A QUICK READ OF THE NEWS

### Golf-ball retriever freed

A man who was sentenced to six months in jail for retrieving lost balls from English golf-course lakes had his prison term overturned, but a judge told him to avoid further clandestine diving expeditions.

Police caught John Collinson, 36, early on an August day equipped with a rubber diving suit at Whetstone Golf Course in Leicester, central England.

He and colleague Terry Rostron, 24, had fished 1,158 balls from Lily Pond — the bane of hundreds of golfers playing the difficult par-3 fifth hole.

The severity of the sentence against Collinson, imposed in April, provoked a public outcry, made the father of two a celebrity on daytime television and prompted lawmakers, celebrities and the British media to campaign for his release. He was freed on bail May 3.

### Enron men lose shirts

They've already lost their shirts to the Enron Corp. Now they're doing the same for *Playgirl Magazine*.

Five former Enron employees went before the cameras for a daylong photo shoot for an issue of the magazine due in stores in October.

The issue will feature profiles of the men and their experiences with the former energy giant, which filed for bankruptcy in December.

In return for the men's willingness to show off what normally stays under wraps, *Playgirl* offered "more money than they made on their stock options," magazine editor Michele Zipp said.

*Playgirl's* original offer came April 1, a week after *Playboy Magazine* invited current and former female workers to pose for a "Women of Enron" issue.

## Public input to be sought on grant application

JOURNAL STAFF REPORT

The city of Muleshoe has scheduled a public hearing at 5:30 p.m. June 17 to allow citizens to discuss community-development issues.

The meeting will be in council chambers at city hall.

The city will be applying for a Texas Community Development Program grant, and officials will use the meeting to explain the amount of grant funding

available, the eligible activities for use of the grant money, and the ways past grant funds have been used.

City Manager David Brunson said Friday that one possible use for such a grant would be drilling more water wells for the city.

Council members met Monday to discuss their priorities for the city, and water wells topped the infrastructure list. Brunson told the council that the

city used about 2 million gallons during the hot day of June 2, adding that there was very little additional capacity available from current wells.

"The city encourages citizens to participate in the development of this application and to make their views known at this public hearing," Brunson said in a statement issued Friday.

More information is available by calling Brunson at 272-4528.

The son of Bobby and Debra Redwine, he was sponsored at Boys State by American Legion Post 206 of Friona.

Boys State was held on the campus of the University of Texas.

### Hargrove advances

Nurse practitioner Gail Hargrove (left) and hospital administrator Jim Bone share a joke Thursday as Cindy Purdy pins a corsage on Hargrove. The occasion was a surprise reception for Hargrove to inform her that she has been selected to represent Covenant Health Systems in the Values in Action competition. The awards are given nationally by St. Joseph Health System in four categories; Hargrove will compete for the Justice Award, given to a person who "attends to the needs of the vulnerable and in need."

## Dryland workshop draws world scientists to area

SPECIAL TO THE JOURNAL

CANYON — Even though reservations are required, Dr. B.A. Stewart never knows precisely how many participants to expect for the annual International Workshop on Sustainable Agroecosystems in Semiarid Regions of the United States.

The two-week workshop—including a tour of the Great Plains, from Temple, Texas, to Sterling, Colo. — is set for June

14-29 and is among the principal undertakings of West Texas A&M University's Dryland Agriculture Institute.

The event typically lures scientists and agricultural facilitators from throughout the world, especially from developing countries in the Third World.

However, travelers from Third World countries sometimes experience problems with visas or other arrangements that tend to take a toll on workshop attendance.

But even if a few 11th-hour cancellations occur, this year's workshop — the ninth annual — promises to be one of the largest and most interesting of all, Stewart says.

"You never know for certain that they'll be here until you see them step off the plane, but we could have a very big group this year," Stewart said.

As many as 30 international visitors, in-

## Scholarship donations exceed \$20,000 goal

JOURNAL STAFF REPORT

This year's contributions to the Muleshoe Opportunity Scholarship Trust reached \$21,925 by the end of school this spring, exceeding the \$20,000 goal for the year.

The goal is to eventually provide financial aid to every Muleshoe High School graduate.

Superintendent Gene Sheets, honored for his part in establishing the fund, has said that members of the scholarship steering committee "were really the ones

who went out and sold this to the community. They're the ones who told me from the start 'If you convince people this is for the kids, Muleshoe will support it.'"

The steering committee includes Kay Graves, Nick Bamert, Max King, Lyndon Huckaby, Bob Finney, Victor Leal, Gordon Wilson, Clifton Finley, Curtis Smith, Pat Young, Chuck Smith, Thurman Myers, Stacy Conner, Dick Pylant, Mike Holt, Sandy Vandevender, Duane Lloyd and Robert Montgomery.

## Five local Democrats to participate in state convention

JOURNAL STAFF REPORT

Five Bailey County Democrats are planning to attend the June 13-15 state convention of their party in El Paso.

District Court Clerk Elaine Parker, along with Joyeline Costen, Don Dyer, Pat McGonagill and County Chairwoman Linda McGonagill plan to make the trip.

The first four will be attend-

ing as delegates or alternates, while Linda McGonagill will attend meetings of the Texas County Chairs Association and the West Texas Coalition of Democrats. She is vice president of the latter organization. "A New Day for Texas" is the state convention's theme. An estimated 6,000 to 8,000 people are expected to attend, including such statewide can-

didates Tony Sánchez (running for governor), John Sharp (lieutenant governor), Ron Kirk (U.S. Senate). State Rep. Pete Lancy also is expected.

Events such as a Thursday-evening fund-raiser and the Blue Star Breakfast on Saturday will give the delegates an opportunity to meet national elected officials and leaders such as Senate Major-

ity Leader Tom Daschle, House Minority Leader Dick Gephardt (who will speak at the convention Friday night) and Paul Begala (of *Crossfire* fame).

Saturday will feature workshops, and national Chairman Terry McAuliffe will speak.

Local delegates and alternates were chosen at the county convention on April 6.

school without receiving a diploma. In the case of 17-year-olds, the proper forms must be signed by a parent or guardian.

## WORKSHOP from page 1

cluding 12 sponsored by the World Bank, nearly a dozen from China and at least one representing the United Nations' Food and Agriculture Organization, have made plans to study the Great Plains with Stewart, WT's world-renowned soil scientist and director of the Dryland Agriculture Institute.

The World Bank contingent will represent a variety of countries, including Egypt, Israel, Jordan, Palestine and Tunisia. Other countries with workshop reservations are India, Pakistan, Syria and Turkey. And José R. Benites of Rome will represent the U.N. agency.

"After 9-11, Dr. Stewart and I were not sure we should even have a workshop this year," said Dr. Clay Robinson, associate professor of soil science and workshop co-director. "Now seeing the list of people who have reserved spots on the tour makes my jaw drop just a bit.

The purpose of the workshop is to present information on sustainable dryland and irrigated agricultural systems in semi-arid regions, and to visit research facilities and farmers' fields in the southern and central U.S. Great Plains.

The group will meet on the WT campus the first

couple of days and see presentations about soil and water resources of the Great Plains and the history of agricultural development in the region.

The majority of the workshop will consist of two tours — first of the southern Plains and then of the central Plains.

Information is available by calling Robinson at (806) 651-2553 or Stewart at (806) 651-2299 or visit the Internet at [www.wtamu.edu/research/dryland/workshop.htm](http://www.wtamu.edu/research/dryland/workshop.htm).

## DOWN THE STREET

By JOLINE FRANKLIN  
Journal correspondent

Jewel Peeler came home from the hospital June 3 and seems to be doing fine TOPS members are looking forward to having her at meetings again — but the most important thing is to have her healthy.

She said she will have home health care for a couple of weeks and be homebound. But after that, she said she should get back to her normal routine.

Retha Knowles visited her mother in California last week, and also visited an ailing brother.

Lucille Harp and other family members went to Irving recently to attend the graduation of her grandson, Chris Harp.

Members of Calvary Baptist Church went to Park View to visit the residents and sing for them. Park View resident Pauline Guinn was one of the nice people I met that day. Her husband, Allen Guinn, had a

auto-body shop in Muleshoe for many years and taught many area men to do body work, and they taught others.

Peggy Bates says she and Jack are enjoying life since they retired. She said they plan to spend winters in Arizona, but don't plan to move

away from here.

She said she was born in Muleshoe and her husband moved here when he was 12, so this will always be home.

Peggy Bates' sister, Ladene Spears, has two cockatiels — and one of them has an unusual vocabulary.

That one can learn five to six phrases in a very short time she said, and she added that she has never before had one to learn to talk so quickly or have such a large vocabulary.

Items of local interest may be reported to "Down the Street" by calling 272-6775.

## Elvis: "I Am Not Anything But a Canine"

Rule #2 of John Wesley's "Directions for Singing" in the preface of his 1761 hymnal *Sacred Melody*, is this: "Sing [these songs] exactly as they are without altering or amending them at all; and if you have learned to sing them otherwise, unlearn it as soon as you can."

Wesley, I'm told, had little use for "hymn-tinkers." Nor, for what it's worth, do I. But I'm afraid his injunction is too mild to stop the musical

than bad—damnably, unless you "obey" absolutely perfectly, and the apostle Paul says that no one does.) And it's a rotten rhyme. Anyway, I don't think a song entitled "Amazing Works" would ever have caught on!

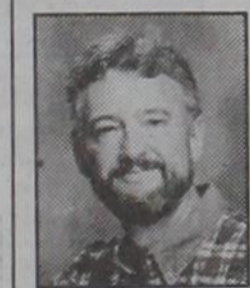

But it was every bit as good as the UCC's altered "America the Beautiful" where "America! America! / God shed his grace on thee, / And crown thy good with brotherhood / From sea to shining sea" becomes "Americas! Americas! / God grant that we may be / a hemisphere where people here / all live in harmony." Aargh!

What does it say when even an often left-leaning national magazine finds the antics of a group such as the UCC's committee utterly ridiculous? The UCC has taken leave of their senses; no wonder statistics show their members taking leave of their church.

*Newsweek's* Kenneth L. Woodward says that the hymn doctors cleaned up the grammar of the old spiritual "Steal Away." Instead of "I ain't got long to stay here," it is now "I don't have long to stay here." And he comments, "No one would do that to Elvis's hound dog."

Hymn-tinkers. A whole committee of them. Doing exactly the kind of tinkering with hymns that committees are famous for doing with horses—horses that turn out looking like camels. Such committees take themselves very seriously—which makes them all the more vulnerable to a good-hearted belly laugh. But I don't know whether to giggle or gag!

mutation. Maybe we need a good old-fashioned biblical curse pronounced against those who, in the throes of politically correct (and, hence, mindless) hysteria, mess with the music of the ages.

*Newsweek* recently reported on the hymn-tinkering committee of hyperactive music mutants within the United Church of Christ. No relation to our bunch, thanks. "Our" churches have their share of incomprehensible issues, but we've rarely been accused of being United, and, for once, I'm glad! Yes, we've had some hymn-tinkers. One once tried changing the words of "Amazing Grace" from "How precious did that grace appear / The hour I first believed!" to "The hour I first obeyed!"—which, when you think about it, makes grace a whole lot less amazing. Bad theology. (Actually, worse

*Facts About The* **BIBLE** *BY JOHN LEHTI*

**THE FIFTH SON!**

DAN WAS THE FIFTH SON OF JACOB. HIS MOTHER WAS BILHAH, HANDMAID TO JACOB'S WIFE, RACHEL. JACOB'S OTHER WIFE, LEAH, HAD ALREADY BORNE FOUR SONS. TO JACOB AND RACHEL, DESPAIRING THAT SHE WOULD HAVE NO CHILDREN, SHE GAVE HER HANDMAID TO JACOB AS A CONCUBINE, IN THE HOPE THAT SHE COULD GIVE A SON TO JACOB IN THAT MANNER. AND, FORTUNATELY, BILHAH DID CONCEIVE AND RACHEL NAMED THE INFANT SON DAN. FOR, SHE SAID, GOD HATH JUDGED ME, AND HATH ALSO HEARD MY VOICE, AND HATH GIVEN ME A SON -- THE BIBLE SAYS LITTLE ABOUT THIS SON, BUT THE DESTINY OF HIS DESCENDANTS WAS THUS PREDICTED BY JACOB WHEN HE GAVE HIS FINAL BLESSING TO HIS TWELVE SONS:

"DAN SHALL JUDGE HIS PEOPLE, AS ONE OF THE TRIBES OF ISRAEL, DAN SHALL BE A SERPENT IN THE WAY, AN ADDER IN THE PATH, THAT BITETH THE HORSE'S HEELS, SO THAT HIS RIDER FALLETH BACKWARD." (GEN. 49:16, 17)

MEANING THAT THE TRIBE OF DAN WOULD BATTLE AND STRIVE WITH THE FOES OF ISRAEL AS EARNESTLY AND CRAFTILY AS WOULD ANY OF THE OTHER TRIBES! THIS WAS PROVEN LATER WHEN THE TRIBE OF DAN, RESTRICTED BY THE AMORITES (JUDGE 1:34) AND CRAMPED FOR LIVING SPACE IN THE HILL COUNTRY, SENT SPIES OUT TO THE NORTH FOR A NEW LOCATION -- THEY FOUND WHAT THEY WERE LOOKING FOR IN A TOWN OF LAISH, OCCUPIED BY CANAANITES, THE DANITES SENT AN EXPEDITION, SEIZED THE TOWN, SLEW ALL ITS INHABITANTS, AND RENAMED THE TOWN AFTER THEIR ANCESTRAL FATHER, DAN! THE MIGHTY SAMSON WAS A MEMBER OF THE TRIBE OF DAN!

The family of Morris G. Killough would like to thank the entire community of Muleshoe for the overwhelming love and support you have shown to our family during Morris' illness and eventual death. Words alone cannot express our heartfelt thanks for the prayers, the cards, the food, the memorials, and the flowers. Our prayer is to somehow repay this community with our own support for you in your time of need.

Our special thanks to Dr. Purdy and his wonderful staff for not only the medicinal help they provided, but all the extra shoulders of support, the questions answered, the overall love and concern you continually showed our family. Thank you to Lional, Robert and the entire nursing staff at Muleshoe Area Medical Center and to Liz and staff and the Muleshoe Area Home Health Agency for the extra care and love you each gave to us all, as a family. We have the best, most caring and loving medical facilities right here in our small town.

Thank you Wes-Tex Feed Yards for helping to make this house our home; for the days off, the continued support in all endeavors for all our family members. Each of you were there when needed, whether it was for physical labor, or a kind word, or even a little teasing, we all appreciate your love.

Thank you to the entire staff of Ellis Funeral Home, the Muleshoe Police Department and Sheriff's Office for your professionalism, caring and love that helped us through the difficulties of organizing the huge gathering of Killoughs.

Finally, thank you to Stacy Conner and the First Baptist Church; you opened your hearts and your doors to us with prayers, love, food, support and words of comfort. Each time Stacy visited our home, Morris' eyes and heart were brighter and his step a little lighter. You are such a blessing to this community, Stacy, and we felt your love and God's blessing upon us all. May God continue to bless this wonderful community.

# Class of '02 served the school's athletic program well

I know it's usually the graduated seniors who are sending thank-you notes this time of year, but I want to send them one:

You have been the beneficiary of a five-year building program in the Muleshoe schools' athletic department, but you made the program your own and continued to raise the bar for those who will follow you.

You had the desire to prove that the previous seniors' success was not just a flash in the pan but the real deal.

You have led by example, and those who will follow you are already visualizing their successes when they reach their final year as a Mule.

Recently, I went by the coaches' office to get some information on Coach Ralph Mason's basketball camp. There were some young Mules watching video of a football game and breaking down exactly what you did. They were studying what you did in each situation so they could emulate and possibly surpass you.

State playoffs have become the norm for Muleshoe in all sports — not an occasional occurrence. Being a Mule fan, I now own state playoff shirts for football, basketball, track and baseball. (I would own shirts for golf and tennis but I don't think there have been any made.)

I wear those shirts every time I travel, and it's fun to have people from all over Texas comment on how well the Mules have been doing in recent years. Yes, there are

## FROM THE STANDS

By Delton Wilhite

fans all over the state who have watched and pulled for you.

Seniors, you have been a big part of this success and I want you to know how much I have enjoyed watching you. You have been very kind to

this sportswriter and have always been willing to share your game experiences with me.

You always did your best on the field, court or track, and that spilled over into every interview.

There were times it was easy for me to decide who I wanted to visit with after the game and other times it was difficult because you were always so team-oriented. Seldom did you say "I" — it was always "WE," and you never took the credit because the team made it happen.

I wish you the very best in the future. Come back to see us and revel a little in what

you have had a big part in building. Watch the athletes who follow your example.

For entertainment purposes only

JUNE 9-15

**GEMINI – May 22/June 21**  
Live by the rules that you'd prefer others follow. If you've been having lofty ideas, there bound to come to fruition, this week Gemini. Stay patient until the weekend.

**CANCER – June 22/July 22**  
As much as you want to support others, Cancer, you come first. Set aside some time to shuffle your priorities this week for more "you time." You are given a rare opportunity that shouldn't be wasted.

**LEO – July 23/August 23**  
Serve others before you serve yourself, Leo. Remember that humility is one of the easiest ways to show what a good person you are. Keep health a main priority for the weekend.

**VIRGO – Aug 24/Sept 22**  
These days your sense of fun is tame but satisfying, Virgo. A romantic partner prefers the expected rather than surprises, and you have no problem complying.

**LIBRA – Sept 23/Oct 23**  
Even the most charming people are wasting their efforts on you this week, Libra. You're in no mood for social niceties. Keep to yourself until Thursday when your mood brightens.

**SCORPIO – Oct 24/Nov 22**  
It's time to think ahead and set up a plan for the future. You can't live day to day or by your strong intuitions. Romantic possibilities seem strong and on the horizon.

**SAGITTARIUS – Nov 23/Dec 21**  
When life gets serious this week, Sagittarius, your focus shifts to the responsibilities demanded of you. Always perceptive, you maintain control in every situation. You'll resume fun times shortly.

**CAPRICORN – Dec 22/Jan 20**  
You're the reasonable authority this week, Capricorn. Whether at work or even at home you're collecting dues from those who owe you from past generosity. Don't let it go to your head.

**AQUARIUS – Jan 21/Feb 18**  
Document all of your actions and save all of your receipts this week. You're living in a fog, Aquarius, and you may need some evidence to indicate where you've been and where you're headed.

**PISCES – Feb 19/March 20**  
Too much is far better than not enough, so live life to the fullest this week, Pisces. There are many obstacles but they don't slow you down much. Just keep focused on your goal.

**ARIES – March 21/April 20**  
Someone is breathing down your neck this week, Aries, but you can handle the pressure. Not one to buckle under stress, seek out the companionship of a new friend.

**TAURUS – April 21/May 21**  
Preaching is no substitute for experience, Taurus. Don't say a word unless you can back up your advice with evidence. A family member is troublesome on Tuesday.
