### Local Women 'Cook Book' Winners

Long-awaited Cook Book with this week's Slatonite, featuring original recipes of Slaton's women, can be found inside today's Slatonite. It's a "delicious" little book if we do say so, with recipes and cooking instructions. Merchants printed out many aids to housewife and "born good" through ads in the edition.

Graves got the top prize, a hand-operated electric mixer, from Lasater - Hoffman Hardware for her "Strawberry Dessert." Other winners were: Mrs. T. C. Barnes, vegetables and side dishes; Mrs. J. E. Hammett, meats; Mrs. I. E. McCarver, pastries; and Mrs. O. D. Kenney, salads. The judge said she could find very little difference, in quality, between any of the recipes and any entry could have been a winner easily. In other words, they were nearly all top-flight recipes. The entries were judged on originality, economy and practicality.

### Seismograph Crew Moves Into Slaton

Group Needs Furnished Houses

A 19-man crew of oil field workers and their families moved to Slaton this week. The group, members of Continental Oil Company Geophysical crew, has moved trailer houses, rented apartments and houses and still needs more. The crew will be doing seismograph work in the Slaton area for at least two and a half months, according to Don Blaire, party chief. As a general result, seismograph crews stay much longer than first anticipated, observers pointed out at this crew is coming here from Andrews, where they spend five months. They originally expected stay in Andrews only a few weeks. Also, this same crew worked the Roswell, N. M., area before going to Andrews. They were in the Roswell area about five years after expected to be working only a few months in the area. Chances are that they will be in Slaton much longer than the expected weeks. "Doodlebugging" in the Slaton vicinity will be generally the south and north of town Blaire said. The crew will stay to work today. Four of the families are trailer houses and are already located. Blaire didn't know Tuesday how many of the rest of the crew had found housing but said there were still some looking. On the unfortunate side of the ledger, Slaton lost at least four of the families to Lubbock because adequate housing could not be provided here. Blaire said at least one of the families would be willing to return to Slaton he thought if proper housing, furnished, could be located.

Also needed are some back porch apartments for at least 10 individuals. Some of the men will move their families to Slaton until after school is out in Andrews while the rest were expected to be settled and "ready to go" by today. Still, if you have housing you would be willing to rent to crew members, preferably furnished houses, contact T. Slatonite and word will get those who might not yet have located a place to live. A "Welcome to Slaton" ad in today's Slatonite from local merchants, wishing the crew a happy stay and inviting their patronage. Blaire gave credit to Slaton Chamber of Commerce and Manager Bill Ball for help given the crew in getting located in housing here.

### Housewright Services Held Last Sunday

Funeral services for W. R. Housewright of Slaton were held at 2:30 p.m. Sunday in the Methodist Church at Wylie. Mr. Housewright died in his home here, 120 N. 6th, last Friday. He had lived in Slaton six years and was a former resident of Wylie. He was 78 years of age. Burial was in the Wylie Cemetery. The body was taken overland to Wylie by Williams Funeral Home Ambulance last Saturday. Survivors include his wife, Ida of Slaton; two step-sons, Loren and John Dennison, both of Los Angeles, Calif.; eight grandchildren; two brothers, Jobe of Wylie and Walter of San Benito; and one sister, Mrs. Hester Combs of Wylie. Mrs. Housewright asked The Slatonite to express her appreciation to those who had sent cards and messages of condolence. Her purse was stolen in Fort Worth Sunday and had the cards and messages in it, making identification of those sending sympathy cards impossible.

### Local Church Sets Revival Services

Revival services are scheduled to be held at Trinity Evangelical Methodist Church, 700 So. 19th street from April 20 through April 27. Rev. Olin Jones, Missionary Evangelist from Simmesport, La., will be doing the preaching. Rev. Jones, who has spent six years in the Bayou country of Louisiana, has attended Southwestern Theological Seminary and Biola of California, among other schools. The Rev. Mr. Jones ventured into Bayou country and through his ardent labors there have been many moral and physical reforms. Services will be each evening at 7:30 and everyone is invited and welcome, according to Rev. Weldon Thomas, pastor.

### Store Wins Award

White's Auto Store of Slaton was the recipient of a \$150.00 award recently for being the top store in its group in sale of major auto accessories, tires, batteries and seat covers. Bobby Poyner, manager, also was named "Battery man of the Month" for January.

### BOWLING TOURNEY THIS WEEK END

Shown here are members of the Jim-Dan-Dy Cleaners, one of several teams which are entered in the First Annual City Bowling Tournament here this week end. The tourney, for both men and women, is sponsored by Slaton Bowl and will feature team matches, doubles and singles entries. Bowlers will be members of a team bowling in league play here. Entry fee is \$3. Deadline for entering the tournament was Monday night, according to W. C. "Dub" Williams, owner. The event will be held Saturday and Sunday afternoons. There will be open bowling on those days, too, and the snack bar will be open, Williams said. The public is invited to watch the handicap event. In the picture are, back row, left to right, Mrs. Edith Chappel and Mrs. Isabelle Foster, Front, Mrs. Doris Ricker, Mrs. Cora Dixon and Mrs. Alma Winn.

### ABSENTEE VOTING UNDERWAY

If you're planning a trip and will not be back for the county-state voting May 7, there is an alternative for you. Absentee voting for the first primary started Sunday, April 17. You'll have until May 3 to vote absentee. Also, absentee voting started Wednesday in the May 10 Slaton City Charter Amendment election.

### ATTEND TAX MEET

City Secretary J. J. Maxey attended a Lamesa meeting Tuesday night of a regional organization of tax collectors which meets quarterly. About 50 attended the meeting. The program was a roundtable discussion of tax problems over the area. Chester Williams, school business manager, was also in attendance. He is vice-president of the organization.

### DISTRICT COURT ACTION

One Slaton youth was given a 4-year probation on burglary charges and another's probation was revoked in 99th District Court action in Lubbock Monday. Police Chief Eugene L. Martin said Wednesday. Harold D. Talley, 17, who admitted being involved in nine local burglaries and two in the area, was given a four-year probation sentence and Dean Williams, 22, had a three-year probation sentence revoked and was sent to Huntsville, Martin said. His original sentence was in connection with the burning of Constable Allen Meurer's car here a year ago.

### Local Go-Karters Fume Over Article In The Wednesday Morning Avalanche-Journal

Two Slaton go-kart enthusiasts answered what they felt was unjust publicity in the Wednesday Morning Avalanche-Journal yesterday. Don Bourn and Leo Henzler, kart dealers and members of the Slaton Go-Kart Club, said the sport will stay off city streets, only on the track provided. Most go-kart accidents have taken place on city streets across the country with automobiles running into them or the karts running into automobiles or some other object. Few serious accidents have occurred on tracks, the two said, with no serious mishaps on the dirt track just south of Slaton. Joel Combs, publisher of The Slatonite, also took a ride in a go-kart Wednesday to test the two men's assertion that the kart "can't be turned over." It didn't. The Lubbock safety group, the board of directors of the Lubbock Citizens Traffic Council, has adopted a policy recommending that the Lubbock City Commission prohibit the operation of go-karts in any area within the corporate limits of the City of Lubbock. Practically the same thing is in effect here with Chief Martin trying to keep the karts off city streets and paved areas in the city. The go-kart club itself opposes operating them on streets or anyplace except on the track. Local karters are currently seeking a place near the city to build a paved track, where fences will keep cars and people off the tracks, one of prime reasons for accidents. Also, regular inspections of karts to be raced will be observed. Presently, the racers know each other's karts and karts are not conducted. The inspection is not conducted. The paved track, when constructed, will serve racers from Slaton and all surrounding areas. Now, in the races, youngsters race against youngsters and adults against adults and the high-powered twin-engine cars are not allowed to race, the two said. Dave Sanders, who has won several trophies at the track near Buffalo Lake, endorsed go-karting and said, "My boy, who is six years old, broke an arm the first time he crawled on one of those 'monkey bars' at school and he hasn't been hurt yet driving his go-kart. He's safer on one than on his swings in our back yard. He has around fifty hours of competitive driving against older boys." Others have given favorable comments concerning the safety of go-karting since the Wednesday AJ article. None, however, deny that accidents can occur, especially when karts are driven in unauthorized places, and they urge that all safety precautions be taken and driving on available tracks only.

The two took the opportunity to invite all "Industrial Go-Kart Racers" to Slaton if they feel they aren't wanted in that

### FORTUNATE WATER USERS

If you pay a monthly bill to the Slaton water department you no doubt have, especially at this time of the year, felt that a very luscious bite is being taken out of your budget and have piled maledictions upon the week-eyed man who glances at your water meter once a month.

You perhaps have gone so far as to complain in person, or, if you were rushed, and did not have time, by phone. In doing this you no doubt did not expect to get your last month's water bill adjusted to what you considered a fair amount but by putting up a howl you hoped to let those money grabbers know that you were on the lookout and that such high rates would not be tolerated indefinitely.

Just to prove how high some water servicing concerns, both private and municipal, will go, let us quote some estimated charges that will soon go into effect in Virginia City, Nevada, as reported in the Territorial Review of that City:

"The domestic monthly minimum, 300 cubic feet or 2,250 gallons, allows 75 gallons a day, which will permit one bath, four toilet flushes, and ten glasses of water with the family dogs presumably assigned to the dish-washing.

"According to one county official Comstockers will pay the highest water bills in the country.

"The rates were set by the Public Service Commission after a long series of hearings that were marked by complicated legal maneuverings and fascinating glimpses into the water company's past operations. In addition to the Virginia City Water Company itself, the Comstock supplier, the boost was supported by the Curtiss-Wright Corporation whose Lake Marlette Water Company in turn supplies the local utility. Opposed to it were all local subscribers, with the Board of County Commissioners itself retaining an attorney to present the consumers' side of the argument.

"The boost's proponents argued that the rises were necessary in order to conduct the utility on a businesslike basis.

"Opponents contended they should not be penalized for the water company's long record of mismanagement, concerning which many hitherto unrevealed facts were brought out at the hearings.

"While the Monday mass meeting at the school put itself on record as emphatically protesting the Commission's schedule it is doubtful at this late date that any adjustments can be brought about."

So if you think the water meter on your water line is running day and night whether you are getting water or not, or that the little wheels are running double time on the gadget, or even perhaps that the Slaton water rates have been boosted up, just on your account, consider the folks who live in Virginia City, Nevada, and how fortunate you may be.

If you have ever lived in some of the towns and cities in South Texas where the water supply is from some lake, the water that came from your hydrant was likely a lot warmer in the summertime than the coffee that is served in West Texas at some of the restaurants and lunch counters and in some cities the water was quite often of a darker color.

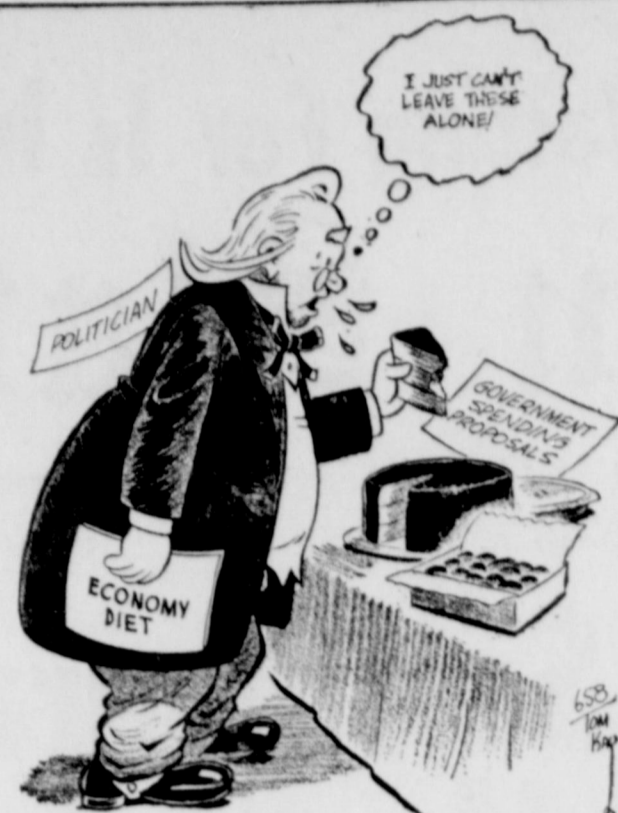

Slaton enjoys an excellent grade of water that comes out of the hydrant at a cool and refreshing temperature even on the hottest days. Service and pressure is as good as anyone should ask, and the rates modest so before you make too much of a "to do" about any charges better check up and see if your pipes do not leak or that you have not left a hydrant running all night. Remember how lucky we are compared to Virginia City where it is not hard to understand why they allow beer and liquor to be sold. Water must be too costly to drink.

### FOLLOW THE RULES AND LIVE

With several of the traffic signs not very well displayed the motorists of Slaton, so far as is known, have had very few automobile accidents on the streets and, if one is observant, it is noticeable that the traffic rules are observed by most drivers.

With the confused way Slaton streets are laid out, traffic could be very hazardous here and it must be that the sense of self-preservation is strong with most our citizens.

(Editor's Note: Bob Wilson, who pens the column, "In This Corner" in the Brady Herald, thinks there's not much difference between a Democrat and a Republican. Whether agree or not, it's pretty good reading.)

SO YOU can't tell a Democrat from a Republican?

That's a favorite old saying, and in many cases it's true. Back in 1952 when the Democrats got turned out to pasture, we "old line" Democrats could see it coming—but we wouldn't admit it. In the 20 years previous, "Republican" was dirty word in Texas. Why, a Republican couldn't get 50 votes in Texas.

But there was that baldheaded fellow with the cute grin.

looking for all the world like good old "Daddy Warbucks." And then the old Texas Regular crowd put him in a Texas hat and plastered his pretty picture all over the place. That did it. He was in.

NOW THIS Corner thinks he has an uncanny ability to spot political trends, and we figured that "the people are just tired of foreign aid. They're tired of Marshall Plans and Truman Plans. They're fed up with the fantastic federal taxes, federal debt. They have got a bellyful of the government sticking its long nose in our private affairs.

"They're ready to try the Republicans. After all the Republican Party is the party of big business, of free enterprise, of rugged individualism, of government economy. The Republicans will put a stop to all that wasteful government spending by the Democrats. They'll turn the people loose to run their own affairs."

BUT what happened? We only got more of the same—in larger doses. The Republicans think they can run every man's business better than he can run it himself; they take a healthy cut of the profits, but not the losses. They want to regulate, everything, industry, agricultural customs (Southern variety), transportation, the schools.

They want to put everybody on a pension, give them free medical service, build them

expensive apartments at cheap rent, pay them for not farming, pay them for growing stuff that nobody needs or wants.

They want to tax and spend, tax and spend. That's what they used to say about Democrats, isn't it?

They want to do all these

things not only for U. S. taxpayers, but for everybody all over the world—friendly and foe alike. Their generosity knows no limits.

GOLLY, ARE these fellows Republicans? Their plans to bring all the world's goods and services under the regulations of Washington bureaucrats is something Franklin Roosevelt never dreamed of even in the rosiest days of the New Deal.

It's no wonder that people can't tell a Democrat from a Republican any more.

But here is the real clue: Interest rates.

When the Republicans are in the White House, interest rates start going up, and up and up. By manipulating federal funds they can set interest rates almost anywhere they want them.

NOW THEY tell us peons that they're raising interest rates "to prevent inflation." Yeh yeh yeh. The theory is that higher interest rates will keep all of us weakwilled fillets from going head over heels in debt. We won't buy if the interest rate is too high.

High interest rates do not prevent inflation. They only add to the cost of doing business. They fan the flames of inflation. They jack up the price of everything you buy, everything you need to live on.

A man living with his mother-in-law isn't going to worry much about the interest rate when he wants to buy a new house. But the interest rate may double or triple the eventual cost of that house.

OUR WHOLE economic setup is based on credit. How many cars would be bought if everybody had to pay cash? The storekeeper down on the corner uses credit all the time. Just before Christmas he'll get a loan to buy merchandise, and he'll fill his shelves with a variety of stock he could never buy with his own savings. After Christmas he'll repay the loan and take his profit—but if the interest rate is too high there's little profit left. And next time his prices will be a little higher to take care of that big interest payment.

The farmer borrows money to plant a crop or buy cows. When he sells his crop he pays off the loan and takes what's left—if the interest leaves anything.

THE ONLY WAY to beat inflation is to produce more and more at ever lower prices. That means plants must expand, houses must be built to care for an ever growing population, and people must buy and buy. And all that requires easy credit at low rates.

These high interest rates not only hurt you, they hurt governments, too, which means piling taxes upon taxes. Local governments are hurt worst.

About a year ago the City Council had enough money to pay off some old bonds, about \$60,000 worth. The money already was in the bank, and the Council wanted to clear the debt away.

But the bondholders (some where back East) didn't want to be repaid!

CITY SUPT. James Feazelle couldn't understand that.

"Why, they could take our money and then reinvest it and draw 5 to 6 percent now," he said. During the Democratic administrations, municipalities could sell their bonds at 2 or 2½ percent interest, sometimes even lower for a city with a good credit record. Feazelle figured, of course, that these old Brady bonds probably were drawing interest about like that.

Then the Council got out the bond records and took a look. The bonds had been issued in 1928 and 1929—during a Republican administration—and they had been drawing 5½ percent interest all this time! The bondholders were quite satisfied, thank you, especially when that 5½ percent is exempt from federal income taxes.

FIVE AND a half percent in 1929.

Well, we're right back where we started from, aren't we? And now you know the difference between a Democrat and a Republican.

Mr. and Mrs. George Evans left last Saturday night for Atlanta, Ga., where they will visit their son, Harry, and wife and two children, Harry Jr., and Patricia. They will be gone about two weeks.

Dear Editor:  
I see where a newspaper lowers Presidential Candidate John Kennedy on account of he looks more like a college freshman than a President.

My sagging neighbor says it is dirty politics to jeer at a man's boyish looks in these latter days when custom says only beatniks and Fidel Castro can offset their damp ears with beards.

Says a bearded Kennedy would be more impressive, though, and he would just as soon have a president with pretty whiskers as one with a retractable platform.

## TO THE CITIZENS AND VOTERS OF LUBBOCK COUNTY, TEXAS.

Due to the untimely death of our friend, Louie F. Moore, thereby creating a vacancy in the position of County Clerk, I hereby present my candidacy to the citizens and voters of Lubbock County in the May 7th primary for this all important post in our County Government.

It is my intention to see and talk with every person I possibly can but of course, it is impossible to see and talk with many people in so short a time and I know you will understand my position in this respect.

I have lived in Lubbock, Texas, for 9 years and reside with my wife at 4209 40th St., our home. The early years of my life were spent in Eastland County, Texas.

I ask for this important position strictly on my own merits, experience and qualifications, some of which are:

In 1932 I was elected and served 6 years as District Clerk, serving 2 District Courts. In 1938 I was elected to the State Legislature, House of Representatives, where I served 4 years. In 1944 I was elected and served 6 years as County Judge. All of this service was in Eastland County, Texas. During the past nearly 8 years I have served as Deputy County Clerk and bookkeeper under Louie F. Moore, County Clerk.

I am a licensed attorney and have a junior college education plus correspondence school work in law and accounting.

This is one of the most important offices in our county government due to the fact that every parcel of land and every homestead is seriously affected by the thousands of instruments filed and recorded here every year, plus the tremendous amount of work, civil and criminal resulting from our two County Courts at Law and the Probate Court. All of this requires that a sufficient number of efficient personnel be used in the office in order that fast, courteous and efficient service be rendered. My experience with all of this kind of work and in handling and supervising personnel is such that, if elected, I promise full, complete and efficient cooperation with our courts, the local Bar, and every citizen that has business to transact with the County Clerk's Office.

I am a member of St. Johns Methodist Church, a veteran of World War I, and have always been very interested in the welfare and needs of ex-service men of all wars, having served in every official capacity in Legion Posts.

I earnestly request that you check my qualifications and experience and I sincerely solicit your vote and influence in the May 7th Primary.

Respectfully submitted,  
P. L. (Lewis) Crossley.

### FINE CATCH OF CATFISH

Henry Bollinger of Slaton and his son-in-law, Ott Patterson of Olton, caught approximately 175 pounds of Catfish at Lake Kickapoo, near Archer City over the week end. Bollinger is shown here with four of the catch, weighing left to right, 18 lbs., 22 lbs., and approximately 12 lbs. on the next two. The largest fish they caught weighed 34 lbs. The two brought in the fish off trot lines.

### JUST TALK

BY A. M. J.

Mrs. Harry Stokes, who is usually hubbubbing over with enthusiasm, was all cheered up last week or perhaps it was a couple of weeks ago, because she had received a big bouquet of red roses from her son Gerald. They came as a birthday present. Not her's but his. It has been Gerald's habit for many years to present his

mother with a gift on his birthday which, most anyone must admit, is amighty pretty way to express ones' affection to their best friend in the world.

— Just Talk —  
Last week while dodging trucks, bicycles, dogs and a few jittery pedestrians along ninth street in front of the City Hall, my wife said LOOK! and I let Harmon Thompson cross the street without scaring the pants off of him. What my wife was calling attention to was a squirrel scampering around under the trees on the City Hall lawn.

It was the first squirrel I have seen since our apricot tree had apricots on it about ten years ago. At that time a

squirrel came from nowhere and made a home in the tree where he ate the seeds from more apricots than we and all our neighbors gathered, and that was a lot.

One day my wife decided that the squirrel might be getting tired of eating apricot seeds and held a pecan out to him, or her, as the case might have been. The squirrel grabbed her finger and bit a hole clear through it.

This no doubt goes to prove the old adage true about people and squirrels that will bite the hand that is feeding them. It is most probable that if my wife had possessed a pecan she would have gotten out and tried to feed that squirrel for she is an optimist and always expects squirrels and people to appreciate favors no matter how many times she gets bitten.

— Just Talk —  
Ray Hickman, who is a close friend of Garza County Judge Parker, commiserated with last week on the troubles he could foresee for the Judge, including bootleggers coming to Post to stock up, drunk juvenile delinquents staggering all over the streets and intoxicated auto drivers careening on all the roads leading into and out of Post. The Judge was all upset because of the racial problem Slaton might get into because of our recent city commission election. At least both towns received some national publicity because of the changes made, reported the Judge, before returning to his troubles in Post.

— Just Talk —  
As a reader of popular business magazines I have certainly become confused lately. It seems that the influx of steel into the United States in the form of wire, nails, corrugated roofing material and just plain old steel sheeting is throwing thousands of people out of work in the big cities in the east, the Porto Ricans and the negroes from the south are crowding the northern and eastern cities and most everybody is on relief. Yet the automobile manufacturers predict a banner year in sales although they are cutting back production and have an overstock of new cars.

Business is going to boom for the first six months of 1960 and drop slightly in the last six months in one magazine and in another we are now going through a slight readjustment and business is slow but will surely get rolling in the last six months.

Accordingly I have made a personal survey of things in Slaton and find that business has been slow one day and good the next. Several new business concerns have opened here and one or two folded up, the women's slack season has tightened up while the foundation garment sales have fallen down considerably. The men are trying to buy short sleeve shirts on the down payment plan and a good many of them are considering saving money by not wearing socks this summer. Business is good, bad and indifferent and some of the bright-eyed young fellows look forward with confidence and a bunch of long-faced old sourpusses are full of fear and advise caution.

Considering everything I am just about as confused as I have been for the past thirty years, but I am going to stay with my original prediction that I made in 1940 and that is that things are certainly going to pot for it is impossible for things to continue as they

This is the bit of humor I stumbled across for this week's smile:  
Two Greek sailors in Charleston were watching a game of baseball at the Naval Shipyard, and couldn't make much of it. "Do you understand what they're trying to do?" one Greek asked the other. "It's all American to me," the so Goldencreek shrugged.

# Building A New Life

Quite a thrill — building a new home! Day by day you watch it take shape. And somehow, you have the feeling that this new house will bring new life for you and your family.

But building a new life isn't as simple as building a new home. One just can't move out of the drab past into a sparkling future.

The life to which conscientious men and women aspire is built on foundations that cannot be laid in a week or two. Character, courage, consecration — these are concrete evidences of faithful years in the worship and service of God.

Today, where there are new houses there are new churches — and where there are old houses there are old churches. And through the portals of all the churches pass the millions of earnest families who are serious and happy about building a new life.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Slaton American Legion Post To Get Honors At Convention

Brownfield—Nine American Legion Posts will be honored at the annual Spring Convention of the 19th Congressional District of the American Legion, to be held here Saturday and Sunday, April 23-24, by being presented Citations for having exceeded their 1960 membership quota by the time of the convention, Gerald F. Kehoe, local Post Commander, announced today.

Posts and their Commanders are: Abernathy, Fredrick Hill; Denver City, Elton L. Smith; Levelland, Dudley Fields; Olton, Russell Grimes; Spur, Elbert Jackson; Tahoka, Martin Wuensche, Jr.; Lockney, P. R. Sissney; Petersburg, E. M. Dendy; and Slaton, L. R. Gregory.

Lockney, Petersburg and Slaton Posts will receive Citations for having reached an all-time high in membership since they were organized.

The Convention will get under way on Saturday at the American Legion Home with registration opening at 1:00 P. M. The Brownfield Band will render a concert during the afternoon. At 3:30 P. M. there will be a Re-habilitation Meeting with Department Service Officer Fred Brookman of Lubbock in charge and assisted by R. L. Price and Jim Smith.

At 6:00 P. M. a social hour will be held at the Legion Home, followed by the annual spring convention dance at 9:00 P. M.

Activities will get under way on Sunday with a Commanders' and Delegates' breakfast at 8:30 A. M. Registration will also open at that time.

At 9:30 A. M. there will be a joint session of The American Legion and Auxiliary with 19th District Commander Ray Andrews of Big Spring calling the meeting to order. The 19th District Color Guard will advance Colors, by the Invocation by 19th District Chaplain Wilfred Stoerner. Commander Andrews will introduce speakers and guests. Mrs. B. J. George, Department President of The American Legion Auxiliary of Beaumont, will be one of the guest speakers. The Memorial Service will be conducted by Chaplain Stoerner at the close of the morning session.

Lunch will be served at Noon to all delegates and guests at the Legion Home. Immediately following lunch

No. 180  
COUNTY OF LUBBOCK  
THE STATE OF TEXAS  
CITY OF SLATON  
ORDINANCE ORDERING ELECTION FOR PURPOSE OF SUBMITTING CHARTER AMENDMENT

"An ordinance ordering an election in the City of Slaton, to be held on the 10th day of May, 1960, for the purpose of submitting to the qualified voters of the City of Slaton for adoption or rejection, proposed amendment to the existing charter of the City of Slaton, designating the places in which said election is to be held, appointing presiding officers thereof, and declaring an emergency."

WHEREAS, On the 26th day of February, 1960 a resolution was duly passed by the City Commission giving notice of its intention to pass an ordinance providing for the submission to the qualified voters of the City of Slaton, Texas, of a proposed amendment to the existing charter of said City, and WHEREAS, Notice of intention to submit such charter amendment was given by publication in the Slaton Slatonite, the official newspaper published in said City, and which notice was published for ten days, the date of the first publication thereof being not less than twenty days next preceding the date of this ordinance, and

WHEREAS, The City Commission of the City of Slaton deem it proper to submit the proposed amendment of the present City Charter to the qualified voters of said City; THEREFORE, BE IT ORDAINED BY THE CITY OF SLATON, TEXAS:

SECTION 1: That a special election be held in the City of Slaton, on the 10th day of May 1960 for the purpose of submitting to the qualified voters of said City, for adoption or rejection, of the following proposed amendment to the existing Charter of the City of Slaton:

AMENDMENT NO. 4  
To amend Section 3 of Article VI of the City Charter of the City of Slaton so it will hereafter read as follows:  
"Section 3: City Commissioners: How Nominated and Elected: Candidates for places on the City Commission will be nominated as provided in the Texas Election Code. Any City Commissioner hereinafter elected shall be elected by the qualified voters of the City of Slaton, Texas."

To amend Section 4 of Article VI of the City Charter of the City of Slaton so that it will hereafter read as follows:  
"Section 4: Commissioners, their qualifications: The Mayor and each member of the Commission shall be a resident citizen of the City of Slaton and a property tax payer therein and shall have the qualification of an elector therein and shall have been such resident citizen of the City of Slaton for a period of not less than two (2) years immediately preceding his election and shall not be indebted to the City of Slaton; provided, however that any qualified elector, who shall have been a resident for a period of not less than two (2) years immediately preceding his election of any of the territory not formerly in the incorporated limits of said City,

shall permit to remain on their ballot with regard to said amendment, if they desire to have the same adopted, the word, "Yes", and those opposed shall permit to remain on their ballots with regard to said amendment, if they desire to have the same rejected, the word "No".

SECTION 6: The City Secretary shall at once mail a copy of the proposed amendment to every qualified voter in the City of Slaton as appears from the tax collector's rolls for the year ending January 31, 1960. SECTION 7: A copy of this ordinance shall be sufficient notice of said election and thirty days notice of the time and places of holding said election shall be given by the publication of such notice once each week for four weeks, the date of the first publication being not less than thirty full days prior to the date of the election.

SECTION 8: The fact that the present Charter of said City is inadequate and the importance of the proposed charter amendment create an emergency and an imperative suspension of the rules requiring ordinances to be read upon more than one day, and for the immediate taking effect of this ordinance, and such rules are hereby suspended and it is ordained that this ordinance shall take effect immediately upon its passage and approval. Passed and approved this 28th day of March, 1960.

## Don't Misunderstand Comments We Made

WORLD NEIGHBORS . . . (Continued from Soc. Page 2)

World Neighbors is a people-to-people movement dedicated to building peace through practical programs of training in literacy, agriculture, and public health among the vast village populations of the newly developing nations. The program, based on the principle of encouraging the villagers to use the resources they already have at hand to solve their problems, often coordinates the work of many agencies such as United Nations, government programs, etc. More than 2,000 villages have been reached with self-help programs. It is non-sectarian and non-government.

Dr. Peters' recent period of overseas service included contacts with leaders at all levels in Ethiopia and India, two nations in which this organization has developed operations. The busy World Neighbors executive divides his time between supervising, organizing and extending overseas projects and extensive speaking tours in the United States and Canada.

ATTEST: Clark Self MAYOR  
J. J. Maxey CITY SECRETARY (SEAL)

In last week's paper, Sl. High School senior James gave his views on a current political issue in Slaton. That of voting on an amendment to the City Charter which would eliminate electing Commissioners from each of our four wards and change it electing them at-large, to present the entire community instead of a particular Ward. In our comment follow the letter, we commended you Cole for having the courage to write his feelings in a "Letter to the Editor." We also pointed out where we felt he was correct in several instances and added a few comments of our own.

Since the paper's publication it has come to our attention that we perhaps left an impression we did not intend to leave in our comments on the letter.

We would like, therefore, clear it up.  
We do not feel that all persons who are "readers" of the paper are bad, small-principals, as a couple of persons have said they interpreted our comments.  
Matter of fact, there are few if any, persons in the community who respect more than, Mayor Clark Self. Other members of the Commission respect, also.  
We are not prepared to say just now who that person is mentioned as being "famous for trying to run most everything in the community." We feel like the man who agree with our comments and said "Don't tell 'em who you mean . . . just say, 'if the shoe fits wear it."  
Representatives of the Commission report that the general feeling among the group is not one of either support or opposition to the election. They say that they are merely re-define the matter to the public for a decision, would we rather have Commissioners representing each of the Wards or Commissioners pledged to support the entire community, as such, instead of a particular area.  
Incidentally, we would like to express our appreciation to those who have made good comments to us on both our remarks and Mr. Cole's letter. It's support like that makes us feel it's worth while. And . . . there are always those who disagree with any opinion a newspaper, or a person, might express . . . especially if it doesn't coincide with their own.  
—JRC

## Water, Sewer Group In Meet Here Tuesday

The Permian Basin Water and Sewerage Association held its monthly meeting in Bruce's Cafe here Tuesday night.  
Eighty-eight persons from the water and sewer departments of cities all over the South Plains attended the meeting. The program was a film on operation of lift stations.  
George Willis, Slaton Water and Sewer Superintendent, is a vice-president in the organization.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

THURSDAY, APRIL 21 World-wide Bible Reading Genesis 37:1-36

Read I Corinthians 15:20-28 And what is the exceeding greatness of his power to us — world who believe, according to the working of his power which he wrought in Christ, when he raised him from the dead (Ephesians 1:19-20.) In his play, The Trial of Jesus, John Masefield describes a scene between Pilate's wife and the Roman soldier who reported that the tomb of Jesus was empty. Excitedly she asked him, "Do you think He is dead?"

"No, lady, I don't," he replied. "Then where is He?" she inquired. "Loose in the world, Lady," he answered. "Where no one can stop His truth."

This is god's declaration to all the forces of evil... Jesus of Nazareth has broken out of earth's prison! Christ has triumphed over sin, death, and the grave! He lives today!

The resurrection message brings hope to the Christian in this dark day. Christ's mighty power within us makes us conquerors over every temptation, sorrow, or loss in this present world. Moreover, He Gives us immortality!

PRAYER: Fill us, O Father, with Thy mighty power that we may be more than conquerors through Thy love. Help us to recognize Thy constant nearness to courage and guide us always. Make us triumphant, through the power of our living Lord, in His name. Amen.

THOUGHT FOR THE DAY We find comfort and challenge in the words of the risen Christ, "Lo, I am with you always". Laura S. Emerson (Indiana)

## Slaton Negro Jailed On Narcotics Charge

A Slaton Negro is in Lubbock County Jail under \$5,000 bond, charged with possession of narcotics.

Willy Fentroy, long-time Slaton resident, was charged with the narcotics violation following four days' work here by two Federal narcotics agents, in cooperation with the Slaton Police Department.

During March, local police cleared 12 of 20 offenses reported, made 61 city arrests on charges ranging from drunkenness to traffic warrants. They investigated four local accidents involving damage estimated at \$1,580. During the month, they issued 70 traffic tickets.

The agents, who practically "lived" in the flats area of Slaton for several days, saw their undercover work rewarded when they, along with a local officer, found seven milligrams of an opium derivative, a quantity of barbituates, a syringe and nine hypodermic needles in Fentroy's residence. The officers reported that Fentroy allowed them to take the items with them when they investigated his house and they were sent to Austin, returning last Saturday with positive results on the narcotics tests. Traces of narcotics were found in the syringe and the opium derivatives were taken during the investigation.

Also, the arrest of some Plainview youths in Lubbock cleared

two burglaries here in January, Chief Gene Martin said. The youths, who have admitted 67 burglaries across the South Plains, entered Berkley Service Station here and attempted to enter Carroll Service Station the same night.

## Three-Ring Tent Circus Is Coming To Slaton May 2

Floyd E. Hill, special agent for the Carson and Barnes big Three-Ring Wild animal circus was in Slaton recently to complete the arrangements for the circus to show here on May 2nd.

The Carson and Barnes name is one of the oldest and most honored in the circus business. Hill reported in a visit to the Slatonite. He said the show this year is right abreast of the times with the most elaborate features and equipment that it has ever carried. One of the many features will be the personal appearance of Col. Tim McCoy, the famed TV & Western movie star and his congress of cowboys and Indians. In addition to the many performing animals which includes elephants, bears, lions, monkeys, llamas, camels, beautiful matched Liberty and high school horses and Darling trained Sheldons Ponies.

In addition the show carries a well balanced assortment of trapeze, tight wire jugglers, tumblers, clowns and aerial acts all competing in a well rounded performance that is guaranteed to entertain children of all ages.

There will be two shows daily, 2 and 8 p.m.

The show will be sponsored by the Slaton Lions Club.

### YOUR FAT STOCK SHOW

You have had or will be having your fat stock show soon. I think you will agree with me this is one of the really big events of the year for our agricultural youth.

The Fat Stock Show is one of the places our boys and girls have to show the results of their labors. For a year they have worked hard to make each of their animals a Champion.

The high light of the whole show is always the judging. This is always a very hard job because picking the winner is always hard as each of the animals in the show possibly could be chosen.

Let's all show our interest by going out and visiting the show. Tell the Exhibitors how wonderful a job you feel they have done. I know your interest and participation will be appreciated.

### SPIRIT OF SERVICE IN ACTION

Every now and again I hear a warm, human story about people that makes me feel pretty good. I think this one will make you feel good, too.

Here's what happened: A man and his wife had come to court to adopt a little girl — a German orphan. But one of the officials told the man (dressed in a suit and sport shirt) that it was the local custom for a man to wear a tie when appearing before the judge in court.

Protesting, the tieless man said if he were not allowed in court now, the adoption would be postponed, perhaps for months.

At this point, Jerry Sharp, a veteran installation foreman for Southwestern Bell who happened to overhear the conversation, removed his own tie, handing it to the man, said, "Here, take mine."

Well, a few minutes later, the adoption proceedings were underway and the little girl had a new family. So often it's the "little" extra things you do that help the most.

### BRIGHT IDEA FOR SPRING

Driving around Slaton the other day, I suddenly realized that Spring is with us again.

Everywhere I went — from Garza Street to Crosby Street — I saw the drab signs of winter being replaced by fresh new colors. Color seems to be the talk of Spring.

Perhaps you've seen our magazine ads suggesting that you "pick-a-phone from a garden of colors." It's a timely reminder that a color extension phone is an easy, inexpensive way to add a dash of color, and time-saving convenience, to any room. Nine beautiful colors to choose from! You can order yours by calling the telephone business office.

Call by number. It's twice as fast.

# ECONOMY PROVED IN MOBILGAS RUN!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

## CORVAIR BY CHEVROLET DRIVE IT! GET OUR DEAL!!!!

Things Corvair gives you that America's other compact cars can't:

- Practically flat floor**... real foot room for the man in the middle. **Fold-down rear seat** gives 17.6 cu. ft. of extra storage space.
- Four-wheel independent suspension** for a smoother, flatter ride.
- Rear-engine traction**... that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvairs recorded in the Mobilgas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

## 'GARDENER OF MONTH'

Mrs. H. G. Sanders, 500 W. Garza, is shown here with some of her flowers. Mrs. Sanders has been named "Gardener of the Month" by the Slaton Garden Club. She is the first of several local gardeners expected to be honored in this way.

## Mrs. H. G. Sanders Is Garden Club's First 'Gardener Of The Month'

The Slaton Garden Club has named Mrs. H. G. Sanders, 500 W. Garza, as its first "Gardener of the Month."

Mrs. Sanders' recognition is first in a series expected to focus attention on good gardening in Slaton.

Mrs. Sanders has one of the

most colorful and well-arranged displays of hyacinth, anemone, tulip, daffodil and jonquil to be found in this area.

"A good share of the credit for the flowers goes to my son Greeley," said Mrs. Sanders, "for he not only selected most of the plants but arranged the

beds and helped plant the flowers."

She added that "Our aim (referring to her son and herself) is to try to have something blooming from early spring until late fall." She also remarked that this was the first time that she had had so many flowers at one time. For the last few years, she has grown mostly shrubs. Presently, her garden is blessed with plenty of tulips, daffodils, hyacinths, anemones and jonquils.

Mrs. Sanders feels that anemones make a very beautiful border flower. She expects irises to start blooming as soon as the bulb plants quit. She will then plant gladioli. She added that if you plant them at ten-day intervals, you will have gladioli blooming all summer. Also on the planting schedule are daisies, snapdragons and

pink carnations. The next expected blooms will be iris, her favorite, and snail.

Her last plant to bloom before frost will be chrysanthemums.

One of her hobbies is to see how they grow in the matter. She will soon plant to see if it will grow area.

"I love flowers and I grow them just for fun of it," she said.

The Slaton Garden Club, sponsoring the special recognition, has been planting of many evergreen shrubs in different areas in Slaton with much success as the plants have left to indifferent care. "Gardener of the Month" is an effort to encourage individuals to grow flower gardens and the club hopes in the to make Slaton the garden South Plains.

The groom who sang "Because" to his bride as she met him at the altar. The Lord's Prayer was sung in conclusion by Mrs. Leroy Smithers, sister of the groom.

The couple and their attendants stood before an arch of greenery centered with white wedding bells and flanked by tall baskets of white gladioli. Wedding tapers burned in seven branched candelabrum.

Miss Barbara Edmondson of Clayton, New Mexico, attended the bride as Maid of Honor. Bridesmaids were Irene Tomlinson of Slaton, and Mary Nell Snyder of Clayton, New Mexico.

The attendants, all former classmates of the bride, were dressed identically in pink volcano linen sheaths with pink silk organza cummerbunds and wide sashes caught at the shoulders in the back and held at the waistline by self material roses. They wore small pink organza hats, white shoes and gloves, and each carried a long stem dark pink rose.

Little Jacquelyn Moore of Post was flower girl. Her full dress was of pink silk organza. Her small pink organza hat was fashioned similar to those worn by the bridesmaids. She wore white shoes and gloves. Her white lace basket made of lace from the bride's dress was filled with pink rose petals. She wore a wristlet of pink roses.

Terryle Caywood of Hereford attended his brother as best man. Groomsmen were Jerry Haley of Plainview and Jack Norris of Lubbock. Ushers were Mike Lundy and Charlie Moore of Lubbock.

Ken and Kirk Wight, sons of Mr. and Mrs. E. D. Wight of Pampa lighted candles.

Given in marriage by her father, the bride wore a dress of Chantilly lace combined with satin. A scalloped neckline trimmed with pearls and sequins, and long tapered sleeves edged in pearls highlighted the lace bodice. Lace appliques outlined the lower edge of the satin skirt which was draped up in front by two satin roses to reveal a full skirt of Chantilly lace. The satin gown drifted to a chapel train.

Her appliqued silk illusion veil fell from a half hat of white satin roses and lace encrusted in pearls and sequins. She carried a white Bible topped with a white orchid, surrounded by roses and tied with satin streamers.

For something old she wore

a pink cameo lavalier belonging to an aunt. Something borrowed was the white Bible. She wore the traditional blue garter. She also wore a penny in her shoe.

The mother of the bride wore mauve silk lace with matching hat and white accessories. The groom's mother wore slate blue lace with white hat and blue accessories. Each wore a corsage of white rose-buds.

Miss Kathy Smith of Slaton and Miss Carol Lawson of Floyd, also classmates of the bride, served guests at the ensuing reception held in the church parlor.

The bride's table laid in white, was centered with a miniature pink brick home intertwined with greenery and small pink flowers. It was outlined with a ruffle of pink tulle to form a yard fence. A pink satin ribbon across the white roof bore the inscription "Bless This Home."

When the couple left on a short honeymoon trip to San Antonio and other parts of South Texas, the bride was wearing a pink linen suit with matching hat, gloves and black patent accessories. She wore the white orchid from her bouquet.

The bride is a graduate from Slaton High School and attended Texas Tech. Her husband graduated from Hereford High School and received his degree in Business Administration from Texas Tech. The couple plan to live in Hereford.

MR. AND MRS. THOMAS MARTIN, JR. CAROLYN HENDERSON AND THOMAS MARTIN, JR. MARRY IN DOUBLE RING CEREMONY

Double wedding rings were exchanged by Miss Carolyn Henderson of San Antonio, daughter of Mrs. Ivy Henderson, Harlingen, and Thomas Clifton Martin, Jr., son of Mr. and Mrs. Thomas C. Martin, Sr., of Slaton, at 8 p.m., April 1 in Swift Memorial Chapel of Trinity Baptist Church, San Antonio, with the Reverend Buckner Fanning officiating.

White lace over taffeta formed the princess-styled wedding gown of ballerina length. The white fingertip veil was attached to a small headpiece of white flowers. The bride carried a bouquet of lilies of the valley encircling a white orchid.

Miss Dolores Lane of San Antonio was maid of honor. She wore a full, pink taffeta ballerina length dress and carried a bouquet of pink carnations. Miss Dorothy Walters, San Antonio, was candlelighter.

The groom was attended by William Smithers of Fort Sam Houston.

A reception followed in the home of Mrs. M. M. Miller. Miss Leola Cronulge assisted, and Miss Kathy Whisman presided at the bride's book.

Friends and relatives from Slaton, Seguin, Utopia and San Antonio attended.

For a short wedding trip to Kerville the bride changed to a navy and white silk shantung sheath dress with navy and white accessories and white orchid corsage. The couple is at home in San Antonio where the groom is stationed while serving with the Armed Services.

### Posey Society Has Meeting

The Posey Ladies' Aid Society met at the educational building on Thursday, April 6, with Mrs. Robert Stolle as hostess. There were twelve members and one visitor present. Mrs. Jeanette Lester gave some information pertaining to merger of the American Lutheran Church, the Evangelical Lutheran Church and the United Evangelical Lutheran Church and how this affects the women's societies of these churches until the new church begins to operate officially on January 1, 1961.

The offering received was to help tide over the new organization till it is officially in operation. Mrs. Verna Klattenhoff presented the topic "Service with a Smile." Rev. F. A. Wittig gave the Bible Study based on the Gospel of Mark.
