In this issue of the Record Humble Oil and Refining Company announces a big football season contest in which 24 portable TV sets and 48 transistor radios will be given away each week. In addition the company will award four grand prizes at the end of the season, consisting of four-day all expense paid trips to Dallas and the Cotton Bowl game on New Year's day. You can read all about it in the advertisement in this paper.

Details of the big event were announced to Humble dealers in this area at the Humble Football Party in Eastland Thursday evening of last week. I was the guest of Bill Johnson, Humble dealer on Highway 36 east of town for the party. The Humble entertained its guests with a delicious steak dinner and a color film of the highlights of last season's Southwest Conference football games. It was a very enjoyable program.

James E. Stovall, grandson of Mrs. Mary E. Stovall, has arrived from Sumatra, Dutch East Indies, where his parents now live, to attend public schools in Rising Star this term. He is a member of the Freshman class. School in Sumatra teaches through the eighth grade. James Stovall, father of James, is an employe of the Cal-Tex company in Sumatra.

Several new families who have moved to Rising Star within the last week or so are: Mrs. J. D. Clark of who live in the George house on North Anderson

Mr. and Mrs. T. F. Boggs who occupy the McClure residence on North Anderson;

Mr. and Mrs. Monroe Byrd have moved into the Mashburn residence on East Highway 36;

Mr. and Mrs. M. C. Watkins have moved into a residence on East Austin Street.

There is a good demand for rent houses here now. Rising Star has lost a number of very desirable families because of the lack of suitable rent property. One family required a three-bedroom modern home but had elsewhere because no such was available.

There is also opportunity here for a good motel to cater to the traffic which we do not benefit from. Some interest has been shown by prospective investors in building such a motel, but fear of what might happen to Highway 36 is said to have discouraged them.

There is little likelihood, Highway Department engineers say, that there will be any change in the route of Highway 36 through Rising Star within a good many years, and there is the very good possibility that it will remain where it is indefinitely. A good motel would very probably be obsolete and depreciated out of value before such a change is made. Meanwhile it would make money and add much to the resources of this community.

Doyle Maynard lost 40 of his young laying pullets to a marauding hound the other night. The hound broke into his chicken yard and slaughtered the hens wantonly without eating any of them. Doyle took a shot at the animal with a shotgun but the hound was too far away for any results. A neighbor, Mrs. Warnock, lost six hens to the same intruder.

Quite a few livestock are being lost or killed in this area now. Several farmers have lost cows and calves which have disappeared without a trace. Recently someone entered a pasture and Bill Johnson keeps his and killed six registered with a .22 calibre rifle. The character of these losses is becoming more serious.

Stay on the Brambleton Community. The settlement is a habit of the community. The settlement is a habit of the community.

Anna Little To Be Queen Of Fall Fair

Miss Anna Little, daughter of Mrs. Betsy Burns of Rising Star, will be the Queen of the 1957 Rising Star Free Fall Fair.

Miss Little was chosen from among the girls of the Senior class of Rising Star High School by a secret ballot of Rising Star business houses, each business having only one vote.

Attending Miss Little, who will be presented from a special float in the parade opening the fair Thursday afternoon, September 26, at 5 o'clock, will be Duchesses Patsy Howard, Jane Ann Key, Martha Walker and Mary Reed.

Following the parade the Queen and her court will appear in a coronation ceremony on an outdoor stage at the City Market building, where the fair exhibits will be centered. She will be crowned there in program beginning at 7:30 o'clock.

Plans for the Fair were moving well ahead this week with the various committees shaping up the details of their various responsibilities.

Merchants of the city were asked to display their bunting and flags on the fronts of their business places beginning Saturday, September 14, two weeks before the fair opens. Each business house has the flags which were left with the merchants after last year's decorations were removed.

The decoration committee, headed by Bill Button, will erect the streamers and lights across the streets.

Bands of High Schools in communities neighbor to Rising Star have been invited to march in the parade and invitations have been sent to all Riding Clubs in the west Central Texas area by the parade committee consisting of Mr. and Mrs. Jack Jackson and Art Fisher. An attractive trophy will be awarded the winning club. Merchants and local civic and religious institutions are being asked to enter floats. Two classes of entries will be judged and cash prizes of \$25 each awarded the most attractive and the most original entry. The Rising Star High School Wildcat band will have the place of honor in the parade.

The Livestock Show is under the direction of Cecil Shults and Charles Rutherford. There will be six classes with cash prizes awarded in each. The classes are beef cattle, dairy cattle, goats, swine, sheep and Shetland ponies. This show will be held in the Jobe building across the street from the post office.

The women's division is directed by Mrs. Louise Weber and many entries from Home Demonstration and women's civic clubs are promised, she said. Community progress clubs will also have exhibits competing for substantial prizes.

More booth space has been set aside for this year than was sold last year. Robert Butler, who was in charge of the sale of space, said a number of commercial exhibits have been promised by wholesale firms serving the Rising Star area as well as exhibits by local merchants.

Mrs. W. E. Tyler is in charge of the Art exhibits.

Entertainment will consist of music and novelty numbers following the coronation ceremony and an amateur night program Friday evening from the same stage. A carnival with rides and concessions will be at the back of the exhibit building throughout the week end.

Baptist Youth to Go to Brownwood

The Youth Rally at the Baptist Church will meet Saturday evening at 6:30 o'clock to go to Brownwood for an evening of bowling.

Saturday, August 31, the Rally at Jack Sr. night's home for Jackson brought the devotional "Right or Wrong?" Games followed by ice cream was served. Youth were present of 22 who were served.

Wildkittens Drop Opener to Gorman Team 27 to 0 Tues.

The Rising Star Wildkittens dropped their opening football game of the season to a heavier and more experienced Gorman eleven at Gorman Tuesday night by a score of 27 to 0. The Rising Star boys showed flashes of good play at times but the team's blocking was poor and showed the effects of the short practice session.

The remainder of the season schedule for the Wildkittens is: September 17, open; September 24, Cross Plains at Rising Star;

October 1, May at May; October 8, open; October 15, Moran at Moran; October 22, Cross Plains at Cross Plains;

October 29, Moran at Rising Star; November 5, May at Rising Star;

November 12, Gorman at Rising Star; November 12, Gorman at Rising Star.

Members of the squad, with probable starters indicated by asterisks are:

Ends—Jarrell Bishop; *Skipper Ezzell; Sam Hamilton and Jimmy Smith;

Tackles—*Worley Maynard; *Morris Culwell; Richard Creech and Jack Watkins;

Guards—*Butch Butler; *Franklin Cox; Sammy Kendrick; Mike Fisher and Roger Goodwin;

Centers—*Larry Harp; *Johnny Jones; *Dick Morrow; *Joe Edmiston; Kenneth Nunnally; Tommy Alford; Covie Weaver and Erwin Linney.

Some of the boys may be changed about the first game, Mr. Crump said. There hasn't been sufficient time to get them properly positioned, he said.

Trail Blazers to Meet Saturday at Legion Hall Here

The Old Trail Blazers Ass'n. will hold its annual meeting on Saturday, September 14 at the American Legion Hall in Rising Star.

Jay Koonce is president of the association and Mrs. Everette Harris is secretary.

There will be a lunch at 12:30 noon in the Legion dining room, and the remainder of the morning and afternoon will be taken up with talks, visiting, entertainment and reminiscences of old times.

Everybody is invited, Mr. Koonce said, especially old settlers of Rising Star and surrounding territory. The meeting draws a large crowd every year and is a most enjoyable event on the local calendar.

Mr. and Mrs. A. A. White visited their daughter and family, Mr. and Mrs. Bobby Zellars in Big Spring Sunday. They were joined there by their other daughter and family, Mr. and Mrs. Harold Walker nad daughter of Odessa.

Hardin-Simmons University Exes have elected Bill Tippen their new president. He is well known here as he visited here frequently while his parents, Mr. and Mrs. W. W. Tippen, lived here. Mr. Tippen is a lawyer.

Misses Pate and Gertie Goss have returned from a vacation trip into Denver, Colo. Miss Pate enjoyed fishing and caught rainbow trout, which she enjoyed very much. They also visited their niece and husband, Mr. and Mrs. Dan Robinson, in Denver. Mr. Robinson is postmaster.

Late Rains Offer Some Crop Benefit

Effect of rain which measured a half inch Friday in Rising Star and varying amounts elsewhere will have a debatable influence upon the peanut yield, but there was no question that it improved the spirits of the community as well as having ended the severe hot weather which has plagued this area all summer. Added to the .22 of an inch that fell on the last day in August it brought to about three-fourths of an inch the moisture which has fallen here at summer's end.

In the Amity and Williams communities the precipitation was greater and farmers there were hopeful of a fair to good yield of peanuts. The Pioneer area and most of the section west of Rising Star received good rains, although the fall was spotted.

Pastures were greatly helped and the season of cool weather ushered in by the cool fronts that produced the showers was stimulating.

Generally speaking, late peanut crops—most of the plantings in this section were from two to three weeks later than usual—will benefit from the rain, although there was prediction that the grade might be damaged because of the tendency of vines to throw off earlier peanuts and produce "pops" An early frost could do great harm, also.

Pecan Tour to Visit 7 Orchards On September 20th

Growers and others participating in the second annual Eastland County Pecan tour on Friday, Sept. 20, will inspect crops in seven different orchards in the western part of the county according to Oscar Schaefer, Cook community, president of the County Pecan Growers Association, which sponsors the tour.

Plans call for the group to leave from the J. E. Spencer peach stand on Highway 80 west in Cisco at 9 a.m. of the above date. The group will see the orchards of F. O. Hilburn, W. D. Thurman and Lee Lieske, all near Cisco, that morning.

After lunch at a Rising Star cafe the group will check the nuts in the irrigated orchard of C. E. Smith near the outskirts of that city. Afterwards they will inspect the orchards of C. T. Barton, Doss Alexander and Ike Plumlee, all near Pioneer.

The plans and the place for the annual pecan show will likely be discussed sometime during the day, perhaps during the lunch hour, Schaefer said.

The Eastland County Pecan Growers association was organized last December in Cisco according to County Agricultural Agent J. M. Cooper who along with Schaefer assisted the tour committee composed of Conrad Schaefer, Doss Alexander and W. D. Thurman in planning the all day affair.

Ellis Cooper and E. B. Freeman, both of Ranger, are vice president and secretary of the pecan organization.

Sipe Springs Post Office Discontinued

COMANCHE.—Notice has been received that the Postoffice at Sipe Springs, Texas, is to be discontinued at the close of business September 20, 1957. Patrons of that office and Rural Route No. 1 at the Sipe Springs Office will be served by Rural Route No. 5 from the Comanche office.

Patrons of the Sipe Springs office and Rural Route No. 1 at that office desiring information regarding the change are requested to contact the postmaster at Sipe Springs and the Star Route serving Sidney and Sipe Springs.

No change is anticipated in the Star Route serving the Sidney and Sipe Springs offices except that caused by the closing of the Sipe Springs office. All patrons receiving box service on this route will continue to receive the same service given

Oil Interest Fixed On White No. 2

Satisfactory drilling progress was being made in the No. 2 S. T. White well of the V&P Production company in the SW 1/4 of Section 23, Block 2, ETRR survey, four and a half miles northwest of Rising Star this week. The well, offsetting the Caddo discovery well to the southwest, was expected to reach the pay horizon just below 2,500 feet this week end.

Interest in the area continued high with considerable trading in leases. There was no open acreage available but reports of a number of deals among operators and lease owners were reported.

Outcome of the second White well was being awaited with keen interest.

Meanwhile the original well was reported to be a good one, with a satisfactory oil-gas ratio and high oil production potential.

Surplus Food Blanks Available At CofC Office

County Comm'r Bob Carter announced this week that application blanks for the surplus food to be distributed to qualified families under the program adopted by the Commissioners Court, are now at the Chamber of Commerce.

Individuals or families who meet these requirements may make application there and receive cards entitling them to share in the distribution. Details of the program were announced in last week's Record. Briefly, persons eligible to receive surplus food at the center in Eastland, must be American citizens, residents of Eastland county, and earning no more than \$60 if a single person, \$120 if a family of two to three, \$140 if a family of 4 to 5, etc. Each person receiving Old Age Assistance, Aid to the Blind and Aid to Dependent Children is eligible, even if income is greater than the limits named above.

Full information may be obtained at the Chamber of Commerce, or from Mr. Carter.

Quarterback Club Will Meet Friday

The Rising Star Quarterback club will meet Friday evening at 7:30 at the American Legion Hall, it was announced Wednesday. All members of the club were urged to be present at the meeting when plans for support of athletic activities at the Rising Star Schools will be made.

Ray Agnew is president of the club and Melvin Shook is vice president.

Sheffields Teaching In Gillett Schools

Mr. and Mrs. M. M. Sheffield are now located at Gillett, Tex., an elementary school in the Karnes City School System. Mr. Sheffield is principal and also a teacher of the eighth grade, and Mrs. Sheffield teaches in the intermediate grades. While they are away, their son, Malon, and his family will occupy their ranch home at Okra. Malon will attend Ranger College.

Malon, his wife, the former Margery Weathers, and son, Mark Wade, returned from France on Sept. 1. Malon has been stationed at Orleans, France, for 18 months, and has completed his tour of military duty. They left Paris by plane on August 25 and drove from New York in their German car, an Opel Rekord.

H. L. Geye Offers Resignation as Ag Teacher Here

H. L. Geye, vocational agriculture teacher in Rising Star High School for the past ten years, this week resigned to accept a similar position in Breckenridge High School. The resignation was to come before the Rising Star school board Wednesday night for its action.

Mr. Geye came to Rising Star as vocational agriculture teacher immediately after graduating from Texas A&M College in 1947.

Before going to A&M he served one year with the U. S. Navy during the war and prior to the war he taught three years of elementary school. He received his Master's degree from Texas A&M in 1954. He is a native of Comanche County.

He and Mrs. Geye have four children two boys and two girls. His teaching career here has been marked with outstanding successes in vocational agriculture work. The Future Farmer chapter has earned many honors in district and state activities including judging contests in which the local FFA teams have many times stood among the top teams of the district and state.

Mr. Geye served a two-year term as a director of the Texas Vocational Agriculture Teachers Ass'n and at present is publicity director for the Cross Timbers district of the association.

Both he and Mrs. Geye have been very active in the work of the First ...

Mr. Geye is a deacon and Mrs. Geye has taken a prominent part in the youth work of the church.

43 Band Members March in Abilene Parade Monday

Forty-three members of the Rising Star Wildcat Band, accompanied by a number of band mothers, went to Abilene Monday to march in the West Texas Fair parade. They were under the direction of Miss Peggy Tate, band director.

The band encountered considerable transportation trouble, including breakdowns of the pick-up which hauled the instruments, and flats on cars in which the band members travelled, and it arrived at Abilene too late to take its assigned place in the parade, Miss Tate said. It marched at the end of the line, however, and the kids enjoyed themselves in spite of the trouble they had. Miss Tate and the band mothers had a different idea of the experience, however.

Also appearing in the parade from Rising Star were members of the Rising Star Club. The parade, full, they reported, filling clubs from a section of the state of march along with of other entries.

Members of the steering committee are to meet at Monday evening general Chairman J. Clark.

The committee progress made and make such may be necessary.

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health.
HENRY A. HOLLE, M.D., Commissioner

AUSTIN.—An epidemic of Asiatic influenza will almost certainly lay siege to Texas this fall and winter.

It is possible to make this prediction because the State Health Department laboratory has already isolated the specific virus in throat washings from several patients. Many more specimens are being studied and some of them will undoubtedly yield the virus.

A vaccine against this type of influenza is being rushed into production and will probably be ready in limited quantity by mid-September. A goal of 60 million doses is expected to be reached by February.

Looking at the national picture, it is clear that the disease has already made serious inroads. More than 11,000 cases have been diagnosed in the various states. Seven persons have died of flu or its complications. Surgeon General Leroy Burney has publicly announced the strong probability of a large-scale outbreak within the next few months.

It is a brand new member of the family of influenza viruses, perhaps closely related to the type which caused the world-wide epidemic at the close of World War I. It started first in Hong Kong in the early spring, and by June had spread over the Orient and into India.

It entered the United States through a West Coast port. The first case in Texas was diagnosed in a Boy Scout who had attended the Jamboree in Valley Forge last month. Since then sporadic cases have cropped up at various points throughout the state.

Like all influenza, this is a highly communicable strain. Symptoms include a sudden fever lasting from one to six days, chills, aches and pains in the back and joints, sore throat and a cough.

In the Far East the attack rate has been extremely high—about one of every five persons being affected. The death rate so far has been comparatively low—two deaths per 1000 cases.

Cases experienced in Texas thus far have been relatively mild. But there is no assurance that the virus will not become increasingly virulent as it spreads from person to person.

Military experience indicates that the vaccine is 70 per cent effective. Therefore, thoughtful people will get themselves immunized as soon as possible after vaccine is available.

The State Department of Health will be unable to offer influenza vaccine for general distribution. Physicians will be able to purchase the material directly from commercial drug

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

SHOULD LAWYERS

PREPARE THE GUILTY?

One of the cardinal principles of American law is that a man is considered innocent until proven guilty by proper legal proceedings. Practically everyone pays lip service to this ideal, but many fail to realize that the right to be represented by counsel is logical and essential corollary of that theory of justice. There is a good deal of criticism of attorneys representing defendants in criminal cases. Much of this criticism is unjust.

Should lawyers defend in court persons whom they know or have good reason to believe are guilty of the crimes charged against them? A few years ago a scientific sampling of the attitude of the public in Texas toward lawyers and law problems showed that more than half of all persons interviewed thought

it was wrong for a lawyer to defend such a person.

Such an attitude is rather startling to many hinking citizens and to members of the Bar. Surely the guiltiest criminal has a right to a fair trial by the law of the land. Such a trial he cannot have without a competent attorney to see that a fair jury is selected and that only lawful evidence is introduced against him.

With reference to this feeling on the part of a sizeable portion of the public, a certain District Judge who tries many criminal cases, and who served eighteen years as a prosecuting attorney before his election to the Bench, once offered the following comments:

"The result of this survey is no surprise to me, in that during my eighteen years of prosecuting, this feeling has been made known to me by hundreds of persons.

"The feeling on the part of the general public in this regard is brought about to a great extent by the sincere efforts on the part of the defense counsel to see that his client receives the benefit of every legal safeguard legal maneuvers are often misunderstood by the layman as an unethical effort to defeat justice, by delay of the trial, and by

taking advantage of certain defenses that to the layman appear to be trivial technicalities.

"Attorneys are the only ones who can correct the erroneous feeling of the general public regarding the defense of one who appears to be guilty as charged. We attorneys should emphatically state to the inquiring party to which he is entitled. These son that it is one of the cardinal rights of the individual in a democratic society to be considered innocent until his guilt is established beyond a reasonable doubt by legal and competent evidence.

"The public must be brought to the realization that all who are charged with crime are entitled to the expert counsel and aid of an attorney, and that the sworn duty of such attorney is to see that each protective legal right, to which the accused is entitled, is afforded him."

Now and then a lawyer will overstep the bounds of his duty in defending those charged with crime. When that happens, the legal profession is even more indignant than the public generally, and appropriate disciplinary proceedings are instituted where warranted.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No per-

son should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

STAR DUST.
 Scene—Rising Star High Campus Time—The first day of school Place—Rising Star High School

Characters.
 Superintendent Mr. Jones
 Principal Mr. Nunnally
 Faculty Pedagogues of RSHS (Translated into English—Teachers.)
 Students Seniors, Juniors, Sophs, and Freshmen.

The drama and comedy of another school term has begun. The halls of fame are ringing with the clear voices of RSHS students.

Our Superintendent Sam Jones started school off to a good start Monday by calling an assembly of the high school and in his talk he re-emphasized some of the things mentioned in the little green handbooks.

When Mr. Nunnally, our principal, spoke, he reminded us students of something we've nearly forgotten—the students are the ones who make discipline necessary! Doyle Maynard of the Woodmen of the World presented the school with a new United States flag. Everyone at RSHS appreciated their thoughtfulness.

On the first day the Freshmen were introduced to a new place of public school education. The Sophomores were back again, but this time with the proud title of "upperclassmen". The Juniors have their predecessors' (the

Seniors') germ and are hard at work, thinking of ways to make money. The Seniors are looking forward to their last year—it took them three years to realize they don't know as much as they thought they did when they were Freshmen!

Curtain going up! Another school year has truly begun.
 —Pat Howard

"SENIORS AT LAST"

Who are those students strutting around RSHS? No one else but us Seniors! It is really a grand feeling to know all those under classmen are looking to the Seniors for advice.

Our officers chosen for this year are: President, Pat Howard; Vice-President, Jack Callaway; Sec.-Treas., Charles Steel; and Reporter, Jane Ann Key. Room mothers who will serve the Seniors are: Mrs. Callaway, Mrs. Key, Mrs. Harris, Mrs. Walker, Mrs. Crisp, and Mrs. Steel.

What are the Seniors doing? Nothing else but trying to make money. This week we will be coming to your homes selling magazines, so be sure to save all your magazine subscriptions for us.

Most of the boys out for football are Seniors—eleven out of 25. The cheer leaders are all Seniors too; in fact, the entire Senior class will be backing the Wildcats all season. Will you?

We would like to express our appreciation to Doyle Maynard of the WOW for the United States flag presented to the high school. It is certainly beautiful.

We are the Seniors signing off saying, "Beat Those Bulldogs."

JUNIOR CHATTER

Here we are, back again for another nine months of school. Everyone seems to be happy. Our school has been remodeled and it seems as though we are in a new building. We would like to thank our school board, our faculty and the people who did the work. We appreciate it very much and we intend to help keep it just as it is.

Our first day at school was like last year. We were issued books and then we got acquainted with our teachers and new students.

We have elected the officers for the Junior class of 1957-58. They are as follows: President, Don Long; Vice President, Delwin Audle; Secretary, Essie Heairren; Treasurer, Nelda Lee; Reporter, Tressie Chambers.

We also selected our room mothers. They are Mrs. Curt Smith, Mrs. J. T. Alford, Mrs. Scott, Mrs. E. M. Roberts, Mrs. Hunt, Mrs. Green, and Mrs. Bibles.

Everyone be sure to come out for our football games and back the Wildcats. They need you!

SOPHOMORE EDITION

Although we have had one year of high school experience, we Sophs are a lot of sleepy, tired kids these first two weeks of school.

We are glad to have Don Culwell and George Cook back with us this year. We are going to be backing Don on the football field.

The Sophs are happy to welcome Barbara Culwell, who incidentally prefers to be called "Bobbie," to our fair city. Bobbie is a cute brown-eyed brunette who came to us from Cross Plains.

Class officers for '57-'58 are as follows: Pat Agnew, president; Douglas Walker, vice-president; Karen Steel, Secretary-Treasurer; Janis Jones, Reporter. Speaking for all the officers, we will try our best to live up to the honor.

We are proud and happy to be starting another year of high school in the beautiful building since it has had some work done on it. We are especially proud of the wonderful library and the new lighting system.

A last word to the fighting Wildcats. GO!!!

YEA WILDCATS!!

FRESHMEN IN THE NEWS

HI, EVERYBODY. Well, we finally made it. We're "Fish" at last. It's kind of confusing now, but we'll get used to it.

We elected class officers Tuesday. They are: Douglas Atwood, president; Jetta Butler, secretary; Olene Culwell, Treasurer; Ollie Winfrey, Reporter.

We have four new pupils in our class that we are certainly glad to have. They are Olene Culwell, Sheila Graham, James Stovall, and Tommie Byrd.

We are making refreshments in Homemaking now, so if you see some sick kids around high school, you'll know the Freshmen girls Home Ec class is cooking again.

Everyone around RSHS is really looking forward to our first football game. So, come on, Wildcats, beat those Tigers!

NEW FACES

This week we are bringing you the life of one of our new students, Barbara Culwell. She was born in Brown county on February 16, 1941. This is one girl who should know which school is the best. She has attended Imperial, May, Anson, Cross Plains, and this year, Rising Star. We hope that she will continue here until she graduates. Barbara is about five feet tall; has black hair and brown eyes. Her favorite actors are Rock Hudson and Tony Curtis. Her favorite color is red. She has no favorite food but relishes them all as do some more people I know.

WYLIE'S NEXT!

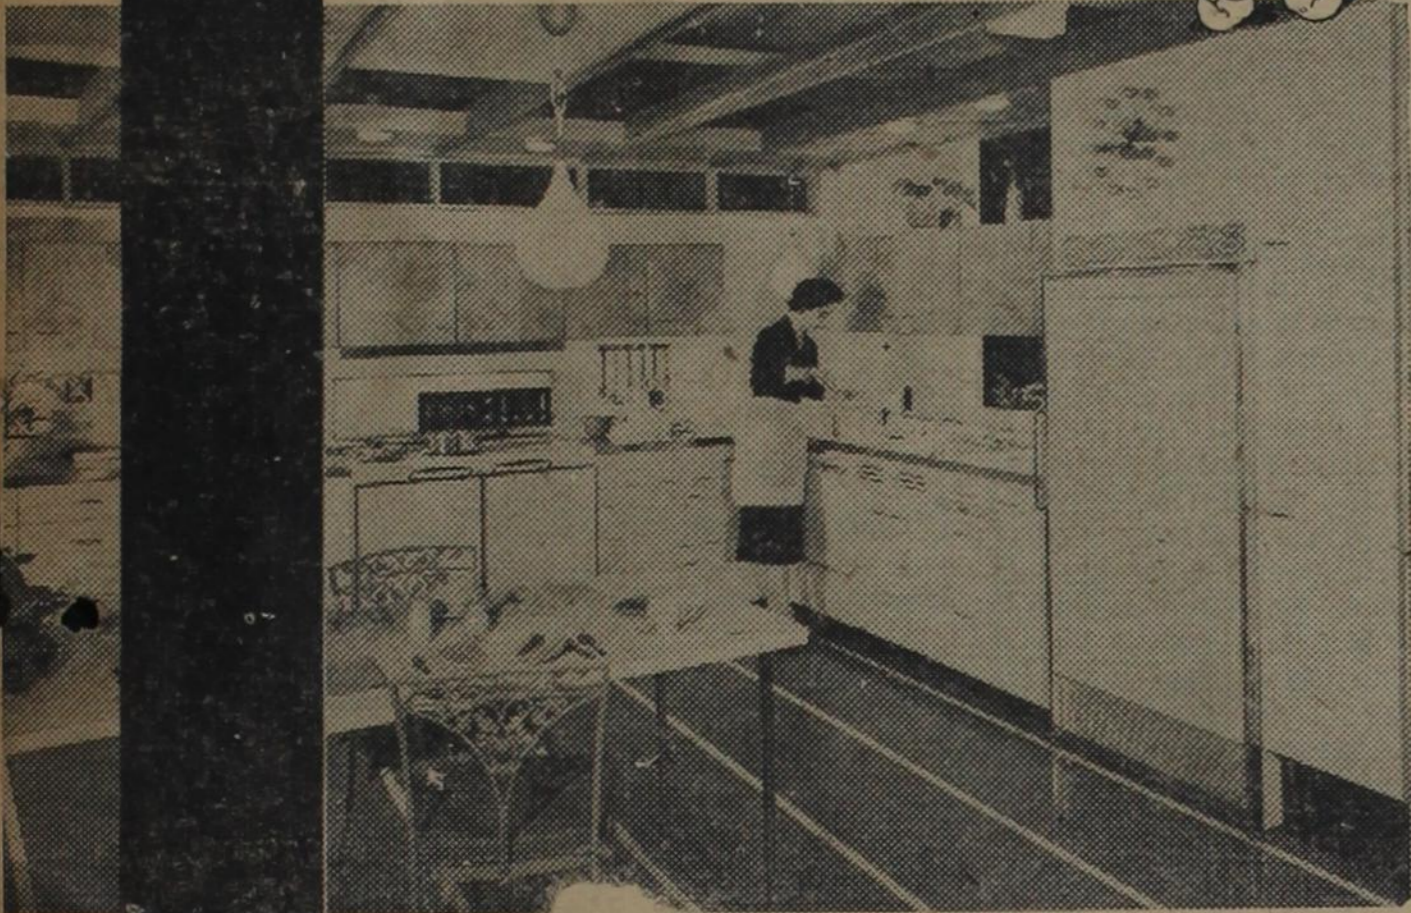

With the May Tigers behind us the boys are getting ready to venture out to Bulldog stadium to play the Wylie Bulldogs, who are rated as one of the top teams in the state. This week the game has been scheduled on Thursday night so let's everybody be out to back the Wildcats. Our boys are out on the field getting ready and how about everybody chipping in during the week and building up that "ole Wildcat spirit."

Electric Cooking is COOL

It's truly an exciting song when you have an electric kitchen. You feel so thoroughly modern with electricity to help with every task. Electricity keeps and cooks the food, does the dishes, makes the toast and coffee and even stirs the cake. It's dependable, too! Night or day, whenever you flip a switch, you know electricity is there, ready and willing.

Cool, of course it's cool, because the heat cooks the food and not the cook. Electricity is so inexpensive you can use a lot of it.

Amity HD Club Resumes Meetings After Vacation

By Mrs. Guy Taylor, Reporter

August being vacation and recreation month for the Amity Home Demonstration Club, the following members, Mmes. Ed Stodghill, E. R. West, Homer Smith, Oscar White and Guy Taylor, with Mrs. Dan Hopper a most welcome visitor, met in the clubhouse on September 3 to resume work and plans for the remainder of the year.

Mrs. Stodghill, president, called the meeting to order with the motto, pledge and prayer. The reports of the secretary and treasurer were heard, August birthday dues were collected and other routine business was attended to. There were no reports from standing committees of the Council delegate.

The club regrets to give up Mrs. J. B. Caudle, a very active member, for the duration of the school year, and our best wishes go with her for much success in her school work. She will be missed at each club meeting, as will her good reports on club activity to the readers of the Record. We shall endeavor to fill her place as reporter.

A committee consisting of Mmes. O. J. Reynolds, Oscar White and Wayne Teague was named to plan and arrange the booth at the Rising Star Free Fall Fair. The committee requested all other members to help as much as possible. Plans will be completed at the next meeting of the club on September 17, when Mrs. A. D. Jones will be hostess.

The Comanche County Home Demonstration Agent, Mrs. Blackwell, left to teach in Fort Worth and it will probably be January before another agent is appointed, but we are glad that we can carry on with our pro-

Don Massingill, Eastland, who caught a scramble calf at the Baird rodeo in July, did not get to keep the calf he caught but this past week he received a \$75.00 certificate toward the purchase of another beef calf. He went to Hamilton over the week end to get a calf that he had picked out. The calf will be fed and showed at both Baird in January and at the Eastland County Show in March.

Mr. and Mrs. Virgil Massingill, Highway 80 East, are his parents.

Tom Toland, Cisco Vocational Agricultural Teacher, will judge the eight gilts at the County Sears Pig Show at Eastland on Saturday morning, Sept. 21. The

grams and work from past training.

The club gift, a lovely bath towel, furnished by Mrs. Oscar White, was drawn by Mrs. E. R. West. After adjournment, this writer, assisted by Mrs. Stodghill, served orange punch and macaroon cookies in the absence of Mrs. Caudle, hostess for the meeting.

The business session was followed by an hour of conversation and a discussion of sight-seeing trips made in California by Mr. and Mrs. Stodghill, whom we welcome home, and hope to hear more of their interesting reports.

All members are urged to keep the next meeting date, September 17, in mind and to be present. Visitors will be welcome.

top gilt along with the boar will show in the district show at Breckenridge.

Too wet part of the growing season and then too dry the rest of the time kept Bobby Rodgers from making but 18 bushels of Funks G 706 hybrid corn on his one acre project. Bobby lives on Rt. 3, Gorman, and is the son of Mr. and Mrs. O. C. Rodgers. The corn seed for all of the 4-H corn tests were furnished by an out of state concern.

Albert Palmer, son of Mr. and Mrs. Luke Palmer was another club boy that had a hybrid corn project as did Ray and Roger Woodall, all of whom live near Gorman.

The 175-pound registered Durac Jersey boar in the Sears pig program was developed by Raymond Fox, Oiden and will be seen at the County Sears Pig Show on Sept. 21. On Sept. 28 the boar will compete against the Sears boar pigs from five other counties in the district show at Breckenridge. Mr. and Mrs. H. E. Fox are the parents of Raymond.

Larry Morrow, who has his 4-H membership at Carbon, has been nominated to receive one of the four county 4-H Club Safety Contest medals at the Rally Day next spring. Larry is a brother of a former club member, Lyndall. Both boys are sons of Mr. and Mrs. J. L. Morrow.

The 4-H safety contest is sponsored over the nation by the General Motors Corporation.

CARD OF THANKS
I wish to thank my friends and neighbors for their kind thoughtfulness of me during my stay in the hospital. I appreciate very much their cheerful cards and gifts, their visits and other expressions of kindness. God bless you all.

Home Economics cottage. The girls that took summer homemaking, along with Mrs. Nowlin, painted the bathroom, washed the curtains, varnished the floors, and washed the cabinets and windows. We also came back to find two sparkling new electric stoves and refrigerator and six new table.

All the classes in Home Economics have decided what laboratories they are going to take first. The first class containing freshmen is taking cooking; they are making refreshments this week. Homemaking II is spending this week studying textile and making a notebook on the methods of construction and the types of weaving. They are going to sew with material that is heavier than what they used last year. The Senior class or Homemaking III is going to make things such as coats with linings and difficult things.

We are all looking forward to a big happy year.

BAND NEWS

After a nice summer rest the Rising Star High Band is getting back into the ole' swing with better prospects than ever of having a top notch band. We do not have as many students as we have had in the past, but we are hoping to increase the number in the next few weeks.

Miss Tate announced that the band will make a trip to the West Texas Fair at Abilene. There will be a parade at 2:30 and later the band will visit

Visitors in the home of Mr. and Mrs. W. H. Ware were their children and grandchildren, as follows: Mr. and Mrs. Wayman Ware of Arlington, Mr. and Mrs. C. B. Porter and children of Fort Worth and Mr. and Mrs. I. W. Gage and children of Abilene.

the exhibits and other amusements.

The band members take this opportunity to express our appreciation to Miss Tate, our director, for working so patiently with us. We know it looks hopeless at times, but with such an aggressive leader we are sure to progress. We want you to know we are proud of you.

The band is looking forward to the coming football season, and we want the football team to know we are behind you all the way. So come on Cats, beat those Wylie Bulldogs!

WE'RE BEHIND THE WILDCATS!

Here are the Wildcat cheer leaders for 1957-58 with great anxiety and anticipation to arouse and keep the spirit flowing through the RSHS student body as well as the loyal Wildcat backers.

The cheer leaders for the season are Jane Key, Jaynell Edmiston, Pat Howard, Martha Walker, and Martha Duggan—all Seniors. We hope we can fulfill the duties and responsibilities of average cheer leaders.

The pep rally last Friday morning was a thunderous one to begin this 1957 Wildcat season. The cheer leaders put on a stunt for the student body—"The Wildcats on the Battlefield." We also had a number of new yells that Jane Key and Martha Duggan brought back from the SMU Cheerleading School. The spirit was magnificent, so keep it up, gang!

We want to welcome anyone to the pep rallies every Friday as well as to the games on Friday night.

Wildcats—we will be behind you as we go to Wylie—so stomp those Bulldogs!
