

THOUGHTS OF IGNOMINY?

TROUBLE FOR A TEENAGER

NO SCHOOL DESKS — JUST THE JAIL

SHACKLED HANDS THAT DROVE 100

Wanted Escapee Nabbed in Wild Slaton Chase

Signs were Plain on Juvenile Road to Crime

More than a 2-hour period, the tiny but frowzy teenage girl... signs of emotions beginning with surliness, stubborn...

finally talking freely to Slatonite publisher John King and editor Bert Neelley, telling a sordid story of repetitious brushes with law...

different men on frequent occasions. She told of repeated cases when she ran away from home, not knowing where she was going...

SEE NO. 3, BACK PAGE

Bringing a confessed criminal to bay in Slaton Tuesday involved all the excitement and even more danger than seen in many a TV production...

Apprehension of Kenneth Keup, 19, Marine AWOL confessor, escapee from a Tampa, Florida jail, and holder of a criminal record in several states...

car that was being demonstrated and fleeing southward with a girl at his side.

Chief Martin and Highway Patrolman E. B. McKnight were in process of setting up a road block on the northern outskirts of Slaton when the fleeing pair evaded them...

Once through the business area, Patrolman McKnight took two left-handed but well-placed shots at the fleeing car as he drove in hot pursuit.

Though a .38 pistol, loaded, was found on the seat of the car, Keup made no effort to resist arrest.

Keup, who first gave his home address as "the Tampa jail" gave oral statements to Slaton Police Chief Martin, county law officers, and Lubbock detectives while detained for the few hours...

Slaton, Lubbock County, Texas

TEN CENTS

Active; Members Still Solicited

Provision was made at the Slaton Tiger Club session Monday evening for funds for a walkie-talkie radio and meals for the local football boys after the home games.

President Joe Gamble presided at the Monday meeting at the Slaton High School, with Coach Fred Weaver showing films of the Slaton-Rotan game.

Gamble has issued invitation for all parents and others interested in the sports program of Slaton High to join the Tiger Club. Membership fees are \$1.00. Attendance also is urged at the meetings held the first Monday of each month, 7:30 p.m., at the high school.

September Traffic Fines Were Heavy

Fines paid during September in the Slaton Corporation Court, Judge L. R. Gregory presiding, totaled \$1317.55, with traffic assessments contributing \$506.00 of this total.

Though total fines have exceeded this amount in other months, Judge Gregory notes that the traffic levies were unusually heavy, probably a seasonal expectation.

Masonic Workshop Set This Evening

A Masonic work shop under the direction of the Committee on Masonic Education will be held in Slaton Lodge No. 1094 this Thursday, at 7:30 p.m.

Members of the Order in this vicinity are cordially invited.

Walls Come Down As Re-Modeling City Hall Begins

Demolition of the upper stories of the Slaton City Hall has commenced, with the contractors already having removed much of the interior wall structure in the old courtroom that in days past served as legal chambers, community meeting hall and only entertainment center in Slaton that could accommodate a sizable crowd.

Imminence of the more recently unused space is strikingly evident to the casual onlooker who can view the structure in its absence of furnishings, walls or the crowds of yesteryear.

The renovation is part of a program to modernize the municipal center, converting even less space into a functional unit that can provide greater service with more convenience to both the city government administration, employees and the public.

The remodeling has come fast on the heels of action taken September 24th by the city commission. Commissioners voted unanimously at that time to remodel the building, going the route of minimum expense as alternative to the defeated \$75,000 bond issue earlier proposed for new building construction.

Gym is Projected At Evans School

2,035 Slaton School Enrollment Visualized in '66 by Superintendent

Growth of the Slaton scholastic figures, records since 1950 and projections indicating a 2,500 enrollment in 1966, took precedence in roundtable discussion at the regular meeting of the local school board Tuesday evening.

Citing the growth figures as largely controlling facility expansion, administration costs and needs and the farsighted planning necessary Dr. Lee Vardy, superintendent, told of the 1311 enrollment in 1950, 1484 in 1955, 1783 in 1961, and present peak

total of 2,035. All projected figures were based upon past experiences in growth, birth rate, population growth formula and estimated housing projects.

NEW EVANS FACILITY

The board instructed proper school officials to contact builders regarding construction of a gymnasium for the Evans school. Now lacking gym facilities, the school now serving 320 colored students is slated to receive a gym when suitable plans and bids can be obtained. Indications are that a 10,000 sq. ft. structure will be considered a pre-fabricated building, largely of steel construction, being desired. Funds for this are now available, with no bond issue or tax rate increase necessitated.

Shrubs Lend Seasonal Beauty to Slaton Yard

The well-kept and landscaped lawn of Mrs. Fred England, 450 W. Garza, was singled out last week by the Slaton Garden Club as September "yard of the month".

Selection, according to officials of the club, was based on four factors: care, beauty, landscaping and suitability to season.

Mrs. August Kitten is president of the club which has membership of 24 local women. Mrs. Jack Nowlin is chairman of the awards committee.

Especially evident in the yard of Mrs. England is the suitability of the shrubs for best show in the fall of the year. Shrubs predominate the corner lot location that provides a pleasing view from both the south frontage and the deep west side.

Mrs. England, in hosting Slatonite reporters, gave much credit for care of the premises to her husband who is a yard enthusiast.

Shrubs and trees strategically placed across the lawn and border...

Monday Death Knifing Results

Murder with malice charges were levied Tuesday morning against Hattie Mae King, 43-year old Slaton negro police character, following the Monday evening stabbing of Bishop Cottrell Cumby that resulted in his death shortly afterward.

The King woman late Monday night signed confession of the stabbing incident before Slaton Police Chief Gene Martin and other witnesses.

Officer Joe Martin, on Patrol duty, answered a call from radioman Glen Vandiver about 6 p.m. Monday to check an affray in the flats. There Hattie Mae was found sitting on the front porch of the Leon Phoenix house, near where witnesses had reported Cumby staggering and later falling into a growth of weeds.

Giving her address as 820 Mexico Street, the 43-year-old woman told at police headquarters how she, Annie Mae Scott, L. D. Davenport and Benice

Hardwick had picked Cumby up at about 5:30 p.m. at his residence on Geneva and Oklahoma Streets. She and Cumby later argued in a cafe to the extent that they were ushered outside. She stated the negro man used vile language, as did she, and she knocked her to the ground. She stated that when he advanced on her and hit her she took a "knife from my bosom" and stabbed him once. The fatal stab wound was in the upper chest, some 6 inches from Cumby's left shoulder. He lived about 45 minutes after admission to the local hospital where he was attended by Dr. John Locke.

Police files disclose witnesses as saying the small 102 lb. King woman was in a "drunken state" at time of the affray.

The negro woman, after being charged in Judge McClesky's Court in Lubbock, was remanded to the jail there in lieu of \$2,500 bond.

Weekly Contest Interest Mounts

Joe H. Baker picked up his feet this week and got back into the winning spot in the third week of the Slatonite football forecast contest. Baker picked 12 winners in 13 games, missing only the Rice-LSU tie that threw all contestants. Both Johnny Hennington and J. Hennington, Jr., picked 12 winners, but they defaulted to Baker via route of nearest score on the tie-breaker Dimmitt-Dalhart game.

Contest directors point out that number of entries is picking up each week, and this week ten contestants missed the winning bracket by two games or more.

SEE NO. 5, BACK PAGE

EDITORIALLY SPEAKING

Observations and Potpourri

Are the American people passing through a stage where they are so "sophisticated" that they cannot be challenged through direct approach, but rather must be reached through subtleties and allusions?

We think a lot of organizations and individuals are doing a good job in extolling "patriotism", "honor", "rugged individualism" and "integrity". But with all this, an adamant attitude is detectable.

Could it be that we must take a lesson from the successful salesmen who "sell the sizzle, not the steak"?

In glancing over a popular magazine this week-end, we noted the advertisements prepared by the wizards on Madison Avenue. . . and few of them bluntly sold the product on its own appeal alone. In scanning the art appeal, we found that cool springs of water were utilized to sell beer, pretty maidens to sell everything from hosiery to Hawaiian vacations to hardware, cowboys to sell cars, football heroes for everything from correspondence schools to cigarettes, and even a huge canine utilized to sell a soft drink.

In a few instances were the actual products given top picture billing; in some ads the products illustration was even omitted.

Now, big advertisers figure all the angles. They recognize the habits of the reading and buying public. And they are not using a direct approach.

So, must we do the same in selling Americanism, democracy, and self respect? We don't like the idea, but possibly our attitudes must change from an "old-fashioned" direct approach to the detour that finally comes back to the correct ending. In such case, we'll preach the benefits and rewards of integrity — instead of integrity for its own sake.

And we'll explain how Disneyland, the soap-box derby, and the South Plains Fair add to enjoyment of American life — these pleasures impossible in totalitarian nations.

Shall we sell the frills and sizzle, not the product?

The Russian diplomats and high officers of state, at every opportunity proclaim the superiority of communism over our capitalistic free enterprise system. By comparison, our own public officials are woefully silent in broadcasting the merits of our private enterprise economy.

Commenting on this shortcoming David Lawrence says: "What is needed is a courageous avowal of the merits of the American system and a constant reiteration of the fact that with all its faults, it still has produced a higher standard of living and greater personal freedom for more human beings than has any other system for any other people in the history of the world."

Instead of exaggerating our faults, let's lay a much heavier emphasis on our virtues.

Farm and Ranch magazine says: "There are an estimated 36 per cent fewer farms, 20 per cent fewer people on them, now compared to 1954. But it isn't the successful farmer who has headed for town. Those who have stayed on the farm are buying more than ever before. The per-capita income, as well as farm expenditures, is at an all-time high. Value of land and buildings is up 81.6 per cent."

Every day we read of the importance of commerce and industry in our lives. Our system of free enterprise produces more than enough to take care of our needs in all respects, and to help supply deficiencies in other countries. By way of contrast, the "planning" in the communist sphere is not good enough to even furnish its people with sufficient food.

The blessings of a government of, by, and for the people are many. Not the least is freedom of worship, guaranteed in our Constitution.

The 22nd annual observance of National Bible Week takes place Oct. 15-21, sponsored by the Laymen's National Committee, Inc., an all-faiths organization. This year's theme for the Week is as timely as it is significant: "The Bible Builds Bridges — Not Walls." The eternal goal of the people of this nation must be to keep building the bridges, and to see that the walls that destroy freedoms — religious, economic, political — can never be erected.

Windbreak Trees Again Available

Farmers and ranchers who plan to plant windbreaks this year can pick up applications for tree seedlings from the County Agricultural Agent, or by writing to the Texas Forest Service, College Station.

Windbreak species available this year are: Austrian and ponderosa pine, black locust, catalpa, Chinese elm, cottonwood, buffaloberry, mulberry, red cedar, multiflora rose, sycamore, Russian olive, caryocarpus and Osage orange. Black walnut stratified seeds are available also.

The seedlings are sold only for windbreaks and prevention of soil erosion. No order for less than total of 100 trees will be accepted.

Mason Cloud, head, Reforestation Section, Texas Forest Service, said the cost of both seed-

Slaton Students Enroll at L.C.C.

Four students from Slaton are among the student body of 394 that enrolled for the fall semester at Lubbock Christian College, Lubbock, Texas, according to E. R. Higgins, director of admissions. L.C.C. is a Christian liberal arts junior college in its sixth year of operation.

The students from Slaton are Larry Joe Delaney, freshman, son of Mrs. Vivian Delaney, 700 South 11th Street, Zana Frances House, freshman, daughter of Mr. and Mrs. J. L. House, 735 South 12th, Carol Ann Self, freshman, daughter of Mr. and Mrs. Cecil Self, 255 South 17th, and Arlene Kay Short, sophomore, daughter of Mr. and Mrs. Arlona Short, 620 South 10th.

Character Analysis?

Columnist Bob Wright of the Montello (Wis.) Tribune, read once that the key to a person's character could be found in his answers to the three questions "What is your ambition?", "What is your hobby?" and "What is your pet peeve". To test this theory, he took his own poll and came up with the following report:

"American Male, Age 10 — Ambition: To be a cowboy, Hobby: Playing cops and robbers. Peeve: Doing anything I hafta.

"American Male, Age 20 — Ambition: To become counselor at a girls' camp. Hobby: Girls. Peeve: Working.

"American Male, Age 25 — Ambition: To have lots of children. Hobby: Playing baseball. Peeve: Bachelor friends.

"American Male, Age 30 — Ambition: To be promoted to office manager. Hobby: Children. Peeve: Children.

"American Male, Age 35 — Ambition: Planned parenthood. Hobby: Watching baseball. Peeve: Bathroom scales.

"American Male, Age 40 — Ambition: A month's paid vacation (alone). Hobby: 36 holes of golf a week. Peeve: Reference to receding hairline.

"American Male, Age 45 — Ambition: To get sick enough to go to bed and enjoy it. Hobby: 18 holes of golf a week. Peeve: People with money.

"American Male, Age 55 — Ambition: None listed. Hobby: Miniature golf. Peeve: Young people.

"American Male, Age 65 — Ambition: To promote increase in Social Security benefits. Hobby: Staring. Peeve: List appended.

"American Male, Age 90 — Ambition: To get sued for alienation of affections. Hobby: Sitting. Peeve: Anything that happened in the last 20 years."

Are the Porcupines Right?

All the signs are pointing toward an early and hard winter. For instance, there have been numerous porcupines coming into town and seeking a place to bed down for the winter. This is an old Indian sign that the weather will turn cold early and that the temperatures this winter will be lower than usual.

—Fort Stockton Pioneer

Post Anticipating Slaton Contest

The Post Ex-Students' Association couldn't have a much better date for this year's homecoming event than one they picked — October 26.

We say they couldn't have picked a much better date than the Antelope football schedule, which shows the date on which the Slaton Tigers play here.

It always seems more like homecoming — at least as at Post — when these traditional rivals clash on the field to climax either school's annual homecoming event.

Adding spice to this year's homecoming game is the fact that Bing Bingham, who for 10 years coached the Antelope football team, is coming to Slaton to coach this year. It'll also be homecoming when he brings his Tigers here for the game, but this time he'll be over on the east side of the field — the visitors.

Levelland Group Objects . . .

An effort to combat the influx into Levelland of objectionable movies and magazines is being made by a newly formed organization, Citizens for the Elimination of Hockley County.

Formed Thursday evening, the group has as directors Dr. Bob Roberson, Jack Sherrod, Dr. Marvin Baker and E. C. Payne, Jr.

Dr. Roberson explained the immediate objective of the group is to "elimination of filthy movies being shown in local theaters and removal of obscene magazines from the stands."

"There were several attempts in the past to do this," Roberson said. "But now we have legal courts to back us up."

He stressed that the group was aware that local newsstand operators were usually against objectionable material, but were unable to do much about it since they were sometimes not within their control. —Levelland

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

producers have contributed a total of \$306,709 for surveys to find "slanted" wells in Texas fields, Attorney General Wilson disclosed.

All but \$40,000 has been used. Surveys to date have revealed 138 deviated wells in the East Texas Field, 14 in Hawkins, one in Quitman and one in Friendswood.

The Railroad Commission plans to run inclination surveys on the remaining wells which are suspect — between 200 and 300 in the East Texas Field alone, Wilson said.

ISLAND PARK

Land Commissioner Jerry Sadler plans to fight the proposed bill to create a National Seashore Area on Padre Island when it comes before the State Legislature in 1963.

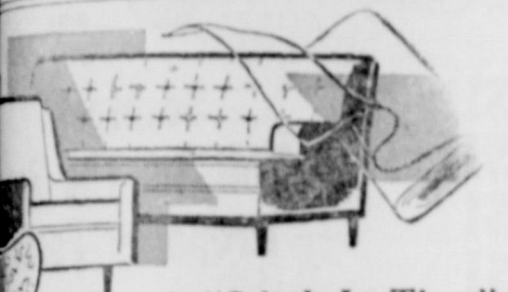

Congress voted the long-debated bill, but Texas legislators will have to approve the project.

Sadler contends that the Federal government will be grabbing a lot of state oil under Laguna Madre. Sponsors retort that this isn't so — that the U.S. law specifically provides that oil rights are to be retained by present surface owners.

PARKING

Parking around the State Capitol always has been a problem. It's even more so since several new state office buildings have concentrated state employment in the Capitol area. Much of the available space is kept reserved for parking by State Officials.

Now Atty. Gen. Will Wilson has ruled that the State Board of Control, which is the house-keeping agency around the Capitol, has no authority to regulate parking.

SPRADLEY'S
Furniture and Upholstering Co.

Board members had hoped to find they had the authority under an old law on horses.

But Capitol parking regulations by the Board of Control is illegal, Wilson's ruling said. So far, the Legislature never has authorized the board to regulate parking.

PROPERTY TAX HEARING

Texas Commission on State and Local Tax Policy will hold a public hearing in Austin on Friday, November 9, on property taxes. Announcement came from Senator George Parkhouse of Dallas, commission chairman.

Hearing will begin at 2 p.m. in Room 644 of the Texas Employment Commission building. Anyone wishing to testify is requested to inform the tax policy group in writing to Drawer C, Capitol Station, Austin.

Parkhouse said the Commission will consider a tax which now raises \$800,000,000 a year in the State.

The Tax Policy Commission, created by the Legislature in 1959, is scheduled to make its final reports to the new Legislature in January.

EDUCATION COMMITTEE

Texas State Committee on Public Education will meet in Austin on Sunday, September 30.

Two of the speakers will be Dr. Irby B. Carruth, superintendent of schools in Austin and president of the American Association of School Administrators, and Dr. J. W. Edgar, Texas Commissioner of Education.

Their talks will be followed by comments and questions from committee members.

LEGISLATIVE STUDY

A three-member subcommittee of the Texas House Committee on Saving Taxes will make a study of the operations of the State Railroad Commission. Members are J. W. Buchanan of Dumas, chairman; Olen R. Petty of Levelland and George Preston of Paris. Preston is chairman of the full committee.

Purpose of the parent committee is to seek ways to effect a saving in the State tax dollar.

DOCUMENTARY EXHIBIT

Archives division of the State Library has on display a collection of documents which may be unique.

James M. Day, archivist, and his staff assembled photographic reproductions of portraits of pictures of every Texas president and governor. Then they added an original document, either personal letter or legal paper, on which the official's signature appeared.

Dr. Dorman H. Winfrey, state librarian, said no one could recall a similar exhibit before.

First displayed at Governor-for-a-Day Culp Krueger's "Operation Hometown" in El Campo, the exhibit drew much favorable comment.

POLIO REPORT

Dr. J. E. Peavy, State Health Commissioner, reported that Texas has had 158 cases of paralytic polio this season. State's cases are almost half as many as in all the rest of the nation combined.

Total number of polio cases has risen to 206 to date.

Without the mass immunization campaigns, he said, the Texas number undoubtedly would be much greater.

The Health Department recommended that oral vaccine types I and II be continued and accelerated; that type III be limited to preschool and school age children except in type III epidemic areas where it should be given to all age groups.

TALKING BOOKS

Catalogs of new talking books

are going into the market to more than 2,300 persons served by the State Library's service for the blind section.

Catalog covers all books recorded from 1955 through 1961 and is the current publication of books distributed by the Library of Congress.

All legally blind Texans are eligible to obtain talking books from the State Library without charge. When a talking book reader completes a book and returns it to Austin, a new book is automatically sent him.

HIGHWAY CONSTRUCTION SAFETY

Traffic deaths on highway construction projects in Texas reached a five year low in 1961.

Credit for the good showing is given to a cooperative effort undertaken in 1958 by the Texas Highway Construction Traffic Safety Committee.

This group consists of representatives from the Texas Highway Department, Department of Public Safety, Highway-Heavy Branch of the Associated General Contractors of Texas and the Governor's Highway Safety Commission.

Fatal crashes on highway construction projects last year totaled 58, compared with 71 in 1960.

URBAN GOVERNMENT

Writing in "Public Affairs Comment", Dr. Stuart MacCorkle of the University of Texas Institute of Public Affairs, suggests that Texans in the cities might consider revision of their local governmental set-ups.

MacCorkle points out that the county and city governments in urban areas have overlapping duties. He proposes that the idea of modernizing county governments in such areas be studied carefully.

It's a basic problem of modern life, MacCorkle states, now that Texas is 75 per cent urban in nature.

SCHOOL INTEGRATION

School boards cannot integrate without a court order or an election, rules Attorney General Wilson.

The opinion went to Dr. J. W. Edgar, State Commission of Education, on a question raised by the Yoakum School Board.

SHORT SNORTS

Attorney General Wilson has asked the Federal Court in Austin to dismiss a suit which seeks to force racial integration of Southwest Texas State College in San Marcos.

The Texas Safety Association has announced awards to be given to school bus drivers with safe driving records during the 1961-62 school year.

The Department of Agriculture estimates that heavy spring rains followed by hot, dry weather in Austin have cost Texas pecan growers 5,000,000 pounds for the 1962 crop.

Representatives expect to tread on \$17,000 worth of new carpeting in the House next January — but if a threatened textile strike occurs before the carpet can be especially woven, they may have nothing except a bare floor.

Ernest O. Thompson, Texas Railroad Commissioner, hopes to recover enough from a current illness to get back on the job soon.

Governor Daniel has appointed John C. Dezelle of Houston, United Gas Corporation Vice President, to the State Industrial Advisory Board, which assists the Texas Industrial Commission in attracting and expanding industry.

Johnny Mitchell, president of the Texas Independent Producers and Royalty Owners Association, sharply criticized the new rash of crude oil price cuts, calling them "unnecessary, irresponsible and extremely damaging."

Governor Price Daniel has appointed Brac Wilson of Leona to the board of directors of the Trinity River Authority.

Chairman of the Texas Water Commission has stated that San Antonio may be out of water in less than 20 years if its present sources are not supplemented in the not too distant future.

The State Railroad Commission has reported that October nominations for the purchase of Texas crude oil total 2,490,333 barrels a day, a decrease of 47,837 barrels a day from Sept.

The Slatonite

Texas Industrial Commission is reminding industry and business, by advertising in trade magazines, that it has information and data about Texas available to help attract out-of-state prospects.

Texas Railroad Commission has ordered that Texas oil well be held back to an eight-day producing pattern for October.

Judge D. B. Wood of the 26th District Court postponed until March 11 Attorney General Wilson's civil anti-trust suit which charges a conspiracy to fix school bus prices in Texas. Thus Wilson will not get to prosecute his suit.

Mrs. Boyce Henderson Wimberly of Woodboro, a relative of Texas' first governor, James Pickney Henderson, presented a portrait of him to the State Library.

With the coming change in attorney generals, Will Wilson's assistants are moving to new jobs. Latest is Tom McFarling, formerly of New Braunfels, who becomes city judge in Austin.

County Atty. Ward Markley of Jasper was advised by the attorney general that a sheriff cannot let prisoners go to church or go home to sit up with a sick relative, without a guard.

There is an urgent need for greater emphasis on driver education courses in Texas schools, says J. O. Musiek, general manager of the Texas Safety Association.

State quota for Texas draft boards in October calls for 160 men. Col. Morris S. Schwartz, state Selective Service director, has announced.

These nine members have been appointed to the Texas Surplus Property Agency by Governor Daniel: Ed Riedel, Austin; Theo S. Morek, Seguin; C. A. Robertson Jr., Odessa; and Eastland School Supt. Wendell T. Siebert.

State Board of Education has moved toward a policy change, in November to provide state school bus aid to city pupils, without adequate public transportation service.

Statistical evidence is now overwhelming that cigarette smoking is a serious detriment to good health and long life, says the Texas Department of Health.

A report by the Texas Research League on its program and management study for the Texas Game and Fish Commission has won a first place award from the Governmental Research Association.

There's what the other '63's wish they looked like.

Jaycees Sponsor Circus on 23rd

Slaton Jaycees will sponsor appearance of the Sells Bros. Circus in Slaton on Tuesday, October 23rd, according to announcement this week by Bill Ware, Jaycee president.

The show, a genuine old time 3 Ring Circus "under the big top", and said to be the largest to play in this area in many years, will give performances at 4 and 8 p.m. on the announced site.

Sells Bros. 3 Ring Circus, self-styled "oldest and proudest name in the circus world" presents over 30 feature acts in 3 rings, bringing all the thrills of Circus Day to young and old alike. The tented circus is not dead, and the Sells Bros. prove it with an outstanding array of talent from the four corners of the world. Aerial artists and wire walkers share the spotlight with jugglers, tumblers and funny old clowns; while amazing animal actors cavort in all three rings to show that Circus Day is still the happiest holiday of the year. Dogs, ponies, monkeys, bears, lions, and many more will hold the attention of the small fry, while the entire family will marvel at the performing herds of elephants.

Travelling on two vast convoys of motorized equipment, Sells Bros. famous 3 Ring Circus presents an all new show for the 1962 season. They boast a huge big top, with comfortable seating for thousands. No games of chance or gambling devices are carried with the show, and the sponsor draws attention to the fact that Sells Bros. Circus is good, clean entertainment for the entire family.

Tickets are on sale now from any member of the sponsoring group, or they may be bought at the box office Circus Day. The Jaycees will share in the proceeds, these funds to be used for local projects.

Refreshments of sandwiches, pickles, olives, potato chips, pie and cake were served to 15 members including Mesdames James Allred, Wayne Banks, Donald Basinger, Truman Ford, Joe Holland, Hobart Limmer, Randy Sanders, Dwayne Preston, Jerry Don Ross, Pat Taylor, Ralph Thorpe, the hostesses and program chairman.

Next meeting has been announced for October 15th at the home of Mrs. De Lain Casey.

-WEATHER-

Moderate temperatures and cessation of rain have brought true aura of autumn to the South Plains this week, some observers dubbing conditions as omen of early winter, forerunner of good harvest conditions or just "good football weather"!

Rainfall at Slaton during September totaled 5.3 inches with the latest precipitation of one inch occurring last Thursday. Maturing of crops was slowed in considerable amount, but the drying conditions this week have enabled increasing vistas of pickers in the fields and combines in several plots of grain.

Temperatures as supplied by the Pioneer Gas Company are as follows, listing maximum and minimum for each day:

Thursday	72-54
Friday	75-50
Saturday	76-54
Sunday	75-52
Monday	71-48
Tuesday	72-46
Wednesday	74-48

American Heritage Centurette Theme

Meeting Monday at the home of Mrs. Jack Haire, with Mrs. Jack Halliburton as co-hostess, the Centurette Study Club this week held its first October meeting with Mrs. Tim Bourn presiding.

The program, centered on the theme of "Our American Heritage" was presented by Mrs. Tommy Tomlin.

Refreshments of sandwiches, pickles, olives, potato chips, pie and cake were served to 15 members including Mesdames James Allred, Wayne Banks, Donald Basinger, Truman Ford, Joe Holland, Hobart Limmer, Randy Sanders, Dwayne Preston, Jerry Don Ross, Pat Taylor, Ralph Thorpe, the hostesses and program chairman.

Next meeting has been announced for October 15th at the home of Mrs. De Lain Casey.

Slaton Lieutenant Trains in Germany

Army 2nd Lt. Richard Thomas whose wife, Linda, lives at Wilson, recently participated in the 3rd Armored Division's four-week field training exercises in Grafenwohr, Germany. High point of the Spearhead division's annual training cycle, the training included day and night tactical exercises empha-

sizing mobility and chemical, biological and radiological warfare. An essential part of the training was range firing of individual and crew-served weapons including the Army's new M-60 machinegun and the 105 and 120-millimeter tank guns.

The 3rd, a major element of NATO forces in Europe, plays an essential role in maintaining world peace.

Lieutenant Thomas is regularly stationed in Friedberg as a forward observer in Battery C of the division's 27th Artillery. He entered the Army in February 1962 and arrived overseas in May.

Thomas, son of Mr. and Mrs. William J. Thomas, 250 N. Fifth St., Slaton, was graduated from Slaton High School in 1957 and from Texas A&M College in 1962.

Schools, Rails, Firms Bring 19 New Families as Slaton Resident

Nineteen families have changed their address to Slaton, Texas, according to late "new-comers" report of the local Chamber of Commerce.

Information supplied by Mrs. Bisbee, C-C secretary, reveals the following data on the new residents:

Miss Gay Ivey, coming from Plainview to teach here, living at 905 W. Lubbock.

Mr. and Mrs. Warren McKibben and children, coming from Tulla; he is employed as a lineman for E. G. Erescon Construction Company, and the family address is 820 S. 8th Street.

Harold and Hazel Johnson, two children, and Mrs. Johnson's mother, Mrs. H. H. Halley, living at 1130 W. Lubbock, and coming from Big Spring; Johnson is resident engineer on the White River dam project.

Bobby and Marjorie Moore, Slaton newlives, are living at 525 W. Knox; he is employed by the city in the water department.

Memberships Are Solicited By Legion Post 438

With a target date of mid-October for enlistment of a record membership, Slaton Lutheran Powers Post 438 Commander Luther Gregory reports that 99 paid-up memberships have been received for 1963.

Member roster for the current year is 136, near the all-time 1961 total of 138.

Eligible veterans are urged their memberships in, citing the personal and community benefits resulting from a large and active paid membership. The local Post has been active in community youth movements, sending representatives to Boys State, sponsoring school awards, college scholarships, and Legion baseball; also cooperating with the national organization in the fields of Americanism, child welfare, national security and rehabilitation.

Board Meeting in Austin this weekend from Wilson were, Leroy Scott, School Supt.; A. N. Crowson; Lloyd Mears; Jiggs Swann; W. R. Steen; and Cecil Weid. They left early Sunday morning and returned Tuesday morning.

Mrs. Alfred Krause is delicately after her release from the hospital last week after surgery.

Mrs. E. L. Walker, Pat Lester, and Mr. and Tommy Burns of Lubbock, went to Texline, Texas, Sunday to visit with Mr. and Mrs. T. H. Gosset and family, and brought Mrs. Mary Gosset home with them for a short visit.

Mr. and Mrs. H. E. Phillips visited last Sunday with Mr. and Mrs. A. N. Crowson and family, Mr. and Mrs. Floyd Bartley and Mitchell, Mr. and Mrs. C. W. Phillips, and Mr. and Mrs. William Phillips.

Mr. Pat Campbell and Mrs. Willa Wakeland were united in marriage Saturday evening, Sept. 29, at 4:30 in a quiet ceremony in the parsonage by Rev. H. F. Scott, pastor of First Baptist Church, Wilson.

William Phillips and Janice Webb were married September 14 at 10:30 p.m. in the parsonage of Southeast Baptist Church in Lubbock, by the Rev. J. Wayland Edwards in a double ring ceremony. The bride is the daughter of Mrs. Nita Webb, 1213 46th Place, Lubbock, and the groom's parents are Mr. and Mrs. C. W. Phillips, of Wilson.

The bride wore a white street length dress with pleated skirt and empire waistline, boat neck, and sleeveless bodice. A peacock blue cummerbund effect was accented by matching accessories. She wore a white mum corsage.

Mrs. Phillips attended school at Bonham Jr. High School in Odessa, and the groom is a graduate of Wilson High School, now employed by Wilson Lumber Yard. After a short honeymoon to Seminole, the couple makes their home in Wilson.

CIRCUS CLOWNS ARE NOT JUST BORN

Clowning is a business before it is an art. Not all clowns are artists, but both the stars and the rank and file—have learned their trade the hard way, the big top way. They know their business. Clowns are not born. However, the good ones are born with the comedy spark. But they are not the ones the folks at home refer to as "born clowns". No cut-ups ever held a crowd in the "Big Show" with "life of the party" antics, every skit, gag or walk-around 'tween bit is a studied thing. Knowledge of human nature, psychology and comedy know-how are factors in each bit, no matter how brief or trivial.

The Carson & Barnes clowns have all been through the mills—they are masters of their business and their business is provoking laughs and bringing happiness to children of all ages. The clowns however, are just one small part of the mighty entertainment program of this year's stellar program presented by Carson & Barnes Circus.

The Carson & Barnes Circus is coming to Slaton for one day only, Sunday, October 14th, giving a 2:30 afternoon performance at the Wilson Highway Co-op Gin yard.

Pettit In 44-22 Win Over Eagles

The Pettit Eagles defeated the Southland Eagles last Friday good. Pettit then kicked off.

Southland received the kick-off and marched down to the ten yard line where Pettit held them for four downs, then Pettit scored on the first play on a long pass. The extra point was good. Pettit then kicked off, got the ball back, and scored again.

Southland then received the kick-off and Larry McNeely climaxed the drive with a Quarterback sneak to go over for a touchdown. The extra point was no good.

In the second quarter, Quarterback Larry McNeely passed to Rod Callaway, who took it for a touchdown. Johnny ran it over for the extra point. The score at the half was 30 to 14, in favor of Pettit.

Second half found Southland toughening their defense, but they couldn't get their defense to rolling. Southland held Pettit to 14 points, but they scored only eight.

Southland's last touchdown came in the third quarter when Southland received the kick-off and Johnny Haire ran it seventy yards for a touchdown. A pass to Rod Callaway made the extra point. The final score was 22 to 44.

Outstanding on defense for the Southland Eagles were Johnny Haire and Jackie Dunn.

This Friday night at eight o'clock, the Eagles will play Union on their own field.

Public Is Invited To Tech Recital

The Texas Tech music department will present Dr. Judson Maynard in a faculty organ recital Monday, October 8, in the sanctuary of the First Methodist Church of Lubbock.

The recital, open to the public, will begin at 8:15 p.m.

His program includes four numbers by Bach — "Komm, heiliger Geist, Herre Gott"; Fugue in E flat, "St. Anne's"; "Liebster Jesu, wir sind heir"; and Fugue in G, "Gigue."

Other numbers on the program are Mozart's Fantasia in F Minor, K. 594; Franck's "Chorale in A Minor"; Messiaen's "Le Banquet Celeste"; Ives' "Adeste Fidelis" in an Organ Prelude (1897); and Ives' "Variations on America" (1891).

Maynard, assistant professor of music at Tech, received the B.M. and M.M.E. degrees from Montana State University and the Ph. D. from Indiana University. He teaches organ at Tech and is music director at the Second Baptist Church of Lubbock.

Mr. and Mrs. Augustin Briceño, Slaton, are announcing the arrival of a son weighing 6 lbs. and 6 1/4 ozs. on October 2 at Mercy Hospital. The baby has not been named.

Greenhands Got The "Works" At FFA Initiation

Greenhand degrees were awarded Monday to all freshmen enrolled in Slaton Vocational Agriculture for the first time, the initiation held at regular session of the Future Farmers of America.

The greenhands were dressed like girls, with lipstick, powder, rouge and the works. The most beautiful "young lady" honors went to George Cooper, with Billy Gass coming in second. Other models of note included Tommy Cooper, Ronnie Perdue and Ray Hampton, Jr.

All the freshmen had their right hands painted green as a symbol of the greenhand degree, and the paint remained all week.

The meeting was closed with the regular closing ceremonies. All members were served soft drinks and do-nuts by the greenhands.

His heart is as big as all outdoors. He's 52 feet high, tall as a four-story building. His smile is a yard wide. His chest measures 31 feet—his waist, 23 feet—his biceps, 7 feet 8 inches. His hand is three feet across. His boots are 7 feet 7 inches high. His head is 8 feet from chin to top. His boots are size 70, his jeans size 276, his shirt size 90, his hat 75-gallon. His name is Big Tex. He's symbol of the nation's largest annual exposition, The State Fair of Texas, October 6 through 21 in Dallas.

Roland Rhoads Rites Are Held

Funeral services were held Tuesday afternoon at Wilson for Roland Rhoads, 67, who died Sunday noon in Mercy Hospital in Slaton.

Final rites were held in the First Baptist Church in Wilson, officiating, assisted by Dr. Charles Wood, of Slaton. Burial was in the Wilson cemetery.

Survivors include the wife; three sons, Charles Joe, Slaton, Pete and Billy, both of Wilson; three daughters, Mrs. Bryon Miliken, New Home, Mrs. Charles Honaka, Greeley, Colo., and Mrs. Morgan Noble, Denver City; a brother, Charles, Dennison; three sisters, Mrs. John Washburn, Dennison, Mrs. Florence Kilgore, Whiteright, and Mrs. Tom Corchan, Englewood, Tenn. and 18 grandchildren and five great-grandchildren.

meeting, which will begin at 7:30 p.m. at the Holiday Inn East, formerly Park Way Manor will be T. C. (Pete) Peterson of Chicago, director of the program development division of the American Farm Bureau Federation. King described Peterson as "a speaker of outstanding prominence who is much in demand because he brings up-to-date information on agricultural issues and problems and delivers his message in a most entertaining fashion."

All Farm Bureau presidents, secretaries, membership chairmen and county agricultural agents in the 17 counties of the district have been invited to the meeting. In addition, the state

director said local civic leaders would be welcome.

County Farm Bureaus are aiming at a total of 10,662 members for the district, which would be a gain of nearly 300 more than were enrolled last year. The date set for reaching the goal is Oct. 31, the end of the organization's fiscal year.

Mr. and Mrs. Jim Edd Stuart, 109 East Crosby, Slaton, are announcing the arrival of a son, William Franklin, weighing 8 lbs. and 8 1/2 oz. The baby was born September 24 at Mercy Hospital.

News about Railroad Folks For Railroad Folks

(Special for the Slatonite)

By JUNE S. SPIKES

HERE AND THERE I attended an FHA (Future Homemakers of America) meeting this week and was really impressed — those gals have really got what it takes to make first-rate citizens and homemakers which is their main objective. They proved how much

they really have on the ball by taking the first prize for their chapter at the Fair this week. Among the railroaders with daughters who helped make their chapter a Blue Ribbon one are: B&B Clerk and Mrs. W. H. Dawson whose daughter, Judy, won first prize on her skirt and blouse; Fireman and Mrs. D. L. Williamson whose daughter, Linda, won first place on her doll; and Car Man and Mrs. Don Wendell, whose daughter, Cindy Sherwood, won second place on her apron.

Mechanical Department reports they have increased their car department by five men, which is always good news, and we have added two men to our brakemen and switchmen.

Mrs. B. H. Crandall, wife of our Signal Supervisor, has returned from a trip to Las Cruces, New Mexico, where she

Foley, Rex Allen Share Spotlight With Inmates in Prison Rodeo

An added feature attraction at the opening of the 31st Annual Texas Prison Rodeo

met her niece, Miss Ann Hightower, who flew there from Formosa, to enroll in New Mexico State University. Miss Hightower is the daughter of an Army Colonel stationed on Formosa. Mrs. Crandall visited with old friends, as well as her niece, as she was on the University Staff for ten years.

VACATIONS

From the list of vacations and trips this week looks like I was way off when I said vacation time was about over and those who haven't been or are already gone are talking about going! Just makes us all want to go again, doesn't it? . . . Car Man and Mrs. B. A. Hanna have just returned from Seattle where they visited with their son, B. A. Jr., and got to see the World's Fair as well. Lucky people! . . . Dispatcher and Mrs. R. C. Sanner are making a trip through Missouri (Bet it is beautiful there this time of year) accompanied by Dutchess. Dutchess is their Siamese cat and goes everywhere the Sanners go. . . Steno-Clerk Kayella Breudigam is taking two weeks vacation but is going to enjoy it at home with her husband and adorable little daughter. . . Relief Clerk Pati Elmore will be back on the job while Kay is off.

Retired Clerk Jessie Prosser is making a trip to Hutchison, Kansas, to visit one of her school teachers, who is ninety-four years old. I'm sure both Miss Jessie and her teacher will enjoy that visit. . . Mrs. H. E. Woods, wife of Engineman Woods, and Mrs. H. E. Culver, Widow of Conductor Culver, are both planning trips to Los Angeles. . . Mrs. D. L. Corder, wife of Bill Clerk, is making a rail trip to Phoenix, Arizona. . . While Mrs. O. B. Chambers, wife of Conductor, and daughters, Anita and Adelia, are going to Dallas.

SICK LIST

We're happy to report that Operators T. B. Ledbetter and M. Scrogin, who have been on extended leave of absence due to illness will be back on the job real soon. . . And very sorry to report that Section Foreman H. N. Hindman is in Santa Fe Hospital at Temple. . . Also Brakeman H. D. Patterson is in the Santa Fe Hospital at Albuquerque. Hope they will both be better real soon.

VISITORS

Jack Walker of Houston, Texas, and a student at Texas Tech, along with my aunt and uncle, Dr. and Mrs. S. W. Ball of Amarillo were guests in our home this past weekend mostly in order to attend the Texas Tech-Texas University football

game at Lubbock.

Foley will share the open rodeo spotlight with Rex "Cowboy" Allen, and his hor Koko.

The rodeo is held each Sunday in October with net proceeds from ticket sales earmarked for inmate rehabilitation, via way of education, recreation, religious services, specialized medical services and many other for which tax dollars are not appropriated. With the steady increasing population of the prison, it is dependent more than ever on best possible patronage at the rodeo.

Back in 1930 Foley became one of the stars of the "Nation Barn Dance" and during the years he has been a constant mainstay in the entertainment world.

The celebrated entertainer originated the "Jubilee" in his hometown of Springfield, Mo. where he discovered much talent including the famous Brenda Lee.

Foley himself now possesses the only lifetime contract ever issued by a record company which was given him on his 20th anniversary as a Decca artist.

Among the greatest favorites of his fans are "Peace in the Valley," "Steal Away," and "Just a Closer Walk With Thee." In addition to Foley and Allen, the rodeo will feature thrilling inmate contests, plus a host of variety specialties to round out a fast-moving two-hour show.

SYMPATHY

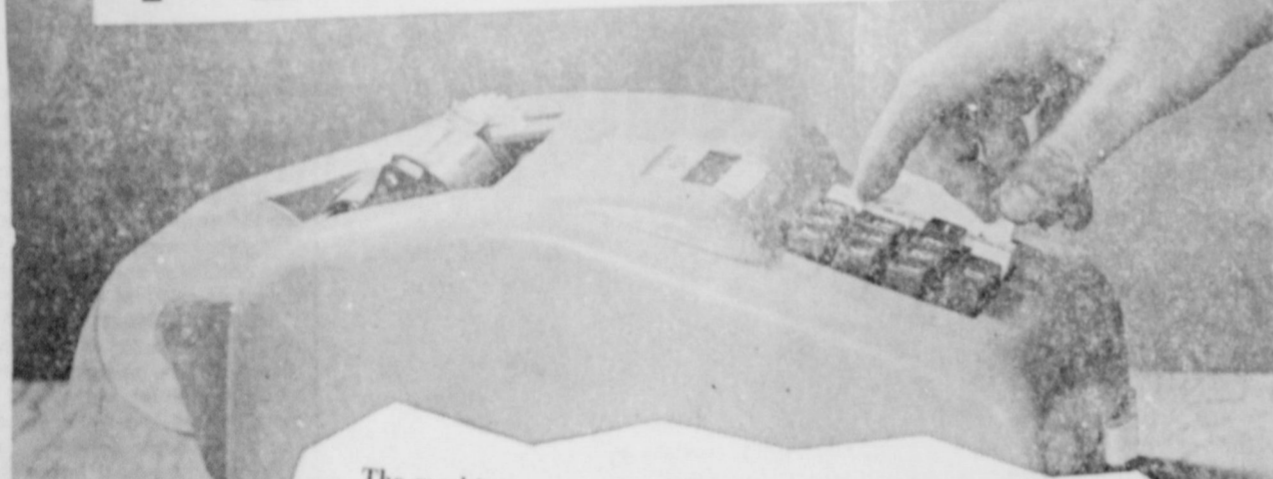

Our sympathy is extended to the family and friends of Section Laborer George Jones, who died in the Santa Fe Hospital at Temple, September 26th. Mr. Jones had been an employee of the Santa Fe since 1945.

PERFECTION

The machine is mechanically perfect, but it cannot "work itself". It must have the touch of a master hand.

Man, too—though not a machine—was made perfect. He remained perfect as long as he was voluntarily responsive to the gentle and beneficent touch of his rightful Master's hand.

But when he decided to "operate his own life", apart from the will of God—well, that's another story altogether; a story so sordid and ghastly that he needed another story: the story of the redeeming love of God.

You'll find this story between the covers of the most wonderful Book in the world: the Bible. At church, you'll hear it in glad song and sermon.

Angels listen reverently as they hear it. When a human heart hears responsively, all heaven resounds with hallelujah chorus, for a soul has been re-born and thereby has become the Master's masterpiece of creation.

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast. For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them."

Ephesians 2:8-10.

"Other foundations can no man lay than that is laid, which is Jesus Christ."

Mrs. E. E. Culver Entertains The Homemakers Class

Mrs. E. E. Culver was hostess to members of the Homemakers Class of the First Baptist Church, Tuesday evening, September 25. Mrs. Ludie Williams was co-hostess.

Mrs. Audean Nowell opened the meeting with a prayer.

Mrs. L. R. Gregory presided for the business session at which time new officers were elected. They are Mrs. Lottie Jefferson, president; Mrs. Roy Collins, 1st vice president; Mrs. E. E. Culver, 2nd vice president; Mrs. Frank Lawrence, recording secretary; Mrs. Henry Jarman, assistant secretary; and Mrs. Conroy Bain, reporter.

Mrs. Auda Brasfield installed the officers using candles, the flames representing the lives of each individual officer.

Plans were made for serving the Tuesday luncheon during the revival.

Mrs. Culver was appointed chairman of the table committee composed of Mrs. Jarman and Mrs. Williams.

Members attending included Mrs. Collins, Gregory, Brasfield, Jarman, Jefferson, Williams, Nowell, Culver, Ollie Clark, Roy Parks and R. C. Hall. Mrs. Sam Wilson was a guest.

Mrs. Frank Lawrence will be hostess for the next meeting October 16.

Mr. and Mrs. John E. Todd were in Gorman, Texas, September 22 to attend the Gorman High School homecoming celebration.

Civic and Culture Club Entertained With Coffee

A coffee on the morning of September 26 opened the new year for the Civic and Culture Club, with Mrs. R. C. Hall, S. H. Adams, and R. H. Todd as hostesses.

The serving table was covered with a rose cloth and centered with a cutglass bowl of fall flowers. Appointments were in silver.

Following the president's message by Mrs. H. E. Anderson, the club collect was repeated by the group. Mrs. Anderson also presented the history of "the collect".

In presenting the year books, the theme, "Pathway Lights" was stressed by Mrs. R. H. Todd.

Mrs. Fred Schmidt, substituting for Mrs. A. L. Robertson, was in charge of a parliamentary drill.

Members present included Mrs. H. E. Anderson, Bessie Donald, J. A. Elliott, R. C. Hall, E. R. Legg, H. G. Sanders, R. H. Todd, T. A. Turner, W. R. Wilson, and Fred H. Schmidt. Three new members who were welcomed were Mrs. A. L. Saage, H. T. Scurlock, and R. L. Smith. One guest, Mrs. M. T. Cobb of Weslaco, Texas, was present. Mrs. Cobb is a past president of the Civic and Culture Club.

Mrs. Ludie Williams and Mrs. Bertie Culver returned recently from a visit to Mt. Pleasant, Gilmer, and Dallas. They were gone sixteen days.

Mrs. Delmar Wilke Named Honoree At Tea Shower

A bridal tea and kitchen gadget shower have been given in honor of Mrs. Delmar Wilke, who was Miss Barbara Arrants before her recent marriage.

BRIDAL TEA

The William Davis home was the setting for the bridal tea. Hostesses included Mrs. Curtis Dowell, Wade Thompson, V. G. Browning, Cecil Scott, Harmon Thompson, Oree Glasscock, J. P. Haliburton, Bill Smith, L. R. Gregory, and Bill Chriesman.

Also, Mrs. Pat Patterson, Donald Polk, Bentley Page, A. L. Clifton, George Brassell, Otis Neill, George Harlan, H. E. Anderson, B. H. Sokoll, Bob Ayers, and W. T. Davis.

Others were Mrs. Don Hatcher, L. B. Wooten, S. H. Jaynes, F. A. Drewry, R. M. McMinn, James Riney, Wallace Becker, Herman Kiesel, Robert Schneider, Walter Stolle, Lee Limmer, Harold Voigt, Willis Becker, Douglas Neugebauer,

W. D. Edwards, Kenneth Davies and F. W. Calloway.

The serving table, covered with a satin damask cloth, featured a Cambridge arms holding white tapers and yellow and white carnations.

An electric mixer was the gift from the hostesses.

KITCHEN SHOWER

The kitchen gadget shower was given in the home of Mrs. Howard Hoffman with Mrs. Howard Swanner and Mrs. J. S. Edwards, Jr. assisting with the hospitalities.

A covered silver dish and silver tray were presented the honoree by the hostesses.

GOD-PARENTS VISIT

Sunday afternoon callers in the home of Mr. and Mrs. Carl Lewis Jr., were Mr. and Mrs. Lee Ray Dillard, Dell, Mark, Karen and Phyllis of Lubbock. The Dillards are the god-parents of Linda Kay Lewis who was celebrating her second birthday.

FCW To Sponsor Migrant School

Ben Zermeno, Lubbock, district chairman of Migrant Schools, outlined the needs of the migrant program to members of the Federated Church Women when they met in the Educational Building of the First Presbyterian Church Friday morning.

As in past years, the Federated Church Women will sponsor a migrant school at the Midway Gin, with October 8-19 as tentative dates. Representatives from each local church will participate in this session.

At the Friday meeting cloth bags were filled with toilet articles and school supplies to be distributed to each child in the school. These bags were made by the Stitch and Chatter Group of the First Christian Church and the contents donated by the Centurette Club.

Fourteen regular workers of the FCW attended. Mrs. Tim Bourn, Mrs. D. P. Casey, Mrs. Harley Castleberry, and Mrs. James Alired, represented the Centurette Club, and assisted with filling the bags for the children.

Mrs. John Locke Hostess To Club

The Daughters of the Pioneer Study Club met Monday evening October 1, in the home of Mrs. John Locke.

The theme of the program was "Beware, Beauty Ahead" and Mrs. J. Harvey Johnson of San Angelo gave a demonstration on beauty and facial make-up.

Mrs. John Morris, president, presided during the business session. Mrs. R. H. Todd, Jr. announced that the club will award the academic sweaters Wednesday, October 3 in the high school auditorium.

Sixteen members and a guest, Mrs. John H. King, were present.

Mrs. Bill Smith, 950 West Lubbock, will be hostess for the next meeting, October 15.

Westview Baptist WMU Installation

Installation of officers was conducted by the WMU of the Westview Baptist Church when members of that organization met Tuesday, September 25.

Mrs. J. T. Bolding of Lubbock was installing officer for the inspirational and challenging service. Officers are Mrs. T. V. Ellis, president; Mrs. E. D. Gossett, vice-president; Mrs. D. C. Robison, secretary-treasurer; Mrs. L. O. Lemon, program chairman; Mrs. J. H. Slone, mission study; Mrs. J. S. Vaughn, Bible study; Mrs. M. E. Cagle, community missions; Mrs. Barney Myers, stewardship chairman; Mrs. George Green, camp chairman; Mrs. George Gamble, prayer chairman; Mrs. A. L. Romines, G. A. director; Mrs. E. W. Woody, Y. W. A. director; Mrs. Harold Mathis, Sunbeam director; Mrs. W. D. Johnson, song leader; Mrs. T. B. Ledbetter, social chairman and Mrs. J. L. Mason, enlistment and publicity.

Gifts of appreciation were presented to Mrs. T. V. Ellis, as outgoing and incoming president, and to Mrs. J. T. Bolding for presiding at this service.

Kappa Kappa Iota Has Supper Party

The local conclave of Kappa Kappa Iota met for a back-yard supper Thursday evening, September 13, at the new home of Mrs. Edith Brooks. Mrs. Brooks was assisted by Mrs. Helen Kerr.

A brief business session was held following the supper, with Mrs. Evelyn Boyd presiding. The years work was planned and the rushees were selected for each week.

Members attending included Mrs. Roberta Meyers, Beryl Gunter, Elizabeth Martin, Mary Gilmore, Evelyn Boyd, Wanda Hurst, Anita Perkins, Mary Ann Copeland and Misses Alice Armstrong and Cathline Thomas and the hostesses.

Todds Celebrate 64th Anniversary

Mr. and Mrs. J. R. Todd were honored with a family dinner September 22, on the occasion of their sixty-fourth wedding anniversary.

Family members attending included Mr. and Mrs. E. E. Todd, Mr. and Mrs. D. O. Munn and Jean, and Mr. and Mrs. J. D. Caldwell, all of Gorman; Mrs. Ben H. DeLaFosse of Groveton, Texas; Mr. and Mrs. Delmar Schugart and Kathy of Granberry, Texas, and Mr. and Mrs. John E. Todd, of Slaton.

Happy Birthday

Week of October 4

October 4: Clarence Kitten Charlotte Sue Liles, Mrs. J. E. Donaldson, E. C. Houchin, and Jerry Hogue.

October 5: Fern Wicker, Mrs. W. D. Adkins, Irvin Reed, Joe Bob Bednarz, Mrs. E. E. Wilson, Beverly Stolle, and Mrs. Herbert Ehler.

October 6: Dave Draper, Edward Schilling, Hale Center, Mrs. A. L. Brannon, Bobby Jones, Mrs. O. M. Baxley, C. M. McPherson, Mrs. Bill Mosley, and Mrs. Milton Paul.

October 7: Ronnie Dunn, Sherman Brashear, Sr., Janis Lee Henry, and Kay Stell.

October 8: Ann Ayers, Mrs. Walter Schilling, Dimmitt; Henry Kitten; Claudine Townsend, Don Wright, A. H. Griggs, Barbara Jones, Harriet Foster, and Mrs. Nick Neu.

October 9: Mrs. Jake Reissig, Mrs. Cecil Self, H. R. King, Mrs. Virgil Jones, Johnny Hogue and Terri Anne Holland.

October 10: Mrs. Pete Lancaster, Joe Neilson, Mrs. Sett Martin, Lee Vardy, A. L. Brannon, Dr. Joe Belote, Jr., Mrs. George Gamble, Mrs. Gordon Davis, Tommy Davis, and Ronnie Edwards.

Make A Fresh Look At the Services Bland's Furniture provides

Delivered to your home when it is convenient. Every piece backed up to the manufacturer's warranty. Com- and adjustments handled by us satisfactorily.

Covering of both soft and hard surfaces installed correctly by our own men, and accurately and truthfully reported.

General Electric Appliances, sold, installed and repaired by our own trained specialists. Meeting factory standards is not enough, our customers must be

of any quality our people desire. Our better placed in your home with full return privileges 30 days for replacement or refund. No argument, no you must be satisfied or your money cheerfully

Why Aren't You Buying At

Prices are consistently lower than those of large city competitors on the same items and our terms are tailored for your convenience not because some big shot says it must be that way.

Special orders for hard to get items are given every possible attention and many times we are able to locate unusual items that just simply are not regularly carried in stock.

OCTOBER IS ANTHONY MONTH

A month long circus of values that will have the whole town talking. Fantastic savings on merchandise for the entire family as well as the home. Plan now to shop Anthony's often during October, you'll find new values every day. Pay Cash or Buy on Lay-Away, you save either way. Satisfaction guaranteed on every purchase or your money will be cheerfully refunded. You'll like shopping at Anthony's.

Early Fall Lawn Fertilization Advocated by Extension Service

Beautiful lawns just don't happen, but are the result of carefully made and carried out plans. A fall application of a complete fertilizer made 30 days before the first expected frost is suggested by E. M. Trew, extension pasture specialist, as a part of the lawn care program.

Such an application, he says, will keep the grass green longer in the fall and give it an earlier start next spring. Too, when lawn grasses go into the winter in a healthy, vigorous condition, winter and spring weeds have less chance to grow and are less

of a problem.

But don't wait too long to make the application, advises Trew, for summer grasses pushed into lush growth by late fertilization may be damaged by a hard freeze. Also, applying the fertilizer too late prevents the grass from making full use of it before going dormant.

The specialist suggests using a fertilizer with a 2-1-1 or 1-1-1 ratio at a rate to supply two pounds of actual nitrogen for each 1,000 square feet of lawn. Twenty pounds of 10-5-5 or 10-10-10 or 25 pounds of 8-8-8 will provide this amount of nitrogen, he says. Though some soils do not need potash, Trew says its use is good insurance and the cost is small. The results may be very good.

He suggests dividing the fertilizer into two equal parts — apply half — then spread the remainder at right angles to the first application. Will help insure even distribution, he adds.

After the fertilizer has been applied, the lawn should be irrigated. If the soil is dry, apply enough water to soak it to a depth of six inches or better until the moisture meets. If the soil is wet, just wash the plant food from the grass, explains Trew. Moisture is necessary for dissolving the fertilizer and making it available for use by the grass.

Katherine Smith Is Hostess For Parents' Day at Wayland College

The event is a Stay-All-Day Party on Monday, Oct. 8, the guests are parents of students, and the place is Wayland Baptist College, Plainview.

Among those serving as hosts and hostesses for the annual Parents' Day gathering will be Katherine Smith, daughter of Mr. and Mrs. W. K. Smith.

Going to classes will no doubt be more like a party to parents than to students, but the Waylanders are arranging for their guests to visit classes as well as attend the chapel program which they have planned. Participating on the program will be Gary Parker, president of the Student Government Association, Albuquerque, N.M.; who will bring the welcome along with Pres. A. Hope Owen; Mike Myrick, Lubbock, piano solo; Billy Fred Webb, Plainview, organ solo; and Duane Harris, Joplin, Mo., song leader. Reading the Scripture will be Miss Jane Ayviesworth, Plainview, and leading in prayer will be Ronnie Turner, Roscoe, president of the Baptist Student Union. The Treble Tones, women's choral group, and the International Choir will also sing.

Also on the agenda is lunch in Slaughter Memorial Center, according to Douglas Clark, assistant professor of sociology, who is chairman of the Parents' Day Committee. Reservations are already being returned in response to the special letter of invitation to parents sent by President Owen.

"Party" plans following chapel at 11 a.m. call for a panel discussion where parents will have opportunity to become acquainted with administration and faculty members and to ask specific questions about student life and academic objectives at Wayland, which is observing its

15th year as a fully accredited senior college.

Capping off the day's events will be dedication services for Wayland's new Home Life Building at 2 p.m. Students and their parents will have a chance to attend a reception and to tour the two-story cream brick building following the dedication. Some \$91,000 of the \$190,000 cost of construction of this first unit was raised by members of the District Nine Woman's Missionary Union.

Tripp Is Elected CWDS Director

Murrell R. Tripp, well-known area businessman and civic leader, last week was elected to the Board of Directors of the Southwestern Public Service Company.

Tripp, a Lubbock resident since 1937, is chief executive officer of the Western Fire and Indemnity Company and Mid-Continent Insurance Company. He is the Chairman of the Board of the Lubbock Savings and Loan Association, and President of Mid-Continent Management Corporation and Tripon Corporation.

Tripp, who served two terms as Mayor of the city of Lubbock, has been an active participant in civic and church affairs. He is currently serving the Methodist Hospital as a director and member of the Finance Committee, and has been a member of the official board of the First Methodist Church for 14 years, serving as chairman of the group in 1957-59.

His present civic activities include being chairman of the board of trustees of the Lubbock Citizens Traffic Commission, director and chairman of the Capital Funds Committee of the Lubbock Country Club.

He is one of five men who have been named an honorary

Date Is Set For Navy ROTC Exam

The 17th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given to eligible high school seniors and graduates on December 8. Application forms are now available and must be mailed by November 16, according to announcement of Vadm. W. R. Smedberg, III, Chief of Naval Personnel.

Local Navy Recruiter R. L. Michelini, will be in Slaton every first and third Wednesday of the month at the Courthouse from 9:00 a.m. to 11:00 a.m. He will be glad to answer any questions about this program or any other program that the Navy has to offer.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young

PUBLIC OFFICER TO ADDRESS WEST WARD P-TA
Tommy Conson, Jr., County Public Works officer, will address the first meeting of the West Ward P-TA on Monday, October 8, at 7:30 p.m. The topic of his speech will be "Self Development Through Personal Discipline and Integrity".

RAINBOW OFFICIAL TO BE IN SLATON

Cynthia Owen, of Fabens, Texas, Grand Worthy Advisor of the State of Texas, Order of the Rainbow for Girls, will be entertained with a salad supper at the Slaton Clubhouse, Thursday, October 4, at 7 p.m.

Each girl in the local assembly is furnishing a salad.

member of the National Association of Independent Insurance Adjusters.

He will be the second Lubbock resident to hold membership on the Board of Directors of the Southwestern Public Service Company, joining Clifford B. Jones, who has filled a directorship with the electric light and power company for many years.

Thursday, October 4, 1962

man to earn a regular commission while studying at the college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600 for not more than four years. During the summers the student goes on interesting training cruises as a midshipman. After completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's modern fleets. Immediate challenging

assignments to submarine training varied career paths who apply and High school graduates who have anniversary of not reached the of birth on 30 for the NROTC Those who make score will be given cal exam early the number of men remaining more than 2000 to begin their college next Sep

Cotton Producers Stress Research As Aid For Competitive Problems

Reports on the launching of a new, hard-hitting cotton research and promotion campaign were cheering news for growers at an annual meeting of the Cotton Producers Institute held in Lubbock last week.

At the same time, growers heard sobering words that U.S. cotton is in the worst competitive position it has ever experienced.

LeRoy Durham, trustee from Plainview, reported the ten-man group organized itself at an August meeting, and requested the National Cotton Council staff to prepare recommendations for specific research and promotion projects.

"These were considered at our September meeting. It was a tough job because so much more needs to be done than available funds would permit," Mr. Durham said.

"A total of \$350,000 has been budgeted for 11 research projects. Our money will be roughly matched by outside funds, so in effect the Institute has initiated

new research projects totaling some \$600,000," he stated.

In describing the current competitive situation, Carlton Power, Memphis, Council field staff member, told the group that within the last 20 months cotton has sustained a competitive loss of 850,000 bales. During this time, the price of cotton has been rising and that of synthetic fibers has continued downward.

Since the end of 1960, he said, consumption of competing fibers has increased by 34 per cent, or 2.1 million bales, while that of cotton has increased only 10 per cent, or 814,000 bales.

Cotton's present competitive situation in all three areas — research, price, and promotion — makes the need for the Institute much more important now than when the plan was started, Mr. Power pointed out.

"The only long-range answer to a more competitive price is research that can reduce costs and improve quality and advertising to sell cotton's advantages to the consumer," he said.

The whole future of the cotton industry, then, brings on an adequate program of research and promotion, Mr. Power concluded.

A detailed report on the Institute's first-year research and promotion projects was given by Clifton Kirkpatrick, Memphis, Council field service director.

Four projects are seeking improvements in cotton products that will strengthen cotton's position in markets totaling more than 3 million bales. Another, comparing cotton products with those of competitors, will give new research leads and promotion ammunition.

Projects in the area of quality improvement and cost reductions include getting the plant to set more fruit, finding an effective systemic insecticide, devising effective tests for measuring fiber strength and trash content, and uncovering a way to control verticillium wilt systemically.

The Institute's promotion campaign will include both day and

Amateur Radio Group Schedules Regular Meeting

Carl M. Magouirk was elected president of the Slaton Amateur Radio Club at the meeting of that organization last week.

A constitution was adopted, and other officers were chosen including R. C. Hall, Jr. as vice-president; Mrs. Lora Krizan, secretary-treasurer; and Wade Krizan as activities chairman.

Meetings are scheduled each Tuesday at the City Hall.

Representatives of the group state that anyone interested in any phase of amateur radio is cordially invited to attend.

Regular classes in code and theory are planned to aid members in obtaining amateur radio licenses.

nighttime network spot commercials, plus supplementary spots in selected markets, Mr. Kirkpatrick explained. Cotton's appearance, performance, comfort, and economy will be stressed.

"The U.S. Housewife will be the main target of Institute advertising. She makes the actual purchases of 75 per cent of all textile items used by her family and has the major influence on the other 25 per cent. A secondary target will be retailers and others in positions to mold consumer opinion or exercise sales leadership," he stated.

Water Board Urges Early Attention to Tailwater

Now that the grain sorghum crop is being harvested in most areas of the Southern High Plains and the cotton crop soon will be ready for harvest, the staff of the High Plains Underground Water Conservation District is hoping that each irrigation farmer who has been plagued with "tailwater" problems this summer will commence to do some real hard thinking about what he can do to better

control his water next year.

A Water District spokesman says, "If the farmer waits until it's time to bed up his land next spring, we fear he won't have sufficient time in which to genuinely consider the various methods that others are using successfully to retain irrigation 'tailwater' on their farms."

He continued, "Many methods work well in the mixed to sandy-land areas — borders at the row ends to retain irrigation water to give it an opportunity to soak into the soil, shortening

the length of irrigation runs, and reducing the size of syphon tubes used all seem to work successfully.

"In the hardland areas, however, of the field after it's run over the cropland back up the slope through a pipeline to a point where it can be beneficially used."

The District spokesman said, "Yes, there are many things that can be done to minimize 'tailwater' losses, but to do any one, or all of these things mentioned takes planning, and of an

individual does not plan in advance and making plans after the fact is not a very time in which to make another crop.

"The High Plains Water District is ready to help plan for minimizing tailwater farm under these conditions by simply changing some of their rows so that they be put on a contour, but merely grade so less 'tailwater' result."

He continued, "Such things as cotton grain sorghum strip soil, the water in the heavy soils is increased. These things have also been done in the hardland areas. Irrigation water from ever, the problem is so simple. The tight have water on them period of time to penetration necessary adequate crop. If the land is not extremely large amount of water the bottom of the field."

The Water District stated, "We have seen water" problems. We our services will be and used by our people."

Old Friends

By J. J. Maxey

Pauline and I spent a very enjoyable weekend in Monahan with our daughters and their families. The big occasion was the celebration of our fiftieth birthday. For some reason or other I had never paid much attention to birthdays but when you get to be half a hundred its time to take notice. The Mayor commended Friday that it would all be down hill now. Sure hope its shady too.

Paul Melton was giving me a bad time in the bank Monday about his dues and the so called bad publicity he was getting. Paul said that I had made him seem tight. I have never said that Paul was tight. Any one can look at Paul and tell that he is well fed and affluent. Paul can just get more mileage out of a dollar than any one that I know. Seriously, I wish we had more people as interested in the Ex-Student Association as is Paul Melton.

Pauline Scott reports that Mrs. Lynn McCowen (Lynn Hurst), class of 1960, was in Slaton last week end visiting her parents Mr. and Mrs. R. J. Hurst. Lynn lives at 201 Young Street, Killen, Texas. Lynn's husband is a Lieutenant in the Army. Lynn previously attended West Texas State Teachers College and is doing substitute teaching in the Killen schools.

Mrs. Jerry Allen (Vicki Kirksey), class of 1959, with her son Bret, are visiting in Slaton this week. Vicki reports that Jerry likes A&M fine and is having to study quite a lot now. They are going back this weekend in time for the Tech and A&M game.

Was by Travis Mann's shop Monday evening and he had a Jeep scattered all over the shop and Truett Bownds was standing over him like a mother hen. It seems that Truett is getting ready for an Elk hunt in Colorado about the 15th of this month.

Charlie Felty was in the office this week and I asked about Barbara and Don. Don Wright, class of 1957, is working for Baldrige Bakery in Lubbock. Barbara, class of 1956, was a member of one of our best basketball teams for three or four years. Don is remembered for his football ability and constant good humor. Barbara and Don are living at 2016 45th Street, Lubbock.

As was reported a couple of weeks ago there are quite a number of kids off in college now. Steve Smith, class of 1960, is a student at West Texas State. His wife, the former Kay Kincaid, class of 1962, is working as a business service representative for Southwestern Bell Telephone Company in Amarillo. The Smiths are living at 3118 A West 11th Street, Amarillo, Texas.

Patsy Pettigrew, class of 1961, was home over the weekend. Patsy is a sophomore at Baylor University this year. I don't know which gets the most enjoyment out of the kids coming home — the kids or the parents. Frankie Perdue said that Sharon had been home two or three times since school started. I know the parents enjoy these visits tremendously. You don't really know how much until they are married and gone from home.

J. B. Leavelle, class of 1927, stopped by the office a few minutes on Tuesday. He remarked that this was the first time that he had been back in Slaton since graduation. J. B. owns and operates a variety store in Lamesa. We appreciate and enjoy visits from exes regardless of what class they were in.

Those paying dues since last week were Connie Henry Locke, Jim Shelby and Wilma DeBusk White.

PRISON RODEO HEADLINER—Rex Allen, known as "Mr. Cowboy" will open the 31st Annual Texas Prison Rodeo in Huntsville, Sunday, Oct. 7 in the prison's 30,000-seat stadium. Allen will bring his famous horse "KoKo" to join inmate riders in offering a fast-moving two-hour thrilling show designed to entertain all age groups. Net proceeds from ticket sales go to pay for inmate welfare services.
