

Over Three Score Arrested In Tennessee Negro Uprising

Attempted Murder Sets Off Rioting

COLUMBIA, Tenn., Feb. 26 (AP)—One hundred state highway patrolmen backed up by four hundred state guardsmen, moved swiftly into the negro populated district of Columbia at dawn today after a night of riotous disorders and by midmorning more than three score arrests had been made.

At least ten persons were wounded in the disturbances which developed from the shooting of four Columbia policemen fired upon early last night in the section known as "Mink Slide" where the disorders centered.

Battle Expected In Congress On Housing Bill

WASHINGTON, Feb. 26 (AP)—The house called up its emergency home building bill today with members set for a slam bang battle on two administration requests left out of the measure.

They call for: 1. A system to clamp price ceilings on all of the nation's 40,000,000 existing dwellings.

2. The government to ante up \$1,600,000,000, including \$600,000,000 to subsidize in an effort to get 2,700,000 new homes built in the next two years.

Another controversy developed around a proposal originating in the house membership to forbid the export of lumber during the housing emergency.

The bill, written by Rep. Patman (D-Tex.), was brought to the house floor by the banking committee, which struck out all provisions for ceiling prices on old houses.

Patman, however, served notice he would demand a house vote on putting the provision back into the measure.

Patman said his objective was to halt speculative buying of homes.

The price ceiling provision was requested by Wilson W. Wyatt, new housing expediter who also asked that congress provide \$600,000,000 for subsidy payments to spur production of scarce building materials.

The bill as it comes to the house floor provides: Price ceilings on new houses.

The shooting followed an altercation yesterday afternoon in which Sheriff J. J. Underwood said William Fleming, 28-year-old radio repairman, was pushed through a plate glass window of his shop by a negro woman and her son.

Lynn Bomar, state safety commissioner, said that among the sixty five persons under arrest were a number who were believed to have been the ringleaders.

Twelve of the suspects were charged with attempted murder. He added that in their possession were found four shotguns, two .22 rifles, and a revolver. The official said also that four open bottles of whiskey were found in the place.

Two hours after the patrolmen deployed into Mink Slide occasional shots still were heard in that district.

Mayor Eldridge Denham said "the situation still is grave" and that he was considering a request for a declaration of martial law.

When the patrolmen made their daybreak move into Mink Slide they found about fifty negroes. A number of the residents were believed by Sheriff Underwood to have fled through the lines during the night. Fifteen others had been picked up during the night.

Shots were fired from a dance hall across the street as the officers approached. This fire was answered by blasts from tommy guns.

The patrolmen deployed swiftly through the section after units of the state guard had maintained an all-night guard about the area known as "Mink Slide."

Lynn Bomar, state safety commissioner in charge of the highway patrolmen, announced the arrest of thirty three negroes, twelve of whom were charged with attempted murder.

Half an hour after the patrolmen moved in the shooting had died down and it appeared that the situation was in hand.

While the highwaymen were preparing to go into Mink Slide Colonel Victor Howard Wilson, commander of the state guard's Second Infantry Regiment ordered dispersal of twenty-five white civilians who were standing around with shotguns. They left quietly.

As the dawn zero hour approached for the move-in fourteen shots volleyed through the blacked out section. There was a lapse of four minutes and more shooting was heard, some of the reports sounding like those of automatic rifles.

Brigadier J. N. Dickinson, commander of the State Guard Second Brigade, was in personal command of the guardsmen, who numbered some four hundred and who arrived in Columbia during the night.

Bomar said twelve of those among the thirty three arrested were seized in a raid on the home of a negro undertaker at 3 a. m. and that some of them were believed to be among the ringleaders of the disturbance.

Car Theft Charge Filed On Juvenile

Charges of car theft have been filed in district court against Verdie Moore, 17, apprehended by juvenile officer Jake Bruton at his home Monday afternoon.

In his written statement to the police, Moore, who has served time in the state reformatory, admitted he helped steal four automobiles in his vicinity in recent weeks.

His testimony also implicated a juvenile later arrested by Bruton. A delinquency petition will be delivered against the accused alleged accomplice.

Moore has been confined to the county jail.

Brownell's Exit May Cause Split In Party Ranks

WASHINGTON, Feb. 26 (AP)—A fight between old line and other elements of the republican party appeared developing today over a successor to Herbert Brownell, Jr., as GOP national chairman.

Brownell's call for a committee meeting here April 1 to act on his resignation prompted immediate suggestions from republican legislators that a full-time, well-paid successor be chosen.

A division of opinion developed immediately over whether the new party chairman should come from the west, where republicans showed most of their strength in the 1944 election, or from the east.

The committee is composed of members from each of the 48 states.

Such wheel horses of the regular organization as Walter Hallahan of West Virginia, Werner Schroeder of Illinois, Rep. Carroll Reece of Tennessee and former chairman Harrison Spangler of Iowa are being suggested by the so-called conservative elements of the party.

From others less bound by GOP traditions, such as Senator Morse of Oregon, came the proposal that Ralph Cake of Oregon be chosen by the committee. Cake was one of Wendell L. Willkie's 1940 campaign managers. Younger committee members may be expected to throw some support to Barak T. Mattingly of Missouri.

House Minority Leader Joseph W. Martin, Jr., is reported to be backing his fellow Massachusetts republican, former Senator Henry Cabot Lodge. Lodge would satisfy some of the younger elements and would be acceptable to internationally minded republicans. Colleagues note, however, that he played a lone hand in the senate, and some expressed doubt that he would work well in party harness.

Settlement Reached In Houston Strikes

Employees Will Return To Work Tomorrow If Council Approves

HOUSTON, Feb. 26 (AP)—The seven day old strike of 700 Houston city employees was ended at 11 a. m. today.

Mayor Massey called a meeting of city council for 1:30 p. m. today to approve his agreement with organized labor leaders.

Under the agreement the city employees will return to their jobs tomorrow morning with full seniority rights and civil service rights unimpaired.

The civil service commission will begin an immediate study of city wage scales, comparing them with pay for comparable work in private industry in the Houston area, rather than matching them against the pay scales of their cities.

"I'll promise you," the mayor told D. W. Maxwell, secretary of the Houston Building Trades Council, "that if this analysis (of city wage scales) shows any deficiencies or inequities in our city employes pay, I for one will set about some way to correct them."

Maxwell announced the outcome of the conference in city hall to an estimated 5,000 persons asembled outside. He asked them to disband quietly.

Within a few minutes, most of the demonstrators had left the place.

Maxwell asked the business representatives of the unions which had participated in the demonstration to attend a meeting at the Labor Temple immediately.

Southern Pacific Unions Schedule Saturday Strike

HOUSTON, Feb. 26 (AP)—William E. B. Chase representative of railroad brotherhoods, announced here today that 3,500 engineers and trainmen employed on the Southern Pacific Lines in Texas and Louisiana will strike at 6 a. m. Saturday.

Chase is grand lodge representative of the Brotherhood of Railway Signalmen of America, and deputy president of the trainmen.

Chase said that the unions have complied with all provisions of the railway labor act.

He said the strike decision came as the result of failure to settle differences with the railroad on grievances and awards that have been outstanding for many years.

"We have consistently met the management of the Southern Pacific Railroad company since March 26, 1945, in an attempt to settle awards rendered by the national railroad adjustment board, and various grievances and claim claims of every description," Chase said.

The awards have been handled by three sets of brotherhood officers over a period of five years, without any result.

"In addition, we have some 500-odd cases that should have been disposed of in conferences.

"We feel that further negotiations are futile."

The strike call will affect all of the Brotherhood of Locomotive Engineers and the train services employes represented by the Brotherhood of Railroad Trainmen.

The Chinese ambassador to Moscow, P. S. Foo, arrived in Chungking unheralded Sunday to report on his Manchuria discussions with Soviet authorities.

Despite Chiang Kai-shek's call to the nation not to be too much concerned over the Manchurian situation, it was obvious there was no statement in agitation for the withdrawal of Soviet forces.

Arrangements were completed for Generals Marshall, Chiang and Chou to make a tour of inspection. With Peiping as the first stop, the party is expected to leave tomorrow or Thursday.

British To Probe French Charges Against Spain

LONDON, Feb. 26 (AP)—The British foreign office today instructed Sir Victor Mallet, British ambassador to Madrid, to "make a full report" on the execution of a Spanish anti-fascist leader, Cristino Garcia.

A spokesman said, however, that there was "no reason to suppose" Britain would break relations with Spain.

The message preceded by a few hours the decision of the French cabinet today to close the French-Spanish frontier.

The foreign office spokesman said at a press conference that Sir Victor probably would "informally notify" Generalissimo Francisco Franco's government that courts martial of Spanish republicans when they were not in the armed forces were having a "deplorable effect on public opinion" in Britain.

The French government ordered the frontier closed, effective at midnight, March 1, declaring the present situation in Spain constitutes a "danger for international security."

The action was taken after a lengthy explanation of the situation by Foreign Minister Georges Bidault. The tension between the two countries has been growing for a week.

Last Friday the consultative assembly overwhelmingly voted a protest over the execution of 10 Spanish republicans by the Spanish government.

The communique issued after today's cabinet meeting said the ministers had "decided again to inform the governments of the United States and Great Britain that the present situation in Spain constitutes a danger for international security."

Argentine Troops Guard Ballot Boxes

BUENOS AIRES, Feb. 26 (AP)—Troops continued to stand guard over ballot boxes today as counting boards headed by federal judges made a preliminary count of ballots prior to an actual tabulation of votes cast in Sunday's general election.

The result of the election is not expected to be known for about a month, barring a veritable landslide. Supporters of both candidates for president—Col. Juan D. Peron, laborite, and Jose L. Biondo, backed by the democratic union—claimed victory, although the Peronists lowered their first claim of a 10-to-one majority to four-to-one.

Cities Suffer Labor Strikes

By The Associated Press

There wasn't much to cheer about on the nation's labor front today.

As the ranks of the idle because of labor disputes inched toward the million mark, new work stoppages threatened and there were no immediate signs of settlement of major strikes. The only note of cheer in the industrial strife was

the week's postponement of a threatened power strike in Pittsburgh.

Although labor controversies were reported in dozens of in-

districts in scores of cities, threatened or current strikes which caused immediate concern; were in New York, Houston, Philadelphia, Pittsburgh, Detroit, Portland, Ore., Scranton, Pa., Cincinnati and St. Louis.

In New York City, where business and industry was tied up for several days earlier this month by a strike of tugboat workers, the nation's biggest city awaited developments in a threatened strike on the transit system.

The CIO Transport Workers Union, which claims 20,000 of the 32,000 transit workers, has issued a strike call for after midnight in support of demands for \$2 a day wage increase and sole collective bargaining rights for all New York City transportation workers.

In Philadelphia, acting Sheriff William J. Morrow said there would be no attempt by police today to interfere in event of continued mass picketing of the strike-bound General Electric Co. plant, following yesterday's demonstration by about 1,400 CIO pickets who defied a common pleas court injunction outlawing mass picketing.

The walkout by 3,400 employees of the Duquesne Light Company in Pittsburgh, which threatened a blackout in the Pennsylvania metropolis and surrounding area, was averted shortly before the strike deadline at midnight. The union membership will decide at a meet-

Residential And Business Area Drives Underway

Special gifts to the Red Cross fund drive reached \$5,371 this morning as the residential and business area campaigns moved into full swing.

Aiding in the business section phase are the Lions and ABC clubs, who are distributing envelopes, the Lions to all larger establishments of the city and the ABC to the smaller concerns. Big Spring Motor company has been added to the 100 per cent list.

Despite good response in special gifts, the residential and business canvasses will be depended upon for a large portion of the county's quota, which has been set at slightly under \$14,000, H. D. Norris, roll call chairman, said.

It is hoped that most reports will be in by March 1, but workers in the rural sections of the county may require a few more days to complete their lists, Norris said.

W. G. Wilson, in charge of the drive for T&P railroad workers, has distributed supplies to 12 department heads, and expects to make a final report the latter part of the week.

Newly acknowledged special gifts include: Ted Phillips, \$12.50; Charles Watson, \$5; Texas Electric Service company, \$100; Ashley and Harwell, \$25; H. M. Rowe, \$25; Ray Godfrey, \$10; Sam and Maude Basen, \$50; State National Bank, \$100; and Dr. J. E. Hogan, \$50.

Strike Averted

NEW YORK, Feb. 26 (AP)—Mayor William O'Dwyer said today the threat of a city-wide transit strike had been called off.

Thousands of Chinese students, among them contingents of Boy Scouts and Girl Guides, marched through Chungking today in a fresh "Quit Manchuria" demonstration against Russia.

Similar demonstrations were reported from several other Chinese cities—latest in several days of such parades. At Chengtu, all students joined in a one-day protest strike.

The People's Daily meantime reported "severe fighting" between government and communist troops at Changmu, about 60 miles northwest of Mukden, and at Faku, about 50 miles north of Mukden.

However, it was expected that arrangements for cessation of this and other localized fighting in Manchuria would be made at a scheduled meeting of Gen. Chang Chih-Chung and Gen. Chou Enlai, representing the government and communists, respectively.

The Chinese ambassador to Moscow, P. S. Foo, arrived in Chungking unheralded Sunday to report on his Manchuria discussions with Soviet authorities.

Despite Chiang Kai-shek's call to the nation not to be too much concerned over the Manchurian situation, it was obvious there was no statement in agitation for the withdrawal of Soviet forces.

First Baptist WMS Holds Monthly Business Meet

The miracle of Christ's feeding the 5,000 was the subject of the devotional given by Mrs. M. E. Harlan when she gave the devotional at the meeting of the WMS of the First Baptist church. The meeting was opened with the singing of the WMS song, "We've a Story to Tell to the Nations," led by Mrs. Ernest Hock and accompanied by Mrs. S. A. Ritter. Following the devotional Mrs. Ritter gave a piano solo which consisted of an arrangement of sacred hymns.

Mrs. W. J. Alexander, young people's secretary, told members of young ladies and girls of the church will be entertained at a dinner Friday at the church at which time plans will be perfected for the organization of a Young Women's Auxiliary.

Announcement was made that next week all circles will make annual contributions of new clothing to be sent to Buckner's orphan's home.

Plans were set in motion for the banquet to be given by the WMS honoring the senior class of the high school. The affair will probably be held in April.

A social hour was conducted by the Mary Willis circle, after which the meeting was closed with the watchword.

Those present were Mrs. J. L. Hyman, Mrs. Roy Greene, Mrs. M. E. Harlan, Mrs. G. H. Haynes, Mrs. Hock, Mrs. Ritter, Mrs. Alexander, Mrs. R. C. Hatch, Mrs. C. T. McDonald, Mrs. R. D. Uirey, Mrs. Theo Andrews, Mrs. Viola Bowles, Mrs. A. L. Hobbs.

Area leaders who will address the group include Mrs. P. V. Thorson, Mrs. John Holt, Mrs. E. T. Hardwicke, and Mrs. H. W. Smith, representing the Big Spring association, will give the opening address.

Three West Texas area representatives will be present, and they include Sarah Bowman, Sallie Cahill and Mary Miller.

The proceedings will include the opening session at 10:30 a. m., interrupted at noon with luncheon at the Settles, and resumed at 3:30 p. m. with another session. A film, "Laboratory for Democracy," will be shown to demonstrate the job of Girl Scout leaders in camping.

Representatives from Abilene, Merkel, Big Spring, Midland, Lamessa, Sweetwater and Sterling City have already registered, and leaders from other towns in the area are expected to register when the session opens at 10:30 a. m. tomorrow.

WOMAN JUMPS IN TO SAVE PET DOG PHILADELPHIA, Feb. 26. (P)—Mrs. Allen J. Carey's brindle bulldog Check really got her in cold water. Check lost his footing while scampering along a Delaware river pier and fell in so the 31-year-old Mrs. Carey doffed her coat in 32-degree weather and plunged to the rescue.

Make This Home Recipe To Take Off Ugly Fat It's simple. It's amazing, how quickly one may lose pounds of bulky, unightly fat, right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Saccharate (formerly called Saccol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonfuls twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.

Revisions In Income Tax Laws Made For Service Men, Women

WASHINGTON, Feb. 26. (AP) — Late in 1945 congress made changes in the tax law for the benefit of war veterans and people still in the armed services. Here's how it stands: First—if you're an enlisted man or woman: Your military pay from Jan. 1, 1941, through 1945 is tax exempt. If you paid tax on military pay

officer, including a warrant officer, the first \$1,500 of your military pay from Jan. 1, 1943, through 1945 is tax free.

You don't have to file a return on military pay unless it was \$2,000 or more because: The first \$1,500 is tax exempt. Then you get the usual \$500 exemption on the next \$500 in military pay before being required to file.

The following kinds of government pay to servicemen, veterans or their families is tax exempt and doesn't have to be reported: Rent and subsistence pay; federal mustering out pay and bonuses; paid to discharged veterans by state or government; contributions to family allowances; pensions; disability compensation; disability retirement pay for service-connected disability; benefits and living allowances given war veterans for education and training or vocational rehabilitation.

If you must file, check further on the various items which servicemen can deduct or do not need to mention.

A serviceman's wife should remember this: If her husband is not filing a 1945 return but she is she can claim him as an exemption.

Remember this, too: All tax debts are wiped out for a person who died in active service after Dec. 1, 1941.

If a family has paid taxes for a serviceman who died in active service since Dec. 1, 1941, it can get a refund for the year in which he died.

Any serviceman or veteran who owes taxes—on civil income before he went into service or on military pay received during service—can pay in 12 equal quarterly installments beginning in most cases six months after his discharge.

In order to pay on the installment plan, you have to write your Collector of Internal Revenue asking permission to pay that way.

Now—if you're a commissioned

for any of those years, you'll get a refund. Ask the Collector of Internal Revenue for it on Form 843. If, in any of those years, you received civilian income of \$500 or more, you have to file a return on it.

1946 INCOME TAX PRIMER. WHAT ABOUT ARMED FORCES? A. ALL SERVICE PAY of enlisted men and women is exempt. Officer pay exempt up to \$1,500. B. BOYS WHO COME BACK from overseas and have a return to file must file it 3 1/2 months after month in which they return. C. ANY TAXES owed by service men and women can be paid in 12 quarterly installments.

Daily Average Oil Production Rises

TULSA, Okla., Feb. 26. (AP) — Minor gains in most petroleum states sent daily average crude oil production up 10,180 barrels to 4,704,520 in the week ending February 23, the Oil and Gas Journal reported today.

The only losers of note, were Kansas, which dropped 6,000 barrels to 253,650, and Wyoming, where production slipped 230 to 91,100. Arkansas output was unchanged at 77,500.

California came up 2,800 to 845,100, the eastern area 2,550 to 63,800, Illinois 4,550 to 211,700, Louisiana 2,900 to 370,800, New Mexico 50 to 98,300, Oklahoma 600 to 390,050 and Texas 200 to 2,110,000.

The Rocky Mountain area of Colorado, Montana and Wyoming increased 640 barrels to 136,230.

Mississippi's daily average production for the week ending Feb. 23 was 52,850 barrels, compared with 55,100 for the previous week.

Armed Bands Attack Palestine Airfields

PALESTINE, Jerusalem, Feb. 26. (P) — Unofficial sources said today three RAF airfields were attacked last night by armed bands which destroyed four aircraft and damaged six others.

There was no official account of the forays but it was understood the targets of the raiders were Petakh Tiqva, Lydda and Castina airfields. At Petakh Tiqva the raiders were reported to have placed explosive charges under parked planes, withdrawing after exchanging gunfire with guards. No casualties were reported.

About an hour later, automatic weapons fire was reported to have raked grounded planes at Lydda, damaging three planes. There were no details of the attack at Castina.

A Vital Message To Men Who Feel Old

Why not regain the vim and vitality you once enjoyed?

If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a simple method that may change your whole outlook on life. Just ask your druggist for CASSELLA stimulating tablets. Take as directed on label. Don't feel old and worn out at 40, 60 or more. Take these tablets regularly until you feel that you have regained the pleasure of living you once enjoyed. Why be discouraged? Why not try CASSELLA tablets and regain the vim and zest of a much younger man? There is nothing harmful in these tablets. They contain Celery seed, Thiamin Chloride, Passion Flower, Iron. Ask your doctor or druggist about this formula.

Washington Merry-Go-Round—

"Correction" Made Concerning Allen

By DREW PEARSON WASHINGTON. — On February 22, this column published certain facts regarding George Allen, newly appointed director of the RFC, and his insurance company connections which did Mr. Allen an injustice.

The Department of Agriculture, which has charge of the program, needed an additional \$15,000,000 to continue school lunches through June 2, 1946. But, in a joint conference of appropriations committee members of the two houses, Senator McKellar, together with Representative Clarence Cannon of Missouri and other "economy" champions, pruned the \$15,000,000 to \$7,500,000.

It was stated that Mr. Allen was made vice president of the Home Insurance Company in 1938, at a time when the federal government was investigating the Missouri insurance scandal preparatory to convicting Kansas City boss Tom Pendergast, lifelong friend of Harry Truman.

Almost in the same breath, the conferees okayed a \$5,375,000 expenditure for the construction of a new federal building in Senator McKellar's home state to replace the old customs house at Nashville. McKellar contended that the structure was also needed to provide a regional headquarters for the Veterans Administration, but several congressmen suspect this is only window dressing.

It was also stated that the fire insurance companies operating in Missouri had been forced to impose \$9,676,002 while the courts were thrashing out the question of a new rate increase, and that by promising a bribe of \$750,000 to Boss Pendergast, the insurance companies were able to get 80 percent of this nine-million-dollar kitty returned to them.

There is no more reason for a building at this point than there is at a thousand other places in the United States," Taber declared. "What we ought to do is put an embargo on buildings of this sort in order that the construction of dwellings and apartment houses may go forward for people without housing." Another member of the House committee was even more explicit. "I like my pork cooked," he declared, "now raw."

It was also stated that the Home Insurance Company, which made the delightful Mr. Allen its vice-president during the thick of the fight, had the heaviest amount at stake in the nine-million-dollar kitty. Although Pendergast was convicted, about a year after Allen's appointment as vice-president, the fire insurance executives who bribed him were not convicted.

Apparently, the fact finders did not take this into consideration. Apparently also, they ignored the fact that Swift and Company previously had agreed to a pay boost of 10 cents an hour without any strings attached regarding increased meat prices to the housewife.

Apologizes to George Allen

Further facts in the case have now developed. And we apologize for this unintentional injustice done Mr. Allen. It is now learned that Mr. Allen not merely became vice president of the Home Insurance Company, but also vice-president of three other affiliated companies, all implicated in one of the worst pieces of graft in the history of American insurance.

Increased Meat Prices

Some people are wondering whether the fact finding board for the meat packing industry took the trouble to read the newspapers. If so, they might not have recommended that the housewife bear the main burden of the cost of increased wages in the meat packing industry.

Mr. Allen was also vice-president of the National Liberty Insurance Company of America, the Franklin National Insurance Company, and the City of New York Insurance Company — all of them participating in the Pendergast bribe, and all of them hiring George Allen as vice-president and secretary during the significant year 1938, just as the government was probing their racket.

The fact finding board, which included Dr. Edwin E. Witte of Wisconsin University, Chief Justice Raymond W. Starr of the Michigan Supreme Court, and Clark Kerr, former chairman of the meat packing branch of the War Labor Board — three able men — decided that a 16-cent pay increase was fair and equitable for meat packing workers. But they added that only 5 cents of this was "absorbable by the meat industry without price or subsidy relief."

All the above escaped conviction, though many people considered the insurance executives who bribed Pendergast just as guilty as the man who accepted the bribe. The column takes this opportunity to rectify its previous slight to Mr. Allen's prowess as the champion American holder of vice presidencies and directorships — now a director of the RFC.

Pork and Children

When Henry Wallace stated that the school children of Washington, D. C. were worse fed than the hogs of Iowa, he probably didn't know about an unpublished pork barrel maneuver which took place at the last session of Congress, by which school lunches were put to one side in favor of a new federal building in Nashville, Tenn.

NOTE — The RFC has loaned millions to insurance companies in the past, also to railroads and other companies which, if they had failed, would have jeopardized the financial position of insurance companies. Allen frankly admits that he will try to serve two masters — that he will keep some of his corporate directorships while also serving as director of the RFC.

Demonstration On T-Formations Feature School's Opening Day

Demonstrations on the intricate mechanisms of the T-formation by three of the great names in professional football highlighted the opening day session of the Clarence Fox football coaching school Monday at the Settles hotel.

The trio who volunteered to show what the lineman does in support of and defense against the game's newest innovation are Clyde "Bulldog" Turner of the Chicago Bears, long-time all-pro center; Big Spring's Bob Flowers, who spends the autumn months with the Green Bay Packers; and Herschel "Red" Ramsey, of Texas Tech and the Philadelphia Eagles.

Turner's pivot play with the Bears helped revolutionize the T. He played no small part in making Sid Luckman the best T quarterback in the game.

Flowers performed with a club which specialized more in the single wing than the "Halas plan" but displayed the varied tasks assigned a center in trying to put

the brakes on a formation of that type.

Ramsey, who left the service to play five games with the Eagles last fall, concerned himself with defensive demonstrations, though the Philadelphians became known as the best exponents of the system in pro football.

Today the group agreed to make the school an annual affair to meet in Big Spring each spring.

Some 50 or 60 men from West Texas high schools had registered for the clinic through Monday and more were expected today, the closing day of the course.

Among those reporting are:

J. S. Fikes and Leo T. Duffy, both of Littlefield; H. F. Crites, Brownfield; Mel Ritchey, Hale Center; Cy LeMaster; S. T. Newman, Spring Lake; Joe Randall and John W. Ellis, game officials from San Angelo; Porter Willis, O'Donnell; John P. Burrus and Bryan H. Boatman, both of Seminole, and Good Graves, Big Spring.

Also Tricky E. Ward, Borger; Paul Featherhill, Spring Lake; Joe Coleman, Odessa; Chesty Walker, Phillips; John Hoses, LeFors; G. H. Peters, Olton; A. V. Patterson; Waymon Wilson and Morris Greenwood, both of McCamey; Thurman Jones, Hardin Junior college, Wichita Falls; Gene Sosebee, Anson; George Chrane Crane; and Kirk McKinnon, Lamesa.

Also Choc Sanders and Jim Neill, both of Lamesa; Otha Tiner, Graham; Gall Smith, Odessa; Charles Gardner, Winters; John Albers, Coahoma; John Dibrell, Pat Murphy, Herschel Stockton and Conn Isaacs, all of Big Spring; John W. West, Elbert Whitehead and Herschel Ramsey, all San Angelo officials; Bob Flowers, Big Spring; and Milton L. Bryant, McCamey.

D. Jeter, Olney; Clyde Turner, Abilene; Von Rhea Beane and Pete Sikes, both of San Angelo; Bryan Henderson, Wink; Pat Gerald, Sweetwater; and Prentice Walker, Brownfield.

After adjourning to the country club for a barbecue, the gridmen were due to gather in Room 1 of the Settles hotel at 9 o'clock this morning to absorb some blackboard instructions given by Berl Huffman, Texas Tech, and Tonto Coleman, ACC, who are teaming up to lead the study. The course was to continue through 4 p. m.

Bryan Henderson, the Wink coach who registered for the first day of the school, formerly was head mentor of Stanton. He led the Wink club to a 27-game winning streak a few years ago.

Henderson is one of usin college's all-time football greats.

Prentice Walker takes over the Brownfield job this week after spending several seasons at Tahoka.

W. D. Jeter, Olney, is looking around for a job in District 3A.A. He's giving up his job to a returning serviceman soon.

Clyde "Bulldog" Turner, the Chicago Bears' great center who was on the coaching school program here Monday, could be called the fat man's "Scat" Davis. He looks amazingly like the peppery little band leader.

Blair Cherry, head football coach to be at the University of Texas, was among the late arrivals. He brought with him a film of the Texas-Missouri Cotton Bowl game of last New Year's Day which was shown.

LOOKING 'EM OVER

With ANGUS LECSTER

In introducing Big Spring's Bob Flowers and Bulldog Turner of Sweetwater to the crowd at Monday afternoon's football coaching school here, Berl Huffman referred to them "as the greatest defensive players active today."

His appraisal just about sums up what the professional game, and for that reason all football, thinks of the pair.

Flowers may not be as well known as Turner, who won Little All-America recognition while at Hardin-Simmons university and later hurried the retirement of Mel Hein (New York Giants) by becoming a top hand for the Chicago Bears, but in three years' time he has gained as much respect in the play-for-pay ranks.

Turner was not in pro ranks last fall, having donned a uniform to play with the Second Air Force team. He returns to the Chicago Bears next Autumn and from the looks of things he and Flowers will be dominating center play in the moneyed ranks for the next few years.

Charley Brock, who teamed with Flowers to give Green Bay the best pivot play in professional circles last year, may or may not return to the Packers. There's a chance he'll step into the coaching end of the business.

Tonto Coleman, the affable ACC mentor, echoes Huffman's remarks in hopping on Flowers' bandwagon. Tonto knew Bob when the Big Springer was first beginning to shine as a defensive star here.

He chanced to catch the Packers while in the East last fall without knowing Flowers was on the squad. He quickly became aware of his presence, however, when Robin cut loose with a teeth-rattling tackle.

"That couldn't be anyone but

that Flowers," he said to himself, remembering all too well how Robert used to all but disjoint some of his backs in the San Angelo-Big Spring series of some years ago.

Coleman also thinks Bob's brother, Sam, will take to professional football. (Sam recently signed with Brooklyn of the All-American league.)

Tonto was working a game between Ellington Field and Honda AAF two seasons ago when someone knifed through directly in front of him and flattened a ball carrier before he could move out of his tracks.

"Hello, Tonto," a voice floated up to the official and Coleman looked down to spot a grinning Sam slowly unlocking a death grip on the ball carrier.

Tonto, incidentally, is of the opinion that the average life of the footballer has lengthened in recent years. He's approaching 40 but opines he could round into condition, and function against the youngsters of today.

The Abilene Christian track wizard isn't expecting to set the woods afire with his team of thinny clads this spring.

He has a couple of former soldiers of hand, of whom he expects great things, but even they will be handicapped by leg weaknesses.

The Wildcats this year are going to have to concentrate on the relays.

Coleman appreciates the attitude of the service graduate, suggests there will be some great athletes comit out of the ranks because they will be determined to go places in their particular kind of endeavor.

More than 1,000 boys between the ages of 9 and 18 are registered with the New York State Soccer Football association.

Henderson's Rag-Tag Bears In NCAA Meet

WACO, Feb. 26 (AP)—Baylor's rollicking Bears, winners of the Southwest conference basketball championship and now cutting capers on an eastern tour, will play in the National Collegiate Athletic Association regional tournament at Kansas City March 22-23.

The Bears, who have taken 25 decisions in 27 starts, will represent the Sixth District at the NCAA where four teams will compete to determine the quintet to meet the eastern regional winner for the national title.

Eugene Lambert, coach of the Arkansas Razorbacks and chairman of the district selection committee, announced from Bryan yesterday that the invitation to play at Kansas City had been accepted by Athletic Director Ralph Wolf and Coach Bill Henderson of Baylor. Lambert was at Bryan with his team for a series against Texas A. and M.

D. X. Bible of the University of Texas and Hub McQuillan of Texas Christian University are other members of the committee for the Sixth District which takes in Texas, Arizona and Arkansas.

Baylor tomorrow night plays New York University in Madison Square Garden then goes to Baltimore, Md., to wind up the regular season against Baltimore Naval Air Station. The Bears beat Canisius Saturday night in the first game of their eastern tour.

Phils Have Plate Power To Escape Loop Cellar

Chapman Claims Team No Longer A Push-Over

MIAMI BEACH, Fla., Feb. 26 (AP)—Tacked on the wall of the Philadelphia Nationals' clubhouse here is a large cartoon of a ball player with a "P" on his shirt coming blinking out of an old-fashioned cellar, a bat over his shoulder and a bemused expression on his face.

It was drawn especially for the Phillies by the well-known sports cartoonist, Willard Mullin, and it will be reproduced on the face

of every score card sold in the club's home park this season. It not only is about the first instance on record of a ball club poking fun at its own infirmities, but it also sums up graphically what Manager Ben Chapman has to say.

"We're a-coming up out of that cellar," declared the old Yankee outfielder, who wound up his playing career last year as a pitcher of parts. "I hope everybody picks us for last again, just so we can make them look bad. We've got a real infield now and we've got power. If we get pitching and find a good catcher, we'll be up there somewhere."

"The way I see it, St. Louis and Brooklyn will fight it out for the flag; and after that anything can happen. With a little luck we can be right up in the race. We still hope to get a couple of those St. Louis pitchers, and owner Sam Breadon has promised to let us know the minute he and his manager make up their minds who they will sell. Meantime, we're going to watch the waiver lists mighty close."

Chapman expects Frank McCormick, his new first baseman from Cincinnati, to about round 20 homers. He figures that Jim Tabor, his third baseman from the Boston Red Sox, will be good for another 15, and that Ron Northy, his right fielder, and Vince Di Maggio, in center, should spank somewhere between 15 and 20 roundtrippers apiece.

The club might get still more power in left field, whose occupant is likely to be either Lou Novikoff, the highly-publicized failure of the Chicago Cubs, or John Wyrussek, a recent purchase from the Cardinals, who hit 358 for Columbus. Novikoff was ban-

ished last year to Los Angeles, where he hit 310 in 101 games. At least, it can be put down that the Phils' new owner is in trying and spending his dollars until he can get his farm system working.

Oilers Advance In Standings

White's Trucks and the Cosden Oilers teamed up to chip away at Elmo Wasson's lead in Classic bowling league standings Monday night, the Trucker's dumping the Haberdashers, 2-1, while second-place Cosden was running over First National Bank, 3-0.

The reversal trimmed the Wasson gang's lead over the Oilers to a bare three games while the Trucker's are four games off the pace.

In other results Monday night Ice Hanson's team tripped Texas Electric, 2-1.

Tom Coifer, White's star, compiled high total for the night with 581, while Jim Eason, Cosden, came through with individual tops—234.

Standings:

Team	W.	L.	Pct.
Wasson	25	11	.694
Cosden	22	14	.611
White	21	15	.583
Hanson	17	19	.472

Sharing a party-line telephone!

If you're sharing a telephone party line, you're helping someone else here have telephone service now. Otherwise he'd likely be waiting his turn for service.

demand. But we're hard at it. As soon as possible, we'll bring service to everybody who is waiting for it. And, after that, we expect to be able to furnish one-family telephone service to those who want it.

Party-line service is one way of stretching the telephone system here—to serve as many people as possible now instead of asking some to wait until we've had time to put in the wires and cables and switching equipment needed to serve everybody who is waiting.

"GOOD NEIGHBOR" SUGGESTIONS for party-liners

Before calling, please listen to see whether the line is in use. If it is, hang up gently and try your call again a little later.

When talking, remember your party-line neighbor—he may want to make a call—so please be reasonably brief.

Between calls, try to allow a little time so the other people on the line may have the opportunity to use it.

Ask the children to follow these good neighbor suggestions, too. Thanks a lot.

Jap Cabinet Plans For Free Election

TOKYO, Feb. 26 (AP)—Japanese party lines tightened today for the April 10 national elections and Home Minister Chuzo Mitsuuchi told newsmen the government was attempting to convince the people that the ballot would be completely secret and election abuses kept to a minimum.

The cabinet, he also announced, has decided to permit third parties as well as candidates, to withdraw frozen bank funds to finance political campaigns.

Meanwhile, an ex-coal miner who worked his way to the top as a lawyer, was busy deciding who among the 3,000-odd candidates will be blacklisted under General MacArthur's directive for purging ultra-nationalists from the political arena.

Chief Cabinet Secretary Wataru Narashi, whose rags to riches career is unusual in Japan, said, "Next I'm going to purge the house of peers and I think a lot of titled men will be out of office."

He predicted that the purge would produce a new and stronger leadership in Japan after "some initial mistakes."

The cabinet announced that Narahashi and Takeshige Ishiguro, chief of the legislation board, had been appointed ministers of state. Kyodo news agency termed the appointments a move by Premier Kijuro Shidehara to strengthen his administration and to give statute to two of his brain trusters.

In a report of the second day of the communist party convention, party secretary Kyuchi Tokuda declared today that the communist influence in Japan has increased recently, because "it is becoming clear to the people that communists never break their promises."

Pauley Considers GOP Suggestions To Withdraw

WASHINGTON, Feb. 25 (AP)—Edwin W. Pauley said today he would "take under advisement" a suggestion that he request withdrawal of his nomination for undersecretary of navy.

The proposal was made, in the form of a question, by Senator Saltonstall (R-Mass) as the senate naval committee resumed hearings on the California oil man's nomination to the navy post.

As he left the stand, a reporter asked Pauley how long he would need to consider the proposal. He only shrugged his shoulders.

Pauley had just demanded a public apology from Senator Tobey (R-NH), chief opponent of his nomination, for what Pauley termed an "unjustifiable smear" regarding prewar sales of his company's oil to Japan.

Pauley told the committee that Tobey had "come as close as he dares to charging me with treason" and asserted that his record ought to be cleared in hearings on his nomination for undersecretary of the navy.

Tobey sat silently as Pauley read from a prepared statement a quotation in which the New Hampshire senator had said that the appointee was "aiding a potential enemy" when he permitted his company to sell oil that later was resold to Japan.

Red Army, Navy Services Unified

MOSCOW, Feb. 26 (AP)—The Russian army, navy and air force were unified today in a single commissariat—the armed forces of the USSR—under the command of Generalissimo Stalin.

The three Soviet fighting forces were consolidated by decree of the presidium of the supreme Soviet, which designated Stalin "people's commissar of the armed forces and supreme commander-in-chief of the armed forces."

"Under the leadership of Generalissimo Stalin, the armed forces of the USSR will henceforth improve and develop to the dread of the enemies of Soviet power for the welfare of our people, and the cause of peace in the entire world," the government newspaper Izvestia said in a three-column front-page editorial.

The 66-year-old generalissimo, who had been defense commissar since July 19, 1941, is also premier and secretary-general of the central committee of the communist party. The navy commissariat was abolished in the new organization and the defense commissariat was transformed into the new-unified commissariat.

Other than centralization, the merger means that the Red navy no longer will operate under a separate commissariat.

During the war, Stalin had command of the army and air force but the navy remained under Admiral N. G. Kuznetsov's direction, although it was subject to orders of the defense committee, of which Stalin was head.

Rotarians Shown YMCA Movie

A sound motion picture depicting the organization, development, aims and activities of the Young Men's Christian Association was presented as a feature of the Rotary club's luncheon session Tuesday noon at the Settles hotel.

The film was screened by Wm. R. Dawes, secretary of the local YMCA, as a prelude to that unit's open house program scheduled for Friday night. The picture traced the full growth of the YMCA since its founding in 1844, and told of the broad scope of its work in youth building.

Henry Norris urged Rotary participation in the city clean up campaign, scheduled for March 3, and told of continuing success in the current Red Cross membership drive. George Grimes was program chairman. Visitors included Jim Stanley, Seminole; S. J. Treadaway, Abilene; S. C. Cooper, Lubbock; and Bob Whipkey and Herbert Feather of Big Spring.

Ranchmen Advised To Fill Out Forms

Ranchmen intending to participate in the 1946 conservation program are being reminded by M. Weaver, Howard county AAA supervisor, that grazing management plans must be filled out before May 31.

This new provision in the agricultural conservation program applies to farms or ranches with 1,920 acres or more of pastureland, Weaver points out.

Information which must be in the written plan includes the number of acres, type of range, acreage of supplemental pastures, food reserves, number of livestock, grazing capacity of range, recommended maximum number of livestock and the range management practices to be performed.

Forms to be used in filling out the range management may be obtained at the AAA office.

Work On Public Playground Begins

Work has started on a community playground in the 500 block of West Fourth street.

Sponsored by the Salvation Army, the project will be available to all young people.

The recreation program will include a tennis court, basketball court, volleyball court, shuffleboard, tumbling bars, swings, seesaws, slides and other equipment.

A survey made recently by SA Captain Olvy Sheppard revealed that 265 youngsters live within four blocks of the playground most of whom are without recreational facilities.

In addition to the playground, a softball diamond is being marked off in the 700 block on West Fourth.

Capt. Sheppard said he would take an active part in organizing all kinds of boys' and girls' athletic teams.

The playground is expected to be completed by March 15.

Life Insurance Shows Considerable Gains

The 37th annual statement of Great Southern Life of Houston has been received by Dalton Mitchell, local representative, and reflects considerable gain.

L. S. Adams, president of the company, said that the volume of insurance sold during 1945 showed a satisfactory increase over the previous year. The long lapse rate showed a substantial decline. Payments to beneficiaries totaled \$3,369,000. Insurance in force gained seven per cent to \$324,947,000. Assets increased 8.43 per cent to \$77,561,000.

PIN-WORMS LICKED AT LAST!

People don't talk about Pin-Worms—but more than you'd suspect have this ugly infection with its embarrassing rectal itch. However, it is no longer necessary to suffer.

Today, thanks to a special, medically recognized drug, a real treatment has been established. This drug is the vital ingredient in P-W, the small, easy-to-take Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son. They act in a special way to remove Pin-Worms.

So watch out for warning signs that may mean Pin-Worms in your child or yourself. Don't delay. Ask your Druggist for JAYNE'S P-W and follow the directions. It's easy to remember: P-W for Pin-Worms!

YAMASHITA BOWED TO EMPEROR, BUT MAYBE IN WRONG DIRECTION

MANILA, Feb. 26 (AP)—Lt. Gen. Tomoyuki Yamashita's final act before he was hanged last Saturday was a bow to the imperial palace—but whether he bowed in the right direction he will never know.

The Manila Chronicle, reporting the dramatic last gesture of the convicted war criminal, said: "On the hangman's scaffold Yamashita did not know where he was, and asked the guard in what direction Tokyo lay. A GI pointed in one direction and Yamashita bowed toward it. Later it was learned that the soldier told friends that he did not know whether he had pointed north or south or toward China."

Strike

Continued from Page 1

ing on Friday whether its wage dispute, with the company is to be finally settled by arbitration or a strike.

Detroit continued to get small supplies of bread and milk because of strikes but an early end to the bread industry tieup was predicted by company and AFL Teamsters Union spokesmen. Thirteen of the city's bakeries closed yesterday after a strike against the Purity Baking Co. in a wage dispute.

Also in Detroit, General Motors and CIO United Auto Workers negotiators met to continue discussions of issues in the 98-day old strike by 175,000 employees at General Motors plants.

Seventeen independent meat wholesalers in Cincinnati voted last night to close their packing plants Friday in protest against what their spokesman described as "harassing restrictions and complicated regulations imposed by the Office of Price Administration."

First Scout Brings In Clothing Gifts

Gerald Harris of troop four was the first Boy Scout in Big Spring to bring in Scout clothing for the "Shirts Off Our Backs" campaign. H. D. Norris, scout executive, has announced.

Harris brought in seven articles, which will be sent with others from over the country to foreign lands for the purpose of helping in reorganization of scouting in countries where it was discontinued during the war.

All articles will be tagged with cards bearing the name and address of the donor and a special invitation to the recipient to write him.

Gentrys Bring Suit Against Mechanic

Alleging that W. R. Beck had failed to carry out complete specifications of a mechanic's lien entered into by both parties Nov. 6, 1945, Mr. and Mrs. D. O. Gentry have brought suit for \$17,000 damages in district court.

The suit involves Gentry's plan to build a 13-cabin tourist camp on the west highway, which originally was to have cost in excess of \$47,000.

Beck, who had accepted the contract to do the work, was notified of the action through an Amarillo law firm.

The case will be heard in the next session of court.
