# Camera Views Of Events And People In The World'sNews

This picture, made when Benjamin N. Cardozo was named to the supreme court, shows the nine members of the high tribunal, with their respective ages indicated in the circles. The president seeks to increase membership to a maximum of 15 by appoint-ing additional justices for all those who do not retire at 70. Front row, left to right: Brandeis, Van Devanter, Chief Justice Hushes, McReynolds, Sutherland. Back row, left to right: Roberts, Butler, Stone, Cardozo. (Associated Press Photo from Harris & Ewing)

C. MARCON

Chilled by wet clothing and low temperatures, these Neg.o workers on a Mellwood, Ark., levee wrapped themselves in burlap bags—the same bags they might have used to first with sand and dump on the levee. (Associated Press Photo)

Assistant corporation counsel Quin O'Brien (left), 66, admitted to Chicago police his story of being kidnaped was a hoax and that instead, he had been forced to go to Morrison, III., and marry a young woman acquaintance. The woman (right), was identified from her marriage license as Marguerite Eustice of Chicago. (Associated Press Photos)

Corydon Black, 35 (left), and his defense attorney. Emmett Byrne are shown in court at Chicago during his trial in which Block was convicted of the murder of his divorced wife and sentenced to death in the electric chair. The condemned Kansan had maintained that Mrs. Black's death from poison administered in a highball was the result of a suicide pact. (Associated Press Photo)

The Duke of Norfolk and his bride, the former Lavinia Strutt,
 20, are shown as they left the Brompton Oratory at London after their wedding. The Duke is premier Earl of England and senior peer of the realm. (Associated Press Photo)

Glenn Cunningham, running for the New York Curb Exchange, is shown winning the Wanamaker mile, feature of Milrosé games, at New York, Madison Square Garden. His time was 4 minutes, 14.4 seconds. He beat Gene Venzke by six yards. Archie San Romani came in third and Don Lash fourth. (Associated Press Photo)

Robert Johnson (above), spare time miner, was found alive but wary weak in the abandoned mine at Flemington, W. Va., in which he disappeared on Jan. 27. A feeble cry of "help" deep in the debris-filled mine led marchers to his side. (Associated Press Photo)

Formal invitation to the Latin American neighbor nations to par-ticipate in the Greater Texas and Pan American Exposition, opening June 6 at Dallas, will be taken by a flying envoy taking off February 15. President Roosevelt's emissary of lagt year in South America be-fore and during the Inter-Amer-ican Peace Conference at Buenos

Gov. Frank Murphy (left), of Michigan, and John L. Lewis, chairman of the C. I. O. are shown in Detroit as they met following the first conference with General Motors officials in an attempt to iron out differences over settlement of sit-down strikes. (Associated Press Photo)

Alumnae of century-old Mount Holyoke college have rison in protest to the appointment of Dr. Roswell G. Ham (left), of Yale as its first male head, succeeding Dr. Mary Emma Wooley (right), who coll refire next june. (Associated Press Photo) Photo)

t Roosevelt's hill to reorganize the federal judiciary oduced in the House of Representatives by Maury k (D. Tex) who is shown at his desk studying the t's message on the subject. (Associated Press Photo)

1

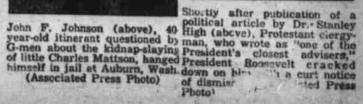

Peeking through her lashes and flicking a cigarette, Marlene Dietrich is shown as she arrived from Europe and spiked rumors of a possible divorce from her husband, Rudolf Sieber, movie director, now in Paris. (Asso-ciated Press Photo)

A. P. Murrah (above), 33-year-old Oklahoma City attorney, is among those under consideration for appointment to Oklahoma's new "roving" federal district judgeship. (Associated Press Phota)

nomer Martin, president of the United Auto Workers Union, is shown talking to reporters as he emerged from the strike conference room at Detroit to get his glasses. He brought no word of settlement. Meanwhile, "reserve collee" mobilized for action at Flint, seat of the strike. (Associated Press

tants of Chalfont St. Giles by be-The 3,600 inmates of the Okla-homa state penitentiary consume s Larrel of syrup every day. It's on the menu at every meal-by re-quest.

In a recent independent survey, an overwhelming majority of lawyers, doctors, lecturers, scientists, etc., who said they smoked cigarettes, expressed their personal preference for a light smoke.

Mrs. Longworth's statement verifies the wisdom of this preference and so do leading artists of radio, stage, screen and opera, whose voices are their fortunes, and who choose Luckies, a light smoke. You, too, can have the throat protection of Luckies-a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on your throat.

the number I see take out a package of Luckies is quite surprising. Perhaps surprising is not the word. Because off and on, ever since 1917, I myself have used Luckies for this sound reason: They really are a light smoke-kind to the throat. It's simply common sense that these Senators and Representatives, whose voices must meet the continuous strain of public speaking, should also need a cigarette that is considerate of their throats ... a light smoke."

has spread chills and colds everywhere, with a result that nounced the music halls, theaters and amusement centers are more like infirmaries than recreational didgets.

In the theaters this is especially noticeable, and it works hardship on the actors whose lines are interrupted, often judge, so, therefore, it would be someone have a happy thought?" drowned out, by salvos of hacking coughs and sneezes.

By way of illustrating the horror with which many regard head colds in this sector, let me relate a little experi- Background ence at a recent dinner.

The reception was in a private home, and among the guests was an elderly lady and three grown daughters.

The conversation was in pleasant flow when the eldest ted his sensational message to con-of the girls, a young matron of 30-odd, leaped to her feet gress. It should be painted to hang and screamed, "Mother, Mother, wait, wait!" She fled up stairs, as another daughter raced into the kitchen, calling, ton at Valley Forge, and Coolidge "Mother! Mother!"

Bedlam instantly prevailed. Stunned as I knew 'not what, I timidly whispered to the lady's youngest daughter: What happened?'

Her face aghast, fear and concern in every word and Behind him sat his publicity exfeature, she whispered back: "Mother sneezed!" perts, Charles Michelson, Steve

This, I assure you, is not an exaggeration. In this com-munity if you sneeze in people's homes, you aren't asked back any more. The president lit a cigarette in Hollywood's old wheeze about gate This, I assure you, is not an exaggeration. In this com-Early, Marvin McIntyre, the men
