Bank Loot Found Under Cashier's Desk

From reports of local deer hunt ers it looks like closed season will have to be declared on bucks, allowing does to be shot for a few days.

One man reported seeing 37 does and one buck in a pasture between Sierra Blanca and Carlsbad.

When bids for construction of the nicipal building were opened yeskind of convention was in session.

Hotels were just about 100 per impossible.

continue to fight it out for passeng-er trade. The T&P has applied for The Japanese have crossed the doubt, make no money.

Speaking of slick and quick replies we heard this one the other day: "I like you. I hope you live a thousand years." Reply: "Well, I hope you see me buried."

president of the nationalist government, announced that he was proceeding to Minchuria immediately as the first direct action of the Central government.

Evidence that the larger companies again are turning to West Texas for their future production is seen in the unusual interest created by smuddles of ated by spudding of Lee Harrison's test on the Denman lease in the eastern section of the county. A number of companies have made inquiries about the test. A few weeks ago, we daresay, nobody would have

Uncle Sam and the state are building a modern plant up at the government farm, to house the calves for the annual feeding tests. You ought to visit that farm more often. You'd be surprised at what

After Saturday football fever is due to rise here again. This is the only time in our life when we wanted to see an Angelo team win. And, until now we've never seen the day when we wanted to see a Sweet water team take anything. However, no matter what team takes the district four flag, we're going to be for it in the bi-district and hope which, however, it is not likely to do this year.

We look look for Lubbock to take all other West Texas teams and go into the state final.

Atter Saturday football fever is due to rise here again. This is the per mile. The reduced fare would be in effect only on trains 3 and 4 between Said the state would find other fect only on trains 3 and 4 between Said the state would find other ways of attaching the stock of the Magnolia and Shell Oil Companies and Shell Oil Companies. He sent the writs to Sherriff Hall Hood at Dallas yetserday. Official arkana via Sherman.

Train No. 3 resches here from the district four flag, we're going to be east at 4:40 p. m., stopping here. No. 4, which makes up here, departs for the east at 12:30 p. m.

The new rate, which would supplant 'fe 2-cent' per mile rate now in effect on these trains, would be in effect for a six month's trial perdollect more than \$17,000,000 in Area.

We look look for Lubbock to take all other West Texas teams and go into the state final.

ABOURT Tax Measure

At Conference

Washington, Nov. 19 (49)—Jim Watson, Indiana Senate Republican leader conferring with Rep. Garner said the senat Republicans were willing to accept a reasonable tax measure formed by the house Democrats.

Revenue measures must originate in the house, which the Democrats expect to control. The Republicans control the senate.

Washington, Nov. 19 (49)—Jim Mussolini told Grandi over the Atlantic telephone today that he was highly pleased with the progress of negotiations, toward disarmament and economic recovery, with President Hoover, Grandi delayed his talk with Stimson for all of today. Negotiations were about completed today but the details remained undisclosed. He leaves for New York with his wife tonight and will later visit Baltimore and Philadelphia.

Baker and Steelman were the scoring aces for the Refinery crew in the triumph over the less experienced club from Eibow. While numerous fumbles marred the play of the Cosden five the team gave promise of developing into a fast and smooth working combination with a little practice.

Teams desiring games are requested to get in tuoch with Spike Henninger at the Cosden Refinery. Burrett and Low accounted for the scores for Elbow. Lineups: Baker and Steelman were

Unhealthy Fat COLDS THAT

Persistent coughs and colds lead to erious trouble. You can step them now with Croomulaion, an emulained errosote that is pleasant to take. Croomulaion is a new medical discovery with two-fold notion; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, crooset is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Croomulaion contains, in addition to croosets, other healing ele-

in addition to creesote, other healisments which soothe and heal the in ments which soothe and heal the infrared membranes and stop the irritation and inflammation, while the crosses gozon to the stomach, is absorbed into the blood, attacks the sent of the moulting and checks the growth of the germs.

Creamulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, broachial satisma, broachitis and other forms of respiratory diseases, and in excellent for

tory diseases, and is excellent building up the system after of flu. Money refunded if any on cold, no matter of how long at

"I Swore Off Harsh Irritants"

> "Certainly I am on the Lucky list. Last summer, while camping in the high Sierras, I hiked six miles to get my supply of LUCKY STRIKES. I swore off harsh irritants when the talkies first started - and I've smoked LUCKY STRIKES ever since. And that improved Cellophane wrapper of yours - with the little tab for easy opening-is a gem."

Helen I welverus

Sweet-faced little Helen Twelvetrees is another stage youngster who rocketed to Hollywood glory in a picture or two. If that girl's disposition could be photographed it would be a lesson in charm. An RKO-Pathe star, Helen will soon appear in "Pick-Up."

Made of the finest tobaccos -The Cream of many Crops - LUCKY STRIKE alone offers the throat protection of the exclusive "TOASTING" Process which includes the use of modern Ultra Violet Rays -the process that expels certain harsh, biting irritants naturally present in every tobacco leaf. These expelled irritants are not present in your LUCKY STRIKE. "They're out - so they can't be in!" No wonder LUCKIES are always kind to your throat.

WOULD you like to be on the Associated Gas & Electric System payroll? Over 230,000 investors are. They receive interest or dividend checks at regular intervals.

You get interest at the rate of 612% when you invest in Associated Gas and Electric Company Convertible Certificates. You also receive sound security. The Associated Company was incorporated a quarter of a century ago in 1906, and includes operating properties that were organized as early as 1852. During the past ten years number of customers and gross and net earnings have more than doubled. About half of Associated security holders are also users of Associated service, indicating a wide spread faith in the Associated Company by its customers who know it most intimately.
