BEAT THE HEAT PROBLEM

Let Reddy beat the heat problem this summer with electric air conditioning . . . and while you're at it do the job completely . . . put in modern electric heating and you'll beat the heating problem in the wintertime. It's wise to do both comfort jobs while

the installers are at your home. Makes sense that they can do both jobs electric cooling and heating - in one trip. There'll be some money saving, too! The Electric Company manager can help you beat the heat problem at your home . . . call him this week!

ELECTRICITY ... IT DOES SO MUCH GOOD FOR SO MANY PEOPLE!
