White Launches Gigantic Subscription Campaign---Cash Prizes, Commissions!

Prize, Several Others Campaign Starts Today

array of cash prizes ever offered by a newspaper in a subscription campaign will be offered by the Slatonite during the next few weeks. It will include a whopping \$1,000 first prize and prizes of \$500 and two third prizes of \$250 — all in cash!

In addition, up to \$2,000 in commission prizes will be awarded to workers in the subscription campaign who fail to win one of the five top cash prizes.

Additional bonus prizes amounting to \$600 will be awarded to top workers in this campaign. It starts today. Read all about it in the double-page advertisement in this paper.

As most of you know, ownership and management of the Slatonite, which has continuously served the Slaton area for the past 22 years, has been acquired by Mr. and Mrs. Francis E. Perry. The wonderful manner in which we have been welcomed back to this community proves to us that you liked The Slatonite when we had it before. We have been determined to do everything within our power to restore this newspaper to the place it occupied in this community when it was turned over to new publishers more than three years ago.

We believe this big subscription campaign will help us achieve that goal.

In the three and half years we were away, the circulation of this newspaper slumped dismally. We were saddened to return to Slaton and find that hundreds of local folks — our good friends — were no longer subscribers to their hometown newspaper.

We felt that this was something that must be corrected — changed at once and in the shortest possible time. We felt that it was something that deserved our very first attention.

Although the subscription list situation is not critical, it is serious, and next to first improving the quality of this newspaper we recognized the importance of restoring the hundreds of names of our former readers to our mailing list.

This announcement today that we plan to spend up to \$1,000 in this subscription campaign demonstrates more than lip service to our pledge to restore The Slatonite to the high esteem it once held in this community.

We hope this subscription campaign will help us attain that goal and we believe it will. Maybe, we have thought, this is too big a price for a weekly newspaper to pay to make that restoration. We don't even hope to break even on this campaign. We want our former subscription list restored — no matter what the cost to us.

We are now enrolling workers in this campaign. If you enroll, we guarantee that you will be repaid. The opportunity is open to men and women — working full or spare time.

We feel that every segment of community life and activity — schools, churches, civic clubs, city and county government, local merchants, police and fire departments and countless others — benefit from a full readership of their newspaper.

We also feel that we can only serve our community completely with that full readership. Your cooperation in making this campaign a real success will be a vote of confidence in us at The Slatonite and a benefit to the entire community.

Several organizations have completed their cleanup assignments, while others have been slow about getting started.

Boy Scouts of troop 100 helped members of the Rotary club and Jaycees clean up and renovate the tennis courts in the park — one of the most obvious improvements in the community. The job will not be completed, however, until new wire netting is placed on the backstops and new metal tennis nets are installed.

Mrs. Agnes said the Catholic Daughters volunteered to clean up the grounds west of the KC hall, while the Knights of Columbus said they would see that the entire southwest quarter of town (west of 1) was clean.

Trash accumulations have been placed on downtown sidewalks by the Centurios, who sorted and painted the containers furnished by the Veterans of Foreign Wars.

The American Legion and Auxiliary have cleaned up the grounds around the Legion hall, and Slaton Boy Scouts worked together cleaning up the city park and city hall grounds.

One of the four new tennis courts, costing \$12.75, was donated by the Women's Association of Allied Business Enterprises. The three other nets and backstop materials were purchased by the county.

Mrs. Agnes said much of the work has been undone by trash blowing from other property onto the areas that were cleaned up. Business properties in the downtown area were cited in particular.

"We're real grateful to all the people who have volunteered their services in this project and we feel sure other groups and individuals will pitch in and do their part when they see how much better the community presents itself," Mrs. Agnes said.

She said no particular time limit has been set for completion of the work.

GONZALES, DAVIS NEW CITY COMMISSIONERS

U.S. Books for Mexico To Help Stem Red Tide

The Slaton Lions club voted Tuesday to join a "Books for Mexico" movement, designed to bring to a better understanding between the citizens of Mexico and the United States and to help counteract "anti-American" propaganda being spread by Communist Russia south of the border.

The Lions hope to get a truckload of books in Slaton, which will be shipped to the South Plains Lions club, originator of the "Books for Mexico" plan, for distribution in Mexico.

Any kind of non-fiction books — agriculture, history, civics, economics and particularly the "how to" type of books are needed for schools and study organizations in Mexico, where

there is no language barrier, since all Mexican school children are taught English.

Encyclopedias also were suggested, as well as handbooks on gardening, marketing and livestock.

Directors of the Slaton club approved local sponsorship of the plan, following a talk here last week by Francisco Gonzales, a native of Mexico, who said the Communists are coming 12,000 miles from Russia to poison his country against America and our way of life, while people "right next door" in the United States are doing nothing to counteract the Communist threat in his country.

He said books are expensive in Mexico and scarce — particularly books from the United States. "We have plenty of literature from Russia, but nothing for people out here and learn about the people and life in the United States."

Lion President Bernie Greenfield announced that the club had authorized the school nurse at East Ward school to serve milk to any child there who is unable to pay, then send the Lions the bill.

Joe Diaz of Fandy's and Bob Wilcox of Slaton Motor company were guests. Bill Grant was introduced as a new member.

EASY WINNER — Mayor L. O. Lemon, right, was the first to welcome Robert Hall Davis, left, to the city commission. Davis had no competition in Ward 2. The new commissioner from Ward 4 is Fernando Gonzales, who defeated T. A. Worley, Jr., by a top heavy margin.

Postoffice Seeks Job Applications

The Slaton postoffice is seeking applications from local men who are interested in becoming postal clerks or city carriers. Postmaster Harry Ford announced this week.

He said persons who apply must pass a written test by the civil service commission, that they will be placed on a list of eligibles and considered for future job openings.

Clubs and carriers are now paid a starting rate of \$2.16 per hour. Anyone interested may get complete information from the postmaster.

Two Newcomers To Be Certified, Sworn In at Next Regular Meeting on April 9

Fernando Gonzales was given an overwhelming victory in Slaton's Ward 4 commission election Tuesday, defeating T. A. Worley, Jr., 273 to 54.

He will be the first Latin-American in the history of Slaton to gain a seat on the city's governing board. He will be officially installed at the commission's routine canvass of the votes.

Robert Hall Davis was elected commissioner from Ward 2 without opposition. He received 42 votes. Davis succeeded H. G. Stokes as Ward 2 commissioner. Gonzales succeeded L. L. Dixon, who defeated against running for a second term from Ward 4, in favor of making a campaign for a place on the Slaton school board of trustees.

When Dixon was elected to the city commission two years ago he gained the distinction of being the first Negro ever to hold that office.

Gonzales was an unsuccessful candidate in the school board election two years ago. He has never before held public office.

Davis is manager of Ray C. Agnes, Inc., here. Gonzales is assistant foreman at a cotton compress in Lubbock. The Gonzales family lives at 728 South Fourth street.

In a pre-election statement, he announced that "if elected, I promise to serve the best interests of the entire community in the best of my ability."

City Employes Get Pay Hikes in New Budget

The Slaton city commission met in special session Thursday night and approved a budget for the new fiscal year, beginning Monday.

After considerable whittling the board finally settled for an estimated expense allowance of \$284,377.01, which must be paid from an estimated income for the next 12 months of \$291,333.33.

It was noted that the difference in estimated income and estimated expense leaves very little for capital expenditures, such as replacement of equipment, and that estimated income is strictly from operating sources.

After working on the budget for several hours and fixing all expenses as closely as possible, including small raises for all employees except department heads, it was found that it would be necessary to make small additional cuts on some items to remain within anticipated revenues.

A motion was carried to reduce funds for all non-mandatory items 2 percent, then raise the salaries of the water superintendent, chief of police and city secretary 3 percent and the street superintendent 4 percent.

Then, upon motion of Commissioner Stokes, the budget was approved as amended.

In the discussing the pay increases, it was pointed out that the additional pay would bring salaries of city employes more nearly on par with other workers in the city and nearer the scale of similar employes in other towns.

Southland News Column Started

Mrs. Edgar Moseley has agreed to write Southland community news for The Slatonite. Her "Southland News" column starts in this week's paper.

Mrs. Moseley announced that she would attempt to get and write news from all over the community, but that in order to do so she will need the cooperation of all of her neighbors. Her address is Post, route 2.

School Election Set Saturday

Voters of Slaton independent school district will be offered a slate of four candidates Saturday for two offices on the board of trustees.

School board members are elected at-large for three-year terms.

All voting will be at the school business office, 369 South Ninth street. Votes will be accepted from 8 a. m. to 7 p. m.

Candidates for the two board posts are H. E. Agnes and J. T. K. and R. K. incumbents, and James Cain and L. L. Dixon.

Other members of the board are D. Don Hatchett, Joe Miles, Harold Taylor, Wac Acramts and J. W. Martindale.

School board members are elected by all voters in the district, not by precincts.

City Cleanup Showing Effects--in Some Areas

Leaders in the community cleanup campaign now in progress reported Wednesday that considerable work had been done by individuals and organizations, but much more remains to be done before they can call the spring cleanup project a success.

Mrs. Robert Agnes, one of the general chairman of the program, pointed out that city trucks will pick up all trash which is placed in alleys, a three-day trash hauling operation undertaken last week by the Lions and Jaycees got little cooperation in the residential areas, they said.

Several organizations have completed their cleanup assignments, while others have been slow about getting started.

Boy Scouts of troop 100 helped members of the Rotary club and Jaycees clean up and renovate the tennis courts in the park — one of the most obvious improvements in the community. The job will not be completed, however, until new wire netting is placed on the backstops and new metal tennis nets are installed.

SIGNS OF SPRING — W. R. Wilson decided last week his lawn should be plowed up and re-seeded. Like a lot of oldtimers, there's nothing that beats a good span of oxen on that sort of job that's what he got. Plowing the team is their owner, E. E. Benzler, while an employe guides the plow. Mr. Wilson (right, background) planted the lawn when he built the house at 225 South 10th some 43 years ago, and has lived there ever since. Incidentally, when the job was completed Benzler's milies hopped into their truck-drawn trailer like a couple of well-trained dogs — after they were coaxed to roll the truck out of its stall.

BUNGLING WAY TO RAISE FUNDS

(Editor's Note: Jim Cornish of the Post Dispatch very aptly stated his views on a problem that threatens to "corner" many newspaper publications such as The Slatonite. Like Mr. Cornish, we feel that the proposed postage rate increase is, in effect, an undue hardship on every reader of this newspaper. Mr. Cornish's editorial is as follows:)

The U. S. Senate now has before it another huge postal hike bill, which, if passed into law, is sure to send magazine and newspaper subscriptions soaring.

Publishers will have no other choice. Actually, the biggest revenue boost on mail rates for newspapers, as well as magazines, is not a postal rate increase at all, but a "postal tax."

It would levy — without regard to actual handling cost — a one-cent per copy added charge on every newspaper and magazine mailed outside its county of publication.

For The Dispatch for example, this would mean a 52 cents per year increase in mailing costs for every subscription outside of Garza County at the rate of one cent per 52 weekly issues.

But for a daily newspaper—like the Fort Worth Star-Telegram and Dallas News—it would mean a postal hike annually of a whopping \$3.65 per copy, or a penny a copy for all 365 daily issues in a year. You can rest assured, that all of this would have to be passed on to the subscribers.

For a big area paper like the Star-Telegram, for example, this would mean it would have to set up a complete distribution system without the use of the mails, or resign itself to being read only by rich ranchers and oilmen.

To us, this "tax" business is but a bungling way to try to raise funds for the "ever in the red" postal department.

We've taken hefty postal hikes before, all along the line, without wiping out the deficit. That is because a big postal rate hike is always accompanied by an equally big salary pay boost for all the postal employees which nullifies any gain from postal increases. That is what is going to happen this time, too. And it's no deep dark secret.

Like everything else, the post office and its employees can in many instances price themselves out of business, just like private enterprise, even if it is a government monopoly. Or, at least, it can price newspapers and magazines out of business.

The Dispatch will survive—even though this will mean a 40 per cent hike in our annual mailing costs. But we would not like to be in the shoes of the circulation manager of Life Magazine, Time, Ladies Home Journal or the Fort Worth Star-Telegram.

The proposed "surtax" will not destroy the freedom of the press, but it certainly will limit its range.

What does a cut of \$1, \$2, or \$3 billion mean to the taxpayer? The Tax Foundation, Inc. says, "...each \$1 billion cut from the Federal budget means, on average, \$18 which an American family of four can keep for its own" to spend on house or garden.

The Portland, Oregonian says, "Americans get more and better food, in vastly wider variety and more convenient form, at lower cost in real wages than any other people in the world. And much of this benefit can be traced right to the food processor and retailer who have cooperated in developing modern packaging."

David Lawrence writes, in U. S. News & World Report: "Could the spiritual emotion that swept the world as Colonel Glenn was descending to the earth be extended to reach the hearts and minds of the millions of persons behind the Iron Curtain? For by their concerted will they can transform a world beset with fears of self-destruction into a brotherhood of peace. Miracles do happen when the world shows its humility in prayer. The voices that besought Almighty God to save the life of Colonel Glenn can speak again, as even more of us petition Him to save humanity from nuclear war. For those prolonged minutes of prayer on Tuesday, Feb. 20, constituted man's "finest hour."

From the Russell, Kansas, News: "In America, when three or more people are together they are apt to form an organization; in England, a protest committee, and in Africa, another country."

SALE OF HOME

In completing your income tax return, you are required to include your gross income from the profit on the sale of your personal residence. This profit is normally the difference between sales price less agent's commission and the purchase price of the house when you bought it.

This additional income can, however, be postponed in the situation where you buy a new residence within a one-year period before or after the date on which you sell your old home. However, you postpone the payment of tax on the sale only if your new home costs as much or more than the price you received for your old house after deducting the agent's commission, selling expenses and the amount you spent to fix the house up for sale during the 90-day period before which the house was sold.

For example, if you paid \$10,000 for your old house and sold it for \$15,000, you made a profit of \$5,000 on the sale. If you buy a new home within a year for \$16,000, you report no profit on the sale of the old house. You must, however, reduce the cost of the new home for later sale purposes by the amount of the untaxed profit you received on the old home. Thus, your new house cost would be reduced \$5,000 and would be valued at \$11,000 for later sale purposes.

Assume the same facts except that you spend \$500 fixing up your old house for sale within 90 days before selling it, and bought your new house for \$13,000 rather than the \$16,000 figure used in the example above. You would deduct the

\$600 from the \$15,000 sales price to obtain the adjusted sales price. Inasmuch as the purchase price of the new house was less our first call to Grandma.

than the adjusted sales price of the old home, you would have to include the net difference of \$1,500 as capital gain in your gross income.

The value of your new house for subsequent sale purposes would then be reduced by \$3,500 which is the difference between the total profit made on the sale of your old residence, (\$5,000) and the amount you showed as income when you bought the new residence (\$1,500).

Often you sell your old house in one year and don't buy a new one until the subsequent year. Where this occurs, you should show the fact of sale in your tax return for the year of sale and indicate that you intend to buy a new house within the one-year period.

When you later purchase a new house and have gain to report because it cost you less than the adjusted sales price of the old house, you should amend your return for the year in which the old house was sold and report the proper amount of gain includible in income as a capital gain.

Where you desire to build a new house to replace the old house sold, you are entitled to these tax benefits as long as construction begins within the one year period after the date of sale of the old residence, and is completed within 18 months after the same date.

WARD'S Wanderings

By LDW

As a rule, this column deals in tomfoolery. An editor I admire very much calls it "Afganstanism" — like when it's safer to discuss the evaluation of the krona and piaster (or whatever they use for money over there) than to deal with the hard facts of local shenanigans.

Jenkin Lloyd Jones, publisher of a Tulsa daily gets credit for that one. He's a pretty sharp cookie — even if he is a Republican.

What all this is leading up to is an opening to tell you all how the LDW family is coming up in the world.

We've got two (2) telephones. How about that!

Some people can brag about having two indoor privies or two cars, but they won't actually save them money. Our additional phone costs another dollar a month. We saved that much on You know how it is when three people take turns talking — everyone asks the same inane questions, while that long-distance meter keeps clicking. Now we can have sort of a round-robin conversation — get it over with and put an end to that additional toll charge.

Dorothy Jones over at the phone company is responsible. She thought she was pulling a fast one by loading 'Ward with phones, but actually she did us a favor. That gal's okay — she can call me "Okie".

Incidentally, for the next few weeks I'll talk real friendly-like with anyone, just as long as he doesn't mention moving.

We've moved twice within a month, and that's too dang much for a nice even-tempered guy like myself to hold still for.

Then to top it all off, my neighbors — Phil Brewer and Jay Maxey — politely informed me that we gotta have a permit to move on their block. After they find out we got two telephones, they might figure they're lucky to have such high-class folks out there.

The American Medical association reports there are 250,000 products for use in the home which contain one form of poison or another, and that 600,000 children manage to get hold of one of those poisons each year, and that about 500

of those kids die. The report runs about two pages, which simply warns us to be careful where we keep bleaches, plant foods, detergents, turpentine and all that sort of stuff.

Travel notes from Sunday's papers:

Jackie is back keeping house for John F.: Billie Sol's trip to Switzerland will be postponed, and Liz won't rush to New York to console Eddie.

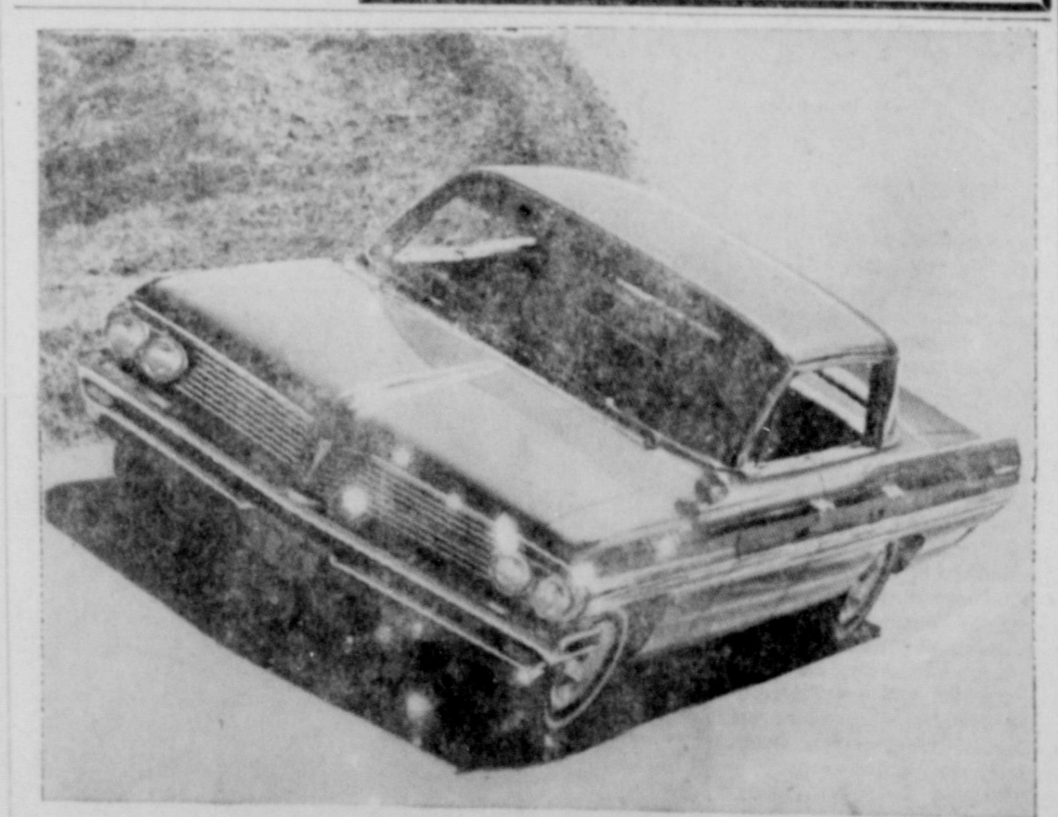

Also noted that Perle Mesta is back in Washington making plans to whoop it up with a string of parties and Little Orphan Annie's pal, the chimp, is anti-Communist. At least we know where that monkey stands.

Hope you noticed, we're taking off on a big circulation promotion this week. It will increase our subscription list, which gives our advertisers a better opportunity to tell more of you about their weekly bargains.

1. Each Contestant, is required to abide by these published rules, and is required to sign his or her personal signature upon entering, agreeing to be governed by said rules.

2. All Five Capital Prizes offered in this Campaign are to be awarded on the basis of Total Votes Earned, and not on the amount of money collected and reported. Votes may not be transferred by one contestant to another.

3. In case of a tie vote resulting at the end, duplicate prizes will be awarded to contestants whose votes are tied.

4. An "Active" Worker for the purpose of this campaign is one who reports sales to campaign office in person or by mail, a minimum of three times weekly. They are eligible for the five Capital Prizes, and are guaranteed 25 per cent commission. An inactive worker is one who does not report three times weekly (or one who drops out before the end of campaign and they are guaranteed 20 per cent of all sales. No worker can win both a Capital Prize and Commission.

5. This Campaign will enroll only Individuals as Active Contestants. This does not bar relatives or friends from assisting any individual contestants.

6. All Campaign Workers upon enrollment agree to the publication of their names, photographs, and comparative standing of all contestants enrolled in the Campaign.

7. This newspaper and the Campaign Manager reserve the right to remove any enrolled worker for cause, good and sufficient, which in their estimation might impede the progress of the campaign. An offer or attempt by one worker to buy or sell subscriptions and votes earned by another, may be sufficient cause for removal.

8. New Subscriptions earn higher votes than renewal subscriptions. Changing the name of a subscriber to another in the same family does not constitute a new subscription nor earn new subscription votes.

9. Campaign divided into three periods. 1st period starts Thursday, April 5; ends Monday, April 16. 50,000 extra bonus votes awarded for each multiple of \$15.00 sold in this period. 2nd period starts Tuesday, April 17 and ends Wednesday, May 9 — 100,000 bonus votes awarded for each \$30.00 sold during this period. 3rd period starts May 10, and ends Saturday night, May 12 — 50,000 bonus votes for each \$30.00 of sales these three days. All subscription votes reduced by one-half, in this final period.

10. An "Extension" Subscription shall earn votes identical with original subscriptions, both new and renewal, without regard as to who sold the original subscription. An extension of a subscription is for a period exceeding the period of the original subscription sold, exactly as outlined in a vote schedule which appears in the opening announcement published in the Slatonite.

11. Each Active contestant is privileged to name one Judge for the counting of votes. This Judge will be an Official Judge, insuring a double count. The decision of the Judges shall determine the award of Capital Prizes. The decision of the Judges and this judging shall be final.

Local Santa Fe Oldtimers Form Pensioner Club

Twenty-two retired Santa Fe employees who got together last Wednesday and organized a club are inviting all other retired railroaders in this area to their next meeting, which will be Tuesday, April 10, in the American Legion hall.

The name of the club is "Santa Fe Railroad Pensioners Club of Slaton." C. E. Upham is president; Jonas Cain is vice-president, and H. L. Marsh is secretary-treasurer.

Their meeting next Tuesday will start at 10 a. m. and will feature a covered dish lunch-

con at noon.

Much of the groundwork in the club's organization was done by Upham and L. B. Hagerman. They sold the idea of forming a club of railroad pensioners to 20 other retired Santa Fe employees here. They believe at least that many more will be interested in meeting with them when they learn that the club has been organized.

Upham said the club plans to meet on the second Tuesday of each month. He said those desiring to come to the meeting next Tuesday may come at 10 a. m., but he reminded all who wish to attend the luncheon to bring a covered dish.

Regular club meetings will be in the American Legion hall. Games will be played until 3:30 or 4 p. m. each meeting day.

SUBSCRIPTION CAMPAIGN FACTS

LOW DOWN FACTS ABOUT CAMPAIGN

In the announcement of our big subscription expansion campaign, which appears on the front page, we have tried to clearly picture the situation which seems to dictate that necessity for this campaign at this time.

We want to invite both men and women, you in fact, if you have time to devote to selling subscriptions for your hometown paper, to enroll in this campaign as a worker.

Some local folks have already been enrolled, but we still have room for a few more workers. All of them are going to earn big weekly paychecks. Some of them, five to be exact are going to win the five top Capital Prizes, which alone total \$2,700. Other special prizes and commissions may swell the total prize disbursement to close to \$5,000.

A coupon in the big advertisement makes it easy for you to enroll.

If you are interested in becoming a worker, we urge you to read the big double-page advertisement in today's paper. But, to give you the campaign facts in a concise and quick-to-read form, we are summarizing the highlights and pertinent facts below:

IN A NUTSHELL — OUR EXPANSION CAMPAIGN

PRIZES — 5 Capital Prizes, \$2,700; 11 Special Prizes, \$400; Guaranteed Weekly Commission Check to all workers. Total up to \$5,000.

OPENING — Today, Thurs., April 5. Ends Saturday, May 12. Time: Five weeks.

SUBSCRIPTION PRICE — Sharply reduced for duration of campaign.

SPECIAL OFFER — A Free want ad to each subscriber purchasing subscription.

GOAL — 1500 Brand New Subscribers.

ELIGIBLE — Both men and women living in this and three adjoining counties.

RECEIPT BOOKS — Also supplies will be given to each contestant, today, Thursday, at 2 p. m., at a social meeting of all enrolled workers at Bruce's Cafe. Or get them at the newspaper office.

HOW TO ENROLL — Call at this office, or phone and campaign manager will call on you at your home.

ENROLL EARLY — You may enroll at any time, but those starting on opening day, have the best chance to win.

PAY DAY — Friday of each week for subscriptions sold preceding week.

FIRST PRIZE DISTRIBUTION — Monday, April 16. \$250 in 10 special prizes of \$25 each, to those doing best work first 10 days.

If interested come to the meeting Thursday, today, at Bruce's Cafe, 2 p. m. and get full details. Refreshments will be served.

TAG PENALTY DODGERS — This group of motorists was the typical crowd at the Slaton tag office all day Saturday—last day for buying 1962 license plates without penalty. Mrs. F. A. Drewry, local tag agent, said the penalty is now 20 percent more for vehicles not been driven and only 50 cents for vehicles not been operated past the deadline.

From Berkshire come the first stockings fashioned with sound waves!

New ULTRASONS
shape themselves to fit your legs
—every step you take!

HERE, at last, are stockings that never lose their fit! Berkshire's fabulous new Ultrasons won't bag, sag or wrinkle.

The secret is a new ultrasonic process—the greatest advance in stockings since nylon was invented!

More flexible, more comfortable

Ultrasons are the first stockings actually treated with ultrasonic sound, so they'll flex with every movement of your legs.

Walk, sit, stand, stoop. Ultrasons stay smooth from top to toe.

The new ultrasonic process makes Ultrasons more porous than other

nylons. They keep your legs and feet cooler, drier in the hottest weather.

Guaranteed run barrier

Every pair of Ultrasons has Berkshire's famous NYLOC® Run-Barrier. Guaranteed to stop any runs starting at the top or toe from entering the sheer leg area—or you get a new pair free!

Ultrasons come with seams or seamless in four muted shades. All matt-finished—fashion's subtle new look for 1962.

Discover today how shapely your legs can look in Berkshire's new Ultrasons. Only \$1.65 a pair.

Warning Given On Open Wells

Farmers and Ranchers in the Slaton area were reminded this week that a new rule dealing with closing of abandoned or unused wells became effective April 1.

The rule was recently approved by the board of directors of the High Plains Underground Water Conservation District.

Tom McFarland, general manager of the district, said hundreds of wells in this area are uncovered, representing a threat to the lives of children and adults.

McFarland said any property owner who refuses to close a well properly will be subject to the district coming on his land and closing the well, then representing the owner with a bill for costs.

It also was pointed out that open wells invite water pollution, as well as accidents.

14 KC Members Get First Degree

The Knights of Columbus, Slaton Council No. 2571, held their regular meeting Monday at 7:30 p. m. in St. Joseph Hall.

Fourteen candidates for membership were balloted on and approved for the first degree into the order which is scheduled for 8 p. m. April 4, at the K of C Home in Lubbock.

Delegates to attend the Knights of Columbus state convention at Dallas May 27 through 30 were elected. The delegates are Tony Steffens and Walter Lee Bednarz. Alternates are: Milton Pionka and Andy Stelzer.

Members voted to submit the names of Freddie Pionka and Hector Lucero as their candidates to attend the Mountain Home, Texas, Boys Camp during the summer. Each council submits the names of two boys between the ages of 8 and 14 to the state committee. From the applications 16 names are drawn to attend and are sponsored by the Texas State Council.

A color movie of the activities at Camp Tecaboca was shown.

Mr. and Mrs. Alton Brookshire and little son, Doyle, of Pecos have been visiting with Mrs. Brookshire's mother, Mrs. Jack Brookshire. Alton and his brother own and operate an electric welding business in Pecos.

Word was received here the first of the week of the serious illness of John Graves of Tulsa, Okla. Mr. Graves is Mrs. Rosa Owens' brother.

Two-Way Radio Fund Growing, Firemen Report

The fire department's campaign to equip all vehicles with two-way radios was reported progressing favorably this week, with the donation of two more complete sets and several additional smaller cash contributions.

Chief Curtis Dowell said the Lubbock County Beverage Association gave the department a \$175 check which will pay for one set, and Union Compress added \$125 to \$50 already contributed, making the full price

for another.

Those joining the growing list of smaller contributors were Higginbotham Lumber Company, Bains Auto Supply, Grady Halliburton, Pat Patterson, Huser Hatchery and the Drive-In Food Market.

The fire chief said he was confident that sufficient funds would come in for purchase of all of the 24 radios required. He pointed out that the equipment would remain the property of the volunteer fire departments.

"We have already seen the difference in time saved by the radios we have and we're confident the faster communications system will pay off in property saved for the entire community," Dowell said.

Slaton Schools Operating Cost Is Below Average

A financial report studied by the school board Tuesday night showed that Slaton schools are operating on less cost per pupil than the average in Texas and less than the majority of schools in this area.

In other business during their regular meeting, the board authorized the school administration to call for bids for an addition to the football dressing room, located on the high school campus.

The proposed addition would

have approximately 1,000 square feet of floor space, and would be a dry, first aid and storage room.

A report on the high school addition has been filed with the engineering department. The board also continued its study of teachers for the next year.

Got Your Map?

The Slatonite's supply of new 1962 official Texas highway maps was more than half gone within the first two days after they were offered as a courtesy to our readers.

We still have some and we'll order more, so if you don't have yours just drop in The Slatonite office and get it. You don't have to buy anything and the maps are absolutely free. They may also be obtained at the chamber of commerce office or by writing the State Highway Department in Austin. Our supply is going fast, but we'll try to get more when these run out. There's no charge. If it's a convenience to you, we're glad to do it.

TREAT PINE FOR POSTS

Texas farmers and ranchmen who need fence posts and have pine woodlands available may find it profitable to use pine posts treated with a wood preservative. Bill Smith, extension forester, says the useful life of such posts can be greatly lengthened by the cold-soak preservation method. Local county agents can supply details on the treatment method.

Catholic Women's Activities

The Catholic Daughters of America, Court Our Lady of the Assumption No. 1364, met in regular session Sunday, April 1 at 1:30 p. m. in St. Joseph's Hall. Special guest was Father O'Rourke, the National Rural Life Director, who delivered an inspiring message on the Bishop's Relief Fund to the 43 ladies in attendance. Chaplain T. D. O'Brien also gave a brief talk.

During the business session reports were given by Mrs. Walter Denzer, Chairman of the March sick committee and Mrs. A. A. Kahlich, Chairman of the scrap book committee. Sick Committee named for April are: Mrs. Landis Franke, Chairman, Mrs. Joe Gaydos, Mrs. Leon Grochowsky, Mrs. A. J. Gully, and Mrs. Francis Grabber. Mrs. Walter Bednarz was appointed entertainment chairman for this quarter. Mesdames Alfons Bednarz, Francis Grabber, C. O. Heinrich, Nestor Kitten and Rose Johnson were elected to serve on the nominating committee.

Grand Regent, Mrs. A. W. Steffens, announced that statues were awarded Oleta Bednarz and Rita Kay Payne for writing the winning poems in a local poetry contest held recently in St. Joseph's School. Their poems will be submitted at the State biennial convention in San Angelo this month, when a state winner will be announced.

Mesdames Louie Melcher, Nestor Kitten, Robert Bednarz, and Delphine Hlavaty volunteered to gather information about scholarships to Texas Catholic Colleges and present it at the next regular meeting. Literature from these colleges will also be given to the Catholic high school students graduating this year. It was voted that the Catholic Daughters accept the invitation to keep score at the Go-cart races to be held at Buffalo Lakes June 3rd.

Refreshments were served by Mrs. A. A. Kahlich, Mrs. Carl Lewis and Mrs. W. H. Farschon were presented the special prizes.

A reception for new members was held March 18 in St. Joseph's Hall with Mrs. A. W. Steffens, Grand Regent, presiding. The Slaton degree team, under the direction of District Deputy, Mrs. August Kitten, presented the degree work. Members from Slaton, Lubbock and Amarillo were received into the organization. The new Slaton members are: Mesdames H. M. Adamek, B. H. Becker, Joe D. Heinrich, Anna Higgins, Robert Hurst, Carol Lewis, Jr., Ed Maeker, Joe Moeller and Misses Carol Buxkemper, LaNell Heinrich and Kathy Buxkemper.

Cake, coffee and punch were served following the reception.

A group of Slaton Catholic Daughters attended a Retreat held in St. Elizabeth's Church March 25 at 2:30 p. m. Rev. Michail Walshe gave the sermon and led the group in special prayers. Attending from Slaton were: Mesdames August, Clarence, O. F. Wilfred, Nestor and Ray Kitten, B. H. Sokoll, Paul Mosser, Alex Bednarz and Ray Miller. The Lubbock Catholic Daughter court sponsored the Retreat.

Read 1 Corinthians 9:19-27

Jesus said unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me (Matthew 16:24.)

of the ways into which the cross leads us in the way of self-discipline, both physical and spiritual. "It is that discipline," Dr. James Reid, "which comes through the denial of bodily instincts and appetites. There can be no fitness either of body or spirit without self-discipline."

There is a young man whom I have known since he was a boy. He developed into a fine athlete, and achieved considerable success as a runner. When I talked with him about his fitness for his racing, he told me of the luxuries he avoided and of his abstention from all kinds of self-indulgence. Severe discipline was his secret of success.

We cannot be faithful witnesses for Christ unless we accept the necessary discipline. Ministers and laymen alike must discipline the minds and souls for the purpose of being at their best in living the Christian way of life.

PRAYER: Thou knowest, O Lord, that we want our body, mind and spirit to be useful instruments in Thy service. Grant us the power of self-mastery. Enable us to discipline ourselves so that we may be fit for Thy service. For Jesus' sake. Amen.

THOUGHT FOR THE DAY.

Cultivation of the spiritual life demands self-discipline.

First Baptist Church

As we look around us today we are conscious of the dimensions of objects. There is width, length, depth, and height. By these we are able to measure size and magnitude.

In God's love we find width, length, depth, and height. Thus, we are able to measure the magnitude of His love toward mankind. There are limits to our measure of objects, but there are no limits to the measure of God's love.

The width of God's love... "God so loved the world". This great love includes every person of every nation. There are no boundaries nor barriers. God's love is for you. He loves everyone. His love is extended to all, saint, sinner, rich, poor.

The length of God's love... "He gave". God's love is so great that He gave His only Son, Jesus Christ, in order to restore man to his rightful place of fellowship with God. Jesus became our sacrifice on Calvary's Cross. He died to redeem, to buy back, to rescue lost men and women, boys and girls.

The depth of God's love... "should not perish". His love is so great that He wills that none should perish. "Love of God so freely given, grace of God beyond degree. Mercy higher than the heaven, deeper than the deepest sea."

The height of God's love... "but have everlasting life". God loves us so much that He gives this promise to all who believe in Him. Life here will pass away. If our lives are anchored in Him, there is the promise of ever lasting life. To reach heaven there is but one place from which to start, Calvary. There is but one way... Christ.

The greatest sinner in the world needs no more. The slightest sinner in the world can do with no less. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16.

Dee Allan Tucker In Concert Band

Dee Allan Tucker of Slaton is a member of the North Texas State University concert band, which began its 15th annual spring tour March 25.

He is the son of Mr. and Mrs. Delmer D. Tucker. He is a junior music education major and is a member of the Brass Choir and Phi Mu Alpha, national music fraternity.

The 87-piece band, directed by Maurice McAdow of the NT-SU School of Music, was scheduled to appear in 11 cities in seven days.

Concerts were booked for six Texas cities — Burnet, Lampasas, Palestine, White Oak, Perryton and Vernon; two Arkansas cities — Texarkana and Fort Smith; and for Beaver, Sapulpa and Blackwell, Okla.

The tour program features several marches, new compositions for concert band and a number of semi-classical works. Also featured on the program are a cornet trio, a clarinet solo and the entire flute section of the band.

KCAS Manager Is Club Speaker

Jim Key, manager of radio station KCAS, gave a classification talk to the Slaton Rotary Club Thursday noon at the club house. John Schmidt was in charge of the program.

The speaker began his talk with the statement that "The whole fun of living is making something better." This was brought into his theme by showing that they were striving to do this, in relation to their radio station in Slaton.

A few facts given about their station included: United Press wire service, a direct wire to the weather station in Lubbock, can broadcast direct from any telephone anywhere, and that they use only the very best in music.

"Radio stations as well as newspapers serve the public in keeping them informed on all happenings," he said. "Our greatest aim is to serve the people of Slaton and the Slaton area."

President Charles Barron announced that the club had a 100 per cent attendance last week. He also called attention to the district meeting in Odessa this weekend. A large number plan to go.

Lecture Series Slated At Church of Christ

Roy Dean Verner, minister of the Slaton Church of Christ, announced this week that a lecture series would be conducted at the church, starting Monday night, April 9, and continuing nightly through the following Friday.

Each evening program will start at 7:30.

The speaker Monday night will be R. E. Eubanks of Plainview who will speak on "Devoted Families." Other speakers and their subjects will be as follows:

Tuesday night, April 10 — Gerald Paden of New Home will speak on "Love, a Stimulant to Service." Wednesday evening, March 11 — Glen Regan of Abernathy has selected "House to House" as the subject of his talk. Thursday night, April 12 — Herb Smith of Post will talk on "Supporting the Church." Joe R. Barnett of Levelland will be the final speaker in the series. His talk Friday night will be "You Can't Take It With You."

The pastor said Friday evening's talk will be for the benefit of young people of all churches. He said refreshments and fellowship would follow the lecture.

ARE MEDICINES EXPENSIVE?
There has been so much talk by publicity seekers and people who wish to exploit the sick. Here are the statistical facts.

THE AVERAGE COST PER PERSON FOR YEAR FOR DRUGS AND MEDICINES IS ABOUT \$18.75

When you consider that the average person spends each year \$36.00 for tobacco, \$53.00 for alcoholic beverages, and \$24.00 for personal care in beauty or barber shops, surely good health is worth its medication cost.

AVERAGE PRESCRIPTION ABOUT \$3.25
Only about 15% of all prescriptions cost \$5 or more, while more than half sell for about \$2.00.

80 - WHY ALL THE EXCITEMENT?
How much could a discount save you without riding down the supervisory service that insures accuracy and potency. And, — if he sold you your first few prescriptions at cost or less, you know he would charge more on later ones for everyone must make a profit.

YOUR HEALTH IS MOST IMPORTANT.
The pharmacist will continue to dispense the best of potent, pure drugs and to devote all the necessary time needed to insure accurate compounding. Each prescription will be fairly priced.

Old Friends

By J. J. Maxey

In previous articles we have mentioned ex-students that have become ministers of the Gospel. Roy Foutz, Church of Christ and Milton Jochetz, Methodist. I think that it is time that Baptists have a round — Jerry Lemon, class of 1953, went directly from high school to Baylor University where he graduated in three years of continuous study.

After graduation from Baylor, Jerry entered the Southwestern Baptist Theological Seminary. During the four years of study in southwestern seminary Jerry earned his living by working as a freight clerk at night, preaching for part-time churches and working at other jobs when time would permit. For the past two years Jerry has been spending full time in the ministry. He is now pastor of the Baptist church in Ganado, Texas.

We have nothing but admiration for these young men who are called of God to devote their life to his service. I am sure that there are many other Slaton ex-students who are in the ministry and I would like to have a complete list. If you have a friend that is an ex-student and is in the ministry, you will help us a lot by giving us some information on them.

Our secretary, Virta Zuma Shepard, had a very nice letter from Mrs. P. E. Porterfield, (Vera Leininger) class of 1926. Vera sent in her dues and reported that she received and enjoyed her news letter. She also sent along information on her son-in-law, Don Kennard, who has been a member of the Texas house of representatives for several years and is now running for state senator. Vera's address is — 354 Baldwin, Fort Worth, Texas. She also advised us that Mrs. Robert A. Binker (Ethel Niehoff) is now living at 102, Parade, San Antonio, Texas.

We ran into Bill Pohl in the telephone office and asked him about his brother Frank. Frank lives in Matador and is in the hardware business there. Frank has been away from Slaton almost since the time he graduated in 1927 but we still remember him as a halfback on one of our better football teams.

Pauline Browning told us that Harry and Eunice McDonald, 1715 South Monroe, San Angelo, Texas, were guests in her home recently. Harry was injured severely in an accident but is improving rapidly now.

Mrs. Wade Thompson (Audrea Marriott) came in this week and gave me several addresses that we did not have. W. Grady Florence, 290 Harwood Avenue, Satellite Beach, Eail Gallie, Florida. Mrs. A. H. Putz (Mary Elizabeth Florence) 39th air division, box 117, APO 919, San Francisco, California. Mrs. T. O. Lane (Julia Florence) 610 Cynthia, Overton, Texas.

It has been called to my attention several times that the date of our reunion had been in the Slatonite as June 13th. This of course was a typographical error. Our reunion will be on the weekend of June 30th. We have talked with the boss lady who proof reads and she assures me that it will be printed as the 30th, from now on. Most of us make mistakes at some time or other and the few who do not are working for some bank.

Those who have paid their dues since last week are — Mrs. John Kurtz (Barbara Stahl), Mrs. V. G. Browning, Jack and Jo Ann Clark, Don Crow, Melba Potthast, Maggie George, Andrea Thompson, Sam and Herbie McMennamy, Joe and Joyce Ross and Bill Pohl.

Wilson Couple Wed 50 Years

Mr. and Mrs. Gus Gatzki celebrated their golden wedding anniversary with open house at their home in Wilson. House guests for the occasion were Mrs. Minnie Gatzki and Mrs. Minnie Doermier of Seymour; Mr. and Mrs. Chris Maisch of Aberdeen, Idaho; Mr. and Mrs. Bob Leischner of Santa Ana, California; Mr. and Mrs. Luke Larson of Garden Grove, California; and Mr. and Mrs. Emmele Young of Mount City, Missouri.

The golden motif was carried out in the flowers and the centerpiece which was a golden candelabra and an arrangement of yellow mums.

Mr. and Mrs. Gatzki were married in 1912 in Baylor County in a double wedding with Mr. and Mrs. Jake Wiens, both of whom are deceased. They have five children, all of whom were present for the celebration. They are Raymond and Sam of Wilson; Ruby Stewart of Sunnyvide; Hilda Cartwright of Plainview; and Dolly Clem of Seagraves.

More than 150 guests called during the afternoon.

Mrs. Dale Smith Hosts WSCS of Cooper Church

Mrs. Dale Smith was hostess for members of the Woman's Society of Christian Service of Cooper Methodist Church Monday afternoon.

Mrs. Gene Vinson, society president presided over the meeting which was opened with a prayer by Mrs. H. M. Cade. Mrs. J. C. Robertson read the scripture and led the discussion on "A Respectable Citizen."

The meeting next week will be held in the home of Mrs. Otis Rogers with Mrs. Hal Spencer of Lubbock as guest speaker.

Twelve members attended Monday's meeting.

Southland

By Mrs. Edgar Moseley
Pete Kellum of Banning, California, has returned home after visiting with his sister, Mrs. Nellie Mathis, and other relatives here.

W. E. Kidd and children, Thelma Lee and Teddy of Slaton, visited Sunday in the home of Mr. and Mrs. Sam Martin.

Danny and Dale Dabbs from Lubbock spent the week end with their grand parents, Mr. and Mrs. Herman Dabbs.

Style Show Thursday Night, Other Events Mark National FHA Week

The Slaton chapter of Future Homemakers of America are observing National FHA Week this week with a series of activities, foremost of which will be a style show Thursday night in the high school auditorium.

The FHA girls will model their own creations, in addition to spring fashions furnished by Slaton women's wear stores. The show will start at 7:30.

Pam Stansell president of the Slaton FHA chapter, said one day this week would be "Be Kind To Teachers Day" and another day would be "Gentlemen's Day", in which the girls would open doors, carry books and generally perform the various niceties expected from the boys the remainder of the year.

FHA sponsors are Mrs. Joyce Cheatham and Mrs. Nadine Coomer, home economics teacher.

The girls have placed displays commemorating FHA in the show windows of The Slatonite and Webb's clothing store.

Dale Gamble Honored With Skating Party

Dale Gamble was honored on his birthday last Saturday with a skating party.

Dale's mother, Mrs. George Gamble, accompanied Dale and Randell Gamble, Deborah and Marsha Cade, Deborah and Nathan Griffin, Larry and Patsy Gamble to the skating rink for a party Saturday afternoon.

Bluebonnet Club Has Meeting

Miscellaneous topics were given in answer to roll call at the meeting of the Bluebonnet Club last Wednesday afternoon. Mrs. R. C. Standefer was hostess for the meeting which was presided over by the president, Mrs. T. E. McClanahan.

Following an afternoon of games, refreshments were served to Mesdames Wyatt, Sanner, Teague, Boyd, Upham, Jarman, Stansell, Patterson, Hodge, Blackerby, McClanahan and Standefer.

April 13, meeting will be in the home of Mrs. McClanahan.

Mrs. Childers Is Guest Reviewer

Mrs. Willard V. Childers was guest reviewer at the annual guest day program for The Daughters of the Pioneer Study Club Monday evening. The meeting was held at the club house.

Following a short introduction by Mrs. John Morris, club president, Mrs. Childers reviewed "The Snake Has All The Lines".

Frosted punch and cookies were served from a table laid with a yellow cloth and centered with an arrangement of blue and yellow columbine.

Thirty members and guests attended the review.

Mr. and Mrs. Charles Norwood and Randy from Georgetown spent the week end in Slaton visiting with relatives. Mrs. Norwood will be remembered as the former Miss Karen Deaver.

Explorer Scouts To Train For Canadian Trip

Howard Schmidt, Boy Scout council camping and activities chairman, announced the "shakedown" meeting for the boys and leaders going on the Canadian canoe trip in July will be held on Buffalo Lakes, Saturday and Sunday, April 9 and 10.

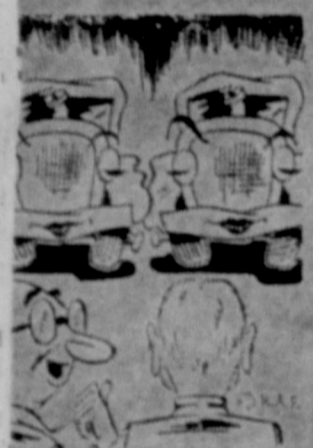

The South Plains Council will have 36 Explorers from over 20-county area to make this trip up into the wilderness area of Canada. There will be four full leaders with the boys, and five leaders are: Mark Goslin of Lubbock.

Schmidt said the Canadian canoe trip attracts thousands of Explorers from all over the United States each year. The boys have to handle their own canoes, and sometimes that requires portage of the canoes the next lake or body of water. While on this practice shakedown cruise at Buffalo Lakes, the boys will receive instructions, and help in handling a canoe, and equipment, and gear to take; plus other phases of living in the wilderness areas of Canada. The boys will have an opportunity to do some of fishing, swimming, and enjoying some of the most wonderful sights of nature, and anywhere in this great land of ours.

The council delegation will leave on July 14 from Lubbock by chartered bus. The first night will be in Kansas City, and the second night will be in Minneapolis. The group arrives at Ely, Minnesota, home of the Region 10 Canadian canoe Base, about noon of the third day, and then they will set off into the wilderness area early the next day. The group will return to Lubbock on July 29.

Wilson News

By Margret Bartley
Houston Gryder is doing very well after having suffered a stroke last week. He is expected to return home this week.

Guests in the home of Mr. and Mrs. John Heck last week end were Mr. Heck's sister, Mrs. Pete Strickland, and his niece, Mrs. Herman Wied of Lamesa. On Tuesday their daughter, Mrs. Floyd Cannon of Lubbock, visited them.

Mrs. Glynn Moore took her mother home to Commerce last Saturday and brought Mrs. J. C. Moore back with her for a visit. Guests attending the birthday dinner for their daughter, Glynn, were Mr. and Mrs. Hurshell Fox, Mr. and Mrs. J. L. Turner, Mr. and Mrs. R. T. Moore and Mrs. J. E. Moore.

Four senior girls from Wilson participated in the Interscholastic League one act play contest held in Lorenzo last Friday. They were Carol Lamb, daughter of Mr. and Mrs. Robert Lamb, Nancy Foster, daughter of Mr. and Mrs. Ray Foster, Sharon Rhoads, daughter of Mr. and Mrs. Pete Rhoads, and Betty Gindrof, daughter of Mr. and Mrs. Elmer Gindorf.

Kerman Bond directed the comedy. Nancy was named as best actress in the district and Carol was named to the all-star cast. They will go to Lubbock on April 6, to enter the area meet.

A group of five men left Wilson Tuesday of last week for a fishing trip to the Rio Grande. They were Ray Foster, H. G. Cook, Pat Campbell, Leroy Crooks and Bill McLaughlin. They plan to be gone for a week or ten days.

Guests in the home of Mrs. H. C. Fountain last week end were Mr. and Mrs. Earl Tunnell of Tahoka; Mr. and Mrs. Bill Deaver of Slaton; and Mrs. Egbert Evans.

Mr. and Mrs. Rudy Kahlich visited with Fred Kahlich of Slaton this week end.

Mr. and Mrs. Johnny Young and Phil, spent the week end with Mrs. Young's parents, Mr. and Mrs. B. E. Webb. Saturday supper was with Mr. and Mrs. E. R. Petty.

Mr. and Mrs. Homer Campbell Sr., visited with Mr. and Mrs. Gene Roland in Idalou Sunday.

Mrs. H. B. Crosby underwent surgery in Methodist Hospital in Lubbock and is reported to be doing nicely.

Mr. and Mrs. Harvel Phillips of New Deal, visited Sunday with Mr. and Mrs. A. N. Crowson and Mr. and Mrs. Truman Baxley.

Mr. and Mrs. N. C. Church of Olton, visited Sunday with Mr. and Mrs. Clarence Church. Mr. and Mrs. H. L. Harkey of Crystal City were visiting the Churches and their daughter-in-law and grandson, Corporal Tommy Harkey of Fort Campbell, Kentucky, came home Friday. Tuesday Mrs. Harkey and son Gary Don returned to camp with him.

Reverend Victor Ortiz, of Munday, Texas, spoke in ser-

monies Sunday to the Wilson First Baptist Church.

The Wesley Fellowship class of First Methodist Church gave a coffee Tuesday morning at 10:00 in the home of Mrs. Sam Gatzki, for Mrs. Raymond Gatzki, who is moving to Taft, Texas, with her family. They presented her with a lovely gift.

Mr. and Mrs. Gus Gatzki and Mr. and Mrs. Chris Maisch of Aberdeen, Idaho, left Sunday for the Ginners Convention in Dallas, Texas. They returned Tuesday.

Mr. and Mrs. Bob Ligon, Jeneane, and Craig, Mr. and Mrs. Dan Tom Stoker, Michele and Brad, of Lubbock spent Sunday with Mr. and Mrs. W. P. Stoker and family.

Mr. and Mrs. Sam Crowson, Sammy, Danny and Donnie visited Sunday in Lawton, Oklahoma, where their son-in-law is stationed at Ft. Sill. Second Lieutenant and Mrs. Richard Thomas and Phil expect to be there for three more weeks of schooling, and then be sent to Germany.

Mr. and Mrs. W. E. Scott and family from Memphis, Texas were visiting this week end with his brother and family, Mr. and Mrs. Leroy Scott.

Mr. and Mrs. Cecil Fields were visited this week end by Mr. and Mrs. Curtis Christopher and Mrs. George Webb of Lub-

bock. Mr. and Mrs. J. R. Wood, all, of Tahoka, also visited the Fields.

Mr. and Mrs. A. J. Gickelhorn and Mr. and Mrs. Charlie Campbell left Sunday to go to the Ginners Convention in Dallas. They returned Wednesday.

Mr. and Mrs. Sears Bartley and family visited in Lubbock with Mr. and Mrs. Floyd "Son" Bartley and family and Mrs. Ada Bankston, Mrs. Bartley's mother.

Play got underway Saturday night in the New Home Independent Volleyball Tournament. It will continue this Thursday and Saturday nights.

S. H. Gryder came home Friday from two weeks in Mercy Hospital, Slaton. He is doing well after a stroke. Mr. and Mrs. Bill Gryder and family of Lamesa and Ed Crowder of Wilson visited Mr. Gryder Sunday. Mr. Gryder would like to thank the many friends who visited him, sent cards and flowers while he was hospitalized.

Mr. and Mrs. Joe Raindl moved to their new home in Tahoka.

Thursday night is the day for the Lions Club Queen Contest to be held in High School Auditorium.

Miss Jo Williamson, freshman West Texas State student, was home this week end with her parents, Mr. and Mrs. George

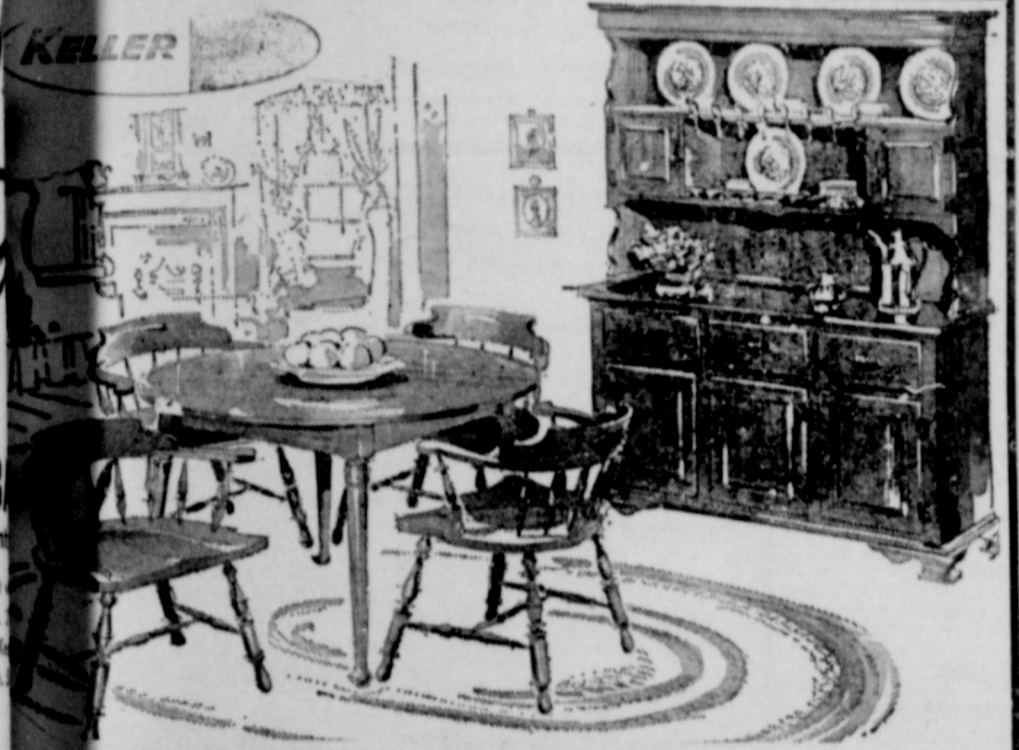

Williamson. Bobby Crowson, West Texas State freshman, was home with his parents, Mr. and Mrs. Sam Crowson.

Mr. and Mrs. Mitch Masters of Levelland spent Sunday in the home of Mrs. Masters' parents, Mr. and Mrs. Arthur Sage.

Mr. and Mrs. Gene Evans have returned to their home after having visited with their daughter, Mrs. Bill Roberts, and her family in California. Mrs. Roberts will be remembered as the former Glenna Evans.

Mrs. A. D. Fuller left the first of the week for her home Oklahoma City after a week's visit in the home of her sister, R. A. W. Sadler, and family. Sunday guests in the Sad home were Mrs. Sadler's uncles and aunt, Mr. and Mrs. L. Anderson, and Mr. and Mrs. Leon Anderson, all from Tulsa.
