Local Case of Sleeping Sickness Prompts Call for Insect Control

One case diagnosed definitely as encephalitis (sleeping sickness) is under medical care in Slaton this week, resulting in increased anti-mosquito warfare urged by Slaton Mayor L. O. Lemon. City Health Officer Dr. M. Jay McSweeney, Jr., and by Federal health authorities.

The South Plains is one of two principal areas in the nation subject to the mosquito-acquired disease, according to Dr. John C. Locke, who cites the St. Louis area as other trouble spot. Though terming the situation "not alarming," precautions are urged, with cooperation asked of all local residents in eradicating mosquitos, two types of which transmit the disease here.

Jara Millo, 3 1/2 year old Mexican child, still is in a critical condition after his "sleeping sickness" was discovered some two weeks ago. His physician, Dr. Locke, states the child still cannot talk or move, but has a good chance for at least partial recovery.

Six cases of sleeping sickness have occurred in the Slaton area in the past three years, following

on the heels of 1957 when Dr. Locke alone treated nine cases. The illness is said not to be transmitted from one person to another, but rather comes from repeated bites of the insect that has contracted the disease from a fowl or animal.

First symptoms of sleeping sickness are stated to be complete paralysis combined with high fever and state of coma.

Three Federal health workers are in the area this week fighting the mosquitos in lake areas, the city is mowing breeding locations, and all citizens are urged to clean up their own property in cooperative effort to eradicate or minimize possibility of further trouble.

Mayor Lemon has issued the following precautionary statement:

"For the past several weeks the citizens of Slaton have been faced with a problem of mosquitos caused primarily by the many rains that we have had. The City-County Health Unit has been spraying and dusting regularly each week all during the summer months in an effort to control the mosquitos. The rains have also caused a large growth of weeds and grass, both on public property and on private property. This has made it almost impossible to kill all of the mosquitos because the weeds and grass furnish a perfect place for the mosquitos to breed."

"In talking with Dr. M. Jay McSweeney, Jr., City Health Officer, we find that there has been six or eight cases of encephalitis (sleeping sickness) reported in Lubbock County this year and there was one case reported in Slaton last week. This dead disease is carried by a certain type of mosquito and it is known that this type of mosquito is in our area."

Water Rates Hiked To Meet Switch Demands

Looking ahead to the nearing date when Slaton will secure water from the Canadian River Water Authority aqueduct system, Slaton city commissioners Monday night voted unanimously in favor of immediate preparation of a new water rate ordinance that will increase minimum of water delivered to local users by some 40 percent, the raise to become effective as soon as legal channels can be completed. Secretary Maxey and Mayor Lemon have estimated first billing at the new rate probable by December.

Present Slaton water rates and New rates agreed upon by the commission are:

Minimum of 3,000 gals.	\$2.50	Minimum of 3,000 gals	\$3.50
Next 1,000 gals.	.40	Next 7,000 gals.	Per M. .60
Next 1,000 gals.	Per M. .30	Next 10,000 gals.	Per M. .50
Above 5,000 gals.	Per M. .25	Over 20,000 gals.	Per M. .40

The minutes of the Monday night action read: "... It was felt that it is necessary to increase our water rates immediately in order that money could begin to be secured to take care of the necessary improvements in our system. In light of these facts the Commission voted unanimously on motion by Mr. Davis and second by Mr. Eckert to authorize the preparation of a new water rate ordinance. . . ."

Money received from the sale of water over and above the present rates is to be used to make improvements preparatory to receiving Canadian River water, the minutes reveal.

Awareness has been evident since decision to participate in the Canadian River Dam program that local facilities would need improvement and added costs would be involved, city officials point out. Investigation has revealed that other participating cities also are experiencing a program of rate increase.

Tahoka, a member of the authority, increased water rates last November 1st in anticipation of the adjustments. They now have a 2,000 gallon minimum costing \$2.00, with consumption between that and 30,000 gallons charged at 50c per thousand.

Lamesa made its initial increase some six months ago on the long range program, now charging \$1 for the first 1,000 gallons, with 70c per thousand on the next 2,000, and 40c per thousand on the next 7,000 gallons. That city also increased its sewer rates in concurrent action. Additional water rate increases are planned there before first use of the Canadian water, the Lamesa city secretary informed the Slatonite via phone yesterday.

For additional comparison, Secretary Maxey compiled a rate chart showing schedules of members of the White River project, being designed to serve four area towns, Crosbyton, Post, Ralls and Spur.

His findings are:

Crosbyton:	Minimum 3,000
------------	---------------

gallons now set at \$5, next 7,000 at \$8.00, next 10,000 gallons at .75 per M, and all other .40.

Post: Minimum of 3,000 gallons, \$4.20; next 7,000 .75 per M, next 10,000, .65 per M.

Ralls: Minimum of 4,000 gallons for \$5; next 16,000 gallons at .80 per M; next 15,000 at .70 and all over that amount at .40 per thousand.

Spur: First 3,000 gallons \$4.50; next 7,000 at .80 per M; next 10,000 at .75 per M; next 10,000 at .60 per M; and all other at .40 per thousand.

Maxey discloses that above rates are in addition to taxes assessed for the White River project in the four involved cities, involving a 5 rate on an 80% valuation. The cities also are reported to have a sanitary sewer charge ranging from .75 at Spur, to \$1.50 at Post and Ralls.

Tigers Win Here 13-12

The Slaton Tigers came from behind in the third period Friday night before a hometown crowd to tie up the ballgame with Tahoka after the Bulldogs had drawn first blood in the third quarter when Craig Leslie blocked a Tiger punt on Slaton's 15 yard line, and Larry Jolley scored the TD by recovering the blocked punt.

The Tigers went ahead in the middle of the 4th quarter when Weber Tefertiller kept to go through right tackle. Bruce Pember put the pigskin through the uprights to put Slaton ahead 13 to 6.

However, Tahoka wasn't ready to quit for the night as they

fought from their own 20 to Slaton's 35. Lefthanded hurler Steve Greer, shot the ball into the waiting arms of Tony Sprull who was in goal-line position and went over to narrow the margin to one point. Tahoka's try for the extra points failed.

Time ran out while Slaton was penetrating deep into Tahoka territory.

This was Coach "Bing" Bingham's Tigers' first victory of the season.

Slaton has tied, lost and won one thus far this season. Tahoka also has the same won, lost, and tied.

The apparently evenly-matched ball clubs fought to a deadlock in the first half with neither team being able to score.

Larry Smith, a 141 pound Sophomore end, was responsible for throwing the visitors for a 15 yard loss and stopping a Tahoka drive late in the second period; however, he injured his left ankle on the play. Coach Bingham picked up the youth and carried him to the sidelines. Larry also was injured again late in the 4th quarter, and after receiving treatment from Mr. J. D. Prekins he was transferred to a local hospital so that his ankle could be x-rayed.

Along with other Tigers turning in outstanding defensive plays for the near capacity crowd were Keith White, Paul Dubbs and Tommy Simmons.

With six minutes left in the 4th period the Tigers started driving hard for pay dirt which "struck up the Tiger band" and caused the team and onlookers to become electrified with enthusiasm. The series of plays started on Slaton's 26 yard line

Near Perfect Selections Marked Weekly Contest

The near-perfect contest entry of Mrs. H. H. White, 245 N. 18th, won her 1st place honors in the second week of the football contest sponsored by the Slatonite and a number of local merchants and fans.

Only repeater from the previous week contest was Joe H. Baker, Santa Fe employee, who copped 2nd place this week, topping from the 1st place spot of the initial week.

Johnny Hennington, Jr. came in third, tying with Baker for number of entries picked correctly, but falling behind in approximate scores.

Total points are being accumulated by contestants for the final season end prize of Cotton Bowl tickets. Points are computed with a point for each dollar won, hence Baker leads at end of the second round with 8 points, Mrs. White next with 5, Billie Vern Hennington with 3, and Johnny Hennington and Johnny Hennington, Jr. each with 2 points.

Mrs. White missed a perfect card this week by virtue of calling the Slaton - Tahoka tilt a tie. Though failing to get into the money, Belinda Becker with her eight correct selections did something none of the winners were able to do - picking every one of the high school games correctly. All contestants batted better than .500, with most picking seven or more of the winners.

Two '63 Car Lines on Display

Premier showing of the '63 Chevrolet line in Slaton will be the new Friday and Saturday at the Doc Crow Chevrolet firm here.

The entire family is invited to visit Crow's this weekend where several models will be on display, and where cokes and favors will be distributed. The 1963 Ford line offers a wide variety of features and selections of special features and appointments, with engines that range from 85 up to 405 horsepower. No major lube job with no minor lubrication or oil changes for 6,000 miles. Self adjusting brakes are standard.

The 44 models made by Ford in 1963 represents exactly twice the number available only five years ago. Waters points out, making the selection of a favorite car an exciting adventure.

All car lines by Chevrolet in '63 are advertised by their maker as being specifically engineered and built for money savings. Among the standard features are the aluminumized mufflers on all car lines, heavier duty battery (with 3-year warranty on Chevy II), self-adjusting brakes on all the lines, six months or 6,000 miles between major chassis lubrications; 60 days or 6,000 miles between oil changes; high-level ventilation, bonded brake linings, single-key system, amber parking and directional signal lights, electric wipers, posi-D, crankcase ventilation sys. and Bail-Race steering gear.

Rotarians Plan Event

Delbert Downing, widely-known after dinner speaker and West Texas civic worker, will be featured speaker at the Slaton Rotary Club Annual Faculty Night next Thursday evening, October 4th.

John Schmidt, president of the local club, states that big plans are underway for this meeting, with the entire faculty of the Slaton public school system, all Rotarians and Rotary-Anns having been invited. The fete will be held at 7:30 p.m. Thursday, in the Junior High School cafeteria.

Thefts Solved As Youths Arrested

Several recent bicycle thefts, residence vandalism and theft of paint from the Lasater-Hoffman Hardware were cleared up this week with apprehension of eight Mexican youths ranging from 8 to 14 years of age.

Parents of the boys arranged to make full restitution of loss in excess of \$100. Police Chief Gene Martin states, and the boys have been placed in school and given a sundown curfew hour.

One liquor raid was made Saturday here when local officers Joe Martin and Robert Breedlove assisted Liquor Board Inspector Glen Curry in raiding a location at 415 Railroad Avenue operated by Minnie Lee Wilburn. Confiscated were 26 32-oz. bottles of Falstaff beer, four 12-oz. bottles of beer and two 4/5 bottles of wine.

Thefts this week again were confined to hubcaps and smaller articles.

Since last Thursday, 11 drunk arrests have been made by the local police force, one disturbance arrest, one for simple assault, eight for bicycle theft and one for destruction of private property.

Ad Valorem Tax Rate, Budget Is Set by County

Lubbock County commissioners set the 1963 ad valorem rate at a Monday morning session this week, announcing a reduction from present rate 80 cents, and 5 cent decrease from 1961 rates.

Budget for the year also was set, approval given expenditure of \$2,549,117.96.

In a public hearing, only one person, other than involved officials attended. Mrs. Robe Casperson, president of the League of Women Voters, attended.

Analysis of the new tax rate reveals that of every 78 cent 25.326 cents will go to the General Fund; 5.286 cents, Jun Fund; 15 cents, Road and Bridge Funds; 5.332 cents, Road and Bridge Funds (primary right-way); 1.697 cents, Parks Fund; 4.937 cents, Permanent Improvement Fund; 2.015 cents, Roe Bond Sinking Fund, Series 1957; 6.612 cents, Road Bond Sinking Fund, Series 1956; 5.511 cent, Road Bond Sinking Fund, Series 1957; and 3.193 cents, Road Bond Sinking Fund, Series 1961.

Collision Kills Ranger Man Here

One man was killed Tuesday noon at an intersection highway collision just northwest of Slaton.

Wylie Cecil Stewart, 19, a Ranger, driver of the '57 Chevrolet pickup truck involved, was pronounced dead on arrival at Mercy Hospital in Slaton.

The pickup was in collision with a National Guard government owned '56 sedan driven by Army Lt. Col. Donald Doy Stewart, 47, of San Antonio. The pile-up occurred at the intersection of U.S. Highway 1 and F-M Road 400, less than 100 feet outside the Slaton city limits.

Investigating Highway Patrolman Tom Mobley stated witnesses reported that young Stewart was headed south on the farm road; he was thrown from his vehicle into a culvert flow with water, some 300 feet from point of impact. The driver of the sedan was apparently uninjured, protection credited to his use of a seat belt.

Meeting Planned At Pack Meeting

...128 meets this evening at 7 o'clock at the Slaton High School. Cubmaster ... has announced.

EDITORIALLY SPEAKING

Observations and Potpourri

Distinction sometimes is detoured and comes to some suspecting member of the fourth estate.

Doug Meador, the stimulating editor over at Matador, long has written the much-quoted "Trail Dust" column in his weekly paper. Last week fame came his way when a Matador motel was set under construction. Its ultimate name to be the Trail Dust Inn!

Not that we are jealous, but when will a Slaton motel be dubbed "Second Glance"? Or would that sound so good? We've stayed at a few hostels where we wished after we had taken that second glance before registering! Guess fame just can't come to us via this route.

Seriously, Mr. Meador is one of the most picturesque, pungent, oft-quoted editors in the nation. The title of his column first appeared in a Matador newspaper in 1931. The paper floundered during the depression years, and "Trail Dust" next appeared in the Roaring Springs News in 1932, that paper later merged with the Matador Tribune, and the column has since appeared under that banner. It has been published weekly for almost 30 years, quoted in a multitude of publications from the Reader's Digest to the Baptist Standard. It was published in book form in 1940 but the edition is out of print. We add our salute to Editor Meador.

For those who think Texas should court the tourist trade to greater extent, we point out some hard facts: We understand Texas has some \$500,000 to promote tourist business. Florida, on the other hand, spends \$6,000,000 to extoll the citrus industry alone each year.

Could it be that our \$500,000 expenditure is only a drop in the bucket, ineffective in its inadequacy? It seems to us that this amount might be saved by going one of two routes: snipping it from the budget entirely, or allocating enough to snow the country as does Florida.

Then there is the farmer up in Illinois who claims, with a straight face, that he plays music for his corn in the corn patch, asserting that the crop really gits up and gits in production, the yield increased as much as 30 percent (so he says). Betcha this is the ultimate in imagination. pure corn e'd say.

What headlines would you most like to see in the newspapers during the coming months? We invite you to think on this a bit, and we would be most happy if one of you would write us the headlines that would mean the most to you or to humanity. Let's see if any of them might materialize.

Albert reported at the office, late and completely exhausted. It happened that he didn't arrive back home until the wee hours of the morning, and just as he was undressing, his wife woke up and said, "You're getting up awfully early, aren't you, Albert?"

Rather than start an argument, he just put his clothes back on and left for the office.

If a nation expects to be ignorant and free in a state of civilization, it expects what never was and never will be. . . Where the press is free and every man able to read, all is safe. —Thomas Jefferson

Commencement for Students; End for Printer

VARINA, Va. — A printer's mistake caused high school graduates here to get their diplomas two days early.

The Commencement held June 10 was to have been on June 12. The Commencement programs received from the printer listed the date as June 10. The programs reached the school too late to be reprinted. The school gave in. They held Commencement on the date given by the printer.

Few Resignations from this Club

"The American taxpayer is paying membership dues to one of the most expensive clubs in the world," complained a letter-to-the-editor writer in a recent edition of an area daily newspaper. This is possibly true.

But we've notified very few people who want to resign from the club. And there are lots of people in the world who would like to become members. . . if they could. . . regardless of the dues.

It's an expensive club, all right. . . but it offers an awesome lot of modern conveniences, personal comforts, and real luxuries.

Its members are protected against all sorts of personal dangers. . . from fellow club members as well as from outside toughs. It offers tremendous opportunities for free education to members, as well as free entertainment. And it offers an amazing amount of security to members. . . some think too much.

Most important of all, every member of the club has a vote in its operation, and everybody can speak up freely in the clubhouse.

Sure, the dues are a little high. But the advantages of membership are tremendous. This club has more to offer than any other in the world.

And the members can always resign and move out of the clubhouse if they want to.

But there just doesn't seem to be any rush for the exits. . . even among those who complain the loudest. —Canadian Record

Men of Reason Can Disagree

A longtime acquaintance stopped by for a friendly cup recently. I was glad to see him. Some days before, he had disagreed with the Review and it had snowballed into anger and hot words.

Naturally, it was about something which this paper had printed or failed to print. One of the hazards of this business is that nearly every time you manufacture a product you irritate someone.

If a paper is wishy washy and tries to be all things to all

men, it makes readers angry by mistake. If a paper is to be honest and comment on events — and the Review has tradition of doing so — it's much worse.

But, as I said, it was good to drink that cup. This fellow I still don't agree. Yet men of reason should be able to disagree their opinions quietly and generate a little light rather than just heat. —Crosbyton

Doug Meador Opines:—

Human weaknesses are available in the bulk, family size and the more popular individual portions. The special pack also has a wide demand by a discreet clientele dedicated as examples of perfection.

Friendship on the rocks has an attractive bouquet when poured over money into a cup that has been well chilled with need.

Pictures of sunrises may be beautiful but they fall short of the inspiration in the original scene. On the other hand they certainly are more convenient to observe later in the day.

One drawback to the trial and error method is that the original pattern may be covered up in the debris of errors.

Despite the advantages of riding a gravity train, the traveler should be prepared for sudden and unscheduled stops.

Thoughts on Schooling:

"Liberty" bells are ringing again all over our land — school bells, and class bells challenging the youth of the land to seek Truth which can make men free. How much fun it should be for boys and girls, men and women to enlarge their tents through group learning as well as burning the midnight oil. We recall a quotation our fathers so often told his children—

"Heights by great men reached and kept Were not attained by single flight; But they while their companions slept Were toiling upward through the night." (We have found that it came from Longfellow's "Ladder of St. Augustine").

If we could encourage the youngsters we know to do their best to master each day's lesson, we would serve our country in the best way we know — helping to build a more intelligent citizenship.

—Mildred Williams in the Brady Herald

Coming Friday—the '63 Fords... America's liveliest, most care-free cars

The longest, liveliest, most beautiful line-up of new cars ever presented under one dealer's banner! Four classes of cars . . . 44 different models built to a new high quality standard . . . all* with amazing new service-saving features that reduce service stops to twice a year or every 6,000 miles . . . save you time, trouble, money!

'63 super torque Ford Galaxie (foreground: Galaxie 300 2-Door Hardtop). The look, the power—and now the feel of the fabulous Thunderbird! A ride so Thunderbird-smooth, you must try it to believe it! Super torque thrust up to 405 hp (optional).

'63 Ford Fairlane Hardtop (background: Fairlane 300 Sports Coupe). Hot new middleweight . . . with V-8 punch! A full line of new Fairlanes! Three new middleweight wagons. Two new hardtops. Four sedans. Big-car room, ride, performance . . . nimble new 400 . . . saving price. New optional 260 V-8 . . . 221 V-8 (or standard 300).

'63 Falcon (Future Sports Convertible). Fun is what's new in Falcon—America's all-time economy champ. 15 cars and wagons including the first Falcon Convertible—with power-operated top, 170 Special Six (standard). Now all '63 Falcons* have Ford's exclusive twice-a-year service-saving features. *Except Falcon 300 Six Mid Club Wagons.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

amendment to pass the water conservation amendment on this issue (No. 4 on the ballot) at a meeting of the Water Committee in Austin. Committee is composed of just about everybody who is interested in water conservation and development. Proposed amendment would permit the State Water Develop-

ment Board to acquire storage space in reservoirs built either by local or Federal agencies and conserve storm and flood waters for beneficial uses. Gov. Price Daniel addressed the meeting and thanked the committee for its "dedicated efforts" in promoting Texas' water program.

John Vandertulip, the State Water Commission's chief engineer, reported on the broad plan for meeting the State's Water needs in 1980. Marvin Nichols of Fort Worth, chairman of the Development Board, discussed the lending program through which water projects have been financed. And Joe Carter, chairman of the Water Commission, explained the proposed amendment in detail and emphasized the need for its approval.

The Statewide committee urged its members to back the amendment and approved the Water Commission's proposed budget. It also commended Governor Daniel for his "courageous, bold and dynamic leadership" in bringing about "the greatest and most comprehensive water resources conservation and development program

in the history of Texas." Ben Carpenter of Dallas was named chairman of the finance committee for the conservation amendment campaign.

TICK SURVEY
The U.S. Department of Agriculture has turned up five kinds of ticks which are suspected as fever carriers in a survey currently being conducted in Texas.

The Lone Star tick, believed a carrier of Rocky Mountain spotted fever, Q fever and tularemia and also a transmitter of Bullis fever and tick paralysis, has been found in Robertson, Rusk, Colorado, Medina, Kerr, Comal, Nueces, Karnes, Harris and Hays Counties.

The Cayenne tick, found only in South Texas and a producer or transmitter of Q fever, has been discovered in Kenedy County.

The Gulf Coast tick, blamed for tick paralysis, has shown up in Washington County while its imitator (amblyomma imitator), rarely seen in the U.S., was found in Nueces County.

The spinose ear tick (only soft tick of the five), suspected in Q fever and anthrax, has been identified in Randall, Wichita and Comal Counties.

TRAFFIC SAFETY WEEK
Governor Daniel expressed "deep concern over the dangerous upward trend in traffic deaths among Texas high school and college students," as he proclaimed September 17-21 as fifth annual Texas School Traffic Safety Week.

He noted, however, that the 25 Texas traffic deaths in the 3-day Labor Day holiday were the second lowest toll since 1951.

EXPORTS
Texans can start thinking of themselves as exporters in big style.

Nobody had counted it up before, but now the University of Texas Bureau of Business Research finds that Texas is exporting to foreign countries \$837,000,000 worth of manufactured products, \$446,000,000 of agricultural products and \$31,000,000 of other products, mainly sulphur, salt, talc and fishery products.

Petroleum exports came to \$177,000,000 and chemicals to \$247,000,000, showing how the petro-chemical industry has turned Texas' sales of oil abroad from a raw to a manufactured product.

SCHOOLS

The men and women who run the schools — board members and administrators — come to Austin on September 30 for their annual conventions. They plan searching looks at the problems of schools, many of which sum up into five letters—M-O-N-E-Y.

Overhaul of the ad valorem tax system was proposed by a series of clinics held by schoolmen earlier this year.

Problems of textbook selection and teaching Americanism will be aired.

The textbook panel will review recent criticisms, as well as prospective legislation which may be recommended by a study committee.

BLONDE HOUSE

The Texas House of Representatives is becoming a blonde. Eleven coats of varnish, applied over the years since 1888, have been peeled off the oak woodwork in the House Chamber.

Earlier, workmen had done the same peeling job on paneling on the ground floor of the Capitol.

Beauty of the original wood was thus restored. So a new light blonde look has taken over the Capitol.

Lower Chamber also is getting new flooring and carpets. The House gallery, where so many Texans have sat in hard chairs watching legislation move through the House, is getting new upholstered chairs to make the taxpayers more comfortable.

Rep. Will Smith of Beaumont, whose Rules Committee chairmanship puts him in a general supervisory position on the work of the State Board of Control, thinks it will be finished by November 1.

OLD FOLKS

Board for State Hospitals and Special Schools, faced with a report that 3,000 of its "patients" in state mental hospitals aren't sick — but just old — will ask the Legislature to do something about it.

Reports indicate county judges are "committing" aged persons to state hospitals mainly because they and their families can't care for them.

Board suggests the State pay part of the cost of placing such persons in privately-owned nursing homes. Sons and daughters would be required to pay the balance. Problem is one of welfare, rather than psychiatry, says the Board.

"We now have older persons crowding facilities that are supposed to be used for the mentally ill."

WHAT IT COSTS

Texans who pay taxes to the state government got an idea of what the new school and welfare programs are costing when Comptroller Robert S. Calvert added up costs for the fiscal year which ended August 31.

State aid to public schools and colleges came to \$533,541,099, up nearly \$100,000,000 over the \$431,974,434 of the previous year. Welfare spending went up from \$188,875,904 to \$212,763,629. Increased Federal aid for welfare paid most of the increase.

Highway construction and maintenance totaled \$371,870,298. This is about the same as the previous year.

In all, the state spent \$1,307,623,666, up \$115,000,000 from the previous year.

RECORD YEAR

The State Securities Board closed a record fiscal year, having registered more than \$375,000,000 in securities in that period.

Forty-one permits to sell \$35,958,648 in securities were issued in August, Commissioner William M. King has reported.

The Board, now five years old, has registered in excess of \$1,000,000,000 in securities.

BATTLE LOOMS

Changes in criminal court procedure being proposed for the next legislature by a State Bar committee are in for rough sledding.

Dist. Judge A. R. Stout of Waxahachie has announced his intention to carry his protests to the Legislature if the State Bar's proposals are introduced in January.

Judge Stout asserts that defense attorneys are dominating the committee's proposed court changes. He further stated that the Legislature would do better to adopt recommendations previously made by a committee on law enforcement.

1900 HURRICANE STORY

Gov. Price Daniel and a group of prominent Austinites got together early this month to do some reminiscing about the 1900 hurricane which destroyed Galveston.

September marks the 62nd anniversary of that big and disastrous blow.

One casualty of that hurricane was the South Texas Baptist College at Waller, the school which the Governor's father was attending.

Mrs. Stuart Purcell presented the Governor with a photo of the 1900 graduating class, of which M. P. Daniel was a member.

ROSY PICTURE

Austin and Dallas have the best employment pictures in Texas.

The Slaton

sion says the two cities had a 3.7 per cent unemployed of total labor force during July the month covered in the last report.

This 3.7 per cent also compares most favorably to overall Texas average of 4.9 per cent.

SCHOOL BUS PASSING

Texas Department of Public Safety says it will crack down this year on motorists who legally pass a school bus stopped to take on or discharge children.

State law requires the driver of any vehicle to stop upon approaching from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging school children.

TWO BANKS OKAYED

State Banking Board has approved applications of two banks, Wolforth State Bank near Lubbock, and Homestead State Bank at Houston.

At the same time the Board also deferred action until October 4 on an application by Hiccroft State Bank of Houston.

SHORT SPORTS

Texas Water Pollution Board has deferred until November a hearing on Wilson County's resolution that a public hearing be held on "pollution of the San Antonio River by improper sewage treatment by the City of San Antonio."

Governor Daniel has proclaimed September, October and November as United Community Campaign Months.

Six more cases of polio have been reported. Paralytic cases were in Potter, Travis and Jones Counties, the latter having two.

Southland Bow To Cotton Center

The Southland Eagles lost their third game of the season last week to the Cotton Center Elks, 20 to 8.

Beginning the game, Southland received the kick-off. Cotton Center intercepted a pass, and went all the way for a touchdown. The extra point was good, bringing the score to 8-0. The Eagles retaliated when Johnny Haire ran for a touchdown from fifteen yards out. Larry McNeely scored the extra point on a quarterback roll-out, tying the score at the half at 8-8.

In the second half, Cotton Center made two touchdowns, ending the game with a score of 20 to 8.

Ronald Saunders sustained an arm injury, and will be out of the line-up for at least a week. The Southland Eagles will travel to Pettit this week to battle the Pettit Eagles on their own field.

Baptist Revival Out of Town Play Scheduled Today By Two Groups

Revival services will commence at the Slaton First Baptist Church this Sunday, with Dr. Jimmy Nelson, pastor of the Colonial Hiss Baptist Church in Snyder, leading the services.

Revival services will be conducted twice daily for the week duration, at 10:00 a.m. and 7:30 p.m. Both Sunday morning worship services will be broadcast at 11 o'clock on the local radio.

Dr. Nelson is a graduate of Southwestern Baptist Theological Seminary, having received his Doctor of Theology degree in 1961. He currently is serving as president of the District 8 Baptist Convention. He was recently honored by the Baptist General Convention of Texas, when that group invited him to participate in an evangelistic crusade in Japan to be led in 1963 by Dr. Billy Graham.

The public is cordially invited to attend all services of the local revival, according to the pastor, Dr. Charles L. Wood.

Seniors at Evans Elected Officers

Annie Spencer was elected president of the Evans school senior class at the first class meeting held last week.

Other officers to serve the present term are Carla Mitchell, vice president; Georgia Hicks, secretary; Ruby Anderson, assistant secretary; and Nathaniel Quincy, treasurer. Mrs. Lois C. Day is senior class sponsor, and Georgia Hicks is reporter.

FOR SALE: 2 bedroom house attached garage, Low interest G. I. Loan. 840 S. 18th. Call VA 88-3708. If no answer, VA 8-3746.

FARM FOR SALE?

We need your listing. We are getting ready for what we expect to be the biggest farm season yet, and have buyers right now for farms, ranches and grassland. Have a waiting list of qualified Texas GI buyers for small places. We are West Texas' largest, most active real estate firm, with the reputation for honest, dependable, courteous service to seller and buyer. 4 salesmen with over 100 combined years experience; good farm loans; and the know-how to trade, or to handle tax-free exchanges. Charter Members of West Texas Farm Multiple, too.

Before you list, or buy, a farm, ranch or grassland, it will pay you to check with Chapman. Call or write us today.

members also were included into the local chapter.

Janis Henry, newly elected Little Sister president, appointed two new chairmen for the year activities: Donna Stieckland, devotional chairman, and Mrs. Brisenso as hostess chairman.

After a program presented by FHA members, the guests served refreshments in homemaker department.

Dr. Frede Will Speak to Rotary

Guest speaker for the Slaton Rotary Club today will be Dr. Elmer Frede, member of the Extension Engineering Service conducted by Texas A&M College. Dr. Frede conducts courses in management training, and his record includes employment by the Army Ordnance Training Center, the University of Texas, and a number of other years of business experience. He is an Elder in the Presbyterian Church.

Bentley Page is in charge of the program today.

FHA Installation Held Tuesday

Installation of Little Sister officers of the Future Homemakers of America was conducted Tuesday evening after postponement from the announced date of last week.

More than 180 parents and friends witnessed the formal installation conducted at the high school auditorium. Fifty-six new

News about Railroad Folks For Railroad Folks

By JUNE S. SPIKES
HERE AND THERE

Track Supervisor Jack Russell has been transferred temporarily to Amarillo as Acting Roadmaster effective September 24th. . . Relief Clerk Billie Pitts has been back with us for a week while Timekeeper J. J. Wicker is on vacation. . . Betty Raye Gunter (Stanford) wife of Roadmaster Gunter Garland, San Bernardino, California, stopped off for a short visit with her sister-in-law, Mrs. Mina Eblen, and family, after having been in Brownwood with her brother, Trainmaster C. F. Stanford, Jr., and her father, Assistant to Superintendent of Transportation C. F. Stanford, Chicago.

It has now been made official effective September 17th, Mr. Travis W. Taylor was appointed Office Engineer at Slaton, vice Mr. L. D. Langham, who is the new B&B Foreman at Clovis. Our congratulations to both! It is nice to have the Taylors with us but we are sorry to see the Langhams leave. . . Hank and Bettye Martin visited in Slaton last weekend — Hank will be the new Roadmaster at La Junta, Colorado, effective October 1st. . . Also effective October 1st, B. D. Sorrells (Jan Bagby's husband) is Assistant Roadmaster at La Junta. Retired Chief Dispatcher H. L. Marsh and Mrs. Marsh attended

Additional Funds Released, Rural Housing Program

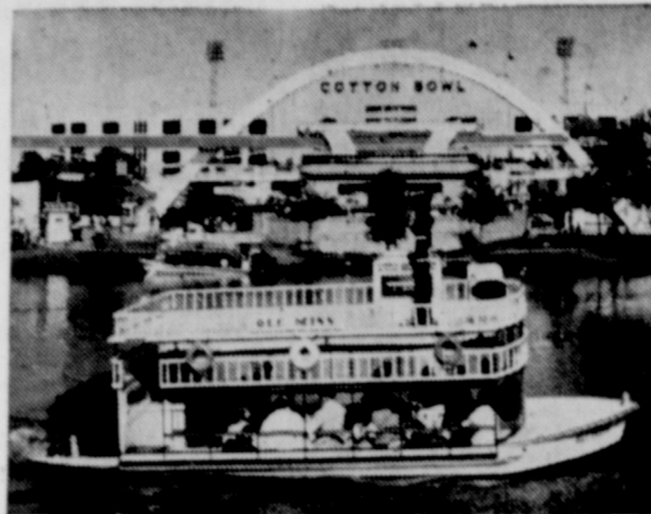

An additional \$152 million has been made available for rural housing loans, Secretary of Agriculture Orville L. Freeman has announced.

The recent action makes a total of \$182 million available through the Farmers Home Administration for this type of credit during fiscal 1963. The funds come from the \$430 million authorized by the Housing Act of 1961, to be expended within a four-year period. Approximately \$95 million was obligated during fiscal 1962.

"These funds will help 20,000 rural families who do not have adequate housing to obtain credit to finance a new home or improve the home they already own," Secretary Freeman said.

"The housing loans are helping to stabilize and strengthen rural communities by creating attractive modern living facilities, the type of house construction that makes communities desirable places in which to live.

"Here again the impact of the program multiplies, for the new homes built with Farmers Home Administration loans provide guide lines to the community in the economical construction of homes. In many areas the construction of these homes has stimulated the investment of private capital in similar types of construction.

The "Dixie Belle" and the "Ole Miss," replicas of old paddlewheelers, will make their way daily around the Diamond Lagoon at the 1962 State Fair of Texas, October 6 through 21 in Dallas. In the background is the Cotton Bowl, site of numerous high school, college and professional football games during the Fair. (SMU-Air Force Oct. 6, Texas-Oklahoma Oct. 13, Cowboys-Eagles Oct. 14, Prairie View A&M-Wiley Oct. 15, high school Oct. 18 and 19, SMU-Rice Oct. 20, Texans-Titans Oct. 21). Between the showboats and the stadium runs the nation's first commercially operated Monorail.

"The program has also been highly successful so far as repayments are concerned," the secretary said. More than \$417,000,000 has been advanced in rural housing loans since 1949. Principal and interest payments total \$147,000,000. Only \$86,000, or two and one-hundredths of 1 percent have been written off as uncollectable.

Rural housing loans may be used to construct, modernize or repair homes and farm service buildings. They are available to farmers and residents of rural

communities who cannot obtain credit from other sources.

Savings Bond Sales at 55% of County Goal

August E and H Savings Bonds sales in Lubbock County totaled \$75,868 according to Travis Shelton, chairman of the County Savings Bonds Committee.

Sales for the first eight months of 1962 were \$1,112,728 which represents 55.6% of the county's 1962 goal.

"Savings Bonds are an investment in the future. For 21 years the Treasury Department sold bonds as a doorway to opportunity — a new home, college education, retirement, or some other dream of the future. But today the future itself is threatened. With the dawn of the missile age, the world is suddenly aware that one more war could be the last. The hope of the age is for peace — for some guarantee that there will be a future to look forward to. We must have peace power — the streng-

th to keep the peace; the knowledge to make it lasting. Savings Bonds, in building economic stability, help strengthen America's peace power," Shelton concluded.

Mr. and Mrs. E. Allen and Susan recently in the Delma S. O. Henry homes. The Hodge family recently from Brownfield to Amarillo. He will be attending the University of Texas.

Jerry Hodge is a Texas Tech.

Retail Merchants Acquire Quarters No. 4

The Slaton Retail Merchants Association, longtime office tenant of the city hall, is moving headquarters.

Decision was made in a Thursday meeting last week by directors of the Association to establish offices in the J. S. Edwards building on Texas Avenue across the street from the bank. A lease to that effect was signed on Friday, Dr. Joe W. Belote, Retail Merchant president, has announced.

The new location is in a building under process of re-modeling, and move-in date is uncertain, contingent upon completion of the renovation.

Belote stated to the Slatonite that the board felt that the city could use the space in the city hall to good advantage, and that the convenient new location available to the association should be contracted now while offered.

Though the Association was accorded rent-free accommodations in the municipal building, Dr. Belote states that no pressure was brought to bear by the city administration for removal of their offices; the decision was a friendly one made strictly in the interest of both city and Association welfare.

No. 2 Continued From Page 1

when Bruce Pember handed off to Ronny Jones, then Steve Ball handed off to Jones who pierced thru for the first down. Weber Tefertiller fought to the 8-yard line and brought the crowd to its feet. Perez picked up 3 yards. Tefertiller kept the ball and went through the middle for Slaton's second and final touchdown for the evening.

Bruce Pember made the last point of the game by kicking the ball through the uprights.

No. 6 Continued From Page 1

5-6 games) should prove even more exciting, with the colleges having had their baptism of fire by this time, and with the Spur-Rotan head-knocking listed as tie-breaker, only a week after Slaton takes on Rotan.

With most teams having two or more games behind them by this time, contest entrants seem to have established a pattern on their forecasts, this week most of them picking the same choices, with a few mavericks noticed that probably are counting on some upsets.

Appearing as overwhelming favorites in the high school division of the contest, from count of ballots received before the Tuesday noon deadline for games this week are Rotan over Slaton, Olton over Hale Center, Lockney over Ralls, O'Donnell to down Frenship and Anton taking Wilson. Opinion was distributed more evenly on the Dalhart-Dimmitt tie-breaker and the Spur-Crosbyton engagement.

Southern California is decided favorite to throunce SMU, LSU is picked over Rice, and Tech hasn't an outside chance against the Texas U. invaders, if local forecasters are clairvoyant. A toss-up is indicated in the A&M-Houston game and in the Miami-TCU attraction.

Wouldn't this be a wonderful week for upsets!

MRS. JOHN EASTWOOD
formerly Miss Myra Ward

Ward-Eastwood Nuptials Read In Wilson Church

Miss Myra Dean (Deana) and John Eastwood were joined in marriage in a double ceremony Saturday evening September 22, in the Wilson Methodist Church. The Rev. Dr. McChung, pastor of the First Baptist Church of Plainview, was assisted in performing the ceremony by the Rev. J. D. Baker, Jr., pastor of the Wilson Methodist Church.

Parents of the couple are Mr. and Mrs. Glen Ward, Route 2, Wagon, and Mrs. Helen Eastwood Moore of Miami, Okla.

WEDDING GOWN
Given in marriage by her father, the bride wore a gown of white peau de soie, fashioned with a portrait neckline and brief sleeves, complimented with a softly draped cummerbund. A cape of Chantilly lace, sprinkled with iridescent sequins was fastened to the front of the cummerbund and draped over the shoulders to flow into a chapel train.

A waist length veil was an imported mantilla, which draped over the shoulders. She carried a white Bible topped with a white orchid nestled in blue beaded carnations, and a lace handkerchief, which had belonged to her great-grandmother.

ATTENDANTS
Miss Glenda Ward was her sister's maid of honor and Mrs. Dean Bredlove of Lubbock was bridesmatron. Their dresses were fashioned of open blue silk designed with shirred, fitted bodices and full skirts. They carried nosegays of white feathered carnations.

Best man was David Eastwood of Lubbock, brother of the groom, and J. B. Hance of Lubbock, was groomsman. Donald Tyler, Jim Green and Dean Bredlove seated the guests.

Candles were lighted by Karen Eastwood of Lubbock, niece of the groom, and Mike Ward, brother of the bride. Flower

girl was Sherry Ward of Lorenzo, cousin of the bride, and Paul Hance of Lubbock carried the rings.

Mrs. G. L. Nelson was at the organ for traditional wedding music and accompanied Vernon Scott in vocal selections.

RECEPTION
A reception followed in Fellowship Hall of the church. Members of the houseparty included Mmes. Glynn Moore, Don Ross, Olin Crews, C. C. Swope, Charles Berry and Miss Glenda Young, all of Wilson; Mmes. John Meadows, Wesley Hancock, Spencer Brewer, Dick Cade and Bill Brown, of Slaton; Mrs. W. D. Ward and Mrs. Harvey Hancock of Lorenzo, and Mrs. Harkey of Olton.

For a trip to Glenwood, Calif., the bride chose a turquoise sheath ensemble with black accessories. She added the orchid from her bridal bouquet.

SCHOOL AFFILIATIONS
The bride is a graduate of Wilson High School, Airline Personnel School in Omaha, Nebraska, and Texas Tech, where she was a member of the homecoming queen's court in 1959, and hand sweetheart in 1960. She was an English major and belonged to Phi Mu, and Tau Beta Sigma.

Her husband attended Northeastern A&M in Miami, Okla., and Tucson University. He is manager of the House of Carpet in Plainview, where the couple will make their home at 1111 C St. Louis Street.

Among the out of town wedding guests who came from Slaton, Lubbock, Tahoka, Odessa, and Olton, were Mr. and Mrs. John McCallon and Mr. and Mrs. Boyd of Plainview.

Grace Mission Workers Meet In Parish Hall

Mrs. R. L. Camden and Mrs. James Clark were hostess when the Grace Mission Workers met Thursday evening, September 13, at the Parish Hall of Grace Lutheran Church.

The program was opened with a song, "Spread O, Spread Thy Mighty Word".

Reports were heard from Mrs. Arthur Stolle on the cause of the month, Parish Education in the local church; Mrs. Richard Becker told about nursery roll and material used; and Mrs. Bill Walters reported on the Junior Lutheran program.

Pastor Leroy Deans presented the Bible study and Mrs. James Riney led the worship offering.

New officers were elected during the business meeting. They are Mrs. Wallace Becker, president; Mrs. Marvin Rushing, vice-president; Mrs. James Clark, secretary; Mrs. Richard Becker, treasurer; Mrs. Arthur Stolle, secretary of education; Mrs. Walter Stolle, secretary of stewardship; and Mrs. A. A. Russell, reporter.

The group voted to have a pot-luck supper for Grace Mission Workers and Dorcas Circle on September 27.

A salad plate was served to twenty members.

Book Review Given For Athenian Club

Athenian Study Club met Tuesday evening in the home of Mrs. Joe Miles with Mrs. George Harlan as co-hostesses.

Following a delightful book review by Mrs. Willard Childers, refreshments were served to the following members: Mmes. Phil Brewer, Willard Childers, Surman Clark, M. G. Davis, Tommy Davis, Doug Galassini, R. C. Hall, Jr., S. H. Jaynes, Bob Kern, L. D. Langham, Weldon Meador, James Perkins, Leeman Reasoner, J. D. Stell and the hostesses.

Guests attending included Mmes. V. F. Bingham, Dick Cheatham, Martin Bumpass, Kenneth Jones, M. W. Kerr, Harley Martin, and John H. King.

The next meeting is slated for October 2 at the home of Mrs. Phil Brewer.

Mrs. A. L. Saage Hostess To Class

Mrs. A. L. Saage was hostess to the Suzanna Wesley class of the First Methodist Church Wednesday, September 19. Mrs. Bruce Pember served as co-hostess.

The meeting was opened with a prayer by Mrs. F. B. Sexton and Mrs. T. A. Turner presented the devotional from Mark 4: 21-29.

Class project for the year will be missionary work around Slaton.

Mrs. J. D. Barry closed with a prayer.

Refreshments were served to Mmes. Forney Henry, Daisey Wilson, S. D. Sexton, J. D. Barry, Florence Buck, T. A. Turner, W. C. Church, Martin Collins, R. H. Todd, H. L. Sandlin, H. T. Scurlock, and A. L. Saage.

FFA Member Is District Officer

Travis McCormick, local Future Farmers of America chapter president, was named to the office of parliamentarian of the Lubbock District of the FFA at a recent meeting of that body at Idalou. His election came by vote of representatives of the 16 schools comprising the district.

The officers serve at all district sessions and represent the Lubbock district at area and state meetings.

Attending the Idalou meeting from Slaton were McCormick, Alan Reasoner, Mr. Mitchell and Mr. Robertson, chapter advisors.

Mr. and Mrs. Phillip Dawson and children recently returned from a three week vacation in Costa Mesa, California. They were guests of Mrs. Dawson's father, S. H. Dunlap.

Mrs. John Walter Hostess For H. D. Club At Woodrow

Nine members were present when the Woodrow Home Demonstration Club met Thursday, September 20, in the home of Mrs. John Walter.

Mrs. Walter was in charge of the program, a "Wash and Wear Demonstration".

Officers for the new club year were elected as follows: Mrs. Benny Hagens, president; Mrs. Charlie Dunham, vice-president; Mrs. Ross Cooper, secretary-treasurer; Mrs. Carlton Schaffner, reporter; and Mrs. John Walter, council delegate.

Mrs. A. A. Kahlich won the club gift.

The next meeting is slated for October 4 in the home of Mrs. Ross Cooper. Miss Clara Pratt will present a program on "Nutrition" at this time.

Mrs. Wilke Gives Fashion Program For Study Group

A program, "Tips on Fashions", was presented by Mrs. W. A. Wilke to members of the Junior Civic and Culture Club when they met in the Wilke home September 18.

Those attending included Mmes. J. J. Maxey, James E. Caldwell, L. T. Kincer, Joe Belote, W. K. Fry, Yates Key, T. L. Talbert, R. M. Shepard, C. E. McCoy, Oma Faye Brown, C. E. Hogue, C. W. Space, J. A. Wright, and the hostess.

The next meeting is slated for October 2 with Mrs. J. J. Maxey as hostess.

HOME FROM CALIFORNIA

Mrs. J. B. Butler of Slaton and Mrs. J. U. Van Norman of Ira, Texas, have returned from Sunny Vale, California, where they visited with their sister, Mrs. Ella Sharp, who is ill.

MRS. DALE ARDEN EDMUNDS
formerly Miss Ann Haddock

Miss Ann Haddock Bride Of Dale Arden Edmunds

The bride is the daughter of Mr. and Mrs. Edwin Hudson Haddock, 345 South 10th St., Slaton. Parents of the bridegroom are Mr. and Mrs. M. C. Edmunds, Route 2, Post.

Vows were repeated before a bridal arch of foliage and flowers flanked by two brass tree candelabra decorated with autumn poms entwined with smilax. The choir loft held candelabra with dainty arrangements of jade and emerald holding champagne cathedral tapers. The aisles were lighted with the same tapers.

Mrs. James Perkins and Mrs. M. G. Davis provided nuptial music at the piano and organ respectively, and Mrs. Ronnie Foster of Lubbock sang "Because" and "Oh, Promise Me".

BRIDAL GOWN

Mr. Haddock escorted his daughter to the altar and presented her in marriage. She was wearing a formal gown of ivory silk peau de soie and embroidered Alencon lace, fashioned with a sweetheart neckline and long tapered sleeves. Four tiny bows of self fabric marked the dropped shoulders. The bouffant skirt terminated in a brush train. Her bouffant veil of illusion was caught to a headress of peau de soie, circled with tiny seed pearls. The bridal bouquet was a cascade design of phalaenopsis orchids accented with gold leaves.

HONOR ATTENDANTS

Miss Patsy Shelby was maid of honor. Bridesmaids were Fonda Patterson, Mrs. Kenneth Melcher and Miss Carole Herman of Cape Coral, sister of the bridegroom. They wore street-length dresses of brocaded gold, featuring fitted bodices with brief sleeves and draped front skirts. Each carried a cascade arrangement of gardenias enhanced with gold leaves.

Kenneth Melcher served as best man. Groomsman were Howard Hoffman, Don Shelby, and Mackie Klattenhoff. Larry Pickens, brother of the bride, seated the guests.

The St. Joseph Church choir provided nuptial music.

When the couple left on their wedding trip, the bride was wearing a beige, French knit three piece suit with brown accessories.

HOME IN FLORIDA

The future home of the young couple is Fort Walton, Florida, where the groom is employed by Vitra Corporation.

Mr. and Mrs. Pickens were hosts for the rehearsal dinner Friday night at the Holiday Inn in Lubbock. Besides members of the wedding party, special guests included the bride's grandparents, Mr. and Mrs. P.

Matrimonial vows were solemnized Friday evening, September 21, for Miss Ann Haddock and Dale Arden Edmunds in the First Baptist Church of Slaton. The pastor, Dr. Charles L. Wood, read the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Edwin Hudson Haddock, 345 South 10th St., Slaton. Parents of the bridegroom are Mr. and Mrs. M. C. Edmunds, Route 2, Post.

Vows were repeated before a bridal arch of foliage and flowers flanked by two brass tree candelabra decorated with autumn poms entwined with smilax. The choir loft held candelabra with dainty arrangements of jade and emerald holding champagne cathedral tapers. The aisles were lighted with the same tapers.

Mrs. James Perkins and Mrs. M. G. Davis provided nuptial music at the piano and organ respectively, and Mrs. Ronnie Foster of Lubbock sang "Because" and "Oh, Promise Me".

BRIDAL GOWN

Mr. Haddock escorted his daughter to the altar and presented her in marriage. She was wearing a formal gown of ivory silk peau de soie and embroidered Alencon lace, fashioned with a sweetheart neckline and bracelet length sleeves. The dome-shaped skirt was enhanced with Alencon lace and miniature bows of peau de soie. The detachable, three-tiered court train was attached to the waist with a double bow. The bride's headpiece was a crown of pearls and crystal drops which held a shoulder length veil of double pouf English illusion. Her bouquet was a cresent arrangement of cymbidium orchids and roses on a white Bible.

HONOR ATTENDANTS

Miss Kay Castleberry was maid of honor. Her dress was fashioned of amber silk organdy over taffeta and was designed with a fitted bodice which fastened in back with tiny buttons to the waist. The skirt was dome-shaped similar to that of the bride. She wore matching shoes and a bow headpiece with a circular veil. She carried a fan shaped bouquet of brown and amber pom pom mums tied with brown.

Bridesmaids were Misses Diane Heinrich and Jan Bownds. They wore brown silk organdy dresses styled identically to the

honor attendant's a brown and amber bouquet with amber ribbon.

Miss Sandra Edmunds of the groom, was flower girl. She wore a full skirted dress and carried a basket of petals. Terry Fenton, cousin of the bride, carried the rings on an ivory pillow.

Candles were lighted by Dale Arden Edmunds and Billy B. of Slaton.

M. C. Edmunds of Slaton served his brother as best man. Groomsman were Glenn Edmunds and Donald E. brothers of the groom. Michael H. Haddock, brother of the groom, was ring bearer. The groom's candle lighters also served as guests.

RECEPTION

A reception followed in ship Hall of the church. The bride's table was covered with a cut-work linen cloth. Silver candelabra with candles and amber filled with brown and pom pom mums. Other mementos were silver.

For a wedding trip in New Mexico the bride carried a cinnamom and violet suit with black accessories.

The new Mrs. Edmunds attended North Texas State University and is a student teacher, where she is a tertiary education major. Her husband is a business major at Texas Tech. He is currently with the Central American Insurance Co.

The couple will reside at 2214 24th St.

OUT OF TOWN

Among the out of town guests for the wedding were: Bowyer of Abilene; Mrs. Jack Favor, Texas; Mr. and Mrs. Favor, Clyde, Texas; Mrs. Dent Hudson of Tenn.; and Mr. and Mrs. Adams of Lubbock. Out from Southland and California were Mrs. M. C. of Post and Mrs. M. C. of Post were hosts for rehearsal dinner Thursday at Bruce's Cafe. The bride and groom were at the bridal party at

**William Shirer, Jack Teagarden,
 Others Slated, Tech Appearance**

Texas Tech's Student Union has announced a schedule of nine top entertainment events for this school year.

The events will be held during the year in either the new 1,500-seat Tech Ballroom or the 3,000-seat Lubbock Municipal Auditorium. Mrs. Karen Moore, Union program director, announced.

Mrs. Moore said that some of the events are free, while others require tickets, divided into price categories for students, faculty and the general public. Tickets will be on sale in the Tech Union one week prior to each activity.

William Shirer, internationally known foreign correspondent and author of "The Rise and Fall of the Third Reich," will lecture Oct. 18 in the Lubbock Municipal Auditorium.

Buddy Morrow and his orchestra will highlight Tech's Homecoming dance Oct. 27 in the Municipal Coliseum. Returning to Tech for a second time, Morrow has recorded the "Night Train," since his last appearance here.

**Achievement Of
 USDA Told Club**

Contribution of the U.S. Department of Agriculture to the economy and society of American life during the past 100 years was pointed out Thursday at the weekly Rotary Club meeting here.

Ben Whittaker, a Lubbock representative of the USDA, was introduced here by Bobby Notlinger. He alluded to the fact that standard of living in the nation had been exceptionally high, due in large part to the research of the government farm department which he represented.

PANCAKE SUPPER
 Plans were announced for a Rotary-sponsored pancake supper to be held here October 12th, evening of the Lockney-Slaton football game. The supper will be held from 5:30 until 7:30 p.m. at the Junior High School cafeteria. Full details will be announced next week.

**ELAINE BARNES
 ENTERS BUSINESS COLLEGE**

Miss Elaine Barnes, daughter of Mr. and Mrs. Thurston C. Barnes, has enrolled for fall classes at a Lubbock business college, majoring in secretarial work.

Elaine is a 1962 graduate of Slaton High School where she was a member of the FHA club, pep squad, and on the basketball team. She was also active in volleyball and received the honor of being chosen as an All-District second team basketball player during her Senior year.

On Nov. 15, Presti and Lago-ya, classical guitarists, will appear in the Union Ballroom as the Fine Arts Festival special event. Their works range from Bach to Scarlatti to Albaniz and Debussy.

The "elder statesman of jazz," Jack Teagarden, will be presented Dec. 14 in the Municipal Auditorium. His frequent television appearances and Newport Jazz Festival participation have helped him win the Playboy Jazz Poll for the past two years.

Feb. 5 is the date of Myra Kinch and Co. in "The Light Fantastic." The dance ensemble of four leads will appear in the Union Ballroom with their brilliant dance inventions and costumes.

Ferrante and Teicher, popular duo-piano recording artists, will return to Lubbock March 1 for an evening of classical and popular music. The recording team of "Exodus" and "The Apartment" will perform in the Municipal Auditorium.

"A Wilde Evening with Shaw" will be presented March 29 in the Tech Ballroom. The dramatic and literary works will be joined together by anecdotes, ideas and comments by the two actors, Richard Gray and May Loiseau.

Daniel Schorr, CBS radio and television commentator known for his reporting on Communist affairs, will be the April 25th attraction in the Union Ballroom. His topic will be "Backstage in the World's Political Arena."

The last scheduled activity is the Journeymen, folk-trio group who have appeared on the East Coast and in colleges over the United States. The Capitol recording artists accompany themselves on two guitars and one banjo.

This year's Select Film Series includes "Mein Kampf," "The Confessions of Felix Krull," "The Golden Coach," "Raisin in the Sun," "The Mouse That Roared," "Two Women," "Gaslight Follies," "The Red Shoes," and "Hiroshima, Mon Amour." The movies are shown on scheduled dates at 4 and 8 p.m. Friday and 2:30 p.m. Sunday in the Coronado Room.

**FORMER SLATONITE
 FEATURED**

Mrs. Jo Ann Durham, former Slaton resident, was featured vocalist with the Bobby Durham Combo that accompanied the South Plains Fair boosters when they made their Slaton stop last Friday. Mrs. Durham is remembered locally as Jo Ann King, daughter of Mr. and Mrs. Bill King, longtime Slaton residents.

**Information of Early Days Sought
 By Wayland, Prior to Ceremonies**

Names and present addresses of those who witnessed the groundbreaking or the dedication of the first building erected at Wayland Baptist College are being sought by Tom Z. Parrish, Wayland's vice president who heads the committee to make arrangements for the presentation of the Texas Historical Survey Medallion to Gates Hall on Oct. 3.

Dr. Rupert N. Richardson, Abilene, president of the Texas State Historical Survey Committee, will be guest speaker for the ceremonies scheduled for 10 a.m., Oct. 3, in Wayland auditorium, located in the historic building.

The committee plans to make special recognition if living persons who saw the ground broken in 1908 or the building dedicated in 1910. Information about early pictures of this building would also be appreciated.

Gates is the first building in Hale County to be awarded this distinguished medallion in the program of the State Historical Committee's work in preserving the historical heritage of Texas.

Mortgage Loan Offerings Made By V.A.; No Longer on Bid Basis

The Veterans Administration Regional Office in Lubbock is making another offering of mortgages obtained incident to the sale of homes acquired under its GI Home Loan Guaranty Program, Robert W. Sisson, manager, announced today.

Similar offerings are being made by VA regional offices throughout the nation, the VA manager said.

Prior VA offerings were on a competitive bidding basis. The current offering is "across the counter" at prices established by the VA, Sisson said.

With the exception of loans secured by properties in New York, New Jersey, Massachusetts, Connecticut, Rhode Island, Vermont and New Hampshire, sales prices for loans in the current offering will be:

Interest Rate	Sales Price Per \$100
5 Percent	98.5
5-1/4 Percent	99.5
5-1/2 Percent	101.5
5-3/4 Percent	103.5
6 Percent	105.5

Mortgage loan offerings are also being made in the expected states but the price schedules are different, Sisson said.

Investors may make their own selection of loans and will not be limited to loan combinations or blocks of loans.

The loans will be sold with a repurchase guaranty by the VA. The VA will buy back a seriously defaulted loan for the same price paid by the purchaser, the VA manager stated.

More than \$100 million of VA owned mortgage loans have been sold with this repurchase since April. The purchasers have included national, state and savings banks, savings and loan associations and similar organi-

zations. The loans offered for sale are first mortgage loans. Lists of the loans available for sale showing rates, types of security and locations are available in the VA regional offices.

Russian Gagers to be Hosted At Lubbock, One of Seven U.S. Stops

Russia will invade Lubbock in November. But it will be a peaceful invasion and the only warlike overtones will be settled in Municipal Coliseum, when all-star basketball teams from the Soviet Union take on the National A.A.U. All-Stars and the Hutcherson Flying Queens of Wayland College in a double header.

At the present time, Lubbock is one of only seven scheduled stops for the Russians, who will open their tour in New York City November 8. There are no other games slated in the Southwest area. Other appearances will be at Washington, D. C., Nashville, Tenn., Denver, Colo., and either Kansas City, Mo., Sioux City, Ia., or Louisville, Ky.

The U.S. team that will play the Russian men will be based on a minimum of five or six members of the National A.A.U. champion, Phillips Oilers. Along with them will be top amateur players, who are competing for berths on the team.

The U.S. men are getting ready for the world tournament in Manila in the Philippine Islands and the Pan American Games which will follow. Many members of the team already have started working out.

There is also a possibility that either Harold Hudgens or Del Ray Mounts, both former Texas Tech stars, will be on the U.S. squad. Both will be competing for berths on the team, which will train at Bartlesville, Okla.

Conflict GIs continue to be available at par with the usual VA guaranty of 60 percent or \$7500, whichever is less, Sisson said.

Further information may be obtained from the Loan Guaranty Officer at any VA regional office.

Herzog Awarded Tech Scholarship

Donald C. Herzog, son of Mr. and Mrs. Carl Herzog of Wilson, was announced this week as winner of a Sears scholarship for the 1962-63 term at Texas Tech.

Herzog was one of nine freshmen receiving the honor. The Sears \$300 award is granted to selected freshmen agriculture students entering Tech, and it is based on high school scholarship record, interest in agriculture, desire and need for additional funds to meet their collegiate goals.

Huser Attended Hutchinson Meet

Robert Huser of Slaton recently attended a dealer tour of the research nursery of Pfister Associated Growers, Inc., in Hutchinson, Kansas.

Huser was one of 78 West Texas and Eastern New Mexico dealers to attend the field trip.

GIFT SHOP TIPS

Let us help you select a gift for that Special Someone

Slaton Gift Shop

Tele VA 8-3591

"Bride's Headquarters"

He boarded an American Flyers Airline Constellation at the (Lubbock) municipal airport. The flight originated in Lubbock and stopped at Amarillo to pick up additional dealer representatives enroute to the research farm in Hutchinson.

Upon arrival in Hutchinson, dealers were met by nursery representatives who were hosts for the day of events. Chartered busses transported the dealers to the Baker hotel in Hutchinson for the first phase of the program. The meeting was called to order and talks were given by P. A. G. departmental heads and by Bill Dorman of Dorman & Company, Lubbock.

A luncheon was given for the visiting 133 dealers and distributors from every part of the United States considered to be in the sorghum belt. The Texas delegation, sponsored by Dorman & Company of Lubbock, comprised more than half of all the representatives attending.

During the afternoon, a field trip was taken to the P. A. G. Sorghum Research Nursery where the actual plant breeding and research take place. Procedures were explained by departmental heads in charge of individual experiments. It was shown in detail how pollination was controlled to develop new hybrids and varieties of seeds. Included in observation plots of the nursery were hybrid sorghums, hybrid forage sorghums, cotton, and other seeds being tested.

Old Friends

By J. J. Maxey

I walked into Haddocks Food Store one day last week and told Ed that he would not get any more free advertising in the Exes news letter until he paid his dues for this year. Ed turned to the cash drawer and pulled out four one dollar bills and said — heres my dues and Mikes too. But there is one thing that I want to know — Has Connie Locke paid her dues for this year? I had to confess that she had not. How about it Connie?

Had thought that we had it made when Ed paid off but ran into Paul Melton a few days later and accosted him for his dues. You know Paul — He thought when he paid off last year that he had a perennial card.

Virta Zuma had a letter from Mayme Hanie Myers a few days ago. Mayme writes that she and Margaret were sorry to miss the reunion this year but could not get away because of the illness of their father at 902 North Chester Avenue, Compton, California. Margaret, Mrs. Jack Vardaman, class of 1919, lives at 445 E. 119th Street, Los Angeles, California.

Virta also reports that Edith Marrs, Mrs. Jack Foster, class of 1923, was through Slaton a few days ago. Edith and her husband had brought their son to Lubbock to enroll at Texas Tech. Edith lives at 2919 Garapan, Dallas, Texas.

Mrs. Christine Scoles (Christine Champion), class of 1932, was a Slaton visitor last week. Christine was in the office for a short visit and paid her dues while here. She is living at 102 Greenerest Drive, Little Rock, Arkansas.

It was almost like old home week last Sunday when the Whiteheads celebrated their fiftieth wedding anniversary. Of course, we saw the two Whitehead girls, Mrs. Louis Griffin (Mary Virginia), class of 1934, who lives at 3508 — 37th Street, Lubbock and Mrs. Joe W. Mitchell (Kathryn), class of 1938, who lives at 4011 — 48th Street, Lubbock. We also saw Mrs. J. D. McPhaul (Pauline Garrigus), class of 1929, who lives at 3312 — 42nd Street, Lubbock, and Mrs. Clarence Byars (Vinita Bowen), class of 1925, who lives at 3520 — 41st Street, Lubbock. Of course there were a host of other local and out of town exes that registered during the afternoon that we did not see. It was a very happy occasion for the honorees and I believe that they were the youngest acting couple there.

Mrs. Gunter Garland (Betty Stanford), class of 1938, was a visitor in the home of Mina and Earl D. Eblen last week. Gunter and Betty's address is 2716 West 5th Street, San Bernardino, Calif.

It is time for another monthly news letter to be mailed to all exes and we can use any volunteers to help on this project. It is quite a job to gather all the news, cut, stencil, mimeograph, assemble and mail this letter to some sixteen hundred exes. We have certainly appreciated the help that Virta Zuma Shepard, Dorothy Jones, Madeline Haliburton, Jean Edmondson, Oma Faye Brown, Mina Eblen, Billie White, Pauline Scott, Dorothy Moeller, Pauline Maxey and others that have helped us in the past.

Those paying dues since last week were — Ed and Mike Haddock, Christine Champion Scoles, and Mayme Haynie Myers.

Mrs. Ray Wilkins Shower Honoree

A baby shower complimented Mrs. Ray Wilkins Tuesday evening in the home of Mrs. Joe Holland. Mrs. Holland was assisted in the hospitalities by Mrs. Fred Wiley and Mrs. J. V. Allred.

A color scheme of pale green and white was carried out in the refreshments of cookies and punch.

J. P. Holland, Jr. Named Honoree

Joe P. (Buzzy) Holland, Jr. was named honoree on the occasion of his second birthday anniversary Thursday, September 20, when his mother, Mrs. Joe Holland entertained with a party.

A circus motif was carried out in the invitations, favors, and birthday cake.

Small guests who helped celebrate included Jimmie and Scott Allred, Joe Mac and Jerry Bob Shackelford, Patti and Bob Melton, Angela and Brentley Wilkins, Terri Anne and Buzzy Holland.

Others present were Mrs. C. R. Potthast, Mrs. J. V. Allred, and Mrs. Ray Wilkins.

Bids were taken by the State Highway Department for construction or improvement of 324 miles of state highways and farm roads.

Wow That's really cleanin' the seat covers.

We're just thorough enough in our methods of service to do a GOOD job. We know HOW and we welcome the opportunity to prove it to you—any time.

WYLIE OIL COMPANY

1400 S. 9th VA 8-7110

The automobile that turns the heads of the Ford Thunderbird, sets new standards of performance and quality in 1963. All four new — hardtop Landau (top photo), hardtop and sports roadster—combine distinctive styling and engineering refinements that make them cars ever produced by Ford Division. Changes on the 1963 Thunderbird are dramatic. Chassis that requires no major lubrication. An oil change interval of 6,000 miles. With grille and sporty new touches of interior, walnut-grained effect on door and instrument console and steering wheel on the hardtop Thunderbird remains in a class by itself.

This Chair Cost \$1,249.00

But you can own it for \$82

Burriss spent \$1,249.00 to develop and hand build this chair, but through the miracle of mass production and tremendous buying power and modern transportation you can own one like it for only \$82.00.

They had to pay a designer to draw a picture of this chair. Various materials had to be tested for the frame, for springs, for cushioning and finally for the cover. Then they had to cut each piece to the exact specifications of the designer, shape and turn the spindles by hand, set these pieces on a bench and hand build the first model. Test after test followed when everything was just right they had a \$1,249.00 chair.
