SURPRISING TIGERS COULD SHARE TITLE

Slaton Tackles Post in 'Must' Game Friday

The fighting Slaton Tigers, Cinderella team of District 4-AA, travel to Post Friday night with ideas of derailing the Antelope's championship express and claiming a share of the throne themselves.

Post will be highly favored to capture their first outright district grid title since 1948, and they'll have Homecoming festivities to help boost them on.

Kickoff time for the all-important district clash is 7:30 p.m. at Antelope Stadium, Post is 3-0 in loop action, while Slaton and Denver City are 2-1.

There's no doubt that Post has a fine football team, and Coach Davis said the Tigers would have to be "their very best" in order to bring home a victory.

A Slaton victory would be a big step toward a share of the title for the Tigers. Coupled with triumphs in the final game by Post, Denver City and Slaton, the race would end in a three-way tie and necessitate a drawing for the representative in bi-district play. A Post victory would clinch at least a share with Denver City and a trip to bi-district.

Post has been rated high all season. The Antelopes fell to Tahoka, 6-3, in non-district action but came back to score a big 14-0 upset over Denver City. Post is 6-1 for the season, scoring 188 points to only 48 for their foes. In three district games, the Antelopes have scored 97 points to only 2 for the opposition.

Slaton, with a 4-3-1 record, could claim its best mark in years by winning another one. The best grid mark posted by the Tigers in more than 10 years were several 5-5 seasons.

Coach Davis reported several injuries on the squad, but none were expected to be serious. Charles Fisher, top rusher for the Tigers, was slowed last week by an ankle, but he is expected to be ready.

Youth Center Goal Set

The drive to secure a youth center in Slaton has reached the crossroads.

Members of the Slaton Youth Center Association this week tentatively approved purchase of a building and set a goal of \$7,500 to be secured by Nov. 20.

If the financial goal is not reached, either in cash or by pledge, on that date, the project will be dropped, according to Mrs. Bob Ayres, chairman of the association.

The board has made a tentative agreement to purchase the old Don Crow Used Car building and lot at E. Lynn and 8th streets. Purchase price would be \$7,500, reported officials, and additional money would be needed for remodeling.

Max Arrants, finance chairman, said the association presently has \$3,368 from contributions and projects. The board hopes to use some volunteer labor in repairing and remodeling, if the Crow building is purchased.

Arrants, pointed out, however, that the association would have to "throw in the towel" if no more interest is shown by parents and citizens. The board mailed out 255 letters to parents concerning pledges, and only one firm pledge for a donation was received.

"Most people say they are interested, but we will have to raise the money now in order to pursue the project," Arrants added.

Contributions listed to date: Tiger Town \$1,040; Daughters of Pioneer Study Club \$300; VFW Auxiliary \$100; Lions Club \$125; Slaton Home Demonstration Club \$40.18; Catholic Youth \$75; Ladies Altar Society \$134.94; Knights of Columbus \$275; Athenian Study Club \$150; Mr. and Mrs. Calvin Willis \$10; Lenette Sander \$25; Grace Mission \$15; Ladies Auxiliary B of L & E, Grace Lutheran League \$20; Volleyball Tourney \$350; Car Project \$640; Slatonite Subscription Project \$90.50.

Lions Planning 'Ladies Night'

A special Ladies Night Banquet has been scheduled by Slaton Lions Club for Tuesday at 7:30 p.m. in the junior high cafeteria. It was announced this week by club president Carroll McDonald.

The Bowman Brothers will provide musical entertainment at the banquet. The Lions Club has also announced sponsorship of a Chili Supper for Friday, Nov. 11, just prior to the Morton football game. It will be held in the junior high cafeteria from 5 to 7 p.m., and all proceeds will go to the high school athletic fund for repairing an activity bus.

Tickets are on sale by all Lions Club members, high school athletes and students for 75 cents each.

Coach Ernie Davis was guest speaker at the Lions Club meeting Tuesday, reviewing the season and telling of prospects for the big game with Post. He praised the Tiger squad for its fine attitude and effort this season.

Rotary Governor Visits in Slaton

Earl L. Wilbur of Dalhart, governor of Rotary District 573, was in Slaton Wednesday for his official annual visit to the local club. He will be guest speaker at the weekly luncheon meeting today.

Wilbur presided at a club assembly Wednesday night, conferring with officers, directors and committee chairmen concerning club and district activities and projects.

Slaton Man Charged In Brutal Slaying

A Slaton Negro man was charged with murder here Tuesday in connection with the slaying of Lonnie Hicks Jr., 39, a white construction company employee who was beaten and shot, apparently early Monday morning.

The charge, filed about 5 p.m. Tuesday with Peace Justice Mrs. Frank Lawrence,

named Leroy Fields, about 21. He was jailed here Tuesday night in lieu of \$5,000 bond on murder with malice charges. Police planned to transfer him to county jail Wednesday.

Another Negro man was being sought by officers Wednesday in connection with the brutal slaying. Hicks' body was found near the intersection of New Mexico and Edwards streets on the southeast edge of Slaton about 7:50 a.m. Monday. He was employed by Austin Construction Co. and resided at a trailer park in Slaton. A nearby resident saw Hicks' car and the victim lying in the street as he started to work Monday morning. He notified city police and patrolmen Gene Carpenter and Ricky Brush started the investigation. Chief Robert Bredelove said all identification papers had been taken from the body.

Although Bredelove would release little information on the murder investigation, he said reports indicated that Hicks had no more than a \$1 in cash when he was beaten and shot in the back. Mrs. Lawrence, who ordered an autopsy, was waiting for the pathologist's report before issuing a coroner's verdict.

The body was taken to Williams Funeral Home and transferred to a funeral home in Comanche, where services were pending. Survivors include his wife, Wanda; a son, Burgess Ray; his parents, Mr. and Mrs. Lonnie Hicks Sr. of Comanche; two brothers, Ardell Hicks of Fort Worth, and Ed Hicks of Chickasha, Okla.

SLATON PAIR EARN EAGLES

Two Slaton Scouts received Scouting's highest award in ceremonies Sunday at Lubbock. Robert G. Englund and Wesley P. Fondy, both 14, were awarded Eagle Scout badges at the ceremony along with 20 other Boy Scouts.

Robert is the son of Mr. and Mrs. Bud Englund, and Wesley is the son of Mr. and Mrs. Joe B. Fondy.

Both boys have been in Scouting since joining the Cubs at age 8, and each has completed each step up the Scout trail to achieve the coveted Eagle award. They are members of Troop 125 in Slaton with J. E. Eckert as Scoutmaster.

The ceremony was held in the First Methodist Church at Lubbock at 3 p.m. Sunday. Presentation of the Eagle badges was made by Oscar Crain, president of the South Plains Council. Each mother pinned the Eagle badge on their son's uniform. Fathers and Scoutmasters also participated in the ceremony.

A reception was held following the Court of Honor.

MERCURY HITS 20 IN CITY WEDNESDAY

The mercury skidded to a low of the season when the temperature dropped to 20 here in Slaton early Wednesday morning.

It marked the first time the past week that temperatures dropped below the freezing mark. Expected high Wednesday was forecast for about 60. The high Tuesday, however, was 50 according to readings at Pioneer Natural Gas Co.

QUIET HALLOWEEN

Police reported a relatively peaceful Halloween in Slaton with 10 complaints filed for destruction of private property.

Except for a murder investigation, city police had only minor arrests on the records the past week. Three were charged with vagrancy, two for being drunk in car, and two for drunkenness.

School Board Okays Gym, Stadium Colors

Slaton School Board agreed on final touches for the new high school gym and the football stadium during a regular meeting Tuesday night.

Dr. Lee Vardy, superintendent, announced that Slaton fans will use the new west side stadium at the Morton game, Nov. 11. Reserved seats will be roped off, and all holders of reserve seats will choose any available seat in the section.

Construction of a 6-foot concrete walk around the football stadium was approved and is to be completed as soon as possible, and the board agreed to pay \$2,000 for the repair and renovation of the activity bus purchased from war surplus.

The latter amount was set up when the board was informed that the Tiger Club and Slaton Lions were sponsoring projects to help repair the bus. According to estimates, the school will need another \$2,000 to complete the bus project.

Trustees changed the color schedule at the gym for inside doors and trim, going from

'POPPY DAY' Next Wednesday

"Poppy Day" has been set Wednesday, Nov. 9, in Slaton and chairmen, Mrs. H. E. Woods and Mrs. Earl F. Wilson, have announced plans for the day. Headquarters for the sales will be in the Red Arrow Cafe, downtown Slaton. All American Legion Auxiliary members and any veteran's wife or interested persons are invited to help with the distributions.

Area chairmen are Mmes. Ray Dickie, Tom Johnson, Ellis Schmid and Clarence Holt. Proceeds from the sales will be used to meet the needs of suffering, needy veterans and families.

Veteran's Day Will Be Observed Here

Veteran's Day, Nov. 11, will be marked here by a special flag-raising ceremony and breakfast by the American Legion Post.

All members and all veterans are invited to the event, sponsored by Luther Powers Post 438, according to Cmdr. Ray Dickie. Breakfast will be served at 6 a.m. at the Legion Hall.

RIDE FOR VOTERS

The Slaton VFW Auxiliary will provide free transportation to the polls for any Slaton citizen who needs a ride to and from the voting boxes on Nov. 8.

The Auxiliary made the announcement this week. Voters who need a ride that day should call VA-8-4648.

'Beat Post' Rally Friday

Friday is "Beat Post" Day in Slaton in preparation for Slaton's game in Post Friday night, a game which has important bearing on the district championship. SHS students and fans are rallying behind the fighting Tigers.

Following a pep rally in the gym at 3 p.m. Friday, another big pep rally is scheduled on the City Hall lawn from about 3:40 to 4 p.m. Many businesses plan to close for the rally, and a number of firms are putting up

victory banners or booster signs in their windows.

A special "Beat Post" page is included in today's Slatonite under sponsorship of a majority of city firms and stores. See Section II, Page 1.

A number of fans are also planning a "car caravan" to Post. Interested fans are asked to meet at the high school at 6:30 p.m. Friday for the trip to Post.

Job Corps Worker Is Guest Speaker

"Three Days With the Job Corps" was the topic of a talk presented to the Federated Church Women of Slaton during a regular monthly meeting in the chapel of the First Methodist Church.

Mrs. A. W. Voight, a volunteer worker in the Peace Corps, was the guest speaker from Lubbock. She related many revealing instances on how well the job corps is performing, and also added some criticisms she saw in the program.

Mrs. Voight told of experiences while working in Huntington, Va., and Albuquerque, N. M. She said young girls who want to be gainfully employed can be taught skills by the job corps.

The girls are asked, "Do you want to be somebody?" If the answer is in the affirmative, the job corps goes to work.

Mrs. Luther Gregory presided over the meeting and the invocation was by Mrs. Doris Legg. A trio composed of Mrs. Alex Webb, Mrs. Carroll McDonald and Mrs. Phil Brewer, presented special music. They were accompanied on the piano by Mrs. L. A. Harrell.

Mrs. Bill Smith introduced the program. A scripture lesson was given by Mrs. Johnnie Moore. During the business session, a report from the welfare committee revealed that 370 garments had been distributed by the group in the past three months. Four large orders of groceries and many pounds of home-made soap were also distributed.

The benediction was by Mrs. Fred Schmidt. The federated group attempts to have a women from each church on the program at the meetings. Other church women are invited to participate. Churches now co-operating in the program are the First Baptist, First Methodist, First Christian and First Presbyterian.

Recipe Of The Week

A winner of more than 85 blue ribbons at fairs and in cooking contests shares some of her prize-winning recipes with us this week.

Mrs. Jim Kubacak, Rt. 1, Slaton, won 30 of these ribbons this year... at the Panhandle South Plains Fair (15 blue, 10 red and 2 white), and the three she won at the recent Holly Sugar Bake-Off at Hereford.

Mrs. Kubacak brought home 26 ribbons from last year's (1965) fair including 12 blue ones, but said she had more blue ribbons this year than ever before. She has had entries at the fair since 1963. In addition to baking, canning and preserving for fairs and contests, Mrs. Kubacak spends a lot of time cooking for her family. She also grows vegetables (all kinds) in abundance every year, and spends a lot of her spare time collecting recipes. She clips them from every newspaper and magazine she gets. Then after one is tested and tried and given a personal touch from her "white thumb", it goes into her book of favorites.

Residents of the Slaton area since 1944, the Kubacaks moved here from Jourdanton, Tex. They have 12 children, five of whom still live at home. They are members of St. Joseph's Catholic Church.

The children include Ikey and Jimmy Kubacak, both of Rt. 1, Slaton; Mrs. Bernard Stefens, 355 N. 18th, Slaton; Mrs. Anton Kubacak of Lubbock; Mrs. Tommy (Angelina) Clark of Louisville, Ky.; Johnny Kubacak, Lubbock; and the five at home, Ernest, Frances, Betty, Frank and Ann.

One of the recipes Mrs. Kubacak gave us, Chiffon Cake, was a 1964 blue ribbon winner at the Panhandle South Plains Fair.

CHIFFON CAKE
 2 1/4 c. flour
 3 t. baking powder
 1 1/2 c. sugar
 1/2 c. salad oil
 6 eggs separated
 3/4 c. water
 2 T. grated orange rind
 1 1/3 c. coconut
 1 t. vanilla
 1 t. salt
 1/2 t. cream of tartar
 Beat egg whites, salt & cream of tartar until will stand in peak very stiff, about 5 minutes. Gradually fold the batter into the egg whites. Pour batter into ungreased 10" tube pan. Bake 325 degrees for 1 hour

& 5 min. Cool cake 1 to 2 hours. Gently remove from pan. This is another good one, she says:

CARROT CAKE
 1 t. cinnamon
 1 t. mace
 1/2 t. salt
 1 c. butter
 2 c. sugar
 4 eggs
 1 1/2 c. finely grated carrots
 2/3 c. finely chopped nuts
 2 1/2 c. flour
 3 t. baking powder
 1/3 c. hot water

Blend spices and salt with butter; gradually add sugar mixing well after each addition. Beat in eggs one at a time. Stir in carrots and nuts. Sift flour with baking powder and add alternately with water; beat batter 1/2 minute; turn in to 2-9" greased cake pans. Bake 375 degrees 35 minutes. Cool in pan 10 minutes.

DATE & NUT FILLING
 1/2 c. sugar
 1/2 c. Pet milk
 2 egg yolks
 1/4 c. butter
 1 t. vanilla
 1/2 c. coconut
 1/2 c. nuts
 1/2 c. dates

Combine sugar, milk, egg yolks and butter in a sauce pan. Mix well, stir & cook over low fire 12 minutes or until thick. Stir in vanilla, coconut, nuts and dates. Beat well. Ice cake with filling & put between layers.

Civic Members Hear Program On Conservation

Mrs. R. C. Hall Sr. was hostess to members of the Civic and Culture Club when they met in her home last Wednesday. Mrs. Arthur Saage was co-hostess.

Mrs. H. V. Wheeler, vice-president, had charge of the meeting in the absence of the president.

Since "Conservation" was the subject of discussion, roll call was answered with "A Conservation in the Home" idea.

A summation on "Must Landmarks Go?" was given by Mrs. B. H. Crandall. Mrs. R. L. Smith gave the poem, "Trees" by Joyce Kilmer. A discourse by Mrs. J. A. Elliott on "Save the Redwoods" followed. Those attending included Mmes. C. B. Barron, J. D. Barry, Kenneth Davies, L. B. Hagerman, E. A. Legg, Bruce Pember, Fred Schmidt, H. T. Scurlock, R. H. Todd, C. L. Heaton, Hall, Saage, Smith, Crandall, Elliott and Wheeler.

ITEM: Keep your indoor crop of herbs on the dry side. This is best accomplished by starting your parsley, chive, basil, shallot, rosemary, dill and other savory seeds in porous clay pots to make sure excess water will drain and leach out. The humid air of our kitchen or laundry room is the best atmosphere for your indoor herb garden.

It's a woman's WHIRL

BY LAVON NIEMAN

Speaking of "Woman's Whirl" --- it would keep you in a whirl if you tried to keep up with the many activities going on in Slaton.

Just for instance, almost all the sports-minded citizens will be traveling to Post Friday night to see us win another game and tie for district championship (if we also beat Morton).

Sunday, the ever-popular turkey dinner will be held in St. Joseph's Hall, and surely no one wants to miss that. Then next Wednesday is Poppy Day in Slaton and many women will be selling poppies on that day.

November 16 is also a date to remember. The Daughters of Pioneer Study Club will hold its annual Bazaar to raise funds to purchase academic sweaters for deserving Slaton High School students.

And this goes on and on and on, Club meetings are in full swing and it seems every organization has some worthy project going.

Just a reminder to all club reporters...deadline for news is 5 p.m. Tuesdays...and we DO want your news.

Have you ladies heard about the chill supper to be held before the Morton football game next week? No need to cook that night. It's chili (and chilly) weather, so why not help get a bus for our football boys and coaches, and eat out that night at the junior high cafeteria.

If we want a youth center for our children, now is the time to do something about it. Several civic organizations have had fund-raising projects, but at this time only \$3,368.16 has been raised for the center.

The board has located a building that has been reasonably priced and has given up on the idea of a new building. BUT, \$7,500 must be raised by Nov. 20 to purchase the building and lot, or the idea of a youth center will be disbanded. If we want Slaton's high school children to have a youth center, we must contribute, and it must be soon.

What will YOU do about it---wait on good old George---or will you do YOUR part?

Boy did our 11-year-old son make me feel old Tuesday night. He had me look over his face and feel all the "whiskers". He's decided he's old enough to start shaving, but I assured him it would be quite some time yet.

First graders always seem to come up with the cutest remarks. One good story I've heard this year is a little first grade girl at West Ward.

She was delighted when two of her male classmates got spankings after she had told the teacher what they were doing to get into trouble.

She told her mother about it and her mother tried to explain that no one likes a "tattle tale" and she shouldn't tattle on her classmates. The six-year-old said, "But it wasn't a tale, I was telling the truth".

Slaton Assembly No. 164, Order of the Rainbow for Girls, will hold a Grand Cross of Color Mystic Banquet at 7 p.m. Nov. 15 at the Slaton club house.

Honored guests will be Mrs. Martha Marie Whitfield of Dallas, supreme inspector and supreme service; Victor C. Whitfield of Dallas, state executive committee; Miss Janice Wright of Dallas, grand worthy advisor; Mrs. Earleen Holland of Irving, grand visitor; and Mrs. Steva Schellinger of Lubbock, grand visitor.

All surrounding assemblies have been invited, and a spokesman for the group stated that all local members are urged to attend. Reservations may be placed with Mrs. Neva Burns at \$2.25 per person.

Athenians Have Costume Party

Members of the Athenian Study Club and their husbands had a "costume party" at 7:30 p.m. Saturday in the Reddy Room at Southwestern Public Service.

As one of their money-making projects for the year, each member brought a box supper which was auctioned by Coy Biggs.

Costume prizes went to Mr. and Mrs. Tommy Wallace who were dressed as Martin Luther King and Phyllis Diller.

Couples present were Messers. and Mmes. R. C. Hall, Roy Poage, Ed Moseley, Clark Self Jr., Harley Martin, Everett Hodge, Coy Biggs and Wallace.

Following games of "42", the group went to the home of Mr. and Mrs. Don Mitchell for a social hour.

Recent guests in the home of Mrs. M. E. Morris have been a son-in-law and daughter, Mr. and Mrs. J. L. Gary, Mr. and Mrs. Max L. Morris, all of Lubbock; Mr. and Mrs. Charles Seaman of Morton, Mrs. Morris's niece; a granddaughter, Marilyn Maeker and her friend, Mike Deaton of Texas Tech; and Miss Beverly Maeker of Wilson.

NOV. 13 TO 20 - DIABETES WEEK
 About one out of every fifty persons has diabetes and those who know they have it lead normal healthy lives, as long as they observe proper care.

THERE ARE MANY UNKNOWING DIABETICS.
 Unfortunately, no painful discomforts disclose the beginning of diabetes. It can cause serious harm before it becomes known.

URINE SUGAR A WARNING SIGNAL.
 By dipping a testing paper in the urine, you can tell if sugar is present. This indicates the possibility of diabetes and a quick visit to a physician for further tests is a "must." We have these inexpensive testing papers in our Diabetes-Aids section.

DIABETES IS OFTEN HEREDITARY.
 It is not contagious, but if there are diabetics in the family, diabetes is a hazard. This danger is increased by overweight.

DIABETICS CAN LIVE LONG LIVES.
 But, they must have regular physician check-ups and carefully follow instructions. Insulin can control the most serious cases. And, now we have oral antidiabetic drugs. The important rule is to always observe diet restrictions. We carry in stock the drugs or testing material any physician may specify.

Slaton Leaders Attend Sanford Dam Dedication

Several representatives from Slaton were on hand for the formal dedication of the \$84 million Sanford Dam and Lake Meredith Tuesday at Sanford. Mayor Jonas Cain, former mayor and Mrs. Clark Self Sr., Canadian River Municipal Water Authority director Howard Hoffman, City Administrator Buford Duff, and Chamber Mgr. Wayne Cooper attended the ceremonies.

Principal dignitaries taking part in the dedication were Sec. of the Interior Stewart Udall, Gov. John Connally, and U. S. Reps. George Mahon of Lubbock and Walter O. Rogers of Pampa.

Biting winds and cold weather cut short the program and limited the dedication attendance to about 1,000 people. Udall unveiled a plaque dedicating the dam to the Canadian River Authority and the people of the United States.

Another plaque was unveiled by Rep. Rogers and Mrs. A.A. Meredith, dedicating the lake to her husband who is credited with sparking the project from its inception.

A reminder of SENATOR TOWER'S service in Washington for TEXAS FARMERS

HERE ARE A FEW OF THE MAJOR PROJECTS SENATOR TOWER HAS UNDERTAKEN FOR YOU.

He supported soil and water conservation projects so necessary to the future of agriculture in Texas.

He sponsored six key bills on water resources, conversion of brackish water, desalination, and rural water systems. Five of the six already have become law and are benefitting Texas farmers.

He served as a leader in the action against suspension of the investment tax credit which would amount to \$100 million tax increase on American agriculture.

He supported necessary subsidies to help offset the artificial economic conditions created by too much government in agriculture.

He flatly rejected the contentions of some federal bureaucrats that farmers and ranchers are somehow responsible for the inflation really caused by federal deficit spending. He has fought hard against restricting or freezing farm prices.

He sponsored legislation making federal crop insurance available in high risk areas.

He sponsored legislation to allow states to regulate recruitment of foreign agricultural workers needed to harvest crops.

He has supported the REA's position in working to maintain status independent of Federal Power Commission control. He also cooperated with the REA's efforts in supporting federal bans for rural community water systems.

YOU COME FIRST WITH SENATOR JOHN TOWER

Senator Tower serves you as a STRONG FRIEND OF THE LAW AND OF CIVIL ORDER.

Senator Tower serves you as an effective FIGHTER AGAINST INFLATION AND SKY-ROCKETING PRICES.

Senator Tower serves you as a LEADER IN THE PURSUIT OF VICTORY IN VIET NAM.

YOU CAN COUNT ON THINGS GETTING DONE WITH SENATOR JOHN TOWER ON THE JOB.

He has earned National Congressional seniority and gained experience no new Senator could replace. With John Tower in the Senate, Texas has the distinct advantage of having its voice heard in the highest leadership councils of both parties.

to roam Friday night. Center Tom Davis also twisted an ankle in workout this week, but it was not serious.

Davis is expected to go with the same formula used all season--a tough defense and simple "bread and butter" plays to eat up the yards on offense. He has a few surprises planned for the Post game, too, but he didn't elaborate on these plans.

Slaton's ground attack has been led by Fisher, who has gained 569 yards in 124 carries this season. That figures about 4.6 yards per rush. Larry Pickens, top scorer with 30 points, is second in rushing with 207 yards on 68 trips. He is followed closely by Doyle Ethridge with 198 yards on 42 attempts.

Sophomore quarterback Jim Williams has accounted for 374 yards passing while completing 23 of 61. He's had 8 intercepted and hit one for a touchdown.

Ethridge is far out front in pass receiving with 222 yards in 10 receptions. Pickens has 105 for 9 catches. Ethridge has a fine 34.4 punting average on 32 kicks.

The Tiger starting lineup is expected to be the same as in previous games. Probable offensive starters: Tommy Donaldson and Larry Allison at ends, Roy Green and Bobby Ball at tackles, Joe Olague and Buddy Pettigrew at guards, Tom Davis at center, Williams at quarterback, Ethridge at wingback, Fisher and Pickens at tailback and halfback.

Harlan and Richard Washington move into the defensive secondary, while Dale Harris takes on a defensive guard position. Harlan, a senior back, has been outstanding on defense the past few games.

Folks who make use of their spare time have none to spare. Fred W. Grown, The Bergen (N. J.) Citizen.

Impala Super Sport Coupe--a clean new sweep in the

Now that you've seen all the daring new things our stylists do get in and sample some of the safest, soundest ideas on the road.

What you feel is as new as what you see--thanks to all the fresh thinking that's gone into the way it rides, steers, stops and looks after your safety.

It's got a remarkable new road feel--beginning with a ride so hushed and gentle you'll feel like calling this the '67 Shhhevrolet. The steering is as much as 10% easier. And you'll find the stopping smoother, too.

We put safety features on top of safety features. For example, an energy-absorbing steering wheel atop the new GM-developed energy-absorbing steering column. A dual master cylinder brake system with warning light. And seat belts front and rear with pushbutton buckles. All standard, to be sure.

And there's a new SS 427 performance package--complete with 385-hp Turbo-Jet V8 and flat-coil suspension. You can order either the Impala Super Coupe or Convertible.

Of course, there are all sorts of custom features you can get such as tape or FM stereo. You find so much that's new too much to remember--drop to your dealer's and take a look. It'll all become unforgettable.

Everything new that could happen...happened! Now at your Chevrolet dealer's.

Lady Wins Grid Contest Prize

Sometimes it takes a ladies' touch.
Mrs. Kenneth Davies, Rt. 2, Slaton, won first prize in the weekly Slatonite Football Contest last week by picking 11 of the 12 winners. She missed only the TCU - Baylor game in winning the \$5 cash prize.
Linda Kitten also picked 11 winners, but had to settle for second prize because she was farther away on the total score of the Slaton - Stanton game. Linda guessed 26 points while Mrs. Davies predicted 19.
Bradley Kitten took third place by picking 10 of 12. Twelve entrants hit on 9 of 12 games. A total of 77 entries were received.
All entry blanks are being kept for a drawing on Nov. 14, when two free tickets will be presented for the Tech - Arkansas game at Lubbock. Enter the contest this week... follow the simple rules and you could be a cash winner!

HALLOWE'EN TRICK OR TREATERS

Cotton Quality Registers Low

Cotton classed at the USDA Lubbock Classing Office during the week ending Oct. 28 was somewhat lower in quality than cotton classed the previous week, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office.
Cotton harvesting on the South Plains continued to increase daily as more machine strippers began operating. Approximately 4,000 samples were received Friday at the Lubbock, Brownfield and Lamesa Classing Offices.
The Lubbock office classed 8,700 samples during the week ending Friday, Oct. 28. This brought the total classed for the season to 12,700 compared with 49,000 by the same date last year.
Middling made up 32 per cent

of the cotton classed, Strict Low Middling 15 per cent, Middling Light Spotted 30 per cent and Strict Low Middling Light Spotted 11 per cent.
Average staple length declined sharply during the week and averaged approximately 15/16 of an inch. The average staple during the previous week was better than 1 inch. Thirty per cent of the cotton was 1 inch and longer last week compared to 49 per cent the previous week.
Micronaire readings also declined. Seventy-six per cent of the cotton "miked" in the Lubbock office was in the desirable category of 3.5 and better. The previous week 86 per cent was in this category.
The consumer and Marketing Service of the USDA reported light trading in the new crop cotton with prices steady. Average prices for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Middling 29/32 - 19.55, Middling 15/16 - 20.00, Middling 31/32 - 20.60, Strict Low Middling 29/32 - 17.75, Strict Low Middling 15/16 - 18.25, Strict Low Middling 31/32 - 18.65, Middling Light Spotted 29/32 - 17.95, Middling Light Spotted 15/16 - 18.40 and Middling Light Spotted 31/32 - 18.90.
Prices paid farmers for cottonseed ranged from \$65 to \$70 per ton.

LET'S LOOK AT THE RECORDS

The Art Reynolds Singers make their Capitol album debut in 'Tells' It Like It Is, featuring a style that can be best described as one that combines gospel with the rhythm of rock music... The six youngsters who comprise the group have been together since their high school graduation three years ago... Composer- pianist- vocalist Art Reynolds is the leader and he wrote two of the songs on the LP, Jesus Is Just Alright and Down Here Lord. Other members of the group are Thelma Houston, Alfreda James, Alexis Donnadell, Lillie Mae Brown and Glenna Session... In addition to the two Reynolds' compositions, other songs are Glory, Glory Hallelujah, I Won't Be Back, Move On Up a Little Higher, God Is Still on High and five others.

Lou Jacobi provides the comedy and stars in this music and comedy package that is designed to give a Yiddish tinge to some of today's current instrumental hits (What Now, My Love, A Taste of Honey, etc.)... Jacobi introduces each song with material written and produced by Bob Booker and George Foster... Other tunes performed in a straight manner after a no-so-straight introduction are Strangers in the Night, Malaguna, Peter Gunn, Tsena, Tsena, The Yellow Rose of Texas and Chicken Fat... This is hilarious and a must.

If we have patience we can wait for our good without tension or discouragement. Patience is the ability to wait in peace. Let us not cast away our confidence, but hold tight to it, and wait for our plans to mature with the patient confidence of faith.

Lynn County Girl In Farm Bureau Queen Contest

DIANE CORBELL

Miss Diane Corbell of Lynn County will represent District 2 in the state finals of the 1966 Texas Farm Bureau queen contest Nov. 14 in Corpus Christi. The 18-year-old daughter of Mr. and Mrs. Dwight Corbell of New Home was selected to represent this area during

recent district eliminations. At the state contest, which will be held in conjunction with the 33rd annual convention of the Texas Farm Bureau, Miss Corbell will compete with 12 other district winners for the state title. The winner will receive \$500 to cover expenses for herself and a matron escort to the American Farm Bureau Federation convention in December in Las Vegas. In addition, all district queens will receive expense-paid trips to the state convention and will be given a gift by the Texas Farm Bureau.

Miss Corbell, now a freshman at Abilene Christian College, was very active during her high school days at New Home. She was football queen, a majorette, a cheerleader, and elected to Who's Who. In addition Miss Corbell was a class officer for three years, a member of Future Homemakers of America and on the student council.

The queen finalist's hobbies include flying, creating and fixing hair styles, cheerleading, and meeting new and different people. Miss Corbell is 5' 2" tall, has blond hair and blue-green eyes.

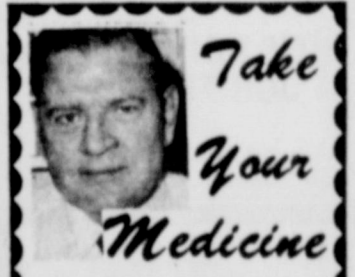

Tech, Cowboys In Close Games

LUBBOCK--Think Oklahoma State and Tech haven't been well-matched over the years?

Take, for example, the last six games played in Lubbock, site of the Nov. 5 night clash. There's not one point difference between the two schools after totaling up the points tallied in those six contests.

Texas Tech won last year by three points, 17-14, and Oklahoma State took a three-point, 9-6, in 1942. In between have been a pair of 14-7 decisions, in OSU's favor in 1944, and in Tech's in 1946. Also, there have been two 13-13 ties here, in 1954 and 1956.

Over the years, in the series beginning with Tech's 14-0 victory here in 1935, the margin is 8-5-3 in Tech's favor. Most of the games have been close, although Bob Fenimore and Company trampled the Raiders 46-6 in 1945. Tech's biggest margin came in 1955, with a 24-6 victory.

Acquires Highway Patrol Station

Slaton's newest new highway patrolman Luker and family, was designated as Patrol Sub-Station, stationed in the area and asked to serve here. Luker, a graduate of Cooper High School, is the son of Mr. and Mrs. L. H. Luker of Cooper. He worked on his father's farm until he graduated from Cooper High School in January of 1963. He was a city policeman for three months, but he can be contacted through the local city department and will work in that department any day.

New Research Center Planned

LUBBOCK -- Construction has started on a \$225,000 headquarters addition at Texas A & M University's South Plains Research and Extension Center located eight miles north of here.

The improved facility will boost the center's office and lab space from 10,912 to 22,230 square feet, according to Dr. R. E. Patterson, Dean of Texas A&M's College of Agriculture and director of the Texas Agricultural Experiment Station.

In making the announcement, Patterson said, "This addition is expected to result in improved research and education which will directly benefit the agricultural economy of the South Plains."

Architect for the installation is Howard Schmidt and Associates of Lubbock. Another local firm, Hunter Construction Company, has the building contract.

Completion of the addition is scheduled for June 1967, Patterson said. Offices at the center will be

increased from 10 to 31. There also will be 11 research and analysis laboratories in the building complex, according to Charles Fisher, research superintendent at the South Plains Research and Extension Center.

He said other improvements include an enlarged conference room, increased fireproof vault space and increased storage.

New offices will be used for researchers now housed in crowded laboratories, for district and area Extension Service personnel and for staff members to be added in the future, Fisher said.

He said the Texas A&M center currently has 29 men on the research staff plus more than 40 secretaries, technicians, laborers and part-time employees.

Four of the researchers there are joint employees with Texas Tech College, he said.

"This new addition will allow us to make this installation truly a research and extension center for the South Plains," Fisher said. "It is a fulfillment of the aims of officials had when this 301-acre center was built six years ago."

Part of the present site was donated by the A. F. Griffith family of Lubbock.

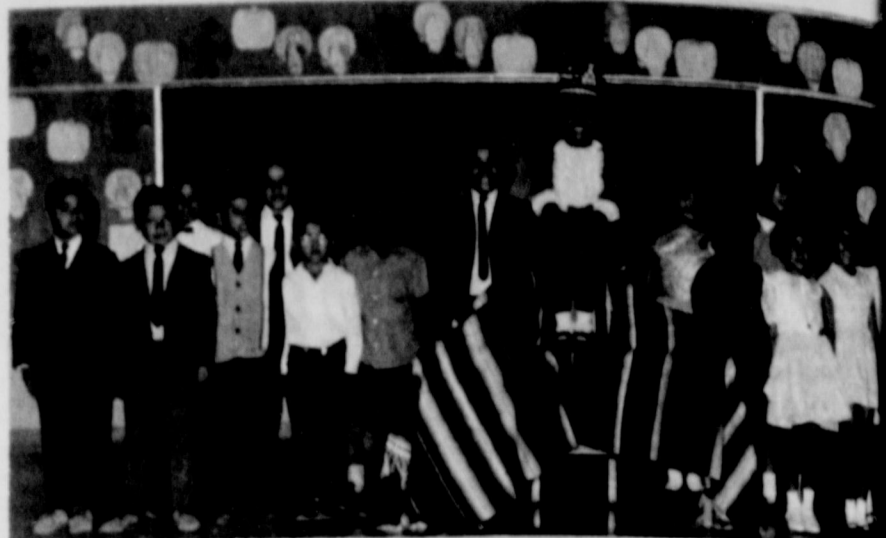

Before 1960, Texas A&M research for the area was conducted at a smaller substation located east of the center, Fisher said.

District Agricultural Agent Billy C. Gunter, District Home Demonstration Agent Mrs. Aubrey Russell and five area Extension Service agricultural specialists will move to the center when the addition is completed. They are now housed at the Federal Office Building.

"We feel the move will bring county agents and specialists closer to the latest research information," said District Agent Gunter, "and these extension workers will help the research programs of the center by keeping them even better informed of agricultural problems in the area."

The South Plains Research and Extension Center is one of six of its type in Texas.

Fisher said the South Plains center will house the largest off-campus research and Extension staff in the state when the addition is complete.

NAM Backs Cut In U.S. Spending Over Tax Hike

Substantial reduction of federal spending is the most effective tool now available to combat inflation, W. P. Gullander, president of the National Association of Manufacturers, told the Senate Finance Committee recently.

"This may not be the easiest approach, but it can be the most fruitful one," he said.

The NAM head called upon the Congress and the President to cut federal spending "as quickly and as much as possible," noting that the nation has arrived "at a point where there is no workable alternative left."

Domestic Spending

Federal outlays for purposes other than national defense rose by 11.5 per cent between the first half of 1965 and the first half of 1966, he pointed out.

"Neither the increasing cost of conducting military operations in Vietnam, nor the fact that our economy has been pressing against the ceiling of its productive potential, seems to have restrained the rising tide of civilian spending by the federal government during the past two years.

"We are glad to see that the President made expenditure reduction a major part of his program for meeting the present economic situation," the NAM president said.

Cut Spending

In calling for a substantial cut in government spending, Mr. Gullander said he was not contending that tax increases are a completely ineffective way of applying fiscal policy to inflation control or that the nation may not eventually have to turn to this line of action.

"However, dollar for dollar, so much more can be achieved by expenditure reduction than by higher taxes that the first and major effort should be on the spending side," he said.

Self-defeating

Mr. Gullander pointed out that the temporary suspension of the 7 per cent investment credit and accelerated depreciation would impair the future usefulness of these fiscal tools and be self-defeating as a means of combating inflation.

Cub Scouts Get Branded At Meeting

A "herd of cub scouts" were branded when they met in the Junior High Cafeteria last Thursday night for a pack meeting. Each boy was branded on the forehead with a branding iron handled by Ben Davis. The

brand was B, S, for Boy Scout. Davis was assisted by Everett Hodge who applied a band - aid after each branding.

The pack meeting was opened by prayer led by C. L. Newcomb, pastor of the Church of Christ, Den 8 had the opening ceremony followed by the branding.

With a candlelight ceremony around an artificial campfire, a cub scout den from Southland and several new Slaton boys were inducted into Pack 128. R. M. McMinn, scout master, conducted the ceremony, assisted by boys from other dens.

Nineteen boys received pins for being cub scouts for one year. Other awards given were: Jerry Winterrowd, bear badge and gold arrow point; Henry Rogers, gold and silver arrow point; Allen Hodge, gold arrow point; Lanny Lavender, gold arrow point; Tony Pricer, wolf badge; Mike Burk, wolf badge; and Dobby Tyree, Bobcat badge. A skit was staged by den 1 and the closing skit was given by den 6. Den 5 won the attendance and achievement awards.

It was announced by McMinn that the next leader's meeting will be in Slaton Savings & Loan on Nov. 10, and the next pack meeting will be Nov. 17.

INDUCTION CEREMONY--Several Slaton Cub Scouts and a den from Southland are shown being inducted into Pack 128 last Thursday. Parents of the boys and scouts from other dens assist with the ceremony. Conducting the candlelight ceremony are scout master, R. M. McMinn, and his assistant, Everett Hodge.

TAX BURDEN—Speaking about proposed tax increases, Rep. Glenn Cunningham (R-Neb.) said, "There are many ways to evaluate the nature and dimensions of the tax burden, but the following figures bring the subject into sharp focus. In the last five and one-half years, the federal government has taxed the American people a total of approximately \$400 billion. By way of comparison, the taxes paid by the American people from the time of the Constitution's drafting until the end of World War II totaled only \$248 billion. And still Uncle Sam continues to spend more than he collects."

See Old-age Tax Pay-in Exceeding Benefit Pay-out

By the time the 21-year-old who goes to work today (1966) retires at 65 in 2010, the value of the old-age taxes he will have paid during his working life (including interest lost) will exceed by more than \$12,000 the benefits he will draw in retirement, says Tax Foundation's new study: *Economic Aspects of the Social Security Tax*. If such a man had saved a sum equal to his tax, and got 3 1/2% interest, he would accumulate more than \$32,000 by retirement date. On the same day the value of the social security payments he would get (assuming normal life expectancy) would amount to about \$19,000.

LUBBOCK - Right now is the time for cotton producers on the Plains to begin thinking about a supply of good planting seed for 1967, while they still have most of the 1966 crop from which to choose. This is the advice of Dr. Levon Ray, agronomist at the South Plains Research and Extension Center north of Lubbock. Ray says special care in the selection and handling of planting seed from this year's crop will be even more important because of the early freeze and the high incidence of verticillium wilt, angular leaf spot and bacterial blight. Research has consistently and repeatedly proven that good planting seed is near the top among factors which influence both yield and quality in cotton production. Tests have shown as much as \$30 per acre additional income from good, strong, varietally pure planting seed.

First, Ray says producers should arrange to get seed from cotton in the most mature, disease free field available. Second, the seed roll at the gin should be dumped before this cotton is ginned. It is not possible to maintain varietal purity in any other way, he cautioned.

Third, in processing, the seed should be graded more closely than in normal years. This may result in cutting as much as 50 or 60 per cent of the lighter seed in some cases, but the seed loss is not so great when it is considered that by close grading the amount of seed needed for planting will be reduced. Fourth, the seed should be properly treated and stored under dry conditions to prevent heating and loss of germination.

Ray points out that verticillium wilt does about the same damage to seed as an early freeze. If seed from wilt infested cotton is acid delinted and treated, this disease will not be carried over to the next year's crop, he said.

However, this does not hold true for seed from fields infested with angular leaf spot or bacterial blight, Ray warns. These diseases can be carried in planting seed regardless of delinting and chemical seed treatment, and seed from cotton infected by either leaf spot or blight should never be saved for planting.

It is difficult to estimate what the supply of planting seed may be in 1967. There will be some farmers whose crop this year is not suitable for saving seed for one or all of the above reasons. And seed breeders themselves will in some instances be required to cut a high percentage of their certified seed as they are processed in order to maintain quality standards.

The unknown quality, though, is the amount of planting seed in the farmer's barn. It is wide knowledge that not too many farmers saved planting seed from the 1965 crop, but most are thought to have had a large seed supply at the beginning of the 1965 season, and some of this is probably still on hand.

"It is clear to all of us that rapidly rising textile imports are a serious threat to the raw cotton industry of the U. S."

These are the words of Donald A. Johnson, executive vice-president of Plains Cotton Growers, Inc., who recently returned from a meeting of the Textile Imports and Cotton Ex-

ports Subcommittee of the National Cotton Advisory Committee.

Imports of manufactured cotton products into the U. S. during the first eight months of 1966 were equivalent to 675,500 bales -- just slightly less than the full year 1965 total of 751,000 bales -- and

if the upward trend continues, the total for 1966 could well exceed 1.1 million bales.

Cotton imports have more than doubled in the past five years, and imports of all textile products, including man-made and wovens, are up 50 per cent just in the past year.

These and other facts reviewed by the Subcommittee were responsible for its recommendation to the U. S. Department of Agriculture that the Long Term Cotton Textile Arrangement (LTA) be renewed and made more effective wherever possible.

In addition, the Subcommittee requested that the USDA begin now to make a thorough study of other ways and means by which the rise in cotton textile

imports might be curbed. It was felt that an alternative would be needed in the event a renewal of the LTA was not accomplished or if it proved ineffective.

The LTA was negotiated with foreign countries by the Kennedy administration in 1962. It expires in 1967. Discussions leading to its extension were recently recessed in Geneva to give the various countries an opportunity to enter into bilateral agreements. The discussions are expected to be resumed late in November.

The "arrangement" is a rather loose agreement between the various countries, designed to promote orderly cotton textile imports to the U. S. It has not the means to control

imports, but only to exercise some restraint.

Under the LTA, cotton textile imports to the U. S. have gone from 428,000 bale equivalents in 1961 to 970,000 bale equivalents in the Arrangement's fourth year, which ended September 30, 1966.

For this reason many have questioned the effectiveness of the LTA, but most observers agree that without the LTA imports of manufactured cotton products would have been much greater.

WASHINGTON, PICKENS SCORE FOR TIGERS

Slaton Blanks Stanton, 14-0

BY SPEEDY NIEMAN

Crowding all their scoring into a space of 60 seconds, the Slaton Tigers downed the fired-up Stanton Buffaloes by 14-0 in an important 4-AA football clash at Stanton Friday night.

Fans who stayed at the concession stand too long at half-time might have missed all the action.

GAME STATISTICS

the scoring. After being stymied in the first half and running only 13 plays, the Tigers struck quickly in the third period.

On the third play following the second-half kickoff, sophomore halfback Richard Washington broke off tackle and streaked 43 yards for the first tally. A key block by Doyle Ethridge opened the gate.

Only 60 seconds elapsed on the scoreboard clock before Larry Pickens swiped a Stanton pass and dashed 38 yards for another score. Steve Harlan booted both points after and the Tigers had 14 points.

Washington, showing more running ability with each game, broke loose for a 70-yard touchdown run early in the fourth period, but a backfield-in-motion penalty erased the sparkling attempt.

The Tigers were, perhaps, looking ahead to Post, but it was a "must" game for the Buffs, too, and they were keyed for the homecoming contest. Stanton moved the ball well in the middle of the field, but the Tiger defense met the test each time inside their 20.

The Slaton defensive secondary, led by Steve Harlan, turned in a great game. Harlan nabbed two Buff aerials; Washington picked off a pair, and Pickens got the big one for a touchdown. The pass thefts were big factors in Slaton's fourth victory of the year.

Penalties hurt both teams with a total of 171 yards being stepped off by the officials--12 infractions for 103 yards against Stanton and 8 penalties for 68 yards against the Tigers.

Stanton dominated play in the first half, and the Buffs had the best of the statistics. The Buffs drove to the Tiger 2 on the first play of the second period, then drove to the 28 later in the period before the Tigers halted the drives. Stanton had one good drive in the second half, going to the Tiger 8 before being stopped.

Washington wound up as Slaton's top ground gainer with 47 yards on six trips, with 43 coming on the scoring jaunt. Charles Fisher, slowed by an injury, got 46 on 9 carries and he got 44 of the yards in the first half. Ethridge chalked up 34 on 7 rushing attempts.

Ethridge no gain, Washington no gain at right end, two Williams' passes fell incomplete. Buffs took over on 28. Springer 12 off left side, White 6 at right end and Slaton penalized 15 piling on for first down on Tiger 39 as third quarter ended.

FOURTH QUARTER

Springer lost 3 at right end, White passed to Springer for 18 and first down on Tiger 24. White 10 on keeper at right side for first down on 14. Springer 1 at left tackle, Hall 2 at right guard, Payne 3 at right guard, then White's pass incomplete on 4th down.

Tigers took over on own 8. Ethridge 13 up middle, then 4 on same play. Buffs penalized 5 offside. Washington broke off right guard and went 70 yards for touchdown, but play called back and Slaton penalized 5 for motion. Harlan 3 at right side, Williams' pass incomplete. Ethridge punted 47 yd. to Buff 25.

Payne 7 and Springer 5 for first down on 37. Payne 2 at left side, then White passed to Corbell for 13 yd. to Tiger 48. White's pass intercepted by Harlan on Slaton 26 and returned 6 yards to 32.

Ethridge 3 at right side, then 7 but play erased on 15-yd. penalty against Tigers. Washington 2 at left end, then Williams passed incomplete to Pickens but pass interference called for 18 yd. Ethridge 3 at left side, Washington no gain at left tackle then lost 2 at left end. Ethridge punted 33 yds. to Buff 26, but Slaton penalized 15 for grabbing face mask.

White passed to Springer for 2, then passed to Avery for 16, and again to Avery for 16 as game ended.

Roosevelt Beaten By Idalou, 48-12

Roosevelt's Eagles ran into a fired-up crew of Idalou Wildcats on homecoming night and lost a 48-12 decision Friday night at Idalou.

The Wildcats lit up the scoreboard with 21 points in the first period, starting with a long 72-yard jaunt by fullback Jody Chance.

Idalou rolled on to a convincing margin before Roosevelt found the scoring range in the third period. Roger Trammell scored on a 31-yard run, then Johnny Garner hit Joe Brown on a 19-yard touchdown-pass.

The Wildcats tallied two more, however, as Johnny Petee ran 65 yards with an intercepted pass, and Larry Isom scored on a 25-yard run.

Isom had tallied on a 17-yard scamper in the first period, and Durwood Vincent hit paydirt from three yards out. Ronnie Rose scooped 18 yards for an Idalou touchdown in the second period.

Lakeview and visited with Mr. and Mrs. Willie Nieman. They enjoyed a birthday celebration for Willie. Another of Mrs. Nieman's son, Adolph, and his wife, Gene, of Tres Ritos, N. M., also were guests in her home this week.

★★★ HOMECOMING SET ★★★

It'll be Homecoming time at Wilson beginning at 6:15 p.m. Thursday, with activities being climaxed at the Wilson-Amherst football game Friday night.

Activities include a parade, bonfire and pep rally, a supper for exes, football game with crowning of the Homecoming queen, and a reception for exes.

The parade is scheduled to start at 6:15 p.m. today. A pep rally will follow in the high school gym, then a bonfire and rally outside.

Supper for homecoming ex-students starts at 5:30 p.m. Friday in the cafeteria. Bob Lamb, president of the ex-student group, said registration would begin at 4 p.m. Friday. Coffee and donuts will be served after the game.

Classes of 1955 and 1956 will be honored during the Homecoming festivities.

Candidates for the Homecoming Queen title are Vickie Lane, Karen Swan and Wanda Wuensche.

Sundown Romps Over Cooper

The league-leading Sundown Roughnecks showed off their power in rolling to a 51-8 victory over Cooper's Pirates Friday night at Woodrow.

Sundown's talented back, Ronny Popejoy, sparked the one-sided triumph by running for four touchdowns and passing for two more. Popejoy scored on runs of 9, 10, 16 and 5 yards. He also ran for three 2-point conversions.

Cooper's only score came in the fourth period when Eddie Hickman passed to Ronnie Schaffer on a 17-yard touchdown play. Gary Beard passed to Mike Ehler for two points.

Popejoy's two touchdown passes went to Randy Carter for 32 and 41 yards. Jimmy Jackson scored the other Sundown touchdown on a 5-yard run.

ITEM: The inside of furniture drawers should be sanded smooth and lacquered to prevent snagging and to make cleaning easier.

Drop-Outs

An estimated 604,000 Americans 14 to 24 years old dropped out of school before completing high school during the 12 months prior to October 1964, a study by the Census Bureau shows.

Rope Pull

In Okinawa, largest of the Ryukyu Islands in the Western Pacific, an annual tug-of-war involving nearly a thousand men takes place once each year. The rope, weighing several tons, is six feet in diameter and is paraded through the streets before the contest.

Wilson Wins, Takes On Amherst Friday

Scoring a touchdown in every quarter, the Wilson Mustangs captured a 30-0 victory over the New Home Leopards in a District 2-B grid battle Friday night at New Home.

The Mustangs rolled up almost 400 yards total offense while limiting the Leopards to just 44 steps. Wilson is 5-2 on the season and 3-2 in district, and the Mustangs celebrate homecoming Friday night when they take on the strong Amherst Bulldogs.

Kickoff is 7:30 p.m. Friday night for the homecoming contest.

In last Friday night's game, John Scott opened scoring for

Wilson when he dashed six yards on an option play. Mike Ward converted for a 7-0 lead.

Dennis Verkamp took a pitch-out and swept into paydirt from three yards out in the second period, then he took a pass from Scott for two points as Wilson took a 15-0 lead at half-time.

Scott hit the scoring column again in the third as he broke loose on a 35-yard touchdown run. He then passed to Moore for two points. Gary Crews capped the Wilson scoring on a 7-yard run, then Ward kicked his second extra point of the night to make it an even 30 total.

Klondike Edges Southland, 28-26

Extra points were the difference at Klondike Friday night when Southland's Eagles almost toppled the district-leading Cougars in a 28-26 contest.

Southland managed only one conversion after a touchdown and wound up two points shy of the strong Klondike team. The score was 14-14 at half-time, but a comeback by Southland in the fourth period fell short when the conversion attempt failed.

Klondike scored two touchdowns in the first period on a 70-yard kickoff return and a 35-yard run by David Neill. Southland bounced back in the second period as Jack Abshire scored on runs of 15 and 10 yards.

Klondike took a 28-14 lead after three quarters when Jack Warren tallied from 5 yards out and Billy Hemphill went two yards. A Warren pass to Lyndell Rineault for two points after one score proved to be the difference.

Hector Salinas led a South-

land comeback in the final period with a 7-yard TD scamper, then Abshire found the scoring range again with a 3-yard plunge. Both conversion attempts failed.

SUNDAY'S SERMON

COOPERATION

Cooperation is a word that many people use only when they are seeking help or assistance. How often has someone contacted you with the words, "We'd like to have your cooperation?" Certainly, more often than you have been contacted by someone who heard you had a job that needed doing and was ready with assistance. Working together is what makes a baseball or a football team a winning combination. But here, under the guidance of a coach, each man recognizes he has a job to do and by doing that job will contribute to the success of the team. In everyday life, many of us pass up the opportunity to do our part. We never volunteer when we see a job that needs doing. Someone else always takes care of it, sooner or later. Look around you. Isn't there some way you can be helpful? Don't you have some time you can give to some worthy endeavor? Select your own job that needs doing and offer to do it. You'll be surprised at how good it will make you feel.

POSEY NEWS

MRS. ANNA B. GENTRY

Another Halloween has come and gone. I hope the ghosts and goblins didn't scare you too much. They didn't find me this year.

The weather is ideal. I don't even remember such a pretty Fall. The cotton is so pretty and white, just hope no storm comes before it is harvested. The freeze killed the leaves but although they have turned brown, they are still on the stalks. They need to fall off before the cotton can be machine harvested.

Mrs. Mert Gentry was unable to attend church Sunday due to a deep chest cold. Also Mrs. Fala Moeller has had something like the flu for some time and hasn't fully recovered. She was able to attend church Sunday though. She and her husband, Joe, were visitors in the George Hilbers home Saturday. The men played dominos the others visited. Other visitors were Mike Hilber's daughter and husband and children of Wichita Falls. They left Monday and Mike went with them to visit his daughter who is a patient in a Wichita Falls hospital. The Moellers visited Roland Schuette Sunday afternoon.

Roland and H. G. Schuette drove to Fredricksburg to visit their mother. She was a Posey resident some years back.

The Ed Watsons of Amarillo visited Fabian Stahl and Heddie Kelly and other relatives and friends in and around Posey and Slaton a few days ago.

Fabian and Heddie were visitors Sunday with Lawrence Schultz and family at Smyer. They visited in Levelland with Bennie Schultz and family, Michael and Martha McRony, Geraldine Spencer, Luddie Silhan, H. L. Shakespear, and A. R. Guttersloh.

Mr. and Mrs. Roy Poage are building a new brick home on the northeast corner of their farm. It will be a three bedroom with a basement playroom. Poage's sister, Mrs. A. R. Evans, wrote them that she would be there Thursday from Haul where she has been with

her husband who has a traveling government job.

Mr. and Mrs. James Kitten and family have a new motor boat. On Sunday afternoon they tried it out at Buffalo Lake and had a barbecue supper. Albert Johnson is still in the hospital at Big Spring. He is showing some improvement from a heart attack he had several weeks ago. We hope he will be able to come home soon.

Edward and Pauline Maeker visited his parents, the Ed Maekers, Sunday. Their children, Rosemary and Sharon, are spending this week with them in Lubbock and visited their grandparents Monday.

Mr. and Mrs. P. C. Kitchens and his mother visited their brother and son, Bill Kitchens, who is seriously ill in Dimmitt, last Thursday. The Kitchens' daughter, Mrs. Dorothy Martin and son, Eddy Lynn, spent Saturday with their parents, the P. C. Kitchens.

My visitors this past week were Mrs. Bill Karon, of Lubbock, grandson Johnny Mangum and Mrs. Lorene Mangum, all Saturday; Charles Gentry and family, Mrs. Ruth Johnson and Brenda, all of Lubbock, on Sunday; and Mr. and Mrs. Gilbert Self of Slaton on Monday.

Thanks to everyone who called in news. News for next week's column should be in by early Monday morning. Call VAB-3041.

Be with you next week, the Lord willing.

Circle Elects New Officers

The Elizabeth Truly Circle of Westview Baptist Church met Oct. 25 in the home of Mrs. Dwayne Smith.

New officers elected were Mrs. L. O. Lemon, Bible study chairman; Mrs. Harold Mathis, prayer chairman; Mrs. Charles Earwood, program chairman; Mrs. Myron Kattner, mission study chairman; and Mrs. T. V. Ellis, missions and action chairman.

Business and aims for the coming year were discussed. Refreshments were served following the meeting.

The circle will meet Nov. 8 in the home of Mrs. A. L. Romines.

PVT. WILLIAM D. CAIN

Cain Completes Training Course

CAMP PENDLETON, CALIF. (FHTNC) Oct. 6--Marine Private William D. Cain, son of Mr. and Mrs. William L. Cain, Jr., of 712 2nd St., Slaton, has completed four weeks of individual combat training here.

During the training period, he received more than 200 hours of instruction in guerrilla warfare, the use of infantry weapons, combat patrols, and squad tactics. His next assignment is four weeks of basic specialist training to prepare him for a specific job in the Marine Corps. Marines to be assigned to infantry units will be taught sub-specialties such as the technical operation of the machine gun, grenade launcher, or mortar.

Those entering highly skilled occupational fields will receive advanced training at resident technical schools.

Here's a tip for the sewing enthusiast. Zipper tapes will shrink during laundering. To minimize puckering, zippers should be preshrunk at least twice by soaking in hot water for 10 minute intervals. For a well-tailored final product, be sure linings, trims and other findings are also shrinkproof.

Cooper WSCS Meets Monday

The Cooper Woman's Society of Christian Service met Monday afternoon at 2 p.m. in the church. The meeting was brought to order by president, Mrs. Bobby Jones.

A short business meeting followed reading of the minutes. Mrs. Bobby Smith sang a solo and brought the devotional. Mrs. W. W. Allen was in charge of the program. For the program, a film was shown by Mrs. Johnnie Williams on poverty in Korea and Iran.

After closing the meeting with prayer, refreshments were served to 12 members and one guest.

The next meeting is scheduled for Nov. 7 at the church.

Westview YWA's Elect Officers

The YWA's of Westview Baptist Church met last Monday night in the home of Mrs. M. E. Cagle to elect officers for the coming year.

Chosen were Linda Romines, president; Treva Montgomery, vice - president; Ruth Ellis, secretary - treasurer; and Ann Mathis, program chairman. The group voted to meet the second and fourth Monday of each month. The next meeting is scheduled for Nov. 14 in the home of Ruth Ellis.

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion. Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

LET'S KEEP THIS KIND OF PROGRESS AND PROSPERITY FOR TEXAS! HELP GIVE AN OVERWHELMING MANDATE FOR THE VISIONARY LEADERSHIP OF DEMOCRATIC GOVERNOR JOHN CONNALLY AT THE POLLS NOVEMBER 8TH!

Work
"Whatever your task, work heartily, as serving the Lord and not men" — Colossians 3:23

To some people, work is an ugly word. To some, it implies physical labor... a job that cannot be done without getting your hands dirty without perspiring, without blister or two. Within your physical capabilities, never fear honest work. There can be great satisfaction in doing well any task that needs doing. The man who digs a ditch, if he digs it straight and true, can be proud of the job he has done and, especially gratified, if he is secure in his knowledge he returned a full day's work for a full day's pay. Do not concern yourself over things that you cannot do; spend your time doing well the things you can.

LETTERS TO THE EDITOR

We have been producing more cotton than we are using. That, in the briefest of terms, is the heart of the "cotton problem." That is why cotton acreage has been cut back to the lowest level in almost 100 years, why gins are ginning about 25 per cent less cotton, and why growers are wholeheartedly backing the "dollar-a-bale" program to expand markets.

Cotton has been going into storage while competing materials have been going into products that are being bought and used. These competitors -- man-made fibers, paper, plastics, etc. -- have been moving in on cotton for more than 25 years.

Other fibers have taken over more than two-fifths of cotton's share of the domestic market since 1939 and have captured more than one-half its share of the foreign market. The carryover of cotton consequently has mounted. We had 11.2 million bales left over in 1965 and 12.4 million in 1964. Last year the carryover rose to 14.3 million bales. Now it is at an all-time high -- 16.9 million bales.

As a result of this big carryover, acreages have been cut drastically -- nearly a third on the average this year. Cotton farmers can't survive with such acreage cuts. In their effort to meet price competition, they have increased efficiency and productivity. Production cut-backs, however, nullify this by lowering efficiency and raising unit costs.

The answer to the cotton problem plainly is not further cuts in production. It is greater markets. The only way to achieve this is by employing the tools our competition has been using so successfully -- research and promotion.

A strong "yes" vote in the upcoming dollar-a-bale referendum will mean we can really move ahead in research and promotion, thus assuring greater acreage, increased profits, and a solid future for cotton.

IT'S FAIR TIME IN TEXAS--It's campaign time in Texas, and what's a campaign without good catin'? Attorney General Waggoner Carr, plying the hustings in his U.S. Senate race, sinks his teeth into a well-battered roasting ear and obviously finds it is a pleasure. Scene: the East Texas Fair at Tyler.

THE FAMILY LAWYER

When Money Won't Do

By winning his lodge's annual golf tournament, Roger became entitled to the traditional silver loving cup. But to his chagrin, the previous winner refused to part with it. When Roger filed suit, the other man told the court:

"This cup can be duplicated for about \$95. If I am wrong in keeping it, suppose I just pay him the \$95 and we will call it square."

But the court ordered him to hand over not \$95 but the cup itself. The judge said the trophy had, over and above its cash value, a unique sentimental value. Hence, mere money could not be a satisfactory substitute.

Whenever money damages would not be "just as good," the law may insist upon what it calls "specific performance" -- that is, performance of the actual obligation rather than just damages for non-performance.

Specific performance is decreed

most often in cases involving real estate. Suppose you make a contract to buy the lot on the southeast corner of Maple and Spring, and then the seller backs out. You could probably get a court order commanding him to transfer that specific property to you. For there is no other piece of land in the entire world exactly like the one you bought. Money damages would not make you come out even.

Will a court always order specific performance, whenever money damages would be inadequate? No, because sometimes it is simply not practical. For example:

When an opera star broke his contract, the management asked a court to force him to sing. True enough, money damages were no substitute for an actual

performance. Yet, the court refused a decree. The judge said he would have no way of telling whether the star, if forced to sing, was singing as well as the management had a right to expect.

Besides being impractical at times, specific performance may also be unjust. Say a girl's fiance breaks their engagement. Money damages, even if available to her, would not be the equivalent of a husband. But no court would literally make the man get married. As one judge explained:

"It is abhorrent to public policy to force a man or woman, under penalty of contempt of court, to enter into a marriage that is objectionable."

GIANT SYNTHETICS PRODUCERS ARE TAKING COTTON'S MARKETS

HOW CAN 500,000 FARMERS FIGHT BACK?

The Farmers' Answer: 'Expand Research & Promotion'

With huge research and promotion expenditures, synthetic fiber firms rapidly are taking cotton's markets. As a result, the carryover is at an all-time record. Acreage is the lowest since 1872--down 30 per cent on the average for 1966.

But farmers have developed a way to fight back. It enables them to pool their resources to mount a hard-hitting research and promotion program to save cotton markets, acreage, and income.

Self-Help Plan Brings Beltwide Acclaim, Support

The farmer-originated plan gives growers an opportunity to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for expanded research and promotion. Thousands of growers and 61 cotton organizations have endorsed this approach--*overwhelmingly*. The press is praising farmers for their efforts to help themselves.

We Compliment Cotton Farmers On Their Business Approach

Clearly, the plan is based on hard and sound thinking. All projects must be initiated by grower trustees elected by cotton producer organizations. Other provisions give equal assurance of farmer direction and control. Any individual farmer who does not want to participate can have his money refunded.

We recognize that cotton is the economic lifeblood of our business and our community. We are happy to offer any assistance we can give our farmer friends as they work for approval in the referendum.

SHORT SNORTS
Governor Connally announced approval of \$112,607 HeadStart project grant for Del Valley Independent School District, Travis County, and \$147,209 for South Park Independent School District, Jefferson County.

State Building Commission announced plans to expand the State Capitol area eastward several blocks to Waller Creek. Property will be beautified and used for recreation purposes until needed for building.

Western Fire and Indemnity Company and Mid-Continent Insurance Company, Lubbock, have been rehabilitated and released from receivership, says Insurance Commissioner Clay Cotten.

Two new opinions by the attorney general held that Childress County or its hospital district may have custody of interest and sinking funds to retire hospital bonds and that separate columns on the same assessment blank may be used for assessing values of different local taxing units.

Rep. Gene Fondren of Taylor will head a new House committee to investigate feasibility of group insurance for state officials and employees.

VETERANS DAY PROCLAMATION

WHEREAS, The Congress of the United States has declared the eleventh day of November of each year to be a legal holiday and designated it as Veterans Day; and

WHEREAS, Veterans Day has been established as an occasion appropriate for expressions of public honor and esteem of our veterans, and a day dedicated to the cause of an honorable world peace; and

WHEREAS, The men and women who served in the uniform of our country have contributed immeasurably to the preservation of America's freedom; and

WHEREAS, Americans who today serve in our armed forces are continuing to display a gallant and inspiring willingness to champion the cause of freedom which is being challenged by the forces of an aggressive ideology seeking world domination; and

WHEREAS, The Nation and the free world are eternally grateful for all of these contributions to the quest for an honorable world peace; now

THEREFORE, I, Jonas Cain, Mayor of the City of Slaton, do hereby call upon all of our citizens to observe Friday, November 11, 1966, as Veterans Day, and ask that the occasion be observed with appropriate ceremonies in honor of those who have borne the burden in the defense of our freedom.

I further call upon all of our citizens and business firms to mark this day with the proud display of the Flag of the United States as a reaffirmation of our support of our national purpose in the defense of freedom's cause throughout the world.

IN WITNESS WHEREOF, I have hereunto set my hand and cause to be affixed the official seal of the City of Slaton, this 3rd day of November, 1966. Jonas Cain, Mayor

FAMILY POT LUCK

BY HELEN MALE

Banish Menu Blues
Two favorites, quickly put together, will please the family. Canned spaghetti and fish sticks are the items, with the latter perched on top of spaghetti placed in a casserole. Bake at 425° F. 15 to 20 minutes.

Sliced turkey can be reheated in gravy or cream sauce with pimiento for color. Serve with green pea and celery salad.

Zucchini squash slices are wonderful fried in butter, then sprinkled with salt. Add precooked (5 minutes) pork sausage links to the squash and cook until lightly browned. Serve with canned, drained and broiled peaches.

Lots of tomatoes still in the garden? Scoop them out and fill with a mixture of canned or cooked diced chicken mixed with bread crumbs, mushroom soup (undiluted), 1 slightly beaten egg, celery, chives, and pimiento. Bake in a 375° F. oven for 20 minutes.

Did you know that tuna can be seasoned with herbs, mixed with whole wheat flakes and grated cheese to fill an eggplant shell? Bake at 375° F. 30 minutes.

Rice Story
Regular rice swells to about three times its original measure; processed rice to about four times, and precooked rice to almost double.

Our little granddaughter is an addict of bread and jam and, like some other youngsters, is averse to the crust. And her grandfather is very proper. We may be sure, however, that she had no intention of double entendre when, in asking for a snack, she said "Grandpa, put lots of damn on it but take the crust off."

A hen and a hog were travelling together and passed a church that displayed the subject for the Sunday sermon: "How Can We Help the Poor?" After a moment's reflection the hen ventured, "I know what we can do! We can give them a ham and egg breakfast."

"You can say that," the hog replied, "for you that's just a contribution, but for me it's total commitment."

ONE PLANT IN SLATON

Sunray DX Oil Buys Red Barn Chemicals

TULSA -- Sunray DX Oil Company today announced completion of the acquisition of Red Barn Chemicals, Inc. of Shreveport, La., which formerly was a subsidiary of Chemical Enterprises, Inc. of Dover, Del.

Paul E. Talliaferro, chairman and chief executive officer, said Sunray DX purchased the outstanding stock of Red Barn Chemicals, Inc. following the approval of Chemical Enterprises board of directors and stockholders. The amount of the purchase was estimated at about \$5,000,000.

Talliaferro said Red Barn will be operated as a wholly-owned subsidiary, with J. C. Berry remaining as president of Red Barn. Red Barn will operate under Sunray's agricultural chemicals department with W.

G. Barker, Jr. as director. Red Barn manufactures, formulates and markets fertilizers and other agricultural chemicals, and operates in a six-state area of the South and Southwest. The firm employs about 300 people and operates four manufacturing and formulating plants, located at Gilliam and Monroe, Louisiana, and Slaton and Freeport, Texas. Sales during the 1965-1966 fiscal year totaled in excess of \$15,000,000. The company markets anhydrous ammonia and ammonium sulfate and produces and sells other liquid and dry fertilizers, insecticides, herbicides and feed supplements through one hundred eleven wholesale and retail outlets in Louisiana, Texas, Arkansas, New Mexico and Arizona.

Tower Pleased With 'Victory Trend' In Race

HOUSTON -- Senator John Tower said this week at a press conference that he was "most pleased with the victory trend so obviously running in my re-election campaign."

"Everywhere I go I see added strength and enthusiasm. Today's poll supports that view. Scores of Texans have told me in recent days that they feel I am doing a good job for them. I deeply appreciate that, and I believe this public view is reflected in my growing electoral support."

"Because of my previous gains, I expect my opponent to make next week a last ditch, desperation attempt to save his losing candidacy. I expect he will appeal to many stronger men to help him, but strong men cannot transfer their prestige to weaker men."

"Texans plainly view this race as one between John Tower and Waggoner Carr."

"I promise to maintain for Texas strong, independent representation in the Senate. Texans made up their own minds when they elected me in 1961. I am confident that November 8 decision will be the same."

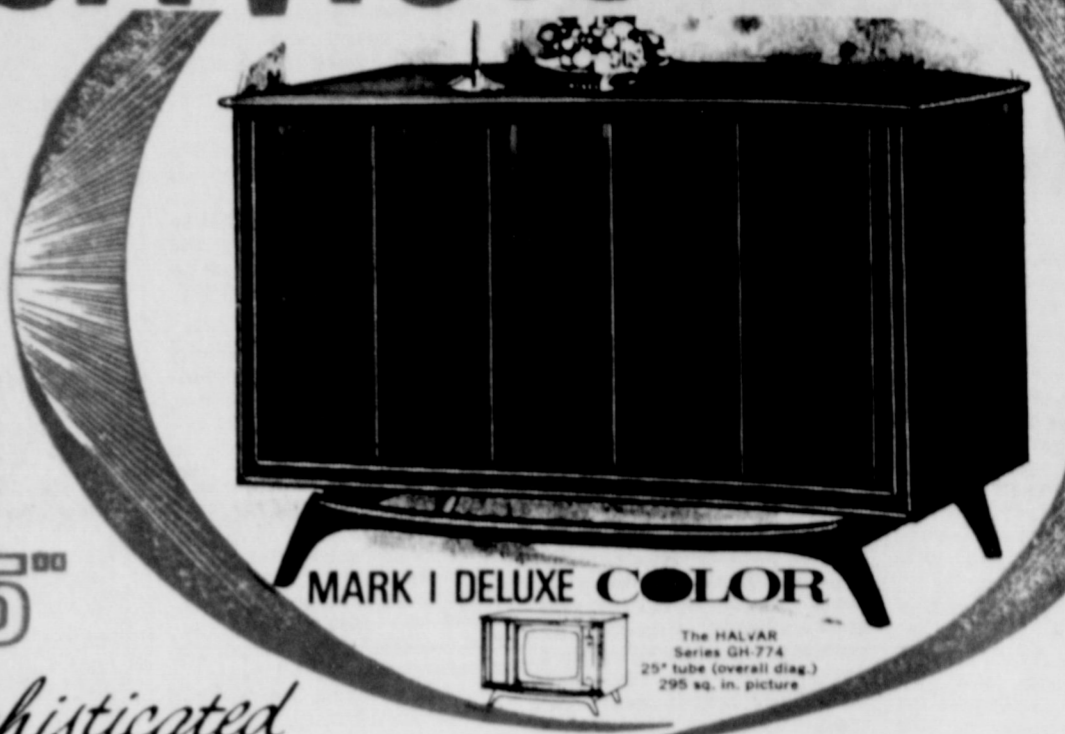

U.S. Senator John Tower is the son of Dr. and Mrs. Joe Z. Tower of Atlanta in Cass County. Dr. Tower, a retired Methodist clergyman, served as executive secretary of the Texas Conference of the Methodist Church until his retirement in June of 1965. Senator Tower's grandfathers were also clergymen. Here, Senator Tower, has coffee with his parents at their farm home.
