RHHS teacher Don Woods tapped for U.S. House Fellows Program

Don Woods, a social studies teacher at Rockwall-Heath High School, has been selected to participate in the 2009 House Fellows Program, according to a news release issued last week by Congressman Ralph Hall's office.

Woods will attend a weeklong institute that focuses on the history and practices of the House of Representatives.

"The House Fellows Program provides an invaluable opportunity for teachers to see and learn first hand how Congress operates," said Hall. "I am pleased that a teacher from my hometown was selected for this impressive program."

The program, created by the Office of the Historian, is in its fourth year and incorporates more than 50 hours of lectures, seminars and activities intended to provide teachers and educators a better understanding of how the People's House functions.

Woods will be joined by 10 other teachers from across the nation in visiting Washington, D.C. They will participate in briefings not only with the House historian, but at the National Archives, the Smithsonian Institution and the Library of Congress as well.

"I am certain that his time here in Washington will provide great insight into how our government operates, insight he can share with his fellow educators and students in the classroom this fall," Hall

Perseid Meteor Shower peaks in the night sky Tuesday

It's time once again for nature to put on its late-summer fireworks show: the Perseid meteor shower. This year's best viewing will be before dawn on Wednesday, Aug. 12, with a second chance after sunset that night, according to the editors of StarDate magazine.

At its peak, this year's Perseid shower could produce up to 100 meteors per hour. The actual peak is during the day for viewers in North America. Moonlight can wash out the view of some of the meteors. On that day, the waning gibbous Moon will rise before midnight and climb higher hour by hour. It will be fairly bright, with more than 60 percent of its surface illuminated. Even so, one should still expect to see a fair number of bright meteors.

Perseid meteors appear to fall from the constellation Perseus, but they are not associated with it. The meteors are actually leftover debris from comet Swift-Tuttle. The Perseid meteors recur each year when Earth passes through its debris trail.

For the best view, get away from city lights. Look for state or city parks or other safe, dark sites. Lie on a blanket or reclining chair to get a full-sky view. If you can see all of the stars in the Little Dipper, you have good dark-adapted vision.

Goliad Street traffic rerouted

The Texas Department of Transportation was scheduled to move traffic from Goliad Street to the newly constructed section of Alamo Road near downtown Rockwall Monday, according to a news release issued last week.

Goliad was to be closed and traffic rerouted (north- and southbound) to Alamo Road from north of the square, south, to just south of the driveway into Rockwall City Hall.

At least one lane of the east and west roadways (Washington, Rusk and Kaufman) will remain open at the intersections, with Goliad for through traffic.

Detour signage will be in place.

The changes were to have started Monday. Goliad will remain closed to traffic until April.

For more information contact Kevin Lay, TxDOT project manager, at 214-320-6100 or Chuck Todd, Rockwall city engineer, at 972-771-7746.

Helping Hands regatta, golf tourney slated for Aug. 17

Get in full swing for the Helping Hands sports duo fundraiser - The Ambassadors Golf Tournament and the George Griffith Regatta.

Golfers tee-off on Monday, Aug. 17 for the Ambassadors Tournament at Buffalo Creek Golf Club. Sailors will set sail for the George Griffith Regatta on Sept. 24-26 from Heath's Rush Creek Yacht Club on Lake Ray Hubbard.

Sponsorships still available are Corporate (\$1,000), Hole (\$500) and Team (\$400) sponsors. Corporate sponsorships include registration in both events. Individual entry for the Ambassador's Tournament is \$75 per player.

Helping Hands, a non-profit organization providing critical assistance to residents in critical times, is Rockwall's primary assistance agency.

At the Ambassador's Tournament, participants will enjoy the excitement, friendly competition and camaraderie that can only be experienced on the golf course. On-course competitions will also make for an enjoyable day.

Many a seafarin' lad and lass will enjoy testing their competitive prowess in the sailing races, and for those that would rather watch than do, the social aspects of such events are particularly appealing.

For more information or applications, please call Margo Nielsen or Kay Dutta at 972-771-HELP.

Texas Raiders take trophy at Cooperstown Tour

by Bob Holliman

The Texas Raiders, a U12 select baseball team, recently won the Cooperstown World of Baseball Tournament in Oneonta, New York. In the championship game, the team of Dallas-area boys defeated the Boston Sea Dogs 7-5 in 10 innings. The team is coached by Aaron Anzua and Jordan Davis.

Team member Brenner Holliman of Heath also won the individual outfielder skills title held on the first day of the tournament. Holliman reached the finals of the contest, which involved outfield accuracy throws to home plate, by winning in three consecutive rounds and ultimately won the award by defeating a boy from Whittier, Calif. in the final round.
