"OUTSTANDING CITIZEN OF 1959"

Robert Hall Davis, right, executive vice-president and general manager of the Amarillo Chamber of Commerce, and speaker at Monday night's annual Slaton Chamber of Commerce banquet, congratulates Robert Hall Davis on being selected Slaton's outstanding citizen of 1959. Davis, outgoing president of the CoC, was awarded a plaque shown between the two men and receiving a standing ovation for his work on behalf of the community during the year just past.

"WOMAN OF THE YEAR"

Mrs. Stan (Dorothy) Jaynes, right, is shown receiving an appropriate plaque from Mrs. Bob (Lucille) Ayers, winner of the 1959. Mrs. Jaynes was selected for her many civic and church activities during 1959. The award is sponsored by the Athenian Club. The selection was approved roundly by the 136 persons in attendance at the banquet.

"DISTINGUISHED SERVICE AWARD"

The Chamber of Commerce honored Slaton's Jaycee-Ettes at the annual CoC banquet held in Bruce's Cafe Monday night. Clark Self, Jr., a member of the chamber's board of directors, presents a "travelling trophy" to Mrs. Ray (Arden Ruth) Cook, Jaycee-Ette president. The club was honored for its activities in connection with "letting out the vote" and other civic projects during 1959. The trophy will be permanently awarded to the club or organization which is selected as winner for three years in succession.

Three Die In Crash At Lubbock Last Thursday; Rites Are Held

An accident last Thursday night near the traffic circle in south Lubbock took the lives of two Slaton men and a Lubbock man. Slaton was once again shaken by the tragedy of one just before Christmas in which two young Slatonites were killed along with their unborn child. Dead are Jack Phillips, 28, and Boyd Wright, 34, both of Slaton, and George W. (Bill) Thompson, 25, Lubbock.

Mr. Phillips and Mr. Thompson were dead on arrival at the hospital following the accident and Mr. Wright died the following day.

Injured in the freak mishap were Mrs. Marie Parsons, 24, of Slaton and Johnny H. Dickerson, 18, also of Slaton.

Both vehicles involved in the accident were travelling west on US 84 into Lubbock, traffic officers reported, when the car in which the Slaton residents were riding sideswiped one in which four Lubbock teenagers were riding. A witness said the Slaton car flipped and rolled several times, going high into the air at each bounce and throwing out its dead and injured occupants. The accident was timed at 7:19 p. m. Thursday, January 7th.

Funeral services for Jack Phillips were held here last Saturday at 3 p. m. in the Westview Baptist Church. Rev. C. M. Fields, pastor, officiated. Burial was in Englewood Cemetery.

Survivors include his wife, Virginia; a daughter, Charlotte; his mother, Mrs. Janey Phillips of Slaton; six brothers, Marion of Ralls; Matthew of Plainview; T. C. and Pete of Slaton; Odie of Crystal City and Millard of Lorenzo; five sisters, Mrs. Aldina Livingston, Levelland; Mrs. Juanita Hayes of Fort Smith, Ark.; Mrs. Ora Whittaker of Hamilton; Mrs. Clarabelle Watson of Lawton, Okla., and Mrs. Lorene Reed of Slaton.

Pallbearers were Jimmy Mosser, Pete Wilhoit, Travis Mann, Delbert Geer and Jack Bownds of Slaton, and W. A. Black of Tahoka.

Funeral services for Boyd Wright, 35, a Slaton bricklayer and contractor, were held Monday at 2 p. m. in the Westview Baptist Church. Officiating was Rev. Fields, assisted by Rev. Ted Gaze of the First Baptist Church. Burial was in Englewood Cemetery.

Survivors include his wife; a son, Randy, and a daughter, Nancy Susan of Slaton; one brother, Nowlin Wright of Beaumont, and one sister, Mrs. Harry Graham of Cleveland.

Rites for George William Thompson, 2504 63rd St., Lubbock, were held at 2 p. m. Sunday in the Westview Baptist Church here. Mr. Thompson was 25.

Interment was in Englewood Cemetery. Officiating at the funeral was Rev. John Martin of Monterey Baptist Church of Lubbock, assisted by Rev. Fields and Elder Noles of the Mormon Church in Lubbock.

Survivors include his wife, Dorothy; two children, Deborah Kay and William Craig of the home; his parents, Mr. and Mrs. George B. Thompson of Slaton; two brothers, James and Bobby both of Lubbock; one sister, Mrs. D. W. Holman of Hubbard, and a grandmother, Mrs. W. A. Argo.

Pallbearers were Marvin Nelson, Jerry Crockett, Ben Foster, Doyle Brooks and C. R. Weckwerth, all of Lubbock, and G. E. Taylor, Jr. of Slaton.

TV Stammers Elect Officers For The Year

Slaton's Town Value Stamp organization elected officers for 1960 at a meeting last Thursday night.

"Hack" Lasater will serve the group as president this year, Dave Sanders, vice-president, and Alex Webb, sec-treas.

There are 15 members of the organization now, it was reported. (continued on page 4)

Five New Directors Elected At Affair; Fine Speaker Presented

Two outstanding individuals and one hard-working organization were honored at Monday night's annual meeting of the Slaton Chamber of Commerce.

Robert Hall Davis, outgoing president of the chamber, received the "Outstanding Citizen" award for his many activities during 1959 and the year before in the fields of civic and church work.

Mrs. Stan (Dorothy) Jaynes was named "Woman of the Year" for her particularly fine work in church and civic activities during the last several years. This award is sponsored by the Athenian Club. Each year, two representatives from each women's organization in the community select the "Woman of the Year."

This year for the first time, an organization doing outstanding work on behalf of the community was organized. The first winner of the beautiful "travelling trophy" was the Jaycee-Ette Club. The trophy will be awarded permanently to the organization named winner for three years in succession. The Jaycee-Ettes were selected for their activities during the past year in civic projects, and particularly their "get out the vote" work on elections.

Jack Lacy, executive vice-president and general manager of the Amarillo Chamber of Commerce, was the evening's speaker. Lacy kept the crowd in attendance at the banquet, figured at 136, laughing and entertained for the 45 minutes he held the floor. He interspersed a few well-placed points with home-spun humor and was generally accepted as one of the finest speakers ever for a CoC banquet.

Elected as directors during the evening were Wayne Kenney, Truett Bownds, George Lemon, Phil Brewer and Ray Belt. The election results were approved by the chamber's executive committee Tuesday. The officers also named B. B. Castellberry to fill the unexpired term of Dr. John Locke, recently resigned.

Introduced at the banquet were the incoming officers for 1960. They are Joe Teague III, president; Dr. Lee Vardy, vice-president, and Alex Webb, treasurer.

Outgoing officers are Davis, president; Rush Wheeler, vice-president, and Teague, treasurer. Davis was master of ceremonies for the affair and Harold Mobley, minister of the Slaton Church of Christ, gave the invocation.

Mr. and Mrs. Henry Bollinger had their children home for the holidays. Home were Mr. and Mrs. Sam T. Davis of Dallas, Mrs. Lawrence Carroll and granddaughter, Mrs. Delores Crawford and two sons, Mr. and Mrs. Bill Kennedy and their sons of Tatum, Mr. and Mrs. Ott E. Patterson and son of Olton, Mr. and Mrs. George Dubose and children, Douglas, Cindy, Debbie and Gregg of Slaton.

Play Post In Local Gym

Tiger-Tigerette Teams To Make Entry In District Race Next Week

Slaton's basketball teams take off in pursuit of the District 3-AA championship Tuesday night against Post in Slaton Gymnasium.

A non-district game with Abernathy tonight will be the final tune-up game before they hit the district trail.

Both girls and boys seem capable of making serious bids for the flag, judging from pre-district play. The Tigers bring a 10-7 season mark into the chase while the Tigerettes are 11-4 for

the season.

Injury may be a big factor in the Tigerette chances. Judy Dunn, consistently high-point player for the girls, was injured in last week's game with Abernathy and may be lost for the season. She has torn knee ligaments.

The Tigers will have to come up with a fast-break game with good outside shooting if they are to contend for the championship, according to coach M. W. Kerr.

"Giles Smith, Randy Sanders and James Cole may give us the outside game we need," Kerr said. "We just don't have the height to play anything but a fast-break game."

Kerr thinks Post will be the team to beat for the crown. "They have good height and a well-balanced team," Kerr said.

Post will bring a 12-1 season record into the Tuesday night fray, with the one loss being to McAdoo.

Kerr also expects Floydada to be strong this year.

While Tigerette coach Paul Boswell predicts his charges can make a strong bid for the championship, he expects to have an even stronger team next year. The 15-player squad contains only one senior, seven juniors, six sophomores and one freshman.

Boswell looks for Post and

Spur to be the teams to beat.

"We will have to adopt a slower style of play since the injury to Judy Dunn," Boswell commented. "With only five weeks of district play, she may not play again this season."

The girls "B" team will meet Flower Grove in the first round of the Wilson Tournament next Thursday night.

District play will continue next Friday night with the Slaton teams invading Floydada.

Push Poll Tax Sales

An intensive poll tax sales campaign is underway in Slaton, augmented by the fact that this is a presidential election year.

In addition to the national elections, several area and local offices will be at stake during the year. Also, last year's wet-dry election has increased interest in paying one's poll tax.

The Slaton Jaycees annually arrange to push the sale of poll taxes and this year an unusually good response is expected.

The club will sell taxes at Citizen's State Bank Friday and Saturday, January 15 and 16, and poll taxes will be sold Saturday in Teague Drug. In

addition, the tax may be paid at any time at Kendrick Pontiac, Forrester Lumber company and Mosser Radio and TV.

Rev. Davidson Speaker For Rotary Club

Rev. Rollo Davidson, pastor of the First Methodist Church, was the speaker at last Thursday's meeting of the Slaton Rotary Club.

Rev. Davidson related some of his experiences as a minister in his talk and concluded with a message that everyone owes many debts to those whom he has had experiences with in his personal life, and to God, who gave the world Jesus Christ.

Burglars Get \$465 From High School

Burglars used a hammer and crow bar to tear open a safe in the principal's office at Slaton High School Wednesday night of last week and made off with approximately \$465.

Police officer Kenneth Goldman, who investigated the case said entrance was gained through an outside door that opened into the gymnasium. The burglars broke a glass in the door to the principal's office and reached through to unlock the door from the inside.

Most of the money taken was in small bills and change. Desks in the office had been rifled

and were in a state of disorder when the school doors opened (continued on page 4)

Building In '59 Nearly Doubled 1958

Building permits issued in 1959 indicate construction in Slaton almost doubled the '58 building rate.

Permits for commercial and home construction during the year totaled \$827,550 compared to \$482,185 in 1958.

Commercial building permits totaled \$143,400. In 1958, commercial building permits totaled only \$2,500.

Dwelling construction accounted for \$668,811 of the year's total with \$530,800 spent for new homes and \$138,011 for home additions.

As the curtain fell on 1959, a building permit was issued for the proposed East Ward School calling for expenditures of \$74,839.00.

June was the busiest month for building in Slaton with \$186,510 worth of construction permits registered in the city office. Most of the total was for commercial structures with a bowl-

ing alley, warehouse and apartment house getting city approval.

The summer building boom continued into July, undaunted by the national recession. A tourist court and grocery store were approved which cost \$30,400.

Other months which saw construction pass the \$100,000 mark were March, \$108,486; April, \$128,475 and December, \$126,939.

Construction permits, considered a reliable barometer of city progress, may take an even greater jump this year. Southwest Slaton will likely be the scene of a building boom if the proposed route change of Highway 84 materializes.

Harold Wilson, who owns property in that section of town, met with the city commission recently and presented plans for a housing addition to be constructed near the proposed site of East Ward School.

Magalopolis And Slaton . . .

Is there a danger, a threat or perhaps, a hope, in some people's hearts that what the Saturday Evening Post calls a Magalopolis, will spring up out here on the baldies to engulf Lubbock, Slaton, and perhaps, all of the towns in this area?

If you have not read the last two issues of the Saturday Evening Post you may not have an idea of what a Magalopolis might be so let it be known that a Magalopolis is one vast settlement of people where the central business sections are gradually deteriorating and shopping centers springing up in adjacent areas until the cities have grown together to make what the magazine has labeled one vast Magalopolis.

From Boston to Washington, some six hundred miles, is now one vast settlement with people in the higher and middle income class moving from the crowded and dirty cities into the suburbs and the Puerto Ricans and poorest classes moving in from Puerto Rico and from the farms, from all over America.

The South Plains is blessed with the richest farm lands in our nation, this section is growing at an alarming rate, both home and business buildings are being constructed in Lubbock in vast numbers and the overflow is coming this way like pent up water from a flooded river. From the interest the oil industry is taking in this area, there is evidence that this may become the center of a future big oil field, and the development, that so many business men so ardently crave, may engulf us.

There is no way, of course, to control such growth but Slaton could and should prepare the best it can to meet the challenge with the best zoning plans, the best taxation controls, secure a reserve water supply and prepare to keep our business section from becoming so overcrowded that it will eventually be in the condition that a large section of the downtown area of Lubbock has become with blocks of vacant buildings that will not bring in enough revenue to pay taxes and insurance on the property.

To meet the prospective future with a worthwhile plan is a challenge and a big one. Whether it can be adequately done is a big question, but it should not be said that the leaders in Slaton did not try.

Next Fall And Christmas . . .

One of Slaton's leading retail merchants reported that one day several weeks ago, when the Christmas rush was on, cars were parked solid in every available parking space on both the North and West side of the square. He counted the cars on the side in which his business is located. The number was fifty-nine. Twenty-eight of those belonged to the men who operate the stores and to their employees.

On the City Hall grounds where no small amount of money was spent some three years ago to pave generous parking space for those who wished to use it, not a car.

The merchants of the town were the ones who instigated the plan to pave the parking grounds with the promise that they and their employees would use it to leave parking room for shoppers on the thoroughfares.

The idea is a good one and the space is there to be used but it is just one more proof of the selfishness of the individual. Maybe next fall and Christmas the customers will be given more consideration.

AMERICA'S UP-TO-THE-MINUTE-MEN

The Sounding Board

(Editor's Note: My former cohort in the newspaper business, Charles Cullin of the McLean News, takes after liberal-minded Texas legislators in the editorial reprinted below. You should enjoy it if you, like many others, are getting fed up with the spending contest which seems to be going on between some of our lawmakers.)

Land Of The Spree, Home Of The Broke

In a recent discussion with a past state representative who has served two terms in the legislature, the idea became more and more apparent that the state government is rapidly reaching a crisis. Or rather is on the verge of a complete, confused financial collapse.

In the next regular session some more drastic tax measures must be taken. The state of Texas, so unlike its history and reputation, is flat broke and prospects for concrete improvement, without almost unbearable taxes, are poor.

The real luxury items—beer, whisky and cigarettes—are taxed to the hilt, but the only real complainers in this situation have been the producers and retail handlers, and their organizations.

A sales tax is left, but according to the economical thinkers, a blanket—not selective—sales tax will be required if any relief is realized.

The oil industry has already been put on a shaky basis through legislation, and the natural gas companies, and pipeline companies have taken their whipping also.

There's no one left now but John Q., and as sure as the capital warms up for the next round it'll be John Q. who pays. The "average citizen," whom all politicians vow to serve to the last, is pitifully enough, the only group without a lobby to see whether they get hanged

and quartered or not.

As an insight into how the next session may well begin, the above mentioned legislator told the following story: He had a desk mate who at the appropriations "brawl," which kicks off every session, asked for \$30,000 for a bill of his to help control pink bollworms in the Texas Panhandle. Being from the Panhandle the legislator quickly thwarted the whole move and later asked why on earth such a request was given: His answer from his ultra-liberal desk mate was: "Well, I really didn't figure I'd get the money, but I just wanted to watch these tightwads (including any form of conservative) squirm."

—sounding board—
Another interesting glance at the Austin scene was the recent expelling of a student from law school for cheating. This man is another state representative and in the next session will be making our laws, and levying our taxes.

—sounding board—
The liberal-minded citizens—even those receiving the most help—are beginning to see that taxing will make up for any gift handed out by government agencies. That the money passed out freely to select groups must and will be taken back out of the pockets at the end of the year.

—sounding board—
If ultra conservatism can be deemed "tight," then certainly

Journalism Scholarship Available Through West Texas Publishers

LUBBOCK—West Texas publishers are encouraging study of journalism at Texas Tech with a unique scholarship plan based on circulation. Prof. W. E. Garets, Tech journalism department head, has announced. Five publishers are currently participating in the West Texas Scholarship Plan to recruit more and better students for newspapers in this area.

Garets said four publishers make their contributions to the scholarship fund on the basis of one-cent per subscriber per year. Backing the plan in this way are Joel Combs, publisher of the Slaton Slatonite; Jim Cornish, publisher of the Post Dispatch; W. H. Graham, Jr., publisher of the State Line Tribune at Farwell, and Neil Vanzant, Gaines County News publisher at Seagraves.

Curtis Sterling, publisher of the Brownfield News, is encouraging financial aid to deserving journalism students by contributing two-cents per subscriber annually.

"The grants to journalism students from the West Texas Scholarship Fund are made on the basis of need and qualifications of the student," Garets pointed out. The newspapers make their contributions through the Texas Tech Foundation.

First winner of a grant from the fund is Bob Horton, junior journalism student from Meadow, who also works as a Lubbock Avalanche-Journal reporter. He is married and has one

child.
Other scholarship awards made to Tech journalism students include two from the Avalanche-Journal, two from West Texas Press, one from Theta Sigma Phi, one from the national women's journalism society.

TELEPHONE TALK

HOW WE MANAGE THE TELEPHONE BUSINESS

With the beginning of a new year, many a stock of their old resolutions and make any changes needed.

Here at the telephone company there's one that never changes, no matter how many times it. It is to manage the business in the best interest of the public, employees and shareowners.

The telephone company exists for one purpose: to give you the best possible telephone service at a cost—a cost consistent with financial safety and treatment of employees.

Service Has Been Improved

Good service, of course, is our first objective. The only good service is one that continually is planned program of service improvements is in progress.

Many construction jobs of various sizes were throughout the year, enabling us to provide service at any location in town.

As soon as a new housing addition is planned, engineers meet with the developers to obtain the homes planned and then telephone facilities are constructed so that when people move in they are ready for use. This happened in Slaton this year.

Some of our cables were "gas pressurized" us to locate openings and other defects more quickly than repairs could be made to avoid any outages.

A central office equipment job was completed. Adequate dial equipment would be available to wish to use your telephone.

A BIG JOB

Improvement of telephone service is a big job, probably the biggest of all is expanding the network. Just look at the growth here in Slaton today, compared with 1740 in 1955, and of 10 residential customers has at least one phone.

Good service takes willing owners, folks who save in the business and depend on management to run it in a sound, profitable manner. If their business can expect them to continue investing in it, we can plan ahead with confidence.

With good earnings, we can plan ahead with confidence for the future, striving always to give you the best telephone service we know how.

Call by number. It's twice as fast.

Sen. Preston Smith Seeks Re-Election

Sen. Preston Smith of Lubbock announced today he will seek election to a second term in the Legislature, he was author of bills for better education, more hospitals, rural telephones, legislative redistricting to give West Texas true representation in state government, and co-author of the Briscoe-Colson Farm to Market Road program.

SEN. PRESTON SMITH

Smith, 47, elected senator in 1956, was recently appointed to the Texas Legislative Council, one of the state's most important fact-finding and recommending groups. He is the first West Texas senator to serve on the council.

Smith, his wife Ima, and their two children, Mickey, 19, and Jan, 15, reside at 2808 22nd St. Mrs. Smith is the former Ima Smith, daughter of Mrs. W. J. (Peck) Smith of Crosby County.

Smith, a businessman, has lived here since 1930. He was raised on a Gaines County farm, attended Lamesa High School and is a 1934 graduate of Texas Tech.

He is an active Mason and Shriner, and a member of the Lubbock Kiwanis Club, a trustee of St. John's Methodist Church and a director of the Salvation Army.

Smith's career in Texas government began in 1944 with his election to the Legislature representing the old 119th District. He was elected twice to this post, and in 1950 campaigned for the office of Lieutenant Governor, placing third in a field of 12 candidates and leading the tickets of 68 counties.

Among his activities in the Legislature, he was author of bills for better education, more hospitals, rural telephones, legislative redistricting to give West Texas true representation in state government, and co-author of the Briscoe-Colson Farm to Market Road program.

During his current term as state senator, Smith has emphasized many times, in every public place possible, that Texas government belongs to the people. Any public official who believes otherwise is not of the proper attitude to serve his people.

"To keep state business from the people is to start a trend toward stronger, more authoritative boards and commissions which can enforce rules contrary to the will of the people of the state.

"A good example of this excessive board-strength is the current auto insurance plan enacted by the state insurance commission. The rate plan is being condemned in part for its complexities which adversely affect all drivers, even those with excellent records. Any policy that affects so many Texans deserves study by the Legislature, in order to bring the opinions of all citizens to bear on the problem.

"During the past three and a half years, my office has kept close communication with public news media to help keep state government activities before the people of this district. My feelings in support of 'openness of government' motivated me to sponsor a bill to require admission of news media to any meeting of any group charged with spending tax money.

"While Texas has taken big steps toward many worthwhile goals since 1956, the job in government is far from complete. There are new challenges resulting from Texas' progress. Any my years of experience in state government make my duty clear to me. I shall become a candidate for re-election and pledge to continue to serve for West Texas' progress."

Our Men In Service

San Diego, Calif.—Marine Pvt. Derry D. Edwards, son of Mr. and Mrs. F. M. Edwards of Rt. 1, Slaton, completed recruit training December 24 at Marine Corps Recruit Depot, San Diego, Calif. He is now at home on a 20 day basic leave.

The 11-week course included instructions in all Basic Military subjects and infantry weapons. Upon completion of training, new Marines are assigned to a new unit for further infantry training, or to one of the many Marine Corps Schools.

Pvt. Edwards left Saturday, to return to Camp Pendleton, San Diego, Calif., for further training.

Jeanette, daughter of Mrs. Dolly Burrell of Slaton and Gordon Burrell of Slaton visited with the family during the holidays. She returned to Lancaster, California after the visit where she was a bridesmaid at the wedding of her roommate, Terry Ann Trau to Donald De Witt Gilmore. She also visited in Las Vegas with Patti Gray and returned to San Diego where she is a senior elementary major at San Diego State College.

"MEN OF GOD"

Here are some of Slaton's "Men of God" who stand willing to help you in whatever your personal or family problems may be. In front, left to right, are Rev. Claude Wingo, First Christian Church; Rev. Rollo Davidson, First Methodist Church; Rev. Wittig, Lutheran Church at Posey; Rev. Eddie Fortson, First Baptist Church at Southland; and Rev. Ted Gaze, First Baptist Church, Slaton. In back, same order, are Bro. Garth Hunt, music and education director, First Baptist, Slaton; Rev. Malone, Church of God; Rev. H. E. Summar, Bible Baptist Church; Rev. C. M. Fields, Westview Baptist Church and Rev. Rhoads, Church of the Nazarene. Others, not available for the picture, include the Rev. Clarence Wylie of the Presbyterian Church; Rev. Thomas of the Trinity Evangelical Methodist Church; and others.

"Ready"

IN THE HEART of every "man of God" is the spirit of readiness to be a friend to the people — to share in joy or sorrow; to counsel, in strictest confidence, about life's problems; and, in every way possible, to serve God on your behalf.

WHETHER YOURS is the "bloom of youth" or the "fading flower" of the passing years; whether you live in a mansion or in a lowly hovel; whether you are learned or unlearned, known or unknown, respected or disrespected; the hearts of these men are enlarged with desire for your well-being — both temporal and eternal

AND WELL MIGHT THEY BE, for they represent Him Who, as He looked upon the multitudes, was "moved with compassion for them, for they were distressed and scattered, as sheep not having a shepherd." Yes, each heartbeat of these "sons of God" and "brothers of men" says, "As much as in me is, I am ready—".

YOURS IS THE PRIVILEGE of inviting them into your home, visiting them in their studies, hearing them in the pulpit. The doors of their hearts are open to you — always! Let the door of your heart be open to them, and to their God and your God!

"Other foundation can no man lay than that is laid, which is Jesus Christ" 1 Corinthians 3:11

LEGAL NOTICE:

THE STATE OF TEXAS TO: W. H. Sanders and wife, Sadie Sanders, and all persons claiming any title or interest in or to the hereinafter described land under the deed heretofore given to W. H. Sanders, as grantee, dated January 15, 1923, who residence is shown in said deed to be Lubbock County, Texas, and of record in Volume 82 at Page 40 of the Lubbock County, Texas Deed Records reference to which record is hereby made for all legal purposes, defendants—GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 22 day of February, A. D. 1960, at or before 10 o'clock A. M., before the Honorable 72nd District Court of Lubbock County, at the Court House in Lubbock, Texas. Said plaintiff's petition was filed on the 5 day of January, 1960. The file number of said suit being No. 34127.

The names of the parties in said suit are: Ray T. Farley as Plaintiff, and Defendants named above as Defendants. The nature of said suit being substantially as follows, to-wit: This is a Trespass to Try Title Suit in which the Plaintiff seeks title and possession of a 10.96 acre tract and being a part of the Northwest one-quarter (NW 1/4) of Survey Forty-four (44) Block "S", GC & SF Railway Company near the town of Slaton, Lubbock County, Texas, and being the same land conveyed to W. H. Sanders by deed dated January 15, 1923 and of record in Volume 82 at Page 40 of the Lubbock County, Texas Deed Records, reference to which is hereby made for all legal purposes. Plaintiff specially pleads that he has title under the three, five and ten year Statutes of Limitations regarding land in Texas. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this the 5 day of January, A. D. 1960. Given under my hand and seal of said Court, at office in Lubbock, Texas, this the 5 day of January, A. D. 1960. Emzy Pieratt, Clerk 72nd District Court, Lubbock County, Texas By Lee Taylor, Deputy CC—4tc-13

BURGLARY . . . (continued from page 1) about 7:30 Thursday morning. A car was stolen from Stuart Newman's driveway at 1205 1/2 West Garza St. early Sunday morning and recovered Monday by the sheriff's office at Lubbock. Newman said the keys were left in the car. In a monthly report for December, the Police Department reports six of 18 offenses cleared. Four cases of vandalism were cleared of five reported. Other cases cleared were assault with intent to murder, a burglary, suicide and reported prowler. The department made 49 city arrests with fines assessed totaling \$980. Traffic tickets for the month totaled 73. Eleven accidents were reported to the department \$2755 in damages. Local police arrested persons who were charged in district court. Offenses include a narcotics violation and assault with intent to murder.

REVIVAL SET . . . (continued from page 1) Rev. Love added that Rev. Smart has preached many revivals and youth camps in Texas and New Mexico. The public is invited to service, with will begin night at 7:45.

TV STAMPS . . . (continued from page 1) ed, and a little over \$34,000 in stamps were distributed during 1959. This represents over \$1,000,000.00 in business. The redemptions ran 98.65 percent for the year. Mr. and Mrs. J. H. Lambright received word that their George Lambright and wife are the parents of twin boys born Dec. 28th. They are also parents of three other sons. Perseverance indicates strong will; obstinance a strong won't. Life is very much like Christmas—you're more likely to get what you expect than what you want. Benjamin Franklin once said "Doing an injury puts you below your enemy; revenging on makes you even with him; forgiving one sets you above him." Time is that expanse of space between paydays.

THE STATE OF TEXAS
COUNTY OF LUBBOCK

SHERIFF'S SALE

WHEREAS, on the 4th day of December, 1959, in Cause No. 5550, in the 72nd District Court of Lubbock County, Texas, wherein The City of Slaton, Texas, plaintiff, and Slaton Consolidated Independent School District of Slaton, Texas, the State of Texas, the County of Lubbock, Lubbock County Water Improvement District and High Plains Water District, impleaded party defendants, recovered judgment against Ernest Lockhart Watson and husband Bill Ed Watson, and Leona Knight and husband Winter Knight, Defendants, for taxes,

penalty, interest, and cost against the hereinafter described property;
WHEREAS, on the 28th day of December, 1959, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 2nd day of January, 1960, seize and levy upon as the property of the above defendants the following described property, situated in Lubbock County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

All of Lot Three (3) in Block Sixty-nine (69) of the Original Town of Slaton, Lubbock County, Texas.

And I will on the first Tuesday in the month of February, 1960, the same being the 2nd day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Lubbock, Texas, between the hours of 2:00 p.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone hav-

ing an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole. Dated at Lubbock, Texas, this 2nd day of January, 1960.

for the better or worse. In days gone by, such descriptive nicknames as Filthy, Gotch Eye, Crippled Hand and Bugger were not fancy, nor easy to handle in polite society, but what kind of nicknames do you have now... just last week I heard one of our manly and familiar characters, who is what might be described pugnacious, referred to as Sweet Pea. What has become of all the Whizzers, Big Boys, Bucks and Horse Faces, I miss them.

F. E. Weaver and I were discussing the prices on farm lands in this part of the country last week and complaining that it has gotten so high that one might as well quit and go into the newspaper business or perhaps try one's hand at selling lightning rods. To pay two hundred and fifty to three hundred dollars per acre for dry land, or five to six hundred for irrigated, is like borrowing money at six per cent and gambling on investing in and getting four per cent in return. It was a very solemn occasion when Mr. Weaver informed me that some

investors in Lubbock had recently paid \$700.00 per acre for some property on the Highway at Posey. I nearly lost my breath and had to lean against a light pole. The way Mr. Weaver understands the deal is the investor is a promoter and his plans are to break the acreage into one acre plots and to sell them to the hundreds of people who want to move out of the dusty, dirty, foul, stinky, cloudy, smoky environ of a big city and get out where they can be free of high taxes, murderous, traffic and burglars.

According to another member of my family, and there is just one of them, the members of the Slaton Garden Club have been discussing the idea of planting some more shrubbery and trees in spots around Slaton where they would grow and help make the town beautiful. Up until now they have planted flowers and shrubbery on the City Hall lawn, at the School for the colored people on the east side of town, around the Tigertown building and on the City-County park. There is one tree doing its best to hang on at the Park but the hundreds of flowers and trees that have been planted over the past several years have gone kerplunk. The parking lots that were paved on the City Hall lawn were placed where the shrubs and trees at the school did not receive water enough to keep them alive and the Tigertown shrub project got whipped by the weeds. My suggestion to try our back alley where the careless weeds grow taller than an elephants ear will probably go unheeded even if I do promise to spend three dollars worth of water on it this summer but if any flower would grow half as fast and half as large as those weeds do each year, it would be the beauty spot of the town and the members of the Garden Club

Like a lot of soft headed and soft hearted folks we have a dog and the worst kind, a female cocker spaniel. Whether it is because she is a female or because it is a cocker I do not know, she has some of the most deceitful ways. If she is sleepy and has no favors to ask she hides under one of the beds and won't come out until she gets ready. She pretends she is not there but when it is meal time or when she hears some other dog bark or a cat squall she is all honey and waggy tail, her pleading eyes and flopping ears as she races to the door to get out would melt the heart of the President of a Building and Loan Co. Rather than have all the paint scratched off the doors we always let her out. She has the appetite of a Lion but if the toast she bags for does not have enough butter on it to suit her fine taste, she spits it out and demands the kind she likes; if we do not let her out in the morning from her back room apartment she howls loud enough to compete with the new fire sirens and if she is not disposed to go out when we arise she will not budge from the old, old sofa that is her bed. When it is the holiday seasons of Christmas or the Fourth of July and the kids and soft-headed grown men are firing firecrackers or when a severe thunder-

AUSTIN—If you are adding up the Christmas bills and wondering what all that money was spent for, then consider the task of the Board of Control. This relatively small state department is personal shopper for 200 state agencies. During the past fiscal year it selected the goods and paid the bills for purchases totaling \$80,000,000. These millions went for more items than the average citizen can imagine. Everyone realizes that it requires tons of paper, thousands of filing cabinets, typewriters, desks and chairs to run the state's business . . . but—

Ever wonder how much yellow paint it takes to put a stripe down the highway from Amarillo to Brownsville? Board of Control staff knows just how much to get for a given stretch of road and sees to it that the paint has little glass beads ground up into it to reflect your auto headlights at night. Just the other day they bought \$100,000 worth of the little glass beads, alone. Board of Control buys all the state's automobiles—as well as trucks, tractors, motor scooters, motor graders, snow plows and school buses (for schools receiving state aid). Last week they purchased \$326,000 worth of

would be welcome to come by with visitors at any time to show how the proper use of shrubbery and flowers can turn an eye sore into a Garden of Eden. It is a wide open invitation.

mailing of bid invitations to suppliers. It's all done according to a very businesslike system. Purchases are consolidated, standardized, scheduled, bid on and checked for specifications, value performance.

Yet all this procedure doesn't kill the element of human enjoyment. Director Burke recounts with relish and million printed envelopes just bought for a large state department at \$2.80 a thousand. That's less than the usual cost of unprinted envelopes.

Comparable pleasure can be found in housewives who have just found diapers at a dollar a dozen or tomato juice at five cents a can. Board of Control is about to have its 40th anniversary. It began operation in 1920 after a statute passed in 1919 combined in one agency a number of state functions.

It is topped by a part-time policy making board whose three members serve overlapping six-year terms. They are appointed by the governor.

Present board members are E. E. McAdams of Austin, chairman; F. H. Flewellen of Austin and C. F. McAuliff of Dallas.

Burke, as executive director, is the top administrative officer. Under him are five divisions set up on what he terms "a check-and-balance system."

A specification division works out requirements for items to be bought. Purchasing division buys them. Administrative services division handles the clerical work. Inspection division has a team of "watchdogs" who go over the state to check new purchases to be sure they're what they should be.

A fifth division, building engineering and management, sees to a staggering list of house-keeping chores for the Capitol and state buildings. When the buildings now under way or being

ing planned around the Capitol are finished, the Board of Control anticipates operating a heating system that will put out 60,000 pounds of steam heat an hour and an air conditioning system of 2,750 tons.

It also sees to the upkeep of the Governor's Mansion, the San Jacinto and Fannin State Parks and the State Cemetery. It handles the rentals for state offices outside of Austin which do not have state quarters. Last year this required 356,000 square feet of office space.

As to the state buildings going up in Austin, Burke feels sure they will save the state money over the old rental system. "Besides having to pay rent," he pointed out, "the state can only lease for two years at a time, and you never know when you may have to move, which is expensive."

In the course of their myriad chores, Board of Control staffers become expert on the price of dairy cattle for prison farms or diamond drills, short wave radios and food mixers. Many know more about the comparative value of dishwashing detergents and floor waxes than most housewives. They make extensive tests to find out.

As Burks explained, if "Brand X" can be proved to serve as well as a more expensive one, in state institution dishwashers as much as \$30,000 can be saved on one purchase. Specifications people spent

hours, according to Burke, proving out a floor wax they felt would save money and serve the purpose. They even applied and polished it, he said, and made periodic checks on its staying power.

"We try to be more careful with the state's money than we would even with our own," says Burke. "I honestly wish I could take every Texas taxpayer on a guided tour of the whole operation."

Jaycees Name 'Top Five'—Five young Texans selected as "the most outstanding" of 1959 were honored at a dinner in Austin, Jan. 9. Sponsored by the Junior Chamber of Commerce, the selection is made annually by a judging committee.

This year's honorees: Sam E. Burris of Alice, Angus Dickson Jr. of Comanche County, Neal Kennedy, Jr. of Corpus Christi, Porter Loring, Jr. of San Antonio and Thomas S. Mackey of Texas City.

Junior High Teams Win

Slaton's junior high boys remained undefeated, grabbing an easy 46-12 win over Roosevelt 23-12, January 4th. The victory gives the boys an 8 record for the season. Leslie Brown and Larry Smith led scoring with 11 points each.

Slaton jumped into a 12-2 lead in the first quarter and was never headed. The halftime score was 24-6.

Jane Thompson scored 13 points to lead the girls in their third win of the season against eight defeats. Kathy Claiborne had eight points for the winners.

The girls took a 3-1 first quarter lead and never relinquished it. The halftime score was 9-7.

So fast is growth of area served by company that construction, doubling size of station, will begin before first unit starts producing electricity in June.

Southwestern Public Service Co. Schedules Large '60 Investments

Southwestern Public Service Company will invest \$18,325,000 in construction and new equipment throughout the company's 45,000 square mile service area in 1960, it has been announced by A. R. Watson, Executive Vice President and General Manager.

At the same time that he announced the 1960 construction investment, Watson revealed that the company's long-range forecast anticipates a \$96,000,000 investment in new facilities in the next five years.

"Our responsibility as a public utility is to stay ahead of the growth of our service area. Every economic index indicates that our service area will continue the phenomenal growth it has shown in recent years. We must plan now to keep ahead of that growth," Watson said.

Southwestern Public Service Company's 12th major generating station will go into service in June. Located north of Amarillo, the new plant will have a generating capability of 112,500 kilowatts when it goes on the line. The second unit, which will double the size of the plant has already been ordered, and is scheduled to be in service in 1962.

When the second unit at the station north of Amarillo goes into service, Southwestern Public Service Company's generating capability will pass the million mark for the first time. The capability of the 12 major generating stations will be 1,637,000 kilowatts in 1962. The growth of the area, and the company, is dramatically portrayed by a comparison with the system generating capability in 1952, which was 404,500 kilowatts.

"Electric service continues as the biggest bargain in your family budget," Watson pointed out. "The average residential kilowatt-hour cost our customers 3.05¢ in 1959, compared with 3.11¢ in 1958, and since 1950, the average cost of a residential kilowatt hour has decreased by 23%," he added.

Rites Are Held For Mr. Klesel

Herman E. Klesel, 49, a resident of the Southland community near here, died at 5:30 a. m. Saturday, Jan. 2 in Methodist Hospital, Lubbock following several weeks' illness.

Funeral services were held at 2:30 p. m. Monday, Jan. 4 in Grace Lutheran Church, Slaton, the Rev. Leroy Dean, officiating. Burial was in Southland Cemetery under direction of Williams Funeral Home.

Born Feb. 26, 1910, in Colorado City, Klesel had lived here more than 25 years. He operated a farm 11 miles southeast of Slaton.

Survivors included his wife; two daughters, Beatrice and Judy; and a son, Glenn, all of the home; three sisters, Mrs. Pauline Siewert, Rt. 2, Post; Mrs. Annie Dahse, Weimar, and Mrs. Agnes Wallick, Yoakum; and five brothers, Willie and Henry Klesel, Weimar; Albert Klesel, Corpus Christi; Fred Klesel, Rt. 2, Wilson; and Raymond Klesel, Anton.

Optional Filing Dates For Tax In Agriculture

Farmers and ranchers are afforded optional filing dates with their Federal income tax returns, according to Howard O. Nichols of Internal Revenue Service, Lubbock.

Uncle Sam's tax laws define a farmer or rancher as one who gets two-thirds or more of his

gross income from farming or ranching.

"Farmers and ranchers," Mr. Nichols said, "have until Friday, January 15, to file their estimated Federal income tax return for the year 1959, unless they choose to file their final return on or before Feb. 15."

The IRS representative said that farmers-ranchers who file an estimated return on January 15 and pay the tax due have until April 15 to file their final returns and pay any balance of tax due. Otherwise, they must file final returns and pay the full amount of the tax due by February 15.

"Those who filed Federal income tax returns last year should already have received by mail their necessary forms for 1959," Mr. Nichols said. Additional tax forms are available at the IRS office 1600 19th St., or at local post offices and banks.

Everyone who had a gross (not net) income of \$600 or more during 1959 must file a

Federal income tax return this year, whether or not any tax is owed.

Only exception to this rule is for taxpayers 65 or over at the end of the year, who are not required to file a return unless their gross income was \$1,200 or more.

Mr. Nichols said that farmers in this area with questions about

their Federal income tax returns may get a copy of the 1959 publication, "Farmer's Tax Guide," by phoning PO 5-577-7-8, or by writing his office.

Captain and Mrs. Ellis Schmid of Ft. McPherson, G. are visiting the former's mother, Mrs. F. A. Drewry.

SURPRISE PRICE

The average car buyer, we've found, thinks Mercury costs hundreds of dollars more than it actually does. It's so beautifully styled, so superbly built. It comes as a pleasant surprise that a Mercury costs so little more than the leading low-price name car—only \$36* more for this Monterey 4-door sedan. No wonder Mercury sales are up more than any other car in its field—a big 48%.

THE BEST \$36 YOU'VE EVER SPENT. This price difference over the low-price car buys Mercury's more beautiful styling. It buys a quieter ride (23% more insulation), greater stability (7" longer wheel-base), and extra quality. See and try 24 more advantages at your Mercury dealer's showroom.

WCS To Begin Foreign Mission Study On Africa January 25th

The Woman's Society of Christ... Service of the Fifth Meth...

...odist Church met Monday, January 11, with Mrs. R. B. Lain presiding.

The meeting was opened with an altar prayer service with special prayers for countries where WSCS units have been organized.

Mrs. Lain announced the beginning of the Foreign Mission study on Africa, which will begin January 25, with Mrs. Charles Barron, the leader. Mrs. C. C. Coffee of Lubbock will speak at the evening church service on February 7. The church congregation will have supper at the church and a study of the Church-Wide Mission Study will follow.

Mrs. Robert Choate reported on her work as Secretary of Children's work. Mrs. Calvin Lamb, Secretary of Literature and Publications, gave a report on her work. As a result of her efforts, Slaton WSCS was given recognition in the November issue of The Methodist Woman.

Mrs. Lain used as her devotional thoughts, "The Tree of Life" from Revelations. She gave an article on the World Federation of Methodist Women and stressed the advantages of the Federation.

The Society will meet in Circles, Monday, January 18 at 3 p. m. as follows: Africa, Mrs. H. T. Scourlock; India, Mrs. Homer Cowdry; Mexico, Mrs. Ray Farley. The Cuba Circle will meet Wednesday, January 20, at 4 p. m. with Mrs. Calvin Lamb.

Mr. and Mrs. Ford Stansell and daughter, Pam visited in Midland with Miss Pat Stansell over the week-end.

Bowlers Get Back In Action

League bowlers got back into action last week after some holiday interruptions and several individuals showed no bad effects from the lay off.

Billye Merriman, who carries a 139 average for Teague Drug, had a 227 single game and a 501 series to take top individual honors in Queen Pins activity. Pat Kenney's 198 single game replaced Lori Ann Lamb's 192 in the top spot among Bowlettes. Mrs. Kenney has a 140 average as a member of the Sanders Grocery squad. Rosemary Hattchett's 491 remained the best series in the circuit.

Pete Lancaster's 572 series has the top spot in the City League. Lancaster's 156 average tops the Hackberry Gin team.

Old leaders who maintained their top positions were Dian Conner, 180 and 443, in the Thursday Morning League, and James Davidson, 245 and 621 in Town and Country.

Posey Gin and the Axes have firmly established themselves as leaders of City League and Town and Country respectively. The former has 35½ points out of a possible 44 and the Axes have 32 of 40 possible points.

"Look Who's Talking"

3—1.8 Million Employees and 16,000 Managers 1959—810,000 Employees and 16,000 Managers

Interstate Commerce Commission figures prove that "featherbedding" and "skimming the cream" habits of management, not employees. The ICC reports the average pay of working railroaders at \$8 per hour, when you're not furloughed. The ICC further reports that 300,000 railroaders (21% of the entire working force) were furloughed and on unemployment compensation during 1957-1958. The same time your productivity increase is 43.6%, almost twice again the rate for the rest of the nation's workers. The cost of living is still rising, as are railroad profits, and still they want to decrease your pay.

In spite of fabulous profits and salaries being paid railroad officials, the railroad's management has fit to launch a multi-million dollar propaganda campaign attempting to picture all railroad workers as "featherbedders" and over-paid incompetents. This reckless campaign of distorted facts by railroad management is unparalleled in the history of employer-employee relations. Railroad management spokesmen are openly threatening a lockout of railroad workers if they, and the public, do not surrender to rail management's demands for changes in the working rules of the operating employees.

We believe the American people are too smart to be hoodwinked into believing the propaganda belabored across the pages of daily papers by the railroad magnates of our nation.

Mrs. Stephens Is Buried In Quanah, Texas

Rites were held for Mrs. Gaze.

Beulah Stephens, 235 S. 11th Street, Friday at 2 p. m. in the First Methodist Church. Rev. Rollo Davidson, pastor, officiated. He was assisted by Rev. Ted Gaze.

Mrs. Stephens died in her home Wednesday. She had been a resident of Slaton for the last 12 years, having moved here from Quanah. She was 76 years of age.

Her grandsons served as pallbearers.

Survivors include 2 sons, Guy Stephens of Quanah and Charlie of Oneida, S. D.; 2 daughters, Mrs. Anna Adams of Akin and Mrs. May Lamb of Slaton; 10 grandchildren; 5 great-grandchildren; 3 brothers, Lon Tanner of Lubbock; Albert and Bob of Athens; 1 sister, Mrs. Georgia Cokendofpfer of Corpus Christi.

News has been received here that Dr. and Mrs. Fred A. England, 2100 Harvard, Irving, are the proud parents of a baby girl born Jan. 5. The baby was named Cynthia. Dr. England is a former resident of Slaton and Mrs. England is the former Gail Gilbert of Austin. The paternal grandparents are Mr. and Mrs. Fred England, 450 W. Garza.

New Boy Scout Troop Recently Organized By Methodist Church

A new Boy Scout Troop has recently been organized by the First Methodist Church in Slaton according to Jack Moore, District Scout Executive serving the Longhorn District, South Plains Council.

Rollo Davidson is minister. Homer Cowdry will serve as the Troop Institutional representative on the Longhorn District Committee.

Alex A. Webb is chairman of the Troop Committee. Members of the committee are Kirby R. Dunap, Troy N. Pickens, Rush Wheeler and Rollo Davidson. Edward K. Golman will serve as the commissioned Scoutmaster.

Chartered Boy Scouts include Larry Pickens, Hiram Dunlap, Phil Goad, Carlton Nall, Claude Nall, Sonny Lee, Danny Lain, Joe Williamson, Alan Martin, Travis McCormick, Alan Reasoner, Buddy Downs, Paul Rampsy and Phil Rampsy.

Go-Cart Club Is Formed

A Go-Cart Club has just formed in Slaton. The meetings will be held every Wednesday night at 7:00 p. m. in the building where the Boat Club meets on Texas Avenue.

This club applied for charter and they received a Charter No. 1.

The club has permission to build a track at Howard Gin when weather is permissible.

Anyone who would like to participate, please attend the meetings.

Mrs. Forney Henry spent the holidays in the home of Mr. and Mrs. G. F. Henry and family in Las Cruces, N. M. Other guests in the home were her sister, Mr. and Mrs. W. S. Davis of Olney and friends of Denton. They all attended the Sun Bowl game in El Paso.

Rites Are Held For Mrs. Oliver

Final services were held at 4 p. m. Monday in Williams Funeral Home Chapel here for Mrs. Coke Oliver, 74, who died Saturday at her home.

Mrs. Oliver, a member of the Methodist Church, had been a Slaton resident 40 years.

The Rev. Rollo Davidson, pastor of the First Methodist Church, officiated. Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Survivors include her husband and one sister, Mrs. Ruby Shubert, Huntington Park, Cal.

Student, Teacher To Austin For Competition

Miss June Johnson and Mrs. G. K. Haile, Future Homemakers of America student and instructor, respectively, at Slaton High School, left last Friday for the "Youth Power . . . Food

Comes First" state competition in Austin. Miss Johnson's entry in the contest consists of an editorial she wrote for both the school paper, The Tiger's Cage, and The Slatonite, and her past performance in FHA work.

At Austin, two Texas representatives will be selected to represent the state in national competition.

RELATIVE DIES

Funeral services for Sherman Querry, of Oklahoma, sister of Mrs. Marriott and aunt of Mrs. Thompson, both of Slaton, were held Sunday. Mrs. Marriott and Mrs. Thompson were in Slaton last Thursday. Mrs. Querry died Friday. Mrs. Querry has been a resident in Slaton. Mrs. Marriott and Mrs. Thompson returned Sunday.
