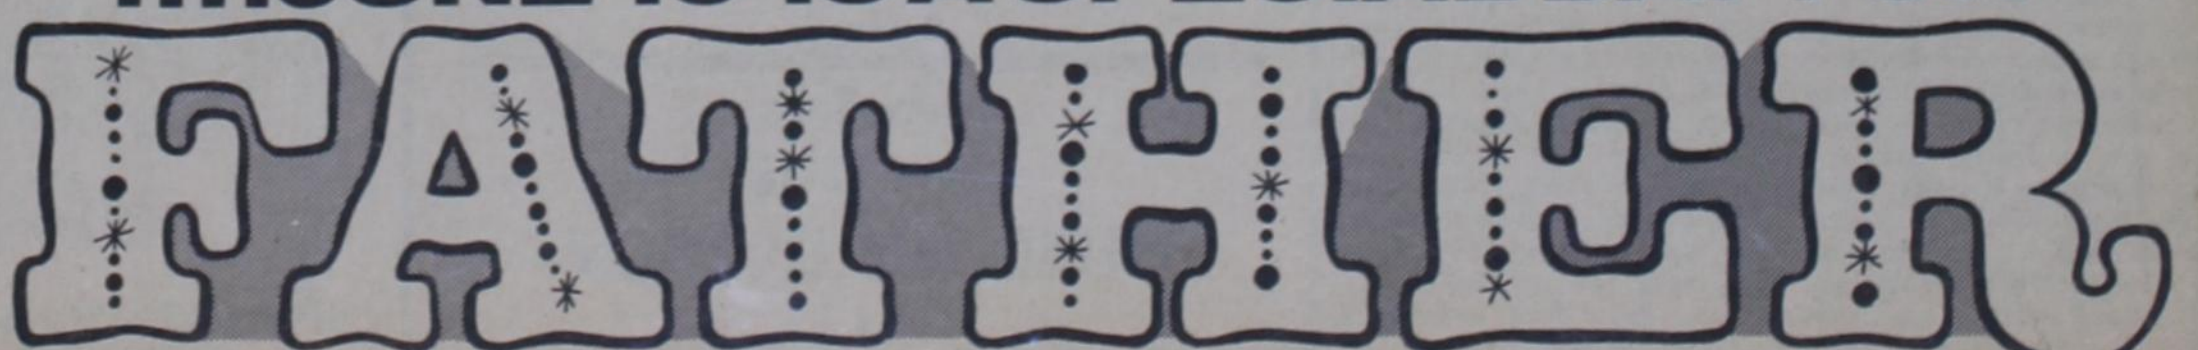

The party began with a covered dish luncheon, which was delicious, and afterwards, the group played bridge. Everyone present commented on what a good party it was and what a nice time they had.

Brenda Butler has been elected Assistant Drum Major and Head Twirler for the De Leon High School Band for the 74'75 school year.

Brenda is the daughter of Mrs. George Lenord of Sipe Springs and Joe Butler of Rising Stars. She is a former student of Rising Star schools, but for the past three years she has attended school in De Leon where she is a junior.

Thoughts

From The Living Bible
But God showed his great love for us by sending Christ to die for us while we were still sinners. And since by his blood he did all this for us as sinners, how much more will he do for us now that he has declared us not guilty? Now he will save us from all of God's wrath to come. And since, when we were his enemies, we were brought back to God by the death of his Son, what blessings he must have for us now that we are his friends, and he is living within us!

Mint Appeals For The Return Of The Penny

I'm calling on every American to get the penny back in circulation and keep it there. Mrs. Mary Brooks, Director of the Mint, said today. I'm calling on the banking industry to welcome the return of pennies during the month of June. I'm urging schools, churches and charities to examine ways and means to involve their members in collecting pennies for deposit.

The price of copper has retreated, closing at \$1.15 per pound on May 20. There will be no aluminum penny. The 62 billion pennies produced during the past 15 years have no numismatic value ad because of the huge mintage they will never attain great value.

Nevertheless, speculators - and hoarders of pennies have caused what seems to be a shortage of pennies in certain areas of the country.

But there is no shortage of a supply of pennies.

Creating a shortage where it does not exist can adversely affect every public spirited citizen, taxpayer and conservator of the earth's resources. It is inflationary should merchants start to round off sales to the next nickel due to lack of pennies to make change.

Again, I'd like to emphasize. There are plenty of pennies. But they are in the wrong places.

It is estimated that over 30 billion pennies are in circulation - doing the job for which they were intended. Somewhere in this vast country of ours, however, in excess of 30 billion pennies are in hiding. These are the pennies I'm looking for. They are in dresser drawers, shoe boxes, pickle jars; most anyplace you can think of that will get them out of pocket and out of sight. They are unwanted, unused and unappreciated.

For the Mint to be forced to

continue increasing its penny production to meet the current extraordinary demand is - wasteful. Wasteful of a natural resource - copper - that cannot be replenished by man. And wasteful of the taxpayers' hard earned money. One billion pennies returned to circulation will save the taxpayers \$10,000,000.

The current price and supply of copper allows us to continue production and distribution of the copper bearing cent. During the past 15 years, the Mint has pumped out over 62 billion pennies using some 202,000 tons of copper in their manufacture.

This year alone the Mint expects to use 33,000 tons of copper in cent production - making about 35 million pennies each working day.

If just 15 billion pennies could be lured out of hiding, the Mint, at current production figures, wouldn't have to make pennies for almost two years and it would represent a saving of \$150 million.

Fifteen years ago, the reverse design of the Lincoln cent was changed from wheat to a view of the Lincoln Memorial. The Mint produced 25.7 billion Lincoln wheat pennies during a 50 year period.

The Lincoln wheat pennies do enjoy collector interest - some years commanding more numismatic value than others. Rarity is one of the determinants in establishing value of almost any collectible item. Especially this holds true for coins. A general rule of thumb is the lower the mintage of a given coin, the higher the numismatic value. Coin collecting is a very wholesome hobby. I'm happy to have young people looking at their coins.

Sixty-two billion pennies of identical design, however, can

FROM OUR CHURCHES

First Baptist Church Rising Star

I read of four preachers discussing the values of the various translations of the Bible. One liked the King James Version best because of simple, beautiful English. Another liked the American Revised Version best because it is more literal and comes nearer the original Hebrew and Greek. Still another liked Moffatt's translation best because of its vocabulary. The fourth was silent. When asked to express his opinion, he replied, "I like my mother's translation best."

The other three were surprised. They did not know that his mother had translated the Bible. "Yes, she did," he replied. "She translated it into life, and it was the most convincing translation I ever saw."

James said, "Be ye doers of the word and not hearers only."

If none but you in the world today.
Had tried to live in a Christ-like way.
Could the rest of the world look close at you
And find the path that is straight and true?

If none but you in the world so wide
Had found the Christ for his daily guide,
Would the things you do and the things you say
Lead others to live in His blessed way?

Men read and admire the Gospel of Christ
With its love so unending and true.
But what do they say and what do they think
Of the Gospel according to you?

You are writing each day a letter to men--
Take care that the writing is true.
Tis the only Gospel that some will read
The Gospel according to you.

Church of Christ Rising Star

An extended notice is being given to the question of Christian Unity: because of God's demands that it prevail among believers and because of the tremendous harm and pain the lack of it causes. Such unity can only come into being and exist where there is a profound respect for the revealed will of God, as given in the Scriptures, the doctrinal basis for this is given in Ephesians 4:4-6. The concept of ONE BODY, not a multiplicity of opposing groups, is essential; ONE SPIRIT must be acknowledged, as the medium by which God has revealed and confirmed his will to man; ONE HOPE, that of redemption in all its varying aspects, must be embraced, in contrast to any short-range spectrum of material aspirations; the absolute headship of ONE LORD, Jesus Christ, must be a firm reality.

We now continue with Ephesians 4:4-6.
--ONE FAITH--The word "faith" is sometimes used in the Scriptures to denote the reaction of a person to God, Christ and related matters (Hebrews 11:1,6; John 8:24; Romans 10:17; etc.). It is often, though not always, synonymous with the term "belief". In other instances, it describes the body of convictions held by those who accept Christ as Lord and the Son of God, such as in Jude verse 3, 2 Timothy 4:7, etc. As noted in a previous series of articles, this ONE FAITH is effectively summed up in the acknowledgement of Jesus as SAVIOR* LORD* (King), and SON OF GOD (Acts 16:31; 1 Corinthians 2:2, 2 Corinthians 4:5; Acts 8:37). In this simple, yet profound, condensation, is found the Christian's confi-

dence in; the reality of God (Hebrews 11:6), the redemptive work of God through Jesus (1 Corinthians 15:1-11; Romans 5:6-8). The authoritative and truthful character of the Scriptures, as God's full and final Revelation to humanity (2 Timothy 3:16-17). Christian Unity can never come with many, often widely differing, faiths, but only with the ONE FAITH which is centered in God, revealed in the person, words and works of Jesus Christ.

God willing, we shall pursue our consideration of Christian Unity, as it is pictured in Ephesians 4, next week. Again, to become more familiar with the Scriptures, God's Revelation to us, we invite you to be with us in detailed open-Bible study on Sunday at 9:30 a.m., on Wednesday evening at 7 p.m. and for the Assemblies on Sunday at 10:30 a.m. and 6 p.m. Our hearts join with Alta Briscoe, John Hale and Hassie Moon in mourning the passing Sunday evening of Mrs. Nan Montgomery at the age of 98 years. She had been a resident of Twilight Acres for some time. Funeral arrangements are pending at the time this is being written.

Most of our other sick are doing quite well, as far as we know. Ray Nunnally came through his heart surgery last week marvelously well and is feeling better than he has in a long time. He is at St. Luke's Hospital (Room 7Y420) in Houston. Everett Harris also had surgery (gall bladder removed) last week and is rapidly recovering at the Stephenville Hospital (Room 272) Mrs. Matilda Elliott and Mrs. Frances Nunnally are some better. Mrs. Eva Oney has gone to stay for a while with a sister in Chillicothe, Texas. The Weldon Lees grandson is seriously ill with kidney complications and is due for surgery this week in Plainview. Linda Aikin is due for minor surgery this week at Texas Medical Center in Abilene.

We congratulate Jill Harding, daughter of Slim and Minna Harding on her coming marriage on June 22 to Howard Menke, at College Station. The special study on the Kingdom of Heaven for this Sunday evening will deal with the Restoration of Israel. Be with us at 6 p.m.

Have a good week. Call us if we can be of service to you.
---Owen Aikin

Mrs. Bob Smith has returned from hospital in Abilene after having eye surgery.

Arte Boase has been transferred back to Cisco Hospital from West Texas Medical Center in Abilene. Effie Harris was admitted to Hendrick Memorial Hospital one day past week. She is home now. Madolyn Sone is having back trouble.

We enjoyed conference in Waco 2-5, June this year. I have never seen so many factors and lay workers so involved in the work of the Church. Sunday night was youth night. It was very uplifting to hear their voices in songs. Some of the songs were composed by the youth. God still rules in lives of our youth.

Tuesday at noon the ministers wives luncheon was served by the children of our Children's Home in Fellowship Hall. One could tell they have been well trained to share in the home. There seem to be a well organized home and the children were loved and appreciated. After lunch the Lions club of Waco sponsored and provided busses for tour of Boys Ranch 8 miles southwest of Waco. This has been added lately. Twelve boys live in the Ranch home where they are taught Agriculture, proceeds from the farm are used to support this home. After returning to Civic Center a group drove out to see Dr. and Mrs. Floyd Johnson new home on 2226 Star St. He and Mrs. Johnson will be living there as he retired this year. I forgot to ask, "Have you ever ridden a bus with 50 women talking?"

We have a choice to make our church better or forget it, but God will have his way regardless. At conference I saw Methodism at work. There were representatives from various churches: Baptist, Lutheran, Catholic and Presbyterian. Also a pastor and wife from London, England. We can learn from one another, and work together. After service Sunday night the Church honored pastor and wife and Calvin Easterling with

sandwiches and punch. Gifts were given to the Cokers and Calvin Easterlings.

I dreamed death came the other night

And Heaven's gate swung wide
With kindly grace St. Peter ushered me inside.

And stood to my astonishment
And there to friends I knew on earth

Those I had judged and labeled

As unfit or little worth
Indignant words rose to my lips

But never were set free
For every face showed stunned surprise

No one expected me,
Judge Not Lest You Be Judged.

This will be my last church news. I have enjoyed living in Rising Star. I hope I am leaving many friends and can truthfully say I have not met a person that I did not find something good about them. No one is all bad. God bless each and every one. If anyone comes by Glen use there's always a welcome sign on our door. Come see us.

Universal Full Gospel Assembly Rising Star

There will be a special service at the Universal Full Gospel Assembly Church Sunday, June 16, 1974. Visiting ministers will include Rev. and Mrs. Carl Wilson of Abilene. Rev. Wilson will be the guest speaker and he and Mrs. Wilson will be singing. Both Rev. and Mrs. Wilson are accomplished singers and musicians. Rev. Wilson pastored the Faith Temple in Abilene for 13 years. They recently resigned to enter the Evangelistic Field and have been conducting 'Tent Meetings' and area wide crusades. Many have been saved and filled with the Holy Spirit. The public is invited to come and hear this Man of God as he preaches the full Gospel from God's Holy Word. There will be Special Music and singing. Sunday morning service begins at 10 and Sunday evening at 6:30 p.m.

Summer Tax Savers For Farmers

COLLEGE STATION--The summer months offer farmers a chance to save on income tax by paying their children for farm work and by combining vacation and business trips.

This word comes from Dr. Wayne Hayenga, economist in agribusiness management for the Texas Agricultural Extension Service at Texas A&M University.

A farmer can deduct wages he pays to his children and still claim them as dependents as long as he provides over half of their support. The wages must actually be paid for work performed. To establish an employer-employee relationship, definite jobs should be performed, regular hours should be established, and wages should be agreed upon and paid by check.

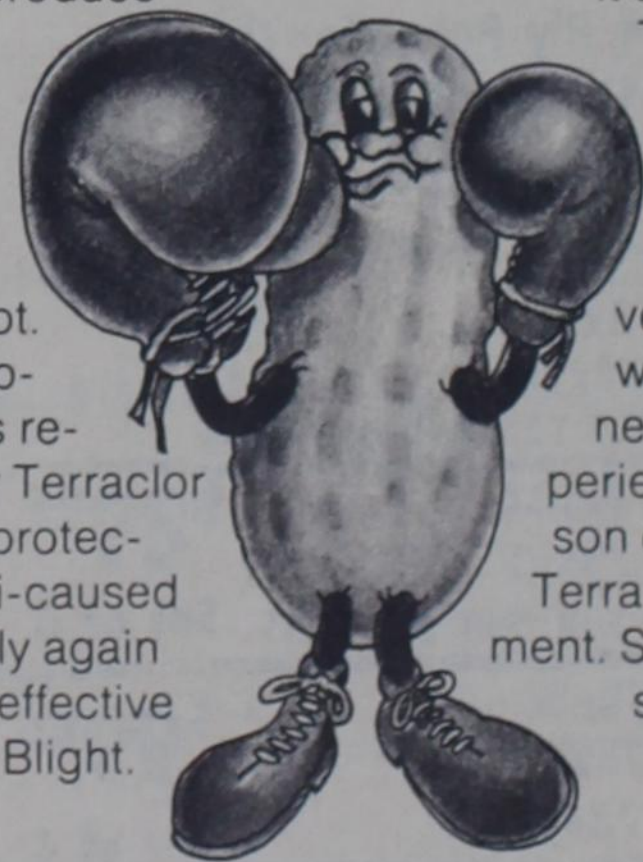

Safeguard peanuts and profits from seedling disease, rot and Southern Blight

Terraclor® Soil Fungicide

Terraclor gives your peanuts a fighting chance to produce their full yield potential... protected from seed rot, seedling diseases and Southern Blight or stem rot.

A full season application program is recommended. Apply Terraclor when you plant for protection from early fungi-caused diseases. Then apply again at pegging time for effective control of Southern Blight.

When the disease is visible--it's too late. Start your Terraclor protection program early. Protected peanuts can stay in the ground longer to develop heavier yields with sound, mature kernels. Year-after-year experience proves that all season control of fungi with Terraclor is a sound investment. See your chemical supplier or write for more information.

Teachers To Improve Instruction Skills

Teachers from all areas of Texas will be traveling to San Antonio this month to attend the fifth annual Conference for the Improvement of Instruction sponsored by the Texas Classroom Teachers Association - (TCTA). The meeting is scheduled for June 19-22 at the Sheraton-San Antonio.

the goal of the conference is two-fold. One goal is to assist teachers in improving their teaching skills. Going one step further, the conference also is designed to teach the teachers how to instruct their colleagues in the new skills they have learned.

Using this two-pronged approach, TCTA hopes to aid an ever-increasing number of classroom teachers learn new instructional techniques from

their fellow teachers serving as trainers.

The conference format includes six modules which will be offered for intensive study. In conjunction with the Texas Education Agency, a new module has been added this year to zero in on the principal's role in administering the early childhood education programs.

Registration for the conference will be 8-10 a.m. on June 19. For additional information or for reservation forms for the conference or hotel, contact the TCTA Center for Professional Services, P.O. Box 1489, Austin 78767. The registration fee is \$10 for TCTA members and \$15 for non-members. One hour of college credit may be obtained through North Texas State University.

Air Force Jobs Available

ARLINGTON--The U.S. Air Force has openings for 77,882 men and women for the new fiscal year beginning July 1, according to officials at Headquarters U.S. Air Force Recruiting Service.

Most openings-64,155- are for young men with no previous military experience. There are approximately 190 different job skills available.

There is a significant increase this year in jobs for enlisted women. The Fiscal Year 1975 goal is 10,000, a 25 percent increase over last year, and half of the new enlistees will be recruited for technical jobs such as jet engine mechanics, electricians, missile mechanics, and heating systems specialists.

Air Force recruiters will be looking for 1,328 officer candidates with college degrees. There are openings for 956 men; 681 for navigator jobs, two as helicopter pilots, and the rest

MRS. TYE
... Jeanette Showalter

**Son Of Former
Resident Wed
In Virginia**

Kathwood Baptist Church was the setting Saturday at 8 p.m. for the wedding of Miss Jeanette Marie Showalter and Brian Christopher Tye. The Rev. Dr. P. Edward Rikenbaker Jr., officiated.

The bride is the daughter of Maj. and Mrs. James Alton Showalter of Columbia. The bridegroom is the son of Mr. and Mrs. James Wayne Tye of Lake Murray.

A reception was held following the ceremony at the Ft. Jackson Officers Club.

The bride was graduated from A.C. Flora High School and Hollins College, Va., with a B.A. degree in psychology and elementary education. She was on the Dean's list.

The bridegroom was graduated from A.C. Flora High School and The Citadel with a B.S. degree in civil engineering and was the recipient of the Christopher Schulz Gadsden Award for the best all around civil engineering student. He was on the Dean's list and Gold Stars. He is employed by Daniels Construction Co. International.

After a wedding trip to Florida the couple will live in Columbia.

Mrs. Paul Cawley and Mr. G.A. Earp of Eastland flew to Columbia, Va., last week to attend the wedding of their nephew, Brian Christopher Tye to Miss Jannette Showalter.

Pictured is the Joyful Sound Singers from the First Baptist Church in Abilene. The choir will appear with two other groups June 14, 1974, in the Kendrick Amphitheater Religious Musical Festival.

The Joyful Sound is a high school ensemble of First Baptist Youth. Fourteen singers plus piano and guitar accompaniment provide a fresh, exciting presentation of the gospel in music.

Their music style is joyful and convincing. They are a committed group who have worked long hours to perfect what they do.

Because of the quality of their singing, these youth have had many opportunities for sharing in song. They were featured during the Southern Baptist Convention in Portland, Oregon, during one session. They have sung in churches, civic clubs, parks, schools and wherever else the gospel is needed.

Admission will be a free will offering and the proceeds will be divided to pay the expenses of each group.

Plan to attend this non-denominational musical festival regardless of your age, as well enjoy the program. Bring a group from your church, club or family, but do not miss this spiritual and inspiring group.

Once again, the time is 8:30 p.m. June 14, 1974, at the Kendrick Amphitheater between Eastland and Cisco, Texas on U.S. Hwy. 80.

Mrs. Ralston Is Hostess To North Star

The North Star Home Demonstration Club met Tuesday, June 4, in the club house with Mrs. Mabel Ralston as hostess.

Following a brief business session, the group sang, "This Ole Gal", a paraphrase of "This Ole House".

Mrs. Janet Thomas presented an interesting and helpful program on "Powder Puff Plumbing".

Mrs. Ralston served delicious refreshments of punch, cake, and ice cream to the several

members and guests who attended.

Mrs. Jim Ray Bucy, Mrs. Clara Burkhead and Mrs. C.E. Baker attended the workshop in Eastland at which the various methods of food preservation were demonstrated.

The club will meet again on June 18 at which time Mrs. Mabel Ralston and Mrs. Clara Burkhead will be birthday honorees.
