Christian Center Church, formerly Community Church, located just south of the Muleshoe city limits on Hwy. 214, will present a special film, *Crisis In The Gulf* at 6 p.m. today, Sunday, October 28.

The public is invited to see the film, coordinated and put together by Rev. John Hagee.

There is no admission charge to view the film, according to a church member.

The First United Methodist Church will hold their annual Turkey dinner on November 8, 11 a.m.-1:30 p.m.

Cost is \$6 per plate, and you can call 272-5517 for take-outs from 11 a.m.-1 p.m.

Muleshoe Rebekah Lodge has finalized plans for their annual Thanksgiving lunch.

Turkey and all the trimmings will be served 11 a.m.-2 p.m. on November 1 at the Lodge Hall on West Second St.

Tickets for the luncheon are \$6 each.

Junior class mothers will meet Thursday, November 1, at 5:30 p.m. in the high school library to coordinate final details for the annual junior class turkey dinner.

The dinner will be served on Friday, November 9, in the high school cafeteria, before the Muleshoe-Friona football game.

All mothers of MHS junior students are urged to attend the meeting.

The Board of Trustees of the Muleshoe Independent School District will meet in special session at 4 p.m. Monday, October 29, in the school administration office.

The board will convene in open session to request an Executive Session under the provisions of Article 6252-17, Section 2(g) of the Texas Revised Civil Statutes to discuss personnel issues including a discussion of the applicants for the superintendent's position.

The board will then reconvene in open session to adjourn or recess.

Muleshoe Cub Scouts and Boy Scouts are currently selling *Trail's End Gourmet Popcorn*.

Four different varieties will be offered during the sale.

They will have a five-pack microwave package; a 12-pack economy microwave; a three pound bucket of unpopped corn and caramel corn with pecans.

MOTEL FIRE INJURES TWO WEDNESDAY NIGHT--Around 10 p.m. Wednesday night, the Muleshoe Volunteer Fire Department, law enforcement officials and emergency personnel from the Bailey County EMS were summoned to the Heritage Budget Inn where a room was blazing. Two residents, Mr. and Mrs. Paul Carr, are currently in the University Burn Center at Lubbock, receiving treatment for their injuries. (Journal Photo)

A Wednesday night fire snarled traffic on West American Boulevard as Muleshoe Firemen fought a fire at the Heritage Budget Motel.

The fire was reported about 10 p.m., accompanied by the information that at least one man was trapped in a burning motel room.

Responding firemen, law enforcement officers and ambulance personnel from the Bailey County EMS, found the southeast corner of the resident-motel ablaze.

School Celebrating McGruff Birthday

Tuesday Afternoon

Tuesday, October 30, the students of Dillman Elementary will celebrate the 10th birthday of McGruff the Crime Dog, and his crime prevention education campaign.

McGruff teaches children how to say "NO" to drugs and alcohol, as well as molestation, abuse and other crimes.

This campaign is conducted on behalf of the crime prevention coalition and the U. S. Department of Justice.

Since 1980, McGruff has been helping millions of Americans, young and old, to "Take a Bite Out of Crime."

Ninety-nine percent of all children, ages six to twelve, recognize McGruff and the valuable lessons he teaches.

The celebration will begin at 2 p.m. Tuesday, October 30, in the Dillman Elementary Gym with a presentation by the honoree -- McGruff the Crime Dog.

This program will be followed with birthday parties in the individual classrooms.

They were told that everyone except one man, who resided in the efficiency apartment that was blazing, had been accounted for.

Sightseers briefly hampered emergency vehicles and fire hoses as many people drove to the fire site. Officers quickly cordoned off the highway and re-routed traffic as firemen began to battle the blazing motel.

After knocking down the flames to where they could enter the burning room, the firemen and emergency personnel found the room empty, prompting a search for the supposed victim.

Paul Carr, 64, was found inside his car, burned and suffering from smoke inhalation.

He and his wife, age 48, were taken to Muleshoe Area Medical Center for emergency treatment before being transferred to the University Burn Center at Lubbock.

Friday morning, a spokeswoman for University Medical Center in Lubbock said both Carrs are listed as 'serious' in the burn center.

Mrs. Carr is being treated primarily for smoke inhalation, although she has some burns.

Her husband was burned over 40 percent of his body, and has second and third degree burns, according to the spokeswoman. She also said he is suffering from smoke inhalation.

Firemen remained on the scene for some time, making sure the fire was completely extinguished.

Thursday morning, Muleshoe Fire Marshal Jimmy Mills said he was 'bogged down' from paperwork from the motel fire, and from the Maple Co-op Gin fatal explosion and fire on Tuesday, of this week, some 32 hours before the motel fire.

He had not completed his investigation of the motel fire, and had made no official ruling on the fire.

On Thursday afternoon, Evelyn Peat, who owns the motel with her husband, Clint, said the room the Carrs resided in was 'guttled' by the fire, and adjacent rooms received smoke and water damage.

Mrs. Peat said wiring in the motel was also burned. She said approximately two-thirds of the motel would be out of operation for some time.

No other injuries were recorded in the motel-apartment fire.

University Burn Center also said Natividad Salamanca, 21, who received serious burns to his face and arms in the Maple Co-op Gin fire on Tuesday afternoon was also listed as being in serious condition.

Bank Deposits And Loans Show Steady Increases During Year

According to the latest bank reports, made public each three months, the area banks are 'up' in both deposits and loans during the past year.

Total deposits at the seven banks checked in this area indicate current deposits totaling \$292,473,000, up by some \$6,740,000 over the \$285,733,000 shown on deposit at the same time in 1989.

Loans for the banks have also increased, by some \$1,827,000 for the same period. Loans closing out September, 1989 were \$161,084,000, and had increased to \$162,911,000 at the same time in 1990.

Locally, the two banks, Muleshoe State Bank, and First Bank

of Muleshoe, combined with First Bank of Bovina, show deposits of \$78,314,000. This is an increase of \$2,000,000 over the \$76,314,000 on deposit on September 30 last year.

Loans for the banks have shown an increase of \$48,000. Loans were \$47,473,000 on September 30 this year, and at the same time a year ago, were \$47,425,000.

Muleshoe State Bank experienced a decrease of \$541,000 in deposits during the past year. Deposits on September 30 this year were \$31,373,000 and were \$31,914,000 at the same time last year.

Loans at the bank also decreased by some \$1,299,000 for

the same period. Loans ending September, 1989 were \$22,326,000, and were \$21,027,000 ending September this year.

Mules Lose To 'Winds In Friday Night Football

It was a sad night for football for the Muleshoe Mules this past Friday. They were romped all over by a fired-up, district leading team of Whirlwinds from Floydada.

Floydada is sitting number one in the district, and they definitely proved why in Muleshoe Friday, as they blasted the hapless Mules, 44-0.

Taking the opening kickoff, the Whirlwinds made it into the end zone just four plays later, to score at 10:25 of the first quarter.

Ruben Chavarria raced 26 yards to the end zone to score for the 'Winds and Kenneth Collins booted the extra point.

In the Mules first possession, they moved the ball 13 yards in six plays, and managed one first down before punting the ball away.

Floydada didn't manage much better in their next possession, although they did make two first downs, but ran into clipping trouble and ended up booting the ball back to the Mules.

The Mules couldn't find running room, so gave the ball back to Floydada, who put their second TD on the scoreboard with 1:06 left in the first quarter. It became a 14-0 ball game with Brian Teeple's TD and Collins' PAT.

As the first quarter ran out, the Mules again had the ball, and were trying to put some yardage on the field.

Just after the second quarter got underway, the Mules had to turn the ball back over to the Whirlwinds, who moved the ball 53 yards in six plays, and on the seventh, made it in from the three. After the extra point, there was still 8:23 left until

halftime.

It became a back and forth game until 3:23 was left in the second and Floydada's Kenneth Collins latched onto a pass and scored. Collins also added the extra point.

With :02 left in the half, Collins booted a 22 yard field goal.

At halftime, the score stood at 31-0.

Coming back in the third, the Mules were still being held back by the aggressive Whirlwinds.

Failing to advance the ball, they punted to the 'Winds, who scored from five yards out. Cont. Page 6, Col. 3

MAHD Continues Growth Pattern

The Muleshoe Area Medical Center and the Muleshoe Area Health Care Center have been certified for medicaid and medicare patients.

The surgery at the Medical Center opened last month, and all nurses aides in the Health Care Center have completed the state certification program.

These are only a few of the accomplishments that have taken place within the 15 months since the creation of the Muleshoe Area Hospital District.

"We're a year and a half ahead of where we thought we would be in October, 1990," Richard Murphy, administrator and CEO of the Muleshoe Area Medical Center, said.

The Muleshoe Area Medical Center is known throughout the state as the "Miracle of

Muleshoe." At a time when other small community hospitals closed and remain closed, the Muleshoe Area Medical Center reopened and continues to achieve its goals.

At the top of the list of plans for the hospital is assuring the citizens and community that they will have access to quality medical services and facilities, Murphy said.

Other plans include expanding the medical staff from three family practitioners to four, adding the services of specialists such as an orthopedic surgeon on a shared basis with other communities, updating lab and x-ray equipment, adding ultra-sound equipment, and adding respiratory therapy to the services offered.

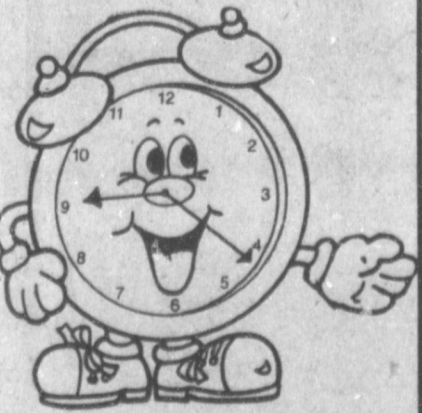

For the future, Murphy said conceptual plans have been drawn to rebuild and expand the nursing home from 57 beds to 75 beds, and to renovate the hospital in the area of modern appearance.

Murphy said that he is committed to the future of the Muleshoe Area Medical Center and the real "Miracle of Cont. Page 6, Col. 2

WHIRLWINDS STOP MULE POWER RUNNER--Friday night, the Floydada Whirlwinds effectively stopped Mule power runner, John Orozco, No. 30. The Mules' ground game was effectively held to few yards by Floydada, who is the first place team in the district at this time. Next Friday, the Mules travel to Littlefield to take on the Wildcats. MR AND MRS EMANUELE DI MATTIA
[nee Kristi Henry]

Double Ring Ceremony Unites Miss Kristi Henry, DiMattia

Miss Kristi Diane Henry became the bride of Emanuele Paul DiMattia in a candlelight ceremony Saturday, September 22 at 7 p.m. in the First United Methodist Church. The Rev. Richard Edwards read the double-ring vows.

Parents of the couple are Ms. Marcia Henry of San Angelo, Texas and Mr. and Mrs. Joseph DiMattia of Haverhill, Massachusetts.

The altar was flanked by tri-level Grecian columns topped with large baskets of Grape Ivy with clusters of grapes cascading throughout. Champagne-colored lace and ribbon bows were entwined from basket to basket. The base of the columns held large baskets of fresh Grape Ivy. Seven-branched candelabras accented with ivy and large lace and ribbon bows with grape clusters and wheat sheaves completed the altar setting. Special family pews were marked with large bows and featured an arrangement of ivy, Malaga Grapes and wheat beards.

Beau Henry, nephew of the bride, from Youngsville, LA, lit the candles as Jeremy Bruus provided organ background music. Scott Royster, music director of the church, sang "The Wedding Song" as grandparents and special guests were seated.

Bruce DiMattia, brother of the groom, from Haverhill, MA, escorted his wife, Angela, to the altar where she represented the DiMattia family and lit the memory candle. The groom's parents were unable to attend the ceremony because of illness. The bride's mother was escorted to the altar to light the Henry family candle and to her seat by Jason Scoggin Hastings, NE, brother-in-law of the bride.

As the traditional "Wedding March" began, the groom and his brother, Marc-Anthony DiMattia, Haverhill, MA and the Rev. Edwards approached the altar.

To the "Wedding March" crescendo, the bride entered the sanctuary escorted by her brother, Mike Henry, Lubbock, and father-designate Cecil Mardis, Hereford. The bride presented her mother with a long-stemmed red rose as she proceeded down the aisle. Henry accompanied her to the altar and responded on behalf of both families in blessing the couple.

The bride chose an exquisite formal-length gown of champagne satin featuring Alacon lace, scalloped neckline and short caplet sleeves. The gown was designed with a fitted bodice and basque waistline heavily sewn with seed pearls, iridescents, and pearl teardrops. A full ballroom skirt with side peplums descended to a Cathedral train which was bustled at the back beneath a Candy-box bow. Scalloped lace trim edged the skirt hem and train. The bride wore a champagne, lace-brimmed hat, hand

sewn with seed pearls and iridescents which held her pouffed tulle veil.

She carried a crescent bouquet atop her Order of the Rainbow for Girls Bible. An embroidered handkerchief, a gift from her maternal grandmother, was tucked inside. The bouquet was designed with six white roses symbolic of the couple's six years of friendship and romance and was centered with an ivory Japhet orchid. Stephanotis with pearl centers flowed at random from the bouquet which included Grape Ivy and Galax leaves. Ivory lace and satin ribbons formed streamers and loops.

Keeping with tradition, the bride wore pennies minted in the couple's birth years in her shoe for good luck. She wore a blue garter borrowed from a family friend, Ms. Rita Albro. Something new was the wedding ensemble, and for something old she wore a strand of pearls given to the bride's mother by her father, the late Doyle Henry, on her twenty-first birthday and passed on to her daughters on their twenty-first birthdays.

The groom wore a full dress, shimmering gray tuxedo, tie and cummerbund. He wore an ivory pleated shirt. The groom's boutonniere was designed with two white roses, stephanotis with pearl centers and surrounded by Grape Ivy.

The matron of honor was Ms. Kacy Scoggin of Hastings, NE, sister of the bride. She wore a waltz-length Malaga grape colored dress of shimmering satin. The dress featured a dropped waist and portrait neckline with pouffed leg-mutton, elbow-length sleeves. Ms. Scoggin carried an arm bouquet of bearded wheat. A champagne lace and satin ribbon bow trailed into streamers highlighted by pearl stands. A grape cluster centered the bow and Grape Ivy trailed into the streamers.

Haley Henry, the flower girl, niece of the bride, wore a short, ivory colored, polished cotton dress which had short caplet sleeves and a full ruffled skirt. She carried a hand-made doll dressed in replica which had a small basket filled with rose petals and decorated with lace bows and wheat attached to the doll's arm. Haley wore an ivory lace and satin ribbon sash and hair clip.

Marc DiMattia served his brother as best man. He wore a charcoal gray, full-dress tuxedo with ivory tie, cummerbund, and pleated shirt. His boutonniere was designed with wheat beards and Stephanotis on a Grape Ivy back accented with a small cluster of grapes. Ushers Bruce DiMattia, Haverhill, MA, and Philip DiMattia, Lubbock, brothers of the groom and Jason Scoggin, Hastings, NE, brother-in-law of the bride, wore charcoal gray cable tuxedos with ivory pleated shirts, ties and cummerbunds. The

groom's party had boutonnieres of bearded wheat accented with a small grape cluster.

Blake Henry, nephew of the bride, was the ring bearer. Both Beau Henry and Blake wore charcoal gray tuxedos with ivory ties, cummerbunds and pleated shirts. Blake carried an ivory, heart-shaped pillow edged with champagne lace and satin bows and streamers centered with a small grape cluster. Both boys' boutonnieres were wheat beards accented with a small grape cluster.

As the bride and groom lit their unity candle, Scott Royster played the guitar and sang "Turn, Turn, Turn." Throughout the ceremony he also sang "Right, Here Waiting for You" and "Here and Now" with piano and special background accompaniment. The highlight of the ceremony was the reading of a spiritual poem selected by the couple from a book given to the bride by her late maternal great-grandmother, Mrs. Minnie Redwine.

Following the double-ring ceremony, the newlyweds greeted the guests at a reception in the fellowship hall of the church. The bride's table was placed in front of a heart-shaped arch entwined with Grape Ivy and grape clusters. A large basket of Grape Ivy was at each end of the arch. The bride's table was covered with an ivory damask cloth overlaid with an ivory lace cloth.

Autumn grape punch was served from a three-tiered, brass fountain topped with a fresh arrangement of white roses, Delphinium orchids, lilies, larkspur and Grape Ivy. Crystal platters of petit-fours were served by Miss Susan Puckett and Mrs. Susie Sterling. A brass tray of miniature toasting glasses with two, white chocolate covered almonds tied with tulle, ribbons, and miniature wedding rings, symbolizing good luck for the couple, completed the table.

The groom's table covered with an ivory damask cloth was centered with a four-arm, brass candelabra which held an arrangement of Grape Ivy and grape clusters with four, tall ivory tapers. A folding white lattice formed the backdrop for the table. The lattice was decorated with wheat sheaves tied with lace and satin bows. The groom's brothers and sisters-in-law served at his table. Finger sandwiches, cheese and crackers, fruit salad and banana pudding were served. A special treat was homemade Italian meatballs the groom's parents made and sent to be served from their son's table. Iced tea was also served from a brass samovar. Crystal tea-lights, fresh grapes and ivy decorated the guest tables throughout the reception area.

Mrs. Belinda Head, Youngsville, LA, sister-in-law of the bride, attended the gift table

and Mrs. Monica Henry, Lubbock, sister-in-law of the bride, registered the guests. Lace rice roses were distributed to the guests by Brad Henry, Youngsville, LA, nephew of the bride, assisted by Tony DiMattia, Haverhill, MA, nephew of the groom.

The houseparty included aunts of the bride, Ms. Elmer Downing and Ms. Robert Hunt of Muleshoe, Ms. Sybil Henry, Amarillo, and special friends, Ms. Rita Albro, Lubbock; Don Rainer, Floydada; and Ms. Kay Mardis, Muleshoe.

Special guests at the wedding included the bride's maternal grandmother, Ms. Selma Smith of Granite Shoals, TX, and her paternal grandmother, Ms. Clyde Henry of Canyon, TX. Other special guests including friends and relatives both local and from out of town and state attended the couple's celebration of love.

The bride graduated from Muleshoe High School and is a recent graduate of the San Antonio Court Reporting Institute, San Antonio, TX. She will be joining Cataugno Court Reporting Service located in Boston, MA.

The groom graduated from Whittier Tech-Vocational High School in Haverhill, MA and will be enrolled in Northeastern University continuing his paramedic training. He is currently employed as an EMT-I at Am Care Ambulance Service in Newburyport, MA.

A dinner honoring the couple was held at the Methodist Church fellowship hall following the rehearsal on Friday night. The wedding party was served pizza, lasagna, tossed salad and ice cream. The decorations included red and white tablecloths and red floating candles along the tables. The serving table was centered with a large picnic hamper filled with greenery, grape clusters and tall red candles. The dinner was served and hosted by the bride's family, aunts and uncles, and special friends.

A lingerie shower and bachelorette party honoring the bride was held at the home of Ms. Doris Scoggin and was co-hosted by Kacy Scoggin, Belinda Head and Monica Henry.

A bachelor party hosted by Jason Scoggin, Mike Henry, Philip DiMattia and Van Coppedge was held honoring Manny.

A luncheon honoring the couple and out-of-town guests was held on Saturday at the home of Kim and Sheila Black. The theme of the luncheon was "East meets West" and used western decorations. Co-hosts for the luncheon included the bride's relatives in the Muleshoe area.

Following a honeymoon trip to San Antonio, TX, the couple will make their new home at Seven Lincoln Street, Georgetown, MA 01833.

Jennyslippers To Serve

Annual Barbecue Dinner

It was a lengthy agenda for the Jennyslippers when they met at noon Tuesday, at the Muleshoe Public Library. Pat Langfitt called the meeting to order, followed by the reading of the minutes of the previous meeting by Bobbie Harrison, secretary. A treasurer's report was given by Norma Bruce.

Mrs. Langfitt read the correspondence which included a letter from Floydada inviting the Jennyslippers to their fourth annual Holiday Hapenings.

She also read a letter from the Ministerial Alliance informing the Jennyslippers of a new program getting started in Muleshoe, Prescription Fund. With the rising costs of prescription medicine, this program is designed to help persons with their prescriptions who do not qualify for indigent care, SSI or any other program, which effects mostly older people and young families.

Terie Snell spoke to the Jennyslippers briefly on a project she has been working on. She asked the Jennyslippers to help sponsor Care Packages for servicemen. She hopes to make this a community affair. "These men and women are hungry for letters from the people here in the United States and I'd like to encourage everyone to take a few minutes of time, write these servicemen, give them the encouragement they need" said Ms. Snell.

The Jennyslippers voted to help Ms. Snell with the Care

Package project. More details will be published at a later date. They also voted to use the money donated to the Jennyslippers, for the Support Our Armed Forces badges, for items for these Care Packages.

The nominating committee presented a slate of names to be considered for the 1991 Jennyslipper officers. They include: Eddie Lou Wood and Donna Kirk, for treasurer; and Pat Prater and Rancee Rudd for secretary. No names were submitted for President-elect. Nominations will also be taken from the floor on the date of election, Dec. 11.

Vivian White gave a report and plans were finalized for the annual barbecue, which will be held during the bazaar on Nov. 30 and Dec. 1 at the Bailey County Civic Center.

Nancy Kidd talked briefly on the profile for new Christmas decorations for Muleshoe, that she has presented to the City Council.

Everyone was reminded to get their nomination in for Jennyslipper of the year. The deadline is December 1. Mrs. Langfitt also asked for ideas for the program for the annual banquet.

Senior Citizens

The Muleshoe Senior Citizens met at the Old Depot for a covered dish luncheon and program on Monday, Oct. 22. Eighteen were present. J.C. Shanks gave the invocation.

Mae Wilterding was in charge of the program. Bro. Richard Edwards, pastor of the First Methodist Church, brought the program. He showed slide pictures of his trip to Europe. There was 11 who went on the trip from Muleshoe and Olton area. John Montgomery from Olton was on hand to assist with the pictures. It was reported that everyone enjoyed the program.

Katie Rubinek, president, was in charge of the business. Minutes of the previous meeting were read and approved.

Happy birthday was sung for Retta Shipp and Lester Howard. The meeting was closed with a prayer by Durward Head.

Knew It

Landlady (who is a very bad cook) "I hope you like the pudding sir, I made it out of my own head."

Long Suffering Boarder: "No need to tell me that."

Landlady: "How is that, sir?"

Boarder: "I can taste the sawdust."

Rebekah Lodge

The Muleshoe Rebekah Lodge met in regular session Tuesday night, Oct. 23 at the Lodge Hall.

Dorothy Browning, Noble Grand, presided. Ruby Garner and Doris Lambert presented the flags.

The opening prayer was given by Fern Davis, chaplain.

Plans for the Thanksgiving lunch were finalized. Turkey and all the trimmings will be served from 11 a.m. to 2 p.m. on Nov. 1 at the Lodge Hall, and Fern Davis said "We would like to encourage everyone to come out and eat with us. Tickets are six dollars each."

It was reported that the committee, who worked on the anniversary celebration, had done a good job. Ann Johnson donated the birthday cake for the celebration.

The group was dismissed with a prayer by Dorothy Browning.

Happy birthday was sung for Frances Burrows.

Refreshments were served to 14 members by Velma Howell and Ruby Garner.

DEBBIE AND LAMONT LEWIS

Bridal Reception Honors Mr And Mrs Lewis

The home of Sydna Flowers was the scene of a gift reception Saturday, October 20, honoring Debbie and Lamont Lewis. Guests called between the hours of 7:30 and 9:30 p.m.

A Mexican Fiesta theme was carried out with a large assortment of fresh flowers in a variety of bright colors in brightly colored flower pots to match the blossoms.

The serving tables were covered with brightly colored table cloths from Guatemala. Brightly colored appointments completed the Mexican Fiesta theme.

A buffet consisting of Jalapeno Cheese Squares, Tortilla Roll Ups, Broiled Tamale and Bacon Canapes, and an assortment of chips were served.

Special guests included: Mrs. Henry Nerwin of Mt. Prospect, Ill., mother of the bride; Mr. and Mrs. L. B. Hall and Dr. and

Mrs. Charles Lewis, parents of the groom; Dr. A. E. Lewis, grandfather of the groom; and Lashelle Wilson of San Antonio, sister of the groom.

The hostesses gift was a pine pie safe.

Hostesses and hosts for the occasion included: Terry and Jim Young, Janelle and Doyce Turner, Georgette and Charlie Isaac, Elinor and Chester Yerby, Dorothy and Irvin St. Clair, Jo and Cliff Timberlake, Marie and Charles Lenau, Elaine and Sam Dameron, Carrol Johnson and Sydna Flowers.

Also, Lynn and Buck Campbell, Melba and Joe King, Julie and J. D. Cage, Anita and Honer Allgood, Arline and Bernard Phelps, Judy and Paul Wilbanks, Marilyn and John Young, and Johanna Dean.

Miss Holton, Cox Repeat Marriage Vows

MRS. MILES RALPH COX
[nee Tracy LeAnn Holton]

The First Baptist Church of Angel Fire was the setting for the August 18 wedding uniting Tracy LeAnn Holton and Miles Ralph Cox. Pastor Dan Masters read the marriage vows.

Parents of the couple are Mr. and Mrs. Phillip D. Holton and Dr. and Mrs. R.H. Cox, Jr., all of Amarillo.

Grandparents of the groom are Mr. and Mrs. Alvin Allison of Muleshoe, Marie Cox of Farwell and the late Ralph H. Cox.

The sanctuary of the church was decorated with pale ivory pew bows, silk green plants with ivory bows and a large bouquet of summer flowers in the bride's chosen colors. Vows were repeated before a candelabra of ivory tapers and a large ivory colored basket filled with ivory mums.

Escorted to the altar by her father, the bride wore a pale ivory satin moire knee length dress. The dress featured elbow length pouff sleeves, a becut neckline which formed a deep "V" in the back, that was accented with a self bow. A

peplum was attached to the skirt of the dress. Her shoulder length veil of illusion was attached to combs forming a narrow pouff atop the headpiece which was accented with whispers of seed pearls.

Her bridal ensemble was complimented by pearl and diamond earrings and a pearl ring, which was given to the bride as a child, by her mother. Also a pearl necklace which was something borrowed, from the groom's mother. The necklace was a gift to the groom's mother from his father. The bride's pale ivory satin shoes completed her bridal attire.

The bride also wore a traditional blue garter, which was worn by the groom's mother at her wedding 29 years ago, it was also worn by her sister-in-law, Christine Cox, at her wedding last August.

Her bridal bouquet was an arrangement of summer flowers in her chosen colors of azalea pink, meadow green and pale ivory. In the bouquet, she placed a handkerchief, once belonging to the groom's

maternal great-grandmother, Laura Wilson Walker.

Mrs. Lisa Hinojosa of Amarillo served as matron-of-honor. She wore an azalea dress with a jewel neckline, pouff sleeves and drindle skirt, which was slightly dropped below the waistline. She carried a nosegay of summer flowers similar to the bride's bouquet.

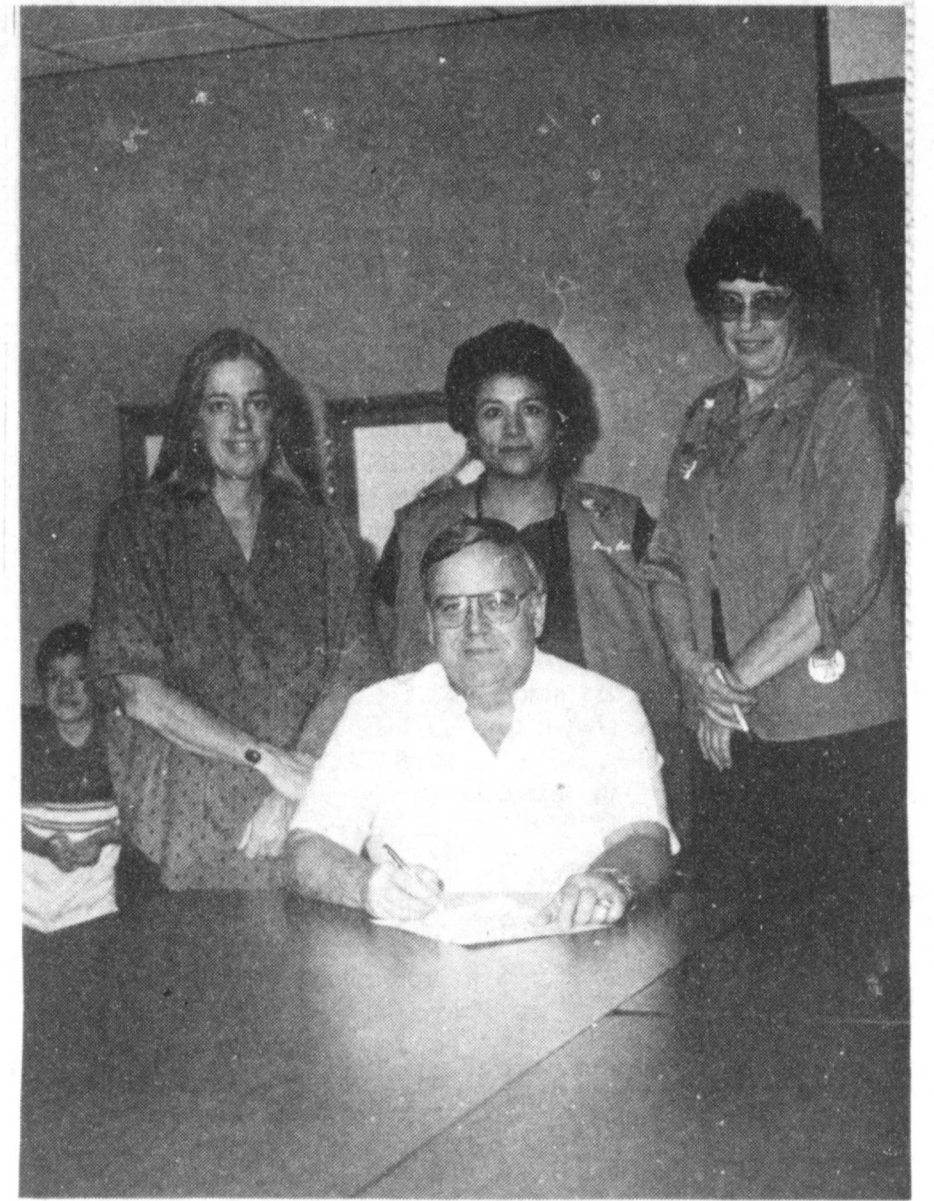

Lane Cox of Lubbock served as his brother's best man. Cas Dale Baker was candlelighter and usher. The gentlemen of the wedding party were attired in dark blue double-breasted

suits. The groom carried a small new testament in his suit pocket. The testament was a gift to him on the day of his birth.

Following the ceremony, a reception was held at the Legends Hotel.

Guests attending the celebration were from Albuquerque, Amarillo, Dallas, Farwell, Friona, Lubbock and Muleshoe.

The parents of the groom hosted a dinner honoring the couple on August 17.

MAYOR PRO TEM SIGNS PROCLAMATION---Thursday afternoon Paul Wilbanks, Mayor Pro-tem, signed a proclamation proclaiming Oct. 25 a "Day Of Unity Against Domestic Violence." The proclamation urged all citizens to participate in the activities and programs and to work toward the elimination of personal violence against women and to promote the safety of all persons within their own homes. This proclamation was signed during a public forum on domestic violence at the Muleshoe State Bank. The Women's Protective Service of Lubbock is looking for ways to serve Bailey County better. Over 100 women in Muleshoe are battered each year and over 150 Texas women lose their lives at the hands of men they've loved. Pat Langfitt, Jennyslipper president, looks on. (Journal Photo)

Creative Living

by: Sheryl Borden

Information on spices and ways that businesses can get involved in recycling will be the featured topics on "Creative Living" on Tuesday, October 30 at 12 noon and Saturday, November 3 at 2 p.m. (All times are Mountain.)

Ona Scandurra, representative of the American Spice Trade Association in New York, will make suggestions about ways to cut down on salt and sodium in the diet. One way is to replace the salt in your salt shaker with a low-sodium seasoning blend--which she will demonstrate.

Helen Hatton, spokesperson for the Paper Bag Division of the American Paper Institute, will talk about how businesses are getting involved in recycling. Ms. Hatton is from Toronto, Canada.

On Tuesday, October 30 at 9:30 p.m. and on Thursday, November 1 at 12 noon, "Creative Living" will present information on accessorizing with panache and will tell about a line of dolls that really care about children.

Lee Ann Nelson, owner of Natural Accents in Denver, CO, is going to tell about some accessory basics and talk about how to select jewelry and accessory pieces that will remain good investments year after year. She calls this "accessorizing with panache." She will also show how to wear these accents in the best of taste.

Diane Creston, from New York City, will introduce a line of dolls called "Children to Children." Each individually styled doll represents various countries and ethnic groups from around the world. However, the dolls are not dressed in clothing particular to any one country or state. The line is affiliated with the Save The Children Federation--a worldwide organization dedicated to providing health, food, and education to children around the world. Ms. Creston will explain how this program works and how the "Children to Children" dolls play a role in the program.

"Creative Living" is produced and hosted by Sheryl Borden. The show is carried on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers

can request copies of materials offered on the show by sending one 25 cent stamp for each handout requested. Send the stamps, along with your name, address and booklets requested to:

Lazbuddie 4-H Begins New Year

The Lazbuddie 4-H Club held their second meeting of the year on October 8 at the Lazbuddie I.S.D. cafeteria. Casey Bradshaw, president, called the meeting to order and the secretary read the minutes of the previous meeting.

Council-Delegate, Jason Thomas, gave his report of the county meeting at the Bovina School District on October 5.

The club recognized October 7-13 as National 4-H Week. The purpose of National 4-H week is to promote 4-H to all the communities in order to get more people involved in 4-H activities.

Mandy Seaton and Lana Copp announced that the cooking school for this year is set to begin on Wednesday, October 15 at the Lazbuddie Home Ec. Department. It was reported that you do not have to be a member of 4-H to participate in the cooking school. For more information you may contact Mandy Seaton or Lana Copp.

Two guests, Lori McBroom and Rochelle White, were present at the meeting. Ms. McBroom presented a program over the Y.E.S. (Youth Exchange For Seniors). This program was designated for students in the ninth through 12 grades. The students are each assigned a home of an elderly person. The student goes to this house and helps the person in

things that they need assistance in. The job could range from simply changing a light bulb to cleaning the house. Each home will be carefully screened before it is assigned to the student. The program promises to be rewarding and a lot of good friendships can come out of this program. For more information on this program you can contact Barbara Lust, Lazbuddie Home Ec. instructor, or Terry Thomas, Lazbuddie 4-H leader.

4-H Day at Texas Tech University is scheduled to be Saturday, November 17. Those who go will take a tour of the campus, eat a prepared lunch and then go to the Tech football game. It was reported that each one going needs to take \$10.00 for lunch and your ticket. If you would like to go contact Terry Thomas or Debrah Redwine.

Later on in the meeting, the club made posters to hang in the halls promoting 4-H. The members played balloon volleyball and refreshments were served.

Muleshoe" because of the commitment of the people of Muleshoe and Bailey County to having accessible medical services available.

The Muleshoe Area Hospital District was created April 26, 1989, when Gov. Clements signed into law the Act relating to the creation, administration and financing of the district. A record 91.6 percent of the voters supported the creation of the Muleshoe Area Hospital District in June, 1989, and West Plains Medical Center was leased to the district July 15, 1989.

The combination of community and facilities would make Muleshoe a prototype for other rural health care districts, except in those communities with oil-based economies where funding would not be feasible.

The Muleshoe Area Hospital District has succeeded because the community could afford it, and because they experienced the absence of a hospital. The citizens of Muleshoe knew what it was like to have no hospital and be in need, Murphy said.

Murphy, a native of Clovis, N.M., who "feels right at home here in Muleshoe," has been administrator of the Muleshoe Area Medical Center for six months.

"Muleshoe has an impressive facility and community," Murphy said.

Murphy represented the hospital at the Texas Hospital Association Small and Rural Forum in Austin Oct. 4-5. The main topics of discussion were emergency care, release of information and patient transfer laws.

Making it into the end zone was Quincy Johnson, with the extra point by Andrew Cameron.

The rest of the third quarter was back and forth action, and going into the fourth, it was Floydada's ball, as they maintained a 38-0 lead.

The Mules' Sean Roberts stopped a Whirlwind drive as the fourth quarter got underway when he recovered a Whirlwind fumble.

In the waning minutes of the ball game, the Whirlwinds again scored at 1:57 of the fourth when Jamie Suarez intercepted a Mule pass and ran it back 51 yards to the end zone. The PAT failed, and the Mules watched the clock run out as they made a futile attempt to put points on the scoreboard.

The game ended with the Mules blanked out, 44-0.

Pat Angeley

Opens Office

In Muleshoe

There is a new business in town! Williams, Rogers & Co., P.C. is an accounting firm whose aim is to work for their clients with IRS, not with their clients for IRS. The firm has just recently expanded from their home base of Plainview to a branch office in Muleshoe.

The Muleshoe office is being managed by Pat Angeley. Mrs. Angeley is married to R.D. 'Tub' Angeley and has lived here since 1968. She is the mother of four children; Krystal, a Tech student; Tiffany, Gage and Misty, all students in the Muleshoe Schools, and has a foster son, Curtis Reynolds who is a Captain in the USAF. She was reared on a farm and ranch in Shamrock, Texas. She received a B.S. degree in 1969, from Texas Tech.

In 1983, she returned to Tech to begin work toward her CPA certification-so this office is the culmination of several years' effort on her part. Mrs. Angeley has been associated with the Plainview firm for two and half years-driving from Muleshoe each day.

Having recently completed all the requirements for her certification, she is eager to expand the Williams, Rogers & Co. client base nearer her family and friends. This office will also serve those current clients of Williams, Rogers & Co., Plainview by providing a drop off and pickup point for their tax items.

Don Williams and Jimmy Rogers are the owners of the accounting firm. Don grew up in Muleshoe and attended Muleshoe schools as a youngster. His father, Alex, lived here for many years and was the founder of the first CPA firm in Muleshoe. Don has been in Plainview since 1977.

Rogers is from Plainview. He was associated with Alex and the firm in Muleshoe for several years. He has been in Plainview since 1981. Together they represent thirty-three years of combined experience in the field of accounting. Both serve as strong leaders of the Plainview business community, with Don presently serving as the President of the Plainview Chamber of Commerce. He also currently serves as a member of the Texas Society of Certified Public Accountants State Agricultural Committee. The firm employs 21 people including eight CPAs.

the end of 1991. There are two systems on line at present. One in Hale County as of August 10, 1990, and the other in Terry County as of October 3, 1990. The Hale County system has the ability to lock onto calls by automatic number identification (ANI) which displays the number of the phone from which 9-1-1 was dialed. The Terry County system has the ability to lock onto calls by ANI and automatic location identification (ALI) which displays the telephone number and address of the phone from which 9-1-1 was dialed.

The implementation dates for the other ten 9-1-1 systems in the region are as follows:

Bailey County, October 1991; Cochran County, December 1991; Crosby County, November 1991; Dickens County, December 1991; Floyd/Montley County, August 1991; Garza County, December 1991; Hockley County, July 1991; Lamb County, August 1991; Lynn County, October 1991; and Yoakum County, September 1991.

Due to the reduction in cost of equipment and the 9-1-1 staff at South Plains Association of Governments (SPAG) seeking alternatives for different equipment more suitable for rural areas, Hockley County 9-1-1 Plan has been re-submitted to the 9-1-1 Commission for approval to upgrade their system from ANI to ANI/ALI similar to Terry County.

Citizens of the region need to know that in order to receive 9-1-1 services, the 9-1-1 Commission requires the telephone companies to start collecting an equalization fee of .50 cents per month from each telephone customer, 18-24 months before implementation. This fee is used as a portion of the cost for the 9-1-1 system.

The SPAG staff has developed a grid mapping system for addressing and locating residents in the rural areas. SPAG also had a software program written for use in the 9-1-1 database suitable for rural areas. This software is presently being used with the Hale

County system and will be available to the remainder of the region.

The 9-1-1 Commission is in the process of implementing a rural addressing program. A statewide effort led by the commission will achieve one goal: see addresses assigned in unaddressed areas. The objectives are to identify unaddressed areas and the means to complete the addressing. Consideration will be given to a single addressing standard, Master Street Address Guides (Msag) format use, telephone and utility use, and local government use.

Over the next year, SPAG will continue revising 9-1-1 plans and contracts, seeking the most cost effective systems, and working with city and county governments, along with volunteers of police, fire and medical services, to provide 9-1-1 service for everyone throughout the South Plains Region by the end of 1991.

Windbreak Trees

By: Rodney Duss, S.C.

As a service to the Bailey County area, the Blackwater Valley SWCD is again providing reasonably priced windbreak tree seedlings for wind erosion control. Windbreak trees help to control wind erosion in fields, to provide food and shelter for wildlife, and protect farmsteads. A windbreak can also beautify your home and make it a more pleasant place to live, as well as, help reduce both heating and cooling costs.

This year the Blackwater Valley SWCD will have approximately 24 different tree species for windbreak and wildlife seedlings. Orders for windbreak tree seedlings will be taken until February 28, 1991. However, some species are available in limited quantity and may sell out quickly, so place orders as early as possible.

The trees are seedlings and will need extra care, especially water, during the first year. Supplemental watering is an essential part of successful windbreak planting.

State Collecting

Ag Statistics

Thru November

The Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1990 acreage, yield and production totals and end-of-year livestock and poultry inventories.

"Extreme weather conditions have certainly had an impact on Texas agriculture this year. From the heavy rains and flooding in East Texas last spring to this summer's prolonged hot, dry conditions, weather has been a major factor in Texas production this year. These surveys should help us summarize where the industry stands at the end of 1990," state statistician Dennis Findley explained.

"Information from these confidential surveys conducted by mail, telephone or in person will also help producers make their plans for the coming year.

"Sound production and marketing decisions require good, reliable information and some advanced planning, and our reports provide producers with solid facts and figures they can incorporate into their plans," Findley added.

As always, the Texas service will be trying to keep survey costs at a minimum. Findley is urging producers to return their mailed questionnaires as soon as possible to avoid follow-up contacts.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since one producer represents several other operations of the same type and size. Our estimates can be no better than the numbers producers provide," Findley noted.

Results of the surveys will be published in early 1991. Anyone wanting a copy of the results can write Information Section, Texas Agricultural Statistics Service, P.O. Box 70, Austin, Texas 78767.

Kiwanis News

By R.A. Bradley

Only six more days until Halloween, 28 days until Thanksgiving and guess what, Christmas is closer than we want to think about as 13 Kiwanians, two honorary Kiwanians, Chad Johnson and Jon Keith Turner and Sweetheart, Marsha Wilson and two guest met this beautiful day at La Placita Cafe. Our guests were Betty and Leonard Griswold. A good-good time was enjoyed by all.

Some came Friday morning so they wouldn't get their name in the papers or on the radio. I don't know what they were talking about unless they have been missing Kiwanis.

President, Glen Morris called the meeting to order. Randy Lewis led the club in the pledge to the flag and Robert Montgomery gave the invocation. Glen Morris had the friendship coin and gave it to Robert Montgomery who has been absent some, hoping this would be sure that Robert would be back next Friday.

Glen, the interest on your note just went up.

Jim Lutz introduced our program, Betty Griswold, who is Cub Master of Cub Pack 620. Our Scouting program in Muleshoe is in the George White District and under the South Plains Council. Terry Hutto is Scout Master of Troop 620. Dr. Bruce Purdy is the Webelos leader and Betty Griswold is the Cub Master of Cub Pack 620. The Scouting program in Muleshoe is going real good. This is a big thank you to all of our Scout leaders, Cub Masters, Scout Master, Webelos leader, Den Mothers, Den Chiefs and all of the other volunteers for doing such a good job. Scouting, like all other programs is only as good as its adult leaders. We are very proud of the dedicated people who are in the Scouting program here in Muleshoe.

Betty is very dedicated about the Scouting program. She stated that the Cub Pack 620 had between 83-90 young men involved in scouting, from the Tiger program which is for first graders; Wolf for second graders; Bear for third graders; and Lion and Webelos for fourth and fifth graders. All of this is successful only because of Loving Parents who are willing to work with their young men to help them grow up to be responsible caring citizens.

Scouting is a wonderful program which has a life lasting effect on people. Betty stated that the Cub Scouts pay \$1.00 per week to help pay for supplies and they are about to start selling pop corn to help raise money so they can charter. It will cost over \$800.00 to charter 90 Cubs and their leaders.

The Kiwanis Club helps sponsor the Scouting program.

Betty said the Kiwanis Club had a friendship coin so she passed out a Cub Scout friendship coin to quite a few Kiwanians. The only way they can pass this friendship coin on is come to a Cub Pack meeting which is every fourth Tuesday at 7:30 p.m. at the First Methodist Church.

The Cub Scouts will also soon be passing out Food Bags for a food bank for here in Muleshoe to help the needy. They will pick up those same bags one week later. In January, the Pine Wood Derby and February, the Blue and Gold banquet. So as you can see, the Cub Scouts, their parents and leaders are going to be real busy. Betty again we say thank you for a good program and a Big Big thank you for your love and work with the Cub Scout Pack program.

As always, it was good to see the lovely Sweetheart Marsha Wilson, ready to cheer the Mules on to victory with Floydada tonight. Mules if you guys will work as hard as your cheer leaders you can win many games. Good Luck tonight and as always we are very proud of you and all of our youth. Keep them fired up Marsha! Go Mules!

Lubbock Executives

Jailed To Benefit

Muscular Dystrophy

Several Lubbock area executives will be sentenced to serve time on Halloween, Wednesday, October 31, in an effort to raise funds for the Muscular Dystrophy Association.

This "Spooky" Lock-Up is sponsored by United Supermarkets and Southwest Coca-Cola Bottling Company, Inc. Arrest warrants are currently being issued.

These "Jailbirds" will be taken before an honorary judge at the United Supermarket in Kingsgate Shopping Center, 82 and Quaker Ave., where bail has been set at a minimum \$250.00. The jail will be located in the United Supermarket.

Bail may be raised in advance of incarceration by requesting pledges to MDA prior to the event. Stenocall-Lubbock Radio Paging Service will be providing cellular phones so "Jailbirds" needing help raising their bail can call on friends for last minute pledges.

Each "Jailbird" will be held in custody about an hour. Refreshments will be provided all day with a light lunch for those "behind bars" between 11 a.m. and 1 p.m. The event will run from 9 a.m. to 6 p.m.

To issue an arrest warrant for a boss or friend, or for more details, call MDA at 793-5632.

All funds raised will be used locally, helping children and adults with neuromuscular diseases. MDA provides its patients with FREE medical care as well as provides free vital orthopedic equipment. MDA also funds several local research programs and an annual summer camp for the children.

Report From Larry Combest

U.S. Representative Larry Combest (R-Texas) issued the following statement after voting against the budget proposal Tuesday, Oct. 16.

"Once again, the Congress has played the numbers game in this never-ending Tournament of Budgets. Instead of a lock on spending, Congress has now left the spending gate wide open with the watered-down version passed by the House of Representatives today. I reject this latest attempt at a budget because not only did the package rely on phony spending cuts, it would also burden the people with new and broader tax increases.

"I have never seen such bull-headed stubbornness on the part of the House to meet its constitutional obligation of setting and meeting a budget just like every American family does each month. Like many of my constituents, I am disappointed and frustrated that the Congress refuses to lay politics aside and do what is right for the people. At a time when our country desperately needs leadership, we have gamesmanship and rhetoric.

"Just as I feared, this tax-laden budget package devised by the liberal leadership of the House fails to control spending and increases taxes on a vast majority of working Americans in the 1991 tax year. For example, a young couple with two children making a combined income of \$34,000 will make pay \$313.50 more in income taxes next year. Additionally, a single person making \$21,000 a year will see a five percent increase in 1991.

"This is not deficit reduction, it is business-as-usual on the part of Congress. History shows that tax increases do not result in deficit reductions, they only fuel the fires of Congress to spend more of the taxpayers' hard-earned dollars. It is long-past time to stop the runaway spending cycle.

"A far superior budget proposal I supported was prevented from even being debated on the House floor. The liberal leadership refused to allow an up or down vote on the budget plan that freezes spending and has no new taxes. My constituents agree with a majority of Americans: a freeze on spending is a responsible approach to reducing the deficit. Our budget plan would have frozen spending for domestic programs in three of the next five years, while allowing increases only for

inflation to catch up in the two remaining years. Our plan would have reduced foreign aid by \$10 billion. It would have required that Congress meet its budget deadlines and increase spending only when we have the revenues. Overall, the alternative was fair in sharing the spending reductions, but it is a plan the American people will not even allow to hear debated on the House floor.

"For all this tax-and-spend agony, Americans will not even have the satisfaction of real control over spending increases. There is no 'deal' here, except for a raw deal."

A liberal is always that way with the taxpayers' money.

Clovis, Portales Churches Plan Film, Open House

Clovis and Portales area residents will have the opportunity to take a closer look at The Church of Jesus Christ of Latter-day Saints on Sunday, October 28, when the church premiers a new film and hosts an open house at the Clovis Chapel, on the corner of Manana and Lore Streets, and at the Portales Chapel, at 1930 S. Ave. G.

The new film, entitled "The Prodigal Son," is a modern-day depiction of the wellknown biblical parable of the same name and will be shown at 6:00 and 8:00 p.m., according to Art Jones, lay Bishop of the Prairie View Ward in Clovis.

Bishop Jones said the 30-minute film, which will be transmitted from Salt Lake City via Satellite, has a strong message. "The film portrays

ENMU Jazz

Ensemble Concert

November 5

Eastern New Mexico University, Portales-The Eastern New Mexico University Jazz Ensemble will be performing a variety of music for big band on Monday, November 5 at 8 p.m. in Buchanan Hall of the School of Music. The event is free and open to the general public. The ENMU Jazz Ensemble is under the direction of Mark Hornbacher, Instructor of High Brass at ENMU.

This concert should be quite entertaining for all who attend. Bassist Dave Stewart (who won Albuquerque's "Hot Guitar" competition last summer) will start the program with an original work of his own entitled, *Funky Stew*. From The Buddy Rich library, the band will perform *Mercy, Mercy, Mercy* and *Time Check* which both feature saxophonist Peter Clime, a winner of ENMU's Talent Show this past fall.

As always, there are standards on the program such as Rogers and Hart's *My Romance* featuring Donna Devore on sax, Stephen Sondheim's *Send in the Clowns* featuring Loralyn Louise on the piano and Marvin Moran on trumpet, and George Gershwin's *Strike Up the Band*.

the story of a man who has just returned home after spending months in a rehabilitation center and the reaction of his family to his return. It's a drama that shows how choices affect us and how we can all benefit from accepting the teachings of Jesus Christ."

Following the premier of the film, guests may view displays or attend workshops in the church which feature discussions about families, the purpose of life, Jesus Christ, and the Book of Mormon.

"We want to invite all our neighbors and non-member friends to visit with us at this open house," said Kim B. Puzey, Bishop of the Clovis Ward. "We think the film has a message for everyone, and the open house provides a great opportunity for non-members to see our church in an informal setting."

The Clovis and Portales Open Houses are just one of more than 1,100 open houses taking place the same night in the U.S., Canada, Puerto Rico, Haiti, the West Indies, and the Dominican Republic, said Gary Phaffenberger, the Portales Ward Bishop. For further information, please contact Ray Thacker at 769-0698.

Methodist Hospital

To Conduct Smoke

Stoppers Class

The Centre for Cardiac Rehabilitation and Fitness at Methodist Hospital will sponsor Smoke Stoppers, a nationally endorsed smoking cessation program at 7 p.m. Monday, October 29 in the South-8 classroom.

Smoke Stoppers uses a group program which neutralizes the desire for tobacco. It is a complete behavior management approach to help participants develop new associations toward smoking.

The program consists of eight sessions conducted from 7 p.m. to 9 p.m. The program is divided into three phases:

•Phase I includes a free introductory session. Home assignments are given for the first week. The class does not meet again until the following Monday.

•Phase II meets for four consecutive evenings (Monday through Thursday) and is the core of the program. The actual smoking cessation takes place at this time.

•Phase III provides important information for maintaining cessation. These classes are conducted each Monday for three consecutive weeks.

Graduation ceremonies will take place November 26.

For more information about Smoke Stoppers, contact The Centre at 793-4386.

And then there was the young couple who could live on love.

ENMU Theatre

Department

Presents Rainmaker

Eastern New Mexico University, Portales-The ENMU Department of Theatre and Dance is proud to present the romantic comedy *Rainmaker* from November 1-3 at 8 p.m. nightly in the University Theatre.

Rainmaker takes place in an old fashion western town populated mostly by ranchers. Unfortunately, a drought has struck the town and endangered the cattle in the area. Along comes starbuck, played by Steve Williams of Albuquerque, who claims that he is a rainmaker and can produce rain for only \$100.

Dr. Richard Waite, Professor of Theatre, is very enthusiastic about the play. "If you get right down to it, it's probably my all time favorite show." Dr. Waite has enjoyed directing *Rainmaker* three times previously, once at Eastern in 1973.

Cast members are Carrie Scott Wood, Steve Williams, Mark Holloway, Brian Black, Mike Kreuger, Darren Knight and Cliff Webber.

Tickets can be obtained through the Theatre Box Office. To reserve tickets call 562-2710. Prices are \$5 for General Admission, \$4 for Senior Citizens, \$3 for Pre-College and \$2 for ENMU student with activity stickers.

Pima Cotton Suffers Disappointing Season

year. Pima cotton differs from the upland cotton grown in most areas of the state in that it has a longer fiber, ranging from 1.38 inches to 1.45 inches. Upland cotton fiber generally averages less than one inch in length. Pima cotton also requires a longer and dryer growing season, thus limiting the area in which it can be grown.

Its high priced fiber is used in luxury clothing, bedding, and bath items.

The 1990 Texas crop is estimated at 100,000 bales, down almost 23 percent from last year's crop of 129,000 bales. Arizona leads the nation with about 55-60 percent of the total American pima production. Texas follows with about 20 percent of the production.

The pima cotton season in the Winter Garden of Southwest Texas was disappointing, said Jose Pena of Uvalde, Extension Service economist.

"Yields will average 750-800 pounds per acre, down from about 850-875 pounds per acre last year," Pena said.

"Even though September and October rains were a welcome relief for fall crops, pastures, and rangeland, the moisture had a devastating effect on the cotton harvest," Pena said.

Pima gins in the area were reporting an above average incidence of spindle twist, probably due to harvesting damp bolls, he said. Spindle twist occurs when the fiber twists like a rope instead of being fluffed out.

In Far West Texas, where harvest should begin within the next couple of weeks, hot weather early in the season and late rains also hurt the crop.

Charles Stichler, Extension Service agronomist in Fort Stockton, said the crop would be only "fair" compared to bumper yields last year. He predicts yields of 720-840 pounds per acre in 1990. Last year, yields averaged about 960 pounds per

acre. During June, farmers were not able to keep up with irrigation needs of the crop because of the hot weather. Then, late rains and cool, cloudy, humid weather later in the season set up ideal conditions for a leaf fungus organism which defoliated the crop early, Stichler said.

Buyers are offering price bids of about \$1.19 per pound for grade No. 3 or better but discounting grade No. 4 by about 9.5 cents per pound and grade No. 5 by about 30-40 cents per pound. Grade No. 6 is selling for 50-55 cents per pound, Pena said.

Large quantities of carryover stocks exist in the grades lower than No. 3. As a result, bid prices are expected to widen in the lower grades.

Current prices reflect a healthy jump, however, after hovering around 90 cents per pound for grade No. 3 through July, said Jesse Curlee, president of the Supima Association of America, a marketing group for pima cotton in Phoenix, Ariz.

"We've thought since mid-June that the price had to move up because carryover and production were lower than estimated," he said.

The crop in Arizona has been plagued by insects, high humidity, and extensive cloudy conditions, Curlee said. U.S. Department of Agriculture estimates place Arizona's crop at about 235,000 bales, down by more than 50 percent from 1989 production.

Supima puts its estimate of the nationwide crop at 400,000 bales, down from the USDA estimate of 415,000 bales and lower than last year's crop of 691,000 bales.

The RESPECTED WORD

The bible is a book translated into every known language. It is the word that men have died for, in order that it may be available to all men. It is the textbook for God's people.

The bible, itself, is not worshipped, but is respected, for it is the story of God and his relationship to man. It is man's guide for worship and daily living.

Attend church regularly, study, and seek God's will in your life.

"I wait for the Lord, my soul doth wait, and in his word do I hope."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Halloween Safety Tips For Ghouls & Goblins

Halloween is almost here, and
children everywhere are prepar-
ing for the big night by
searching for scary masks and
spooky outfits. Although having
fun and filling up those trick-or-
treat bags are foremost in their
minds, children need to remem-
ber to follow safe practices.
Parents should keep in mind the
following safety tips provided by
Scott & White Memorial Hos-
pital in Temple:

- Make costumes short enough so the child won't trip when going up and down stairs.
- Use white colors or big patches of white on the costume to ensure good visibility.
- Use fire-retardant fabric for the costumes or treat the material with a chemical fire-retardant.
- When making masks or hoods, cut out holes in them that are large enough to assure easy breathing and good vision. Using makeup or face paints instead of masks is an even better idea.
- If face paints are used, make sure that they are designed specifically for this purpose, they are non-poisonous and that the paint can be washed off easily.
- When lighting Jack O'lan-

terns, use small flashlights--not
candles--in order to prevent
fires.

- Have an adult accompany the children while they are trick or treating.
- Trick or treating should be done before dark, especially if you have young children. Set a curfew for the older children and enforce it.
- Instruct the children to stay in their own neighborhood and to call on only people they know and trust.
- Give each child a flashlight and remind him or her not to shine it into anyone's eyes, especially someone driving an automobile.
- To prevent falls, remind children to use sidewalks instead of cutting across yards and vacant lots.
- If your child gets sick, try to find out exactly what he or she ate and where it came from. Call your doctor immediately or contact the Scott & White Poison Control Center at (817) 774-2005.

BRIEFS

House votes to speed
executions.
Two Germans end 45
years of division.
Ad limits on children's
shows approved.
Space shuttle Discov-
ery successfully launched.

B.J. CROWLEY'S HOROSCOPE

Week of Oct. 29, 1990
SCORPIO--Oct. 23 to
Nov. 22--Change for
the better is indicated.
The time is right for
changing vocations.
SAGITTARIUS--Nov.
23 to Dec. 21--Obsta-
cles may be expected.
You are made of stern
stuff with stronger than
average character.
CAPRICORN--Dec.
22 to Jan. 19--Art, mu-
sic, poetry give you an
uplift this week. Enjoy
the enchantment.
AQUARIUS--Jan. 20
to Feb. 18--Protect your
interest with a realistic
approach. Dreaming
won't make it so hard.
PISCES--Feb. 19 to
March 20--Competition
is keen, but you must
not let it sway you.
You succeed because
you do a better job.
ARIES--March 21 to
April 20--Those around
you admire your spunk.
You continue to achieve
the impossible.
TAURUS--April 21 to
May 20--Avoid those
with whom you share a
mutual dislike. Your
time will be better
spent with those you
enjoy.
GEMINI--May 21 to
June 20--Be understand-
ing with youngsters.
The most effective
method is to explain
rather than scold.
CANCER--June 21 to
July 22--Take a humor-
ous approach to disap-
pointment if at all pos-
sible. Try to realize
that things are never as
bad as they seem.
LEO--July 23 to Aug.
22--Be certain you are
not too demanding with
those you love. Let up
a little and show more
love.
VIRGO--Aug. 23 to
Sept. 22--A perfect time
two work out your
problems satisfactorily.
Decisions made now
should be the right
ones.
LIBRA--Sept. 23 to
Oct. 22--Start saving for
that special vacation
you want to take next
summer. Begin making
plans.
