Heinrich Named 'Farmer of Year'

W. O. (Walter) Heinrich was recognized as "Outstanding Farmer" of the Slaton area in a surprise presentation at the 9th annual Farmer-Merchant Barbecue here last Thursday night.

Almost 600 farmers and merchants crowded into the junior high gym for the annual event sponsored by Slaton Chamber of Commerce. Rain forced the barbecue affair to be moved from Little League Park.

Heinrich became the first recipient of the "Outstanding Farmer" award after the Chamber decided to start the honor this year. The C of C salutes a "Citizen of the Year" and "Woman of the Year" at its annual banquet each year in January.

Assisting at the barbecue event were Wayne Cooper, C of C manager, secretary Joyce Kent, Mary Jane Jackson, Madeline Heinrich, and several FFA girls.

Firemen Need Clear Airways

Slaton volunteer Fire Department has run into a problem on its two-way communications during fire calls, and Chief Don Kendrick is asking for the cooperation of all citizens.

Missing from the event was the traditional presentation of cash prizes for the first three bales of cotton. Unusually wet weather slowed the maturity of cotton and, for the first time in nine years, the first bale of cotton had not been produced in the area.

Heinrich was presented an engraved plaque for being recognized as the outstanding farmer. The 37-year-old farmer is a native of Slaton and farms south and east of town. Judging was based on overall efficiency of his farming operations as well as service to his community.

Rain Continues, No First Bale Of Cotton Yet

More moisture was reported south and west of Slaton early Tuesday morning with amounts up to .90 of an inch around Wilson. The rain apparently stopped about five miles south of Slaton.

Eleven Tie In Football Contest; Tech Tickets Are New Feature

Eleven entrants tied for honors in the weekly Slatonite Football contest last week, but Ronnie Rogers of 1120 W. Lynn and Gregg Nowlin, 1105 W. Lubbock, divided first and second-place money of \$8 by coming closer on the tie-breaker score.

Two of the games ended in ties and were the only games missed by 11 of the entrants. Buford Duff, 514 Plaza Dr., won third place of \$2.

If you haven't been entering the contest, start this week and be eligible for the drawing of the Tech - Arkansas tickets. Turn to the football contest page, follow the simple rules and have your entry blank signed by a participating merchant.

Dean Hatchett became the first golfer to reach the finals in the first annual Men's City Golf Tournament this week at Slaton Municipal Golf Course.

Still looking for their first victory under new Coach Ernie Davis, the Slaton Tigers make their debut before the home folks Friday night in Tiger Stadium when they host the Crosbyton Chiefs.

Kickoff time is 8 p.m. and it should be a "standing-room-only crowd" -- especially with new stands under construction on the west side.

Temporary bleachers will be moved onto the north and south ends of the east side, according to Supt. Lee Vardy. Slaton fans will keep the east side until the new concrete stands and facilities are completed on the west.

New lights will be ready for the opener, with large metal poles being installed behind the stands to replace old wooden poles formerly in front of the seats. More lighting has been added, also, with portions of the fence down around the field, members of the Lions Club and Tiger Club will assist as ticket takers Friday night.

The young Tigers, with one loss and a tie added to their experience, should be in good physical shape for the first home battle. Tackle Bobby Ball will probably miss action due to a sprained ankle, but defensive starter Steve Harlan is back after missing last week. Halfback Gary Brush is slowed with a bruised leg and may miss action.

Coach Davis told Tiger Club members Monday night that the Tigers didn't feel like they were beat last Friday at Idalou. "We just ran out of time," he said. The Tigers battled to a 0-0 tie at Idalou after a Slaton touchdown was called back on the opening kickoff on a controversial offside penalty.

"The boys have a great at-

itude. . . we want this one real bad," Davis said. On the other hand, Davis cautioned that Crosbyton is "hungry", too, after two defeats. The Chiefs lost to a strong Tahoka team last week, 26-13, and lost their opener to Lockney, 19-9.

Davis announced his starting lineup would be about the same as last week with the exception of Ball and Brush. Johnny Lakey, 190, will probably replace Ball at offensive tackle, while Dale Harris will fill in on defense. Harlan will step back into his defensive halfback post in place of Brush.

The offensive lineup shapes up as Tommy Donaldson and Claude Stricklin at ends, Lakey and Roy Green at tackles, Joe Olague and Buddy Pettigrew at guards, Tom Davis at center, Jim Williams at quarterback, Doyle Ethridge at wingback, Larry Pickens, halfback, and Charles Fisher at tailback.

On defense: middle guard: Harris and Green, tackles Davis and Donaldson, ends Stricklin and Ethridge, linebackers Olague and Pickens, and safety Richard Washington.

Coach Luane Wright, a former Slaton assistant, has switched to the I formation at Crosbyton this season with more passing planned to complement the swift running of Jimmy Flournoy (155) and the line smashing of fullback Robert Barrett (195).

The Chiefs return 12 lettermen from a team that won 8 and lost only 2 last season. One of the victories for the Class 4-A team was a 20-8 triumph of Slaton. Heading the list of veterans are Flournoy and Wynn Robinson (210), all-district and all-region center last season.

Winners Advance In City Golf Meet

Dean Hatchett became the first golfer to reach the finals in the first annual Men's City Golf Tournament this week at Slaton Municipal Golf Course.

Results in second-round play: CHAMPIONSHIP -- Hoffman def. Carl Lewis Jr., 3-2, Dean Hatchett def. Doc Reasoner, 5-4, Carroll McDonald def. Rodney Farrell, 4-3, Don Hatchett def. David Tucker, 1 up.

Finalists in the first flight have been determined -- it'll be J. S. Edwards Jr. vs. Dee Bowman.

Consolation -- Teddy Hatchett def. Mike Williams, 5-3, Don Crow def. Allen Miles, 3-2, Nick Quintanilla won on (See CITY GOLF, Page 7)

Police Report Minor Incidents

Police reported a car missing some where in the vicinity of the Fiesta Thursday night at 10:55 p.m. Early the next morning, complainant Paul Prieto called and said he found the car in a ditch on the east side of town. It was slightly damaged.

GOP Salutes Bill Klattenhoff

W. J. (Bill) Klattenhoff of Slaton was honored this week in San Antonio at the state Republican Party meeting when he retired as district committeeman.

Slaton's "Mr. Republican" had served on the executive committee for 6 1/2 years. Named to replace Klattenhoff was Syd Moore of Lubbock, the county GOP chairman.

Sla-Ton Tops Change Time Of Meetings

A good weight loss was recorded for eight members when they weighed in at the Monday night meeting of the Sla-Ton Tops Club. The club met in the dining room of Mercy Hospital.

The club voted to start their meetings at 7:30 p.m. instead of 7 p.m. in the future. A new contest was started and was agreed on the present the winner \$1 for each pound lost.

Group number two won in points for the last six months and new groups will start next week. Anyone interested is invited to attend the club's meetings each Monday night at 7:30 p.m. in Mercy Hospital dining room.

Mr. and Mrs. Bob Milliken's weekend guest was his aunt, Mrs. E. N. Milliken. Sunday guests were his sister and family, Mr. and Mrs. Junior Fogg and Mrs. Edith Fogg, all of Southwanton, Maine; Mr. Milliken's mother, Mrs. R. B. Milliken of Lubbock; his brother, Pat Milliken of Lubbock and his daughter, Cindy, and Mrs. Melba Ehridge.

MRS. MACK HOLT (Miss Judi Dawson)

Holt-Dawson Vows Read In Ceremony

Double ring wedding vows were read for Miss Judi Dawson and Carlos Mack Holt Friday at 7 p.m. in the First Methodist Church, The Rev.

Olle Apple, retired Methodist minister, officiated the candle-light ceremony.

The bride is the daughter of Mr. and Mrs. W. H. Dawson. The bridegroom is the son of Mr. and Mrs. W. L. Holt of Petersburg.

The bride was given in marriage by her father and wore a white satin and lace gown. She wore a veil of silk illusion trimmed with lace matching the panels of lace on the A-line skirt and empire waist of the gown. The dress was designed with a chapel train. She carried a white bouquet.

Attendants were Mrs. C. E. Pender and Miss Suzy Dawson of Lubbock.

Terry Lyn Dawson of Lubbock was flower girl. Jon Karl Dawson was ringbearer.

Charles Pender of Lubbock was best man and Sydney Worthen of Lubbock was groomsmen. Ushers were Charles Holt of Petersburg and Teddy Dawson.

Musical selections were presented by Mrs. Ray Ricker, organist, and Miss Mary Ruth Green, flute soloist.

After a trip to New Mexico, the couple will be at home at 2019 E. 1st St. in Petersburg. The bridegroom, a Scottish Rite Mason, is employed by Delbert Williams Flying Service. He was graduated from Petersburg High School and served with the U. S. Army.

The bride is a graduate of Slaton High School and Jessie Lee's Hair Design Institute.

The U. S. has about 490 million acres of forests, good, poor and in-between.

Miss Marilyn Maeker will return to Texas Tech as a sophomore after spending the summer with her grandmother, Mrs. M. E. Morris. Miss Maeker's parents are Mr. and Mrs. Arden Maeker of Richardson.

Hanners-Harris Vows Solemn

Miss Susan Jeanette Harris and Gerald Marvin Hanners exchanged wedding vows in a double ring ceremony at 10 a.m. Saturday in the Second Baptist Church in Lubbock. The Rev. Robert J. Hearn, pastor, officiated, and the bride was given in marriage by her father, Mr. and Mrs. Harold W. Harris of Lubbock are parents of the bride. Mr. and Mrs. G. W. Hanners of Spearman are parents of the bridegroom.

Mrs. Dennis Willett was matron of honor, and Don Gull of Canyon was best man. Richard Halthcock of Lawton, Okla., and Jack Harris seated guests. Larry Douglas was organist.

A white Lori-lin costume suit was selected by the bride. The dress had a bateau neckline and a sleeveless bodice enhanced with a bow at the waistline. An A-line, full-length loose-swing coat was worn over the dress. The coat had elbow-length bat sleeves and fastened above the waistline with a small bow.

Her headpiece was a matching pillbox with a jet veil and a circle of imported silk illusion. She carried a white orchid accented by feathered numas. Mrs. Willett wore a street-length dress of moss green Italian silk. The dress was designed with a bateau neckline, elbow-length bell sleeves and an A-line skirt. Her headpiece was a moss green ring with a circle of illusion. She carried

gold pompon mask. English Ivy. The couple graduated from the church party reside at 225 S. 1st St. in Slaton.

Mrs. Hanners holds a bachelor's degree in French from the University of Texas at Austin. She was a member of the social sorority Phi Kappa Phi. She was a member of the Dean's Honor Society. She taught French at Tulla High School.

Hanners is a Spearman High School graduate. He has a bachelor's degree in speech from Texas State University. He has done graduate work at Texas Tech and is employed as a program director at the station here.

BY LAVON NIEMAN

Always look to the future. The past was bad enough. WW If you attended the Slaton-Idalou football game, I'm sure you will have to agree with me that the Tiger Band looked MAGNIFICENT in its performance at half time. Slaton High and the entire town has reason to have alot of pride in this fine band again this year. WW I thought our football team put on a good show, too. Especially the first play of the game when a Tiger ran 86 yards for a touchdown. It was disappointing to see it called back... but was even more disappointing when the film was shown where it could be plainly seen that no Slaton player was off sides as the official ruled. WW Being a writer of society news for the Slatonite is a pleasant job for me, but writing weddings is not one of my favorite pastimes. Some time ago, a bride's mother brought the facts into the office about her daughter's wedding. She said she believed she reported every detail except which mother presided the most. WW It is believed by many readers that newspaper accounts of weddings include much information that is of no particular interest and omit many items of much greater importance. See if you like some of the following paragraphs compared to the general wedding story. I've always wanted to write one as I pleased, but never had the nerve. WW A few examples: Miss Betty Bunch became the bride of Larry Lewis Saturday in the Community Church. Miss Bunch, whose social security number is 067-50-9374, is the daughter of and Mrs. Lem Luger. She was given in marriage by her adoptive former stepfather, B. B. Bunch, acting for her mother's husband who is confined to his home by illness. The bride wore a brocade velvet early colonial pillbox with butterfly veil and matching butterflies in her stomach. The complete ensemble was sensibly priced at \$62.50. The bride's mother chose a miniskirt green shift with empire waist and scoop neckline but was persuaded not to wear it for obvious reasons. The mother of the bridegroom wore a gownless evening strap with orchid corsage.... Guests were registered by Miss Susan Smith. Preliminary unofficial estimates of the net worth of the gifts in relation to the total expense incurred by the bride's family indicate a net loss of nearly \$600. Miss Bunch was graduated from SHS where she finished fairly well down on the list. The groom also graduated from SHS and is currently enrolled in a business school in Lubbock, where he will continue his studies unless the bride's health should constitute a future conflict of interest. The couple will be at home at 1001 S. 45th St., Slaton, Zip Code 79364. Guests of the wedding were from all of the usual places.

Bettye Burks Is Delegate To NAWIC Meet

Mrs. Bettye Burks, Rt. 2, Slaton, was named as a delegate to the National Association of Women in Construction's 11th Annual convention which was held in Miami, Fla., beginning last Thursday and continuing through Sunday. She serves as president of the Lubbock chapter of WIC. Mrs. Burks, National Education and Public Relations chairman, delivered an address to the convention body Friday. Her topic was "Value of Self-Education". Immediately following her speech, she was moderator for a panel workshop entitled "What Makes WIC Tick", which concerns the duties and responsibilities of a public relations chairman.

In her capacity as chairman of this group, she has directed the publicity and public relations activities for 131 chapters in 36 states including Washington, D. C. and Hawaii. She had edited and published the E & PR newsletter, the NAWIC IMAGE which is circulated to all chapters. One of Mrs. Burks' speeches, entitled "Education and Public Relations is Everybody's Job" is contained in the NAWIC Speech Library which is maintained for the use of all members of the organization. Membership in NAWIC is approximately 4,500.

Mrs. Burks is the daughter of Mr. and Mrs. J. R. Childress, pioneer residents of Slaton. She is also immediate past-president of the Slaton Art Club having served two terms; is a member of the Lubbock Art Association, Texas Federation of Fine Arts; a member of the Five Hundred Friends of Lubbock Christian College; takes an active interest in the Children's Home of Lubbock; and is an enthusiastic supporter of both Cub Scouts and Boy Scouts in Slaton. A former member of the Advertising Club of Lubbock, she has made several speeches

Visiting in the home of Mr. and Mrs. George Johnson over the weekend was her mother and sister, Mrs. Bertha Wellman and Mrs. Johnny Carpenter and two sons.

Engagement Announced

Mr. and Mrs. Leon Walston announce the engagement and approaching marriage of their daughter, Rosa, to Ronnie Henry, son of Mr. and Mrs. Searcy O. Henry, all of Slaton. The couple plan to marry Nov. 18 in the First Baptist Church of Slaton. The bride-elect is a 1965 graduate of Slaton High School and is employed by Hamilton Roofing and Acoustical Company of Lubbock. The prospective bridegroom is a 1965 graduate of Marble Falls High School and attended Nixon-Clay IBM College, Austin. He is presently attending Commercial College in Lubbock and is employed by Kimbell Co. in Lubbock in the IBM Dept.

to various organizations this past year. Mrs. Burks is employed as a private secretary and much of her time is spent in the public relations phase of her job. She is the author of two public relations speeches which are filed in the NAWIC Speech Library, and was first place winner in the 1965 region speech contest of NAWIC. She has three sons, Jay, 12; Mike, 9 and Bill, 7, who attend the Slaton Public Schools.

SOUTHLAND NEWS

MRS. EDMUND WILKE

Mason Appointed Postmaster

Hi there! Hope this finds each of you well and happy. A fascinating thing happened to us on Sunday afternoon. Herbert Dunn called and said he would like to bring someone over to interview us. Well, it seems that two girls from the "Page Corps" had spent the night in the Dunn home. They are in training at Lubbock and had been sent out to the South-

land community as part of their training to collect notes on things happening in a small rural community such as ours. The two young ladies were Miss Bonnie Ferguson from Altadena, Calif. and Miss Kathleen Sugujama from Honolulu. Miss Ferguson is a graduate of the University of Santa Clara, Calif. and Miss Sugujama is a graduate of the University of

Hawaii, both having business majors. They will receive eleven weeks training in Lubbock, then they will go to Puerto Rico for a month's training and then on to Costa Rica for two years' service. They are a part of 63 volunteers who are receiving training in Lubbock and this is their first trip to Texas. They are staying at the Pioneer Hotel. They seem very enthusiastic about their work and we enjoyed talking to them very much.

Larry Long, son of Mr. and Mrs. Robert Long, has enrolled in the fall semester term at Lubbock Christian College. He lives in Lubbock with his grandfather, J. H. Poindexter and is working part time at the college.

Allen Lester, son of Mr. and Mrs. Winston Lester of Commerce, had an appendix operation recently. He had surgery at a Dallas hospital and spent from Saturday until Wednesday there. He is at home now and doing well.

Mrs. Robert Mason and Brenda and Mrs. Ray McClellan visited with Mr. and Mrs. Billy Lester last week. Mrs. Mason is from Post and Mrs. McClellan is from Graham.

Mrs. Abbe Davis, sister of Mrs. W. P. Lester, from Grandview, is visiting with Mr. and Mrs. W. P. Lester.

A large group of the Southland High School students went on a hayride Saturday night. The hayride is an annual affair and is sponsored by the senior class. They went to Silver Falls and rode on a big truck filled with hay. Adults accompanying the students were Mr. and Mrs. F. W. Callaway, Coach and Mrs. Bob Dyess, Mr. and Mrs. Payton Crawford and Mr. and Mrs. James Mason.

I attended a shower in Post Tuesday night of last week for Martha and Larry. It was held in the First National Bank Community Room. Mr. and Mrs. Billy Earl Myers and sons of Clairmont spent Sunday with Mr. and Mrs. L. J. Myers.

Mr. and Mrs. Ned Myers and Nedra spent this past weekend at the home of Mr. and Mrs. Ronnie Ragland and family of Crosbyton.

Mr. and Mrs. Herman Havis and Mrs. Lucille Myers and Nedra attended the football game at Smyer on Friday night. Before the game they were supper guests in the home of their daughter and family, Mr.

and Mrs. Jessie Lane. Mr. and Mrs. Bill Giles of Ft. Worth visited with Mr. and Mrs. G. D. Ellis on Monday. They were on their way to Lubbock to attend the funeral of Mr. James F. McCrary, uncle of Mrs. Giles. Bill is the son of Mrs. Ellis.

GOLDEN WEDDING
Friday, September 16th, was the 50th Wedding Anniversary of Mr. and Mrs. E. L. Anderson and several of their neighbors went over in the afternoon and ate cake and drank coffee with Mrs. Anderson. Those attending were Mrs. F. W. Callaway, Mrs. G. D. Ellis, Mrs. Payton Crawford, Mrs. Ed Lieske, Mrs. Willie Becker, Mrs. Eckert (daughter of the Andersons) and Yours Truly, Jettie Crawford and Marian Eckert were also there. The little visit was all a surprise for Mrs. Anderson and she seemed to enjoy it very much. She received several pretty gifts and cards.

Mr. and Mrs. Cecil Lee and their daughter, Shirley, have just returned from a two weeks' trip to California. While there

they visited in San Diego with Mrs. Lee's sister, Mrs. Alfred McBeth (Joyce Kenley) and in Los Angeles with Mr. Lee's brother and family. Mr. and Mrs. Loyd Lee, they also visited Disneyland and enjoyed it very much. On their way back they visited Las Vegas and the Grand Canyon and other points of interest.

HD CLUB MEETS
The Pleasant Valley Home Demonstration Club met on Thursday, September 15th in the home of Mrs. B. L. Thomas. Mrs. J. W. Payton gave a program on New Zealand. Mrs. Payton was born in New Zealand and so I know that the program must have been very interesting. A ten minute demonstration on "Making Bound Button Holes" was given by Mrs. B. L. Thomas. Those present for the meeting were Mmes. Edwin Lewis, Travis Lancaster, B. L. Thomas, Carl Payton and J. W. Payton. Mrs. J. W. Payton was a guest.

ANOTHER WIN
Well, our football boys did it again! They played Smyer last Friday night and beat them 36 to 0. Southland was a little handicapped too, because two of their main players were unable to play, David Dabbs and Sammy Wartes. Those making touchdowns were Dennis McGehee - 1, Bill Bevers-1, Jackie Abshire-1, and Joe Basinger-2. Making the extra points were Habier Salinas, Dennis McGehee and Stanley Abshire. Keep up the good work boys, we are proud of you! If you haven't been out to a game, come on down to Southland this coming Friday night and watch our boys play Cotton Center. Let's all get behind these boys and give them our support and

PACK 128 HAS 18 NEW CUBS**

Eighteen new Cub Scouts were signed up last Thursday night at a rally meeting for Cub Scout Pack 128. Leon Miller, district director for Boy Scouting, explained the application to become a cub scout and the challenges for each age.

Six mothers at the meeting volunteered to be den mothers or assistants. They are Mmes. Ray Wilkins, Walter Bednarz,

Pete Williams, Bobby Taylor, Jerry Hawkins and C. F. Bradford. Several fathers of the boys signed up to serve as committeemen. Mrs. E. B. Tumlison and Mrs. Speedy Nieman will serve as treasurer and secretary of the pack.

R. M. McMinn, cub master, was in charge of the meeting. Everett Hodges, assistant cub master, introduced the neighborhood commissioner, Ben Davis, who gave the history of Cub Scouts. He reported that Boy Scouts started in 1910 in England. He said cub scouting is 35 years old.

Other den mothers who plan to continue their work are Mmes. W. L. Roche, Elmo Langford, G. L. Hartley, D. P. Casey and Wilson Ayers.

The pack plans to meet tonight at 7:30 p.m. in the junior high cafeteria. Any boy, from age 8 through age 10, who is interested in being a cub, is invited to come with his parents to the meeting tonight and sign up. All members of the pack and their parents are urged to also be in attendance.

Records Fall on Ernie Ford Show

LUBBOCK -- Advance ticket sales for the Tennessee Ernie Ford show have smashed all records for any previous feature attraction in the 49-year history of the Panhandle South Plains Fair.

Charles L. Adams Jr., fair association president, said that nearly \$32,000 worth of tickets have already been sold for the Ford show, setting the all-time high with slightly less than two weeks remaining before the fair opens.

Fair officials are gearing for capacity crowds at all 12 shows.

Adams indicated that the "good seats are nearly gone." He noted that while seats probably will be available during the fair run, "They certainly won't be good ones."

Ford and the Young American Singers will be appearing at 3 and 7:30 p.m. daily in Fair Park Coliseum throughout the fair stand, Sept. 26 - Oct. 1.

Tickets are priced at \$2, \$2.50, \$3 and \$3.50 with children 12 years and under admitted for one-half price at all matinees.

Tickets may still be obtained from the fair association office, PO Box 208, at Dunlap's in Caprock Center, the Pioneer Hotel, or at Hester's, 14th St. and Texas Ave.

Those purchased prior to fair opening will be accompanied by free gate admission passes. Record attendance of 250,000 is expected.

NEW POSTMASTER
As most of you probably already know, Mrs. Nellie Mathis is retiring from her position at the post office on September 30. Last week, James Mason of Southland received an appointment to be acting postmaster of our local post office becoming effective on September 30, 1966 and we would like to extend our congratulations to Mr. Mason and wish him well. The Masons have lived here for a long time and everyone knows them and we all know that Jim will make a good postmaster. I think that we all should say a great big "Thank-You" to Mrs. Mathis for her fine work and patience all these years.

Mr. and Mrs. Monroe Rowden and three girls from Brownfield spent the week-end with Mr. and Mrs. James Mason, Micky and Mike.

I promised you last week that I would get the number of Southland School enrollment, and here it is. We have 180 students in the whole school, 40 of these are in high-school, so long until next week.

Scout Officer Advise S.P.

Edgar W. Wolfe of New Jersey, Director of Rural Shipments Service, Boy America, will arrive in Lubbock Wednesday, September 21, for two days of conference with local Scout officials.

He is scheduled with the South Plains Staff on methods for more rural youth in county area. He will with Council President L. Crain, and Scoutmaster Davis Armistead.

The Councilwide extension program headed by Carl Mimsman will hold a meeting in the Caprock center on Wednesday. Mr. Wolfe will review developments on Scout rural youth, suggest methods for the program to wherever they live.

On Thursday, Mr. Wolfe will travel into Quanah district with District Tom Peabody, following five counties: Gaines, Lynn, Terry, and others. Here he will discuss Scout activities as well as men represent organizations.

Past Mat Meet In H Of Mrs. W

Mrs. Howard W. hostess for the Past Mat Club when it met in Monday. The opening prayer by Mrs. J. A. Elliott. For the program, Burns presented "Sam Houston" and Smith read a poem, "Him Up One Day." Refreshments were to Mmes. Lela Anderson, J. Clark, Roy Collier, Drewry, Virgie Hester, Patterson, Cora S. Smith, Mabel Vaughn, Wilson, Burns, Ella and one guest, Miss Anderson.

Two Slaton 4-H Girls Enter State Contest

With National 4-H Week being from Sept. 26 to Oct. 1, it is quite evident that many 4-Hers in this area are active in the 4-H program.

In a recent release from the 4-H department, it was announced that Oleta Bednarz, Slaton 4-H; and Linda Alexander, Cooper 4-H attended the state fair clothing contest Sept. 17 in Dallas. They were two of the girls representing Lubbock County in the contest.

Miss Bednarz, daughter of Mr. and Mrs. Robert Bednarz, placed in the top five with both of her garments and will go back to Dallas Oct. 8 to model her garment in the state fair dress revue.

Another Slaton girl, Doris Kitten, daughter of Mr. and Mrs. O. F. Kitten, will be representing Lubbock County and District 2 at the State 4-H Dress Revue, Oct. 13, 14 and 15.

Vanilla, potatoes, tobacco, rubber, quinine, chocolate, tapioca, corn and beans all moved from the New world to the Old.

END OF THE LINE--Slaton halfback Larry Pickens is stopped after a 5-yard gain in Friday night's game at Dalou. A Wildcat tackler slowed Pickens in the action above, and two more moved in to secure the tackle. The teams engaged in a defensive battle in the 0-0 game. (SLATONITE PHOTO)

BANKS LARGEST LENDERS TO FARMERS, FIGURES SHOW

Texas banks were serving farms and ranches with more credit and other financial services than any other lenders at the beginning of this year, according to Walter F. Johnson, president, Texas Bankers Association, and president, First National Bank of Abilene. During 1965, Texas banks maintained their leadership in agricultural credit services. Based on the 25th annual farm and ranch lending summary of the Agricultural Committee of the American Bankers Association, Johnson reported that at the beginning of 1966, Texas banks were helping farmers and ranchers with \$708 million in loans, 7 per cent more than a year previous. This total included \$591 million in production loans and \$117 million in farm and ranch mortgages.

At the same time, \$521 mil-

lion in farm and ranch loans was held by life insurance companies; \$375 million by the Federal Land Banks; \$159 million by Production Credit Associations; and \$88 million in non-real estate loans, plus \$56 million in real estate loans by the Farmers Home Administration. About 71 per cent of the production credit extended by lending institutions to Texas farmers and ranchers came from banks. Johnson said that "bankers in Texas are conscious of the large capital investments required in agriculture today and are making a concerted effort through improved lending programs to meet these changing credit demands of the state's farmers and ranchers. The increased use of credit by farmers and ranchers, according to Johnson, has been accompanied by a substantial

gain in the total assets of farm and ranch families. Therefore, in the aggregate, the equity position of farmers and ranchers contrary to public opinion, is being maintained at a satisfactory level. Nationally, farm and ranch families have \$212 billion of their own funds invested in agriculture. This represents 84 per cent of the total capital requirements of farmers and ranchers.

Johnson stressed the importance of farmers, ranchers and bankers working closely together to improve farm and ranch financial arrangements.

Some farmers, in cooperation with the Lubbock County Soil Conservation District, have been analyzing their irrigation systems.

In analyzing their systems, the amount of water was measured with assistance of Soil Conservation Service technicians. This figure was used to determine how much water was being applied to the crop. For example 450 gallons per minute is approximately equal to one acre inch per hour. When this stream is allowed to run for ten hours, ten inches of

water for one acre has been pumped, if this water is put on 2 acres then 5 inches of water has been applied. The amount of application should be kept close to the amount required to fill the soil profile.

The root zone for cotton and grain sorghum should be approximately 465 feet on most of the soils in Lubbock and surrounding counties. This root zone will hold from 8 to 10 inches of water that is available to crops. If 10 to 20 inches is applied at one time, this is more water than the root zone can hold and the excess water is lost to evaporation, tail water, or has gone down in the soil past the root zone. This results in added irrigation cost.

In analyzing their systems, the farmers estimated the per cent of moisture in their soil by the feel method and how much water would be required to fill it up to capacity. In comparing this figure with the water being applied, more water was being put on than was required to fill up the soil profile in some instances. This excess water could be used to irrigate more land according to Soil Conservation Service technicians.

Another point farmers brought out after studying their systems was the problem of distributing the water evenly. To do the best job they pointed out that the water should be over the surface of the soil as near as possible to the same time. A practical time seems to be approximately 1/4 of the total time of application to get water over the surface to be irrigated; then balance the rate of water inflow to the rate soil is taking water to keep down tailwater loss, for the remainder of time to allow full penetration of moisture. To keep adequate control of irrigation water, an adequate furrow must be made to carry the stream. On sloping land, controlling irrigation water is more of a problem to keep down waste and get even distribution, the size of the furrow stream is limited by the

slope and soil. The largest stream that the slope will allow without erosion gives more latitude on distance water can be run satisfactorily. On level rows, the size of the furrow stream is limited by the size of furrow that can be obtained as erosion is not a problem.

After studying their systems several farmers decided they could cut their irrigation cost by making their water go farther with very little or no extra cost on preparation. Analyze your system, you may find that you can cover more land with the same water, or you are not putting on enough water.

Assistance may be obtained in analyzing your system through your Soil Conservation District by requesting it at the Soil Conservation Service office, Federal Building, 1616-19th Street, Lubbock, Texas.

there is such a relationship, and an emergency arises en route, the law generally does impose an affirmative duty to give aid.

That doesn't mean the passenger can hold the carrier liable under all circumstances. For one thing, before there is any duty to help, there must be some clear sign that help is needed.

Thus, a railroad was excused for not aiding a seriously ill woman, when the only sign of her affliction was that she had rested her head on her hand.

But once the peril is apparent, then the carrier's duty begins.

How speedily must help be given? That depends on the particular situation. For example:

In a medical emergency involving an expectant mother on a train, a court held that the train should have been halted at the next town, rather than at the next regular stop.

And how long does the carrier's duty last? Possibly even beyond arrival at the passenger's destination.

In one case, a bus rider who had suffered a severe eye injury was left in the station, alone and helpless. The bus company was later held liable for not making sure the victim was placed in responsible hands.

Summarizing the law, the court said: "The carrier owes to the passenger the consideration and care of common humanity."

1966 GRADS COLLEGE BOUND

According to figures announced by Slaton High School, a good percentage of the 1965-66 graduating class here will attend college this year.

There were 83 graduates last May, and 44 have announced plans to attend college, according to Mrs. M. G. Davis, high school counselor. She did stress that the list might not be completely correct.

A majority of the students indicated preference for Texas Tech. Eighteen reported they were making plans to attend Texas Tech. Eight students said West Texas State University was their preference and six plan to attend South Plains College.

A list prepared for Mrs. Davis is listed below:

Those who plan to attend Texas Tech are Judy Angle, Tony Arguello, Joan Claiborne, Earl Eblen, David Edwards, Larry Edwards, Janice Holton, Bryon Johnson, Henry Johnson, Carlton Jones, Doug McCullough, Bennie Magouirk, Billy Martin, Margaret Nelson, Roger Sammons, Dianne Underwood, Nancy Walton, and Mike Williams.

West Texas State University is the choice of Larry Bownds, Pam Davis, Mairilyn Edwards, Billy Gaas, Bruce House, Peggy Kirksey, Bobby Meeks, and Danny Scott.

The six students planning to attend South Plains College are John Davidson, Robby Edmondson, Doug Keese, Leland Martin, Allen Miles, Janis Mosley, Ronnie Perdue, and Velma Willis.

Students to attend other colleges are Caron Caldwell and Carol Todd, Baylor University; Thomas Clements and Sandra Harris, San Angelo College; Wayne Coffee and Bobby Magallanes, Wayland Baptist College; Byron Henderson, Lubbock Christian College; Nancy McSween, Stephen F. Austin College; David Turner, Southwestern Assemblies of God College; and Barbara Henderson, Business School in Lubbock.

Safety Features Related To Driver Comfort, Clothing

Tomorrow's automobile traveler may be wearing fashionable clothing that is flame-retardant, abrasion-resistant, and even air-conditioned, says a research committee which recently devoted a session to exploring the relationships of apparel to automobile safety. The committee's report predicted that apparel safety factors may not be as far from reality as many suppose, but cautioned that "manufacturers will have to deal with the availability of special fabrics, technical developments and consumer acceptance, in bringing the ideas to the market place."

The committee is made up of research specialists from 23 of the operating divisions of Genesco Inc., the world's largest manufacturer of apparel and footwear. The group is responsible for coordinating Genesco's massive apparel research program, with the ultimate aim of continued improvement in values to the company's estimated 75 million customers. Following the meeting in Nashville, Tennessee, the committee made public a portion of its report which included these observations:

1. Flame retardant clothing can be produced under present conditions, and the safety feature can be built in without altering a garment's appearance or wearing qualities. Introduction of such garments into the consumer market would depend on customer demand, although one Genesco division already manufactures such clothing for the Defense Department.

2. Abrasion resistant fabrics could prevent certain minor injuries and tend to make other injuries less serious. Such clothing would be especially adaptable for passengers in open vehicles or on motorcycles.

3. An ever-increasing number of automobiles are mechanically heated or cooled, and are normally operated with the windows closed. "Modern, well-insulated cars, with the windows closed, can impair a driver's ability to hear horns, sirens, or other warning devices," observed one committee member. "A solution could be the development of climate-controlled clothing. 'Air-conditioned apparel' would keep the wearer in perfect comfort while operating a vehicle with the windows open."

4. Seat belts obviously are important safety devices, but they can be unsightly and inconvenient. An alternative may be to make the safety belt a part of a man's suit or even a lady's foundation garment, so the wearer can "attach" himself to the automobile seat rather than buckle himself in.

Seat belts have another disadvantage — they make the pockets of conventional trousers virtually inaccessible. A driver fumbling for an object in his

pocket, hindered by his seat belt, can cause an accident. The problem may lead to the relocation of pockets, perhaps to the trouser leg, below the knee, or it may call for additional pockets in the shirt or coat.

5. Head injuries can be especially serious, and the committee considered the development of conventional hats which would incorporate safety features. The report states "protective headgear is worn by athletes, construction workers, and even

horseback riders. Accident statistics indicate that highway travelers should be protected in a similar way."

6. Specially designed driving shoes and gloves are gaining in popularity. Both should be soft and close fitting and made of non-slippery materials. Soft-sole shoes are especially important

in giving the driver the proper "feel" of the automobile's controls. The committee was quick to advise against sandals or loose fitting slip-ons which may

tend to hang on accelerator or brake pedals. It was termed "highly desirable" that special shoes be worn for driving, even if the destination calls for the wearing of some other kind of footwear.

7. The natural relationship between driver comfort and automobile safety is a far-reaching side effect of Genesco's interest in producing comfortable clothing," observed a spokesman. "yet comfort may well be our most significant contribution."

It's All Know-How!

Have trouble with crumbs getting mixed in the frosting when icing a cake? Crumb the cake first, that is by brushing off the loose crumbs before you sweep the icing on with a spatula.

Cream won't whip? Chill the cream, bowl and beaters before you start, especially if it's warm. Gelatin won't unmeld? The container should have been wiped lightly with salad oil. If possible, run a knife around the edge when removing and give the mold a bit of a shake.

Bis of this and that to heat for supper? Get a sectioned skill-

let which will heat three different foods at one. It's nice for baby foods, too.

Quick frosting for cake? While the cake is still warm, let semi-sweet chocolate bits melt on it, then spread smooth with a knife.

Reheating mashed potatoes? They won't burn if you reheat in the top of a double boiler or a saucepan placed over hot water.

"I REMEMBER"
BY THE OLD TIMER
From Ellen G. Goodpasture, Anita, Iowa: I remember, long ago, when farmer's wives churned butter and brought it to the store for trade. They kept it in little wooden boats, when you went to buy, the clerk would break off a piece of the boat and taste the butter. Sometimes she would quietly say, "You wouldn't want that woman's butter." We saved old rubbers, old rags, and seams from clothing, and once in the spring and fall a man came around buying such stuff to sell to companies to make paper. We used that extra cash to buy our sewing thread.
When we got a load of cobs there was usually lots of shucks clinging to them; we saved these and put them in a tick for a mattress; however it did not have inner springs.
The minister was staying with us, but went away one day; my mother thought he wouldn't be back for supper, so we made mush. While we were eating, he came in and exclaimed, "Why don't you have mush and milk when I am here?"
One of us came home from school singing a song the teacher had taught us about "Gathering nuts in May." My father always called her the teacher who gathered nuts in May.

Know Your Range Plants

Here I am again after a week's delay. Most of us women were busy last week trying to put up a few more fruits and vegetables...

is badly needed. I hope to have more news next week. On a party line, it's difficult to get anyone. Thanks to all who contributed news. It's deeply appreciated.

SCHOOL MENU

Menus for next week in Slaton Public Schools will be: Monday: Hamburger patties and gravy, creamed potatoes, tossed salad, apple cobbler, 1/2 pt. milk.

The ranchman must know the kinds of plants growing on the range, their forage value, when to utilize them properly with the right kind of livestock and at the proper season...

Certain pasture grasses are indicators like signs on a highway. They show whether your range is going up-hill or down, or if the way ahead will be crooked or straight.

Senior pictures were made Monday at school. All other student pictures will be made Sept. 26th, Thursday at school. Future Farmers of America will begin their magazine sales Thursday of this week.

WATCH MISS AMERICA... My children, Mr. and Mrs. Guy Gentry and girls, C. S. Gentry and family and Mrs. Bobby Swann and Vanessa Holmes gathered at my home Sept. 19 and after a chicken fry, all watched the Miss American Pageant in color...

Slaton Battles Idalou to 0-0 Tie

Kickoff Return Is Erased

Slaton's Larry Pickens returned the opening kickoff 87 yards for an apparent touchdown, but a penalty erased the exciting run and the Tigers had to settle for a scoreless tie in a defensive battle with the Idalou Wildcats Friday night.

Each team registered seven first downs in the rock 'em, sock 'em game, and each club recorded one penetration inside the 20. An attempted field goal by Slaton with 18 seconds

left in the game was off the mark.

Led by hard-running Charles Fisher, the Tigers chalked up more yards rushing, while Idalou claimed the advantage in the airways -- mainly on one 64-yard play.

Making Slaton's kickoff return ever more disappointing was the fact that the penalty which nullified the touchdown was the only one stepped off against the Tigers in the contest.

Idalou's only serious scoring threat came on a 64-yard pass and run play which ended at the Tiger 16 when Fisher caught the runner from behind. The Slaton defense was led by linemen Tom Davis, Tommy Donaldson, Roy Green, Claude Stricklin, Dale Harris, and by defensive backs Doyle Ethridge, Fisher, Jim Williams and Joe Olague.

Fisher was the workhorse in Slaton's ground attack, carrying 22 times for a net of 89 yards. Pickens carried just 9 times for a net 13.

Williams, the soph quarterback with great potential, hit 2 of 5 passes for 24 yards. Ethridge turned in a great punting game for the Tigers, getting off seven kicks for a 38.6-yard average. His booming kicks kept the Wildcats in their end of the field most of the night.

Six of his punts came in the first half and four of them were for more than 40 yards. The longest was a 48-yarder which end Tommy Donaldson alertly downed on the Idalou one.

PLAY BY PLAY

Pickens took the opening kickoff on his 13, went up the middle, followed some key blocks, cut to the outside and raced all the way. A Tiger was caught offside on the kickoff, however, and the kickoff was re-run.

Pickens took the kickoff again on the 15 and returned to his own 32. Pickens and Brush were stopped for no gain, then Fisher banged for 7 at left tackle. Ethridge punted 46 yards but Idalou's Ronnie Rose returned 29 yards to the Wildcat 44.

Rose got 3 yards in two tries; Idalou was penalized 5, a pass fell incomplete and Idalou punted. Fisher returned from the 20 to the 24.

Fisher got 6 yards in slants at left and right tackle; Brush was stopped for 1-yard gain at right tackle. Ethridge punted 42 yards to Idalou 27, but Rose returned to Slaton 48.

Rose got 1 and Isom 8, then Isom fumbled and Olague recovered for Slaton on Tiger 38. Slaton got first first down as Fisher hit three times for 11 yards. Pickens stopped for no gain on right side; Fisher got

2, then Williams' pass to Ethridge was batted away by Idalou's Jody Chance. Ethridge punted 48 yards with Donaldson killing ball on Idalou one.

Isom got 1, then Rose carried out to 12 for first down. Chance got 6, Isom 1 and Rose 3 for another first as first quarter ended.

Idalou penalized 8 back to 16. Chance got 4, then Isom hit end Ronald DeBusk at Idalou 45 with long pass. DeBusk broke loose and got to Tiger 16 for 64-yard gain before Fisher caught from behind.

Rose was hit hard going over left tackle, and Harris recovered fumble for Slaton on 16. Ethridge got 2 on reverse, Washington hit for 4, then another 1. Ethridge punted 31 yards to Idalou 46.

Green nabbed Isom for loss of 5. Rose made 5 off tackle, Chance got 3 and DeBusk punted 34 yards with Fisher fumbling the kick, then recovering on his 22. Ethridge lost 1. Pickens gained 2, and Williams' long pass to Brush was incomplete. Ethridge punted 38 yards and Rose returned 10.

From the midfield stripe, Idalou gained 1 yard in two plays then Donaldson hit Tiger for a 9-yard loss as the Wildcat quarterback attempted to pass. DeBusk punted 44 yards and Fisher returned 7 yards to his own 22.

Fisher got 6 in two trips but Williams lost 6 trying to spot pass receiver. Ethridge punted 41 yards but Jimmy Hamilton almost got loose on punt return, taking it on his 37 and going to Tiger 30.

Rose got 2, then Isom lost 9 as Donaldson trapped him back of line on attempted bootleg run. A pass was incomplete then Isom was stopped short of first on fourth-down play. Williams got 1 as half ended.

SECOND HALF

Ethridge kickoff went to Isom on 5 and return was made to 27 where Ethridge made tackle. Isom got 2, Rose 6, Chance 1,

then Idalou went for first on fourth down. Rose got 5 to 41 for first, then lost 1 and Chance stopped for no gain.

Isom hit DeBusk with 24-yard pass to Slaton 37 but Idalou penalized 15 when Washington clipped after whistle. Chance got 3, Isom passed to DeBusk for 11, and another pass incomplete with Washington almost intercepting. DeBusk punted 34 yards to Slaton 5.

Fisher off tackle for 4, Pickens up middle for 2, and Fisher up middle for 9 and first down on 20. Brush got 4, Fisher lost 1, then Fisher got 16 on a trap play up the middle.

With first down on Tiger 39, Pickens got 3, Fisher stopped for no gain, then Williams hit Ethridge in flat for 10-yard pass gain. Fisher stopped for no gain. Pickens got 2, Williams fumbled and recovered. Ethridge punted 46 yards into end zone.

Rose got 4 as third quarter ended. Isom got 8 for first down on Idalou 32. Rose stopped for no gain, Isom passed twice incomplete with Washington almost intercepting one.

Stricklin almost blocked punt by DeBusk, kick going only 23 yards to Tiger 45. Fisher got 13 up middle. Fisher hit for 7 and 1, then Williams 2 on quarterback sneak for first down on Idalou 32.

Fisher got 2, Pickens 4, then Ethridge lost 4 on reverse. Williams' pass was incomplete on fourth down and Idalou took over on 30.

Rose got 2, Chance 3, then Isom passed to DeBusk on quickie for 7 yards and first down. Rose up middle and fumbled. Fisher recovered on Idalou 45.

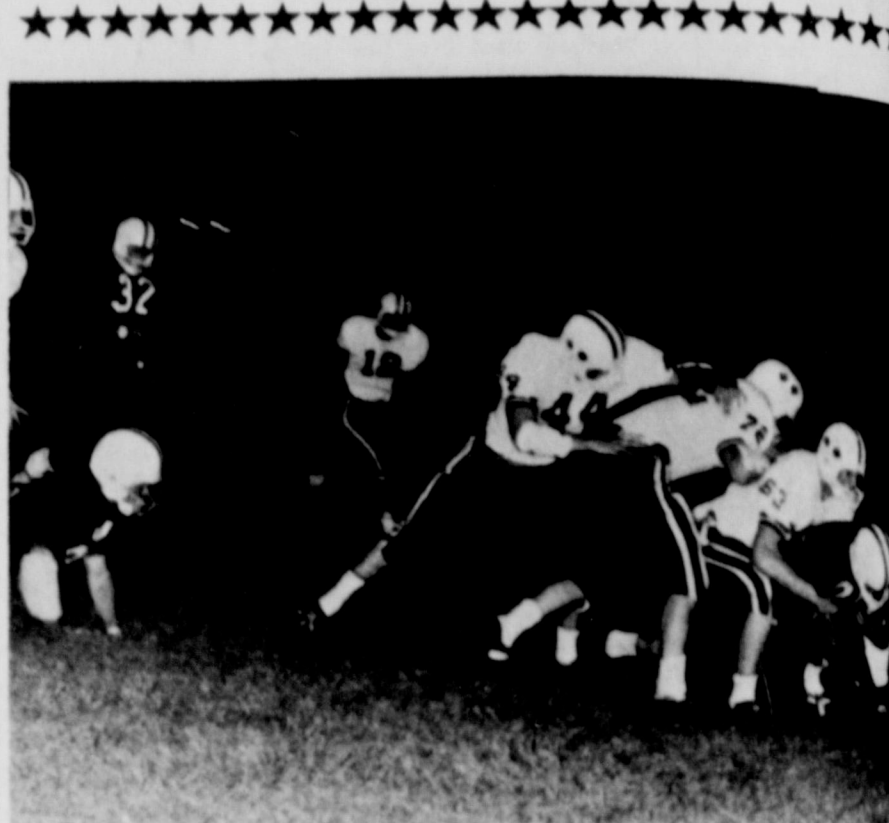

Fisher off guard for 2, Pickens around right side for 5, then Fisher 1 off tackle. Pickens lost 5 on sweep at left end on 4th-and-2 situation.

Isom passed incomplete with 2:55 left in game. Chance got 2, Isom trapped by Donaldson

and lost 4, then fourth-down pass incomplete.

Tigers took over on Idalou 40 with 2:18 left. Williams lost 5 trying to pass, then hit Ethridge over middle for 14 yards. Brush lost 2 off tackle, then on 4th-and-3 situation, Williams fumbled snapback, picked up ball and ran around left end for 15 yards and first down with 25 seconds left.

Fisher off tackle for 3, and time called with 18 seconds left. With ball on 15, Green attempted field goal from about 30 yards out but kick was low and bounced off linemen. Idalou player picked up ball and ran it out to 36. Idalou ran one play as game ended.

DEFENSIVE STRUGGLE--Four Idalou Wildcats bring Slaton's Charles Fisher halt on a punt return in Friday night's game at Idalou. One Idalou player is downed by three line up for a shot at the Tiger back. The teams played to a scoreless, hard-hitting defensive game.

point, putting the score at 7 to 0 with 3:07 left in the first quarter of play.

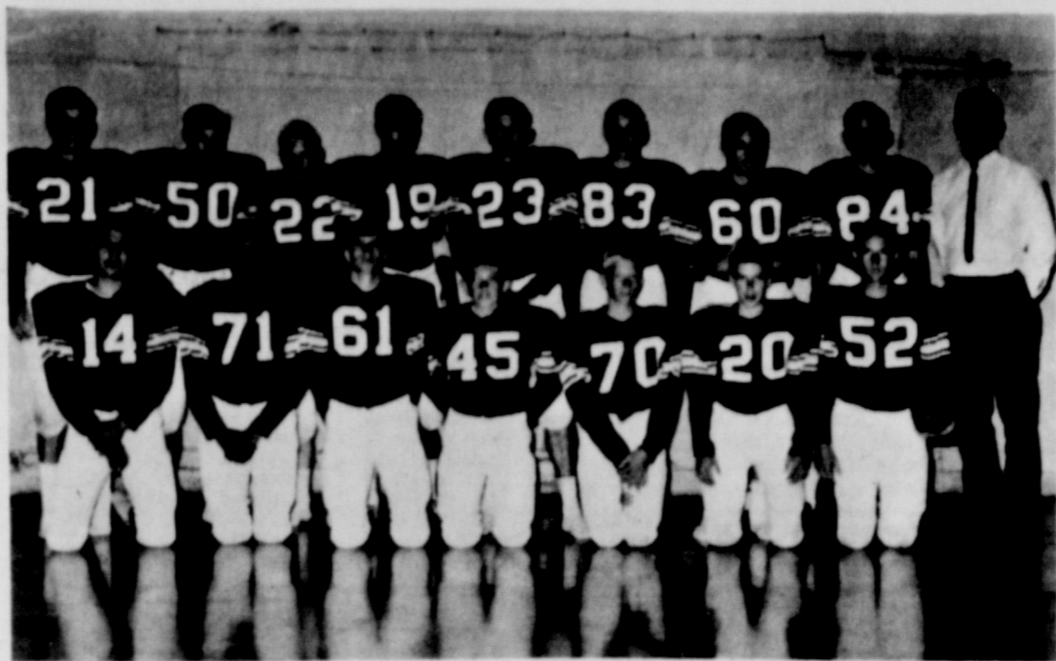

with 40 seconds left in the first half, Gary McGuire recovered another Cooper fumble at the 46-yard line in Cooper territory. Joe Brown fired a 39-yard pass to Roger Trammel setting the ball down on the 7-yard line.

The following play found Cooper's line off sides, moving the Eagles half the distance to the goal. With 14 seconds left Joe Brown found Roger Trammel in the end zone for

6 points. The extra point try failed, leaving the score at 13 to 0 at the close of the half. The second half was a game of mostly defense. The Pirates holding the Eagles to a minus three yards and the Eagles getting two key interceptions.

The only score in the second half came off the toe of Junior Brown with a field goal from 22-yards out.

For the Cooper Pirates it was a night of incompleting passes and fumbles. On the other hand, the Eagles, were at their best, and capitalized on the Pirates' mistakes.

SOUTHLAND EAGLES--Members of Southland's 8-man football team are shown above with their coach, Bob Dyess, front row, left to right; Habier Salinas, Louis Flores, Jerry Bourne, Gary Lester, Larry Bevers, Stanley Abshire and Sammy Wartes, back row; Darrel Wilke, Curtis Abshire, Bill Bevers, David Dabbs, Dennis McGehee, Joe Basinger, Jackie Abshire and Larry Lockridge.

Tech To Open SWC Action

LUBBOCK -- University of Texas and Texas Tech, the largest schools in the Southwest Conference, collide in the Red Raiders' opening home game at 7:30 p.m. Saturday. More than 42,000 fans are expected to overflow Clifford B. and Audrey Jones Stadium. As the week began tickets on the 5-yard line were being sold. Already a number of fans had bought admission to the slope overlooking the north end zone. Texas Tech students, numbering about 19,000 this semester,

are expected to take over the entire south end zone. Texas Tech began its season with a 23-7 victory over University of Kansas at Lawrence, Texas dropped a close 10-6 decision to the University of Southern California, the favorite to capture the West Coast championship. Texas, ahead 14-1 in the series, returns 22 lettermen from the team that trounced Texas Tech 33-7 in Austin last year.

Five Area Games Scheduled Friday

There'll be five football games on area home gridirons Friday night, with two district contests already coming up.

Slaton plays its first home game of the season, and will be looking for victory No. 1 as Crosbyton comes to town. First home games are also scheduled at Cooper and Southland. The Pirates at Cooper take on Amherst in a district battle, while Southland plays host to Cotton Center in a non-district 8-man game.

onic Home coming a long distance to tangle with the Eagles of Roosevelt, it's a non-district tilt.

Slaton's junior high teams play their only Thursday games tonight, hosting 7th and 8th grade teams from Roosevelt. The 7th grade game starts at 5:30 p.m. at Tiger Stadium.

GRID SCHEDULE
Thursday -- Roosevelt 7th & 8th at Slaton, first game at 5:30; Tiger Stadium.
Friday -- Crosbyton at Slaton, 8 p.m.
Sunday at Wilson Amherst at Cooper Masonic Home at Roosevelt Cotton Center at Southland

Junior High Slate Listed

Slaton's Junior High football teams play their only Thursday game of the year this evening (Sept. 22) when they host the Roosevelt 7th and 8th grade teams.

Coach R. G. Copeland and assistant Raymond Wood put their teams on the field last week for the first time after only a week's practice. The junior graders split with Idalou, winning the 8th grade game by 6-0 and losing the 7th grade contest by 16-8.

Copeland this week announced the schedule for the season. All games begin at 5:30 p.m., with the 7th graders playing the opener.

Wilson Wins Again, To Host Sundown

The Wilson Mustangs chalked up their second straight victory of the season on the home field Friday night, capturing a 27-0 triumph over the visiting Jaytonbirds.

And, for the second week in a row, halfback Dennis Verkamp led the attack by scoring three touchdowns. Verkamp dashed for three scores in the opening game -- a 27-0 win over Lazbuddie.

Verkamp broke loose on runs of 37 and 53 yards in the first half, and wound up the scoring with a 10-yard jaunt in the final period. He's one of the top scorers in the area.

Fullback Lupe Guzman snatched 8 yards for Wilson's other touchdown. The Mustangs held a 20-0 halftime advantage. Mike Ward added three extra points by kicking.

The Mustangs open district play at home Friday night taking on the strong Sundown Roughnecks. Sundown was one of the pre-season favorites in the district race, while Wilson was tabbed as "darkhorse" in the competition.

SOUTHLAND WINS, 36-0

The Southland Eagles defeated the Smyer Bobcats, 36-0, in a non-conference 8-man battle at Smyer Friday night.

Quarterback Darrel Wilke's 10-yard pass to end Joe Basinger opened the Southland scoring. The extra point try failed. Later in the initial quarter, Bill Bevers intercepted a Bobcat pass and ran 22 yards for the second Eagle tally. Habier Salinas ran the extra point.

In the second quarter, Jackie Abshire scored on a 10-yard run. Point try failed and Southland led 20-0 at the half.

The Wilke - to - Basinger combination accounted for 12 yards and another Eagle touchdown. Halfback Dennis McGehee ran the extra points. Jack Abshire ran 25 yards for the final Eagle TD. Stanley Abshire ran the extra points to make the final score, 36-0.

Roal Salinas was outstanding on defense for Southland.

JV, Freshmen Lose Openers

Slaton's junior varsity and freshmen teams opened the season last week against Idalou teams, and the locals lost both contests.

The Tiger "B" team lost a 12-0 decision in its game against the Idalou junior varsity, while the freshmen lost by 18-0 after battling to a 0-0 halftime score.

The Tiger teams had worked only one week, and their inexperience was apparent against the Idalou squads.

PP&K Contest Set

Slaton area boys from 8 through 13 can put their football skills against thousands of other boys throughout the nation in the fifth annual Punt, Pass & Kick competition which will culminate with a trip to Washington, D. C., and an appearance at the annual National Football League Play-Off game for the top 12 winners.

Sponsored nationally by the Ford Dealers of America and the National Football League, the Punt, Pass & Kick competition -- or PP&K -- will be staged in Slaton by Smith Ford, Inc.

Slaton boys will be tested for their ability to punt, pass and place-kick a football for distance and accuracy. First-, second- and third-place winners will receive distinctive Medal of Achievement awards on plush velvet ribbons. Top award has a blue motif, second-place award is red, third award is white. There will be 18 medal awards in all. Scores throughout the country then will be compared to determine the six top winners in each of the 360 Ford zones -- a total of 2,160 zone winners.

Zone winners will meet in 37 Ford District competitions at which 228 district champions will win trophies. The 228 runners-up will receive certificate awards. All 228 district champions will compete for area championships to be held in 15 NFL-city areas. The 42 western NFL - area

champions will compete in Baltimore, Maryland, on Saturday, Dec. 10, to determine the six western division champions (one for each age group). The 48 eastern NFL-area champions will compete in Dallas on Sunday, Dec. 11, to decide the six eastern division champions (one for each age group).

The six eastern NFL division champions, and the six western division champions, accompanied by their mothers and fathers, will go on a "Tour of Champions" to Washington, D. C. They then will travel to the Orange Bowl in Miami, Florida, site of the annual NFL Play-Off game, for half-time competition to determine the six National PP&K champions.

Steve Smith, contest director for Smith Ford, pointed out that PP&K involves no body contact, there is no charge for entering and no special equipment is needed. "Registration will be through Oct. 7," he said, "with Smith Ford as registration headquarters."

"In 1965, PP&K's fifth year, 715,817 boys entered the competition," he said, "a program which has received the commendation of the President's Council on Youth Fitness."

Smith said entrants will be judged on distance and accuracy of their punting, passing and

kicking. Points will be awarded for each foot of distance the ball travels on the fly, and points will be subtracted for each foot the ball lands to the right or left of a center line. The Slaton competition will be held at Tiger Stadium, beginning at 9 a.m. on Saturday, Oct. 8. The scores will be played off on the day of competition. Ties for top spot in zone and district standings also will be played off during special contests. District winners will receive trophies. Area winners vie for the top 12 division championships. The six national winners receive handsome PP&K championship trophies. The other six receive national runner-up trophies. All 12 finalists go on the "Tour of Champions."

Rites Held For Mrs. Taggart

Mrs. Mayme Pruett Taggart, 84, of Pecos, died at 7:40 a.m. last Thursday in Mercy Hospital after an illness of three days. She had been living here with the M. G. Davises and one of her sisters, Mrs. C. B. Jordan of Lubbock. She was an aunt of Mrs. M. G. Davis. Mrs. Taggart had been a resident of Slaton many years ago for about two years. Funeral services were held at 2 p.m. Saturday in the Pecos Funeral Home Chapel with the Rev. Bob Harris, pastor of the Pecos First Methodist Church, officiating. Burial was in the Fairview Cemetery at Pecos under direction of Pecos Funeral Home. Slaton arrangements were made by Williams Funeral Home.

She was a member of the Methodist Church. Survivors include a brother, T. B. Pruett, Pecos; two sisters, Mrs. C. B. Jordan and Mrs. Lillian Butler, both of Lubbock.

JOHN R. MC LAUGHLIN

Baptist SS Workers Meet Next Week

Rev. J. L. Cartrite, pastor of the First Baptist Church, has announced that John R. McLaughlin, language missions associate for the Church services Division, Baptist General Convention of Texas, will be here next week to assist in Sunday School preparation week for the church.

Sunday School workers are asked to meet in Fellowship Hall at the church from 7 to 8:30 p.m. Tuesday and Wednesday for preparation for the coming year's work. Wednesday at 6:30 p.m. the group will meet early for a covered dish supper.

McLaughlin holds a Bachelor of Arts degree from Hardin-Simmons University and a Bachelor of Sacred Music degree from Southwestern Baptist Theological Seminary in Fort Worth. He served as director of music for several churches and has served in his present position since May of 1962.

Beard Services Read Tuesday

Graveside services for H. E. Beard, 79, of 429 N. 81st Terrace, Kansas City, Kans., were read at 2 p.m. Tuesday in Forest Lawn Cemetery at Kansas City, Mo. He died Saturday night in a hospital there following a 10-day illness.

Mr. Beard and his family were Slaton residents for 21 years before his retirement Jan. 1, 1957. He was employed with the Santa Fe Railroad as a transitman in the engineering department.

Survivors include his wife; two daughters, Jean Cox and Miss Betty Beard, all of the home.

DOYLE TUCKER

Tucker Receives Discharge

Spec. 4 Doyle Tucker, son of Mr. and Mrs. W. F. Tucker, has been discharged from the Army after two years of service. He spent all but four months of this time overseas.

Eight months was spent in Chu Chi, Viet Nam. He went into the service in Lubbock, did basic training at Ft. Polk, La., and was stationed in Hawaii.

Tucker was born and raised in Slaton. He was graduated from Slaton High School and attended WTSU at Canyon. He plans to complete his education.

FIRST CHRISTIAN NEWS

Rev. Johnny Moore, pastor of the First Christian Church, will be out of town Sunday attending the International Assembly in Dallas. Laymen of the church will be in charge of the services.

Several youth of the church also plan to attend the Saturday evening portion of the convention. So far five have planned to make the trip Saturday, attend a special youth banquet and rally and return Sunday afternoon.

Rev. Moore attended a two-day District Planning Conference at Ceta Glen last week. At the conference, Robert Hall Davis was elected District Chairman of Evangelism. Other members of the church serving on district level are Tom Davis, CWF secretary; Mrs. Earl Reasoner, CWF secretary; Earl Reasoner, board member of the Ceta Glen Camp board of directors; and Johnnie Moore, vice-president.

Rev. Moore is conducting a "Growing Workers Program" at the church each Tuesday evening at 7:30 p.m.

Mr. and Mrs. Virgil Jones and Mr. and Mrs. E. W. Ham are on a fishing trip at Falcon Lake this week.

About 25 human diseases or ailments are named for saints.

HOUSE SUNDAY--The Slaton Baptist Mission is planning open house Sunday in its newly acquired building at 145 East Panhandle. The building was formerly First Christian Church building. Inset picture on the left is Rev. Glenn Goodsey, speaker, and on the right is Rev. Robert A. Smith, pastor.

Baptist Mission Open House Sunday

of the Baptist purchased the Panhandle, the First Christian Church building, and plan to use the building as the new Baptist Mission in Plainview.

Rev. A. Smith, pastor, in the mission at 145 East Panhandle, announced that the open house will begin at 3 p.m. and will include three speakers. They are Rev. Glenn Goodsey, Dr. Melvin Smith, and Rev. Glenn Goodsey.

Dr. Melvin Smith is language associate for the W. T. Y. Convention of the Baptist General Convention of Texas. He will also be assisting with the Sunday School preparation week at the First Baptist Church next week. Dr. R. A. Smith is pastor of Trinity Baptist Church in Lubbock, and Rev. Goodsey is pastor of the First Baptist Mission in Plainview.

Highway Office Open House

September 18-24 is Highway Week in Texas and the Nation. District Five Headquarters Office, 601 Slaton Highway, Lubbock, will have open house on Friday, Sept. 23, in observance of National Highway Week.

Oscar L. Crain, district engineer, invites every one interested in highways to visit the office through the day Friday to look over the facilities, to visit over a cup of coffee and to see why "Better Highways Save Lives - Time - Money".

Maintenance and resident offices in the 17 county district will also welcome visitors through the day.

BOYD DUCKETT

Former Resident Graduate Nurse

Black-banded white caps usually symbolize registered nurses, but Boyd Duckett has entered the profession with neither cap nor band.

Duckett, a 1961 graduate of Slaton High School, has been a student at Shannon West Texas Memorial School of Nursing for the past three years.

He entered the Shannon School at San Angelo in Sept. 1963 and graduated in Sept.

ITEM: Once plastic spray bottles are emptied, wash them clean. They are unbreakable and are useful to wash children's hands after play or while traveling.

ITEM: If you're planning the addition of a powder or mud room, make sure the water closet you select is a siphon jet. Not only is it easiest to keep clean, it's also the quietest.

ITEM: A good topping for baked potatoes is whipped cottage cheese with a little minced onion and seasoned salt. Try it, if you wish a change from sour cream or butter.

To Judge
"Gather to me my faithful ones, who made a covenant with me by sacrifices! The heavens declare his righteousness, for God himself is judge."
—Psalms 50:5,6
It is not faith to expect that God will perform a miracle; that God will answer a troubled plea with a thunderbolt and instant correction of problem or grievance. God may not change the way things are, but God will increase strength and endurance. Rely on faith. Ask God not for favors, but for the strength to be a better person. Do more than pray when circumstances prevail against you. Live with your problem; try to do something about it and do not believe you can transfer it through prayer. Ask God for greater faith, not for instant relief.
