The club added two more members in their meeting last week. Clark Self, Jr. and Fred Marriott, Tuesday of this week, they heard Bill Williams of Lubbock explain the function of the Civil Defense organization for this area.

The Wilson Lions Club is sponsoring club for Slaton.

## 3 Candidates For School Board Posts

With the deadline for filing already gone, there are three candidates for two vacancies on the Slaton Independent School District Board of Trustees.

Harold Tucker, an incumbent has filed for re-election while M. M. Brieger, the other board member whose term expires, decided against seeking re-election.

Brieger, who has served on the board 12 years, decided to retire this year, providing for some "new blood" on the board.

The other candidates for the board are Joe Miles and Fernando Gonzales, Slaton Latin-American.

The election will be held Saturday, April 2nd, in the school tax office in the Slaton Savings and Loan building.

## Two Address Brotherhood Meeting

Lloyd Faulkner, general chairman of the Brotherhood of Railroad Trainmen, and Dean Gilliland of the Brotherhood of Locomotive Fireman and Enginemen, were the principal speakers at the regular monthly joint meeting of the Railroad Brotherhoods.

Advertising and Safety Legislation were outlined to forty-two members representing six Brotherhoods. Injury and accident increase was noted with concern. Also hazardous conditions were called to the attention of the membership.

Plans for the next meeting, March 27, were made. Out of town speakers invited will include Dr. Byron R. Abernathy of Lubbock.

## Carr Will Officially Open Drive

Although he has been campaigning privately in various parts of the State for the past several weeks, Waggoner Carr's vote drive for the office of attorney general of Texas will be officially launched in his home town of Lubbock, Tuesday, March 8.

A mammoth barbecue with an attendance of upward of 50,000 persons will be staged at Lubbock Municipal Coliseum with his campaign inauguration speech.

A committee of Lubbock friends headed by Charles E. Maedgen Jr. president of the Lubbock National Bank is arranging the barbecue and attendant program to give the young Lubbock attorney a good "kickoff" in his campaign for the State's top legal office.

The Lubbock Lions Club's famous barbecue serving experts will dish up a delicious chicken barbecue meal "with all the trimmings," with Ray-Burford and Tom Ingram heading the serving committee.

Tickets for the barbecue, selling at \$2 per person, are on sale at a booth in the lobby of Caprock Hotel, Lubbock, and will be on sale daily there from 1 p.m. to 5 p.m. until March 8.

In addition, tickets may be purchased from workers at Carr's headquarters, set up at 1318 Broadway, across the street from Dunlap's Department Store.

Roy Bass, Lubbock attorney, will be master of ceremonies for the barbecue program. Charles A. Guy, chairman of the program committee, announced Saturday.

Mr. Grace Goodwin and Dr. Lee Hewitt, two of Lubbock's top vocalists will present vocal numbers.

The Rev. Dudley Strain, pastor of the First Christian Church, will offer the invocation, with Dr. J. Chess Lovern, pastor of the First Methodist Church, giving a benediction.

Twice-elected speaker of the House of Representatives, Carr has been garnering support from prominent business and professional leaders throughout the State in advance of the actual launching of his campaign.

MR. & MISS SLATON HIGH SCHOOL  
Lola Hopkins and Jerry Allen were chosen "Mr. and Miss Slaton High School" at school elections held recently. Miss Hopkins is the daughter of Mr. and Mrs. C. A. Hopkins and Jerry is the son of Mr. and Mrs. Terril Allen. Both are seniors at SHS.

# Tigerettes Win Bi-District; Play In Lubbock Regional Tournament Sat.

Slaton High School's Tigerette basketball team will play in the regional tournament at Lubbock Saturday!

Coch Paul Boswell's charges took the bi-district crown over Lakeview High School of San Angelo, Tuesday night with a dramatic goal in the last five seconds of the game. The score was 61-59. Donna Wilke sunk a two-pointer in the breathless finish to give the victory to Slaton, which had been behind slightly during most of the game.

The victory sends the girl basketballers, the toast of Slaton Wednesday, to the regional tournament in Chapman Field House, Lubbock, Saturday. The girls will play the winners of the Comanche-Coleman game, scheduled to be played at 4 p. m. Wednesday.

Chapman Field House is located at the intersection of 23rd Street and Avenue W in Lubbock. The Tigerette game will get underway at 12:30 p. m.

BULLETIN!!! Coleman will be Slaton's first Lubbock opponent. Winner of that game will play winner of Friona-Anson.

Miss Wilke's last-gap score gave the Tigerettes only their second lead of the game. The girls trailed by three points, 14-11, at the end of the first quarter, and by eight at intermission, 31-23. The team took a slight edge when the third quarter came to a halt, however, standing off front by three points, 41-38. They got behind again, though, and tied the score as the game drew to a close, setting the stage for the game-saving field goal by the only senior in the starting lineup, Miss Wilke.

The game's hero was also top scorer for the night with 23 points followed closely by Judy Bishop and Judy Dunn, with 18 points apiece. Elaine Pickens contributed 2 points to the winning cause.

## Boys Teams Won Five Trophies During This Basketball Season

They didn't win district, but they won five trophies! The two high school boys basketball teams won five trophies during the roundball season just past.

The varsity was first in the

Lorenzo tournament and took consolation honors at Seagraves and Taboka. The freshman team won their own tourney and then wound up the season by taking first place in the Lorenzo freshman tournament.

The freshmen won the Lorenzo tourney week before last by beating both Lorenzo and Idalou. They won one of their games by 53 points, 62-9.

In the highlight of the season for the freshmen, though, they downed Brownfield's freshmen in a "grudge" game. Brownfield was the only team to defeat the freshmen boys

## Music Program Feature Of School Week

In observance of Texas Public School Week, the West Ward P.T.A. presented a musical program under the direction of Mrs. James Perkins on Monday night at the High School auditorium.

The program, entitled "Music, Music Everywhere," was given by third grade students assisted by some first and fourth graders. The theme was a visit to various countries with songs and dances in native costumes.

At the conclusion of the program, Mrs. Bill Green, president of the P.T.A. presented J. C. Martin, principal at West Ward, a lifetime membership in the P.T.A.

Prior to the program the business meeting was held, at which officers were elected for the 1960-61 year. Those elected are as follows: Mrs. M. G. Mitchell, president; Mrs. Bill Townsend, first vice-president; Mrs. Earl Eblen, second vice-president; Mrs. Joe Teague III, secretary; Mrs. J. C. Champion, treasurer; and Mrs. Tommy Davis, corresponding secretary.

## Observance Of Girl Scout Week Slated

Group attendance at church services by the Girl Scout Troops of the Slaton area on Sunday, March 6, will mark the beginning of the Girl Scout Week observance here.

The annual March Cookie Sale will begin Friday, March 4, and continue through March 19. Proceeds from this sale are used to carry on Scout activities, within the Caprock Council. This year's goal is to provide covered wagon units at Camp Rio Blanco, located near Crosbyton.

Highlight of the week's activities will be a Play Day to be held Saturday, March 12, at the Slaton City Park. A weiner roast is planned for the noon meal. Girl Scouts from Cooper and Post will also attend.

## Would Change Method In City Elections; Vote In May Seen

The City Commission of Slaton, in a called meeting last Friday, Passed a resolution giving notice of the intention to submit a charter amendment election to the voters of the community.

The amendment, having to do with the election of commissioners, will be voted on probably in May.

Primary purpose of the change, in the view of many voters, will be electing commissioners at-large in the community instead of one from each of four voting wards as at present. In such an election, the two top men in the commissioner race would win each election. Only two are voted on in any given year, unless a special election is called to fill a vacancy.

The resolution giving notice of intention to pass an ordinance submitting an amendment to the present charter of the City of Slaton to the voters was approved unanimously by the commission, Howard Swanner, T. A. Worley, L. O. Lemon and B. A. Hanna.

The resolution, published in the legal notices of this week's Slatonite, says, in part:

"Whereas, the City Commission of the City of Slaton deems it advisable at this time to sub-

mit to the qualified voters of the City of Slaton an amendment to the existing charter, and whereas, the City charter of said City has not been altered or amended within two years next preceding this date:

"Therefore be it resolved by the City Commission of the City of Slaton, Texas:

"Section 1. That it is the intention of said City Commission to pass an ordinance on the 28 day of March, 1960, for the purpose of submitting to the qualified voters of said City, at an election to be held for that purpose, the following amendment to the existing charter:"

And then the notice tells of the proposed amendments, changing certain sections concerning how City Commissioners are nominated and elected and the qualifications necessary to becoming a candidate for Commissioner or Mayor.

Among the qualifications are that the Mayor and/or Commissioners shall be a resident citizen of Slaton and a property tax payer therein, and have the qualifications of an elector therein, and shall have been a resident of Slaton for not less than two years immediately preceding the election. Moving from Slaton causes forfeiture of the office.

In local politics, no new filers in the city election, slated for April 5th, by Wednesday morning. Filing deadline is Saturday, March 5th.

Those now seeking election include Albert Grigsby, L. L. Dixon, Slaton Negro, and Roy Martinez, Slaton Latin-American, for Ward Four, and H. G. Stokes in Ward Two. Incumbents T. A. Worley of Ward Four and Howard Swanner of Ward Two are not seeking re-election.

## Athletic Banquet Set

The annual Athletic Banquet, sponsored by the Slaton Touch-down Club, will be held at 7:30 p. m. March 28 in St. Joseph Hall, according to Dave Sanders, president of the Club.

Sanders said the Catholic women would serve the banquet and an outstanding speaker, head coach Joe Kerbel of West Texas State College, will be the speaker.

Tickets can be purchased from club members, Sanders said.

installation medium for both the Jaycees and their wives, the Jaycee-Ettes.

## Missions School To Start At Local Church

The annual school of Missions will be held in the First Presbyterian Church beginning Wednesday evening, March 9th, and continuing for four successive Wednesday evenings.

Fellowship suppers, covered dish style, will be served each evening at 7 o'clock, with the study of missions following.

The theme for study will be the work of the Church in Africa.

There will be three study groups, with the children's group led by John A. Schmidt; the high school group led by Byron E. Johnson. For the adult group, the first session will be led by Charles B. Stubbs, the second session will be led by Edwin D. Cummings, the third session by D. W. Walton Jr., and the last session will be led by Claude Cravens.

The study will be implemented with a motion picture entitled, "The Long Stride" and a filmstrip, "Tumba of Africa."

LIFETIME MEMBERSHIP  
Martin, principal of West Ward Elementary School, is shown here being presented a lifetime membership in P-TA by Mrs. Bill Green, president of the West P-TA organization. Martin was honored Monday night at the conclusion of a program presented by West Ward students as a feature of Texas Public School Week.

### A Big Step Forward . . .

The zoning ordinance for the City of Slaton that was made into law in May, 1959 has, so far as the public is concerned, caused little disturbance but, if the city expands, it will surely bring on no end of arguments in the future.

The full details of the ordinance, along with a map of the city of Slaton, which covered almost three pages in the issue of the Slatonite of February 4th, was worded in the legal phrases that are designed to complicate things and make them as hard as possible to understand.

The new city laws govern most everything possible in the way of where and how any kind of building may be located. It is most probable that the ordinance was designed and patterned after those in use in other towns as large and much larger than Slaton.

Those who live in towns where such regulations are not in effect, or where such regulations were not put into effect soon enough, report that the lack of such laws has been almost ruinous. Andrews, Seagraves and Odessa are examples of towns where the lack of proper building and zoning regulations were neglected. Trailer houses and parks in all parts of the towns, modern, expensive homes next to ready-built two-room shacks, garages and well drilling repair shops next to department stores.

These scars and conglomerations make these towns, and many others that have shown signs of too much growth in a limited time, eye sores and it will take years of development to wipe out the mistakes.

The City Commissioners of Slaton did not act one minute too soon in putting our laws on the record books.

In fact, it is surprising that Slaton does not have more ugly and inappropriate blocks than it does. The door has been open for a long time for the town to grow into one in which no one could take pride.

No doubt there will be many arguments in the future and many parties will try to break the regulations down. Let us hope that the ordinances will stand every pressure that will be brought against them and that Slaton will profit by using such regulations to plan its future and to help make our town one of the most attractive on the South Plains and prove a model for other towns.

If you have not read the laws concerning the zoning regulations of Slaton it will be worth your while, a little tedious, but worthwhile just the same. A. M. J.

### A Symbol Of Power . . .

Not as well known as the tribute to Old Glory paid by that great American orator, Daniel Webster, but nevertheless a very thrilling declaration in its own right, are the words once uttered by the late Senator Hoar, who said: "I have seen the glories of art and architecture, and of river and mountain. I have seen the moon rise over Mt. Blanc. I have seen the sunset on the Jungfrau. But the fairest vision on which these eyes ever rested was the flag of my country in a foreign port. Beautiful as a flower to those who love it, terrible as a meteor to those who hate it, it is the symbol of power and glory and honor of one hundred millions of Americans."

It is the animal nature of man that prompts him to shun difficulties, to take the easiest way around obstacles, to dodge duties, and to play truant from obligations. It is the divine nature within us that finds pleasure in toil, joy in conquest, happiness in tasks well done, and peace in squared accounts.—(Clypt.)

"There are two kinds of men; those who do their best today, and forget about it; and those who promise to do their best tomorrow, and forget about it."

John Ruskin said: "Unless we perform divine service with every willing act of our lives, then we never perform it at all."

John Truslow Adams wrote of an explorer who once attempted a forced march on the upper Amazon River. For days they traveled fast. But one day the men refused to budge. Said their chief: "They are waiting for their souls to catch up with their bodies."

## The Sounding Board

(Editor's Note: Here are a gems for your consideration taken from the column, "Pop-Valve," by Willard Jones, in the Hamlin Herald.)

AS WE NOTED recently in this column, money is a wonderful thing if used right. It will buy shelter, clothes and food—the necessities of life—as well as add for the icing on the cake in the form of luxuries and added joys and pleasures.

But it can easily bring misery and many other complications if not spent wisely. We picked up this little squib the other day to pointedly illustrate what we mean:

You have your money and your friend,

You loan your money to your friend;

You ask your money from your friend—

You lose your money and your friend!

Let me run the gamut over.

Let me fight and love and laugh,

And when I'm beneath the clover

Let this be my epitaph:

SUPPOSE YOU try making a list of the 10 words in the English language that you think are the most beautiful. Wilfred J. Funk, poet and dictionary publisher, recently did this—

words "beautiful in meaning and in the musical arrangement of their letters."

He thoroughly sifted thousands of words before he reached a conclusion. "Beauty of sound is not enough," declared Funk. "Much is a word pleasant to the ear, but its suggestion is ugly. Beauty of meaning is not sufficient. 'Mother' is one of four most loved words, but it lacks euphony."

So, Mr. Funk compiled these 10 words as the most beautiful in the English language:

Dawn, hush, lullaby, murmuring, tranquil, mist, luminous, golden, chimes, melody.

## The American Way

THE GOBLINE 'LL GET YOU

By George Peck

(Editor's Note: George Peck is Honorary Chairman of the Laymen's National Committee, sponsor of National Sunday School and Bible Weeks.)

"An the gobble-uns 'll git you Ef you don't watch out!"

(James Whitcomb Riley)

The beloved Hoosier poet, James Whitcomb Riley, died in 1916, many years before the New Deal, the Fair Deal and the numerous other deals. But we wonder if when he penned those immortal lines about the Goblines if he were not looking forward with prophetic vision to what the Welfare Staters have done to our beloved America this past quarter of a century.

Apparently, we ain't seen nothing yet; if the liberals succeed in putting over just part of their program in this 2nd session of the 86th Congress. This is national election year and the liberals are proposing legislation they believe will get them reelected come next November 8. As usual, they propose to be liberal with the other fellow's money and as the election campaigns warm up, they'll become more and more liberal. Some day we may witness these liberal politicians promise the American people something that won't come out of their own pockets, but we seriously doubt it.

Here are just a few of the things the liberals have in store for us, if we permit them to put over their program of further sovietizing this once proud home of the free and the brave: More political interference with price decisions. For instance, putting the steel companies under the same controls that regulate our privately-owned-and-operated power and light companies;

More regulation of the food and drug industries, to the point where these free enterprise businesses will no longer operate in a competitive market. The liberals base their clamor for such regulations on the cancer scares over food products and the charges (not proven) that drug manufacturers are charging exorbitant prices for pharmaceutical products;

Compulsory health insurance at further expense to the taxpayers. The employees and employers of the nation have just witnessed a further raise in the forced take-away percentage for Social Security. Now, it is proposed to add compulsory health

seldom feels the burden of it—it is a pleasant recreation to him. After all, there isn't a lot of difference between working hard and playing hard, except one's attitude of mind toward it.

If one's work is drudgery, the drudgery is self imposed—it is not in the work itself. He works itself. He works best who keeps his mind free from the thought of being ground down by the task, who weeps his spirits light and buoyant, who lives simply, and refuses to be stampered into a mad rush for diversion and thrills. There is a thrill and diversion in living a simple, well ordered life, in being master of one's job.

insurance, calling for an immediately increased take-away from employees' pay envelopes, with a like increase in forced contributions from employers;

New controls on radio and television broadcasting and on advertising. Surely, the broadcasters and the advertisers have made mistakes—we do not claim for a moment they have been without sin. But, wouldn't it be better to let them continue with the cleaning of their own houses, which they now have under way? "No," say the liberals, "we'll pass laws that will make them behave." They still have to learn the lesson that decency cannot be forced upon individuals or companies by simply passing a law;

Legislation must be enacted that will put the Federal Government into the business of settling labor disputes. The recent costly steel strike has lent encouragement to the liberals to clamor for having Federal Government stick its messy fingers into labor-management relations. Union labor leaders and members should be the stoutest in opposing such legislation—in the long run they'll be the greatest losers if Congress makes such a sad mistake;

By varied and devious methods, the liberals are behind legislation that will undermine our U. S. Patent System—that system which traditionally has reserved ownership of inventions to the inventor or the private concern employing him—that system which has encouraged men and women to invent the things which have been responsible for America's great production record. Kill the incentive (the profit urge) for individuals to invent and progress will come to a halt. That's what the liberals have in store for this nation, if we are apathetic enough to let them get away with it.

And then, of course, there is the perennial fight of the liberals for Federal Aid to education. This is a hot issue in this session of Congress and if we don't get busy, we'll find the Federal Government well on its way toward taking the control of education out of the hands of the communities and states, where it rightfully and constitutionally belongs.

The foregoing are just a few of the socialistic goblines that are going to get us if we don't watch out. And how can we watch out? The answer is simple. As you read in your newspapers or hear over the radio that a bill is coming before Congress that will help destroy what remains of "The American Way," sit down and write your Congressman and two U. S. Senators that you want no further give-aways, no further hamstringing of business, no further expansion of Social Security, no Federal Aid to edu-

THURSDAY, MARCH 3  
 Read Matthew 6:19-26

Let us not be weary in well doing; for in due season we shall reap, if we faint not. (Galatians 6:9.)

Sometimes we get discouraged in our Christian living. This may be due to the monotony of our work. We may see little beauty in a single color; but put two together, blend them or contrast them, and we are lifted by sheer beauty. We hear no music in a single note; but when we weave several together harmoniously, we notice the difference.

We become discouraged sometimes because we think that our one aim is to get the job done. But there is another side of the labor story which we so often forget. The Christian view is that we are not making things; we are making men.

That you and I have to make is not a living, but a life. Let

us put patience, kindness, pity, courage, and gentleness into our tasks. We shall be planting seeds in our hearts, eternal to the characters God have us build.

PRAYER: Our Father, we become discouraged to look at life through the eyes of Christ. And in grief, He saw the hearts of men, and He found the hearts of men lived for their good, so to live, in His name.

THOUGHT FOR THE DAY: Life is more important than building a more vital than making money.

Thomas B. Matheson

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

STIN—We may have a spring this year... but there be enough water for us in 2010?

is not a fantastic question that Texas' state officials, engineers, water planners are grappling with now. Out of their come these items of and views:

Gov. Price Daniel told a convention in Austin that had made great progress in water management in the past three years. But, he "much more remains to be done."

In the far-ranging testimony, water engineers discussed the probable water needs of Houston, Dallas and Fort Worth in 2010, and the possibility that Texas might be subjected before 2010 to a drought worse than that of 1950-57.

4. Texas is losing the battle for industry because of inadequate water supply, the director of UT's Balcones Research Center told an Austin meeting. "Central Texas is in good shape," said Dr. J. Neils Thompson, "but the rest of the state is in sorry shape."

Texas has an average annual rainfall of 27 inches compared to an average of 30 inches for the U. S. as a whole, said Dr. Walter Moore, also a UT engineer. But he said Texas has a special problem—an evaporation rate 50 to 100 per cent higher than for the U. S. as a whole.

**Auto Deaths Drop—** Texas had an "almost sensational" 28 per cent drop in traffic deaths in the first seven weeks of the year, Governor Daniel announced.

This is the period since the new Safe Driving Auto Insurance Plan went into effect.

There were 69 fewer deaths during the first seven weeks of this year than during the same period in 1959. Drop from 243 deaths in 1959 to 174 this year.

Board of Insurance Chairman

opponents to get together and solve their problems cooperatively. Hearing has been given to long, bitter arguments and frequent flare-ups among participants.

Survivors include the husband; three daughters, Mrs. L. F. Fisher, Lorenzo; Mrs. Francis Sport, Childress, and Mrs. Landon Coffman, Artesia, N. M.; two sons, the Rev. J. W. Bradshaw, 107 E. Stamford Lubbock, and C. D. Bradshaw Jr., McLean; three sisters, Mrs. Lona English, Mineola; Mrs. Lonnie Rhodes, Joy, and Mrs. Icie Reid, 3703 E. 4th St., Lubbock; three brothers, W. A. and Albin Mills, Wynnboro, and J. R. Mills, Dallas; 14 grandchildren and 5 great-grandchildren.

Penn J. Jackson said he felt the new insurance rates, which are higher for careless drivers, were due at least a portion of the credit for the improved safety record.

Conclusive evidence, both the governor and insurance board chairman agreed, would have to wait more time and statistics.

**Industry Seekers Named—** Nine men have been named by Governor Daniel to the new, enlarged Texas Industrial Commission.

He also gave them as their 1960 assignment the gaining of 254 new industries for Texas—one for each county.

Members of the three-member Industrial Commission were appointed to the new board. They are E. B. Germany, Dallas; Houston Hart, San Angelo, and Chester C. Wine, of Laredo.

New members are Robert F. Haynsworth, El Paso; Ray H. Horton, Houston; Morris Higley, Childress; Richard H. LeTourneau, Longview; James A. Redmond, Beaumont and Al H. Chesser, Austin.

**Fish For Farmers Questioned—** A House of Representatives committee looking for ways to save tax money quizzed spokesmen of the Game and Fish Commission on its fish and quail re-stocking programs.

Committee members questioned whether the Commission should give out free young fish raised in the state hatcheries. They go to farmers and others to stock tanks.

A Commission official said the little fish cost the state about 15 cents each to raise.

Legislators also considered at length the Commission's quail hatching operation near Tyler. Quail, it was brought out cost about 69 cents each to raise, are sold to landowners for game re-stocking at 50 cents apiece.

**Polio Outbreaks Foreseen—** State Health Department predicts a rise in the number of polio cases in the spring months ahead.

Most of the victims, said the Department, will be among those who have not taken advantage of polio shots.

Last year's record shows that three out of four polio victims had not had any vaccine and 9 out of 10 had not had all the recommended series.

Texas had 526 cases of polio last year, approximately 13 per cent of the 3,984 cases recorded in 1952 before Salk vaccine.

A Health Department official deplored parents who, "in the face of almost daily urgings, ignore the chance of giving their youngsters an infinitely better chance to escape polio."

Loss of judgment and the capacity for self-criticism occurs before obvious symptoms of intoxication.

## Funerals Are Held For Mrs. Bradshaw In Acuff, Feb. 25

Funeral services were held at 10 a.m. Saturday in the Acuff Baptist Church for Mrs. C. D. (Sarah Alice) Bradshaw, Midway community resident, who died at 5:50 p.m. Thursday, Feb. 25 in her home.

Mrs. Bradshaw was born in Wood County.

Officiating at the services were the Rev. W. O. Donley, pastor of the church. Burial was in the Childress cemetery at 4 p.m. Saturday.

## Frank Eddings Dies Held Home Friday, Feb. 26

Funeral services were held at 2 p.m. Friday in the Westview Baptist Church for Frank Eddings, 64, Amarillo.

The Rev. C. M. Fields, pastor, officiated. Burial was in Englewood Cemetery under the direction of Williams Funeral Home. Masonic graveside rites were conducted.

Eddings, a resident of Amarillo since 1922, died in Mercy Hospital Wednesday night. He was a retired railway conductor.

Survivors include the wife; a son, Eugene, Slaton; a daughter, Evelyn Kimbrow, Eunice, N. M.; two sisters, Mrs. Ida Smith, Teague; and Mrs. Ruth Compton, Enid, Okla.; and five grandchildren.

## John H. Blake Gets Santa Fe Promotion

John H. Blake of Los Angeles has been appointed assistant general manager for Santa Fe Railway at Amarillo, Texas, effective March 1, the railroad has announced. Blake succeeds T. J. Anderson, deceased.

Blake was born at Glazier, Texas, in 1912, and entered Santa Fe Service as an apprentice operator at Amarillo in 1927. He served as wire chief at La Junta, Colorado, and dispatcher at Las Vegas, New Mexico, before being trainmaster at Las Vegas, in 1947. He served in a similar capacity at Waynoka, Oklahoma, and Carlsbad, New Mexico, prior to his appointment as assistant superintendent at El Paso, Texas, in 1953.

He served as acting superintendent at Clovis, New Mexico, Newton, Kansas, Arkansas City, Kansas, and Slaton, Texas, before moving to Emporia, Kansas, as superintendent in 1954. He was promoted to assistant general manager at Los Angeles, August 1, 1959.

A former Western lines official, Floyd L. Elterman, will also advance as a result of several changes following the Blake appointment. Elterman began his Santa Fe career as a brakeman on the New Mexico division in 1942. He advanced to conductor, and later was made transportation inspector at Albuquerque, New Mexico. He was trainmaster at Slaton, Texas, from 1954 to July 1957 when he became superintendent at Dodge City, Kansas. Now superintendent at Kansas City, Elterman will advance March 1 to superintendent at Corwith, Illinois.

## Our Men In Service

Southern California (FHTNC) James L. Vaughn, seaman, USN son of Mr. and Mrs. Leon C. Vaughn of 215 S. Fourth, Slaton, serving aboard the destroyer USS Bausell, took part in a large-scale anti-submarine exercise off the coast of Southern California, Feb. 11-15.

Purpose of the operation, under control of the Commander, U. S. First Fleet, was to keep American sea power in a state of readiness.

The exercise pitted "Purple" aggressor forces, supposedly deployed from an overseas base against "Blue" defender forces.

The operation was one of a continuing series which prepares First Fleet ships for rotation to the Western Pacific.

Mr. and Mrs. Jaynes Cloninger and children of Amarillo stopped by to see Mrs. Cloninger's mother, Mrs. Julian Stahl, Feb. 22. They had been to San Antonio to visit their daughter, Sister Edwina. They also visited Linus Stahl and family in San Angelo. Linus underwent surgery in a Houston hospital, January 28th.

## The Slaton, Texas Slatonite, Thursday, March 3, 1960

Mr. and Mrs. L. C. Odom returned home from Albuquerque Friday night. Mr. Odom has been a patient in the Santa Fe Hospital in Albuquerque the past 3 weeks. Mrs. Odom reports that Mrs. Carrie Marriott was continuing to improve when she saw her Friday. Mrs. Marriott had major surgery two weeks ago Monday.

Lucille Goodlow and son Rob of Tullia spent the week with Martha Spears and a John Otis.

## THE OLD TIMER

"A modern mother is one who worries only when her daughter gets home from a date at a decent hour."

And He said unto them, Where is your faith? — (St. Luke 8:25)

As Jesus Christ inquired of His disciples, so does He inquire of each of us this very day: "Where is your faith?" Without that faith, nothing is possible to us except frustration, unhappiness; with it, all good things are possible—for truly Faith is the Answer.

Now! Bleach safely, automatically in the new **MAYTAG AUTOMATIC WASHER with BLEACH DISPENSER**

No waiting or diluting. Maytag does both jobs for you. Just add concentrated bleach through dispenser opening; bleach remains in dispenser until washer has filled and washing action starts, and is automatically diluted before being introduced into the wash water. After washing action starts, bleach is added slowly to provide uniform bleaching action. Only Maytag provides this automatic delay and pre-dilution.

No bleach damage to clothes. By providing automatic dilution and properly timed injection, Maytag prevents heavy concentrations of bleach from coming in contact with clothes. Gone forever are the holes in clothes, the weakened fibres, the uneven bleaching associated with strong liquid bleaches.

No half-hearted detergents. Modern detergents contain brightening agents which are destroyed by liquid bleach when bleach and detergents are added to wash water at the same time. By delaying the introduction of bleach until after the washing action has started, Maytag preserves the full effectiveness of your detergent and clothes come out sparkling clean, white, and color bright, wash after wash after wash.

### NOTICE OF INTENTION TO SUBMIT CHARTER AMENDMENT

The following resolution provides that notice be given of the intention of the City of Slaton, Texas to submit to the qualified voters of the City of Slaton, Texas an amendment to the existing charter of the City of Slaton, Texas, was adopted and approved by the City Commission of the City of Slaton, Texas, February 26th, 1960.

### THE STATE OF TEXAS, COUNTY OF LUBBOCK, CITY OF SLATON.

#### RESOLUTION

On this day 26th day of February, A. D. 1960, the City Commission of the City of Slaton, Texas, convened in special session at its regular meeting place in City Hall, all members thereof, to wit: Clark Self, Mayor and Chairman of the Commission; L. O. Lemon, Commissioner; B. A. Hanna, Commissioner; H. T. Swanner, Commissioner; T. A. Worley, Jr., Commissioner; being present, and among other proceedings had was the following:

It was moved by Commissioner B. A. Hanna and seconded by Commissioner L. O. Lemon that the commission pass a resolution giving the notice of its intention to pass an ordinance submitting an amendment to the present charter of the City of Slaton, Texas; the motion carried by the following vote: Commissioner L. O. Lemon, B. A. Hanna, H. T. Swanner, and Commissioner T. A. Worley, Jr. voting "Aye," and one voting "No." Thereupon the following resolution was adopted: A Resolution providing that notice be given of the intention of the City Commission of the City of Slaton, Texas, to submit to the qualified voters of the City, for approval or rejection, an amendment to the existing charter of the City of Slaton.

WHEREAS, the City Commission of the City of Slaton deems it advisable at this time to submit to the qualified voters of the City of Slaton an amendment to the existing charter, and whereas, the City charter of the said City has not been altered or amended within two years next preceding this date:

THEREFORE BE IT RESOLVED by the City Commission of the City of Slaton, Texas:

Section 1: That it is the intention of said City Commission to pass an ordinance on the 28th day of March, 1960, for the purpose of submitting to the qualified voters of said City, at an election to be held for that purpose, the following amendment to the existing charter:

Charter Amendment No. 4: To amend Section 3 of Article VI of the City Charter of the City of Slaton so it will hereafter read as follows:

"City Commissioners: How Nominated and Elected: Candidates for places on the City Commission shall be nominated as provided in the Texas Election Code. Any City Commissioner hereinafter elected shall be elected by the qualified voters of the City of Slaton, Texas."

To amend Section 4 of Article VI of the City Charter of the City of Slaton so that it will hereafter read as follows:

"Section 4. Commissioners, Their Qualifications: The Mayor and each member of the Commission shall be a resident citizen of the City of Slaton and a property tax payer therein and shall have the qualifications of an elector therein and shall have been such resident citizen of the City of Slaton for a period of not less than two (2) years immediately preceding his election and shall not be indebted to the City of Slaton; provided, however that any qualified elector, who shall have been a resident for a period of not less than two (2) years immediately preceding his election of any of the territory not formerly in the incorporated limits of said City but which is annexed under the provisions of this charter, shall be eligible to said office. Any Commissioner who, during his continuance in office establishes his domicile outside of the limits of the City of Slaton from which he was elected shall thereupon inso facto forfeit his office and the vacancy shall be filled as provided in Section 7 hereof."

And

To delete Section 9 of Article VI of the City Charter of the City of Slaton.

Section 2: That the City Secretary is authorized and instructed to publish a copy of this resolution in the Slaton Slatonite, the official newspaper of the City of Slaton, as notice of the intention of the City Commission to submit said amendment, and the same when marked "NOTICE OF INTENTION TO SUBMIT CHARTER AMENDMENT," signed by the Mayor and attested by the City Secretary, and published as aforesaid, is to be due notice thereof.

Section 3: That the said notice shall be published in the Slaton Slatonite, the official newspaper as aforesaid, for not less than 20 days prior to the date on which the proposed ordinance is to be passed. Adopted and approved this 26th day of February, 1960.

Clark Self, Mayor of the City of Slaton, Texas.

# CHECK UP

It's a good idea to have a check up every so often. And the idea ought to be extended to our spiritual as well as our physical health.

For instance, how much are we *thinking* about the truths our churches teach us? Do we understand God . . . His love for men . . . the sacrifice of Christ for our sins . . . the way of Christian living?

And how much are we *doing* for God and our own souls? Are we worshipping every Sunday . . . rearing our children in the Faith . . . serving the Church and fellowmen according to our talents and physical strength?

And how much are we *giving* for God to use? Do we promise Him a fair proportion of our income . . . do we set it aside regularly as a sum that belongs to God and to those who need our help . . . do we have the courage and faith to strengthen our Church by more generous support?

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## When You're Shopping

don't forget

# The Hidden Values

you get with every purchase in your home town stores

YOUR DOLLAR spent in your home community will get you just about the same size package of merchandise or service that a dollar will buy anywhere else.

But there's a BIG BONUS you get when you buy where you live . . . an extra reward for buying at home.

YOU DON'T ALWAYS NOTICE IT or think about it when you're buying, but it's there just the same . . . hidden in the intricacies of modern life.

IT COMES TO YOU in the form of a busier and more prosperous community . . . a place

in which you can make a better living . . . easier. This premium for buying in your own community includes better schools, stronger churches . . . and neighbors who are more able to share in the work and the expense of all community projects.

This EXTRA VALUE that you get for your home-spent dollar also includes greater opportunities for you and your children . . . better shopping facilities and more skilled service people conveniently at hand, and . . . most important of all, the quiet and full life that only those can know who live in a prosperous American rural community.
