Burleson Has 100 Per Cent Voting Record

WASHINGTON, D. C. - A review of the record of the 85th Congress, which adjourned in August, shows Congressman Omar Burleson, 17th District of Texas, to be one of twenty-two Members of the House with a perfect, 100 percent record on roll calls.

There were 193 roll calls during the First and Second Sessions of the Congress, and Burleson was present in every instance, and is on the record with a "yea" or "nay" vote.

The average of the 435 Members of the House is 87 percent of the roll calls.

Of the twenty-two with perfect voting participation records, four are Texans. Those besides Burleson are Beckworth, Brooks, and Rutherford.

May Man Is Killed Here In Car Accident

George W. Plummer, Jr., 63, May, Texas, was almost instantly killed Sunday afternoon about 2 p. m. when his car went out of control on a curve on Highway 183 two miles south of Rising Star and he was thrown from the vehicle. He suffered a crushed chest and both legs broken. He was dead on arrival at Rising Star Hospital in a Higginbotham ambulance.

A companion, Bill Driscoll, also of May, was slightly injured.

The two men were driving south toward May when the accident happened. Mr. Plummer was driving. Highway patrolmen investigated and Justice of the Peace Bill Crawford held an inquest.

Funeral services were held at May Methodist Church at 2 o'clock Sunday afternoon with the Rev. D. L. Barnes of Hico officiating, assisted by J. Roy Williams, pastor of the May church. Higginbotham Funeral Home directed burial arrangements in May cemetery.

Survivors are his wife, Mrs. Hilda Plummer; a son, George Plummer of Lohn, Texas; two daughters, Mrs. A. L. Spier and Mrs. R. J. Spence of Odessa; two half brothers, W. B. Plummer of Brownwood and W. P. Vandever of Abilene; a half sister, Mrs. C. R. Cox of Abilene, and a sister, Mrs. Ben Cook of Portland, Oregon.

He was a member of the Methodist Church.

Hunts Celebrate 50th Wedded Year With Open House

Mr. and Mrs. G. W. Hunt of the Cook Community, near Rising Star, celebrated their 50th Wedding Anniversary Sunday, October 12, with an open house from 2 to 5 p. m.

Their sons and daughters, who hosted the affair were: Mr. and Mrs. Joe B. Hunt of the Cook Community; Mr. and Mrs. Elbert Hunt of Eunice, La.; Mr. and Mrs. Max Hunt of Odessa; Mrs. A. O. Drennan of Abilene, and Mrs. Audy Moore of Mankato, Minn.

Mr. and Mrs. Hunt were married in Breckenridge, October 10, 1908. Mr. Hunt was born March 24, 1882, in Wise County. His wife, the former Pearl Weatherby, was born April 6, 1892, in Johnson County. Her parents are the late Mr. and Mrs. G. W. Weatherby of Gorman.

After their marriage, they resided in Stephens County until 1914 and then moved to Eastland County where their present farm home is located. Mr. Hunt is retired. They are members of the Church of Christ.

Mr. and Mrs. Hunt had 2 children who died. One in infancy and a 7-year-old son who died in 1934.

They also reared their niece, Mrs. Fred Cotton, of Hermleigh, Texas. They have nine grandchildren. More than 300 neighbors, friends and relatives called during the open house.

A lovely three-tiered wedding cake with a gold "50" on top, was served with gold colored punch. The napkins had the names of the honorees printed in gold. Their granddaughters, Deanna Drennan and Carolyn Hunt, served in identical pink and gold dresses.

Many lovely gifts were received.

Mrs. T. F. Reed and daughter, Sherry, of Goldsmith spent a week here with Mr. and Mrs. W. G. Reed. Dr. Ben L. Shaw, a brother of Mrs. Reed, of San Antonio, was also here and took his mother, Mrs. M. F. Reed, home with him.

Mr. and Mrs. Chas. Harrell and daughter of Lubbock have leased the J. H. Perry home and are now at home there. Their daughter is a Freshman in our High School.

Mrs. Turner, Fire Victim, Is Buried Here Saturday

Funeral services for Mrs. Maude Turner, 67-year-old Rising Star resident of 50 years, who died at 6 p. m. Thursday of burns suffered in a fire at her home northwest of the city, were held Saturday at 2 p. m. at the First Baptist Church here with burial in Rising Star cemetery. Rev. R. A. Cook, pastor of the First Methodist Church, officiated, assisted by the Rev. Ed Jackson, pastor of the Baptist church. Higginbotham Funeral Home directed.

Mrs. Turner died of burns sustained when her clothing caught fire from a heater in the living room of her home about 7 a. m. Thursday, inflicting first and second degree burns over 90 percent of her body. Her husband, Lafayette Turner, extinguished the flames, and a Higginbotham ambulance rushed her to Rising Star Hospital.

Besides her husband, Mrs. Turner is survived by one son, J. C. Turner, of Rising Star; a daughter, Mrs. Malla Patton of Levelland; three brothers, Roy Blackburn of El Paso, Joe Blackburn of Odessa, and John Blackburn of Breckenridge; three sisters, Mrs. A. A. Hutton and Mrs. E. E. Ayers of Cisco and Mrs. Nettie Marshall of Clarendon, Texas, and five grandchildren.

She was a native of Plano, Texas, where she was born March 2, 1891. She was a member of the Methodist church.

Scouts of Four Counties To Meet On November 10

Improving Cats Lick Comanche B

By J. M. Crump
We once heard a Negro pep squad chanting, "We gotta team, we gotta team, we gotta team like aint nobody seen!"

And that is the way the Rising Star fans felt as they watched their rapidly improving Wildcats defeat a good Comanche team at Comanche Friday night. The Comanche lads were undefeated in five previous games and had been scored on only twice this season. They are a better team than some of the teams that beat Rising Star a few weeks back.

The game, which finally resulted in an 18-14 victory for the Wildcats, was thrilling from start to finish.

Gary Maynard took the opening kick-off and returned to the 47. Doug Walker and Maynard got a yard each through the line. Gary Scott passed incomplete. The Cats punted to the four-yard line with no return.

Comanche's fine quarterback, Richard (Einstein) Brooks, sneaked a yard, then handed off to Right Half Donny Sanford for another. Comanche punted on third down to their own 33.

Scott was run out of bounds on the 30, Douglas Walker, on a cutback, picked up a first down on the 23. Scott lost one at center. Paul Freeman slanted right for seven yards. Maynard carried to the 13 and Scott got a first down on the 12. After an off-side penalty and a two-yard gain by Freeman, Scott passed to Agnew on the four, then he skirted right end to score. The extra point attempt was no good.

Wesley Walker's kick to the ten was returned by Sanford to the 41. Sanford went around left end for five and again around left end to Rising Star's 45. Left Half Harold Perkins slanted right for three. A double reverse got two more. Brooks rolled out to the 23. Phillips picked up four, which was followed by a fumble back to the 28. Brooks faked a pass, then ran right end to the 22. He lost three on an attempted pass and Rising Star took over.

Walker picked up four. Scott was stopped for no gain, and his pass to Pat Agnew was too tall. Walker punted to Comanche's 42.

Sanford reached midfield on a quick opener and made another six yards around end. A 15-yard penalty against the Wildcats put the ball on the 29. Perkins lost two and Brooks gained three on a keeper, then went west around left end to the 12 and a fumble down, as the quarter ended.

Sanford gained two on a quick-opener. Brooks lost a yard around right end. An and sweep carried to the nine. The Wildcats held and took over on the four.

Doug Walker ran the ball out to the 20, but a penalty set the Cats back to their one. Wesley Walker's punt was returned to the Rising Star 23. Sanford carried nine yards through left tackle on a draw play, and then Brooks faked, spun and passed to Perkins for Comanche's first TD. The conversion attempt

County Pecan Show To Be Held Dec. 12-13 At Ranger

Ranger - The Annual Pecan Show will be held in Ranger on Dec. 12-13, according to Oscar Schaefer of the Cook community, President of the Eastland County Pecan Growers Association. His organization jointly with the Ranger Chamber of Commerce, will sponsor the affair.

Schaefer said that the show site was selected by a mail ballot after both the Ranger and Cisco Chambers of Commerce had asked for the show. The show has been held in Cisco for the past five years.

A total of 83 ballots was cast by eligible voters consisting of members of the association, together with those who exhibited entries at the 1957 show.

"We are happy to have the show in Ranger," T. C. Wylie, chairman of the agriculture committee of the Ranger Chamber of Commerce, said today.

Over 250 entries were shown at last year's show, Schaefer said, making it the largest pecan show in the state. It is expected that the number of exhibitors in the coming show will be even larger.

"We have the soil and climate for pecans here in the West Cross Timbers area, and our organization is dedicated to forwarding the pecan industry in the county and in this area," Schaefer said.

Cecil Shults of Rising Star, and Arthur Littlefield of Gorman, were on a committee to count the ballots which had to be in by October 20.

Schaefer is calling a meeting of the officers and directors of his organization for the near future to begin plans for the annual show.

Boy Scouts Will Be Guests of Howard Payne

All Cub Scouts, Boy Scouts, Explorers and their Leaders are special guests of Howard Payne College to attend the College vs Sam Houston State College football game on Monday, November 3, in Brownwood at 8 p. m.

Over 1000 members of the Boy Scouts of America throughout the eight-county Comanche Trail Council will attend and will conduct a camp fire program at half-time in midfield. It will be the "largest camp fire program ever staged in this area" according to Lowell Pouncey of Brownwood who is Chairman of the Camping and Activities Committee. Highlighting the camp fire activities will be awarding of Eagle Scout badges.

Local Scout Leaders are urged to arrange transportation for every boy. Parents and members of the sponsoring organizations can be of great assistance by volunteering to take some of the boys. Each member who owns a uniform should wear it otherwise the current membership card will admit the person.

Dr. Guy Newman, President of Howard Payne College has extended the invitation for the third year.

SPONSORS BAZAAR

The W.S.C.S. of the Methodist church is sponsoring a bazaar and food sale at the building formerly occupied by the West Texas Utilities Co. on Saturday, Nov. 1, from 9 a. m. to 4 p. m.

Rising Star Will Vote In 2 Boxes Tues.

Rising Star voters will cast their general election ballots in two boxes next Tuesday as in the primaries.

West Side precinct voters will vote at the City Hall where Raymond Gray, democratic precinct chairman, will be the election judge, and East Side citizens will cast their ballots at the American Legion Hall where Melvin Shook, also democratic chairman, will preside. Each is judge by appointment of the commissioners court, since this will be a general election and not a primary.

The ballot will include the names of all party nominees plus nine proposed amendments to the constitution of the State of Texas. The same qualifications for voting as apply in the primaries will govern. The polls will open at 8 a. m. and close at 7 p. m.

Modern Farming Is Complicated And Exacting Business

By H. L. Geyer
Teacher of Vocational Agriculture
Rising Star High School

Present-day scientific farming is a very complicated business. It is often said that a farmer must be a business man, entomologist, agronomist, mechanic, electrician, rural leader, veterinarian, etc. Abilities in these areas are essential in farming.

The high school teacher is expected to be an "expert" in these various areas. But even with his college technical background of training, it is difficult for him to stay abreast of technological changes that are occurring in these various fields. Consequently teachers are compelled to seek the cooperation of other professional agricultural workers to assist him with his local community educational program in agriculture.

The Texas Education Agency, realizing the importance of providing assistance to high school teachers of vocational agriculture and to adult farmers, recently initiated a program whereby specialists in certain agricultural areas would be available to assist teachers and farmers. The specialists that are presently available are working in entomology, farm shop, and farm welding. These men are stationed at Texas A&M College. According to E. V. Walton, head of the Department of Agricultural Education at Texas A&M College, these specialists will be joined by others as they are employed.

The teacher of vocational agriculture, then, in addition to furnishing technical assistance to farmers, provides for them the leadership required to obtain assistance from specialists in agriculture. This leadership function makes it possible for farmers to obtain, through the cooperation of the teachers, assistance with farm problems.

Two years ago six local farmers, Mr. Hulon Erwin, A. M. Butler, Joe Butler, Arlin Burkhalter, R. M. Earp, and Joe Criswell, completed 10 classes of 2 hours each in arc welding. The final class was conducted by Mr. Bob Craig, Farm Shop Specialist of A&M College, on hard surfacing farm tools. All local farmers interested in further instruction in farm electricity, welding or insect control are asked to contact the local teacher of Vocational Agriculture about organizing a class.

Tarleton students who were here for the weekend were: Jerry Davis, Fred Pringle, Joe Frank Crisp, Don Hicks, Jerry Don Aaron, and Jack Shults.

Shirley Hageman of Okra spent the weekend with her aunt, Mrs. Elgie Crisp, and family and attended the ball game.

ONE WILL GET YOU 22!

If you can spend a dollar and get back 22, that's good business. Forty-five other states do it by advertising their advantages, but Texas can't follow suit because of an 80-year-old Constitutional provision. On November 4th, the voters will have an opportunity to remove this restriction by voting FOR Constitutional Amendment No. 7.

The regulation against state advertising goes back to the carpet bag era of 1876, when a constitutional convention wrote into the Texas charter (Article 16, Section 56) the prohibition against "expenditure of public funds for the purpose of bringing immigrants into Texas".

For a long time, Texas leaders have known that the necessity for such rule no longer exists, and they have sought to eliminate it. They know that the advertising dollar, wisely spent, brings in highly satisfactory returns. Governor Price Daniel put it this way:

"From the experience of 45 other states, it has been estimated that every dollar spent on tourist programs alone brought back \$22 to the economy of the state. . . . This is a sound investment which Texas has been overlooking for too long."

Many others hold the same view. Last year these people told their story to the Legislature, and the result was passage of a joint resolution calling for an election on whether to change the Constitution so as to permit

state advertising. That's all the constitutional amendment would do. It would remain for the Legislature next year, or in future years, to make appropriations for state advertising expenditures and, as the resolution says, to establish the procedure for developing the appropriate information about Texas and placing it before the people of other states.

Not only would the nation be informed about the advantages of Texas as a place to visit, but as an area where there are great resources awaiting industry. The joint resolution refers to the following topics to be studied and referred to in the state advertising program: "the historical, natural, agricultural, industrial, educational, marketing, recreational, and living resources of Texas."

The tourist dollar, advertised for, comes back fast, results in immediate profit for such people as gasoline companies, restaurants and hotels, airlines, bus lines, travel and resort facilities. But as one advocate of the constitutional amendment has said, others in business here stand to gain too — "banks, building contractors, labor, newspapers, utility companies, and retailers aware of both immediate and ultimate advantages of increased tourism and, more important, of the resultant industrial development."

Grow Own Food To Cut Food Cost Specialist Advises

College Station -- Studies show that families can reduce the amount of money spent for food by producing some of it themselves and, at the same time, probably be better fed, says Cecil Parker, extension farm management specialist.

However, adds Parker, there are some factors that should be considered in deciding whether it is desirable to produce rather than buy the home food supply.

One thing to consider is could the land, labor and capital used for home production be more profitably used for producing commercial crops. It is also possible that the time required could be used in a way that would pay more than enough to buy what might be raised.

The family also must decide if they would eat better by raising their own food supply and if they would get more of the protective foods such as milk, eggs, vegetables, meats and fruits.

There are also some production factors to consider, points out Parker. For example, does the family have the skill and knowledge for this type of production and are they willing to be tied down by the routine work? A sufficient water supply should be available in case of an extended dry spell.

Some other questions the fam-

ily should ask are: Is there a possibility of a 4-H club demonstration related to the food supply? Is there an opportunity to sell any surplus that might be produced? Is there a market accessible that carries a good variety and quality of foods at a reasonable price?

Parker says whether a family decides to produce their own food, and if so, the kind and amount of food they decide to produce, will depend on their own situation and the values they place on the above considerations.

Letters To the Editor

TO THE EDITOR: The proposed constitutional amendment No. 1 should be defeated November 4th because it will increase our taxes which are already too high. This is a very tricky and costly proposal. They, the "law-makers," are asking us for \$15,000.00 for two years pay for only six months service. The other eighteen months are for staying home attending to their own private business at the taxpayers expense. They want something for nothing. Worst of all this infamous amendment calls for office expense, but it doesn't say how much or what it is for with no limit to it. No one can predict the cost of office expense. It could run into millions of dollars. This should be stated in the following words: "the office expense not to exceed \$3.00 per day" — instead of blank check. Still another provision in it — to provide living quarters in the Capitol building for the Lt. Governor and for the speaker of the House to stay in the State Capitol with life-long lease free with expenses paid for by the State taxpayers. The Treasury is already in the red with one hundred and forty million deficit paying with hot checks. In closing let me remind you that if a person is not basically honest, money doesn't make him any better. I had the honor to serve in Texas Legislature for \$10.00 per day with some of the best men and women in Texas and we balanced the budget and placed the State on a cash basis. Some of these \$10.00 a day members included such men as the now Secretary of U. S. Treasury, Supreme Court Judge, eight Congressmen and over 25 district judges. When we raised the pay to \$25.00, we got less for our money. The lawmakers should do something for our elder citizens. They need more cash help to get by on decently during this high cost of living.

Respectfully,
CECIL A. LOTIEF

Man in the making

You watch your bright-haired boy turn in a twinkling from rowdy horseplay to tender cherishing of an injured bird.

How humbly proud you are of such evidence that your son is growing—in all directions!

And how you want for him a world where there are no barriers to his development as a free and independent American.

There are many ways you can help assure this sort of world for him. One very important way is to be on the watch for ideas that could deprive him of his right to freedom and independence.

The idea, for instance, that "government should run such and such a business, a service, an institution." Even though it has been shown that the more things government runs, the less freedom there is for the individual.

When you hear people talking like that, point out that when you take independence away from anybody, you undermine the freedom of everybody.

Very much aware of this threat are the independent electric companies, because government already runs part of the electric business. And powerful people are pressing government to take over more.

Hatchability of Eggs Increased By Fertility

College Station - One of the best ways to increase hatchability of hatching eggs is to increase their fertility, says Bill Cawley, Department of Poultry Science, Texas A & M College.

One of the first points to consider when increasing flock fertility is raise enough males to be able to select only healthy, vigorous ones for the flock, advises Cawley. During the growing period keep males separated from females so the males can be fully fed.

He suggests keeping no more than 11 and no less than nine males per 100 hens for broiler type birds. In egg production stock, this number may be reduced to no more than nine or less than seven males per 100 hens.

Elevate some of the feeders to permit males to eat booster pellets and corn chops free choice, advises Cawley. Keep birds free of lice, mites and worms. Feed all hard grain on the litter and keep the house well lighted and ventilated. Avoid abrupt changes in management which may throw birds into a molt.

TIME - A PRECIOUS POSSESSION

By Jack Smith

Time is one of our most valuable possessions. It cannot be measured merely in hours and minutes or even days and years. For the mother and father waiting the arrival of a son from overseas, time is an eternity; however, when they remember him as a child, time seems but a yesterday. Time, although never changing, seems to be traveling faster today in our complex world than in our grandparents' day. Things that once looked so far in the future are here and gone and looking back, we can't account for the days that have passed so quickly.

As a student, I am ever checking to find the lost hours of my time that were to be used in study. He who has learned to utilize his time has achieved much in life. So much of our time is used foolishly in trifle matters and idleness. I am ever alert to find the shortest and easiest way to accomplish something so I may have a precious minute. I have learned that although most of my life lies ahead of me, I must begin now using my time wisely. We all know the person who has made the most of his time and opportunity is the one who is higher on the ladder of success. An elderly person can testify to the value of time in the fact that

there is always something he would like to do but has never had the time. A farmer realizes the importance of every minute when harvest comes.

Time, like death, is no respecter of persons. It is an element which is equal in value to rich and poor alike. All the wealth in the world could not buy an extra hour in a day or recall a moment which has passed.

All of this has been said to show that time is a precious possession to everyone; and life is so short that we should budget our time wisely so as to live a life full of achievements, learning, and worth-while pleasure, rather than look back on years of emptiness in which our time was wasted.

JUNIOR PRATTLE

That girl has slipped up on the weekly writings of her news again. My apologies to the readers and a promise to try and keep up in the future.

More of the Wildcat fans should have turned out for the Comanche "B" game. The people that did see it were especially proud of the boys. Three touchdowns were made, two of which were brought about by the big Juniors. That Paul boy, Freeman, that is, was the hero of the night, with a brilliant 59 yard run for one of the great Jr. touchdowns; and Douglas Walker, a regular Jr. star, racked up the other Junior victory. Of course, the Seniors can take credit for the other run, can't they, Gary Wayne? Come to the Jim Ned game this Friday night and back our big team.

These Juniors are a great bunch anyway! The great number of basketball girls who started the game against Desdemona last Tuesday night were Juniors. They were LaVeda Boggs, Jettie Sue Duggan, Mary Lois White, and Janis Jones. Man, these Juniors have got it.

And then there was the Junior football letterman, who, upon receiving his Big letter "R", made this classic remark to his girl friend. "Yeah, I got it for playing football, what does it say?"

SOPH CHATTER-BOX

Hi, everybody, sorry there wasn't any news in last week's

edition, for I was just too busy at hard work.

In English II, we are reading "Julius Caesar" by William Shakespeare. Our booklets on "Caesar" came in last week and we have viewed the films on it.

Algebra I surely is giving some of us trouble this six weeks, but maybe Mr. Putman will get through to us; keep up the good work, Mr. Putman.

In World History we are also studying "Julius Caesar" and the fall of the Roman Empire.

Homemaking II girls are very proud of the dresses they are making. All of them are sack dresses, so we will be in high style when you see us. That's all the Chatter for this week. Let's back the Wildcats!

Go, Cats!

THE VIEW FROM A SENIOR'S HEAD

By Nelda Lee

Glad you are well enough to drop in and visit us; we hope that you haven't been as puny as some of our fellow Seniors (although you might be when you finish reading this) - namely Rita Hogan and Betty Jenkins who were in the hospital last week. It seems that 'ol Aches and Pains always pick on us; in fact, it looked for a while as if the Seniors would have to meet classes at the local hospital.

But there's always a cheerful note to brighten up a dismal hour; and one that struck me as rather amusing is the story about the Senior girl who walked into our local bank and presented a bank teller with a check for cashing. The teller examined it; then asked, "Can you identify yourself? Looking puzzled, our girl dipped into her handbag and pulled out a small mirror. She glanced into it for a moment, and then smiled, "Yep, it's me all right." (Love those Seniors!)

The Seniors are all looking forward to the game with Jim Ned Friday night when the Wildcats will crown their football sweetheart, Nita Scott. We hope that you'll be there backing the Cats. Let's show the boys that we weren't disappointed in the way they played against the Baird Bears. The fact that the officials didn't show up was, in my opin-

ion, a revolt'n development and I believe that the Wildcats are due a vote of praise for the fine display they made against the Bears; even though they knew they couldn't win.

Until we meet again, this is "Naughty Nellie" leaving you with my final view - -

"Don't worry about avoiding temptation - -

As you grow older, it starts avoiding you!"

P. S. - Wonder what Comanche B Indians think of Rising Star Wildcats? (Could be that they feel like the little dog when he sits down on the sandpaper - - Ruff!)

FISH BOWL

The Freshman Class skating party turned out fine. We took two carloads and had a wonderful time.

Rumors are that G. B. is in love; how about that, M. G.?

I am going to dedicate some songs for some of our Fish.

"Just a Dream" - Larry Harding

"Rockin Robin" - Joan Hicks

"Born Too Late" - Wanda Walker

"Patricia" - Pat Duggan

"Tom Duely" - Larry Nichols

"Bird Dog" - Worley Maynard

Now to the brighter side.

We are all looking forward to our next game. We want to remind the football boys that we

are backing them all the way, so let's get out there and beat Jim Ned!

So long! Sherry

TEEN AGERS

NOW . . . READ THIS!

Always we hear the plaintive cry of the teen-agers:

What can we do . . . ?

Where can we go . . . ?

I can make some suggestions.

GO HOME!

Remove the storm windows.

Paint the woodwork. Rake the leaves. Mow the lawn. Shovel the walk. Wash the car. Learn to cook. Scrub some floors. Repair the sink. Build a boat. Get a job.

Help the Minister, the Red Cross, the Salvation Army, visit the sick. Assist the poor. Study your lessons. And when you are through - and not too tired - read a book.

You parents do not owe you entertainment.

Your village does not owe you recreational facilities.

The world does NOT owe you a living.

You owe the world something.

You owe it your time and energy, and your talents, so that no one will be at war or in poverty, or sick, or lonely again.

In plain simple words: "GROW"

Nov. 1 to 15 "TIRE SAFETY-CHECK" DAYS IN November

In the interest of advancing motoring safety in this area, we are conducting a concentrated tire-checking campaign...to help reduce accidents and deaths resulting from worn-out or damaged tires. We invite your cooperation in this great safety campaign.

WATCH FOR THIS CARD

It means that one of our tire inspectors has safety-checked the tires on YOUR car...when you find it on your car, read it carefully. It could save your life!

TEAR OFF THE STUB

Tear off the stub of your safety check card... bring it to one of the safety stations listed below and you'll receive your Safety Check Sticker.

IF WE SHOULD MISS YOUR CAR...

drive in to any of the safety stations...have your tires safety checked

...and they will put your Safety Check Sticker on your car.

LOOK WHAT HAPPENED IN WICHITA

The story of what happened in Wichita is of vital interest to every motorist. Chances are that you will be as shocked at the results as were the people who conducted the test.

Wichita's motorists are typical drivers...not unlike the drivers right here. They had become so used to superior tire performance that they were lulled into a false sense of security...or in an attempt to squeeze the last mile of life from their tires, many drivers were subjecting themselves and all other motorists to extreme danger.

WICHITA, KANSAS. During September a tire-safety check was conducted. It was the most exhaustive check of this nature ever made. Wichita was chosen for the test because it offered a traffic-saturated metropolitan area combined with high-speed turnpike traffic.

The results of the check astounded the safety experts. It showed that four out of ten autos have bad tires! For the first time in the history of highway safety research, they were able to positively document the fact that unsafe tires are a critical factor in highway safety.

The safety check also produced evidence that failure to keep car wheels aligned is a contributing factor to unsafe tire wear.

The Wichita tire-safety check was hailed as the "most worthwhile study of its kind" ever conducted.

WMU HAS BUSINESS MEET

The W.M.U. of the First Baptist Church met Monday, Oct. 20, at 2 p. m. for the regular business meeting. Mrs. Raymond Turner presided. Mrs. Floy Maynard is pianist. The theme song was sung by all. Minutes were read by Mrs. Lee Clark. Devotional was given by Mrs. Fred Roberds. Prayer chairman, Mrs. Clark Crowover, reported her plans. Mission Study was given by Jimmie Fridge. Community Missions was reported by Mrs. G. Adams. Report on Stewardship was presented by Mrs. F. W. Res-

pass. The Circle reports were given by Mrs. Chas. Watson, Mrs. W. G. Reed and by Mrs. Will Ware. Sunbeam report was given by Mrs. W. B. Smith. Plans are being made to serve the Associational Meeting in our church on the evening of Nov. 11. The W. M. U. will meet in Circles next Monday, Nov. 3. The places of meeting are at homes of Mrs. Fred Roberds, Mrs. Julia Ross.

Mrs. Mabel Ellis and Mrs. M. S. Sellers have returned from an extended visit in Tucson, Arizona. Mrs. Ellis visited a sister there while Mrs. Sellers visited her daughter.

MRS. ROBERDS HOSTESS TO TRUTH SEEKERS

The Truth Seekers Sunday School Class of the First Baptist Church met in the home of the teacher, Mrs. Fred Roberds, on Wednesday at 2:30 p. m. The home was decorated in keeping with the season. Pyracantha berries were placed at vantage places. A large pumpkin man which was surrounded by persimmons, centered the refreshment table. Pumpkin pie and spiced tea was served. Plate favors were small jack-o'-lanterns dressed in gay attire. Halloween games were enjoyed. Class officers were named by the nominating committee as follows: President, Mrs. Bryan Milner; Vice President, Julia Ross; Secretary-Treasurer, Pauline Roberds, Group Captains: Mrs. W. G. Reed, Mrs. Douglas Eakin and Mrs. Mary Fussell. The class plans to have a business and social meeting each month, and to make visits each week.

Mr. and Mrs. Bob Hailey and son of Springdale, Arkansas, were weekend guests of Rev. and Mrs. Ed Jackson and Dick. Mrs. Hailey sang at the morning service of the First Baptist Church Sunday.

PRISON CHAPLAIN VISITS

Rev. R. Neal Greer, who was pastor of First Baptist Church here for several years, is now Chaplain at the penitentiary at Huntsville. He and Mrs. Greer spent the weekend in the home of his brother and family, Mr. and Mrs. Carl Greer and attended services at the First Baptist Church in Bangs on Sunday, Oct. 26. Their daughter and husband live in Abilene, where he is a teacher in Hardin-Simmons University.

AT HOMECOMING

Mr. and Mrs. Fred Roberds and Pauline attended the Homecoming at Howard Payne College and Pauline remained in Brownwood on Saturday night to attend the Shakespearean play, "A Midsummer Nights Dream," presented by H.P.C. College Theatre at Coggin Memorial Chapel Theatre. Mr. Roberds also attended the H.P.C. Trustees Meeting on Friday, Oct. 24.

Mrs. Alice Graves returned two weeks ago from an extended visit with her aunt in Kentucky and with her daughter in Florida. She was gone from her home here about three months.

Observe Week of Prayer Methodist Women

The last week of October is set aside by Methodist women all over the world as a week of prayer and self-denial. This program was observed by the local Methodist women Monday afternoon in the sanctuary of the church with Mrs. R. E. Cook as leader. Mrs. Melvin Shook, at the organ, played all music interludes and accompanied the vocal trio composed of Mrs. Jay Koonce, Mrs. Tom Lewis and Mr. L. R. Smith, who sang "Breathe on Me, Breath of God."

Scriptures for the meditation were read by Mrs. O. D. Caver, Mrs. Marion West, Mrs. J. B. Eberhart and Mrs. Mae Johnson. Meditations were given by Mrs. L. R. Smith, Mrs. M. S. Sellers, Mrs. Raymond Gray and Mrs. H. S. Switzer. The pastor, Rev. R. E. Cook, administered the sacrament of The Lord's Supper to close the program.

FOR YOUR CONVENIENCE—The Morrison Steam Laundry will be open until 9 evenings Monday through Friday during the harvest season. Adv. Office supplies at the Record

SPECIAL GUESTS

J. W. Bishop, who is sponsor for the Royal Ambassadors of the First Baptist Church, took the boys to Howard Payne College on Saturday where the R.A.'s of this district were special guests. Attending with Mr. Bishop were Terry Geye, Gerald Bishop, Dick Jackson and Tommy Darnell.

Mr. and Mrs. J. D. Flanagan of Fort Worth were recent guests of Mr. and Mrs. C. L. Flanagan.

Elick Clark, of the Armed Services, stationed in Georgia, is visiting his wife and children here while he is on a ten day furlough. His wife, Thelma, makes her home with her mother, Mrs. Effie Gales.

CARD OF THANKS

I wish to thank my many friends and neighbors for every act of kindness shown to me while I was in the hospital, and Dr. Bradley and the nurses, and everyone who sent the beautiful cards, flowers and gifts. I will always remember these expressions of kindness.

Mrs. Cora White.

Saturday Club to Meet On November Fifth

The Saturday Club will meet on Wednesday at 2:30 p. m. on Nov. 5 at the Library to head about Pan-American Day with Mrs. Alice Graves as hostess. Plans will be made to entertain the County Council of Federated Clubs, which will meet here on Saturday, November 15.

Randell Brewer of Parcell, Oklahoma, visited with his parents, Mr. and Mrs. Ewel Brewer, of May while here for the recent meeting of telephone employees held in Brownwood. He is traffic manager of the Oklahoma divi-

sion.

Do you want higher taxes?

A professional Legislature that could be in session all the time?

DO YOU WANT TO HAND THESE LEGISLATOR A 'BLANK CHECK' EXPENSE ACCOUNT, Plus . . .

AN ANNUAL SALARY OF \$7,500?

Then VOTE AGAINST the Proposed Amendment No. 1

To The STATE CONSTITUTION Next Tuesday!

This pernicious amendment is one of nine proposed to the voters in the November 4 election, and would result in saddling the tax-payers of Texas with an enormous legislative expense to add to the already big State deficit of 140 million dollars!

It would pay the Lawmakers of the State \$15,000 for a 2-year term and "expenses" incurred in discharging the duties of the office, which may mean anything.

THE ARGUMENT THAT A SALARIED LEGISLATOR WOULD BE A MORE HONEST ONE IS RIDICULOUS, AN INSULT TO THE PATRIOTIC MEN AND WOMEN WHO HAVE SERVED OUR STATE SO ABLY AND HONESTLY AS LEGISLATOR IN THE PAST.

If a Legislator isn't basically honest, paying him more money won't make him so.
