# THE ROPES PLAINSMAN 

ationships with our familie and that we should first b
doing God's work in our fam world trying to do the same. I think I Timothy has very good point for us today After all, there can never be not stemming from a Christ an home. But many do no see it that way. They think to send their children to the church for their religious
training. This is pure fool shness church schoo teacher has children and adults maybe an hour or two worship services. Just compare these four hours to the gether, then we understand even more I Timothy's point. The torahing of people children and adults-to striv after goduness must take Our churches can hold up the right goals and aims and but the home must be the place where godliness, religi-
on, is practiced. Mother and ather and children and relatives must themselves be
striving after right relaitionhips one with the other Mother and father and children and relatives must themelves be seeking to do the work of the Lor
ONE ANOTHER.
$\qquad$ ay of some person who has n't understand. He always cases it is easy to understand church but heor she was no taught godliness in the hom Too often the church turn into a scapegoat for the fam ily who has not striven for
godliness. It becomes the the people go bad. The Christ lan falth strives after godlless. And this quest for godiness begins in the home and carries through into the sought after in the is not how can it be sought after it the church?

National Guard．You have to be．．．special！That＇s because today＇s Guard is meeting the toughest challenge in its 300 －year history
In his spare time he studies and trains so that he is ready should the nation＇s security be threat－ ened．When you see him on the street，in church， at a PTA meeting，you only see a neighbor，or friend or employee．Look again，and you see the face of a man who has voluntarily taken on a tough，demanding assignment．Military skills mean very little unless they are kept up－to－date and that＇s where the challenge of the National Guard comes into the picture．
Make no mistake．He＇s meeting the challenge when he＇s in the Guard．Get behind the Guard in your town or city
