A great big "thank you" to Evelyn Donham and Edra Butler for filling in last week, while the Steels took a brief vacation.

And speaking vacation and such—we recommend the Granbury Opera House productions as being first rate entertainment. The restoration of the old opera house is most interesting and the T.S.U. Players, under the direction of Mary Jane Mingus, gave an outstanding performance of "Ladies Night In A Turkish Bath"—hilarious.

The next schedule of presentation "Annie Get Your Gun" will begin August 12 through September 5.

Response to the arts and crafts exhibit have been most gratifying if you haven't been by to see this varied display of crafts, please do so.

Can you believe that it's time for school to start? Well neither can the students. There is an extensive round the clock program in progress of swimming, fishing, skiing, T.V.ing and all the things that make for summer fun.

In Election Saturday

Countians To Vote On Special Tax

Residents of Eastland County will go to the polls on Saturday, August 14 to approve or reject a 30c special tax, as proposed by the Eastland County Commissioners' Court.

The issue under consideration involves the levying of a 30c special tax above the general fund maximum of 80c per \$100 valuation for Farm-to-Market lateral roads and flood control purposes.

Quoting from a previous story written by B. A. Butler, carried in the July 22 edition of The Rising Star, "County Judge Scott Bailey has stated

that the county spent \$180,000 more than it received in taxes and similar revenues. IF this trend continues," said Bailey, "there is little or no likelihood of a reduction in cost; inflation with a capital I has seen to that. The only alternative is an increase in revenue."

The local election will be held in the City Hall with polls opening at 7:00 a.m. and closing at 7:00 p.m. John W. Lee will serve as election judge in the absence of Weldon Roach, who is recuperating from a recent illness.

Arts And Crafts Show Off To Good Start

The Rising Star arts and crafts show is off to a good start this week in the building one door north of West Texas Utilities.

Each person registering at the week-long show, to continue through Saturday, will be entitled to a drawing for a door prize which is being given by the "Kokomo Arts & Crafts" owned by Neva Ross and Dorothy LeBleu. They are showing decoupage purses, pictures and many other useful items.

Other exhibitors include Mr. and Mrs. J. J. Benson of Cisco who are showing for sale doll

furniture, macrame and other items. Mrs. H. E. Murdoch is displaying original oil paintings and Mrs. W. C. Wittis presenting a varied display of paintings, quilts, pillows and many useful items. Willie Jack Smith and a Dallas artist will open their exhibit Thursday, showing china and oil paintings. Other exhibitors are expected as the week progresses.

Everyone is invited to see this beautiful exhibit. Many of the items would make wonderful Christmas gifts.

Proceeds from the show are to go to the restoration of the market building.

Life of Christ Pageant To Conclude Friday At Eastland

The final productions of the Life of Christ Pageant for this summer will be held this Thursday and Friday night at 9:00 in the Kendrick Amphitheater between Eastland and Cisco on U.S. Hwy. 80.

This week has been designated as Eastland County week for productions. Many from this area have already attended one or more of the presentations this summer, but we would like to see all of those who have not

attended to come this week. This pageant is the only Religious Pageant presented in the State of Texas and is being presented through the summer months as a tourist attraction for the Eastland County area, as well as employment for 25 people this summer.

Many church groups, clubs, and organizations from throughout the State of Texas and parts of Oklahoma have been in attendance this summer. One charter bus coming from over 400 miles to view the Religious Diorama and the Pageant netted the City of Eastland over \$800.00 over a one night stay. We urge everyone to make special effort to attend one of the remaining two performances.

FROM OUR CHURCHES

Church of Christ

One of the terms frequently used in the New Testament is "baptize", or some other form of the word. Strangely enough, virtually all of the New Testament translations from Greek into modern languages have failed to translate the word, but have simply substituted the Latin Characters for the Greek ones. Even superficial students of New Testament Greek know, however, that the term always meant "immerse, submerge, plunge", so that in the First Century world, "baptism" always meant "immersion". The body of the penitent believer, always an adult, was quickly lowered under the surface of the water and then raised. (Matthew 3:16; Acts 8:38-39). Thus, the figure of a "burial" and a "resurrection" (Romans 6:3-5; Colossians 2:12) was associated with baptism.

Most references to "baptism" in the Gospel accounts are connected with the preparatory work of John, the son of Zacharias and Elizabeth and the forerunner of Christ. He immersed primarily at Aenon, as well as nearer Jerusalem (John 3:23; Mark 1:5). His was a "baptism" of repentance, in anticipation of the coming Messiah and his Kingdom (Mark 1:1-8) and which later was superseded by Gospel immersion (Acts 19:1-7; Matthew 28:19).

Baptism (immersion) in water was a very vital part of apostolic preaching and practice. It was administered to those who believed Jesus to be "the Christ, the Son of the Living God" (Acts 8:37; Cf. 2:36) and who had repented (turned from the love and practice of sinful things to the things of righteousness)—Acts 2:38. At the moment of baptism (immersion) which action was only valid when preceded by true faith and repentance, the following things are said to have been true: remission of sins came (Acts 2:38); the "gift of the Holy Spirit" was granted (Acts 2:38) the individual had been "buried into the death of Christ" (Romans 6:4-5) and one is said to have been "baptized into Christ" and have "put on Christ" (Galatians 3:27). The action of being immersed was therefore very necessary and very significant (Cf. 1 Peter 3:21).

It is most important to know the Bible in order to understand Bible subjects. We invite you to Bible Study, in classes for all ages, on Sunday at 9:30 a.m., on Wednesday, at 7:30 p.m., and to the Assemblies on Sunday at 10:30 a.m. and 6 p.m. A guest speaker, J.C. Bailey, is to be with us this Sunday.

Our deep Christian sympathy is extended to the family of Faye Vise, who passed away last week, following complications from a tragic auto accident. Owen Aikin preached her funeral in Dallas Friday, with graveside rites here also.

Alta Agnew is now home from the hospital, but must take it easy for a while. Pearl Lockhart is also home and improved. Albert Harris is home, in Abilene, but is not well at all. Rex Ann Hanks may be home by now and is doing much better. L.T. Owens came home last week and is better. Effie Williams has been sick and unable to be out.

Have a good week. If we can serve you in any way, don't hesitate to call or tell us.

—Owen Aikin

Universal Full Gospel Assembly

"Serve the Lord with gladness: come before His presence with singing." Know ye that the Lord He is God: it is He that hath made us, and not ourselves: We are His people, and the sheep of His pasture." Psalms 100:2-3.

Surely the Lord is gracious to us all in these last days. Everyone has their own personal problems and heartaches, but as we read God's word we know, as with Job, that "mens days are few and full of troubles, but we also know that God has promised to deliver us out of them all! Many of God's brightest Jewels come out of the hottest fires of tribulation! God has a purpose for each of our lives and it doesn't always appear to us what that purpose is. In God's plan often the links which make up the chain of His will for our lives appear as tragedies to us, but if we can and will look beyond whatever the burden might be, we will find Victory. May we remember there would never be a rainbow were it not for the Stormcloud! So whatever comes our way, let us rejoice as Children of the King, and come before His presence with singing and gladness of Heart, for we know that "All things are for your sakes," that the abundant grace might through the thanksgiving of many rebound to the glory of God. For which cause we faint not; but tho our outward man

perish, yet the inward man is renewed day by day—For our light affliction, which is but for a moment, worketh for us as far more exceeding and eternal weight of glory. While we look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal; but the things which are not seen are Eternal". II Corinthians 4:15-18.

May God Bless you in our prayer!

Our heartfelt sympathy and prayer go to the family of Mrs. Jenkins. Surely she will be missed by all. But God is surely gathering His jewels home, one by one. "Precious in the sight of the Lord is the death of His Saint."

Come and worship with us. Bro. McGinn

First United Methodist Church

While reading one of Bishop Robert E. Goodrich's books I came across some of his comments which I consider worth some thought on our part and perhaps some response.

Said the Bishop: "Most of the creeds and many of the hymns of Christendom include some variation of the words, 'I believe in God the Father Almighty...' It is a big, brave, grand, majestic affirmation. And often in public worship we join our voices in some such expression 'How Great Thou Art'—some of us honestly, some of us wistfully, some of us hopefully, and some of us with our fingers crossed, saying the words but inwardly thinking, 'I want to believe and I try, but dear God, where are you?'"

Where can we find Him? How can we be more certain of Him? To really know another person we must work with him side by side, in a common purpose. And this may be the best way for us to know God in our personal experience: to live life to the full in His world-not withdrawal but involvement; to share in His suffering—"It is not some religious act which makes a Christian what he is, but participation in the suffering of God in the life of the world"; and to love—"He who does not love does not know God, for God is love."

Thus we are called God to share in His ministry to others about us, whatever their state of being, or need. Let us unite in purpose and in deed helping others, as even with Our God that there may be peace in our World. See you Sunday in worship. You want to see a change in Our World, let it begin with you.

For all who received this paper early, you are reminded of Our Family night Get Together Wednesday evening. All the ladies are asked to bring a covered dish that we may share together, the time is 7:00 p.m.

We invite Our Friends and Neighbors, as well as all Our Members to unite with us for Worship this coming Sunday. The Sermon of the morning is entitled "Back To Egypt". If you can't be with us we would pray that you will not neglect the worship of Our God in the church of your choice.

Let us know when and of we can be of assistance to you, we would be most happy to share Christ's ministry with all.

Perhaps you have heard people say, "I'm better than most people who go to church;" "I don't need the church I'm all right"; or "If that is being christian I don't want anything to do with it."

What positive steps can a christian take to effectively put down such arguments and charges against a church in a community? I want to suggest the following steps to take. Each was demonstrated in the life of our Lord.

The witness to the Gospel declares that God's people are to be a changed people.

1. Christian be clean in thought, word, and deed. There is not one excuse for a christian to live in sin. "Be ye holy," our Lord admonished.

2. Live God's truth. We play the part often of the hypocrite. We say we believe one thing and then do something else. In all Christ did he lived by the truth He preached. Let us not be hypocrites.

3. Cover your testimony in service to others. To often we plead our rights, we boast our good deeds, we beg personal recognition. The Bible says, "He went about doing good." There is so much good we all could do if we could only get "Self" out of the way.

4. Be willing to accept the price of being a godly person. Have the courage to live right whatever people might think, whatever economic pressures might demand, in spite of the group challenge. Remember our Lord went to the cross because He would not give in.

Who could deny the testimony in the community of a clean, truthful, self-giving, non-compromising Christian. Our churches should be filled with this kind of people. Are you one?

Visiting with us Sunday morning was Mrs. Lewis Hudson of Greenville, Alabama.

I remind everyone about the revival services to be held at our church beginning this Monday. I invite you to attend.

I.C.A. Asks Cooperation In Screwworm Control

Austin--The Independent Cattlemen's Association is asking ranchers throughout Texas to cooperate fully with new federal guidelines aimed at controlling a screwworm outbreak now gripping the state.

The new guidelines, applied to all counties in Texas by the U.S. Department of Agriculture this week, require spraying all cattle within 72 hours of any planned movement to Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi or Tennessee.

Those seven southeastern states have climates in which screwworm flies can "Over-winter" and set up a disastrous situation for next year. Movement of cattle to states other than those seven is not affected.

ICA President T.A. Cunningham of Galveston pointed out that the spraying requirements now being applied to all Texas counties have previously been in force in 39 South Texas counties in the screwworm belt.

"With more than 7,100 cases in the first seven months of this year, and with confirmed cases as far north as the Panhandle, we have an epidemic situation," Cunningham said. "The spraying program is for our good, too."

The spraying requirement will remain in effect until Nov. 30.

Cunningham also called on ranchers to remember these basic steps which are critical to screwworm control: Prompt submission of samples from all infested wounds, prompt treatment of all wounds with preventative smear, spraying, or dipping regularly to prevent infestation and use of control programs for ticks, horn flies and other pests which make wounds available for screwworms.

"The sterile fly program is great, but it cannot do the job without the help of the rancher," Cunningham said.

BICENTENNIAL SALUTE - The State of Texas will be honored August 24-25 at Mt. Rushmore National Memorial in the Black Hills of South Dakota. Rushmore is a national Bicentennial focal point and the site for the 111-day Days of Honor commemoration which will recognize each state and tritory in the United States this summer.

Texas Flag To Fly Over Mt. Rushmore

MT. RUSHMORE, S.D. - The State of Texas Lone Star flag will fly over Mt. Rushmore National Memorial in South Dakota's Black Hills Aug. 24-25, as this national Bicentennial focal point recognizes Texas in the National Park Service's 1976 "Days of Honor" commemoration. Sec. of State Mark White will receive the Texas flag in ceremonies at the memorial, Aug. 25.

The Texas flag which flies over the memorial will be presented to Sec. White during our evening lighting ceremonies," says Rushmore Supt. Harvey Wickware. "Ceremonies both days will recognize Texas in the 1976 Days of Honor commemoration developed to fulfill Rushmore's role as a national Bicentennial focal point."

The Lone Star flag also flies

in a special Avenue of Flags constructed for the Bicentennial at Rushmore.

South Dakota Gov. Richard Kneip, on behalf of all South Dakotans, has invited any Texans traveling north to take part in their state's days at Rushmore.

The Mt. Rushmore Days of Honor program began May 21 and continues through Sept. 8, with each state and territory in the nation receiving homage at the Shrine of Democracy.

Located on a 6,000-foot-high granite mountain, the Shrine of Democracy was carved by Gutzon Borglum as a monumental summation of the American Republic. Borglum chose four Presidents (Washington, Jefferson, Lincoln, Theodore Roosevelt) to symbolize the growth of the United States. The portrait bust

of each is 60 feet high.

Rushmore's unique attribute of being a memorial for the whole nation, rather than just one section, led to its national Bicentennial designation by the American Revolution Bicentennial Commission in 1971.

Prayer Circle To Host August Birthday Party

Bible study was held and special prayers were offered for the sick and sorrowful of the community at the weekly meeting of the Family of God Prayer circle last Thursday afternoon.

The opening prayer was given by the hostess, Mrs. Winnie Stock, following by the singing of the theme song, "The Family of God." Missy and Jill Cohen sang "Teach Us to Love," and "Side By Side". The devotional and Bible film were given by Mrs. Della Webb. Refreshments were served and testimonials were exchanged.

We invite you to join us every Thursday at 3 p.m. at the home of Winnie Stock for prayer and Bible study and fellowship. Anyone needing transportation is asked to call 643-6281 or 643-6144. We are from all denominations, seeking a closer walk with Jesus. The film strip next week will be on the subject, "Eternal Security in a Better World."

Rockefeller Foundation Donates Record Collection To CJC

The Fine Arts Department of Cisco Junior College has recently been notified by the Rockefeller Foundation in New York that a 100-record collection of American Music will be given to the department of the Foundation.

The collection is one produced by the Recorded Anthology of American Music, a non-profit company created through a grant from the Rockefeller Foundation. The record series, which will be produced and issued over the next three

years, will trace the social and cultural history of the United States through its music.

Wiley Peebles, chairman of the Fine Arts Department of CJC, expressed the appreciation of the college to the Rockefeller Education and scholarship, and for our ability to make these records accessible to a large public," Peebles said. He continued, "If these recordings were available on the retail market, they would cost between \$500 and \$600, so this is no small

gift, and were very grateful for it. The records will prove invaluable through the years for music students at the college as well as for other interested listeners."

American music in all idioms and from all periods will be represented in the collection—folk and jazz, symphonic and chamber, religious music from gospel to liturgical, country and western avantgarde and traditional, musical theater in all its variety, and other forms. Mr. Peebles pointed out. He also said that approximately half of the discs will be largely devoted to works never before recorded, and that the remainder will be drawn from the vast store of historic recordings, many of which have been long unavailable.

"The first of these records will be in our music library when the fall semester begins," Mr. Peebles said, "and we invite all persons who are interested in American Music to come out and listen to some of them." He concluded, "The 100-record set is scheduled to be completed by the end of 1978, and it will represent a tremendous addition to our music library."

Maybe a continuation of the idea of boiled peanuts, to which I alluded in my last column, is boring to some readers. Due to some misspelled words (boiled for boiled), a further explanation will interest some people.

The uniqueness of the idea is the method of preparing boiled peanuts, I have parched dry peanuts, roasted dry peanuts, and I've put raw peanuts in peanut brittle. I have made peanut butter that was as tasty as any name brand. But to use the fresh green peanuts as they come from the ground is news to me. (Thanks to "Why Not, the Best" by Jimmy Carter.) First separate the peanuts from the freshly pulled vine, wash them and boil in plenty of water, until done. The exact time was not given, neither did he state if the peanuts were shelled before boiling. Try this.

The selling of small bags of peanuts along with five cent double-dip ice cream cones, on the streets of Plains, Ga., fulfilled Mr. Carter's desire to exercise the right of free enterprise early in life.

This correspondent's exercising the right to free enterprise and the results from a classified ad in the "Review," proved to be rewarding from the viewpoint of having callers at the home, during the week. (Not so rewarding at \$4.00 per bushel when peaches were 39c in the stores. But the joy of seeing people reach for the beautiful red peaches, and visiting with them was well worth the price of the Ad and the price of the spray it required to have peaches at all.)

Among the callers were

people from Rising Star, Williams, Pioneer, Cross Plains, Cross Cut, Burket and Pasedena, Texas. Thanks for the privilege of advertising through the medium of our local papers.

Mr. and Mrs. Claude S. Hill of Grandview, Texas visited in the home of her sister, Mr. and Mrs. A. C. Halsell week before last. Mrs. Hill is gradually gaining her strength, after having surgery.

Mrs. Lou Rodenberger returned to her home in Bryan, last Tuesday, after spending a week with her parents, Mr. and Mrs. A. C. Halsell.

Mr. and Mrs. Hiram Foster attended two School Reunions this last week-end. The Pioneer Reunion was on Saturday. The Elmdale Reunion, where Mr. and Mrs. Foster lived while their children were in school, was a special high light in the Foster's week-end activities. Their grand son and wife, Don and Cindy Houston of Dallas and Pat from Houston and the Foster's daughter Golda Houston of Austin attended the Elmdale Reunion with Mr. and Mrs. Foster.

Mrs. Foster's report on the Pioneer Reunion was the sale of one king-size bedspread made by Mrs. Foster and Mrs. Winnie Flippin; one quilt made by Mrs. Grace Eakin Norris, netted \$205 for the maintenance and upkeep of the club building.

Mike Streech and children, Kathy and John of Houston visited their grand-parents Mr. and Mrs. Bill Sessums this week. Other visitors with the Sessums were Hiram Foster and Bill Dumbley of Sabanno Community.

Several of Mr. and Mrs. Calvin Roady's friends and children visited them this

week. They were Wanda and Denise Flippin, Mr. and Mrs. Pete Fore, Mrs. Harrel all of Pioneer; Bob McNeil of Baird, Bobby Sue Holden of Clyde and Jo McNeil of Dallas; Their children Bob, and Sally George and Cindy; Mr. and Mrs. H. A. Freeman of Clyde.

Mr. Sam Fleming visited the Joe Flemings recently. Another visitor was Mrs. Laverne Hood of Snyder.

Mrs. Joe Fleming took her mother, Mrs. Mathews, to Gorman where she had the cast removed from her arm. Mrs. Mathew is making normal recovery.

Mrs. Annie Laurie Alexander had lunch with the James Chesshires, Sunday. Mrs. Alexander reports that four or five quilts were sold at the Pioneer Reunion for the benefit of the cemetery. One quilt made by Mrs. Flora Bellar was sold for the benefit of the Liberty Cemetery.

Mr. Alexander's son and wife, James and Jean of Clyde attended the Reunion. James presided over the meeting. Mrs. Edna Kelly of Hamby, was the oldest member. She is 95 years of age. People attended the Reunion from as far away as California.

Mrs. R. C. Ames and Sharon Ames visited Mrs. Ames daughter Mrs. Ester McDaniel in a hospital in Ft. Worth last Tuesday. Ester was able to return home on Saturday. She is recovering normally from heart surgery.

Mr. (Skete) Wright of De Leon visited Mr. and Mrs. J. T. Beggs last Sunday. Other visitors were Mr. and Mrs. Rusty Beggs, Charrissa and Danyl of Stephenville.

Mrs. Beggs made a business trip to Abilene last Tuesday. Mr. and Mrs. B.Neggs also went to Eastland on Tuesday for check-ups at their Doctor's office.

1040 US Individual Income Taxpayers Ask IRS

Q. I deposited \$160 for some new furniture. Since then, the furniture store declared bankruptcy. If I cannot collect my deposit, may I claim the loss on my Federal income tax return?

A. Your deposit, if you lose it, would be a nonbusiness bad debt. This type of loss is subject to certain limitations, and is reported in Schedule D of Form 1040.

To claim a bad debt deduction, you must have good evidence that you will not be able to get back the deposit, and make an effort to collect it. Bankruptcy usually is indication that at least part of the debt is worthless. Once a debt is determined uncollectible, the bad debt deduction is taken in the tax year the debt becomes worthless.

For more detailed information, see IRS Publication 548, Tax Information on Deduction for Bad Debts, available at many IRS offices.

Q. Within the past year, I've paid considerable legal expenses to defend a member of the family against criminal charges. Are these expenses deductible?

A. Personal legal expenses such as yours are nondeductible. Only those legal expenses directly connected with the production of taxable income are deductible. For example, legal expenses paid to collect alimony, which is taxable income, are deductible.

Q. My Dad gave me \$500, as a gift. Do we pay a gift tax?

A. Your Dad pays no gift tax if the \$500 is the only monetary gift he will give you in the calendar year. He need not file a Federal gift tax return. Usually, the first \$3,000 of gifts, given any one person for a calendar year is not subject to a gift tax, and therefore, is deducted in computing the amount of taxable gifts for the calendar year. The exception is gifts of future interests in property. The gift tax usually is paid by the donor. However, if the donor does not pay the tax, the person receiving the gift may be liable for payment.

It takes more than poles and wire to bring you electric power.

... believe it or not, it takes a lot of natural gas. That's right, to produce heat for our steam generating plants, we must use a very expensive source of fuel... natural gas. Comanche County Electric Cooperative, along with its other member cooperatives are at this time building an electric generating plant that uses an alternate, somewhat less expensive source of fuel... lignite. Until then we must realize that electric energy is valuable and make every kilowatt-hour count around our homes. We can help... just ask us.

How many kilowatt-hours do you use?

Texas Taxes

By BOB BULLOCK, State Comptroller

Austin-The Motor Vehicle Sales Tax is one of the big money producers for state government, but it is also one of the most difficult revenues to predict.

Last summer, for example, my revenue forecasters—using data gathered while the economy was still in a slump—predicted that Motor Vehicle Sales Tax collections would increase only five percent this fiscal year over the last.

The actual growth rate has been a phenomenal 25 percent.

It was a case of the consumers themselves helping to turn around the economy. Late last year they started buying the cars they had been nervous about buying for months.

New car sales have zoomed ever since. The state collected a record \$30 million in Motor Vehicle Sales Tax during April and another \$23.9 million in May.

The Comptroller's Office has already collected \$201 million in Motor Vehicle Sales Tax during the first nine months of the current fiscal

year, which began September 1, 1975, as compared to a total \$208 million collected during the entire previous fiscal year.

The projected total of Motor Vehicle Sales Tax collections for the 1976-77 biennium is \$508 million.

The Motor Vehicle Sales Tax is four percent of the sale price, less any trade-in allowance. It is levied on the sale of cars, trucks, motorcycles, motor homes, boat trailers, house trailers, mobile homes, and most other trailers.

The Motor Vehicle Sales Tax is collected by the 254 county tax assessor-collectors, who retain five percent of their collections and forward the remaining 95% to the Comptroller's Office on the 10th day of each month.

Documents Necessary For S. S.

When applying for Supplemental Security Income in the Social Security Office, you should bring the necessary documents with you. Improvements have been made in the computer processing system as well as in the application form itself. However, only you can help streamline the process further by bringing the documents needed to complete your application to the office when you apply.

1. PROOF OF CITIZENSHIP is always required and proof of your age is sometimes required. Public or religious records dated before your fifth birthday are the best proof. If you are not a U.S. citizen by birth you must bring your Immigration and Naturalization papers.

2. SOCIAL SECURITY NUMBER is always required.

3. PASSBOOK OR MOST RECENT BANK STATEMENT is needed if you have more than \$500 in a checking or savings account.

4. INSURANCE POLICIES are needed if you have any valued over \$1500.

5. BIRTH CERTIFICATES are needed for all children under the age of 21 who live at home.

6. AWARD LETTER or the last check showing the amount of benefits is necessary if you receive payments from the Railroad Board, Veterans Administration, Workman's Compensation, or some other monthly benefit.

7. W-2 FORM OR SELF-EMPLOYMENT TAX FORM is required if you are working or have recently been working.

8. CURRENT TAX ASSESSMENT NOTICE is needed if you own property. If you bring the documents needed to complete your SSI application to the office when you apply, your application will be processed without delay.

Twilite Acre Nursing Home

By the Residents

We now have three more weeks of hot, hot weather. At least we hope that's all. Several of our residents have wagers on the date of the first freeze. (Cokes being the wages.)

Friday afternoon we were entertained by Nell Maynard and Bryant Houston and DeWard Maynard. They played several old time favorites. Friday night Bryant went to DeLeon to compete in the Old Fiddlers Contest and won first prize—then Saturday night he went to Gatesville to another contest and again won first prize. Bryant is putting us one the fiddler's map.

Mattie Irby consented to crochet a beautiful afgan for me. A granny square design with a twist. She does these for people on request. If anyone is interested please call and discuss this with Mrs. Irby.

Margie West and Edie Anderson were responsible for the fresh black-eyed peas and cantaloupe last week. Thank you ladies very much. They were so good!

In our craft room we are preparing several things to exhibit at the Eastland County Fair this Fall. We can use yarn and thread for crocheting; if anyone would like to donate some to us.

Thanks to Rev. Hubert Taylor of the Methodist Church for our Sunday devotional. Our residents appreciate this very much.

Our newly appointed committees are making progress on a great number of things. Aren't people wonderful?

Bryant Houston gave us a small performance of his talents today in the hall by the nursing desk. It was great!

Nell Barnes, daughter of Ethel Barnes came and spent several days with Ethel and they toured the neighboring towns. Thanks to Nell for the nice things she gave the crafts room.

Margie Earp played for us the other afternoon. A beautiful selection. Very enjoyable.

Mrs. Abernathy received visits from her daughter, Mrs. Lela Mary Shults.

Nell Garner made the Hall of Fame Bingo, by winning 4 straight games in one day.

Mary Boase spent several pleasant hours this week with different friends popping in and out, including Mrs. Dixon Boggs, Mary's sister; O.Y. Miller and close friend, Faye Knight. Mary plays a mean game of "42".

Ethel Degman had several visits from her daughter Lena Mae Chambers from May.

Bertie Medford enjoyed a domino game with Earl Fussell and several happy hours passed with friends, Opal and Hallie Hill and her son, Bod Medford.

Wilson was reminiscing with several friends and visitors about having known one of them since they were 7 years old and doctoring their cow.

Willie Mae Buzbee had several letters and cards from friends and relatives.

Nancy Matthews had her arm cast removed last week and hopes when she sees the doctor she can remove the support brace this week. "Then watch out world here I come," she said!

Bessie Bowers of Brownwood and Annie Mae Young of May visited with their mother, Ora J. White this week.

Mary Hord finished her quilt top and it is a beautiful design. Now she says she will stuff it and back it and be cozy warm this winter.

Theda Buzbee had lunch for her mother, Margaret Christian and several friends and relatives Sunday.

Carl and Mattie Irby received several callers this week. Among them were a niece, Mr. and Mrs. Cecil Herrington of Brownwood, Mrs. Dixon Boggs, Nell Barnes of Dallas, and a good friend Russell from Waco and his girl friend, also Margie Earp.

Esta Bowling from Mansfield, Irma and Johnny Yokum helped put the smile in Mary Flortine Hammit's day.

Mr. and Mrs. M.J. Dukes their daughter and granddaughter had a cozy chat with Mattie Knight last week.

Edna Barnes had several friends pop in, Toy Willis, and Mrs. Jergins of Graham and of course her son, T. Van Barnes who visits everyday.

"Bet" Sallie Millwee enjoyed visiting with Mrs. N.S. Leonard, Ted and Mark Barton of Sipe Springs; Bonnie Campbell and Luann; and June Moore all of Abilene; and also Hallie Williams.

Mr. and Mrs. Novae, Mr. and Mrs. M.J. Dukes, Robbie Henderson, Maude Hill, Grace Morrison, Estelle Hardin, Olene Simmonds, Norine Boggs, Della Webb, Sybil Roark, Belinda Erwin and Jean Bennett of Hobbs, New Mexico; Mr. and Mrs. Mack White of Hobbs and Mrs. Charity White of Ft. Worth were a few of the people sharing time and friendship with Emma West and Maggie Groce.

Everette and Alice Harris, Silvia Harris, Annie Dill and Flora Westerman had an enjoyable visit with Hattie Boatman.

Lorenzo (Pa) Epley was happy to see his son, Earl and Clara Epley and grandsons Bill and Herman. They also spent a few minutes with Bryant Houston.

Dollie Clark received letters and cards from her great granddaughter this week.

Ether Alford's daughter visited with her, Mrs. Willie Faye Patterson.

Elvis Montgomery was pleased to see her daughter this week, Mrs. Luene Fortune.

Mrs. Ruth Stroble and Mr. Herbert Henry gave the residents of the nursing home some nice tomatoes to enjoy. Thank you both so much.

A final Footnote: Some people get to go places that they don't deserve. All of us peons are proud to see them go—I mean they—well never mind, just remember us at home slaving.

R for your child's safety

There is no more enjoyable way for a youngster to cool off during the hot summer months than by taking a refreshing dip in the water. However, swimming fun can easily turn into disaster if children are not taught water safety rules, cautions Dr. Albert H. Domm, child safety specialist and former medical director of the Prudential Insurance Co.

"Indeed," says Dr. Domm, "the best life preservers can be parents who are concerned enough to make sure their children know and observe the basic fundamentals of water safety."

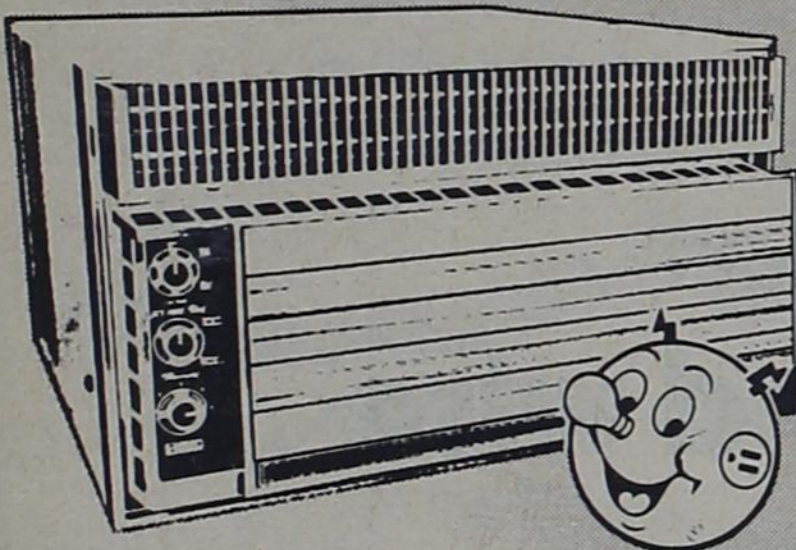

With that in mind, he gives the following seven tips for a safer summer:

1. Beginners should swim near the shallow end of the pool.
2. Swimmers should have adequate supervision in the water.
3. Children should be taught to respect water, not fear it; fear leads to panic, respect dictates caution.
4. Don't swim around or underneath the diving board.

Dr. Albert H. Domm
