

'Big Guns' Are Still Booming For Red Cross

Additional firms had joined the ranks of the "heavy artillery" Monday, to bring in another \$100 for that division of the Red Cross war refugee campaign.

A special committee headed by J. B. Collins continued to work for larger donations, and hoped to have sufficient contributions lined up Tuesday to put the drive "over the top."

Red Cross Chairman Shine Phillips renewed his appeal for larger gifts, pointing out that the fund to date had been accumulated largely through gifts of from \$1 to \$5, and that the final "push" must depend more upon those who are able to give larger amounts.

Plan Increase In Output Of Army Tanks

WASHINGTON, June 3 (AP)—An American army of tanks comparable in numbers to the force which formed the spearhead of the German drive through Flanders was visualized by authorities today in new defense estimates laid before a house appropriations committee.

Funds for more than 1,600 light and medium tanks were included in supplementary budget requests for the army and navy aggregating possibly \$1,375,000,000 in cash and contract authorizations.

With the mechanized weapons already in army service and on order, and those provided for in pending defense measures, this would give a grand total of more than 3,000 tanks of various types not including such lighter-armored vehicles as scout cars.

The German army employed a force of approximately this size in breaking through French defenses on the Belgian frontier, by the best available estimates.

The newest American types are mostly 10 and 18-ton vehicles. There has been no hint that the army high command favors undertaking 70 or 80-ton monsters such as both Nazi and French forces have used.

SHIPBUILDERS BACK TO WORK

KEARNEY, N. J., June 3 (AP)—Thousands of workers ended in the huge yards of the Federal Shipbuilding and Dry Dock company today a three-day strike which had delayed construction of six United States warships.

Some 600 came back at midnight and 5,000 more returned for the 5:30 a. m. (CST) shift. The remainder of the 8,000 employees report back for the evening shift.

Members of local 16, Industrial Union of Marine and Shipbuilding Workers of America (CIO), the employees agreed yesterday at a mass meeting to accept a company proposal for 2 1/2 to 4 cents an hour salary increases, pending further negotiations.

John Green, national president of the union, said employees would go back to work to avoid charges of obstructing the national defense program.

MOODY UNDECIDED ON FUTURE PLANS

AUSTIN, June 3 (AP)—Ernest O. Thompson's name was assured a place in the governor's race today while the apparently chief undecided question as the deadline for filing notices of candidacy neared was whether former Governor Dan Moody would become an entrant.

The lists will close at midnight tomorrow. Ordinarily, midnight tonight would have sprung the barrier on the top sweepstakes of the July 27 primary but the Jefferson Davis birthday holiday caused a 24-hour extension.

Moody's name has been filed by friends in Williamson county who hope to draft him but the twice governor has not made up his mind.

He will have a week in which to sample the reaction to his possible candidacy since the democratic executive committee meets in Austin June 10 to certify names for the ballot.

Thompson got under the wire last week by filing with E. E. Germany of Dallas, executive committee chairman.

City's Population Placed At 12,604, 8 Pct. Decrease

Preliminary Census Figure Is Announced From District Office

Population of Big Spring Monday was announced as 12,604. The preliminary figure was announced by A. G. Hearden, Lamesa, district federal census supervisor. It represented a decline of 1,131 from the 1930 Big Spring federal census of 13,735. The percentage decline was placed at .816.

Other towns in this immediate area fluctuated, Stanton, Coahoma, Lorraine, and Westbrook showing losses while Lamesa almost doubled its population and Snyder and Colorado City showed pronounced gains.

Taking the city proper, the 1940 census figure interrupted a succession of gains since 1900. In that year Big Spring had 1,255 people; by 1910 the total was 4,102; by 1920 it was 4,273; and then in 1930 the greatest population gain on record here boosted the census total to 13,731.

Although the population count for the area enclosed by the city limits was down 1,131, Big Spring is conceded to be a vastly more substantial and sounder city than it was 10 years ago. Scores of new homes have been added, new business concerns and indus-

Despite the census total, Big Spring had shown increases in the number of scholastics, telephone connections, electric customers, gas and water meters during the 10-year period.

The following tabulation shows the comparative figures for the various items:

tries have come into the town, practically all the city paving has been done during the past 10 years. The municipal auditorium has been erected, two new school buildings and a school administration building have been added.

The city park, one of the show spots of West Texas, has had all its development during the past decade. The Texas and Pacific shops building program was completed after 1930 and Coaden Refinery increased and modernized its refining plant. A cotton oil mill was secured and a state hospital for mentally ill was located just north of town.

Improvement of many facilities has taken place, including the recent \$46,000 water works expansion and development program and the exploitation of the scenic Mountain state park. The number

BRITISH AGENTS AT WORK IN AMERICA, SAYS NAZI LEGATION

MEXICO CITY, June 3 (AP)—The press bureau of the German legation charged today that many British secret service agents had arrived in Mexico and the Panama Canal zone recently to organize sabotage operations and to create "incidents" which would be attributed to German agents.

The aim of these alleged tactics, the bureau asserted, is to arouse fear and hatred of Germany in the Americas, particularly the United States.

TO PURGE COMMUNISTS

NEW YORK, June 3 (AP)—The International Ladies Garment Workers union (Independent) convention today unanimously adopted a resolution to purge its Canadian locals of officers who are communists, because of the war.

The resolution, introduced by local 92 of Toronto, authorized the union executive board to take any action it saw fit to oust communists. The union has about 7,000 members in Canada.

MEASURE OFFERED TO GIVE FD CONTROL OVER RESERVES

WASHINGTON, June 3 (AP)—Legislation was introduced in the house today to grant President Roosevelt emergency powers to "use any or all reserve components" of the army for national defense after congress has adjourned.

The measure was offered by Chairman May (D-Ky) of the house military committee who said "reserve components" included the national guard, and that the powers would extend also to use of the retired personnel of the regular army.

May's bill would grant the control should "a national emergency" arise between the time congress adjourns and the convening of the new congress next January.

Mr. Roosevelt asked last week that he be given authority to call out the national guard to duty, if

Berlin Claims 330,000 Allies Are Captured

Rearguard Resistance Admitted In Battle For Dunkerque

BERLIN, June 3 (AP)—The capture of 330,000 British and French prisoners "in the course of the big destructive battle of Artois and Flanders" was reported today by the German high command. Its communique said this count was "preliminary."

Constantly increasing pressure on Dunkerque, the Allies' exit from the Flanders trap, was reported by the high command but it acknowledged that Nazi forces were being slowed down by Allied rearguard resistance.

Its communique indicated that northern France still was the main battlefield although Nazi armies prepared for a new smash in the west which informed quarters said might be launched anywhere between Norway and the Swiss border.

"No rest for the enemy" was the German watchword.

The high command admitted that the Allied rearguard still held Dunkerque and that the German progress on the English channel port from the west, south and east was slow because of "terrain which has been inundated and crisscrossed by numerous ditches."

Nevertheless, it said, Nazi forces entered Bergues, about five miles south of Dunkerque.

Air force and artillery supporting the German line around Dunkerque are keeping the Allies under heavy fire without let-ups, the communique said.

It reported two destroyers, a patrol boat and a 5,000-ton freighter sunk and a warship, two destroyers and 10 merchant ships damaged by bomb hits in raids yesterday on Dunkerque.

On the other hand, it charged, "the enemy continued its raids against non-military targets in Germany and southwestern Germany without damaging much" last night.

For the second successive day, it said, German air raids extended as far as the Rhone valley and Marseille yesterday.

Allied air losses yesterday were 59 planes—27 shot down in air fights, 10 by anti-aircraft fire and the rest destroyed on the ground—and German losses 15, the high command reported.

Along the Maginot-Biegfried front, it said, "the enemy retreated to the Maginot line and left prisoners, weapons and equipment in our hands when our troops made a forward thrust on both sides of Forbach."

"Military circles left no doubt that Germany is preparing another lightning stroke against France and Britain, and the weekend bombing of Marseille hinted the curtain is going up on new theaters of war."

Connecticut Demo Conclave Begins

WASHINGTON, June 3 (AP)—Connecticut democrats start the march today toward a final round-up of the delegates that seem destined to offer President Roosevelt a third term nomination.

The two day convention will choose 16 of the 36 democratic delegates to be selected in June. The president already has 56 1/2 pledged and semi-pledged—more than enough to renominate him.

The republicans still have eight delegates to select for their June 24 convention. They are delegates-at-large in Illinois, who will be chosen in a state convention June 14.

Twenty-one states and the District of Columbia will have their fling at primaries or elections before the month ends. In addition to Connecticut, this week will produce primaries, run-offs, special elections or conventions in Maine, Iowa, Alabama, Louisiana and the District of Columbia.

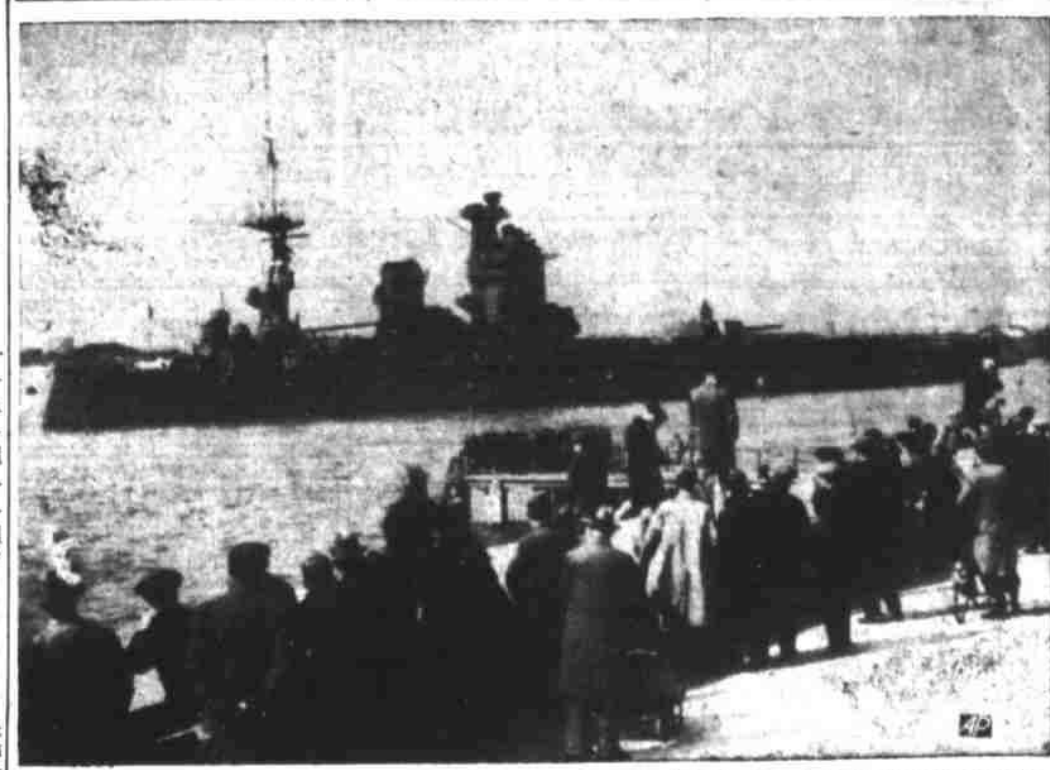

The Connecticut democratic convention will name a senatorial candidate in addition to picking national delegates. Senator Francis T. Maloney is seeking renomination.

BROWDER AGAIN A CANDIDATE

NEW YORK, June 3 (AP)—Earl Browder today undertook his second quest for the presidency of the United States, the government of which twice has sentenced him to prison.

The 46-year-old former Kansas bookkeeper was named 1940 standard bearer of the communist party yesterday at a rally of 20,000 communists in Madison Square Garden climaxed a four-day national convention.

James W. Ford, Alabama Negro, again was named his running mate, as vice presidential candidate.

Movie Magnate Is Indicted

NEW YORK, June 3 (AP)—Joseph Schenck, president and board chairman of the 20th-Century-Fox film corporation, was indicted by a federal grand jury today on 24 counts of income tax fraud, conspiracy, and making false statements to a government investigator.

The indictment resulted from a three-months inquiry. Schenck's bookkeeper, Joseph H. Moscovitz, was named a co-defendant.

Two indictments specified that Schenck had defrauded the government of more than \$400,000 in taxes in 1935-37.

The indictments said Schenck had fraudulently deducted from his gross income "losses" registered by ostensibly selling stock to friends in Hollywood, and that he had written off as business expenses amounts that actually were personal.

The movie executive was charged with perjury in statements to James Romyne, an internal revenue investigator, who questioned him in May, 1938, while investigating the income of William B. Hoff, an official of the International Alliance of Theatrical and Stage Employees who was recently sent to jail in Illinois on an old pending conviction.

Schenck also is a defendant in the government's broad anti-trust prosecution of the major movie firms, which was scheduled to start in federal court here today.

BRITISH BOMBERS GO INTO ACTION

LONDON, June 3 (AP)—The air ministry announced today that formations of heavy British bombers "attacked enemy airbases and other military objectives in north-west Germany."

All British planes were reported to have returned.

TERMS CONCLUDED BY RURAL SCHOOLS

Last of Howard county's rural schools had closed for the summer Monday.

Gay Hill and R-Bar were the last to end their terms, closing the doors after Friday sessions. R-Bar came in for \$299 in rural aid, delayed due to an attendance difficulty.

Evacuation Of BEF Is Nearly Complete

LONDON, June 3 (AP)—Britain kept a watchful eye on Italy today as the first phase of the Nazi blitzkrieg in northern France entered the mopping-up stage.

Growing opinion that Italy soon will enter the war was reflected in the Evening Standard, Aircraft Production Minister Lord Beaverbrook's newspaper, which said Italy might be an enemy "within a few days."

This nation's mood of fatalistic confidence was summed up by the Standard in these words: "There is no difference between Italy and Britain which cannot be peaceably settled, but if Italy chooses war we are ready to fight back."

The flow of British expeditionary force survivors from across the channel, meanwhile, thinned to a trickle as the Germans, attacking under a punishing bombardment by the Royal Airforce and the allied fleets, slowly closed in on rearguard units fighting to escape from Dunkerque.

Two British hospital ships, the Worthing and Paris, both former cross-channel passenger ships, were bombed and machine-gunned by German planes off the French coast yesterday, it was announced.

The Paris was abandoned by the Worthing returned to an English port. The only casualty reported was a 17-year-old boy killed. Neither ship was carrying R. E. F. wounded.

Still tightening their defenses against direct invasion, the British pushed their round-up of suspected "fifth columnists" and announced creation of a scientific food committee to appraise Britain's food needs exactly and study how to fill them.

The press centered its attention upon "Hitler's next blow" as the successful evacuation of the B.E.F. was virtually completed.

A further smash at France "possibly in conjunction with Italy" was predicted by the Yorkshire Post, which urged that a new R. E. F. be sent to France "at the earliest possible moment" and that Britain be turned into an "island fortress armed and vigilant to resist every onslaught and subterfuge."

The nation was cheered by War Secretary Anthony Eden's announcement that "more than four-fifths" of the British troops which the Germans had claimed "trapped" in Flanders have reached England.

Eden indicated that more than 140,000 Britishers had been rescued in addition to "tens of thousands of our French allies." He said that other French troops had been removed to France.

Although large units of the allied navies were employed around Dunkerque, the operations were carried out at the same time re-inforcements were being sent to the British-French naval concentration in the eastern Mediterranean, it was said.

Informed sources said the Mediterranean fleet has been "considerably" strengthened to meet any eventuality and is now more than a match for any sea force Italy could muster in event of her entry into the war.

Diplomatic circles said the allies had gone as far as they can go in offering to negotiate with Premier Mussolini for satisfaction of Italy's "legitimate aspirations."

To finance the program, a \$1,250,000 appropriation would be authorized.

Students Must Salute Flag

WASHINGTON, June 3 (AP)—The supreme court held constitutional today a regulation requiring school children to salute the American flag.

Justice Frankfurter delivered the 8 to 1 decision that sustained a flag salute requirement by the Minersville, Pa., school board.

Frankfurter said that "the wisdom of training children in patriotic impulses by those compulsion which necessarily pervades so much of the educational process is not for our independent judgment."

"The court room," he added, "is not the arena for debating issues of educational policy."

"It is not our province," Frankfurter continued, "to choose among competing considerations in the subtle process of securing effective loyalty to the traditional ideals of democracy while respecting at the same time individual idiosyncrasies among a people so diversified in racial origins and religious allegiances."

"So to hold void in effect make us the school board for the country. That authority has not been given to this court nor should we assume it."

Justice Stone delivered a lone dissent.

WASHINGTON, June 3 (AP)—The supreme court sustained today an August 20, 1938, order by the Texas railroad commission—as applied to the Rowan & Nicolis Oil company—prohibiting the production of oil in the East Texas field. This was regarded as a test case.

Justice Frankfurter delivered the decision that reversed a ruling by the fifth federal circuit court enjoining enforcement of the order against this company.

It was a 6 to 3 decision. Justice Roberts wrote a dissenting opinion, in which Chief Justice Hughes and Justice McReynolds concurred.

24-HOUR WATCH ALONG BORDER IS PROPOSED

WASHINGTON, June 3 (AP)—A 24-hour watch along the entire length of the Mexican border has been proposed by Representative Snyder (D-Pa.) as a precaution against entrance into this country of "fifth columnists."

A bill introduced in the house by the Pennsylvania, chairman of the house military appropriations subcommittee, would authorize construction on the border of "such number of observation stations as may be necessary to have the entire length of the United States-Mexican border within clear view by day and by night with the aid of appropriate illuminating equipment."

Such stations, the bill adds, "shall be adequate for the accommodation of such force of observers as may be necessary to insure constant vigil, and shall be provided with such equipment as the secretary of war in consultation with the attorney general may determine to be necessary for the purpose for which established, including intercommunicating systems."

To finance the program, a \$1,250,000 appropriation would be authorized.

Heavy Damage In Industrial Areas Of City

45 Killed, Many Are Wounded As Raiders Sweep Over Capital

PARIS, June 3 (AP)—Forty-five persons were killed and 149 injured in Paris and its outskirts today in the German air attack on the capital, it was officially announced tonight.

By JOHN LLOYD

PARIS, June 3 (AP)—The Germans bombed Paris this sunny afternoon for the first time in nine months of war, killing 35 persons and wounding many.

Unverified reports said one American was killed.

Columns of smoke rose tonight from industrial suburbs of the capital where heavy damage was inflicted.

The bombing appeared to have been a reprisal raid following a raid on southern France Saturday and a French reply in the Ruhr yesterday.

Where the exchange would end, none could tell.

Many buildings were wrecked, numerous fires started and streets ripped up.

One of those who narrowly escaped was William C. Bullitt, United States ambassador. A bomb fell six feet from him but failed to explode.

Bullitt, at the time, was about to have lunch in a building which does not form a part of the embassy.

Most of the casualties, it was indicated in first reports, were suffered in the outlying districts and in slum sections of the city.

Several bombs fell on a particularly important building in Paris, but censorship, temporarily at least, banned transmission of its name or location.

Holders took over control of the bombed areas. With the swiftness and efficiency they have planned since last fall, the authorities put squads to work filling holes in streets and sidewalks.

Up and down some of the city's most fashionable boulevards and avenues, bombs smashed into buildings, broke the pavements, sent lamp posts bounding into the streets, and jolted trees to their roots.

Several bombs landed near the house of the Duke and Duchess of Windsor. Down the street from where they live an apartment building caved in. Next door to that place the neighbors started glum through paneless windows into a hole 40 feet deep, scooped magically and thunderously out of their front yard.

The first official bulletin of the raid, published by the Havas Agency, foreign news agency, said "several bombs fell in the interior of Paris, notably on private buildings and on several points in the Paris section."

The police, however, said casualties apparently were small considering the tons of explosives dropped.

From the roof of the American embassy in the Place de la Concorde I saw columns of smoke suddenly rising within the city. This continued for the best part of an hour.

During the protracted raid we saw flames where bombs had started great fires.

Windows of buildings along the Seine were smashed by the terrific concussion of falling bombs. Three apartment houses burst into flames after secondary bombs struck them.

An Associated Press correspondent who drove across Paris behind one of the numerous ambulances, reached the apartment houses in a slum district on the outskirts as nurses and stretcher bearers were carrying out the dead and wounded. And these were many.

Some of the wounded were unconscious. Others were moaning. Waist gapping holes were dug into streets in some sections.

COMEDIAN JESSEL SUFFERS A STROKE

LOS ANGELES, June 3 (AP)—Comedian George Jessel has suffered a paralytic stroke, his attorney informed a superior judge today in requesting continuance of a damage suit.

Jessel, 42, recently came here with his 16-year-old bride. The attorney, Burnett Wolfson, said one side of Jessel's face is paralyzed and that he will be unable to leave his home for some time.

DEENES REPORT LONDON, June 3 (AP)—The ministry of information announced today there was not a vestige of truth in German reports that the battleship Nelson has been sunk.

Sponsors Invited To Participate In Spur Roundup

SPUR, June 3—Invitations to participate in the cowgirl sponsor contest, a feature of the second annual Spur Roundup, June 14-15, have been mailed to 80 West Texas young ladies by the Spur Roundup association, and acceptances are being received daily. First prize for the event will be a hand made saddle; second, a pair of show made boots; third, a pair of silver mounted spurs. An added event to the rodeo this year will be a girls' calf roping contest open to ladies of any age with rules governing men's suit applying. Contestants will rope at each of the four performances scheduled and cash prizes totaling one hundred dollars will be awarded to the three lady contestants having the lowest average times for the four performances. There will be no entrance fee. The contest is expected to attract a number of outstanding girl ropers throughout West Texas and New Mexico. Heading the list of ropers will be Miss Sydna Yockey of Canadian who took first honors in the cowgirl sponsor contest at Spur last year and who was featured in calf roping at the Madison Square Garden rodeo in New York last fall.

MISS LANCIOUS NOTES
By May Whaley

We once heard if you keep a thing long enough it will come back into style but we never thought much about it until this summer when we dragged out a few dresses we thought were outmoded and found them the latest thing. At first we wore them around the house, believing them not good enough to go places in. But after a few people asked us where we bought them and commented about our clothes, we started saving them for Sunday-go-to-meeting models.

It looks to us as if the costume makers drive us girls crazy each season with a variety of styles and lines that keep us busy replacing the wardrobe. Then, when they run out of ideas ever so many years, they bring back some of their former successes and presto, we can dig up the back numbers and be well-dressed again. Of course, the trick is in keeping the 1933 styles looking good for seven years so you can spring them on an unsuspecting public, but with a little care this can be done. And what's more, after the passage of so much time the models even look good to us again and it is almost like having a new dress to wear. So, girls, come fall when THEY say waists should be down to the knees or up to the arm pits or work some of their black magic on the fall modes, just tuck your favorites away in moth balls and come 1947 they will look good again.

Pupils To Be Presented In Recital Tuesday Night At Church

Pupils of Mrs. J. H. Parrott will be presented in a recital Tuesday night at 8:15 o'clock at the First Christian church and those taking part will be Eris Denton, Billie Jean Smith, Alyene Brownrigg, Marvin Hoekendorf, Robert Hoekendorf, Mary Elizabeth Martin, Jo Olive Mobley, Alphene Page, Charlotte Williams, Thelma Joyce McIntosh, Elze Burton Boyd, Mina Mae Taylor and James Holley. There is no charge and the public is cordially invited to attend.

DEL RIO MAN IS SHOT TO DEATH

GALVESTON, June 3 (AP)—A man who had told hospital attendants he was Mac L. Weatherbee of Del Rio (611 Purple Sage Street) was shot to death about midnight in front of John Sealy hospital here. Police Sergeant Ed Formy was wounded in the leg and Mrs. T. H. Life of Galveston, a bystander, was shot in the groin. Neither was believed dangerously wounded. Formy said Weatherbee was shot five times in a pistol fight between two other officers and himself. The policemen went to the hospital, Formy said, in response to a call stating that a man there was threatening to shoot someone. Shortly after the officers began questioning the man, he drew a pistol and began firing, the police sergeant continued. Police were told that Weatherbee was not a patient at the hospital but had gone there Sunday to see his wife, who was a patient. They were informed that Weatherbee had had a quarrel after expressing dislike for a nurse at the hospital.

Pacifist Sects Ire Citizens In Waxahachie

By the Associated Press. The county jail at Waxahachie was packed today with 90 alleged members of a pacifist, religious cult, 58 of them women. Arrested yesterday after they attempted to distribute literature, they were being held pending the return of District Attorney Forrester Hancock, who would decide what action, if any, is to be taken against them. An estimated 200 members of the sect came to Waxahachie with phonograph records, and literature urging that no allegiance be given any man-made form of government. Several fist fights broke out. Hundreds of residents blocked streets and milled about the jail while officers and Waxahachie Legion Commander Ike Teague rounded up as many of the cultists as they could find. Several days ago, County Judge E. C. Randle warned members of the sect not to come to Waxahachie at this time. At about the same time that the arrests were being made at Waxahachie, 50 members of the same sect were released from jail at Odessa, several hundred miles away. Officers took them to the county line and told them to keep going. The group at Odessa refused to salute the American flag. Officers rescued them from an angry crowd Saturday night. The weekend disturbances were the latest of several of that nature in Texas in the last two weeks. The first occurred at Del Rio and others have been reported from Brownwood, San Antonio and Harlingen.

SUSPECTS FREED

MEXICO CITY, June 3 (AP)—Colonel Leandro Sanchez, chief of the secret police, said today that all persons detained "for questioning" in the attempted assassination of Leo Trotsky had been released and that no important clue to those responsible had been unearthed.

MORE BOMBERS ARE HEADED FOR FRANCE
NEW YORK, June 3 (AP)—One hundred and fifty American bombing planes destined for France were loaded today on three freighters, British, Norwegian and Greek, at Staten Island. The bombers weighing from ten to sixteen tons and costing more than \$300,000 each, were boxed in parts ready for assembly in France. Sailing of the freighters late this afternoon will bring to 250 the number of planes shipped from this port for France within 48 hours. A Norwegian ship left Saturday night with 100 planes.

"FIFTH COLUMNISTS" ARRESTED IN EGYPT

ALEXANDRIA, June 3 (AP)—Seven hundred "fifth column" suspects, seized in a week-end roundup, were sent today to internment camps in upper and lower Egypt. Approximately 600 of the suspects were held in Cairo and the remainder in Alexandria. All were held under strong guard to await trial before military tribunals. Premier Aly Maher Pasha, meanwhile, said the government is studying new measures to assure the nation's internal security in view of the tense situation in the Mediterranean. Fully equipped soldiers with fixed bayonets stood guard over telegraph and telephone systems. Heavy guards also were posted at railway stations, bridges and strategic points along highways and canals. Police armed with rifles patrolled the streets.

MRS. MATTERS

Hints Of Way To Better Relations

TOKYO, June 3 (AP)—Premier Admiral Mitsumasa Tōma told newspapermen today that "there is a way of improving the aggravated relations between Japan and the United States" but added that "of course such a method is neither being considered nor being taken." "I am not in a position now to disclose the nature" of this way to better relations, the premier said. Many of his hearers interpreted his cryptic statement to mean Japan did not intend to conciliate the United States by abandoning any of her policies toward China or other Far Eastern issues. "Trusting in the omnipotence of God," said Harry C. Browne, First Reader of The Mother Church in reading a message from The Christian Science Board of Directors, "enables one, through demonstration, to enjoy the freedom of thought resulting from the unfolding of the characteristics of divine Mind as expressed by Christ Jesus. "Becoming cognizant of the true idea about anything, exposes its suppositional opposite as a lie. Therefore, when the true idea of man's relationship to God is universally expressed, misunderstandings between men and nations will vanish. "The divine Mind is in reality the only power; therefore nothing can resist the manifestation or righteousness. With due regard for the necessary human footsteps, which our Leader, Mary Baker Eddy, says are indispensable in meeting problems, it is also imperative to look to the divine Mind for guidance and wisdom to supply the impetus to do all things in a right way and at the right time."

Mrs. Margaret Glenn Matters, C. S. B., of New York, daughter of the late Major General Edwin F. Glenn, of the United States Army, was elected president of The Mother Church to succeed George Shaw Cook, C. S. B., of Brookline, Mass. Edward L. Ripley of Brookline and Ezra W. Palmer of Marshfield were re-elected treasurer and clerk, respectively. The chief duty of the president is to serve as pre-

Morgan Wins Over Herman Stewart, 5-4

To Seek Second Mny Title This Week In Bout With House

Jake Morgan swamped Herman Stewart, 5 and 4, Sunday at the Mny course to move into the final of the Mny Spring golf tournament and a chance at his second-straight title.

This week he will face Marvin House, Sr., who won his semi-final last week.

In other tournament matches played Sunday, Tommy Neel defeated W. D. Carnett in a championship consolation duel, one up; Joe Young ousted J. E. Gardner, 4 and 3, to advance in first flight play along with Gene McNallen, who won over H. W. Smith, 4 and 3, and Tom Cook, victor over George Johnson, 2 and 1.

In first flight consolation, Notice Womack silenced L. B. Barber, 5 and 3.

In second flight play V. V. Hrahan stopped Matt Harrington, 2 and 1. A. E. Suggs dropped Sam McComb, 4 and 2, and Gene Hancock disposed of Harry Hoekendorf, 2 and 1.

In second flight consolation, Joe Wickman tripped Chester Cluck, 4 and 3. Blacky Hines cooled J. L. McNallen, two up, and Speedy Wiggen edged S. B. Loper, 2 and 1.

Local Poloists Are Defeated

The Big Spring poloists were subdued by San Angelo's classy riders, 6-4, in an exhibition match at the rodeo grounds Sunday afternoon.

Cecil Smith, famed exponent of the game who was scheduled to put in an appearance here as referee of the match, was unable to be on hand.

Dr. M. H. Bennett, manager of the local corps, has a tentative match arranged with Lubbock for next Sunday.

BERT ABSHEAR SHELLED HARD BY CHAMPIONS

The Big Spring Barons moved on to Amarillo today to begin a two game series after splitting a pair of bouts with the Lubbock Hubbers.

Tony Rego's forces, after thumping the Hubbers quite impressively Saturday night, were outclassed Sunday, losing, 12-4, as Pat Ralsh set them down with six hits.

Bert Abshear, rookie righthander making his first start in a Big Spring uniform, lasted less than three innings against the booming bats of the league champions. The Hubbers also showed fine disregard for his successors, Warren Kanagy and Buck Schulze.

The trio gave up a total of 13 hits, including home runs by Hajduk and Sparr and triples by Watkins and Drake.

Woodie Lundberg had a circuit play for the Big Springers in the leadoff round.

George McAfee and Bill Minerich each had two of the Barons' six hits.

Rego will bring his forces home Wednesday evening to do battle with the Clovis Pioneers again. The series was originally scheduled to be played in Clovis but was moved here by agreement.

Closest Race In History In Cactus Loop

BISBEE, Ariz., June 3 (AP)—President R. E. Souers of the "biggest little league" in the nation wouldn't be surprised if all his clubs finished in a tie for first place.

That's what baseball officials hope for and seldom get.

But in the far-flung Arizona-Texas League it seems possible.

Twice this season the four clubs—El Paso, Bisbee, Tucson and Albuquerque—have been in a tie for first. Only a few games separate the last place club from the leading outfit now.

And speaking of joining the Notre Dame football team to see the country, you can get quite a glimpse of it by being a player in this Class C league that stretches into three states.

"Without doubt our league covers more territory than any other small league in the national association," Souers says. "The distance from Tucson, Ariz., to Albuquerque, N. M., is approximately 500 miles; Albuquerque to El Paso, Tex., 360 miles; El Paso to Bisbee, Ariz., over 300 miles, and Bisbee to Tucson, 100 miles.

The league has sent close to 200 players to leagues of higher classification. Included are such well-knowns as Thornton Lee of the White Sox, Monte Penerson and Babe Dahlgren of the Yankees, Augie Galan of the Cubs and Johnnie Babich and George Coster of the Athletics.

SHORT SHORTS:
The east tennis courts at the city park are expected to be ready for play sometime this week, according to Harold Harvey, president of the Big Spring Tennis association. City tournament play will get underway once Harvey gives the word.

Doug Jones, youthful Big Spring golfer won medalist honors in his third straight tournament last week at Ranger when he outshot Jimmy Phillips of Ranger for the honors. Previously he was low in qualifying rounds at Sweetwater and Odessa.

Salty Parker, former Lubbock skipper who had difficulty in hitting .300 in the WT-NM circuit in 1939, is powdering the pellet at a .381 clip for the Marshall Tigers and has his club at the top of the East Texas league standings. Another former WT-NM leaguer, Frank Hargrove, who was with Hobbs two years ago, is hitting .338 for Longview.

Jerry Soule, hurler on Grover Seitz's Pampa staff, was with the Midland Cardinals two years ago.

Al Carr, rugged outfielder with Lubbock during the 1938-39 seasons, has decided to get back into baseball. He is talking terms with the Marshall Tigers. If he succeeds to rating the Marshall lineup, he'll probably replace John Simontacchi, who was injured last week.

The local baseball skipper, Tony Rego, may soon sever all contracts with the New York Yankees. He's far from satisfied with some of the material Joe Devine has been sending him. There's a possibility Rego will effect a hookup with a powerful Pacific Coast league unit in 1941.

BOMBERS WIN SUNDAY, 6-3, TO PLAY HERE TUESDAY EVENING

Victors over the Odessa Black Cats in Odessa Sunday afternoon by a 6-3 tally, Robert Moore's Brown Bombers swing back into action in Baron park Tuesday evening, 8:15 o'clock with the Cats again as the opposition.

The Bombers were originally slated to play Colorado City here but Moore effected the change Sunday.

Admission price will be 35 cents. A special section will be reserved for the white fans.

In Sunday's battle Snooky Hingo went the route for the locals, keeping the Odessans well in hand.

Eburr Williams figured prominently in the hit parade along with Joe Esaw.

Lyons Proves He's Finest Sunday Hurler

Blanks Bosox For 225th Victory Of League Career

By JUDSON BAILEY
Associated Press Sports Writer

The best "Sunday pitcher" right now is that grizzly veteran of the Chicago White Sox, Ted Lyons, who has been with the same club 17 years.

Born in 1900, the same year as Lefty Grove, Lyons came to the American League direct from the campus of Baylor university in 1923, two years before Grove, and still is going strong.

He is the strongest gear in the Sox' well-worn driveshaft with four victories and two defeats. Chicago has played nine games in the last seven days and won three. Of these three, Lyons won two.

This spring he has pitched every Sunday except one that it rained and he showed up at Fenway Park, Boston, yesterday on schedule. The result was a 6-0 shutout of the league-leading Red Sox on six hits. It was the 225th triumph of his major league career.

The Red Sox beat Chicago 10-8 in the second game with Jimmie Fox notching his 13th home run with one on in the ninth inning.

The fact the Cleveland Indians also divided a double bill with the Philadelphia Athletics left the American League squabble in status quo. Bob Feller achieved his eighth victory 7-2 over the A's. Philadelphia rallied for seven runs in the seventh inning and a 12-6 conquest in the nightcap.

In the National League the Brooklyn Dodgers whacked a game off the margin separating them and the pace-making Cincinnati Reds by squeezing two one-run decisions out of the Chicago Cubs, 3-2 and 2-1.

The Reds divided two games with the Boston Bees. Bucky Walters bagged his ninth victory without a defeat in the first game, 11-1. Boston took the nightcap 2-0.

Pittsburgh edged out the New York Giants 2-1 in the eighth inning after Bob Klinger and Hal Schumacher each had pitched seven unless frames, but New York bounced back to take the second game 7-3.

At St. Louis two pitchers chalked up their first wins of the season. Boom Boom Beck of the Phillies stopped the Cards 4-2 on seven hits and Bob Bowman gave the same amount in winning for St. Louis 9-2.

The world champion Yankees continued their upward surge at the expense of the St. Louis Browns with two triumphs, 13-4 and 11-1.

Peter took a single game from the Washington Senators 8-6 although outlived 12-9.

Jones Is Beaten

RANGER, June 3—J. T. Hammett, Breckenridge, captured championship honors in the Ranger invitational golf tournament by defeating Douglass Jones, Big Spring, in the scheduled 18-hole final match here Sunday afternoon, 3 and 2.

J. T.'s long shots off the tee made the big difference.

Hammett advanced into the finals by decisioning youthful Charles Royer, Fort Worth, 9 and 8, while Jones was advancing at the expense of Bill Acker, Commerce, 6 and 5.

The Big Springer played his best golf of the tournament against Acker. He was three up at the turn and won ten to all but clinch the outcome.

In his duel with Hammett, Jones took a bogie on the first hole to fall behind but pulled up on the third when Hammett's game went off balance.

The Big Springer lost four and five, won six and lost nine to trail by three holes at the turn.

Jones' short game was erratic throughout the match.

Their scores:

Red Pitching Improving

CINCINNATI, June 3 (AP)—Write this on the wall somewhere. One of these days soon maybe some pitcher for the Cincinnati Reds is going to throw himself a no-hitter.

The argument:
From Sunday to Sunday Manager Bill McKechnie's pitchers have to their credit: Item, one one-hitter; item, one three-hitter; item, three four-hitters; item, one five-hitter. For ten games in eight days, that is a showing, and if you think the opposition likes it, ask some sluggers like Joe Medwick and Johnny Mize of the Cards, Arky Vaughan of Pittsburgh, and Max West of Boston.

Another point worth nothing is how close some of the boys have come to the glory games. In taking his five hit, ninth straight win yesterday, unbeaten Bucky Walters held the Boston Bees hitless until the sixth inning. Milkman Jim Turner cut down all but one of the first 18 men in his game and four hits were all the Bees had to work on for their 2-0 victory.

Credit for the record is pretty well distributed. The best game was Paul Derringer's one-hitter against the Cardinals last Sunday. Whittey Moore and Joe Boggs combined Monday for a four-hit job Tuesday. Gene Thompson allowed the Bees three Saturday.

So write it down somewhere—but don't bet on it, baseball being the game it is.

Fuchs Pitches No-Hitter For Sooner Tribe

By the Associated Press
Oklahoma City's Indians have a doubleheader sweep to their credit for the first time since 1938.

The Redskins jumped back into the scramble for fourth place in the Texas League by downing San Antonio 4-2 and 5-0.

Charlie Fuchs pitched a no-hit game in the seven-inning afterpiece.

The Indians still are in seventh place but only a game back of Dallas and Shreveport, who are deadlocked for fourth. In between is Tulsa.

The cellar-dwelling Fort Worth Cats broke even in a four-game series with the leading Houston Buffs. The Panthers beat Ed Wiseman 4 to 2 in the opening game of yesterday's double bill but lost the second 4 to 3.

Beaumont demonstrated it is far from ready to relinquish third place by crushing Dallas 12-4 and 6-2, and Shreveport made it three out of four in a series with Tulsa. Shreveport won the first game 7-5 in eleven innings and the second 6-4.

Tiremen Bowl Over Stanton

STANTON, June 3—The Phillips Tire softball team of Big Spring, exhibited plenty of power in bowling over the Union All-Stars, 16-7, here Sunday afternoon.

The Tiremen led from the opening round when they chased across six runs on four hits and as many Stanton errors.

Bob Savage, on the hill for the Big Springers, limited the All-Stars to four hits, the first of which came in the fourth round.

J. D. Jones, Big Spring left fielder, garnered four hits in as many attempts to pace his team's 14-hit assault. Frank Barton contributed three hits.

SPORTS ROUNDUP

By EDDIE BRIETZ
NEW YORK, June 3 (AP)—Jack Doyle's Broadway book has made Byron Nelson and Jimmy Demaret co-favorites at 8-1 to cop the National Open. Other members of Jack's big four are Ralph Guldahl and Sammy Snead at 10-1. . . . Do you realize those surprising Dodgers are playing hide and seek with first place with only one regular (Dixie Walker) hitting at a .300 clip? . . .

COOLING HIM OFF
When Joe Engel of Chattanooga recalled Hills Layne, second sacker, from the Selma (Ala.) club, it made Owner Morris Bloch so mad Engel ordered a Selma ice foundry to deliver 500 lbs. on Bloch's front porch to cool him off.

More Workers Wanted For Red Cross

The Howard-Glascock county Red Cross chapter Monday was within about \$400 of its \$2,250 war refugee quota.

As of Saturday night the chapter drive headquarters reported a total of \$1,821.41 subscribed. More contributions were being received Monday as Shine Phillips, chapter chairman, renewed his appeal for "heavy artillery" gifts to raise the amount needed for the enlarged quota.

First reports were received from Coahoma, Foran and Garden City and these points are being counted on to aid in the final quota drive.

Phillips said the need still was for more workers to assist in the campaign. If the number of volunteer helpers increases, he said he has no doubt that the quota will be reached. Of 65 women's clubs asked to send two helpers Saturday, only 12 responded to the call, said the chairman.

New donors included these people: Lina Jane Wolfe, Spencer Wolfe, W. H. Wise, Florence McAllister, Ione McAllister, M. S. Wade, Will McGee, Reed Collins, W. D. Germany Pledge Not To Attack Liner BERLIN, June 3 (AP)—The American embassy was assured by the German government today that the United States liner Washington eastbound to pick up American war refugees, will not be molested by the German navy.

The assurance was a reiteration of previous German statements that American vessels returning United States citizens from European countries were secure from attack by the German navy.

Kiwanians Push Ticket Sales For Baseball

Completing distribution of tickets for the Kiwanis club's benefit baseball game of Monday night, June 10, H. W. Smith announced at noon today that sales were already underway and indications even this early pointed to what will probably be the heaviest attended game of the season for the WT-NM league. Proceeds above actual league expenses will be turned over to the Kiwanis club's underprivileged children's fund. Manager Tony Rego has announced.

According to plans as outlined at an early morning meeting of the committee directing the service club's ticket drive, it'll be the Reds vs. the Blues from now until the night of June 10 with a stiff penalty yet to be decided for the losing side.

Heading up the Blues will be Wofford Hardy backed by these members: Roscoe Cowper, T. S. Currie, J. D. Elliott, J. W. Elrod, Bernard Fisher, Joe Fisher, Howard Reagan, Gaines Highsmith, Iva Huneycutt, Harry Hurt, Monroe Johnson, Charles Kelsey, Jack Roden, Lee Rogers, Pollard Runnels, Robert Schermerhorn, Nat Shick, H. W. Smith, Merle Stewart, Vernon Strahan, Robert Stripling, Herschell Summerlin and Clyde Waits.

Last session for the oil field production practice class is scheduled to be held at 7:30 this evening at Coahoma.

W. T. Wynn, instructor, said that Otto Peters, Big Spring, would address the class on first aid at the concluding session, which marks the end of a course that stretched out over six months. Wynn said that 16 men were due to qualify for certificates, having completed the required 96 hours of work.

OFFICES CLOSE AUSTIN, June 3 (AP)—Most state departments closed today in observance of Jefferson Davis birth anniversary, a legal holiday in Texas.

WHEAT SOLD FORT WORTH, June 3 (AP)—One of the first two cars of 1940 wheat consigned to the Fort Worth market was sold today for 90 cents a bushel.

Campaigning over Texas during the coming summer months will be a man who has a marked resemblance of President Roosevelt. That man is Walton D. Hood, candidate for Railroad Commissioner of Texas. His resemblance to the President is so striking that it is instantly recognized by those who see him or his picture for the first time.

Not only has his attention been called to the likeness he is of the President, during the past two weeks since he entered the race for Railroad Commissioner, but it has been discussed many times in the past. Several years ago, when his business connections necessitated frequent trips to New York, business acquaintances in the "big city" also knew Franklin D. Roosevelt, would comment on their resemblance.

Several years ago he "broke into print" when a Fort Worth newspaper reporter scooped him in a cafe, wanting to know "just who he was." A feature story on the "look-alike" for the president followed that interview.—(Continued Advt. paid for by C. F. Theford.)

Census (Continued From Page 1) of producing oil wells almost doubled over the period.

Civics leaders, analyzing the returns, felt that contributing factors to the decrease might include these: (1) Suburban areas have sprung up around Big Spring proper virtually all within the last 10 years, attracting hundreds of people who formerly resided within the city limits; (2) oil activity has leveled off to production, causing scores of families connected with drilling operations to migrate to areas of new oil discovery; (3) the 1920 census may have been inaccurate, in that there are evidences that tourist camps and hotels were canvassed several times in 1920, thus adding many who were not bona fide residents of the city.

Convicted Woman Attempts Own Life COLUMBIA, S. C., June 3 (AP)—Mrs. May Walker Burleson of Galveston, Texas, was reported by state Penitentiary Superintendent John M. Glenn to have attempted to kill herself today as she was about to be transferred from the Richland county jail to the penitentiary to serve a 12-year sentence for the slaying of the second wife of her divorced husband, Col. Richard C. Burleson, U. S. Army.

Glenn said the 51-year-old woman crammed three tablets into her mouth shortly after he and a group of assistants assembled at the jail to take her to the prison.

She was rushed to Columbia hospital in an ambulance. Glenn said six men held her on the emergency operating table as a stomach pump was used.

PLANE TRADE TAKES IDEA FROM KITCHEN BALTIMORE, Md. (AP)—An idea borrowed from the kitchen is reducing the cost of building airplanes.

It is a "double boiler" to melt zinc with greater purity, and lengthen the life of pots in which zinc is melted. Zinc is used in making dies to form metal airplane parts. The Glenn L. Martin company announced the new development.

Formerly, zinc was melted in pots placed directly over the fire. But heat concentrated at certain points, and the zinc took on impurities from the melting of the pot itself. The costly pots quickly eroded or "burned out."

Lead — not water as in the kitchen — is used in the bottom part of the new double boiler. The smaller pot containing the zinc is placed inside the pot of molten lead, which distributes heat evenly.

Research men say there is no tendency for the metal pot to alloy with the zinc. The "cooked" zinc is purer, thus making better dies, and they believe the inner pot will last indefinitely. Also, cheaper steel can now be used to make the zinc-melting pot.

PATIENTS ESCAPE AUSTIN, June 3 (AP)—Three patients escaped from the Austin State Hospital for the Insane last night, Dr. C. H. Standifer, superintendent, said today.

He added that none of them was considered dangerous.

DIPLOMAS TO 1,300 AUSTIN, June 3 (AP)—Two semesters of study and extra-curricular activities reached a climax today for 1,300 University of Texas students who will be awarded diplomas.

Supreme Court Closes Term

WASHINGTON, June 3 (AP)—The supreme court, on which the five Roosevelt-appointed justices now form a majority, reached today the end of a term marked by vital verdicts on the 50-year-old anti-trust laws.

As the nine justices gathered for a last brief session before scattering for vacations, the 1935-40 session's record showed:

A ruling that the Sherman act of 1890, which forbids "combinations in restraint of trade," outlawed "any combination which tampers with price structures."

An opinion that labor unions are not subject to the anti-trust law unless their activities "operated to restrain commercial competition in some substantial way."

These conclusions headed a series of decisions considered in legal circles to be of special importance because of the justice department's anti-trust activity against a large number of business concerns and labor organizations.

In decisions this year the court has prohibited private business from attempting to regulate prices, but has given a go-ahead signal to the federal government and to the states.

TO SEEK RETURN OF CONVICTED SLAYER ODESSA, June 3 (AP)—Sheriff Reeder Webb and County Attorney O. E. Geron left by plane today for Austin to get requisition papers from Gov. O'Daniel for the return to Texas of Isabelle Messer, convicted slayer arrested in Indiana last week.

The woman escaped jail here April 8, shortly after she was sentenced to three years for the slaying of Buford Armstrong.

Webb and Geron expected to fly from Austin to Indianapolis later today to obtain custody of the captive.

Aviation Mechanic Course Planned In Big Spring Ben Jackson, San Angelo, district NYA supervisor, was in Austin Monday contacting state NYA officials concerning the possibility of a youth's aviation mechanics course for Big Spring.

The city has offered the community center building containing barracks, recreational hall, mess hall, etc., to quarter an estimated 50 NYA eligibles gathered from West Texas for such a school.

In addition, certain facilities at the airport would be made available.

Under tentative plans, the project would be arranged so that the young men would spend the morning in study of aviation mechanical problems and the afternoon working on certain city projects.

HIGHWAY ENGINEER TO BE HONORED An informal picnic is being held at the city park at 7 p. m. today honoring S. J. Treadway, Abilene, district highway engineer.

Attending the affair, arranged to coincide with completion of work on the new stretch of highway No. 9 south, will be county commissioners court, city officials, the chamber of commerce highway committee, and engineers assigned to the road job.

JOE LASSITER ON LOCKHART'S STAFF Joe Lassiter, son of Mr. and Mrs. Earl Lassiter of this city, has joined the campaign staff of Charley Lockhart, state treasurer, for the summer.

Joe is a student at Texas university and has done considerable work around the capitol, serving last term as committee clerk of the house.

COLLEGE GROUP WILL MAKE STOP HERE A touring group sponsored by the University of North Carolina will make Big Spring an overnight stop on its swing through the southwest.

Chamber of commerce officials were advised that the party of students, numbering from 25 to 30, would be here the evening of June 13.

720 REFUGEES ON WAY TO N'YORK GALWAY, Ireland, June 3 (AP) The United States liner President Roosevelt, emblazoned with the stars and stripes, was headed for New York today with a passenger list of American war refugees that strained her accommodations to capacity.

A final check showed that 720 passengers were aboard, the American embassy in London said.

Shipping officials cut a lot of red tape to allow 10-year-old Peter Duffy aboard as the last passenger. Peter traveled alone to join his father in Gary, Ind. His mother died recently in England.

Since Peter had a British passport there was some doubt at first whether he would be allowed on the ship.

The passengers wore life preservers when the liner pulled out of this west coast port last night. Officials had taken unusual precaution to safeguard the ship and the passengers by making a thorough search of all luggage.

Two Are Held On Burglary Charges Randolph Marion and Milford Marion were held in the Howard county jail Monday morning in lieu of bonds totaling \$2,000 on charges of chicken theft and burglary.

In complaints filed by the sheriff's department, Randolph Marion was charged jointly with Milford Marion in connection with loss of chickens by Dick Thompson, Justice of Peace John C. Ratliff set bond at \$750 in each case when the defendants waived examining trial. Randolph Marion was placed under \$500 bond on a charge that he burglarized the home of Albert McKinney near the Center Point community.

Heroic Work of Red Cross Workers In Belgium Is Told

A SOUTHEASTERN ENGLISH PORT, June 3 (AP)—How Red Cross nurses stayed at their posts while co-workers were killed or wounded by terrific air and artillery bombardment in the gradually closing death trap around Dunkerque was told today by rescued members of the British expeditionary force.

The nurses, they said, spurned all advice to leave until the last of the B. E. F. wounded could be withdrawn across the channel to safety.

"I cannot describe what we feel about those girls," said one wounded Tommy as he departed from one of the many craft still pouring the retreating forces around the channel under constant fire.

"Out on that dreadful beach, with German planes continually overhead and shells bursting all the time, the nurses have worked without stopping for days past.

"Angels is the only word you can use to describe them. I have seen some of them killed as they have gone about their work."

To Prepare Site For Scout Camp S. P. Gaskin, Sweetwater, area executive, and Stanley A. Mate, Big Spring, field executive, will leave Wednesday morning for the Sacramento mountains in New Mexico to prepare a site for opening of the annual Buffalo Trail council camp June 9.

Mate said that arrangements had been made to transport Big Spring scouts to the camp and that scouts making the trip would leave from in front of the First Methodist church at 5:30 a. m. June 9.

Arrival in camp is slated in time for the evening meal, he said. Big Spring scouts are due to complete the camp registrations by Tuesday.
