

WTU Files for Rate Increase

West Texas Utilities Company has filed for a general increase in its rates for retail customers.

The official application was filed Monday in Rising Star by Local Manager Travis Williams.

The manager said the application is a systemwide request for higher rates. Simultaneous filings were made in other incorporated towns for retail customers within their jurisdiction and with the Public Utility Commission of Texas for an increase in rural areas, unincorporated towns and in 13 incorporated towns which have ceded jurisdiction over electric rates.

The principal reasons cited for the request were the cost of WTU's construction program, high interest rates and the effects of general inflation on the cost of providing service.

The proposed rates would produce an increase in total retail revenue of \$20,404,166. This amounts to 9.4 per cent.

No major changes in rate structure are proposed except for some adjustments of allocations among customer classes. For residential customers, the average electric bill, including fuel costs, would go up by about 10 per cent, although the actual increase

would vary with the amount of usage.

WTU's last rate case was filed in the fall of 1981 and settled early in 1982 without a hearing and for an amount considerably less than had been requested. WTU asked for 15.2 per cent but received 8.3 per cent. Company officials said at that time that another increase probably would be necessary within the year.

The Company had to spend over \$55 million this past year on new construction and must spend even more in the years immediately ahead to assure a continued reliable supply of electricity. The construction program includes a new coal-fired power plant at Oklaunion, as well as new transmission lines and distribution facilities over the system.

WTU built its last power plant in 1977 and since then has been able to lag behind most other utility companies in new construction and in rate increases. A recent survey by the Public Utility Commission of Texas shows that WTU's customer bills are lower than the state and national averages.

Notice To Rising Star Exes!!!

RISING STAR HOMECOMING.

October 16, 1982

The Rising Star Wildcats will host the Lometa HORNETS.

Brag Corner

Jerry Wayne Spencer, Jr.
7 months

Parents: Mr. & Mrs. Jerry Spencer of Rising Star.
Grandparents: Earlene Benson of Rising Star, Kenneth Spencer of Coosbay, Ore., Beatrice Covington of Floydada.
Great-grandparents: Mable Wood of Rising Star. (The late Emmie Watkins of Floydada was also a great-grandmother.)

Chamber of Commerce Plans Clean Up Campaign

The Rising Star Chamber of Commerce met at 11:30 Tuesday, September 14, for its regular twice-monthly luncheon meeting.

The Chamber voted to designate clean-up week September 29 thru October 6.

Businesses are being asked to see to cleaning up weeds and debris on their own properties and organizations will be asked to get involved in the project.

The Chamber expects citizens all over town to take part in the clean-up campaign with civic pride being a motivating factor.

The Chamber members plan to take a personal part in cleaning up and set Saturday, October 2 as an intensified clean-up day. Tentative plans have been made to meet for refreshments that afternoon.

Jim Rutherford challenged other Chamber members to bring more people to the next meeting than he brings. He will pay \$25 to anyone who can top his efforts. The next meeting will be at 11:30 a.m. Tuesday September 28, at the Elite Cafe.

The Chamber of Commerce encompasses both businesses

in town and agribusiness includes farmers and ranchers. Dues are \$5 a month, the Chamber meets on the 2nd and 4th Tuesdays of each month at a luncheon meeting. More members are needed and more participation by present members are urged. The Chamber, a non-profit organization, involves itself in various community projects and operates on members' dues.

This present project to clean up the town and promote civic pride is just one example.

First Aid Course Set for Saturday

A Red Cross First Aid course will be given at the First Baptist Church activity building September 18 beginning at 6 P.M. The cost will be around \$3 to \$5.

We hope you will be there.

Class of 1947 Plans Reunion

The class of 1947 graduates of Rising Star High School is having a reunion on October 16 following the pep rally. Plans are for it to be held in the Home Ec Cottage.

Other graduates of that period and teachers are invited to attend.

For further information call Edith Bibb 643-6823, Charlene Schaefer 643-2522 or Martitia Glenn 259-2642.

Lakewood Ladies Meet Friday

The Ladies Auxiliary will meet Friday, September 17, at 11:30 AM at Lakewood Recreation Center for a covered dish luncheon and a showing of the latest fashions for fall.

Doctor Captenter's Office will be Closed from 5:00 p.m. September 23rd until 9:00 a.m. October 4th

Crime Stoppers

The Rising Star Police Department is asking for your HELP on two burglaries.

Both of the convenience stores in Rising Star have been burglarized in the last twenty-four months, with the loss totaling close to eight or nine thousand dollars. Keys were used to enter the stores and all the money removed without any force being used to open the safe.

CRIME STOPPERS will pay a reward for any information leading to the arrest

and felony indictment of these criminals. You can call 1-800-252-8477.

The information is passed back to your local law enforcement agency to help your community and you get the reward. Citizens do not have to reveal their names, just give their information, and they will be given a unique code number for identification purposes. Or you may contact your local police department at 643-3324. Any information you have would be appreciated. RISING STAR POLICE DEPARTMENT.

ATTENTION PEANUT GROWERS

All peanut growers and their families are urged to attend a free Bar-B-Q and meeting in De Leon City Hall Tuesday, September 21, at 8:00 p.m.

Larry Meyers, peanut lobbyist from Washington, D.C., will discuss the future of the peanut program and how individual growers can influence

decisions in Washington through a Political Action Committee (PAC).

Larry will also explain the benefit, purpose and goals of the new Southwest Peanut Political Action Committee that is being organized at this time to help peanut farmers gain support in Congress for a workable peanut program.

Local Men Attend Democratic Party Convention

Rising Star was well represented at the recent Texas Democratic Party Convention in Dallas, September 10 and 11.

The chairman of the Eastland County delegation was Dr. G.A. Dunn, Jr. who occupied a place of prominence in the deliberations and played a key role in the selection of Harris E. Worcester from Parker County to represent District 22 as State Committeeman.

Joe McCollum was spokesman for the district on the Rules Committee in the lengthy, bitter and inconclusive deliberations.

May Homecoming Is This Saturday

The 1982 May Homecoming will begin at 9:00 a.m. on September 18 with a welcome coffee and registration at the Home Economics Cottage. Lomah Pittman, Grace Glenn and Opal Fleming will be the hostesses.

At 10:30 a.m. the Beta Club will mark its twentieth year with a reception in the high school library. Michelle Gordon, sponsor, welcomes all past members.

The Senior Class will have a turkey and dressing dinner beginning at 11:00 a.m. in the school cafeteria. Tickets will be \$3.50 for adults and \$2.50 for children under 6. At this time, a homecoming queen will be elected by secret ballots. Candidates for homecoming queen are Senior Barbara Bowden, Junior Tammy Bates, Sophomore Mona Aldridge and Freshman Crissy Moore. Come to the dinner and support the Senior Class.

A parade will follow at 2:30 p.m. JoAnne Windham, parade chairman, welcomes all parade entries. Prizes will be awarded in two categories, outside entries and school floats. Decorated bicycles will be judged and cash and ribbons will be awarded.

The May Ex-student Association's business meeting will begin at 3:00 p.m. in the high school auditorium.

Election of a coming-home queen, king and new officers are on the agenda. The student who travels the farthest and the oldest graduate will be recognized. Officers for 1982 are president, Liz Hardy; vice-president, Eddie Hardy; secretary, Jeanie Hardy; and treasurer, Ina Mae Moore.

A pep rally will follow immediately. The football team, cheerleaders, twirlers and drill team will be introduced.

At 5:30 p.m. the Home Demonstration Club will have a chicken and spaghetti supper at the Clubhouse. They will also have a bake sale and crafts show.

The May Tigers will host the Strawn Greyhounds at 8:00 p.m. at Tiger Stadium. At this time the

homecoming queen and coming-home queen and king will be presented.

Concluding the activities will be a dance at the May Rodeo Grounds featuring the "Texas Pride" band. Admission will be \$4.00 per person.

Everyone please come and make this 1982 Homecoming one to remember!

Head football coach for the May Tigers is Ronnie Watkins and assistant coach is Wayne Grable.

The cheerleaders, headed by Yvonne Petross, are Debbie Pittman, Teresa Pittman, Marisha Fergeson and Crissy Moore. Drill team sponsor is Betty Martin and drill team captains are Lynne Whiteaker, Sharon Musick and DeeDee Chambers.

Wildcats Get Snakebit, 34-0

The Rising Star Wildcats went to Tolar September 10 just to get turned down by a score of 34-0.

The leading rusher for the Wildcats was fullback David Cooper with 16 yards on 7 attempts. The other ball carriers for the Wildcats were Jaral Pannell with 7 yards on 4 attempts, Steve Hill made 3 yards on 3 attempts, Lowell Bishop came up with 3 yards on 3 attempts and San Scott rushed 25 yards on 10 attempts.

Quarterback Sam Scott connected on 9 of 20 pass attempts for 118 yards and had 3 interceptions. Tightend Bryan Switzer caught 5 for 89 yards, tightend Dean Stephens snared 1 for 12 yards, fullback David Cooper caught 2 for 15 yards and halfback Steve Hill

caught 1 for 2 yards.

The Rising Star Wildcats begin district play against the Santa Anna Mountaineers Friday, September 17, at 7:30 in Santa Anna.

Score by Quarters
Rattlers 12 15 0 7 - 34
Wildcats 0 0 0 0 - 0

Legumes for Texas Pastures

Legumes are a good bet for permanent pastures in Texas, and planting time is hers, says a forage specialist with the Texas Agricultural Extension Service, Texas A & M University System. Legumes provide higher quality forage than most perennial grasses. They also lengthen the pasture growing season and can provide options for pasture management. September and October rains usually provide favorable conditions for planting legumes.

Rising Star Nursing Center

Darlene Harris - Activity Director

MONDAY 6 Bingo: GariSue Maynard was calling numbers. Mary Crisp won the first three games, Ora Clark won three games, Lena Eason won two games and Ada Foster, Estelle Bolding, Emma West and Maggie Christian each won one. Mary Hord came in on the third game but had a little bad luck.

TUESDAY 7 Today is game day. Lena Eason, Ada Foster, Gertrude Harris, Estelle Bolding, Bryant Houston and Maggie Christian played ball; then Mary Crisp joined us and we played ring toss. After games, these same persons painted pictures to hang in the

halls. Nettie Wilson and I did a series of exercises.

THURSDAY 9 Today we made door decorations. We were all happy to see Della Roberts helping us in the dining hall. I was real happy to see everyone doing their best. Martha Irby, Emma West, Maggie Christian, Mary Hord and Mary Crisp colored tulips and daisies in many bright colors.

FRIDAY 10 We had Bible study today with Mrs. Olive Odom. We presented two awards; one to Mrs. Odom who has been volunteering her services for four years and the other one to Bea Kelton who has been playing the piano for Mrs. Odom for four years.

Senior Center News

Thursday, September 9, forty-eight people registered and enjoyed an entertaining day. Several friends had travelled from Hico and their Western Band brought some lively music.

Friday the Starbrites went to Cisco to play at the Senior Citizens' Center there. An enjoyable day was reported by all.

Saturday the Starbrites entertained at the Trail Blazers' reunion during the lunch period. They put forth some toe-tapping music.

September 14 was the date for the party honoring those having birthdays in September.

Scheduled events: September 16 the Eastland County Nurse will meet with the Senior Citizens to discuss setting up a free clinic for the purpose of testing for blood sugar, eyes, ear

and throat ailments and other problems. This service would be once every year and for anyone who would like to partake of it.

September 17 the bus will be going to Senior Citizens' Day at the West Texas Fair at Abilene. Departure time is around 9:00 a.m. Cokes and popcorn will be donated to all, but please plan to provide your own lunch. If you wish to go, please let it be known by Thursday.

On Monday, September 20, the Starbrites will travel to Brownwood to perform at the Care Center. Time of departure, 1:30 p.m.

September 24 the Starbrites will play at the Cross Plains nursing home, leaving Rising Star at 6:30 p.m.

September 30, the Starbrites will play at the Gorman Nursing Home, leaving here at 1:45 p.m.

Trail Blazers Hold 55th Meeting

The 55th annual meeting of the Trail Blazers' Association was held on September 11 at the Senior Citizens' building. The vice-president, Gladys Carter, opened the meeting and welcomed the guests. The minutes were read by Irene S. Mayfield and approved. The treasurer reported a balance of \$170.20. The invocation was given by Mr. W.H. Carleton.

Elizabeth Robertson introduced the speaker, Bruce Stovall, a Baptist minister and oil man of Cisco. Bruce lived in Rising Star and was an outstanding athlete in Rising Star High School. His speech, titled "God and the Bible," made us aware that all people's lives are related to God. In our country we have a way that is familiar with the Bible.

First, the Bible is found in many homes and in most every motel and hotel in our nation; the bride car-

ries the Bible on her wedding day; the President takes his oath of office with his right hand upon the Bible; and most families keep a family record in the family Bible. He quoted from James, "Be ye doers of the Word, not hearers only." When we read the Bible, we feel closer to God and made more aware of our sins, thus we become better Christians.

Guests recognized were Mrs. Earldene Swift/Smith of Abilene as the one travelling the greatest distance, Mrs. Maude Arnold Bailey of Cisco as the

Mangum Baptist Homecoming

Mangum Baptist Church will be celebrating their homecoming this Sunday, September 19, beginning with worship services at 11:00 a.m. Dinner-on-the-grounds will be immediately after the services. Services will begin again at 1:30 when former pastor,

Hull Reunion

The descendants of Rosa and Almond L. Hull met at Christoval Labor Day weekend for their annual reunion at the home of Mrs. Orbie Hull.

Those present were Mrs. Alma Hull of Fort Worth, Ted & Ann Vautrin of For Worth, Myrtle Wilson of Fort Worth, Elton & Jeneva Hull of Sterling City, Mark Repman of Houston, Mechelle Bastidas of Houston, Wayne & Reta Hull of Garden City, Evylon and Doyle Hayworth of Bakersfield, Calif., Clinton & Connie Hull of Big Springs, Almon Lee Hull of Oklahoma City, Okla., Bertha Hull of Wichita Falls, Bob & Lou Hull of Midland, Rob & Shana Hull & baby Sharon of Midland, Bill & Jaunta Hull of Stanton, Gereah Hull of Houston, Glyn & Ola Wilkins of Houston, Vera Hull of Sugarland, Tom & Myreta Buckholt of Houston, Edith Hull & May Pearl Hull of Rising Star, Deanna Hull of Oklahoma City, Jack & Neva Coker & sons Andy & Clay of Sugarland, Doris & Homer Lee Hull of Stanton, Dewet & Maudie Davis of Stanton, Mack & Ava Childres of Cross Plains, and David & Kyrina Webb & Mat of Big Springs.

Games and music were enjoyed by the group.

Rosa Bowden Hull and Almond Lee Hull were early day settlers of this town.

oldest woman present and O.R. Shults, son of C.G. Shults who was a charter member of Trail Blazers, as the oldest man present.

Music was furnished by the Star Brite Band of Rising Star Senior Citizens. They played three popular numbers and furnished dinner music, which was enjoyed by all present.

The officers for 1983 are Jack Shults, president; Gladys Carter, vice-president; Karen Steel, secretary; Marjorie West, treasurer; Edith Bibb, reporter; and Irene S. Mayfield, historian.

by Irene S. Mayfield

"Hoop" Sublett will be preaching. Many special guests will be singing and there will be congregational singing. Everyone is invited to come be a part of this special time in the life of Mangum Baptist Church. Services will conclude about 3:30 p.m.

Farm & Ranch Safety Week Set

County Judge Scott Bailey has proclaimed September 19-25, 1982, as FARM AND RANCH SAFETY WEEK in Eastland County, at the request of Ernest Reich, Eastland County Farm Bureau President.

This marks the 39th Annual National Farm Safety Week, co-

sponsored by the National Safety Council and the U.S. Department of Agriculture.

The theme for the 1982 observation of Farm Safety Week is "MAKE IT A SAFE HARVEST".

In the proclamation, Judge Bailey said, "There is a basic set of safety practices that apply to the operation of all harvesting equipment." These include:

- * Read and heed the operator's manual for each machine in your harvesting operation.
- * Make sure all workers are trained and competent to do their jobs safely.
- * Keep all shields in place. Stay away from unshielded, moving parts.
- * Always disengage the PTO or drive, then turn off the engine before unclogging, servicing or fixing a harvest machine. Failing to do so is a major

- * Adjust ground speed to field and crop conditions. Watch out for obstacles, ditches, steep slopes, overhead powerlines and such.
- * Keep children and non-workers off and away from equipment.
- * Wear appropriate personal protective equipment when the job or job conditions call for it. Wear well-fitting clothing that gives ample skin protection and has no loose ends to be caught by moving parts.
- * Take work breaks with refreshments (non-alcoholic) to reduce fatigue and restore alertness;

THEREFORE, think of safety as a year-round concern, as one that involves every farm/ranch family in all their activities - at work, at play, in the home and on the highway. You'll be helping to make the community or area you serve a better place for all.

Experiment Station research scientists and specialists with the Texas Agricultural Extension Service will be on hand to lead discussions and answer questions.

The Texas A&M Plant Disease Research Station is located two miles east of Yoakum on Texas Highway 111.

For more information contact Gordon Woolam at 817/629-8661.

Peanut Field Day Set September 23

Peanut producers throughout Texas are invited to the annual Peanut Field Day at the Texas A&M University Plant Disease research Station September 23.

Activities begin at 1:00 p.m. with guided tours of research plots and station facilities, said Gordon Woolam, Extension Agent - Pest Management, Eastland/Comanche Counties.

Featured at the field day will be displays and discussions dealing with a host of topics relating to peanut production, including varieties, breeding for disease and nematode resistance, foliar and soil-borne disease, controlled droplet applicators, weed control, post-emergence grass herbicides, herbicide incorporation techniques, skip row planting and drought stress resistance.

New crops and forages will also be discussed, and farm equipment will be displayed by a host of dealers and manufacturers, said Woolam.

Experiment Station research scientists and specialists with the Texas Agricultural Extension Service will be on hand to lead discussions and answer questions.

The Texas A&M Plant Disease Research Station is located two miles east of Yoakum on Texas Highway 111.

Homemaking Hints

Meals on the run, mid-morning breaks, after-school snacks, TV munching and bed-time snacks. Frequent small meals are replacing the traditional three and consumer surveys confirm Americans are eating more food between meals. Snacking has become part of the America way of life.

Sound familiar? Don't fight it! Just make it your way to eat nutritious snacks. Kick the bad snack habit and BE A SUPER SNACKER!

Snacks are an important source of everyone's daily nutrient and calorie intake. Although habit influences food selection more than health, eating nutritious snacks can be a choice, not a chance. Through a state-wide campaign, the home economics staff of the Texas Agricultural Extension Service is introducing a BE A SUPER SNACKER! program to promote snacking as a super way of keeping up with good nutrition.

Super snacks are delicious, a snap to fix and super for you - whether you're on a restricted diet or trying to lose weight; whether you're on the go at home or at the office.

Who Needs Super Snacks?
Young children generally are so active that they are constantly burning up energy and calories. They have small appetites and small stomachs so they can't eat enough in one meal. Children

need enough energy to last until the next meal and still be able to play, grow and feel well.

Active teen-agers often are too busy to sit down to eat a full meal. Those involved in athletics require an extra large number of calories to meet their energy needs. Super snacks can help balance the meals teenagers miss, as well as supply extra energy.

Older adults often feel more comfortable when they eat several small meals. Overweight people may find they can better control appetite when they eat five or six small meals a day to keep from getting too hungry and "pigging out" at the next meal.

Underweight persons, on the other hand, sometimes have trouble eating a large meal and can eat more if the food they need is spread out with snacks between meals.

People in poor health, particularly those who have an ulcer or gastric intestinal problems, generally respond better to treatment when they eat several small meals during the day.

The Extension Service office has available a bulletin entitled **Be A Super Snacker**. If you are interested and would like your free copy, you are invited to telephone the county office at 629-2222 or mail your request to Janet Thomas, P.O. Box 189, Eastland, Texas 76448.

Cook bacon, drain, crumble, and set aside. Cook spinach according to package directions; drain well. In a saucepan over low heat, cook and stir together the cheese, milk, butter and nutmet until the cheese has melted. Add the spinach, half the

bacon, and the tables-

Be A Super Snacker bulletin is filled with quick, nutritious snacks, ideas and recipes.

RECIPE FOR THE WEEK:

What shows up at a party, in addition to today's Texans? Snacks, of course, and party snacks can be super and nutritious too. Here are some easy, nutritious dips to have at your next party.

Fiesta Meat Dip
1 pound pork sausage
1 pound American cheese
1 10-ounce can Rotal tomatoes
1/2 teaspoon garlic salt

Brown and drain hamburger and sausage. Cube cheese and melt in double broiler (over low heat). Add tomatoes to melted cheese. Combine meats with cheese mixture. Season. Serve hot with vegetable dippers or whole wheat crackers.

Spinach Dip
1 10-ounce package frozen spinach, chopped
1 8-ounce package cream cheese, cut in cubes
3 tablespoons milk
2 tablespoons butter
1/8 teaspoon nutmet
6 slices bacon, crisp cooked, drained and crumbled
1 tablespoon lemon juice
Crackers or vegetable dippers

Cook bacon, drain, crumble, and set aside. Cook spinach according to package directions; drain well. In a saucepan over low heat, cook and stir together the cheese, milk, butter and nutmet until the cheese has melted. Add the spinach, half the

bacon, and the tables-

poon of lemon juice. Pour the mixture into a serving dish; top with the remaining bacon. Serve with crackers or an assortment of crisp vegetables as dippers. Serve with crackers or an assortment of crisps vegetables with dippers. Yield: 2 cups.

Texan Roster

Clay Shutz, a 6'0", 190 pound freshman defensive back from Rising Star will be one of 82 Tarleton State University football players suiting up for the Texans this fall.

Tarleton State University plays in the non-scholarship Texas Intercollegiate Athletic Association. The Texans return 26 lettermen to a squad that posted a 6-4 record in 1981 and is making a serious bid for the TIAA championship this year.

The Texans will host Lubbock Christian College in a conference game on September 18 at Memorial Stadium in Stephenville, Texas. Kickoff is set for 7 p.m.

WORD of GOD

Old Testament (Prophecy)

Therefore will I divide him a portion with the great, and he shall divide the spoil with the strong; because he hath poured out his soul unto death: and he was numbered with the transgressors; and he bare the sin of many, and made intercession for the transgressors.

Wildcat Tales

FFA News

The Future Farmers of America met September 9 and elected officers. They are president, DeeDee Lewis; vice-president, Kathy Linney; secretary, Roxanne Martinez; reporter, Lanna Holland; treasurer, Doug Sessums; sentinel, Tod Herring.

Greenhand officers are president, Bubba Lewis; vice-president,

Sarah Vicars; secretary, Corina Wells; reporter, Darrell Sessums; treasurer, Teka McGlothlin; sentinel, Vickie Lunceford.

Plans were made to have a Three Wheeler Rodeo. Sausage sales will begin around the 20th of September.

Plans for the next meeting are to have a District officer visit and give a speech for Chapter officers.

Pete Stone Is New Assistant Coach

Pete Stone, new coach in the Rising Star school system, assists in football coaching both in high school and junior high school, is head basketball coach and teaches Consumer Math and Algebra I and II.

Most of his coaching has taken place in East Texas in schools such as Jefferson, Clarksville and Commerce until a move to Granbury where he coached for three years. Stone grew up in Arkansas where he attended Harding University at Searcy. He earned his master's degree at East Texas State University at Commerce.

Stone and his wife, Betty, are the parents of three grown children. Their two sons are married; Cliff lives in San Diego and Alan lives in Abilene. Daughter Marsha is a sophomore at ACU. Betty teaches fourth

Pete Stone grade in Rising Star. On the football field Stone works with the offensive and defensive lines. In the classroom he emphasizes to his students how school subjects relate to careers and how the knowledge gained from various subjects can lead to the higher paying jobs.

Coach Stone said the football team members have put forth some good effort and expects that if they "get the attitude to win, they will do well in this week's game."

Rising Star Kitten twirlers, Laura Cox and Melissa Clay, and mascot Angela DeLong are ready for the Kittens' first game September 16.

Members of the Kitten Pep Club have learned cheers to encourage the Kitten football team to do its best.

Booster Club Watches Film

The Booster Club met September 7 with only ten people attending.

Mrs. Gene Williams furnished some homemade ice cream; it was sure good.

Projects in which we could get involved to help the children of our school were discussed, and the film of the last football game was shown.

We need more people to come to the meetings and get involved. We meet every Tuesday night at 7:00 p.m. in the high school library.

REACT

The ambulance was quiet this past week.

We received donations from C.R. Tyler, Helen Jackson and 1st State Bank. There were other donations but I don't have the names. We thank each one who has donated to the ambulance service, without you we could not operate.

For the ambulance call: 643-3791, 643-4271 or 643-4451.

Strake Talk

SMALL BUSINESS—A RESOURCE WE MUST PROTECT

You can look around the square of any Texas town and see the backbone of the state economy—and of the national economy. It's small business, and it provides half of all jobs. By the current state definition there are 260,000 in our state—that's 97% of all Texas businesses. The small businessman and woman not only provide jobs and pay taxes; their independent tradition also helps explain the enduring quality of our democratic form of government.

The state of Texas recognizes the importance of small business and has programs to help it. But we can do better.

For one thing, we can abolish the sales tax on utility bills which now falls basically on small business owners. Large manufacturing and processing firms don't have to pay the tax, but the grocer, retailer and florist do. It is not fair.

My opponent opposed doing away with this tax in the last session of the legislature. The tax will bring in an estimated \$220 million in 1984-85. But when you compare that with the extra \$5.1 billion the legislature will have to spend during that time, I feel we can do without the tax and the reve-

nue it will bring. And, as Lt. Governor, I would support its repeal.

I would also support putting into effect recommendations of the small business task force initiated by the Governor. Two of these recommendations are especially appealing. One is to help small businesses borrow money at better rates. Most small businesses which fail do so because they are under-capitalized. To help that situation, franchise tax money would be deposited in participating banks, which would, in turn, make loans at lower rates to small businesses.

The other recommendation is that we form a group of small business development centers at colleges and universities statewide. Money for the centers would come from the U.S. Small Business Administration, the state and participating schools. The centers would provide training, counseling and other help to small business owners so that they could be more competitive in the marketplace.

If you have any thoughts on this, I'd like to hear them. Please write me at 1213 W. 34th Street, Austin 78705.

George W. Strake, Jr.
George W. Strake, Jr.

Paid Political Advertisement. Texans for Strake 1213 W. 34th Street, Austin, Texas 78705. Bayard Friedman Treasurer.

Mr. and Mrs. Harold Butler of Quanah announce the arrival of a son, Micah Shane, who weighed 6 lbs. 11 ozs. and was 20 inches long when he was born on September 5.

Grandparents are Mr. and Mrs. H.O. King of Quanah and Mr. and Mrs. A.J. Butler of Rising Star. Great-grandmothers are Mrs. Edna Dickson of Eastland and Mrs. Cora Ritchie of Quanah.

Little Micah Shane joins three big brothers, William Travis, Harley Gene and Jeffrey Paul.

WMU Begins Mission Study

Eighteen ladies met at 9:30 a.m. in the Fellowship Hall of the First Baptist Church to study a summary of the mission work carried on by Texas Baptist Church lay-people in Brazil during the past two years. An exciting report was given by a number of the ladies. The study was under the direction of Mrs. Norma Carpenter. The basic program was Reach Out-A Changing Texas.

Luke 4:18-19 was the scripture reference. Those taking parts informed us of work being done for the many

and growing ethnics groups in Texas.

During the business meeting new officers elected were Mrs. Freddie Harrell, president; Mrs. Billy Carpenter, vice-president; Mrs. Ron Jones, secretary-treasurer; Mission Study, Mrs. James New; Mission Support Chr., Mrs. Clyde Griffin; Mission in Action, Mrs. Roby Kornegay. The president appointed Doris Griffin as reporter.

The ladies enjoyed a delicious salad luncheon following the program.

Use Your ENERGY To Save Electrical Energy...

By using some of your energy you can save electrical energy. Simply by adding insulation, caulking around windows and doors, and adding weatherstripping you can help stop heat loss in your home. Stopping heat loss will help your home to operate more efficiently. Also, consider installing a 200% efficient heat pump cooling and heating system in your home. If you want more information pick up our FREE Home Energy Conservation Guide at any WTU office.

HOW A TYPICAL HOME LOSES HEAT

OILFIELD DISPATCH

Snow Oil Company of Fort Worth has filed for permit to drill the No. 1 Perdue, a projected 4,000-foot wildcat for oil or gas, 3.5 miles northwest of Eastland. The venture will be in a 35-acre lease in Eastland County's H&TC RR Survey.

Location has been staked by G&L Operating Company of Hamilton for a 2,000-foot wildcat probe in Eastland County, five miles north of Rising Star. The well is designated as the No. 1 Cooper. Drillsite will be in a 150-acre lease in the James Jett Survey.

S.E. Resources, Corp., At a location one mile west

operating out of Rising Star, has recorded a successful developmental well in the JMJ Field. It is the No. 3 J.C. Nash, showing potential for 82 barrels of oil, along with 230,000 CF casinghead gas per day on an open choke.

Drillsite was in a 160-acre lease in the H&TC RR Survey, eight miles northeast of Cisco, in Eastland County.

The well was drilled to a total 3,980-foot bottom after entering the pay structure at 3,464-feet. It was perforated to produce from an interval 3,464 to 3,472-feet. Tubing pressure was 45 PSI.

of Romney, 3B Oil Company of Lovington, New Mexico, has completed three new oil wells in the Hawkeye Field.

Drillsite were in an 80-acre lease in Eastland County's H&TC RR Survey. All three wells had total depths of 1,170-feet and all entered the pay strata at 1,085-feet.

The No. 6 Tarver is pumping 42 barrels of oil and 190,000 CF casinghead gas per day on an open choke. It is producing from a set of perforations 1,103 to 1,117-feet into the wellbore.

The No. 7 Tarver is producing 40 barrels of crude, along with 180,000 CF casinghead gas per day on an open choke. It is producing from perforations 1,095 to 1,112-feet into the hole.

The No. 11 Tarver is producing from a set of perforations 1,096 to 1,110-feet into the hole and is showing daily production of 37 barrels of oil and 140,000 CF casinghead gas, on an open choke.

The No. 6A Johnson is slated to be drilled in the Midkiff and Hawkeye Fields

by Regal Operating Company of Eastland. With projected total depth of 1,200-feet, it will be spudded in a 5-acre lease of the Mary Ann Clark Survey, 10 miles south of Cisco, in Eastland County.

Pumping at the rate of 38 barrels of crude oil per day on an open choke, the No. 6 McCall was completed in the Hawkeye Field by Nimrod Operating Company of Cisco.

Drillsite is in a 30-acre lease in Eastland County's McCall Survey, two miles southwest of Romney.

After entering the pay zone at 1,116-feet, the well went to 1,172-foot bottomhole. It was perforated to produce from an interval 1,118 to 1,132-feet into the hole.

Chase-Mann Petroleum, Inc. of Fort Worth has posted initial production figures for the No. 1 R.L. Rugh C.M., new wildcat gas well, two miles west of Eastland.

The well indicated potential for 1,164,000 CF gas per day on a half-inch choke. Absolute open flow was rated at 1,460,000 CF. With drillsite in a 160-acre lease in Eastland County's H&TC RR Survey, the well had total drilling depth of 3,916-feet. It entered the pay horizon at 3,798-feet and will produce from a set of perforations 3,798 to 3,800-feet into the wellbore.

Three 4,200-foot developmental wells are planned by EnRe Corporation of Cisco at a drillsite 10 miles northwest of Cisco, Eastland County. The locations are in a 640-acre lease

in the Mitcham G Survey, DRS Field. Well's designations are the No. 5, 6 and 7 Mitcham G.

Two new oil producers in the Eastland County Regular Field has been finalized by Phase IV Petroleum Company of San Angelo. Designated as the No. 2 and No. 10 M.E. Taylor, the wells are located in an 80-acre lease in Eastland County's H&TC RR Survey, six miles southeast of Eastland.

The No. 2 well indicated capacity to produce 26 barrels of oil per day on an open choke. Bottomed at 1,160-feet, the well will produce from an interval of perforations 1,041 to 1,047-feet into the hole. The pay formation was first encountered at 1,042-feet.

The No. 10 well encountered the pay strata at 1,042-feet and went on to bottom at 1,160-feet. It is producing 19 barrels of crude oil per day on an open choke, from perforations 1,049 to 1,055-feet into the wellbore.

The No. 1 Brown, a developmental well in Eastland County's Mergner Field, is scheduled to be drilled 10 miles south of Ranger. Brown Operating Company of Eastland is listed as the operator. Location is in a 40-acre lease in the McLennon County School Land Survey. Projected total depth is 3,400-feet.

the H&TC Survey, and is to be designated as the No. 1 Walcott. Projected total depth is 4,500-feet.

The Eastland County Regular Field gained a new gas producer when the No. 1 Paul Harlow was completed by Louisiana Crude Oil & Gas Company of New Orleans, three miles northeast of Pioneer.

On an open choke, the well showed ability to yield up to 497,000 CF gas per day. The absolute open flow came in at 529,000 CF. Location is in a 49-acre lease in Eastland County's ETRR Co. Survey.

Total depth of the well was 2,546-feet and it was perforated for production 2,344 to 2,352-feet into the hole.

Ridge Oil Company, operating out of Breckenridge, has recorded a successful developmental well in the Northwest Ranger Field. It is the No. 1 Bond, showing potential for 7 barrels of oil per day on an open choke.

Drillsite was in a 143-acre lease in the HT&B RR Co. Survey, four miles northwest of Ranger, in Eastland County.

The well was drilled to a total 3,590-foot bottom after entering the pay structure at 3,482-feet. It was perforated to produce from an interval 3,488 to 3,546-feet.

Buckwheat Resources, Inc. of Eastland has recorded two successful developmental wells in Eastland County's Midkiff Field. The wells are located nine miles northwest of Rising Star, in the Maryan Clark Survey.

The No. 1-C Johnson C showed potential for 25 barrels of oil per day on an open choke. The well is located in a 90-acre lease. This well was drilled to a total 1,209-foot bottom after entering the pay structure at 1,121-feet. It was perforated to produce from an interval 1,121 to 1,130-feet.

The No. 1 Johnson is located in a 5-acre lease and is showing daily potential for 20 barrels of crude oil. It entered the pay strata at 1,158-feet and is producing from a set of perforations 1,158 to 1,169-feet into the hole. Total depth is recorded at 1,241-feet.

Flowing natural gas at the rate of 1,202,000 CF per day on a 75-inch choke, the No. 1 Kyer "2987" is a successful new developmental well in Eastland County. Jones Company of Albany is the operator.

The well exhibited absolute open flow potential of 2,300,000 CF. Location is in a 320-acre lease in the TE&L Survey, about two miles northeast of Pueblo.

After entering the pay zone at 3,712-feet, the well bottomed at 4,124-feet and will produce from a set of perforations ranging from 3,713 to 3,720-feet into the hole.

McKinnerney and Klein Exchange Vows

Toni McKinnerney and Curtis Klein were married Saturday, September 4, 1982, at First Baptist Church, Ranger, Texas. The 3:00 p.m. ceremony was performed by Bill Wright, pastor of the First Baptist Church of Gordon, Texas. The church was decorated in greenery accented by two candle pedestals decorated with white daisies and the unity candle.

Lyndell Cockburn of Ranger played and sang "Surround Me With Love" and "That's the Way It's Got to Be"; and Richard Rossander of Eastland sang "Sunrise, Sunset", "Walk Through This World With Me", and "The Wedding Song".

Presented by her father, Bill McKinnerney, the bride wore a gown of sheer white organza with a beaded alincon lace bodice with sweetheart neckline. The long sleeves had beaded lace on the cuffs, and the full skirt with a chapel train gathered at a neatly tucked empire waist. The gown was designed by Bernelle/Jeuella. The bride carried a cascade bouquet of

greenery and accented by white daisies.

The bride carried out the tradition of something old by wearing her mother's wedding band and her dress was something new. She borrowed her sister's pearl earrings and wore a blue garter.

The maid of honor was Lorlei McKinnerney of Ranger, sister of the bride. She wore a V-necked dress of purple with spaghetti straps and softly draped bodice with circular skirt. The bridesmaids were Kelli Jones of Ranger and Kathy Bragg of Dallas, sister of the groom. The bridesmaids wore lavender dresses made identically to the maid of honor's and all three carried long stemmed white daisies accented with white ribbon.

The groom was attired in a black tuxedo with white skirt and wore a white daisy boutonniere. The best man was Luke Westbrook and the groomsmen were Mike Malone and Craig Woods all of Dallas. They were attired in identical gray tuxedos and white shirts and wore white daisy boutonnieres.

Clinton Bragg and Robert Yount, brothers-in-law of the groom and Johnny Klein, brother of the groom, all from Dallas served as ushers. Connie McKinnerney, cousin of the bride, registered the guests.

After the ceremony the parents of the bride hosted a reception in the fellowship hall of the First Baptist Church. The bride's table was covered with a white lace tablecloth. Her three-tiered cake was accented with tiny purple and lavender flowers and was baked by Clara Schlittler, cousin of the bride. Punch, mints, and nuts were served from crystal appointments.

The grooms table was overlaid with a hand crocheted cloth and hosted a silver coffee service with a german chocolate cake decorated with a ball & chain on top.

Kyra Dickerson of Venus, Texas, Karla Murdoch of Rising Star, cousins of the bride; and Tanny Yount and Rhonda Klein both of Dallas and sisters of the groom served at the

tables. Shawna McKinnerney from Odessa, cousin of the bride, passed out purple and lavender rice flowers to the guests.

Curtis attended Cisco Jr. College and Stephen F. Austin College and is employed by Klein Bros. Construction of Dallas, Texas.

Toni attended Cisco Jr. College and is enrolled in Tarleton State University at Stephenville where she will graduate in May with a BBA in Business Education.

Curtis is the son of Mr. and Mrs. John Klein of Mesquite and the grandson of Mrs. Willie McClain and Mrs. Allen both of Dallas.

Toni is the daughter of Mr. and Mrs. Billy J. McKinnerney of Ranger and the granddaughter of Ruby Murdoch and Luella McKinnerney both of Rising Star.

The rehearsal dinner was hosted for the wedding party by the groom's parents, Mr. and Mrs. John Klein, at the Best Western Motel, Eastland, Texas.

Ada Prentice Unit Plans Revival

The Ada Prentice Unit of United Methodist Women met in Fellowship Hall of May Methodist Church Monday, September 13, at 8:30, opening the fall study session with a breakfast.

Clyde Allen voiced the prayer of thanks before the fifteen ladies and two gentlemen enjoyed a full-course breakfast.

Betty Wilson conducted a short business meeting. With Grace Glenn at the piano, Rosalie Glenn led the group in singing "I Know Who Holds Tomorrow."

New officers elected were Lois Holt, president; Bea Kelton, vice-president; Rosalie Glenn, secretary; and Johnnie Madison, treasurer. They will be installed September 26.

Plans were made for a revival meeting to begin September 26, with Bobby Weathers the evangelist host preacher.

The Lord's Acre is planned for October 26. The meeting closed with the group joining hands and singing "Lord Jesus Come Into my Heart."

New Computer to Switch May Calls

Installation is complete and final testing of Continental Telephone's new switching center in May is underway. Plans now call for the computer-like machine to begin switching calls in late September. At that same time, the present electro-mechanical switching office will be retired from service.

Local calling will be faster than before because the called phone will begin ringing instantly after the last digit is dialed. Dial tone, ringing signals and busy signals will all sound different. Continental is adopting nationwide discrete frequency tone standards with the change. The line will be silent while dialing, without the familiar clicks between digits.

Customers are advised to dial all seven digits when placing local calls. Persons on the same party line may call each other simply by dialing the directory number.

Most May customers have individual line service. The new machine will automatically identify these numbers for billing purposes. An operator will come on the line briefly to obtain the billing number of party line users.

Janece Tucker, local area customer ser-

vices supervisor, says the new switching machine is actually a computer with a stored program. Solid state components have no moving parts which reduces maintenance and improves reliability. The computer has an ongoing test program which looks for faulty circuits within the switch. Should it find one, it automatically reroutes calls to other circuits and alerts technicians to the problem by displaying a message on an electric typewriter built into the system.

Tucker added that Touch Call phones and Custom Calling features will be available to customers after the new switch is in service. Pushbutton calling is faster than dialing and most people find it more accurate. Tucker advises interested customers to take advantage of a special sale offer on these new services. During the period from Oct. 4 to Dec. 3,

customers may convert to the new services without a service connection charge. This is a savings of at least \$35.00, and

customers are asked to place their orders in advance by calling a service representative at 1-915-854-1555 (no charge to calling party).

Pastor Seeks Aid for Roe Family

T.J. O'Neal, Pastor of the Church of God in Eastland, wishes to inform the public of the needs of the Mistie Roe family. The parents of the little girl are Jerry and Sharon Roe. Mistie, around eight years old, has been in the hospital for at least one month. She had surgery for a ruptured appendix, and was in I.C.C.U. for at least three weeks. She has been in a serious condition, but is better now.

"We are asking for donations from Churches or individuals," states Pastor O'Neal. "Mistie's mother works at Central Drug, but her Dad is out of work at present. Insurance has not been paid as yet.

There will be a special Doner's Box

placed at the Central Drug, also one at Thrift Mart and Western Auto. Your money will be taken to Eastland National Bank, where a special account has been set up for Mistie."

The Pastor states that he will be personally responsible for public contributions getting into the hands of the Roe family. He also suggests that anyone who wishes to give groceries instead of money may bring them to the Church of God Parsonage at 105 N. Connellee, and the things will be taken to the Roe family. Or anyone may call 629-1055 and contributions will be picked up. Anything you can do in this situation will be appreciated.

700 A.-San Saba Co., 5 mi. W. of Goldthwaite. 1/2 minerals, good net fence, goat proof, 3 tanks, creek. Post oak and mesquite. Owner will finance some. \$600.00 per A.

Commentary

by Myrtle Owen

Pray the Thing You Desire. Go to the Word of God and find out what God said about it. You will find that the Word says, "What things soever ye desire, when ye pray, believe that ye receive them," (Mark 11:24). So you would pray the desire: "Father, I desire my husband, or wife or whoever, to be saved and filled with the Holy Spirit. I ask you to send laborers across his path to witness to him. As I am praying right now I believe that I receive it in the name of Jesus. I cast all my cares over unto You and when I get up in the morning I will not pray about it gain. I will continue to thank You for it is done." Now you have returned God's Word to Him and He said that it will not return to Him void. When you return God's Word to Him, He will perform it. Now that may not happen overnight. This is where the force of patience is exercised. Learn to be silent to the Lord as is mentioned in Psalms 37:7. Don't use vain repetitions. Don't pray the same prayer over and over. That will hold you in bondage. Our prayers often have held us in bondage causing spiritual bankruptcy. No one would plant a garden

and the next day dig it up. It takes time for these things to happen. A lot of people are complaining, thinking they are praying. They are telling God their problems. In Matthew 6:8, "your Father knoweth what things ye have need of, before you ask him." Then there is no need to pray the problem. What we need to do is zero in on the answer. Pray and speak the answer, cast your problem over on Him.

Baby Shower Monday for Subletts

There will be a baby boy shower for Donna and Nick Sublett on Monday, September 20, from 7:00 - 8:30 p.m. in the Community Room of First State Bank. The new baby boy is Entee LaKirk whose father manages the Earl Bruno farms between Rising Star and May.

Thursday,

September 16, 1982

Personal

Clyde and Doris Griffin attended church in Goldthwaite Sunday with Clyde's sister, Mr. and Mrs. Charlie Miller. In the afternoon the Griffins assisted in the reception honoring the Millers on their sixtieth wedding anniversary. Over two hundred guests attended.

Mr. and Mrs. H.R. Fricke of Cedar Creek Lake were recent visitors in the home of Mrs. Lottie Mae Roach. The Frickes had been visiting in Michigan and were on their return trip home.

Col. and Mrs. Lowrey P. Horton of Tabb, Va., were visitors the past week of Mr. and Mrs. O.R. Shults. They travelled here from Ft. Worth where they had attended the funeral of an aunt of Phil's, his mother's only sister, Mrs. Jimmie (Alfa Mae) Mullan.

Also visiting Mr. and Mrs. Shults were Mr. and Mrs. Robert Horton of Kerrville and Mrs. Laura Lyn Graham of Ft. Worth.

Farm Bureau To Have Bar-B-Q

Farm Bureau to have Free Bar-B-Q For Members

The Eastland County Farm Bureau will hold its annual membership convention on Saturday, Sept. 25, 1982 at 6:00 p.m. at the Siebert Elementary School in Eastland. The convention will feature a free Bar-B-Q for members, spouses and children living at home. Visitors and guests are welcome, but need to make reservations and purchase a meal ticket

for \$4.00 or either purchase a Farm Bureau membership.

Warren Newberry, executive director of the Texas Farm Bureau will be the featured speaker. Election of directors and approval of resolutions for the State Convention will also be held.

Eastland County Farm Bureau is reporting their best year ever, with membership now nearing 1,700.

Letters to the editor

To the Editor:

Have you ever driven the back streets of Rising Star? If you live in our fair little city, I'm sure you have at one time or another. And most of us have to use the side streets to get to and from the city's businesses.

Anytime it seems to be a test of skill and endurance. The skill is to be able to decide if there is a vehicle coming in your direction at each intersection. The endurance is to see if you can keep your cool until you get to the main streets, and then home again.

Grass and weeds usually block the view of any on-coming traffic. In order to see

what is coming you have to be in the direct line of fire. Which is not always the best position to be in.

Who is responsible for our city maintenance and what is being done about it? Do we have to continue driving with the fear of a collision at every corner? I should hope not. For the safety and well-being of all our citizens I hope this condition is corrected.

Obituary

Beulah Bryant

Beulah Bryant, 91, of Big Spring, died at 3:35 a.m. Monday in a local hospital following a short illness. Services were at 10:30 a.m. Wednesday at Nalley-Pickle Funeral Home with Dr. Kenneth Patrick, pastor of First Baptist Church, officiated. Burial was at Mount Olive Memorial Park.

Born Dec. 8, 1890 in Cleveland, Tenn., she married Ely Edward Bryant June 30, 1909 in Gorman. She moved to Big Spring in 1934 from Rising Star. He died May 3, 1936.

She was a longtime member of First Baptist Church, where she worked in the beginner's department and later in the nursery. She was a life member of Big Spring Chapter Number 67, Order of the Eastern Star.

A daughter, Agnes Hasley, died June 22, 1982.

Survivors include a daughter, Mrs. J.A. (Eltha) Whisenhunt of Big Spring; three sons, A.T. Bryant of Amarillo, Weldon Bryant and Orville Bryant, both of Big Spring; a sister, Mrs. Melvin (Geneva) Boatman of Monahan; eight grandchildren and 12 great grandchildren.

Sipe Springs News

Our community was saddened by the death of Mrs. Carl Washburn. Our sympathy is extended to her husband and other relatives.

Mr. Marvin McKeehan has gone home after a stay in the De Leon hospital much improved.

We were saddened by the death of Mike Lestey of De Leon; he was the brother-in-law of Mrs. Jack Millwee. Our sympathy goes out to his family and other relatives.

Mr. John Whittle of Austin visited his parents, Mr. & Mrs. G.T. Whittle weekend before last.

Mrs. Ruby Boswell attended the wedding of her niece in Whitney on Friday night a week ago.

Mr. & Mrs. David Rainer of Terrell and Mrs. Tommie Briscoe of Greenville visited the T.A. Weavers last weekend.

Mrs. Floyd Jones and children visited relatives in Abilene Sunday.

Mr. Tom Forrest,

Miss Wayne Forrest and Mrs. Tommy Guthrie of Gorman, Mrs. Nancy Leonard and son Kevin of Corpus Christi visited the N.L. Leonards on Sunday.

Mr. Travis Boswell of Arlington visited his mother, Mrs. Ruby Boswell, over the weekend and got in some bird hunting.

Mr. & Mrs. John McKeehan visited Mr. & Mrs. A.M. King and Mrs. Stell King at Breckenridge Sunday.

Mr. & Mrs. Wayne Johnston of Gustine visited friends here and attended Mrs. Carl Washburn's funeral.

Mr. & Mrs. Dick Wyatt visited her aunt Gussie Stanfield at Gorman Nursing Home Saturday.

Mr. & Mrs. Jeffa Lee Price of Ft. Worth visited his mother, Mrs. Thelma Price, last Saturday.

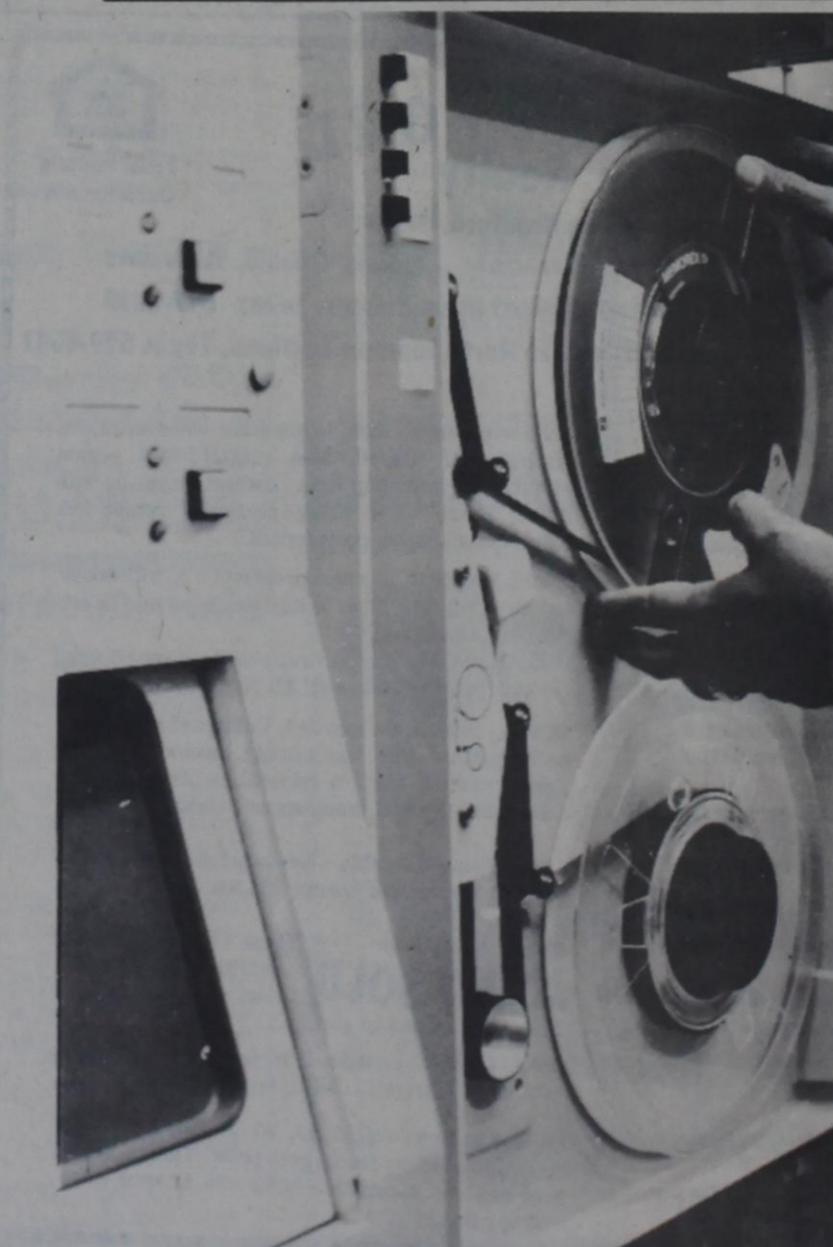

Mrs. Ruby Boswell and Mae Leonad visited Mrs. Dewey Lewis in Comanche Nursing Home Tuesday.

COMPUTER POWER WILL SOON SWITCH CALLS IN MAY

Installation is complete. Final testing is underway. Continental's new digital switching center will soon be connecting your calls with phones around the corner or across the nation.

The new switching center is like a computer with stored program control. Solid state components have no moving parts. Maintenance is low. Reliability is high.

The electronic system will allow standard phones already in your home to do things they could not do before. Automatic Call Forwarding, Call Waiting, Speed Calling, and Three-Way Calling are four of the optional features being added.

And Touch Tone® phones will be available for fast, simple and convenient calling.

Telephone switching with computer power. An example of advanced telecommunications technology brought to you by Continental Telephone—soon.

Continental Telephone of Texas
 Doing our best to do more for you.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$50,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

91st DISTRICT COURT GRAND JURY REPORTS TO EASTLAND COUNTY

TO THE RESIDENTS OF EASTLAND COUNTY:

The current session of the grand jury met in special session to hear testimony regarding the illegal drug traffic in Eastland County. After carefully considering all testimony presented, we concluded that a serious county wide drug problem now exists. We believe it is our duty and obligation to so inform each of you.

We are not aware of a quick and easy solution to the problem, but believe the first step is to make all residents realize that a problem does in fact exist. We ask each and everyone to become actively involved in helping find a solution, and encourage everyone to cooperate in the apprehension and conviction of the individuals involved. In addition, we encourage each succeeding grand jury to review the situation and evaluate any progress made.

The primary beneficiaries of our efforts will be our children and grandchildren. However, if we continue to ignore the problem, hoping it will go away, some of our children will be harmed and eventually we will all suffer the consequences.

Eastland County Grand Jury

OFFICE OF

EMORY C. WALTON
CRIMINAL DISTRICT ATTORNEY
EASTLAND COUNTY, TEXAS
EASTLAND, TEXAS 76448

POST OFFICE BOX 527
EASTLAND, TEXAS 76448

September 14, 1982

TO THE CITIZENS OF EASTLAND COUNTY:

Drug traffic can be stopped in Eastland County. I have been working with the Grand Juries of Eastland County for some time regarding the drug problem in the county because it is evident that the problem is getting worse. Several years ago, a jury assessed a 99 year prison sentence for delivery of a marihuana cigarette and that sentence scared the dope pushers. Afterwards, the Texas Legislature reduced marihuana possession of less than 4 ounces from a felony offense to different misdemeanor offenses, depending on the amount possessed.

When the state legislature reduced the possible penalties of various drug offenses, it appeared that the public became somewhat apathetic about the drug problem. There are some who contend that smoking an occasional marihuana cigarette is no worse than a youth drinking an alcoholic beverage. That contention is incorrect. In the first place, it is not in the best interest of a youth's health and development to drink alcoholic beverage or occasionally smoke "pot" because of the possible consequences and long term effects. In the second place, seldom, if ever, does a person go from alcoholic beverage consumption to "speed", LSD, heroin or other strong drugs, but it is certainly not uncommon for a person to go from smoking "pot" to harder drugs.

Ten years ago, drug usage existed primarily among those persons in their early twenties or older. Today, we are seeing drug usage in teenagers. Within the last year, we have committed youths, as young as 13, to a state institution as drug addicts. You do not have to wait until your loved one or friend is arrested for drug usage to ask for help. There is no such thing as an innocent experiment with drugs because any usage of drugs creates a potential for further usage with the ultimate probability being addiction. In fact, the State Bar of Texas has developed a program to warn pre-school children how to avoid the dangers of marihuana and other drug usage and this program is being given to pre-school children in various parts of the State.

Fortunately, a majority of our Eastland County youth know and realize the dangers of drugs; nevertheless, anytime a person, regardless of age, becomes involved with or addicted to drugs, not only is that person affected but also his or her family and friends.

The various law enforcement officers and school officials are concerned about the drug problem; however, there are certain high court rulings which make it difficult for the law enforcement officers to be as effective as they would like. Consequently, I am glad that the citizens of this county are becoming more aware of the drug availability in the county and are willing to become actively involved in the "war on drugs". Any help that any citizen can be is welcome and gratefully appreciated. Too, the assistance and involvement of any citizen may help save another person from the physical, mental and financial problems that do result from drug usage.

Please help in the "war on drugs"; the life you save may be one you know and love. You, the mother, father, loved one or friend of a young person, can help stop the drug problem by becoming familiar with the various warning symptoms of potential drug usage. For instance: Do you know where your child is tonight?

Very truly yours,

Sheriff, Eastland County
P.O. Box 748
Eastland, Texas 76448
Residence 629-2951

Dispatch 629-1728

To The Citizens of Eastland County:

Mr. O'Brien, Editor of the Eastland Telegram, has asked that I give this letter in regard to marijuana and drug use in Eastland County. This unquestionably is the single most important danger in our community. Marijuana and drug use must be supported by money. The only way users can obtain money is by committing theft, burglary, robbery and other crimes.

The single most dangerous myth in our country today is that marijuana is a harmless drug. This myth is based largely on research done in the late 60's and 70's. Scientist now know that marijuana is an insidious, subtle and very complex substance, and that moderate to heavy use can damage the lungs, alter the structure of brain cells and produces serious psychological and psychosocial effects. Some would argue that the use of marijuana does not lead to the use of other more dangerous drugs. This simply is not so. For example, it has been proven in other areas that among the 50% of high school seniors who smoked marijuana 43% used one or more additional illegal drugs. Among youngsters who don't smoke pot, the use of other drugs is unknown.

Throughout the State it is shown that during the last three years the age for marijuana use has steadily decreased. In many communities eleven is the average starting age.

I sincerely feel if we can stop this before it is introduced to the school children, by this I mean beginning at the elementary level and nipping it in the bud before it gets out of control with our teen-agers.

Marijuana leads to the use of other drugs such as "crystal", "kitchen crank", and other drugs being sold that in many instances the seller has no idea what he is selling.

I want the parents to realize that my office wants to help. When we have the cooperation of the parent and it is brought to our attention as soon as any indication is shown that the child is using any drug, we can help. There are facilities that we, through recommendation or through the courts, can obtain and affect the healing and curing of the use of the problem. There is excellent counseling available as well as the Vernon Drug Center for teen-agers. We have been able to help a great many of our teen-agers by assisting them in becoming involved in the counseling and or getting them admitted to Vernon's Drug Center.

My hope and I believe the biggest step that I can take towards stopping this abuse is by a one on one relationship with the young people through the school system by having a deputy working specifically in the preventative stage by visiting our schools throughout this County on a daily basis. The fact that an officer is around, available not only to the school but to the students, will do more toward curtailing and stopping the use of marijuana and drugs among our school children and the community than all of the arrest and convictions combined.

In short, I believe in preventative enforcement. That takes cooperation from each one of us. If you feel your child is involved or has a drug problem, please call me, let me try to help.

Sincerely
Johnnie W. Morren, Sherriff
of Eastland County

Elliott-Levisay Vows Exchanged

Vicki Rhea Elliott became the bride of Lonnie Dean Levisay Friday, September 3, at 7:30 p.m. in the First Baptist Church of Rising Star. The Reverend R.D. Williams, pastor, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Mack Elliott of Rising Star and Mr. and Mrs. Byron N. Levisay of Bangs.

In the foyer of the church, Jeannie Thornhill presided at the register table which was laid with an ecru linen cloth and centered with a silver bud vase holding rainbow carnations, gypsophylla and fern.

Mrs. H.D. Walker and Mrs. David Pollock provided traditional wedding music for the ceremony and the instrumental music of "The First Time Ever I Saw Your Face" during the repeating of the vows. J.J. McAfee and Dauna Pyturn sang "Endless Love" at the close of the ceremony.

Banked greenery formed the background for the altar scene. The center altar was decorated with a brass fifteen-branch arch candelabra holding cathedral candles, flanked on either side by heart-shaped brass candelabra holding votive candles. The arch and candelabra were entwined with greenery displaying rainbow-colored bows and carnations.

The chancel rail was laid with sprengeria fern, clusters of gypsophylla and rainbow-colored carnations. Each end column of the chancel was adorned with a brass cage holding a pair of live white doves. Completing the setting was the unity candle and family candles which were lighted by the fathers of the bride and groom during the ceremony.

Given in marriage by her parents, the bride was escorted to the altar by her father. She wore a gown of white organza and chantilly lace. Pearl encrusted chantilly lace adorned the empire bodice which featured a Queen Anne neckline. Matching lace complemented the sheer shepherdess sleeves. Wide, scalloped re-embroidered lace framed a front panel of knife pleats, giving a redingote effect. Matching lace encircled the hemline of the cathedral train, which was accented by a wide panel of chantilly lace.

To complete her bridal attire, she wore

a finger-tip veil of illusion, edged in lace, attached to a pearl embellished chantilly lace bandeau headpiece. The bridal bouquet was fashioned of hand-wrapped china silk phalenopsis orchids and English ivy designed in a crescent shape with other phalenopsis orchids falling into a cascade with tiny pearls and satin streamers.

Maid of honor was Laurie Hill of Abilene. Katrina Stokes of Jacksboro was the matron of honor and bridesmaids were Jeanine Crockett and Dona Pace of Brownwood. Honor attendants were attired in identical gowns of lilac, pink, apricot and lemon yellow Silesta chiffon and chantilly lace; the fitted bodices featured lace spaghetti straps and blouson overlays with cap sleeves. The A-line skirts were of layered chiffon. Each attendant carried a single stemmed carnation, in the color matching her gown.

Jessica Phares of Omaha, Nebraska, niece of the groom, was flower girl. Her gown of blue chiffon was of a design similar to those of the honor attendants. She carried a white wicker basket with rainbow carnations, gypsophylla, fern and ribbons.

The groom's nutmeg tuxedo featured western styling and brown velvet lapels. He wore a beige ruffled shirt and brown string tie. His boutonniere was a white silk lily of the valley.

Best man was Byron N. Levisay, father of the groom. Groomsmen were Carl Chandler, brother-in-law of the groom, Terry Newton and Donald Adams of Brownwood. Attendants wore western-styled parchment beige tuxedos with beige shirts and string ties. Their boutonnieres were tinted in rainbow colors to match the dresses of the bridesmaids. Mackey Doug Elliott of Abilene, nephew of the bride, was ring bearer. His tuxedo matched those of the groomsmen. He carried a white lace pillow decorated with rainbow ribbon and lily of the valley.

Ushers were Mack Erwin Elliott, brother of the bride, and Chris Boyd, both of Brownwood.

For her daughter's wedding, Mrs. Elliott chose a gown of mauve chiffon and lace which featured full lace sleeves and a high neckline. She wore

matching accessories and a japhet orchid corsage.

The groom's mother was attired in a jacketed gown of ice-pink alaskine with a A-line skirt. Her accessories were of matching pink and gold. Her corsage was a shape with other japhet orchid.

A reception was held after the wedding in the fellowship hall of the church. The bride's table, laid with a white taffeta cloth and ecru lace overlay, featured a three-tiered white cake. Between the lower tiers, separated by Roman columns, was a blue fountain. The anniversary tier was topped with white satin bells and decorated with pastel flowers cascading down the sides.

The table was centered with a crystal epergne holding an arrangement of multi-colored carnations, gypsophylla and greenery. Punch was served from a silver punch bowl. Nuts and pastel mints, made by Mrs. Bill Dennard, were served from silver appointments. Serving at the bride's table were Cindy Elliott of Abilene and Sharon Nichols of Dallas.

The groom's table, laid with an ecru lace cloth over brown, was centered with an arrangement of bronze mums and yellow daisies in a silver bowl. The German Chocolate cake featured a frosting copied from a cartoon drawn by the groom's mother which depicted a fishing scene. Coffee was served from a silver urn. Mrs. Kirk Phares of Omaha, Nebraska, and Mrs. Carl Chandler of Brownwood, sisters of the groom, and Adele Phares of Omaha, niece of the groom, served.

A small round table centered with a seven-branch silver candelabra held two crystal containers of white satin rice-bag rosettes.

For a wedding trip to the Grand Cayman Island, the bride chose an ensemble of dusty rose with a white carnation corsage.

The bride is a

Mrs. Lonnie Dean Levisay

graduate of Rising Star High School and attended McLennan County Community College in Waco.

The groom is a graduate of Bangs High School and Tarleton State University with a degree in plant and soil science. He is employed by Kohler in Brownwood.

Pre-nuptial parties included a family recipe party given in Bangs in the home of Mrs. Ben Sullivan. Hostesses were the groom's aunts, Mrs. Thomas D. Levisay, Margaret Levisay, Mrs. Ben Sullivan and Evelyn Levisay.

The bride was honored with a miscellaneous shower in the Fellowship Hall of the Rising Star Baptist Church. Hostesses were Mrs. Kenneth Smith, Mrs. Weldon Hill, Mrs. Paul Maxwell, Mrs. B.H. Dennard, Mrs. George Leonard, Mrs. L.L.

Harris, Mrs. Lester Harris, Mrs. B.D. Linney, Mrs. L.L. Lewis, Mrs. Max Wilson, Mrs. Billy T. Carpenter, Miss Laurie Hill, Mrs. R.D. Williams, Mrs. Johnny Lee, Mrs. Jerald Maynard, Mrs. Jerald Harris and Mrs. Larry White.

The home of Mrs. J.B. Stephens of Bangs was the scene of a gift tea for the bride. Hostesses were Mrs. Stephens, Mrs. Geneva

Starkey, Mrs. Mike Taylor, Mrs. James Shelton, Mrs. R.L. Benson, Mrs. Wm.T. Harris, Mrs. Bob Sikes, Mrs. Hubert Lane and Mrs. John Chandler.

On Thursday prior to the wedding, Mr. and Mrs. Byron N. Levisay, parents of the groom, entertained the wedding party with a rehearsal dinner at the Traveler's Steak House in Brownwood.

County Fair

Association Meeting

The County Fair Association will meet Tuesday, September 14 at the Eastland Chamber of Commerce office at 7:30 p.m.

Some exciting plans are being made for the fair and it is very important that everyone associated with the fair or those who have

an interest in helping with the fair attend this meeting.

The County Fair is being planned for October 20-23.

GORDON SPOT

By DeMarquis Gordon

Dr. Kevan Blazor, Ranger Veterinarian, says there have been several cases of blackleg in the last few weeks in Eastland County. Livestockmen should never assume their farm ranch is free of this fatal disease of young cattle. The most practical defense is vaccination of all calves. Normally, calves should be vaccinated when they are 4 to 6 months of age. If blackleg has been a problem on the farm calves should be vaccinated at a younger age and revaccinated in 6 months. Replacement animals should be revaccinated after 12 months.

Speaking of vaccinations, calfhood vaccination is one of the most effective ways to prevent Brucellosis. All replacement heifers should be officially vaccinated when they are 4 to 12 months of age. This must be done by an approved veterinarian or official of the Texas Animal Health Commission. The official vaccination is provided free to cattle owners. This is a practice that should not be passed up.

We welcome the new veterinarian to Eastland County. Dr. Paul Duncan has begun practice in Eastland.

The sixth 1982 screwworm case in Texas was confirmed August 31. Location of the newest case was in Starr County, a long way from Eastland County, but local ranchers and household pet owners are reminded to continue to check their animals for possible cases. It's been a long time since screwworm have been a problem, and we sure want to keep it that

way. Homeowners can help prevent future plant disease problems in flower beds and gardens by practicing some simple preventive maintenance this fall.

Plant disease organisms usually overwinter in infected plant parts such as leaves, stems and rotted or dried up fruits. Removing infested plant material from flower beds or gardens will help reduce next year's disease problems.

Remove infected leaves and fruits from plants and prune stems or branches back six or more inches below the last sign of infection. Use disinfectant dip such as a 10% solution of household bleach for the pruning instrument to avoid mechanical spread of the disease.

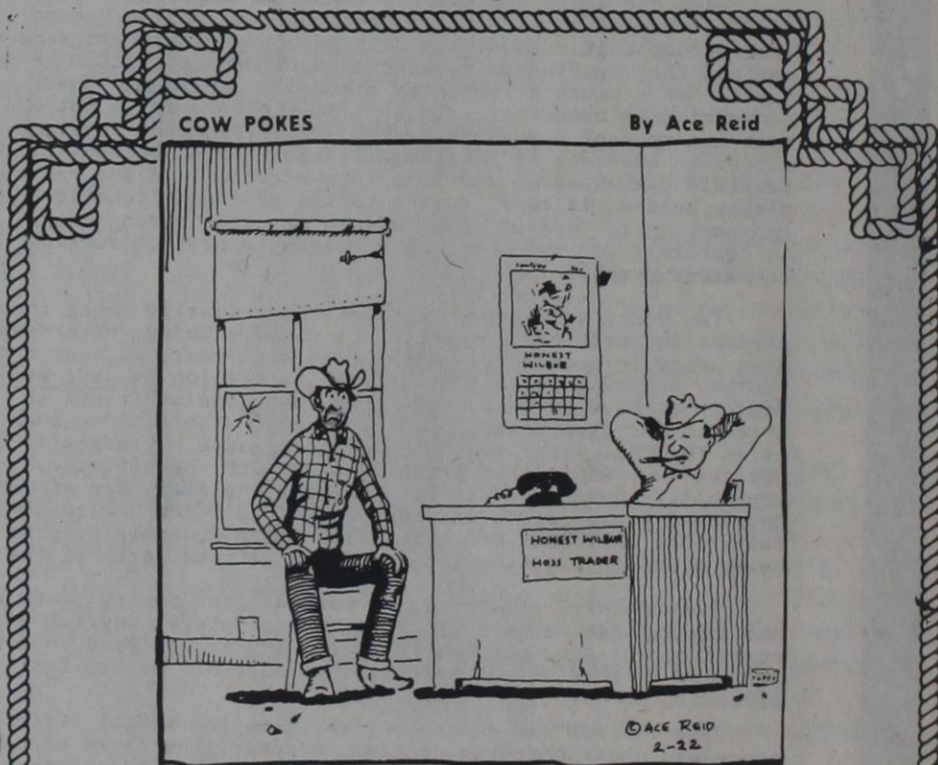

Fall plowing can follow this clean-up. Deep burial of plant residues is one method of disease control that has been successfully used by farmers for many years.

Diseases can't be completely eliminated by clean-up practices, but gardeners and homeowners who clean up their gardens and flower beds in the fall will have fewer disease problems next year.

Reunion Set

The second annual reunion for all former employees of Hollywood-Maxwell, Hollywood Vassarette and Vassarette of Munsingwear, will be held on Saturday, Nov. 6th, starting at 10:30 a.m. at Camp Inspiration. Please bring a covered dish for noon meal.
