City To Buy Equipment For Cemetery Use

Following a public hearing Monday night, Slaton City Commission approved purchase of interment equipment for Englewood Cemetery, voted to install mercury vapor lights on Garza from 10th to 20th streets discussed initiation of a legal library, and approved the reading of a plumbing ordinance.

Cam Jordan, cemetery superintendent, appeared before the commission to present the cemetery board's recommendations on purchase of new equipment. The list includes supplies needed in performance of burial services.

Commissioners approved low bids totaling \$1,534.91 for the equipment. On the mayor's recommendation, the council also approved a reduction of \$5 in the charge being made to the cemetery for use of a backhoe machine.

The lights approved for installation on Garza will be similar to those recently installed on Division Street. Several other street lights were approved at points around town.

City Attorney George Lemon discussed the city's need of a legal library and estimated total cost of \$2,700. He suggested some method be worked out to budget a portion each year, and commissioners requested he present a definite plan at the next meeting.

Bills were approved at the meeting. All commissioners were present for the regular session.

Teachers Name Vardy President

Slaton was well represented at the sixth annual District 13 Texas State Teachers Association convention in Lubbock last Friday. Almost 4,000 teachers from 16 South Plains counties attended the meetings.

Dr. Lee Vardy, superintendent of Slaton schools, who had served as vice-president for the past year, was elected as the association's new president.

The Slaton Classroom Teachers is the only school in District 13 who is 100% in membership.

Young Farmers Meet Tuesday

A meeting of the Slaton Young Farmers chapter is scheduled Tuesday night in the high school building.

Topic of the program will be "soil fertility." A soil agronomist from Kilgore will be here to present the program.

Young Farmer members and interested men are urged to attend the meeting, starting at 7:30 p.m.

City Adds 15 New Families

Fifteen more families, including a total of 41 persons, moved to Slaton during February, according to a report from the Chamber of Commerce.

The new families in the community include: Mr. and Mrs. Jerry Johnson, Tracy Ann and Danielli, moving here from Amarillo and now residing at 120 N. 11th St. He works in Lubbock, and she is employed by Phol's Beauty Shop as a beauty operator.

Mr. and Mrs. Emmett Rogers, moving here from Olton and now living at 145 W. Scott St. He is a salesman at Forest Lumber Co.

Mr. and Mrs. Creed Bradford, moving here from Post, and living at 435 S. 3rd St. He is employed as a welder for Caprock Sand & Gravel.

Mr. and Mrs. Bill Roach, moving here from Post and now residing at 1135 S. 13th St. He is a checker at United

Division Street-- a thorny issue with city officials in recent months--was cause for another controversy this week when property owners along the thoroughfare appeared at a public hearing Monday night to object of an assessment program for curbs and gutters.

The group objected to being assessed on the grounds that the City of Slaton did not

comply with statutes before passing the assessment ordinance and, in addition, did not clearly notify property owners of their obligations.

However, Slaton City Commission, meeting in regular session immediately after the hearing, decided to proceed with the assessments if all legal technicalities could be corrected.

About 15 property owners appeared at the meeting and told commissioners, through a spokesman, that they "strenuously objected" to any assessment being made.

Gordon Treadway Lubbock attorney, said the group felt that the city had "failed to follow statutory requirements" before passing the assessment ordinance.

After the public hearing was closed, the commission went into regular session and discussed the matter before proceeding with other business.

On a 3-1 vote, with Clark Self Jr. dissenting, the commission moved to go ahead with the assessments "pending a study to determine if legal requirements have been met."

In the discussion, Commissioner Robert Banks Jr. said he felt people on the street were receiving a "precious gift", and should be assessed for curbs and gutters. In the city paving proposal now underway, property owners will pay a portion of the paving and for all curbs and gutters.

Commissioner Earl Reasoner said he felt that if only technical errors had been made, the city should rectify these mistakes and assess.

During the hearing, the Lubbock attorney suggested to the commission that they, "in all good faith, moved too fast" on the project and didn't comply with procedures as set forth in the statutes. And, on general principles, he added that the legal notice and publicity concerning the project were not clearly spelled out.

Treadway restricting his remarks only to the curb-and-gutter question, said many of his clients thought that the city of Slaton was going to pay for the curbs and gutters, not the property owners involved.

The attorney said the commission failed to pass a resolution last year proclaiming the paving project as a public necessity; that they failed to take formal action in notifying property owners of a cost estimate before work started; that no notices were sent to owners on the estimated cost per front foot; and that a voluntary assessment notice mailed to property owners was confusing.

City Attorney George Lemon and City Engineer Bennett Reeves both stated in the hearing that the city, from the beginning of the project, never had intentions of paying for curbs and gutters.

Lemon said there was a doubt in his mind as to whether or not the city followed all specified requirements. He added, however, that the statutes provide for the city to go back and rectify technicalities. He also said he thought the publicity on the curb-and gutter matter "could have been spelled out more clearly."

Treadway read from an August, 1964 issue of The Slatonite, using portions of an advertisement and a news story concerning the Division Street project. A portion of the ad stated: "Division Street is to be replaced, with the county paying for the paving, and the city bearing only the cost of curbs and gutters."

The news article stated in part: "The cost to the city in re-working Division Street would be only for new curbs and gutters. The county is to pay the cost of paving on the street..."

Treadway admitted that people are prone to read their own meaning into phrases and sentences, however, he claimed his clients were not properly notified of the city's intent to assess them.

Lemon emphasized that the city's haste in developing the project was motivated by the commission's desire to save money and secure a better street project for taxpayers and, specifically, for the owners along Division Street.

Reeves also pointed out that the commission attempted to secure voluntary assessments from the owners so that the work could be started and tied into the county work being accomplished on Division.

"Since the county had agreed to pave Division, the commission thought it would be good time to include the curb and gutter project," Reeves said. When the voluntary payment method drew objections, the city had to move fast to advertise for bids and go into an assessment program in order to complete the project.

Reeves said he presented a preliminary estimate of the city's cost and property owners' (See CITIZEN'S Page 5)

SPELLING CHAMP NAMED--Miss Laura Childers, 13-year-old daughter of Mr. and Mrs. W.V. Childers, won the spelling bee here Monday by spelling the word "Confusion". Laura Childers Wins Bee Again

Laura Kate Childers, 13-year-old daughter of Mr. and Mrs. W.V. Childers, repeated as Slaton Spelling Bee champion Monday and for the second year will attempt to capture the Lubbock County spelling crown.

After winning the local title last year, she finished sixth in the County Bee. She will compete in the Lubbock County Bee April 10. The winner there will try to outspell county champions from all around the Lubbock area. This regional bee scheduled for May 1 is sponsored by the Lubbock Avalanche Journal, and the winner goes to Washington, D.C.

The magic word for Laura was "confusion". Runner-up Mike West, 14-year-old son of Mr. and Mrs. Charles J. West got a little confused over confusion. Laura spelled it correctly, and then spelled "constitution", to earn the title.

Coming in third was Bobby Space, 14-year-old son of Mr. and Mrs. C.W. Space. All the top three contestants were eighth graders of Slaton Junior High.

Mrs. Raymond Smoot school supervisor, was pronouncer for the contest. Mrs. John Floyd served as judge, and she had also been the coach for the sixth grade students. Eighth grade coach was Mrs. Newma Carnes. Laura, first place winner, said her mother was also a "real good coach."

Principals are reelected by School Board

All full-time principals in the Slaton schools were reelected and given three-year contracts during a regular meeting of the school board Tuesday night.

The board also approved the adoption of text books by the textbook committee, approved installation of two ventilator fans at West Ward, heard routine reports and approved payment of bills.

Principals reelected were M.W. Kerr, J.D. Perkins, T.C. Martin, Joe R. Green, and O.B. Allen. Part time principals were given one-year contracts.

Installation of ventilator fans in two rest rooms at West Ward was approved in order to increase the flow of air through these rooms.

The adoption of textbooks consisted of arithmetic in grades 1 through 6, supplementary readers for grades 7 and 8, science in grades 7 and 8, civilt government in the 8th and 12th grades, related mathematics in high school, driver education and safety in high school, and biology.

Lyon Maeker is reported in good condition after being released from Mercy Hospital Tuesday morning. He was involved in a car wreck at 610 S. 14th St. Saturday about 7:15 p.m. when he started to turn off Division St. onto 14th St., lost control of the car, and hit a tree.

He was admitted to Mercy Hospital with severe scalp and facial lacerations and a concussion. His head went through the windshield.

Maeker is the son of Mr. and Mrs. Ed Maeker of Posey. He is married to the former Sue Reasoner, and they reside at 1923 A 21st St. in Lubbock. He is a senior at Texas Tech. Maeker and his wife are staying with his parents until he recuperates.

Voters Eye 2 City Contests

The die is cast for Slaton's city and school elections next month, with voters having only two contested races in which to cast their ballots.

The final filing deadline passed Saturday with no new announced candidates.

Drawing for places on the ballots today will be three in the mayor's race--incumbent Jonas Cain, J.W. (Curly) Martindale, and Luther Gregory; and two in the Ward 3 commissioner's race--incumbent Henry Bollinger and J.A. (Jack) Smith.

Clark Self Jr., incumbent city commissioner in Ward 1, will not be contested for his post. He will be up for

his first elective term after an appointment to fill out the unexpired term of Truett Bownds.

Two seats are to be filled on the Slaton School Board, and only two candidates filed--Don Kendrick and Tommy Davis Jr. Incumbents R.E. (Bob) Ayers and J.T. (Tip) Kendrick did not choose to seek reelection. It will be a case of son replacing father when the younger Kendrick takes his oath as trustee.

Absentee voting for the city election will open Tuesday at City Hall. The school is scheduled April 3, and the city balloting follows on April 6.

STRENGTH FOR THESE DAYS

Put love first. (1 Cor. 14:1).

We may speak in the tongues of man or even of angels, but if we are without love we are merely sounding a gong or a clanging cymbal.

We could have the gift of prophecy or be able to move mountains but if we have no love, we are nothing. And the greatest measure of our love should go to God.

SLATON'S 6TH ANNUAL EVENT

Stock Show Set Friday

The 6th annual Junior Livestock Show will be held Friday afternoon in Tiger Stadium. Judging is scheduled for 1:30 p.m. Money and ribbons will be given in all classes, the amount depending on the class. A cash showmanship is also to be presented.

This year's show is being sponsored by the Slaton Young Farmers Chapter. Judge for the show will be Dan Taylor, vocational agriculture instructor at Cooper High School. About 50 boys are expected to show animals here, estimated Don Mitchell, Slaton agriculture teacher. The show is open to all Future Farmers and 4-H Club members in the Slaton School District.

Slaton merchants and individuals are helping the boys sponsor their animals, since many of them participated in purchasing membership cards in the livestock show. The local show comes on the heels of the Lubbock County show this year and just prior to the huge South Plains Junior Livestock Show in Lubbock.

OFFICIAL TO VISIT LEGION POST PARTY HERE

McGregor, adjutant of American Legion, will list of honored guests Slaton's Luther Powers during its 40th anniversary Tuesday night.

Judge for the show will be Dan Taylor, vocational agriculture instructor at Cooper High School. About 50 boys are expected to show animals here, estimated Don Mitchell, Slaton agriculture teacher. The show is open to all Future Farmers and 4-H Club members in the Slaton School District.

The local show comes on the heels of the Lubbock County show this year and just prior to the huge South Plains Junior Livestock Show in Lubbock.

P. Schmid, commandeer of local post, announced that McGregor received an invitation to attend the dinner. The dinner is scheduled for 7 p.m. with bingo following the buffet meal.

Ellis Schmid had a committee making arrangements for the dinner. Others on the committee are Mrs. Luther Gregory, auxiliary president; Mrs. Glen Payne, historian; Mrs. H.E. Woods, secretary; Mrs. Earl R. Wilson, sergeant-at-arms, and past presidents Mrs. S. W. Clark, Mrs. Jo Nelson, and Mrs. E.C. Davidson.

Two Slaton FFA members showed breed champions in the county show last week, and 11 other placed pigs in the show. Larry Gamble showed the champion Spotted Poland China, and Richard Atzbach had the champion Poland China.

Gregory, the high-ranking state official is scheduled to appear on a television program in Lubbock Tuesday at 12:15 p.m. on Channel 11. The program is "Community Close Up", and Gregory is expected to comment on the proposed closing of veterans' facilities in Texas.

The grand champion barrow was exhibited by Jay Winters of Idalou, a 4-H member. Other Slaton boys placing in the county show: Randy Sammons, 5th; Dennis Brooks, 6th; Jay Dunn, 8th, and Danny Roberts, 9th, in the Poland China division; Ray Childress, 7th; Rex Connor, 7th and Tommy Biggs, 12th, in Cross Breeds; Don Bukemper, 3rd, in Spotted Polands; Curtis Alspaugh, 12th, in Durocs; Don Bukemper, 11th, in Chester Whites; Tommy Williams, 5th in fine wool lambs and 5th in cross bred lambs.

About 300 head of swine were entered in the county show and about 150 head of lambs.

property value. The commission, it would seem, has no choice but to assess for curbs and gutters. It's unlikely that parts of town would volunteer to help make the payments. presented and accepted. Mrs. Albert Kuss and Mrs. Jack Kuykendall received the obligation of the auxiliary and were welcomed as new members. The group voted to contribute \$55 to the Health and Happiness Fund of the VFW National Home, which is for children of deceased or totally disabled veterans. Various auxiliaries have established and continue to maintain the hospital, community center, nursery cottage, guest lodge and chapel at the home. Reports from the different committees were heard. Mrs. Jasper Moyers and Mrs. J.T. McLeroy volunteered to furnish transportation to the Child Conference Clinic on March 25. Chairman of the house-numbering project, Mrs. Billie Clements, reported that the map had been completed, the house numbers purchased and delivered, and the auxiliary is now ready to start putting numbers on the home of the indigent. Tentative plans were made for the Volunteer Fireman's dinner which the auxiliary will cater on May 15. All members were urged to attend the VFW and Auxiliary District meeting in Post on March 20 and 21. The first quarterly audit of the books will be on April 12 at 7:30, and all trustees are asked to be present, or notify the president in advance of their proposed absence. Refreshments were served following the meeting by Mrs. Clements and Mrs. Mosser to members of the VFW Post and Auxiliary.

May Wedding Planned In Wilson Church

May 7 is the date selected by Miss Nancy Grace Foster and John Frank Davis to repeat wedding vows. The ceremony will be performed in Wilson First Baptist Church with Rev. Frank F. Scott of Seagraves officiating. The bride-elect is the daughter of Mr. and Mrs. Ray Foster of Wilson. She is a graduate of Wilson High School, attended Texas Tech, and is employed by Equitable Life Assurance Company. Parents of the prospective bridegroom are Mr. and Mrs. W.T. Davis of Slaton. He was graduated from Slaton High School, attended West Texas University and is employed by Santa Fe Railroad Co.

900 Trees To Be Planted By Garden Club

District 1 of the Texas Garden Club, which includes Slaton, will soon receive seedlings furnished by the Texas Reorestation Service. The club has dedicated "Operation Windbreak" to their state president and the local project chairman is Mrs. Earl Wilson. The operation will soon be underway in Slaton. Nine hundred trees ordered by the Garden Club have arrived. Two hundred will be used at the new golf course and the remainder in rural areas. The trees are loblolly pine.

Young Couple Wedding In June

Marilyn Gilmore and Chapple are planning a wedding in the First Church. Gilmore is the daughter of W.C. Gilmore and W.C. Gilmore. She is a senior in West University where she is in elementary education. Chapple is the son of Mr. F.E. Chapple, Jr. He is a graduate of Slaton High School, has attended West University, and is preparing for a junior in the college of Veterinary Medicine at Texas University.

BRT Auxiliary Plans Supper

Mrs. W.J. Thomas was the hostess for the Ladies Auxiliary to the Brotherhood of Railroad Trainmen's regular first Monday of the month party March 1. Refreshments were served.

The group met again last Thursday. It was reported at the meeting that the Grand Secretary-Treasurer, of the L.A. to the B. of R.T., passed away Feb. 24. The draping of the charter ceremony was conducted by the members of the Slaton Lodge 894 in memory of the deceased Miss Grace Beran.

The next regular meeting is March 18, 10 a.m. at the American Legion Hall. The family night covered dish supper will be that night. After the supper, which will begin about 6:30 p.m., games will be played by both adults and children. All members are urged to come and join in the fun.

The officers expressed their appreciation for the work done on the recent candy sales.

Cub Den Makes Trip To Wilson

Cub Scout Den 2, with Mrs. Charlie Smith den mother, traveled to Wilson Monday on a field trip to see antiques at the Mercantile General Store.

Making the trip were Randy Green, Chuck Smith, Danny Miller, Jimmy Rackler, Mark Berkeley, Don Townsend, David Gossett, Joe Wayne Fondy, Den chief, and David Scott, mascot. Trip Chastain missed the trip due to having the mumps.

Mrs. Bill Green assisted and brought refreshments which were served in the store around an antique stove.

MISS PATSY PETTIGREW

WEDDING PLANNED JUNE 1

Wedding vows will be read for Miss Patsy Pettigrew and John S. Tanner June 1 in the First Baptist Church.

Parents of the couple are Mr. and Mrs. Hern Pettigrew of Slaton and Mr. and Mrs. S. Tanner Jr. of Dallas.

Miss Pettigrew is a candidate for graduation in May from Baylor University with a B.A. degree in secondary education. She is a member of Laurel Society, honorary for seniors, and Athenian Social Club. She is listed in Who's Who in American Colleges and Universities.

The prospective bridegroom is a graduate of Baylor and is attending Southwestern Seminary in Fort Worth.

LA FREDA JO HAMILTON

Engagement Announced

Mr. and Mrs. Joe B. Hamilton of 315 54th St., Lubbock, formerly of Slaton and Sweetwater, announce the engagement and approaching marriage of their daughter, Miss La Freda Jo Hamilton to Cecil Ray Richardson. The prospective bridegroom is the son of Mr. and Mrs. George Richardson of 603 Cypress St., Roscoe.

Miss Hamilton attended high school in Slaton and Sweetwater. She is presently employed by Methodist Hospital in nursing service.

Richardson is a graduate of Roscoe High School and attended Ranger Junior College. He is employed in Houston.

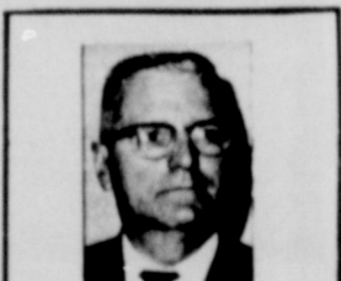

Influence Of Spain Seen In Fem Fashions

Much of the influence for the currently popular feminine fashions can be traced back to Spain, says Reba Merle Boyles, A&M Extension clothing specialist.

Adaptations from Spain's romantic past can be seen in the ruffles and lace, lavishly embroidered fabrics, with cottons trimmed with scrolls of black braid, mosaic patterns, abstract designs of black or dark stripes and other fabric patterns.

These elegant designs are making Madrid a high-fashion center second only to Paris.

Women's fashions are not the only fashions reflecting the influence of Spain, however. Take a look at furniture and other home furnishings items that are currently popular in this country. Among this season's top favorites are Spanish styles, which were created by leading designers from Spain and other countries.

WHIRL

BY LAVON NIEMAN

Have you seen prettier weather than Monday was? It made me want to get out of this office and home digging in a flower bed. It's so nice to have a day without blowing dust. Mind you, I'm used to it and am not really complaining. But wouldn't a full day of rain look good about now? It's on its way...we'll just have to be patient.

WW

The things we females go through to "try" to look a little bit better would just absolutely appal you. If I had ever had thoughts of being a blonde...to see if I would really have more fun...the thoughts have been put away.

The process that a poor soul is put through before she finally emerges as a beautiful blonde are astounding, as well as lengthy and costly. And then what if it's late at night and you forgot to get a toner? That's what happened to a friend of mine. Her hair was so "blonde", she noticed no one wanted to go to the cafe or drug store with her the next day. One thing for sure, a toner will be applied right away.

A friend of mine told me about seeing an operator pouring club soda over a customer's hair before the color was put on the hair. Now, I've heard of condensed milk, salad oil and a few other ingredients, but never club soda. She says the soda is supposed to stop the color from burning the customer's scalp...so I guess anything is acceptable as long as it works.

WW

While we're telling you about hair, we'll tell you about the new styles for spring and summer. The big bubble that we often wondered if it would fit in a number 2 washtub is gone... and it's been replaced by gloriously carefree and lighthearted hair styles that really swing when you move your head.

You'll be glad to hear that the new hair styles really make good sense. Aside from being natural, they are easy to wear. For daytime, the new collection features soft curves on little, smooth and airy coiffures of simplicity and casualness.

The little head look is now a fashion note. Evening calls for more dramatic glamour, more dramatic combing into waves and curls. The secret of the easy wear of the new styles, so some of our local operators have told me, is in an absolutely perfect haircut.

And here is hair coloring again...for those of you that can take it. Soft butterfly colors in natural shades are blended into several harmonious tones. Among fashion colors, a medley of soft blonde shades will be important, as will be the lady...like brownettes and feminine reds.

In makeup, too, the lady-like and natural look prevails, new emphasis is placed upon the lips with clear soft colors. Eyes, too, will be softer. There are your hair fashion notes for spring and summer, according to the National Hairdressers Association.

WW

In behalf of the Chamber of Commerce, I would like to encourage landlords who rent their property with bills paid, to please call the Chamber of Commerce office when newcomers to Slaton move into their apartments or houses.

The newcomers list is composed of new gas connections, and sometimes this leaves out people that need to be included. And on the other hand, someone who has been renting with bills paid for months or years is not listed on the newcomer's list until they apply for a gas connection.

Your cooperation will certainly be appreciated, and we feel this will help make each newcomer feel more welcome if they are recognized soon after moving to town.

Mrs. German Returns Home

Mrs. M.L. German has returned home after spending nine days at Colorado Springs, Colo., visiting her son Eugene and his wife, Carolyn.

While there, Mrs. German attended the world championship skating at the Broadmoor Hotel arena.

Eugene is superintendent of parks with the Colorado Springs Park Department, which in addition to the city parks, also has charge of The Garden of the Gods and Cheyenne Canyon.

Posey News

MRS. ANNA B. GENTRY

Hello Slatonite readers! I hope you won't be too disappointed with a new reporter. I am sure I will not do as well as Mrs. Haddock did with the Posey News, but I will do my best and will appreciate my neighbors giving me a buzz when you have some news of interest. My phone is VA8-3041.

I received a nice letter from Mrs. Terrel Allen who lives in or near Mason now. She and her husband have a ranch here. She takes the Slatonite and commented on it, saying how much she enjoyed it, and that it had improved since they lived here, she especially enjoys the community news and many other things in The Slatonite.

Recently, Mr. and Mrs. M. P. Gentry visited with her sister and husband, the Bert Darlands of Morton, after lunch they drove to New Mexico to see Mrs. Gentry's and Mrs. Darlands brother and wife, Mr. and Mrs. Jay Carroll, they then went to see their grandmother's grave. It was 35 years since Mrs. Gentry had been to the cemetery, at that time she and some other of her folks had placed a large clear bowl on the grave for decoration along with a jar of flowers. They were still there, and both the bowl and the jar had turned a

beautiful purple. We just supposed the sun had caused the color over the period of years.

We are very sorry to report Lyndon Lee Maeker, son of Mr. and Mrs. Ed Maeker was seriously hurt in a car wreck in Slaton Saturday night and is in Mercy Hospital at Slaton. We hope he recovers soon. Miss Carolyn Harper spent the weekend with her mother Mrs. Lillie Harper and family, her grandparents, Mr. and Mrs. M. P. Gentry brought her home from Plainview where she is attending college.

Out here all the irrigation wells are running in high trying to get enough moisture to plant on. Ole man weather sure would make alot of farmers happy with a good ole fashioned rain.

Mrs. Bill Gibson from Kermon, Calif, a aunt of Mrs. Effie Gentry is recovering from a stroke suffered recently.

Mr. and Mrs. Gilbert Self from Slaton were visitors of the M. P. Gentry's Saturday. Mrs. Lillie Harper received word that her mother-in-law was ill in a Clovis hospital with pneumonia.

Mr. George Hilbers from north of the Canyon visited in the Fabian Stahl home this weekend. He and Mrs. Heddie

SANTA FE SAFETY RECORDS--Officials of Santa Fe Railway's Slaton division recently received trophies in recognition of the best safety records for the fourth quarter of 1964 among Western lines. Holding the trophies are, left: H.E. Anderson, master mechanic; G.A. Alexander, superintendent; and R.D. Bisbee, division engineer. Back row are F.N. Stuppi, general manager, who presented the trophies, and J.H. Blake, assistant general manager, both of Amarillo. (SANTA FE PHOTO)

Kelley who is living in the Stahl's home drove over to Mr. and Mrs. Joe Moeller's home and played dominoes. They had a lot of fun, especially the men, as they won most of the games.

This reporter had a most enjoyable weekend last week, having spent Friday, Saturday, and Sunday with my daughter, Mrs. Bobby Swann and family in Lubbock, and we all went to my son's home, Mr. and Mrs. Charles Gentry to a house warming. They have just bought a home on 29th Street in Lubbock, then we visited Mr. and Mrs. Pat Swann of Wilson. She is recovering just fine from a recent heart surgery. It was a real treat getting away from home as it had been eight months since I had been off the place. Being confined to a wheel chair makes one appreciate getting out occasionally.

I'll try to write a more interesting column next time. Don't forget to call your news to me.

Officials of the Slaton division of Santa Fe Railway were in Amarillo recently to receive trophies in recognition of the best safety records for the fourth quarter of 1964 among Western Lines division of the railroad.

Supt. G.A. Alexander accepted the divisional over-all safety trophy, the second time in 1964 for the Slaton division to win the award. H.E. Anderson, master mechanic, accepted a trophy for mechanical employees who posted their first 1964 win.

R.D. Bisbee, division engineer, brought home the maintenance-of-way trophy, which his employees won in all four quarters of 1964. Presenting the trophies was F.N. Stuppi, general

manager, of Amarillo.

-SFE-

Following supervisory changes in the engineering department of Santa Fe Railway's Western Lines were announced March 1.

Leonard D. Langham, general foreman, bridge & building at Clovis, N.M., has been promoted to assistant division engineer, with headquarters at Clovis.

Herman W. Green, Jr., transitman, La Junta, Colo., has been advanced to office engineer at Slaton, succeeding Taylor.

Langham was born at Lamasa, Tex., in 1926 and attended Texas Tech at Lubbock for three years and the University of South Carolina for one year, majoring in civil engineering. He entered the service as a chairman in the engineering department at Clovis in 1946. Rising through the ranks he has worked in various engineering capacities at Amarillo and Slaton, Tex., Wellington, Kan., and Chicago, until his appointment as office manager at Slaton in 1959. He was promoted to general foreman, B & B, at Amarillo in 1962, transferring to Clovis, Jan. 1, 1964.

Green, who was born in 1926 at Salida, Colo., completed two years of Junior College and an International Correspondence School course in civil engineering, prior to entering service as a rodman at Pueblo, Colo., in 1953. He, too, has served in a number of engineering department capacities at various points on the Western Lines until his transfer to La Junta as a transitman in 1961. Green, who is a Navy veteran of World War II, is married and the father of two daughters.

SOUTHLAND NEWS
MRS. EDMUND WILKE

This week, along with many other wives in this community, I am a "Fishing Widow". The Hackberry Gin Co. has taken a group of its customers to Falcon Lake on a fishing trip. I've got my skillet ready and waiting!

Mr. and Mrs. J.B. Rackler and Beverly attended the FFA Stock show at Tahoka last Saturday. J.B., Jr. had two hogs entered in the show.

A group of friends gave Mrs. Rosie Patterson a birthday last Sunday afternoon. Rosie is a resident at the Slaton Rest Home. Many of her friends that couldn't attend the party sent her gifts and cards.

Miss Carol Stolle spent the weekend at home. She is a student at Texas Lutheran College at Seguin. Carol is a junior and her major is physical education and health.

Mrs. Francis Lightfoot of Fort Worth visited in the home of her daughter, Mrs. Paul Winterrowd, last week. While here she attended the senior play. Her granddaughter, Dahlonna, was in it. Also attending the play was Dahlonna's other grandparents, Mr. and Mrs. Bill Winterrowd from Amarillo. The Bill Winterrowds are former residents of Southlands and still have many friends here.

Mrs. Paul Winterrowd and Dahlonna visited in Lubbock Sunday with Mr. and Mrs. H. A. Lightfoot and Kaye Lynn, Rev. and Mrs. Ralph Cooper and children have gone to Winters for a visit with Mrs. Cooper's parents, Mr. and Mrs. Baker.

Sunday was a big day for Rev. Cooper. It was his birthday and he had a houseful of guests and they all went out into the backyard and had a Bar-B-Que.

Mr. and Mrs. C.J. Miller have returned from Houston where he went for a medical check-up. Making the trip with them was Mrs. Alton Russell.

Mr. and Mrs. R.D. Eckert and family have moved to the Lazy K Ranch.

Mr. and Mrs. Walter Stolle, Carol and Cecil, visited in the Elmer Gindorf home on Sunday. It was Mrs. Gindorf's birthday and some of her other guests were Mr. and Mrs. C.W. Gindorf Sr., Mrs. A. Wilke, Mr. and Mrs. E.C. Stabeno, Mr. and Mrs. Alton Hobbs and Mrs. Jackie Bishop.

Mr. and Mrs. Marcus Wilke have come home from Granite Shoals where they have been for several weeks.

I am sending out a PLEA for HELP.--I need more news, so would you please call me any day of the week and give me some? 996-2423

STILL IN THE ROUGH--Slaton's new municipal golf course is still "in the rough" but the links layout is beginning to take shape. Seminar Slated On Oral Cancer

"Diagnosis and Treatment of Oral Cancer" will be discussed by a panel of well qualified physicians and dentists at a seminar to be held in Amarillo at the Holiday Inn West on March 13.

Over 600 physicians and dentists from throughout the Panhandle have been invited to attend the seminar which is being sponsored by the Texas Division of the American Cancer Society, the Panhandle District Dental Society, the Panhandle District Medical Society and the Potter Randall County Medical Society.

The program is designed to cover oral cancer management from the time the patient presents a lesion, to diagnosis, treatment plan and follow-up management.

The activities will begin at 1 p.m. with a "Dutch Treat" luncheon. The scientific session will begin at 2 p.m. A social hour from 5 to 6 p.m. will also be held.

If your wooden salad bowls are dry and rough from continued washing, here's a simple remedy. Rub a little salad oil into the grain of the wood, repeating until bowls regain some of their glossy finish.

Corraling the Mustangs

BY MRS. TED MELUGIN

The Wilson Community is extremely proud of its 1965 seniors, and starting this week, the Slatonite will start a series of "sketches" about each senior.

Included in the series will be 17 students, including two sets of twins. Featured this week are Loyce and Royce Baker, children of Mr. and Mrs. George Baker, Rt. 2, Wilson. Loyce and Royce are highly regarded around the halls of WHS by all who know these friendly, active 18-year-old twins.

ROYCE BAKER

Royce would have to list sports as his favorite hobby as he has lettered in football four years, and participated in basketball and track. He enjoys water skiing and tennis, and pool.

He is a senior class officer and lists the following as his likes, dislikes, and pet peeves: song, "I Can't Stop Loving You"; favorite teacher, Coach Duncan and Miss Gloria Price; favorite singer, Roy Orbison; color, blue and red, TV show, "The Fugitive"; movie, "Tom Jones"; actor, Sean Connery and Walter Brennan; actress, Sophia Loren; ambition, attend San Angelo College and his pet peeve is people who do not stand up for their rights.

Savings Bond Report Given

January Savings Bonds sales in Lubbock County totaled \$147,855. This announcement was made recently by A.C. Verner, Chairman of the county Savings Bonds Committee. This represents 8.2 percent of the 1965 goal of \$152.5 million.

In announcing the sales figures for the county, Verner pointed out that the rallying cry of this year's bond campaign is "Practical Patriotism."

"The purchase of U.S. Savings Bonds is 'practical' because it is easy and sure. It is patriotic because the purchase of bonds are a mark in the faith of our country and its future. 'Practical Patriotism' is just good common sense and I urge all the citizens to buy bonds where they work or bank," Verner said.

Auto Safety Inspection Due By April 15

There will be no extension of the Motor Vehicle Safety Inspection deadline April 15, 1965, announced Captain Alan Johnson of the Motor Vehicle Inspection Service, Texas Department of Public Safety, for this area.

"Only two million of the five and a quarter million registered vehicles in Texas have been inspected. This leaves over three million vehicles to be inspected in about five weeks," said Captain Johnson. Many thousands of vehicle owners can expect to wait in long lines in order to get their vehicles inspected by the April 15 deadline.

It is almost apparent now that many vehicle owners have waited too long for the inspection stations to safety their vehicles by April 15. "Any driver operating a vehicle registered in Texas that is required to be inspected, on public roads after April 15 without a valid 1965 inspection sticker will be operating in violation of the law," stated the Captain.

The DPS supervisor said, "The purpose of the motor vehicle inspection program is to discover any maladjustment which might become a link in a cycle of events leading to an accident, and by removing the link, prevent the accident."

Southwestern Bell is going mile, literally, to make rural service even better than it is. The difference for most customers is immediately noticeable.

Simple, in many exchanges, a telephone service boundary being extended miles farther countryside to make higher phone service available to people. And hundreds of miles telephone cables will go into replacing "open wire" lines and impervious to moisture,

these new cables provide hi-fi clarity plus greater dependability (phone wires inside them are safer from storm damage and weathering).

Undertaken at a cost of nearly half a million dollars, these rural service improvements are part of this year's massive construction effort (our biggest ever). An intensified program to further improve the quality of the fine telephone service you now have, whether you live in town, on a farm or ranch. You might call it a communications bonus from Southwestern Bell.

Deadline Soon On Scholarship Given By SCTA

March 15 is the deadline set for the Slaton Classroom Teachers Association, A.C. Strickland Scholarship. Applications should be turned to the chairman of the scholarship of SCTA.

Certain qualifications must be met by the applicant. Graduating seniors, who have attended Slaton High School at least during their junior and senior years and who plan to be a teacher, may qualify, (provided they have a B average or better) Need, citizenship, and attitude are also qualifications.

The applicant must write a letter of application, a statement about family background and financial status, and an essay on why the student wants to be a teacher. Written letters of recommendation are also required. The recommendation letters are to be mailed directly to the scholarship committee. Recommendations must be without reservations.

The money, not to exceed \$100 per long semester, should be given at the beginning of the first and second semesters of school to the proper person at the college selected by the student. It shall be the responsibility of the SCTA Scholarship Committee to check on the recipient at the end of each grading period to see if the student has maintained the proper grade point average of 2.5 (C plus) or better in order to qualify for the next semester.

STEVE DONALDSON

One of the James Bond-Beatle fans around SHS is Steve Donaldson. Steve was born in good ole' Slaton.

Steve's favorite teacher is Mr. Laceywell, favorite food is, of course, Mexican food. His favorite actor is Sean Connery along with Barbara Eden as his favorite actress. Steve's favorite car is the Chevrolet. His favorite song is "Can't You Hear My Heart Beat". His past time is listening to records. When asked what his most embarrassing moment was, the reply was CENSORED, as usual!! His hobby is playing the guitar. When asked what he like to do that was unusual, he replied "Stack B.B.'s". Steve's advice to freshmen is, "study hard now, so you can have fun later."

DEE ETTA MEURER

A smiling face around SHS is that of Dee Etta (Detty) Meurer.

Dee Etta was born here in Slaton Oct. 12, 1947 and has lived here ever since. Detty has participated in the following: FHA- 2 years; D.E. 1 1/2 years; Journalism- 1 year and Choral - 3 years. When asked what her favorite food was she replied, "Hamburgers and Chocolate Pie." Her favorite 's are: Song- "Little Things"; Singer- Roy Orbison; Movie- Blue Hawaii Actor- Jerry Lewis; Actress- Pamela Tiffin. Favorite color- blue; teacher- Jackson (if she must have one); and her favorite subject is bookkeeping. She said that her pastimes are "the weekends and what I do." Her most embarrassing moment is when she interchanges her words. Detty's advice to freshmen is to study hard but have fun in your high school years. Her future plans are to go to work and then just take what comes along. Dee Etta's pet peeve is "Theron's good luck and Fords!"

JIMMY MARRIOTT

On the crisp, cool morning of January 6, 1947, Jimmy Marriott was born. He was born in Sherman, Texas.

Among Jimmy's favorites are song: "Can't Slow Down"; band: "The Nite Beats"; food: steak, teacher: Townsend, and class: band. Jimmy's advice to freshman is to get out of school as soon as possible.

Slaton Places 5th In Meet

Slaton placed fifth in the AA Division of the Idalou track meet Saturday, March 6.

Bob Brake and Gary Brush set new records in the high jump, 6'2", and pole vault, 11', respectively. Brake also placed second in the pole vault, third in the 120-yard high hurdles, and fourth in the broad jump with a jump of 18'6". Brake's high jump was, according to Coach Macon, outstanding. Larry Gamble placed second in the 180-yard low hurdles.

Cosch Macon said that he thought the team did real good as a whole and the boys put out a real effort.

West Ward Elementary. The musical was a highlight in observance of Public School Week, and took the place of March PTA meeting. Single selections were also given at the program. No other special observance was noted. However, each school did extend a warm welcome to any visitors.

Play Cast Working For TIL Contest

The members of the speech play cast are working hard preparing for the interscholastic speech play contest in Denver City, March 30.
They will present Red Heels and Roses, a one act comedy of colonial times. The characters are as follows:
Sarah-Gay Bowman, Deborah-Carolyn Means, Abigail-Sharon Self, Nicholas-Ray Hampton, Goodman Gutch-Kenneth Romines.

FFA Boys Selected For Local Show

Slaton's FFA Chapter has been very active this year, and the next few weeks promise to be no different.

Next on the list is the local junior livestock show Saturday at Tiger Stadium. It is open to any member of 4-H or FFA in the Slaton School District. Don Taylor, ag sponsor at Woodrow will be the judge for the show. The prizes have been donated by local merchants and individuals.

About 25 boys from Slaton were to show their stock, including 35 hogs and 2 lambs, at the Lubbock County Junior Livestock Show last weekend. This is the largest county show in the state.

INTEREST, DESIRE MAKE FOREIGN LANGUAGE EAS

One of the more familiar faces around SHS is that of Mrs. Gilmore, speech and Spanish teacher. Mrs. Gilmore received her master of education at West Texas State and first taught in Turkey High School.

Mrs. Gilmore's career of over 30 years began when she graduated from college. Previous to that, she had attended an academy and college, two years each.

The secret to being a successful teacher, "Mrs. Gilmore stated, "is to have patience, understanding and endurance."

Honorary member of FHA, Kappa Kappa Iota Sorority member, member of national state, and local teachers' associations, and member of the Methodist church all describe Mrs. Gilmore-yet she still has time to sponsor all interscholastic League Speech contest.

"Some of my most memorable experiences in the teaching field," she said, "were the students who 'meet'."

Mrs. Gilmore, who has been a member of the World's FFA since she visited foreign pavilions in Canada and Mexico.

Marilyn Gilmore, daughter of Mrs. Gilmore, senior at West Texas State is majoring in education.

"I believe an enough interest in learning a foreign language as a requirement for graduation."

Practice For Goals
Now that based on there are plans that are out for the girls.

Approximate practicing of making the list of chosen boys and will consist of two or three. After the are chosen, the couple of boys are entered in tournament.

If they are to win the ment, they will compete in ment.

The girls' choir and the mixed choir will go to Texas Tech., Saturday, March 13, for the Interscholastic League Concert and Sight Reading Contest.

Both choirs will sing three songs. The girls' choir will sing "Christus Factus Est", "Susan", and "Hares on the Mountain". The mixed choir will sing "The Traveler", "Never Tell Thy Love", and "Sixteen Soldiers".

There will be approximately 45 members of the girls' choir and 85 to 90 members of the mixed choir going to the contest.

"OLD FRIENDS"

J.J. Maxey and wife Pauline (class of 1927) were in Slaton over the weekend. J.J. came to the meeting of the ex-students had Sunday afternoon. We appreciated his presence very much. He told us he had run in to several "old friends" the past year. One he mentioned was Earl Wicker (class of 1926). We had been unable to get an address on Wicker so he was pleasantly surprised to hear of the ex-students assn. and asked to be included in its activities. Earl will be remembered by many for his ability on the football field--so they tell me.

Tom Able (class of 1923) of Lubbock was in our town a few days ago. He couldn't find his way around--"been too many changes". Able was on the football team also--but I don't know if they were called Tigers in the 20's.

One time it was mentioned in an "Old Friends" the large number of ex-students and ex-Slatonites now living in Amarillo. We even have one that is with the Amarillo Chamber of Commerce. That would be James Eubanks (class of 1941). His home address is 3709 Nebraska.

Mildred Lokey (class of 1922) visited Faye Hoffman Stanley (class of 1922) in Sundown a few days ago. Mildred is working on the list of early day teachers. If you have some information she could use be sure and call her. We want

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Texas public school teachers are facing more teaching problems today than ever before.

High on the list of reasons for this situation are the difficulties involved in presenting instruction on whole subjects or portions of subjects which cannot be properly taught using normal classroom methods.

Many teachers in the State--particularly counsellors and health and physical education teachers--have found a solution to this problem through the film library of the Texas State Department of Health in Austin.

The library offers the largest selection of films in the Southwest and makes the films available in an easy, effective manner. Any teacher, or any interested person, for that matter, may request and use a film on a topic related to health by contacting the Health Department.

A catalogue listing 511 titles was recently published and is available on request from the Film Library, 410 E. 5th St., Austin.

A part of the Health Department's Division of Public Education, the library shelves 2,015 films for 611 titles. It contains films with viewing times ranging from four to 57 minutes, covering practically all phases of personal and community health.

Most of the films were produced commercially, but many of them were written and produced for specific Texas application. All films are aimed at a single purpose: teaching good health practices.

Last year library personnel booked 35,429 showings for a total of 1,534,942 viewings, representing more than one-tenth of the Texas population.

In addition to providing Texas school teachers with films for classrooms aids, the library makes films available to religious and fraternal organizations and to civic groups.

Practically any club or organization may book films for a general interest or educational viewing, but they are limited to use within the State.

If you happen to be this month's program chairman for a neighborhood ladies' club, perhaps you'd like to show clubmembers an approved, step by step method of making a baby's formula. There is a sequence in a film titled "Linda to do exactly that."

Or perhaps your civic club is studying use of narcotics. "Monkey on the Back" may be of help to you.

All films are shipped parcel post, with the borrower paying return postage.

Is it true that cherries help arthritis.. that honey prevents muscle cramps, a stuffy-nose and bed wetting?

These are examples of food fads, fallacies and myths present today--in such scientific and sophisticated times as the nuclear age.

The old notions that fish and celery are "brain foods," or that oysters increase fertility are harmless. But when garlic pills are promoted for high blood pressure, or grapes for the treatment of ulcers and cancer, the price of ignorance may come high.

Claims may range from a specific food being a "cure-all" to the myth of overprocessing modern-day foods.

Health authorities are especially concerned about the promotion of "food supplements" as cure-alls for conditions which require medical attention. Although a quack food remedy may not cause harm itself, the delay in securing proper medical attention could be serious, or perhaps even fatal.

Beware any product--food or patent medicine--advertised as a cure-all, whether you hear about it in an advertisement, from a door-to-door salesman, over the back fence, or in a book.

Be skeptical if you hear or read the myth of modern-day overprocessing of food. This claim is usually followed up

After hours and hours of trudging through dense brush it became apparent to the members of the hunting party that they were hopelessly lost. Angrily, they turned to their guide: "You told us you were the best guide in Maine," one of the hunters snapped. "That's right," protested the guide, "but I'm pretty sure we're in Canada now."

"Thankful! What have I got to be thankful for?" grumbled the sour-looking man to the sunshine spreader. "I can't even pay my bills." "In that case," prompted the other readily, "be thankful that you aren't one of your creditors."

After six months of using a new bourbon-flavored toothpaste, a test group reported they had 40 per cent more cavities and couldn't care less.

WEDNESDAY
Creamed turkey on bun, English peas, tossed salad, pumpkin pie.
THURSDAY
Spaghetti and meatballs, buttered corn, tossed salad, cherry cobbler.
FRIDAY
Hamburgers or tuna fish salad sandwich, lettuce and tomatoes, potato chips, donut, and fruit cup.

Tigers Finish Fifth At Idalou

Slaton's Tiger track team finished fifth in the Wildcat Track Meet at Idalou Saturday, but Bobby Brake salvaged individual honors for the locals in their first competition of the season. Coach Don Macon and his Tiger thinyclads go to Abernathy Saturday for the second meet of the spring track schedule. Brake and Abernathy's Lane Wade had a close duel for high-point honors at Idalou Saturday, with Brake chalking up 28 points for Slaton and Wade tallying 26 for Abernathy. Olton was the team champion in the AA division with 122 points and Abernathy was runnerup with 98. Post had 56 points, and Lockney edged Sla-

ton for fourth place, 48 1/2 to 48. Frenship was a step behind at 47 1/2. Brake claimed only one first place, but it was a record 6-2 leap in the high jump. He finished second in the pole vault, third in the high hurdles and fourth in the broad jump. Slaton's Gary Brush had the only other first place for the Tigers when he edged teammate in the pole vault. Brush established a new record with a 11-foot effort, breaking the 10-3 mark set by Brake last year. Brake erased his own record in high jump, another mark he had set last year. The Tigers failed to scratch in either relay race. Larry Gamble was the only other point producer for Slaton, capturing a second place in the low hurdles.

Cross Captures Race Trophy

Ren Cross, stock car race enthusiast, copped another first place trophy at the Hobbs Charlotteers Dragway Sunday in Hobbs, N.M., driving his 1964 Plymouth Fury. Accompanying him and his wife and baby, were Mike Hunter and Jerry Tefer-tiller who served as his pit crew. Cross won the Class C/Stock Automatic Code 6 division in the race. Also making the trip were his mother, Marinell DeVries and Jim Powell. Entered in Class B/ Stock Code 6 division was Darris Linder, who drove his 1955 Chevrolet, but was disqualified after considerable transmission trouble. Also eliminated was Robert Mock of Post who was entered in Class E/ Stock Code 6 division. Both Cross and Linder plan to enter the races Sunday at Abilene on the NHRA strip, again driving their same cars.

Roosevelt In State Finals

Roosevelt's Eagles easily racked up the girls' Class A regional championship in Lubbock last Saturday to earn a ticket to the state finals in Austin this weekend. The undefeated Roosevelt girls ran their victory string to 37 while polishing off Wylie of Abilene, 67-33, in the regional finals Saturday night. They opened tourney play with a 79-53 win over Stratford. Friona's Squaws victors over Slaton's Tigerettes in bi-district, captured AA region crown and the right to go the state tourney. Friona took out Spearman in the first tilt, 54-36, then whipped Granbury in a close one, 49-45. Dee Gregory hit 30 points for Roosevelt in the title contest, and Alice Woolley added 23. The pair also led scoring in the first tourney game with 37 and 26 points, respectively. Stratford stayed close to Roosevelt in the first half, trailing by only 30-26 at intermission. The Eagles started pulling away in the second half, however. Roosevelt jumped to a 20-6 first-quarter lead in the finale against Wylie. The Eagles led by 42-15 at halftime and 59-23 going into the final period.

Anthony Employees Receive Bonuses

The C.R. Anthony Co. employees-- salespeople, store managers, executives--all who have one year or more of service with the company, shared recently in a record year of sales and profits. A total of \$1,474,761.05 was paid to these employees in the form of bonuses and profit sharing plans. Store managers share in the profits of their stores on a percentage basis. Store employees participate in the company Profit Sharing Plan. Profit sharing contributions are determined by a formula which puts 20 percent of the company's profits into employee benefit plans after a provision for dividends to stockholders. Employees share in this contribution according to years of service, sales over quota, and other factors. Profit sharing checks are in addition to the company's contribution to the regular pension plan. This contribution increased 65 percent over last year.

South Plains Coin Club Show Slated

Rudy Rice, president of the South Plains Coin Club, announced this week that plans are complete for the 3rd annual Coin Show. The show will be held at Holiday Inn, 2600 Parkway Drive, in Lubbock March 12-14. More than 40 coin dealers from Texas and surrounding states will be at the show. Coins will be displayed for sale, with coinage ranging from early Biblical times to modern day. The public is invited to attend, without admission charge. The club expects 7,000 to 10,000 people to attend the three-day show.

Eldercare Plan Outlined For Slaton Lions

"Medicare or Eldercare?" was the topic of a program for the Slaton Lions Club Tuesday at noon in Bruce's Restaurant. Dr. Dan English, Lubbock physician, was guest speaker. Connie Locke made arrangements for the program. Dr. English, a proponent of the doctor-sponsored Eldercare plan, outlined the differences of the two proposals and urged citizens to write their Congressmen on their views. "Make no mistake about it, the government is going to get in the field of medicine but, at present, we still have a choice as to the method," the doctor stated. "The Medicare proposal to help persons over 65 is one presented by politicians; the Eldercare is a plan proposed by doctors." Dr. English told his audience. He emphasized that Eldercare maintains a freedom of choice by the patient for his doctor and hospital. The Lubbock doctor claimed that Eldercare will provide more benefits for the elderly at less cost to the taxpayers. He also outlined the dangers of more Federal control in the field of medicine. These included lack of motivation, stimulation and competition on the part of physicians. A number of visitors attended the meeting from the Southwest Lions Club in Lubbock.

Host Idalou had an easy time in winning the Class A division of the meet, rolling up 115 points to more than double its nearest challenger, Southland tallied five points in the meet. The meet was hampered by high, chilly winds which gusting up to 40 mph at times. A mixup occurred on the 100-yard dash when a measurement later showed the distance was actually 110 yards.

Cotton Signup Ends March 26

Cotton producers who wish to participate in the domestic allotment program for 1965 have until March 26 to make their intentions known to County Agricultural Stabilization and Conservation Services offices. Lorene Mangum, acting office manager of the Lubbock County ASCS, says: "This sign up is a new development for cotton farmers, and for that reason a special effort is being made to get the word around." She adds that the signup this year is being conducted in the hope that it will make farmers more aware of the benefits available under the program. A domestic allotment program was also in effect last year, but no sign up was required, giving farmers the opportunity to gauge yield prospects before deciding whether or not to participate. Farmers have the choice of planting within their domestic allotment-- thereby qualifying for a payment of 4.35 cents per pound on the farm's established normal yield times the acreage planted for harvest in 1965 in addition to the price support of 29 cents per pound basis middling one-inch at average location--or planting within their effective allotment. Effective allotment is total acreage allotted after any release and reallotment, and farmers electing to plant their total effective allotment qualify for the 29 cent price support only, without the necessity for signing up. Domestic allotment on most High Plains farms is 65 percent of the 1965 effective allotment, but on small farms for which 1965 allotments are not released to the County ASCS Committee, domestic allotment is the smaller of 15 acres or the 1965 effective allotment. Farms on which the domestic and effective allotment are the

same are not required to sign up for participation in the domestic allotment program, but all others must sign up prior to March 26 in order to participate. Those who elect to plant within their domestic allotments may grow other cash crops on the remaining part of the effective allotment, but if the effective allotment is over 15 acres they cannot plant feed grains in excess of their feed grain base and still qualify for supplemental payments.

ROOSEVELT NEWS

BY DORIS THOMAS

It is a real good feeling to be back at the old pick and peck system again this week after a three week absence. I don't think you readers would be too interested in what I have been doing the last two weeks outside of the fact that I am feeling much better and hope to be back in full swing for at least another 29 years. (I am going to stay 29 as long as Jack Benny stays 39.)

I am not the only one that has been or still is under the weather. Mrs. Hal Martin has been in the hospital this week. Sure hope she is feeling better. Pop and Granny Oats have had the flu and are feeling better. They had as their Sunday guests Mr. and Mrs. Maurice Calu of Ropesville.

Mr. and Mrs. Frank Barnes, Steve, Vicki, Molly and Judy of Lubbock were Sunday dinner guests in the James Thomas home.

Mr. and Mrs. Guy Sasser and Mr. and Mrs. Herbert Pinkert, Steve and Janis of Wolforth went to Grant Shoals to do a little fishing. I don't think the fishing was too good but it was nice to get away for a couple of days.

Mrs. G.A. Sasser's father is in a convalescent home in Lubbock and is doing as well as can be expected.

Ray and Raymond Dickey are in El Paso to be with their brother, Sfc. Charles Dickey, who is to undergo surgery. Our prayers are for a speedy recovery for Sfc. Dickey.

Joe Alspaugh of Kempner has been in the hospital but is out now and here is hoping you stay out of that place Mr. Alspaugh.

Fred McGee is in the Santa Fe hospital in Temple waiting to have surgery. Hope things go real well for you Fred. Mrs. Lillie Mae Thomas is spending a few days in Dimmitt with her brother, Mr. and Mrs. Jack Powers.

Mr. and Mrs. Willard Harris

of Van Horn spent four days with their daughters Mr. and Mrs. Carl Crossland, Marty and Richey, Mr. and Mrs. Lynn Crossland of Seminole were also weekend guests in their home.

ROOSEVELT WILL INVADE CAPITAL

Just about every one in this community will be in Austin over the weekend rooting for our girls basketball team and hoping that they will come back as the State Champs. These girls have played 37 games and won them all. We are hoping that their luck will hold in Austin as it has here. Roosevelt has gone to state before and won here is hoping this team can do it again.

BANQUET TO BE HELD

Be sure that you keep Thursday night, the 18th at 7:30 p.m. open for the Teacher Appreciation Banquet. It will be held at Furr's Cafeteria in Family Park Shopping Center. Honoring the teachers of the Roosevelt school system. Service Pins will be awarded to the teachers. James Sinclair, the choir director, is to have his trio and quartet on the program. After the program, 42, bridge and dominoes can be enjoyed by those wishing to stay. I hope that each of you parents, whether you have a child in school or not, will make a special effort to attend this banquet and let each teacher know that you truly appreciate all that they are doing for the students at Roosevelt.

The P.T.A. calendars are in and they will be delivered as soon as possible.

STOCK SHOW

Those placing the junior stock show in Lubbock over the weekend were; Joyce Thomas 4th and Max Thomas 7th in the commercial calf division. Rex Thomas placed 20th in the durac division. Maxey Reasoner placed 14th with his lamb and also placed with both his pigs. Brady Mimms placed 8th in the Spotted Poland China division.

Many Roosevelt boys and girls will enter their stock in the South Plains Stock Show this next week that is to be held in Lubbock March 15-16-17th. Winners in the Roosevelt live stock show are listed in a separate story.

LOCALS

Mrs. Lena Behrend's visitor Friday was Mrs. Gossett from Crosbyton.

Mrs. Susie Bartley, 84, was released from Tahoka Hospital last Wednesday and is now home, after a six day stay. Thursday afternoon, Mrs. Ted Melugin and her mother-in-law, Mrs. Mae Melugin of

Slaton, visited in Lubbock with Mrs. Odie Bradshaw, who has been ill at home. Mrs. Bradshaw is the wife of Mrs. Melugin's nephew.

Woody Doyle, deputy sheriff of Wilson, spent a few days in Slaton Hospital last week.

LaNell Martin, fifth grade student, has been very ill with tonsillitis, but now has returned to school.

Mr. and Mrs. Sam Crosson traveled to Sulphur Springs over the weekend to visit relatives and return their grandchild, Phil Thomas to his parents, after a month's stay with the Crossons. Mr. and Mrs. Dickie Thomas, of Houma, La. daughter of Mr. and Mrs. Crosson visited with them while there.

Mr. Clint Phillips has been quite ill at home. Our wish is that he is feeling stronger now.

The Wilson FFA boys and New Home FFA Livestock Show was held Saturday at the Lynn County Exposition Hall in Tahoka. Special bonus awards were presented by the Wilson State Bank.

Tomorrow the FFA boys and the FFA girls will enjoy eating out at Lubbock and going skating afterwards.

Mr. and Mrs. C.A. Gryder visited in Dublin, Friday with Bob Gryder, brother of Mr. Gryder, who suffered a heart attack recently.

Mr. and Mrs. Carl Gryder spent their weekend in Plainview visiting with Mrs. Gryder's mother, who suffered broken bones in a fall recently.

Around the Fire House

By Bob Kern

Monday night's activities were taken up with practice. A house on Geneva St. was offered for fire fighting practice purposes and firemen extinguished fires several times before finally letting the house burn to the ground.

This gave several of the new men on the department an opportunity to actually fight a blaze under battle conditions. The rubble from the fire will soon be removed from the lot and thus eliminating a possible fire call in the future.

Word from the State Board of Insurance brought news as to the amount of insurance dollars paid the fiscal year September 1963 to 1964 for fire losses in Slaton.

This staggering amount nearly reached the sum of \$88,000. This figure does not contain the inventory loss from the Anthony fire in August as it was actually settled after the fiscal ended. This should send the total well over \$100,000. Members of the Women's Auxiliary met Monday night to discuss their part in the upcoming Panhandle Firemen's Convention to be held in Slaton on May 15. Plans are being discussed and progress reports from the various chairmen are showing considerable advancements towards putting one on of the best conventions to be held in this association in years. A fire was reported on E. Geneva Sunday afternoon which resulted in heavy damage to the kitchen of the 3-room house. No one was injured.
