THE WORLD Court is made Tennessee. Welcome to Texas, up of fifteen judges. The Unit- Danny! Welcome to our class, ed States has but one member. Patsy and Jerry! A majority of nine members | Happy Valentine! - Reporter of the Court may render decisions, thus making it possible that five judges, all of whom may be from foreign countries, and even from Communist nations, could render decisions for or against America.

THE SECRETARY of State, testifying before the Senate Committee, said that we should not be misapprehensive that repeal of the Connally Amendment would threaten the control of the United States over its own domestic matters. He says that domestic issues are "clearly beyond" the Court's jurisdiction. IT IS true that domestic matters are beyond the Court's jur-

isdicion, but with the repeal of the Connally Amendment, it would be up to the World Court as to whether it had jurisdic-

THE SECRETARY of State also said such matters as immigration, tariffs, and the Panama Canal should come under the International Court's jurisdicion. That is exactly what might happen should the Connally Amendment be repealed.

ATTORNEY GENERAL Rogers said that repeal would "greatly enhance the prestige" of the United Staes. It should seem clear to anyone that the surrender of national sovereignty to possibly five individuals who may be from Communist nations is a terrible price to pay for "prestige."

Talking Is All Right-

.... if you are running for office or courting your best girl, but when it comes to buying land or town properties don't let the owner talk you out of an abstract. The fact that the seller has owned the property for many years doesn't mean necessarily that his title is good. The safest plan is to get an abstract before you buy. The cheapest property on earth is too high if the title is faulty.
