Slaton Lions See Ballistic Missile In Action

Slaton Lions saw the Fleet Ballistic Missile in action at their regular weekly luncheon Tuesday at Bruce's Restaurant. Chief Petty Officer Gary L. Vinyard of the U. S. Navy Recruiting Branch Station in Lubbock showed a 30-minute color film, "The Man and the F. B. M." It was shown in place of the previously-scheduled "Year of the Polaris" which was not available.

The film, narrated by John Daley, widely known news commentator and panel moderator, featured the Polaris missile, which may be launched from a submarine traveling submerged or surfaced.

Lions saw a brief history of the Polaris, from its first firing at Cape Kennedy to its ultimate thrust from a nuclear submarine. They also were given a film tour of the Navy training program of the Electronics and Launcher phases of the missile.

The electronic guidance system of the Polaris missile is capable of pin-pointing an enemy target 1500 or more miles away, according to the film. It was pointed out that the Fleet Ballistic Missile program was launched three years ahead of its original schedule.

A brief history of the F. B. M. shows that since 1955, when the "Bernie Dickey and guest are invited to be guests of The Slatonite to see "The Castilian" and "Tarzan the Magnificent" showing Thursday, Friday and Saturday at the Slaton and Caprock Theaters. Present this coupon-plus tax—for two tickets at the Slaton Theater or Caprock Drive-In box office.

All known plants may be raised from seed, although other methods of propagation are often simpler and surer.

The higher a person gets, the easier it is for others to throw stones at him.

first nuclear submarine, U. S. S. Nautilus, slipped through the waves, nuclear-powered submarines have been making maritime history all around the globe submerged beneath the Arctic ice pack.

The U. S. S. Triton traveled around the world while submerged. An underwater voyage of almost three months—it took Magellan almost three years to make the same voyage on the surface.

CHRISTMAS CANTATA
 The Chancel choir of the First Methodist Church will present the Christmas Cantata "Yule Tide Memories" by Ira B. Wilson at 5 p. m. Sunday Dec. 15, at the church.

This Cantata is under the direction of Jack Miller. The public is invited.

Services Held For Mrs. Jim Bates' Area Pioneer

Mrs. Jim Bates, 68, pioneer of this area and retired school teacher, died shortly after 8 a. m. Sunday at Mercy Hospital here. Rosary was conducted at 7 p. m. Monday in Williams Funeral Home Chapel, and services were held at 10 a. m. Tuesday at St. Joseph's Catholic Church here. Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Mrs. Bates had resided in Slaton since 1919.

Survivors include two sons, James Bates, Lubbock, and Willis Bates, Broderick, Calif.; four daughters, Mrs. J. W. Arnett, Slaton; Mrs. Dorothy Stinson and Mrs. V. E. Dikes, both of Lubbock; and Mrs. Clayton Sawyers, Grand Prairie; a brother, Joe Corby, Guadalajara, Mexico; and 13 grandchildren.

Ordinance Regulates Pool Tables

The last Texas Legislature passed a law making pool or billiard tables legal in the State of Texas, and since that time there have been several inquiries made to the city commission of Slaton as to local regulations.

In the regular meeting Monday night, the city commission adopted ordinance number 230 which sets forth the procedure and license fee required for operating pool or billiard tables in the corporate city limits of Slaton for profit.

The ordinance which has 17 sections providing the regulatory and controlling measures is published elsewhere in this issue of The Slatonite.

After the ordinance was read by Claude Cravens, city attorney, Commissioner R. H. Davis moved to pass the ordinance and declare it an emergency. Commissioner F. Gonzales seconded the motion which carried.

Funds Transferred
 Authorization for the city secretary, R. W. Sokoll, to transfer \$4,000 from the sewer fund to the general fund was made on a motion that carried unanimously. Commissioner Truett Bownds made the motion with the second coming from Commissioner Henry Bollinger.

Abstract Granted
 Upon the recommendation of Claude Cravens, the commission agreed to furnish C. Salazar with abstract for the two lots that he purchased from the City of Slaton and the Slaton Independent School District last year. Both taxing agencies will pay equal cost of having the abstracts drawn. Action in favor of the motion for the city to share this cost was taken after motion by R. H. Davis with the second coming from H. Bollinger.

Other Business
 A written agreement was authorized to be presented to Harold Wilson in connection with repaying \$970.00 that Wilson has placed in escrow for sewer casting that is to be installed under Bypass Highway 84 to Wilson's property in the western edge of Slaton at some future date. R. H. Davis moved that the amount be repaid at the rate of \$100.00 per connection with payment being due in December of each year. Truett Bownds seconded the motion which carried.

Volunteer Fire Chief Don Kendrick reported that two fire fighting equipped vehicles were not adequate for fighting a major fire. The commission asked that he receive bids and financing information on two fire trucks at the next regular meeting.

Two representatives of a telephone company made a presentation on a 24 hour law enforcement teletype system. Action will be delayed until the next commission meeting.

Authorization was granted to street superintendent, Grady Elder, to have the Oliver tractor loader repaired.

The commission accepted the recommendation of the cemetery board at the beginning of next year for Englewood Cemetery.

Tigers Sweep Tahoka Tournament; Brown Top Pointer In Tahoka Win

By Bill Ball
 Fred Weaver's Slaton Tiger Cagers fresh from sweeping the Tahoka Invitational tourney, continued their winning ways here Tuesday night with a 55 to 44 win over the Tahoka Bulldogs. Slaton's B boys won, 51 to 34, and the Tigerettes prevailed, 41 to 28, to make victory unanimous for the hosts.

For the varsity squad, forward Leslie Brown was top scorer with 24 points. Randy Martin poured in 21 points to lead B-Boy scoring and Jane Thompson and Sharon Williams shared high point honors with 17 apiece in the girls' game.

Slaton's girls next see action in the Abernathy tourney this weekend while the A and B boys are idle until next Tuesday night when they go to Littlefield.

The varsity boys with only two returning starters, have a won-lost record of 5 and 2. The B boys have won 2 and lost 1.

"We've started out pretty ragged but the boys are improving with ever game," said Weaver. "It looks like Denver City and Post will be the district teams to beat."

The Tigers don't begin District 4AA play until after Christmas.

Weaver's two starters from last year are Leslie Brown, forward, and Larry Smith, guard. Rounding out the starting five are Bobby Brake, forward, Bruce Pember, center, and Larry Gable, guard.

Others seeing a great deal of action are Johnny Henington, Byron Johnson, Dean Hatchett, and Victor Christian.

Slaton's varsity squad downed New Home, 63 to 43, in the finals of the Tahoka tourney Saturday night. The Tigers will compete in the Caprock Invitational Tourney December 26, 27 and 28 at Lubbock and they host Post, Tahoka and Shallowater boys and girls in the annual Olympic tournament January 9, 10 and 11.

Utility Firm Changes Hours
 Southwestern Public Service Company, Slaton, will be closed all day on Saturday, according to manager Douglas Glassin.

The new hours will be effective this week, Saturday, December 14.

Week day hours for the electric company will be from 8:00 a. m. until 5:00 p. m. Monday through Friday. The firm will be open during the lunch hour daily.

Assembly of God Sunday School Wins Award

The First Assembly of God Sunday School enjoyed a banquet at Bruce's Restaurant Friday night celebrating their winning of the "Gold Crown Award." The award, offered by the National Sunday School Department of the Assemblies of God, is given only to the Sunday Schools with a rating of 90 to 100. The grading is based on increase in attendance and offerings, training courses, monthly conferences, faithfulness of teachers and officers, and many other monthly conferences, faithfulness of teachers and officers, and many other features.

The National Sunday School standard is a basic standard of measurement whereby the Sunday School may observe its progress and note its weaknesses.

Teachers and officers attending the banquet were Supt. P. C. Kitchens and his wife, Myrtle, Mr. and Mrs. Claud Townsend, Mr. and Mrs. Clint Gandy, Bennie Bloxom, Nelma Gandy, Mr. and Mrs. Floyd Kitchens, Mr. and Mrs. Fred Akins, Mr. and Mrs. Carl McDaniel, Pastor Nola Stout and Associate Pastor Norma Elliott. Guest speakers were Mr. and Mrs. Bill Kitchens, Sunday School Superintendent of the Dimmitt Assembly of God.

Rev. Fred Ryle Accepts Church Call In Monohans

The Reverend Fred Ryle, minister of the First Presbyterian Church here since August, 1961, has accepted a call to the First Presbyterian Church at Monohans, Texas.

Ryle and his wife, Barbara, will leave Slaton around the first of the year.

REV. FRED RYLE

Before coming to Slaton, the popular minister, was a student at Union Theological Seminar in New York City. He also pastored churches in New Jersey while attending seminary.

Ryle was graduated from Compton Union High School, Compton, California; attended Occidental College, Los Angeles, California; and Sullman University, Philippines Islands.

He is an active worker in the local Rotary Club, Boy Scout Program, Slaton Ministerial Alliance, Presbyterian Youth work, CROP and many other civic projects.

Railroad Official Praises Retired Rail Employees

"The railroads are here today because of you people," the Santa Fe Pensioners Club Members were told Tuesday by George Alexander, superintendent of the Slaton Division of Santa Fe Railroad.

Alexander cited the many changes that have taken place in the railroad carrier business since many of those in attendance had begun their career on the railroad as much as 50 years ago.

The Santa Fe official stated that railroads were in business due to the diesel locomotive. Without the continuous progress of railroad equipment, competition would have forced the railroad companies out of business.

Nearly 60 members and guests attended the annual Christmas meeting of the retired Santa Fe employees club.

Lnam Prentice, pastor of the Trinity Evangelical Methodist Church gave the devotional which carried the Christmas theme.

Mr. and Mrs. John Porter, Lubbock, were hosts to the traditional Christmas dinner-meeting.

Another out of town visitor was L. J. Schemerhorn from San Angelo.

R. H. Todd is president of the club.

The next meeting will be held on Monday, January 13.

Hosting will be Mr. and Mrs. P. W. Houston, Mr. and Mrs. Bill Rust, Mrs. T. A. Turner and Mrs. M. L. German.

WEATHER

Slaton was in the clutches of the coldest weather of the season Wednesday with the thermometer at Pioneer Natural Gas Co. hovering at 16 degrees at 9 a. m.

The cold front accompanied by freezing mist and occasional sleet, swept across the South Plains at noon Tuesday. The mercury dropped from 48 degrees at noon Tuesday to 16 degrees at 9 a. m. Wednesday.

Slatonites braved a hazardous sheet of ice to get to work Wednesday morning. No thawing was expected for the next 24 hours.

The day by day temperatures, as recorded by Pioneer Natural Gas Co. here, were as follows:

Thursday	59	34
Friday	67	39
Saturday	51	40
Sunday	48	24
Monday	55	19
Tuesday	26	16

FIFTH TRY CHARM FOR FORMER SLATON MAN
 Former Houston Councilman and Slaton man Louie Welch succeeded in his fifth attempt to become mayor of Houston Tuesday, defeated Bob Hervey by more than 13,000 votes.

Slaton Is New Home For 81 Residents

The steady growing city of Slaton was selected in the latter part of November as "home" for 81 persons. In some cases it was a matter of families joining together when housing was secured for the entire family.

Among the newcomers to Slaton are: Mr. and Mrs. Milton Ardrey and children, Lonnie 3½ and Danny, 2. Ardrey is employed by Union Compress and Warehouse as manager. The family resides at 655 North 9th Street. They formerly lived in Lubbock.

The W. B. "Dub" Cochran family has moved from the Robertson Ranch to 605 South 12th Street. Cochran is employed by South Plains Materials Co. as manager. The couple has three children: Terri Elaine, 8, and two sons Jackie Lynn, 7, and Bobby Joe, 6.

Mr. and Mrs. O. K. Simonton and three children: Robert, 16; Jeanie, 10 and James, 6, are making their home at 720 South 18th Street in Slaton after moving here from Hearne, Texas. Simonton is employed by Texas Fiber Co. as cotton sample checker.

Moving from Lubbock are Mr. and Mrs. Orville Woolverson and children, Kathleen, 12, Dan, 7, Dixie, 7 and William 20 months. Woolverson is co-owner of Slaton Electric. He is a native of Lubbock. The family resides at 1255 West Lynn.

The Howard Limmers, newlyweds, are residing at 905 West Lubbock. Mrs. Limmer is a student at Texas Tech. Limmer is assistant manager for C. R. Anthony Co. in Slaton.

Moving here from Brownfield, Texas, after a residence there for 15 years, is the L. L. Lincoln family. Lincoln is manager of Boston Super DQ here. The couple has two children, Charles, 14 and Mark 20 months. The Lincolns reside at 1245 South 13th Street.

Mr. and Mrs. Tommy Burrow and one month old son, Tommy, Jr., are also moving to Slaton from Brownfield. Burrow is employed as a salesman for W. B. Hestand Wholesale Grocery Co. The family is living at 225 North 12th.

Mr. and Mrs. Bob Mackey and 6 weeks old daughter are residing at 440 A South 7th. Mackey is employed by Ray C. Ayers

and Son as a truck driver and Mrs. Mackey is employed by Bruce's cafe as a waitress.

Mr. and Mrs. Joe Hewlett and children; William Benton, 5; Barbara Benton, 2 and Joe Hewlett, Jr., 9 months, have moved from Lubbock to 255 East Scurry. Hewlett is employed by Texas Nail & Steel Co. as a welder.

The Robert E. Albright and daughter, Kristi, 10 months old, have moved from Southland to 335 West Division in Slaton. Albright is route man for W. B. Hestand Grocery Co.

The E. J. Hammons are living at 250 West Lynn Street. The couple is employed as sales persons in a department store in Lubbock.

Mr. and Mrs. B. F. Webster and five children: Brenda, 12; Kenneth, 10; Linda, 8; Bobby, 5 and Timothy, 4, are residing at 1255 South 11th Street. The family came here from Rivera, Texas. Webster is employed by Norman Gin Company. Mrs. Webster is employed by Bruce's Restaurant.

Natives of Tahoka, Mr. and Mrs. M. D. Cruse, Jr., are residing at 905 West Lubbock. Cruse is employed by Slaton Co-op Gin, and Mrs. Cruse is employed at Bruce's.

Mrs. M. D. Cruse is residing with her son and daughter-in-law at 905 West Lubbock.

A family of 9, Mr. and Mrs. Marshall Mitchell and the 7 children: Diana Kay, 10; Jimmie Earl, 9; Michael, 6; Johnny, 5; Patricia, 4; Mark Allen, 2 and Billy 7 months, have moved to 255 North 3rd Street in Slaton from Tivoli, Texas. Mitchell is employed by Jack Berkley Trucking Co. as a truck driver.

Mr. and Mrs. Clyde Talley are residing at 820 South 9th Street. Talley is employed by Martindale Service Station.

Employed by Forrest Lumber Company as salesman, Bobby Baxley, his wife and daughter, Cynthia, 14 months are making their home at 240 South 6th Street. The Baxley family is from Kress, Texas.

Mr. and Mrs. Jimmy Webster and children: Dewayne, 2 and Diane, 14 months, have changed their residence from Haskell, Texas to 240 South 6th in Slaton. Webster is employed by a cotton gin in Petty.

Elmer Fletcher came to Slaton from Illinois. He is employed by The Slatonite as Linotype operator. He is making his home at 430 West Lynn.

Alfonso, Manuel and Jamie Lazcano are residing at 825 South 6th Street. Alfonso Lazcano is a crewman for 18 cotton pickers.

and Son as a truck driver and Mrs. Mackey is employed by Bruce's cafe as a waitress.

Mr. and Mrs. Joe Hewlett and children; William Benton, 5; Barbara Benton, 2 and Joe Hewlett, Jr., 9 months, have moved from Lubbock to 255 East Scurry. Hewlett is employed by Texas Nail & Steel Co. as a welder.

The Robert E. Albright and daughter, Kristi, 10 months old, have moved from Southland to 335 West Division in Slaton. Albright is route man for W. B. Hestand Grocery Co.

The E. J. Hammons are living at 250 West Lynn Street. The couple is employed as sales persons in a department store in Lubbock.

Mr. and Mrs. B. F. Webster and five children: Brenda, 12; Kenneth, 10; Linda, 8; Bobby, 5 and Timothy, 4, are residing at 1255 South 11th Street. The family came here from Rivera, Texas. Webster is employed by Norman Gin Company. Mrs. Webster is employed by Bruce's Restaurant.

Natives of Tahoka, Mr. and Mrs. M. D. Cruse, Jr., are residing at 905 West Lubbock. Cruse is employed by Slaton Co-op Gin, and Mrs. Cruse is employed at Bruce's.

Mrs. M. D. Cruse is residing with her son and daughter-in-law at 905 West Lubbock.

A family of 9, Mr. and Mrs. Marshall Mitchell and the 7 children: Diana Kay, 10; Jimmie Earl, 9; Michael, 6; Johnny, 5; Patricia, 4; Mark Allen, 2 and Billy 7 months, have moved to 255 North 3rd Street in Slaton from Tivoli, Texas. Mitchell is employed by Jack Berkley Trucking Co. as a truck driver.

Mr. and Mrs. Clyde Talley are residing at 820 South 9th Street. Talley is employed by Martindale Service Station.

Employed by Forrest Lumber Company as salesman, Bobby Baxley, his wife and daughter, Cynthia, 14 months are making their home at 240 South 6th Street. The Baxley family is from Kress, Texas.

Mr. and Mrs. Jimmy Webster and children: Dewayne, 2 and Diane, 14 months, have changed their residence from Haskell, Texas to 240 South 6th in Slaton. Webster is employed by a cotton gin in Petty.

Elmer Fletcher came to Slaton from Illinois. He is employed by The Slatonite as Linotype operator. He is making his home at 430 West Lynn.

Alfonso, Manuel and Jamie Lazcano are residing at 825 South 6th Street. Alfonso Lazcano is a crewman for 18 cotton pickers.

ing that appears in the ads. Smith said, "I consider it to be a distinct honor to have been elected to this most important Board."

Galassini New Chamber Prexie
 Douglas Galassini was elected president of the Slaton Chamber of Commerce at the regular meeting Tuesday night.

Other officers that will be installed at the annual banquet that will be held in January are Don Kendrick, vice president and J. S. Edwards, Jr., treasurer.

Candidates for 5 directors are: Ellis Schmid, Ed Williams, Milton Audrey, Jake Wendel, Charlie Walton, Bob Kern, Joe Van Ness, Lee Vardy, M. G. Davis, Don Crow, Rush Wheeler, Dick Hartman, Bentley Page and Kenneth Jones.

College Group To Present Musical Program Here Sunday

Sunday School Conference of the Baptist General Convention of Texas last spring and on the chapel program of Southwestern Baptist Theological Seminary.

The group also appears frequently on Wayland College campus programs. This year the Treble Tones have a spring tour planned for Colorado, Kansas, Oklahoma, and Idaho.

The program at the First Baptist Church, Slaton, will feature a variety of compositions ranging from arrangements of familiar hymns to antebellum dating from the sixteenth century to the present. A portion of the program will be devoted to Christmas music and will feature the reading of appropriate poetry and scripture. A cordial invitation to all to attend has been issued by the pastor of the church, Dr. Charles L. Wood.

Bill Smith Elected To FADF Board Of Directors

Bill H. Smith of Slaton Motor Company was recently elected one of 16 Directors on the Dallas District Ford Dealers Advertising Fund Committee. He was installed as a Director at a meeting of the Board in Fort Worth December 5.

Smith will meet with the other 15 directors from the northern half of Texas at regular sessions to plan a considerable amount of advertising. His three-year term of office will take him each two or three months to various parts of the state for meetings of the Board of Directors.

The influence of Smith's position is of real significance in view of the large advertising budget for which this organization is responsible. He will represent some 30 or 40 Ford dealers in the Slaton area and will be responsible for the placement of all Ford Dealer Advertising Fund money in this vicinity. The largest portion of the FADF advertising budget is spent in newspapers in the various sections

of North Texas. The Dallas District of the Ford Motor Company covers the north half of Texas and includes approximately 190 Ford dealers from the Louisiana line to the most western area of the state.

Smith's attendance at the first meeting of the 1964 Board in Fort Worth was among 15 other newly elected Ford dealers, as well as J. W. Mendel, Ford District Manager, and J. W. Brauer, representative of the J. Walter Thompson Company, the advertising agency for the Ford Dealers Advertising Fund.

Directors of the FADF plan advertising, set policies, and generally represent the advertising interests of the Ford dealers who are their constituents. In addition, the Directors study recommendations of the advertising agency, plan the schedules of advertising to run in newspapers and other media, and select the copy to run in newspapers, checking the artwork of the advertising themes and the actual word-

Open House Slated For Rest Home

Slaton area residents are invited to attend open house from 2 to 4 p. m. Sunday, Dec. 15 at Slaton Rest Home.

The home, Slaton's newest and most modern, is located across from Mercy Hospital at 19th and Knox. It is tentatively scheduled to begin operation next week under the management of Rose Wheeler and Estelle Evans.

EDITORIALLY SPEAKING

Observations and Potpourri

Santa Fe Pensioners Still Railroadin'

Many persons when they reach mandatory retirement with their company find themselves lost when they are not able to continue to work and visit with fellow workers that they have associated with, in some cases more than a half century.

Retired members and widows of the Santa Fe Division of Santa Fe Railroad decided with congenial determination they would visit with each other and keep in touch with their friends and fellow railroaders at least once a month.

The Santa Fe Pensioners Club of Slaton was organized March 23, 1962. The club meets the second Tuesday of each month at the Slaton Club House. There are 126 members of the local club.

It was the pleasure of this writer to be invited to attend the Christmas program of the Santa Fe Pensioners Tuesday and to be able to see the genuine friendliness and the alertness in the eyes nearly 80 persons whose time in service for Santa Fe totals over 1,300 years.

One had the feeling of being in the midst of a family that would look out for each member of the family without making any fanfare about it whatsoever. We heard no complaints and no grumbling; just good natured conversation and a sincere quere about those who could not attend for one reason or another.

As one person said, "Why, if we didn't have this club, we'd be travelling all over the country visiting with our friends and we would never be home."

Mr. R. H. Todd is president of the Pensioners this year. Mr. L. B. Hagerman has the duty of calling all 126 members the Monday before the club meets on Tuesday. And, oh, yes, they visit their sick regularly.

We think it would behoove everyone to take a lesson from this fine group of people. Rather than complain about having to change jobs, residences or having to retire; do something about it that will benefit everyone. JHK II

CALVIN LAMB is shown above with a 10 point buck deer that he season. The deer weighed 109 lbs. after it was dressed. Lamb is killed in Mason County at 8:00 a. m. on opening day of deer a trainman for Santa Fe.

Marfa Publisher Explains Function Of Community Paper

At Marfa Lion's Club weekly luncheon Wednesday, December 4, held at the Paisano Hotel, the program chairman, Britlan Webb, introduced the new editor, publisher of the Big Bend Sentinel, F. H. (Pat) Ryan.

Mr. Ryan is 36 years old, married and the father of five children, Patrick 11, Kevin 9, twin girls, Kathleen and Allison 6, and Martha 14 months. Mr. Ryan is a native of Pecos and was on the staff of the Pecos Independent. While in Pecos, Mr. Ryan was active in civic and community affairs. He is a past member and officer of the Pecos Junior Chamber of Commerce, past director of the Pecos Chamber of Commerce and a past member of the Reeves-Loving County Community Chest. Mr. Ryan stated that "I am glad to be in Marfa and am looking forward to having my family move here and becoming a part of Marfa. I want to give you, the people of Marfa and

the surrounding area the type and quality of newspaper that need and deserve. I want to have for you the quality printing supplies and office supplies that you need.

The new publisher explained to the group the function of "hometown, community newspaper." He said, "A community newspaper in a way belongs to the people of the community and it takes these people to build a newspaper. It takes the people to supply the information for the newspaper to be turned molded into a publication for the benefit of the community, to act as a spokesman for the community, to advertise for the community and to keep the community informed of all the happenings, city and county wide. Mr. Ryan said "of course we must have the support of the advertisers in the area to give you a newspaper. For without advertising a newspaper cannot exist as the main source of revenue is from advertisers. To have advertisers we must have circulation among the people. So you can see how the two, advertising and circulation, go hand-in-hand in the newspaper business."

Circulation Of Irrigation Tailwater Beneficial To Plains Farmers

The High Plains Underground Conservation District has been working with a number of irrigation farmers in Farmer County for the past six months collecting data concerning the recirculation of irrigation tailwater. In this water management project, the Water District has collected data on the amount of water salvaged, pumping cost and irrigation methods.

The most important benefit of a tailwater return system is the water salvaged. Records covering a six months period on four tailwater return systems show an average of 65 acres feet of irrigation tailwater recovered per system. There are nine wells contributing tailwater to these installations which would be an average of 29 acre feet of irrigation tailwater recovered per contributing well. Economist have estimated that

an acre foot of water when applied for irrigation will increase the yields above dryland yields approximately \$40. Therefore, the average of 65 acre feet of irrigation tailwater recovered would have a gross value of \$2,560 per system. The average pumping cost for fuel, both butane and electricity, on a recovery system is \$1.90 per acre foot of water. Compare this to the \$3.20 fuel cost per acre foot of water for the contributing irrigation wells. The difference in cost per acre foot of water for pumping is \$2.30. This would mean a saving of \$84.50 in fuel cost alone on the 65 acres feet of water salvaged.

Once a farmer begins using a tailwater return system he commences to find many side benefits. Probably one of the most advantageous of these is that by using the return system he can control the application of water in such a manner as to eliminate hot-spots or dry-spots without wasting water. The due process of law amendment encompasses not one but several guarantees. Every American is secured against being placed twice in legal jeopardy for the same offense; against being compelled to be a witness against himself in a criminal case; and against having his private property taken for public use without just compensation. He is also secured against being held for trial for a capital (death penalty) or other infamous crime, unless upon a presentment or indictment of a grand jury. And, of course, no person may be deprived of life, liberty or property without orderly court procedures, or due process of law.

our persons, homes, papers and effects against unreasonable searches and seizures, and specifies that no warrants shall issue but upon probable cause, and unless supported by oath or affirmation.

The right to a speedy and public trial, by an impartial jury, in the locality where the crime was committed, the right to be informed of the nature and cause of the accusation, and the rights to compel attendance of defense witnesses and to have the assistance of defense counsel in all criminal prosecutions are secured by another section of the "Bill of Rights."

Excessive bail and fines, and cruel and unusual punishments, are prohibited in Amendment VIII. Other articles insure the right to bear arms and ban quartering of soldiers in private homes during peace time.

LET THE BIBLE ANSWER

This is an introduction to a series of lessons that will appear in this paper, presented by the Church of Christ. With the first five lessons one of the pastor's pictures will appear that you may know them. The Evangelist's picture will appear later so you may know him.

Each lesson will be introduced by an often asked Bible question. If you have a Biblical question we would appreciate you sending it to the Church of Christ Box 296, city. The answer will be only quotes from the Bible.

We trust that these studies will prove both interesting and helpful. Often when some Biblical teaching is emphasized, some one will say, "oh that's just your interpretation." Inasmuch as some do make void the word of God by their own tradition Mk. 7:13, and "wrest the scriptures to their own destruction" 2 Pet. 3:16, and even "handle the word of God deceitfully" 2 Cor. 4:2, may we present these lessons to you, without interpretation, that you may know the Bible can answer for itself.

May I suggest you not read over these lessons, as though they were not important, but observe carefully how the Bible answers each question. These scriptures will be quotes from the King James Version of the Bible.

James W. Wilbanks

Hospitals And You

by Gerald Geyer, member, Council on Public Education

Texas Hospital Association and administrator, Memorial Hospital, Seminole

How do you describe the Christmas Season in a hospital? How do you put on paper the emotional experience, the little pleasantries, the human tragedy, the profound sense of compassion that only a hospital can know during the holiday season? How do you put loneliness into words?

Truly, the holiday season is the epitome of the concept underlying medical and hospital care—the great humanitarian spirit, the selflessness, the tenderness of thought and action, the annual renewal of man's belief in goodness and brotherhood and in doing unto others.

The hospital is a sad place at Christmas time and it has its joys as well. Most of the patients who are able to leave are released to go home. Only those who are seriously ill or disabled will remain—and those to whom home is just a dream, a memory, or a hope.

For the tiny tots there is brightness and cheer, and the youngsters will prove that Christmas really is for children, no matter what. And maternity is a happy place, too for what could be more delightful and more hopeful for the future than a baby, born like another infant twenty Centuries ago, at Christmas time?

And what could be more tragic, more shattering, more soul searing, than the loss of a loved one on Christmas Eve? The hospital sees all these things and feels all these emotions.

After the visitors are gone and the carolers have departed, and the hospital is left once again to the patients, the nurses, maids, porters, clerks, maintenance men, technicians, and doctors who have given so much of themselves to work as one in a common purpose—an odd sort of quiet settles over the hospital.

To those who are patients and to those who are on duty, the hospital is "home" when the holidays come. To some the hospital is always home. Others can think of places they would rather be at such a personal time of the year.

But those who work in hospitals can take solace in the knowledge that they are living the Christmas Spirit not just at Christmas time but all the time, and this is the noblest goal to which man can aspire.

It's A Law In Texas

HUFFING AND PUFFING

OUR "BILL OF RIGHTS" December 15 is observed each year as "Bill of Rights Day" throughout the United States. What does this important "document" mean to us?

The American "Bill of Rights," consisting of the first ten amendments to our Federal Constitution, all adopted at one time in 1791, specifies in some detail a number of basic civil rights of the individual citizen. Unaltered by subsequent amendments and jealously guarded by our courts, these privileges must still be respected by our governing bodies today.

Among the most familiar of our constitutional guarantees are those relating to freedom of religion, speech, and of the press. The same article protects the right of peaceful assembly and the privilege of petitioning the government for redress of

Lynn County Youth Wins National Scholarship

A seventeen-year-old Lynn County youth who aims to build a herd of meat type hogs as near perfect as possible has been named a national winner in the 4-H Swine program.

Ronnie Wood, Rt. 3, O'Donnell, Texas, is one of six winners who received \$500 scholarships from Moorman Mfg. Co., donor of

awards in the National 4-H Swine program. Presentation was made at the 42nd National 4-H Club Congress held in Chicago, December 1-5.

A 4-H member for eight years, Wood started his swine project in 1957 with two Chester White gilts, a Poland China gilt and a Poland China boar. During seven years of swine project he has worked with more than 100 animals and has settled on the Hampshire breed for his projects.

The national winner resides with his parents, the J. M. Woods, on a 450-acre farm in Lynn

County. He has built twelve hog houses and sheds, and fenced the surrounding area. Young Wood also has been a Junior Leader in the swine subject matter group of his club for the past five years, showing younger 4-H'ers how to show and groom swine and beef cattle.

The O'Donnell high school senior has ranked second or third in his class during the first three years in classes averaging 42 pupils. He plans to attend college and major in agriculture, and hopes "one day to be asked to be a swine judge in some of the shows in which I am now exhibiting."

Young Wood also has won numerous awards including grand championships on his market barrows.

Floral Firm Purchased

Mrs. Nora Kirk and son, "Shorty," who recently purchased Slaton Flowers, announce the purchase also of Chriesman Floral, 142 Texas Ave.

The Kirks will operate both firms at their respective locations. Mrs. Vada Chriesman, who has owned and operated Chriesman Floral the past nine years, will continue to work there.

Mrs. Kirk and "Shorty" purchased Slaton Flowers, 1435 South Ninth, in October. After a general face-lifting, cleanup and re-stocking of the shop, "Shorty" took a two-week course at the famous Benz School of Floral Designs in Houston.

Nearly 200,000 Cotton Samples Classed

The Lubbock Cotton Office classified nearly 200,000 samples for the week ending December 6—the largest weekly volume so far this season.

"This left us a carry-over of 110,000 samples," reports W. K. Palmer, who is in charge of the Agriculture Marketing Service Office of the Cotton Division.

So far this season 576,500 samples of cotton have been classed by the U. S. Department of Agriculture in the Lubbock Cotton office.

Through December 6, the Lamesa office had classed 146,700 samples and reported 3,500 samples on hand. The Brownfield office had classed 110,400 samples and had 10,500 on hand. The season's total for all three offices is 633,600 samples. This time last year, the total was 783,700 samples. The Light Spot-

ted grades dominated the cotton classed in the Lubbock office this week with 54 per cent, the White grades accounted for 44 per cent and Light Spotted grades 2 per cent.

The average staple length was 29.7 thirty-seconds of an inch. This compares with 29.9 for the preceding week. One per cent of the cotton classed stapled 1/8 inch or shorter, 30 per cent 29-32 inch, 63 per cent 31-16 inch, 5 per cent 31-32 inch, 1 per cent 1 inch and longer.

Micronaire readings were lower than the previous week. Samples reading 3.4 and lower increased from 39 per cent last week to 52 per cent this week. The actual breakdown of the cotton classed is 2.6 and below one per cent, 2.7-2.9 eleven per cent, 3.0-3.4 forty per cent, 3.5-3.9 thirty one per cent, 4.0-4.4

fourteen per cent, and 4.5 and above three per cent.

Marketing of the new crop cotton continued steady during the week. Volume of sales has remained at about the same level the past three weeks. Prices being paid on the local market range from 25 to 70 points above loan value for Lower White and Light Spotted grades. Middling one inch is quoted at 32.90 cents per pound on the Lubbock market. Other price quotations were Strict Low Middling 15-16 inch 30.05, Low Middling 15-16 inch 28.90, Middling Light Spotted 15-16 inch 30.10, and Strict Low Middling Light Spotted 15-16 inch 29.15.

Gin yard prices for cottonseed shows a slight increase over the previous week. Prices being paid range from \$53.00 to \$58.00 per ton.

Cub Make Ornaments

Cub Scout Den 2 had its last weekly meeting Monday at the home of Mrs. Bill B. Smith, assistant Den Mother.

"The group is off to start this month," said Charlie Smith, Den Mother. The boys made Christmas ornaments in keeping with the month's theme of Old-Fashioned Christmas.

"We hope to promote goodwill to our fellow Cub Scouts only this month but all of our life." The den's next meeting is Monday, Dec. 9. Members of the group are Randy Benny Miller, Chuck David Hall and the mascot, David Smith.

LEGAL NOTICE

ORDINANCE NO. 230
AN ORDINANCE PROVIDING THE PROCEDURE AND LICENSE FEE FOR THE OPERATION OF POOL OR BILLIARD TABLES FOR PROFIT; REGULATING THE OPERATION OF POOL OR BILLIARD ROOMS; PROVIDING FOR SEVERAL PENALTIES; AND SETTING FORTH EMERGENCY.

WHEREAS, the City Commission finds that the operation and maintenance of pool or billiard tables for profit should be regulated and controlled and the immediate preservation of public health and safety requires the immediate passage of regulatory and controlling measures, NOW, THEREFORE:

BE IT ORDAINED BY THE CITY OF SLATON:

SECTION 1: License Required. It shall be unlawful for any person, firm or association of persons, corporation or other organizations authorized under the laws of the State of Texas, to keep, have, conduct or operate any billiard or pool table within the corporate limits of the City of Slaton, Texas, for profit, without first obtaining a license to so operate.

SECTION 2: Application-Requirements. Before obtaining a license to keep, have, conduct or operate a billiard or pool table for profit within the corporate limits of the City of Slaton, Texas the applicant shall make a written, signed application therefor to the City Tax Collector, accompanied by a fee of \$2.50 per table to be so operated payable to the City. Such application shall set forth full information concerning the applicant including but not limited to:

1. The full name, age, place of birth and present residential and business addresses of the applicant.
2. The length of the residence of the applicant in the city and the state, and whether he is a citizen of the United States.
3. A full personal description of the applicant, including age, height, weight, race, color of eyes, complexion and color of hair, body and facial marks and defects, if any.

4. Whether applicant has been charged with or convicted of any felony or misdemeanor, excluding traffic complaints, and if so, full information concerning each.

5. Four business and personal references who can testify as to the applicant's character and reputation.

6. The number of tables to be operated by the applicant.

SECTION 3: Same-Investigation. The Chief of Police shall make or cause to be made such investigation of the character, reputation of the applicant desiring a license to operate under this Section as may be deemed consistent and judicious; and if the Chief of Police shall find that the applicant has a reputation for good moral character and behavior such license shall be granted.

SECTION 4: Appeal. If the Chief of Police recommends not to grant the applicant a license to operate billiard or pool tables for profit, the applicant shall have the right to appeal to the City Commission within ten days from the date of such refusal which appeal shall be perfected by delivery to the City Commission a letter, stating that an appeal from the decision of the Chief of Police is desired. The City Commission shall, within a reasonable time after receiving such notice of appeal, hold a hearing thereon, and, after the hearing, sustain or reverse the decision of the Chief of Police. If no appeal is taken from the finding made by the Chief of Police within ten day period provided, the decision of the Chief of Police shall be final.

SECTION 5: Expiration-Transfer. Such license shall be renewable January 1, 1964, and on January 1st of each succeeding year thereafter. No person shall manner assign such license as sell, transfer, alter or in any way be issued.

SECTION 6: Revocation. In addition to any other penalty provided by this Ordinance, a license to operate a pool or billiard table for profit issued under the Provisions of this Ordinance may be revoked by the City Commission, after a hearing is first held after due notice to the holder thereof resulting in a finding that the holder of such license has done any of the following acts:

1. Made any false statement in his application for a license to operate a pool or billiard table for profit.
2. Sold, transferred, altered or in any manner assigned such license as may have been issued. Violated any of the provisions of Sections 6, 7 or 10 of this Ordinance, or any State law

any such pool or billiard relating to the operation of tables.

SECTION 7: Minors Playing. No person who keeps, conducts or operates any billiard or pool table for profit, or who keeps, conducts or operates any rooms or wherein the same are kept, conducted, or operated for profit whether the licensee or an employee or associate of the licensee shall permit or allow any minor under the age of 17 years to play thereon, or to be or remain in or frequent any such room, unless accompanied by his parent, guardian or an adult person responsible for the conduct of such minor.

SECTION 8: Hours of operation. No person shall operate or conduct any billiard or pool table for profit or allow or permit any room or rooms where the same are kept and operated to remain open for business or open to the public or private persons before the hour of 8 o'clock A. M. on week days and Saturdays, or after the hour of 12 o'clock Midnight on week nights and Saturdays; before the hour of 12 P. M. on Sundays or after the hour of 10 P. M. on Sundays.

SECTION 9: Minors-Curfew. It shall be unlawful for any person licensed hereunder or who operates, maintains or manages any room or rooms where pool or billiard tables are kept and operated for profit, to allow or permit any minor under the age of 17 years to be or remain in any room where pool or billiard tables are kept and operated for profit before the hour of 4 P. M. on days when public schools are in session or after the hour of 10 P. M. on the night immediately preceding any school day.

SECTION 10: Same Penalty. Any minor under the age of 17 years who shall be found playing or using any such billiard or pool table or who remains in or frequents any room where the same are kept, operated for profit and is not accompanied by the parent or guardian or a responsible adult person shall be fined not more than \$100 for each offense.

SECTION 11: Betting-Penalty. It shall be unlawful for any person to wager or bet upon the outcome of any game or contest, or exhibition played upon any billiard or pool table operated for profit; and any person who conducts or operates a billiard or pool table for profit who shall allow or permit any wager or bet upon the outcome of any contest, game or exhibition played upon such table shall be fined not less than \$25 nor more than \$200 for each such offense.

SECTION 12: Exit Requirements. It shall be the duty of the owner or occupant in charge of any building or portion thereof where any billiard or pool table is installed, operated or maintained for profit to provide not less than two exits which should be at least 80 inches high and 36 inches wide and capable of being operated from the inside without a key by an average man without undue effort at any time such premises are open for business, and all exits shall be kept open and clear of any obstructions and clearly and visibly marked by a sign placed over every door or other opening from such building or portion being so used, on which the word "Exit" shall appear in letters at least six inches high, together with a light provided with a red globe placed at or over such sign, which light shall be kept burning during the entire period the building is being occupied by any person or persons other than the owner or occupant in charge of such building. Failure to comply with the duty imposed by this section is hereby declared to be unlawful.

SECTION 13: License Posted. Any license issued or granted under the terms of this Ordinance shall be posted by the holder thereof in a conspicuous place near the entrance of any room or rooms where pool or billiard tables are operated, maintained or kept for profit. Failure to comply with the duty imposed by this section is hereby declared to be unlawful.

SECTION 14: Restroom Requirement. It shall be the duty of the owner or occupant in charge of any building or portion thereof where any billiard or pool tables are installed, operated or maintained for profit to provide a public restroom equipped with a commode and lavatory each connected with City water and draining into the City Sewer System. Failure to comply with the duty imposed by this section is hereby declared to be unlawful.

SECTION 15: Severability. If any section, subsection paragraph, sentence, clause, phrase or word in the Ordinance, or application thereof to any person or circumstance is held invalid, such holding shall not affect the validity of the remaining portions of this Ordinance, and the City Commission hereby declares it would have passed such remaining portions despite such invalidity.

SECTION 16: Any person, firm, association of persons, or corporation, violating any provision of this ordinance other than those mentioned in Section 10 and 11 ante shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding two hundred dollars (\$200.00) and in the case of a continuing offense each day same is continued shall constitute a separate offense.

SECTION 17: An immediate necessity and emergency exists by reason of the public safety and welfare of the citizens of Slaton, Texas, and this Ordinance shall be effective from and after five days following its publication.

AND IT IS SO ORDERED:
 Passed and Approved on the 9th day of December, A. D. 1963.

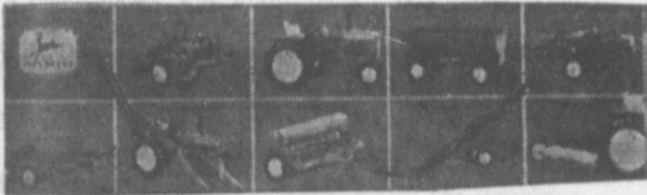

JONAS CAIN,
 Mayor, City of Slaton, Texas

ATTEST:
(SEAL) ROBERT U. SOKAL,
 City Secretary

Perdue Sundeen Wedding Solemnized In Church

The marriage of Miss Sharon Kay Perdue and Carl G. Sundeen, Jr., was solemnized Friday evening at 7 o'clock in the First Methodist Church. The double ring service was read by Dr. Charles L. Wood, pastor of the First Baptist Church.

The bride is a daughter of Mr. and Mrs. Lynn Perdue of Slaton. Mr. and Mrs. Carl G. Sundeen of Clovis, New Mexico, are parents of the groom.

FORMAL GOWN

Mr. Perdue gave his daughter in marriage. She selected a formal length gown of imported white bridal mist taffeta. The fitted bodice was designed with a Sabrina neckline, long tapered sleeves and set-in midriff. A bell-shaped silhouette was featured in the voluminous skirt, with ruffled Alencon lace bands bordering the hemline. The skirt was draped to a V in mid-front, to reveal a solid lace panel. The bustle back enhanced with wide bands of lace, swept into a full chapel train.

A crown of iridescent crystals and pearls held the brides bouffant veil of English silk illusion. He bouquet was of white butterfly roses and lilies-of-the-valley.

BRIDAL ATTENDANTS
Miss Olivia Sanders was maid of honor and Miss Nancy Johnston attended as bridesmaid. Their street-length dresses were fashioned from pink delustered satin featuring bateau necklines, elbow-length sleeves and bell-shaped skirts. They carried pink and red rosebuds in cresent arrangements.

Miss Mickey Hackfield, Lubbock, was flower girl and Brad Robison carried the rings. Candles were lighted by Nancy Johnston and Ronald Perdue, brother of the bride.

Don Caldwell attended the groom as best man. H. S. Hackfield and Joe Melcher, both of Lubbock, seated the wedding guests.

RECEPTION

The bridal couple received guests at a Slaton Clubhouse reception afterward. An imported cut-work linen cloth covered the serving table, which was centered with a three-branched candelabra holding white tapers, and surrounded by the attendants bouquets.

Mrs. Carter Caldwell cut the

three-tiered wedding cake, frosted in white with pink rosebuds, and topped with a miniature bride and groom figurine. Mrs. Ed Caldwell was at the crystal punch service.

The bride traveled in a Mauve pink, basket-weave wool suit, accented with gray accessories. She added a corsage from her bouquet.

Mrs. Sundeen is a graduate of Slaton High School and attended Texas Tech. She has employed by Southwestern Bell Telephone Company.

Her husband received his diploma from Clovis High School and is an electronic technician in the U. S. Navy, stationed in New London, Conn., where the couple will establish a home.

First Baptist Dorcas Class Met Dec. 6th.

Members of the Dorcas Sunday School class of the First Baptist Church met December 6, 7:30 p. m., in the home of Mrs. Clifford Young. Mrs. Raymond Smoot served as co-hostess.

Mrs. Howard Woods, president, called the class to order. "A Look At Christmas" was title for a devotion presented by Mrs. Young. Based on Matthew 2:10, the meditation was taken from the book authored by Mrs. Amy Bolding. The group sang "Silent Night," accompanied by Mrs. Wade Thompson at the piano. A prayer was worded by Mrs. Smoot. The secretary's report was given by Mrs. C. C. Kenney. Following the program members exchanged gifts from a decorated Christmas tree. Each member also provided a gift for the Buckner's Baptist Home for Girls, Lubbock.

Mary Dove Lectures To Slaton Art Club

By Mrs. Ellis Schmit
Mrs. Mary Dove, artist and local art teacher of the Slaton School, and a member of the Slaton Art Club led her group Tuesday evening in a practical and interesting lecture and display of Abstract Art.

The group met with sketch pad and crayons at the home of the president, Mrs. Truett Fulcher. Roll Call was "My Opinion of Abstract Art."

Mrs. Dove produced works of her 6th and 7th grade students who had made expressions in color from listening to music. She held the membership's close attention by her own enthusiasm and knowledge of thought, imagination, rhythm, substance and color. She explained that skill, mixed with real thought in this art can produce interest and arouse "a play on imagination" for both artist and audience.

Dorothy Ann Lewis Joel Dean Jones Wed In Home Rites

Mr. and Mrs. Leslie W. Lewis, 140 North 3rd St., Slaton, are announcing the marriage of their daughter, Dorothy Ann Lewis, to Joel Dean Jones, son of Mr. and Mrs. James D. Jones of Amarillo, Texas.

Dr. Charles L. Wood, pastor of the First Baptist Church read the single ring ceremony in the Lewis home at 7 p. m., December 9.

Handel's "Messiah" Christmas Music Since 1741

Of all the music associated with Christmas, perhaps no composition so well embodies the spirit of the holiday as Handel's "Messiah." The great oratorio has enthralled countless audiences. It has been said to have brought more money for charity than any other single piece of music. And it marked a rebirth for its composer.

George Frederick Handel was virtually a has-been in 1741. London had grown tired of his Lonian operas and of him. More than once he had barely missed being thrown into debtors' prison and his health was beginning to fail.

Then came a commission from the lord lieutenant of Ireland and the governors of three charitable institutions for Handel to conduct a series of charity concerts. He began to compose a new piece for the tour.

Handel was not an especially religious man, but something seemed to possess him as he worked. For some 23 days he kept to his study, refusing to see any visitors, leaving his food untouched and working through the night. Now he played the harpsicord, now he sang, then back to the writing. His servants thought he was going mad. Often they found him in tears. When he finished the "Hallelujah Chorus," he declared, "I did think I did see all Heaven before me, and the great God Himself."

On April 13, 1742, 700 people crowded into a Dublin music hall for the premiere of "Messiah." It was a resounding success. At the first English performance a year later, King George II was so overwhelmed by the "Hallelujah Chorus" that he rose from his seat and stood throughout the section. The audience, of course, followed the example of their king, and so began a custom which survives to our day.

Loke-Hendrix Nuptials Set

The engagement and approaching marriage of Miss Teresa Ann Loke to Travis R. Hendrix, Jr., is announced by her parents, Mr. and Mrs. Joe C. Loke of Rt. 1, Slaton.

Mr. and Mrs. Travis R. Hendrix of 1005 West Lynn are parents of the prospective groom.

Vows will be exchanged December 26 at 5 p. m. in St. Joseph's Catholic Church in Slaton.

Couple Pledges Vows In Methodist Chapel

The Chapel of the First Methodist Church was scene for the wedding of Miss Dorothy Joane Thomas and Carl Travis Lancaster at 7 o'clock p. m. December 5.

Wedding Plans For Late December

Mrs. Sadye V. Weaver of Levelland is announcing the engagement and forthcoming marriage of her daughter, Florence Ann, to Jerry Lynn Mulkey.

The couple is planning a late December wedding.

Mr. and Mrs. G. H. Mulkey of Levelland are parents of the prospective groom.

Given in marriage by her father, the bride was attired in a two-piece suit of white wool, trimmed with white mink. Her accessories were of white lizard and she wore a hat of mink halo design.

Miss Jacque Thomas, maid of honor, wore a two-piece red wool suit with white lizard accessories and a halo hat of white velvet. She carried red carnations surrounding a white candle.

Sammy Ellis of Southland was best man. Candlelighters were Donald Wayne Crawford and Edwin Lewis, both of Southland, who also ushered.

A reception followed in Fellowship Hall of the church. The wedding cake was decorated red and white and was flanked by flowers carried by the bride and her attendant.

Members of the house party were Mrs. Jackie Biddy of Lubbock; Mrs. Judy Rogers of Slaton; Mrs. Linda Thomas, Winton; Mrs. Linda Thomas, Winton; Mrs. Earl Lancaster of Slaton; Mrs. Buddy Hall, both of Slaton.

Following a short wedding the couple will live at Rt. 1 Post, where he is engaged farming. A graduate of Slaton High School, the bride is a graduate of Jessie Lee Hair Design Institute and is employed at a beauty shop. Her husband graduated from Southland High School.

From Where I Stand

BY MERLE KING
The Catholic Daughters and Knights of Columbus joined forces for their annual Christmas party at St. Joseph Hall on Sunday night.

to sixteen members of the Athenian Study club on Tuesday evening, December 3.
Mrs. R. C. Hall presented a program entitled, "The Birth of the Master Artist."
A winter wonderland scene greeted Mr. and Mrs. August Kitten when they drove up to their cabin at Tres Ritos, New Mexico, recently. Spending a week at their retreat, the Kittens saw sunshine melt the beautiful snow.
Games of 42 were enjoyed by approximately one-hundred guests. Refreshments were following a gift exchange.
Boxes were filled and money collected for needy families at Christmas time.

A SAVIOUR IS BORN
At this time of the year our hearts and minds turn toward Christmas with its thrills and joy. The thought of going home and giving and receiving of presents brings back pleasant memories.

The greatest thought that can come to our mind at this time is the birth of our wonderful Lord. In Matthew Gospel we find these words, And she shall bring forth a son, and thou shalt call his name Jesus for he shall save his people from their sins. (Matt 1:21) The verses that are connected with the text presents to us the story of Mary being with child and Joseph thought of putting her away, but the Angel of the Lord revealed to Joseph that the child was of the Holy Ghost. We as Christians can rejoice that a Saviour was born.

The child that was born of a Virgin grew to manhood, lived without sin, died upon a cross, and sits at the right hand of God the Father Almighty, from thence we look for his coming.

The greatest gift that a person can receive is Jesus Christ our Lord. John 3:16 says, For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.
In Christ we find forgiveness of sin. I don't know of any thing that could give such joy as being delivered from the guilt and power of sin. He takes away all of our fears and gives us joy and peace. We should thank the good God of the Universe for his unspeakable gift. Lets not forget that the Christmas season is kept in memory of the birth of our Saviour.

South Plains College Now A Full Member Of Southern Association

Levelland (Special)—A measure of achievement for South Plains College, Levelland, was announced with the college being named a full member of Southern Association of Colleges and Schools. The announcement was made Dec. 3 during the 68th session of the Association at the Peabody Hotel in Memphis.

This is the highest accreditation a college can have. It means that credits are transferable all over the world. It insures students attending South Plains that the standards are of the highest quality.

According to one faculty member, "The object of Southern Association is to improve education through exercise of leadership and through the promotion of

The Levelland college made preliminary application a year ago. It spent three days on the campus of South Plains to study the college program. Later this committee reported to the association its findings.

Administrative officials of the college appeared before the accreditation committee Dec. 2 to answer any questions they had about the college and its operation.

The object of Southern Association is to improve education through exercise of leadership and through the promotion of

cooperative efforts between schools, colleges, and related agencies.

The association was organized in the autumn of 1895 at Atlanta, Ga., at a meeting of delegates from a number of Southern colleges and universities. Invitations to this meeting had been sent out by a committee appointed by the association. The purposes of the meeting, as stated were: (1) To organize Southern schools and colleges for cooperation and mutual assistance; (2) To elevate the standard of scholarship and to effect uniformity of entrance requirements; and (3) To develop preparatory schools and cut off this work from the colleges. The following institutions were the charter members: Vanderbilt University, University of North Carolina, University of the South, University of Mississippi, Washington and Lee University, and Trinity College (Duke University).

Southern Association of Colleges and Schools is dedicated to the high purpose of promoting and maintaining sound education programs and procedures through helpful cooperation. It welcomes to its membership institutions that exemplify this spirit and that meet its standards; it declines to accept as members those institutions that do not.

South Plains College was one of seven Texas junior colleges which showed more than a 20 per cent increase in enrollment this year. The figure jumped from 610 in 1962 to 803 in 1963; according to figures from the state Texas Educational Agency.

A college facilities enlargement program was begun in the summer in anticipation of enrollment increase in future years. However, the facilities, a new girls' dormitory and enlarged

student center, library and gymnasium, were needed this fall.

Construction of a new science building, fine arts building, agriculture building and administrative

enlargement is underway. This expansion came about through a recent \$600,000 bond issue which carried by an overwhelming majority.

Dr. Marvin Baker is president

of the institution. He is in his third year as top administrator, coming to Levelland from Florida where he served as junior college consultant at Florida State University. He received his Bachelor and Master's degree

from East Texas College and his Ph. D from the University of Texas. Ronney Jones of Slaton is enrolled at South Plains College.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

Gov. John B. Connally's "back home" in a 13-day stay in Dallas. He is termed "amaz- from critical words President John Ken-
knows, the govern- ment much time be- patient. Within a had converted the "Little Capitol." Governor is "officing" across the street state-government staff is working business office in the

Statehouse seems to enjoy stress. The month office, he was undergo a hernia ran the executive from a hospital and later from six months before for sure whether regain full use of shattered right arm in a heavy cast
be unable to see several weeks.
MISES JOHNSON — return to Austin Lt. Smith said our grief, we can be two things: The own governor was our new president the on man in the could have taken reins of our national so quickly and firm-
had been assured that Johnson "will re- rights and responsibil- and local govern- added, "This is a situation in Texas and as where states' rights valued."

HEARING SET — Connally's Study Com- Water Recreation has hearings in four parts
be held in Abilene on Dallas, February 4; February 10, and San February 11.
Chairman John Babcock, and development sup- the Lower Colorado authority said, "Nine around a table can't what the people we want to hear the Texas". He said sports- ups, as well as private are invited to testify.
ment about 100 local authorities — municipali- districts and river — have jurisdictionervoirs in Texas of feet or more, but lack authority to prescribe recreation facilities.
state agencies and nine agencies play some part recreation programming, is no central plan. policies which conflict

with those of cooperating agencies.
Babcock said, "The Govern- nor's committee will endeavor to pull all efforts into the uniform state plan which can be operated by state agencies." Minnesota has incorporated all efforts under one agency, and the U. S. Congress is making a move in this direction on the federal level.
SULPHUR RIVER APPOINT- MENTS—At the suggestion of the Texas Water Commission, Governor Connally reappointed Lynn Chapman of Sulphur Springs to the Sulphur River Conservation and Reclamation District, and named five new members.
They are Dr. Gaza Janes of Cooper, Finnell Johnson of Cooper, Truett Peek of Commerce Jack Coker of Naples and R. J. Miesch of Clarksville.
GAS-RATE HEARING POST- PONED—Five cities near Port Arthur, which have turned down Southern Union Gas Company's request for a rate hike, won a postponement of the hearing of the gas firm's appeal to the Railroad Commission.
Hearing ran for three days. Then attorneys for the cities of Port Neches, Groves, Lakeview, Nederland and Pear Ridge complained they had not received copies of Southern Union's appeal exhibits in time to question witnesses about them.
Hearings will resume on January 7.
All five cities refused the request to raise gas rates approx- imately 10 per cent. When the request was made last year, Port Arthur and Griffing Park agreed. They instituted a monthly hike of about 19 per cent per minimum bill. If the Railroad Commission instructs the other five to approve an increase, the cities may have to absorb the cost of the appeal. Then gas-customers will pay about 29 per cent more per monthly minimum.

HISTORICAL NOTE—When the State School Land Board looked over the list of goodfaith claimants at its meeting this week, it noted that one man who claimed 9.59 acres of mesquite-dotted rangeland in Zavala County is the grandson of the man who served as Land Commissioner more than a century ago.
He is Murray G. Smyth Jr., whose grandfather, George William Smyth, was Land Commissioner from 1848 to 1852.
Board also noted that their assessors set the value of the Zavala County land, and other land in that area, at about \$30 an acre, whereas goodfaith claims on land in rich-soil Houston County was set at \$69.50 an acre.
PADRE ISLAND DEED — The red-leather - and - velvet - bound parchment deed which conveyed title from Texas to the United States on 90,000 acres of state-owned, submerged land surrounding Padre Island National Seashore Park is on display in the

Texas State Library building in Austin.
Land Commissioner Jerry Sadler presented this copy to the State Library and an identical copy to the National Archives in Washington, D. C.

NEWS CENTER — Austin will become a world news center now that a Central Texan has become president.
When the Lyndon Johnsons come home to the LBJ Ranch near Stonewall, Austin will be the news center for the White House correspondents who accompany the President wherever he goes.

Telephone company workmen are beefing up lines to the Johnson Ranch to handle the crush of communications which follows the President.
WATER POLLUTION STUDIED—A congressional sub-committee conducted a two-day hearing on Texas water pollution problems.
Governor Connally, in a written statement, told the sub-committee the state has an active pollution control program in which it has help of all units of government, industry and public groups. There is ample room for federal research on the problem "so that we man be helped to help ourselves," Connally said.

Texas Manufacturers Association and Texas Mid-Continent Oil and Gas Association spokesmen emphasized existing industry programs to protect streams and water supplies against pollution.
BANK APPLICATIONS — State Banking Board has agreed to rule January 9 on applications for two Midland bank charters, Texas Bank and Trust and First State Bank.
A charter was granted for Howe State Bank in Grayson County.
Applications were denied for Security Bank and Trust Company of Canyon, City Bank and Trust Company and Pan American Bank and Trust Company, both of San Antonio.
SHORT SNORTS—Texas business activity increased four per cent

for October on the University of Texas Bureau of Business Research index.
The Attorney General advised the Texas Water Commission that all its proposed rules and regulations must be published in a newspaper of general circulation in each of the three water divisions defined by state law.
Nearly 1500 telephones in state agencies have been switched over to a new "Centrex" system consolidating 31 separate switchboards and permitting direct dialing among the agencies.
John McLeod of Jaspas, president of the County Superintendents Association of Texas, named a committee to work on legislative proposals to create a unit of school administration between local schools and the State Board of Education. Proposed unit would replace the office of county school superintendent.

LCC Granted Highest School Accreditation

LUBBOCK (Special) Officials of Lubbock Christian College were informed Wednesday, December 4, in Memphis, Tennessee, that the college has been granted full membership in the Southern Association of Colleges and Schools, the highest accrediting body in the region.

The announcement was made during the annual business session at the Sixty-Eighth Annual Meeting of the Association held at the Peabody Hotel in Memphis. Lubbock Christian College officials on hand to meet with members of the Association and receive the announcement were President Dr. F. W. Mattox, Vice President Dr. Jack W. Bates, and Dr. Herman O. Wilson, Registrar.

The Southern Association is one of six regional accrediting agencies in the United States. It has members in ten Southern states; membership is synonymous with accreditation.

The purpose of the organization is to designate institutions which have met criteria and standards of achievements and to give national and international recognition to the credits of the institutions which meet the standards.

Accreditation Defined
Accreditation is the recognition of intellectual or academic respectability, which implies a sound over-all program. Purposes of accreditation are to encourage schools to improve their programs according to these standards, to allow students to transfer courses from one school to another without difficulty, to inform employers about the quality of training a graduate has acquired, and to provide some guidance to prospective students in selecting a college.

Lubbock Christian College's accreditation was achieved after only six years of operation, the shortest possible time in which a college can achieve membership in the Southern Association. Commenting on the announcement, Dr. Mattox stated, "This high achievement is the fulfillment of plans which have been foremost in our minds from the founding of the institution. We are gratified that the faculty, students, and supporters have worked together with such de-

lication to make this achievement possible. We express our sincere gratitude to all who have had a part in the founding and development of Lubbock Christian College."

Lubbock Christian College is an independent liberal arts junior college which opened in 1957. In its first four years the school justified the faith of its founders by growing substantially each year so that it became the largest non tax-supported junior college in Texas.

Lubbock Christian College was granted full state accreditation in April of 1961. College officials met with a board representing the Texas Association of Colleges and Universities and were informed that LCC had been given full membership, bypassing the second stage in accreditation, that of associate membership. The Association made their decision retroactive to the beginning of the 1960-1961 school year.

As soon as the college received accreditation in the Association of Texas Colleges and Universities, the administration began active re-evaluation in its efforts to meet the standards for regional accreditation.

As the first step in applying for membership, school officials began work on an intensive self-study. The self-study and application for membership were completed in the fall of 1962, and college administrators went to Dallas on November 26 for an interview with Southern Association officials. At this time the Association approved the college's self-study and the sending of a team of examiners to the campus.

The examining team, made up of three college presidents from Mississippi, Virginia, and Florida, was on the campus in April of 1963. The school was examined according to standards set up by the Southern Association. The term "standards as used in accreditation refers to a minimum level of achievement. It may be a minimum level of faculty training, minimum enrollment, or an outline of basic organization within a college.

Steady Growth
Since Lubbock Christian College's beginning in a cotton field on the western edge of Lubbock, members of the Board, administration, and faculty have transformed this cotton field into a thriving college.

The college's board scope of influence is indicated by the steady growth in enrollments

and by the number of states and cities represented in each semester's enrollment.

From 110 in 1957, the enrollment has grown to 468, with students representing 205 towns in 17 states and two foreign countries.

The college has grown from a 20-acre campus with a few remodeled barracks buildings to a 120-acre campus with a physical plant valued at three million dollars.

A Mother's Prayer

Dear God . . . help me to live up to the faith I see in my child's eyes. Help me to be the person she thinks I am. I am so very human . . . yet to her I am wise as a sage. I am so very frail . . . yet to her I am a tower of strength.

I can bind her cuts and bruises . . . I can soothe her small hurts, both physical and mental . . . I can give her love . . . I can protect and cherish her. Yet I can never be half of all I must be, without You to guide me.

Help me . . . and watch over her. In Your Church, teach her the things that are beyond my power . . . so that she will one day be a better woman than I; and in her turn, a better mother.

Weevil n-Up

OCK — Plains Cotton Co., Inc. is joining agricultural agencies of both state and federal governments in a drive to clean up refuse bins, fence rows, and adobe dumps, homes with trees or growth and any other place where the boll weevil is expected to find a winter home.

A clean-up campaign was ended to the area as well as to reduce weevil on the area by the weevil Technical Advisory Committee at its last meeting on November 26. Dr. Brazzel, widely recognized weevil research and specialist of Mississippi College said that "such would furnish good hibernates and should definitely be eradicated as among the most serious pests of cotton."

On basis of his recommendation of that of Dr. J. C. Head of the Texas A&M University Department, the Plains Boll Weevil Steering Committee is urging an emergency campaign to get trash piles, old buildings and leaning up. According to the Advisory Committee, the eradication of the weevil is an important step in eliminating the dreader from the High Plains.

Next two steps in the eradication program, intensive season control in infested areas and a "diapause" spray program in the fall of 1964, recommended jointly by the Committee and unani-

Communist is a fellow always yearning for equal division, and earning... always ready to jump... divide up his penny and our dollar...

It requires the influence of a poor sport to uphold the dignity of society and show a base to which can return without being lated.

When a man attains his life quickly and without the seasoning influence of appointment, he remains a perpetual danger. He is not seduced by experience to the powers of destruction which are equal to any element.

It is unfortunate that most can not set a poor example to more effort than being ourselves.

STATION

Wake Up Younger

DON'T FALL FOR FRAUDS!
A friend in Florida says you wrote a column about swindlers who prey on the elderly. You helped her recover \$150. Where can I get a copy of that column?

—Mrs. Henry S., Racine, Wis.
There's a Z-Ray machine that expands the atoms in the body. Costs \$50. Is it worth it?—Oscar, Teutopolis, Ill.

I see that a million pounds of foodstuff was seized by the government. Some was wheat infested by insects. How can we find out what to avoid? I have 50 grandchildren and great-grandchildren. — Texas Grandmother.

These are some recent letters that prompt me to Tell All, again! I'm glad to get these reactions. Pull up a chair and let's share some more straight talk. The Florida column was written for a magazine to show how to protect ourselves from being bilked out of one billion dollars a year. In hard cash!

As you all know, the U. S. As you all know, the U. S. Senate Special Committee on Aging with chairman Sen. Pat McNamara held hearings on fakes, quacks, frauds, "cures" lairs, cheats swindlers, thieves and health racketeers. Shocking was the revelation that the elderly are the chief victims of quacks. Older persons are robbed of one quarter of a million dollars every

month adopted by the Steering Committee. It was the consensus of the group that the boll weevil is very possibly developing a new strain that threatens to engulf the entire High Plains area unless a massive campaign is mounted to stop him before he moves father west. Such a campaign, they agreed, would need to embody the clean-up feature along with the dual insecticide program recommended. A meeting of the recently formed Area-wide Boll Weevil Committee will be held in January and additional plans for in-season and diapause control will be laid at that time according to Don Anderson of Crosbyton, chairman of the Steering Committee. The Area-wide Committee each of the 23 High Plains counties represented by Plains Cotton Growers.

Steering Committee members are: Don Anderson, Chairman, Crosbyton; J. E. Bailey, Quitaque; Rob Simmons, Spur; Watson Jones, Floydada; Herb Martin, Flomont; Joe Rose, Roaring Springs; E. A. Day, Matador; Charlie Long, Roaring Springs; G. B. Morris, Crosbyton; David Tyler, Post; Weldon Martin, O'Donnell; Clyde Clifton, Roaring Springs; and Clay Kimbrough, Ralls.

BY HELEN ALPERT

is composed of one member from year on fake "cures" for arthritis and rheumatism. It's understandable. Desperate for relief from pain, folks lose good judgment. But what beats me is why they fall for so much junk. No, Oscar; the Z-Ray machine is as worthless as the "Oxydonor" first peddled in 1892 as an atherosclerosis "cure" — or the "Alomotrone" for \$300 that's barely more than some panels of colored glass and a couple of glass jars. They've been exploded as outright fakes!

FAKE MACHINES

There's also the quackery with machines that claim to restore "lost manhood"—wipe away wrinkles—develop luscious female curves—or cure cancer with hocus-pocus lights and soft music. Yes, we've got real miracles in scientific medical instruments, but we've also got a real new problem. What is it? The miracle machines give charlatans new bright ideas for their own fake machines; and make it easier for the public to believe in them. This statement comes straight from the Food and Drug Administration!

FAKE VITAMINS

Just now, eight "geriatric" vitamins and "mineral capsules" were seized by the government for false claims. They were thrown off the market. They lied in claiming they could build muscles, treat unhealthy gums and decayed teeth, supply protein, promote long life, stop sinusitis tuberculosis cysts. One super-duper vitamin was choked off because it contains a food additive considered unsafe. Another—this will positively rock you!—was a multiple mess of an elixir for kids and adults claiming to prevent grey hair, failing memory, lusterless eyes, irritability; lies with the lure to promote intelligence, reproduc-

live enthusiasm, etc.
WHAT CAN YOU DO?

Don't fall for frauds! Don't waste your money! Today we've got plenty of solid help available to everybody! Even industry is willingly stepping in to stop the plunder of the helpless consumer. Yes, Texas Great-Grandmother—the rodent-infested wheat that was confiscated was eventually converted into animal feed. Hard steps are being taken to help everybody Stop, Look and Listen! What's the first thing to do? **CHECK FOR TRUTH.** Invest a 5-cent stamp on a letter to your city's Better Business Bureau or Chamber of Commerce. Follow through to the National Better Business Bureau, 230 Park Ave.,

New York City. Ask your city or county Health Department.

If you get a fake ad in the mail recruiting you for high-paying "homework" following your purchase of equipment report it to your Postmaster. Every month the U. S. Post Office Information Service issues a record of arrests, prosecutions, convictions and illegal promotions suppressed by the Postal Inspection Service and Office of the General Counsel, on use of the mails to defraud!

A final note: free of charge in the FDA Memo for Consumers to post people on the truth. The FDA also issues a Report on Enforcement and Compliance listing names and products that

violate the law! The address: Consumer Education Branch, Food and Drug Administration, Washington 25, D. C.

NEED HELP ON A PROBLEM? Write to Helen Alpert, National Senior Center, Lehigh Acres, Florida, or in care of this newspaper. Write today for the free list of the many booklets and services available to you, compliments of this column.

NEW CHEVELLE!
BY CHEVROLET

The kind of go—6 or V8—you'd expect from one of Chevy's great highway performers. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

The kind of fresh styling—inside and out—that makes it the year's smartest surprise. Come down and stare at it.

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses!

And if that makes you think this is one frisky car, you've got the right idea. You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the way it muffles noise and cushions bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price! Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

See five entirely different kinds of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE
