THURSDAY, APRIL 2, 1961

reduction of teachers required Moss - Gordon Co., Lubbock)

To describe cotton's role in machinery is most difficult without resorting to statistics. Suffice it to say that it would require one and one half billion dollars to replace the harvesting and ginning equipment used to handle the 1962 crop in the United States and this does not include the vehicles to transport the cot-Department subdued the blaze ton from the field to the gin. Tom stated that he had in short order when they ar- If an inventory were taken of the machinery involved in town after groceries not more Tom stated that his loss in preparing the seed, planting than fifteen minutes before tools and other items stored the seed, cultivating the (airplanes, etc.), harvesting, hauling, ginning, textile manufacturing, fabric finishing and all other allied functions; the dollars involved would look like the Federal budget. As the circus ringmaster would say: "That is only the beginning!"

Many machinery manufacturers are devoted to the exclusive building of machinery to handle cotton. The investment in machine tools for this manufacture would match land of Meadow, and a grand. The Ropes HD Club met on the above figures. So in total, billion dollar machinery inlion dollars is-it is one dollar followed by nine zeros.)

Figures are often given for weekend enjoying Easter with M. Marcy, Joe Harris, Jimmy ployed by the cotton industry. Sims, C. B. Ward, Mansfield It is doubted that these fig-Thomas, Genell Ward, Huey ures include machinery sales Darby, Ronnie Jones, and a and manufacture, because this would have to include the steel industry as well. Therefore, the cotton machinery industry provides jobs that, without cotton, would cause a tremendous unemployment problem. When you look at a field of cotton, think kind thoughts; for there is the bread and butter of a tremendous machinery industry. (Mrs. E. B. McKee turned in this timely article): By Aubrey L. Lockett President, National Cotton Council exchange, and the leading Turn to Page 2

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: All persons interested in, claiming, or asserting an interest in the property described in Plaintiff's Original Petition in this cause, Defendants, Greeting:

You and each of you are hereby commanded to be and appear before the 121st District Court of Hockley County, Texas at the courthou.e of said county in the City of Levelland by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of 42 days from the date of issuance hereof; that is to say, on or before 10 o'clock a.m. on Monday, the 4th day of May, 1964, to Plaintiff's Original Petition filed in said Court on the 18th day of March, 1964, in this cause numbered 4953 on the docket of said Court and styled the State of Texas v. Anton Producers Co-op Gins, Et Al, wherein the State of Texas is Plaintiff and all persons interested in, claiming, or asserting an interest in the property described in Plaintiff's Original Petition in this cause, and Anton Producers Co-op Gins; Citizens Co op Gins; Farmers Cooperative Association of Whitharral are Defendants. A brief statement of the nature of this suit is as follows: A suit to escheat the personal property described in said petition to the State of Texas under Articles 3272 and 3272a, Title 53, Revised Civil Statutes of Texas, said property being described as follows: \$335.34 in cash representing undelivered dividend checks held by Anton Producers Co-op Gins; \$11.00 in cash held by Citizens Coop Gins; \$2,736.91 in cash representing checks for cash dividends, stock dividends and stock retirement held by Farmers Cooperative Association of Whitharral.

For the purpose of more fully describing said property and the respective interests therein of the last known owners, reference is made in said petition to the sworn report of said property made by the Defendant(s), herein listed above, as holder(s) thereof, to the Treasurer of Texas, which report is annexed to and made a part of said petition. Said property is alleged to have been reported to the State Treasurer by the holder Bluhm, S H 1.36 al property subject to es- Bryant, J A 1.00 cheat, to have been advertised, to have remained unclaimed for 120 days, and more, from the date said report was received by said Treasurer, and to have been so certified by said Treasurer to the Attorney General of Texas, all in compliance with Articles 3272 and 3272a, R.C.S. The prayer in said petition is "that citation be issued to all Defendants in accordance with Article 3272a, R.C.S., and that upon trial hereof, the property described herein be declared to be abandoned, escheated to, and the title thereto vested in, the State of Texas; that said Defendant who is the holder of said property be directed by the Court to deliver said property Immediately to the Treasurer of the State of Texas; and Plaintiff further prays for such other and further relief, special and general, in law or in equity, to which it may be justly entitled." The persons last known to have claimed said property (and who are, therefore, made Defendants in said suit), and their respective interests therein, in dollars and cents, are as follows: ANTON PRODUCERS COOP GINS Bantos, Santas 8.84 Baugh, D.
