## From The Editor's Window

BY MRS. J. S. YEAGER

The American Bible Society has supplied Scriptures to the National Leprosarium at Carville, Louisiana, since the Federal Government began its operations in 1921. Bibles are furnished in English, Spanish, Chinese, and Korean.

From the famous pitch take off the coast of Venezuela, known as Trinidad lake, millions of tons of asphalt have been taken, yet no impression appears to have been made on the content. Pressure from below forces new supplies of pitch to the surface which forms the seemingly inexhaustible reservoir.

Efforts are being made by specialists to ascertain the breadth of the underground water reservoir discovered recently in the center of the Rajasthan Desert in India. The length of the water belt discovered seems to be about forty miles.

Bible reading without comment and recitation of the Lords prayer are called for by law for public schools in Arkansas, but hymn-singing or the assignment of Bible verses for memory are ruled out under the constitutional ban against sectarian teaching.

It is reported that Americans are eating less candy this year than in 1948. Last year, candy sales were said to be around \$1,000,000,000.

The home ministry of India has announced that the two men, N. V. Godse and Narayan Apte, will be hanged November 15 for the assassination of Mahatma Gandhi in January of last year.

"Good morning, Madam," said the repairman. "I understand there's something in the house that won't work." "Yes, there is. He is upstairs in bed."

Mistress: — "Marie, you were entertaining a man in the kitchen last night, weren't you?"  
Marie: — "Now that's for him to say ma'am. But I tried my best."

This year, according to reports, we can eat our raisins and have them, too. That is because supplies will amount to 10,000 or 15,000 tons more than last year's crop. The seedless kind are in largest quantity and will be sold at reasonable prices the report stated.

The old name of Persia has been restored recently to that country. The Foreign Ministry has sent circulars to all Persian diplomatic relations abroad saying that mistakes in business affairs of the nation made it desirable to revert to the old name.

Mrs. Euna Lovelady spent the past week visiting with relatives and friends in Abilene.

## West Bros. Are Drilling On Harper

Bill West was in town Saturday afternoon and stated West Brothers had just finished a well No. 1 on the Hanke eight miles southwest of Cross Plains which was a duster at 543 feet. They have brought their rig home and are rigged up to drill one on Cunningham-Harper lease which will be drilled on section 136 about four miles north of Putnam. Drilling to begin the first of the coming week.

## Great Grandmother Kills 19 Squirrels

A great grandmother writes: "I have a little pecan tree about 42 steps from the kitchen door. My little dog trees squirrels in the pecans, and I stand in or near the door and have killed 19 squirrels. I use a .22 rifle and knock them out at the first or second shot. Some days I get two squirrels. How do you think that does for a great grandmother, and my great grand baby has five grand mothers. The great grandmother is Mrs. Carrie Hull in the Dan Horn community.

## 4-H Club Girls Meet Nov. 1st

The 4-H Club Girls met at the Home Economics room November 1st, 1949. The following program was rendered.

Roll call; for a show of material or cut garments. Bring sewing box, material, and pattern. First work on sleeping garment. Nov. 15, 1949 is the date for the next meeting.

## Delphian Art Program Is Acclaimed Great Success

In observance of American Art Week, sponsored by the American Artists Professional League, Inc., New York, endorsed by the General Federation of Women's Clubs, the Delphian Club met in the home of Mrs. W. P. Brightwell on Nov. 3rd, at 3p.m., with Mrs. M. D. Bell as co-hostess.

As the subject of the day was music and other arts, Miss Carpenter, art instructor at Hardin-Simmons University, Abilene, and well known throughout the state for her outstanding work as state Art League chairman, was invited to be guest speaker.

Thirteen members were present. Guests were Mrs. C. B. Snyder, Sr., Moran, Mrs. Alton Hutcheson of Putnam, Mrs. J. A. Brasher and Mrs. Hugh Ross of Baird, Mmes. Ace Hickman, W. A. Fetterley, Sam Gilliland, of the Wednesday Club, and Miss Betty Hickman of the Junior Wednesday Club.

Mrs. C. B. Snyder, Jr., first vice president of the Delphian Club, presided, welcoming the visitors. Mrs. Brightwell presented Miss Carpenter, who gave a very interesting and in-

## Open House Party By Mrs. F. P. Shackelford Sunday Held To Honor Mrs. Mary Shackelford Thomason well Attended

Mrs. F. P. Shackelford's home was the scene of a gala affair from Saturday evening, when the house party of eleven until 10 Sunday evening at which time Mrs. Shackelford again proved herself a most charming hostess. Artistic decorations of colorful leaves combined with red berries blending with other decorations gave the whole house the elegance of the Autumn atmosphere. The dining room very artistically, blending into the rich colorful setting. The table cloth and napkins being of a deep hue, the table laden with crystal and silver candelabrams on either side of a beautiful silver octagon shape, flower receptacle filled with clipped Mums occupied the center.

## O. B. Jarrett Dies In Baird Nov. 10

O. B. Jarrett died at 3 p. m. Thursday, November 10 at his home in Baird, after an illness for nine weeks. The funeral was Friday afternoon at 2:30 p. m. at Wylie Funeral Chapel with Rev. Asie Carlton, of Big Spring officiating, assisted by Rev. David Binkley, local pastor.

Mr. Jarrett was born October 29, 1871, in Henry County, Georgia, he was married to Tina Brown in 1894, at Gorman, Texas, and moved to Baird in 1915. He was a member of the First Methodist church of Baird, having joined the organization fifty three years ago. He also was a member of the Odd Fellow Lodge No. 271 and the Rebekah lodge No. 112.

Survivors are: the widow, one son, Horace F. Jarrett, of Big Spring, three daughters, Sam Black of Fort Worth; Mrs. Bob Swinson of Baird, and Mrs. John Finto, of Abilene. He has grandchildren and four great grandchildren; and one brother, G. A. Jarrett of Ballinger.

Burial was in Ross cemetery under the direction of the Wylie Funeral home at Baird, Putnam and Moran.

## All Amendments Lose In Putnam

The election for the ten amendments to constitution all were defeated in Putnam. There was only 86 votes cast and one of them only received 4 votes. The one proposing a raise of salaries for representative two \$3600 per year appeared to get most criticism. Many people expressed themselves very much displeased with the work of the last legislature, and thought it would have been a great deal better if they never had been in session. Most of the voters though they did not earn what they received, much less asking for a raise.

## Bryan Ray Frye Injured by Tractor

Bryan Taylor was driving a tractor on the Frye ranch one day the first of the week and James Ray Frye son of Mr. and Mrs. Douglas Frye was riding the tractor in front and in some way his foot was caught in a gear and he caught on to something and held until the tractor could be stopped but not until his foot was injured. He was taken to Graham Hospital at Cisco where the wound was dressed. He was not seriously injured but barely escaped being dragged into the machinery and badly injured and probably lost his life. But quick action on the part of the operator avoided it and saved further injury.

## Woman's Study Club Sponsors Exhibit In Putnam Library

The Woman's Study Club sponsored an Art exhibit November 5th, in the Putnam school Library by the Creative Arts Club and Abilene, Texas. It was the clubs observance of American Art Week, sponsored by the American Arts Professional League and General Federation of Woman's Clubs.

The registration was presided over by Mrs. Fred Cook. Guests were given hand painted programs.

Mrs. S. P. Henagan, Mrs. T. O. Massey, Mrs. Kathryn Morrow, and Mrs. C. H. Watters represented the Creative Arts Club. They brought with them some 25 pictures, art works of their local club members. Media included oils, watercolors, pastels, etchings, and lithographs.

Mrs. Hennagan gave a talk on "How to Look at a Picture." She then explained each picture in detail. Guests were then invited by the club hostesses, Mrs. L. A. Williams, Mrs. Bryan Clinton, and Betty Mobley to the music room for refreshments.

A beautifully appointed table was presided over by Mrs. Fred Hewser, and Mrs. R. L. Clinton. Coffee, sandwiches, cookies in the shape of an artist's palette, nuts and mints were served to guests from Cross Plains, Baird, Abilene, Moran, and the local Putnam club members.

Mrs. E. C. Waddell played piano numbers during the social hour.

## Harold Jones Dies In Co. Hospital

Walter Harold Jones died in the Callahan County hospital Thursday Nov. 10 at about 8 p. m. after being brought to the hospital a few hours before. He was 26 years old and had been in ill health for several years but his death was not expected at the time he died. Funeral services were held at the Rowden Baptist church of which he was a member, with the Rev. J. C. Hancock, pastor, officiating Friday at 2:30 p. m. interment was made in the Admiral cemetery.

He was born November 6, 1923. He was son of Mr. and Mrs. Walter F. Jones and resided in the Rowden community all of his life.

Surviving are his parents two sisters, Mrs. A. B. Elliott of Irving, Mrs. Walter Odell of Admiral; two brothers, Cecil Jones, who is attending Howard Payne College at Brownwood, and Oscar Jones of Corpus Christi.

## Recruiting Jobs Open In Army

A number of vacancies exist for recruiting salesmen, for assignment to duty in the U.S. Army and U. S. Air Force,

Texas recruiting district area, Staff Sgt. Charles H. Brannon, recruiting sergeant for the Eastland recruiting station, announced today.

These vacancies will be filled from applicants whose last previous service was in the Air Force, who possess the following prerequisites: Efficiency and character rating of excel-

lent or higher; have performed a minimum of 3 years of service with a rank of grade four or above, last discharge being within the past three years; be qualified for general service; and be able to attain a minimum sales adaptability score of 190 on a test to be administered to otherwise qualified applicants.

Sgt. Brannon emphasized the fact that, since recruiting personnel are the sole representatives of the Army and Air Force in many localities all applicants accepted for enlistment for duty assignment in the recruiting service must be of the highest caliber.

It has been the experience of the recruiting service, according to Sgt. Brannon, that a direct relationship exists between the appearance, bearing, and conduct of the recruiting salesman and the quality and quantity of recruits enlisted.

Applications will be accepted at the U. S. Army and U. S. Air Force Recruiting Station, located at Eastland, Sgt. Brannon concluded.

## Francis Urban Promoted by Lone Star Company

Francis Urban of Cisco was made production foreman for the Lone Star Producing and Developing Company in this central Texas area on November 1 to replace Ernest Sneed, who was transferred to Snyder in a similar capacity, according to an announcement today.

Mr. Sneed has assumed his duties in Snyder and will move his family as soon as the camp there has been completed. It was expected that the houses would be ready for occupancy about January 1. Mr. and Mrs. Urban and their three small daughters will move from their home in Humbletown to the Lone Star Camp near Eastland when the house is available.

Mr. Urban had been serving as assistant to Mr. Sneed in the local area. His assistants will be Wesley Franklin of Eastland and Aubrey Poyner of Cisco.

## Funeral Services For Local Woman Set For Friday

Funeral services for Mrs. Curtis Boyd, 22, were to be held at 4 p.m. Friday at the First Christian church. Rev. M. D. Swisher was to conduct the services, assisted by Rev. R. W. Crews of Denison, former local minister.

Mrs. Boyd was the former Zovelle Cagle, daughter of Mr. and Mrs. Leon Cagle, 404 West 7th, Cisco. She died at 6:30 p.m. Wednesday in a local hospital after a year's illness.

She was born in Cisco July 7, 1927. She was a graduate of Cisco High School and attended school in Cisco through grade school before that. She

was married to Curtis Boyd on Dec. 1, 1946, and had one child, a son, Lynn Gayle. They had been living with her parents.

She is survived by her parents, husband, and son, a sister, Lavelda, all of Cisco. Also surviving are her grandparents, Mrs. Mamie Cagle of Oklahoma City, C. C. Cagle of Choctaw, Okla., and Mrs. Bell Smith of Cisco.

Burial was to be in Oakwood Cemetery with Thomas Funeral Home in charge. Named as pall bearers were J. D. Lauderdale, O. L. Duckett, J. L. Latimer, L. A. Warren, H. H. Tompkins, and J. J. Calloway.

## PARENTS URGED TO CORRECT ANY ABNORMAL CONDITION OF CHILDREN

AUSTIN, Nov. 10— The schools of Texas have been in session for several weeks. The routine screening tests by teachers and nurses, or the physical examinations of the children by physicians have been completed. They are complete so far as the nurse, teacher, or examiner is concerned, but the "follow-up" to correct any abnormal conditions disclosed is yet to be done. To make these screening tests and the follow-up examinations of the greatest value, the needed care for corrections of defects should be available. This is the responsibility of the parents of each child in order that a maximum of health may be his lot, declared Dr. George W. Cox state health officer.

Health is a cardinal attribute of living. With the best health a child may have, he will do his best work, will have joy in play, and will grow to be

the most efficient citizen he is capable of being. The future of our country is in the hands of these children who are now in school.

All adults as well as the parents of the school age children should feel the responsibility and privilege of sharing in a sound and safe future for our country by helping to build good health for the children of today.

Through the check made each year in the schools the gross defects may be learned, and a more detailed examination may be made by the family physician, with treatment for correction of these defects as he finds necessary.

Immunization against the diseases for which known protection is available should be given all children unless their physician finds contraindication.

### Reserve Unit For Cisco Possible

All men interested in forming an Organized Reserve Corps unit in Cisco were urged to meet at the American Legion Hall, Eastland, Thursday at 8 p.m.

The unit will be open to men now in the Reserve Corps and to men who served in the armed forces who wish to become members of Reserve units.

The members will receive a full day's pay for a two hour meeting each week with the amount being based on the national guard figure. In addition, they will receive retirement pay benefits and points to apply on their retirement.

Bill Huffman of Cisco is an officer in the Reserve unit and is public relations officer.

## Harvest Nearing Completion Over All Of Texas

Open fall weather permitted farmers to make excellent progress toward completing harvest, preparing land and drilling small grain and cover crops. In the northwest, fields were white with open cotton following the frost. In other areas seeding of small grains and cover crops was pushed with ideal moisture for germination and early growth. Killing frost occurred over the northwestern third of the State on October 31 and light frost extended to southcentral and scattered southern counties on Nov. 1.

Wheat in the Texas Panhandle continued to make good growth except in a few western counties where lack of moisture was retarding development. In a few other areas in the northern High Plains surface moisture was being rapidly depleted by rank growth of wheat. In most other sections of the State, small grains and winter legumes made very good growth with improved moisture supplies. Seeding operations were resumed as fields dried out. Heavy rains have delayed preparation of seedbeds and considerable small grain will be seeded later

than usual in central and east Texas.

Harvest of late grain sorghum was stepped up in northwest Texas as frost and drier weather lowered moisture content of grain. Peanut harvest was resumed in central and north Texas and was nearing completion in east Texas. Digging of sweet potatoes progressed rapidly. Pecan harvest continued in central Texas.

All classes of livestock were doing well on the unusually good supply of range and pasture feed. Native grasses were generally well cured and winter weeds, rescue grass and clovers were coming along satisfactorily in the mild weather. A sub-

stantial acreage of small grains for pasture was drilled in eastern, central and southern counties with ideal moisture for germination and early growth.

Wheat pasture in the northwest continued to supply fair to good grazing.

### Regional C of C Banquet To Draw Large Attendance

ABILENE, Nov. 12—(Spl.)—The West Texas Chamber of Commerce reported today that attendance pledges for its Nov. 22 water development banquet at Fort Worth are steadily mounting with prospect of one of the largest gatherings of its kind in the region's history. The 6:30 dinner session in the Texas Hotel will conclude the organization's 32nd annual convention.

D. A. Bandeen, WTCC, s gene-

ral manager, said ticket orders already have been received from 60 of the more than 100 West Texas towns that are expected to send delegations to the banquet. Out-of-territory reservation requests have come from Austin and Brownsville. Dallas is expected to have a group of at least 60. Bandeen said, "We expect to manage somehow to take care of all orders from wherever they may come."

First order came from Ranger, for 25 tickets, which will place that delegation at table No. 1. Largest to date from an area town is from Stephenville, for 35. Others in the 10-20 ticket range are in hand from Decatur, Odessa, Floydada, Roby, Weatherford, Amarillo, Brownwood, Eastland, Colorado City, Borger, and Lubbock.

### Scranton Takes Game with Eula

By a very close score of 28 to 27 the Scranton boys Basketball team won over the hard fighting Eula High School boys last Tuesday night.

A 3 minute overtime period was necessary in which a Scranton boy, Rice, who played only 3 quarters before, made the winning point. The game for Scranton was featured by the accuracy of Shirley Westfall who scored 14 points.

The girls from Scranton were defeated by the Eula girls by a score of 36 to 26. Roma Reese led the scoring with 15 points.

On Friday night Scranton defeated Olden girls in 2 games and were defeated by the Olden boys. In the girls game Ingram led with 19 points while

Speegle scored 14 points in 2 quarters.

On Tuesday night of last week Scranton elementary team defeated Putnam girls by a score of 20 to 16 and were forced to use the very best players in order to win. In the girls high school game, Scranton defeated Putnam by a score of 46 to 17 with Roma Reese again in the scoring lead with 29 points.

On Monday night of this week Scranton plays a return match at Olden and an exciting game is expected.

Breeder Tulip, Cottage Tulip, Darwin Tulip.

### Of Many Tulip Clans, Each Has Gift for Your Garden

Darwin tulips are so popular nowadays, many amateurs do not realize there are other tulip clans with colors and qualities which Darwins lack, which can prolong the tulip season and enrich the garden display.

Take the point of earliness, which is so important in the spring. Three weeks before any Darwin blooms, the species tulips are out. These are wild kinds, originating in Asia, from which the various garden tulips are supposed to have been bred. Red Emperor, most widely grown, is one of the largest and probably the most vivid red tulip in existence. Its huge flower is borne on an 18-inch stem though it seldom stands up straight.

Next to bloom are the early tulips which, forty years ago, were the favorites for planting in this country and continue to be so in continental Europe. They were bred for planting in formal arrangements, such as round beds and straight borders, beside walks and in front yards. They have the bright, clear colors of the species group and amazing uniformity, standing on short, stout stems, all flowers of a variety the same height and flowering at the same time.

Some early tulips should be planted if only to enjoy their bright colors, including red, pink, orange and yellow, for two weeks before the

late tulips bloom. For suburban borders the early variety Gen. DeWet, a deep orange with rich fragrance, is excellent.

The tall, late tulips include the Darwin, Cottage and Breeder clans. Of these the breeders are the oldest, the other two being bred from Breeder varieties, though their exact parentage is not known.

Darwin tulips are characterized by soft coloring, with a white over-bloom giving the effect of a pastel picture. Originally they had no yellow varieties and only poor whites, but these lacks have been made up by later introductions. Cottage tulips have bright, clear colors, like the early kinds, but blossom at the same time as the Darwins and stand on tall stems.

Each of these late flowering clans can contribute to a garden display something which the others lack; and all should be represented in the garden. Tulip growers are crossing these three types to produce new varieties and have met their greatest success with the Cottage tulips, which now have the largest yellow varieties, Golden Harvest and Mrs. Schneepers.

Breeder tulips, oldest garden type, have rich, dark colors and huge flowers. The variety Dom Pedro, a coffee-colored brown, is one of the most fragrant of all flowers.

# Eastland County To Market \$3,600,000 Peanut Harvest

Some 500 Eastland County peanut growers were expected to cut a \$3,600,000 pie this year when the 1949 crop has all been gathered and sold, according to estimates by buyers and govern-

ment graders in the six market centers of the county.

Some 40,000 acres were planted to the quick cash crop this year and they were averaging slightly in excess of 30 bushels to the acre for what is said to be a record crop for the county. Buyers were paying an average of \$202 per ton over the county or slightly over \$3 per bushel.

Each bushel is inspected by a government agent stationed at the buying points and the price is based on a seven percent moisture content basis. Peanuts will

be accepted with up to nine and one half percent moisture but the price is slightly reduced to take care of the extra amount.

The Cisco peanut Company reported that Thursday and Friday were the biggest days of the season so far this year with 251,390 pounds reaching the local market on those days.

J. W. Denbeau is stationed at the local market by the government and is charged with examining all peanuts, checking the planting records and approving

the sale. A rumor that local buyers were charging storage on the peanuts sold here was flatly denied by the purchasers who stated that no grower had ever been charged for storing peanuts at the local plant.

The crop over the county was approximately 50 percent gathered, according to reports, and farmers were taking advantage of open weather to complete the harvesting. Some yields up to 70 bushels per acre have been reported.

## HEADS SOCIETY

Dr. J. G. Flowers, president of the Southwest Texas State Teachers College, San Marcos, is the newly elected head of the Texas Society for Crippled Children. Other officers for 1949-50 are S. A. Martin M. Tucker, Dallas, is executive director of the charitable organization.

## Cisco Soldier Visits In Japan

1st Lt. Gayle Bailey, adjutant of H. Q. Squadron, 13th Air Force, and son of Mr. and Mrs. M. D. Bailey of 208 E. 23rd St., Cisco, has just returned to the Philippine Islands from short sightseeing and shopping tour to Tokyo, Japan, and to the British crown colony of Hong Kong.

He reports that Hong Kong is a tremendously beautiful place. There was a great deal of activity there during his one day stay as Canton was then in the process of falling to the Red armies.

The highlight of his three day stay in Tokyo was when he saw General Douglas MacArthur entering the Dai Ichi Building on the way to his office.

Lt. Bailey arranged for these trips by taking leave from the Squadron. He is due to return to the United States in the near future.

## East Cisco Baptists Make Plans For Rebuilding Their Burned Structure

The East Cisco Baptist Church met in conference Wednesday night and elected building and finance committees to prepare plans for erecting a new building to replace the one destroyed by fire early Tuesday morning.

### Lions Hear Talk On Reserve Corps

The part the organized Army Reserve Corps is playing in the nation's defense setup was outlined by Lieut. Bill Huffman in a talk for members of the Cisco Lions Club at noon today. Dizzy Dean was in charge of the program.

Huffman, who is an active member of the Reserve Corps which meets regularly, told the club there is a possibility that a unit soon will be set up in Cisco and that openings would be available for some 30 or 40 men.

Lion President Jay Garrett appointed a committee composed of Jack Anderson, Maurice Swisher, Ted Waters and Charlie Burke to cooperate in making plans for an annual football banquet in December.

Lion Charles S. Sandler will be in charge of next week's program. Bob Ellison of Cisco was a visitor.

The frame auditorium building belonging to the church was completely destroyed in the fire with an estimated loss in excess of \$30,000.

The building committee is composed of Don Rupe, J. C. Pelfry, W. L. Lewis, J. D. Hall, W. R. Ivie, and Roy Marcontel. The finance committee is composed of John Whisenant, Carlton Holder, H. H. Harrelson, Claude McBeth and Cliff Jones.

The two committees will meet jointly at 7:30 Thursday in the home of Paul Stephens, minister, to get plans underway for a new structure.

## Legion Auxiliary Maps Drive For New Members

Plans for a membership campaign to give the American Legion Auxiliary increased strength for its activities during the year ahead have been announced by Mrs. Gorum Pollard, Unit president. The campaign began Nov. 7 and will continue through Jan. 31, with enrollment of the Unit's 190 quota as its goal.

The campaign will be directed by Mrs. Charles Cofer, membership chairman of the Unit, assisted by her committee composed of Mrs. D. J. Gorman. Invitations to come into activities of the Auxiliary will be given to all eligible women in the city.

It is especially important for the wives, mothers, sisters and daughters of veterans of both World Wars to be members of the Auxiliary at this time," said Mrs. Cofer. "This is a critical time in the affairs of veterans, as well as of the nation, and the Auxiliary is working for the welfare of both. Every woman who joins gives us additional strength for service to the veterans and for our work in support of national security and Americanism."

Those eligible to be Auxiliary members are the wives, mothers, sisters and daughters of members of the American Legion, or of men who died in war service and of veterans who have died since discharge. Women who served in the armed forces in either World War are eligible to both Legion and Auxiliary membership.

may be exchanged for reserved, ringside, or box seat tickets. General admission tickets are seats, \$1.80, and box seats \$2.40. General admission for children under 12 is 60c.

ter, with the silver service overlaying the table for a buffet supper consisting of turkey with all the trimmings, golden brown pineapple decorating the baked ham, pickles, olives, mints, cake and coffee. After this sumptuous spread and evening of perfect enjoyment, that can only come from a lasting friendship, dating back before 1908. Such outstanding characteristics, so beautifully portrayed in the life of the honoree, Mrs. Mary Shackelford Thomason, visiting from Glendale, Calif. The true spirit of devoted friendship, deeply inculcated, dating back to the early days of Putnam, when social discrimination was not known, still illuminated the hearts of all present. Piano and vocal selections were enjoyed. Present were three of Putnam's most eminent pianists, Mrs. W. I. Browning of Fort Worth, Mrs. H. W. Baxley of Harrison, Indiana, her sister, Mrs. Claude Cunningham of Garden City, Texas. Songs by the group with solos and duets by Mrs. Mary Thomason and Mrs. E. Biggerstaff. "Echoed Days of Yore," were enjoyed by all when the hour came to say good night. The

honoree, Mrs. Mary Shackelford Thomason was presented, with the true spirit of Texas, a beautiful bronze horse as a memento of the occasion.

The group of Auld Lang Syne were: Mrs. F. P. Shackelford, Mrs. Mary Shackelford Thomason, Mrs. W. H. Baxley (Maurine Orr), Mrs. Claude Cunningham (Hazel Orr), Mrs. Joseph Booth (Jamie Hale), Mrs. W. I. Browning (Bonnie Wayne Britton), Mrs. Lena Kelly (Lena Clay), Mrs. Geo. E. Biggerstaff (Marie Hatton), Mrs. Pete King (Carrie McCool), Miss Ruth Mobley and Miss Betty Mobley. This, only being a prelude to the open house, held Sunday from 2 to 10 O'clock, during which time 125 called. The dining table center was changed to an Italian cut work and lace cloth, still enhanced by beautiful silver appointments. A silver service, presided over by Mrs. Fred Heyser, Mrs. I. G. **Livestock Show Association Buys Cross Plains Arena and Grand Stand**

Cisco was assured of a modern rodeo plant Monday when it was announced by the Cisco Livestock Show Association that they had purchased the arena, grandstand and equipment of the Cross Plains Rodeo Association.

The plant will be taken down in Cross Plains and brought to Cisco where it will be rebuilt at the Livestock Show grounds just north of Cisco Junior College. The stands will seat some 1,500 persons and the arena and the chutes and pens are in good condition.

Plans for the use of the plant have not been worked out but tentatively call for a Rodeo to be held in connection with the annual livestock show held here, and the holding of regular matched roping contests.

The newly formed Cisco Roundup Club has assumed the responsibility for taking down the plant, moving it to Cisco and rebuilding it. The members plan to begin at once on the project and will use practically all volunteer labor.

Officials of the Roundup plan to begin their work Saturday and asked to call Sandy Sanders, Ted Hale or the Daily Press before Saturday so that arrangements could be made for their transportation, which will be furnished. Steeple pullers, pliers, hammers and nail bars were needed to assist in the work.

A. Z. Myrick is president of the Cisco Livestock Show Association and Ted Hale is president of the Roundup Club.

The purchase price was not revealed but it was reported that the plant was purchased for a small per cent of its original cost.
