

# The Rising Star Record

Serving the Most Prosperous Sections of Eastland, Brown and Comanche Counties

ESTABLISHED IN 1890

RISEING STAR, EASTLAND COUNTY TEXAS JUNE 30, 1960

VOLUME 70, NUMBER 37

## Ten Wells Drilling In Area This Week

There were more active oil and gas drilling locations in the Rising Star area this week than has been the case since the boom times of the mid-twenties.

Coastal State Gas Producing Company alone has 10 wells drilling while Southwestern Gas Producing Company and Bridwell Oil Company of Wichita Falls each have recently completed wells in the area.

Most of the Coastal States operations are in the Okra-Sipe Springs sector. They are:

Mollie No. 1 and Gene Hill No. 1, drilling by Miller Drilling Company of Abilene one and a half miles east of Okra;

Frank Whitlock No. 1, drilling by Hobbs Drilling Company of Abilene three miles north of Sipe Springs;

## Record Flow of Holiday Traffic Expected July 4

While the drivers of Texas are making plans for Fourth of July trips, the Texas Department of Public Safety is getting ready to handle a record flow of holiday traffic.

Col. Homer Garrison, Jr., Director of the Texas DPS announced today that all available patrolmen and equipment will be in service during the Operation Deathwatch period extending from 12:01 a.m. July 2 through 11:59 p.m. July 4. The department announced earlier its prediction that 27 motorcades would occur in the 72 hour period.

Garrison said patrolmen of the departments License and Weight service and Motor Vehicle Inspection service would join Texas Highway Patrolmen in patrolling Texas highways over July Fourth week end.

"Their purpose is to render a service to the traveling public," Garrison said. "Of course, their main objective is to control traffic and to keep it moving smoothly and safely on the highways of our state. They have another purpose and that is to add to the convenience of out of state visitors and resident travelers by giving assistance when and where it is needed."

"Our patrolmen have been instructed to remove dangerous drivers from the highway. We expect more holiday traffic than usual this year. It is necessary for everyone who drives to be aware of the dangers that confront motorists this holiday and to drive with caution."

"Our patrolmen need your help. They need the full cooperation of all motorists in driving safely and sanely at all times. If we are to enjoy the holiday we must have a safe holiday. You can if you plan now to drive safely and courteously."

## May Rodeo Ass'n to Have July Events

The May Rodeo Association will have an amateur rodeo on July 2 and 4, at 8 p.m., it was announced.

Sunday afternoon, July 3, at 1 p.m. there will be a jack pot roping and a ranch horse cutting. Everyone is invited to attend and take part.

## VISIT SCOTTS

Mr. and Mrs. Wilburn Scott were visited by her brother, Charlie Pierce, of Breckenridge, and nephew, Arless Pierce, of Cisco, also their son, Pierce Scott and his son, Dwain of Fort Worth, on Sunday, June 26. Other visitors in the home of Mr. and Mrs. Wilburn Scott were Mrs. Grover Curry and daughter of Tucson, Ariz., who have been on a tour of 17 states to the north and east, including Indiana and Ohio. They were accompanied here by Mrs. Fred C. Wolf City, who will visit with Mrs. Scott.

Don Taylor is here for the day with her sisters, Mrs. Williams and Mrs. Engel.

Mrs. Barn White No. 1, drilling by Hack Drilling Company of Ranger, three miles east of Okra;

Whiteside well, drilling by Lummis Drilling Company of Ranger, three miles north of Sipe Springs;

Carl Dunn No. 1, drilling by Lowe Drilling Company of Cisco, four miles east of Rising Star;

A. B. Clark No. 1, drilling by H&K Drilling Company of Rising Star, three miles east of Rising Star;

Fields No. 2, drilling by Westex Drilling Company of Abilene, four miles east of Rising Star;

Taber No. 1, drilling by Westex Drilling Company in Cross Cut area southwest of Williams community;

Kilgore No. 1, drilling by Worth Thompson of Brownwood in Cross Cut area.

In addition Coastal States has location for its Parker No. 2 two and a half miles southeast of Rising Star. R. F. Carraway will be the contractor.

Southwestern Gas Producing Company has completed two wells for gas production just southeast of Rising Star—one on the Claude Parker tract and the other on the Shults estate, while Bridwell was reported to have completed his Clifford Watkins No. 1, just southeast of the city, for small oil production from the Marble Falls.

Construction of the Coastal States compressor plant on the Judd Farm four miles east of Okra was underway with pouring of foundations this week. The plant will boost gas from this area into the Lone Star gas pipeline system.

Both the Parker and Shults wells were completed in the Marble Falls, as was the Watkins. The Shults Estate No. 1 is located 996 feet west of the Parker No. 1 of the Southwest, and was reported to be good for around a million feet daily from 2942 to 2980.

## Farm Safety Week July 24-30 Named By Gov. Daniel

COLLEGE STATION.—Governor Price Daniel by proclamation has designated the week of July 24-30 as Farm Safety Week in Texas. This same period has also been designated as National Farm Safety Week by the President of the United States.

In his proclamation, Governor Daniel said: "The Nation's economy is dependent upon the continued well-being and progress of our State's agricultural population. Accidents from farm work cause needless suffering, distress and loss of life each year among our rural families."

"By directing the attention of our rural residents to safety education, such worthwhile programs now being conducted can greatly reduce accidents. I urge all Texas farm families to increase their vigilance against needless accidents and further encourage interested organizations and individuals to participate in this program."

The Texas Farm and Ranch Safety Council points out that the purpose of the special week is to focus attention on the year-round need for reducing the number of farm accidents, and to cause those who can do something about the problem, to act. The farmer and his family says the Council, must carry safety into their everyday lives. Nationally, they add, farm accidents cost one and a quarter billion dollars annually, a sizeable sum any way you take it.

The ever-tightening cost-price squeeze faced by agriculturists makes accident prevention even more important, says the Council, because a single costly accident can just about squeeze out the profits from most farm enterprises.

The Council joins Governor Daniel in urging rural residents and organizations to take safety

## Smaller Crowd, Fewer Contestants In Friday Rodeo

Both the crowd and the number of contestants fell off in the fourth of the weekly rodeos of the Rising Star Roping Club at the arena east of town Friday night of last week. But there were some exciting contests and the faster run of the events was pleasing to the audience.

Linda Koonce again took first place in the local boys and girls barrel races with an excellent time of 20.5 seconds. She was closely followed by Lee Ann Chalk in a time of 21.2 seconds. Frazier Clark was third with 24.2 seconds.

In the girls open races, a professional event, Judy Moore took first honors with a near sensational 18.8 seconds for the course. Cassie Wilhelm and Charlene Moore finished second and third respectively with times of 19.6 seconds and 23.7.

In the calf roping contests Charles McIlwain of Anson roped and tied his calf in the near ultimate time of 12 seconds. Ray Stoker of Breckenridge was second with 12.7 and Connie Mack Gibbs third with 13.

Only two goat ropers were able to loop and hold their animals. They were Harold Pack of Stephenville, who had a time of 26 seconds, and Jim Stewart who finished in 32 seconds.

Likewise, in the bull riding event, only two riders stayed aboard—Mel Angers and Bob Gholson.

Harold Pack took first money in the jack pot roping, Charles McIlwain second and Hollis Pace third. Pack finished in 21.5 seconds; McIlwain in 15.5 and Pace in 27.9.

## Two Outstanding Films Offered by Pioneer This Week

The Pioneer Drive-In Theatre this week is offering among its very good bill, two outstanding films in particular.

One is "Please Don't Eat the Daisies," a comedy that has had unusual box office success and based upon a famous book by a famous woman humorist.

Doris Day, David Niven and Janis Paige lead the cast.

The picture is showing Sunday, Monday and Tuesday, at no advance in prices.

Next Friday and Saturday the Pioneer Drive-In is offering one of the best family pictures it has ever shown, a film that has achieved outstanding acceptance. It is "The Big Circus" starring Victor Mature, Rhonda Fleming, Red Buttons and Gilbert Roland.

## Indians Take Lead In Little League Baseball Standings

The Indians took the lead in Rising Star Little League standings Thursday night of last week by defeating the Braves to go one-half game ahead of the Braves. On the same bill the Dodgers were taking a 9-7 win over the Yankees in another good game.

Tuesday night the Indians maintained their standing with a 16 to 4 defeat of the Yanks while the Braves were defeating the Dodgers 12 to 6.

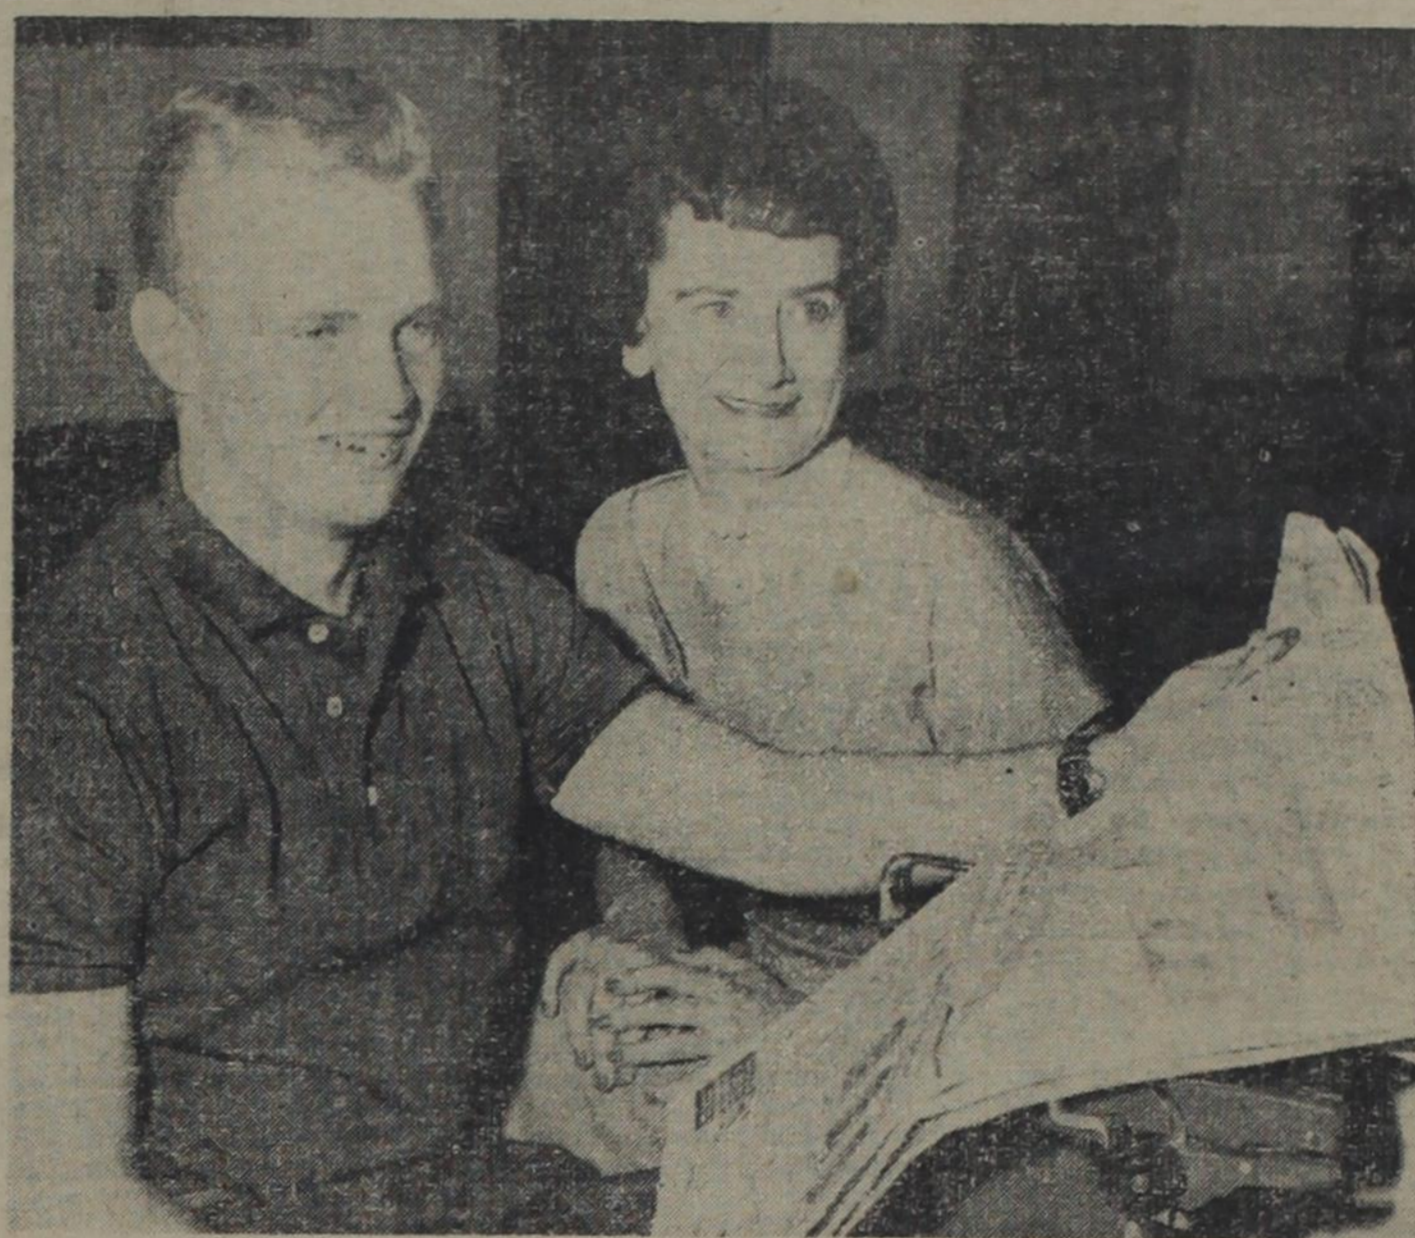

## SUFFERS FALL AT CISCO TUESDAY

Mrs. W. E. Ellis was reported in a satisfactory condition at Graham Hospital, Cisco, after suffering a fall Tuesday afternoon in the business district of Cisco. She slipped and fell on the sidewalk. Her injuries were not serious, the hospital said. The accident occurred about 2:35 p.m. while she was accompanying Mrs. M. S. Sellers on a visit to Cisco.

## GUEST SPEAKER

Guest speaker for First Baptist Church on Sunday, June 26 was Dr. D. D. Tidwell, professor of Bible of Howard

# Long Holiday Week-End

HERE'S HOW, MOM—Lew Bullion, 18-year-old Tom S. Lubbock graduate, shows his mother, Mrs. Varpe Bullion, 2405 Ave. N, how to "knock out" a sports story for a newspaper. Lew has been named winner of the West Texas Press Assn.'s journalism scholarship, and recently won a journalism scholarship from The Avalanche-Journal, where he now works at night.

—Courtesy Avalanche-Journal, Lubbock.

## Determination Key to Success of Budding Newsman, Says Newspaper

Editor's Note—The subject of the following article appearing in a recent issue of the Lubbock Avalanche-Journal is a grandson of Mrs. T. J. Nichols of Rising Star.

### By BOB HORTON

Avalanche-Journal Staff Writer  
Lew Bullion, 18, a Tom S. Lubbock graduate, has won the 1960 journalism scholarship of the West Texas Press Assn., and he's just the kind of teenager who'll make up in determination anything the award doesn't provide.

That's no bullion. For instance, stocky Lew, who now weighs in the 170s, was a "happy" 205 pounds as a freshman.

He decided to knock off some of that excess weight as spring training in football got underway, and by drinking only fruit juices for two weeks, he mounted a will power diet that trimmed off 35 pounds.

Determination, plus the ambition to succeed in learning newspaper business and teaching it to others, already has placed Lew a step ahead of the scholarship donors.

Although he won't get college training in journalism until he enters Texas Tech next fall, Lew is gaining on-the-job training by working at night for The Lubbock Avalanche-Journal in a sports position.

For Lew this is the second scholarship he has won this year. He was one of two high school graduates to receive a journalism scholarship for college freshmen at Texas Tech. The other is Sarge Klinger, Monterey High School graduate, who is also handling night sports chores at The Avalanche-Journal.

Both were winners at their respective schools of the annual Avalanche-Journal scholarship given to an outstanding journal-

### WELL ON PATTERSON PLANNED BY JOYCE

Joyce Oil Interests have made location for a well on the Reed Patterson farm a north offsetting tract to the Agnew on which Joyce has drilled four producers. Application for drilling permit was filed this week.

### ATTEND CONFERENCE

Rev. and Mrs. H. K. Neely and two children of First Baptist Church are attending the Training Union Leadership Conference in Glorietta, N. M. Rev. Neely has been chosen as chairman of Training Union work for Cisco Association. He has agreed to serve in that capacity for the ensuing year.

The oil industry uses some nine and one-half million barrels of oil for every 1,000 barrels of oil drilled.

## Salt Tank Reunion To Be Held July 8-9

The Salt Tank Reunion will be held at Barnes Chapel Church on July 8 and 9. All ex-students of the Salt Tank School, residents and former residents of the community and all others interested are invited.

## Wanted: Pioneer School Pictures For Reunion Use

Mrs. Sam Eakin, secretary-treasurer of the Pioneer Ex-Students Association, is looking for pictures of classes of the Pioneer school in the years before it was consolidated with Cross Plains schools. She wishes to use the pictures in connection with the annual reunion of the ex-students on August 11, and is, consequently, in somewhat of a hurry.

She will copy the pictures and return the originals as soon as possible.

She already has pictures of the classes of 1907, 1908 and 1909. Anyone having pictures of classes of other years was asked to send the pictures to her as soon as possible under the assurance that they will be taken care of and returned as promptly as copied.

The Pioneer reunion has been advanced one week this year—from the third to the second Thursday—in order that people interested may attend it and also the Callahan County Old Settlers Reunion to be held the following Friday at Cross Plains.

## Uncle of Lane Wells Dies at Idalou

Word has been received here of the death of Mrs. Emmett Wells, who was Miss Sallie Lee before her marriage.

Emmett Wells is an uncle of Lane Wells and lives at Idalou, near Lubbock. The funeral was held at Idalou, Monday, June 27, at 4 p.m.

Those attending from Rising Star were Mr. and Mrs. Lane Wells and Mrs. Ella Wells, also Mr. and Mrs. Faye Rankin. Mrs. Rankin is a sister to Mrs. Emmett Wells.

### VISIT CRISPS

Mr. and Mrs. Lonnie Alexander and three children of California, Mr. and Mrs. Flavius Alexander and two children of Spur, and Mr. and Mrs. Cecil Alexander and two children of Spur all visited Mr. and Mrs. T. C. Crisp Monday. Lonnie and Flavius are nephews of Mrs. Crisp, and Cecil Alexander is her brother-in-law.

See Barnes Cargile for new and used cars. Rutherford Chevrolet, Cisco.

## All Businesses Here to Close For Two Days

It will be a long week-end with a two-day holiday for Rising Star in common with the rest of the country as the nation celebrates its birthday this week-end.

With July Fourth, national independence day, falling on Monday, business in Rising Star will be at a virtual standstill

### A DAY LATE!

Because Monday, July 4, is a holiday and the Record office and shop will be closed, next week's issue of the Rising Star Record will be a day later than usual. Subscribers are requested to remember this when they fail to receive their copies on Thursday morning as customary.

from Saturday to Tuesday with only cafes and service stations open, some of these for only part of the time.

All business houses, the First State Bank and the post office will be closed. Work on the reconstruction of Highway 36 west of here to Pioneer will be suspended.

Since the highways will probably be crowded, certainly during the beginning and the end of the holiday period, urgent precautions have been issued by the State Department of Public Safety and other institutions concerned with public health and safety against carelessness during the season. Fishermen and boating enthusiasts and others taking an outdoor holiday that will carry them to places of amusement and recreation were warned to use the greatest care to avoid accidents, and to take no unnecessary risks. Even so a high toll of death and injury was forecast.

### PLEASE BE CAREFUL!

## Boat Owners Are Cautioned to Use Common Sense

AUSTIN.—The Texas Highway Department, official boat-registering agency for the State of Texas, cautioned all motorboat operators to use common sense afloat at all times—not just during National Safe Boating Week, July 3-9.

The Texas Water Safety Act requires accident reports to be filed with the Texas Highway Department. Reports to date indicate inattention and unsafe conduct on the part of boat operators cause 63 per cent of motorboat accidents. Weather conditions account for 21 per cent. The Department points out, however, that some of the weather-caused accidents could have been avoided if the operators had checked local weather reports.

Department statistics indicate that 90 per cent of the operators involved in accidents have had more than 100 hours of experience—shattering the popular belief that inexperienced boat operators have the most accidents.

The Highway Department urges a two-man crew when pulling a skier—one to operate the boat, and the other to keep an eye on the skier and give instructions to the operator. One of the most common accidents involves only one person in a boat pulling a skier. The boat operator, watching the skier, fails to watch the path of his boat and collides with another boat or object. More than half (53 per cent) of the reported accidents are classified as collision with another boat or object.

Guests of Mr. and Mrs. Ira Huger recently were Mr. and Mrs. Claud Steel of Kermoc, Texas, and his wife, Mr. and Mrs. Steel of Kermoc, Texas.

## IT'S THE LAW IN TEXAS

### July Fourth Commemorates Basic American Principle

What do we mean when we say that in the United States we have a "government of law" and not a "government of men"? Basically we mean that we have certain individual rights, guaranteed by our federal and state constitutions and laws, which may not be denied by any governing body.

The early American colonists had their fill of government by men, and the Declaration of Independence, signed 184 years ago, set out their complaints against that type of government and revealed their belief in a principle which we now accept as basic to our American way of life.

The indictments set out in the document against King George III of Great Britain charged him with numerous violations of that principle. Among the complaints enumerated are the following:

"He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people."

"He has obstructed the administration of justice, by refusing his assent for laws for establishing judiciary powers."

"He has made judges dependent upon his will alone, for the tenure of their offices, and the amount and payment of their salaries."

"He has refused his assent to laws, the most wholesome and necessary for the public good."

"He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation: . . . For depriving us, in many cases, of the benefits of trial by jury; For transporting us beyond seas to be tried for pretended offences; . . . For taking away our charters, abolishing our most valuable laws, and altering fundamentally the forms of our governments; . . . For suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever."

Our forefathers who subscribed to the principles of the Declaration of Independence were willing to fight for their beliefs. The Revolutionary War followed, dragging through wea-

ry years of suffering and suspense. Each of us takes pride in their eventual triumph over gigantic obstacles.

In 1787, when the framers of our Constitution met at Independence Hall in Philadelphia, where the Declaration of Independence had been signed 11 years previously, they set to work to create a system of checks and balances in government which was to perpetuate the fundamental theory mentioned in the preamble of the earlier document:

"We hold these truths to be self-evident: That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness."

"That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; . . ."

Some 5 years later, the first ten amendments to our Constitution were adopted at one time, specifically detailing various basic civil rights stemming from the underlying theory of the Declaration of Independence.

Our courts day by day guard these rights for us.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without

## Put A Pink Cap On A Creamince Pie

Like your pies light and palatable? You should, for they rate high on the dessert list and are particularly favored by men. A new pie with a flavor very similar to popular Nesselrode is recommended by the Borden Kitchen. It is a Pink Capped Creamince Pie. It consists of three layers. The bottom layer is a luscious cream made with a "magic" ingredient—sweetened condensed milk. This layer is covered with rum-flavored mincemeat. Then, top all with a cherry-flavored whipped cream. Pink Capped Creamince Pie is the dessert to serve the VIP of the house—or when he plans to bring home important business guests.

### Pink Capped Creamince Pie (Makes 9-inch pie)

- 1 baked 9-inch pastry shell
- 1 envelope (1 tablespoon) unflavored gelatine
- 1/2 cup cold water
- 1 (15-oz.) can Eagle Brand Sweetened Condensed Milk
- 1 egg, separated
- 1 (9-oz.) package None Such Mince Meat
- 1/2 cup light rum
- 1/2 pint (1 cup) heavy cream
- 1 tablespoon confectioners' sugar
- 1/2 cup chopped maraschino cherries, well drained
- Whole maraschino cherries, optional
- Shaved chocolate, optional

Soften gelatine in cold water in top of double boiler. Let stand 5 minutes. Stir over hot water until dissolved. Add sweetened condensed milk and beaten egg yolk. Stir over ice water about 2 minutes until mixture thickens slightly. Beat egg white until it forms soft peaks; fold into chilled mixture. Pour into pie shell. Chill 15 minutes. Break mincemeat in small pieces in a saucepan; add rum. Cook, stirring constantly, until mixture comes to a boil. Cool slightly. Spread on pie filling. Chill. Whip cream with confectioners' sugar; fold in chopped cherries. Pile on top of pie. If desired, garnish with whipped cream, whole cherries and shaved chocolate.

the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

### New Law Further Aids Disabled Veterans

A new law providing for additional compensation to veterans with severe service-connected disabilities who have more than three children has been signed by President Eisenhower.

The prior law did not authorize payment for more than three children. The additional compensation

will range from \$12 monthly for each child after the first three where the veteran's service-connected disability is evaluated at 100 percent down to \$6 monthly where the veteran's disability is evaluated at 50 percent. Between the two extremes proportionate amounts will be payable for percentages of disability.

Where the disability was due to peacetime service, the rates would be eighty percent of the amount payable for wartime disability.

Mud in the river is soil that will probably never produce crops again.

### Boyd Family in Reunion at Lake

The J. E. Boyd Family enjoyed a reunion Saturday and Sunday at Brownwood Lake with 51 persons registered, including all of the children.

Those present were Mr. and Mrs. Boyd; the children—Mr. and Mrs. Edgar Boyd and family and Mr. and Mrs. Earl Boyd and family all from Carlsbad, N. M.; Mrs. Max Sherrill of Hobbs, N.

M.; accompanied by two grandchildren, Ronnie and Debbie Reed of Lamesa, Texas, Mr. and Mrs. Art Thorp and family of Bakersfield, Calif.; Lonnie Boyd and children of Abilene, and Mr. and Mrs. Tom Grisham of Rising Star.

Other relatives and friends present were Mr. and Mrs. Kenneth Friar of Brady; Mr. and Mrs. Taylor Boyd of Dallas; Mr. and Mrs. Charles Walters and family of Dallas; Elder Charley

Teague of Dallas; Mr. and Mrs. W. H. Pipes and family of Avery, Texas; Miss Sylvia Atwood of Abilene; Mrs. Willie Hughes, Mrs. Elgie Crisp and daughter, Carolyn, Mr. and Mrs. L. L. Lewis and family and Mr. and Mrs. James Wolf and family, all of Rising Star.

Fuel oil and diesel oil provide the power for more than 90 per cent of the merchant ships sailing the seas today.

# NEWS FROM AMITY

By Mrs. Virgil Bramlet

Mr. and Mrs. Vernon Lee and son, Ronny, of Denison; J. P. Watkins, a daughter, Judy, and sons, Ronald and Jimmy, of Glendale, Ariz.; and H. P. Watkins of Lubbock were recent visitors with Mr. and Mrs. Guy Taylor.

Mrs. Raymond Gray of Rising Star and her daughter, Gean Parker, of Fort Worth, visited Mr. and Mrs. Homer Smith Saturday.

Miss Cliffogene White is visiting her aunt, Mrs. Dock White, in Albany this week. Shirley Jo White is visiting her grandmother, Mrs. Nannie Graham, of Cross Plains this week.

Bob Kincaid of Abilene visited Mr. and Mrs. E. L. Stodghill Saturday.

Mr. and Mrs. Tige Richards visited Mr. and Mrs. Sherman Armstrong of Abilene Saturday. Mrs. Nettie Rankin's sister, Mrs. Emmet Wells, of Idalou, passed away Sunday noon.

Miss Elizabeth Robertson and Mrs. Pearl Nunnally of Rising Star visited Mrs. Nunnally's sister, Mrs. L. B. Bellah, of Woodson Sunday.

Mr. and Mrs. E. L. Stodghill visited Rev. and Mrs. Lee Bailey of Cisco Sunday.

Recent visitors in the Hayden White home were Mr. and Mrs. Travis Bailey and baby, Mr. and Mrs. Bill Graham and granddaughter, and Mrs. Minnie Graham of Cross Plains; Mr. and Mrs. Cole White and daughters of Rising Star and Mr. and Mrs. Elvis Moore of Petersburg.

We are happy to report Buster Brown has been released from the hospital after almost two weeks stay for treatment for injuries sustained while on his job.

Mrs. Effie Anderson is visiting her sister, Mrs. D. L. Moffett, of Snyder.

Jimmy Mullis and Randy Flanagan of Ballinger visited Mr. and Mrs. Perry Mullis over the week end.

Mr. and Mrs. Homer Smith and Mrs. Red Wright were in Abilene Monday for Mr. Smith to have a check-up from his doctor.

Mr. and Mrs. Lee Dell Corbellus of Fort Worth and Lance Carney of New Mexico visited in the Virgil Bramlet home Sunday.

Mr. and Mrs. W. T. Henderson attended a wedding shower in Sidney Saturday night, at

the home of Mr. and Mrs. Otis Cox, honoring Mr. and Mrs. Jerry Hall.

Recent visitors in the I. A. White home were Mr. and Mrs. D. D. White and children of Buckeye, N. M., and Mr. and Mrs. Bill White of Comanche.

Mr. and Mrs. Roy Stambaugh of the Rudco plant visited Mr. and Mrs. Virgil Bramlet Thursday night.

## 4-H Girls Model Garments Made in Clothing Projects

In the Cisco High School auditorium, Thursday, June 25, 18 4-H girls of Eastland County modeled garments they had made in clothing workshops. Miss Danye Sherman, Route 2, Eastland, Texas, narrated the Dress Revue with the theme, "A Shopping Trip Remembered". As a typical teenager she used the phone to describe to her girlfriend all the marvelous clothes she had seen on a recent shopping excursion. The 4-H girls modeled their garments as she described them.

Prizes and ribbons were awarded in each of five divisions. In the blouse section of the Junior Division these awards were made: White ribbons went to Sandra Bible, Scranton; Patsy Kinney, Cisco Junior High; Carolyn Plambeck, Nimrod and Cisco West Ward; Brenda Roberts, Sharon Donham, Mary Catherine Stacy, Carolyn Plambeck, and Elaine Stephan. The winner of the blue ribbon for a skirt was Charlene Stacy. The blouse and skirt were judged separately, thus accounting for the duplication of names.

In the Junior Division's simple dress section Mary June Frasier, Nimrod; Diane Thompson, Nimrod; and Charlene Vermillion, Rising Star, were red ribbon winners. The top award went to Rhonda Frasier, Nimrod.

In the basic dress section Nelda Harrelson, Nimrod, and Sandra Teague, Rising Star, were red ribbon recipients. Ruby Wende, Nimrod, won first place.

The Senior Division had Mary Tonne, Nimrod; Kathy Ricks, Scranton; and Christina Stroebel, Nimrod, winning blue ribbons. By a narrow margin Chris will represent Eastland County at the District S Dress Revue. All the section winners will submit completed record books and the garment to be judged on a district level, July 7, in Stephenville.

### Next Issue Dates For Surplus Foods

Next issue date for USDA Surplus Foods, will be as follows:

Monday, July 11—Eastland, Olden and Ranger.

Tuesday, July 12—Rising Star, Pioneer, Okra, Carbon, Gorman and Desdemona.

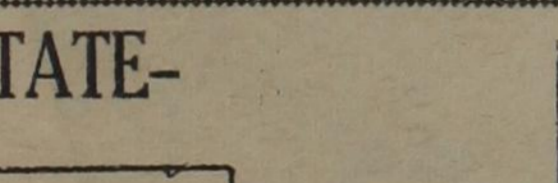

Wednesday, July 13—Cisco, Scranton and Nimrod.

Mrs. S. C. Mixon returned from the hospital to her home here last week after a confinement of more than a month during which she underwent surgery. She was reported doing well.

## WORLD'S LONGEST BURRO RACE... LAKE CITY, COLORADO TO LAKE CITY U.S.A., TEXAS

Riding a balky donkey from Lake City, Colorado to Lake City U.S.A., Texas just north of Dallas is no easy job for 19-year-old Bill Sunderlin, 21-year-old Ed Emery, and 25-year-old Don Craig, all Lake City, Colorado area cowboys. They are making the 865-mile junket in quest of 1750 dollars worth of prize money. The Deutsch Donkey Derby will arrive at Lake City U.S.A. on July 4th to climax a gigantic old-fashioned Independence Day celebration.

Visiting Mr. and Mrs. Claude Fox for two weeks were Mr. and Mrs. James Fox and two sons, Lynn and Gene, from Port Heueme, Calif. They left for Missouri Monday. Also visiting were Mr. and Mrs. Fox's daughter and family, Mr. and Mrs.

C. M. Pitchford and children from Woodward, Okla.

Mr. and Mrs. Bill McKinnerney and daughter, Lorlei, are spending the summer with their parents, Mr. and Mrs. H. E. Murdock and Mr. and Mrs. Jess

## LOCAL BRIEFS

Visiting with Mr. and Mrs. D. W. (Curly) Brown this week were 3 granddaughters, daughters of Mr. and Mrs. Hulien Hill of Abilene, Barbara, Elaine and Sandra Kay. They accompanied Mrs. Opal Hogan and Mrs. Brown to Brownwood Monday and were guests on a fishing trip Monday night.

Mrs. Evelyn Fry and children, Stephanie and David, and Clark Mauldin and son, Earl Mack, all of Amarillo were here week end before last to visit their sister and aunt, Mrs. Robert Seale, and Mr. Seale.

Mr. and Mrs. Eli Jacobs of Big Spring were guests last week of Mr. and Mrs. Lee Burkhead.

Mr. and Mrs. H. D. Walker of Odessa are announcing the birth of a daughter on June 15 at Odessa. The child is their third, all daughters. Maternal grandparents are Mr. and Mrs. A. A. White of Rising Star.

David and Craig Zellars of Big Spring and Deanna Walker of Odessa left Saturday for their homes after spending a week with their grandparents, Mr. and Mrs. A. A. White, here.

Mr. and Mrs. W. G. Reed

were visited by their daughter and husband, Mr. and Mrs. J. E. Bowman and their daughter, Diane of Fort Worth, also Mrs. Reed's sister, Mrs. Ed Williams and two girls of Arlington.

Mrs. Otis Shaw, mother of Mrs. W. G. Reed, has returned to her home after spending several days in the Memorial Hospital in Brownwood.

Dr. D. D. Tidwell and his son, Truett, were Sunday visitors in the home of Mr. and Mrs. Fred Roberds on Sunday, June 26.

Guests of Mr. and Mrs. Bryan Miner on Sunday, June 26, were Mr. and Mrs. Cecil Albright of Stephenville.

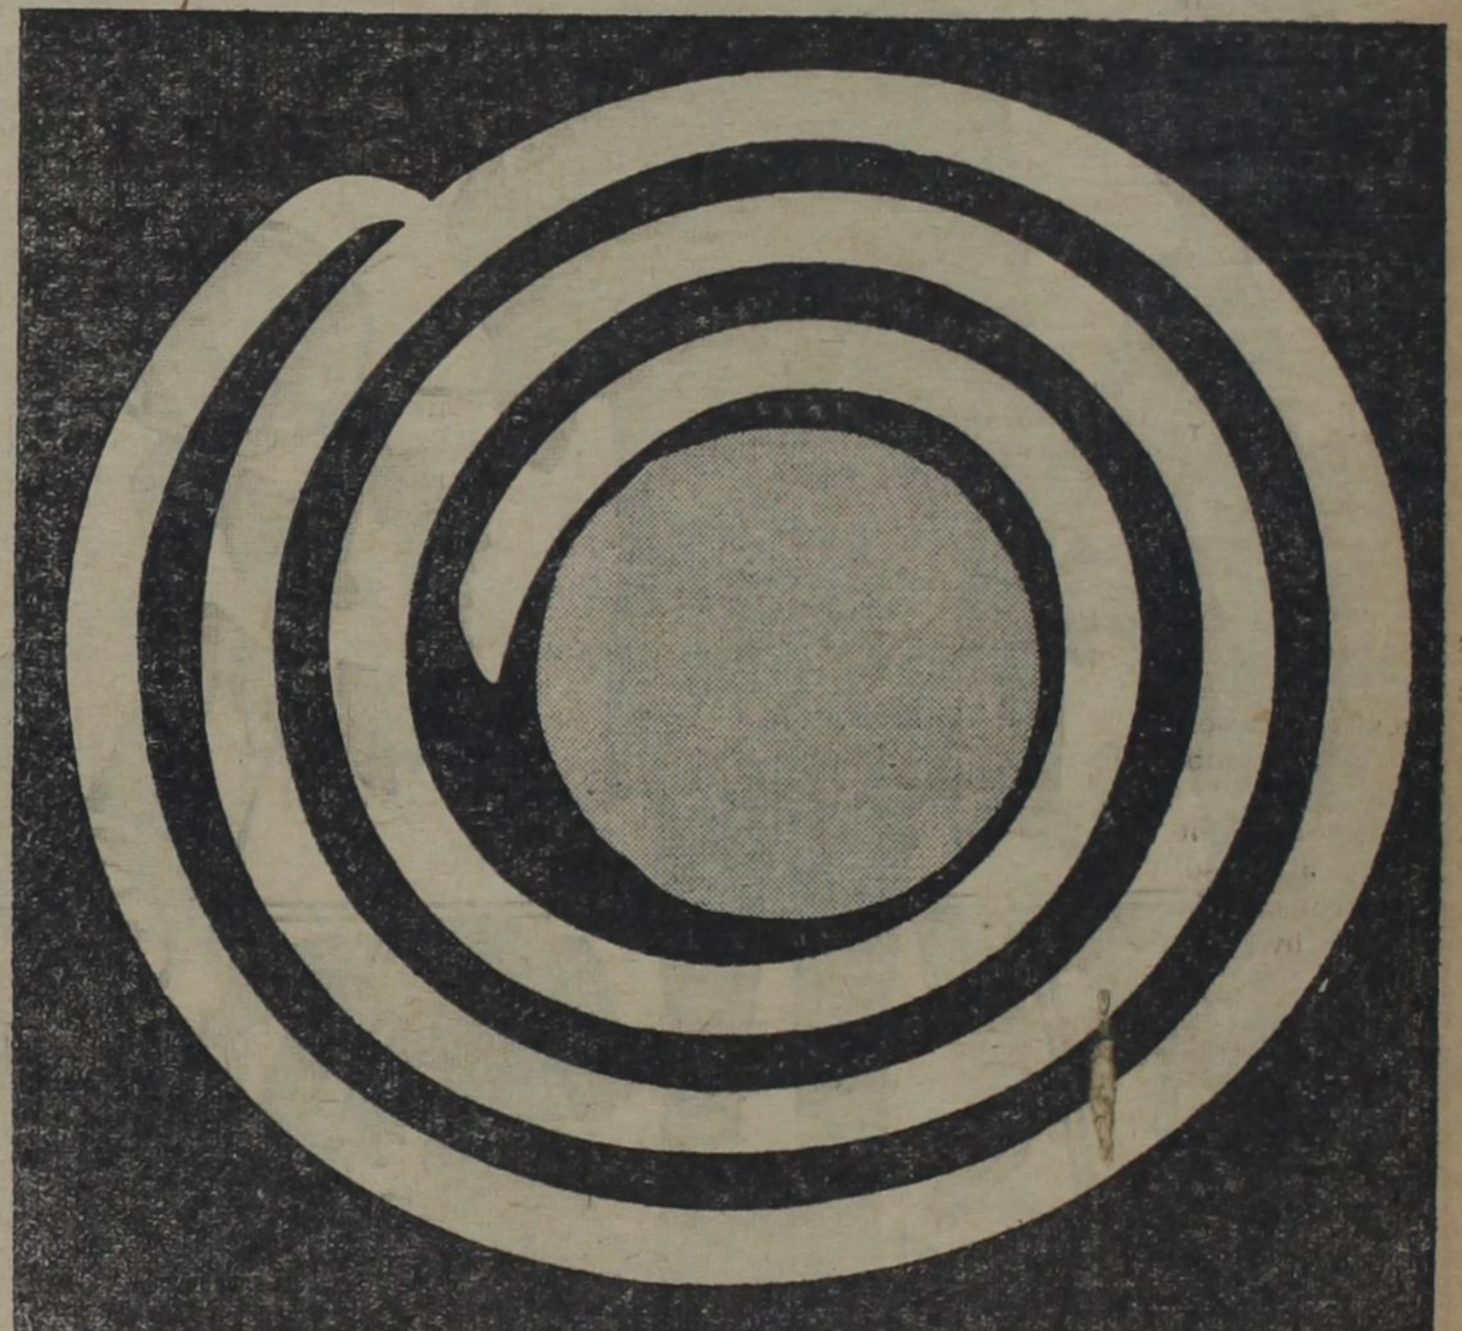

Mr. and Mrs. A. J. Crook of 611 Ysleta Station are visiting her parents, Mr. and Mrs. G. E. McDonald. Mrs. Crook is a teacher in Ysleta High School.

### ABOUT YOUR HEALTH

Recent State Board of Health action is expected to be a strong factor in assuring Texas of adequate Grade A milk supplies, despite seasons of short milk production.

The board last week adopted specifications which will permit the reconstitution of Grade A dry milk solids into Grade A fluid milk. The specifications are contained in a supplement to the standard milk ordinance and code which some 150 Texas cities—including all major population centers—have adopted.

When the new specifications are assembled in printed form they will become formal regulations and will have the full weight of the Texas milk grading and labeling law behind them.

In effect, the Board of Health action says to the milk processing industry:

"Now you can dehydrate your surplus Grade A fluid milk as prescribed by these new regulations and store it. Then, in those seasons when milk production is low, you can add fluids to those dried solids and

offer it for sale as Grade A fluid milk, provided each container is clearly labeled as being reconstituted."

Excepted from the "reconstituted" label is cultured butter-milk which by definition consists of soured skim or reconstituted milk, and fortified milk which must be labeled with the percentage of solids added to the original fluid product.

Prior to adoption of the specifications, milk processors had to dispose of surplus by turning it into by-products. The practice was unavoidably wasteful, particularly when viewed during later seasons when whole fresh milk production dropped off for one reason or another and supplies had to be shipped in from out-of-state.

Refinements and standardization of the milk drying process now makes dehydration and storage without refrigeration practical.

Three major dry milk processing plants now operate in Texas—at Rusk, La Grange, and Muenster.

Only Grade A milk can be sold in communities which have

adopted the standard milk ordinance and code. The new specifications will permit importation of Grade A dry milk products into these communities after city councils pass them as ordinances.

(A weekly feature of the Health Education Division, Texas State Department of Health.)

### Return From Trip To Philadelphia

Mr. and Mrs. R. H. Wallace returned last week from Philadelphia where they spent a month visiting their grandson, Bobby Roberts, and family. Bobby and his family came to Rising Star on a 15-day vacation visit with the Wallaces and Mr. and Mrs. E. M. Roberts, the parents of Mr. Roberts. Mr. and Mrs. Wallace returned with them to Philadelphia where Bobby is employed by the Pennsylvania Railroad, and spent a very pleasant month in the east, visiting such places as Atlantic City and the historic sites around Philadelphia. They returned by train, Bobby accompanying them as far as St. Louis.

Mrs. Treva Mae DeLoach and two sons of Cedar Hill are visiting Mrs. DeLoach's parents, Mr. and Mrs. Charlie Carroll,

### Farm Bureau in Opposition to \$1.25 Minimum Wage

WACO.—(Spl) — The Texas Farm Bureau this week voiced its opposition to proposed legislation which would increase the minimum wage to \$1.25 per hour and extend it to additional millions of workers.

J. H. West, president of the state farm organization, stated the Farm Bureau's position on the issue in letters to all members of the Texas congressional delegation. He urged the Texas lawmakers to use their influence to defeat the proposals.

The farm leader said Farm Bureau is opposed to the proposed changes in the law because they would:

- (1) Reduce farm income by increasing the cost of goods and services used on the farm.
- (2) Give further impetus to inflationary trends and increase the cost of living.
- (3) Price the services of many people out of the market. This would apply primarily to those who have handicaps of age, experience or capacity

whose services would be worth less than employers would gain by employing them.

Legislation is now under consideration in both the House and Senate Labor committees to amend the minimum wage and hours provision of the Fair Labor Standards Act.

"It is my understanding," West said, "that the provisions of amendments being considered by both committees are almost identical, except for minor details, and if passed into law would increase the minimum wage to \$1.25 per hour over a period of two years, and in addition, would extend the wage and hour provisions to additional millions of workers."

### CARD OF THANKS

We wish to express our grateful thanks for the comforting thoughtfulness of so many during Mrs. Mixon's confinement in the hospital. We are grateful for the cards, letters, gifts and words of encouragement. May God bless you all.

Mrs. S. C. Mixon and Family

### THANK YOU

We wish to thank each one who came out and helped with the grass fire last week.

The Curtis Alford Family

### Texas Farm Income Ranks High in 1959

COLLEGE STATION.—Texas far outranked other states in cash receipts from marketing of cotton, rice and grain sorghum in 1959, reports John G. McHaney, economist for the Texas Agricultural Extension Service.

Cotton was the leading income source for Texas farmers as it brought in one-third of the total agricultural receipts. Although Texas grain sorghum accounted for over half of the total U. S. production, it accounted for only 10 percent of the State's farm income, McHaney continues.

In other rankings, Texas was second in receipts from cattle and calves, fourth in sheep and lambs and peanuts, and fifth in flaxseed. Even though Texas retained its top spot for number of cattle and calves on hand, Iowa ranked first in total cash receipts, McHaney says.

### Flies Piper From Utah To Visit Relatives

If you saw the Piper 12 cruising over the town over the week end, perhaps you would be interested to know that the visitor was Billy Alvin Tucker, son of Mrs. Lee White, who came Friday from Montezuma Creek, Utah, where he is employed by El Paso Natural Gas Company at the Anehi Plant. While here he did some fishing, catching several nice sized ones.

He visited friends in Eastland and in the Fred Joiner home near Gorman while here. He returned to Utah on Wednesday.

He is planning a return trip in August, during vacation time, and will bring his wife, Margaret Joiner Tucker and three sons, Garland, Dale, and Michael with him. The family has become air-minded. Even the little boys like flying. They will visit Mr. and Mrs. White, and with her parents, Mr. and Mrs. Fred Joiner, and family near Gorman.

Does Your Family, Inc. have an annual report?

In some ways it certainly makes a lot of sense to look at your family as a business. For instance, businesses set aside money each year to meet their future needs. Your family should, too, because you'll have a lot of future needs . . . college educations for the children . . . a new house . . . a retirement fund. You might call the money you'll need for these things a reserve for future operating expenses. And you should start building that reserve right now. One of the best ways to do this is by regular purchase of U. S. Savings Bonds. They're a safe, sure investment that's backed by the strength of the greatest nation on earth.

Savings Bonds are absolutely indestructible. If stolen, lost or destroyed—they'll be replaced without charge by the U. S. Treasury. And now they're better than ever. Every U. S. Series E Savings Bond purchased since February 1, 1957 pays 3 1/2% interest when held to maturity. It matures earlier, too—in only 8 years and 11 months—and pays higher interest in the earlier years. So this year look at your family's finances with a businessman's eye. And make it your New Year's Resolution to start building a fund for the future by buying Savings Bonds through the Payroll Savings Plan at work—or regularly where you bank.

PART OF EVERY AMERICAN'S SAVINGS BELONGS IN U. S. SAVINGS BONDS

## Anna Little to Be September Bride of Kenneth Beeler

Mr. and Mrs. Denman J. Burns have announced the engagement and approaching marriage of her daughter, Anna James Little, to Kenneth R. Beeler of Midland, Texas. The marriage will be solemnized on September 3 at 5 p.m. in the First Methodist Church of Rising Star.

Miss Little, the daughter of Mrs. Burns and the late Roy Lee Little, is a 1958 graduate of Rising Star High School and attended Texas Womans University and Tyler Junior College.

Kenneth, son of Mrs. Claude Beeler of Cross Plains and Claude Beeler of Colorado City, is a 1954 graduate of Cross Plains High School. He served four years with the U. S. Air Force and is now employed by the El Paso Natural Gas Company at Midland.

The couple will make their home in Midland.

## WMS Has All-Day Mission Study Monday

Mission Study with an All Day meeting was held by the WMS of the First Baptist Church on Monday, June 27.

"Educating Youth in Missions," was the study for the day.

Those giving parts on the round table discussion were:

Mrs. Julia Ross, Mrs. Raymond Turner, Mrs. Lee Clark, Mrs. F. W. Respess, Mrs. Will Ware, Mrs. Ira Hudler and Mrs. T. C. Crisp.

A covered dish lunch was served at noon.

## NOW AT HOME

Ellis Harris has been returned to his home here from Gorman Hospital where he had been confined for treatment for two weeks for a back difficulty. He will be confined to his bed for some time, members of his family said.

The 44-story Humble Oil & Refining Company home office building, which is scheduled to be finished in Houston in 1962, will have about a million square feet of usable space.

MRS. LLOYD C. GONZALES

## La Veda Boggs and Lloyd Gonzales Wed in Candlelight Ceremony Saturday

In a beautiful, candlelit ceremony before the altar of the First Methodist Church Saturday, June 25, at 5 o'clock LaVeda Boggs became the bride of Lloyd C. Gonzales. The Rev. W. Norman Purvis, pastor of the church, officiated at the double ring ceremony.

Two large candelabra stood behind the altar which was decorated in smilax. The bridal couple knelt on a satin cushion at the rail.

The bride is the daughter of Mr. and Mrs. Dixon Boggs of this city and is a 1960 graduate of Rising Star High School. The groom is the son of Mr. and Mrs. J. B. Gonzales of Sinton, Texas. He received his bachelor of music degree from Hardin-Simmons University in 1958 and is band director at Rising Star High School.

Wedding music was presented by Linda Koonce, organist, and Julie Watkins, soloist. Miss Watkins sang "I Love You Truly," "Because," and "The Wedding Prayer." Miss Koonce's pre-nuptial music included Wagner's "Bridal Chorus," "Traumeri," and "Drink to Me Only With Thine Eyes." The bride entered to the music of Mendelssohn's "Wedding March".

The bride given in marriage by her father, wore a waltz-length gown of ice-blue silk or ganza with coronet and accessories of the same color. Her bouquet was of blue and white blossoms centered with a white orchid. For something old and something borrowed she carried a bridal handkerchief belonging to the grandmother of Mrs. Mary Claborn; for something blue she wore a garter, and she carried the traditional penny in her shoe.

Karen Steel was maid of honor. She wore a powder blue cotton satin dress and carried a pink bouquet. Lydia Mauldin, bridesmaid, wore a sky blue cotton satin dress and carried a pink bouquet.

Edward Alford was best man, Jerry Wilson groomsman, and ushers were Paul Freeman and Bill Rutherford.

Following the ceremony a reception was held in the home of the bride's parents on West Pioneer Street. Members of the house party were Mary Lois White, Mrs. Don Parish of Corpus Christi, sister of the bride, and Mmes. C. A. Claborn, Glen Henry, George Steel and Gary Maynard.

For her going away costume the bride wore a sky blue suit with matching accessories. After a wedding trip to Ruidosa, N. M., the couple will be at home in Rising Star.

Wednesday the bride was honored at a gift tea in the home of Mrs. Elgie Crisp. Co-hostesses were Mmes. C. A. Claborn, B. A. Butler, Robert Butler, Olie Burns, J. D. Clark, Hulie Erwin and George Steel. Members of the house party were Mary Lois White, Lydia Mauldin and Karen Steel.

## Lydia Mauldin Hosts Gift Tea for Bride

A Gift Tea for Miss La Veda Boggs, bride-elect of Lloyd Gonzales, was held at the home of Mr. and Mrs. M. R. Groce by their granddaughter, Lydia Mauldin. The shower was held from 2 to 5 p.m. on Wednesday, June 22. Co-hostesses with Lydia Mauldin were Karen Steel, Mary Lois White, and Sandra Bradley. Many useful as well as beautiful lingerie gifts were received by the honoree. Refreshments of angel food cake, filled with ice cream and delicious punch were served to all who attended the shower. The honoree was assisted by her mother, Mrs. Dixon Boggs, in opening and displaying the gifts.

## ATTEND WEDDING

Among out-of-town guests at the Boggs-Gonzales wedding, other than members of the immediate families, were Mr. and Mrs. Ernest Gonzales of Sinton, uncle and aunt of the groom; Mr. and Mrs. Charles Bingham of Anson, friends of the groom; Mr. and Mrs. Roma Boggs of Kress, aunt and uncle of the bride; Mr. and Mrs. Don Parish and sons of Corpus Christi, brother-in-law and sister of the bride.

County Bond Sales Above State Average

During the first five months of this year the citizens of Eastland County purchased \$274,343 in Series E & H United States Savings Bonds.

"We have now achieved 53 per cent of our 1960 goal of \$520,000," Parker reported. Texas sales for the first five months of this year were \$69,824,000 which represent 43.2 per cent of the 1960 goal of \$165,500,000.

Good grass management means: Take a little, leave a little.

IRRIGATION AND MANAGEMENT OF SOILS AID PRODUCTIVITY

COLLEGE STATION.—Since soil is one of the most valuable assets a farmer possesses, its care and management should be a primary concern.

Much of the land in Texas is irrigated, and this poses additional problems and considerations for the farmer. To be able to manage this irrigated land correctly, he must understand the processes of soil formation, the texture and structure of the soil, the physical condition and organic content, the relationship between soil and water, the use of fertilizer on irrigated soils, the development of plants, and the sources of plant nutrients.

agronomist, and William F. Bennett, extension soil chemist for the Texas A&M College System, have written an informative and comprehensive publication on the irrigation and management of Texas soils.

Some of the late model automobiles contain more than 100 parts made of Butyl rubber, a synthetic product which won widespread acceptance in the manufacture of inner tubes because of its ability to hold air 16 times better than natural rubber.
