# 1980 All-Stars Announced

The Rising Star Little League finished up its regular season play last Thursday night. The A's defeated the Chiefs by a score of 10 This put the Chiefs and Astros tied at 4 wins and 2 loses.

A day-off game was held Tuesday night at 8:00pm. for the championship. The Chiefs were victorious with a score of 21-3.

The Chiefs took first place honors with a record of 5-2. They were coached by James and Tim Evans. They were followed closely by: Astros-4 wins and 3 loses,

A's-3 wins and 3 loses. Rangers-1 win and 5

In the girls little league, the Gypsies recorded the most wins with a 3-1 record. Daddy's Dolls had a 1-3 season record.

The Rising Star Little League Association would like to thank the following sponsors who helped contribute towards uniforms, caps, equipment, umpires, lights, trophies and anything else that

was needed. These included: First State Bank, Medley Motor Company, White's Pit Bar-B-Que, Bramlett Implement Inc., Kash and Karry in May, Bibby's Creations, Rising Star Nursing Center, J

Quik Stop. Thanks to the Little League Association members and to all the folks at May who

Star Clinic and the

helped this year. A special thanks to Lynda Ford and her dedicated workers in the concession stand.

They were on hand

every night for the games with cold drinks and lots of delicious food to eat.

To Debbie Green, Kathy Hall and Barbara Long for keeping the books and Debbie White for announcing.

Don't forget Gerald Jones and Travis Ford who helped mow and to all the other many parents, grandparents and friends who helped make this season run so smooth.

The All-Stars will be participating in several tournaments, so don't miss this.

The city of Rising Star, like most small towns, does not have the financial capability to provide its citizens with all of the services. that people enjoy in larger cities. One of these has been a qualified professional ambulance service. The cost of maintaining an ambulance and a twenty four hour staff would be stagger-

Rising Star citizens have one of the oldest average ages in the state. We are also thirty-five miles from a hospital. This puts us in a difficult position, but now we have a chance to better our emergency medical situation. The city of Rising Star has purchased an ambulance. We have the core of an organization formed to operate it on a voluntary basis. During this past winter Ranger Junior College sponsored an Emergency Care Attendant class here in Rising Star. We have seven people who graduated and were certified by the Texas

as Emergency Care Attendants (ECA's). Dr. Carpenter has agreed to help and work with us. Our ambulance is almost ready to be inspected by the Dept. of Health for certification. This all sounds fine, but we still have a definite problem. Ten or twelve people cannot operate this ambulance! We must have more HELP--we cannot I have heard that allow this effort to fade out as I have seen other good efforts fade.

> A driver, an attendant, and an ECA must be available at all times--twenty-four hours a day, seven days a week. We desperately need people who can work during the day. Cross Plains, which has such an ambulance service. has several housewives that work during the day. If you do not think working the ambulance would suit you, then help us in other ways. HELP in keeping the ambulance supplied maintained---JUST HELP!!!

#### **Pioneer News** Mrs. A.C. Halsell

How true it is, "You Can't Go Home Again", as contended by a contemporary writer in his book by that name, but we continue to do the next best thing; have family reunions. So it was on Sunday, June 29, when the descendents of the late H.F. and Lou Falls, met in the Civic Center, in Cleburne. The day was full but short, too short. With such a limited time to meet, greet, and share stories of the events of the year, little else could be done.

The early comers spent most of the morning watching for and greeting those who had farther to come. The hot weather, "Energy Crisis" and the busyness of people in general did not hinder most of the family from coming. By noon lunch was spread and after A.C. Halsell gave thanks and asked blessings upon those present and those absent all partook of the

food. There was no formal business meeting but it generally understood that the same Civic Center would be the place of meeting next year.

Mr. and Mrs. J.D. Hutton's nine year old daughter, Tabitha Rene', brought honors from the 4-H Fashion Revue last Thursday.

Miss Hutton wore a refreshing pale yellow sundress she had rasnioned of a polyester and cotton blend for easy care and comfort. The bell style dress swing from spaghetti ties at the shoulder and spread to a flowing self-fabric ruffle at the hem. The double dotted-swiss was sprinkled with minature sprays of in-tense yellow and gold

roses with lime leaves. The feminine ensemble was completed by a purse she had created of pale yellow polyster knit and white eyelet. She wore natural leather sandles.

Tabitha received a ribbon on her dress and a blue for her purse.

The Eastland County 4-H Fashion Revue was held June 26 in the Eastland High School Auditorium.

WHAT SAITH THE SCRIPTURES? Jon N. Bailey

QUESTION: Is abortion wrong in the sight of God?

ANSWER: While abortion is not mentioned specifically by name in either testament, there are numerous divine principles that speak to this issue. notice some of them.

Life is a gift from God. "He giveth life and breath to all things." (Acts 17:25). As creator and sustainer of life, God alone has the right to take man's life (Gen.50:15-19). Only human life is made "in

the image of God" (GEN.1:26). Thus, human life is elevated to a plane above all other forms of earthly life. This declares that man shares kinship with God. A degree of sacred in violateness flows from that relationship. Man has always been forbidden the right to kill his fellow human because of this "image of God." The penalty for thus killing an innocent neighbor was death. (Gen.9:6).

Christ taught the value of human life. First century society had little respect for life. In the Roman Empire, sixty million souls lived in debasing slavery. Thousands to the flocked gladitorial games to watch men fight each

other to death for entertainment. Frenzied mobs demanded more brutality and bloodshed. Infants being the property of the father were commonly killed or abandoned at birth. Abortion was wide-spread.

To this society Jesus taught the sacredness of human life. he showed that God so loved all the inhabitants of the earth, that he gave the best of heaven to save them (John 3:16). he commanded that every creature in the world have opportunity to hear the gospel and be saved (Mk. 16:15-16). Little children were precious unto him and he rebuked those who tried to turn them away (Matt. 19:14).

No distinction is made in the Scriptures between babies in the womb and those born. The word brephos used to describe the baby in Elizabeth's womb is used interchangeably

for both for both prenatal and postnatal babies (Lk.1:41). It means "an unborn child, embryo, fetus; a newborn child, an infant, a babe" Thayer's Greek English lexicon, P. 105. Christians who question this should ask themselves, was it the Christ-child in Mary's womb or a lifeless blob of fetal

tissue?

God's Word still teaches "thou shalt not kill" (Ex. 20:13; Rom. 13:9). The Hebrew literally reads, thou shalt do no murder. The deliberate taking of human life without provocation or just cause is murder. Abortion intentionally kills a human life. The abortion victim is totally innocent, having done no wrong towards the mother, her doctor or society. There is often a selfish motive in abortions, for the interests of others are placed above those of the baby. The conclusion of moral guilt is inescapable.

Christ's golden rule tells us, "All things therefore whatsoever ye would that men should do unto you, even so do ye also unto them" (Matt. 7:12). This rule applied would close all abortion clinics. Would the mother want to be killed by dismemberment such as the D and C (dilation and curettage) abortion procedure? Would the abortionist doctor want a corrosive poured over his body and forced into his lungs and stomach and then be left to convulse for hours till death? This is the baby's fate in the salt-poisoning abortion. Is there a nurse who attends in abortions who would want to be ripped apart by a powerful suction machine? By the time early abortions are (8-12 performed weeks), the baby has his entire organ system in place and

has sense of pain. Abortion is a very controversial subject. We must seek to know what the will of God is concerning it. Other articles dealing with different aspects of this serious problem will appear in the future. If you would like free literature on this subject, please call or write today.

The first step in reconciliation to God is the conviction of sin...."By the law is the knowledge of sin" (Rom.3:20). In order to see his guilt, the sinner must test his character by God's great standard of righteousness. It is a mirrow which shows the perfection of a righteous character and enables him to discern the defects of his own. The law reveals to man his sin..... It declares that death is the portion of the transgressor. The gospel of Christ alone can free him fromthe condemnation or the defilement of sin. he must exercise repentance toward God, whose law has been transgressed; and faith in Christ, his atoning sacrifice....

In the new birth the heart is brought into harmony with God, as it is brought into accord with His law. When this mighty change has taken place in the sinner, he has passed from death unto life, from sin unto holiness, from transgression and rebellion to obedience and loyal-

The followers of Christ are to become like Him-by the grace of God to form characters in harmony with the principles of His holy law. This is Bible sanctification. E.G. White

#### COMMENTARY By Myrtle Owen

And He had a name written, that no man knew, but He Himself. And He was clothed with a vesture dipped in blood: and His name is called The Word of God. And the armies which were in heaven follwed Him upon white horses, clothed in fine linen, white and clean. And out of His mouth goeth a sharp sword, that with it He should smite the nations: And He shall rule them with a rod of iron: and He treadeth the winepress of the fierceness and wrath of Almighty God. And He hath on His vesture and on His thigh a name writtin, KING of KINGS, AND LORD mies following Him in verse 15 are composed of the believers who were removed before the Tribulation hour in chapter 4. billions, trillions, quadrillions, quintillions, they just said "ten thousands" to express an innumerable multitude. Actually, then God is depicting the millions in glory through death and the Rapture who are returning with the King for His millennial reign. In case someone objects to these teachings on the ground that the words "rapture" and "revelation" are nonscriptural terms, may I immediately state that they are but descriptive terms to portray the experiences they picture. The words "rapture" comes from the Latin word "rapio" and means "a snatching away." Surely every Bible-lover knows that "snatching away" is taught in I Corinthians 15:51, 52: "Behold I shew you a mystery; We shall not all sleep, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incor-

Now, since "rapio" translated from Latin to English is "rapture" means "snatching away," and since we are told by God that we shall be snatched away in the twinkling of an eye, what could possibly be wrong with calling it the Rapture? Then, seven years later, Christ returns to earth and every eye sees Him.

Summertime vacations and visiting grandchildren provide excellent opportunities for having creative play materials available at home. Finger painting is creative play and a challenge to the artistic abilities of young children. You can successfully make homemade finger paints by the following

# **Lights From The** Christian World By Josephone Cleveland

From 1900 to the 1970's we had fourteen major hurricanes in the United States. The center of a hurricane is a calm area. It has little wind or cloudiness. The fury of the hurricane begins at the edge of the "eve" or calm area. Towering cloud masses produce heavy rains. Strong winds build up huge waves. The winds also drive the water before them.

A hurricane is a region of low air pressure. The pressure drops slowly in the outer region of the storm and the pressure drops more rapidly toward the center.

Does not our life at times compare to some of the characteristics of a hurricane? You need not let the devil put a wedge in your spirit. Even as the center of a hurricane is a calm area, so you can have a center of calm when the storm reaches vast proportions in severe mouth injuries.

your life. The secret is

abiding in Him. Do not lose faith. The devil is not after what you do but what you are. If you do not have frustrations you are as dead. Struggles are a sign of life. God knows your struggles. Having done all to combat the hurricane in your life....Then stand.

Friend, when the storms come "do" and "rest." Yes, you can do both at the same time. Remember, the fury of the hurricane begins at the edge of the "eye" or calm area. As God's child you have a center where the pressures you encounter cannot reach. God expects us to move boldly and courageously ahead. Dare to take risks and know that He will help you. Rest in confidence knowing that God will give you the strength to conquer whatever the devil

places in your pathway.

FM2945, old U.S. Highway 80, three miles west of Cisco. The accident occurred at 9:55 a.m. at the top of a hill, according to DPS Trooper Boyd Hering.
