

MRS. BILLY CLAUDE COOPER
(...nee Miss Velda Joiner)

Couple Wed At Roosevelt

Miss Velda Joiner and Billy Claude Cooper exchanged wedding vows Dec. 26 by the Rev. W.O. Donley in the Roosevelt Baptist Church.

The bride is the daughter of Mr. and Mrs. Johnnie Joiner of Idalou and the groom is the son of Mrs. Carvin Norris of the Roosevelt Community. The couple now reside in Lubbock.

MRS. JOHN LOCKE TO GUIDE HEART FUND CAMPAIGN HERE

Mrs. John C. Locke will be chairman of the 1965 Heart Fund in Slaton, the Slaton Heart Association announced today. The campaign's proceeds are used to fight the heart and circulatory diseases which account for more than 54 percent of all deaths in the United States annually. Vice chairman of the campaign will be Mrs. W.T. Davis, Jr., according to Mrs. Locke, chairman of the local association. "Great advances have been made against the heart and blood vessel diseases in the years since the Heart Association became a voluntary organization in 1948," the new chairman declared.

"Today we know that some forms of the heart and blood vessel diseases can be prevented, some cured and almost all helped with proper treatment after early diagnosis," she pointed out.

"Most heart attack victims recover from initial attacks, and of those who do, three out of four go back to work. High blood pressure, which can cause heart, brain and kidney damage, now can be controlled in most instances. Stroke is no longer hopeless, and thousands of victims are now being rehabilitated and returned to active lives.

Despite this progress, the campaign chairman added, the heart and blood vessel diseases continue to be the nation's Number 1 killer, claiming the lives of nearly a million in the U.S. alone each year.

"Confronted with this fact," she went on, "we must expand our efforts in the fight against these diseases. I ask every resident of the community to support this vital fight against the heart diseases by giving more generously than ever before to the Heart Fund."

12-30-64--Mr. and Mrs. Donald E. Morris, Box 103, Cotton Center, boy, Randy Alan, 6lbs., 7 ozs.

Mr. and Mrs. Frank Flores, Box 133, Southland, boy, Juan Jose, 5 lbs., 2 1/2 ozs.

12-31-64--Mr. and Mrs. Alvie Hogue, 1707 3rd, Lubbock, boy, 3lbs., 13ozs.

Mr. and Mrs. Jessie Sanchez, 830 S. 7th, Slaton, boy, Tom, 7lbs., 10ozs.

1-3-65--Mr. and Mrs. Maurice Jackson, P.O. Box 404 O'Donnell, girl, Tracy Janette, 7lbs., 4 1/2 ozs.

Mr. and Mrs. Apolino Hinojosa, Gen. Del. Slaton, boy, Ismael, 8lbs., 7ozs.

Mr. and Mrs. Clyde King, 627 Jean, Slaton, girl, Charlotte Denise, 5lbs., 15 1/2ozs.

Christmas day guests in the home of Mrs. Eva Trimble were Mr. and Mrs. Bill Trimble and boys and Mr. and Mrs. Bobby Trimble and Tracy of Midland; Mr. and Mrs. J.H. Trimble and boys a of Lubbock; Mr. and Mrs. Melvin Basinger and family of Post; Mr. and Mrs. Jack Gray and family of Hereford; Mr. and Mrs. Billy Lytle and Mr. and Mrs. Johnny Abare of Slaton; and Mr. and Mrs. Gene Payne of O'Donnell.

First Aid Campaign Set

Discussions are underway by leaders of the Lubbock County Red Cross Chapter to begin a campaign to enroll more people in first aid classes in the area.

Mrs. Annie Hunter, chairman of the First Aid Committee, stated that there had been many requests from different organizations for instruction in Red Cross First Aid. In the event of any natural disaster or national emergency knowledge of first aid would be of prime importance and it is becoming increasingly vital that more people learn first aid for their own benefit.

Safety officials have noted that there is a serious accident in one out of every five American homes each year, to say nothing of the countless bruises, cuts, sprains, blisters, nosebleeds, and other minor discomforts that can be treated so much more effectively and painlessly by someone trained in basic first aid. First Aid Enrollment Weeks are being planned within the near future, according to Mrs. Hunter, one in January and another in February. She noted that as soon as final arrangements are completed for instructors, classrooms and specific times, the chapter would announce more detailed plans.

Larry Bill Moeller, son of Mr. and Mrs. Benny J. Moeller, just returned from a weeks vacation in Manitou Springs, Colo. with Phil Swift and his parents who live there and are former residents of Slaton.

Mrs. Ira McCarver's twin brother, Delma McCollum, from Sherman visited her during the holidays. Other visitors were her sister and family from Gallup, N.M., Mr. and Mrs. Earl Jernigan.

Mrs. McCarver went home with her brother to Sherman after Christmas and returned Monday.

Visiting with Mr. and Mrs. James Edwards last week Mrs. Edwards sister and family, Rev. and Mrs. Charles Howell, DeWayne and Brenda of Ft. Collins, Calif.

Mrs. O.E. Patterson sustained a broken leg and has been in Methodist Hospital. She entered the hospital Dec. 23 and was expected to be moved to Slaton this week.

Mr. and Mrs. Larry Delaney and Leslie from Clovis, N.M. visited in the home of Mrs. Jo Delaney over the holidays.

Centurettes Elect Officers

The Centurettes met in the home of Mrs. Jackie Haire Monday night with Mrs. Robert Heaton co-hostess.

Mrs. Heaton presided over the business meeting. Election of new officers was held.

Fourteen members and one were present. They were Mmes. James Allred, Wayne Banks, Melvin Basinger, Donald Basinger, Tim Bourn, Jack Don Gilliland, Jack Haliburton, Bob Hopper, Robert Limmer, H.D. Sims, Pat Taylor, Tommy Tomlin, Heaton, Haire, and guest Myrna Powell.

Next meeting will be in the home of Mrs. Robert Heaton.

Engagement Announced

Mr. and Mrs. B.R. Underwood announce the engagement and approaching marriage of their daughter, Billie Merle, to Gary Neil McCullough, son of Mr. and Mrs. T.D. McCullough of Slaton.

The ceremony will be Saturday, Jan. 23 at 7:30 p.m. at the Westview Baptist Church. A reception will follow the ceremony and friends are invited to attend.

Trainmaster, E.O. Chaddock, went to Amarillo last Monday to attend a business meeting.

Mrs. Chaddock and children Janice, Bobby, and Jimmy, went along for a visit with E.O.'s mother, Mrs. E.O. Chaddock, Sr. who lives in Amarillo.

Mr. and Mrs. Doug Galassini and family spent the Christmas holidays with their parents in Roswell, N.M.

C.A. Haire is at home after spending two weeks in Mercy Hospital following an operation.

Holiday guests of Mr. and Mrs. Haire were three of Mrs. Haire's sisters. They are Mrs. Madora Elliott of Dallas, Dr. Jessie Halsted of Houston, and Mrs. Vera Brooks of Graham. Also visiting was a brother and family, Mr. and Mrs. G. E. Jordan and son, Lee and Don, of Casper, Wyoming.

Health Insurance Records At Peak

By the end of 1964, an estimated 149 million Americans were protected by some form of health insurance against the costs of ill health, the Health Insurance Institute reported today in a review of the past year.

This figure represents 78 percent of the U.S. civilian population, the institute said, and is an increase of 3.7 million persons over the number protected in 1963.

Benefits paid to insured persons last year were estimated at \$2.6 billion or some \$800 million more than in 1964. These benefits were paid by over 1,800 insuring organizations including 903 insurance companies, 77 Blue Cross and 72 Blue Shield plans, and nearly 800 other health care plans.

The institute said that record highs were established in 1964 in both the number of persons protected and the amount of benefits paid out.

Weekend visitors of Mr. A. B. Pruitt were: Mr. and Mrs. Linton Pruitt of Lockney; Mrs. Louise Denton and Linn of Lockney; Mr. and Mrs. Homer Jones and 5 children of Wellan; Mr. and Mrs. Johnny Hue and Debbie of San Antonio; and Lowell Hoover of Lubbock.

Wedding Here Saturday

Mr. and Mrs. Earl M. of New Home announce the approaching marriage of their daughter, Rebecca M. to Carl Meeks, son of Mrs. Alton Meeks. The wedding will be Saturday in the groom's home.

Rebecca is a graduate of Tahoka High School and hon's Business College. She employed as a bookkeeper at the Lubbock Country Club and graduated from Slaton School and served in the Army. He is by Johnson Manufact

Reporter From Southland Needs

The Slatonite is interested in acquiring a reporter from the Southland area to gather news. We would like to know if this going as well as communities around Slaton without the help of one in each community. If you are interested in a part time job, please contact or Speedy News at Slatonite office on day or Friday.

Recipe Of The Week

AVON NIEMAN

Harvey Tunnell, or better known as "Johnnie", 105 is sharing two of her recipes with us this week. She really don't know when to cook, with consuming hobby and she has, but she find time, I had proof her home with cake she had baked, picture above, she is her studio at her working on one of the is nearing comple-

Tunnell is a clerk for and the couple has Mrs. Gordon Dal and her husband and children live in La. The Tunnell's by train to be with Christmas, Mr. Tunnell to Slaton in 1917, Tunnell in 1918, they in 1933.

Mrs. Tunnell's time is spent in painting her students the daytime. She started in 1955 and has been since 1957. She has Lubbock and here, a charter member of National China Teachers member of China Teachers of Texas and Porcelain Art

February she will go to El Paso, and Pecos, she plans to Mr. and Mrs. J.J. Maxey is secretary West of Pecos Club Mrs. Tunnell will be to. Tunnell's have many china paintings she did two oil paintings that are hanging in her room. Mr. Tunnell's coincides with his wife's has built a hut to dis-

play the plates she has painted.

The Tunnell's are members of the First Baptist Church, where she has been taching in the Junior department for over 20 years.

SPARKLING PUNCH
Makes 30-40 cups
Dissolve: 2 1/2 C. sugar in 3 cups boiling water
Add: 3/4 C. fresh or frozen lemon juice, 1 large 46 oz. can of unsweetened pineapple juice
Chill: When ready to serve, add 3 pints gingerale.

COCOA DEVIL'S FOODCAKE
Have shortening at room temperature. Grease two deep 8" layer cake pans and sprinkle with flour, shaking out excess. Sift together:

1 1/2 C sifted cake flour
1 1/4 C. sugar
1/2 C. cocoa
3/4 t. salt
1 1/4 t. soda
Add:
2/3 C. shortening (soft)
2/3 C. sour milk or buttermilk
1 t. vanilla
Beat at slow speed for 2 minutes. Stop mixing, scraping beaters.
Add:
1/3 C. sour milk or buttermilk
2 eggs, unbeaten
Beat at slow speed for 2 minutes scraping bowl while beating. Pour into prepared pans, and bake at 350 degrees for 30-45 minutes. Ice with fudge frosting or frosting suggested below.

FLUFFY BOILED ICING
Combine in sauce pan:
1 c. sugar
1/3 c. water
2 T. light corn syrup
1/8 t. salt
Stir until well blended. Boil slowly without stirring mixture will spin a long thread when a little is dropped from spoon.

MRS. HARVEY TUNNELL

Hold spoon high above sauce pan--(238 degrees to 242 degrees). Meanwhile, put into large bowl of mixer:
2 egg whites
Beat fast until stiff but still moist--about 2 minutes. Pour hot syrup slowly over egg whites while beating until mixture is

very fluffy and will hold its shape.
Add:
1 t. vanilla
Beat until blended. Spread on cake. If icing does not seem stiff enough beat in 2 or 3 T. confectioners sugar--a tablespoon at a time until stiff enough to hold shape.

CHURCHES

Attendance at the church schools in Slaton Sunday, January 3, totaled 831, in the nine churches which reported. Churches reporting and their attendance was as follows:

- Westview Baptist Church... 210
- Church of God... 41
- First Baptist Church... 325
- Pentecostal Holiness... 47
- First Christian... 44
- Immanuel Lutheran... 31
- Trinity Evangelical Met... 49
- Grace Lutheran... 70
- African Methodist... 14

Attend the church of your choice.

Scout Troop 125 On Camping Trip

Seventeen scouts of Boy Scout Troop 125 and their leaders, J.E. Eckert, Jr., scoutmaster, Alex Webb, assistant scoutmaster, and W.B. Nesbitt, went camping on a ranch below Post over the weekend. Time was spent hiking, trailing, and other outdoor activities. The group returned Sunday afternoon.

Light from the sun takes about eight minutes to reach the earth.

WCS Holds Regular Session

The Woman's Society of Christian Service of the First Methodist Church met Monday in the chapel for a regular meeting.

Following altar prayer, Mrs. R.T. Farley, president, held a business session.

The program, "World Federation of Methodist Women", was given by Mrs. S.H. Jaynes. The society will meet again Jan. 11 in Circles.

ROOSEVELT NEWS

BY DORIS THOMAS

Now that school is back in full swing and things have become so quiet around the house, I wonder if I should just sit down and relax or get the ironing board and get busy on that bundle of clothes that is going to mildew if I don't. But then I can always wash them again, and it is so nice just to sit here and sip my coffee and not hear "Mother can I go?" or "Mother where is my?" Well, back to the old ironing board, I don't know why it is, but you never have anything to wear until you start to iron.

The Roosevelt boys and girls basketball teams played Crosbyton, December 31st, and won

both games. They will play Idalou, Friday night, at Idalou, in a district game. Come out and support our team.

Mrs. J.D. Newton Jr. Wynell and Jimmy Clayton have moved to our fair community and the children have started to school. Welcome!

Brady Mims bagged a six point buck and Gary Stenett bagged a doe on a recent hunting trip at Mason, Brady, a fourth grader and Gary, a third grader at Roosevelt will be talking about this trip for a long time because they were the only ones who brought back deer. Others in the hunting party were, Mr. and Mrs.

Jerry Mims, Pam and Marty, Mr. and Mrs. Arlin Stennett, Kathy and Carry, Mr. and Mrs. Ronnie Joe Darby and Jay, Mr. and Mrs. Budo Martin and Mike, and Mr. and Mrs. Max Barnett, Roy Max and Becky.

Mr. and Mrs. Doyle Washington, Rusty, Buster, and Larry spent a few days last week in Seminole with Mrs. Washington's parents.

Mr. and Mrs. Guy Sasser and Mr. and Mrs. Cyril Reasoner and Craig have just returned from California, were they visited with the Sasser's son, Mr. and Mrs. Marlin Sasser, Donald, Danny and Becky, formerly of the community.

Sunday afternoon visitors in the J.H. Thomas home were, Mr. and Mrs. Raudin McCormick of Slaton.

Randy Thomas was a weekend guest of his cousins, Robert Walter and Neil Thomas in Lubbock.

Mr. and Mrs. Marvin Winniford are home from the hospital, and are feeling much better. Just being home can sure make a difference.

Donnell Flow, a former student at Roosevelt, is in Cook hospital in Fort Worth with a kidney ailment. He has already undergone surgery twice and we are hoping every thing goes fine for this little boy.

The news is just a little short this week, I hope everyone will call next week and give me their news. Maybe we will be back in the groove by then and things will begin to look brighter. We might ought to mark out the last word in that sentence, I just thought of two more, income tax. Thank goodness it only comes once a year, too.

If all goes well, and I hope it does, as you are reading this, I will be on my way to Dallas to the Young Homemakers convention, along with Mrs. S.N. Jones Jr. Mrs. John R. Miller, and Mrs. W.L. Harris.

Roosevelt Baptist church had 103 in attendance last Sunday. Something for you readers to look forward to, is the favorite recipes of the ladies in this community and their pictures along with it, when they will permit.

Mr. and Mrs. George Railsback, Mr. and Mrs. Burl Railsback and Gerri and Mrs. Vic Railsback traveled to Post-Sun-

day to visit with the Railsback cousins Elmer and Delmer Cowdrey and families at the community house there.

Mrs. W.D. Killian Sr. is in the West Texas hospital in Lubbock, hope you get well very soon, Mrs. Killian.

When you take your bird dog and go out quail hunting in this part of the country, don't be surprised at any kind of game you might bring home, Lindsey Cox and George Railsback went over to Robertson Saturday evening, with their dog to get a little quail hunting in, Mr. Cox's sorghum alum field. The dog scared up, Not quail, but a 35 pound lynx cat, which Mr. Cox shot. The colors of its coat were such beautiful browns, yellows, white and greys and the cat was so large to be mounted, the Cox's wouldn't have a place to put it in their home so Mrs. Cox is having a rug made of it.

The following was taken from the Parent-Teacher magazine some time ago, I don't know who the author is because I neglected to write it down when I copied it off.

"WHAT IS A TEACHER?" Between the innocence of infancy and the dignity of maturity, our children fall under the influence of a group of people called Teachers.

Teachers come in assorted sizes, weights, and colors. They have various interests, hobbies, religions, and beliefs, but they share one creed: To help each child to reach the highest possible degree of personal development.

The teacher is composite. A teacher must have the energy of a harnessed volcano, the efficiency of an adding machine, the memory of an elephant, the tenacity of a spider, the patience of a turtle trying to cross the freeway in rush-hour traffic, the decisiveness of a general, the diplomacy of an ambassador, and the financial acumen of a Wall Street wizard. She (or he) must remember always that she (or he) teaches by word, but mostly by precept and example.

A teacher may possess beauty, grace, or skill, but most certainly she must possess love, a deep, abiding love of, and respect for, children individu-

ally and in masse. She must love your little girl who has the song of a bird, the squeal of a pig, the stubbornness of a mule, the antics of a monkey, the spryness of a grasshopper, the curiosity of a cat, the slyness of a fox, and the mysterious mind of a woman.

She must also cherish your little boy, that inconsiderate, bothersome, intruding bundle of noise with the appetite of a horse, the digestion of a sword swallower, the energy of an atom bomb, the lungs of a dictator, the imagination of Paul Bunyan, the shyness of a violet, the audacity of a steel trap, and the enthusiasm of a firecracker.

A teacher must teach many things: reading, writing, arithmetic, spelling, geography, history, music, art, health. She must also manage during her 6 1/2 hours to teach manners and morals to children whose parents have despaired of the task during their 17 1/2 hours.

A teacher is Truth with chalk dust in its hair, Beauty with a backbone, Wisdom searching for bubblegum, the Hope of the future with papers to grade.

A teacher must possess many abilities. She must not mind explaining for the 10th time the intricacies of two-place multiplication to the whole class, then explaining it again to the one child who wasn't listening. She must know when to talk and when to listen. She must learn to judge between encouraging and pushing a child. She must sense what decisions to make and which must be made by the child. She must be steadfast without being inflexible; sympathetic without childish; enjoy its great joys, satisfactions, its genuine delights; while understanding its griefs, irritations, embarrassments, and harassments. She has to be a prophet who can look into the future and see the world of tomorrow into which the children of today must fit.

A teacher must, each year, send 30 children to another teacher, proudly, lovingly, sadly; and await 30 more with ready wit, love and eagerness.

She must do all this while worrying about how to pay the utility bills, what to have for supper, whether her baby has the chickenpox, if her lesson plans will meet the supervisors requirements, how Mrs. Smith will take the lower grades on John's report card, where to get the extra money for summer school, and who took the dime from Susie's purse.

For this, you will be paid more than the garbage man, but less than the garage mechanic; more than the grocery clerk, but less than the postman; and more than the ditch digger, but less than the truck driver.

The most amazing thing about

Sales Tax Table Give For Income Tax Filing

Texas taxpayers may use a state sales tax table as a guideline when filing their 1964 federal income tax returns. Ellis Campbell, Jr., District Director of Internal Revenue said the table is now available.

The table shows the average amount of state sales tax paid by Texas residents and may be used by taxpayers who itemize their federal income tax deductions. Similar tables have been prepared for 36 other states and the District of Columbia.

For the first time since 1960 when the tables were originally issued there has been a general revision of the amounts, Campbell said. The latest tables are based on summary data showing the patterns of consumer expenditures developed by the Bureau

of Labor Statistics from a 1960-61 study. Previous tables were based on a 1950 study.

Previously, tables were revised only to reflect changes in sales tax rates or the commodities covered by the particular state's laws.

The recent study shows that household operations, property taxes, medical care, personal care services, education, and insurance have, for the most part, comprised a larger part of the total consumer expenditures in 1960-61 than they did in 1950. These items are not usually subjected to state sales taxes.

The new tables omit the state sales tax on automobiles purchased, thus providing a uniform treatment of this item for all states. Now taxpayers who purchase an automobile may

add the sales taxes purchased to the amount in the table.

The result of the study particularly the elimination of the allowance for a reduced amount of the sales tax tables, tables, however, are accurate measure average sales tax payments.

Internal Revenue taxpayers who are not required to be furnished as a convenience of who itemize deductions federal income tax returns who wish to use a "amount for state sales will not require destination. Taxpayer choice, of course, of deducting the amount of state sales taxes as a Cigarette taxes are deductible in Texas to the tax law change. The average state sales tax table for Texas tells them they can deduct a gallon.

Crop Hail Insurance Companies Consolidate Under AnderClay

The crop hail facilities of the AnderClay Insurance Group and the Americana Crop Hail Pool, Inc., have consolidated operations under the management of AnderClay Insurance Managers Inc. of Houston.

"This consolidation of two well known leaders in the crop hail field," said Charles R. Rathbun, president, AnderClay Insurance Group, "will make it possible to offer agents the most effective and competitive crop hail facilities on a nation wide basis."

Americana Crop Hail Pool, Inc., serving over 2,000 local independent insurance agents in 31 states, has operated for the past five years as exclusive crop hail insurance specialists.

The AnderClay Insurance Group is a multiple line group writing insurance and reinsurance world-wide. The Export Insurance Company and Ranger Insurance companies are the largest writers of crop hail insurance in the Southwest.

Field operations for the Ranger companies will continue to be handled through Rayford C. Weaver of Pecos, R.A. "Pete" Lance at Lubbock, and Johnnie B. Archer at Hale Center.

The AnderClay Insurance

a teacher is that she wouldn't trade jobs with anyone she knows. She like to teach. Until next week, here's listening for your call at 2572.

Group is a subsidiary of Anderson of Clayton Co.,—a major U.S. and Latin American producer of margarine, shortening and salad oil, a keymiller and refiner of vegetable oils, one of the world's largest merchandisers of cotton and green coffee, food processing, cotton crop financing, ginning, compressing, feed production, dock and warehousing facilities in addition to the insurance division.

Revival Underway At Church Here

The Church of the Nazarene has been conducting a revival which started Jan. 3 and runs through Jan. 10. Services begin at 7:30 p.m. and the public is welcome.

Burford Battin is the evangelist for the revival, and Lowell Bell is the pastor.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been

moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made. Corvair Corsa Sport Coupe

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that

can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Chaaaarged! you just don't know what you're missing.

Drive something really new—discover the difference at your Chevrolet dealer's Chevrolet • Chevelle • Chevy II • Corvair • Corvette

Junior Grid Awards Made

Gold and silver football awards were presented Tuesday to members of the Slaton Junior High grid teams.

Coaches Joe Sparkman and R.G. Copeland presented the awards to 44 boys in the 7th and 8th grades.

Twenty 7th grade gridlers received silver footballs engraved with "S" and "1964". A total of 24 boys in the 8th grade received gold footballs with the same lettering.

The 8th grade posted a 4-2-1 won-lost-tied record for the season, scoring 82 points while allowing the opposition only 34. Their four victories were all shutouts, and one of the defeats

was by 2-0. The 7th graders had a 1-6 record.

Eighth graders receiving awards: Eddie Ehridge, Larry Allison, Ronny Romines, Jimmy Williams, Gary Hennington; Skip Woods, Hoby Chapple, Marvin Edwards, Mike Bingham, Buddy Pettigrew, Edward Cristian, James Taylor, Randal Choat, Jessie Magallanes, Gary Harris, Brent Lamb, Brad Doherty, Phillip Morris, James Clements, Elbert Walston (mgr.).

Seventh grade letter winners: Barney Blair, Clifford Summers, Rick Farrell, Hilton Merriman, Bobby Luman, Don Smith, Jeffrey Hindman, Robert Englund.

Tony Privett, Joe Harlan, Dennis Rushing, Jack Webb, Teddy Lynch, Alan Fondy, Mike Boyd, Monte Polk, Terry Schutte, Ronny Mull, Billy White, Gaines Teague (mgr.).

Southland In Two Victories

SOUTHLAND(Special)-- The Southland High School basketball teams captured two out of three contests from the Loop Longhorns here Tuesday night.

Both boys' teams were victorious, the Eagles claiming a close 63-62 win over the visitors while the B-team posted a 37-31 triumph. The Southland girls lost a 48-40 decision.

Rod Callaway and Duke Altman sparked the Eagle victory in the varsity contest. Call-

way took game scoring honors with 21 points, and Altman was close behind with 19. Ronnie Helton meshed 18 for the Longhorns.

The Eagle B-team was led by Dennis Altman who tossed in 18 points. Derrell Clark hit 11 for the Loop reserves.

Libby Sales tallied 24 points in the Southland girls' losing cause. Louvena Russell scored 22 for the winners.

Shakespeare's father made gloves.

Wilson Wins 2 At Smyer

Wilson boys and girls scored victories in a non-conference engagement at Smyer Tuesday night.

The Mustangs won a 54-34 decision as Johnny Scott sparked the win with 15 points. Dwight Floyd had 9 for the Smyer team.

Wilson's girls captured a 43-33 triumph. Vicki Lane hit the hoops for 19 points to garner scoring honors. Yvon Click tallied 15 for Smyer.

Slaton FFA In Fort Worth Fat Stock Show

Fort Worth (SpI) Slaton FFA has entered 19 barrows in the junior livestock department of the Southwestern Exposition and Fat Stock Show, January 29 thru February 7, 1965.

Entries in the 1965 Stock Show for cattle, horses, sheep and swine are still being counted. Stock Show President-Manager W.R. Watt is optimistic over the prospect of topping last year's record number of entries in these four departments. Poultry, pigeon and rabbit exhibitors have until January 15, 1965 to submit entries.

Watt is enthusiastic, and not cautiously either, over the signing of the Judy Lynn Show as guest stars of the 1965 Stock Show Rodeo. Watt said, "The Judy Lynn troupe will provide our rodeo audiences with real first class entertainment." Watt signed the Judy Lynn Show for the rodeo after a special trip to Las Vegas to hear them.

Copies of the 1965 Premium List are available from the Southwestern Exposition and Fat Stock Show, P.O. 150, Fort Worth, Texas, 76101. Rodeo tickets are available from the same address and a mail order is now being taken.

Mr. and Mrs. Earl Wilson had her brother-in-law and sister from Temple in their home for the holidays.

ENDING BATTLE--Slaton's Marilyn McSwain comes down rebound in Tuesday night's action against Tahoka, edging the Tigerettes to a 50-38 victory, while the Tigers and the girls b-team also won victories. (SLATONITE PHOTO)

SWPS Announces Another Big Construction Year

Southwestern Public Service Company's 1965 construction and improvement program calls for an investment of \$24,607,000 in new facilities, it has been announced by A.R. Watson, president and general manager of the electric company.

The company's construction plans for 1965 anticipate the second largest annual improvement program in the company's history, topped only by 1964's record investment of more than \$30,000,000. At the conclusion of the 1965 program, the electric company will have invested nearly \$120,000,000 in new equipment in the 1961-65 period.

"One year ago, when we announced a record single year construction budget, our forecast was for continued growth throughout our 45,000 square mile service area. Our optimistic outlook remains unchanged, as evidenced by the continued

high level of new equipment investment we plan for 1965 and the years to follow. Inasmuch as we must begin our planning and construction to meet our customer's needs from 3 to 5 years in advance of their actual requirements, it is apparent that we anticipate continued economic expansion in our service area," Watson said.

A major portion of the electric company's 1965 construction budget will go for additions to its interconnected generation and transmission system, which includes 11 base-load electric generating stations which are linked together by a 4,000 mile network of high voltage transmission lines.

The additions to the generating capability include a 210,000 kilowatt unit to be installed at Cunningham Station, west of Hobbs, N.M., The Cunningham

addition will be the second 210,000 kilowatt machine to go into service within the period of a year. Plant X, near Earth, Texas, houses the first of these giant generators, the largest single unit in service on the company's system.

The other generating additions to be completed in 1965 are gas turbine units to be installed at Borger and Pampa. These units will be located at industrial plants in each case, with the fuel to be provided by the customer.

At Borger location, where natural gas will be purchased from the customer for fuel, the exhaust gases will be returned to the customer for use in his plant.

At Pampa, hot pressurized gases which are a by-product of the customer's manufacturing process will serve as the fuel for the new turbine.

"These 'tailored' installations of generating equipment are indicative of our responsibility to conserve the natural resources of the area we serve. In each case, there will be total utilization of the heat energy present in the gases, and all

of course, introduces economies for us as well as the customer, and is the type of program we must carry on to keep the customer's price down by keeping our costs down. The benefit of this type of planning goes to all of our customers," Watson said.

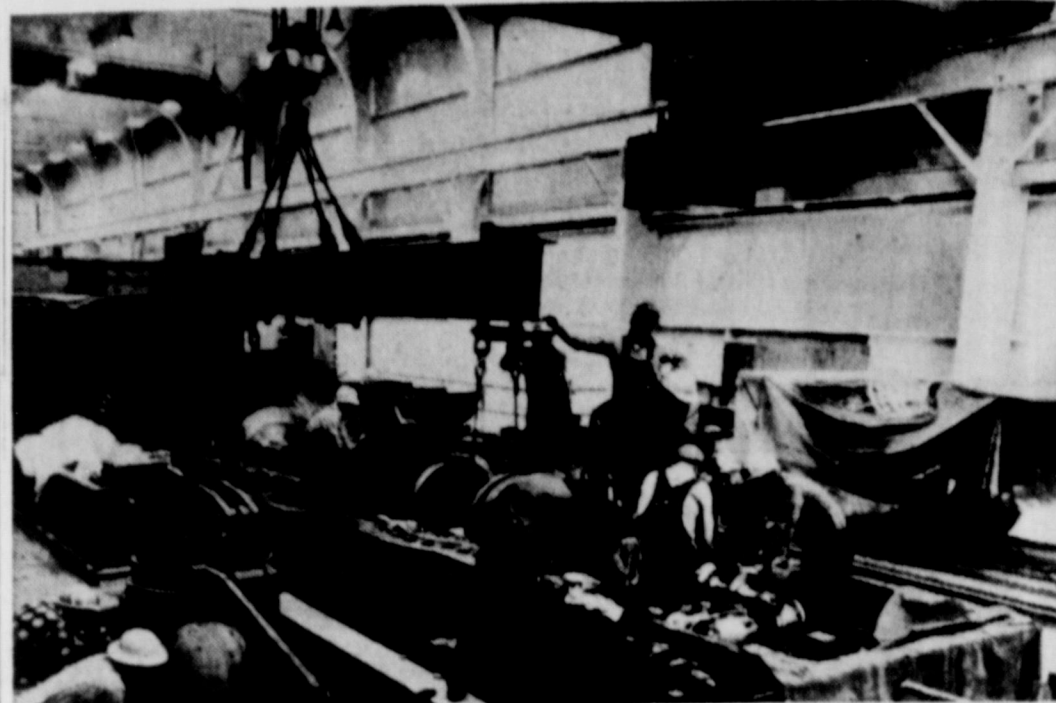

1965 will see a continuation of a program started last year to convert the main arteries of the company's transmission network to 230,000 volt lines. The major voltage was 115,000 volts until this year.

Scheduled for completion this year are 230,000 volt lines running from Plant X to Cunningham Station and from Plant X to Nichols Station, northeast of Amarillo.

The 230,000 volt lines have 4 times the carrying capacity of the 115,000 volt circuits and their increased transmission capability ties in with the larger, more efficient generating units such as the two new 210,000 kilowatt machines to both improve service and keep it economical.

A 115,000 volt line is being constructed from Amarillo to Borger to provide the electric power for pumping the water through the aqueduct system associated with the Canadian River Dam.

Load growth in the Hereford-

SWPS ON THE GROW--One of the major investments in the 1965 construction program of the Southwestern Public Service Company is a new 210,000 kilowatt generator, which is being installed at Cunningham Station, west of Hobbs New Mexico. The new unit, pictured under construction, is scheduled to be in service in mid-1965. Southwestern Public Service Company's 1965 improvement program calls for an investment of \$24,607,000 in new equipment, second largest construction budget in the company's history.

Dimmitt area will bring the construction of another 115,000 volt circuit from Plant X to Hereford.

"There is great satisfaction in being able to say to our customers once again as a new year starts that their electric service dollar is buying more than ever before. Three things make this record possible. First of all are the customers themselves, who are using more electric power than ever be-

fore. They make it possible for dedicated employees working with the most modern and efficient equipment to keep down the price of our service in the face of rising costs for fuel, equipment and labor", Watson concluded.

The heart of Edison's invention of motion pictures was the use of film 35 mm wide, with four perforations for each picture, which still is standard.

Monthly News

JANUARY, 1965

ARE YOU PAYING TOO MUCH INCOME TAX? If you are under 65 you are legally permitted to deduct the cost of all prescriptions and certain medical supplies and medicines and deducting from their costs 1% of your gross income. You are also able to deduct cost of all fees for physicians, dentists, opticians, health and accident insurance premiums after subtracting from their costs 3% of adjusted gross income.

IF YOU ARE MORE THAN 65 YEARS OF AGE You can legally deduct everything mentioned above in full without any reduction.

HERE ARE SOME DEDUCTIBLE ITEMS. Everything prescribed or advised by a physician or dentist is deductible. Also, every remedy you buy for relieving pain or suffering, whether for internal or external ailments. But, remember that vitamins are only deductible when you are advised by your physician or dentist to use them.

MEDICAL SUPPLIES ARE DEDUCTIBLE. They include such products as heating elastic stockings, vaporizers, surgical instruments, insulin equipment, first aid supplies, orthopedic braces and wheelchairs.

IT WILL PAY YOU TO KEEP RECORDS. It may be more profitable to take your rate allowable deductions than the deduction which takes in everything.

WE WILL BE GLAD TO HELP. We can give you receipted itemized everything we supply. All our charges get them each month. We are not account but we can tell you what is deductible.

Posey News

BY MARTHA HADDOCK

I do hope all of you got a good start on the New Year. If you did I hope it remains good and if you did not I hope it gets better.

Rev. and Mrs. F. Wittig and family, pastor of the Immanuel Lutheran Church here in Posey, recently returned from Cleburn where they attended a family reunion.

Recently visiting Heddie Kelly was Hilda Sanning of Amarillo and Rose Ludwig of Lubbock.

Mrs. Ray Edwards and children visited recently with Mr. and Mrs. W.B. Ivy in Winters. Mr. and Mrs. Clyde Evans were visited New Years by Mr. and Mrs. Thomas Pate and daughter of Alamogordo, N.M. Mr. and Mrs. H.E. McClure of Andrews, and Mrs. Hattie Brooks, Mrs. Evans' mother, of Slaton Rest Home.

Saturday Mrs. Anna Gentry was visited by Mr. and Mrs. Bobby Swann and children of Lubbock and Sunday she was visited by Mrs. Bill Karen and son also of Lubbock.

Mr. and Mrs. Guy Gentry have certainly had a time with their youngsters having the

mumps. Little Debbie now has the mumps. "I sure hope you get to feeling better Debbie, and you girls stay well for a while so Mommy and Daddy can have a rest."

Recently visiting the J.P. Earwoods were Mr. and Mrs. Gilbert Earwood of Compton. The Earwoods also visited recently in Tyler with Mr. and Mrs. John Turner, Mrs. Earwoods parents.

Last Friday Mr. and Mrs. Calvin Willis and family visited with Mr. and Mrs. Ed Willis in Odessa. Aldon Willis was visited recently by Douglas Carey of Lubbock.

Single Adults Club To Meet

The new Single Adult Club which was organized last Nov. for the towns of Slaton, Idalou, Ralls, Lorenzo, Petersburg, Acuff, and Crosbyton is now meeting twice a month.

The club will meet Saturday, Jan. 9, at 8 p.m. in the Idalou Club House in Idalou. Games of "42", bridge, and Mexican dominoes will be played. Coffee will be served along with cookies.

Anyone who is morally good and does not drink and who is widowed, divorced, or never married is invited to come, according to a news release issued by a committee of the club.

Around the Fire House

By Bob Kern

Members of the Slaton Volunteer Fire Department completed a full agenda in Monday night's business meeting.

Assistant Fire Chief Carl Williams was elected to the Firemen's Pension Board, joining Walter Smith and Bob Kern.

Curtis Dowell, reaching the 20-year point in service with the department, handed his resignation in for retirement. Dowell served as Fire Chief for several years and was replaced by Don Kendrick in 1963

when Dowell requested to step down from the position.

Orville B. Woolverton was welcomed on the department as a newly elected member. Woolverton operates Supreme Electric Co. and resides at 1525 W. Lynn.

For the year of 1964, your fire department, composed of 24 volunteers, answered 129 fires within the city limits of Slaton. The breakdown looks like this:

- House fires 45
 - Grass fires 52
 - Auto fires 21
 - Cotton fires 3
 - Fault reports 8
- Various type calls outside the city limits amounted to 12. This total of 141 calls compares with 146 calls for 1963. Fireman attendance for 1964 at fires was 71.6; for meeting 93.8 and for practice sessions 90.9.

\$168 Million New Telephone Construction for Texas in 1965

Continuing improvements in telephone system will make your service even more dependable and valuable

Telephone service in Texas ranks with the world's best. It always has. Even so, in 1965 Southwestern Bell will spend another \$168 million to make it better still. This construction program is the biggest in history. It is necessary to provide for the growing telephone needs of Texas.

But it's more than that. It also is an intensified effort to make even better the service you already have, whether you live in a big city, a small town, or on a farm or ranch. Our objective is to make your telephone service more useful, dependable, convenient and valuable than ever before.

Texans will also benefit economically from this telephone construction program. Because hundreds of individual projects reach into virtually every community served by Southwestern Bell, the economic impact will be significant and widespread.

New jobs will be created. We expect to add 500 new telephone jobs in Texas in 1965 — bringing to 25,000 the number of people on our payroll in Texas. But more important will be the economic boost for the hundreds of Texas firms which sell supplies, services and materials to the telephone company.

Here are some of the things we'll do in 1965 to make your telephone service better

NEW STORMPROOFING

In 1965, we'll put more than 500 additional miles of telephone cable underground, because that's the safest place for it. Safe from wind, rain, hot weather, cold weather, stormy weather. This will add to the dependability of your long distance service.

DDD IMPROVEMENTS

For those customers who have Direct Distance Dialing, service will be faster and easier than ever before. Complex new testing and trouble-reporting equipment is being built into the system to help maintain the quality of transmission and quickly trace and remedy problems that might affect your service.

NEW BUILDINGS, WORK CENTERS

Southwestern Bell will erect 15 new buildings in Texas in 1965. The largest will be the new \$13 million South Texas headquarters building in Houston. Other new telephone buildings will be erected in Amarillo, Midland, Dallas (two buildings), San Antonio, Beaumont, Rosenberg, Cleveland, Waco, Pasadena, and a three-building complex in northwest Houston.

Additions are planned for telephone buildings at Fort Worth, Dallas, Amarillo, Forney, Monahans and Houston.

Also, 16 new installation, repair and construction centers will be built across the state.

NEW MICROWAVE MAGIC

The magic of microwave will provide thousands of new voice ways for long distance calling in Texas this year. For example, new systems will link Sweetwater and San

Angelo, Fort Worth and Waco, Houston and Beaumont. Via a network of such microwave antenna towers and transmitting stations, your phone calls are relayed from point to point with the speed of light.

We are looking ahead to another year of telephone progress in Texas in 1965:

- Your telephone service will be a better buy, dollar for dollar.
- Texans everywhere will benefit from the surge of new dollars, created by our expansion program, into the state's economy.

Notice is hereby given that at the expiration of sixty (60) days from December 28, 1964 the Commission/ of the City of Slaton, Texas, will consider the question of whether or not it will enter into a Cooperation Agreement with the Housing Authority of the City of Slaton, Texas, and further:

Haliburton Is New Salesman At Slaton Motor

Jack Haliburton, longtime Southland and Slaton resident, has joined the sales force at Slaton Motor Co., It was announced this week by J.W. Richardson, new and used car sales manager.

Born in Grayson County, Haliburton moved to Southland in 1946. He graduated from Southland High School in 1955. He is married to the former Edith Ann Holloman, a native of Slaton. They have two boys--Ronnie 7, and Stacy, 2.

The new salesman has been farming in the Southland area, and is presently serving as secretary of the Slaton Young Farmers Association. He and his wife are members of the First Methodist Church here.

Harvesting Of Cotton Declines

Cotton quality continued to decline as the South Plains harvest neared completion, according to W.K. Palmer, in charge of the U.S.D.A. Lubbock Classing Office.

The harvest was over ninety-five per cent complete on New Year's Day.

The three South Plains U.S. D.A. Classing Office classed 180,000 samples during the week ending Dec. 31, bringing the season's total to 1,705,000. At this date last year the three offices had classed 1,715,000 samples. The three offices have classed approximately 94 per cent of the 23 county production estimate made by the Lubbock Cotton Exchange.

During the past week 58 per cent of the cotton classed at the U.S.D.A. Lubbock Classing Office was in the White grades and 42 per cent in the Light Spotted and Spotted grades.

Strict Low Middling was the predominant grade with 30 per cent of all cotton classed. Low Middling Plus made up 6 per cent, Low Middling 19 per cent and Strict Good Ordinary Plus and Strict Good Ordinary 3 per cent.

Strict Low Middling Light Spotted was the predominant grade in the Light Spotted category with 26 per cent. Middling Light Spotted made up 6 per cent of the total, Low Middling of the total, Low Middling Light Spotted 4 per cent, and all Spotted grades 6 per cent.

Average staple length remained the same as the previous week. Ninety-one per cent was 15/16 of an inch and shorter. Fifteen-sixteenths of an inch was by far the pre-

Wallace Named Memorial Gifts Chairman For Heart Campaign

The appointment of Tommy Wallace, executive vice-president of Citizen State Bank as the Heart Association Memorial Gifts Chairman of the Texas Heart Association's Slaton Chapter activities was announced today by Robert H. Mitchell, M.D., president of the state association.

Wallace will serve the city, receiving memorial gifts which will be used to support programs aimed at conquering this nation's number one health problem—heart diseases. Contributions

mailed to him, Box 774, Slaton, will be promptly acknowledged to the bereaved family and a receipt sent to the donor.

Wallace explained that more deaths result from heart diseases in Texas than from all other causes combined. Research has already developed much that is cutting this heavy toll. For instance, rheumatic fever is yielding to drug therapy, and we frequently read of heart operations that enable patients to live normal healthy lives. Some of the most dramatic developments have been made in the heart research centers in Texas.

The Heart Fund, a large part of which is the income from Memorial Gifts, is now in its 16th year. More than \$100,000,000 has been provided by the Heart Association for the conquest of diseases of the heart and blood vessels.

Wallace is anxious to let everyone know of the Heart Association's over-all program and expressed a willingness to provide interested readers with additional information on the Texas Heart Association and the Memorial Gifts Program which he is heading.

PETE WILLIAMS

Want to wheel and deal on a 1965 Ford? Check the deal that Pete has to offer and find out why he has been our top salesman for five straight months. Pete will show you why so many people in the Slaton area are buying the 1965 Ford. If you're interested in buying a new car, see Pete Williams at Slaton Motor before you make a trade!

SANTA FE NEWS

Total carloads moved over Santa Fe System Lines for the week ending Dec. 19 were 29,052 compared with 29,545 for the same week a year ago. On-line loadings were 17,882 compared with 19,245 for the corresponding week last year. Cars received from connections totaled 11,170 compared with 10,300 for the same week a year ago. Santa Fe handled a total of 31,297 carloads in the preceding week of this year.

Funeral services for L.R. Mitchell Jr., 47, assistant superintendent for Santa Fe at Carlsbad, N.M., died Dec. 22 in Memorial Hospital at Carlsbad. Funeral services were held Dec. 24 in Amarillo.

Joseph S. Clark, Jr., of Los Angeles, has been appointed manager of industrial development for Santa Fe Railway at Amarillo, effective Jan. 1, 1965, according to G.W. Cox, vice president of industrial development, Chicago.

In his new post, Clark will be responsible for industrial development over a wide area, extending from Oklahoma state line south to Sweetwater, Texas, and west to Presidio.

Income Tax Return Time Approaching

A Federal income tax return must be filed by every citizen or resident of the United States, including minor children, who had gross income of \$600 or more in 1964. John J. Sloan, administrative officer of the Lubbock office of Internal Revenue Service reminded today. Document No. 5107 which furnishes more detailed information on this subject is available upon request from the Internal Revenue Service.

Westview Slaton Bible Study Classes

The Westview Baptist Church will begin its Bible Study in adult classes through all age groups Monday through Friday. Rev. Clinton Eastman will conduct the adult classes and each teacher of the different Sunday School classes will direct his own class. Classes will be held each evening from 7 until 8:30.
