

Hoover Is Likely To Have A Try At Nomination

CONVENTION HALL, Philadelphia, June 27 (AP)—With ten candidates placed in nomination for the presidency, the republican national convention recessed at 12:45 p. m. (CST) until 2:30 p. m. when it will start balloting on a 1940 party nominee.

CONVENTION HALL, Philadelphia, June 27 (AP)—Word that Herbert Hoover wanted to measure his own strength before making any commitments on the republican nomination circulated today among national convention delegates eager to start balloting on a 1940 party leader.

Only that balloting can determine the strength of the former president, whose name was not formally placed before the convention, and disclose how far Wendell Willkie has pierced the delegate defenses of Senator Robert A. Taft of Ohio, Senator Arthur H. Vandenberg of Michigan and Thomas E. Dewey of New York.

Hoover himself, busy with fresh conferences at his hotel, did not amplify his previous statement that he was not "seeking" public office again. But some party leaders brought from his impression that he not only wanted to try Willkie but also would accept the nomination himself if the opportunity arose.

The names of ten candidates had been put into the convention nominating pot.

The first few ballots were expected to tell whether other candidates with the apparent support of Hoover had been able to nail down their delegations tightly enough to withstand the push of the hard-hitting Willkie.

"Draft Hoover" buttons were seen in hotel lobbies for the first time, but the former president had no elaboration on his statement that he was not "seeking" public office.

Asserting they had not pledged their support to Hoover, members of the Nevada delegation nevertheless told reporters that all western delegations wanted his advice.

Remaining downtown, Willkie conferred with his floor manager, Gov. Harold Stassen of Minnesota, and predicted the convention would nominate a presidential candidate tonight, adding: "I think I will be nominated."

Willkie told reporters that talks of a combination to stop him "amuse me."

Chairman Joseph W. Martin said he hoped to run off all the remaining six nominating speeches in three hours, then recess a couple hours before ordering the first ballot.

The first ballot, on which Dewey and Taft are expected to lead, probably will come tonight.

Willkie managers predicted his nomination quickly, but leaders for other candidates said his drive had been stopped.

Some argued Willkie backers had "packed" the galleries last night in order to stir up enthusiasm for their candidate.

The Willkie nominating speech was interrupted time and again by booing which were quickly drowned by applause. In the demonstration that followed, several fights broke out when delegates tried to wave state standards.

All this was preceded by nominating speeches and parades for Taft, Dewey and Frank Gannett of New York in a six-hour session which saw unanimous adoption of the program which the party officers voted.

This platform denounced the new deal, said the Roosevelt administration had a "record of failures," and proposed a constitutional amendment to forbid a third term to any man.

On national defense, the party opposed involvement in foreign wars, said the administration had left the nation "wholly unprepared to defend" itself, proposed armament to defend the country and uphold the Monroe Doctrine, and suggested for nations "whose ideas most closely resemble our own" that they shall not be in violation of international law or inconsistent with the requirements of our own national defense.

On national defense, the party opposed involvement in foreign wars, said the administration had left the nation "wholly unprepared to defend" itself, proposed armament to defend the country and uphold the Monroe Doctrine, and suggested for nations "whose ideas most closely resemble our own" that they shall not be in violation of international law or inconsistent with the requirements of our own national defense.

Bigham was a deputy supervisor for the railroad commission.

Italy Ready To Join Attack On British Isles

ROME, June 27 (AP)—Italian troops may join German forces in an attack on the British Isles, an authoritative source said today. He said Italian planes and warships also are believed likely to take part in the operation.

This source said that Italy, since she is determined to fight the war against Britain through to victory with every means at her disposal, feels that the employment of Italian forces in a direct attack on Great Britain "is not likely to be excluded."

Nazis, British Trade Aerial Blows

Press Clamors For Stronger Air Attacks

Ports And Plane Factories Subjected To Bombings

BERLIN, June 27 (AP)—German airmen "successfully bombed" English ports and plane factories during the night, the high command announced today, but apparently the "thousand-fold" retaliation for British attacks on Germany, the object of press clamor, was still to come.

Aside from repetition of the onslaughts on the British Isles, the daily communique presented this picture of the European war:

1.—German forces of occupation move into the coastal region east of Bordeaux. The Dordogne sector, apparently Dordogne department, was reached yesterday.

2.—Easy repulse of "weak enemy naval forces" making reconnaissance attacks on the northern coast of France the night of June 24-25. (The British declared these landing parties obtained useful information in clashes with German troops.)

3.—Sinking of 35,000 tons of British shipping by a submarine.

4.—Resumption of British night air raids on Germany.

5.—Official British acknowledgment that a "strong detachment" of Italian troops and tanks had occupied a British frontier outpost on the Ethiopian-Somali border after the small garrison withdrew under attack.

6.—Royal Airforce raids on Gura airdrome in Italian East Africa, on gasoline dumps at Macao and other military targets at Addis Ababa, Italian East Africa, yesterday.

7.—Five Italian air raids on the British Mediterranean base of Malta in a 24-hour period ending at 6 p. m. yesterday in which 23 persons were killed and many wounded.

8.—Important segments of the naval power that once was France's were reported to have refused to surrender for internment under terms of the Polish government's armistice with Germany and Italy.

9.—Instead, they were said to be assembling at French North African ports to continue the fight against the axis powers under direction of the British navy and in cooperation with General Auguste Nogues, French high commissioner in North Africa.

10.—The British navy and in cooperation with General Auguste Nogues, French high commissioner in North Africa.

London Counts On Help From French Fleet

RAF Fliers Make New Attacks On Ruhr Industrial Area

LONDON, June 27 (AP)—The people of this island kingdom dug in today for siege, cheered by indications that strong units of the French fleet would fight on at the side of Britain's navy.

German bombing planes made their sixth extensive early morning raid in nine days, marking the first attack on a Welsh town. Five bombs were dropped on that unidentified community.

British aviation circles meanwhile reported new and "very heavy attacks" on various military objectives in Germany's highly industrialized Ruhr valley in a daylight sortie yesterday.

One of the British raiders yesterday was said to have scored hits on the center of an oil plant to the east of the Ruhr valley.

Other developments in the preparations for the war on two continents included:

1.—Advice from United States Ambassador Joseph P. Kennedy that all Americans "who do not have urgent reason for remaining here longer" sail home on the U. S. liner Washington from Galway, Ireland, July 4.

2.—Official British acknowledgment that a "strong detachment" of Italian troops and tanks had occupied a British frontier outpost on the Ethiopian-Somali border after the small garrison withdrew under attack.

3.—Royal Airforce raids on Gura airdrome in Italian East Africa, on gasoline dumps at Macao and other military targets at Addis Ababa, Italian East Africa, yesterday.

4.—Five Italian air raids on the British Mediterranean base of Malta in a 24-hour period ending at 6 p. m. yesterday in which 23 persons were killed and many wounded.

5.—Important segments of the naval power that once was France's were reported to have refused to surrender for internment under terms of the Polish government's armistice with Germany and Italy.

WATER FOR THE CITY is shown impounded in the Powell Creek lake (above) and the Moss Creek lake (below) after brisk thundershowers in this area Sunday night. The Powell lake level is just four feet above the scarp spillway at extreme left. Depth of the water is 21 feet at the dam. The Moss Creek lake, which caught its first water, has 11 feet and can take 24 feet more. The views were snapped from a plane piloted by Art Wintheler, municipal airport manager. (Kelsey Photos).

Gold Search In Litigation

Difficulties surrounding a pro-longed search for a legendary lost gold mine at the southern edge of town finally got into the courts here Thursday.

T. M. Moore, Abilene, who has been seeking to uncover what he believes is a lost mine for seven years, was joined in a suit to try title and for injunction by J. M. Burnam, Lubbock, against E. C. Harlen, Ray Harlen and Arac Harlen.

Plaintiffs, in a petition filed in 70th district court, charged that defendants had dispossessed them from an one-acre tract of land out of section 3-32-14, T&P, on or about June 14 and claimed damages of \$750. At the same time, they sought an injunction restraining defendants from excavating on the land in question.

The suit grew out of a long dispute over ownership of land on which a shaft had been sunk in search of the supposed mine.

The Harlens contended it was on their land, and Moore and Burnam disagreed.

Interest in the mine search was stirred last Aug. 25 when Estle Smith, son of Mr. and Mrs. Estle Smith, reportedly uncovered a human skull in the shaft at 94 feet. Moore, who pioneered the search, believed it was a marker, and that he was nearing the point where he would or wouldn't find the reputed mine.

He told of finding many "markers" or signs which he felt bore out humps and pits on what he called the "plot rock." Too, an odd knoll in the valley below the gravel projection in which Moore sunk the shaft, was held by the workers to be an old smelter.

Moore has talked with old treasure hunters, Indians, fortune-tellers and even had a man "witch" for the legendary cache. He said he was not certain of a treasure, but that he wanted to exhaust every possibility.

BROADER AUTHORITY ON RED CROSS SHIPS

WASHINGTON, June 27 (AP)—President Roosevelt signed today an amendment to the neutrality act giving him authority to send American Red Cross vessels into war combat zones without safe conduct assurances from belligerents.

The legislation requires that the vessels under control of the Red Cross be "unarmed and not under convoy."

German Guards At Spanish Border

IRUN, Spain, (AP)—The French border, June 27 (AP)—German advance guards arrived at the Spanish-French border at 11:30 a. m. (4:30 a. m. CST) today.

Howard Bucknell, counselor of the American embassy in Madrid, immediately got in touch with the German commander to insure the passage into Spain of the last Americans awaiting repatriation.

Spanish and German authorities exchanged salutes.

New Defense Funds OK'd

WASHINGTON, June 27 (AP)—President Roosevelt put his signature today to a supplemental defense bill giving the war and navy departments \$1,479,777,147 in cash appropriations and authority to make additional contracts totalling \$289,158,761.

The sum thus provided—\$1,768,935,908—was about equally divided between the two departments and was in addition to regular appropriations of \$2,500,000,000 voted by congress for the army and navy in the coming fiscal year.

The navy's share of the supplemental fund was earmarked for: Beginning of construction on 22 new warships and faster construction of more than 100 more; alterations to existing vessels, production of 400 new quadruple mounts and 1.1 inch anti-aircraft guns; emergency stocks of critical and reserve materials; housing and ammunition storage facilities, aviation and ship-building facilities and re-commissioning of laid-up status.

The army is empowered to: Build thousands of new planes, purchase new equipment, construct anti-aircraft batteries, buy land and expand aircraft defenses.

Also provided was a \$25,000,000 fund to permit the Civil Aeronautics Authority to train an estimated 45,000 persons in primary plotting courses and part of that number in secondary instruction.

HOOPER FORSEES PEACE BY AUTUMN

PHILADELPHIA, June 27 (AP)—Visitors to former President Herbert Hoover reported today that he believes Europe will be at peace before the November election.

Mr. Hoover is confident that European peace would aid the republican campaign, they said, regardless of who is nominated for president.

Squeeze Play On Rumania

By the Associated Press

Rumania was squeezed today like a ripe plum between Germany, dominant in Western Europe, and Soviet Russia, in the East, eager for her share in the European territorial reckoning.

With Germany rising to new heights of power in the last few days, Rumania had made her peace with Adolf Hitler. She followed up long-standing commercial commitments with a notification of her government, shelving the old ties with Great Britain and France.

Today it was Joseph Stalin's turn. Apparently he demanded Bessarabia, northern Bucovina

HIGHWAY DELEGATION TO AUSTIN FRIDAY

Big Spring is due to send several representatives to Austin Friday afternoon to join with delegations from other towns on U.S. highway 80 to seek improvements for the route.

Among those due to go are Charles Sullivan, G. C. Dunham, H. Hoeckendorf, Cal Boykin, E. V. Spence, Thomas Bradshaw, and J. H. Greene.

An organization party is scheduled for all delegations Friday evening at Austin, preparatory to the hearing Saturday when C. C. Thompson, Colorado City, will act as official spokesman in asking that the Broadway of America through West Texas be improved for sake of safety, traffic and beautification.

CANDIDATES FILING EXPENSES; OTHER POLITICAL DATES AHEAD

Approach of the first democratic primary was heralded Thursday with the filing of first expense accounts by candidates.

According to law, all county and precinct candidates must file these accounts with the county clerk not later than July 2, while district and state candidates will file accounts with the secretary of state.

In rapid succession, other important political dates are starting candidates in the face. Absentee balloting will start July 7 (probably on July 8 because the first legal date falls on Sunday), and is due to stir interest in the campaign.

By July 15 and not later than July 18, candidates must again give

Little Nation Asks For More Time On Deal

Soviet Machine Moves In; Carol Orders Mobilization

BUCHAREST, June 27 (AP)—The Rumanian government tonight officially signified its acceptance of Russia's ultimatum demanding the cession of Bessarabia, northern Bucovina and other concessions.

BUCHAREST, June 27 (AP)—Rumania decided today, according to diplomatic quarters, to yield vast territorial concessions to Soviet Russia but pleaded for time to dicker on the red demands and ordered a precautionary mobilization.

Little more than five hours before expiration of an ultimatum calling for immediate return of Bessarabia and other concessions and amid reports of a soviet massing of military might, Rumania asked for postponement of the deadline, fixed at 10 p. m. tonight.

Diplomatic quarters expressed belief that Russia would tolerate no delay.

Red planes were reported darkening the Rumanian skies while Russia massed troops, tanks and artillery at the northern frontier.

Simultaneously with the end of an afternoon session of the Rumanian grand council, King Carol presiding, it became known that a virtual general mobilization order had been issued by the war ministry.

Diplomatic observers, however, expressed belief that Rumania's military preparations were of a precautionary nature rather than indicative of any intention to oppose Italy's demands with force.

Apparently Germany and Italy both counseled Rumania to bow to the Russian demands. Ministers of the axis powers conferred at length with the young monarch.

Authoritative sources said Russia demanded:

Return of Bessarabia, once part of czarist Russia and since 1918 Rumania's eastern bulwark against communist Russia;

Cession of the northern part of the province of Bucovina, once part of the Austro-Hungarian empire, and

Control of Rumania's big Black sea port, Constantia, for a naval base, along with railway bases and supervision of Galati and Braila, two ports which control all navigation on the Danube.

Granting of the latter provision

See RUMANIA, Page 8, Column 4

Thinks British Are Entitled To Engines Of Their Own Make

WASHINGTON, June 27 (AP)—Secretary Morgenthau upheld today the government's insistence that any American manufacturer who makes Rolls-Royce airplane engines for his own country should make them as well for the British.

"I just can't imagine the British being shut off from their own engines," said the treasury secretary, who himself obtained from the British the American rights for manufacture of the engine.

"As a matter of fairness and policy," Morgenthau told his press conference, the administration had to cancel negotiations with Henry Ford for a 9,000 joint British-American engine order, when Ford refused to make engines for any country other than the United States."

PLUNGES TO DEATH

DODGE CITY, Kan., June 27 (AP)—Sud B. Francis, manager of the Wolcott-Lincoln brokerage house here, plunged down a basement stairway to his death last night while attending a neighborhood picnic.

He apparently opened the wrong door, which opened on the steep basement stairs.

Rev. Graalman To Marry Here Sunday Night

Mrs. Helen Schneider of Colorado City announces the engagement and approaching marriage of her daughter, Gertrude, to T. H. Graalman. The wedding is to take place at 7:30 o'clock Sunday evening at St. Paul's Lutheran Church where Graalman is pastor.

HD Club Women Leave For Vacation Trip To Carlsbad

Approximately 25 club women left at noon today on the Howard County Home Demonstration Council vacation trip. They will spend Thursday night in Carlsbad, New Mexico, and four the Carlsbad Caverns Friday. Friday afternoon and night the women will go sight-seeing in Santa Fe, Mexico, and El Paso and will spend the night in El Paso.

Wednesday Club Has 1 o'clock Luncheon In George Hall Home

A 1 o'clock luncheon was given for the Wednesday club by Mrs. George Hall in her home yesterday and a table of guests was included. Mrs. Joseph Hayden was guest of honor and Mrs. G. G. Sawtelle binged for guests. Other visitors were Mrs. J. C. Smith and Mrs. Pauline Grove.

Recent Bride Given A Surprise Pottery Shower By Sorority

A surprise pottery shower was given Wednesday evening for Mrs. Helen Knox by Mrs. Paul Darrow and Margaret Anderson in Miss Anderson's home. Mrs. Knox is the former Miss Mary Burns, whose marriage occurred recently.

Sister Visits Here With Mrs. Melvin J. Wise

Mrs. Melvin J. Wise has returned home from El Paso where she visited her sister, Mrs. Art Garza for a week. Another sister, Miss Maurine Falkner of Fort Worth accompanied her home for a visit until Saturday.

If You Suffer Female Weakness

AN ANALYSIS OF THE WAR DEVELOPMENTS

By DEWITT MACKENZIE
You probably have heard the rumors which have been going the rounds to the effect that a peace between Britain and Germany is in the making.

for sake of their own safety. But you must recognize that the bulk of Britain's population of forty-six millions is centered in the congested areas of the heart of the country. What will happen if and when the Nazi bombs begin to rain down on this crowded area? Will the Britons' determination and bravery be able to stand it?

DANCER IN LEGION SHOW—Mary Ruth Dille, Big Spring girl who has turned to the dance profession as a career, will be one of the special numbers to be presented on "Texas Stars On Parade" being sponsored by the American Legion. Miss Dille will be seen in a special number as an added attraction to the 14 acts being presented on the special stage in the football stadium next Monday night, July 1, at 8:15 p. m. Charles Fike, of Lubbock, will act as master of ceremonies for the evening's entertainment. Fike is a very popular emcee with Texas Tech and has just returned from New York where he has been studying music on a scholarship won by him in a contest last year.

Pink And Red Roses Decorate Home At Sewing Club Party

Pink and red roses decorated the home of Mrs. Burley Hull when she entertained the Sewing Club in her home Wednesday.

Get Out The High Bed
District

HANK BOBBED... MEMPHIS, Pa., June 27 (AP)—Four masked robbers, one armed with a machine gun and the other with a pistol, held up the First National bank in this southeastern Pennsylvania town today and escaped with cash estimated at between \$10,000 and \$15,000.

When you buy a pair of shorts in size 34, take them home and put them on... to find they're a scant 33 and the buttons won't button, you've a right to be unhappy.

Richards Test Below 1,200

M. L. Richards No. 1 Thelma J. Cole, northeastern Howard county wildcat, was reported below 1,200 feet Thursday in search for a northwest outlet on a trend from the Westbrook area.

The test reportedly was running high on structure in comparison to wells drilled in that area and particularly the Richards No. 1 Shafter, abandoned test three miles north and west. The current well had a shallow pay stratum from 815-30 feet in lime, topped the salt at 825 and the Yates at 1,120. Salt top was picked 46 feet higher than the Shafter test, pinched considerably and left what was called the Yates top 124 feet high.

Location is within half a mile of Vincent community, 2,310 feet from the west and 1,600 feet from the north lines of section 12-16, H&TC.

C. T. McLaughlin No. 1 Pete Johnson, three miles northeast of Big Spring, was reported below 2,320 feet in anhydrite. Location is 660 feet from the north and east lines of section 34-32-1n, T&P.

Magnolia No. 1-40 M. H. O'Daniel, half a mile south of Snyder pool production, was at 3,405 feet in lime with no changes. It is located in the southwest quarter of section 40-30-1s, T&P.

Texas has nearly one-fourth of all the producing oil wells in the United States.

SHARON AREA PLANS JULY 4TH FESTIVITY

An old time July 4th celebration is being planned by residents of the Sharon area in Severy county. Two heaves have been donated for a barbecue to supplement basket lunches, and there will be baseball games, rodeo events and other entertainment.

The public is invited to bring a basket lunch and attend. Rodeo competition will be restricted to amateurs and prize money paid out of entrance fees.

Coahoma Church Moves To Form Brotherhood

COAHOMA, June 27 — Initial steps in the organization of a brotherhood unit for the Coahoma Methodist church were taken at a meeting here Wednesday evening.

Appointed to head four important committees were: George M. Boswell, by-laws; R. H. Dossy, membership; R. D. Cramer, program; and B. F. Logan, objectives.

Rev. J. W. Price, pastor, presided over the initial session. Next meeting is scheduled for July 22.

Cactus Candidate's Cook Book Woos Ballots Through Palates

PHOENIX, Ariz.—If the way to a man's heart is through his stomach, Arizona's State Treasurer William Petersen thinks it's the way to get his—and his wife's—votes, too.

WILLIAM PETERSEN A Chef and a Politician

In a foreword to his book, which he calls "Treasurer's Cactus Bar-B-Que of Arizona Recipes," Petersen writes:

"In the 17th century my great, great grandfather was chef by appointment for one of Denmark's princesses. My great grandfather followed in his footsteps and so the art of following culinary work was handed down through the generations and was taught me in childhood. I was a chef until, due to World War injuries, I was no longer able to continue this work.

Rumania Squeeze Play

(Continued From Page 1)

would mean Russian control of all traffic on one of Germany's vital lifelines. (Reports to Berlin said "control" of Tulcea, another Danube port, also was demanded).

Instead of a public announcement from the war ministry, the precautionary mobilization call was executed by gendarmes who visited fields and factories, stores and homes to call Rumanian reservists to the colors.

While military preparations were stepped up, Rumania's plea for a postponement of the Russian deadline was forwarded urgently to Moscow.

Rumanian military planes patrolled the Bucharest airport while anti-aircraft guns were installed on the capital's tall buildings.

All Rumanian shipping was ordered to remain in port. In the midst of all these things the Rumanian public was completely ignorant or what was under way. Newspapers were forbidden by censors to mention the Russian ultimatum.

In Berlin, publicly there were only expressions of German "disinterest" in the Russian-Rumanian situation, but it was reliably reported in Budapest that Adolf Hitler had assured Hungary that her territorial aims, that is, return of Transylvania from Rumania, "will be met."

Not only Russia and Hungary but Bulgaria as well hoped to be in on the territorial feast apparently in the making at Romania's expense. Bulgarians have a historic claim to southern Dobruja.

Bessarabia, Russian before the World war settlement, and Bucovina, a former province of Austria-Hungary, have large Ukrainian populations. Berlin radio reported Russia's demands were for "all Rumania territories chiefly inhabited by Ukrainians."

Although Moscow apparently insists Bessarabia belongs to this category the encyclopedia Britannica puts its Ukrainian population at only 20 per cent.

The Ukrainian homeland, with a population of about 32,000,000, is one of the component republics of the Russian Soviet Union. If Russia gets Bessarabia and Bucovina she will have united virtually all Ukrainian territory except the Carpatho-Ukraine, a small portion of the dismembered Czech-Slovak republic.

MARKETS Wall Street NEW YORK, June 27 (AP)—Mild rallying tendencies prevailed in today's stock market as Wall Street took a more hopeful slant at the domestic political picture and displayed a little less nervousness over war moves abroad.

Gains for favorites ranged from 1/8 to 1/4 and more points in the forenoon, but dealings were sluggish throughout. Prices were cut in most cases at the close. Transfers were around 450,000 shares.

Livestock FORT WORTH, June 27 (AP)—(USDA)—Cattle salable 2,000; total 2,100; calves salable 1,000; total 1,100; market. Generally steady although some sales on weak side in most classes cattle and calves; common and medium slaughter steers and yearlings largely 6.00-8.25; 8 loads grass steers 8.25; one load good fed steers 9.75; good and choice yearlings 9.00-10.00; cows 4.50-6.50; canners and cutters 3.00-4.25; bulls 6.00 down; good and choice killing calves 8.00-9.50; common and medium 6.00-7.50; culls down to 4.50; good and choice stock steer calves 9.00-11.00; stock heifer calves 9.75 down; common and medium stockers draggy.

Hogs salable 500; total 700; unevenly 15-35 cents higher than Wednesday's average; top 5.50; bulk good and choice weights above 170 lbs. 5.25-5.50; few underweights 4.50-5.25; butcher pigs down to 4.00; and this stocker pigs 3.50 down; most good packing sows 4.00-4.25; smooth lightweights to 4.50.

Sheep salable 2,500; total 3,000; fully steady; most spring lambs 7.50-8.00; few 8.25; small lot 8 1/2 lbs. 8.50; slaughter yearlings 5.50-6.00; 2-year old wethers 4.00-4.50; aged wethers 3.00-3.50; ewes 2.75 down; feeder spring lambs 5.00-6.25; feeder yearlings 5.25 down.

The Texas petroleum industry pays over \$271,000,000 a year in wages and salaries.

Rural-Urban Dinner To Be This Evening

With assurances that Big Spring would be represented by at least 80 men, final preparations were made this afternoon for the Richland goodwill dinner at 8 p. m.

The program was increased by addition of the Rotary orchestra and the Dix Bros. string band. The latter will play during the meal while the Rotary musicians will appear on the after-dinner program. Vocalists will round out the program in addition to a few brief talks.

Plans are for the local group to meet at the chamber offices at 6:30 p. m. and to go in a body to Richland for a short visit before the meal.

Additional names announced as registrants Thursday were Linck's Food Stores, W. M. Gage, J. W. Elrod, Carl Mercer, Walter Grace, Royce Satterwhite, Glass Glenn, J. C. Douglass, Jr., Jack Smith, Harold Bottomley, Ted Groebel, E. V. Spence, G. B. Cunningham, and D. Golightly and Preach Martin.

Hungary, Bulgaria Watch Outcome Of Russian Demands

BUDAPEST, June 27 (AP)—Hungary and Bulgaria, both with territorial claims on Rumania, kept close watch today on the outcome of Soviet Russia's demands on King Carol's country.

Rumania's reported submission to Russian demands will, it is believed in foreign quarters of Budapest and Sofia, be certain to force Bulgaria and Hungary to look after their own interests.

There was no sign of extraordinary military activity, but foreign observers pointed out that both Hungary and Bulgaria have strong forces on their borders with Rumania.

Public Records

Building Permits J. C. Velvin to build a residence and garage at 104 Canyon Drive, cost \$3,000. J. C. Velvin to construct a residence and garage at 100 Cedar Road, cost \$4,400. E. J. Cass to move a house from 207 Goliad to 2411 Ruessels street, cost \$125.

In the 70th District Court T. M. Moore and J. M. Burnard versus E. C. Harlen, Ray Harlen and Arah Harlen, trespass to try title and suit for injunction. Roy Cars New Denton, Chevrolet sedan.

The Texas petroleum industry alone now pays 45 per cent of all state taxes, exclusive of sales taxes such as the gasoline tax which are paid by the customer.

Family Has Sinking Fund in Club For 27 Years

COLTON, S. D. (UP)—The parents and 13 children in the Grinde family of Colton, organized them-

selves as a family club 27 years ago, and the organization is going strong today. They met recently for one of their regular five-year reunions. Activities of the club include the exchange of chain letters and the

maintenance of the "Grinde fund" which members contribute yearly dues. This acts as a sinking fund for any member of the family who might have had luck. F. C. Grinde of Minneapolis is president of the family club.

Drink Strains Partnership But Court Restores It

CHICO, Cal. (UP)—A miner from Magalla filed complaints against his partner, alleging he

had "rolled" him for \$50. The police found the partner. They appeared before Peace Justice James William Morgan. The partner explained that his friend had handed him the money for safe keeping while drunk. That

flushed the spark of memory of the pines. He recalled that he had given his partner the money for safekeeping. The partner returned the \$50. They both shook hands and decided to keep on being partners.

Guests Arrive For A Week's Visit Here

Denny Ivey of New Orleans, La., and Miss Dora Bassett of Dallas are here visiting Mr. and Mrs. W. R. Ivey and their family until Saturday. Ivey is petroleum engineer for Bennett Oil Co. in New Orleans and Miss Bassett is connected with the company in Dallas as stenographer. Sunday Mr. and Mrs. W. R. Ivey and their family went to Carlsbad and through caverns.

Venerable Hound Dies; Killed 75 Wildcats

STRATTON, Mo. (UP)—When Jack, a hound owned by state fish and game supervisor Roy Gray, stalked and killed his 75th wild-

cat, Gov. Lewis G. Barrows announced he would honor the venerable animal with a citation for protecting Maine wild life.

On the day the award was to be made the dog disappeared. A search disclosed that the animal,

was suffering from distemper, had wandered into the woods it had roamed since puppyhood and died.

Old Shirt Booster

HOUSTON (UP)—Tom Baylor, assistant zoo keeper at Hermann

Park, has an old shirt to thank for his life. A cow buffalo, believing he intended to harm his

new-born calf, charged Baylor as he entered her pen. Her horn caught in his old shirt, but Baylor broke away and got behind a tree.

Had he been wearing a strong new shirt, Baylor thinks, the incident might have ended differently.

All Right; Who's Next?

LOS ANGELES (UP)—The Reynolds family claims a record

of some kind. Members ranging in age from 8 to 60 and belonging to four generations all went up in a plane together.

It Had To Come

LOS ANGELES, Calif. (UP)—The

city fathers here seem to agree pretty well. When Councilman Stanley Mills cast a "no" vote on

a minor appropriation it was said to be the first dissent in ten years.

Just Like Grandmother

LOS ANGELES (UP)—Because the war has interrupted the supply of yarn from Europe, knitters here are learning to make their own on old-fashioned spinning wheels.

PLANE FACTORIES BEING EXPANDED

NEW YORK, June 27. (AP)—Plant expansion programs by four of the nation's leading fighting plane manufacturers—Douglas, Lockheed, Vultee and Brewster—were made public today.

Douglas will add 112,000 square feet of floor space to the El Segundo, Calif., plant at a cost of \$200,000.

Lockheed will spend \$8,000,000 to double the capacity of its factory at Burbank, Calif.

Vultee is spending \$2,900,000 to increase its plant space by 142 per cent to an area 802,000 square feet. Brewster is doubling its manufacturing space by leasing from Ford Motor company a plant near its present factory in Long Island City, N. Y. The leased plant brings Brewster's floor area to 884,000 square feet.

Autogyros To Be Put In Use For Border Service

WASHINGTON, June 27. (AP)—The Immigration and Naturalization service expects to put into service in the near future three autogyros which will shuttle back and forth between cities along the Mexican-U.S. border in California and Texas.

Officials said that as soon as President Roosevelt signs a deficiency bill providing funds for airplanes for the immigration service they expect to buy the three autogyros. One will be stationed at El Paso, Tex., under present plans, another at Laredo, Tex., and the third at El Centro, Calif.

The government already has tightened up its guard on the highways and bridges to prevent aliens from entering the United States illegally but some are believed to cross the plains and go through brush to the United States side, keeping away from the highways.

With autogyros, guards can fly towns, spotting anyone who may along the border between the three be crossing the border in unguarded areas.

BRITISH POUND RATE MAKES AN ADVANCE

NEW YORK, June 27. (AP)—The open-market rate of the British pound soared today on buying scribbled by foreign exchange dealers chiefly to "peace rumors."

At one time England's currency was quoted around \$3.89, up about 10 cents.

By-Passes Are Agreeable To Most Cities

AUSTIN, June 27. (AP)—Highways are passing up Texas towns and nobody is mad.

Time was when Squeedunk on the route of an old state artery, rated a collective howl when the highway engineers, planning a new location for the road, left the village high and dry on the outmoded pavement.

Now the same citizens actually petition the highway department to by-pass their town.

They realize at last, say engineers, that most highway traffic is non-local and through travelers will not stop to buy gasoline, hot dogs, soda, or anything else they can get most anywhere on their route. Then, too, cross-state arteries add to traffic hazards in a community.

The practice of the highway department is to build good spur roads from new highways to towns when they are taken off the main roads. This is no inconvenience to local and regional travelers who need to reach the particular town.

Currently the department is by-passing San Marcos through which U. S. 81 winds a tortuous path which often adds 15 minutes to north-south motoring time. New Braunfels and Waco on the same highway have been by-passed. Motorists in South Texas can whiz past Alice on U. S. 281, with nothing but a side glance at the town. The same holds for Goldthwaite, Mulvan and Killeen on U. S. 190 and west on U. S. 81.

Five years ago, an engineer says, Palestine citizens fought a proposed location for U. S. 79 which eliminated the city from its route. Now, he adds, Palestine wants to be by-passed.

Maybe its citizens heard about the late cross-country motorists who pulled up to a filling station outside a small southwest Texas town.

"Are you in the city limits," he asked the proprietor.

"No, sir," was the reply.

"Well fill her up then; nobody in town will get my business."

Hospital Notes

Big Spring Hospital
Miss Peggy Fay Estes of Monahan underwent tonsillectomy Wednesday.

Bill Morlan, 504 Scurry, underwent minor surgery Thursday.

Mrs. Lloyd Butler of Otischalk is in the hospital for medical care.

Mrs. Grady Touchstone and son, Joe Robert, returned to their home in Hobbs, N. M., Thursday.

Mrs. Fox Stripling returned to her home Thursday.

Collins Bros. and every Druggist sells Emerald Oil on this guarantee.—adv.

FAIR TREATMENT FOR TEXAS IN COTTON PROGRAM URGED IN ADDRESS BY BANDEEN

ABELILENE, June 27.—"The world war situation is serious, but along with it is created the greatest crisis cotton has ever faced. What is going to happen to the American cotton industry? The Waco meeting will examine the whole problem." The quotes are from a letter by the state-wide cotton committee of Texas in connection with the Cotton Research Congress opening in Waco Thursday morning to continue through Saturday. Held under sponsorship of the state-wide committee, Burreis C. Jackson general chairman, it promises to be the most important meeting of the kind ever held in the United States. Every phase of the cotton industry is being discussed this weekend by men "in the know"—altogether 38 addresses.

Bandeen A Speaker
Among the Thursday speakers was D. A. Bandeen, general manager of the West Texas chamber of commerce. The WTCC contends that while the major objectives of the "national agricultural program including cotton control are desirable and should be continued, the application of the formulas from the beginning of control has been unfair to Texas and should be revised on the basis of equality to give Texas its fair share in the national allotment. The West Texas chamber has made—and continues to make—a hard fight on that point.

Subject of Bandeen's address to the congress was "The Shift in Cotton Production." He spoke of the importance of cotton to the Texas economy, accounting for 67 per cent of its total agricultural income, requiring in one year (1929) more than one billion man hours of labor to produce, harvest and market the crop from 16,876,000 planted acres. Speaking of cotton as king of crops, of Texas as leader of the economic kingdom of cotton, he described a seven-year shift in production away from Texas to other states, due to governmental laws and regulations which, as applied to Texas, violate the principle of equality in property as well as in human rights on which the American form of government and the American way of life are based. "I assert and submit," said Bandeen, "that, because of these governmental laws and regulations, unequal privileges and benefits are being extended and cotton producers in our state are being penalized while producers in other states are receiving the benefit of the penalty inflicted."

Points stressed in Bandeen's address:
Under the original Bankhead act, 1933-34, states east of the Mississippi river were enabled to produce 150,000 bales more cotton under reduction control than before control, while Texas produced 1,750,000 fewer bales.

Naval Project Jobs To Be Filled Thru State Service

CORPUS CHRISTI, June 27 (AP)—State employment service officials warned today that many unemployed persons coming to Corpus Christi with the idea of getting jobs when construction of a naval air training base begins will meet with disappointment.

The hiring of all labor on the \$25,000,000 project is being handled by the state service and the local office is registering only residents of Nueces county, the officials pointed out.

Persons living in other counties are advised by F. L. Rawlins, area manager for the employment service, to register at the nearest state employment service headquarters. The project is due to absorb all the unemployed within a radius of 50 miles of Corpus Christi but large numbers of men will not be needed before about Aug. 1, it was explained.

Rev. Willys Resigns As Pastor At Forsan

FORSAN, June 27.—Rev. A. T. Willys, pastor of the First Baptist church at Forsan, has resigned his pastorate to give his full time to evangelistic services. After conducting a number of meetings in Texas and Arkansas this summer,

Rev. and Mrs. Willys plan to enter Southwestern Theological Seminary, Fort Worth, in the fall.
Rev. George M. Bastian, of Greensboro, Md., will fill the pulpit next Sunday, June 30. Rev. Bastian is a student at Southwestern Seminary and is pastor of churches in East Texas. During his senior year in Howard Payne college, Brownwood, he led the Baptist Student Union of that campus to reach first magnitude.

BODY OF STRANDED GIRL IS FOUND

ST. LOUIS, June 27 (AP)—The body of Ruth Gornek, 15-year-old high school girl, was found today near a path in a wooded area of suburban University City. She had been strangled with the skirt of her play suit, her skull apparently was fractured and there were other bruises on her body. An all-night search had been made for the attractive, slight built daughter of Mr. and Mrs. Abraham Gornek when she failed to return home from a swimming pool in University City park yesterday afternoon.

GERMAN WARNING

NEW YORK, June 27. (AP)—German radio broadcast a message to the French people today warning them against enlisting in Gen. Charles De Gaulle's proposed French legion, according to a broadcast picked up here by the Columbia Broadcasting system.

Mexican Congress To Hold Special Session July 25

MEXICO CITY, June 27 (AP)—An extraordinary session of the Mexican congress will begin July 25 to consider laws for compulsory military training and ratification of Mexico's expropriation settlement with the Consolidated Oil corporation (Sincilar).

They Paid The Piper

MEMPHIS, Mo. (AP)—More than 12,000 rat tails were turned in to the county agent in a drive to rid Scotland county of rats. The merchants offered a bounty of one cent a tail, estimating that each rodent would do damage of \$1 a year.

TO HEAR O'DANIEL

AUSTIN, June 27 (AP)—A motorcade of Austin and other Central Texas citizens will form here for a trip to Waco, July 2, where Governor W. Lee O'Daniel has scheduled a political rally and campaign speech.

Bible School Opens At Forsan July 1

FORSAN, June 27.—The teachers use the textbooks and do all the studying in the vacation Bible school to be conducted at the First Baptist church for all the boys and girls in Forsan. The school will be in session from 8 until 11 o'clock from July 1 until July 12. Miss Verena King, Seminary Hill, Tex., who is the associational V. B. S. director for the summer, will be principal of the school and direct the local workers. This is the fourth of nine churches Miss King will serve in this capacity during the summer.

The daily program in four departmentalized age groups will consist of joint worship periods, salutes to the flags, Bible study, character studies, Bible drills and

memory work. Each session will be concluded with a period of handwork consisting of woodwork, needlecraft, and paper construction work.

Due to increased operation costs and loss of markets to other states, Texas oilmen drilled 2,321 fewer wells last year than in 1938.

Easy Safe Way To Clean False Teeth

It's a Yellow Tobacco Stain Go Over Night—No Brushing Here's all you do: Simply put a little Kleenite in half a glass of warm water—put in your denture while you dress or overnight. Rinse and replace. Result: Teeth and plate sparkling, stainless, clean, sweet—free from all unpleasant taste and odor. Be sure to ask for and get Kleenite—the Dentate Plate Cleaner, at druggists, Billie & Long Pharmacy, Inc.—adv.

EVERYBODY else is doing it—so many people have stepped up to buy this Buick sweetheart that we had to break all previous production records to satisfy them!

So why shouldn't you be the boss of a big Dynafash straight-eight, smoothed into silk by electro-balancing after assembly?

Why should you be the one to do without the comfort of BuCoil springs—the trim style—the peak performance—and the more than six dozen new features that grace this beauty?

It can't be money, for prices* start at \$895 for the business coupe delivered at Flint, Mich.; transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra.

Never in history have Buick sales been so good—because never has the value been so great.

And your Buick dealer is waiting to prove it!

*Prices subject to change without notice.

"Best buy's Buick!"

you'll need—plan to use the Sunday Edition of the Daily Herald as your guide to greater savings! In it you'll find items and services that will supply your every need—AT SAVINGS! Of course summer-merchandise will be featured—However, you'll find plenty of new Fall items—So plan to buy for now and later!

Remember-The Savings Will Amount To Many \$\$\$\$!

Oilers Beaten By Piemen, 4 To 3

Vaughn's Piemen staved off a last inning rally to upset the Standard Oilers, 4-3, in a Major-City softball league competition at the Mundy park diamond Wednesday evening, virtually eliminating Hack Wright's crew from title consideration.

The Piemen, with new strength in the lineup, took the lead in the fourth inning with a two run outburst without the aid of a hit, then scored the tally that won the ball game in the fifth on a double by R. Newton and a two base error by Doyle, rightfielder.

The Oilers tried desperately to deadlock the score in the final round, chasing one run across and sending a man as far as third base but Tatum, pinch hitting for Bates, popped out to Doyle Vaughn to retire the side and end the game.

Bobby Savage, on the hill for the Oilers, gave up two hits and struck out eight while his mates got to Vaughn, opposing hurler, for six safeties.

Woodrow Harris, centerfielder, had a perfect night at bat for the Oilers, collecting two drives and a free pass in three tries.

Phillips' Tremen humbled the Anderson Devils, 13-2, in the evening's first game with Lefty Morris limiting the youngsters to seven scattered blows.

The Tremen set the pace with a three run outburst in the initial round, added three in the second, then coasted along until the fifth when they clinched victory with six runs.

First game:
Anderson 100 100 - 2 7 2
Phillips 380 16x - 13 8 0
Dayton and Stewart; Morris and McGee.

Second game:
Standard 020 000 1- 3 4 4
Vaughn 010 210 x- 4 2 1
Savage and Smith; Vaughn and O. Newton.

NCAA Golf In Second Round

MANCHESTER, Vt., June 27. (AP) Two of the ranking favorites appeared to be well spotted in the draw today as the National Collegiate A. A. golf championship tournament entered second-round match play at Ekwanok.

Johnny Burke of Georgetown, 1938 champion, and Lee Rammel of Louisiana State, one of last year's quarter-finalists, were so well placed in the upper half of the draw that their golfing paths could not cross until the current field of 32, representing 25 widely-scattered colleges, was reduced to eight for tomorrow's fourth-round matches.

PEARSON FACES 1939 CHAMPION

MILWAUKEE, June 27. (AP) - Safely over the first round of match play in defense of her women's western golf crown, Helen Detweiler, of Washington, matched strokes today with Kathryn Pearson, of Houston, Texas, at the Blue Mound County club.

Others competing in the round of eight included Beatrice Barrett, of Minneapolis, the 1938 champion and Babe Didrikson Zaharias, the southern athlete.

Nonchalant Deer Waits For Green Traffic Light

OLEAN, N. Y. (AP) - Patrons of a dining car here were startled from their meal by the appearance of a doe standing at a nearby street intersection.

Emulating a perfect lady, she waited patiently for the traffic light at the intersection to change. A few seconds later the signal turned to green and the deer sauntered off down the street, pausing now and then to do a little "window-shopping."

Better Baseball May Be Played In American League But The National League's Brand Is More Exciting

By JUDSON BAILEY
Associated Press Sports Writer

In the days when the New York Yankees were burning up everything in baseball, National League fans used to defend their interests by saying they got more for their money than the American league's customers.

Well, the Yanks are different, and the American league race is different, but the National league fans still get more excitement. It may not be baseball, but it's good, clean fun.

In New York, for instance, the Giants and St. Louis Cardinals came up with a ten-inning 10-9 hit of vaudeville last night just 24 hours after the Dodgers and Chicago Cubs put on a 13-inning skit across the river in Brooklyn.

There were five home runs in the game and 13 runs scored in one inning, the seventh, after which the whole issue still had to be decided because the score was tied at nine all.

No Broadway show has had a more dramatic climax. The Giants loaded the bases in the ninth and failed to score. They did it again in the tenth. This time pinchhitter Johnny McCarthy drove home

the winning run with a single—his first hit of the year!

Even the doubleheader between the last-place Phillies and the plodding Pittsburgh Pirates was packed with action. Cy Blanton and Joe Bowman matched seven-hit pitching in the first game, and Johnny Rizzo, a former Pirate, brought the Phillies a 4-2 victory by homering with one on in the eighth.

Then, in the second game, the Pirates punched out five runs in the second inning and won, 11-6. The Yankees managed to stop their latest losing streak at four games by beating the Cleveland Indians, 5-1.

This was enough to lift the world champions back into the American league's first division as the Philadelphia Athletics subdued the St. Louis Browns, 9-4.

This victory, in turn, put Philadelphia again in seventh place and let the Washington Senators slide back to the cellar under the burden of a 7-6 defeat by the Chicago White Sox.

The Boston Red Sox fought back to a 3-1 triumph over the Detroit Tigers that gave the Red Sox the series and moved them within half a game of the second-place Tigers.

HERDERS PLAY HERE TONIGHT

Baer Talking A Great Fight

By SID FEDER
POMPTON LAKES, N. J., June 27. (AP) - Maxie Baer's curia ordinarily are combed back off his broad brow, but just the same he's still like the little girl who had one lock hanging right in the middle of her forehead.

If he's good against Tony Galento in the Jersey City ball park Tuesday night, he will be very, very good. If he isn't—the ladies' weekly sewing circle might just as well take over.

Max is still a major mystery, like boarding house hash. Right now, although his training work isn't anything to write home about, he's talking a great fight.

He insists he has a distinct dislike for the "barrel that walks like a man" and will belt him out early in their 15-round fight.

"I'm going to work on that fat watermelon right quick," he said today. "I'm going to cut him up for five, or six rounds. Then, when he can't see any more, I'll flatten him. This is one fight I'm really looking forward to, and I'm going to enjoy stuffing him. I don't like him nohow."

As for any roughhouse stuff that Tony Tom may try, Maxie tells you he's "a pretty good rasher" himself.

Midland Nine To Form The Opposition

The San Angelo Black Sheep Herders and Midland's Black Herefords will tangle in an 8-30 ball game at Baron park this evening with the Concho city team favored to cop the duke.

The Herders twice defeated the Midland crew last week but experienced plenty of trouble in the second go.

Robert Moore, manager of the Big Spring Brown Bombers, is combining forces with the Herefords and Snooks Ringo, Charley Merrick and Claude Tucker will all be available for duty.

A special section will be reserved for the white fans, Moore said. The Bombers are working toward a Sunday afternoon game with the Lubbock Black Cats. The bout will be played in the local park.

BUC'S BOAT Pirate La Fitte's Ship To Be Raised In Texas

AUSTIN (UP) - Maybe there's a lot of gold in the old vessel and maybe there isn't. At any rate, modern science will delve deep into a Texas lake to attempt recovery of a ship that Jean LaFitte scuttled 180 years ago while trying to escape a U. S. revenue cutter.

The long-lost brigantine dashed into a shallow lake a little way up from the gulf and there LaFitte sank it rather than have it fall into government hands. The vessel now rests 20 feet under the sands of a silt bed.

The ship was discovered in its watery grave 90 years ago by Jake Sherman, farmer. It was covered there by only four feet of sand. Several legends and rumors sprang up after the discovery, one being that several wealthy persons had offered rich rewards for maps showing the location of the ship.

Then there was the episode about the 101-year-old Mexican giving a map drawn on a hogskin to a son and the map being examined by the Sheremans who said it was accurate.

G. G. Chambers, Jr., of Beaumont, has hired Fritz Daniel, a lawyer of Liberty and they have started out to salvage the vessel in legal fashion.

DIES SILENT ON INVESTIGATION

ORANGE, Texas, June 27. (AP) - Representative Martin Dies (D-Tex.) would not reveal today the nature of testimony expected before his committee on un-American activities at Austin starting the latter part of next week.

Dies arrived here last night for a brief rest at his home and will go to Austin after July 4 to conduct an investigation for three weeks.

The congressman said he would question some 30 or 40 witnesses from a number of points, including El Paso, San Antonio and Taylor.

He would not reveal the line of questioning to be followed but did say it would not regard the interior of Mexico.

GIVEN SENTENCE

SHREVEPORT, La., June 27. (AP) Richard Davidson, Tyler, Tex., received a three-year sentence in federal court here yesterday after he pleaded guilty to transporting from Texas, Tex., to Shreveport an auto stolen from Jess B. Alford of Paris.

Davidson at first entered a not guilty plea, which he changed. He is to serve his term in Leavenworth penitentiary.

Dix Dean Wins 3rd Game For Tulsa Oilers

By The Associated Press
Dix Dean's won and lost record indicates he's doing all right in his comeback trek toward baseball's big time.

He's won three games and lost one for Tulsa in Texas league parks. But the way he hung up his victories tells a somewhat intangible story.

Sent back to the circuit when his ailing arm couldn't win for the Chicago Cubs, Dean has failed to finish three of his games. But for heroic work by Tulsa mates, he'd likely be on the debit side of the ledger.

In 20 innings he's allowed 22 hits and 18 runs—hot good, but also not bad.

Last night he downed Shreveport 6-5 by "remote control." He left the game at the end of the eighth inning one run behind, but the Oilers scored two runs in the ninth. Under Texas league rules Dean was credited with the victory.

It seems Dean goes well most of the way but falters in the stretch. Until he begins finishing what he starts no real opinion can be given on his new sidarm delivery.

San Antonio's hustling Missons clipped another half game off Houston's lead by sweeping a doubleheader with Oklahoma City, 4-3 and 2-1.

Houston beat Fort Worth 6-4 for the Cats twelfth straight loss. Third-place Beaumont beat Dallas 7-3.

Sports

The Big Spring Daily Herald
Section II THURSDAY, JUNE 27, 1940

The Sports Parade

By Hank Hart
Progressing with his plans to bring semi-pro baseball back to Big Spring is W. D. Berry.

Berry Wednesday announced that he arranged for backing for the team, had lined up a double header with the Hamlin General Crude Oilers for July 4. The games will be played in the local park.

Workouts will probably open Monday afternoon in Baron park and any one who thinks he's good enough to play is invited to report for the team.

Berry said he would recruit the services of Max Carroll, a former Plainview boy who worked out under Tony Rego here in the spring, for pitching chores. Max has been playing softball and should be in fair shape.

Another prominent softballer who will don a monkey suit is Lewis Heuvel, who played short stop for the Big Spring professionals for two weeks. Heuvel, who played outfield at Conroe two years ago but who plugged a gap at short stop for the Barons, hit .333 in WT-NM league competition.

There's a good chance Berry can acquire the services of Miller Harris, prominent with the game here in years past, at least for the Independence day games. Miller, who managed a nine here five years ago, now a resident of Crane, usually visits up here about that time.

The locals will manage to keep fairly busy during the remainder of the year if they draw well enough to meet expenses against Hamlin.

Games may be lined up with Snipe Conley's Texon Oilers, who recently split a pair of games with the mighty Halliburton Cementers of Duncan, Oklahoma, the Crane Gulf Oilers and the Abilene Aces.

IN MCKNIGHT'S HUDDLE— Aggie Football Ace Given Operation

By FELIX R. MCKNIGHT
DALLAS, June 27. (AP) - The most explosive Southwest Conference football incident of years is simmering. Concerns a famed individual, not a group. Insiders say chances are 99-50 that a peaceful settlement will be reached.

Chances for a Texas Aggie repeat on the football front in the fall look a blow when Sophomore Willie Zapala, battering understudy to All-American John Kimbrough submitted to a knee operation in Dallas that may close out his career. But the Aggies still have Sophomore Jake Webster, very sensational in spring drills.

Dix Dean has either mastered slither pitching in an amazingly brief period or the element of ballyhoo crept into the business of sending veteran Dutch Reuther down to the minors with him as tutor—reports say that Reuther has gone on his scouting way, peering behind bushes for the Cubs.

Today's Guest Paragrapher: Weiden Hart, Austin Statesman— "I don't intend to worry much about it, but it seems the country is in a sad state when a lug like Tony Galento is the No. 1 challenger for the heavyweight boxing championship. . . . Seems to me like the republicans, scratching around for deficiencies of the Roosevelt administration, are overlooking a good talking point."

Crisp Comment Dept.: Former National Open Golf Champion Ralph Guidici, questioned as to the possibility of "war jitters" causing the numerous blizzards among the big timers in recent tournament play: "No, I think the majority of them, like myself, concentrate solely on what's happening on the course. . . . Of course, between rounds and off the course, like everybody else, the pros at the recent National Open, I know, grabbed the first newspapers."

Former wrestling promoter Don Fox of Fort Worth, who knows Clarence (Cowboy) Luttrell, the man who is booked to fight Jack Dempsey for the Red Cross, opines that "Cowboy is a plenty tough article and if everything's on the up-and-up he should work over an old guy like Dempsey."

Two noted golf course magicians, Architect Perry Maxwell and Dean Wood, have settled down in Fort Worth to spend the next year reading Colonial golf course for the 1941 National Open. . . . No radical changes are planned, but the entire 18 holes will be retraced to make one of the south's toughest courses a wee bit harder for the field.

Texas farmers and other land-owners receive more than \$122,000,000 a year from the Texas petroleum industry in lease and royalty payments.

Local Poloists To Be Idle This Weekend

The Big Spring polo team will probably play the strong Lamesa quartet Sunday, July 7, on the local field.

No match has been scheduled for this weekend. Most of the local sportsmen will attend a horse show on the C. T. McLaughlin ranch in Scurry county.

The poloists are clearing off a new site near the municipal swimming pool for future play.

In a drill test Wednesday afternoon, a quartet composed of Lloyd Wasson, Junior Wardy, Murray Patterson and Lane Hudson defeated three regulars, Dr. M. H. Bennett, Pat Patterson and Lewis Rix, 4-3, on the field near the rodeo grounds.

Coffey Named To Captain Amateurs

DALLAS, June 27. (AP) - The old guard of Texas amateur golf today was named to the Texas cup team for the annual matches with the state's leading professionals at Beaumont on July 14.

Squad Billy Bob Coffey of Fort Worth, winner of the recent state championship, was named captain of a team which included: Bobby Riegel of Houston; Joe Worthington of Kingsville; Percy Byerly of Beaumont; Hack Willford of San Antonio; Morris Norton of Wichita Falls; Iverson Martin of Fort Worth and the usual Dallas contingent of Don Schumacher, Harry Todd, O'Hara Wachs, Reynolds Smith, David (Spec) Goldman, Jack Mungaw Earl Stewart, Jr., and Jack Timmin.

A committee of the Texas P.G.A. joined with sports writers, gathered at a Longview golf tournament to pick the team, taking over official duties once held by a committee of the Texas Golf association.

The series is deadlocked, both having won two matches while one was tied.

The matches will climax a four-day golf carnival at the Beaumont country club, including the Texas P.G.A. championship and qualification rounds for the national P.G.A. and the Texas open. Amateur Coffey won the open last year at Wichita Falls.

Brewer To Absorb New Tax On Beer

Despite the added tax of a dollar a barrel on the production of beer, called for by the new national defense program, there will be no increase in the price of Pearl beer, either to the dealer or the consumer, it is revealed by the management of the Pearl Brewery of San Antonio, since the brewery itself plans to absorb completely the added tax made necessary by this measure.

The cost to the Pearl brewery will amount to approximately \$240,000 a year, or an increase of about 20 per cent over and above its present taxes, it was disclosed. It feels, however, that since the public will be asked in many ways to meet its share of the added appropriations for the national emergency, that it is only in line with the Pearl brewery's duty not to ask the public to pay an increased price for the product.

Pearl beer will, therefore, continue being sold to the dealers at its former popular price, on the assumption that the dealers in turn, will do likewise.

Oil properties now represent over 30 per cent of the assessed value of all properties in the state of Texas.

Big Spring Motor Co.
"A Safe Place To Buy"

Airminded Aussies— Australia Bids For Air Power

CANBERRA, Australia (UP)—A program for making Australia one of the front rank world air powers by March, 1942, has been announced by Prime Minister Robert G. Menzies.

It involves an increase of eleven times the present program for training pilots, observers, gunners and aircraftmen and an increase of seven times the present program for the production of aircraft.

This would give Australia by the time the program is in full operation in March, 1942, a total of aviation personnel of 57,473 and an air force of about 2,000 planes. With the program and production

JUST PHONE 426

then in full operation, Prime Minister Menzies believes that Australia can increase the air force each year until it ranks with the most powerful air nations in the world.

Under the program as launched, Australia will have 28,500 trained men, consisting of crews, pilots and ground personnel by June, 1941. By June, 1942, an additional 18,012 will have been trained and by March, 1943, when the entire program will be in full operation an additional 10,961 will have been trained, giving Australia in aviation personnel of 57,473 which will be maintained thereafter.

For carrying out the program there will be installed as rapidly as possible three initial ground training schools; 10 elementary flying training schools; four air observers schools; four bombing and gunnery schools; four wireless operators' schools; and two air navigation schools.

As regards the participation in the war, the crews of the Royal Australian Air Force will be earmarked to be concentrated into itself—contained purely Australian squadrons—as rapidly as feasible.

Adequate Defense Is Goal

Menzies announced that this rapid increase in aviation, coupled with the rapid growth that is taking place in the military and naval program, is intended to make Australia capable of defending itself.

In addition to this element of self-defense, he declared it would enable Australia, in connection with Great Britain, Canada and New Zealand to be party to the plans that are vital to assure an Allied victory.

With such an air force, Menzies pointed out that the highest authorities agree that it would give Australia always the mastery of the air as it would never be possible for an enemy with ship-based aircraft to get the upper hand of a land based aviation in a country as large as Australia.

Nazi Triumphs May End Up-Trend In America Exports

WASHINGTON, June 27 (AP)—From pursuit planes to penicillin, war-swollen exports gave the United States a \$634,966,000 excess of international sales over purchases in the first five months of 1940.

The commerce department reported today that in the five months this country exported \$1,717,278,000 worth of all kinds of goods as against imports of \$1,082,312,000.

The export balance was more than double the \$264,261,000 difference recorded in January-May of last year.

This five-month period may prove to be the peak of America's foreign commerce for the duration of the European war, however, officials said, because German successes have isolated a number of important markets.

Skipper Loses His Teeth But Net Catches Plate

CONNEAUT, O. (UP)—Down around the docks in this Lake Erie port they'll swear to the truth of the story of the captain's teeth.

Captain Ralph Stanhope of the Cecelia S. lost his upper one day when he sneezed at the rail, 10 miles off shore.

A week later the captain pulled in his nets and began to clean them. There, in one of the nets, he found his uppers, hanging by one tooth. A few spectators expressed doubt that the teeth were those that were lost. But not Capt. Stanhope. He cleaned the set and enjoyed the first hearty meal in a week.

Annuitants paid by some Texas oil companies to retired employees total from three to six times those prescribed under the social security law.

Menus For Your Approval

By MRS. ALEXANDER GEORGE

'COOKING FOR TWO' BREAKFAST MENU

Orange Juice
Ready-Cooked Wheat Cereal
(Heated to Freshen Up)
Cream
Frothed Eggs
Buttered Graham Toast
Coffee

DINNER MENU

Broiled Porterhouse Steak
Buttered Fresh Peas
Mashed Squash
Bread
Grape Butter

Green Salad
Strawberry Pineapple Chiff
Sponge Cake
Coffee

BROILED PORTERHOUSE

(Allowing for Leftovers)
1 1-2 pounds steak (about 1 inch thick)
2 tablespoons butter
1-4 teaspoon salt
1-8 teaspoon paprika
1-4 teaspoon chopped parsley
Heat a frying pan, add the steak and place the pan two inches below a glowing flame. When well browned, carefully turn (using spoons to prevent piercing the steak) and brown the other side. Then lower the rack and cook the meat about six inches below the flame eight minutes for rare, about ten minutes for medium and 15 minutes well done. Quickly transfer the hot steak to a heated platter. Spread other ingredients on top of the steak and serve immediately.

STRAWBERRY PINEAPPLE CHIFF

1 cup berries
1 cup cubed pineapple
1-4 cup granulated sugar
1 teaspoon lemon juice

Wash and hull berries. Add berries to other ingredients and chill. If desired pour the mixture into a tray in a mechanical refrigerator and chill until slightly frozen. Serve in glass dishes.

OLD-FASHIONED DEVIL'S FOOD

Menu for Dinner (serving 4)
Broiled Lamb Chops
Parisian Carrots
Creamed Potatoes
Bread
Apricot Jam
Mashed Squash
Celery
Cress
Old Fashioned Devil's Food Cake
Chocolate Frosting
Coffee

PARISIAN CARROTS

24 carrot balls
2 quarts water
1 teaspoon salt
1 teaspoon granulated sugar
2 tablespoons finely chopped parsley
4 tablespoons butter
1-4 teaspoon paprika
Cut out balls with a French vegetable cutter, from scraped fresh carrots. Add to the water when boiling, pour in the salt and sugar. Cook until tender—about 15 minutes. Drain well and mix in other ingredients. Simmer a minute and serve immediately.

OLD FASHIONED DEVIL'S FOOD

3 squares chocolate
1-3 cup granulated sugar
2-3 cup water
Mix ingredients. Cook slowly and stir constantly until thick and creamy. Cool and add to the cake mixture.

Cake Mixture

1-2 cup fat
1-4 cup granulated sugar
3 eggs, beaten
1-2 cup sour milk or buttermilk
1 teaspoon vanilla
2 cups flour
1 teaspoon soda
1 teaspoon baking powder
1-4 teaspoon salt
Cream the fat and sugar. Add the eggs and beat two minutes. Mix in other ingredients and beat well. Pour into two layer-cake pans lined with waxed paper and bake 25 minutes in a moderate oven. Cool and frost with chocolate or white icing.

A TOP-NOTCHER SAUCE

Dinner for 5
Salad Royal
Toasted Crackers
Hamburg Steak
Buttered Carrots and Turnips
Browned Potatoes
Bread
Currant Jelly
Chill Sauce
Vanilla Ice Cream
Chocolate Mini Sauce
Coffee

SALAD ROYAL

2 avocados
1 cup cubed oranges
1 cup cubed grapefruit
1 tablespoon lemon juice
1-4 cup French dressing
1 cup cress
Cut avocados in halves, remove seeds and rinds and cut into thin strips. Mix in a little of the dressing and chill. Chill the mixed oranges and grapefruit. Drain avocado strips and lay on the other fruits placed on cress in a salad bowl. Add lemon juice to dressing.

HAMBURG STEAK

1 pound chopped beef
1-4 pound chopped veal
2 tablespoons minced onions
2 tablespoons minced parsley
1-3 teaspoon salt
1-4 teaspoon paprika
1-4 teaspoon celery seed
1 egg or 2 yolks
2 tablespoons butter, melted
Mix ingredients until blended. Pat down into a well greased pie pan. Broil five minutes, carefully turn out, uncooked side up onto another pie pan of the same size. Broil until well browned—about five minutes. Transfer to a heated platter and garnish with parsley.

CHOCOLATE MINCE SAUCE

3 squares chocolate
2-3 cup granulated sugar
1-8 teaspoon salt
2-3 cup water
2 tablespoons butter
1-2 teaspoon vanilla
1-2 teaspoon peppermint extract
Mix chocolate, sugar, salt and water. Cook slowly and stir constantly until creamy and slightly thick. Beat a minute and add the other ingredients. Reheat.

AMERICAN LINERS TO RETURN FOR MORE REFUGEES

WASHINGTON, June 27. (AP)—The liners Washington and Manhattan are to be sent back to Europe to return Americans to the United States from the war zone.

Secretary Hull announced today that the Washington will sail Friday from New York for Galway, Ireland, to pick up an expected 2,000 Americans.

The Manhattan, the secretary of state added, will leave within a few days for Portugal, where some 1,200 Americans, including many now in Spain, will embark.

HELP KIDNEYS PASS 3 PINTS A DAY

Doctors say your kidneys contain 15 million of tiny tubes of filices which help to purify the blood and keep you healthy. Kidneys remove excess acids and poisonous waste from your blood. They help most people pass about 3 pints a day.

Many disorders of kidney function permit poisonous matter to remain in your blood, it may cause legging lameness, rheumatic pains, eye pain, loss of eye and energy, getting up at night, swelling, puffiness under the eye, headache and dizziness. Frequent or scanty passages with burning and itching sensations show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Filix, used successfully by millions for over 50 years. This powerful kidney and bladder medicine will help the 15 million of kidney tubes that out-poise waste from your blood. Get Doan's Filix.

New Grubstake— Gold Prospectors Now Hunt Metals Valuable In War

AF Feature Service

SAN FRANCISCO—Ever dream about finding a lot of money? Well, there's lots of it waiting for you—\$100,000,000 that congress has appropriated to buy essential war minerals.

It's not gold, now. Prospectors these days are looking for such hunched metals as manganese,

Charles Dorsey and Friend

tungsten, chromium, tin. For, despite Uncle Sam's natural wealth, the Geological Survey lists more than two dozen minerals in which he is deficient.

The major activity is by mining companies, but the romantic figure is the lone prospector, who starts on a shoestring.

Typical of these old timers is

Charles Dorsey, who has made and lost two substantial stakes in gold mining.

"The west is the only place for the small prospector," said Dorsey, here to outfit before returning to Battle Mountain, Nev. "Practically all the land in the east is privately owned. Out here there's plenty of government domain and it belongs to anybody who'll stake a claim.

"Of course, the going is tough. That's why it's still public domain. But there's rich mineral there, and a lot of it is just what the government's needing."

Blind Student And Dog Guide Both Honored

DELAND, Fla. (UP)—The degree of C.P., signifying Canine Fidelity, was bestowed on Katie, a "seeing eye" dog, at Stetson university's commencement exercises.

The dog, leading her blind master, Robert Barnett of Jacksonville, marched across the rostrum formally attired in regulation cap and gown complete with academic tassel to receive her degree from W. B. Allen, president of Stetson. Barnett received a degree of Bachelor of Arts.

Katie, who came to Stetson with Barnett in 1938, regularly attended classes, chapel lectures and concerts. Among her other accomplishments was her formal induction into Mystic Krewe, men's leadership organization on the campus.

Barnett, who termed blindness "no handicap with a dog like Katie," served this year as editor of the school newspaper.

Women In Men's Jobs Win British Recognition

LONDON (UP)—The long contested claim of women that if they do men's jobs they should have men's pay, has won its first victory, although it applies to the war period only.

The industrial court has made a ruling that women employed in place of men as bus conductors on municipally owned vehicles shall receive for the first six months not less than 90 per cent of the adult male conductor's commencing rate, and thereafter the full scale.

Glamour Girl Wanted To Collect Small Fines

ROCKFORD, Ill. (UP)—To solve feelings of motorists hailed into the Rockford "cafeteria" traffic court, a city council committee recommended that a "good-looking girl with an attractive personality and beautiful smile" be hired to collect \$1 parking fees.

The committee said that the present one-man court force is over-worked, and, since no funds are available to pay the salary of an additional worker, suggested that national youth administration assistance be requested.

The pre-requisites of "personality plus" and the "smile beautiful" were added by the committee, they said, to make certain that the girl hired could deal quickly and efficiently with the unhappy and disgruntled motorists when they pay.

GOOD THINGS TO EAT

My Favorite Recipe—

Gingerbread, Sherbet Listed As Favorites By Local Housewives

Gingerbread, a favorite with most men, is a summertime favorite when it comes to desserts. Mrs. D. W. Webber, 419 E. Park, has offered her recipe for gingerbread that she says she calls "never fail" gingerbread. It is a favorite in her house and as an easy to fix formula.

Ingredients:
1-2 cup of melted shortening
1-2 cup of sugar
1-2 cup of dark molasses
2 cups of flour
1 teaspoon of cinnamon
1 teaspoon of nutmeg
2 teaspoons of ginger
1 teaspoon of all spice
1 teaspoon of soda
Method: Mix sugar and shorten-

ing and molasses together. Then mix all dry ingredients together. Combine the two mixtures. Pour 1 cup of hot water over the ingredients.

Place in shallow greased and floured pan and bake 40 minutes at 350 degrees. This will serve about ten people.

The gingerbread can be served with whipped cream, can be iced or served plain.

If serving with whipped cream, add a teaspoon of nutmeg and a teaspoon of vanilla to the cream.

Mrs. Webber uses an 8 by 10 pan for the gingerbread.

Three Sister Sherbet

Ingredients:
3 cups of sugar
3 cups of water
3 lemons
3 oranges
3 cups of cream or top milk
3 mashed bananas

Take 3 cups of sugar and 3 cups of water and boil until it makes a thin syrup. Then add the juice of 3 lemons and the juice of 3 oranges to the syrup after it has cooled. Put in the freezer and freeze until mushy.

Then add 3 cups of cream or top milk, 3 mashed bananas and freeze until firm. These proportions will make about 3 quarts.

This recipe, suggested by Mrs. Bernard Lamun, 207 E. 19th, is one which she says the family all likes. "It is rich but refreshing and one that my mother made 25 years ago. We like it better than any other ice."

Gasoline Demand Good In U.S.

TULSA, Okla., June 27 (AP)—Whatever the situation in the foreign market, demand for gasoline apparently was good at home.

Gasoline production in the United States during the week set another record, totalling 12,085,000 barrels, the American Petroleum Institute reported.

Marketmen reported heavy sales of gasoline, kerosene and other products and attributed to a desire of purchasers to obtain supplies before the present tax is increased. Another factor was the July 4 holiday, when motoring millions take to the road. Some railroads reported some congestion at terminal points due to the heavy movement.

With the exception of the Gulf area, the crude situation appeared about unchanged. Texas moved to slow down production as Gulf storage was being filled by crude which failed to find an export market. Louisiana considered the situation, but in the end did not slash production.

The Texas railroad commission declared two production holidays this month and five for next month in an effort to trim production almost 200,000 barrels daily to 1,300,000 barrels daily.

"FOUR-SIXES" COWBOYS WILL ATTEND REUNION AT STAMFORD—Cowboys of the famous 6666 ranch of Guthrie are shown around their chuck wagon in the above picture made at the ranch recently. The boys from the "Four Sixes", headed by their foreman, George Humphreys, will attend the Texas Cowboy Reunion at Stamford July 2, 3 and 4, taking the chuck wagon along as they do every summer. Ten or more chuck wagons from various ranches are expected at the Reunion.

Telephone Company Maps Service Safeguards As A Defense Policy

Pledging utmost co-operation in carrying out the national defense program, the Southwestern Bell Telephone company announced today that it was taking steps to protect telephone service from interruptions and to maintain the privacy of telephone conversations. The announcement came as a letter to Southwestern Bell men and women from A. C. Stannard, president of the company in St. Louis.

"It is quite apparent to all of us," Stannard told telephone people, "that events across the sea have forced upon the United States a situation which gravely concerns the government at Washington and which is real and personal to each of us. This has convinced us that immediately we all must take those steps which will organize the defenses of this nation. It is our intention to cooperate to the utmost in carrying out that national defense program."

"As telephone men and women," Stannard continued, "we realize perhaps more fully than others the vital importance to the nation of adequate, fast, continuous telephone service. And as speed in national preparedness increases, the necessity of maintaining telephone service unimpaird becomes even more imperative.

"Bell System men and women have met the emergencies of fire and flood and storm with unexampled devotion to duty. And we are certain that in a time that calls for the patriotism of every American, these men and women will meet all demands upon their resourcefulness and skill with the same matchless spirit.

"To assure protection of the more vital parts of our telephone plant against interruption of service or invasion of privacy, certain steps are being taken. To restrict admission to some of our buildings and to guard them more effectively are among the first things to be done.

"The swift accomplishment of these and other necessary measures will be in the hands of a committee of general department heads, with General Plant Manager J. L. Crump as chairman and co-ordinator under the direct supervision of First Vice President W. L. Holley.

"Some of these measures may cause minor personal inconvenience to telephone people. But all of us will recognize that they are the things we as individuals want done to protect the communications system we operate.

"We all can move to meet this responsibility with full confidence in the loyalty and cooperation of every telephone man and woman."

Smoke Screen Worked

LONDON (AP)—Hailed by a sentry when forced down in German territory, Pilot Officer Alexander Macleod, 34, pretended not to hear, and sat on a riverbank to smoke a cigar. The sentries let him reach the British lines.

Pay For Population

OROVILLE, Calif. (AP)—This town wants its entire population counted in the census, and make no mistake about it. The city council has offered \$1 for each name of an uncounted person.

High Altitude Equipment Is Being Perfected

PASADENA, Calif., June 27 (AP)—The "forgotten man" of aviation is getting a break.

While factories pushed into production planes able to soar higher and higher, no one bothered much out enabling pilots to safely go there with them.

But today, two physicians told the Institute of Aeronautical Sciences that equipping the human machine for high altitudes is running ahead of equipping the flying machine for the same thing.

Dr. Walter M. Boothby and W. Randolph Lovelace II described to institute experiments made in Army Capt. Otis O. Benson, and demonstrated an oxygen breathing device and a machine in which an individual may himself regulate the atmospheric pressure.

High altitudes and study his own cylinders of this type, capacity of housing up to 20 men, are used in Los Angeles, Dayton, O., Seattle. But the machine in the theater, Minn., merely demonstrated will accommodate only one individual.

In the speeding of pilot training, Dr. Boothby said, "It is of most importance that requirements of the individual not be overlooked. In small cabinets, each tent can regulate his oxygen supply to his own needs, can dispense by experimental manipulation of pressure valves how rapidly he can safely ascend or descend."

Thus, by the time he enters a plane for his first high-altitude flight, he knows how to take care of himself."

Raised The Roof

LANE, Mo. (AP)—Max Hilton led to use dynamite to lower water level of a small pool on place. Ten sticks lowered the all right but raised the roof of garage. He's still picking up pieces.

Editorial

Mr. Citizen can face the realities, now that the new tax bill has been signed into law, and get ready to chip in to Uncle Sam at almost double the former amount, to help buy airplanes and other defense equipment.

Mr. Citizen Pays

Mr. Citizen drives about 10,000 miles a year, using 500 gallons of gasoline. The government used to take 1 cent a gallon, or \$5. Now it wants 1 1/2 cents a gallon, or \$7.50.

High Tide

Chapter 32
GOODBYE TO SEA TIDE
Johnny ran a nervous hand over his sleek hair. "Oh, well! make up at least, Rose and me. I guess we're two of a kind, and she'll be a big help to me when I get my own band and my own club, if I ever do. But what worries me is she don't get all my money and she don't make an awful lot at the Club and already she's stewing around about clothes. Honest, Jan, I'm afraid I'll never make enough money to keep her satisfied."

leasly, selfishly, she again sought to awaken a flame of desire in Lance. "I'm just sick about the whole mess, Lance, and I don't know quite where to turn or what to do. I thought you might advise me."

By Frances Hanna
"Rose is calling for us in the morning. She offered to drive us to the railroad station in town. Her car is comfortable and I'll save the mother of Frank going train to carry me from the interurban into a taxi and then on to get to fix me up! I don't want to go on living if I can't walk!"

How To Torture Your Wife

THEY'RE THE BEST LIGHTWEIGHT ENGLISH WADERS MADE. YOU'LL NOTICE THE FEET ARE REINFORCED. THE BROGUES YOU WEAR OVER THEM HAVE SQUARE HEADED HOBS. YOU'LL FIND THEM MORE EFFICIENT IN WADING OVER SLIPPERY ROCKS. NEXT ANNIVERSARY, IF I CAN AFFORD IT, I'M GOING TO GET YOU THAT TWO QUINCE ROD.

Washington Daybook

WASHINGTON—On the surface, Washington doesn't look so different—but it is. The thousands and thousands of government clerks and bosses still swarm into the buildings in the morning and out at night. Paydays on the first and fifteenth still are the month's most important events. Shops are doing business as usual. Tourists—America's great summertime floating population—still are seen in droves in the capitol corridors, in Arlington cemetery, or taking snapshots through the iron spikes of the fence around the White House.

By Jack Stinnett

Members of the upper chamber have had to ask the guards to clear the balcony of exuberant constituents. Such goings-on are taboo in the galleries, no matter how much flag-waving there is on the floor.

By Jack Stinnett

He felt his defenses crumbling. She was lovely, exotic, exciting. The perfume from her hair intoxicated him; the nearness of her slim self incited him to dream of a future wherein he would again master space and have a beautiful woman for his wife.

By Frances Hanna

Doctor Murray's secretary called them at the small hotel near Central Park, where Ruth Cronin had directed them, and said the Doctor would see Mr. Merriner tomorrow morning at eleven.

Man About Manhattan

NEW YORK—Jaunty in the word for Joe Howard. Ever since Billy Rose rescued him from obscurity several seasons ago Joe has been the foxy grandpa of the Rialto. Joe who is Joe? Well, Joe wrote a song your grand daddy will remember well. It's name is "I Wonder Who's Kissing Her Now?" Joe is now living with his eighth wife. His income is fat, and his future is secure. In white tie and cape he sprouts before the footlights every evening and leads audiences in impromptu choruses of "I Wonder Who's Kissing Her Now?" This song, a fine old beerhall lament, was composed decades ago. But it is having its most lucrative year in 1940.

By George Tucker

dress she wanted her old boss came in, rushed up and congratulated her. "I'm so proud of you," he cried. "I will not let you pay for the dress! Carol's eyes still danced as she told about it, and displayed the new dress.

By George Tucker

More than 20 plays on Broadway this year failed to last six weeks, and many of them barely got past the opening night. Twelve weeks is considered a successful run; anything less hardly gives the backers a chance to cover their investments.

By Robbin Coons

his former self, but that's due to rigid diet, not to ducking tempestuously hurled missiles. Cukor's next job is "Philadelphia Story." And that means his next problem is Katharine Hepburn, who used the stage play to confound her movie critics and charm even that small section of Broadway which had seen her earlier stage debacle in "The Lake." Miss Hepburn came along with the play and was tossed with it in the direction of Cukor. I gather that he reached out for the assignment. Miss Hepburn is an old story, and an old friend, and no problem at all to Cukor.

Hollywood Sights And Sounds

HOLLYWOOD—George Cukor, the movie woman-tamer, is looking for an interesting, peaceful time with the problem lady of them all who really, he says, isn't wild. Cukor came from the stage a decade or so ago with a reputation for knowing how to direct women. Women alone, and women in job lots, were all the same to him. In recent months he has more than justified his name, for he has come unscathed through the temperamental pot-pourri that made up the cast of "The Women," and he has piloted Joan Crawford and a predominantly female cast through "Susan and God" without injury to any and with much benefit to all, including himself. True, he's now but a shadow of

Moore Plans Celebration On July 4th

MOORE June 27.—Plans are going forward for the July Fourth celebration of this community which will be held on the school campus. Arrangements for baseball games in both the morning and afternoon have been completed. Other attractions of the day will be croquet, volley ball, tennis, pingpong, horse shoe pitching, and bicycle races. Smaller boys will give an exhibition of stick horse wick riding, while young girls will present a doll show. First place ribbons will be awarded the winners in the various events. Cold drinks and ice cream will be for sale. Everyone is urged to come and bring his friends and basket dinner and enjoy the Fourth.

The candidates rally which was held at Moore last Wednesday night proved to be a very enjoyable affair for everyone. Candidates were on hand early to greet the voters as they arrived. A good representation of the community was present for the affair. Thirty-two dollars and fifty cents was realized from the various sales. Thirty one dollars and fifty cents of this amount was used to complete payment on the storm cellar which has recently been erected on the school campus.

Mr. and Mrs. Dale Stroupe and children Janette, Dale Royce, James Floyd, and Rowland were returned to their home in Wichita Falls after visiting friends and relatives here for the past two weeks.

Mr. Horace Hayworth of Los Angeles, California, and Miss Dorothy Fay Hayworth of Big Spring were

Padlocked Roadhouse Is Opened For A Revival

ANNHURSTON, Ala. (UP)—Sounds of tinkling glasses, rattling stools and raucous laughter have given way to prayers and stinging in the old Bonnie Castle roadhouse on the Pelham road near Fort McClellan.

The roadhouse, originally arranged for a cafe and dance hall, was padlocked several months ago as a nuisance.

Recently owners of the property gave consent for its use as a place of worship. The padlock was removed, the place cleaned, and Sunday school and preaching are held there regularly.

The Rev. Ralph Howe, of the Baptist Tabernacle, who has been conducting daily revival services in the roadhouse-tabernacle, said "converting a roadhouse and dance hall into a place of worship is stealing a march on the devil."

New Plane Engine Offered By Texan For U. S. Defense

HOUSTON (UP)—Charles A. Toce, Houston mechanical engineer, has offered the United States government a new aircraft engine which he asserts develops twice the horsepower on the same displacement, with less weight than the conventional four-cycle engine.

Toce wired Sen. Morris Sheppard, chairman of the senate military affairs committee, that he was prepared to produce within 60 days three engines of 300 horsepower each for government tests. Senator Sheppard replied he would bring the engine to the attention of authorities.

Toce said, "The engine is the result of nine years of development and now has reached the point of perfection." Designed by Toce and his brother, Victor, the engine may be produced at half the cost of others and in mass quantities, he said.

REDUCTION IN SCHOOL TAX RATE IS SEEN

AUSTIN, June 27 (UP)—A reduction in the state ad valorem tax rate for school support is possible, tax experts said here today.

The rate, now at the constitutional maximum of 35 cents on the \$100 valuation, will be set by the automatic tax board, composed of the governor, the comptroller and the treasurer, about July 30.

The excellent condition of the school fund would be the reason for a cut. A hazard, however, is the revenue from the oil production and gasoline taxes.

If oil production and gasoline consumption declined sharply, an

ad valorem tax reduction might not be feasible.

Comptroller's attaches estimated that by the end of this fiscal year all of a deficit of \$4 and \$21 on the current scholastic apportionment of \$22 would have been paid. A \$1 deficit would be carried over into the next year.

Tax Called, Firemen Respond
WATERTOWN, Wis. (UP)—Firemen, eager to demonstrate their worth, made extra haste to answer an alarm during fire prevention week. But it was only someone who wanted a taxi. The fire department telephone number is 14; the taxi company answers to 41.

Movie Of Copper Kings To Be Made In Butte

BUTTE, Mont. (UP)—Butte is anticipating a visit from movie crews as the result of an announcement that "The War of the Copper Kings," based on the history of the development of "the richest hill on earth," will be filmed.

Warner Brothers studio has selected George Brent and Olivia DeHavilland to play the leading roles, according to word received here.

Sunday dinner guests of his sister, Mrs. M. L. Rowland and family. Mr. and Mrs. H. Thomas and family who have been living on the Davidson farm moved to Big Spring last week, and Mr. and Mrs. Robert Posey and family have moved in.

This community received on Sunday night the best rain it has had this spring. Tanks and ground cisterns are full, and a good season is reported. A destructive sandstorm preceded the rain. Hundreds of acres of young cotton was lost, and farmers in this locality are very busy replanting.

Mr. and Mrs. Dick King and children Lou Ann, George, Jerry, and Tom Norman returned last Tuesday from Hot Springs, New Mexico, where they have been for the past three weeks for Mr. King's health.

Mr. and Mrs. Dale Stroupe and children Dale Royce, Janette, Rowland, and James Floyd of Wichita Falls, Mrs. Doyle Turney of Big Spring, Mrs. J. B. Daniels and children Helena May, Wanda Jo, Sheran Jane, and Murphy Lee, Mrs. C. E. Turney, Mrs. F. M. Stevenson, and Misses Eva May Turney, and Juanita Stevenson gave Mrs. Bill Barber a surprise birthday party in the M. L. Rowland home Tuesday afternoon.

O. A. Goodman, Jr., underwent a major operation Saturday morning at the Big Spring hospital. His condition is reported to be improved.

The quilting circle met Tuesday in the gymnasium with 22 persons present. Those present were: Mrs. J. M. Thomas, Mrs. Ordie Walker, Mrs. Perahing Morton, Mrs. Jack Daniels, Mrs. J. W. Phillips, Misses Anna Smith, Arah Phillips, Dorothy Lee Broughton, and Norma Lee Adkins, Mrs. L. Z. Shaffer, Mrs. Dave Baulch, Mrs. B. M. Newton, Mrs. W. H. Ward, Mrs. J. B. Merrick, Mrs. Lester Newton, Mrs. E. M. Newton, Mrs. Jap Newton of Clayton, New Mexico, Mrs. Jerome Lusk, Mrs. D. W. Adkins, Mrs. D. W. Hayworth, Mrs. G. C. Broughton and Mrs. M. L. Rowland.

Next week's hostesses will be Mrs. J. Lusk, Mrs. E. M. Newton, Mrs. P. Morton, and Mrs. W. H. Ward.

Joe Robert, David, and Mickey Baulch of Sweetwater are spending several weeks with their grandparents, Mr. and Mrs. D. Baulch.

Lawrence Adkins left Sunday for Hereford where he will work in the harvest until fall when he will complete his senior year at West Texas State Teachers College at Canyon. Lawrence has been visiting his mother, Mrs. D. W. Adkins for the past two weeks.

Mr. and Mrs. M. L. Rowland and their son, Riley Rowland and family of Levelland returned Friday afternoon from a week's trip that carried them to points in Oklahoma and to Marshall. Mr. and Mrs. Riley Rowland and daughter returned to their home on Saturday.

Fatal injuries to workers in the oil industry are now at the rate of only one in 2,078 work years.

The assessed taxable value of Texas petroleum properties is now more than one and one-fourth billion dollars, including taxable holdings in every county of the state.

DISTINCTIVE DOUBLES

GREEN-EYED WITH ENVY

BE the most envied housewife in your neighborhood... serve either ICED ADMIRATION COFFEE or TEA with your summertime meals... either one will add that "refreshing" touch, and draw compliments from your family and friends alike. Yes, and we'll bet your neighbors too, will want to know how you manage to ALWAYS have such delicious iced coffee and tea.

Try a glass between meals... it's the refreshing thing to do

ADMIRATION COFFEE is chock-full of rich true-coffee flavor... never bitter or stale... always the same delicious blend. Available in three distinct grades to accommodate every type coffee-maker.

FOR BEST RESULTS in making either iced coffee or iced tea, be sure that you... (1) Make iced double-strength. (2) Pour beverage over ice... do not add ice to beverage.

ICED ADMIRATION COFFEE AND TEA

Horse Show Is Added Feature At Stamford

STAMFORD, June 27.—An entirely new feature of the Texas Cowboy Reunion this year will be a horse show, exhibiting quarter horses, the favorite ranch type of animal, in one division and gaited horses, the fancy riding and driving type, in the other division. Prizes totalling \$1,400 are offered in the show, divided among ten classes.

The exhibit of quarter horses will be the first official show of the recently organized American Quarter Horse association. While the show will be under direction of the association, it is open to all quarter horses, with no limitation as to geography, membership in the association or registration. Prizes totalling \$1,000 will be awarded in four classes: stallions, mares, geldings, and yearlings and colts.

One class will be judged at each rodeo performance on July 2 and 3 and the grand champion will be determined at the afternoon rodeo July 4. This division will be judged by Jim Minnick of Crowell, W. H. Warren, Hookley, Texas, president of the American Quarter Horse association, and Robert M. Denhardt, College Station, secretary, are co-operating with W. G. Swenson, president of the Texas Cowboy Reunion, Inc., in preparations for the show.

Six classes of gaited horses will be judged, one class being exhibited at each of the afternoon and night rodeo performances. Prizes will total \$400. Six classes are to be selected out of the following seven, depending on the number of entries for each class: five-gaited, junior gaited, three-gaited, amateur gaited, fine harness, 3-year-old gaited, and plantation. Judge has not been announced.

Two new barns have just been completed on the Reunion grounds to house the animals to be exhibited in the horse show.

FIRE WHEN READY—Balancing pool precariously on his knee and taking careful aim, Private Lonnie B. Flowers of the Eighth Engineers corps at Fort McIntosh, Texas, meets a real emergency during army war maneuvers in the South. At the present rate he'll soon have the enemy hemmed in on all sides.

MONAHANS MAN GIVES NEW GUN PLANS TO U. S. GOV'T.

MONAHANS, June 27 (AP)—The World War armistice shelved O. A. Bruton's plans for an electrical device he says can throw a 1,000-pound shell 700 miles.

But war in Europe brought them out again, and after more than a year's work, he has presented the specifications to the war department as a gift.

Bruton, 47-year-old jeweler, says there is no comparison between his device and any other.

"There never has been a machine of that type that does not use some kind of explosive," he explained.

"The only explosive in my equipment is a shell. The gun itself is strictly electrical and when fired does not have any vibration and will make no noise that would come from starting a 500-horsepower motor."

Bruton worked out the plans with an architect and draftsman. He estimates the device will cost about the same as an ordinary gun of its caliber—it can be made any size from 18 inches bore up—and the shell would cost from \$2,500 to \$3,000.

He described it this way: "The machine resembles an ordi-

Use Of Railroad Facilities For Defense Planned

OMAHA, Neb., June 27. (AP)—A telegraph operator in a railroad station scans the skies.

He sees one airplane, perhaps more.

He bends over his telegraph instrument, flashes his central headquarters, then sends a message telling the time he first noticed the aircraft, the direction of flight, the number, type, and whether they were seen or only heard.

That's the part the railroad telegrapher may play in the nation's new defense picture, as explained today by U. S. army seventh corps area officials after conducting an experiment in cooperation with the Union Pacific railroad.

While army fliers from Fort Riley, Kan., piloted three planes from Cheyenne, Wyo., to Omaha, 48 stations along the 492 miles of road-bed took part in the trials.

Minimum time of reporting from the time an operator said "flash" until he completed his message was seven seconds. The maximum was 20 seconds. All but two stations reported.

Officers at the headquarters plotting station were able to chart the approximate course and speed of the flight, predict the time the planes should arrive at other points on their course.

Major General P. P. Bishop of the seventh corps area declared he was pleased with the results, adding "information obtained as a result is most important to our headquarters."

Approximately 30,000 Texans are employed by Texas oil refiners. The annual payroll for these refinery plant and office workers is approximately 50 million dollars a year.

STATE'S BUILDING DOWN FROM 1939

AUSTIN, June 27 (AP)—The University of Texas bureau of business research reported today building activity in Texas during May moved ahead of April but slackened slightly from May, 1939.

Permits issued in 38 Texas cities totaled \$7,408,382, up 2.2 per cent over April but 1.5 per cent under the figure for May a year ago.

STOCK MOVEMENTS LIGHTER THIS YEAR

AUSTIN, June 27 (AP)—Livestock movements from Texas ranches to Fort Worth stockyards and other states are lighter this year than last, University of Texas business statisticians reported today.

Shipments for May showed a 2.1 per cent decline from that month in 1939 with calves and sheep showing the only gains—7.7 and 38.3 per cent, respectively.

Cattle shipments dropped 13.6 per cent to only 4,630 cars and hogs decreased 8.6 per cent to 824 cars. Shipments of all classes totaled 8,652 cars.

For the first five months of the year, shipments totaled 34,197 cars as compared with 43,101 during the same period last year.
