### **TOO MUCH HELP**

Most adult residents of Slaton, who are the least bit observant, have noticed how the children of our town are becoming less dependent on themselves and lean more upon their parents and upon some outside organization for amusement and services that they could, and should, couple of gleamings from two provide themselves.

### **SPRING TRA LA!**

All around us here in Slaton are signs of spring, in the

air and in the hearts of most of us in the town.

It is now that we feel the stirring of desires for a little He forgot to sign his name. more color to our raiment, some new life for the furnishing of the home and the spirit of adventure for the development of the things that grow outdoors. We all have the human impulse of spring to fix up, clean up and paint up and the willingness to loosen the purse strings. It is a time of the year when we want to trade and be traded with the time and the merchants of Slaton to show and tell about the things that are available to make us look more attractive, be more attractive, act like SPRING IS HERE. With the co-operation of the weather, the people and spirit of the town there is everything to gain and a lot to lose.

The Chicago parochial school fire which took the lives of 93 children horrified the nation. Yet, in the two months following it, more than four times as many children were burned to death in their own homes. According to an authority, the deadliest fire traps today are not schools, but single family private residences.

A NOTE ON FEDERAL SPENDING: From 1955 to 1959 the publication Economic Intelligence reports, national security and foreign aid spending increased 13%. In the same period, by contrast, non-defense federal spending increased by 41%-more than three times as much.

Voltaire said that "history is nothing more than a picture of crime and misfortune."

Every time a man uses either his brain or his courage, he strengthens them.

As we celebrate a glorious Easter, We take this opportunity to greet you and your family with every good wish for happines at this Holy season. Our earnest hope is that the glad tidings of Easter may guide and strengthen all of us, helping us to envision deep spiritual goals and to recognize the greater truths that go beyond our everyday life.

To know the true joy of Easter . . . to experience all the glory of its messeage . . . attend Easter ser s ervices in the church of your choice. Bring your family . . . join your friends.

# but ... scattered dollars don't

You might broadcast a sack of cats . . . and find them all back home in a couple of days . . . plus some extras. But DOLLARS don't have much in the way of a homing instinct.

Take DOLLARS and sow them in the City . . . or send them off to some mail-order concern . . . or hand them to some hit-and-run salesman, and they are LONG-GONE DOLLARS.

IF YOU DON'T THINK SO . . . try to get some of these

left-town dollars back home to help fill our Red Cross quota . . . or to buy new suits for the school band, or a new fire engine, or to hire a preacher, or some more school teachers for your kids, or to pave more streets.

BUYING WHERE YOU LIVE supports more people and more prosperous people - in the neighborhood. People who can save you money by helping you carry the load of time and expense that goes with any community that is fit to live in.

SOUTHWESTERN PUBLIC SERVICE which the Southland Chapter her refreshment committee,

troduced as judges.

The candidates presented were Jo Stoneman of Freedom Chapter, Vera Trout of Truth, both of Lubbock, Pearl Landmon of Slaton, and Annie Abbot of Sundown, after each candidate was asked some very interesting and embarrassing questions. With much thought, the judges announced Jo Stoneman "Queen for a Night." Her gifts included Westinghouse washer and dryer, a Speedboat, a Cadillac convertible, a Baby Grand piano with a concealed cultured pearl necklace and bracelet, which made every woman wish that she might be "Queen for a Night."

DESOLATE HILL

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday Monday Tuesday Wednesday Thursday Friday Saturday	John John Psalms Matthew Psalms John Luke	19 20 102 14	23-42 1-25 1-12 22-33 169-176 31-38 13-53

It is not strange that someone chose this lonely spot to erect a reverent memorial. It was on a desolate hill that three crosses stood many centuries ago . . . the Cross of the Saviour . . . and of the penitent . . . and of the scoffer.

Always these crosses have seemed to belong to the desolate hills of life. When a man feels the crushing burden of worldly care upon him, when he trudges the steep trail lost and alone - then, either he will claim the Love and Strength of Christ as did the penitent, or like the scoffer he will let his unbelief destroy his soul.

But no man should wait for a time of desolation to make life's most joyous decision. It can be made today . . . and sealed with years of happy service in the church of one's choice.
