Carroll Lanier Addresses **Saturday Club**

The Saturday Club began the meeting with the invocation by Emma Jean Steel.

Mary Clark introduced the speaker, Carroll Lanier, assistant superintendent of Girlstown, U.S.A.

Mr. Lanier gave the history of the institution, which was founded in 1949 at Buffalo, Texas, with 9 girls. The second organization opened at Whiteface in 1967 with 25 girls. The next location was Austin in 1967 with 32 children, and the fourth addition opened Lubbock in in September, 1979. Borger has replaced the Buffalo locale.

Girlstown, U.S.A. is supported by private individuals interested in youth and also by civic organizations as the Lions Club, Kiwanis, and Shriners, as well as sororities. The four locations serve children from inthrough fancy

graduation--children who are crippled, not physically, but because they have no parents to care. "We are making

responsible citizens, and that is what it is all

about. Continued Inside of Sharon Ann Geye. She was killed in a plane crash in St. Croix while on a church mission to aid island residents along with other Big Country missionaries and her former pastor. The plaque was presented to her husband, Terry along with their two children. Debbie and Brandon. Helen Donham, also present during the ceremony. Terry placed the plaque on the interior wall of the activity center. Pastor R.D. Williams led the prayer of the dedication, and concluded the ceremony with a benediction. The building was open during the afternoon for public viewing.

Pecan Growers To Hold

Queen Pagent Dec. 1

A Pecan Queen Pagean will be sponsored by the Eastland County Pecan Growers Association in connection with the annual pecan show in December. The pageant will be a special event to take place at 7:30 p.m. December 1 in the Cisco Junior College Auditorium.

Mrs. Joyce Easley of Rising Star is Chairman of the Pageant committee and is now making plans for the special event.

Organizations and businesses are encouraged to sponsor a girl in the contest. Each sponsor will be required to pay a fee of \$10 to furnish items the contestant will need to represent the sponsoring business or organization. Each contestant will wear a banner with the name of her sponsor during all her stage appearances. Each girl will receive publicity through news papers and radio along with the name of her sponosr. The girls will carry a red rose during their formal presenta-

tion on stage. The following rules and regulations will apply to the contest: 1. Contestant must

be between the ages of 16 and 19 as of July 1980, (date of state pecan queen contest).

2. Contestants must be single (and never been married) and her home must be in Eastland County.

3. The winner will be expected to represent Eastland County at the State Pecan Queen Contest in Abilene in July. Expenses to the State pageant will be paid by the Eastland **County Pecan Growers**

5. Contestants must provide a billfold size picture, head and shoulders, for publicity purposes. 6.Entry deadline is Nov. 14, 1979. Send entry form to: Joyce Easley, P.O. Box 535, Rising STar, Texas 76471. Entry fee should be included with the entry form. Entry forms may be secured from Mrs. Easley or from the County Extension Agent's office in the Eastland County

No. 629-1093. Mrs. Easley says this is a great opportunity for an organization to help Eastland County go on to become the 1980 State Pecan Queen.

Athletics Last Stronghold From The Editor

The high school athletic program is one of the last strongholds for discipline in our public schools today. The current trend toward permissiveness much is more prevalent in dress and conduct in other scholastic areas than in school athletics.

We need and must have some place in our schools where there is respect for authority and rules. We must have people who can apply them fairly and honestly and firmly. Athletics is an extracurricular activity and participation is completely voluntary. No student is required to take part unless he wants to; therefore, each competitor accepts the rules and regulartions of the school when he designates his desire to participate.

Further, the playing rules are definite, precise and must be obeyed. The official is

McCuistion has been very generous in letting us use his building as the sight for the Carnival. Seniors will be working on different activities that will be going on that night.

Last week our football team won their game against Tolar and this week we play Gorman. This will be the third district game

for our boys. Good Luck. Classes have been school. The odds are

going smoothly. In English class we have been assigned another Research Paper. It will be due next week. Last Monday we had a test in Government class, also. Two weeks ago report cards were handed out; parents have you seen your

kid's card yet? Not much else is happening. We're waiting for the senior pictures to come back. They were taken a couple of weeks ago. Our parents are waiting to

Last Friday we won our game against Tolar 13-0. The Band performed at half-time using the same drill as last week. This week we will be traveling to Gorman. Hope everyone comes to support the boys.

It's three until we go to marching contest and because of this the band will be working extra hard, and putting in a lot of extra practice. There will be two practices a week. We hope you will also be there to support us. AMY

WORDS ON THE WILDCATS

The Rising Star Wildcats rallied in the fourth quarter to beat the Tolar Rattlers, 13-0.

Jerry Lunceford scored both touchdowns for the Wildcats. The Cats showed a very strong defensive ballgame, stopping Tolar on their five and zipping down field for 95 yards to score, in just three plays. The Cats are now 1-1 on the district record this year. They will face Gorman at Gorman this friday at 7:30 p.m. Ya'll Come. **Gwynne Tharp**

LETTER TO THE EDITOR

The recent Rising Star Homecoming, on the October 13th, was one of the most memorable and enjoyable events I have had the pleasure of attending. I could not help but note the active part still being taken in both school and community affairs

by the heirs of one of Rising Star's pioneer families, the C.G. (Bill) Shults. praised by ex-student.

Mrs. Jeannine (Ballew) Childers did a beautiful job as master-of ceremonies during the business meeting and Jack Shults introduced the guest speaker and will be president of next year's activities. Virginia (Shults) Mc-Canlies was elected Homecoming Queen, (class of 1944), returned from Seattle, Washington. I would like to say a big thank you to a member of the Shults clanwho has been active, interested, and involved in the community life of Rising Star through the years.

"Neither do I condemn thee; go, and sin no more." John 8:11

Religion is man "telling" other men how to live. Christianity is Jesus through His meritorious death on the cross "showing" men how to live.

God is love. He is not will ing that any should perish. He walked the dusty roads of His day seeking out those He could save...He fed those who were hungry. He healed those who were deaf, mained and blind. He met the needs of all those who touched

Him. He gave His life freely that you might have life and have it fully. He sent the Comforter, His Holy Spirit, to dwell within you and to be your constant source of help. Jesus went early one morning into the temple. Crowds

gathered around Him and He taught them. The Scribes and Pharisees brought to Him a woman who according to the old law should be stoned because of the sin she committed. They asked Jesus, "What shall we do with her?"

Jesus replied that whoever was without sin among them, to cast the first stone. They were convicted by their own conscience. One by one they left; and Jesus was left alone with the woman. When Jesus saw none but

the woman, He asked, "Where are your accusers? Hasn't anyone condemned you?

She replied, "No man, Lord.' Jesus told her, "Neither do I condemn thee; go, and sin no more John 8:10."

Priorities should be straightened. Jesus wants you to come to Him first. Pray for Him to come into your life. He does not beat you down. He does not condemn you or criticize you in your weaknesses. He is saddened by them. If you confess to Him that you are a sinner and believe in your heart that He is the Christ, the Son of the living God, you will be saved. He is just to forgive you and he will cleanse you of all your sin. You will receive His Spirit in

fullness and it will bring you the Power to overcome all the difficulties you encounter. As you walk with Him you will grow in knowledge, wisdom and understanding. The fruits of His Spirit will show forth more and more in your life, The gifts of His Spirit will be manifested in your life. Accept Him-Fellowship

with Him-Grow in Him-and Go and sin no more.

O thou of little faith. wherefore didst thou doubt? Matt. 14:31

Christ came to this world to show that by receiving power from on high, man can liv a unsullied life. With unwearying patience and sympathetic helpfulness He met men in their necessities. by the gentle touch of grace He banished from the soul unrest and doubt, changing enmity to love, and unbelief to confidence.

It is not wise to look to ourselves and study our emotions. If we do this, the enemy will present difficulties and temptations that weaken faith and destroy courage. Closely to study our emotions and give way to our feelings is to entertain doubt and entangle ourselves in perplexity. We are to look away from self to Jesus.

When temptations assail you, when care, perplexity, and darkness seem to surround your soul, look to the place where you last saw the light. Rest in Christ's love and under His protecting care. When sin struggles for the mastery in the heart, when guilt oppresses the soul and burdens the conscience, when unbelief clouds the mind,

COMMENTARY By Myrtle Owen

I think, today I would just like to talk, if I may, of our appreciation to our many friends and loved ones. First of all I want to thank my most precious Friend, Jesus Christ, for His love and Grace, to me, and my family in the passing of our loved one, Doyle, Husband, Dad, and Brother. When trouble or sorrow strikes, then you find out who your friends are. Rising Star has some of the finest people any one would be proud to call Friends, there are too many to name but our prayers go out to God in yhanksgiving for friends and neighbors such as ours. We wish to express our sinsere thanks to you all, for your kindness and expression of love and sympathy by your love gifts, flowers, cards, telephone calls, visits. and the fine food, but most of all your prayers. I want to give special thanks to Dr. Carpenter, my son, James Evans, and brother-in-law, L.T.Owen, and son-inlaw Jesse for all their help, for which things I knew nothing about, or where to turn. And to our Pastor and

wife Bro. & Sis McGinn and Bro. & Sis Pruitt of Throckmorton, Mike & Jennifer for their beautiful singing. May God's richest blessings be upon you all. The Family of Johnny **Doyle Owen**

THE MOST VALUABLE OF ANIMALS, IN BIBLICAL TIMES, WAS THE ASS. IT WAS USED EXTENSIVELY FOR RIDING, CARRYING BURDENS, PLOWING ARMLANDS, AND GRINDING THE GRAIN IN FLOUR MILLS. WHEN A FAMILY WANTED TO MOVE, THEY PACKED THEIR ENTIRE BACKS OF THESE STURDY, LITTLE BEASTS AND OFF THEY'D GO!

THE HORSE WAS USED ONLY FOR WARFARE AND, IN THE ROCKY, HILLY COUNTRY OF JUDEA, IT WAS OF NO USE EVEN IN BATTLES, FOR IT COULD NOT MOVE WELL IN THE ROCKS AND RIDGES OF THE MOUNTAINOUS LAND-IN FACT, THERE IS HARDLY ANY MENTION OF THE HORSE BEING USED BY THE JEWS UNTIL KING SOLOMON, WHO IMPORTED THOUSANDS OF THEM FROM EGYPT. BUT THE ASS WAS A NECESSITY IN THE DAILY LIFE OF THE JEWS EVEN TO THE POINT OF PRODUCING FOOD-FOR MANY HERDS WERE KEPT FOR MILKING - THE SHE-ASS GIVING MILK AS RICH AND NUTRITIOUS AS THE GOAT AND COW!

NEXT WEEK: MILKING AN ANIMAL WAS DONE FROM THE REAR - THIS CUSTOM STILL PREVAILS IN PARTS OF NORTH AFRICA AND THE NEAR - SAVE THIS FOR YOUR SUNDAY SCHOOL SCRAP-BOOK -

WAS IMPORTED BY MANY COUNTRIES FOR CEREMONIAL ACTIVITIES. RICHLY BRIDLED AND SADDLED, THEY WERE KEPT BY KINGS AND PRINCES FOR THE CONVENIENCE OF IMPORTANT GUESTS AND FOR THEIR FAVORITE WIVES ! (JUDGES 5:10)

Herring has auctioned farm equipment and other goods for WTRC many times over the last 16 years. He was auctioneer at the first Cattlemen's Round-up for Crippled Children farm equipment sale at Old Abilene Town and will hold this year's sale at his auction yard at Lawn on November

10th. He first heard about the Rehab Center when a niece began receiving treatment there. "Iam enthused about somebody helping somebody who can't help themselves," he said.

"My wife is just as enthused or more than I am." Herring's son Waldon Herring hauls goods for the Rehab, without charge, and even Herring's bulldog has been auctioned to benefit the Center. No one has ever dared take the dog home, though.

"A lot of people who I have asked to give something to the Rehab have told me, But I don't need them. Well, I don't need them now, but if I ever do, I want to make sure they're here." he said. The Joint Venture

Belcher's specialty as an auctioneer is oilfield equipment. He has auctioned oilfield equipment, drilling equipment and production equipment, working with some of the largest firms in the southwest, for about 14 yrs.

All of the services by the two men will be donated to the Joint Venture for Crippled Children.

"I think the auction will be a booming success," Belcher said.

ORDON by DeMarquis Gordon

With the warm weather we have had in October it does not seem possible that a frost may be a few weeks away. However, our average first killing frost date is November 15. And as you can remember we have had a killing frost much earlier. We would like to remind livestock owners that frost can lead to prussic acid poisoning in livestock grazing certain pastures grasses and forages.

Although many plants contain the toxic material that causes poisoning, those causing the highest mortality in livestock when grazed after they have been frozen and wilted are Johnson and Sudan grasses and sorghum or hybrids of these.

The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt. Livestock should not be allowed acess to the wilted material until it has dried completely. This usually takes three or four days of good sunlight. New plant growth usually becomes nontoxic and can be grazed within 10 days to two weeks following a rain. As far as prussic acid

poisoning is concerned, the poison acts rapidly and can kill animals within minutes. In most acute cases, animals become affected within 10-15 minutes after eating toxic material and can die in two or three minutes. Symptoms may include a brief period of stimulation followed by depression and paralysis. Signs of colic may be present. Stupor (loss of sensibility), difficult breath-

Senior Citizens Bazaar Starts Thursday

Afghans, quilts, ceramics, oil paintings, and house plants will be only some of the lovely handmade items on sale at the annual Eastland County Senior Citizens Bazaar which will be held next week. The public is invited to come and take advantage of the Bazaar sales. This will be a good opportunity for the public to do some of their Christmas shopping early. The annual Bazaar will be

held on Thursday and Friday, October 25th and 26th in the Cisco Senior Citizen Center. The Bazaar will start at 1 p.m. on Thursday, and run all day on Friday. Mrs. Janet Thomas, Extension Agent,

......... ing and frequent convulsions may result. Death is caused by suffocation since oxygen remains in the blood and is not exchanged to the tissues. This also causes the blood to appear bright red.

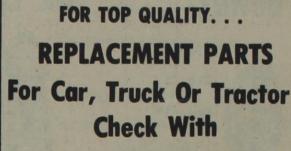

To prevent prussic acid poisoning in livestock we suggest following these steps.

1. Allow plant material affected by frost to dry thoroughly before grazing. This may require a week or more of good sunlight. 2. Feed animals hay or a

supplement before turning them in on plants that may contain prussic acid. Animals that are not hungry will not be affected as seriously by toxic material since their intake will be limited.

3. Remove all animals from the pasture if one in the herd shows any signs of poison. 4. Call a veterinarian immediately if an animal appears to be poisoned. An antidote to treat affected animals is highly efficient if given early. This product is available from veterinarians. 5. Have suspect plant material checked by the Texas Veterinary Medical Diagnostic Laboratories at College Station or Amarillo. Local veterinarians will be happy to submit samples for

you The overall key to preventing prussic acid poisoning in livestock is to be aware of plant materials that may cause poisoning and then to keep cattle from grazing such plants until a safe period had

BALL, 1979

With a nice breeze blowing from the South Rising Star won the toss and lined up to receive the ball with the wind to their back and when the teams came on to the field to play, they did not receive as recorded by the spectators. A little research as revealed that the guarterback selected the end of the field with the wind in the teams face. The kickoff by Tolar was with the wind and Cooper comes out to 35 yard line. Fortune on keeper up the middle and to the right scrambled down to the 15 yard line. Cooper goes to the 5 yard line. Rising Star drew a 5 yard penalty. Travino carried back to the 10 yard line. Then Steve Hill and Wayne Cogburn sways out the first costly penalty of which there were seven, that really stopped the Kittens drive cold. Travino caught a pass to the 20 yard line and Tolar took over on 4th down. David Willett was beginning to tear Tolars line open and they knew it. Travino shut down a run in good fashion. David Willett was on target two plays in a row and Tolar had to kick on 4th with some difficulty. The kick went deep and Cooper brought the ball out deep into the field of play. Brad Fortune was taking some hard hits as he was handing off. Brad had a pass knocked down and intercepted and then Tolar fumbled and Rising Star recovered. STOP--LOOK--LISTEN!! Robert Vaughn so many times when the pile of bodies got up from the tackle, was found with an arm full of the runners legs. Bruce Fancher, Calvin Woody and Brad Fortune zeroed in on some hard tackles and brought Tolar kicking to the 34 yard line. Cooper breaks out from a good big hole in the line and goes for a touchdown. But play was returned and Steve Hill's face was red, for 15 yards penalty. Brad was sacked on the 4th down try. Tolar on 4th down runs and Travino shut the play down. Reddy's tips on 🛞 electric safety

* When disconnecting an appliance, don't pull cord; pull plug.

Be sure each appliance has the type of cord suited to the job it does heavy duty extension cords for power tools; moisture resistant cords and plugs for outdoor equipment

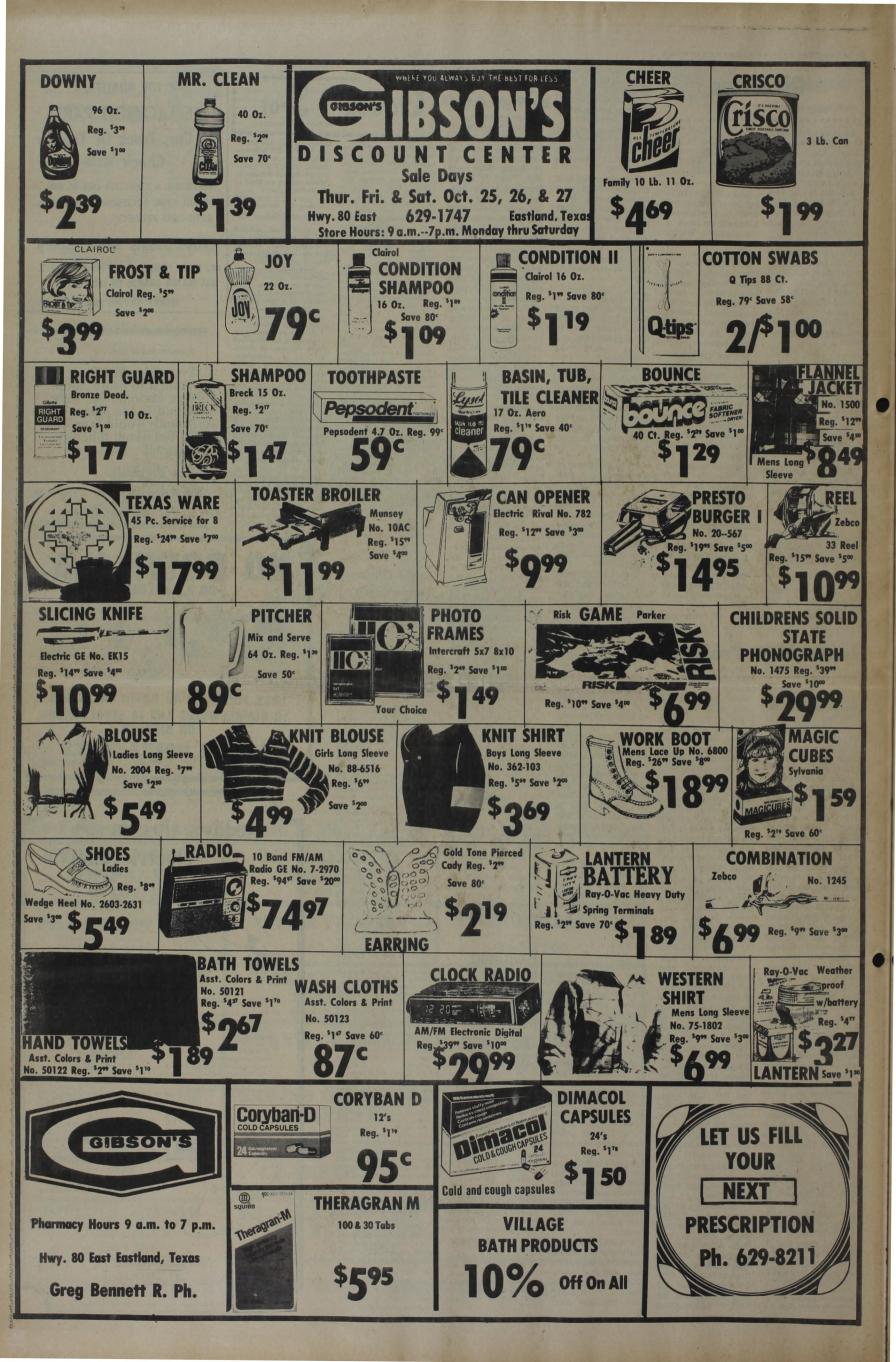

* Have frayed cords replaced promptly.

- * Water conducts electricity; never handle electric appliances or switches with wet hands or when standing on a wet surface.
- * If an appliance has a separate cord, attach cord to appliance before plugging it into an outlet; disconnect cord from outlet before disconnecting it from appliance. Store cords away from cutlery, heat and dampness

- * Don't place cords where they'll be tripped over or be subject to wear
- (under a well-travelled rug, through doorways).
- Teach children not to play with or around electric sockets or equipment.
- X Don't use an electric lawn mower or hedge clippers when barefoot, or on wet grass or hedges.

Remember, Reddy supplies the electricity-only you can use it safely!

working in Pampa, **building Texas**

Mary Duenkel, from Pampa, is one of more than 35,000 Texas Brownbuilders-men and women of Brown & Root-currently at work across the state.

Mary started work with Brown &. Root at Pampa in 1977. She's a project secretary on a power plant coal conversion project. Off the job, Mary is kept busy with the activities of her two teenage daughters. In her spare time, she enjoys gardening.

Texas Brownbuilders like Mary are proud of the part they are playing in our state's industrial and economic growth. Brownbuilders are also a source of great pride to us. Their loyalty and dedication are our most important assets.

Brown & Root's operations are worldwide in scope. A significant factor in our growth has been a longstanding policy of recognizing advancement potential from among the ranks of Brownbuilders, offering each individual the opportunity to advance according to his or her ability and merit.
