During our first meeting, October 15, we elected our class officers:

President Patricia Moore
V. Pres. David Pinkert
Secretary Freda Pointer

Our class king and queen are Bobby Witherspoon and Sandra Jeffcoat.

On the matter of our king and queen's treasury we are having a rummage sale at 10:00 AM Saturday, November 1, near the Jones store. This will be held to raise money for the king and queen.

Freda Pointer and Lauran Whatley.

6th GRADE NEWS

We have decorated our room for Halloween. We are going to have our party next week on Thursday night.

COLD SUFFERERS

Get STANBACK, tablets or powders, for relief of COLD DISCOMFORTS. The STANBACK prescription type formula is a combination of pain relieving ingredients that work together for FASTER RELIEF OF HEADACHE, NEURALGIA and ACHING MUSCLES due to colds. STANBACK also REDUCES FEVER. SNAP BACK with STANBACK.

Shrinks Hemorrhoids Without Surgery

Science finds healing substance that relieves pain—Shrinks Hemorrhoids. For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne*)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparator H.* At all drug counters—money back guarantee. *©

Business and Professional Review, Lubbock, Texas

FLASH-O-GAS, Inc.

Doyle Sewell, Mgr.

Through the services of Flash-O-Gas, Inc., located at 1606 Erskine in Lubbock, suburban life in this section has been made much more attractive. With their services there is no home that cannot enjoy a modern system of cooking and heating. They have both domestic and irrigation tanks.

They offer the Butane-Propane system, giving you a gas fuel which has been passed by the National Board of Fire underwriters, and can be secured as complete systems with ranges, heaters

and other gas appliances. Butane can be used for practically every purpose for which natural gas is employed and, in fact, is just like having a gas well in your back yard save for the fact that the installation of butane is extremely simple. It can be installed easily without fuss or dirt.

With butane you merely turn on the gas and light it, and you immediately have a flame intensely hot with perfect combustion and absolutely free from soot or

smoke. Stoves, heaters and other gas appliances adapted for this system may be secured in many attractive models. They are distributors for Ensign carburetors for butane conversion on any motor.

It affords us a distinct pleasure in making this Review to recommend Flash-O-Gas, Inc., and refer their butane and propane service to all of our readers. Phone PO 5-9305 and get on their regular customer list.

We are happy to recommend this prominent firm for all roofing and siding work.

Franklin-Mallet Funeral Home

Time and service have honored the name, Franklin-Mallet Funeral Home, located at 4302 34th Street in Lubbock. Phone SW 9-3666 for fast and dependable ambulance service.

See them for burial insurance. This insurance covers any one from one month to eighty-five years. They relieve you of all worry and responsibility, and by sympathetic cooperation bring comfort in the hour of distress. Their service supplies the consoling thought that the final tribute to your loved one has been beautiful and fitting.

They have in their employ

only those who have a natural fitness for this profession. When a funeral director must be called, may we suggest that you place this firm in charge. They will relieve you of all the many details that must be taken care of and at the same time see that everything is taken care of according to your desires. You will find their services are priced to fit your individual needs.

In this Review of Lubbock, we unhesitatingly refer our readers to this reliable firm and suggest you call them when in need of a funeral director.

Plains Seed & Delinting Co.

DELINTED COTTONSEED

One of the firms upon which the farmers of our community depends a great deal on is Plains Seed & Delinting Co., located on Erskine Ave. in Lubbock. This firm has been a friend to the farmers for many years and has made a host of friends throughout this entire area.

Plains Seed & Delinting Co. is rendering a service of benefit to the people in their trade area. They are dealers in "Stretch-R" cotton seed which germinates faster, stays robust and grows well on dry land.

Any information on proper

seeding may be had here, by inquiring from the management of this firm, all in keeping with policy to render every service possible to their customers.

It has been the aim of Plains Seed & Delinting Co. to offer reliable seeds at honest prices, and the fact they are located in the center of a prosperous trading area is a factor in aiding them to maintain high quality and at the same time save you money.

See this firm first for field seeds of all kinds, or call PO 5-2244 for information.

DR. A. HOPE OWEN WILL SPEAK AT BAPTIST CHURCH SUN.

Dr. A. Hope Owen, president of Wayland Baptist College, Plainview, Texas, will be guest speaker at the First Baptist Church, Ropesville, at 11 o'clock, on Oct. 26. Dr. Owen will bring the morning worship service address.

During the past five years since he became president, Wayland Baptist College has almost completed a Five Year Program of Progress. At the midwinter meeting of the Board of Trustees, they approved Dr. Owen's recommendation for a trustee-administration-faculty study leading toward the adoption of a Design for a Decade Program for the 1958-68 period.

Two residence halls for young women, Hattie Mays Ferguson and Bessie Fleming, Brotherhood Hall for young men, and the Van Howeling Memorial Library have been added to the plant since 1953. Wayland has purchased or constructed four brick duplexes for mar-

ried students, seven faculty residences, a modern bookstore and much new classroom area in these 5 years.

In keeping with the spiritual standards for which Wayland has long been known, the academic standards have been raised so that the college is now fully accredited for the granting of the B.A. and B.S. degrees by the Southern Association of Colleges and the Association of Texas Colleges.

ROPES CRUSHES WHITEFACE, 26 to 12

Ropesville's Eagles soared far and high here Friday night to topple the highly ranked Whiteface Antelopes 26-12.

In a major upset, Ropes recovered from the first five losses of the season and came from behind to whip the Antelopes.

Neil Allen gathered in the opening kickoff for the Antelopes and raced to pay dirt in one fell swoop, giving the visitors a 6-0 lead. However, in the second period Ernest Gonzales picked off a fumble and tied the score on a 95-yard gallop.

Gerald Ward, Ropes' left halfback, stood out like a sore thumb in the second half as he caught a pass for a 45-yard scoring play and then ran 40 yards for a third TD. Ward was last week's back of the week and was participating in only his third game of the year.

Stanley Elliot toted the pigskin on a 10-yard keeper play for the last Ropes' score and the last Antelope rally came with only three minutes left in the game. Again, it was Allen who carried the mail.

Congratulations To:

Mr. and Mrs. J. R. Fletcher, Rt. 1, on birth of a son weighing 8 pounds ½ ounce Friday morning in a Lubbock hospital. Mr. Fletcher is a bookkeeper.

Mr. and Mrs. Raymond Patterson on birth of a daughter weighing 7 pounds 11 ounces born Friday morning, also in a Lubbock hospital. Mr. Patterson is a coach and teacher in the Ropes school.
