YOU CAN ENJOY COOD HEALTH AND OLD AGE

Retain your good health right through your later years. It may be necessary to give the body some extra care, but this is simply routine. More attention to diet and rest can be helpful—and moderate exercise is essential.

But most important is regular attention by your doctor. He will guide you in the use of necessary medicines, which should be taken only at his direction. He will prescribe only the best medicines, such as those of Parke, Davis & Company. We invite you to bring your prescriptions here

promptly, as we are prepared to serve your every

pharmaceutical need.

This extra care can do much toward making old age your most healthful and pleasant years.
