Numbering Project Needs Volunteers

The Rising Star Chamber of Commerce & Agriculture needs help in detailing the house numbering system.

After the numbering is done eight reflective numbers will be ordered, then offered to the public.

Volunteers are asked to meet Thursday, October 15, at Star Plaza Restaurant at 6:30 p.m.

A map of Rising Star will be sectionalized and helpers will work different sections of the town. The numbering

system, already established, will be explained to volunteers.

Emergency services such as Rising Star Emergency Medical Service (ambulance), Volunteer Fire Department, Police Department, Constable, Sherrif's Department and Justice of the Peace will benefit from the numbering project, as will members of the community they serve.

Finding an address quickly can be a life or death matter. Delays might result in

loss of life, more severe personal damage from accident or illness or additional property loss. Many of the workers with the emergency services are relative newcomers to Rising Star and are not familiar with old family place names which are often used in describing where a person lives. Or they do not know where your neighbor lives, another way we tell where we reside in this small town.

In addition to aiding the community's emergency workers, townspeople will benefit in being able to give a

definite street address for delivery purposes, for television cable connection and for telephone and utilities hookup. Also, a street address is required for death certificates. In all these instances, mailing addresses are not sufficient information.

To be a part of this Chamber project to benefit the residents of Rising Star, be at the meeting Thursday. If you want to help but can't attend, contact Frank Agnew at Higginbotham's, 643-2251, or Mayor Henry Burk at City Hall, 643-4261.

Senior Center Lunch Aids Ambulance Fund

Members of the Senior Citizens Center in Rising Star are concerned for our volunteer ambulance service. Rising Star Emergency Medical Service needs \$7,000 to meet expenses for insurance.

Although many of these Senior Center members are well into their 70's (some are older), many have health problems and many of them live on fixed incomes, they are all anxious to help our

volunteer ambulance service continue to operate.

They will hold a chicken spaghetti lunch Tuesday, October 20, from 11 a.m. to 1:30 p.m. at the Center.

Chicken spaghetti, salad, bread, drink and cobbler will be served for \$3.50 for adults and \$2.00 for children.

All proceeds will go to the ambulance fund. Help our seniors benefit our ambulance service by enjoying a meal at the Center.

Local Lord's Acre Is October 30, 31

The United Methodist Church of Rising Star will have a Lord's Acre Bazaar on October 30 and 31. The bake sale, arts and crafts and country store will be October 30 and the dinner will be Saturday, October 31.

The doors for the bazaar will be open at 9 a.m. Friday. Sandwiches and drinks will be served plus shopping at the bake sale and etc.

On October 31 the doors will be open at 11 a.m. for the dinner. Serving will continue until 1 p.m. Turkey and dressing will be served as well as vegetables and

dessert. Adults are \$4.00 and children under 12 are 2.00.

Please come and bring a friend. The project this year is dedicated to the memory of Mary Claborn.

Auxiliary Plans Blood Drive, Seeks Recipes

Don't forget the blood drive sponsored by the May Volunteer Fire Department Auxiliary at the Community Center Tuesday, October 20, from 4 to 7 p.m.

The drive will benefit Bill Buzbee. All blood types will be accepted. Orange juice and cookies will be furnished for

donors. Also, send recipes for May VFD Auxiliary Cookbook to P.O. Box 15, May 76857. Recipes will be accepted until November 15.

The next scheduled meeting is Monday, November 2, at the May fire station at 6:30 p.m.

History Book Meeting Is October 17

The Eastland County History Society will meet Saturday, October 17, at 10:00 a.m. in the Texas Electric Reddy Room.

Plans will be discussed on publishing the book, and the publisher will be present. All interested persons are invited to attend.

Cats Win 19-7

Open Season on Elk Quarterback

The Rising Star Wildcats bettered their district record to 2-0 when they defeated the Evant Elks 19-7 at Evant last Friday. Their season record is now 4-1.

The Wildcat defense built up their reputation as "quarterback's nightmare" by stacking up eleven quarterback sacks during the game. Making the sacks were junior linebacker Stacy Green with three, junior defensive end Kevin Bond with two, senior linebacker John Flores with two, senior defensive lineman Cory Atwood with two, junior cornerback Steven Wilson with one and sophomore defensive lineman Alan Havens with one.

The first quarter was all defense and the buzzer sounded with score still 0-0.

The second quarter began with a Wildcat fumble. Evant failed to take advantage of the turnover when three plays later senior defensive end James Holman stripped the ball from an Elk. Junior safety Reil Barron came up with the football to give the offense the opportunity to put some points on the board. Sophomore tailback Derrick White ran four yards to the end zone. Stacy Green's kick for the extra point was ruled no good by the official and the Cats led 6-0.

The Cats moved the ball well and senior quarterback David White scrambled to the four yard line only to have the gain negated by a penalty, forcing the Cats to try a field goal. Green's field goal from the 20 yard line was good and the Cats took a 9-0 lead to the dressing room.

The third quarter started badly for the Cats as they were forced to punt. Following a bad snap the punt was blocked giving Evant good field position. This time the Elks took advantage of their good luck and connected on a long pass play for a touchdown. The kick for the extra point was good and the score was 9-7 Wildcats.

After moving the ball to Evant's end of the field the Wildcats decided to go for it on 4th and long only to come up short. The ball went over on downs but once again the Cats' defense overpowered the Elks, forcing a punt. Reil Barron followed excellent down-field blocking all the way to the end zone. Again the Wildcats were plagued by penalties and Barron's touchdown was called back.

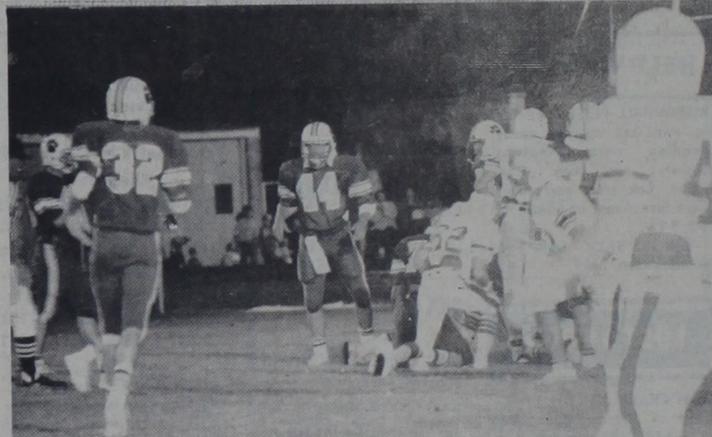

On Evant's next offensive series the Elks dropped back to punt and Derrick White knocked the pigskin loose. Senior cornerback Kerry Hill fell on the ball at the Evant 4 yard line. On the next play fullback Stacy Green ran the ball in for a touchdown. Green's kick split the uprights and the Cats led the Elks 16-7.

Wildcats pictured in this play include No. 44 Derrick White, No. 33 Stacy Green, No. 60 Toby Long, No. 25 Kevin Bond and No. 75 Lupe Pavon.

No. 44 Derrick White, No. 33 Stacy Green and No. 30 Ronnie Evans are among the Wildcats in on this play at the Evant game.

No. 32 Reil Barron and No. 44 Derrick White are the Wildcats in this photo.

The swarming Cats' defense forced another Evant fumble when senior defensive lineman Lupe Pavon stripped the ball loose and James Holman alertly recovered the football.

During the next offensive series quarterback David White threw a pass to senior wide receiver Ronnie Evans for what looked to be a touchdown when Evans collided with the goal post. Luckily Evans was able to walk off the field with nothing worse than a headache. The Wildcats decided to try for another field goal. This one was from 37 yards out and once again Stacy Green's kick was good. The game ended with the score Rising Star 19, Evant 7.

Next week the Cats play host to the Baird Bears. Baird is also 2-0 in district play and this is a game of major importance. The Cats are going to need your support so come fill the stands and let's cheer the Wildcats on to victory.

Individual statistics are as follows: Rushing: Derrick White, 19-96, 1 TD; David White, 14-77; Kevin Bond, 15-54; Stacy Green, 6-29, 1TD.

Receiving: Derrick White, 1-22. Tackles: John Flores 7, 2 sacks; David White 4½;

Stacy Green 4, 3 sacks; Derrick White 4; Cory Atwood 3½, 2 sacks; James Holman 3½; Reil Barron 3; Kerry

Hill 3; Kevin Bond 2, 2 sacks; Lupe Pavon 2; Steven Wilson 1, 1 sack; Johnny House 1; Roan Barron 1; Alan Havens ½, 1 sack.

IN YOUR OWN WORDS...

Tell them why you think the Center should be established here and what type of support they can expect from the people of Eastland County. They want to know that they will be welcome and that the local people will take pride in the Center and help it in every way possible.

Thank you God for little things that often come our way. The things we take for granted, but don't mention when we pray. The unexpected courtesy, the thoughtful kindly deed. A hand reached out to help us in time of sudden need. Oh, make us more aware, dear God, of little daily graces that come to us with sweet surprise from never dreamed of places. With grateful heart we thank each caring friend for the food and flowers That helped us through our lonely hours. For your loving kindness that helped us through our loss of our loving daughter, Mary Ann, so dear to us. May God bless you all. Jake and Sue Landress

IF YOU'RE not going to be able to vote in the General Election on Tuesday, Nov. 3rd, you really should check with the County Clerk's office right now and plan to vote absentee, which begins Wednesday and runs through Oct. 30, from 8 a.m. to 5 p.m.

There'll be no candidates on the ballot, but there'll be 25 choices on Constitutional Amendments and two referendums to be decided. And every one of the choices is important.

THE 27 CHOICES is the longest ballot in some 20 years. A number of the propositions offer choices which could, if passed, change a lot of the state's basic philosophy about indebtedness.

A number call for bond issues which amounts to "borrowing" rather than the long-established "pay-as-you-go" position of the state over the years.

background on this type of music.

BAIRD

The Baird Chamber of Commerce will hold a good old fashioned Townhall Meeting on Monday, Oct. 19 in the Baird Activity Center. This meeting is to provide an opportunity for the people to ask questions of some of the local officials. There will also be a membership drive for the Chamber of Commerce, and a guest speaker from another Chamber of Commerce. This is a real chance for the people of this area to be heard on topics that are on their minds.

An Abilene couple, Johnny and Melba Lackey, are restoring the old Baird Movie Theatre. Their plans are to have musical shows every few weeks, with country and western bands, fiddlers, blue grass musicians and gospel singers. The new name for the building will be "The Big Country Opry". Right now you can purchase a season ticket for a donation of \$25 or more - and this will go toward the repairs and restoration of the building.

FOR WHAT it's worth, here's how we plan to mark our ballot; and far be it from us to tell others how to vote, but these seem to be our personal "druthers," and everyone else is entitled to theirs.

1. YES. To permit the legislature to use public money to provide guarantee for grain warehouse self-insurance to be financed by the grain warehouse industry.

2. YES. To authorize a rural fire prevention district to levy a higher property tax if approved by the voters in the district.

3. YES. Provide that on the death of a person who is 65 years or older, the homestead freeze would be extended to the surviving spouse if the spouse is at least 55.

4. YES. Allow the Legislature to create programs and make loans and

grants for economic development.

5. NO. Permit joint highway projects by the Texas Turnpike Authority and the State Highway Dept.

6. YES. Authorize issuing up to \$125 million in bonds for venture financing for small businesses, new products and agricultural production, processing and marketing.

7. NO. Allow issue of up to \$400 million in bonds for grants and loans to local government for acquiring, repairing or building public facilities.

8. NO. Permit issuing \$500 million in bonds for facilities for the Texas Department of Corrections, Texas Youth Commission and the Department of Health and Mental Retardation.

9. NO. Abolish the prohibition against legislators taking other state offices for which the compensation was raised during the lawmaker's term.

10. NO. Allow the legislature to exempt from taxation tangible personal property not held or used for the production of income other than residential structures.

11. YES. Exempt from taxation goods, wares, merchandise and ores - except oil, gas and petroleum products - passing through the state for no longer than 175 days.

12. YES. Permit spouses to agree in writing that all or part of their community property passes, on the death of one to the surviving.

13. YES. Allow creation of districts to provide emergency medical, ambulance, rural fire prevention and control or other services.

14. YES. Remove the prohibition against court appeals by the state in criminal cases and let the legislature determine which decisions made by a trial court may be appealed by the state.

15. YES. Abolish the office of county treasurer in Gregg, Fayette and Nueces counties.

16. YES. Allow counties of 150,000 population to have more than one J.P. per precinct.

17. YES. Authorize the legislature, not the courts, to define functions of a municipality that are governmental and proprietary. This is implementation of the tort-reform

measures.
 18. YES. Permit creation and operation of jail districts.
 19. YES. Authorize issuing up to \$500 million in bonds for a special, superconducting, super collider fund.
 20. YES. Allow a tax exemption for offshore oil and gas drilling equipment that is being stored.
 21. YES. Permit the legislature to include the speaker of the House on the executive committee.

22. YES. Authorize the Legislature to limit appointments by a lame duck governor.

23. YES. Issue an additional \$400 million in state water development bonds.

24. YES. Allow a county perform unpaid work for other governmental entities in the county.

25. YES. A Panhandle local measure.

Proposition 1. NO. Continue to appoint the 15 members of the State Board of Education. They should be elected.

Proposition 2: NO. Legalization of pari-mutual wagering on horse and dog racing on a county-by-county, local option basis. We're obviously going to hear a lot of economic facts on this issue, but basically, what's normally wrong, can't be economically right.

Reports from various committee chairmen were submitted during the business meeting presided over by Bea Kruger.

Polly Parker paid tribute to Pauline Hudson and Helen Donham for their efforts which culminated in the building of the new club room, with apologies to Edgar A. Guest for some changes in the wording of his poem, "Somebody Said That It Couldn't Be Done." Members gave an ovation to the two clubwomen who exemplified working toward community betterment, an aim of Federated Clubs.

The Only Way to True Peace: You may ask, "How can I do that? How can I receive eternal life?" The answer is still, Jesus Christ has made peace through His blood on the cross. There is no other way. Yet we hear the Lord's own words of sorrow in Rom. 3:17, "The way of peace have they not known". The way of peace is unknown to most people. What is the way to true peace? The answer is given by the Lord Himself, "I am the way, the truth, and the life: no man cometh unto the Father, but by me" (John 14:6). People seek all sorts of ways to find peace and happiness, for instance, group dynamics, self hypnosis, yoga, drugs, etc. Peace comes through building on the firm foundation. Whatever works are done on a changing foundation will have no lasting value. Those who have no peace with God never complete anything in their lives. They continually miss their ultimate finish goal, the living God. Most people, whether in or outside the church, long for something outside of themselves in which their roots can come to rest, but

they are usually satisfied by things that produce temporary feelings. But this is not what we want. We want to enter that rest that God gives to His people as described in Heb. 4:9-11. "There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works, as God did from his." Let us labor therefore to enter into that rest, lest any man fall after the same example of unbelief."

The PEOPLE'S FORUM

I've Been Wrong Before

By Gordon S. Clark

Among those people who don't know that enough is enough are the boys at some tire shops who don't know when to quit hitting that impact trigger.

I am willing to bet the last dime I have that I am not the only one who ever found himself with a flat and those lug nuts were so tight it was like they were welded.

I bent the dog-leg wrench into a curve then cork-screwed the shaft of a spider lug wrench. Next I got a pipe wrench up close on that one and started banging on it with a ball peen hammer as rapidly as I could

The extra vibration at last did the trick. Meanwhile I had near ruined the corners of two lug nuts and we were two give out people.

Now what if that flat had belonged to a woman alone or to an old man with heart trouble? Such ignorance could kill someone I think.

I don't know who done it nor could my wife recall who changed that one last but I bet someone's ears burned.

Certainly there have been instances of wheels coming off and nobody wants to be blamed for that but I reiterate "Enough is enough."

I understand that they make a torque wrench which impacts down, but not beyond a set point. Probably they are extra expensive but I wish that I could find a tire shop with one, find one where they knew how much

was a plenty or I will just have to do all my own tightening.

Some instances of bad service are worse than others depending on how you view it. For example, a friend asked for 17 ft. of wire and a clerk told him she couldn't sell it to him because all they had to measure with was a yardstick. He was shocked that anyone could be hired who didn't know how many inches were in a foot.

I was there when a clerk asked a lady to make her own change for a twenty because she couldn't seem to count it right.

If you think you have troubles then imagine yourself as an employer with those two on your payroll.

Time was when you didn't get out of school without knowing weights and measures.

Jim Parker To Speak On Proposed Amendments

State Representative Jim Parker will be in Ranger on Tuesday, October 27, to address area residents on the upcoming November 3 Special Election. The Special Election is for proposed Constitutional Amendments. There are 25 propositions on the ballot plus 2 referendum entries.

Some of the items included in the proposed amendments include limiting school tax increases in residence homesteads of the elderly; assistance to encourage economic development in the state; to allow legislature to exempt from ad valorem taxation certain personal property not held or used for income; giving the state a limited right to appeal in criminal cases; creation and financing of jail districts; and a referendum calling for voters to decide whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. This is one of the most talked about items

to be voted on by Texans. The aforementioned proposed amendments are just few to be discussed by Representative Parker. We will go into more detail on the proposals in upcoming issues.

These proposals to the Constitution affect all of us, and will affect our children in the future. Make plans to attend the meeting in Ranger in order to learn more about what all these proposals mean to us as Texans.

Mr. Parker will explain in detail what each amendment would mean to us, and in order for the people of Texas to vote for what they feel is best for them, everyone needs to be able to understand each proposal in full and what could happen if the proposal is passed or it is not passed.

Parker will address the public at the Ranger School Cafeteria, Hwy. 80 East, at 7:00 p.m. on Tuesday, October 27.

Friday's Area Football Scores

It was four wins and two losses for Eastland County high school football teams in Friday night's games as all of the teams are in district competition.

In a game between two county teams, Eastland showed that there is strength in numbers as their 31 man squad ran up a 62-0 score against Ranger's 16 man squad.

Carbon played May a close game until they lost two players to injuries in the third quarter. May took advantage of Carbon's loss to score 32 points in the remaining minutes to outscore the Wolverings 60-20.

Cisco proved that they are a team to be contended with

in 13AA as they defeated Dublin 28-6.

Gorman beat Santa Anna 18-3 and Rising Star downed Eant 19-7 in strong district 8A where the championship may not be determined until the final game and will probably be one of these teams or Baird, which beat Lometa 42-0.

DeLeon beat Hico 42-0 in the other 13AA game, and it looks like DeLeon, Cisco and Eastland have the best shots at the two district playoff spots.

In other area games Cross Plains outscored Winters 20-9, Albany tied Stamford 14-14 and Breckenridge overran Bowie 44-14.

Gordon outscored Moran

51-6 and Strawn fell to Sidney 25-34 to keep the district 6, six man, picture unclear.

dresses with lace trim and chiffon covered headpieces and carried burgundy baskets.

The groom wore a white tuxedo with a pink cummerbund, tie and daisy boutonniere. Brad Fortune of Early served his friend as best man and Kelly Hill of Rising Star was groomsman for his brother. They wore light gray tuxedos, pink cummerbunds and white boutonnieres.

Ring bearers were Brandon and Weldon Thompson, nephews of the groom. They wore gray slacks, white shirts and white boutonnieres. Ushers were Rodney Dunham, brother of the bride, and Dash Spruill of Denton, a friend of the groom. Cars were parked by David Cooper of Rising Star.

The groom, his best man, groomsman and the minister arrived in a white Lincoln. Peggy Agnew of Rising Star sang "Endless Love" and Leslie Boyd of Anson played "The Lord's Prayer" on the flute. Pianist was Debbie Frazier of Aspermont.

The bride presented her mother with a pink carnation.

Guests were registered by Tracy Dunham of Hamlin, sister-in-law of the bride. Honored guests were the groom's grandmothers, Opal Brooks and Opal Hill.

Serving at the bride's table were Theresa Anderson of Aspermont and Billie Sue Wright of Keller, aunt of the bride. The table was covered with silk burgundy overlaid with white lace and draped with lace wedding bells. The bride's bouquet was used as the centerpiece. The three-tier wedding cake was trimmed with pink roses and topped with a bride and groom.

Serving at the groom's table were Laurie Thomas of Abilene and Pam Thompson of Rising Star, both sisters of the groom. The table was covered with silk burgundy and white lace and centered with a bouquet of white roses and pink and burgundy daisies. Coffee was served from a silver coffee set. Also served were chocolate chip cookies, chocolate and pecan tassies and ham rolls.

Billie Sue Wright, aunt of the bride, caught the bridal bouquet and Sam Scott caught the garter.

After a wedding trip to San Antonio, the couple will reside at Rt. 2 Box 149, Rising Star.

Steve is employed at First State Bank of Rising Star and Rachele (Shelly) is employed at Susie's Hair Hut in Rising Star and Le Pearls Design in Abilene.

Mrs. Stephen Hill

Mitzi Rachele Dunham and Stephen Weldon Hill were united in marriage in a double ring ceremony in a garden setting in Rising Star Saturday, October 3. The ceremony was officiated by a classmate of the bride, Tom Lee Rhoach of Graham.

The bride is the daughter of Mr. and Mrs. Glen Dunham of Old Glory and the groom is the son of Mr. and Mrs. Weldon Hill of Rising Star.

The bride was given away by her father. She wore a four-tiered lace gown with a queen neckline and a six-

tiered lace train trimmed with pink silk bows around the hem. Her hat was covered with white lace and the brim was pinned into a side sweep by pink silk roses. The bridal bouquet was white silk roses scattered with burgundy daffodils, pink daisies and baby's breath.

A penny in her shoe for luck was added to the traditional something old - a diamond pin that had belonged to the groom's great-grandmother and worn by all the brides in the family, something new - a white Bible given to the bride by her

mother, something borrowed - a pearl necklace belonging to Peggy Agnew, and something blue - the bride's garter.

Matron of Honor was Denise Green of Abilene and bridesmaid was Leslie Jennings of Abilene, both friends of the bride. The attendants were dressed in pink lace tea length dresses with pink silk flower covered combs in their hair. They carried white roses with burgundy and white daisies.

The flower girls were Dusty and Sonja Dunham of Hamlin, nieces of the bride. They wore pink tea length

Boss Employees Reunion Is Saturday

Time is almost here for the former employees of The Boss Manufacturing Company to meet together after twelve years to renew old acquaintances, visit, fellowship and have a good time together for a few hours. The reunion is planned for Saturday, October 17, at the Cisco Corral Room, 400 Conrad Hilton Ave.

The one manager everyone enjoyed was Anton (Tony) White. After his retirement, he and his wife choose to remain in Cisco. He has worked with the group to get the employees together again. He has many slides, that will show some of the work that went on in the plant also some slides of the fun times

that took place within the plant.

The committee would like to encourage each one that has ever worked at the plant to come and if you have a spouse please bring them. And if you have pictures you would like to share with the group please bring them.

There will be no invitations mailed, so if you know someone that had ever worked at the plant please invite them.

Registration will begin at 10:00 a.m., lunch at 12:00 and program around 2:00 p.m.

Please bring sandwiches, chips and dips, desserts or anything that would be easy to serve.

Drinks, plates, cups,

napkins, etc., will be furnished.

The meeting place will be at the Corral Room on Hilton Ave. at the old Laguna Hotel. The plant was located on the Breckenridge Hwy. in Cisco and opened in 1944 and after many years closed in 1975.

FHA Installation

Last Monday, October 12, the Future Homemakers' Association had its Installation of Officers. FHA holds this ceremony every year and it is a formal event for the officers to enter into office.

This ceremony consists of each officer reciting the position's responsibilities and obligations.

The FHA colors are red and white. Red symbolizes courage and firm determination to succeed, white for the purity and integrity of youth.

The flower of the organization is the red rose. It is sym-

bolic of vibrant, growing health which contributes to happiness and efficiency in home and group life.

The FHA emblem is octagonal in shape. It bears the name of the organization around the top of the plane and around the lower side is the motto. In the center there is a house, symbolizing that the future homes of America are in the hands of its youth.

This organization's motto is "Toward New Horizons" which is an infinite challenge and expresses the purpose of FHA, to learn to live better today in order that our lives and those of our families may be better tomorrow.

This year FHA is planning on building a strong chapter filled with young people who want to make a difference in their lives and the lives of others around them.

With the guidance of Mrs. Linda Webb, this year's FHA will be remembered for a long time. FHA Power!

Dear Penny,

I have this friend and she keeps cheating off of other peoples' papers. She is not my very best friend and I do not know her that well, but I really hate what she is doing. What should I do?

Copy Machine's Friend

Dear Copy Machine's Friend,

Talk to her about it. Cheating is not the best way to learn. A person who cheats is only cheating on herself/himself in the long run.

Dear Penny,

I have been best friends with a guy and now I am starting to think of him as more than a friend. I do not know if he feels the same way. What should I do?

Wanting to be More Than a Friend

Dear More Than a Friend

Explain to him how you are starting to feel about him. The best way to find out something is to communicate! You never know! He might just like you far more than a friend!

One Down, Five to Go

Well, we made it! Students of Rising Star High have survived the first six weeks of school. The excitement of school has diminished and students have slowed their social like, due to the "encouragemnet" of parents. School has become another drudgery to be lived or suffered through for the sake of better learning. Students have a routine by which to live: eat, study, sleep, work, study, sleep and maybe have fun somewhere in between. But for the most part, the students have survived and will now bear down to prepare for the second six weeks.

Spirit Raisers!!

The Rising Star High School Cheerleaders held the pep rally on Friday, October 9, a little earlier than usual so that the football guys could get a headstart on the long trip to Evans. This week's pep rally was paced with chants and yells to raise spirit and that it did! Spirit was everywhere! The elementary, junior high and high school students helped the cheerleaders with the chants. Near the end of the pep rally the cheerleaders did a skit called "The Cheer".

Speakers this week were junior football players Steve Wilson and Johnny House. "Spirit Jug" winners were Cathy Smoot and Camille Harris.

The next pep rally will be Friday, October 16, at 3:20 p.m. in the gym. Please come out and help the cheerleaders and student body cheer the Cats to a district win against their rival, the Baird Bears.

The cheerleaders are still looking for wood scraps for the '87 bonfire. If you have any that you will donate please contact Maxine Perales at 643-6404. Thank you.

County Celebrates National 4-H Week

In Eastland County some 400 4-H members are planning special activities and events in observance of National 4-H Week, October 4-10, according to Crystal Akers Wilbanks, County Extension Agent. Some of the planned activities for Eastland county include poster exhibits in the local stores and schools, with the highlight of the week to be the annual County Awards Banquet on Saturday. The 4-H'ers are among more than 4.3 million young people across the country who will participate in the week-long celebration using the theme, "4-H For Youth, For America".

career fields. And, most importantly, 4-Hers learn and have fun doing it. And families can add to the fun by learning and growing together," Wilbanks added.

"Learning doesn't stop with the 4-H member and family. Volunteer leaders learn new skills while sharing their expertise with young people," she said. Through a network of volunteer leaders, state land-grant universities, state and local government and the U.S. Department of Agriculture, 4-H has been able to stimulate youth to develop life skills.

"In celebrating National 4-H Week, we recognize that 4-H is truly a people development program," said Wilbanks. "4-H helps young people develop skills that will be useful in the real world. It helps them discover their strength and weaknesses. It exposes them to activities in a variety of

Volunteer Role Is Rewarding In 4-H

One of the most rewarding things you can do for tomorrow's leaders is to serve as a 4-H volunteer leader today. "Volunteers not only give leadership to 4-H experiences for youth, they keep the program relevant to local community needs and interests," according to Crystal Akers Wilbanks, County Extension Agent. Today, approximately 100 4-H adult volunteers in Eastland County work with 400 members from 3rd grade to 19 years old. These volunteers share their skills and experiences by assisting young people in a variety of 4-H projects and activities.

Wilbanks. The 4-H volunteer corps is 600,000 strong nationwide. Volunteers are the backbone of a basic and cost effective system which delivers practical educational experiences to some 4.3 million 4-H members in the United States, according to Wilbanks. The time, travel and support volunteers contribute is valued at \$1 billion annually.

Volunteers don't have to be experts in specialized subject matter areas, according to Wilbanks. They can rely on the Eastland County Extension Service to provide them with training, educational materials and resources to use in the 4-H program. "The Extension Service makes 4-H uniquely qualified to meet both the constant and ever-changing needs of young and older people alike," said

"The 4-H program provides many opportunities for growth and stimulation for adults and helps them attain enjoyment and self-fulfillment," Wilbanks said. In Eastland county volunteers are needed to serve as leaders for 4-H projects such as photography, electricity, sheep, swine, rabbits, clothing, foods & nutrition, just to name a few.

Help prepare the young people in your community for tomorrow by joining the ranks of 4-H volunteers. For more information about how to become involved, contact Crystal Akers Wilbanks, Eastland County Courthouse at 629-1093.

Deadline Nearing For History Book

The last deadline has been set for receiving family histories, and orders are being taken for Eastland County's brand-new History Book which hopefully will be distributed sometime early next year.

That's the word from Chairman Ron Bailey who says that the Nov. 15th deadline is for real, and that the manuscript must be mailed soon after that. Also one-third of the cost for printing the book must be sent with the first shipment of manuscript, so book sales are now important too.

Thousands and thousands of brochures are being mailed this week to ex-students of all the schools in Eastland County announcing the final details.

It's not too late to be included - but it soon will be. **YOUR PERSONAL INVITATION**

Bailey says:

"We are compiling the history of Eastland County of past and present generations. I am sure you are interested in leaving a history for future generations to be able to look back and see what and how we of the past have lived.

This is a once-in-a-lifetime opportunity to write your family story and see it published in a beautiful hardbound book. **YOUR FAMILY HISTORY** will be put in the book without charge and you are under no obligation to purchase a book. You may write a family history of up to 500 words and have one picture printed. If you need more words you can pay 10 cents per word over 500 and you can have a second photo printed for \$15.00.

MEMORIAL AND TRIBUTE PAGES are

available. What a great way to honor your parents, grandparents, children, or a favorite teacher, church pastor or anyone who has been special to you. They can be a full page for \$250, half page for \$175, or a quarter page for \$100.

BUSINESS AND CHURCH HISTORIES are also welcome. The history of our local churches and businesses are a valuable part of the history. Histories are limited to 500 words and one photo. Please contact one of the book committee members for more details.

The Eastland County Book Committee wants this history to be the best book ever published on a Texas county. At the present time, we have nearly 1000 stories and would like to have 2000 family histories. **YOU CAN MAKE THIS GOAL A REALITY.** The **DEADLINE IS**

NOVEMBER 15 for submitting your story. This is an extension granted by the publisher, but we wanted to be sure we gave everyone a chance to be in the book.

ONLY PRE-PUBLICATION SALES ARE PLANNED

The book will be sold on a publication basis only! There are no plans for any books to be available at a later date. The book will be a hard bound edition, 8 1/2 x 11, with a specially designed cover reflecting Eastland County's proud heritage. It will contain many family histories and pictures as well as a capsule history of the county. It will include towns, communities, churches, schools, and events that have taken place over the years to make Eastland County what it is today. Please reserve your copy today.

 - f. Churches.
 - g. Other clubs and organizations.
2. Think of family traits.
 - a. Physical characteristics
 - b. Ancestral nationalities or bloodlines
 3. Think of family traditions.

 5. Now begin putting your facts together in a narrative style. Tell the story simply and in a conversational manner.

IMPORTANT: Along with your story, on a separate sheet of paper, list the names used in the story. **LAST NAME FIRST.** This will be used to create the index.

All stories must be typed, double spaced on an 8 1/2 x 11 sheet of paper. Please send 2 copies. If you send a photograph, on a separate sheet of paper list the people or identify the event. If you have a very rare photo, please have a copy made and send us the copy.

Peanut Field Day Set For Friday

A peanut field day will focus on nematode and disease control Friday, October 16, at the Cowan Hutton and Sons' farm north of Pioneer and near Sabanno. County Extension Agent De Gordon says the field day will be from 10:00 a.m. until noon. A nematode control demonstration where

various combinations of soil fumigants and granules were applied, will be viewed according to Gordon. Visitors will also see the destructive peanut diseases Southern Blight and Sclerotinia Blight. Plant Pathologist, Dr. Chip Lee, will discuss the demonstra-

tion as well as control of Southern Blight and Sclerotinia Blight. Gordon says the Hutton farm is 1 1/4 miles east than 1/2 mile south of Sabanno. Everyone interested in peanut production is invited to attend. Gordon urges all peanut growers concerned with nematodes or diseases to attend the field day.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title, or a policy of title insurance.

Eastland County Man Is State Award Winner

Ted Kirby, local Texas Hwy. Dept. maintenance supervisor, shows the coveted Beautification Award that he and his crew worked hard to win.

An innovative device designed to preserve wildflower seeds has blossomed into a state award for Eastland County's state highway maintenance supervisor.

Ted Kirby received the 1987 Lady Bird Johnson Award for highway beautification Tuesday as a reward for his commitment to see wildflowers bloom along the 40 miles of Interstate Highway 20 across Eastland County.

In a ceremony at Lyndon B. Johnson State Park, Kirby was presented with a plaque and \$1,000 in cash by Lady Bird Johnson. Kirby, a

19-year employee with the Texas Department of Highways and Public Transportation, lives in Eastland.

Kirby's device, a bin built from discarded highway signs, is filled with whole bluebonnet plants harvested from areas where the plants are in abundance. The bin is placed in the sun, and eventually the seeds pop for their pods and drop to a tarp spread under the bin.

Each season, the "Bonnet Bin" yields about 15 pounds of seed, which Kirby stores in a tow sack hung from the ceiling of a maintenance shed until the fall planting.

Four Win In Contest

By Richard Kurklin
The Band Contest was a new and very successful addition to this year's Eastland County Fair that is expected to grow in future years.

Seven bands were enrolled in the contest, but six competed as Eden was a no-show.

Marching in the parade before the contest, the bands added to Saturday's festivities twice, and they brought a crowd of out of county people to the fair. And attracting out of county people is essential for a really successful fair.

The bands are judged against an ideal standard rather than against each other so there can be numerous winners.

Four bands were placed at the highest level, Division I and two bands were placed

at the next level, Division II. Ranger and Hico, the two smallest schools in the local class AA district were judged to be Division II.

Ranger has 45 members under the direction of Bill Swinney and Hico has 30 members directed by Mike McSwain.

Division I winners included: Anson, 50 members under Tim Nix; Bangs, 70 members under Don Baldwin; Goldthwaite, 67 members under Anna Gene Moreland; and Eastland, 56 members directed by Phillip Hewett.

The Division I winners received huge, beautiful trophies and all received nice plaques and the applause of the nice crowd that viewed the band appearances in Maverick Stadium.

Moran Homecoming

Moran, Texas 10-10-87
It was two thousand miles from Oregon to Hubert Brooks and a whoop and a holler for Aline (Gunn) Brewster of Moran.

It was a drive up from San Antonio to Tommie Pheil, but Charles B. Chaney didn't make it thirty-five miles from Eastland-nor did Arlyne (Grace) Blue come from Fort Worth.

"It" was the fiftieth anniversary of the graduation from Moran High School of the Class of '37.

Sissy Shimp, president of the Moran Ex-Students' Association, introduced Katherine (Freeman) Ricks of Abilene who keynoted the Homecoming program with theme-setting comments on "The Way We Were."

James Snyder of Baird recalled highlights of the district-winning football team he captained in 36-37-the last time a Moran team won district.

Ray McKelvain, who spoke for the years of 27-28, told of how shy he had been when he came to a "city school" with all the advantages Moran offered.

Bobby Hamilton, class of '47, remembered the positive effects he felt from the instruction and support of the teachers in the Moran schools.

William "Happy" Gay, of Azle and a 1930 graduate,

summed up the intangibles for the homecoming crowd. "There is a spirit that holds us to our roots: it is the spirit of Moran that made us the way we were, the way we are, and the way Moran Exes always will be."

Ms. Ricks introduced other members of the spotlighted class to the assembly: Ella Reese (Jackson) Shelton from California, Lathan Jackson from Alabama, and Hubert Brook from Oregon came the greatest distances to join Veda Ben (Pinnell) Evans and Oma Lea (Elliott) Maynes from the Metroplex, Julia (Ballard) Worthy of Eastland and the aforementioned Ricks of Abilene, Snyder of Baird, Pheil of San Antonio and Brewster of Moran.

Bill Raymond and Carolyn Louder were crowned king and queen of the Homecoming events. Wiley Williams received a gift as representative of the Class of 1916, and Hubert Brooks was the ex-student who came the longest distance to sing "The Eyes of Moran." The cheerleaders, present and past, led the group singing of the school's alma mater.

A brief business session elected Cynthia Gilmore, president; Mary Anna Snyder, vice president; and Linda Cozart, secretary-treasurer for the Homecoming '89.
