Chevron Buys Gulf, Will Add Convenience Stores in County

Chevron has bought out Gulf, transforming Gulf distributor Moore Fuel Inc. into a Chevron distributor, and now Gene Williams, who operates the distributorship, has major plans for the Eastland County area.

A chain of modern convenience stores and Chevron service stations is to be opened across the county. The stores will be Chevron Food Marts. The undertaking will be in several steps with Williams currently on step 2 after completing step 1.

The first step was the remodeling and reopening of the former Taylor Center on Conrad Hilton Avenue in Cisco into Chevron Food Mart No. 1. Improvements were made to the store and laundry, and a deli was added.

In step 2, the former I-20 Gulf station at the I-20 and Hwy. 183 intersection south of Cisco is being remodeled into Chevron Food Mart No. 2. To also attract truck traffic, diesel fuel is being added along with a small deli and snack bar. The station's bays will now be used for auto and truck tire sales and service. It will also be a state inspection center.

And yet to begin is step 3. It will include the renovation or reconstruction of the former Eastland Taylor Center into a really nice convenience store and station with a laundry. As Chevron Food Mart No. 3 it is expected to be the biggest and best store in the Eastland County Chain.

Store No. 2 should be open soon while it will probably be two months before Store No. 3 is ready.

And later there will be Store No. 4 in Ranger.

The former Gulf station on Eastland's East Main is to receive canopies and some new paving. It has both full and self service pumps.

Moore Fuel Inc., the Chevron distributor, will also be trying to increase wholesale fuel sales to local farmers and businesses. In the business for 16 years, their motto is 24 hour prompt service with integrity.

The Quickstop in Rising Star will also be improved with new canopies and additional products to meet the Chevron image of quality.

Mr. Williams says that he is proud of his present, dedicated employees, some of whom have been with him since he started in business years ago. Additional employees will be hired locally as needed with 25 to 30 people to eventually be employed. Our improvements will result in better jobs and conditions for our employees too, William projected.

We want local business, so we buy and hire locally as much as we can, says Williams, who grew up as a country boy in Goldthwaite. His wife June, also a Goldthwaite High ex, helps him with the businesses.

Having operated seven stores and distributorship all

at one time in Brownwood, the Williams Family still maintains a home in Brownwood where they presently have stores and trucks operating.

Gene Williams says that he likes the friendly attitude in this area, and that he plans to permanently relocate his family in Eastland County after the spring school semester is completed. They have three daughters in high school, Brittainy, and ex cheerleader and advanced student who will be a senior, Ashley, who is active, works in the business and will be a junior, and Brooke, who likes music and will be a freshman. They are in the Brownwood schools.

While Gene is Church of Christ, June and the girls are active Baptists. They enjoy snow skiing and travel. He is a Texas Real Estate broker and belongs to some affiliated organizations.

Williams has been in the fuel distribution and convenience store business since '74. From '74 until '80 with Chevron, and for 5 years with Fina. He has also been in oil production and has oil interests.

We are proud to be in the area and are looking forward to moving here and becoming a part of the community, says Williams, who expects his daughters to also take advantage of the local Jr. College in the future. He is not a stranger here however, as he sold gasoline in Cisco and Eastland 8 or 10 years back. He has also sold fuel in Rising Star.

We want to make the stores what you want and we will try to get what you want, says Williams. We will treat you well and we are dedicated to improvement. Our employees will also be sent to Chevron schools for training to provide quality and economy in the services we offer you, Gene Williams continued.

Fiddlers Meet in Eastland Saturday

A day filled with entertainment is planned for the Texas Old Time Fiddler's Association Benefit at the Majestic in Eastland on Sat., Feb. 3. Players on fiddles, guitars and other stringed instruments will begin at 11 a.m. and continue until 5 p.m. There will be no charge for the music.

Robert D. Weeks of Eastland, host of the event, says that top musicians from all around the state are expected to attend. Weeks, a member of the Board of Directors for the Association, says that other Directors and Association President Jim Day are also expected to be in town.

Out of town fiddlers will include Jimmy Don Bates of Burleson, a State Champion. The Westmorelands of Comanche County, Bill Gilbert, Gene Brown, Calvin Buckner are others expected to live up the day.

Award winning guitar players are making plans to attend. These include "Wild Bill" Lyles of Gatesville, who has played on the Grand Ol' Opry. Royce Franklin, another favorite, is expected to be here, as well as Kenneth Norris of Burleson.

A number of local musicians are also listed on the program. Roy Thackerson of Ranger, nationally known "Fingerless Fiddler," will perform and draw a big crowd as always.

Members of the Weeks family, all fiddle champions, will demonstrate their award-

winning styles. The Weeks boys, Brandy, 10 and Robert, Jr., 12 and their father Robert Sr. will be joined by the youngest fiddler in the family-6 year old Rebeckah. Raymond Hart and Gerald Willis will accompany the Weeks on guitars.

Al Anderson and his Band will play. Band members include Fran Logerstedt, singer, Truett Norris, Bass, Gerald Parks, piano, and Gabe Wright and Walter Myers, who will each play the guitar and sing.

Another featured vocalist for the benefit will be Cliff Andrews of Cisco.

During the day arts and crafts and other items will be displayed, and a silent auction will be held. There will also be auctioning of cakes, pies and other baked goods. The public is welcome to bring baked items for the auction. These contributions will really be appreciated.

The ladies in charge of the sales are Mrs. R. D. Weeks, Raymond Hart, James Rushing, Cliff Andrews and Al Anderson. All proceeds of the sales will go to benefit the Texas State Fiddler's Association.

A concession stand will also be open during the day, offering popcorn, candy and soft drinks.

Robert D. Weeks Sr. and others involved with the benefit invites everyone from this area to come out and enjoy the music and fun at the Majestic next Saturday.

Register By Feb. 11 To Vote In Primary Election

Citizens are reminded that the deadline to register to vote in the March 13 Primary Election is 5 p.m. Feb. 11, 1990. Those who are mailing in forms must have their letter postmarked by 5 p.m. on that date.

People who have not registered may go in person to the office of Tax Assessor-Collector Nancy Trout, or call that office and request that forms be mailed to them. Those registering must give their place of birth and birthdate in order to obtain cards. There are also some voter's

registration forms available at public places in various towns, Mrs. Trout says.

The Feb. 11 deadline meets the requirement that voters be registered at least 30 days before an election. There are presently a total of 11,002 voters registered in all Precincts of Eastland County.

Nancy Trout says that the Voter's Registration list is now being updated for the March election.

"I have really appreciated the patience of the public on this," she says. "Anyone who is registered but who has not received a card should contact this office at once."

Social Security Travel Schedule

A Social Security Representative will be at the following places in Eastland County during the month of February:

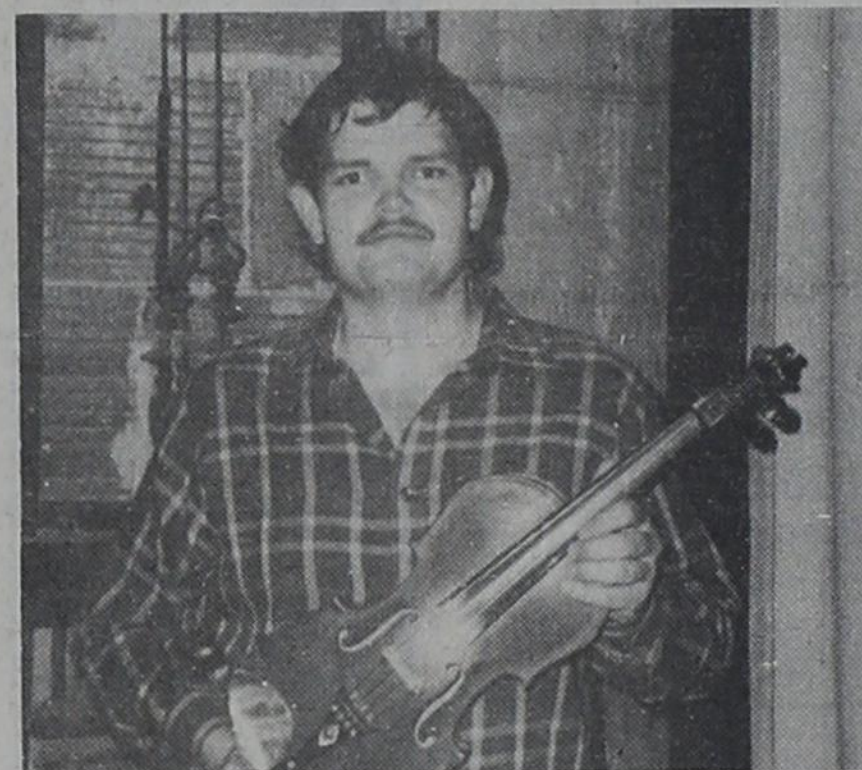

Cisco: Senior Citizen Ctr.-Wednesday, 1 p.m., Feb. 21.
Eastland: Courthouse Basement-Tuesday, 9:30 a.m., Feb. 6, Feb. 20.

You can call Social Security Toll-Free 7 days a week, 24 hours a day by dialing 1-800-234-5772. The "800" number allows you to conduct you Social Security business without waiting for a scheduled trip.

Sign up for Medicare now-before you 65th birthday!

The Weeks family and Raymond Hart will furnish some music Sat., Feb. 3 during the Texas Old Time Fiddler's Association Benefit at the Majestic in Eastland. Pictured (front row, L-R) are Champion fiddlers Brandy, Robert Jr. and Robert D. Weeks Sr. Hart (top) will accompany them on his guitar. Gerald Willis will also play a guitar with the group.

Jimmy Don Bates, Texas State Champion fiddle player, is expected to entertain during the State Fiddler's Association Benefit in Eastland Feb. 3. Bates is from Burleson, Texas.

Pee Wee Basketball Continues Tonight

The turnout was great Thursday night at the Pee Wee basketball games, which are being sponsored by the Seniors.

The results of the games are as follows: Shelly Bailey's 4-5 grade boys tied Debra Cooksey's 4-5 grade boys in the first game, Shannon Stateville and Derrick White's 2-3 grade girls defeated Shelly Bailey's 2-3 grade girls in the second

game, Debra Cooksey's 4-5 grade girls outscored Shelly Bailey's 4-5 grade girls who hope to make a comeback this week, and in the last game Shelly Bailey's 4-5 grade boys overpowered Debra Cooksey's 4-5 grade boys in what was a very exciting game.

The Seniors hope to see all of you there February 1 and 8, to cheer on your teams!

And don't forget about the concession stand and those great hamburgers!!!

City Of Rising Star To Receive Grant For Park

Senator Bob Glasgow (D-Stephenville) has been notified by the Texas Parks and Wildlife Department that a grant has been awarded to Eastland County.

"The amount of the funding," said Senator Glasgow, "is \$127,767 and will be used for Williams Park in the City

of Rising Star for development of picnic and recreational facilities."

"I am delighted to learn that this grant has been awarded for these needed facilities, and I know the citizens of Rising Star and the surrounding areas will also be very pleased," Senator Glasgow continued.

THANK YOU

FRIENDS ARE SPECIAL
I would like to thank each and every one for the beautiful cards, food, the visits, telephone calls and your loving thoughts of me while in the hospital and convalescing at home. With your prayers for my recovery, and with my faith and hope from God, a miracle has happened. It truly is a miracle - the doctor has given me a clean bill of health. All that is lacking is my strength, and with God's help I am gaining strength every day.

Again, thank you from my heart.

USDA Sets Peanut Quota

WASHINGTON - Under Secretary of Agriculture Richard T. Crowder announced on Dec. 15 the national peanut poundage quota of 1,560,000 short tons, or 3,120 million pounds, for the 1990 marketing year. The quota is 120,000 short tons more than the 1989 quota.

Crowder said that the U.S. Department is required by law to announce the final national poundage quota for the 1990 marketing year by Dec. 15.

As required by the Agricultural Adjustment Act, as amended, that national poundage quota for the 1990 crop has been set at a level that is equal to the

estimated quantity of peanuts that will be devoted to domestic edible uses, seed and related uses in the 1990 marketing year. The marketing year begins Aug. 1, 1990.

The 1990 crop national poundage quota will be allocated to each state based on the state's share of the 1985 crop national poundage quota.

Increases in a state's poundage quota will be allocated among qualifying farms in accordance with prescribed procedures.

In a January 1986 referendum, peanut growers approved poundage quotas for the 1986-1990 crops.

ASCS News Gordon Spot

By DeMarquis Gordon, County Agent—

Another Texas hunting season is over. Hunting lease operators are preparing to close their books on this year's hunts and make plans for next year. Lease hunting occurs throughout Texas, but lease operations vary considerably. Many lease operators would like to know how others are providing services and facilities, managing game animals, protecting their operation, pricing their leases, and the range of lease charges. How can they obtain this information?

Beginning January 22, 1990, all 12,500 hunting lease operators in Texas will receive a one-page survey that asks for answers to these questions. The survey is easy to complete but of most importance to hunting lease operators will be the results. Finally, they will be able to compare their lease operation with others in the county and state.

This study is a cooperative research effort between the Texas Agricultural Experiment Station and the Extension Service. County agents are helping get an excellent response rate by supporting this study and answering questions their lease operators may have about it. The value of the information to hunting lease operators will be directly related to the number of surveys returned. The Extension Service will provide county/state data

results to each County Extension Agent for your area of interest. They will receive the results that compare their personal operation with others in the county and state. This information should help operators and land owners improve their hunting lease programs.

Hunting lease operators that have multiple permits will be sent a survey for each permitted area. Each area under permit is described on the survey by acres and/or name — exactly the way it was described in the permit application. Some operators or landowners may receive from two to 22 surveys in one day. It is important that each survey for each permitted area be completed as a separate acreage. All hunting lease operators that have four or more permitted areas have been contacted about the study and that they would be receiving a lot of mail the third week in January.

The Texas hunting lease system has been in operation since 1929. There has never been a statewide study of how lease hunting contributes to wise management of the wildlife resource. Other states are beginning to consider lease hunting as an alternative to traditional agricultural land uses. The results of this study may demonstrate that lease hunting on private land is a practical and sensible alternative.

Congressman Charles W. Stenholm News

Congressman Charles W. Stenholm testified today before the House Subcommittee on Transportation and Hazardous Materials in support of legislation, H.R. 3735, which would give state regulatory agencies more flexibility in meeting landfill regulations proposed by the Environmental Protection Agency (EPA).

Stenholm, who is an original

landfill closures and post-closures. The Congressman explained that the proposed rules, if implemented without change, would be financially devastating to small and rural communities.

H. R. 3735 would authorize an approved state regulatory agency to grant variances from standard permit conditions if it could be demonstrated that there would be no significant adverse effects on human health or the environment as a result of the variance.

"The 17th District of Texas covers almost 32,000 square miles and is larger than eleven other states," explained Stenholm. "For most of West Texas groundwater is several hundred feet deep and precipitation levels are low, so percolation to the groundwater is extremely slow. Consequently, the potential

for groundwater contamination or environmental degradation from municipal waste disposal is quite low."

Stenholm added that most rural communities in West Texas cannot afford to fully comply with the EPA's proposed regulations. He said the low population density and related low waste volumes requiring disposal do not economically support the concept of regional integrated waste management facilities.

The EPA is expected to

release its new landfill regulations by late spring.

Texas Animal Health Commissioners Broaden Test Areas; Require Cattle Dealers To Maintain Records

Commissioners for the Texas Animal Health Commission (TAHC), meeting in Austin in December, gave TAHC personnel broader authority to test cattle herds

suspected to be at high risk for catching brucellosis from infected herds nearby. Brucellosis is an incurable contagious, bacterial disease that can cause cows

to abort, deliver weak calves or produce less milk.

Texas is part of a nationwide brucellosis eradication program and must reach strict standards set by the U.S. Department of Agriculture (USDA) for "cleaning up" the disease by October 1990.

TAHC commissioners expanded TAHC testing authority to include not only "adjacent" herds, but also outlying herds determined to

be at risk. Currently, the TAHC has 643 herds in Texas under quarantine because of the disease. Infected animals must be slaughtered (the meat is safe to eat), and the other cattle in the herd must remain under quarantine and undergo tests until the herd is declared free of the disease.

In response to recent statutory changes by the Texas Legislature, TAHC Commissioners also clarified the definition of cattle "dealers" and their requirements for record keeping. A "dealer" is a person who buys or sells cattle in commerce on his own account, or as an employee or agent of the vendor, the purchaser, or both, or on a commission basis. This includes livestock markets and commission merchants. (The definition does not include persons who buy or sell cattle as part of their own breeding, feeding, dairy or stocker operations.)

To aid in tracing the origin of cattle, in the event of a disease outbreak, dealers are to maintain records on cattle that are parturient or postparturient (ready to calve or have calved), or 18 months of age or older. Records are to show the seller's name and address, county of origin, number of animals, and a description of each animal, including sex, age, color, breed, brand, and individual identification, such as ear tag, bangle tag, backtag or tattoo numbers, or brand. Livestock auction and commission firm records also are to show the delivery vehicle license number.

The TAHC Commissioners eliminated the requirement that quarantined pastures for brucellosis-exposed heifers remain vacant for two months after the pasture permit expiration date. The pastures are specially designated only for heifers that come from brucellosis-infected herds and who are too young to send to a quarantined feedlot.

Permits for quarantined pastures will continue to be issued for eight-month periods. However, before the permit expires, the owner-operator may reapply, and a representative of the TAHC or USDA will make an inspection of the premise and the S*-branded-brucellosis-exposed heifers still in the

TEXAS PRESS ASSOCIATION

AUSTIN—The Texas AFL-CIO dominated the political AFL-CIO convention without endorsing any candidates, a first in Texas history.

Now onlookers are watching to see if this odd move will make labor more of a power this election, or less.

According to labor union rules, members cannot campaign for a candidate after the convention endorses his/her opponent.

No endorsement this year means the entire delegation is not hitched to any candidate, or even any party, and can work for any campaign, except Mattox for governor.

Rules say they can't campaign for Mattox, since he sought and narrowly lost the official endorsement. Mattox supporters say they will ignore the rule.

Until now, labor has always endorsed a Democratic slate selected by labor's political committee and run up the flag pole for membership approval.

Realistically, when Texas AFL-CIO president Joe Gunn said he didn't want Democrats to take labor for granted, he wasn't thinking of switching parties.

But some Republicans made overtures, and the door is open if renegade organizations want to cross over.

No Leaves At All

The unusual convention results left two top candidates with half-a-loaf and most candidates with no

official loaf at all:

■ State Treasurer Ann Richards claimed a moral victory in stopping Mattox short of the two-thirds needed for endorsement;

■ Mattox, who won 58 percent of delegate support, scored a majority victory and boasted that Richards and former Gov. Mark White are now reduced to a "stop Mattox" mentality;

■ Potential backfire: Richards may be taking some back room heat, because Mattox and others blame her for closing down the convention before members could endorse Democratic stalwarts like Jim Hightower, Garry Mauro and John Sharp.

If enough union members defect to the GOP this year, the heat could turn into hits.

After Mattox lost the roll count vote, he said he was negotiating for "something less than endorsement," which the Richards faction squelched by rushing to adjourn the convention.

■ Among the losers: White's former aide John Odam and Harris County Treasurer Nikki Van Hightower, who had won the committee's approval for attorney general and treasurer, respectively.

■ Two gainers: San Antonio state Rep. Dan Morales, candidate for AG, who gets another shot at wooing union votes away from Odam; and Armando Guittierrez, candidate for treasurer against Van Hightower.

White's support showed him a minor player while Mattox and Richards fought it out, even though one pollster had White the frontrunner.

But if White makes the runoff and seeks a deal with the third place finisher, he won't have to hurdle animosity.

Black Vote Victory

Mattox scored a small victory in wooing black voters when death row inmate Clarence Brandley was released on bond from prison.

Civil rights activists have argued for years that Brandley, a black janitor convicted of rape-murder 10 years ago, was rail-

roaded in a racist trial.

Before Christmas, an appeals court ordered a new trial for Brandley, but he languished in prison over the holidays until Mattox said he should go free on bail.

Coincidentally, on the day Brandley walked free, a Brandley co-worker and key witness in the trial was charged with sexually assaulting two young girls.

Hobby, Lewis Rip Agency

Lt. Gov. Bill Hobby and Speaker Gib Lewis had sharp criticism for state health department officials whom they contend have grossly mismanaged a program to aid seriously ill and handicapped children.

Robert Bernstein, State Health Commissioner, said an emergency \$12.5 million is needed or he'll have to reduce aid to thousands of youngsters.

Hobby told officials "to clean up their act and report back," and not to make cutbacks yet.

"They have mismanaged a major program in a reprehensible way," Hobby said.

"Year after year, the Legislature gets blackmailed by some agencies who do not use their budgeted funds properly," Lewis said.

WTSU Merger Conflict

West Texas State University regents chairman Boone Pickens and state higher education commissioner Kenneth Ashworth crossed purposes last week over merger of WTSU into a larger system.

Pickens said he wanted the higher education board to approve a merger into the Texas A&M system, which they did later.

But Ashworth, seeking diversification, prefers a merger with Texas Tech University to keep A&M and the University of Texas from becoming the two, and two only, giants of higher education.

Parks Official Quits

Longtime Parks & Wildlife director Charles Travis resigned after 11 years with the agency.

Travis, 53, was first employed in state government 30 years ago in the governor's budget office.

New screening for lung cancer is expected to detect the disease much earlier. It uses monoclonal antibodies to note changes in bronchial cells. Testing is being done at the National Cancer Institute, Johns Hopkins University and the University of Pennsylvania.

Another advantage of high-fiber foods is the presence of phytic acid, which slows down starch digestion and release of glucose. Diabetics and hypoglycemics reap benefits.

Diuretics that contain thiazide may slow down the process of osteoporosis, says an epidemiologist at Vanderbilt University in Nashville. The drug may reduce calcium excretion in the urine.

New device uses ultrasound and a thin wire probe to help open clogged blood vessels. The designer, a professor of Medicine at UCLA, reports good results in animal studies.

New therapy for gum disease would insert antibiotic-coated threads into gum pockets. FDA approval is being sought now.

Best protection against gum disease is good dental hygiene. You'll find everything you need, from toothbrushes and floss to the latest power devices at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347. cer104

Senior Center News

We had 29 people for the Meals on Wheels luncheon Monday. We were glad Anna Lovell was back with us.

We were sorry to hear about Martha Irby passing away. Our sympathy goes out to the family.

Ladell Key has been ill the past few days. We missed her at the center.

Marion and Marjorie West visited the Cisco Senior Citizens club Wednesday. Last Saturday they visited Marjorie's cousin, Beatrice Allen of Brownwood.

Netha and Martha Carouth recently attended a funeral in Abilene for Martha's aunt, Winnie Williams, her father's sister. She saw several nieces and nephews she hadn't seen in 20 years.

Netha Carouth and family of Cross Plains ate supper Thursday night with Martha.

Betty Raybon spent the weekend in Odessa where she visited her son Weldon Evans, and her friend, Pat

Carver.

Joe and Evelyn Ward's visitors this past week were Evelyn's niece, Becky Cantrell from Austin and daughter, Juanita and her husband, Bill, from Midland.

Marion and Marjorie West were taken out to the Chinese Restaurant in Brownwood Sunday after church to celebrate Marion's 82nd birthday. In the party were Oliver, Belinda, Amy and Olivia West and Juanita and Christina Hollis of Clyde. It was an enjoyable day for all of us.

Edith Bostick spent Monday night with her daughter, Beverly Moore, in Abilene.

Berna Lee Chick and daughter, Lee Ann Whitten drove to Del Rio and brought Donna Priest here for last weekend, and took her home on following Tuesday. The trip doesn't get any shorter, the oftener you go

Have a good week!!

Obituaries

Ozella Holland

MAY - Ozella Redwine Holland, 94, died Jan. 23 in Fort Worth. Services were held at Lucas Funeral Home in Fort Worth, with graveside services at May Cemetery. The Rev. Charles Clary officiated.

Born in Sidney in 1895, she was married to Merritt A. Holland, who died in 1954. Two sons, Henry Wayne Holland of Brownwood and Edward Allen Holland of Portland, Ore., also preceded her in death. She lived in Brownwood from 1911 to 1950, then moved to Fort Worth. She was a member of Oakhurst Baptist Church in Fort Worth.

Survivors include a daughter, Pauline J. Boswell of Arlington; five grandchildren; and nine great-grandchildren.

Christopher Gordon

STEPHENVILLE - Christopher Dale Gordon, infant son of Dale Gordon and Cynthia Peleberg, both of Stephenville, died Friday at a Fort Worth hospital. Graveside services were held at 1 p.m. Sunday in Gardens of Memory Cemetery with the Rev. Jack Fowler officiating, directed by Lacy Funeral Home.

He was born in Fort Worth.

In addition to his parents of Stephenville, he is survived by his grandparents, Denny Gordon Sr. of Rising Star, Earl Peleberg of Denton, and Sarah Peleberg, Barbara Knapp, Janet Gordon and Floyd Murray, all of Stephenville; and his great-grandparents, Gladys Dickinson and Reese Dickinson, both of Burleson, and Blanche Hemen and Joe Hemen, both of Proctor.

Billy M. Walker

MAY - Billy Myrtle Walker, 73, died Sunday at 5:50 p.m. at a Brownwood nursing center. Services were at 2 p.m. Wednesday at Higginbotham Chapel in Rising Star with the Rev. Dick Williams officiating. Burial was in May Cemetery.

Born March 1, 1916 in Blooming Grove, he had been a resident of Brown County 10 years. He was a retired oilfield worker and a Baptist.

Survivors include five daughters, Shannon Barker of Rising Star, Jean Beam of May and Kathy Seay, Connie Oliver and Joyce Walker, all of Seminole; six sons, Jimmy Walker of Arlington, Bobby Walker of Arkansas, Ernest Ray Walker and Billy Don Walker, both of Seminole and Stanley Walker and Scott Walker, both of Houston; 27 grandchildren; and eight great-grandchildren.

Dr. Carpenter's Office Sponsors Breast Cancer Detection Unit

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer during her lifetime. Every year over 37,000 women die as a result of breast cancer.

According to a spokesman from the Regional Breast Care Center at Women's and Children's Hospital in Odessa, "The death rate from breast cancer could be drastically reduced if women would have mam-

mograms done before a problem exists." By using modern state of the art x-ray equipment breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90-97% survival rate. However, a woman who is not diagnosed until a lump can be felt has approximately a 50% survival rate in five years.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a mobile breast cancer detection unit will be made available to local women.

On Sunday, February 4, the mobile unit will be parked at Dr. Carpenter's Office, 413 West College, Rising Star. Appointments may be made by calling 643-3141.

For more information you may call the Regional Breast Care Center at Women's and Children's Hospital at (915) 334-8888/561-9999.

Pioneer Patchwork

By Irma Miller

Some residents of the Pioneer community received over 3 inches of rain and some received 4 inches. The quilters finished the Double Wedding Ring and worked on a Log Cabin. We were so glad to welcome Jean Alexander back, and she is getting around well on a 4-legged, 2-grip walker. We are still looking for Lou Grider to come back some day. Visiting briefly in the afternoon were Lillian Parsons and Maizie Smoot.

Jean Fore went to Brownwood last week and spent the day with Estelle Huntington of Brady and Norma Jean Inabnet of San Antonio, enjoying shopping and lunching together.

Lottie Sooter had overnight company, Loretta and Wylie Baker from Missoula, Montana, Friday night.

Jewel Foster went to Clyde Monday to attend the funeral of her daughter-in-law's mother, Mrs. Lemay. Jewel saw and visited with many of her old friends and had fellowship with her grandchildren while there.

Frankie Smith and Jean Fore went to Ranger Saturday and ate lunch with Frankie's sister, Dorothy Rogers, at a favorite spot. They all visited with Frankie's father, Perry Vin-

son, in the nursing home.

Irma Miller came back from the AARP tax school in Cisco. Irma's and John's son, David, of Houston area, came to visit and brought his two children, David Keith and Elizabeth Ann, who are staying here to finish out the school year in Cross Plains while their mother is recovering from her illness. They are enjoying going to school in Cross Plains.

Nell Fleming reports that they took Joe back to the doctor on Wednesday of last week and his report was good, except that his blood pressure was low.

Nell visited Jean Alexander Monday afternoon. Sam Fleming of Cross Plains came and visited Sunday. JoVeda and Bill Watson of Byrds Store, being their usual helpful selves, came Monday and pruned the fruit trees for Joe and Nell.

Novilis and Cleo Barton were visited late in the week by H.A. and Billie Freeman.

Gladys Sessums says she has been visiting during the past weeks in Fort Worth, Lancaster and Cherokee County.

Jean and Jim Alexander's only out-of-town visitor was Jo Clare Cullars of Breckenridge.

CALL TO CHRISTIAN CITIZENSHIP

by Darrell Dossey

1 Peter 1:13--"Submit yourselves to every ordinance of man for the Lord's sake...."

Small children watch as their father makes sure there is no highway patrolman near before he exceeds the speed limit.

An indulgent mother "pulls strings" to get her pampered son, aged 21, out of the Army.

A young businessman cuts corners in figuring his income tax.

A college student gloats over a mistake of a few dollars made in his favor by a restaurant cashier.

A teenager "runs up his age" in order to be issued a marriage license.

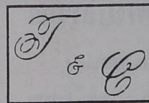

All five of these people may profess Christ as their Lord; yet all five have rained in their duties as Christian citizens. Each of them has sought to be an exemption to the law rather than an example.

Even in our day most of man's laws are based on God's principles of honesty and love. Therefore, when we violate man's law we reveal our own lack of submission to God's authority over us. We must pray for laws to be based on God's laws and for willingness to obey them "for the Lord's sake."

We cordially invite you to worship with us at the First Baptist Church. Lessons for Sunday, Feb. 4, a.m.: Book of Acts (lesson #11) 4:5-8 "The Boldness of the Spirit; p.m.: Matthew 7:13-23 A Religious Hell.

Queens of the Court
by Shannon Stuteville

A prosperous week for the Ladies put their district record at four wins and three losses. Victory belonged to the Lady Cats as they outscored Carbon, 60-12. Jr. Wendy Green led the scoring with 29 points while Sr. Shannon Stuteville added 9; Soph. Jomy Clark put in 7 points, Sr. Becky Walker had 6, Frosh Jo Linney sank 3 and Soph. Betty Jones scored 2. The team showed improvement on both ends of the floor and were able to increase their lead evenly throughout the game.

A road game in Sidney on Friday was the perfect ending to a successful week. The Ladies in blue outscored their opponents by a margin of 50-24. Again Jr. Wendy Green was the top scorer, this time with 27 points, and close at her heels was Soph. Stephanie Sizemore adding 16 points from the post position. Gherda Williams sank two baskets while Sr. Shannon Stuteville scored 2 and Sr. Becky Walker had 1 from a free throw.

Even more improvement was made and hopefully the games this week will go as well as those two. Way to go, Lady Cats!

A hard schedule began Tuesday as the Ladies faced Gorman in Rising Star, then they will travel to Lingleville on Friday for a 6:30 tipoff. The last game of regular season play will be February 6 against May in the Rising Star gym. Be sure to come and support the Ladies at Lingleville and against May!

'Cats on the Court
by Roanen Barron

The Rising Star Wildcats won another District game against Carbon, Tuesday, Jan. 23. Carbon made a better game of it this time, but the Wolverines still fell short, 49 to 43.

The 'Cats' win streak was short lived. Friday the 26, they traveled to Sidney to face disappointment at the hands of the Eagles. The Wildcats were up at the half, but the Eagles turned it on in the third and went ahead by 10. They continued to hold the lead through the end and beat the 'Cats 59 to 43.

STATS FOR BOTH GAMES:

Scoring: Wilson 2, Evans 10, S. Bailey 15, Long 25, Gey 1, B. Bailey 29, White 11

Rebounds: Evans 6, S. Bailey 15, Bible 1, Long 15, Gey 14, B. Bailey 8, White 6, Barron 1

Turnovers: Wilson 1, Evans 6, Hill 1, Long 3, Gey 5, B. Bailey 4, White 5, Barron 1

Recoveries: Evans 5, S. Bailey 2, Bible 1, Long 5, Gey 1, B. Bailey 5, White 7

Assists: S. Bailey 1, Long 2, B. Bailey 2, White 9, Barron 1

Fouls: Wilson 1, Evans 5, S. Bailey 3, Hill 2, Bible 1, Long 4, Gey 6, B. Bailey 2, White 9, Barron 1

F-Throws %: Wilson 0/2, S. Bailey 1/2, 50; Long 7/19, 37; Gey 1/3, 33; B. Bailey 3/6, 50; White 1/3, 33

The Wildcats continued their District circuit by playing Gorman here Jan. 30. It will be on to Lingleville on Feb. 2 then back in Rising Star Feb. 6 to take on the May Tigers. This will be a tough week for the 'Cats and they will really need to have your support.

Jr. Cats

by Becky Walker

The Jr. Wildcats literally gave it their best shot against Lingleville Monday night, scoring 35 points to the Cardinals' winning total of 48.

Action centered under the goal where team posts, Jarod Horton and Wid Keeling, dropped several shots in the bucket and landed a number of rebounds as well. Other team players did a commendable job at working the ball into these two powerful posts and really put the pressure on the other team's offense out front.

The Jr. team began to pay for their aggressive maneuvering on defense as fouls caught up with them in the third quarter. Jarod Horton's foul trouble forced him

to the bench in the third quarter and he was joined by Mackey Elliott in the fourth quarter.

Despite this handicap, the replacements from the bench did an outstanding job, and the guys out front got hot on the rims for a spell.

Scoring for the Jr. Wildcats were Wid Keeling 13, Jarod Horton 10, Chris DeLong 6, Aaron Jones 4 and Mackey Elliott 2.

Next week's game will be the final one of the season as the Jr. Wildcats host the May Tigers February 6. Everyone come out and watch the Jr. performers put on their final show.

School Scoop

by Wendy Green

Well, well, well. I guess some certain May girl and RS guy were the start of something special. Okay I know you want to know who it was - D.A. and Jamie L. (from May) I don't know for sure but they were riding around Saturday night with S.B. and L.D. (another May Bum). He would have ridden around around with her Friday night, but she was with her old flame J.R.

I want to know why the Secret Romancers just can't get along anymore? Oh well, who knows and who really cares?

What Jr. girl and what Fish guy can't keep their hands off of each other? Was she sitting in his lap?

Where were you Sunday afternoon during the Super-bowl? Well, there were several party goers at the Superbowl party held at some certain home of an ex-Wildcat. I think half of RS and half of CP showed up to make it a full house. Monday morning someone had mistakenly forgotten his pickup, and it was parked across the street at the neighbor's. Oh yeah, they even had a live band or at least a one-man band. All I can say is if you weren't there, you're one of the lucky ones!

What Soph. girl was very surprised when she came home Saturday to her sweet sixteen party? Question is: Is she sweet sixteen and never been kissed? Well, happy birthday Stephanie!

What Jr. girl's dad's had a birthday Monday? Mine turned the big 40! How old is your TV?

Jr. Lady Cats

by Becky Walker

Improvement in all areas was plainly evident for the Jr. Lady Cat team as they presented a real challenge to one of the toughest teams in the district, Lingleville's Lady Cardinals.

Accuracy in hitting the goal improved and the local girls achieved a 23-point game total. Teamwork, with everyone on the court paying attention to passes and hustling on defense, made a tremendous difference in working for the open shot.

With these combined efforts, the Lady Wildcats were never far behind and they held the Lady Cardinals to a winning score of 34.

Scoring for the Lady Cats were Brandi Harris 12, Inga Williams 4, Emily Stuteville 2, Misti Bailey 2, Olivia West 2 and Christy Hughes 1.

The Jr. Lady Cats will play their final game of the season at home against May on February 6. Let's all show appreciation for the striving ambition and team spirit these girls have displayed throughout the season.

There is hope for all you short but beautiful women. No Miss America has ever been six feet tall!

For our readers who are expecting to hear the pitter-patter of little feet soon, and have not yet picked out a name: May we suggest that you name the child-to-be Blumenthal (it means "Blossom Valley").

Did you know that in Texas, a horse has the right-of-way in any traffic situation. Also, according to the laws of Massachusetts, it is illegal to use tomatoes in clam chowder. These are known as "Gotcheha" laws and it would be wise to observe them. You never know when you might encounter a horse coming off of an interstate exit, or a copper testing your clam chowder.

County 4-Hers Do Well in Fort Worth Stock Show

FROM: SCOTT HODGES, COUNTY EXTENSION AGENT

The Gerhards and Keiths have set the pace for the 1990 show season. Fort Worth was first on the list and Eastland County 4-H brought home a bucket full of awards. In the Limousin heifer show the Gerhards took charge quick. Kerstin Gerhardt showed her heifer to a second place finish while Garrett and Grayson both stood at the top of their classes in first place. When the champion and reserve champions were picked half the ring belonged to the Eastland County 4-H. Even though the championships escaped us this time, Houston is not far away and these three have their sights set on a championsip finish.

In the goat show it was the Keiths turn to show excellence. In the weather goat show it was Jessica Keith

standing second in her class while Jeremy Keith followed close in the fourth position. Then came the Dairy Goat Show where the competition was extremely tough, but Jeremy and Jessica were not be out done. In the senior doe class it was Jeremy in fourth and Jessica in fifth, in probably the toughest class all day. Then Jeremy showed his way to a sixth place and first in the showmanship class.

Eastland County 4-H was well represented this past week and we look at it as a start of many great things to come. This next week April and Morgan Moylan will journey to Fort Worth with their steers to continue the winning ways. Good luck to them and good job to the Keiths and Gerhards.

ATTENTION!!!

Anyone who is planning to show a steer next year at any of the major stock shows or county livestock show needs to contact County Extension Agents, Scott Hodges or De Gordon by or before Friday, February 2, 1990, so enough validation numbers can be ordered.

Stenholm Testifies About EPA Landfill Regulation

Congressman Charles W. Stenholm testified today before the House Subcommittee on Transportation and Hazardous Materials in support of legislation, H.R. 3735, which would give state regulatory agencies more flexibility in meeting landfill regulations proposed by the Environmental Protection Agency (EPA).

Stenholm, who is an original co-sponsor of H.R. 3735, testified that this legislation would do much to alleviate the concerns of residents, waste management officials and local government officials in West Texas and other rural areas who are trying to meet the EPA's proposed landfill regulations.

"For too many years, we, as an industrialized nation, have dumped untreated chemical and municipal wastes into our landfills and waterways," said Stenholm. "I believe that H.R. 3735 will responsibly and effectively change the way our nation handles its garbage and wastes without imposing unnecessary burdens on our small rural communities."

The proposed EPA regulations include stringent requirements for landfill facility design, groundwater monitoring requirements, corrective action requirements, financial assurance rules and requirements on landfill closures and post-closures. The Congressman explained that the proposed rules, if implemented without change, would be financially devastating to small and rural communities.

H. R. 3735 would authorize an approved state regulatory agency to grant variances from standard permit conditions if it could be demon-

strated that there would be no significant adverse effects on human health or the environment as a result of the variance.

"The 17th District of Texas covers almost 32,000 square miles and is larger than eleven other states," explained Stenholm. "For most of West Texas groundwater is several hundred feet deep and precipitation levels are low, so percolation to the groundwater is extremely slow. Consequently, the potential for groundwater contamination or environmental degradation from municipal waste disposal is quite low."

Stenholm added that most rural communities in West Texas cannot afford to fully comply with the EPA's proposed regulations. He said the low population density and related low waste volumes requiring disposal do not economically support the concept of regional integrated waste management facilities.

The EPA is expected to release its new landfill regulations by late spring.

Letter To Editor

Thank you Jack Rains, candidate for Governor of Texas! It is refreshing to find a multi-issue candidate who doesn't attempt to find his political niche by taking extreme stances on complex issues. The time is ripe for Texas to have a governor with Jack's mainstream vision.

We live in too complex an environment not to recognize

that our mainstream is broadening and becoming more inclusive everyday. Jack Rains has addressed the concerns of educators, women, Hispanics, Asians, business people, parents—in fact his vision includes every Texan taking part in public policy. Thank you, Jack!

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. The cost is only \$60.00.

A mammogram can detect a cancer this small, even before it can be felt.
