LIFE'S RECIPE

1 cup Good Thoughts
1 cup Kind Deeds
1 cup Consideration for Others
2 cups Sacrifice for Others
3 cups Forgiveness
2 cups Well Beaten faults.
Mix these thoroughly and add tears of Joy and Sorrow and Sympathy for others. Flour with little gifts of Love and Kindly service.

Fold in 4 cups of Prayer and Faith to brighten up other ingredients and raise the texture of Christian living. After pouring all of this into your daily life, bake well with the heat of Human Kindness. Then, Serve With a Smile!!!!

"Think About It"

You may be on the right track, but you'll get run over if you just stand there.

Perseverance is failing 19 times and succeeding the 20th.

The men who try to do something and fail are infinitely better than those who try to do nothing and succeed.

The best time for a fellow's ship to come in is while he is still able to navigate.

Action makes more fortunes than caution.

The road to success is uphill - unless your father owns the company.

Nothing worthwhile is achieved without patience, labor, and disappointments.

Important things are usually the aggregate of a lot of little things.

To be born a gentleman is an accident. To die one is an achievement.

There are plenty of rules for attaining success, but none of them work unless you do.

Man like the tortoise seldom moves forward without first sticking his neck out.

Success is picking yourself up one more time than you fall down.

See everything, overlook a great deal, correct a little.

Do not mistake activity for achievement.

If you are being kicked from the rear, it may mean that you are up front.

Poll-Ettes To Receive Scholarships

Two scholarships will be awarded by the Texas Poll - Ettes, ladies auxiliary of the Texas Polled Hereford Association this spring. The Texas Poll - Ettes, who are deeply interested in young people, offer these scholarships as a means to assist young people in furthering their education in the various fields of agriculture.

All applicants should be High School graduates and residents of Texas. Each applicant must have three recommendations; one of which must be from the County Agent, Club Advisor, FFA Advisor, or High School principal.

Scholarships may be used at any Junior College, College or University in the state of Texas. Applications must be in no later than March 1, 1973. For further information, contact Mrs. M.D. Arrington, Route 1, Jacksonville, Texas. 75766.

Pictured above is Mrs. Jack Powell of Comanche with her first deer of the season, an eight point buck. She is the former Georgann Johnson, daughter of Mr. and Mrs. Timmy Johnson of Rising Star. Georgann shot her deer on her father's farm ten miles east of Rising Star at 6:45 a.m. Saturday with a 32 Automatic Winchester Self - Loader. She said the gun was an antique with a patent date of 1905. So you see, deer hunters, it doesn't take all that brand new expensive equipment to get the job done!

Texas Farmers Union Drafts Policy Statement

An eleven member Program Committee has completed its work on a draft of the 1973 Policy Statement for Texas Farmers Union. The Committee, meeting in Waco last week, wrote into the program some of the key issues which will be debated at the state convention in Arlington December 7 - 9.

Some of the principal resolutions which are expected to spark debate on the floor of the convention include the farm organization's position on state taxation, Farmers Union's stand on commodity checkoff programs to support research and promotion, limitations on federal farm payments, state regulation of utilities, and the development of a new federal

farm program. The farmers and ranchers will also take a look at anti - pollution legislation, rural planning, and programs to bring out - of - state water into Texas.

Members of the Program Committee who have developed the program from county resolutions and will present the recommendations to the Arlington convention are: Vernon Chandler, Midland; Gene Deckard, Sadler; Co - Chairmen; Alfred Buecker, Happy; D.R. Langley, Wellington; R.D. Terry, Roby; David Glover, Gorman; Mrs. Delores Starr, Cisco; Scott M. Felton, Waco; Ronnie Deatherage, Tarzan; Royce Dueterheft, Maxwell; and H.L. McPherson, Wolfthorn.

May PTC Holds Meeting

May School PTC met Nov. 16 with a Thanksgiving program presented by the 5th, 6th, 7th and 8th grades. Tanya Allen was program announcer for a play presenting flags of eight nations.

Patriotic songs including "God Bless America" were sung by the group. Kenny Hegnite read his original poem on Thanksgiving. Janet Nelson played the piano. Dr. Jack Ehrke, president of PTC, presided at the business meeting. Plans were made to have the piano tuned.

On The Sick List

Mrs. Nora Harris and Miss Florence Scott visited Mrs. Henry Scott who is in the Gorman Hospital. Mrs. Scott is seriously ill.

Mrs. J.D. Hendrix recently had surgery in a Lubbock Hospital. She is now recuperating at her mother's in Lubbock and is expected home this weekend.

NOTICE

Superintendent of Rising Star Public Schools, Victor Childers, has announced that purchase orders have been printed. No one is authorized to make a purchase for the schools without one of these due to economy and bookkeeping procedures changed by the state.

Merchants are asked to request an order signed by Mr. Childers with each purchase.

United Methodist Women Meet

The United Methodist Women of the First United Methodist Church met Monday afternoon in the youth room. Twelve were present for the Thanksgiving program presented by Mrs. Bob Smith, Mrs. H.B. Sone

presided over the meeting. Mrs. Mary Coker gave the opening prayer. Mrs. Bob Smith read the 100th Psalm. "Mine eyes have seen the glory", was sung by the four Ms. Mrs. Sam Pol at the piano. Mrs. Arnold told the story of the beginning of Thanksgiving and read scripture from the 95th Psalm.

Mrs. Helen Switzer told of the first Thanksgiving day in the United States. "Count Your Blessings" was sung by the group. Mrs. H.B. Sone gave a reading on Thanksgiving. The closing benediction was given by Rev. Lloyd Coker.

Wildcats Drop Finale 24 - 13

By Johnny Sansom

The Rising Star Wildcats lost their season final to a mammoth Evant team here Friday night. The young Cats were

outweighed probably 20 pounds per man (at least). But they never gave up the fight.

Once again, turnovers were the monster that killed the Cats' drives time after time. They moved the ball pretty well, but again just couldn't put up enough points.

Offensively Rickey Bolles and Steve Bibb combined on several passes. The rushing game was led by Ricky

Schaefer and Kim Joyce.

On the defense Steve Tarver turned in his 2nd straight excellent effort. Dale Wolf, Andy Robinson and Rickey Ware also had fine games.

Jim Carpenter and Andy Robinson played their final game Friday night, being the only two seniors on this year's squad. Both of these lads will be sorely missed next year. They are fine team leaders as well as fine athletes and fine young men.

There's nothing left for the rest of this year's team except to look to basketball season and on to next year's football season. The Cats played some

great football this year. They had some hustlers, some head knockers and I think some real A 1 football players, but they couldn't seem to get it all together often enough.

I'm sure the Wildcats and their coaches appreciate the band, cheerleaders, majorettes and most of all the fans backing. Overall, not too many empty seats were to be seen on Rising Star's side of the field.

I personally, am looking forward to basketball season and hope that the Cats will have a winning season on the hardwoods. See you at the game!!!

Eastland County Pecan Show Set For Dec. 1st & 2nd

The Twentieth Annual Eastland County Pecan Show has been set for December 1st and 2nd in the Eastland County Courthouse. The announcement was made today by Dan Childress, President of the Eastland County Pecan Growers Association. The show will be sponsored by the association and the Eastland Chamber of Commerce.

Marcus O'Dell, President of the Chamber of Commerce, says the Pecan Show will include about 200 entries of top quality pecan exhibits, a pecan bake show and pecan centerpiece show. He said the show will give recognition to one of the county's most important crops. The pecans, baked goods and centerpieces will be displayed in the first floor lobby of the courthouse on December 1st and 2nd.

A total of 43 nuts of any variety constitutes an entry in the pecan show. The pecans entered must have been grown

in 1972 and be entered by the person who produced the pecans. Everyone who owns at least one pecan tree is invited to enter an exhibit.

Pecans are judged on the basis of size, percent kernel, quality of kernel and attractiveness of the pecan. Natives, variety seedlings and improved varieties may be entered in the show. A grower may bring one entry of each variety and as many different entries of natives as he chooses. All entries become the property of the Pecan Growers Association. Entries winning first, second and third will be sent to the Regional Pecan Show. Ribbons will be given to exhibitors who have first, second and third place entries. Trophies will be given to the exhibitor of the Champion

Shelling Pecans, Champion Native Pecans and Champion In - Shell Pecans.

Pecan entries may be left at the County Agent's office in

Eastland or with the Chamber of Commerce office in Ranger or Cisco. Members of the pecan

growers organization will also collect entries to bring to the show.

County Agent De Gordon said the idea of pecan shows began in Eastland County in 1952. The

late J.M. Cooper, County Agent, and local grower staged the first pecan show in the state. Other counties adopted the idea. This year there will be

34 county pecan shows, three regional pecan shows and one state pecan show in Texas.

Gordon said the county pecan

show has proven to be an excellent educational tool in building interest in the use of high quality pecan varieties

that are adapted to this area. These shows have served to promote the use of pecans in delectable food products.

FB Delegates Attend Convention

Eleven Eastland County Farm Bureau delegates attended the 39th annual Texas Farm Bureau convention held at the Rice Hotel in Houston Nov. 12 - 15.

Over 900 official voting delegates, representing most of the 207 organized county Farm Bureaus, adopted state policies and recommendations on national issues. Total attendance at the convention was more than 1,500.

Convention activities began on Sunday, Nov. 12, with registration. Highlights of the day included a Discussion Meet and Talent Find competition for young people and a vesper service.

On Monday's agenda was the yearly administrative report by Executive Director Warren Newberry of Waco. TFB President J.T. Woodson of Gober brought the President's annual address. The convention's main address was delivered by Dolph Briscoe, Jr., of Uvalde.

Other Monday activities included a ladies' luncheon and special conference on Community Services, Young Farmers and Ranchers, Field Crops, Dairy, Rice, Natural Resources and Research and Education. The annual Queen's contest was held Monday evening.

Tuesday's activities began

with a voting delegate breakfast and special conferences on livestock, Cotton, Services, Poultry, Farm Labor, Wheat and Feed Grains, and Farm Bureau Women. The business session convened at 10:30 a.m. Tuesday with voting on resolutions sent in by county Farm Bureaus. The day's events culminated with the annual banquet that evening. Speaker was Marvin McLelland, "Sage of the Sand Hills", of Lexington, Miss.

The business session continued Wednesday with voting on resolutions. The Convention concluded with the election of directors and the TFB president.

DESIGN OF A POSTAGE STAMP to salute the 75th Anniversary of the National P.T.A. is a blackboard with the lettering chalked in a child's script. The blackboard is bordered in yellow and the chalk is in white. Print order of the 8-cent stamp is 135 million by gravure. The P.T.A. was founded in Washington, D.C. in 1897 by Phoebe Apperson Hearst, wife of U.S. Senator George Hearst and mother of William Randolph Hearst, and Alice McLellan Birney, wife of a prominent Washington attorney. During its 75 years of working for the welfare of all children, the P.T.A.:

- In 1899 petitioned Congress for a National Health Bureau (14 years before creation of the U.S. Public Health Service).
- In 1906 played a key role in the passage of the Pure Food Bill.
- In 1946 was named primarily responsible for the passage of the federal school lunch program.
- In 1951 conducted a national conference on narcotics and drug addiction.
- In 1955 shipped more than a million books to mountain schools in Appalachia.
- In 1970 initiated Project RISE (Reading Improvement Services Everywhere).
- In 1972, under federal funding, integrated alcohol education in its smoking and health project with plans for several pilot programs to be tested at the state level.

(ED. NOTE: The following article is a sample of the type of historical material which will appear in the Eastland County Centennial Book, according to Mike Collins. This particular one is on a cemetery and all other aspects of the county's history will be included in the book, which is now in preparation.)

BOLLINGER CEMETERY

In EASTLAND COUNTY
Bollinger Cemetery is a small family cemetery located southwest of Staff. The cemetery can be reached from F.M. Road 2214 by turning south on a dirt road approximately one mile southwest of Lake Leon bridge. The dirt road (about one mile in length) dead ends at a gravel road. The cemetery is located about one mile west on the gravel road on the north side of the road.

About 1875 Noah Monroe Bollinger moved his family from Bollinger County, Missouri, to Eastland County seeking a climate beneficial to the health of his wife, Cora Hoover Bollinger. A son Daniel Benjamin and a daughter Emma came with their parents. Daniel Benjamin returned to Missouri. In 1877 he married Sarah Elizabeth Clubb, and later returned with her to Eastland County.

On March 29, 1881, Avery R. Bollinger, twenty two month old son of Daniel Benjamin and Sarah Elizabeth, died. A site for a family cemetery was selected on the property of Daniel Benjamin about half way between his residence and that of his father Noah. Here Avery was buried.

All fourteen graves in the cemetery, with the possible exception of an unidentified infant grave, are of members of the Bollinger family or of relatives of the Bollinger family. Families other than Bollinger with relatives buried here are Abernathy, Hoover, Gibbs, and Whitener who all came from Missouri.

Graves In Bollinger Cemetery Eastland County

Avery R., son of D.B. and S.E. Bollinger. Born May 21, 1879, Died March 29, 1881.

Charlie A., son of D.B. and S.E. Bollinger. Born December 18, 1880. Died December 31, 1886.

Clarecy Bollinger, wife of N.M. Bollinger. Born January 1, 1832. Died March 19, 1896.

Noah Monroe Bollinger. Born November 1831. Died January 22, 1926.

Daniel Benjamin Bollinger. Born April 22, 1854. Died February 25, 1942.

Sarah Elizabeth Bollinger. Born September 26, 1858. Died September 27, 1942.

Infant son of D.M. and M. Abernathy. Born and died July 17, 1882.

John A. Gibbs. Born January 10, 1836. Died April 23, 1881.

Mary R., daughter of J.A. and M.E. Gibbs. Born October 5, 1965. Died April 23, 1883.

Johnie, son of W.M. and M.A. Hoover. Born January 1, 1885. Died January 9, 1885.

A.B. Hoover. Born April 11, 1830. Died April 4, 1914.

Livisa Hoover. Died December 11, 1903 at age of 60. Whitener boy age 13 or 14 years buried in grave near gate marked only by sandstone rocks. He came from Bollinger County, Missouri with his family. He came in the box car with the cattle and became ill on the way. Soon after reaching Eastland County he died. His family became discouraged and returned to Missouri.

Infant grave with no identification.

In the northeast corner of the cemetery sandstone rocks seem to indicate that a grave is there. However, the older children of Daniel Benjamin Bollinger did not believe a grave is there.

Submitted by Ima B. Payne, granddaughter of Daniel Benjamin and Sarah Elizabeth Bollinger.

Class I Utilization And Producer Receipts Up

Class I utilization by Central West Texas regulated handlers amounted to 13,882,057 pounds during October. This was a daily average of 447,808 pounds, up 4 percent from September and up 8.1 percent from October of last year. Producer milk classified as Class I amounted to 13,292,684 pounds or 86.7 percent of total producer receipts during October.

Producer receipts for the Central West Texas order amounted to 15,325,396 pounds for October. The average daily delivery was 494,368 pounds, up 1.9 percent from September.

The minimum uniform price for producers on the Central West Texas market is up 6 cents from September. Producers will receive a minimum uniform price of \$7.29 per hundredweight for milk containing 3.5 percent butterfat according to an announcement by Chapman E. Dunham, Market Administrator. For each point (0.1 percent) that the average butterfat content of producer milk varies from 3.5 percent, butterfat differential of 8.3 cents applies. This price is subject to location adjustments.

The Class II price in Central West Texas rose over the \$5.00 mark for the first time in the history of the order. The Class II price was \$5.087 for October 1972.

There were 296 producers on the market in October. The average daily delivery per producer was 1,670 pounds. This average is not weighted by the number of days on the market.

Texas Farmers Union News

Texas Farmers Union President Jay Naman of Waco condemned the Department of Agriculture decision on next year's cotton program as being "devastating" to Texas cotton farmers. In a statement released Thursday, Naman said, "The decision by Secretary Butz to reduce cotton payments is the second of a one - two punch on the cotton farmer's chin. Mr. Butz landed the first blow with the announcement that the last year's low loan level would be extended for another year. He now adds insult to injury by depriving cotton farmers of 13 percent of their pay acres. This will be a knock - out blow to many Texas cotton farmers."

Naman pointed out that the Department of Agriculture encouraged more cotton production and created the low price condition that now plagues the Cotton Belt. He said that USDA seems intent on putting soybeans and feed grain producers next year in the same predicament as cotton farmers this year.

"By removing the 20 percent set - aside, Secretary Butz is

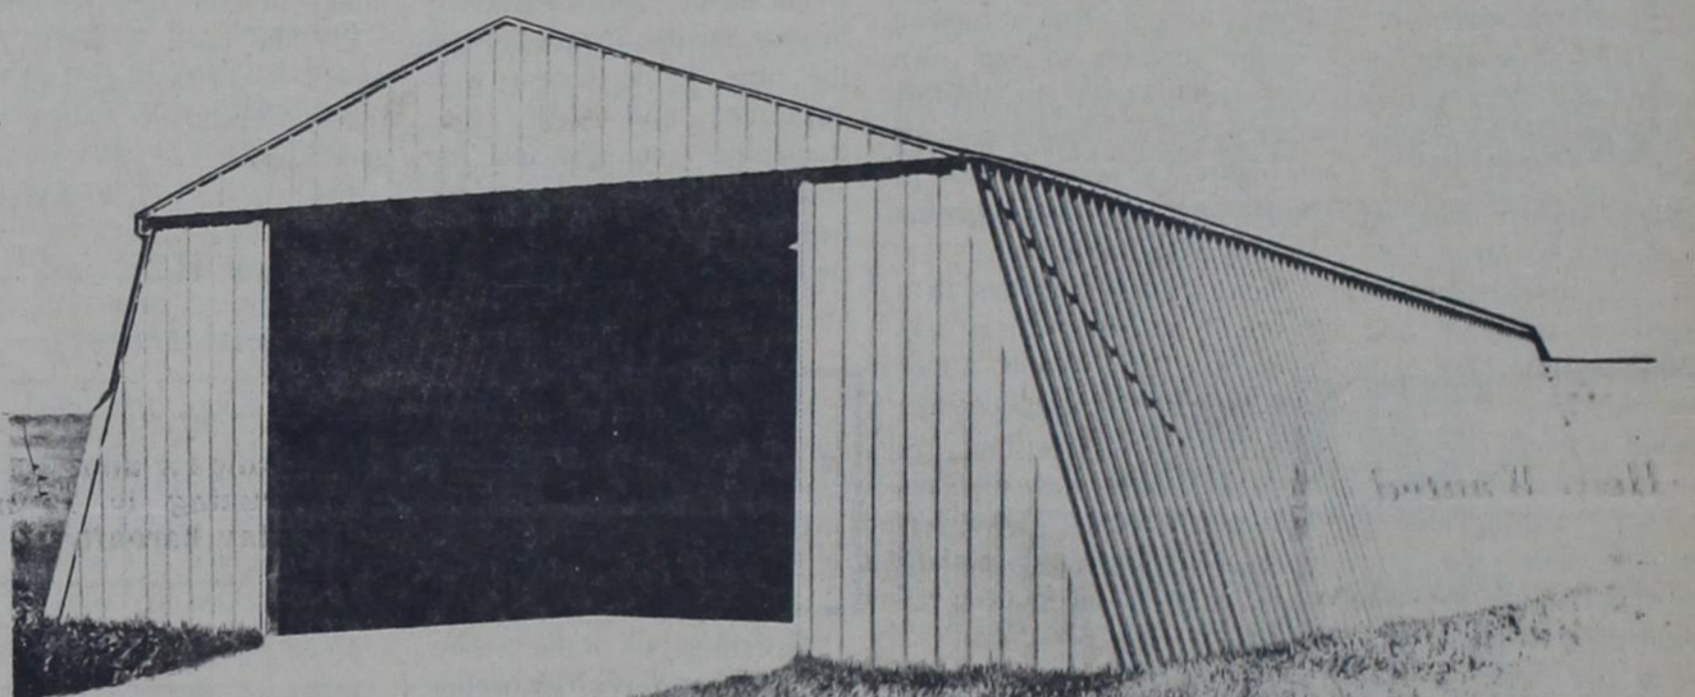

opening the door to the expansion in production of possibly two million more acres in soybeans on cotton acres that have been out of production. This will provide the incentive for southern and southwestern cotton producers to substantially increase their acreage in grain sorghum and corn next year," Naman said.

"If Secretary Butz had wanted to help cotton farmers, he would have increased the loan to a minimum of 28c a pound and announced a paid diversion program for cotton in place of the free set - aside. This would provide cotton farmers with some of the options now open to feed grain producers."

"Texas cotton farmers stand to lose in excess of thirty - seven (37) million dollars in reduced pay acres on cotton next year because of a decision by the Secretary of Agriculture."

"It is time for Congress to remove some of the discretionary power which Mr. Butz now has and uses so irresponsibly," the state farm organization leader said.

QUONSET MARK III

Quonset Mark III pitched roof model has 41,264 cubic feet of interior space. Optional skylights provide plenty of natural light.

The Quonset Mark III is the most inexpensive quality farm shelter building available today. And it's tougher than its predecessor. It's a logical result of our experience with Quonset buildings from the original Quonsets of World War II.

Size The basic Quonset Mark III is 40 feet wide by 48 feet long by 14 feet at the eaves. Extra length is available in 24 foot bays (72', 96', 120', 144', etc.) The building is available with pitched or flat roof.

The size allows you to store bulky farm machinery and increase its life from 1/2 to 1 1/2 by comparison to machinery stored outdoors. The 40' x 72' size can house 14,000 bushels of grain or 20,000 bushels with the accessory Grain Kit or, the new 50' size holds up to 28,000 bushels with kit.

First United Methodist Church Rising Star

Morning sermon and scripture - Pageant of Thanksgiving" Psalm 150:6

Thanksgiving should be every day, not one day each year. Count your blessings and see how well off you are.

The Harvest Festival of our Church was a great success last Saturday. We take this opportunity to say, "Thank You" to each and everyone within and outside this Community who helped to make it so.

We were blessed in our worship service Sunday morning with special music by Mrs. Joe Tunnell and Mrs. Rex Hudson.

Mrs. Hazel McCullom sister, Mrs. Hudson from Arkansas is visiting here for awhile.

Mr. and Mrs. Ted Hudson attended Stick Homecoming Sunday.

Mr. and Mrs. Joe Tunnell of Midland visited Lessie Smith and Mr. and Mrs. Rex Hudson over the weekend.

See you in church Sunday, Mrs. Lloyd Coker

Church of Christ Rising Star

I read about an atheist who wrote, "God is nowhere." Fortunately his little daughter read it this way, "God is now here," thus getting the matter corrected.

This week we are saddened by the death of Mrs. C.E. Flanagan. For many years she has been a faithful and dedicated Christian. We will miss her very much.

Raymond Wysong, a young man we sponsor at the Foster Home for Children in Stephenville, will spend the Thanksgiving Holiday with the congregation. He will be staying in the home of the Kenneth Bibbs.

My sermon topics Sunday will be: "How Much Do You Love the Church?" Sunday morning and "The Jordan River" Sunday night. Come and worship with us.

Sunday Young People's Meeting will have the pre-teen group discussing "Trying to be Popular". The time is 5:55 p.m.

Our last After Game Fellowship for teenagers Friday night was a big success. It was well attended and the program was very enjoyable. Our food was excellent. I want to personally thank the many

Christian people who have worked so hard on these gatherings. It took a lot of planning and hard work. Many contributed food and other necessities for these teenagers and I appreciate it.

Our congregational fellowship will be next Wednesday night following our Midweek Bible Study program. Guest speaker at Bible study will be Homer W. Cole, director of the Bible Chair at Tarleton State College in Stephenville.

With Thanksgiving upon us, it might do us all good to be reminded that we are to "give thanks in all circumstances" (1 Thess. 5:18). We are people who are so accustomed to receiving so many rich things in the greatest country in the world, we often forget to be thankful. Let's keep reminding ourselves to be grateful.

James Haney

First United Pentecostal Church Rising Star

Thanksgiving Day is one we observe with gratitude in our hearts to God. Surely He has blessed us above our expectations. The Word teaches us He can do abundantly above all that we can ask or think. How grateful we should be that we are living in America. Our hopes and ambitions are to please Him who gave us our liberty to serve God according to the dictates of our own conscience. That is our greatest liberty, and we should treasure it highly by serving Him in Spirit and in truth, attending His services regularly.

We're looking forward to a revival during Christmas holidays. Rev. David Fuller and Donald Martin will conduct the revival, Lord willing. We trust you will make it convenient to attend those services. We will give more plans about it later and tell you the dates.

May the Lord bless you and yours during the Thanksgiving Holidays.

Mrs. A.J. Martin

Praise the Lord, it is great to be home. We had a great week in San Antonio last week but it is wonderful to be home and to know that Jesus is just as real here as He is in San Antonio. The Holy Spirit was moving mightily in the conference but no greater than He

was in our worship Sunday. There is one thing that I know for sure and that a mighty "Holy Spirit Revival" sweeping this way.

In the time that I have been here in Rising Star I have talked much about revival and being filled with the Spirit, let me share a little song taken from the truth of the Word of God and I think you will see that my joy and faith of revival lies in no one but Jesus:

He is Lord, He is Lord.
He is risen from the dead
And He is Lord.
Every knee shall bow,
Every tongue confess
That Jesus Christ is Lord.

It does not take much thinking on this to see that revival is coming or that God will deal with His people justly.

The Lord has blessed us in a very great way this past week, while we were in San Antonio He made it possible to have a videotape playback machine and 20 hours of the conference. This machine makes it possible to show on any television this 20 hours of conference. The person who purchased this machine wished to remain unknown and gives all the glory to the Lord. He stated that he was giving the machine to our church but putting it in our care for the Lord to use as He may through us.

Let me close this week with this one thought, How is your relationship with Jesus? This question can only be answered by you, but you answer it and do not let the Devil put words in your mouth. People now is the time to be honest with ourselves and with God. Remember you may fool me and other people but you cannot fool God, and the only way to God is through Jesus Christ.

The coldest day of the season found the members gathering for services.

Bro. John Gross delivered a message to the congregation from 1st Corinthians. The hymnal service was under the direction of Wayne Childers of Dallas.

Among the visitors during the day were Charlene, Kenneth and Mark Phillip of Abilene and Scott Greenman of Mills Valley, California.

Happiness was felt by all upon hearing of the great improvements of Mrs. H.C. Scott.

The Lord blessed us in our services Sunday with His Holy Spirit. Even in the Rest Home service we had a good group from our church and from the rest home and His presence was felt there also.

Those on the sick list are: Mrs. Clarence Compton, Mrs. Ester Cowley, Mr. W.H. Knobles and Mr. Ed Winfrey.

As Thanksgiving is just a few days away we at the Bible Baptist Church have so very much to be Thankful for. The Lord has been so gracious to us since this time last year. We have seen souls saved, lives rededicated to the Lord, and additions to our church. The Church has had some improvements made: new windows, air conditioning improved. The primary class has been improved. We would never be able to name all the blessings that the Lord gives us each day. Let's not fail to show the Lord that we appreciate His blessings to us, our families and our church.

Psalms 100: Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness; come before His presence with singing.

Know Ye that the Lord He is God: it is He that hath made us and not we ourselves; we are His people, and the sheep of His pasture.

Enter into His gates with thanksgiving, and into His courts with praise: be thankful unto Him, and bless His name.

For the Lord is good; His mercy is everlasting; and His truth endureth to all generations.

1040 U.S. Individual Income Tax Return Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q My child is co-owner of my savings bonds. Does this mean that he is taxed on one-half of the interest?

A) No. If a child is named as co-owner of U.S. Savings Bonds bought and paid for by his parent, interest on those bonds is taxable to the parent. This applies even if the parent permits the child to redeem the bonds at or before their maturity, and to keep the entire proceeds. However, interest on such bonds bought solely in the child's name is income to the child, even if the parent paid for them and is named as beneficiary. The interest is included in the child's income in the year the bonds mature or are redeemed, unless he has

elected to report the interest income as it accrues annually. IRS Publication 576, "Tax Information on United States Savings Bonds," furnishes additional information. A free copy may be obtained from your IRS district office.

Q What is the social security tax rate for 1972?

A) The current social security tax rate is 5.2 percent for both employers and employees. This tax rate applies to a maximum wage base of \$9,000. This means that an individual will generally pay up to \$468 in social security tax in 1972.

Q My employer pays the premiums on a group-term life insurance policy providing \$20,000 worth of coverage for each of his employees. Can I be taxed on the premiums?

A) No. The only time such premiums must be included in your income is if the coverage of the group-term life insurance exceeds \$50,000 and then only the cost of the policy in excess of the amount charged for this coverage is taxable.

Q Can a farmer's livestock qualify for the investment credit?

A) Yes. Livestock other than horses acquired after Aug. 15, 1971, or before Aug. 16, 1971 (if ordered after March 31, 1971), qualifies for the investment credit. For more information, see IRS Publication 572, "Tax Information on Investment Credit." It's available free by dropping a postcard to your Internal Revenue district office.

Mrs. Hilliard is a sister of Mrs. Stewart.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Texas school children and some of the common childhood diseases, hopefully, will soon no longer be frequent companions. Thanks to a mandatory school immunization law being implemented by state and local health authorities, Texas school children have the best protection against disease outbreaks they have ever had in the history of the state.

After the first full year since implementation of the new state law began, state health officials report immunization levels of the school population are up considerably over previous years. And early indications this year are that those immunization levels will continue on the upswing.

As of May 1, 1972, the great majority of all school children in Texas had begun or completed their required immunization program for five common childhood diseases: diphtheria, polio, measles, rubella, and tetanus. Smallpox, the standard immunization school children received for decades, is no longer a required immunization.

"We feel great progress has been made in the past year, particularly when you view the fact that out of 2.9 million school children in Texas some 2.3 million are on record in their schools as protected," said Dr. James E. Peavy, Texas Commissioner of Health. "Our forecast is for even better levels next May."

The mandatory immunization law passed by the Texas Legislature in April, 1971 required a monumental effort on the part of health authorities, school officials, and private medicine. Prior to enactment of the law, each individual school district set their own immunization requirements and some had no requirements. Quite often, in those areas where children needed the full range of protection, smallpox was the only immunization required. Under the new law, a child must be immunized against certain diseases to enroll in school.

School authorities worked

closely with health officials to see that all parents were advised of the new requirements and that all school children began their immunization programs as soon as possible.

The result was that three-fourths or more of all Texas school children were protected against each disease by the end of that first year under the new law. With the 80 school districts that began late campaigns and continued enforcement of the mandatory law in all school districts, state health officials foresee a substantially better immunization level at the end of this school year.

"Our immunization program has spot-checked several school districts around the state, with most reporting a rise in their immunization level to include more than 90 percent of all school children in their district," said Dr. Peavy. "Less than one percent of the school children involved admitted no immunizations at all. We believe the outlook for achieving close to 100 percent protection among the school population is very bright."

Of the 1200 school districts in Texas, 400 are being revisited this year by state health authorities. School officials are offered assistance, advice, immunization clinics, and assistance to their school nurse from state or local health authorities.

"If it were not for the work done by local health departments and school nurses, the program would not have been as successful as it has been to date," said Dr. Peavy. "Of course, a lot of the immunizations were obtained through private physicians, and their cooperation has also been phenomenal."

Taking all groups as a whole, probably among the best immunized at the present time in the state are Catholic school children, with better than a 90 percent immunization level.

As of May 1, 1972, some 74 percent of all Texas school children are immunized against polio; 79 percent against diphtheria; 79 percent against measles; 78 percent

against rubella; and 79 percent against tetanus. Health officials believe the required two months spread between the three dosages of polio vaccine and the required booster dose were the factors that caused the polio statistics to trail those for the other diseases. In many cases, as a result, complete immunization against polio was not reported by the end of the reporting period on May 1, 1972.

"We feel the pre-school age child, from birth to five years of age, is where the disease problem is now in Texas," said Dr. Peavy. "By May 1, 1973, occurrence of these common childhood diseases in the pre-school population will be our biggest remaining problem."

State health authorities have already mounted a massive pre-school immunization campaign. The Texas Immunization Program will now lay plans to work closely with the Department of Public Welfare in enforcing the required immunizations in kindergartens and day care centers. Under state law, children attending such day care centers must be immunized against whooping cough (pertussis), polio, diphtheria, rubella, measles, and tetanus.

Funeral Services

YOU & HEW

Consumer news FOR you — ABOUT you — from the U.S. DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE

HEALTH SCHOLARSHIPS RAISED

Maximum scholarship awards from the National Institutes of Health for study in medicine, osteopathy, dentistry, optometry, podiatry, pharmacy or veterinary medicine have been raised to \$3,500 annually. The scholarship aid for students is available through public or non-profit educational institutions offering these courses of study.

EMERGENCY MEDICAL SERVICES

The Federal government has awarded about \$8 million in contracts in Illinois, Arkansas, Florida, Ohio and California to demonstrate modern emergency medical service systems which would prevent needless deaths from accidents and other medical emergencies. The money will be used for training ambulance personnel, emergency room nurses and physicians, radio linkage systems, and new equipment.

HELP FOR VETERANS

An estimated 40,000 veterans will be helped to use their educational benefits under the GI Bill. The Veterans Tal-

ent Search has been given \$5 million for projects in States with high concentrations of underemployed or unemployed veterans. Veterans who lack a high school diploma will be given special courses lasting from six weeks to three months to prepare them for college or vocational school.

WELFARE CLIENTS REGISTER TO WORK

About 1.5 million welfare recipients who are able to work have begun to register as a condition to receiving continued public assistance. The ruling is part of the Work Incentive Plan to help welfare families become self-supporting.

MORE AID FOR COLLEGE STUDENTS

President Nixon has signed a new Education Bill which will provide scholarship grants and loans to more college students than ever before. Every qualified student will be eligible for a combination of Federal grants and subsidized loans to make up the difference between college costs and what his family can afford. Applications can be made through the college.

1/2 cup soy flour
Dissolve yeast in small
amount of water. Combine
remainder of water, salt and
honey. Mix until dissolved. Add
flour, yeast mixture and oil.
Mix until dough leaves sides of
bowl. Turn into oiled pan or
bowl and let rise 45 min. until
doubled. Punch down and let
rest 15 min. Mold into 2 loaves.
Let rise until double and bake
at 375 degrees for 30 to 40 min.

**FESTIVE
APPLE CRISP**
6 large apples
1/4 cup brown sugar or honey
Pinch of salt
Slice water or more if needed
dough. Turn out on lightly
floured surface; knead until
smooth. Place in a greased
bowl, turning dough once.
Cover, let rise in warm place
till double, about one hour.
Punch down, divide in half.
Cover and let rest 10 min.
Shape into 2 loaves. Let rise till
double - about 45 min. Bake at
350 degrees for 1 hour.

Mix dry ingredients, putting
oil in last. Crumble mixture
over apples, pressing down
gently. Bake in a moderate
oven (350 degrees) until apples
are done and top of crust is
delicately brown.

"R.S.H.S. ROUNDUP"

Students are enjoying the Thanksgiving holidays this weekend. This is a time of fun and enjoyment for everyone. And while we are enjoying the good food, vacation, and togetherness with our family, let us turn our thoughts to the Provider of all things. I am sure many people have special things for which they are thankful, but how many of us ever stopped to thank the Lord for even the small things in life that seem so small and so insignificant that there is no reason to feel thankful.

When I stop and think of that first Thanksgiving so long, long ago, I am moved. It moves me to realize that those Pilgrims who worked so hard and had so little stopped and thanked God for what they had, for the land, and for themselves - the ability to live and work in whatever manner they wished. And today we have so much and take so much for granted.

Right now I want to think about my freedoms, rights, privileges, abilities and opportunities and thank Him for them.

First, let us be thankful for all the blessings of our lives; for the joy of liberty - the right to speak freely - to think independently - to worship as we so desire; for the great principles of Democracy on which a nation of individuals has emerged; for courage to stand

up for what we think is right; for wisdom and knowledge to know right from wrong; for our talents - great or small; for our schools, churches, parents, teachers, friends; for memories that live fondly in our hearts; for the fresh air; for food; for faith, hope and trust; for sight, hearing, breath, and for Life.

Aren't we lucky people? Let me resign myself right now to thank the Father in Heaven for everything -

"Lord God, we give Thee thanks this day,

Humbly, in our simple way,
For all the gracious gifts which Thou
Has deigned so richly to endow -

For life - for every passing minute -
For this, Thy world, and all things in it.

We give Thee thanks, dear Lord, for these -

The green beneficence of trees,

The kindness of rain, the birth

Of springtime from a barren earth -

The earth that bears the bread we break

In gratitude for Thy sweet sake.

We thank Thee, Lord, for healing song,

For courage, wise and tall and strong;

For all the laughter and the tears

That mold the pattern of our years;

For truth and trust and constancy,

For faith that lets lean on Thee!

We give Thee thanks for ears to hear,

For feet to tread Thy path-ways here,

For hands to touch, and lips to sing

Thy name in every lovely thing -

For friendship with our fellow men -

But mostly for Thy love.

(Anon.)

Best wishes from the students and faculty at Rising Star High School for a bountiful Thanksgiving.

James Steel

**"ONE WAY!
ALL THE WAY!"**

Last week we heard an inspiring record by Joe Ann Shelton, a singer. The record contained a number of beautiful songs and a wonderful personal testimony.

Evonne opened the meeting, and we sang our favorite song. After listening to the record, Evonne closed the meeting. The record lasted longer than planned and a few of us were a little late getting to our first period classes. Right, T.L.?

The first side of the record was beautiful; we will hear the other side next week, so all come and listen.

'Til next time,
Marilyn

**"NOT FINISHED -
JUST BEGUN"**

Yea! Thanksgiving holidays! "Rejoice in the Lord always, and again I say, Rejoice."

Philippians 4:4. Many things have happened to us Seniors this week, bad and good. Think about Debbie N. as she battles with the mumps. We are all thinking of you, Debbie.

Thursday we had band practice for our first football game and the basketball game here with Coleman went rather well. Everyone should have report cards in by now. If we were not satisfied, we have a brand new six weeks to get the hustle on!

I appreciated the halftime ceremonies at the football game on Friday night. We are so glad to have football over, but I am sure we will want it back after several lonely Friday nights.

The seniors had a revengful time early, early Saturday morning, didn't we? ask us about it sometime!

Jim Ned came to play basketball with us on Monday night. Did everyone enjoy the game?

I hope all have a very happy and safe Thanksgiving and remember those that are less fortunate than yourself.

Talk to you later,
Evonne

**"STRONGER
BECAUSE UNITED"**

Football season is over; our boys did a fantastic job and the school and other spectators did a great job boosting the spirit. The Juniors can't believe we are almost halfway through this year. Soon it will be time to order our Senior rings. (yea)

We are moving along in our classes, studying essays in English. It will soon be book report time so get to reading. Each chapter in American History gives us more reasons for the Civil War. They are slowly leading us to the war.

We are doing more and more experiments in Chemistry. We are understanding more about equations now. In bookkeeping we are heading toward practice sets, which we will do before Christmas. Of course, we cannot forget our holiday for Thanksgiving. Everyone is looking forward to the vacation; both students and teachers.

There have been some strange happenings in study hall lately. Someone wrote a wedding announcement the other day. What's this all about Vickie H.?

All for now,

See 'ya,
Cheryl

"STEP BY STEP"

Holidays are here!! We are now out of school for the Thanksgiving holidays and are enjoying it very much.

The second six weeks is over and I noticed that some of the grades went down - not to mention my own! Let's pick them back up and stay with it.

In Physical Science we will begin the study of oxygen and air. In English II we have finished the chapter on Essays and will begin the study of Unit VI. Two Modern Plays.

In World History we are studying about the natives in Africa and the Americans.

Algebra I is more interesting but harder. Have you ever tried to answer a statement in math with two unknowns in it? It's not so easy; in fact, I think of it as a challenge.

What's this about M.P. and D.C. having something in common?

The Sophomore Class doesn't have a little red wagon anymore. G.B. traded it in on a Mach I.

Happy Holidays and I'll see ya' next week!

Taronna

"IN THE FISHBOWL"

Attention!! And look out. There will be an invasion of twenty seven fin flappers over the Thanksgiving holidays; don't worry; we are only fish.

Math is really getting to some of us. We are going to have to bring up our grades. I know those rules and assumptions are not that hard.

Biology is interesting; we are studying the fungi this week and getting closer to lab; we can hardly wait.

In English I we have just finished "A Tale of Two Cities". We are anticipating the next assignment.

In P.E. we are still jumping

rope, that is, and having fun at it too.

Just a little reminder to all you Fish; keep swimming. Have fun during the holidays.

Bonnie

**"TOWARD NEW
HORIZONS"**

Hello, people! Is everyone enjoying the holidays?

I want to know if everyone of you F.H.A.'ers got up early last Saturday morning to have breakfast? That was funny! In case you people do not know what is going on, the F.H.A. officers decided to have a kind of initiation. We got all the F.H.A. girls up at 5 a.m. and went to the Homemaking cottage and had breakfast. It surely was a different sight to see thirty five girls in the P.J.'s and rollers in their hair; what really was bad; no makeup.

The Homemaking classes are all doing the same thing. The first year girls are cooking muffins, pancakes, and waffles. The second year girls are making notebooks and sewing. We are all about finished.

The third year girls are cooking pies. They made cherry cream, banana cream, and pecan fudge; the second year girls got to eat them - fantastic!

In the F.H.A. meeting we had a program on "Bright Ideas for Christmas". Mrs. Cindy Wewers and Miss Effie Jones presented this program. They are the home economists from West Texas Utilities Company. After the program we decided on a Christmas party and sang Christmas carols.

Delynn

**"BETTER DAYS
THROUGH BETTER WAYS"**

Last week Mr. Geyer turned the teaching to Mr. Wilson 100 percent (almost). We started the week in Ag. II by studying the different systems of the body. (respiratory, circulatory, skeletal, muscular, etc.) I think everyone learned a lot.

Ag I has been deep in the study and judging of dairy cows. This week they switched over to cattle and what requirements a good calf should meet.

Ag. III is studying electrical circuits and wiring procedures. (Too bad they couldn't use some of the Sophs' lightbulbs!)

The F.F.A. had its monthly meeting which was very interesting. (Thanks to Mr. Scott and Bob Rust.) Peyton Scott told about the many opportunities that agriculture has to offer and the two characteristics one must have when showing an animal. These are desire and determination.

Bob informed us of some of the rules and regulations of the different state departments on hunting, fishing, and trapping. It was informative and interesting.

The F.F.A. is selling citrus fruit and would like for all to buy some. It is in forty pound crates and sells for \$5.50 a crate.

The Sophomores are selling light bulbs for \$2.20 a package with six bulbs in a pack. (two 60 watt, two 75 watt, and two 100 watt.) If you think we are a little high on our prices remember - "you pay for what you get."

This month's "Future Farmer" published Texas as ranking Number 1 in F.F.A. by having 51,135 members, 876 chapters, and six voting delegates. One could say, "We have a government of our own!"

Remember: "Education demands narrowing of attention in the interest of efficiency." (Samuel Crothers.)

Jay Benson

"RAH! RAH! RAH!"

Football season is over, but we cheerleaders are still working hard! If you are wondering why we are still selling things, it is to help us have a great All Sports Banquet in the spring.

We are sponsoring a Magician Act on December 1. It will be in the gym at 2 p.m. The admission is 25c. Everyone come and see a great act!

Basketball has started. We won't be on the floor yelling, but we surely will be in the stands. Everyone keep up the spirit for the girls as well as the

boys!
One of our cheerleaders looks a little strange. Kind of mumpy? What about this Debbie??

Sharon

"WITH THE BOOKWORMS"

Just think! Thanksgiving is here already and two six week periods have passed. Thanksgiving means more than just getting out of school or eating turkey and dressing. The pilgrims after many setbacks raised successful crops. The day everything was gathered into the storehouse from the field the pilgrims stopped all labor and gave thanks unto God for allowing them to be alive, to live in a new land, to be able to grow crops, and to develop their own religion. How many of us really just stop to thank God for being allowed to live in a free country, for loving parents, friends, Christ, or even schools in which to learn with kind loving teachers who spend their valuable time trying to teach students that are sometimes not cooperative? No matter how large or small the things God has given to us, we should be thankful. We librarians hope that you and yours have a bountiful Thanksgiving.

Eastland County Farm Bureau Adopts Property Protection Plan

Gene Rankin Completes Basic

Army Private Gene L. Rankin, son of Mr. and Mrs. Jay L. Rankin, Route 2, Rising Star, Tex., recently completed eight weeks of basic training at Ft. Jackson, S.C.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army History and traditions.

Pvt. Rankin received training with Company A, 3rd Battalion of the 1st Brigade.

The 20 year old soldier was graduated in 1970 from Cross Plains High School, Cross Plains, Tex., and received his Associate Degree in 1972 from Cisco Junior College.

Eastland County Farm Bureau has adopted the new Property Protection Plan offered by Texas Farm Bureau.

Effective Nov. 1, 1972, all members who have the official "No Trespassing" signs posted on their property will be protected against trespass and other offenses. This reward program is provided by the Texas Farm Bureau and affiliated insurance companies.

Action was taken by the County Board of Directors in their monthly meeting to adopt the program.

The new service - to - member program provides for the posting of property according to the new anti-trespass law passed during the last regular session of the legislature.

A reward of \$200 is offered by the Texas Farm Bureau and Insurance Companies for the information leading to the arrest

and final conviction of persons committing trespass, felony theft, arson, or malicious mischief as defined by Article 1350 on property of a current Farm Bureau member.

Each member will automatically have protection on the effective date provided he has properly posted his property. Signs will be available from the county Farm Bureau at a cost of \$1.00 each.

In addition to the sign, the member may elect to purchase name plates that may be attached to the sign. These cost an additional \$1.00 each. Decals for automobiles, trucks, and other vehicles will be provided at no cost to the member.

The county Farm Bureau will be responsible for completing a form furnished to them for the purpose of reporting information leading to the arrest

and final conviction under the program.

The Farm Bureau insurance adjuster will investigate and send the report with further information to the state office. The \$200 check will be sent from the Texas Farm Bureau to the county Farm Bureau president who will deliver it to the property owner.

There is no cost to the individual member for the protection except for the signs and optional name plates to be attached to the signs. The county Farm Bureau assumes the cost of the program which is 20 cents for each current member of the organization not having a fire or casualty policy with the Texas Farm Bureau Insurance Companies.

Terlingua Chili Cookoff

The famous Terlingua chili cookoff, held annually in the big bend area of Southwest Texas, has inspired the J. Walter Thompson Company, Ford's advertising agency, to create a 60 second commercial based on

the cookoff itself.

The lead character is an old prospector, "Gramps", who, because he has a "secret ingredient" prepares his chili out on the prairie and almost misses the cookoff.

Noneed to worry - Miss Ford Country, the heroine, gets him to the cookoff in time by taking a shortcut over some back rough, bumpy roads.

The real star of the commercial is a new Ford Pickup that takes all the punishment and gets Gramps and his chili to the cookoff. The commercial has a surprise ending, but instead of spoiling it for you, we suggest you see it on television.

The commercial was produced for Texas Ford Dealers.

Pictured above is Mrs. Ethel Parker who celebrates her 80th birthday Thursday, November 23, Thanksgiving Day. Mrs. Parker will be honored with a birthday reception Sunday, November 26, from 2 to 4 p.m. at the First State Bank Community Room by her son and family, Mr. and Mrs. C.T. Parker, Jr. and daughter, Susan of Ballinger.

All friends of Mrs. Parker are cordially invited to attend.

Lisa Harris - Phillip Mahaney To Wed Thanksgiving Day

Mrs. Sue Enciso of Dallas, Texas, announces the approaching marriage of her daughter, Lisa Harris, to Phillip Mahaney, son of Mr. and Mrs. S.L. Mahaney of Cisco. The ceremony will take

place Thursday, November 23 at 11 a.m. in the home of the bride - to be's grandparents, Mr. and Mrs. A.D. Jenkins.

After a short wedding trip to Austin, the couple will make their home in Cisco.

Are you having trouble with mice or rats in or around your home or barns? Do mice eat and destroy your feed and grain? Ways to eliminate rodents will be the topic of a Fish and Wildlife Specialist at the Rodent Control Demonstration to be held in Ranger.

The control program will include controlling rats and mice with traps and bait. Instructions will also be given on rat - proofing structures and how to remove sources of food and shelter.

Everyone with rodent problems is urged to attend the demonstration. The demonstration is sponsored by the Texas Agriculture Extension Service and the Ranger 4 - H Club. The Ranger 4 - H Club will have bait for sale to the public.

The demonstration will be held Tuesday, November 28th, at 1:30 p.m. at the Ranger Airport directly behind (to the east) of Ranger Junior College.

On Saturday, November 4th, Jo Ann Stroebel, Nimrod 4 - H Club attended the District 4 - H Council meeting in Glenrose, Texas. Following the brief business session all the delegates participated in a recreation workshop. The group then toured the home of Robert Summers, a Glenrose artist. Mr. Summers displayed and talked about some of his works. The Glenrose Museum

was the next stop where everything from arrowheads, dinosaur bones and an old still were displayed. Everyone then traveled to Dinosaur Park and gazed at replicas of the huge monsters that walked the earth millions of years ago. Footprints three feet across in solid rock were evidence of creatures presence in the long forgotten past.

The Adult Leaders Association at its November meeting made plans for the upcoming County Wide 4 - H Christmas Party. The party will be held in the Cisco High School Gym on Saturday, December 2nd. Square dancing and games will be the entertainment. The counties Junior Leaders will help in leading the recreation. The Junior Leaders Association met Saturday and made plans for the party. All 4 - H members and parents are urged to attend.

Each family is to bring enough cookies for their family. Drinks will be provided by the Adult Leaders Association.

The Adult Leaders elected officers for the 1973 term. Elected were: President, John Schlittler of Rising Star; Vice Presidents, Mae Plowman of Eastland and Bobby Tucker of Carbon; and Secretary - Treasurer, Twila Carlile of Nimrod.
