

FROM THE EDITOR'S WINDOW

BY MRS. J. S. YEAGER

A recent discovery of much interest has been made near Cairo, Egypt, under the sponsorship of King Farouk. An ancient Egyptian burial chamber, said to be the largest in the world has been uncovered by Zaki Saad, famous archeologist, and found to be in good condition.

The stone chamber is about twenty feet wide and about one-hundred feet long, and appears to have belonged to a prehistoric king. It is thought to be about 5,000 years old and used before the First Dynasty of Egyptian Kings founded by Menes. Plates and other utensils used for eating, many made from alabaster, have been found.

Other items, including a ring used as a seal, necklaces, and other jewelry made of amber were also found. As progress is made no doubt but other interesting and valuable objects will be discovered in the chambers.

A report on our bond purchases up to June 15 showed that Texans had already bought one-fifth of our \$33,000,000 quota of E bonds and the campaign at that time was only nine days old.

The bond drive, as we started last week, began June 6 and will continue through July 4.

Inspector—"Don't you know you can't sell life insurance without a license?"

Salesman—"I knew I wasn't selling any, but I didn't know the reason."

Girl's father—"Young man, in this house we turn out the lights at 10:30."

Soldier—"Gee, Mister, that's swell of you."

The U. S. Senators have now voted for themselves a \$2500 annual expense allowance in addition to their \$10,000 per year salaries. House members voted the same amount for expenses several months ago.

The Senate also voted a five dollar a month boost in the Federal contribution toward old age pensions and three dollars per month increase in the allotment for needy dependent children.

Texas boasts more than 12,000 manufacturers, according to the Directory of Texas Manufacturers for 1946 which is scheduled to be off the press by July 1.

Compiled by the bureau of business research at the University of Texas, the directory is the first to be issued since 1941, and will be the fifth edition.

Exiled King Umberto II of Italy has left his native land and is now said to have joined his family in Portugal. He served his country as King only one month. An election was held and Italy became a Republic.

West Texas now has an infantile paralysis clinic in operation. It is located at Plainview and has very recently been completed. Two victims of the dreaded disease have already been admitted and are receiving treatment.

"At any rate, said the auctioneer, "mine is a business that women can't infringe upon."

"Just try to imagine a young woman getting up before a crowd and saying:—"Now, gentlemen, all I want is an offer."

The United States Department of Agriculture reports say that a yield of approximately 75,000,000 bushels of Irish potatoes in this country will soon be ready for market. However, the possibility of car shortages, scarcity of ice and summer showers may hold back the marketing for a time, but it is hoped distribution facilities will be attained in time to save the crop from deterioration.

FIFTH SUNDAY SINGING CONVENTION IN CISCO SUNDAY

The fifth Sunday singing convention of Eastland county will meet in Cisco at the Church of God Sunday, June 30, at 2 p. m. Every one who likes good music is invited to attend. There will be many good singers that will attend this convention from various parts of the county and many from other places.

Singing will begin promptly at 2 p. m. and continue for two or three hours before adjourning.

Mr. and Mrs. A. H. Nelson and Mrs. Nelson's sister, Mrs. Mangel, of Arizona and Luke Colman of Wilson were in Putnam for a short while Tuesday afternoon.

MISS JUAKANA YOUNGBLOOD BECOMES BRIDE OF GLENN BURNAM SUNDAY EVENING JUNE 16

REV. MARCE PERDUE

Pictured is Rev. Marce Perdue who will begin revival services at the Baptist Church on Friday night, June 28, and continue through Sunday, July 7. Services at 10:00 a. m. and 8:30 p. m. each day.

Glenn Burnam and Miss Juakana Youngblood were married at the Methodist Church in Cisco Sunday, June 9th, with the pastor, Rev. C. A. Warder, officiating. Glenn is a son of Mr. and Mrs. Mark Burnam, a well-to-do farmer of the Union community. He graduated from the Putnam high school with the class of 1940 and has had three years of college work. One year in the Cisco Junior College, one year at John Tarleton and one year at Hardin-Simmons University in Abilene.

Mrs. Burnam is the daughter of Mr. and Mrs. Jesse Youngblood of Cisco and has been reared in the Cisco community.

Glenn enlisted in the air corps September 10, 1942, and received his discharge on December 2, 1945.

Mr. Burnam stated to the News he had purchased the farm owned by E. W. Ramsay and occupied by E. W. Wade and would move there the first of the year, where they expect to make their home.

Idaho And Maine Are 'Sold' On Ads To Sell Potatoes

IDAHO FALLS, Ida.—Newspaper advertising in the major market centers of the United States sells Idaho's and Maine's potatoes.

In the past nine seasons, Idaho has sold its potatoes for a total of more than \$163,000,000 while Maine has marketed its shipments for \$310,000,000, records of the Idaho Potato and Onion Shippers Association, which maintains headquarters here, show.

Maine is the nation's leading tuber producing state. Idaho is second.

The campaign on Russets is conducted by the Idaho Advertising Commission, which the Cline Advertising Service of Boise serves as counsel. Weekly and bi-weekly display advertisements began in metropolitan newspapers in September and continue through March, or until the bulk of the crop has been marketed. Stressing nutritive value and keeping quality of Russets, a late maturing crop, the advertisements have been credited with materially increasing sales east of the Mississippi River.

Newspaper advertising is supplemented with magazine advertising, dodgers, and cafe promotion. Field representatives of the Advertising Commission contact the trade to demonstrate best methods of displaying potatoes in stores.

Sturgess Dorrance, New York, chairman of the board of Brooke, Smith, French & Dorrance Advertising Agency and merchandising and advertising counselor to the state of Maine, told members of the Shippers Association recently at Boise that it appears Maine's shippers may voluntarily suggest an additional one cent a barrel tax on themselves to promote an even more intensive advertising program. He suggested that Idaho shippers might do likewise. Idaho growers now pay one-half cent per hundredweight on potatoes that are marketed to finance the advertising program.

Marketing programs of both Maine and Idaho were carried on during the past nine seasons "at the exceedingly low cost of less than two mills per dollar of income to the growers," Idaho Advertising Commission members reveal. During the 1944-1945 season the advertising of California Sun-kist lemons amounted to 5 and 3/10 cents on the dollar, Florida grapefruit one cent, and California Sun-kist oranges 1 and 8/10 cents.

Maine is furthering its advertising program with research. Idaho is doing likewise.

Maine is popularizing the state-owned trade-mark names of Super-Spuds, Chef's Special, Thrift Pack and Cut-Tatoes. Maine receives a premium from the trade on these special packs.

"But the main thing is to put quality in a bag," Mr. Dorrance said. "A housewife isn't sold on a product unless she asks for it a second time."

Those attending the Kennedy funeral here last week were: Mrs. Ella Kennedy, Fort Worth; Mr. and Mrs. W. R. Hamlin, Artesia, New Mex.; Miss Lois Kennedy, Santa Fe, New Mex.; Mr. and Mrs. H. L. Moore, Goree; Miss Ellen Elzey, Fort Worth; Miss Christi Kennedy, Fort Worth; J. L. Kennedy and son, Lee Roy, Fort Worth; Mr. and Mrs. Carroll Saries, Cisco; Mr. and Mrs. Henry Powers, Fort Worth; Mrs. C. R. Kennedy, Fort Worth; and Mac Kennedy, Fort Worth.

TWELVE CARS OF GRAIN SHIPPED OUT OF PUTNAM

There had been twelve cars of grain shipped out of Putnam from the 1946 crop up to Saturday night. However, the grain crop is about all in for this season. But this is about twice as much as was shipped out on the crop of 1945. This is an estimated income from the wheat crop of approximately \$25,000, a considerable amount of cash, yet the 135 bales of cotton ginned in Putnam in 1945 brought an estimated income of \$19,000. But there is a small acreage compared to the wheat acreage, either in 1945 or 1946.

TAX ELECTION SATURDAY AT THE COOK BUILDING

Before the organization of the Putnam Rural high school district, the Putnam school had a special tax not exceeding \$1 on the one hundred dollars valuation. But other districts taken in the Putnam Rural high school had a maximum rate of less than \$1 and to make it equal over the district, there has been ordered an election by the Putnam Rural high school board to be held June 29th, the same being on Saturday of said month. The election is to authorize the Putnam Rural high school board to levy and collect an ad valorem tax on each one hundred dollars valuation of property in the district not to exceed \$1 on the one hundred dollar valuation. This does not mean the board will be compelled to levy a tax of one dollar as the board will have a right to make and levy that the board thinks will produce revenue enough to support the school.

MRS. LEONA WADE DIED EARLY SUNDAY MORNING AT CLYDE

Mrs. Leona Wade, age 73, resident of Clyde for the past 21 years, died in her sleep early Sunday morning at the home of her son, Era Wade, in Clyde.

She was born in Georgia May 23, 1873, and moved to Texas at the age of 13. She was married to J. F. Wade, and the family lived in the Merkel area for about twelve years before moving to Clyde.

Funeral services were held at 3 p. m. Monday at the Methodist church in Clyde with the Rev. Aubrey White officiating. Burial was in the Clyde cemetery beside the grave of her husband, who died in 1941.

HARP SINGERS TO MEET AT CISCO SUNDAY JUNE 30

Old Sacred Harp singers in this area are invited to an all-day convention to be held at the Eastside Primitive Baptist Church in Cisco this Sunday, June 30.

Lovers of Old Sacred Harp singing are urged to be present.

MISS BILLIE VERNE EMMETT BECOMES BRIDE OF P. J. GRAVES AT BLUFF DALE ON JUNE 16

Miss Billie Verne Emmett, daughter of Mr. and Mrs. W. B. Emmett of Bluff Dale, became the bride of Mr. Phillip J. Graves, son of Mr. and Mrs. C. C. Graves of Stockton, Ill., at 9 p. m. Saturday at the First Baptist Church in Bluff Dale.

The double ring ceremony was read by Rev. Erwin Holt before an altar banked with fern and white yucca. Tall white tapers in graduating holders lighted the background of fern, ivy and baskets of white shasta daisies. The bridal aisle was marked with clusters of

shasta daisies and fern caught with bows of white satin ribbon.

Given in marriage by her father, the bride wore a gown of white brocade satin with basque effect, sweetheart neckline, and full skirt. Her fingertip veil of tulle fell from a halo arrangement of gardenias. She carried a white Bible topped with gardenias and stephanotis in a cascade of ribbon, and also carried a lace handkerchief carried by her mother at her wedding. She wore a penny in her shoe for luck. Her long white kid gloves were those of the late Mrs. John Frey, Stephenville.

Mrs. Alaska Deaver, pianist, played "Ah, Sweet Mystery of Life," "Believe Me If All Those Endearing Young Charms," "Love's Old Sweet Song," the wedding marches, and during the ceremony, "Traumerl," Hershell Davis, Ft. Worth, sang "I Love You Truly" and "Because."

Miss Dorothy Warnock, Vernon, was maid of honor and Mrs. Roland Nichols, Baird, matron of honor. Other bridal attendants were Mrs. Marion Glenn Pruitt, and Miss Joyce Fry, Putnam, bridesmaids, and Miss Norma Sue Moring of Huckabay, junior bridesmaid. All wore gowns of pastel shades with tight bodices and full skirts. Their short veils fell from halo arrangements of pink rosebuds and sweet-pea. They carried old fashioned nosegays tied with ribbons to match their gowns, and wore matching mits. Misses Shirley and Sharon Deaver were flower girls, carrying baskets of roses. Little Cathy Yarbrough and Roy Franklin Petty, Cisco, were ringbearers.

Mr. Lee Barnes, Ft. Worth, was best man, and Lt. E. L. Rhoades, San Antonio, was head usher. Other ushers were Messrs. Jack Holt, Henry Fry of Putnam, and Glenn Moring of Stephenville, cousin of the bride.

A reception in the home of the bride's parents followed the ceremony. Mr. and Mrs. W. B. Emmett, the wedding pair, and bridal attendants formed the receiving line.

The bride and groom cut the white three-tiered wedding cake. Tall white tapers in crystal holders and white satin streamers decorated the table which was covered with an Irish linen cut-work cloth. Fern and sweetpeas encircled the cake and punch bowl. Mrs. John Petty, Cisco, served the cake and Mrs. Hunter Watson poured. Mrs. Harry Deaver, Bluff Dale, and Mrs. Henry Fry, Putnam, assisted in the dining room.

Miss Aura Francis Waddell, accompanied by her mother, Mrs. E. C. Waddell, Putnam, gave violin solos throughout the evening. About 100 guests registered, presided over by Mrs. Cauty Yarbrough, and Mrs. Reid Warnock presided in the gift room.

Mr. and Mrs. Graves left for a wedding trip to Ft. Worth, Carlsbad and points in west Texas. She wore a two-piece slate blue raw silk suit with black accessories, and a corsage of gardenias.

The bride is a graduate of John Tarleton College and Daniel Baker College in Brownwood. She has taught school for six years, teaching history and public school music. The past year, she, with her mother, taught in the Putnam public school.

Mr. Graves, a flight officer, was an instructor for two years at the Coleman Army Air field. He served in the CBI theatre 17 months with the ATC, and has four battle stars and two air medals. He received his discharge May 20.

The couple will make their home in Stockton, Ill.

Out of town guests attending the wedding and reception were Lt. E. L. Rhoades, San Antonio; Mr. and Mrs. Hershel Davis, Mr. and Mrs. Lee Barnes, and Mr. and Mrs. Mac Taylor, all of Ft. Worth; Miss Dorothy Warnock, Vernon; Mrs. Roland Nichols, Baird; Mrs. John Petty and son, Roy Franklin, Cisco; Johnny Rhoades, Florida; Mr. and Mrs. Henry Fry, Misses Joyce Waddell, all of Putnam; Mrs. Ross Brown, Miss Norma Sue Moring, Mr. and Mrs. W. O. Moring (grandparents of the bride); Mr. and Mrs. Granville Moring and sons, Joe Donald and Wiley, all of Huckabay; Mr. and Mrs. Lee Ivan Tate, Mr. and Mrs. Mark Stephens, Mr. and Mrs. Glenn Moring, Mr. and Mrs. Eddr Emmett, Miss Martha Emmett, Mr. and Mrs. Jen Williams, Mrs. Job Wright, Mrs. Joe Bell Frey, and Mrs. Jack Reynolds, all of Stephenville.

FRANK WALKER, SECRETARY OF CISCO SCHOOL BOARD, DIES IN GRAHAM HOSPITAL JUNE 21

Frank Walker of Cisco died Friday afternoon, June 21, about 3:10 at the Graham hospital, where he had been taken for treatment about 2:30 p. m. from his home.

Mr. Walker was secretary of the Cisco school board and had been for many years. He went to work as usual early in the morning but about 9:30 he complained of feeling bad and returned home a short time afterwards.

He was a leader in Masonic circles and was choir leader at the Baptist church. He had presided at a meeting of the Knights Templar Thursday night. His death was a shock to his host of friends in Cisco, and surrounding communi-

ties. He was reared near Scranton and moved to Cisco when a young man.

He was born February 1, 1881, in Tennessee, and was married to Miss Mamie Karlits in Cisco January 1, 1912.

Survivors are his wife, two daughters, four brothers and two sisters, as follows: Mrs. V. F. Earls and Miss Willie Frank Walker, Cisco; R. H. Walker, DeLeon; D. C. Walker, San Antonio; Clarence Walker, San Diego, Calif.; Fred Walker, Grapevine; Mrs. H. L. Kunkle, Dallas; Mrs. C. M. Murphy of Eastland.

He was buried in Oakwood cemetery at Cisco, Sunday afternoon.

BARNES CAR THEFT TRIAL AT BAIRD

Cases of theft against Arthur Cloud and Robert Chaney, both charged with stealing an automobile belonging to Rev. D. L. Barnes of Cross Plains, were set Thursday morning in District Court at Baird, said Thomas E. Hayden, district attorney.

Both cases were passed from Monday, when one of the principals, Arthur Cloud, failed to make his appearance in court and his bond of \$2,000 was forfeited. Co-defendant Chaney will be tried after Cloud, Hayden said.

A jury in 42nd district court Monday found Dawson Wright guilty of theft under \$50 and fixed his fine at \$100 and gave him 60 days in jail.

A case of child desertion was passed pending proper execution by defendant of a monthly support of \$15 a month for the child.

PARKER IS OUT OF RACE FOR SHERIFF

The name of H. S. Parker for Sheriff will not appear on the primary election ballot in Callahan county, the Review was told Tuesday at noon by Hugh Ross, County Democratic Chairman.

"Mr. Parker failed to post filing fee by the deadline Saturday night," Ross said, "and I am informed that he has withdrawn from the race."

The omission of Parkers name from the ballot leaves only W. A. Peterson, incumbent, and S. S. (Nick) Nichols of Enla in the sheriff's race.

PLANS UNDERWAY FOR BUILDING HOME FOR VFW LEGION NO. 6523

Plans are underway for a building to house Callahan County Post No. 6523 Veterans of Foreign Wars, will be presented to the members of the organization and veterans eligible to become members at a called meeting.

The building will be used exclusively for welfare and recreation activities of the post. It is to be financed from funds in the post treasury and from donations by Callahan county citizens.

All eligible veterans who have not yet done so, are asked to affiliate with the post as charter members.

6,000 BALLOTS PRINTED FOR PRIMARY ELECTION

6,000 ballots have been ordered for the Democratic primary in Callahan county, according to word received from Hugh Ross, party chairman for this county. This is believed to be the largest group of ballots ever printed, however, a record breaking turn-out is expected to be rolled up by Callahan countians on July 27.

Calvin King spent Saturday night with his parents and left Sunday morning for Galveston where he is stationed.

STOLEN MOTOR BUS FOUND AT PUTNAM

An abandoned Texas Motorcoach bus found by State Highway Patrol officers at Putnam on Highway 80 last Thursday gave state officers another merry chase for Fort Worth's 23 year old problem child, George Bray Pipkin.

The bus, stolen from Fort Worth last Wednesday night, was refueled at Cisco at 1:30 a. m. Thursday. It was found undamaged.

Pipkin escaped from the Wichita Falls State Hospital shortly after midnight last Tuesday by wrenching a grating from a dormitory window. He was sent to the hospital last May after a district court in Fort Worth found him guilty of car theft and repetition of offenses and adjudged him insane. He had been involved with the law since he was 10, was a fire-bug at 13 and had been sent twice to a state training school at Gatesville.

The search for him is still underway.

Members of the American Legion, sponsor, are arranging for a parade in the forenoon and requesting merchants to decorate places of business.

WILLIAM H. (BILLY) MANNING TO HAVE SEAT AT A-BOMB TEST

At least one from Callahan county will have a ringside seat on operations at the Bikini atoll atomic bomb test next month in the Marshall Islands. The one from this county is William H. (Billy) Manning of Baird, son of Mr. and Mrs. Marshall Manning of that city, and a nephew of Mrs. Harve Black of Putnam.

Billy Manning is in Pearl Harbor, assigned to a ship in the atom bomb test operations, his mother reported.

Manning was an honor graduate of the Baird high school in 1944, and was at Hardin-Simmons University when he enlisted in October, 1945. After finishing boot training at San Diego, he went through the voeman's school there and finished at the top of the class. His brother, John Marland Manning, entered the navy in January, 1946, and has finished fi-men's school at San Diego, and recently sailed to China on a tour of overseas duty. He was graduated in absentia with Baird class of 1946.

Mr. and Mrs. Claud Cunning were visitors in Putnam for several days the past week. They are moving from Tampa, Fla., to Midland. Mr. Cunningham is a field land manager for the Humble Oil Company and has been transferred from Tampa to Midland.

REINSTATEMENT OF G.I. LAPSED INSURANCE IS BEING OFFERED

The contact service of the Veterans Administration today was seeking every veteran who has let his G. I. Insurance lapse to offer reinstatement without a medical examination.

Robert W. Sisson, Lubbock Veterans Administration Regional manager, said success of the campaign would result in invaluable service to thousands of veterans.

Ex-GI's can now reinstate policies without a medical examination, regardless of how long they have been out of the service, provided their health has grown no worse during the lapsed period, Sisson said.

"This liberalization is only effective until January 1, 1947," he pointed out. "Time is running out for many of these veterans and we

must use every means to inform them of this priceless opportunity."

"Its importance cannot be over emphasized. It will not only be simpler to reinstate policies, but many veterans are now able to reinstate who would not be able to pass a rigid physical examination."

"These uninsurable veterans may never again have the opportunity to provide adequate life insurance protection for their present and future dependents."

Term insurance carried on service people during the war can be reinstated by payment of only two monthly premiums. Veterans can reinstate all or a part of the government policy.

S. S. (Nick) Nichols, candidate for sheriff of Callahan county was in Putnam Tuesday afternoon shaking hands with the voters in the interest of his candidacy.

Next Of Kin May State Wishes In Moving War Dead

President Truman has approved the Act of Congress authorizing disposition at Federal Government expense of the remains of personnel of the armed forces who died overseas since September 3, 1939, and the War Department has announced that next of kin of the deceased will be asked to state their wishes as to what disposition should be made.

Indications are the program will not actually get under way until as late as the end of 1946, because of the inability of casket makers to meet schedules under the steel shortage. Relatives will be given four options as to the disposition of the remains of the war dead:

1. The remains may be interred in a permanent American military cemetery overseas. Establishment of permanent American military cemeteries overseas in the European and Philippine area is contemplated, should the number of requests justify it.

2. The remains may be returned to the United States for final interment in a national cemetery. This is restricted to burial of remains of members of the Armed Forces only. When this option is desired, the remains will be transported to the continental United States and interred in the national cemetery selected by the next of kin.

3. The remains may be returned to the United States or any possession or territory, for interment by next of kin in a private cemetery. Shipment will be made to the city or town designated by the next of kin.

4. The remains may be returned to a foreign country, the homeland of the deceased, for interment by next of kin in a private cemetery. Shipment to a foreign country is dependent upon the ability of the United States Government to obtain entry. If entry can be obtained, shipment will be made to the city or town designated by the next of kin.

It is likely, the War Department announces, that remains to be returned first will be from those areas where American soldiers fought and died. A majority will be brought home on ships which will be converted into vessels resembling the present hospital ships.

Beginning of the undertaking will not be delayed, however, should conversion of ships not be completed when contemplated. The vessels will dock at the ports of New York and San Francisco, but is not

possible now to estimate the exact date when the first remains will reach these ports. After arrival at ports, the dead will be moved by funeral trains to 15 or more transfer points at strategic and convenient locations throughout the United States. From these cities, military escorts will accompany the flag-draped caskets to the places specified by the next of kin.

When next of kin requests burial in a national cemetery or in a military cemetery overseas, the War Department bears all expenses. If private interment in the United States or overseas is requested, the government will pay transportation costs to the city or town designated by next of kin up to \$50.

Mrs. Jesse Youngblood of Cisco was visiting with her daughter, Mrs. Glen Burnam in the Union community over the week end.

Mr. and Mrs. Borden Heslep of Abilene and Roy Denny of Baird spent the day visiting in the home of Mr. and Mrs. John Fisher Sunday.

RED CROSS MEMBERS OF CALLAHAN COUNTY WILL MEET JULY 5TH

Callahan Chapter of the American Red Cross will meet in the County Library at the courthouse at Baird, Friday, July 5, for the purpose of electing officers for the ensuing year, announces Mrs. W. A. Fetterly, sec-treas. All retiring officers are requested to bring along a written report of the past years work.

All Callahan members, those who have paid as much as \$1.00 to the Red Cross, are invited to be present and take part in the meeting.

Remember the date, Friday, July 5th.

L. A. Warren of Cisco was in Putnam Friday afternoon and while here placed his name on the subscription roll of the Putnam News. He was looking after oil business near Putnam, where he has several producing wells.

In last week's issue of the News it was stated Alton Hutchison owned the White Grocery. This was an error; it should have read Alton White instead of Alton Hutchison.

State Health Man Discusses Trench Mouth

Dr. Geo. W. Cox, State Health Officer, has released some interesting information concerning Vincent's angina which was commonly called "trench mouth" during World War I.

Dr. Cox states that Vincent's angina is a specific infection producing inflammatory condition of the mucous membranes, more commonly those of the mouth, and the disease is spread by indirect as well as direct contact.

"Because of the readiness with which this disease is transmitted, it has been occasionally found in epidemic form among school children and other groups," Dr. Cox states. "Vincent's angina assumed epidemic proportions in the front line trenches in 1914-1918 and it was during this period that the disease became generally known as trench mouth."

Although trench mouth is now worldwide in distribution, reasonable application of preventive measures which are merely those in line with approved personal health practices will be found a sufficient defense against this infection.

According to the State Health Officer the most common causes of Vincent's angina are neglected mouths, broken teeth fillings, and other types of oral irritation. Daily hygiene, plus the periodic visit to the dentist can be relied upon as reasonable buffers against this infection. However, persons who are very careful regarding oral hygiene can acquire this disease by using infected drinking cups and eating utensils and other personal articles; also by kissing, though healthy gums and mucous membranes have a much superior resistance to the infection than does an unclean mouth.

WEASEL KILLED BY COTTONWOOD LADY

Miss Hazel Respass observed a disturbance in her chicken yard at Cottonwood this week and upon investigation found a weasel, an animal very rarely seen in this section of the United States. The animal had killed six chickens, biting them through the head, however, he made no attempt to eat their flesh. Miss Respass killed the weasel and began to inquire of neighbors and friends as to what type of animal it was. It had been so many years since a weasel had been seen in these parts that very few people were able to identify it properly.

BLANTON'S PLATFORM MADE IN JUNGLES

When Bill Blanton decided to run for Congress, he was on the other side of the world, in the Burma jungles. He didn't know whether he would get home, but if he did, there were a lot of things he wanted changed.

At the end of his month-long voyage home, he had his platform clearly in mind. He knew what he wanted done about labor unions, for instance. That is why he hasn't found it necessary to change his platform and adopt a stand on labor unions in the last few weeks of his campaign. (pol. adv.)

Follow these steps in preparing fruits for freezing

Selecting Fruit
Use only sound, ripe fruit. If fruit is too green, it shrivels and lacks flavor and color. If it is too ripe, but still good, it is better to make a fruit juice or puree with it. Certain kinds and varieties of fruit yield a better product than others, therefore, give priority to those fruits which yield the best quality.

Preparing
Fruits are prepared as for eating. Keep fruit cold from the time it is gathered until frozen. The fruit should be washed in cold water. How to prevent discoloration in certain fruits.

Peaches, apricots, apples, and pears discolor easily. There are several ways to prevent this:

1. Dissolve 1 level teaspoon thio-carbamide (also called thiourea) in 1 gallon cold water. Allow peeled fruit to stay in solution 1 minute; then drain for 30 minutes to 1 hour in a cool place before packing.

2. Use 125 mg. of Vitamin C for each pint of fruit. Vitamin C comes in a tablet of 25 mg., 50 mg., and 100 mg. potency. You would use 1-1-4 of a 100 mg. tablet. Dissolve the tablet in sugar syrup, which is to cover the fruit.

3. Mix 4 level teaspoon citric acid or 3 tablespoons lemon juice in one quart cool water. Leave fruit in solution only 5 to 10 minutes, then pack immediately.

4. Dissolve 1-4 to 3-4 ounce sodium bisulfite in one gallon water. Leave peeled fruit in solution 1 minute. Drain for 30 minutes to 1 hour in a cool place before packing. The disadvantage of this method is that the fruit should be heated after thawing and before eating.

5. Mix 2 tablespoons vinegar or lemon juice and 2 tablespoons salt with 1 gallon water. Let the peeled peeces remain in the solution only long enough to prepare enough fruit to pack a few cartons, not longer than 15 to 25 minutes. Drain pack and freeze immediately. This is not as effective as the first method.

6. Scalding peaches and apricots for 1 to 2 minutes in boiling water to remove peel also destroys some enzymes which cause discoloration. If this is used, fruit should be chilled quickly after scalding.

Using sugar or sugar syrup
Sugar or sugar syrup helps most fruit to hold its shape, color and flavor. The amount of sugar must be determined by the availability of sugar and the tastes of the family. Usually one-half to one cup of sugar per quart of fruit is desirable. For very sweet, ripe fruit less sugar may be used and for sour fruit, use more sugar when it is available.

To make syrup, dissolve the sugar in boiling water. Then chill the syrup before pouring it over the prepared fruit. One pound (two cups) of sugar dissolved in one quart of water packed fruit.

Dry sugar may be used for small whole berries, cherries, crushed or sliced large berries, plums and very juicy pineapple. Mix the sugar with the prepared fruit. Use three to

five parts fruit to one part sugar. Stir or allow to stand on cold place until enough juice is drawn from the fruit to dissolve the sugar and to make its own syrup.

After the fruit is prepared, pack it into containers. Be sure that syrup or fruit juices covers the pieces. If dry sugar is used, enough juice should be drawn from the fruit

to cover all pieces. If enough juice is not drawn out, some of the softer fruit should be crushed or cold water added to cover.

A. A. Brazel and Mrs. Brazel and Virgel Brown and family spent several days the past week end on the Brownwood Lake fishing. They reported catching plenty of fish, however, they stated they did not catch any whales.

Mrs. L. B. Moore was in the News office Wednesday morning and stated that her brother, Bob Harper, had gotten through combining his wheat and it had averaged about 22 bushels per acre.

Mrs. A. J. Hurst has purchased the H. Culwell home in the south part of town from Mrs. Culwell and the children. She has already moved in. Mrs. Hurst had her home destroyed by fire a short time ago. Mr. Culwell died recently.

Pete King has sold his place and Mr. and Mrs. J. B. Eubanks will move there as soon as papers can be fixed up. Mr. and Mrs. King are contemplating moving to Ft. Worth.

Miss Bettie Gilmore spent a few days visiting with her mother, Mrs. E. H. Gilmore, the past week. She is employed by the Bell Telephone Company at Cisco.

Mr. and Mrs. C. H. Harper have moved to Odessa. Mr. Harper has been blacksmithing in Putnam for several years and had to quit on account of his health and closed the shop.

In last week's issue of the News the list of candidates who had filed were published but in some way the names of Orville Taylor and Claud King for county commissioner were left off the list. Also the name of Mrs. Olie Cunningham for Justice of the Peace.

Dick Yarbrough was in town Saturday morning and reported he had just finished combining his wheat and it was better than he expected. But his oats were cut with a binder and had not been threshed and he thought they were good.

Methodist Hour On WFAA Sunday Morning At 7:30

Bishop W. T. Watkins, a resident bishop of the Louisville Area, will be the final speaker on the summer series of the Methodist Hour broadcast over an independent network of 38 radio stations. He will use as his subject, "The Message of Methodism to a Confused Age." Bishop Watkins is the recently elected president of the College of Bishops for the Southeastern Jurisdiction of his church and is a former professor of the Candler School of Theology of Emory University.

The Methodist Hour is broadcast in cooperation with the Southern Religious Radio Conference, an organization composed of representatives of the Southern Baptist Convention, The Presbyterian Assembly, and The Methodist Church, together with representatives of certain radio stations.

The Baptist Hour, which will be broadcast over this same network of stations, will be heard during the summer months. Governor Ellis Arnall of Atlanta, Ga., will initiate this series on the first Sunday in July.

Bishop Watkins is a former editor of the "Wesleyan Christian Advocate" and author of the well-known history of Methodism "Out of Aldersgate". He has supervision over the Louisville, the Kentucky and the Memphis Conferences of The Methodist Church.

The Methodist Hour will be heard over radio station WFAA at 7:30 a.m. Sunday mornings.

THE HUMOROUS SIDE

"Dad, what was your great ambition when you were a kid?"
"To wear long pants, son. And I've got my wish. If there's anybody in this country that wears his pants longer than I do, I'd like to see him."

Beggar: "Lady, could you give me a quarter to get where my family is?"
Woman: "Certainly, my good man, here's a quarter. Where is your family?"
Beggar: "At the movies."
