MOISTURE RANGES FROM 3 TO 6 INCHES

Rain Soaks Area

An "unbelievable" three-day rainfall, coming slow and easy, left up to six inches of rain around the Slaton area this week, and the record-breaking August moisture left cotton and late grain crops "looking great."

The rain started here Saturday night and rain recordings of 3 to 6 inches were reported in the city, more in some areas south and southwest. Slaton received about 1.5 to 2 inches Tuesday and Tuesday night.

The rain stopped Wednesday morning, but skies were still overcast and mist fell on occasions. Rain possibilities were still high Wednesday afternoon and the unseasonable cool temperature was predicted to hang on through the night.

Heavy rains had fallen incessantly over a large area, from south and east of Slaton all back into New Mexico and up through the Panhandle. The Plains and Denver City areas reported up to 9 inches of rain, while flooding conditions were prevalent in New Mexico.

No high winds and no electrical activity were seen in the rains around this area, and cotton farmers were elated over the crop prospects following the highly beneficial moisture.

Some farmers with large acreage in sudan were both glad and sad. The damp weather could hurt the sudan crop, but it was needed on the cotton. Ag observers said the moisture was worth millions of dollars to area farmers.

The come-and-go downpours were described by weathermen as a "pre-taste of fall" and the chilly temperature made most residents agree.

The Lubbock weather station reported that August moisture totaled 6.13, breaking a 52-year record of 5.95 inches recorded in 1914. And, it was a general rain all over the plains, stretching from Snyder to Tulsa. The rain will enable many farmers to shut off irrigation wells for the season, and was described by most as "just the right kind for crops."

GLAD AND SAD — Cotton farmers were all smiles this week, among them Francis Grabber who farms on Rt. 1. Tuesday afternoon he reported about 1 1/2 inches of rain which will save him a "third watering". He said the rains came at a good time, and added "I'm glad we're getting it now instead of a month from now". He got another inch or two of

rain Tuesday night. Paul Meurer, whose farm is about 2 1/2 miles west of town, wasn't too happy with the rains falling on his sudan which he had killed in order to begin harvesting. He commented that another day or so of rain wouldn't hurt the crop... that is, if the wind didn't blow.

Slaton, Area Schools Expect 4,650 Students

Classes start next Monday at Wilson, Southland, Cooper, and Roosevelt rural schools. Classes also begin Aug. 29 for students in St. Joseph's Catholic School in Slaton.

Slaton's public schools start a week later, Sept. 6, with some 2,150 students expected to enroll. Roosevelt anticipates about 1,000 students; Cooper 780, Wilson 425, Southland 200, and St. Joseph's 150.

Registration and faculty meetings were scheduled at schools this week. At Roosevelt, registration started Aug. 22 for seniors and juniors. Sophs registered Tuesday and freshmen yesterday (Wednesday). Grades 1 through 8 register on the first day of school, Aug. 29. In-service training for teachers is scheduled Aug. 25-27.

Southland has scheduled an in-service training meeting for teachers Aug. 25 and registration is set Aug. 26.

Registration is set Aug. 26 at Cooper, with seniors and juniors reporting at 10 a.m., and sophs and freshmen at 1 p.m. Elementary pupils register the first day of school. In-service training for teachers is set Aug. 24-26.

Registration is set Aug. 25 at Wilson -- seniors at 9 a.m., juniors at 10 a.m., sophs at 1 p.m., and freshmen at 2 p.m. The teachers' in-service training program is set Aug. 26.

A three-day pre-school teachers' workshop gets underway Wednesday, Aug. 31, for Slaton Public School. The workshop for all teachers of the system begins at 9:30 a.m. on Wednesday with a general assembly at the high school.

Scrimmage Set For Tiger Team

Slaton Tiger gridgers -- tutored by an entirely new coaching staff -- test their football skills in a scrimmage session at Abernathy Friday.

The scrimmage was set for 4:30 p.m. with new Tiger mentors and players alike anxious to see what the Slaton grid machine can do at this early stage.

Coach Ernie Davis was hoping to take a look at most of his varsity crew in action. All the coaches will be looking for strong and weak points, and you can be sure the bad points will get plenty of attention in future drills.

Scrimmage sessions are held for teams to try out different players and to see what phase of the game needs the most work. Each team has the ball for a specified time, even though the ball might be lost on downs, fumbles or pass interceptions. There are no kickoffs or punts.

Rain slowed workout activity this week, with the Tigers moving to the gym for conditioning exercises one day. Davis reports a "fine team spirit" and enthusiastic practice sessions. Timing and execution of plays came in for attention, and the team is expected to use a limited amount of plays at Abernathy.

Cooper Attends C-C Institute

Wayne Cooper, Slaton Chamber of Commerce manager, attended the fifth annual Industrial Development Institute at the University of Oklahoma Aug. 14-20.

Cooper joined industrial developers from 48 states, Canada and France, in attending the unique institute -- only one of its kind held annually in the U. S.

Purpose of the Institute is to enlarge the industrial developer's knowledge of the forces which shape our economy and affect its growth, to provide them with the newest techniques in the field of industrial development, to provide for the exchange of ideas and experiences from all areas, and to encourage continual self-development of the individual.

Funeral Held For Rushing

Marvin J. Rushing, 52, died last Thursday at Mercy Hospital of an apparent heart attack. He had been a Slaton resident for 15 years.

An employee of Southwestern Public Service 15 years, Rushing was a member of the Slaton Volunteer Fire Dept. and the Masonic Lodge. He was a native of Ada, Okla.

Funeral services were held at 2 p.m. Sunday in the Grace Lutheran Church with the Rev. Robert Richardson, pastor, officiating. Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Proposed Budget Reviewed At City Commission Session

Slaton City Commission, in regular session Monday night, approved issuance of airport bonds in the amount of \$85,000; made a preliminary review of the 1966-67 budget, discussed water rates, heard a proposal to join in a county-wide Citizens Traffic Council, and heard a request for help in starting an annual rodeo in Slaton.

An ordinance authorizing the issuance of airport bonds was approved at the start of the meeting. Joe Smith, First Southwest Co., was on hand to handle the financial matter. Citizens approved the bonds in an election Aug. 9. An application for matching Federal funds is presently being processed.

A public budget hearing is expected to be announced soon, possibly at the next regular meeting on Sept. 12. City Admin. Buford Duff outlined the proposed budget, and commissioners will study the figures.

Rites Held For Mrs. Miller

Mrs. Robert (Janet) Miller, 21, of Lubbock, former resident of Slaton, was killed in a two-car accident about 6:30 p.m. Sunday in southwest Lubbock.

Mrs. Miller was thrown through the windshield of her husband's car when it collided with a car driven by Alfonso Chappa Jr. of Lubbock at Quirt Ave. and Slaton Hwy.

Mrs. Miller's husband and their 3-year-old son, Joe David, were released from Methodist Hospital Monday, where they had been hospitalized with lacerations. Another child, Karen Louann, 2, was given first-aid treatment at the hospital and released Sunday.

Robert (Bobby) is the son of Mr. and Mrs. Ray Miller of Slaton.

Officers reported Chappa had stopped at a stop sign on Quirt Ave. and pulled out in front of the Miller car that was headed west on the Slaton Hwy.

Funeral services for Mrs. Miller were conducted Tuesday at 2 p.m. in St. Joseph's Catholic Church here. Burial was in Englewood Cemetery under direction of Sanders Funeral Home of Lubbock.

Mrs. Miller had resided in Slaton from 1946 to 1963, when she moved to Lubbock. She was a member of St. Joseph's Catholic Church here.

Mrs. Miller's survivors, other than her husband and children, include her parents, Mr. and Mrs. B. F. Gummels, Slaton; a brother, Ronny Dale Gummels, Levelland; and three sisters, Mrs. Betty Schleuter, Ft. Worth, Mrs. Dorothy Edmunds, Ft. Worth, and Mrs. Joan Hopper, Houma, La.

Pallbearers were Laxton Schuster, Roy Hopper, Donald Edwards, William Miller, Fred Miller and Jerry Miller.

FM Barbecue Set Sept. 15

Slaton's annual Farmer-Merchant Barbecue has been scheduled for Thursday, Sept. 15. It was announced this week by chamber of commerce committee men Willie Heinrich and Jay Gray.

The annual event will be held in Little League Park with the traditional presentation of "First-bale" awards being made at that time. The farmer producing the first bale will receive a \$150 cash award; the second bale is worth \$100, and the third bale brings \$50.

Heinrich announced that ginners will have guest tickets for farmers early next week. Ticket sales are underway to merchants, with each ticket priced at \$6. The price covers the meal for the guest farmers.

As usual, local merchants will also offer gift certificates in a drawing at the barbecue. The popular event drew more than 800 last year.

MRS. NEILON PRESIDENT

AL Auxiliary Installation Held

Mrs. Joe Neilon, wife of a World War I veteran, was installed as president of American Legion Auxiliary here Thursday night at the County Club House.

The year's theme throughout the nation has been "Notes In Harmony" and a musical program was presented at the meeting. Junior Legion pianist and song leader, Misses Cindy and Melissa Locke presented music and Mrs. Ellis Schmid directed a song fest to honor the distinguished guest, Mrs. Wilfred Stoerner of Plainview.

Patriotic songs were played on the piano during installation. Other officers installed by Mrs. Schmid were Mrs. B. N. Kinney, first vice - president; Mrs. Floyd Boyd, second vice-president; Mrs. John Carter, third vice - president; Mrs. Ray Dickie, secretary; Mrs. Ellis Schmid, corresponding secretary; Mrs. J. A. Elliott, treasurer; Mrs. T. A. Johnson, chaplain; Mrs. L. R. Gregory,

sargent at arms; Miss Theresa Lane, assistant to Mrs. Gregory; and Mrs. Glen Payne, historian;

Mrs. Stoerner presented Mrs. Schmid with a past president's pin. Mrs. Roy McCann, charter unit chairman, was presented a bracelet by Mrs. Schmid, organizer of the junior auxiliary.

Mrs. Schmid presented, in behalf of the juniors, a gift to Mrs. Stoerner for coming to their first meeting and for her courtesies toward coming through the year.

A table of awards from Department adorned in citations, plaques, and prizes were presented to the new president and the unit as Mrs. Schmid's presentation of the year's work of the unit.

Miss Robin Kerr, Miss Poppy, appeared at the meeting in the adopted uniform of the unit designed by Mrs. Stoerner. She wore a navy skirt and white shirt with a felt state of Texas which bore her pin. She wore the Slaton traditional Poppy Hat and her Poppy banner and carried a nosegay.

Miss Cindy Locke presented Miss Cindy Stoerner, junior member and district junior officer of Plainview who was presented to honor district of-

ficers, Anna M. Pettigrew and Rita McCann.

Fourteen members and four visitors were present for the meeting.

After the meeting, the legion members joined the auxiliary for refreshments.

Mrs. Merrill Is Hospitalized

Mrs. J. F. Merrill, 825 W. Garza, who fell and broke her right hip and wrist enroute to work Monday afternoon, was taken by ambulance to a Ft. Worth hospital Tuesday. Her son, James, who resides in Ft. Worth, arrived here Tuesday to accompany his mother to the hospital there.

The county library, of which Mrs. Merrill is librarian, will remain closed until Sept. 1. It will then be open daily from 1-5 p.m. with a substitute librarian who has not yet been named.

MRS. ROY STRUBE (Miss Martha Turk)

Strube-Turk Vows Exchanged Here

Double ring wedding vows were read at 7 p.m. Saturday for Miss Martha Faye Turk and Roy Gene Strube in St. Joseph's Catholic Church.

The Rev. Malcolm Stastowski, assistant pastor of Christ the King Catholic Church in Lubbock, officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Carl Turk of Winters and the bridegroom is the son of Mr. and Mrs. F. A. Strube.

Given in marriage by her father, the bride wore a formal length sheath gown of white peau de sole. Re - embroidered Alencon lace formed the scalloped neckline and accented the fitted bodice and long petal point sleeves. There were lace motifs on the sheath skirt created with seed pearls. Tiny pearl clusters were scattered over the complete dress. A detachable train formed a red-tinge effect. A terra of pearls and crystals held a well of imported silk illusion. She carried a bouquet of orchids and white roses with a crystal rosary, a gift of the groom's mother.

For something old she wore her grandmother's wedding ring; something borrowed was a string of pearls belonging to the bride - groom's sister-in-law; and something blue was a blue garter.

Miss Joann Turk of Lubbock served her sister as maid of honor. Miss Martha Strube was bridesmaid and Mrs. Charles Gates of Winters was bridesmatron. They wore bell-shaped, street-length dresses of montego blue peau de sole with fitted bodices. Overblouses and overskirts of the same blue brocade opened in front to show panels of the peau de sole. Their veils fell from montego blue cabbage roses and they carried long stem white mums.

Quinton Strube of Lubbock was his brother's best man. Ronnie McCormick of Lubbock and Lee Meurer were groomsmen. Charles Gates of Winters, L. C. Strube of Wall and Leon Buxkemper seated guests. A.

J. Buxkemper III and Doyle Buxkemper lighted candles. Michell Strube of Wall was flower girl. Brian Strube of Lubbock was ring bearer.

Wedding music was presented by a choir and Miss Ethel Becker of Hobbs, N. M., organist. A reception in St. Joseph's Hall followed the ceremony.

Guests tables were covered in white with centerpieces of roses. The bride's table was covered with white linen and held a three - tiered clustered cake topped with a miniature bride and groom and decorated with blue roses. The centerpiece was two doves with wedding rings placed inside a heart-shaped made from net and flowers.

The groomsmen's table was covered with blue linen cloth and held a floral centerpiece, chocolate cake and coffee.

For a wedding trip to Santa Fe, N. M., the bride wore a two-piece dusty rose knit suit with black patent and pink accessories, and an orchid from her corsage. The couple will reside at 2001-A 40th St., Lubbock.

The bride is a graduate of Winters High School and is employed as a secretary at Methodist Hospital in Lubbock. Strube is a graduate of Slaton High School and is employed by American Cryogenics, Inc., in Lubbock.

MR. AND MRS. R. H. TODD

Todds Honored On 50th Anniversary

The children of Mr. and Mrs. R. H. Todd honored their parents on their 50th wedding anniversary Sunday afternoon in Fellowship Hall of the First Methodist Church. Mr. and Mrs. Todd were married Aug. 22, 1916 in Elida, N. M. and have lived in Slaton since 1917. Mrs. Todd was the former Miss Lena King before her marriage and was a young school teacher. Mr. Todd worked for the Santa Fe Railway nearly 42 years and was engineer when he retired seven years ago. The Todds have two sons and five grandchildren. Their sons are R. H. Todd, Jr. of Waco and Frank Todd of Rich-

ardson. They lost one of their sons, David, on Dec. 28, 1949. One of their grandsons, Mike, is married and is in the Air Force, stationed in San Francisco, Calif. Their other grandchildren are Mark, Carol, David and Nancy. Mrs. Todd is one of three teachers of the Susannah Wesley Sunday School class at the Methodist Church and her class acted as hostesses for the occasion.

The children and grandchildren of Mr. and Mrs. W. H. Bartlett are honoring the couple on their 50th wedding anniversary with a reception from 2:30 - 5 p.m. Sunday in the Reddy Room of Southwestern Public Service company in Slaton. The former Miss Mamie Jones and Bartlett were married Aug. 27, 1916 at Goree where they resided for the next five years. They farmed in

Garza and Crosby Counties before moving to Lynn County near Wilson where they lived for 13 years. They then moved near Slaton where they have farmed for the past 25 years. Decorations for the reception will include a gold lace tablecloth with silver and crystal appointments. The serving table will feature a tiered wedding cake highlighted with a centerpiece of yellow mums, yellow poms and crystal candelabra.

Peggy Kirksey Big Hit in Talent Show

Slaton's pretty Peggy Kirksey has been honored again. After spending the summer as an instructor at cheerleading schools, she climaxed the summer by auditioning for a talent scout in Dallas.

According to her mother, Mrs. C. C. Kirksey, she didn't know she was auditioning for anything. Several of the cheerleading instructors were staging a talent show before an audience of approximately 1,300 in the auditorium at Southern Methodist University, and in the midst of the audience was the talent scout who discovered Elvis Presley and gave him his start. Mrs. Kirksey forgot to ask what his name was in all the excitement.

The news came to Mr. and Mrs. Kirksey when Peggy called Monday so excited she could hardly believe it. When Mrs. Kirksey mentioned she might give the news to The Slatonite, Peggy said, "Oh, mother, someone might think I'm bragging". But when friends heard the news, they insisted that Mrs. Kirksey report the good news.

Peggy, during her high school days, was always willing to perform when asked and also sang in the First Baptist Church choir and presented specials on many occasions. At Dallas, she sang a song she composed and accompanied herself on the piano. When Mrs. Kirksey was asked what the name of the song was, she admitted that was something else she forgot to find out. But the talent scout did tell Peggy she would have to "put it down on paper".

Out of all the contestants, Peggy was the only one selected by the talent scout. Peggy is due in tomorrow

from a summer of cheerleading instructing, and then will have to take pen in hand and figure out on paper just what she has composed, played and sung that was such a big hit in "Big D". And then, here's hoping the very best for Peggy.

Peggy, a 1966 graduate of Slaton High School, was a SHS cheerleader for four years. She plans to enroll at West Texas State University in Canyon next month.

Linen Shower Honors Miss Judi Dawson

A linen shower honoring Miss Judi Dawson, bride-elect of Mark Holt, was held from 7-9 p.m. last Thursday in the home of Mrs. Dwayne Smith.

The serving table was laid with a lace cloth over white satin and centered with a floral arrangement of light and dark pinks. The honoree's chosen colors of green and blue were carried out in the refreshments. Hostesses for the occasion were Mmes. Pat Edwards, J. B. Smith, John Robertson, Charles Earwood and Dwayne Smith.

Approximately 20 guests called during the evening. Special guests were Mrs. W. H. Dawson, mother of the honoree, and Mrs. W. L. Holt, mother of the prospective bridegroom. Hostess gift was a thermal bedspread.

Miss Elma Lee Knox of Sherman, a school mate of Mrs. R. H. Todd, visited the Todd family over the weekend and attended the Golden Anniversary tea given in honor of Mr. and Mrs. R. H. Todd.

Shower Honors Lorene Gonzales

Miss Lorene Gonzales, bride-elect of Jerry Gregory, was honored with a bridal shower last Wednesday in the home of Mrs. August Schwertner, Rt. 6, Lubbock.

Co-hostess was Mrs. Andrew Kitten of Slaton. Guests were registered by Miss Doris Schwertner, and refreshments were served by Misses Rosanna Kitten and Patricia Schwertner.

The colors of pink and white were carried out in the decorations. Special guest was the mother of the honoree, Mrs. Fred Gonzales of Rt. 6, Lubbock. Forty-six guests were invited. Hostess gift was a hamper. The couple's wedding date has been set for Sept. 8 in the Woodrow Baptist Church.

Couple Set Marriage Date

Lt. Col. and Mrs. B. L. Holliday of Anchorage, Alaska announce the engagement and approaching marriage of their daughter, Miss Bennie Holliday of Lubbock, to Harvey Lewis Pennell, son of Mr. and Mrs. D. D. Pennell of Southland. The couple plan to wed Sept. 2 at 7:30 p.m. in the Pennell home.

Pennell is a senior student at Texas Tech, majoring in physical education. He will graduate in January. The bride-elect is employed by General Electric Credit Corp. in Lubbock.

There are 150 varieties of asparagus, 20 of which are purely ornamental.

Miss Kitten Is Shower Honoree

Miss Charlene Kitten, bride-elect of Steve Ball, was honored with a lingerie shower Saturday in the home of Mrs. Bill Roche.

Hostesses for the occasion were Lundie Roche, Gerry Clark, Nelda Ray and Areta Privett.

Special guests were Mrs. Nestor Kitten, mother of the honoree, and Mrs. Bill Ball, mother of the prospective bride-groom. Hostess gift was a red peignoir set.

Dickie Re-elected Legion President

RAY DICKIE

When the American Legion met last Thursday night in the Legion Hall, new officers for the coming year were installed. Ray Dickie was installed again this year as commander. Other officers installed were Roy McCann, vice - commander; Ellis Schmid, post adjutant; J. W. Pettigrew, second vice - commander; Claude Cravens, judge advocate; and L. R. Gregory, service officer. Others installed were Joe

Teague III, finance officer; W. G. Gass, sergeant at arms; T. A. Johnson, chaplain; Bert Polk, mess sergeant; M. W. Kerr, child welfare; and Bo Becker, historian.

Division commander, Wilford Sterner of Lockney, assisted by Everett Miller and Tom Wheeler of Plainview, installed the officers.

The post executive committee is composed of Curtis Brown, Earl Eblen and Emmett Waldrop.

Commander Dickie urges anyone who hasn't paid his 1967 dues is encouraged to do so in order for the Slaton post to be first in the state of Texas to reach the Hall of Fame.

The legion members joined auxiliary members at the club house for refreshments following the meeting.

Wood, Family Visiting Here

Dr. Charles Wood and family of Tucson, Ariz., former residents of Slaton while Dr. Wood was pastor of the First Baptist Church, were here yesterday and today. Dr. Wood filled the pulpit at the First Baptist last night in the absence of Rev. J. L. Carritte who is on vacation.

The Woods family were overnight guests of Mr. and Mrs. Wayne Liles last night and will be guests of Mrs. Ethyl Young tonight.

West Texas Twirling Festival Part of South Plains Fair

LUBBOCK -- Nearly 300 contestants are expected to enroll in the 13th annual West Texas Twirling Festival to be held in conjunction with the Panhandle South Plains Fair here next month.

Letters have been mailed to about 600 prospective entries and the deadline for registering has been set for Sept. 22, according to Mrs. Benni Dunn Evans, contest chairman of Lubbock.

Entries will compete in more than two dozen divisions in all age brackets for boys and girls. Trophies and medals will be presented to top winners in all divisions. In addition, sweepstakes, team and teacher awards will be given.

Entry fees are \$1.50, \$2 and \$2.50, National Baton Twirling Association rules will be followed.

each participating town to pay \$1,500 annually as their share in the operation of the organization. If approved, the council would be re-organized with representation from all participating towns in the county. McVey said it was hoped to revamp the program by Oct. 1, when the new fiscal year begins.

"We don't intend to come down here and tell you how to run your traffic safety business," he emphasized. "We simply want to set up a well coordinated, unified county program." McVey said the council feels a community would find the organization to be "a great asset and well worth the money."

The council executive also mentioned that matching Federal funds may soon be available for such a program. If this should come about, the financial contributions of the participating towns would be re-evaluated, he said.

The commission took no action on the matter, but agreed that the citizens' group was a worthy organization and that the proposal would be given serious consideration.

Commissioners briefly studied future water rate needs, but took no action. An increase in water rates is apparently forthcoming when the city goes on the Canadian River line. From discussion, this action appears one or two years away. The commissioners agreed that a public information program needed to be started to inform citizens of the future needs.

A request for aid and support in securing rodeo grounds here was presented to the council by Jerry Harlan. He said a number of citizens would like to see an annual rodeo staged here, and they wondered if the city might provide space for such a project.

Commissioners indicated that an 11-acre tract north of town, on the golf course road, might be considered. They asked Harlan to come back with more information, showing the interest, and the matter would be discussed further.

Attending the meeting were Mayor Jonas Cain, commissioners Curly Martindale, Earl Reasoner, Jack Smith and Rudy Dominguez, Duff, City Sec. Gerald Kendrick, City Atty. Carroll Smith, Police Chief Robert Breedlove, and Publisher Speedy Nieman.

All competition will be held on the fairgrounds on Oct. 1, last day of the fair. The schedule of activities begins at 9 a.m.

A twirling sweetheart will be selected before the contest from glossy photographs submitted prior to Aug. 31. The 8 by 10 photos should show the contestant full length, attired in appropriate twirling costume.

The reigning sweetheart is Carol Ann Payton, 15, of Lubbock.

Inquiries and requests for entry blanks should be directed to Mrs. Evans at 5019 38th St., Lubbock. Entries are expected from all over the state and eastern New Mexico.

The sweetheart will be selected by Tennessee Ernie Ford, who will headline the 1966 fair.

Ford and the Young American Singers will be appearing twice daily in Fair Park Coliseum throughout the fair stand. Shows are set at 3 and 7:30 p.m. with tickets priced at \$2, \$2.50, \$3 and \$3.50. Children 12 years and under are admitted for one-half price at all matinees.

Tickets purchased prior to the fair opening are accompanied by free gate admission passes.

Twirling competition has been scheduled so it will not interfere with our Little Miss Fair contest, another feature of the 1966 exposition.

All segments of the fair have been improved and expanded this year and fair officials have predicted a record crowd of 250,000 will attend.

Methodists Plan Wilson Revival

A revival meeting at the Wilson Methodist Church begins next Monday and continues through Sept. 2 with services twice daily at 7:30 o'clock morning and evening.

Guest evangelist will be Rev. Lyman Paul Wood, pastor of First Methodist Church in Shamrock. Song director will be the local pastor, Rev. Max Browning.

The Rev. Mr. Wood has filled pastorates in Waco, Austin, Petersburg, Hart, Amarillo and Borger, as well as New York City. He served as field representative for two years for Bethany - Peniel College, Bethany, Okla.; from which he also earned his A. B. and Th.B. degrees. He had done evangelistic work in 11 different states and served four years as Amarillo director of evangelism.

Reverend Wood was listed in Who's Who in American Colleges and Universities and was presented the "Best citizen" award while at Bethany. He presently serves as district secretary of missions in the Pampa district.

Curves Forecast For Autumn

Curves make the big news in hair fashions for fall. Big curves, little curves, inside curves and outside curves, all kinds of curves are being featured.

According to the official hair fashion committee of the National Hairdressers and Cosmetologists Association, the curves are so dominantly young and out of this world, that they have named the new styles, the Astro Curve Hair Fashions.

Curves are dressed into the hair to give a flowing movement of line in the design of the new styles, as well as to emphasize a soft and curvy silhouette of the head. They are also cut into the hair, particularly for the knacky nest bangs, called orbit bangs, or the new guiche curls, called comet tails. They are even colored into the hair to give bright curvy accents.

Essentially, the new Astro Curve Hair Fashions feature a small head look. For added excitement, satellite hair pieces are used, particularly for special occasions. Special occasions are not confined to evening and formal wear, but include such daytime fun as home - coming celebrations and even the most frenzied discotheque dates.

In all of the coiffures shown for the season, hair is fitted closely on one side of the head only. Opposite from the close side, the hair is dressed out and away from the head with most of the volume area located above and behind the ear.

All of the new coiffures boast a snugly fitted nape. Here the similarity ends. Variety becomes a keynote of the new styles, individualism is a watchword. Carbon copies cannot be tolerated. However, the wide variety of soft curves available in the new hair fashions can be adapted distinctively for each woman's needs, her features, and her personality.

Necessary for the design and easy care of the new styles is an Astro Curve Cut, which forms the fit and underlines the distinctive and individualism so important in the hair fashion picture. Important, too, is a style permanent wave that permanently curves the design of the new styles.

Hair lengths continue to be short for fall, although exact lengths are dependent upon individual needs. In general, hair at the nape is shortest for a soft and cuddly fit. Around the

NEW FALL FASHION--An easy flow of soft curves distinguishes this chic Flight Curve Coiffure, one of the new Astro Curve hair fashions designed for fall by the official hair fashion committee of the National Hairdressers and Cosmetologists Association. A smooth expanse of soft curves is brushed closely to the head on the right side and over the forehead as a counterpoint to the flight of curves dressed high and out from the head for the volume side on the left.

face, too, the hair is adaptably short. About two-thirds of the head is covered with blended lengths of short hair, always retaining a short, short look in the back at the nape area. On the volume side of the head, the longer hair lengths begin about an inch above the nape line, graduating from approximately three inches up to seven inches. A perfect cut is necessary and requires professional talent.

Hair coloring, too, is an integral part of the design of the coiffure. Two colors of hair are newer than one; three colors of hair are newer than two. Color is used in combinations of natural shadings with contrasting highlights that delineate the design of the new styles and accent curvy detail.

New hair colors tend towards soft and rich shades with lustrous and bright contrasting colors to give the head special distinction above the blackened color palette of clothing fashions. Soft shades of blonde will continue in popularity. Watch for a new tone of pink pink, which can easily become one of the first truly popular pastel colors. Deep browns and paprika are expected to be among the most popular brunette shades, invariably highlighted with gold as an accent color. Lustrous auburns will use accent shades of pink beige

Federated Group To Meet Here

The County Federation of Women's Clubs will meet in Slaton's Community Clubhouse Tuesday, Aug. 30, at 2:30 p.m. with two local clubs as co-hostesses.

Hosting the rare Federation session here will be the Civic & Culture Club and the Bluebonnet Club. Program for the meeting will be presented by local people. All women interested in the meeting are invited to attend whether or not they are members of a club or not.

and pink cream. In make-up, false eyelashes will be big, both in popularity and size. Flesh tones tend towards darker shades, as do those of eye shadow, lips and nails. The effect is one of more dash and vigor. Rouge is used more extensively, but for a shadow, rather than a color, except at the knees where it lends a pink glow below knacky skirts.

Pack Rally Set Sept. 15

Pack Rally has been scheduled for Thursday, Sept. 15, at 7:30 p.m. at the 1966 round-up at the Rugged Road Camp. The rally will be held at the local Cubs.

McMinn urges all Cubs to wear uniforms to school on that day, and to invite interested boys to visit the Rally meeting with their parents. McMinn also announced that Pack 128 will hold a Watermelon Party on Thursday, Aug. 25, at the city-county park. All members of the pack and their parents are invited. Games will be played.

Mrs. L. C. Odom's visitors recently were her sister and her husband and their grandson, Mr. and Mrs. G. D. Wyatt and Donny Thompson, all of Fort Worth.

Cooper 4-H Party Held

The Cooper Community 4-H Club held a skating party for members Aug. 15 at Carlisle. An inspiration for the meeting was given by Ann Dorsett, junior leader, and her "little sisters" -- Cindy, Vickie and Kathy James.

Refreshments were served by Mrs. Williamson and Mrs. Marvin James. A special guest, Mrs. Mildred Patterson, county extension agent, attended along with guests Joe Anders and Conrad Cade.

SLATON NEWCOMERS--Mr. and Mrs. James Stubblefield, daughter, Jamie and their poodle, Seller, are among the newcomers who moved here during July. Stubblefield is the new manager of United Super Market here. They moved to Slaton from Levelland where he was assistant manager at United for the past 10 months. He has been with United for four years. They are Baptists. (SLATONITE PHOTO)

Many Uses

About 95 per cent of all waxes used today, including those in such diverse items as shoe polishes, protective coatings and cosmetics, come from petroleum.

Lighting Tip

Here's a fact worth knowing about lighting. The right diffusing bowl softens and directs the light rays and protects you from looking directly into the light bulb. A diffusing bowl helps distribute light more effectively up, down, and around. The best diffuser is one that spreads and softens the lights without letting the light source show.

Be Safe

When you travel with young children, plan short driving days with stops that fit the children's eating and sleeping schedules.

Steak Tip

To keep steaks, chops, and ham slices from "cupping" while broiling, slash through the outside fat covering at one-inch intervals.

Membership Drive Underway

The Lubbock Theatre Centre has announced plans for the 1966 - 67 membership drive which will be held from Aug. 29 through Sept. 12.

The slogan for this year's drive is "Let Us Entertain You" and the purpose of the drive is to acquaint the Lubbock area with the theater art, in order to promote its expansion and growth.

Those who purchase season tickets during the drive are assured substantial benefits during the coming season. Anyone wishing to purchase season tickets or would like to inquire about price of admission may call the local representative, Mrs. Douglas Neugebauer at phone 996-2603.

Members also have the privilege of phoning their reservations on Friday of the week before the box office opens to the public. Workshop rates are also reduced to members.

The Lubbock Theatre Centre operates as a non-profit organization and a community service.

The six productions scheduled for the 1966-67 season are "Gypsy" - Sept. 15-24; "Marriage Go-Round" - Oct. 27-30; "Diary of Anne Frank" - Dec. 8-11; "Life With Father" - Feb. 9-12; "View From the Bridge" - March 30 - April 2; and "Mary Mary" - May 4-7.

165 to 175 million free road maps are given away each year by oil companies, state highway departments, turnpike authorities and tourist clubs. These cost about 6 cents each for printing, U. S. and Canada are the only countries where the free map policy is widely followed.

Wearable Washables Go Back To Grade-School

Washability is the key word for the 1966 back-to-school clothes for the grade school set.

So says Dr. Graham Hard, Extension clothing specialist at Texas A&M University.

Fall cottons, corduroys, washable knits, machine-washable wools, stretch nylons, vinyls and a number of other washable fabrics are the answer to a busy mother's prayer. She can select her youngster's year-round school clothes from an unending variety of styles, colors and sizes in small fry fashions.

Leaders in style this fall are the Mod, Military and Western looks. Girls from kindergarten through grammar school will be seen sporting patriotic red, white and blue clothes with brass buttons and epaulets; short swinging plaid skirts; "Poor Boy" sweaters; coordinated flat textured knits; bell-bottom slacks; pant suits; and vinyl coats, dresses and novel jumpers that protect mini-print cottons underneath.

Other styles for very young scholars are the bright, neon-colored dresses in A-line and tent shapes and smock tops and novel knits that breeze successfully through automatic washers and dryers. Popular also are durable pressprints and plaids in dresses, shirts, skirts and western-motif pants; and "total look" coats with matching dresses, jumpers, slacks and tops.

Selective shopping is important to achieve full value, even if you are adding only one new item to your child's wardrobe. Look for long-lasting, quality fabrics that wash well and iron easily, or those that need no ironing at all. Be sure to match and mix separates and to coordinate new clothes with those on hand. Try adding a fun or fad hat or gloves to complete a winter coat outfit.

Choose wash-fast dyes in the newest favorite colors and add them to your child's existing wardrobe. This year plum, red-reds, golds, neon brights and dusk blues are favored.

FREE AIR At Martindale's

Emerging from the beauty shop resplendent in a new coiffure, a woman was confronted by a neighbor. "Why, Margie," said the neighbor, "what did you do to your hair? It looks like a wig." "It is a wig," Margie replied. "Well, my goodness," said the neighbor, "I'd never have known it." ***
In a kindergarten class, several flags were shown. "What flag is this?" asked the teacher. "That is the flag of my country," answered a bright youngster. "And what is the name of your country?" " 'Tis of thee," replied the bright one. ***

St City Golf Tournery Planned

The first annual Slaton City Golf Tournery will be conducted during the month of September, and the first match will be played on Sept. 10. Golfing opponents can arrange their matches anytime during the week, but the scheduled match must be completed by Saturday each week. Match play will be used for the tourney.

Trophies and gift certificates will be awarded the champion, runner-up and consolation winner in each flight.

Wilson said he hopes to schedule all final matches on Saturday, Oct. 1. Entries are now being accepted; call the pro shop for any further information.

Smith Elected League President

The Slaton City Bowling League met Monday night at 7:30 in the Citizen's State Bank meeting room and discussed plans for the coming bowling season. Elton Smith was elected as the new league president and John Richey was re-elected secretary-treasurer.

The league will start Monday, Sept. 12.

With vacancies open on two teams, anyone interested in bowling may contact Dub Williams at the bowling alley, Smith or Richey. Sponsors can probably be arranged if a team can get organized and needs one.

LETTERS TO THE EDITOR

Dear Mr. Nieman:
I should write you two letters, one for your hospitality as President of the Chamber of Commerce and one for the wonderful treatment of my newspaper during my brief visit to your fine community.

I enjoyed every moment of my stay there and certainly I hope that as time goes on we can be of help to you in your high-way needs or in any other matter that comes up.

All of your people were most generous and hospitable and my stay was a most enjoyable one.

Sincerely,
J. H. Kuitgen

(Editor's Note: The following letter is actually a letter and challenge to the members of the Slaton High School Tiger Band. At the request of the writer, Phil Brasfield, we are publishing it in this column.)

To SHS Band Members:
As you know, the first meeting of the SHS Tiger Band was held Tuesday. As I sat there, I made a personal promise, I promised myself that I would not waste my time on foolish trivialities and fun, but to discipline myself into being one of the best members of "that marching band from Tiger Lane."

In past years, we had a marching band 165 strong and everyone did his best to help further that image. That was the year we won "Sweepstakes".

Now you younger members may think Mr. Townsend is a gruff and unfeeling! But take another look. Take a look at the long hours of rehearsal and the extra hours with slower students. If you ever get to know him very close, you'll find that he's a pretty good guy.

So how about falling in this year with the same spirit that group had a few years back? And to those of you who don't plan to take band this year... think it over. What you learn, you'll carry for the rest of your lives.

So please try to feel as I do and really make an effort this year. If any freshman needs help, don't hesitate to go ask Mr. Townsend. And if I can help, that goes double for me.

(signed) Phil Brasfield

Fish, Game Licenses Are Now Available

AUSTIN -- At the same old price, and the earliest ever! The hired hands at the Texas Parks and Wildlife Department contributed that much to sportsmen's kickoff success for the new fiscal year Sept. 1. And it's all a part of the painless routine of financing the State's unmatched game management program.

In other words, replacements for the old hunting and fishing license that are invalid after Aug. 31, have been distributed to approximately 2,500 dealers in all 254 Texas counties well in advance of the deadline.

A spokesman for the Department pointed out that persons hunting or fishing beginning Sept. 1 should have the new licenses.

But until that time the law requires all participating in either sport to have a license on their person.

The Department observed that recent year efforts to expedite distribution of the licenses in advance of the new fiscal year have worked out so well that an even earlier shipment schedule was adopted this year.

A spokesman credited the news media, particularly the growing number of regular outdoor writers, for contributing to the accommodation of license buyers by publicizing details.

Cooperation of the hundreds of dealers naturally has been a major factor.

Individual fishing licenses cost \$2.15 for both residents and non-residents. Resident hunting licenses are \$3.15.

Non-resident hunting licenses cost \$25.

There is a five-day non-resident license for hunting migratory game birds, costing \$5. This, of course, applies to the white-winged dove hunt, Sept. 3-5 and September 9-11, that attracts many out of staters.

Basically, persons 17 years of age and under 65 need the regular Texas resident licenses.

First Place Won By Slaton Man

Ray Wilkins of Slaton broke the record and won first place in the 140-lap rat race with the speed of 115 miles per hour in six minutes, 34 seconds, when he entered the Tri-City Model Airplane Contest in Odessa last weekend.

He also won another first when he broke the record for balloon burst by bursting the three balloons in 17.5 seconds.

Ray's son, Brent, who is eight years old, won two trophies. He placed second in junior and senior balloon burst and third in junior and senior rat race.

Ray's twin brother, Raymon, won the pitman trophy in rat race and his eight year old son won third in junior combat.

The contest was sponsored by Odessa, Midland and Big Spring model airplane clubs with Lester Hood as contest director.

There were over 100 contestants, some from New Mexico, Oklahoma and Texas. Twelve hundred dollars worth of trophies were awarded to winners.

STRENGTH FOR THESE DAYS
Ye are the light of the world... let your light shine.
- (Matt. 5:14-16)

As the "light of the world" we accept the role we play in dispersing darkness. We realize where there is light the people are fearless, nothing remains hidden and the people express warmth. This is a world of faith where the truth's path is plain, and where God's good is revealed, where men glorify their Heavenly Father.

The first county-by-county estimate of 1966 cotton production from the 23 High Plains counties represented by Plains Cotton Growers, Inc., adds up to 1,498,750 bales, down just over 32 per cent from the 2,205,097 produced in 1965.

This is the first estimate of a year's crop in the area under the new government cotton program which offers strong payment incentive to farmers for reducing acreage up to 35 per cent. Under this program farmers on the Plains signed up to plant only 1,451,407 acres in 1966, of which an estimated 1,430,000 are "standing."

Acres planted in 1965 are reported to have been 2,021,630. Production estimates are made jointly each year by the Lubbock Cotton Exchange and

Plains Cotton Growers, Inc., using information gained from county agriculture agents, ginners, producers and other knowledgeable people in the various counties. First guess is made each year about the first of August, and that estimate is revised the first of each month until the final estimate is made on the first of December.

Listed below are the 23 counties, their estimated standing acreage and estimated production this year.

Paymaster Seeds, a division of Anderson Clayton & Company, has advised Plains Cotton Growers, Inc., that they will match a \$3,300 PCG research grant to Texas Technological College. Paymaster money for the grant will come from the Clayton Fund.

Both grants are to aid Dr. Harold Lewis' work on verticillium wilt at Texas Tech. Dr. Lewis is investigating fatty acids as natural inhibitors of "vert," which has become an increasing problem to High Plains farmers in recent years. The funds granted by PCG are

a part of \$36,250 allocated to various phases of cotton production research for the 1966-67 year. According to Donald Johnson, Executive Vice President of PCG, these funds invariably attract funds from other sources, and their value to High Plains farmers is more

than doubled in this manner. "It was the judgment of our Research Committee that Dr. Lewis' work promises a substantial contribution to the search for better and more economical ways to combat verticillium wilt," Johnson added, "and we are highly gratified that a similar grant from Paymaster has corroborated our judgment."

The recent defeat in the U. S. Senate of a proposal to limit the benefits any one grower could receive under current farm programs was an important victory, not only for those engaged in agriculture, but for the nation

as well. The nation is dependent on agriculture for all of its food and much of its fiber. And the imposition of such limitations would do much to impede the production of that food and fiber. It would restrict both the quality and quantity of such production and at the same time raise its price to the ultimate consumer. And the threat of limitations is constant. It will remain constant and become even more menacing so long as there are legislators on Capitol Hill who can gain a vote by attacking big business, of which agriculture is a part. It is no secret that there are

more such legislators in Washington now than ever before. They represent high density population centers where votes can be and are bought with promises of helping the "little people" by dragging down "big business."

The most recently defeated proposal came from Senator Daniel Brewster (D-Maryland). And it had a good chance of passage had it not been for a united effort mounted by a number of commodity organizations, including Plains Cotton Growers, Inc., to defeat it.

"While agriculture is not as strong as formerly in the halls of Congress, it is as important, if not more important to the nation than ever before. With the warnings that have been given, it is imperative that agricultural organizations and agricultural business groups join together in a coordinated, well planned, effective program aimed at developing a better understanding of agriculture by the American public and the Congress of the United States."

STRENGTH FOR THESE DAYS

From The Bible

He loveth righteousness and justice.—(Psalms 33:5)

God's law of justice is active in us and in our affairs. This law is dependable and we can trust it to work. When we are in tune with God's law and apply it to our lives and affairs, peace and order are established.

TB Symposium Set Aug. 27

Physicians from 23 West Texas counties are expected to attend the West Texas Tuberculosis Association Symposium on TB Aug. 27 at the Koko Palace in Lubbock.

Purpose of the Symposium is to clarify for physicians advances in the care of tuberculosis patients and also the new Texas Plan for the eradication of TB throughout the state.

The Symposium will assist those attending to qualify as patient care physicians under provisions of the Texas Plan as outlined in Senate Bill 130 and passed by the Legislature.

The new law provides for financial assistance from the state in caring for TB victims, the State paying qualified private physicians for post-hospital and home-care patients. This is insurance against reactivation of the communicable disease.

Four Slaton Students Get Tech Degrees

Some 800 students were awarded degrees at Texas Tech's summer commencement exercises on Aug. 20.

Dr. Orlo E. Childs, president of the Colorado School of Mines at Golden, delivered the principal address in Lubbock Municipal Auditorium.

Tech, a 41-year-old multipurpose university, has an enrollment of nearly 19,000 students in its seven schools -- Agriculture, Arts and Sciences, Business Administration, Engineering, Graduate, Home Economics and Law.

Among those students applying for degrees were the following from Slaton: Victor J. Huser who will receive a Bachelor of Arts Degree in Spanish; Jerry Lynn Hogue, who will receive a BS degree in Physical Education; Joe A. Melcher, who will receive a Master of Arts degree in Speech from the Graduate School; Donna J. Wilke Smith, who will receive a Master of Science in Home Economics Education from the Graduate School.

REV. JERRY W. LEMON

Lemon Returns For Doctorate

Rev. Jerry W. Lemon, son of Mr. and Mrs. L. Q. Lemon, recently resigned as pastor of the First Baptist Church of Ganado to return to Baylor University. There he will study toward the Doctor of Philosophy degree in Bible. Sunday will be his last Sunday as official pastor of the church.

Rev. Lemon has been awarded a graduate assistantship to allow him to participate in this new program of studies.

The Ganado First Baptist Church has gained some distinction during the five years of Rev. Lemon's ministry. For four years the church was chosen as a state leader in Church Development Program sponsored by the Texas Baptist Direct Missions Division and the Southern Baptist Home Mission Board. Three years, the church was selected as nationwide leader in its category. One year, 1963, the church was chosen as the "outstanding church in the Southern Baptist Convention" in the Church Development Program.

Both Rev. and Mrs. Lemon have been active in community affairs as well as church work. Mrs. Lemon taught this past year under the Title I government program in Ganado Public Schools. They are the parents of two sons, Brent and Wayne.

Rev. Lemon is a graduate of Slaton High School and was ordained at the First Baptist Church here.

Seaman Recruits In Training

SAN DIEGO, CALIF. (FHTNC) Aug. 9 -- Seaman Recruit Robert W. Coffee, USN, son of Mr. Robert W. Coffee of Rt. 1, Slaton and Calvin W. Klaus, son of Mr. and Mrs. Calvin W. Klaus of Slaton, are undergoing nine weeks of basic training at the Naval Training Center here.

They are receiving instructions in Naval customs, courtesies and organization, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and physical duty.

A program of sensory fitness, military drill and inspections keeps the recruits mentally and physically alert during their training.

Their Navy Classification tests will determine whether they will be assigned to a school, shore station or ship after his graduation.

Water Board Hearing Set For Lubbock

AUSTIN --- A Texas Water Development Board hearing team will return to Lubbock on September 9, to receive testimony on the Texas Water Plan as it affects West Texas, Joe C. Moore, Jr., Executive Director of the Texas Water Development Board, said Wednesday.

The hearing will begin at 9:30 a.m. in the Lubbock City Auditorium on the Texas Technological College campus.

The Lubbock hearing will bring to a close the series of public hearings on the Texas Water Plan that began in the High Plains city in mid-June, and continued through the summer in all sections of Texas.

The September 9 hearing will follow generally the format that has been used in all basin hearings this summer; however, there will not be a review by

Reyes Funeral Held Saturday

Requiem Mass was held Saturday at 3 p.m. for Victor Reyes, 37, son of Our Lady of Guadalupe Church here with the Rev. James Erickson, pastor, the celebrant.

A resident of Slaton for 35 years, Mr. Reyes died at his home about 2:30 p.m. Thursday after a short illness.

He was a member of Our Lady of Guadalupe Church and also a member of the VFW.

Burial was in Englewood Cemetery.

Survivors include his wife, Mrs. Tony Reyes; two daughters, Olivia and Cynthia, both of the home; his mother, Mrs. Maria Reyes, 1350 So. 6th St., Slaton; three brothers, Joe of Bakersfield, Calif., Manuel, Vacaville, Calif., and Louis, Fresno, Calif.; and four sisters, Mrs. Cruz Vara, 1330 S. 6th St., Slaton, Mrs. Mary Rocha, Exter, Calif., Mrs. Josephine Valadez, 800 S. 6th St., Slaton, and Mrs. Leonard Castaneda, Carlsbad, N. M.

staff members of the Texas Water Plan in order to permit more time for testimony. Moore will open the hearing with some general remarks, then the Board will begin receiving testimony.

Moore said persons desiring to testify should present written statements of their testimony to the Board so they may be made a part of the official record. "This, however, will not preclude hearing anyone who desires to speak from notes or extemporaneously," he said.

The hearing will cover the High Plains, the Trans-Pecos, and West Texas, Moore said.

Mrs. Madara Elliott of Dallas is visiting her sister and husband, Mr. and Mrs. Clyde Haire,

NEW ADMINISTRATOR --- Sister Mary Amadeus, R. S.M., assumed duties last Tuesday as administrator of Slaton's Mercy Hospital.

Sister Amadeus comes here from Vicksburg, Miss., where she has spent the past 20 years as instructor in the school of nursing; floor supervisor and administrator of a hospital there.

The Armor of God
"Put on the whole armor of God, that you may be able to stand against the wiles of the devil." -- Ephesians 6:11
When it seems your may be bent, stand straight and be constant. Find your strength by being faithful to your beliefs. Temptation is not always clearly marked and there often a price to be paid indifference. Never give up on God. God is with you. Find God's presence in the strength of your own faith. Let it be your armor, and wear it proudly.

OPERATES STEAM ENGINE TRAIN Lubbock Man Records Rail History in Models

terring around the Slaton division office of Santa Fe.

Lott developed a childhood fascination in railroads into a health saving hobby four years ago. Lott's hobby offers a relaxing escape from a fast-paced schedule.

The model railroader considers the scaling of the South Plains railroading history to be a "lifetime project." His project authentically reproduces a model of the 42-mile Slaton to Post run, including Southland and the Caprock.

The U Lazy-S Ranch is unique in having its own private railroad, complete with water tank, coal bin, switching track, and storage house.

Riding the U Lazy-S train must be an experience similar to riding the old steam engines that once roared across the South Plains. The U Lazy-S is a scaled version of the old "steam days" rumbling through the scrub mesquite raining clinders down on excited and slightly-singed passengers.

The 440 American was built in the heyday of steam engines. The little engine, tender, and passenger carriers were originally built for the Breckenridge Zoo at San Antonio.

U LAZY S RAILROAD—John Lott Jr., 4214 44th St., Lubbock, owns and "engineers" this 440 American steam engine. The engine pulls cars loaded with guests and grandchildren along a 2,000 foot track on Lott's ranch near Post, Lott, an extraordinary model railroad enthusiast, also has a detailed model train layout of the Slaton division office of Santa Fe. Lott's steam engine set up is complete with 14 gauge track, water tank, coal bin, switches, and train house. (SLATONITE PHOTO)

Crow Named As Director Of State Group

Appointment of Don Crow, Don Crow Chevrolet Co., Slaton, as area director of Texas Automobile Dealers Association was announced today by J. D. Hufstader of Lubbock who represents this area on the TADA Board of Directors.

Crow has been advised that his major responsibility as an area director will be to work at the grass roots with other officials of the state-wide franchised new car dealers association to promote a high standard of integrity among the car dealers of the state and serve the motoring public better by making driving safer, more convenient and more economical.

"Automobile dealers were particularly concerned at this time," Crow said, "with highway and car safety, and stress will be placed on association programs in this area with this as the aim. He said TADA planned to work with area directors to expand the driver education program into more Texas schools. Dealers help sponsor this training by loaning automobiles to schools.

Crow will serve as an area director until the next TADA convention in Houston, May, 1967. The association, with headquarters in Austin, represents 1,400 franchised dealers of new automobiles and trucks of the state.

Irrigation Of Cotton Ending

Cotton irrigation will soon end for this season over the South Plains as producers comply with the water "cut-off" dates suggested for both efficient water use and production of quality fiber.

August 20 is the recommended cut-off date for the northern portion of the High Plains cotton production region, says Extension Irrigation Specialist Bill Lyle, of Lubbock.

The recommended cut-off date is August 25 for the central part of the area and September 1 for the south part, he says.

The cut-off times have been established from research on cotton's growth pattern and from data on first-frost dates and expected rainfall.

Average first-frost date is October 22 in the north part of the area, November 1 in the central part and November 10 in the south part, he says.

HOUSE JOINT RESOLUTION NO. 69 proposing an Amendment to the Constitution of the State of Texas by adding a new Section, Section 63, to Article III; authorizing the Legislature to provide by statute for the accomplishment of governmental functions within any county having one million, two hundred thousand (1,200,000) or more inhabitants by the consolidation of the functions of government or for providing medicine or for providing medical services within any county having one million, two hundred thousand (1,200,000) or more inhabitants to be held throughout the State on the first Tuesday after the first Monday in November, 1966, at which time the ballot shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing the Legislature to provide by statute for the performance of functions of government within any county having one million, two hundred thousand (1,200,000) or more inhabitants to be held throughout the State on the first Tuesday after the first Monday in November, 1966, at which time the ballot shall have printed thereon the following:

"Section 63. (1) The Legislature may by statute provide for the consolidation of some functions of government of any one or more political subdivisions comprising or located within any county in this State having one million, two hundred thousand (1,200,000) or more inhabitants. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these political subdivisions under such terms and conditions as the Legislature may require.

(2) The county government, or any political subdivision(s) comprising or located therein, may contract one with another for the performance of governmental functions required or authorized by this Constitution or the Laws of this State."

purposes of Section 52, Article III, or Section 59, Article XVI, are validated, so long as the provisions do not provide for a term of office which exceeds six years."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years.

"AGAINST the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and Laws of this State.

vide for a voluntary merger into the System herein authorized by this Constitutional Amendment of any System of Retirement, Disability and Death Compensation Benefits which may now exist or that may hereafter be established under subsection (b) of Section 62 of Article XVI of the Texas Constitution; providing further that the Texas Legislature in the enabling statute will make the determination as to the amount of money that will be contributed by the county or other political subdivision of the state or political subdivision of the county to the State-wide System of Retirement, Disability and Death Benefits, and the Legislature shall further provide that the amount of money contributed by the county or other political subdivision of the state or subdivision of the county shall equal the amount paid for the same purpose from the income of each officer and employee covered by this State-wide System.

"It is the further intention of the Legislature in submitting this Constitutional Amendment, that the officers and employees of the county or other political subdivision of the state or political subdivision of the county may be included in those systems regardless of whether the county or other political subdivision of the state or political subdivision of the county participates in the Retirement, Disability and Death Benefit System authorized by this Constitutional Amendment, or whether they participate in a System under the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as the same is herein amended."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the General Election in November, 1966, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical services within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpayers of the district; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpayers voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows: "Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 38 proposing an amendment to Section 2, Article VI, Constitution of the State of Texas, to omit the requirement that members of the armed services vote only in the county in which they resided at the time of entering the service.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 2, Article VI, Constitution of the State of Texas, be amended by deleting the following language: "Any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces."

The text of this Section is shown below, with a broken line through the sentence which is to be deleted: "Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like man-

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 38 proposing an amendment to Section 2, Article VI, Constitution of the State of Texas, to omit the requirement that members of the armed services vote only in the county in which they resided at the time of entering the service.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 2, Article VI, Constitution of the State of Texas, be amended by deleting the following language: "Any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces."

The text of this Section is shown below, with a broken line through the sentence which is to be deleted: "Section 2. The only purpose of the amendment proposed in this Resolution is to make the aforesaid deletion. The adoption of this amendment shall not be deemed to have the effect of re-adopting the remainder of the Section and if any other Amendment to this Section, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this amendment shall not be construed as nullifying the change made by such other amendment."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."

"AGAINST the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."

Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.

Sec. 5. If the foregoing amendment is adopted, the proclamation of the Governor declaring the adoption of the amendment shall set forth the full text of the amended Section, as amended herein and by any other proposed amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.
