Eastland Will Be Host April 12 to Conference of First District P-TA

Eastland will be host Thursday, April 12, to the 51st annual conference of the First District Congress of Parents and Teachers. Registration will be from 8:30 a.m. to 12 noon in the Eastland high school with general assembly in the auditorium at 10 a.m.

"It is our hope that all officers and interested members of P-TA in the district will attend," Mrs. Marcus O'Dell, Eastland club president, said. Mrs. Horace Horton is Eastland conference chairman and Mrs. J. T. Gregory co-chairman.

Included in the district are 16 counties. They are Shackelford, Stephens, Palo Pinto, Parker, Tarrant, Somervell, Johnson, Hood, Erath, Callahan, Coleman, Brown, Comanche, Hamilton, Mills, and Eastland.

Mrs. Stanley Statch of Fort Worth, president of District One, will preside throughout the day.

Mrs. S. L. Canterbury, Jr., of Kilgore, vice president of the Texas Congress of Parents and Teachers, will be guest speaker. With a background of 22 years of P-TA work, Mrs. Canterbury will speak at 11:15 on "Objects

and Policies of State Program." Mrs. H. D. Maxwell of Rockdale, parliamentarian of the Texas Congress of Parents and Teachers, will attend the meeting.

"Keys to Effective Learning through Home, School, Church, and Community," the theme of the conference, will be presented by the Olden P-TA.

A luncheon honoring life members, an afternoon of workshops for P-TA officers, and a second general assembly will compose the day's program.

Reservations for the luncheon should be made with Mrs. O'Dell by Monday, April 9. Cost of the meal will be \$1.35.

Mrs. Roger Souder of Fort Worth, Area 2, District 1, vice president, is chairman of registration. Mrs. R. R. Ware of Arlington is chairman of rules.

Mrs. Robert Haltom of Fort Worth will be in charge of the six workshops. Her assistant chairmen are Mrs. E. C. Johnson of Dublin and Mrs. Thomas Zagorski of Brownwood.

The two-hour workshops will be on the officer level with discussion, followed by a question

and answer period. The purpose is to provide an opportunity for present and incoming officers to acquaint themselves with the work of their office.

Leaders of the workshops will be for Workshop No. 1: Presidents, Mrs. Carey Snyder of Fort Worth; Recording Secretary, Mrs. Fred Parker of Fort Worth; Parliamentarians, Mrs. H. W. Herweck of Ranger; Goals Chairmen, Mrs. J. D. Johnson of Ranger.

Workshop No. 2 — Program Chairmen, Mrs. Lee R. Erwin of Fort Worth; Parent Education and Study Course Chairmen, Mrs. J. H. Grider of Fort Worth; Legislation and Citizenship chairmen, Mrs. Carl Horn of Aledo; Character and Spiritual Education Chairmen, Mrs. A. O. Gilbertson of Dublin; Cultural Arts Chairmen, Mrs. Virgil Clynch of Arlington.

Workshop No. 3 — Membership Chairmen, Mrs. A. E. Unruh of Fort Worth; Hospitality and Refreshment Chairmen, Mrs. St. Clair Newborn of Fort Worth; P.T.A. Representatives, Mrs. Morris Southall of Brownwood; Yearbook Chairmen, Mrs. H. L. Wendorf, Jr., of Fort Worth.

Workshop No. 4 — Treasurers, Mrs. S. E. Riggs, Jr., of Fort Worth; Budget and Finance Chairmen, Mrs. W. W. Robbins of Goldthwaite; Project Chairmen, Mrs. Sam Hawes of Mineral Wells.

Workshop No. 5 — Historians, Mrs. Willard Thomas of Weatherford; Publicity Chairmen, Mrs. Gorman Jones of Weatherford; Publicity Record Book Chairmen, Mrs. Herman Carr of Weatherford; Corresponding Secretaries, Mrs. Frank Sayre of Eastland.

Workshop No. 6 — Publications, Mrs. R. R. Ware of Arlington; Student Aid Chairmen, Mrs. George Brand of Cleburne; Civil Defense and Safety Chairmen, Mrs. W. T. Dunaway of Mineral Wells; Nursery Chairmen, Mrs. John Lambert of Fort Worth; Health Chairmen, Mrs. J. B. Arthur of Eastland.

Awards will be presented and reports on workshops given at the second general assembly, convening at 4:15. Invitations for the Conference in 1963 and 1964 will be received.

Boy Scouts To Present Second Annual Circus

Its Circus time. Hundreds of Cub Scouts, Explorers and Leaders will stage the second annual Boy Scout Circus April 14 in Brownwood at Lion Stadium beginning at 7:30 p.m.

"The circus is a six ring scouting spectacular, a fast moving show with fun for everyone. It is open to the public and the boys need the support and attendance of the citizenry," according to Manley Pebb, general chairman.

The circus begins with the grand entry of participants and flags followed by events including games, first aid, camping, novelty stunt, sky adventure, skills, communication, action skit, pioneering, Indian Lore and closes with an impressive awards ceremony and scene depicting a Cub Scout, Boy Scout, Explorer and Leader around the camp fire. The clowns will be there filling in between acts.

The Howard Payne College band will provide music during the two hour show and is being directed by Donald Goss.

Rehearsal will be at 3 p.m. April 14 at the stadium with all participants present. A hot dog supper will be given all Cub Scouts, Boy Scouts, Explorers and Leaders after the rehearsal.

"Tickets may be secured through any member of the Scouting movement. All monies derived from sale of tickets will be used by Cub Packs, Scout Troops and Explorer Units for activities or equipment and will also assist in making improvements at Camp Billy Gibbons. Each boy member selling his quota of tickets will earn an attractive quota buster emblem. Quota for sales per boy member living out of Brown County is five tickets with ten tickets as quota for Brown County members," stated Herman Thompson, chairman of ticket sales. Al King is chairman of participation.

William J. Porter was taken to Veterans Hospital, Temple, by Higginbotham ambulance Monday.

TEXAS' Betty Crocker Home-maker of Tomorrow is Dee Anne Dyke of Alpine high school, Alpine. She will receive a \$1,500 scholarship from General Mills for gaining the highest score in the state in a written home-making examination.

Receives Infantry Training At Chaffee

Fort Chaffee, Ark. (AHTNC) — Army Pvt. Clarence R. Chambers, son of Mrs. Orietta J. Chambers, Route 1, May, Tex., is receiving eight weeks of advanced individual infantry training with the 100th Division at Fort Chaffee, Ark. The training is scheduled to end April 20. Chambers is being trained in the handling and firing of light and heavy infantry weapons, combat tactics and other general military subjects. The 18-year-old soldier attended Rising Star High School.

Properly Used Pasture

Jim Phillips is shown here in a pasture that has been properly used. Mr. Phillips said that supplemental feed needs of his livestock have been decreased by good pastures.

Proper Use Of Range Permits Normal Growth of Important Pasture Grasses

By Hubert Copelan
Proper range use means grazing the vegetation correctly or using the grass in a way that normal growth of important grasses is not halted. It benefits range by providing litter and cover and permits desirable plants to be maintained or increased.

Proper use is attained when only a part of the current growth of the range vegetation is taken. Soil Conservation technicians have found that for most plants approximately one-half of the current growth can be grazed. This means leaving a stubble height on short grasses such as buffalo and curly mesquite of one and one-half to two inches. Taller grasses like little bluestem and Indiangrass should be grazed no shorter than five to seven inches. Properly grazed short grasses will produce approximately 1000 to 1200 pounds of usable forage per acre in a year while the taller grasses will produce 2500 to 3000 pounds of usable forage per acre.

Using the taller deep-rooted grasses correctly encourages their spread and thereby increases total forage production on the rangeland. The ungrazed grass is not wasted but is needed to provide leaves for the plant to manufacture food and stay in a healthy condition. It also furnishes cover and litter to protect the soil. This cover prevents excessive runoff and soil erosion. It increases water intake and causes a better use of the water

by regulating soil temperature, reducing evaporation and adding organic matter to the soil. Timely reduction of livestock is usually needed to get proper use. When dry spells occur the number of livestock need to be cut down before the grasses are grazed too short. If this is not done there will not be enough cover to make good use of the water when the rains come.

Union Center Club Has Community Night

The Union Center Club met Tuesday, March 27, for its regular meeting and completed two quilts before noon. Stew was made by some of the women and served with pie and coffee to a large group. After lunch the club held its quarterly gift drawing and some very nice gifts were exchanged.

Fifteen members were present as follows: Miss Vera McBeth, Mmes. Della Reed, Daisy Perkins, Maud Hill, Tressie Vandivere, Ellie Scott, Ada Wright, Love Crowell, Tommy Heairren, Linney Knox, Josie Trantham, Nell Sage, Mildred Maples, Lila Ham, and Earline Burkhauler.

Tuesday night was community night at the club house when between 35 and 40 people enjoyed forty-two and dominoes. Refreshments were served by the women. Mr. and Mrs. Lee White of Rising Star were guests. Community night is a monthly event.

Gibbens Sets 10 Point Program As Legislator Goal

Wayne Gibbens, State Representative and Democrat from Stephens County, today issued his formal statement of candidacy for a second term to the Texas House of Representatives from the newly created 63rd Legislative District, composed of Callahan, Eastland, Palo Pinto, Shackelford and Stephens Counties.

Prior to election to the House in 1960 Gibbens obtained his B. A. Degree in government from Texas Tech in Lubbock, where he was a nationally recognized scholar and leader. He is also a graduate of Breckenridge High School and has attended the University of Texas Law School. Rep. Gibbens is a member of the Lions Club, the Chamber of Commerce, and is quite active in all civic affairs. Gibbens is an active member of the First Baptist Church of Breckenridge where he has taught a high school boys' Sunday School Class.

Gibbens prefaced his announcement with a statement that he would seek office on the merits of his past record of performance and his positive program of progress for Texas. Gibbens said, "I shall conduct a hard, vigorous campaign, but will not resort to smear tactics."

Gibbens proposed a 10 point program for the new 63rd District and Texas:

- Program**
- (1) Revision of the state Sales Tax to remove all the inequities and to lower the cost of administration and remove the burdens of collection.
 - (2) Enactment of Small Loan Legislation to rid Texas of the name, "Loan Shark State."
 - (3) Legislation to implement and aid law enforcement in Texas including, for example, a juvenile parole system to aid local authorities in the rehabilitation of juvenile delinquents.
 - (4) Water conservation measures to develop the water resources of our area and passage of a stringent, but uniform, water pollution law.
 - (5) Protection of every Texan's guarantee to the right to choose his job and where he works, by fighting the proposed repeal of our Texas Right to Work Law. The Labor lobbyists who are supporting my opponent have made this their NUMBER ONE PROJECT.
 - (6) Unemployment compensation legislation to better provide for those families whose breadwinners are honestly out of work, by slashing from this program all those who are too lazy to work and who will not accept a job when made available.
 - (7) Equal rights for women by removing those gross inequities placed in the law years ago.
 - (8) Economy measures such as the one that Gibbens co-sponsored during the last session of the Legislature which would have saved Texas taxpayers \$26,000,000.00 by eliminating waste, extravagance and duplication in our too-many bureaus and agencies.
 - (9) Continued support of a school program which will give to the youth of our state the best education opportunity available in our nation, with particular attention to junior colleges.
 - (10) Continued legislative attention to the needs and problems of our senior citizens and particular attention to our state hospital program, so as to provide for the blind and handicapped.

In addition to the above, Gibbens stated that if re-elected he would not introduce or pass any controversial game or wildlife bills for any county without providing for a local vote of the people in the county. Gibbens concluded his formal statement by saying, "I believe that the best government is that government which governs least."

"I will sincerely appreciate your vote and influence in my race for a second term as your representative, and I will endeavor to carry out my platform and give the people of my district the best government possible with the least amount of state and federal control and intervention."

Baptist Training Union Sponsors Youth Meet

The Training Union of the Cisco Baptist Association is sponsoring a special meeting this week for the Baptist youth of this area, Saturday night, April 7, at 7:15 p.m. in the First Baptist Church of Cisco. An attendance goal of 275 has been set and each church has a goal which they will try to reach. The speaker for the service will be Harry Bradley of Hardin-Simmons University.

Mr. and Mrs. Minter Hardin are rebuilding and redecorating their home on North Anderson Street.

Mrs. Jack Hubbard Is President of P-TA

Mrs. Jack Hubbard was elected president of the Rising Star P-TA at a recent meeting. The meeting was held in the Home-making building and was followed by a recreation program. Other officers elected are Mrs. Buddy Cook, vice-president; Mrs. Kenneth Bibbs, secretary; Mrs. Ollie Burns, treasurer, and Mrs. Allen Dean Schmitt, reporter.

Following the business meeting the group played dominoes and "42", canasta and bridge. Sixty-two people registered and each paid a fee of 50c. The sum of \$38 was realized for the P-TA treasury. Pie and coffee were served.

Mr. and Mrs. R. H. Duke and son, Danny, of Burnet, Texas, were week end guests of her parents, Mr. and Mrs. C. F. Carroll.

YOUR CREED — A SOURCE OF STRENGTH

Most young people discover that their teenage years are not all fun and happiness; instead, they are often unhappy. This is because of the many problems and situations faced by teenagers. Many times they are confused by the different ways they can turn, not knowing which is right and which is wrong; for instance, they may be confronted with whether to go along with the crowd and "take just one drink" or be a so-called "square" and not drink. In the case of the former, the results are often disastrous.

When this happens, a young person needs to have his own convictions, which he has made and knows for sure are right; then, he must abide by them. To live by these convictions is very important. What good would they be to anyone if they were not put to use? They would simply be words or sentences with no value or meaning at all.

Do not worry about being called a square or chicken; in the long run you will be respected for it. You may even set an example, which will inspire others who were waiting for someone to take the lead.

There is an old saying which says, "The mind is strong, but the flesh is weak." In other words, your mind and spirit want to do good, but you are afraid of the physical consequences that will be put upon you. Here is where you need help and strength from someone besides an earthly source.

You have probably heard or sung the hymn, "I Would Be True", and maybe it is just another song to you; however, I think it could be a creed by which all of us — not only young people, but adults, too — could

live. Read it carefully, absorbing each word.
 "I would be true, for there are those who trust me;
 I would be pure, for there are those who care;
 I would be strong, for there is much to suffer;
 I would be brave, for there is much to dare.
 I would be friend of all — the foe, the friendless;
 I would be giving, and forget the gift;
 I would be humble, for I know my weakness;
 I would look up, and laugh, and love, and lift.

THE CREAM OF THE CROP

The Seniors are busy reading over our play; we are going to have tryouts soon.

In English we are studying the diagramming of verbals — right, Mary Jo??

Oh, yes! I must not forget to mention — We have two new students; their description are: tall, well-built, very handsome, and the most beautiful black hair; night handsome. Butter, and loverboy Cox!!!

Rising Star has really been buzzing since the skating rink has been here. We truly have some talented skaters in our class; right, Sherry, Wanda, Mary, and Lynda E.?

I want to make it public before any rumors get around that Joan, one of our Senior girls was kidnapped the other night. Joan, I hear your new pass words are, "Help! Help!"

If any of you good citizens in passing by our school see many people with eye-shades on, just remember this is not Hollywood, and the shades are just a passing fad. Right, Skip??

There is a certain Senior girl that just persists in visiting oil rigs. She likes to watch them

work. If you know who you are, Senior girl, would you give me more details??

There is also a certain Senior boy who is very good in track and he wins lots of medals; but he keeps giving them to a certain Freshman girl! Can you figure that one out.

By, By, Kay Walker

JUNIOR NEWS

Hi there,

Time-out from our usual night of drudgery to bring you up on what's cookin' with the Juniors; mostly trouble, I'll grant you. Donnie and Cynthia have been watching too much TV; they've tuned composers on us; but girls, music and homemaking are not a good combination. Mack has done custodian on us; you have to follow directions, though. Vendell found that cheating never pays, especially if the teachers are around. Phil and Mary may be two of our upcoming volleyball players; but if they continually are in the — well, anyway, they won't get much practicing done.

Oh, we do a little serious work, too — as studying verbs, working the questions at the end of our American History chapters, planning meals in Home-making, and discussing movies, oops — I'm afraid that's in the wrong category!

Congratulations you volleyball girls, on winning District!

That's it for this week. Bye for now, Katy

UPWARD AND ONWARD

We spent part of last week filling out our registration for next year.

April 3rd, there will be a junior high track meet; do support the Kittens like we have our Wildcats!

Last week we had a tennis meet with Rising Star doing very well.

We are all beginning to realize that this school year is "drawing to a close" and fast; right now we are studying for our six weeks' tests — only one more period to follow.

Wonder just why Harvey and Randy are always missing a day — just ever so often!!

Our "annual copy" is all in and we are especially proud of the work that Sharon, our Soph., has put in on it — hours and hours.

I am hearing that the sophomore girls are verra, verra versatile!!!! Figure that one out!!!

Transfer Students In Rising Star High School

These high school students transferred here from other schools during the current school year. They are, girls, front row, left to right — Harriett Schmitt, daughter of Dr. and Mrs. Allen Schmitt from St. Jo; Deana Jones, daughter of Mrs. Margaret Jones from Lovington, N. M.; Judy Rutherford, daughter of Mr. and Mrs. James Rutherford from Robstown; second row — Linda Clark, daughter of Mr. and Mrs. W. J.

Clark from Denton; Laverne Gray, daughter of Mr. and Mrs. Jim Gray from Early, and Virginia Clark, daughter of Mr. and Mrs. W. J. Clark; boys, left to right — Richard Green, son of Marvin Green from Stamford; Ronald Bond, son of L. D. Bond from Pampa; Bill Clark, son of Mr. and Mrs. W. J. Clark, and Lloyd Wright, son of Mr. and Mrs. Leonard Wright from Wink.

FISH BAIT

The end of this school year is not too far off, Fish. We Freshmen will have some exciting things to remember about our first year in high school. The year is not over, though, so keep working.

We want to congratulate Jay Lee Ware on placing seventh among the land judgers at Abilene Christian College last week. You other Freshmen that attended did some nice work, also.

We all enjoyed the tennis matches last week; we have some promising players this year. The Algebra I class was especially pleased to be able to attend after the work that was required of us the day before; don't you all agree?

The Ag. boys are taking lessons in being monkeys; actually they are learning to prune trees.

Several of the Freshmen attended the Eastland Fat Stock Show. Various ones won points and ribbons; the boys have raised some very good stock this year.

We want to thank all of you who helped the Freshman class by buying a cake or pie at our bake sale. We appreciate the help all of you have given us.

Until next week — Charlene

WITH THE FHA

The FHA girls are accomplishing whatever they are trying to achieve.

The III year girls are making many fancy little goodies. They are doing fine with the meals they prepare and serve.

The II year girls are also preparing meals and individual foods. We have been learning to bake chiffon cakes; also, we have been braising, pan and oven broiling meats.

Our Freshmen are on their last few stitches of either half or their entire garment. The Sophomores have examined them and most of us wish we could

have done as well when we were Freshmen.

Sherry J. — The dress you made is very pretty! We enjoyed seeing you wear it.

MARIA GEYE

On June 14, 1944, a cry rang out in Bisbee, Arizona, that was heard clear to Rising Star. A baby girl was born to Mr. and Mrs. H. L. Geye. They named the baby Francis Maria Geye. She later became known as Maria.

Maria began her first year of school at Rising Star, where she has remained and will graduate in May of 1962.

Maria has been a very active and popular student around Rising Star High School. She was a member of the band for six years of which she was elected majorette her Junior year and drum major her Senior year. She has also been a member of the stage band for two years. Maria has been active in all kinds of sports such as basketball and volleyball for three years. She was also an active member of the FHA for three years. She had a leading part in the Junior play "Angel Brats". Her Senior year Maria was elected secretary of her class, a member of the "La Estrellita" staff, co-editor of the "Wildcat Tales", band sweetheart, and Most Popular Girl. She also received an award for being the only one in the Senior class to sell over \$100.00 of magazines.

Maria's hobbies are bowling, playing tennis, playing the piano, listening to the radio and skating. Her favorite pastime is writing letters to her fiancé. Maria's favorite TV programs are "Thriller" and "Dr. Kildare." Her favorite actor and actress are Elizabeth Taylor and the late Clark Gable. The best movie she has seen is "Gone With the Wind." Her favorite song is "I Can't Help Falling in Love With You" by Elvis Presley.

Her favorite colors are blue and red. Now for the best part of life — eating — she likes bar-b-que'd broiled steak, French-fried potatoes, and pecan pie.

As for the future, let us begin like this: On December 23, 1961, Maria became engaged to Robert Cook of May, Texas. After she attends a fifteen month business course at Draughon's Business College in Abilene, Texas, she plans to become Mrs. Robert Cook.

Maria has been a very popular student with everyone who knows her. She has a wonderful personality that all appreciate. We want to wish her the very best of luck!!!

LOUISE FRALEY

On June 17, 1944, a cry rang out that was heard all over the Medical Arts Hospital at Brownwood, Texas. A baby girl was born to Mr. and Mrs. Joe Fraley. They named the baby Edna Louise Fraley. She later became known as Louise.

Louise began her first year of school at Ranger, Texas, where she attended until her third year. She then moved to Rising Star, where she has remained and will graduate in May of 1962.

While being in high school, Louise has been an active mem-

ber of the Future Homemakers of America.

As for her favorite pastimes, Louise likes to listen to records, read, play volleyball, and go to the movies. Her favorite TV program is "Thriller" and "Dr. Kildare." Her favorite actor and actress are Rock Hudson and Sandra Dee. The best movie she has seen is "Gone With the Wind." Louise's favorite colors are turquoise and orchid (but not together). Now for the best part of life — she loves to eat fried chicken, broccoli, congealed salad, and pecan pie. Let's watch that hour glass figure — Louise!!

As for the future, Louise plans to attend Draughon's Business School at Abilene.

Louise has been a very outstanding student here at Rising Star High School because of her friendliness and personality — Good Luck, Louise, in what your future may hold!!!

Texas Press Ass'n Sponsors Contest For Scholarship

Midland, Texas. — Sixth annual scholarship contest of the West Texas Press Association is underway. High school seniors who plan to go into newspaper journalism may compete for the \$600 scholarship. Deadline for entry is May 1.

All applications are to be sent to the scholarship chairman, James N. Allison, Jr., The Reporter-Telegram, Midland. Announcement of the winner will be made by May 25.

Students who are interested in trying out for this scholarship should talk with their high school principal or editor of the hometown paper who will be glad to help them with the necessary details.

The winner will receive a \$600 scholarship over a four-year period or \$150 a year as long as requirements are met.

One scholarship winner has graduated from college, another graduates this year, which will leave four current scholarship holders in West Texas Colleges.

In submitting his application the student should send a biographical sketch, a picture of himself, a letter telling of his intent to go into newspaper journalism and to attend one of the ten designated colleges. He should also have letters from his journalism teacher or publication sponsor, from his high school principal or superintendent, and from his hometown editor or a nearby editor if there is no newspaper in his hometown.

A personal interview with the editor is recommended.

The candidate must be in the upper 25 per cent of his class, must have demonstrated ability in newspaper journalism and a desire for a newspaper career.

Mrs. Robert Jeffrey Harrell
Daneilia Darnell Bride of Brownwood Man In Ceremony At Grosvenor Mar. 22

Mr. and Mrs. R. E. Darnell this week are announcing the marriage of their daughter, Daneilia, to Robert Jeffrey Harrell, son of Mr. and Mrs. Robert M. Harrell, Lake Brownwood, at Grosvenor, Wednesday, March 28, at 4:30 p.m.

The wedding took place at the home of the pastor of the Grosvenor Baptist Church, Rev. Hershel Weedon, who officiated.

The bride is a sophomore student in Howard Payne college, a graduate of Rising Star High School, and the winner of many school honors both at Rising Star and Howard Payne College where she was chosen as one of the four top campus beauties in her freshman year.

The groom is a Brownwood High School graduate, a student at Tarleton State College and at Howard Payne. He is a pitcher for the Philadelphia Phillies professional baseball team and is now in spring training with the club at Leesburg, Fla.

The bride will continue her studies at Howard Payne. After September the couple will make their home at Lake Brownwood.

Shower Honors Mrs. Ruth Claborn March 27

A homecoming shower and reception for Mrs. Ruth Claborn, who has been away from Rising Star for some time, was given by her friends at her new apartment at the home of Mrs. Florence Graves on Tuesday, March 27.

She received 60 useful gifts, which reminded her that she has many true friends in her town.

She is a faithful member of the Church of Christ and is conveniently located to attend services there.

law flow from constitutional law. Hence constitutional law determines what statutory law is. Neither Congress nor the Legislatures can enact constitutional law. But if the Constitution is what the Supreme Court says it is, is not the legislative power of the courts greater than that of the legislatures?

Pecan Budding School Set For April 17 at Cisco

The date for the annual Pecan Budding School has been set for April 17 in the Cisco Junior College Cafeteria, in that city, according to Eastland County Agricultural Agent J. M. Cooper, who will instruct those attending the one day affair.

The budding school will again be sponsored by the Cisco Chamber of Commerce jointly with the Agricultural Extension Service Cooper said.

The morning session starting at 9 a.m., in the college cafeteria will be devoted to lectures and demonstrations on when, where and how to bud, types and kinds of budwood, when not to bud, covering the bud, when and how to force the buds into growth and the difference between budding and grafting.

After lunch in the cafeteria the group will practice budding in the Kent Word orchard, three miles south of Cisco in the Leon River bottom.

A plentiful supply of cold storage pecan budwood of the new varieties such as the Wichita, the Comanche, the Choctaw and the T-110 will be available for those desiring it. The grand champion entry of nuts at the Texas Pecan Show at Texas A&M College in January was of the T-110 variety. It, along with the other new varieties was developed at the U. S. Pecan Field Station at Brownwood, Cooper explained.

A. Z. Myrick, Chairman of the Cisco Chamber of Commerce Agricultural Committee will welcome the group to Cisco to initiate the days activities. Myrick said the pecan growers of near-by counties were as welcome to attend as those from Eastland County.

John Hart Asks Re-Election Upon Record As Judge

To the people of Rising Star and vicinity:
In making my announcement for re-election as your County Judge I wish to express my sincere thanks and heartfelt appreciation to you for your confidence and support in the past. My family and I shall always be grateful to you for the splendid vote you gave me in the last election.

Since I became your County Judge I have assisted and cooperated with your county commissioners in handling and managing the affairs of your county government to the very best of my ability. It has been a pleasure to work with these men.

Your County Judge acts as Juvenile Judge, in handling the neglected and delinquent children of our county. The County Attorney and I have done the very best we knew how to make useful citizens out of these youngsters who have been neglected and who have fallen in the pitfalls of life. In dealing with these children we usually call in business men, school teachers and ministers of the various churches to help to advise and counsel with us in making our decisions. A number of these boys have reached the age of 17 and have entered the Armed Forces and are making good citizens. Some have engaged in various vocations of life and a very few of them have been sent to the Boys Training School at Gatesville.

We are very proud of the 4-H Club work that the Commissioners' Court sponsors in the county. There are now approximately 800 boys and girls enrolled in the various 4-H Clubs over the county. The 4-H's stand for the development of the head, heart, hands and health. The parents of the club boys and girls, the local leaders, who give of their time, and the county extension agents are to be complimented and congratulated on their fine program of work. The problems arising relative to juvenile delinquency in the county are kept at a minimum because of 4-H Club and the youth activities.

Your Commissioners' Court has never refused to help our aged people of our county or any family who was in dire need of help, medical or hospital care since I became your County Judge.

When I became your County Judge, the Commissioners' Court appointed a County Veterans officer for each American Legion Post in the county, to assist the Disabled War Veterans, their widows and dependents in securing Federal Aid. Last year these Veterans Officers secured \$570,429.00 for these disabled war veterans and their dependents of Eastland County.

We have maintained sufficient money in our Road and Bridge funds to purchase Right-of-Ways on all Farm-to-Market roads, and the County's part of Right-of-Ways on State Highways being built or improved in the county. Under our present plans, we will be able to keep an ample amount of money in the Road and Bridge funds to finance all Right-of-Way costs for several years in the future. We have done this without raising your taxes.

When I became County Judge and a member of the Commissioners' Court, the county owed \$708,190.00, which included the Court House debt of \$150,000.00. We have paid off the Court House debt and have paid off the balance of the \$4½ million Road Bond debt. On April 1, 1962, we have cash on hand, \$287,865.20. The total indebtedness of the county is \$97,786.09. Only five counties of the 254 counties of the state have a lower tax rate than Eastland County. So, you can see that the financial condition of Eastland County is in the best shape than for many years.

If I happen to fail to see you during the campaign, I am now asking your help and support on May 5th.
