

The Slaton Slatonite

VOLUME 52, NUMBER 22

THURSDAY, MARCH 15, 1962, SLATON, LUBBOCK COUNTY, TEXAS 10c Per Copy

10 PAGES

TRIANGLE PRODUCTION PLANNERS — R. J. "Jack" Schette, Jr. (seated) is president of Triangle Manufacturing Company, Inc., and does most of the plant's production designing. John Burger (standing) is secretary-treasurer of the Slaton manufacturing firm which specializes in designing and building cotton gins and several models of farm and industrial equipment. Triangle, located just north of Slaton on the Lubbock highway, will hold open house from 1 to 5 p. m. Sunday.

Broom Parade To Boost Clean-up

Regardless of the weather, phasis on a general trash and rubbish clean-up. Another effort was made Monday evening to coordinate the efforts of all organizations in the project; however, several still have not received official approval of their membership

City Commissioners Faced With New Budget, Pesky Fly Problems

Problems confronting Slaton's city commissioners at their regular meeting Monday night ranged from the new fiscal budget to complaints of bothersome flies in certain areas of west side of town.

Action on the budget is expected to be taken at the next meeting and the fly situation will be referred to the county-city health unit.

Commissioner J. E. Eckert, Jr., mayor pro-tem, presided at the session in the absence of Mayor L. O. Lemon. All members of the commission were present.

City secretary J. J. Maxey presented each member of the commission with copies of the proposed budget for the fiscal year beginning April 1. They were asked to study the figures and make their recommendations at the next meeting.

The fly situation was brought to the commission's attention by Grady Elder, street and sanitation superintendent. He said he had received several complaints and others present reported they also had heard complaints from the same area.

In other business, the commission rejected a request from

All-Time High Hit In School Census

The largest number of students ever counted in a school census in the Slaton independent school district is shown in the 1961-62 school enumeration just completed.

The school office reported this week that 2,127 names are listed on the latest school census rolls, which is 141 more than last year and nearly twice the average annual increase of 75 over the past 15 years.

to participate.

The planning meeting was held in Citizens State Bank meeting room and was attended by representatives of several civic, social and service groups.

It was decided to stage a rally and parade Wednesday afternoon to help drum up interest in the project. Everyone is invited to don overalls and shoulder broom, mop or rake and join in the jamboree. It is hoped that the high school band will be available to give the rally the proper marching tunes for the cleanup crusade.

Although some clubs and several individual property owners have already started on their own selected clean up, paint up and general beautification projects, the big "push" is planned for next week, when trucks will be available to haul away discarded rubbish collected from residential property, stores and public facilities.

The Lions Club has volunteered to take on the responsibility of hauling rubbish collected in the residential areas. Hack Lasater is in charge. He said the club is attempting to borrow enough trucks and pickups to take care of the hauling job in about two days. Anyone who has a truck, pickup or car with trailer available is asked to contact Lasater at the Lasater-Hoffman Hardware or notify any member of the Lions Club. They will announce the specific times and places for trash pickups in next week's Slatonite.

All Slaton Boy Scout troops will work together in cleaning up the C. B. House and City Hall grounds, it was announced. Similar projects are expected to be accepted by other organizations. They may contact either Bud Englund or Mrs. Robert Ayers, co-chairmen for the overall project.

They announced that they hope to have all cleanup assignments in order within a few days.

The community-wide project also is being publicized by posters, being prepared and will be on display. All newspapers and radio media in the area are cooperating.

Trash cans for downtown streets are being furnished by the Veterans of Foreign Wars. They will be painted by the Centurettes, it was announced. Another aid toward keeping the city clean is being prepared by several women who are making "litter bags", which will be sold and the money turned over to help improve the Girl Scout building.

Contest on for City, School Posts

Three of Eight Hurt in Collision Remain in Mercy Hospital Here

Three young Slaton residents were still in Mercy Hospital here today with injuries considered "not critical" received in a two-car collision late Sunday.

They are Pat Shelby, 20; Ronnie Loyd White, 20, and Larinda Elaine Pickens, 18.

Their doctors said Miss Shelby is being treated for multiple fractures of the jaw and several lacerations on the face and head. Both Miss Pickens and White suffered concussions, in addition to minor cuts and bruises. None is considered in critical condition.

Howard Lee Limmer, 20, also of Slaton, was discharged from the hospital Wednesday morning. Delmer L. Wilke, 22, of Southland was released Tuesday and Patrick Joseph Adamek, 21, was treated and released following the accident, which happened about five

miles northwest of Slaton on FM 1585.

They were all in one of the cars involved. Occupants of the second vehicle were Pauline Estes, 28, and Robert Moore, 28, of Lubbock. Both were treated at the hospital and later released.

Officers who investigated the accident said one car, driven by White, was going west on the farm road and the car driven by Moore was making a left turn east when they crashed. Both vehicles were considered total wrecks.

Lodge To Honor Past Masters Friday Evening

All past masters of the Slaton Masonic lodge (AF&AM 1094) will be honored at a dinner Friday night in the lodge hall.

The program will include recognition of all living past masters of the lodge and a memorial service for deceased members.

Guest speaker will be John R. Collard, Jr., of Spearman. He is grand senior warden, grand lodge of Texas.

The Slaton lodge was chartered Dec. 7, 1914. Of the 45 who have served as masters of the lodge, 33 are still living. Present membership is 310.

J. H. Gordon, secretary, said the dinner would be at 6 p. m. and the lodge meeting at 7:30.

Slaton Soldier In 'Fort Sam' Hospital

PFC Floyd E. Townsend, son of Mr. and Mrs. Claud Townsend of Slaton, is in Brooke general hospital in San Antonio recuperating from injuries he received in a jeep accident Dec. 6 in France.

Friends in Slaton wishing to write to the young soldier may address their letters to ward 43-C, Brooks General Hospital, Fort Sam Houston, Texas.

His parents have been told he will be in the hospital for an undetermined time, although he reported recovering satisfactorily.

SPAGHETTI DINNER SET

The youth group of the First Presbyterian church is sponsoring a spaghetti dinner to be held in the church educational building from 11 a. m. to 1:30 p. m. Saturday, March 24.

Their pastor, Rev. Fred Ryle, said tickets may be obtained from any of the Presbyterian youth.

One City Commission Seat Draws Rivals; Four Candidates File in School Election

On the first Tuesday in April, Slaton voters will elect two new members to the city commission, then later that week patrons of the school district will be offered a slate of four candidates for two positions on the school board.

The city election is scheduled Tuesday, April 3, and the school election will be held the following Saturday — April 7.

Robert Hall Davis will have no opposition on the ward 2 ballot for city commissioner. He will succeed H. G. Stokes whose term expires this year.

A two-man race is underway in ward 4, where T. A. Worley, Jr., and Fernando Gonzales

have filed. The incumbent, L. L. Dixon, decided to run for a seat on the school board, rather than seek another term on the city commission.

Voters in ward 2 will cast their ballots in the Retail Merchants office in the city hall. Phil Brewer will be election judge in that ward.

The Stephen F. Austin school building will be the polling place for ward 4 voters. John D. Webb, Jr., will be judge.

The polls will be open from 8 a. m. until 7 p. m. Ward 2 consists of all area within the city's boundaries west of 9th street and north of Division. Ward 4 is the sector east of 9th street and south of Division.

Joe S. Walker, Jr., is commissioner in ward 1 and J. E. Eckert, Jr., is ward 3 commissioner. They, along with Mayor L. O. Lemon, have another year to serve.

The annual school board election will be held at the school office building Saturday, April 7, from 8 a. m. to 7 p. m. Charlie Whalen will be election judge.

Two trustees will be elected at-large to serve three-year terms. R. E. Ayers and J. T. Kendrick, incumbents, will be opposed by Jonas Cain and L. L. Dixon.

Other members of the school board are Dr. Don Hatchett, Joe Miles, Harold Tucker, Max Arrants and J. W. Martindale.

Schools Greet 1,346 Visitors

A total of 1,346 visitors were greeted in Slaton schools during Public School Week, March 5-10—either during the daytime or at an evening program.

During the week, parents were asked to visit the schools and a special program was given by pupils from the West Ward school. Parents of junior high students were invited to attend school and accompany their children from class to class during one afternoon of the week. The "parent participation" day was observed by shortening the periods of recitation.

Dr. Lee Vardy, superintendent pointed out that parents are invited to visit the schools periodically throughout the year at their convenience.

"The staff of the Slaton schools appreciates the interest shown by the people of this community in their schools," he said.

Coming Events

(Editor's note: This weekly listing of meeting dates is open and free to all organizations in the Slaton community. It will contain name, place and time of meetings for the coming week. Please notify us well in advance.)

Safety Inspection Is Your Protection

IT'S THE LAW . . . In Texas

CAPITAL GAINS AND LOSSES
Gain from the sale of a capital asset is given preferential tax treatment on your income tax return. In general, this capital asset treatment applies to any property held by a taxpayer except property which the taxpayer is engaged in the business of selling.

Normally, when you sell a capital asset you either sell at a gain or you sustain a loss. Both computations being based upon the difference between the cost you paid for the item being sold and the selling price.

Generally, capital assets sold by you at a loss, which are in the nature of personal, non-business property used by you for your own benefit do not result in a loss deduction. On the other hand, all items sold by you at a gain do result in gross income to the extent of the gain. An exception to this rule regarding gain is in the case of the sale of a personal residence. This will be the subject of a later article in this series.

The profit on the sale of a capital asset is includable in gross income in its entirety. Where, however, you have held the asset for more than six months, you are entitled to a deduction of 50 percent of the gain. Gain from the sale of a capital asset held more than six months is known as long-term capital gain.

A popular misconception is that long-term capital gains are taxable at a flat 25 percent rate. Actually, this is the maximum rate. After the 50 percent deduction mentioned above, the balance of the long term capital gain is added to other income and the tax applied to the total. Unless this total, after other deductions and exemptions, exceeds \$36,000 in the case of a married taxpayer filing a joint return, the rate is less than 25 percent.

Losses from the sale of capital assets, except again those held for your personal benefit such as a residence or a car, are deductible in the year you sell the capital asset, but only to the extent of your capital gains. However, if your losses exceed capital gains, you are allowed to deduct an additional \$1,000 against other income. Any balance of the loss remaining will be carried over to the five succeeding years and deducted, subject to the same rules.

Property used in your business, but not held for sale to customers, receives a hybrid treatment upon sale. If a profit is made on the sale, it is treated as capital gain. However, if a loss results, the loss is deductible in full in the year of sale to the extent of any in-

WHAT OTHER EDITORS SAY

THE KNOX COUNTY HERALD
(James Hill, editor)

Filing deadlines are past and the citizens of Knox City will have a chance to demonstrate exactly what they want in the way of representation for the next two years on the school board.

Six men are signed for the three places open in the city council and there are also six names filed for the school trustee election.

A few of the aspiring candidates have never gotten their feet wet, politically, that is, before, and some old standbys in local politics.

We are heartened to note that people will have a chance here to express themselves — so often in small cities it is the next thing impossible to get any one to sign up. Thank goodness we still have men and women with wisdom.

THE RALLS BANNER
(Marvin Tomme, editor)

I'm a little ashamed to send my papers to the editors on my exchange list this week. After bragging on the town, its citizens and their interest in our city here appears a story on the front page of this week's Banner stating there is only one candidate for each of the three offices on the city council that are coming up for voting this year. Some interest. Everyone sits back and raises Old Billy about what is going on because of the city council and the men on it but when the chips are down there still isn't a doggone thing done about it. So if you people were dissatisfied with the council you had a chance to do something about it and you were warned in plenty of time about the deadline for filing for election. Melvin McGaugh is the only name appearing on the ballot this year and my hat's off to Melvin. He had enough civic pride to file for alderman and offer his services for the thankless job of trying to satisfy the complaining citizens of Ralls. To you people who have screamed until you are beyond the point, — Shuddup! You had your chance.

THE MATADOR TRIBUNE
(Douglas Meador)

Almost any man in honesty to himself will admit that most of his mistakes are poorly executed.

If nature had intended the mixture to be compatible she would have faced certain sands in oil fields with potent bourbon.

Stubbornness in other people is more evident when they get behind a phalanx of facts for protection during an argument.

Most of my antipathy for chickens in general originated as a youth on the farm, when crowing roosters long before the first streak of dawn broke the chain of my dreams. They had no proof that the sun would not be delayed a couple of hours. Certainly there would be enough of the hot summer day without tearing part of the cool night away to patch it out.

Keeping up with the Joneses now includes being able to complain about paying as much income tax as they complain about.

Market Sought For Snake Meat, Poison

AUSTIN — This is the season when snakes begin to appear and with them hundreds

of questions, according to Robert Carlisle, of the information and education division of the Game and Fish commission.

He now is in the process of preparing a new and up-to-date snake bulletin for release shortly. However, many persons are asking him where they can either buy or sell snakes, skins and venom.

If you know where any of these can either be bought or sold, Carlisle would appreciate having the information.

More VA Funds Coming To Vets For New Homes

The Veterans Administration announced today that \$75 million will be distributed to field offices on July 2 for the purpose of making direct home loans.

VA officials estimate that it will be possible in May to notify field offices of their respective allotments. At that time VA Regional Offices will be authorized to furnish direct loan applications to veterans on their waiting lists in advance of the distribution on July 2.

The VA decision to make \$75 million available to field offices in July was made after a continuing review to direct loan activity since October 1961. The VA said additional allocations would be made during Fiscal Year 1963 but that the amount and timing would be determined at a later date.

During 1961 the VA made 23,488 direct loans for a total of \$244.9 million. These loans were made to veterans residing in rural areas and in small cities and towns where GI financing by private lenders historically has not been generally available.

As of January 31, 1962 the VA had made 202,794 direct loans totaling \$1.7 billion. The

BACK TO RATIONING DAYS

A proposed resolution would establish a special Senate committee to formulate recommendations for a "national fuels policy". Its advocates favor an assortment of strict federal controls over fuel use. A government agency would, in many instances, directly or indirectly, decide who would burn certain fuels and in what amount.

The proposal has met with opposition from a number of authorities. One is the president of the Humble Oil & Refining Company, who testified before the Senate Interior and Insular Affairs Committee. He observed that neither a new fuels study nor a new fuels policy is needed to assure continuation of the nation's abundant supply of energy resources, and added: ". . . the achievements in all fields of energy have been realized without any coordinated fuels policy in the sense of a vast plan by government. Competition has provided an effective stimulus to the development of our energy resources and has protected the interests of consumers exceedingly well."

Government controls of the nature proposed can be justified only where there is a real and urgent emergency—as, for example, a shortage of some essential commodity. There is no emergency of any kind so far as our fuel supplies are concerned, and every demand is met as a matter of routine. So the question is simply this: Will each consumer continue to have the right to decide what kind of fuel he wants—or will the government decide for him?

TO PRODUCE CHARACTER

The American people, to their great credit, want their children to have better educations than they ever had. Unhappily, this attitude has led to excesses of pampering and luxury which in no way serve a true educational goal.

Many modern American school plants can be accurately described as palatial. Gigantic sums of money are spent on embellishments (including athletic facilities which would do credit to the Olympic Games) which may be handsome but are certainly unnecessary, and which divert needed money from worthwhile projects. Worse, they lead to the advocacy of such dangerous and dubious "solutions" as federal support of education.

The famous, centuries-old English schools do it very differently. Take, for instance, Gordonstoun School. Its standing may be judged by the fact that Prince Charles, son of the Queen, has been enrolled there. UPI writer Growald gives us a glimpse of it: "Charles, the future king, will be in for quite an experience — from cold showers at dawn, mountain-rescue operations as a hobby, boiled potatoes every day, menial housekeeping on Saturdays, to nights in an unheated dormitory room in the frosty north of Scotland."

Gordonstoun's founder expressed the school's purpose in these words: "To produce character." In this country, we may not be willing that our children should follow anywhere near so spartan a regime. But we should be willing to recognize that all the costly frills and furbelows that have infected so much of American education stand in the way of producing the educated man — and the man of character as well.

GRASSROOTS OPINIONS

A good day's work never hurt anybody. But then, neither did a good day's rest.

A considerable number of people in this country get killed by guns that aren't loaded and by drivers who are

Weather forecast: Rain and mud, followed by mothers with mops.

Any man who thinks his wife doesn't understand him ought to be congratulated. He's married to a woman who knows how to keep a secret.

No influence is necessary in the school of experience to place a student in line for election to the varsity team of easy marks.

Taton Factory Invites Public's Inspection Sunday

At Sunday afternoon, off-plant. of the Triangle Manufacturing company, inc., will be the doors to their industrial and farm equipment factory and invite the public in exactly what's going on in a big steel building out west side of the Lubbock north of town.

ough Triangle has been operation for about two it has been only recently they have felt that they ready to "show off" their facilities.

ators at the 1 to 5 p. m. use will be shown how cotton gins are built the drawing board to the product, ready for assembly. And, already many newer gins in the South area can be pointed out the Triangle people as they are manufactured from in their plant.

they're not building Triangle's employees are turning out huge trucked burr spreaders, feed bulk storage seed and several other items which they're finding a market on farms and in y. The president and general manager, R. J. "Jack" te, Jr., does most of the ing, when new products are considered an "arm-corporation president. he can and does roll up sleeves and lend a hand needed anywhere in the

Junior High Choral Wins First Place In Choral Contest

Junior High Choral Group under the direction of Mrs. Helen Byrne and Mrs. Bob Kern, attended the Interscholastic League choral contest in Levelland last Saturday. Seventy-seven girls participated in the contests.

Three numbers were sung, "Nobody Knows," "Jesus Christ Our Savior Is Born," and "Comfort Ye My People." The group won first place in concert and was awarded a plaque. In sight-reading they placed second.

The directors state they need choral robes and if there are any mothers who have some at home that are not in use they would be appreciated. Mrs. Byrne asks that she be called if anyone has a robe to donate.

Dust Fails To Blight FFA Show

Despite a blinding dust storm — considered the worst here in more than a year — Slaton's Future Farmers proceeded Saturday with their annual fat stock show, and now they are preparing to enter the best of the lot in the big South Plains junior fat stock show in Lubbock Monday, Tuesday and Wednesday.

The disagreeable weather discouraged visitors at the "open air" show, but the judging was close and careful. Every youngster was given opportunity to show off the best qualities of his pig or lamb and participate in the prize money. Jim Gravell had the grand champion lamb; Sinky Weaver's Hampshire barrow got the top award and Walter Porsch showed the grand champion gilt.

The Slaton chamber of commerce awarded a \$25 savings bond to the grand champion lamb. The Lubbock Kiwanis club presented a similar prize on Weaver's grand champion barrow. Top winners were as follows:

Duroc barrows — Nicky Patterson, first; Bobby Harlan, second.

Hampshire barrows — Sinky Weaver, first; Alan Reasoner, second. Sinky Weaver, grand champion; Nicky Patterson, reserve grand champion.

Other breeds — Walter Porsch, first; Danny Kitten, second. Duroc gilts — Walter Porsch, first; Gaylon Porsch, second.

Other breed gilts — Travis McCormick, first; Calvin Wilks, second. Grand champion gilt, Walter Porsch; reserve grand champion, Gaylon Porsch.

Lambs — Jim Gravell, first and grand champion; Ricky Brush, second and reserve grand champion.

Strength of The Week

Rev. CHARLES E. STUART Church of The Nazarene 635 West Scurry

A Christian stands tall, his head high, his heart and soul aglow. He is not ashamed. He is not ashamed of the Saviour. Jesus said, "Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels." Ashamed of Christ? No! The Christian has been forgiven a long list of heinous sins. His heart is yielded to Christ to love Him in superlatives. Christ, through the Holy Spirit, fills his heart and mind.

The Christian is not ashamed of the Christian message. "I am not ashamed of the gospel of Christ: for it is the power of God unto salvation." These words of St. Paul mean we are ready to be living messages. An almost unrefutable argument is a living message in the form of a witness to the validity of Christ's living in a heart with power to change. Let us live like a Christian, but let us also be ready to be a vocal messenger as well. Be unashamed to tell others what Christ means to you.

The Christian is not ashamed to suffer as a Christian. "But let none of you suffer as a murderer, or as a thief, or as an evildoer, or as a busybody in other men's matters. Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf." In these words of St. Peter we know we shall on occasion suffer as a Christian. We do not court suffering, nor "play" the martyr, but neither do we avoid suffering if in so doing would lay us open to the charge of being ashamed of Christ. Ashamed to suffer as a Christian? No! "For the time is come that judgment must begin at the house of God; and if it first begins at us, what shall the end be of them that obey not the gospel of God?" (I Pet. 4:17)

The Christian stands unashamed before Christ at His coming. "And now, little children, abide in him: that, when he shall appear, we may have confidence, and not be ashamed before him at his coming." (I John 2:28) The Christian's faithfulness counts for something. It gives him confidence to approach God in prayer unashamed. His abiding in Christ unashamed now, gives him confidence that he shall stand un-

ashamed when his Redeemer shall appear. Neither shall his Redeemer be ashamed of him. What great strength there is to be able to stand for Christ unashamed!

Slaton School Lunchroom Menus

Lunches to be served in the Slaton school lunchrooms next week will be:

Monday Pressed ham, green beans, lettuce wedge, creamed potatoes, plum cobbler.

Tuesday Enchiladas with tossed salad, red beans, grapefruit, orange slices.

Wednesday Corn dog with mustard, wedges of cheese, French fries, fudge cookies.

Thursday Fried chicken, rice, English peas, cabbage slaw, hot rolls with butter and honey.

Friday Salmon patties, potato salad, spinach, banana pudding.

Mr. and Mrs. H. V. Singleterry and Miss Linda Davis of Roswell, New Mexico, were week end guests of Mr. Singleterry's sisters, Mrs. Stella Shelton and Miss Farrel Singleterry.

CHURCH SPEAKER — Rev. Harold H. Martinson, a missionary of the American Lutheran church on leave from Hongkong, will speak at the Slaton Grace Lutheran church at 3 p. m. Sunday, March 18. Rev. Martinson was born in China, the son of pioneer missionaries, and has lived most of his life among the Chinese. Rev. Leroy R. Deans, pastor of the Grace Lutheran church, invited the public to hear the missionary's talk.

Word was received this week that J. Floyd Jordan who lives in El Paso is critically ill in Hotel Dieu in El Paso. Mr. Jordan underwent major surgery last week. He and Mrs. Jordan formerly lived in Slaton where they were both teachers in the Slaton schools.

CITY-WIDE CLEAN UP DRIVE

KICK OFF DATE

WEDNESDAY, MARCH 21

We're asking you to join us in giving Slaton a thorough "basement to attic" spring housecleaning. We know it will pay off for all of us in that extra bit of pride in our community. On Wednesday, March 21, the big "kick off" is scheduled, in which every organization and individual in the Slaton community is asked to help.

Unsightly trash heaps, littered alleys, streets and parks, as well as back yards, basements, attics and garages are long

overdue for a good cleanup, so let's do the job right and everyone do his part.

A couple of hours in the evening or a half-day on Saturday will work wonders — You'll see.

So, you're invited to take a good look around you and see

what you can do to help — then do it!
Thank You.

to Accidents in February Lubbock County Rural Roads

Highway Patrol investigation of rural accidents in Lubbock county during the month of February according to O. C. Guthrie, patrol supervisor of this area. The wrecks accounted for one person killed, 33 injured and an estimated property damage of \$17,875.

The rural traffic accident summary for Lubbock county from January through February of 1962 shows a total of 53 crashes. As a result one person was killed and 58 persons injured. The estimated property damage amounted to \$34,790.

The patrol supervisor reported that as of Thursday, March 1, a total of 227 traffic deaths had been reported to the department, as compared with 264 during the same period in 1961. "This represents a decrease of 37 deaths or 14 per cent," he said, "and presents all of us with a stern challenge to help in further reducing deaths for the remainder of 1962."

"Defensive driving is one of the keys to traffic safety," the sergeant added. "If all motorists were alert when driving and knew the defensive procedures used by a professional driver, the number of monthly traffic accidents would drop sharply."

CARD OF THANKS

I wish to express my sincere appreciation to my friends and neighbors for their expressions of sympathy to me at the passing of my brother, Ernest Noack, in Bonnieville, Ky. For the flowers you wired for the funeral, your visits and cards to me, I shall always be grateful. — Mrs. Malcolm Limmer

Doctor Declares Medical Aid Plan Unconstitutional

"A federal medical aid program, as proposed in the controversial King-Anderson bill, is not only unconstitutional, but such a measure would be another big step toward complete socialism in the United States."

That was the opinion of Dr. Patrick H. Pappas of Lubbock, who was guest speaker Thursday noon at the weekly Slaton Rotary club luncheon.

He also declared that the social security program is not an insurance, as is commonly believed, but simply another tax. "There is no permanent security about it, as each congress has to appropriate money for each year's operation."

The doctor outlined the basic principles of the Constitution, which he stated is the basis of the free enterprise system. He went back to the principles set out by ancient Greece, showing that they believed it mattered less what kind of government they had as long as powers of their government were limited.

"When the people leave the power of government to the decision of an individual, then we have tyranny. We have tyranny in our own government right now," the speaker declared.

"Our Constitution outlines the duties of government, but they have gone far beyond this. Under the Constitution, the proposed medical bill is illegal," he added.

The Lubbock doctor further pointed out that the King-Anderson medical aid bill would apply to 14 million people over 65 years of age and would pay, regardless of the person's financial ability to pay his own way.

"Those pushing this bill imply that if their bill is not passed the old people will not get medical care. This is not true. As all of you know, any doctor today will render his services wherever needed, regardless of the patient's ability to pay," he continued.

Dr. Pappas concluded his talk with the statement: "I believe that the government does not have unlimited power."

Following the talk, Bruce Pember and O. Z. Ball, nominations committee chairmen, announced their nominations for new Rotary officers who will be elected at the Thursday (March 15) meeting.

President Barron reminded the Rotarians that the district conference of Rotary will be held in Odessa March 29-31.

Mr. and Mrs. Alex Webb and children spent the weekend in Wichita Falls visiting with Mrs. Webb's relatives.

The Reader's Angle

TO THE EDITOR: Fire fighting equipment seems to be the general topic of discussion around the Slaton area the past few weeks.

We, the Slaton volunteer fire department would like to invite the public to visit our Fire station and look over our fire fighting equipment to see just what our firemen have to work with. Then if you are in some of the surrounding towns stop in at their fire stations and take a look around and see the equipment they have. True, maybe we aren't in bad shape. Each property owner in Slaton is an owner of the fire fighting equipment at the Slaton fire station.

The usual comment of the public is that Slaton has a real good fire department because they always save the lot or foundation. This type of volunteer work needs the cooperation of every person in town. The firemen may save the lot, if you stop and think they might have saved a large portion of a house, a life, or whatever is burning if the public wouldn't chase the big red fire trucks, making it hard for the firemen to get to the fire so they can get to work at what they are assigned to do and what they have drilled and talked about time and time again at the four meetings each month. A couple of minutes at a fire may make the difference in what can be saved.

The Slaton volunteer fire department needs the help of everyone when we start to these fires because we offer our services to save lives and property and who knows it might be yours next time. — A Fireman.

Former Slatonite Dies In Pecos

Funeral services were held in Whitewright last Thursday, March 8, for Tom Sloan, 51, who died of a heart attack on Wednesday at his home in Pecos.

Mr. Sloan was a former resident of Slaton where he lived for a number of years.

Survivors include his mother, Mrs. Laura Sloan of Whitewright; two daughters, Mrs. Clyde Dickard of Hallsville and Mrs. David Wilson of Sherman; two grandchildren; a brother, Lucian Sloan of Slaton; and six sisters including Mrs. Roland Rhoads of Wilson.

Mr. and Mrs. Sloan attended the funeral.

Swine Short Course Scheduled April 2-3

The 11th annual swine short course will be held at Texas A&M College, April 2-3. T. D. Tanksley, Jr., extension swine specialist, says the program will be the kind that swine producers just can't afford to miss.

A breeding and selection program will be explained which could mean more pigs per litter; more pork produced on less feed and a still higher quality carcass at slaughter time.

The county agent has copies of the program.

Mrs. Lawrence Asks Support In Primary Election

To the citizens of Precinct 2 of Lubbock County:

I am a candidate for re-election to the office of Justice of the Peace.

I have lived in this area most of my life and feel the people know my background.

I have tried to serve the precinct this past term with courtesy, fairness and impartiality to everybody.

I want to thank each and everyone for their kindness and encouragement since I have been in office. Your influence and support will be sincerely appreciated in the Democratic Primary on May 5, 1962. Mrs. Frank Lawrence

Mr. and Mrs. James Davidson from Forsyth, Missouri, spent two days last week with Mrs. Davidson's sister, Mrs. Martin Collins, and Mr. Collins. The Davidsons spent the winter in Slaton a year or so ago.

Mr. and Mrs. Leroy Holt and their two children spent the week end in San Antonio.

Rites Held For Mrs. Swagerty

Funeral services were held at 2 p. m. last Saturday in the First Methodist Church for Mrs. Verda Swagerty, 63, resident of Slaton since 1926.

Mrs. Swagerty died at her home at 4:45 last Wednesday following a heart attack.

Officiating was Rev. Rollo Davidson, pastor of the First Methodist Church.

Burial was in Englewood cemetery under the direction of Williams Funeral Home.

Survivors include three sons, Frank, Slaton; Fred, Winslow, Ariz.; and Floyd, Charlotte, N. C.; four sisters, Mrs. Dane Shearer, Slaton; Mrs. Opal Kester, El Paso; Mrs. J. T. Eustice, Shawnee, Okla.; and Mrs. R. L. Bray, Snomac, Okla.; and five grandchildren.

Radio Station Has Open House

Several hundred Slaton area residents were guests of radio station KCAS Friday and Saturday during the Slaton station's open house.

Station Manager Jim Key and other personnel greeted the visitors and showed them through the station, which was opened here in January.

Dee Bowman is program director; Ed Nettleton is chief engineer; Rick Macel is announcer; Beverly Kercheval is traffic manager and Duke Lively is salesman.

Training Course Scheduled For Scout Leaders

A training course for den mothers, committeemen and other Cub Scout leaders will be held in Lubbock on the nights of March 19-20-21 and 23, George D. Willis, Cubmaster for pack 128 announced this week.

He urged everyone interested in assisting in the Cub Scout program to attend the sessions, which will start at 7:30 p. m.

Regular pack meetings of the Slaton Cubs are held on the last Thursdays of each month. This month's meeting place will be announced later, Willis said. District round table discussions are conducted on the second Monday nights of each month. The March discussion was held in the Rosecoe Wilson grade school at Lubbock. The regular committee and den mothers meetings followed.

Troy Bruster and W. G. McCook are assistant cubmasters for pack 128. Committeemen are Ray Cook, M. C. Harris, D. M. Jackson, Al Mitchell, W. L. Roche, Ben Davis and Melvin Wall.

Den mothers are Mrs. H. M. Englund, Mrs. Paul Melton, Mrs. O. E. Lankford, Mrs. Al Mitchell, Mrs. W. L. Roche, Mrs. Ronald Revell, Mrs. Ray Cook, Mrs. Stanley Ratliff and Mrs. George D. Willis.

Parents of children of Cub Scout age who wish to assist in the program or enter their youngsters in Cub Scouts are invited to contact one of the committeemen or den mothers.

BUY YOUR ELECTRIC CLOTHES DRYER-NOW!

Old Friends

Clyde Garrigues was in the office last week and we asked him about his son Merle L. Merle Garrigues, class of 1932, made a career of the army and has now retired and started back to college. He is attending college in San Antonio where he is majoring in electronics. They can be addressed — Col. L. Merle Garrigues, ret. 3122 Sage Hill Drive, San Antonio 13, Texas

We had a report on J. W. Clifton, class of 1953. J. W. has his masters degree in electrical engineering and is now working for the Texas Instruments Company in Dallas and doing rather well. J. W. and family live at 800 Warren Road, Richardson, Texas.

We received a rather cute note this past week from an ex-student which read — "After reading the Slatonite that Paul Melton and Ed Haddock had paid their dues to the Ex-Students Association, I decided that this must be a pretty safe investment. I enclose check in the amount of \$2 for 1962 dues. (Signed) — Constance Henry Locke class of 1942". We too, think that this is a good investment and hope that a good number "Exes" will think so. Mrs. M. O. Myers (Mamie Haney), class of 1922, also sent her dues in this week. Mamie is living at 902 N. Chester Avenue, Compton, California.

We have had two calls this week on the names that were in the paper last week. Mrs. Brosch called and gave us Gisella's address — Mrs. Gisella Gould, 7320 Margingo Drive, Dallas, Texas. Mrs. J. F. Smith, (Charlie Thorn) class of 1923, called and gave us several addresses among which was that of Boyd Leavelle, class of 1927. Boyd owns and operates a variety store in Lamesa and can be addressed in care of Leavelles Variety store there. Mrs. Smith also gave us the address of her two brothers and her sister. Billy Thorn is living at 516 Taylor Avenue, Winslow, Arizona, and is a conductor on the Santa Fe. Henry Thorn's address is box 1300, Artesia, New Mexico, and Mrs. Mary Loveland (Mary Thorn) lives at 530 East Roosevelt street, Phoenix, Arizona.

Anyone having correct addresses on the following will please call J. J. Maxey, City Hall, William Noel Weaver 1927, Earl Cixero Wicker 1927, Jack Watkins 1927, Katherine Wendell 1932, Mary Van Dyke 1927, Minter Uzzell 1926, Richard Albion Taylor 1927, Hugh Van Pierce 1958, Delma McCollum 1932 and C. E. Mitchell 1932.

Annual All-Club Night Observed

One of the highlights of the club year for Slaton's study clubs is the annual all-club meeting which is held the first week in March each year.

Last Tuesday evening Hammond Organ Studio of Lubbock presented Ed Bassett and R. C. Methaney of Lubbock in an organ program as entertainment for the annual affair held in the club house. Mrs. W. R. Fry introduced the program.

Hostesses from the participating clubs were Mrs. L. T. Kincaid and Mrs. Joe Wicker from the Junior Civic and Culture Club; Mrs. Weldon Meador and Mrs. Bill Ward from the Athenian Club; Mrs. Bill Ball from the Daughters of the Pioneer Club; and Mrs. Joe Ross from the Centurettes.

Church Report

Attendance at church schools in Slaton Sunday, March 11, totaled 1,268 in the 11 churches which reported.

Churches reporting and their attendance was as follows:

First Christian	65
Church of God	27
First Methodist	186
First Baptist	281
Church of the Nazarene	34
Westview Baptist	163
First Presbyterian	81
Grace Lutheran	98
Church of Christ	241
First Baptist Mission	46
Pentecostal Holiness	46

CARD OF THANKS

We wish to thank our friends and neighbors for their expressions of sympathy, the flowers and prayers for us at the time of the loss of our brother, Tom Sloan. — Mr. and Mrs. Lucian Sloan.

L. R. Gregory returned home Sunday night from Albuquerque where he had been a patient in the Santa Fe Hospital for several days. He is getting along fine since his return home.

Mrs. Leona Lamb has returned home after having spent three weeks in California with her son, CWO James H. Lamb, and family, James is on the air craft carrier, Oriskany. He expects to transfer off this ship and with his family will be moving to Honolulu for two years. James has been in the U. S. Navy for 20 years. His wife will be remembered as the former Golden Patterson. They have two daughters, Patricia, 14, and Dana, 9.

Mr. and Mrs. J. B. Butler as recent guests a brother of young women from the Young Women's Auxiliary of First Baptist Church of Hereford. These girls and their sponsor, Mrs. Rutter, had been in Abilene to attend a house party at Hardin Simmons University in Abilene. Included in the guest list were Miss Linda Reed, the Butlers' granddaughter, Misses Beverly Boyder, Kay Neil, Bonnie Sparkman, Sheri Proxell, Cletta Kay Rutter, Brenda Beasley, Sarah Gillentine and Barbara Billington.

Panel Discusses League of Women Voters in Slaton

A group of women Voters of League of Women Voters of Lubbock were in Slaton last Wednesday afternoon to meet with Slaton women talking to them about the organization and the possibility of Slaton women becoming a part of the Lubbock unit.

Members of the board of directors who attended the meeting were Mesdames Robert Casperson, president of the board, Hill Baggett, Nay Hale, Buck Frederiksen, George Heather and Howard T. Moore. Miss Marie Gooch also attended.

The purpose of the League of Women Voters is to promote political responsibility through informed and active participation of citizens in government. It is non partisan, never supports nor opposes political parties or candidates but it does take stands on issues after considerable study.

No action was taken at the meeting but the women were invited to become a part of the Lubbock unit.

T. E. L. Class Has Social Meeting

Mrs. Kate Fancher entertained members of the T.E.L. Class of First Baptist Church in her home last Thursday.

Mrs. E. M. Lott presided over the meeting which was opened with a prayer and devotion by Mrs. A. J. Baker.

Mrs. Bevis Hanna directed the social hour when refreshments were served to 13 members and two guests, Mrs. Dudley Berry and Mrs. Roy Parks.

The class plans a noon luncheon for the visiting preacher and singer and other invited guests during the revival to be held the first week in April.

Mrs. Teinert Leads Women's Program

Christianity and Communism was the topic discussed at the meeting of the St. Paul Lutheran Women's Missionary League of Wilson. The meeting was held in the Parish Hall with Mrs. Carl Herzog leading the opening devotion.

Members present for the meeting were Mesdames Robert Kamrath, B. G. Weid, Oswald Dube, Monroe Talkmitt, A. J. Gickhorn, C. A. Weid, George Dellinger, M. G. Weid, R. Behrend, Hubert Teinert, Carl Herzog and the Rev. Robert Kamrath.

Don Crow was in Dallas last Friday and Saturday attending a meeting of Chevrolet Dealers. Saturday night he went to Fort Worth and attended the Tech-SMU basketball game played at TCU fieldhouse.

Callan Cash and his mother, Mrs. Callie Cash and Callie Jean and Allen Ray of Levelland were guests in the home of Mr. and Mrs. J. B. Butler last Sunday.

Whitehead Home Is Scene of Garden Club Meeting

Mrs. A. E. Whitehead and Mrs. Edwin Haddock were joint hostesses to members of Slaton Garden Club in the Whitehead home last Wednesday afternoon.

The Saint Patrick Day motif was carried out in the decorations.

Mrs. Grady Wilson gave the meditation for the day. Mrs. R. E. Ayers reported for the civic committee and stated that the clean-up, paint-up, litterbug program would get under way March 21 with a parade. Other clubs are urged to join with the Garden Club in the parade and the campaign.

A movie entitled "Modern Roses" was shown by Mrs. Jack Nowlin. Table settings on display were: Spring breakfast table, Mrs. Haddock; buffet luncheon table, Mrs. Ayers; and an informal dinner table, Mrs. Clifford Young.

Refreshments were served to Mesdames Ayers, Young, Nowlin, Dudley Berry, V. G. Browning, J. S. Edwards, Bevis Hanna, J. D. Holt, A. M. Jackson, August Kitten, Bruce Pembler, Bill H. Smith, Webber Williams, Earl F. Wilson, Grady Wilson, S. G. Wilson, and two guests, Mrs. Rollo Davidson and Mrs. Claude Adams of Lubbock.

Mrs. Berry presided over the meetings.

Mr. and Mrs. James N. Allred and their children, Nat and Gay, from Idalou visited Saturday with his brother, Jack Allred and family.

CHARLOTTE SUE LILES

Liles - Dodson Wedding Plans Announced

Mr. and Mrs. Wayne Liles announce the engagement and approaching marriage of their daughter, Charlotte Sue, to Mr. John Wimberly Dodson, son of Mr. and Mrs. J. H. Dodson.

Miss Liles, a 1961 graduate of Slaton High School, is presently employed at Citizens State Bank of Slaton. Dodson graduated from Slaton High School and attends Texas Tech College. He is employed at the Slaton Post Office.

The wedding will take place at the First Baptist Church in Slaton at 7:30 p. m. on April 19. Dr. Charles Wood will officiate. Friends of the families are invited to attend.

Mrs. Francis Perry spent the weekend with her son, Richard, Mrs. Perry and Mary Ellen in Ballinger.

Ince-Rose Vows Church of Christ

Margie Kathyeleen Ince and Mike Rose were united in marriage at 7 p. m. Friday, March 2, in the Church of Christ in Lubbock.

The bride is the daughter of Mr. and Mrs. W. T. Burney of Lubbock and the bridegroom is the son of Mr. and Mrs. M. M. Rose of Slaton.

Minister Bob Horton of Lubbock performed the double-ring ceremony.

Given in marriage by her father, the bride wore a street-length pastel green nylon over taffeta. She carried a bouquet of white carnations.

Rebecca Rose, sister of the bridegroom, was maid of honor. Kenneth Cook, cousin of the groom, was best man. David Wade of Hamlin, Texas served as usher.

Wedding music was sung by the Church of Christ choral group.

A reception was held at the Fellowship Hall following the wedding ceremony.

The refreshment table was centered with a three-tier white wedding cake decorated in blue. Mrs. Azell Shelton and Mrs. Weedon Boucun served at the three wedding table.

Following a wedding trip to Ruidoso, New Mexico the couple will live in Lubbock.

The bride attended Lubbock schools and is employed as a nurse at Methodist Hospital. The bridegroom is a graduate of Slaton High School and attended L. C. C.

TELEPHONE TALK

by J. C. Oakley, Manager

About Your Telephone Bill

We know how important it is to you that the bill you receive from us for your telephone service each month is correct. And we try very hard to see that it is always right.

Most calls are billed with the help of marvelous new electronic machines. These machines help us to hold down our cost of billing—which means holding down the price you pay for the whole billing job by hand.

Though our electronic machines are almost miraculous in their speed and accuracy, it is still possible, once in a while, for something to go wrong. For that reason we have dependable telephone people checking and double-checking the bills at every key point in the process.

In the telephone business, we combine machines and people for the utmost accuracy in your telephone bill. Like any other part of your telephone service we are always looking for new ways to improve it while holding down the price you pay.

Telephone Month

March is a most significant month for telephone people. It marks the anniversary of two important dates in telephone history.

On March 3, 1847, Alexander Graham Bell was born in Edinburgh, Scotland. Twenty-nine years later, on March 10, 1876, in Boston, he made the first telephone work. After its invention, it took just a few years for the telephone to travel as far as Texas. Our first telephone exchange was opened in Galveston in August, 1879.

Since that time, telephone service has grown, until today there are more than 75 million telephones in the United States. They carry more than 290 million telephone calls each day.

On this 86th anniversary of the invention of the telephone, our goal is the same as it was on March 10, 1876. . . to make your telephone service more valuable, more dependable and more useful to you every day.

Call by number. It's twice as fast.

Rona's S

Read Psalm 116:1-9

Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon. (Isaiah 55:7.)

Anxious that a photograph of her be good, a woman tried to impress the photographer with that idea. "You needn't worry," he said. "My picture will do you justice." The woman answered, "But I don't want justice—I want mercy."

We all need mercy: for, as Paul says, "All have sinned, and come short of the glory of God." Simple justice is a phrase we used, and in many areas it is good. But justice for the sinner would mean condemnation and punishment.

Even without Paul's assertion, our hearts tell us we have sinned. We are guilty of doing what we should not have done. What may be even worse, we are guilty of leaving undone what we should have done.

The law calls for justice, but Christianity stresses mercy for all who forsake their evil ways and thoughts and return unto God with a sincere plea for forgiveness.

PRAYER: We confess our sins, O God, and turn to Thee for pardon. Have mercy upon us. Give us power this day to resist temptations to do evil. In Christ's name we pray. Amen.

THOUGHT FOR THE DAY
"God be merciful to me a sinner."

Casualty, Theft Loss Deductible On Income Tax - In Special Cases

Casualty and theft losses may be deducted on federal income tax returns under certain conditions, John J. Sloan, administrative officer internal revenue service in Lubbock, said today.

PEMBER INSURANCE AGENCY
135 N. 8th. VA 8-3541

resulting from storm, flood, hurricane, auto accident, fire or similar event.

Deductible theft losses, he said, include losses of money or other personal property due to theft in the year of discovery, but not those resulting from losing or mislaying articles.

"A deductible casualty loss can result from complete or partial destruction of the taxpayer's property; generally speaking, it must result from an identifiable event of a sudden, unexpected, or unusual nature, such as a hurricane, flood, or fire," he said.

"Damage to your own car resulting from a collision or accident can be deducted if not due to your willful negligence or willful act. You cannot deduct amounts you pay for damage to another car with which you collided.

"On personal or nonbusiness property, the amount of the loss is computed by comparing the decrease in the fair market

value with the adjusted basis. The loss you have sustained for tax purposes is the lesser of these amounts. From this amount you must receive or expect to receive. The amount which is left is the amount you may deduct as a nonbusiness casualty loss.

"Some of the loss items for which you cannot claim a deduction are personal injury to yourself or another person; accidental loss of cash or other personal property; damage due to rust or gradual erosion; and property lost in storage, or in transit."

Taxpayers with additional questions on this subject may get free publication No. 5174, "Casualties, Thefts, Condemnations," by contacting the Internal revenue service.

HAPPY BIRTHDAY!

Products From Texas Farms Still In Great Demand on World Market

The world market continues to be a highly important outlet and source of income for Texas farmers. They supplied the export market with products worth \$447 million in the 1960-61 fiscal year, ranking just behind California among all the states, according to a recent U. S. department of agriculture study.

The principal commodities produced for export by Texans included cotton, grain sorghums, wheat, rice and livestock. "It is a real tribute to the efficiency of Texas farmers that they were able to make this contribution to helping feed the world's consumers," said David Brown, economist for the Texas agriculture extension service.

"We need to continue to keep our eyes on events affecting foreign markets because they have a real dollars and cents meaning to Texas agriculture even though our farms and ranches are a long way from foreign markets," Brown added.

U. S. agricultural exports are running at record levels. Last year, \$5 billion worth of U. S. farm products were exported. Sixty million acres of U. S. cropland are producing for export. This is about three times the harvested acreage in Texas.

The USDA study, in appraising the stake Texas farmers have in foreign trade, showed that the State's equivalent share of the nation's crop exports included 2 million bales of cotton, 39 million bushels of wheat and 6.4 million hundredweight of rice.

On the basis that foreign trade is a two-way street, Texas also plays a part in the imports of agriculture products. Many are non-competitive consumer items such as coffee, tea, cocoa, spices, bananas, etc.

Although competing agricultural products also come from abroad, Texas agriculture is far ahead in the exchange since the State's share of exports is more than three times its share of competing imports.

Many agricultural commodity groups are working closely with USDA in efforts to expand exports even more. One of the big national objectives at this time is to arrive at an international trade program that gives U. S. agriculture better bargaining power so it can sell even more actively in foreign markets.

Shelter Design Handbook Ready

A handbook titled "Family Shelter Designs," which contains practical instructions for building any one of eight types of home fallout shelters, is being distributed by the division of defense and disaster relief of the governor's office to local civil defense directors for redistribution to the public without charge.

The new publication issued by the national Office of Civil Defense supplements the booklet "Fallout Protection: What To Know and Do About Nuclear Attack" which was made available for public distribution in January.

The handbook explains that the eight shelters are "designed for construction in backyards and basements and for use by families who do not have access to community shelters or who prefer that their shelters be in their homes."

The estimated cost of construction and complete bill of material are given for each of the eight shelter designs.

Hiccups? Plenty Of 'Cures' But Not Many Work

Remedies that have been suggested for hiccups are unlimited. Everyone has hiccupped now and then, and everyone has had "helpful" suggestions from friends and acquaintances on how to stop them.

Hiccups are spasmodic contractions of the diaphragm. They occur in healthy people spontaneously or from trivial causes. In rare cases hiccups will continue for long periods and control becomes difficult. In these instances, medical attention is required.

Babies often hiccup after rapid feeding or swallowing air. Sometimes hiccups are noted along with neurosis and with certain diseases, such as flu.

In case of babies, administer sips of warm water; take the child in your arms, patting his back.

One of the best remedies for simple hiccups in older children and adults is to lie down and relax.

Other measures that sometimes help include: Drinking water slowly, trying both warm and cold water if necessary, if an upset stomach sets off the hiccup, take a teaspoonful of baking soda in water; breathe in and out into a paper bag so that the carbon dioxide level in the blood is raised.

The important thing in stopping the hiccups is to relax and any prudent thing that helps the subject relax at once gets his mind off the hiccup and may be helpful.

There are occasional cases in medical history of individuals whose hiccups have persisted for hours or days. Hiccups don't go away after a reasonable period, say an hour or two, call your doctor.
